NOTED TEACHERS WILL JUDGE Richland Hills Annual Science Fair Announced For April 23

Richland Hills Elementary School will hold their annual science fair in the school cafeteria on Saturday, April 23 from 1 to 6 p. m. in the afternoon. Fair exhibits will be set up by pupils on Friday, April 22 and judged from 10 to 12 a. m. on the morning of April 23.

Judges for the science fair will include: W. C. Robinson of Clovis, N. M., a traveling science teacher with the National Foundation of Science Teachers; Walter McGuire, traveling science teacher with the Foundation; John Hughes, an engineer with Southwestern Public Service from Plainview; Dale Fischgrabe with the Bailey County Soil Conservation Service; and two professors from the science department of Eastern New Mexico University.

Approximately one hundred boys and girls from the fourth, fifth and sixth grade will enter projects in the fair. Pupils of the first, second and third grade will enter room exhibits in the fair. Prizes of ribbons, pins and trophies will be awarded winners in the fourth, fifth and sixth grades.

Projects will be judged on the basis of creative ability, scientific thought, thoroughness, skill and clarity and clarity and dramatic value.

The public is cordially invited to attend the fair.

Watts Issues Statement To Precinct Voters

F. W. (Webb) Watts, who earlier in the year announced that he is a candidate for Commissioner, Precinct 1, has now issued a statement on his candidacy, as follows:

To The Voters of Precinct 1:

I feel qualified to make the people of Precinct 1, Bailey County, a good commissioner. I pledge myself to be fair and impartial and to consider each problem with an open mind. I will be obligated only to you as individuals to do what is best for everyone concerned.

I earnestly solicit your vote and support.

F. W. (Webb) WATTS.

Three Way Box Supper Success

The box supper and candidate speaking at the Three Way community center was a great success.

Proceeds were \$529.99, for which the sponsors thank the candidates for taking a great part.

Jean Tyson was voted the prettiest girl and Neal Smith won the ugliest man contest.

Muleshoe Ladies Golf Tournament Set For Mid-June

The third annual Muleshoe Ladies Invitational Golf tournament has been set for June 14, 15, 16, and 17. The ladies announced this week. There will be trophies for medalist and championship, prizes for winners, and daily prizes are to be offered. Again a "dry baby" flight will be conducted.

Reservations may be made by calling Ray Hardy, Country Club pro, or Hattie Ray Jones. The tournament committee is composed of Ruby Hart, Jo Wood, and Eunice Evans.

A Dutch lunch is on the calendar for 8 o'clock June 14 when contestants and husbands will participate free.

A Cappella Choir To Give Two Concerts Here

The famed international A Cappella Choir of Wayland College, Plainview, will appear in two concerts in Muleshoe April 27.

The choir will sing in the high school auditorium at 2:45 p. m. and in the First Baptist Church at 7:30 p. m.

Spring concert appearances are scheduled for the choir throughout the Panhandle and Plains area. The 39 student musicians come from many states and two foreign countries. Costumes as well as musical numbers will accent the international flavor of the choir.

ASSOCIATION IS ORGANIZED Local Amateur Artists Showed 200 Paintings To Public Sunday

The second public showing of the Muleshoe Art Association, held Sunday afternoon at the Legion Cafe, had exactly 200 pictures entered. Because of the high winds and dust, the show was held in the large dining room of the cafe, and a very large number of people came to see the canvases painted by local amateurs.

Dr. Emilio Caballero, teacher in WTSC, Canyon, who has conducted two art courses here, came down with his family to attend the show. Next day he wrote to Mrs. Blanche Lenderson, who has taken an interest in promoting the courses here:

"I want to say how pleased and grateful I was Sunday. These shows gave me a tremendous boost and I have all you fine people of Muleshoe to thank. Experiences such as this one do not come often, but when they do, I feel the richer and stronger for it."

Association Formed.

A few days ago, at the close of the second art course the local people who attended, met and organized the Muleshoe Art Association. Mrs. Lenderson was made president; Mrs. Geraldine Lowe, of Maple, vice-president; and Mrs. Lucille Reed of Muleshoe secretary and treasurer. The amateur artists will paint each Wednesday in the Commodory building, located on the courthouse square in Muleshoe and they plan to have two exhibits each year.

The following attended the

second art course which recently ended, nearly all exhibited pictures Sunday:

Danna Arnold, Matilda Slemmons, Jerry Fite, Marie White, Blanche Lenderson, Myrtle Steinbock, Pearl Gunstream, Mildred Williams, Erald Gross, Tiny Forbes, Lucille Reed, Ethel Allison, Evelyn Fisher, Ola Belle Lamo, Mezzine Elliott.

Marie Lenoau, Geraldine Lowe, Rheta Peeler, Nan Largent, Thelma Patzig, Kay Sanders, Arline Phelps, Pam Lenoau, Davy Jean Anderson, Pat Bobo, Bill Fowler, Larry Tunnel, and Carroll Littlefield.

Canning Plant Will Operate

Carl Case, owner of Muleshoe Canning Co., told The Journal today that his plant will operate the coming season. Mr. Case's announcement was especially welcome in view of the fact that he did not operate last season.

He bought ripe tomatoes here and shipped them to Arkansas for processing, but this year the tomatoes will be canned in the Muleshoe plant.

Mr. Case expressed the opinion that a fairly large acreage will be planted to tomatoes here this year. His outfit for crop and for labor has in years past run around \$100,000, a large part of that expenditure being for local labor.

He said he has a contract for sale of his product and that he can handle all the tomatoes that he can get.

Credit Unions of Area Hold School In Muleshoe

Four Credit Unions of the area were represented at a school of instruction for officers held here in the Bailey County Electric building Monday night. The school was conducted by Mrs. Dyalitha Benson, manager of the Hereford Federal Credit Union.

From Plains, representing the Youakum County Federal Credit Union came C. L. Faubus, P. W. St. Romain, and Mrs. Faubus; Hereford Credit Union representatives were Mrs. Benson and her husband, Henry W. Benson;

Lucy Jones and Mack Bainum were here to represent the Friona Federal Credit Union; Muleshoe Federal Credit Union was represented by W. F. Sain, Frank Ford, Connie Dale Gupton, and Mrs. Polly Otwell. The meeting lasted from 7 to 10 p. m., and those attending reported a fine session despite the stormy weather that night.

Baptist Revival To Begin Sunday

First Baptist Church of Muleshoe will begin a revival the coming Sunday, April 17, Rev. E. K. Shepherd, pastor announced.

The revival will continue through April 17, and services will be at 10 a. m. and 7:30 p. m. daily.

Rev. Leo Rudd is the evangelist. Singing will be conducted by Al Wilson.

Farmers Group Buy Nickels Gin At Clay's Corner

B. C. "Dick" Scott and ten farmers in the neighborhood have bought the Nickels gin at Clay's Corner, formerly known as the Spot Gin and have taken over its management. Mr. Scott will be manager.

The group formed a partnership to be known as Clay's Corner Gin Company.

The gin is located about 10 miles north of Muleshoe on Friona highway.

New Bracero Ass'n. Approved For Muleshoe

Muleshoe is rapidly becoming a center for employment for farm labor, as was evidenced by the recent approval of the Five County Farm Labor Association, with headquarters for this new association located at East 6th St. and Ave. E in Muleshoe. The new association will contract "bracero labor", for Bailey, Lamb, Parmer, Castro, and Deaf Smith counties.

Muleshoe already has the Western Texas Farm Labor Association, serving the same five counties, and a local Texas Employment Office. With these facilities farmers in these counties will be able to handle their employment needs with quick dispatch.

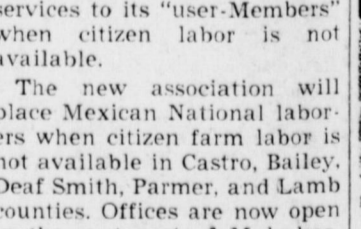

The Five County Farm Labor Association will render services to its "user-members" when citizen labor is not available.

The new association will place Mexican National laborers when citizen farm labor is not available in Castro, Bailey, Deaf Smith, Parmer, and Lamb counties. Offices are now open in the east part of Muleshoe, just across the street from the city park.

Byron Gwyn is president of the association; E. W. Locker, vice-president; and Bill Jim St. Clair is secretary and treasurer. Other board members are Dennis Williams, and Raymond Green.

John Stockley is office manager. Robbie Lee is secretary.

Conservation Stamp Issued

This is a black and white reproduction of the 4-cent water conservation stamp that goes on sale April 19 at the post office here. The stamp, printed in three colors, goes on sale Monday, April 18 at Washington, D. C., at the Seventh National Watershed Congress.

The unique two-part stamp portrays a close-up view of a drop of water falling from a leaf, which symbolizes the influence of land and vegetation upon water supply. This design leads the eye into a right-hand panel depicting an actual small watershed panorama.

People and industries in the town in the foreground are dependent for their water upon the watershed above, which ideally includes conservation-managed farm and forest lands and small dams for flood prevention and water storage.

Special Services In The Assembly of God Church, April 17

The Assembly of God church will have special Easter services at the 11:00 worship hour this Sunday.

The congregational singing will center around the Easter theme along with special features. A trio composed of Nathalie Stallings, Rowena Watson and Naomi Myers will sing, "Let Me Be Worthy." Another special number, "In the Garden" will be sung by Albert Owens, Ronnie Luna and Jeanie Bentley.

Arnold Morris' Relative Dies In Plane Crash

Mr. and Mrs. Kenneth Johnson and Mr. and Mrs. Jack Warren of Grants, N. M., were killed March 27 when their plane, a Mooney Mark 20, crashed. The two couples had been to El Paso and were returning when the crash occurred fifty-five miles South of East Grant.

The Johnsons are survived by six children from 3 months to 13 years old. He is survived by his parents, Mr. and Mrs. Dee Johnson of California and two brothers and one sister. She is survived by her parents, Mr. and Mrs. H. N. Powell of Dougherty, Texas and two sisters and one brother. The Warrens are survived by three children.

A memorial service was held in Grant on April 4 at 1:00 p. m. Funeral services for the Johnsons were held in Floydada cemetery.

Mr. Johnson was a nephew of Arnold Morris of Muleshoe. The Morris were accompanied to the funeral by Mr. and Mrs. Buddy Blackman. Others attending were Laura Morris grandmother and Ivna B. Morris, an aunt, both of Tucson, Arizona, Mrs. H. G. Neff of Los Angeles, Calif., Mrs. Dee Thormorton of Floyd, N. M., Mrs. Johnny Davis of Roswell, N. M. and Mrs. Bill Taylor of Clovis, N. M.

E. P. Burelsmith Rites Set Friday

Funeral services for E. P. Burelsmith, retired Muleshoe community farmer, are to be conducted in the First Methodist Church of Vernon at 4 p. m. tomorrow, Friday, April 15, Rev. Edwin Hall, pastor of the First Methodist Church of Muleshoe, and Rev. Frank Oglesby, pastor at Lockett will officiate.

Mr. Burelsmith, who was 67, died Wednesday, April 13, at 9:30 a. m. in the Methodist Hospital, Lubbock. He had lived in West Camp community since moving here from Vernon in 1944.

He is survived by his wife, Mrs. Mary Burelsmith, Muleshoe; two sons, D. O. Burelsmith, Muleshoe, and Boyd Burelsmith, Long Beach, Calif.; 2 daughters, Mrs. Melvin Carter, Jr., and Mrs. J. F. Shivers, Vernon; three sisters, Mrs. George Key and Miss Annie Burelsmith, Vernon, and Mrs. B. T. Stevens, Dallas.

Interment will be in Wilbarger Memorial Park Cemetery, Vernon, with Singleton Funeral Home of Muleshoe in charge of Arrangements.

OLIVER LEADS THE WAY

Mules Track Team Wins District Championship, Prep for Regional

With Darrell Oliver leading the way with 34 points, the Muleshoe Mules won the District 2-AA track and field meet at Texas Tech Thursday with 151 2/3 points to 135 1/6 for runner-up Abernathy.

Although Oliver scored only one first place, he gave the Mules a much-needed second place in the shot put late in the meet to help his team pull away.

Less than seven points separated the top two teams with three events left—but on his final effort in the shot put, Oliver heaved the iron ball 45 feet, 11 inches for second place behind his teammate, Bob Camp. Prior to that toss, Oliver was back in fourth place.

Those 118 points in the shot put the Mules well ahead and Mike Cabrera, a sophomore, then won the mile to give Muleshoe a commanding lead with the mile relay left. In that event, the Mules were third.

Morton came in third with 81 1/3 points, while Lockney had 66 1/6 points and Olton had 52 2/3.

Oliver's lone first place was in the low hurdles, but he was second in the broad jump as well as the shot put, and was third in the 100-yard dash. He anchored the fourth place sprint relay team to wind up with 34 points.

Four boys tied for first place in the pole vault and three were knotted for the top spot in the high jump. Charles Silhan of Morton and Whitfill of Lockney won the right to represent the district in the regional high jump with Morton's Bob Pyburn and Eugene Hawkins of Muleshoe earning the right in the pole vault.

Muleshoe had the most outright first places, four, while Abernathy had three, Olton and Lockney two each and Morton one—the mile relay.

The first and second places in each event qualified for the regional meet in Lubbock April 22-23.

Lockney won the junior high division with 25 1/2 points, while Abernathy had 17 1/2, Olton 117, Muleshoe 16 and Morton 9.

Muleshoe also won the grade school meet with 36 1/3 points, followed by Abernathy with

The Bailey County Ministerial Alliance are again sponsoring a United Easter Sunrise Service. The services will originate this year in the Sanctuary of the First Methodist Church April 17 at 6:30 a. m.

Radiostation KMUL will broadcast these services to all unable to attend.

The music will be under the direction of Edwin Kirklen, the choir director of the First Methodist Church. The organist will be Logan Moon. Rev. George Wilton will be Master of Ceremonies and is also the president of the alliance.

Regardless of your faith, you are welcome to join the alliance in this great Easter service, to worship as a united people.

The introduction will be made by Rev. George Wilton, Edwin Kirklen will sing the "Congregational Hymn, No. 127," the invocation will be given by Rev. Jess Raine. Special music will be sung by the First Baptist Choir and the First Methodist Choir. Nathalie Stallings, Rowena Watson and Naomi Myers, a trio from the Assembly of God Church, will sing, "Let Me Be Worthy." Scripture reading will be given by Rev. Joe Moore and Rev. Edwin Hall will give the words of welcome. The message will be given by Rev. Paul Robinson and the benediction given by Rev. Don Boies.

The alliance is indebted to the First Methodist Church in using their fine facilities, the kind service of KMUL and the Muleshoe Journal, the wonderful cooperation of all our fine Ministers and your sincere prayers for the success of this Sunrise Service.

Putman Heads School Board

Dr. B. R. Putman was elected president of the Muleshoe school board of trustees at the regular meeting held Tuesday night. The board canvassed the results of last Tuesday's election and the three newly elected members qualified.

New board members chosen last Tuesday were E. V. Bartlett, "Dub" Bartley, and Murl Stevenson.

Other new officers elected are: E. V. Bartlett, vice-president, and "Dub" Bartley secretary. Other than these actions, only routine matters were attended to.

CAFB To Present Program April 21

The Senior Girl Scout Troop 51 will sponsor a program on "Disaster Relief Preparation" given by Cannon Air Force Base, Clovis, N. M.

Personnel from the Air Force will present this to the public Thursday, April 12, at 8:00 p. m. in the Visual Aid room of the Muleshoe High School.

All persons interested in this project are cordially invited to attend.

MULESHOE, FRIONA FEEL STORM'S POWER

Three Dead As First Tornado of Season Drops Down On Plains

Cecil Atchley, butane truck driver for Green Butane of Muleshoe was in the storm which hit the little community of Sunnyside Tuesday night and assisted in getting help for the stricken settlement.

Three persons died in the tornado, some thirty persons were injured and hospitalized, and most of the buildings were destroyed when the twister struck with little warning.

Atchley had been unable to unload, so his dealer there offered to bring him home in his auto. They had crossed the draw which skirts the south end of the community when the tornado struck, and returned to help. Atchley said people in automobiles were stopped and sent to Dimmitt and Springlake, both a few miles distant, and that help came in a few minutes. The community was without lights or phones.

The Green transport miraculously escaped serious damage. A little earlier severe winds and hail struck Muleshoe community. About 5:30, barns and outbuildings at the Burl Black home northwest of town were blown down, and at Friona the wind crushed a trailer house about the same time, and three were injured.

Tornado warnings had been issued for a wide strip of the Plains including Muleshoe and area.

Dead at Sunnyside were: J. B. Kidd, 50, Plainview, who died while attending a brotherhood meeting as the church was struck; Nona Phelan, 12, Phelan, Sunnyside; and Thomas Riley Hogan, 51, owner of the Sunnyside gin.

Fifth Flight

J. E. McVicker defeated Doc Botkins 3 and 2 to win the flight. Thurman was 3 and 2 over Ben Foster in the consolation.

Junior Flight

Wayne Malone won the flight 3 and 2 over Bill Bovell; Danny Gunstream took the consolation 2 and 1 over Archie Evans.

Annual Athletic Banquet Staged Saturday Night

Still feeling a warm glow over the Mules track team's having won the district championship Thursday boy and girl athletes, coaches, parents, and honored guests gathered in the dining hall of Leigon's Cafe Saturday night for their annual athletic banquet, arranged by the Muleshoe Athletic Boosters.

Bill Parker, the high school principal, presided over a most interesting and entertaining evening's activities.

Two songs with piano music were offered to begin things by four girls: Coralyn Hicks, Jeanne Gray, Pat Brown, and Karen Jones.

Coach Powers introduced the members of the girls basketball squad. Coaches Callan and Taylor presented the boys members of the track, football, and basketball squads, and a beautiful and handsome group of individuals they all are. Both boys and girls have done exceptionally well in athletic composition this year and the crowd was duly appreciative.

Another coach, the irrepressible George Washington, was a principal speaker; and when the audience got through giggling at his humorous and witty remarks, George gave them something serious to think about.

Rev. Edwin Hall spoke also and gave an inspiration address directed to the youngsters. Tommy Thomson, valedictorian this year, gave the invocation. At the speakers table were the coaches and their wives, Mr. and Mrs. Gil Lamb, of KMUL, and Mr. and Mrs. J. M. Forbes, of The Journal.

As the curtain ringer, the students themselves staged an act: Captains or co-captains of the various teams presented their four coaches with gifts in appreciation of their work; and Max King, boys' team manager, presented a gift to Mr. Parker as a token of the athletes' appreciation of his interest.

C. P. CALVERTS HAVE GUESTS

Guests in the C. P. Calvert home Sunday afternoon were her sister and husband, Mr. and Mrs. J. C. Graham of Amarillo. Mr. and Mrs. Joe Durrett, also a sister of Mrs. Calvert, visited with them.

Grand Master of IOOF Lodge Pays Visit Saturday

Texas IOOF Grand Master and other Odd Fellow state and district dignitaries were here Saturday for an all day school of instruction. Howard Kemp, grand master, came from Corpus Christi for the meeting.

Other state officers here for the school were S. M. Williams, Dallas, grand secretary; H. H. Palmer, Corpus Christi, grand instructor; Deputy Grand Master, C. V. Riley, Brownfield; Raymond Gage, Needmore, past grand master, and grand representative; R. M. Gibson, Muleshoe, district deputy grand master; Tom Berry, Muleshoe Lodge deputy; and Cecil Atchley, Muleshoe, president of Circle Seven.

Topic Is Food At Meeting April 11

Mrs. A. R. Floyd, Mrs. George Gross and Mrs. Lloyd Williams attended a training meeting for adult leaders of Progress 4-H girls club, April 11, given by Mrs. Harriette Jackson, the HD agent for Bailey County.

This particular meeting was on foods, which were fudge, sandwiches, milkshakes, and cookies. The ladies will teach the 4-H girls when they meet with them.

The extension service has provided the girls with a textbook to follow and the adult leaders are provided with adult leader guides to help them teach the girls.

This is the business end of a Gas Light...

the part that lends an air of distinction to the front of your home • the part which casts a soft, mellow glow that bids a gracious "welcome" to guests, never bothers neighbors, and is strangely unattractive to bugs • the part that comes in six authentically-styled duplications of original designs • the part that you needn't turn on and off because the cost per day is hardly worth mentioning • the part that rests at the top of the pole which we haven't bothered to describe because after all... a pole is just a pole!

New Scout Troop, New Cub Pack To Be Formed At Meeting Tonight

At a meeting to be held tonight, Thursday, in the Scout Hut here, a new Boy Scout troop and a new Cub Pack will be formed. The meeting is set for 8 o'clock.

Answering a lot of questions is a letter, written by Owens Jones, neighborhood Boy Scout commissioner, for The Journal, which we print here:

"When can I be a Scout?" The youth in our schools were recently given an opportunity to ask this question, and the good response made it important for us to take action at once.

The Boy Scout movement originated with the concept that men and women of character and good will can give constructive leadership to youth. It was built on the philosophy that most adults recognize the need for helping youth to grow into happy and productive citizenship and that, if shown the way, they will gladly dedicate a portion of their time to this most important responsibility and duty.

For many years the Muleshoe Lions Club has sponsored the whole Scouting family—a pack, a troop, and a post—with such results that both the pack and the troop are filled to the overflowing. This makes it necessary for the interested parents to organize a new pack and troop if we are going to give Scouting to those boys who wish to join.

If you are willing to help in giving your son Scouting, bring him and attend the organization meeting which is being held in the Scout Hut at 8:00 p.m., tonight.

Bailey Electric Represented At Capital Dinner

A group of people from this area represented the Bailey County Electric Cooperative at a Texas Congressional Dinner in Washington last Tuesday.

Representing the Cooperative: Mr. and Mrs. R. L. Davis of Maple; Mr. and Mrs. R. J. Brock of Earth; Clarence Dam-

ron of Needmore; Chester Setliff of Bula; Jessie Clayton of Morton, and J. B. Lancaster, manager. R. J. Davis is the president of the Cooperative and Mr. Dan Iron, Mr. Setliff, Mr. Brock, and Mr. Clayton are directors.

The purpose of the dinner was to discuss the views of the Texas Electric Cooperative, with Texas Congressmen on pending legislation in Congress that might affect the Cooperatives, adversely or help them.

Almost all of the Texas Congressmen were present. D.

B. Lancaster as Vice-president of the Texas Electric Cooperatives, acted as Master of Ceremonies and had the honor of introducing Senator Lyndon Johnson, Senator Ralph Yarborough, and Congressman Sam Rayburn to the group. R. A. Yarborough, manager of the Electric Cooperative at Childress, introduced the other Congressmen. Cong. George Mahon attended the dinner. The group from this area flew to Washington. They reported flying conditions very good.

Trip To Europe For West Texans Now Made Easy

LUBBOCK — With jet planes flying directly from Texas, a visit to Europe is easier than you think—and closer too says Mrs. Luta P. Eaves, Texas Tech faculty member, who is now planning a tour of Europe this summer — the sixth conducted Eaves European tour since 1954.

It's hardly more than an overnight trip, but air, she said "and that always allows more time for sightseeing." The Eaves tour group will do just that in true Texas style.

"Departing mid-afternoon from Houston in KLM's inaugural Texas jet flight, the group will arrive early the next morning in quaint little Holland — land of tulips, cheese and wooden shoes. Breakfast at home, lunch in Houston, dinner high above Nova Scotia, and breakfast the following morning in Amsterdam, called "Venice of the North", is the pattern for the first day", Mrs. Eaves said. That's just the beginning of the 45-day motor trip to ten European countries between July 13 and August 26.

Belgium is next; then on to Cologne, home of the world famous cathedral. The steam-

er trip on the River Rhine precedes the arrival in Munich and Heidelberg's "Red Ox" Inn. The route to Lucerne Switzerland, passes through Germany's Black Forest of cuckoo clock fame. Words can't describe Switzerland's scenery, flowers, architecture, and towering snow capped peaks that seem to rise from roots planted in an unruffled Alpine lake.

So let's take the cog rail trip to Mt. Pilatus, which prepares us for the view of the Jungfrau at Interlaken. There the brown Swiss cows with their musical cow bells can be heard echoing against the mountains.

En route to Mozart's Austria and Vienna, the group views Hitler's beloved Bavaria. Then its south to Italy, a treasure of beauty, history, and art. Venice, Florence, Rome, and the thousands of fountains at Tivoli precede Naples, Amalfi, Pompeii, and Sorrento. From the Isle of Capri and her Blue Grotto, the tour turns north to the Italian and French Riviera, where most of the French perfume is made. A visit to a factory is in the itinerary, also Monaco of Monte Carlo fame.

Like the dome of St. Peter's in Rome, the Eiffel Tower is the first glimpse of Paris—and what a sight! But save some ohs and ahs for England and

Scotland, especially the Trossachs and Loch Lomond in the Scottish highlands surrounded by heather and lakes. The cost of such a trip, which includes Dallas-to-Dallas plane fare and first class hotels, is \$1525; however, reservations must be made and confirmed as early as possible. "I always look forward to another trip to Europe said the vivacious Texas Tech teacher", and each trip has held new adventures for her—emphasizing a year's residence in Europe in 1947.

Price Outlook For Cotton Not "Bright"

A price slash of about \$40 per bale of cotton is ahead during the next three years for Plains cotton farmers under existing price support legislation, says Dan Davis, general manager of the Plains Cotton Cooperative Association in Lubbock.

By 1962, it appears that allotted acres for all growers will be down to the "Choice A" acreage and the price will be supported at the "Choice B" loan level, he predicted.

Unless the present law is changed, the 80% of parity support of the 1959 crop will slide to 65% by 1962. In addition, a change in the quality base for computing support prices will chop some \$7.50 from the price of cotton from 1961 onward.

The present price support schedule for Middling 1" cotton at Lubbock is: 1959—34c; 1960—31c; 1961—27c; and 1962—25c. These projections are in round figures based on the minimum levels authorized by the present law.

Plains To Lose \$80 Million

The 23-Plains counties have been producing about two million bales annually. A cut of \$40 per bale will reduce the value of the Plains cotton crop by some \$80,000,000. There are no indications at present that the upward trend in such production costs as labor, machinery, fuel, taxes, etc., will be reversed.

Few have realized the impact of such a calamity, either farmers or people whose business depends on buying power of the producers. There is a

CHRISTIAN SCIENCE SERVICE

Christ Jesus' teachings about the indestructible relationship of God and man will be emphasized Sunday at Christian Science services.

Highlighting the Lesson-Sermon on the subject "Doctrine of Atonement" is the Golden Text from I John (2:1): "If any man sin, we have an advocate with the Father, Jesus Christ the righteous."

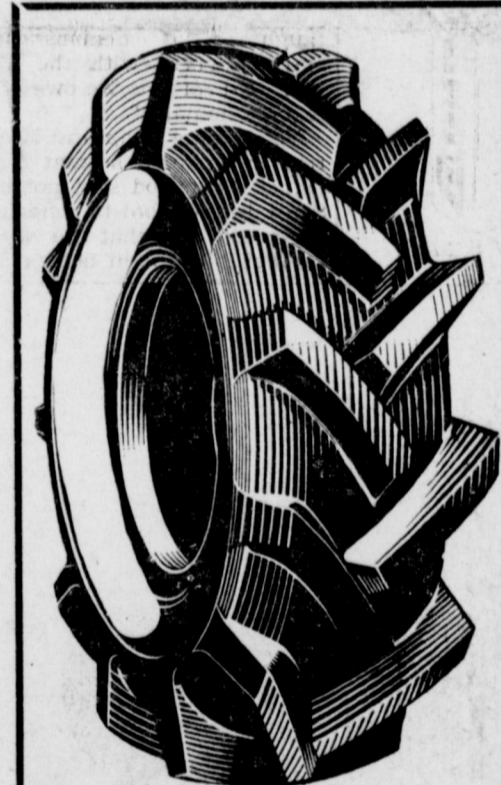

Readings from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (18:1-5): "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love. Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage."

The closing Scriptural selection to be read is from John (3:17): "For God sent not his Son into the world to condemn the world but; that the world through him might be saved."

CHEVY! YOU CAN'T BUY ANY CAR FOR LESS ... UNLESS IT'S A LOT LESS CAR!

Anyone who's looked around knows the majority of Chevrolet models—6's and V8's together—list for less than comparable models of other low-priced cars. But the price tag alone is only one of a whole raft of reasons a Chevy does better by your dollars.

Nothing near Chevy's size and price can match the Full Coil cushioning of its ride, or the fine, finished workmanship of its Body by Fisher. That even applies to some cars that cost a lot more. You're up in the higher price brackets before you find a car that moves as quietly as a Chevrolet or offers the inner space that Chevrolet does.

Or look at the extras Chevy gives you—at no extra cost—that others in its class can't offer at any price. Shock-cushioned steering. Safety Plate Glass in every window. Keyless locking of all doors. Crank-operated vent windows. Chevrolet offers the widest choice of power teams, too. Drive a Chevy just once. You'll have a tough time settling for anything less.

SAND HILLS PHILOSOPHER SPECULATES ON

The Value of Looking At Clouds From Top Side Instead of Bottom

Editor's note: The Sand Hills Philosopher on his Johnson grass farm has found out about the new weather satellite now circling the earth, his letter this week reveals.

Dear editor:
I'm always in favor of progress, provided it doesn't disturb the way I'm living already, and consequently I was pleased to learn that the United States now has a weather-viewing satellite circling the globe every 90 minutes, sending back pictures from 400 miles up.

A lot of professional weathermen are saying this will open up a new day in weather forecasting, but I read in a newspaper last night, along toward the bottom of an article about the new prospects, that one scientist said he had his doubts, that most weather is fairly local.

I don't know exactly what he means by this, but I do know that most people, including me, are a lot more interested in the weather immediately overhead and a few miles on all sides, than they are in the weather 1,000 miles away or 400 miles up. It's sort of like a scandal. The closer it is to your area the more fascinating it is.

As I understand this new satellite, it photographs clouds from up above, looking down, and while this may have some meaning I can't grasp, I'm not sure that looking at a cloud from the top down instead of from the bottom up will tell you whether or not it's going to give down any rain. At least, I know that from a life-

time of studying them from the ground looking up, I haven't been able to tell any more about what they're going to do than a long-range forecaster. I've seen a day dawn bright and clear without a cloud in the sky, and before noon had a cloud-burst. On the other hand, I've seen it stay cloudy for a week without getting more than a mil-dewing mist.

I guess it's going to be interesting to have a photographic record of where the clouds are all over the world, but there'll never be a substitute for clouds overhead when you need a rain, and it doesn't take a satellite to tell me that, all I have to do is tilt my head and look up, and if I'm lying flat of my back out in the open, I don't even have to go to that trouble.

Yours faithfully,
J. A.

BABSON DISCUSSES

1960 U. S. Crop and Gas Prospects

Babson Park, Mass., April 14.—Outstanding in the early 1960 crop outlook is the fact that the government's recent report on prospective plantings shows six increases and ten decreases, with the total for the sixteen crops covered only moderately under a year ago. Here are some highlights of the outlook for the farm situation in general.

Feed Grains

Farmers intend to plant only slightly more acreage to corn than a year ago, when a record crop of 4,361,000,000 bushels was harvested. A lot of this old-crop corn is still hanging around. Thus, barring severe damage to the 1960 crop, there should be plenty for 1960-1961 needs. Sorghum grain also should be in generous supply, since planting intentions are down only 0.4% from the 1959 acreage, which produced a whopping 579,000,000 bushels.

Indicated acreages for barley and oats are down 3.7% and 5.2% respectively, from a year ago. However, this is no cause for alarm, at least in the case of barley. Last year's crop was 32% above average, and total stocks recently were well over the five-year aver-

age. In the case of oats, the 1959 crop was the smallest since 1939, and total stocks are sharply under a year ago and the five-year average. Crop progress of this grain should be watched closely this year, since any extensive damage could result in a tight supply situation.

Food Grains, Beans and Potatoes

Intended plantings of all spring wheat are down 4.8% from a year ago. Including wheat last fall, total acreage will be down less than 1,000,000 acres from that planted for the 1959 crop, which was well under the 1958 return, but somewhat above average. Given favorable weather, the 1960 crop, plus the carry-over next July 1, should provide ample total supplies for 1960-1961. Growers intend to plant a little more acreage to rice than a year ago. Any production increase should certainly not glut the market.

There should be no dearth of dry beans next season, even though growers plan to cut acreage 1.3%. Last year's crop was large and competition from other protein foods will continue keen. Summer and fall potato acreage, which accounts for the bulk of the total crop, may be upped 1% over 1959. Potatoes, however, will retail higher.

Flaxseed Down — Soybeans Up

The acreage trend in U. S. flaxseed has been steadily downward since 1956. The indicated cut this year is a negligible 0.4%. However, since the 1959 crop was rela-

tively small and remaining stocks recently were only about 50% of the five-year average for the date, supplies for 1960-61 should cause higher prices.

The star performer, as far as planting intentions go, is the versatile soybean, with an increase of 6.1%; this would be the second highest acreage on record. Soybean growers evidently have faith in the product, despite cuts in the price support level. Even though a record crop could be produced on this acreage, it probably need not prove burdensome. The longer term trend of total consumption still appears to be upward.

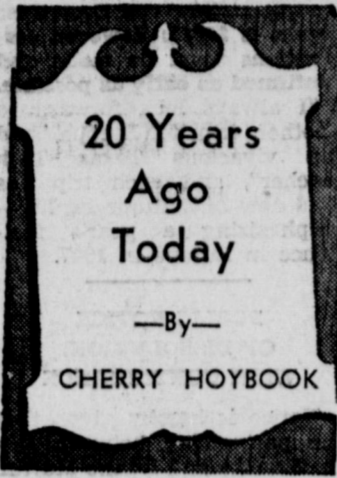

Cattle and Hog Situation

The number of cattle and calves on farms hits a record high of 101,520,000 head—up 13% from the 1949-1958 average. Consumers should buy beef for less during 1960, although no runaway liquidation is likely this year. Outstanding in the hog situation is an indicated 11% cut in the 1960 spring pig crop compared with a year earlier. This could mean higher pork prices.

I realize, of course, that acreages actually planted may turn out to be larger or smaller than indicated in this report; but 1960 could be a fairly good year for U. S. farmers. One thing readers may count on is lower gasoline prices, tax excluded. This is owing to a surplus of oil and the increased demand for small "compact" foreign and domestic cars which can operate 35 miles to the gallon.

by their band and entertainers. They will parade into the business district, to be welcomed to Muleshoe. After a response to the welcome address by members of the Dallas party, the band and entertainers will give a musical show to which all the people of Muleshoe and its trade territory are invited.

Wilbur Ard, of Dallas News staff, will be in charge of the show. The entertaining stars will include Peg Moreland, famous singer of ditties and ballads; the Cass County Kids and the Plainsman Quartet.

Mr. Plummer also announced that a colorful 16-page book, in which Dallas will pay tribute to Muleshoe, is being prepared and will be distributed by messengers to the business houses in the city during the Dallasites' visit here April 24.

Included in the party will be representatives of the city of Dallas, County of Dallas, Chamber of Commerce, State Fair of Texas, Dallas Manufacturers and Wholesalers Association and more than 60 executives of banks, hotels, manufacturing, wholesalers & insurance firms of Dallas.

A Measure of Stature

Southwestern Life has grown to be one of the nation's largest insurance companies by any measure... it ranks in the top 3%.

Just as the true stature of a man is measured by his character, not his height, the true stature of an insurance company is measured by the character it builds over the years. While proud of its record of growth, Southwestern Life is prouder yet of its ability to meet its obligations... and the way it treats its policyowners.

Southwestern Life's obligations to more than 300,000 policyowners are secured by assets of \$480 million. These resources increased by \$30 million in 1959.

And Southwestern Life policyowners are well treated. An ever-increasing part of the Company's new business is from satisfied policyowners coming back for more. Southwestern's insurance in force now exceeds \$2 billion.

Texans own more ordinary life insurance in Southwestern Life than in any other company.

HS Panhandle Press Ass'n. Honors Muleshoe High In Meet Saturday

by Magann Lamb

Two hundred high school students convened on the campus of West Texas College at Canyon last Saturday to elect Pat Thomson of Muleshoe, Vice-President of the Panhandle High School Press Association. Mr. and Mrs. John Thomson are Pat's parents, and he is a MHS junior.

The 1959 "Muletrain" was judged the best class "B" annual by Miss Martha Hawkins, who has been the sponsor of "The Owl", the Paris, Texas High School Annual for the past 15 years. Mrs. Horace Blackburn is the annual sponsor at MHS. A trophy was presented to MHS by Color Press, Inc., of Austin. Two certificates were also awarded the first place winners.

Muleshoe Is Second In Literary Meet

by Mary Ann Greene

Following Olton's 151 points, Muleshoe placed second with 138 points in the Interscholastic League meet held here last Friday. Abernathy followed with 115 points to place third. Other schools entered were McKinney and Morton.

Darrell Lancaster took third place for Muleshoe in the slide rule contest. Olton took first and second places.

Olton placed first and third in the number sense contest to add to their score. Morton placed second.

Jeanne Gray was awarded second place medal in the spelling and plain writing contest. Olton placed first.

Bob White was awarded a medal for taking second place in typewriting.

In the shorthand contest, Abernathy placed first, and Olton placed second. Morton was awarded third place prize.

Seniors Make Plans For Annual Trip

by Pat Barrett

Lyndal Black, president of the MHS Senior Class, presided over a called meeting Wednesday, April 6.

Max King brought four shirts to the meeting and told the price and the colors we could get each of the shirts. The class then voted on the shirt they wanted to order alike. So if you see any people in red shirts running around, you know they are seniors.

A letter was received from the Bar K Ranch telling the class the necessary things to take on a senior trip. It also told the check-in time and check-out time. The letter suggested that on Sunday morning, the class can hold their own church services under the trees or travel to Leander, Texas, where they can attend a church. The motion was made to hold their own services; the motion carried.

Swimming, tennis, and other sports may come to mind when the models appear in the latest sportswear. Patsy Holley was moderator of this group consisting of Glennas, hson, Martha Dunahoo, Gwen Roberts, Jane Gulley, Donna Moore, and Mary Beth Bowling.

In every teenagers life the time comes when "What should I wear for this date?" is a common question. A few answers of this question were presented in the next division. Date Dresses, Mary Gross moderated this while Jane Gulley, Sylvia Pool, Sue Williams, Lynn Lenua, Carolyn Butler, Beatrice Clark, Kathy and Jeanne Gray, Juanita Burkett and Maria Reed modeled their latest date dresses.

The Dress-up Dresses were the next group presented. In this group was Shirley Henry, Trudy Davis, Goldialu Goucher, Georgia Hall, Sandra Taylor, Sue Henderson, Judy Bishop, Lula May Embry, Karen Stephens, Lynda Lee, Annamary Elrod, Joy Dove, Louise Stinson, Kay Thomson, Karen Jones, Wanda Parker, Ann Phipps, Marilyn Green, Mary Ann Greene, Rita Rucktashel, Mary Sowder, and Julia Hollis. Sharon Evans was moderator for this division.

In the Formal and Semi-Formal division, a dress to fit almost every formal occasion was shown. and the style show was a wedding party mae up of Davy Jean Anderson and Sylvia Pool serving as brie's maids. Magann Lamb served as the bride wearing a beautiful wedding gown.

National FHA week was April 33-9. The Muleshoe chapters had a full schedule of daily activities observed this week.

Monday was "Teacher Appreciation Day." The FHA's presented each member of the high school faculty a corsage or a boutonniere with a symbol of his department attached to it. Monday was also the annual style show and salad supper. Approximately two hundred people attended this activity.

Tuesday was "Clean-up Day." The girls checked the lockers to see which students are litter bugs. Signs having a litter bug and the saying, "I'm a litter bug," were placed on the messy lockers and gold stars were placed on the clean ones.

Wednesday was designated as "Color Day." All the FHA members dressed in the organizations colors, red and white.

Thursday the girls brought food and clothing and assembled a basket for a needy family. This is considered the most worthwhile project of the week.

Friday was "Friendship Tag Day." Everyone in high school was tagged with a friendship tag. The schools that were visiting MHS for the Interscholastic League meet also participated.

Sunday, the girls attended church in a body at the First Methodist Church. This also is an annual activity for the Muleshoe Chapters. They attended the Church of Christ in 1958, the Baptist in 1959 and this year the First Methodist. The FHA Week committee consisted of Trudy Davis, chairman, Karen Jones, Phyllis Milligan, Sandra Darsay, Donnie King, Annamary Elrod, Sue Williams, and Sylvia Pool.

Sharon Evans was chairman of this year's style show committee. Her helpers were Ann Phipps, Kay Davis, Barbara Evans, Verna Martin, Dianne Atkins, and Ruby Simmons. The girls who modeled in the style show were to either wear a dress made by themselves or a dress from Cobb's, St. Clair's or C. R. Anthoony.

Perry's Muleshoe Floral Company, and the IOOF Lodge were very helpful in furnishing the stage decorations. The theme of the style show was "FHA Easter Parade" which was carried out with stage decorations.

In the center of the stage, an arch way was attractive with greenery and baskets filled with roses on each side. Complementing the arch way was a fence on each side slanting toward the edge of the stage. Along the fence was greenery in which Easter eggs and Easter bunnies were placed.

Of the six divisions the Sleepwear and Dusters were the first to make their appearance. Magann Lamb was the moderator with Annamary Elrod, Mary Beth Bowling, Jeanne Coffman and Barbara Ellis modeling the latest styles in sleepwear and dusters.

Bringing back memories for some, the next division, School Clothes, made their appearance. Julia Hollis was moderator with Kay Landers, Norma Hennington, Mary Sanders, Darrene Nowlin, Patsy Hollis, Eugenia English, and Mary Wedel featuring dresses ideal for school.

Nelda Hunt was the moderator of the group consisting of Davy Jean Anderson, Yvonne Hendon, Darlene Buhman, Sue Phipps, Linda Sanders, Janie Hartsell, Barbara Ellis, Mary Van Dyck, Belinda Hindan, Jennelle Wyatt, Glenda Rowland and Margaret Durham.

To complete this division

and the style show was a wedding party mae up of Davy Jean Anderson and Sylvia Pool serving as brie's maids. Magann Lamb served as the bride wearing a beautiful wedding gown.

National FHA week was April 33-9. The Muleshoe chapters had a full schedule of daily activities observed this week.

Monday was "Teacher Appreciation Day." The FHA's presented each member of the high school faculty a corsage or a boutonniere with a symbol of his department attached to it. Monday was also the annual style show and salad supper. Approximately two hundred people attended this activity.

Tuesday was "Clean-up Day." The girls checked the lockers to see which students are litter bugs. Signs having a litter bug and the saying, "I'm a litter bug," were placed on the messy lockers and gold stars were placed on the clean ones.

Wednesday was designated as "Color Day." All the FHA members dressed in the organizations colors, red and white.

Thursday the girls brought food and clothing and assembled a basket for a needy family. This is considered the most worthwhile project of the week.

Friday was "Friendship Tag Day." Everyone in high school was tagged with a friendship tag. The schools that were visiting MHS for the Interscholastic League meet also participated.

Sunday, the girls attended church in a body at the First Methodist Church. This also is an annual

Pfc. Stowers Takes Part In Marine Exercises

Camp Pendleton, Calif. — Marine Pfc. Gaylord A. Stowers, son of Mr. and Mrs. A. D. Stowers of Bovina, took part in a 150 mile "Desert to the Sea March" with units of the First Marine Division which ended on March 30 at Camp Pendleton, Calif.

The march, which began at the Marine Corps Base, Twentynine Palms, Calif., on March 25, involved approximately 2,500 Marines of the First Division. The trek was accomplished at a rate of 25 miles daily, bivouacking at pre-arranged areas nightly.

The long training march came as the climax of a 10-day desert training exercise known as "Desfex".

Today's Meditation

Read Matthew 5:43-48.

The Lord hath appeared of old unto me saying, Yea, I have loved thee with an everlasting love (Jeremiah 31:3). Many years ago I took a little friend from another

country to see that wonder of God's creation—Niagara Falls. He was terrified when he saw the rushing waters. He refused to go near. So we left the Falls and went for a walk.

A few hours later we returned to the same place. He was willing to go a little closer. As he looked at the water his remark was, "It hasn't all gone over yet."

That remark reminded me of God's constant love and care—so much He has given and sent out and still enough yet for every one of us. Divine love is constant by day and by night. Our shortcomings are as rocks and our sins as barriers, but the love of God flows around us and over us and goes with us all the way.

PRAYER

For Thy love which never changes, our Father, we thank Thee. Establish us in faith in Christ so that we can no longer be turned by the tide of everyday living. Keep us, we pray, always in Thy care and in the knowledge that Thy great love sent Jesus Christ to be our Saviour. Forgive us our sins and redeem us through Him who suffered that we might have life eternal. For His sake, Amen.

FOR ALL WE HOLD SACRED.... ATTEND CHURCH!

Diligently Pray For The Work Of Your Church

THERE IS
STRENGTH IN

PRAYER

By grace you have been saved through faith; and this is not your own doing, it is the gift of God. (Ephesians 2:8. RSV.)

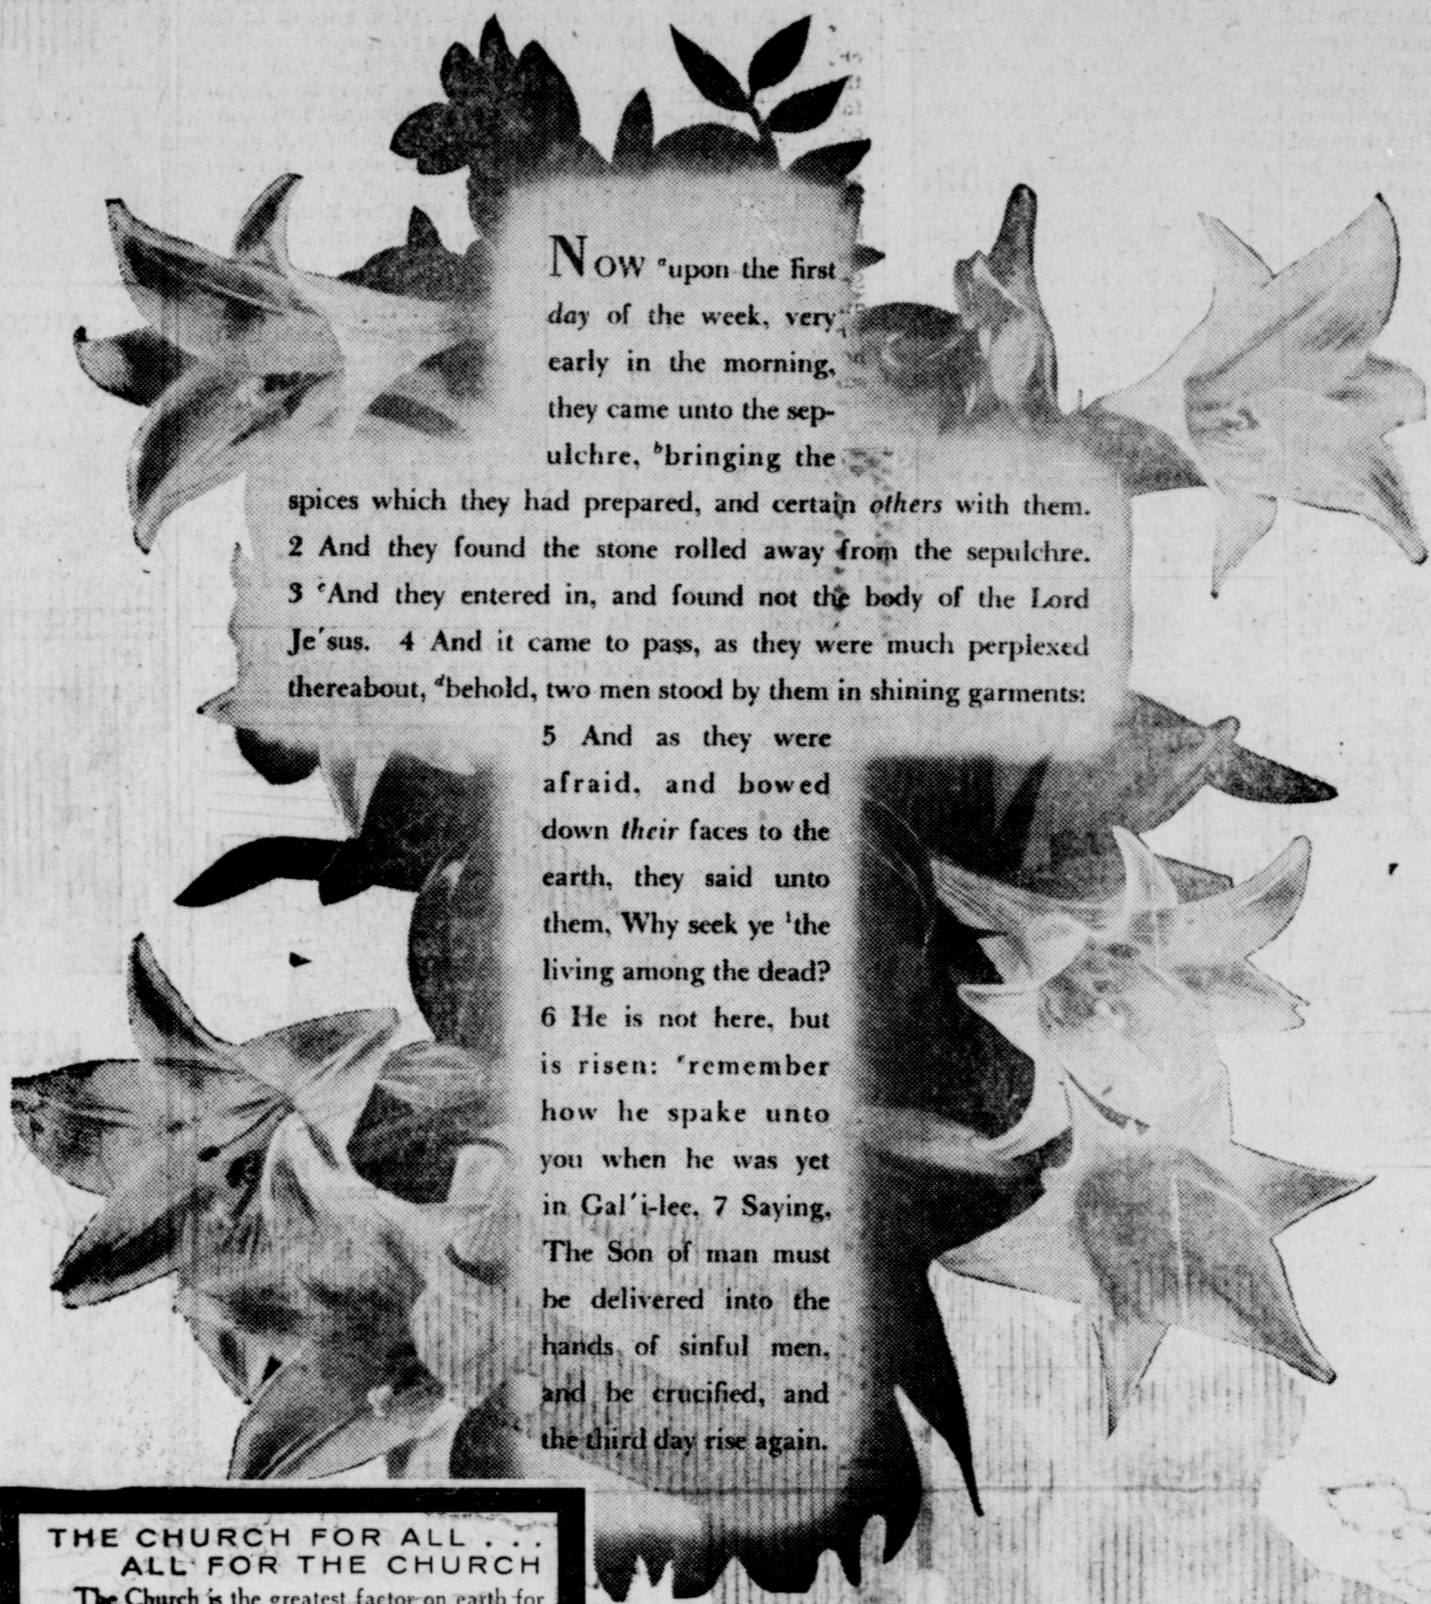

To me, the most beautiful sunset is that in which golden sunlight breaks through dark clouds. It sends streaks of radiant glory thru all the sky underneath the threatening clouds. Such a sunset is a study in contrast.

The crucifixion scene shows contrast. Criminals flank Jesus, soldiers are about their grim duty, accusers of Jesus ridicule Him. The sin of man is terribly apparent there. It expresses itself in greed, involvement in a godless government, plotting treachery, blind unbelief. Indeed, sin is so powerful there that the love of God seems blotted out when Jesus cries, "My God, my God, why hast thou forsaken me?"

The same contrasts are in our lives. Sin is all around us, but God's love breaks through in a thousand rays of kindness, forgiveness, and help. It is the gift of God to save us, not because of our goodness, but to make us good.

PRAYER

O Father, on Calvary's hill we see the meeting place of Thy love and man's sin. We thank Thee for loving us so much. Help us to respond by loving Thee and being in our world a ray of Thy love to others. For Jesus' sake. Amen.

Now upon the first day of the week, very early in the morning, they came unto the sepulchre, bringing the spices which they had prepared, and certain others with them. 2 And they found the stone rolled away from the sepulchre. 3 And they entered in, and found not the body of the Lord Jesus. 4 And it came to pass, as they were much perplexed thereabout, behold, two men stood by them in shining garments: 5 And as they were afraid, and bowed down their faces to the earth, they said unto them, Why seek ye the living among the dead? 6 He is not here, but is risen: remember how he spake unto you when he was yet in Galilee. 7 Saying, The Son of man must be delivered into the hands of sinful men, and be crucified, and the third day rise again.

THE WORDS OF ETERNAL LIFE

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	John	6	66-71
Monday	Matthew	19	16-22
Tuesday	John	3	14-21
Wednesday	John	12	12-33
Thursday	Matthew	26	26-75
Friday	Luke	23	1-49
Saturday	Titus	2	11-15

There was a day when some of the disciples of Jesus became discouraged and walked no more with Him.

But when the Master asked the twelve, "Will ye also go away?" Simon Peter answered, "Lord, to whom shall we go? Thou hast the words of eternal life."

Never underestimate spiritual intuition! Peter sensed long before the first Easter that Christ's mission was to lead men to eternal life!

As Easter approaches, millions of men and women realize a spiritual intuition. It calls them to their churches to worship the Risen Christ. It prompts them to embrace with new fervor convictions that sometimes have become casual.

Cherish that hunger for spiritual renewal. Fortify it as Peter did with an honest evaluation of man's helplessness apart from God. To Whom shall we go? Only Christ offers the Truth and Life which are eternal.

Three Way News

by Mrs. Frank Griffith

A banquet honoring the seniors of Three Way High school was given at the gym Saturday night with the WMU of the Maple and Three Way Baptist churches assisting. The Easter theme was used for the decor. At the head table set a miniature church. The other tables connected to the head table and represented graveled paths to the church door. "People" made of Easter eggs and dressed as men, women and children were dotted along the paths on their way to church.

Members of the WMU prepared the food. The menus consisted of spiced apple cider, pineapple and cheese salad, ham, potatoes peas, corn, hot rolls, butter, pecan pie and tea.

Seventh and eighth grade girls from the two churches served the tables.

Supt. Archie Sims read the invocation, Charles Bowen, high school principal gave the welcome address, and Rev. Hardgrove sang "How Great Thou Art," accompanied at the piano by Mrs. Hardgrove, Bonnie Bateas and Elizabeth Dupler, both graduates of

Three Way and now attending Wayland College, spoke on Christian Education.

Roland Nitcher of Tahoka was in charge of the recreation period and ended it with group singing and a solo melody.

Rev. Mayo Carpenter, pastor of the Maple Baptist Church, gave the benediction.

Attending the banquet were the seniors and their dates, Mr. and Mrs. Archie Sims, Mr. and Mrs. Charles Bowen, Rev. and Mrs. Hardgrove, Rev. and Mrs. Carpenter, Mr. and Mrs. Adolph Wittner, Mr. and Mrs. Chester Petree, Mr. and Mrs. Roland Nitcher, Bonnie Bateas, and Elizabeth Dupler. Mrs. Wittner and Mrs. Petree are current presidents of the Three Way and Maple WMU.

Mr. and Mrs. Jack Ferguson and children visited recently with relatives at McKenny, Texas.

A large crowd attended the box supper and candidate Speaking at the club house at Maple Friday evening. The box supper made about \$500, to be used on the club house and grounds.

Mrs. L. W. Chapman and her brother, Mr. Schuman left Monday for Truth Or Consequences to spend two weeks.

Shopping in Lubbock last week were Mrs. Leon Reeves and Mrs. Jack Ferguson.

SOIL News Conservation

Farmstead windbreaks are established for the purpose of protecting soil resources and controlling snow deposition. Windbreaks also aid in preventing wind damage to the farmstead and to provide some shelter for livestock.

Cooperation of the Blackwater Valley Soil Conservation District who plan to set out trees for windbreaks this spring are Randy Johnson, Bill Gaede, E. A. Glenn, C. L. Cox, Harold Layton, and Ernest McNatt. Trees used in these windbreaks will be Arizona Cypress. They are individually potted trees, 6 in. to 8 in. tall and will be set out on tin April or May.

Cold Weather Kills Some Some trees which were set out in previous years have been killed by extreme cold in the winter. This might be due to watering too late in the season to allow the tree to "harden" before extreme winter temperatures set in.

For any help concerning arrangement, site preparation, methods of planting, etc., contact the Soil Conservation Service or any member of the Blackwater Valley Soil Conservation District board of supervisors.

Years ahead in style... that's why Ford is far ahead in sales!

The "bug" bites thousands of people every week. They've been driving high-priced cars year after year. But suddenly they sprout out in 1960 Ford Galaxies, pleased and proud as punch. They're switching to Galaxy because they want that years-ahead Thunderbird look, with a glamour and grace that won't ever wear thin. They want that Thunderbird engine—that Thunderbird eagerness—those undistilled Thunderbird thrills.

They're going for Galaxy because Galaxy gives them—in look and in deed—an elegance denied to all but costlier cars. And Galaxy gives them all this for far less than what they've paid in the past... plus a high resale value! And these selfsame values are crafted into every car we sell—from Thunderbird to new Ford Falcon! Come let us prove it!
