Poka-Lambro Meet Next Wednesday

Poka-Lambro Rural Telephone Cooperative will hold its annual membership meeting at the headquarters building here in Tahoka next Wednesday at 3:00 p. m., according to W. D. Harmon, manager.

Coy McDougald of Lubbock, REA loans division field representative, will make a brief talk, four new directors elected, other business transacted, and a large number of door prizes will be given to members present.

Mitchell Williams, attorney for Poka-Lambro, will preside. Secretary V. H. Wheatley will make a brief report.

The terms of four directors, President Lee Bartlett of Meadow, Irvin Snell of Lamesa, Joe D. Unfred of New Home, and George A. Sealy of Tahoka, route 4, expire at this time.

A nominating committee has presented the following nominees for their respective districts and others may be nominated from the floor, each for a term of two years:

District 1: Bartlett and Robert Beasley.
District 3: Snell and Donald Airhart.

District 5: Sealy and Boyd Barnes.
District 7: Unfred and J. M. (Melvin) Newman.

Holdover directors are Mr. Wheatley of Brownfield, who is currently the secretary; C. W. Roberts, Tahoka, vice president; and Herbert Green, Lamesa.

The telephone cooperative serves most of the rural areas of Lynn, Terry, and Dawson counties and parts of Hockley, Martin, Gaines, Yoakum, Garza, and Borden counties.

Telephone Co-op Plans Expansion

Poka-Lambro Telephone Cooperative has been granted a \$660,000 loan by the Rural Electrification Administration for an extensive expansion program to improve service to present subscribers, according to announcement of W. D. Harmon, manager.

Since most of the system was built, subscribers have increased to such an extent that many lines have become over-loaded.

The new loan will permit the building of additional subscriber and trunk lines to give members much better service. The addition of new lines has been needed for some time, Mr. Harmon says, but these could not be built until REA saw fit to grant an additional loan for the work.

As of April 1, Poka-Lambro has grown from 17 subscribers in 1952 to 2,338 subscribers. Many of the lines started out with only a few subscribers and now the number has multiplied to such an extent good service has been impossible in all cases.

There were 17 subscribers when the cooperative started operation in 1952. The gradual increase is shown by the following figures: 1953, 298; 1954, 862; 1955, 976; 1956, 1306; 1957, 1453; 1958, 1677; 1959, 1828; 1960, 2047; and at the end of 1961, 2308.

Poka-Lambro has 15 exchanges serving members in all or parts of nine South Plains counties.

Absentee Voting Scheduled Monday

Absentee voting in the primary election of May 5 is due to start next Monday, April 15 and continue until May 1, according to County Clerk C. W. Roberts.

However, Mr. Roberts said Thursday he had not yet received the ballots for such voting.

Mrs. V. C. Lauderdale was dismissed Tuesday from Tahoka Hospital.

DR. C. L. KAY

Dr. C. L. Kay Will Speak Monday

Dr. C. L. Kay, vice president of Lubbock Christian College and one of the most popular speakers on the Plains, will talk on "The Opposing Forces of Democracy" next Monday night in the Tahoka High School auditorium. The public is urged to attend.

Dr. Kay's appearance here is being sponsored by the Lynn County Home Demonstration Clubs in conjunction with National Home Demonstration Week in its study of communism and socialism.

The speaker is widely acclaimed for his wide knowledge of the subject. Last May when he spoke here before the Rotary District Assembly, he received a five-minute standing ovation from his audience, one of the few times such has taken place in Tahoka.

Mrs. Hubert Tankersley of the H. D. Clubs says everyone in the county is not only invited but urged to hear his message, which will not be offensive to anyone but will be filled with worth while information, presented in an interesting manner.

A. G. Freeman, 91, Buried Sunday

Funeral services for A. G. Freeman, 91 year old Tahoka resident of nearly 40 years, were held Sunday at 3:00 p. m. at the First Baptist Church in Tahoka. He died at 6:00 a. m. Friday in Tahoka Hospital after a long illness.

Rev. James Efrid, pastor, officiated and burial followed in Tahoka Cemetery under direction of White Funeral Home. Grandsons were pallbearers.

Mr. Freeman was born Feb. 29, 1871 in North Carolina. He was married to Miss Clara Lee Campbell about 71 years ago in Terrell, Texas and the couple came to Lynn county in 1923 from Taylor county. Mrs. Freeman died about 17 years ago.

After being a carpenter here for about 20 years, Mr. Freeman operated a grocery store on the O'Donnell highway until he became ill several months ago. He was a member of the First Baptist Church.

Survivors include one daughter, Mrs. Minnie Conwill of Tahoka; three sons, Harvey H. of Tahoka, Clarence of Albemarle, North Carolina, Fred of Salisbury, North Carolina; and a number of grandchildren and great grandchildren.

Mrs. G. C. Watson of Redwine, who fell and broke her hip recently, was able to return home Sunday from Methodist Hospital. She is able to be up in a wheelchair.

Mrs. Mollie Johnson is being treated for pneumonia at Tahoka Hospital, where she was admitted Monday.

Band Concert Here Tonight

Annual spring concert of the Tahoka High School Band will be presented tonight, Friday, at 7:30 o'clock in the school auditorium. No admission charges will be made.

The Stage Band, organized early this year, will also play several numbers.

Both bands directed by Phil Pearce have been receiving praise from school patrons and others for the wonderful progress made this year, and the concert should be a treat for music lovers.

Recently the concert band attended the annual contests in Lubbock and won second division in both concert and sight reading, which is considered high, especially since it had rated third division in recent years past.

Judges of the contest were Gene Braugh of Del Mar College, L. M. Stookey of Denver University, and Clarence Sawhill of UCLA.

A few weeks previously, the stage band had received first division rating, the highest ranking in an area contest.

Mr. Pearce says he hopes a large crowd will turn out for the concert tonight. He promises a very enjoyable program and says a good crowd will give the kids encouragement.

Tahoka Graduate Elected As Coach

Gilbert Hough of Goddard, Kansas was unanimously elected football coach at a meeting of the school board Tuesday night. He has coached football at Goddard for the past six years.

A 1948 graduate of Tahoka High School, where he was a member of district championship football and basketball teams, Hough received his BA degree from Southwestern College at Winfield, Kansas. He played his college football there and served four years in the Navy before entering the coaching profession.

He attended the Tahoka schools his junior and senior years.

The 32 year old mentor won district at Goddard this past season and tied for the championship two years.

He and his wife, Pat, have two children, Mike who is nine years old and Ruth Ann who is seven years old.

Coach Hough stated that the date of moving his family to Tahoka is indefinite and will probably depend on when he can find a house, preferably a three-bedroom.

D. C. Davis is a medical patient in Tahoka Hospital. He was admitted on Monday.

Charter Night Banquet For Jaycees Draws Big Crowd

A total of 146 persons attended the Charter and Installation banquet of the Tahoka Jaycees here Thursday night of last week in the City Legion Building when the State Jaycee president, Lewis Timberlake, of Stamford was the keynote speaker.

Officers of the local Junior Chamber of Commerce were installed by Bill Ingram, National director of Odessa, and special guests were introduced by Bill Spencer of Lubbock, state vice president.

Installed as new officers were Jessie Dorman, president; Wiley Curry, first vice president; Bert Stevens, second vice president; Binie White, secretary; Willis McNeil, treasurer; and Harry Lee Short, executive director. Directors include J. E. Nance, Jr., Clayton "Ike" Carter and Wayne Huffaker.

The new organization now has 42 members.

Timberlake presented a speech concerning Jaycee work which was reported to be excellent.

The local organization will hold noon meetings on the first and third Tuesdays at the Stockman Cafe. On the second and fourth Tuesdays the group will meet in the evenings at the WOW Hall.

The Tahoka Jaycees held their first meeting on March 1 of this year and on March 13 voted to charter the organization.

Bobby Caswell, 14, was dismissed from Tahoka Hospital Monday after undergoing an appendectomy Thursday of last week. He is the son of Mr. and Mrs. Noel Caswell.

Rainfall Last Week Was 1.37 Inches Here

Rainfall last Wednesday and Thursday in Tahoka totaled 1.37 inches, not enough to hold over until planting time but very encouraging to farmers.

However, most of the Wilson area received about two inches and smaller scattered areas over the county received a similar amount. Much of the eastern part of the county received only about an inch.

Tahoka Debaters Win At District

Tahoka won three first places in the District 3-AA literary contests held at Slaton Saturday.

The boys debate team, Andy Bray and Craig Leslie, won first place; Jerre Ann Wyatt won first in ready writing; and Donna Copelin won first in shorthand.

Tahoka placed fourth in the event with 89 points. Denver City was first with 206 points, Slaton second with 104 and one-third points, and Post was third with 94 and two-thirds points.

LADIES PLAY DAY

Ladies' Play Day will begin at 8:30 a. m. Tuesday and all members of the Golf Association are asked to bring a guest. Luncheon will be served at noon and bridge games will be held until 3:00 p. m. Coffee and doughnuts will be served in the morning at 8:30 a. m.

All Tahoka Teachers Elected

All teachers in the Tahoka Independent School District system were re-elected Tuesday night at a meeting of the school board, and officers of the board were named.

The meeting was the first since the school election last week end with the board consisting of two new members, Cleve Littlepage and J. T. Miller, succeeding H. W. (Sam) Edwards, Jr. and O. E. Terry. Re-elected as president of the board was Clint Walker, with Wilton Payne as vice president and Maurice Huffaker, as secretary. Other holdover members are Olen Renfro and Clint Sikes.

A total of all 45 teachers in South Elementary, North Elementary, High School, Dunbar School and Special School were re-elected by a unanimous decision of the board upon the recommendations of the superintendent and school principals.

Under a new employment policy of the local schools, faculty members will be elected one time and one time only, and will be employed as long as a teacher renders satisfactory service from year to year.

Actually, faculty members are employed on a month-to-month basis, but a one month's notice is

New School Trustees Named By Four Districts Saturday

Tahoka Rodeo Tickets On Sale

With Tahoka Rodeo coming up April 25-28, queen candidates are out selling admission tickets, and two booster trips are planned for next week.

All rodeo enthusiasts are urged to join the motorcade next Wednesday and Thursday. On Wednesday the group will visit Post, Snyder, Gail, Lamesa, Seminole, Seagraves and Brownfield. On Thursday, the towns of Wilson, Slaton, Idalou, New Deal, Shallowater, Levelland, Sundown, Ropesville, Meadow and New Home will be visited.

Merchants and organizations are asked to decorate for the rodeo and to plan entries for the big parade on Wednesday, April 25, opening the four-day show.

Queen candidates are Tanya Unfred of New Home, Jane Stoker of Wilson, Linda Driver of Grassland, Nancy Inman of the Sheriff's Posse, Betty Kuwaski of the Jaycees, and Linda Thomas of the Chamber of Commerce.

Advance tickets are being sold at \$1.00 for adults for each performance, but they will be \$1.25 at the gate; 50 cents for children 12 and under, 60 cents at the gate.

VAUGHN'S BROTHER DIES

Mr. and Mrs. Walter F. Vaughn were called to Pearsall last week end by the death of his brother on Saturday.

Cancer Drive Is Now In Progress

The Lynn county Cancer Drive is underway, according to J. P. Hewlett, county drive chairman, and the Tahoka Jaycees will work the business area of Tahoka next week.

In O'Donnell the Lions Club will contact business institutions, in New Home the Home Demonstration Club will work the town, and in Wilson Pat Campbell is in charge of the drive.

Following the drive in the town area of Tahoka, the FHA girls and Rainbow Girls have offered their services in conducting a house-to-house canvas of Tahoka residential area.

Other communities are possibly planning the annual cancer coffee, Mrs. Beulah Applewhite said but since the house-to-house canvas is planned here, the usual coffees may not be held.

Mr. Hewlett, in urging everyone to give generously to the Cancer Fund, pointed out that the American Cancer Society says that 25 years ago only one cancer patient in seven was saved. Today one patient in three is saved and it is possible to save one in every two patients.

JANE SCHNEIDER

Queen Selected By Lions Club

(By Margret Bartley)

Miss Jane Schneider, 18, was named the Wilson Lions Club queen Thursday of last week by a group of out-of-town judges and will represent the club at the district meeting and compete in the district contest to be held in Lamesa on May 4 and 5.

Runner-up was Carol Lamb and second runner-up was Cassandra Scott.

The winner is third vice president of the area FHA, is a twirler in the high school band, and is president of the YWA. Her hobbies are twirling and cooking.

Preceding the contest a program was presented by the Wilson FHA chapter. A total of nine girls were entered in the competition.

Senior Play Is Next Thursday

The Senior Class of Tahoka High School will present its play, "If Mother Only Knew," Thursday night, April 19, at 8:00 p. m. in the High School auditorium.

The presentation deals with the incidents that happen in the Maxwell family, a typical American family who is always getting into scrapes which are the laugh of the town. The Maxwells' three children and their friends try to save the day when Mr. Maxwell forgets his and Mrs. Maxwell's 20th wedding anniversary and when Mrs. Maxwell accepts engagements with an unknown doctor. The play is one long, loud laugh from beginning to end.

The cast of characters are: Glenn Hopkins, Mr. Maxwell, the father; Donna Copelin, Mrs. Maxwell; Paula Wood, Aunt Mary; Elaine Buchanan, Connie, the oldest daughter; Sue Walker, Betty Loy, the 15 year old daughter; Fred Hegl, Wilbur, the 13 year old son; Perry Flippin, "Brains" Burke, Connie's boy friend; Larry Thomas, Hercules Nelson, Wilbur's bosom pal; Kay Halamicck, Bernadine, Betty Lou's best friend; Loretta Pott, Dr. Gladys Gooch, an old college chum of Mrs. Maxwell; Billy Nance, Dr. Jeffrey Gooch, her husband; Jim Dulin, Badge Burns, policeman.

Robert Smith is the student director and he and the senior class cordially invite the public to attend. Mr. and Mrs. Tom Bartley are directors of the production.

Adult tickets are 75 cents and student tickets are 50 cents.

HOME FROM ARMY

Steve Slover returned Wednesday to Camp Polk, La., where he is stationed in the Army, following a visit here with his parents, Mr. and Mrs. Rufus Slover. Steve and his parents spent last week end visiting his brother, Jackie, at Berger.

Spirited voting featured the school trustee elections Saturday in the county's four districts, Tahoka, O'Donnell, Wilson and New Home. Possibly the largest vote ever recorded featured the Tahoka election as 682 voters went to the polls.

Wilton Payne was re-elected to the Tahoka board, and new members of the board are J. T. Miller and Cleve Littlepage. Two outgoing members, Earl Terry and Sam Edwards, were not candidates for re-election.

Miller led the balloting with 391 votes. Littlepage received 366, and Payne 339. Close behind but failing to receive enough votes for election were H. B. McCord Jr., with 336, Welch Flippin with 315, and E. L. Short with 282.

Holdover members of the board are Clint Walker, Clint Sikes, Maurice Huffaker, and Olen Renfro.

A record turnout of 326 voters was reported at O'Donnell, where three new members were elected from a field of 11 candidates. New men on the board are B. B. Vestal, who received 122 votes; W. W. Emerson, 105; and W. H. Cook, 85. Votes received by others were: Kenneth Pearson, 82; C. R. Burleson Jr., 76; Andy Jordan, 72; B. J. McLaurin, 47; Bart Anderson, 32; G. W. Jones, 31; and J. G. Rogers, 23. Jordan and Anderson were candidates for re-election.

New Home also had a large turnout of voters, with 127 votes cast. E. M. Rudd, board chairman, was re-elected as he polled 68 votes. However, George Sealy and N. B. (Billy) Hancock led the ballot to win places on the board with 96 and 86 votes respectively. Carl Armes, present incumbent, received 47 votes; Cecil Kieth, present incumbent, had 62; Foy Swinson, 55; Richard Wyatt, 55; and a write-in candidate, E. R. Blakney, 56.

At Wilson, two incumbents were re-elected as 151 citizens voted. Lloyd Mears won re-election with 92 votes and Ceal Wied with 81. Walter Ray Stein was the third man elected, receiving 93 votes. Others on the ballot were T. A. Stone, who received 69; L. E. Young, 52; and Carl Herzog, 48. Board chairman Clarence Church was not a candidate for re-election.

Harlan Dean of New Home was elected to the county board from Precinct 4, and G. Q. Hensley was elected from Precinct 2. Other members of the county board are Homer Hardberger from Precinct 3, T. B. Mason of Precinct 1, and Jim Applewhite, trustee-at-large and chairman of the county board.

New Home Will Get New Church

New Home Baptist Church will hold ground breaking ceremonies this Sunday at noon on the new \$68,500 church building, which is expected to cost about \$75,000, including furnishings.

Rev. Paul McClung, pastor, told The News the church voted Wednesday night to get the project going. G&G Construction Co. of Lubbock has the contract to erect the brick auditorium and educational building which will have 8,100 square feet of floor space. Rev. McClung said the church has about half of the funds already in hand for the building.

Site for the new building will be northeast of the Civic Center and east of the football field.

Ground breaking ceremonies will be held this Sunday immediately following the morning worship services.

Mrs. Glenn Medlin was admitted to Tahoka Hospital Sunday and transferred to Methodist Hospital in Lubbock on Tuesday.

Carolyn Sue Coleman And Jerry W. Adams Married In Ceremony At Wilson Church

Miss Carolyn Sue Coleman, daughter of Mr. and Mrs. L. A. Coleman of Wilson, and Jerry Wayne Adams, son of Mr. and Mrs. J. D. Adams of Tahoka, were united in marriage at a double-ring ceremony read Saturday evening in Wilson Methodist Church with Rev. W. C. Rucker reading the ceremony.

The bride, given in marriage by her father, wore a gown of white French lace, sequin-embroidered, with tulle over net and satin. The skirt was encircled with bands of sequin-embroidered lace held by bands of shirred tulle, sweeping into a train. Her veil was attached to a tiara of seed pearls and sequins. The bride carried a white Bible topped with an orchid bouquet.

Serving as maid of honor was Miss Barbara Jones of Tahoka. Bridesmaids were Miss Sandy Nelson, a cousin of the bride, and Miss Sherry Tilley, Tahoka. Flower girls were Cristy Moore of Seagraves, and Pamela Porter. They wore identical dresses of blue brocade taffeta with fitted bodices, short sleeves and fully-gathered skirts.

The maid of honor and bridesmaids wore blue veiled hats and carried nosegays of blue and white flowers. The flower girls wore blue velvet bows in their hair and carried white flower baskets.

Best man was Robert Cloe, Tahoka. Groomsmen were James Adams, brother of the bridegroom and George Adams, Brownwood, brother of the bridegroom.

Robert Adams, Tahoka, brother of the bridegroom, and Mike Coleman, brother of the bride, lighted the candles.

Ring bearers were Chris Coleman and Toby Ellison.

The Young Homemakers HD Club met April 5 in the home of Mrs. Jean Bell when the nine ladies present discussed their bake sale to be held April 18.

Mrs. Connie Anderson, agent, presented the program on "Window Treatment," including the different types of covering and the appearance from the outside as well as the inside.

Mrs. Hilton Wood received a pot holder wall plaque as a hostess gift. Refreshments of strawberry punch, cookies and mixed nuts were served.

The next meeting will be held May 3 in the home of Mrs. Patsy Dunlap at 1824 North Sixth.

Miss Payton Will Wed Earl Kenny

(Mrs. Jesse Ward)

Mr. and Mrs. Carl Payton, route 2, Post, announce the engagement and approaching marriage of their daughter, Linda Joyce, to Earl Kenny, son of Mr. and Mrs. Leon Kenny of Slaton.

Wedding vows will be read May 24 in the First Baptist Church in Slaton.

Miss Payton is a senior at Southland High School and Mr. Kenny is a senior electrical engineering major at Texas Tech.

pears, and participate in as many FHA activities as possible.

Darlene Tekell, daughter of Mr. and Mrs. O. O. Tekell, is serving as second vice president of FHA and has also served as reporter of the chapter, is a member of National Honor Society of which she is reporter, and is president of the Library Club. She was a member of the junior play cast last year.

Frances Willhoit, daughter of Mr. and Mrs. Vernon Willhoit, has been a member of the National Honor Society for two years, is a member of the Spanish Club, is third vice president of FHA and was elected as "best groomed" girl in Tahoka High School.

Carol Jean Allen has been a member of the high school band, for four years, is on the annual staff, a member of the National Honor Society, and was elected to "Who's Who." The daughter of Mr. and Mrs. Clyde Allen, she is an active member of the First Baptist Church where she plays the piano for the choir.

Vesta Dudgeon is vice president of the Methodist Youth Fellowship, vice president of the Library Club, a member of the National Honor Society, is Past Worthy Advisor of Rainbows, has been a member of the band for four years, and was a member of the girls' debate team which placed second in district. Bray Heads SMU Student Body

Dallas — New executive officers of the Southern Methodist University student body for the 1962-63 school year were selected in campus elections, Wednesday, April 5.

They are David Bray, a junior from Tahoka, president; John Hill a sophomore from Midland, vice-president; Bonnie Hubby, a sophomore from Houston, secretary; Harry Shuford, a junior from Dallas, treasurer, and Len Fasel, a junior from Pasadena, editor of the SMU Campus.

David Bray, son of Mr. and Mrs. A. M. Bray, was unopposed for the position of student body president after the only other candidate withdrew from the race.

In addition to the honor coming to him in the university's election, he has also been elected to two honorary organizations, named on the Dean's List, and recognized in a special service in the field of scholastics.

Terry Ayer, nine year old son of Mr. and Mrs. Granvel Ayer, underwent an emergency appendectomy at 8:00 p. m. Tuesday in Methodist Hospital in Lubbock. On Wednesday afternoon he was reported in good condition.

QUESTIONS, PLEASE

QUESTION: ARE THERE ONE OR TWO BIRTHS IN JOHN 3:5?

ANSWER: The Savior most certainly meant but one birth when he said: "Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God." In verse 3 he said: "Except a man be born again, and then the expression, "born of water and of the Spirit," is only a further explanation; gives two items—water and Spirit—that are requisite in bringing about the new birth, the only birth of water and Spirit. Peter, writing to those who had already done what Jesus said must be done, had already been born of the water and the Spirit, had already entered the kingdom of God on earth, said, "being born again," etc., which shows one birth only. (1 Pet. 1:22.) Christ was only speaking figuratively of what should take place in man in becoming a Christian, and we had just as well say that a man must become a Christian twice as to say that it takes two births to enter into the kingdom of God. One natural birth introduces us into this world, and one new birth, one birth of water and Spirit, introduces a man into the kingdom. But it requires all that Jesus said to put a man

into the kingdom, and a man is not born again till he is born of water as well as of the Spirit. The Spirit of God directs every step to be taken in entering into the kingdom of heaven. Water baptism is one of these, and the last one, as Jesus shows in the commission, when he says: "He that believeth and is baptized shall be saved." The promise of salvation is not merely when they believe, but when they are also baptized; and such also was the teaching of the Spirit through Peter when he said: "Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost." And the three thousand that were baptized under that command were born again—born of water and of the Spirit; and as the Spirit of God commands baptism before it promises remission, no man need think that he can be born again without water, without baptism, for Jesus shows plainly he cannot. Hence, whenever a man believes the gospel with all his heart, repents of his sins, and, upon the confession of the name of Christ, is baptized, he is a Christian, is in the kingdom of God, is born again; and it takes these acts of obedience to constitute the one new birth.

New From P. A. G.

P-A-G 34 . . . A Sorghum-Sudangrass Hybrid with rapid recovery after grazing or mechanical harvest — allowing continuous grazing or several cuttings of hay, silage, or green chop. Its red seed looks like grain sorghum. Plant it for top grazing potential.

P-A-G 35 . . . Another Sorghum-Sudangrass Hybrid. Similar to P-A-G 34 but with a sweet stalk and very juicy stemmed. This variety's red seed looks like Grain Sorghum. Plant it for high quality grazing.

P-A-G 1 . . . A semi-sweet, medium maturing forage hybrid widely adapted to a variety of soil types. Non-toxic produce unless blended with a pollinator — it produces exceptionally high tonnage in a shorter period of time than most standard varieties.

Elbert King's Dad Dies At Age of 90

W. L. King, 90, long time rancher and farmer at Archer City and father of Elbert H. King of Tahoka, King's Department Store, died Saturday at 2:15 a. m. in a hospital in that city. Elbert had been at his father's bedside since the deceased had suffered a stroke on Monday.

Funeral services were held on Sunday at 2:00 p. m. in the First Baptist Church of Archer City. Mrs. King and John, a senior law student in the University of Texas, also attended the services.

Mr. King was born February 21, 1872, in Tarrant county, later moved to Jack county, and then moved to Archer county in 1917. He had been a member of the Baptist Church since the age of seventeen.

Survivors include four daughters, four sons, three sisters, two brothers, nine grandchildren, and six great grandchildren.

While at Archer City, Elbert King fell and dislocated and fractured his left shoulder. He will have his left arm in a sling for several weeks.

CARD OF THANKS

Thanks for the kind words, flowers, food and the kind deeds done during our father's illness. We want to thank Jack Miller for meeting the bus in Lubbock on the day of the funeral and bringing our brother, Fred Freeman, and son-in-law, Hubert Whitley, of Salisbury, N. Car., to the cemetery a few minutes before the burial. May God bless all of you who helped in any way to soften our grief.—The A. G. Freeman family. 1tp.

Mr. Tom Cloe was able to return home the first of this week from a Lubbock hospital, and is reported improving nicely.

Boys Honored For Outstanding Work During Annual FFA Banquet Monday

Two hundred people attended the annual Tahoka Future Farmers of America banquet Monday night in the school cafeteria, at which awards were made for outstanding work this year and an address on "Agri-Business" was presented by Dr. Gerald Thomas, Dean of Agriculture at Texas Tech.

Billy Davis, FFA president, was master of ceremonies and conducted a standard chapter meeting with the other officers participating, namely, Larry Forsythe, vice president; Perry Flippin, sentinel; Macky Joe McWhirter, reporter; Gary Grogan, treasurer; Fred Hegli, secretary; and Lester Adams, advisor.

Organ music was furnished during the meal by Fred Hegli, and other entertainment included several songs by "The Dreamers," a vocal quintet composed of Monte McGinty, Sheryl Nevill, Linda Thomas, Jean Flippin, and Jackie Burnett, accompanied at the piano by Sharon Patterson.

Davis, assisted by the FFA Sweetheart, Lynnetta Cain, presented the following awards:

Outstanding overall supervised farm program of freshmen: Stanley Price, Cal Womack, and Jim Crawford.

Outstanding freshman swine program: Jack Edwards, Mike Huffaker and Mike Reid.

Outstanding freshman beef cattle program: Jose Cervantes and Jim Wells.

Best chapter overall supervised farm program: Gary Grogan.

Outstanding chapter swine program: Johnny Rogers, Billy Miller, Tommy Jones, Billy Wallace, Ronnie Hart, Fred Martin, and Glen Hopkins.

Outstanding chapter beef calf program: Jack Woods, Jack Flippin, and Jerry Forsythe.

Special scholarship award: Fred Hegli.

Two adults, Vernon Davis and Maurice Huffaker, were announced as having been voted to honorary membership for outstanding service to FFA work, and the degree was conferred on them by Vernon's son, Billy, and Jerry Forsythe.

Dr. Thomas, who was introduced by Perry Flippin, presented a very entertaining and informational talk, calling attention to the fact that farming is big business, the importance of more education of the public as to the place of agriculture and what it means to the nation.

Although there are now only eight or nine percent of our people directly engaged wholly in tilling the soil, he declared 40 percent of the nation's population is connected directly with agri-

culture, refuting some of the claims of city politicians.

With the world population growing at such a rapid rate, he said there will be barely standing room on the earth in just 64 years, barring population control. The world is predominantly hungry today, yet right now we are limiting production. By 1975, our own nation will need fifty percent more food.

"What does the future look like?" he asked, and then pointed out that we need more education for farming, more research, better managers for farm operation, more capital, and to broaden our outlook individually and as a nation.

The speaker laughingly explained that he was raised away out in the country on an Idaho farm, once tried farming himself, went broke and became a teacher.

Jerry Forsythe introduced the entertainment numbers. The meal was served by the Future Homemakers girls, and some of the mothers helped the lunchroom ladies prepare the meal.

MEASURES TO TAKE TO ERADICATE SCREW-WORMS

Here are some suggested measures livestock producers should take for individual assistance in the program for the eradication of screwworms:

Inspect all livestock frequently. Pay particular attention to navels of newborn animals, a favorite site of the screwworm.

Collect ten (10) maggots from every infested wound. Place in a container of alcohol or water and immediately notify your county agent.

Do not move animals from any area unless all wounds are treated with Korlan screwworm smear.

Do not accept or move animals from other states where screwworms may exist unless the cattle dealer, buyer, or owner, inspects and treats all animals at origin as indicated in Item Four above.

Remain alert to all information released through newspapers, television, radio or your county agent's office, concerning the screwworm status in your county and state so you can prevent screwworm infested animals from entering your neighborhood or help find and promptly eliminate any screwworms that do enter.

New Aldermen Are Inducted

The two new City aldermen, J. E. Nance and H. W. (Sam) Edwards, were inducted into office last Wednesday night, and James F. (Sonny) Roberts, filling out the unexpired term of W. C. Wharton, also started a new two-year term on the City Council.

Nance will succeed W. T. Kidwell as the water and sewer councilman, and Edwards succeeds Ronald Sherrill as streets commissioner. Roberts continues in charge of the fire department and parks; Borden Davis, sanitation; and Charles Oliver, police.

The City has accepted delivery of the new Chrysler special police car bought on a low bid through The Short Company.

The Council has also voted to buy a new 16 cubic foot packer unit to replace the present 10-foot unit, and this will be installed soon on the present truck chassis at San Antonio. The Council hopes this unit will permit twice a week pick up of trash in the residence section instead of the present once a week pick up.

This installation is a forerunner to plans for doing away with pick ups from 55-gallon barrels, and citizens will be asked to use smaller covered cans.

A new billing machine has been purchased to replace the present

Congratulations:

Mr. and Mrs. Martin C. Wuen-sche of Wilson, route 1, on the birthday of a son weighing 7 pounds 3 ounces at 12:17 p. m. Friday in West Texas Hospital. He has been named Martin Chris. The boy has a sister, Amber, age two years and four months. Maternal grandparents are Mr. and Mrs. J. H. Stalcup.

Mr. and Mrs. Jimmy Prentice Walker of Dallas on the birth of a son Friday night, April 6. Michael David weighed six pounds, 12 ounces, and has a big sister, Sheryl, four years old, and a big brother, Jimmy, two years old. Grandparents are Mr. and Mrs. Prentice Walker of Brownfield and Mr. and Mrs. Dave Sherrill of Lubbock. Mrs. Beulah Applewhite, the paternal great grandmother, left Tuesday night for Dallas where she will spend several days with the new arrival and his family. The father is a geologist for Bartessa Oil Co. in Dallas.

Mr. and Mrs. Joe Harvick on the birth of a son Friday, April 6, at 1:21 a. m. in Tahoka Hospital. Named James Kevin, he weighed eight pounds, six ounces. He has two big brothers, Karlton and Kent. Mrs. W. C. Harvick is the paternal grandmother.

Mrs. Jewel Rogers "Operator Of Week"

Mrs. Horace (Jewel) Rogers of Tahoka was named operator of the week of General Telephone Company in the Brownfield News this week through a column written by Mrs. Iva Elliott, also a Tahokan.

Mrs. Rogers has been employed by General Telephone for 10 years, was first an operator in Tahoka and transferred to Brownfield when local operations were moved there. She commutes to work from Tahoka daily through rain or shine.

Her husband is manager of Piggly Wiggly No. 1 here and son, Johnny, is a junior in Tahoka High School.

machine which has been in use 13 years. As a result, City Secretary J. M. Uzzle says, a new form of billing card will be received by city patrons next month.

John Toler's Mother Dies On Thursday

Mrs. Florence Toler of Dublin, 84 year old mother of John F. Toler of Tahoka, died at 8:00 a. m. Thursday, April 5, of a heart attack. Funeral services were held Saturday in the First Baptist Church there with Rev. Collier, pastor, and Rev. S. F. Martin of Fort Worth, brother-in-law of Mrs. John Toler, officiating.

Mr. and Mrs. Toler and Rev. and Mrs. Martin, who were here visiting when the message was received, left Thursday morning and returned home Sunday.

Mrs. Toler had lived in Erath county all of her life and in Dublin for 45 years. She is survived by one son, John of Tahoka, four daughters, many grandchildren and one great grandchild.

Pre-School Day Will Be April 27

Pre-School Day for children who will be six years old and attend the first grade next September will be held on Friday, April 27, according to J. B. Howell, principal of South Elementary School.

The children must be registered by a parent, or parents, at 8:30 a. m. in the hall of the school building on that day. They will be dismissed at 11:50 a. m. and must be picked up at school at that time.

Parents and children may eat in the school cafeteria for 30 cents each prior to dismissal.

This year's first grade students will not attend school on that day, Principal Howell said.

Jimmy Uzzle Makes Dean's List At Tech

Jimmy Uzzle, son of Mr. and Mrs. J. M. Uzzle, has been named to the Dean's Honor List at Texas Tech.

He is an electrical engineering major and in addition to attending college is employed by Zum Walt and Venter Consulting Engineers.

CARD OF THANKS

So many called and sent flowers and food while Mother was in the hospital and offered other expressions of love, help and understanding, we wish to take this means of expressing, or trying to express, our thanks to each of you. Our special thanks to you, the doctors and nurses at the hospital, and Mrs. Bingham who served special duty with her after working all day. Just don't know what we would have done if it had not been for the good neighbors and friends. Again our thanks and all our love, and God's richest blessings on you.—Joe M. Thurman and children. 1tc

BAKE SALE WEDNESDAY

The Young Homemakers Home Demonstration Club will hold a bake sale on Wednesday, April 18, beginning at 9:00 a. m. at Piggly Wiggly No. 1.

No cake mixes will be used. Pies will be priced from \$1.00 to \$1.50 and cakes will be priced \$2.50 to \$3.00.

Tom W. Hale was admitted to Tahoka Hospital Monday and dismissed Wednesday for treatment of a foot injury received when he stepped on a fish and was cut by a fin.

Teachers ...

(Continued from First Page) warning of dismissal if the first terminated by the issuance of a conference failed to bring about the desired correction on the part of the teacher, and the third conference a report by the administrator on the continued failure on the part of the teacher (if such be the case) and a request that the teacher resign, effective within a maximum of 30 days.

According to the employment policy, the basis or principles used for calling a teacher into one or more conferences include "inefficiency, immorality, failure to cooperate with the school administration and other faculty members, and flagrant disregard for the administrative policies of the school."

Instead of holding the usual teacher elections each spring, faculty members will be requested to sign an "Intention to Teach" for the ensuing year in the local schools, if the teacher so desires to teach in Tahoka, and agrees that he or she is subject to assignment to classrooms by the superintendent and/or principals.

TEC Offers Labor Service To Farmers

A representative of Texas Employment Commission will be in Tahoka at the court house each Tuesday in an effort to get farmers needing hands and workers needing jobs together.

The representative will take applications from farmers for hands, and also will take orders from anyone seeking employment.

Pentecostal Church Is Holding Revival

Rev. Garvin Tidrick of Colorado Springs is doing the preaching in a revival meeting in progress at the United Pentecostal Church, according to the pastor, Rev. C. Coppedge.

Services each night at 7:30 p. m. will continue through April 22. The public is cordially invited.

PUBLIC IS URGED TO USE NEW TRASH CANS

Citizens are being asked to use the new trash cans in down town Tahoka and refrain from throwing trash on the streets. So far, City employees report, people have not been using the receptacles as they should.

Placing these trash receptacles on the streets was sponsored by Tahoka Garden Club as one of their civic projects.

BAKE SALE SATURDAY

The Junior Class is sponsoring a bake sale at 9:00 a. m. Saturday, April 14, at Wynne Collier Drug. Juniors are asked to have their pastries there by 8:30 a. m. If they cannot bring pies or cakes, they are asked to pay \$4.00 into the class treasury, according to class members.

Revival At Local Church Continues

Revival services are in progress at the First Baptist Church and will continue through Easter Sunday. Pastor T. James Efrid is doing the preaching, with song services under the direction of James Hollars, Minister of Music and Education.

Sermon topics for the week have been on "Questions Around the Cross." Next week, Rev. Efrid's messages will be on the

seven sayings of Christ on the cross, climaxing with the Resurrection of Christ on Easter Sunday.

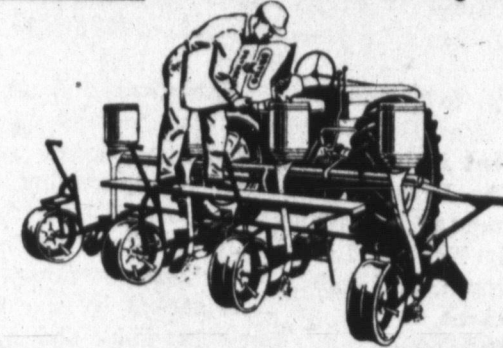

The men, under the sponsorship of the Brotherhood, will have breakfast and a brief devotional at the church each morning next week at 6:30 a. m.

Attendance has been good, and the public is cordially invited to attend. Prayer services for both ladies and men are at 7:10 each evening, with evening worship services beginning at 7:30.

COTTON GROWERS

Seed is scarce... make everyone pay off!

Treat your cotton seed furrows with ORTHO Soil Treater X — the new ORTHO soil fungicide.

You need no special equipment with this easy planter-box treatment. Just sift the dust (1 1/2-3 lbs. per bushel) directly on the seed in the planter-box. It's as simple as that! The dust gives previously treated seed added protection from seed rot. The excess material filters down into the furrow and forms a "protected zone" around the seed and seedling. With planter attached dusting equipment, apply 10-12 lbs. of ORTHOCIDE Soil Treater X per acre.

Reduces losses due to damping-off, sore shin, sore shank, seedling blight, seedling root rot and other seed and soil diseases.

Order ORTHO Soil Treater X from your ginmer today.

Rev. Pistone, Pastor of Mexican Mission, Tells of His Native Land

"Argentina" was the subject of an enlightening talk at Tahoka Rotary Club Thursday of last week by Rev. John Wm. Pistone, current pastor of the Mexican Baptist Mission here and a native of the South American country.

Born and raised in Buenos Aires, Rev. Pistone's father is Italian and his mother is English. His wife is a native of Brazil, but one of her parents is Hungarian and the other is German. Their nine-month old son was born in the United States. Rev. Pistone speaks Spanish, Portuguese and English fluently and can "get along" in German and Italian.

Such cosmopolitanism is characteristic of Argentina, he said, as the country's citizenship is made up of many races, similar to the U. S., except that there are few Indians and almost no Negroes there.

Argentina is about one-third the size of the U. S. but extends north and south half the distance of South America. The south is very cold, being near the Antarctic.

with temperatures dropping to 40 degrees below zero in the winter and to as low as 5 degrees below in summer. The country extends north to the heat zone.

The country has 21 million people, about eight million of whom are concentrated in and around Buenos Aires, one of the world's largest cities.

Petroleum is produced in the south, largely undeveloped, and sheep and goats are raised. A little further north, cattle raising becomes extensive. Meat is cheap, and two pounds of the best steak may be bought for 40 cents. Much beef is shipped to the U. S. and to European countries. In the central area, there is much rain and grains are the principal crops. Further north, rice and cotton are the principal crops. Wages are low compared to the U. S., about \$70 to \$80 per month to the average worker.

Communists are very few in number, but they have very strong influence, can dominate the labor unions and even some of the universities. Socialists are really Communists without admitting such. There are 18 or 20 political parties, and many of them have a chance to elect candidates. The Peronistas are still very strong since 25 to 30 percent of the people are still in this group.

There is a constant class struggle between the landed gentry and the laboring class. Most people are either very rich or very poor. The rich are usually in control of government regardless of who is elected. The rich pay little or no taxes, while the poor bear the tax burden—one reason for the frequent changes in government. Twenty-five percent of the tax money goes to the Catholic Church.

Peron, now in exile, would win a free election. He declared that Peron did a lot of good things for the poor, but like all the other government heads, when he was deposed he had already sent all the money to European banks. This has become the rule with Argentina leaders in government; when they leave office they leave the Argentina treasury bare. He does not think Peron will return

to power, however, because he is living in luxury in a palace in Spain on the money he took from the government.

Generally, the people like the U. S., but "Yankee, go home" is the constant cry and many do not know why, it's just a battle cry. They do have a grudge against American capitalists, who do business with the government and throw their weight around.

Speaking of foreign aid from the U. S., he declared it would probably be better if there was no foreign aid program for Argentina. Our foreign aid money goes directly to the government, and the poor people who need it never get the benefit. But, he thought possibly President Kennedy's idea to give aid to the poor is good if he can do it. Whereas we deal with the government on foreign aid, the Communists go directly to the people—which helps make the Communists program popular.

One surprising statement Rev. Pistone made is that every citizen in Argentina is required to vote. If he doesn't vote in an election, he must be prepared to answer why.

All education is free and school attendance is compulsory through the seventh grade. However, there are some private schools and universities.

Prior to Rev. Pistone's talk, Ronald Sherrill and Dr. Skiles Thomas made brief reports on the Rotary District Conference the week end before in Odessa.

NOW between the big car and the small car there's a

great car!

mercury meteor '62

totally new! Now, there's a new way to go. It's the Mercury Meteor for 1962 and all the years thereafter. Look! Want big car handling, roominess and ride? Meteor's got them. Want big car performance? Meteor's got a brawny new V-8, plus a peppy six. Want low initial investment? A gas gauge needle that drags its feet? A car that corners sports-car flat? Elbow room for six, honest, six people? Want a dozen self-servicing features? Meteor's got them.

handles like a compact... roomy as a big car

priced like a compact... the luxury of a big car

saves like a compact... performs like a big car

totally different! Meteor is like no car made this year, last year or ever before. It's a new size. This great new car plunks you smack-dab into the luxury car field both inside and out. There's a new economy-engineered V-8 that has a grudge against gas bills, and a six, too. The Meteor actually has more self-servicing features than most expensive luxury cars. It can be yours for just a few dollars more than a compact. Your Mercury dealer has it now.

Printer's Ink-lings . . .

By F. P. H.

A local businessman says he is getting a little peeved at methods being used in Tahoka by radio and television stations to sell advertising in Tahoka. Solicitors call up a business over the telephone, tell the operator that several other businesses in the town are joining in on an advertising program for the good of the town. This man says that on inquiry he finds others are being told the same thing and had not authorized such advertising. Working one business against another, the Tahoka merchants are finally whipped into line and sold advertising. Maybe this is a thing for the "better business" committee of the Chamber of Commerce to work on. An advertiser pays for a lot of circulation in such a media that is entirely out of his territory.

Another reader suggests that parents check a little closer on the use of airguns by their young ones. A few days ago, a youth with

an airgun killed a robin up on North Fifth. Some of the kids have also been shooting at doves and street lights in the area. The airgun can be a dangerous weapon—especially the pellet type—and some person is liable to get hurt. If we're not mistaken, Tahoka has a city ordinance prohibiting such shooting in town.

Since nearly every other paper in the area has expressed an opinion, Wilmer Smith, a Texas Tech director was wondering why this column has not "popped off." Not being a Tech Ex, we are perfectly willing to leave the problem to the board and others with power to change the name. However, we don't mind saying we think the name should be left as it is. The school has gotten in the national spotlight with its present name. The move to change the name comes principally from some of the professors who think a name change is in order to give them a little more prestige. If it is changed, why not Texas Tech University? But, then, this would be a misnomer because the institution does not have a school of law or medicine. Of course, neither does Hardin-Simmons, Midwestern or Trinity Universities—but we doubt that the word "university," which they are not, technically speaking, has added much prestige to these schools. Georgia Tech, MIT, and Cal-Tech, for instance, maintain a lot of prestige in spite of the fact that they, too, have school of arts and sciences, agriculture, engineering, etc.

Another reader, we've forgotten who, asked a week or so ago since

THE AMERICAN WAY

Easy Come, Easy Go

we have caustic comments on nearly everything why not a word about the Elizabeth Taylor-Eddie Fisher-Richard Burton mess. Well, that's nothing but trash about some scum of the earth that ought not even to be in the public prints. It's a crying shame that some such characters get built into stars and still maintain some respect from the public. What would you think of your neighbors who engaged in such goings-on? Trash and filth! Nuts to 'em all!

Mrs. Charlie Terry states she wants, while we're handing out bouquets, to add a pretty red rose for the doctors and nurses at Tahoka Hospital. She says, "I've been there so much lately that I almost feel at home. Although I'm nearly six feet tall, Dr. Prohl has nicknamed me 'Shorty' and Mrs. McKee calls me 'Sweetie Pie.' But, Dr. Prohl, in his jovial way, told me he didn't want me back down there. They are wonderful." Hey, "Doc," we ought to have at least a malt for this free advertising.

Mrs. J. V. Huddleston, 84, of Grassland, one of the News' standbys for 45 years, was in last week end for a visit. She still lives in the same house where she and her late husband settled on the C. W. Post lands in 1916, and they started taking the Lynn County News when the late Mr. and Mrs. Marry C. Crie were the owners.

Martin (Junior) Wuensche and wife have a new son. Martin says he was born with a "real satisfying look" which may indicate he will some day be a Democratic president—and then he (Martin) couldn't even vote for his own son.

"There just ain't no justice," thinks Herman E. Huffaker of Grassland. Recently, his son, Rev. Bob Huffaker, who is in school at Bethany, Okla., was down in Louisiana visiting his wife's folks. He went fishing and left his car in a bar ditch alongside a highway near Baton Rouge while he and a companion went off down the creek fishing. A highway patrolman came along while Bob was fishing, noted the car, took down the license number, and reported an abandoned Texas car in Louisiana. State Highway Patrol officials in Austin, called Post, where the car was registered, and a Post official called Mr. Huffaker. Finally, the mix-up was straightened out, but not before some anxious hours—and H. E. had to pay the telephone bills.

Two or three weeks previous to that, The News had carried a little item stating that Gene Parish and Ollie Huffaker had been fishing. The item could have had tragic consequences were not the parties involved considerate and understanding people, for Ollie is Mrs. Huffaker's name. Naturally, it was Gene and Herman who went fishing.

Reminds us of a near-tragic mistake The News made a long time ago. A correspondent out at West Point, in writing the news of the community, habitually listed the people who were in Tahoka or Brownfield Saturday. Then came an apparently innocent item which stated that "John Doe and Jane Smith were visitors in Brownfield Saturday night." The correspondent evidently didn't realize the possible implications. Neither did The News editor until the next day after the paper came out into the office walked a man with

a blacksnake over his shoulder and threatening to whip the editor. "I'll have you know John Doe is a married man and Jane Smith is my wife, and they weren't in Brownfield together." Finally, the editor managed to cool the man off and explain that the correspondent was merely listing those in town and meant no harm—and the editor escaped with his hide intact. Later, it was learned by the editor that John Doe was a pretty fast man with the ladies. Editing a newspaper is a pretty hazardous business.

Here's where some of our tax money goes: A government bureau has just spent \$1,400 and 300 man hours to determine that the "average" man's posterior covers 179.4 square inches and exerts an average pressure of 92 pounds per square inch." Enlightening information!

Back Talk
A motorcycle policeman was about to write up a ticket charging a motorist with speeding, when a woman in the back seat who could restrain herself no longer, began this tirade:
"There! Didn't I tell you to watch out? But you kept right on speeding all morning, getting out of line, not blowing your horn,

passing stop streets, and every thing else. Didn't I tell you you'd get caught? Didn't I? Didn't I?"
"Who is this woman?" asked the officer, with pencil poised.
"My wife," said the motorist grimly.
"Drive on, my friend!" exclaimed the officer, pityingly, as he proceeded to tear up the ticket.
"Drive on — and may the Lord have mercy on you!"

Lenox, S. Dak., Independent: "Small business, like farming, is always a risk and is always a political football in election years. We remember a bright young candidate telling us that something must be done about helping small business. So what has been done, the same old cure has been prescribed—make more government loans. But it occurs to us this hasn't gotten many results. Ten per cent more businesses went broke in 1961 than in 1960 and now the proposal has been made to raise postal rates, raise social security payments, raise wage scales, raise taxes, lower tariffs but keep prices down to avoid inflation and meet foreign competition. Now just how a struggling business can make a go of it to

Corvair 95—only pickup with side-loading ramp.

Fleetside pickup—most popular Chevrolet truck.

Depend on it to give you an honest day's work for a long, long time and not cost much to run or keep up. It's a Chevrolet.

Trucks aren't all alike. This Chevrolet has double-wall roof, doors and side panels. It has suspension that helps it last longer by reducing road shock. It has a non-skid wood body floor. It has as tough a tailgate as you'll find. It has an all-welded frame made of high-quality steel. Most important, it has a name everybody respects because they know it stands for quality. When you

make up your mind to buy, get this one. We know you'll be happy with it.

HAVE YOU LOOKED INTO CAMPER BODIES? This is a fine way to enjoy the outdoors comfortably and at low cost. Many Chevrolet dealers are showing camper units now. Drop by and investigate this great way to make a truck do double duty. A strong Chevrolet is your best bet for work or play.

See your Chevrolet dealer for trucks that keep working and working and working and working!

Just To Get Commercial—Lynn's Annual Baby Crop Costs \$172,000

(Special To The News)
New York, March 12 — Lynn County's annual baby crop stands up well, in point of quantity and quality, with those in other sections of the country.
In relation to the local population, the new arrivals have been appearing at the rate of 31.2 per 1,000 residents, which compares favorably with the baby production rate in the United States as a whole, 23.7 per 1,000, and with that in the West South Central States, 25.5 per 1,000.
Comparison is made on the basis of the latest nationwide compilation of birth figures, released recently by the U. S. Public Health Service.
They show that a total of 340 babies were born in Lynn County in the year ending January 1, 1960, not counting the ones born locally to non-residents.
All of these newcomers arrived on the scene with clean slates. They had no commitments, no political ties, no convictions, no af-

filiations except family ones, and no debts.
On the part of their parents, however, or in lieu of them, on the part of the public at large, there were certain obligations, among them the duty to provide the youngsters with at least the necessities of life and with an education during their formative years.
As to the cost of having a baby, those in the know say that the hospital costs and the obstetrician's bill are only the beginning.
A trade publication estimates that average parents, aided by their dotting infolk, spend over \$500 on clothing, furniture and other basics per baby.
It consists of a layette, \$50, furniture, \$185, clothing, \$120, toys, \$40, diapers and pants, \$35, bedding, \$30, and toiletries, \$45.
These average expenditures, applied to Lynn County's yearly arrivals, brings the baby launching cost for such basics to approximately \$172,000 a year locally.
The Public Health Service predicts that there will be a big spurt in the birth figures in the United States beginning about 1965. That is the time when many of the young people in the country who were born in the prolific post-war period will be reaching the age at which they will be marrying and having children themselves.

THE SEVEN AGES OF CHILDHOOD

These are the ages of greatest change, ages that most deserve to be captured and held through the magic of fine photography.
Such a record grows in value with the passing of each year, and should be a part of your child's heritage.

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

Traditionally, the word "extortion" has always held a somewhat sinister meaning.
However, it now appears there would well be a new type of terminology for the word, and that there will now be set up the term "legal extortion."
At least that appears possible unless Congress takes some action to clean house in the National Labor Relations Board. There has been a C. W. Harder, some suggestions that as long as it seems, in some quarters, perfectly fine to give the communistic government of Yugoslavia jet planes, perhaps as additional help to Tito, it would be well to ship him several carloads of NLRB people.
The latest off-tackle slant... off left tackle of course, by NLRB is to establish the edict that a non-union worker in a plant where there is union workers, does not have to pay union dues. He just gives the same amount each month to the union. It's called union security.
Basically, this is just another move by a government bureau to encroach further into the affairs of individual states. Some states have "right-to-work" laws which makes it illegal to require union membership to hold job.
These laws, of course, irritate the leaders of monopoly labor organizations. And of course, nothing grieves an NLRB official quite as much as an irritated labor leader, unless it is the thought of getting the National Federation of Independent Business.
This opens an entirely new area of economic opportunity for enterprising people. Hoodlums should no longer demand payoffs, which is extortion. Instead, they now should be able to seek plate glass security payments. In fact, this could probably go a long way to alleviate the national crime problem. If some nice terms can be found to be used for other forms of extortion, for armed robbery, et al, then there would be less criminal offenses throughout the land.
It now appears that this whole question of unbridled license given a few labor leaders will be a major issue in the forthcoming session of Congress. Even Congressmen with heavy labor constituencies report three-fourths or more of their people are demanding corrective steps.
Senators Thurmond and McClellan, Congressman Algar, Santangelo, Helstead, and many others, are either writing bills, or working with other legislators, on bills that will curb the powers of these labor czars in their inauguration of practices which have created a serious unemployment situation, held down the economy, and hampered national defense. There is growing demand the system be changed back to where American government is by the people, of the people, and for the people.
