## 8th Graders Champions Again

**FUTURE MULES** — Shown above with their coach are members of the 8th grade (junior high) track team which has won for the third year in a row the District 2-AA championship. Left to right standing: James Warick, Dwight Burkhead, Bill Harlan, Gary Ratliff, Dan Smith, Charles Holder, Larry Nigh, Scott Oliver, Stanley Black and Coach George Washington. Kneeling, 1 to r, Benny Walters, Carl Calhoun, Bud Bruns, Harlan Currey, Greg Blackwood, and J. C. Pearson.

## Cosmic Predicts Rainy Spell To Begin Friday

Cosmic dipped into his hat and pulled out a good one this week. He is calling for a rainy spell beginning Friday and carrying through Tuesday. This spell should be the marker between our wetter weather and the beginning of the drier-than-normal period.

Although the trend will be reversing from above normal precipitation to below normal, the amount will still increase. This increase will not amount to the normal increase however.

Muleshoe's 8th grade track team won the district 2-AA grade school championship in April in Muleshoe. Normal for April in Muleshoe is 1.20 and Cosmic has anticipated about 2 inches. Normal for May is 2.73 (Muleshoe's wettest month) and Cosmic looks for only about 2.50. The amount may be more than April's total, but the significant fact will be that we will be slipping to the below normal category.

Muleshoe's April rainfall total until Thursday stood at .19 and total for 1961 is 3.05. Normal to date is 2.11.

Cosmic is calling for thunderstorms Friday with shifting winds, but not much temperature change for Saturday. Scattered showers are expected again on Sunday.

Friday is anticipated to be cooler with Tuesday bringing back more showers.

Wednesday is the date of demarcation from cool and wet to warmer and drier. The day should be fair and warm with increasing southerly winds on Thursday and becoming hot on Friday. Friday, April 21, may see the Muleshoe temperature surpass the 90-degree mark.

Muleshoe will be represented at the 33rd annual Voc. Ag. Contest at Texas Tech April 29. Some 1500 high school boys will compete in livestock, meats, dairy cattle, poultry, cotton classing, crops, dairy products, wool, and land.

The meet held at Tech field, Lubbock, Saturday, April 8, it was the third year in a row for the local 8th graders to win the district crown. The boys are coached by George Washington.

They broke two district records on their way to the district win. Larry Nigh ran the 100-yard dash in the good time of 10.6 to best the record of 11 flat previously held by Don Nicewarmer of Muleshoe. Larry was high point man of the meet with 14 1/2 points.

Another new record was set in the 440-yard relay with a time of 49.8, besting the previous record of the local team, 50.3. Results follow:

**50-Yard Dash**  
Scott Oliver, 5th.

**75-Yard Dash**  
Larry Nigh, 1; Dan Smith, 2;

**100-Yard Dash**  
Larry Nigh, 1; Dan Smith, 3;

**440-Yard Relay**  
Muleshoe, 1. (Carl Calhoun, Dan Smith, Scott Oliver, Larry Nigh.)

**High Jump**  
Charles Holder, 2; 4 way tie for fourth, Ratliff of Muleshoe, Smith of Muleshoe, Regan of Floydada, and Smith of Lockney.

**Broad Jump**  
Larry Nigh, 2nd, 17 ft., 1/2 in.

**Chinning**  
Greg Blackwood, 5th.

**Muleshoe had 26 points; Morton, 17; Lockney 16 1/2; Abertonia 14; Floydada 13 1/2, and Odell 1.**

## 8-Hour Session For New Council

About every subject came up for discussion when the new City Council settled down to its first session last week, an affair that lasted a full working day, 8 hours.

Arthur Crow, taking over the duties of mayor, began the long session with prayer. Horace Blackburn was elected mayor pro tem; he and Earl Harris began one year terms; Irvin St. Clair and W. M. Pool III began two year terms; all had been reelected to their posts.

In other business the Council purchased a Ford two-ton truck for street and alley, and general use through Muleshoe Motor Co. which had the low bid.

Also the Council authorized the Volunteer Fire Department to go ahead with their work of repairing and modernizing the Dodge fire truck, No. 2 truck in the department. The firemen recently bought a GMC truck chassis, placed dump and other equipment from the Dodge on the GMC, and in turn sold the truck to the city for only \$3500. It's a very modern, efficient, and shiny piece of equipment.

Now equipment from the old Ford fire truck will be placed on the Dodge to modernize the latter completely; and the Ford will be turned out to pasture.

## Claude Sanders Dies Following Heart Attack

Claude James Sanders, 57, well known area farmer, suffered a fatal heart attack at 4:30 p.m., Wednesday, April 12. He had lived in Bailey County since 1944.

Funeral services will be held at 2 p.m., Friday, April 14, in the First Baptist church. Rev. Gene Welch, pastor of the Main Street Baptist church, and Rev. Paul Robinson of Lubbock will officiate. Interment will be in Bailey County Memorial Park under direction of Singleton Funeral Home.

Mr. Sanders was a member of the Main Street Baptist church and a member of the Odd Fellows Lodge in Needmore.

Listed among his survivors are his wife, Tommie; one son, Don Sanders of Muleshoe; one daughter, Mrs. George Neill of Midland; his mother, Mrs. George Sanders of Muleshoe; a sister, Mrs. J. H. McWilliams of Canyon and four brothers, Guy of Morton, Dexter of Amherst, Pat of Visalia, Calif., and Odell of Lubbock. He also leaves three grandchildren.

Active pallbearers are Bill Jim St. Clair, Jim Shafer, Gail Hoover, Lee Kemp, Ed Nickels, and Bob Kimbrough.

Honorary pallbearers are Robert Kimbrough, Finis Kimbrough, Glen Splawn, Carroll Goss, Lowell Irvin St. Clair, and J. T. Eubanks.

There is also a provision, the director said, for further reductions at a higher payment rate. This additional reduction can be any amount up to 20 percent more. As an added incentive, the higher rate will be 60 percent of normal production. The payment will also be computed on the basis of an average county rate and a productivity index for the farm.

The acreage diverted from the production of corn and grain sorghum must be put to conservation uses. They will be in addition to the 1959-60 acreage on the farm devoted to soil-conserving uses. The conserving uses for the diverted acres under the feed grain program will vary by areas, but in general, will include permanent-type rotation cover of grasses and legumes; temporary cover of grasses, legumes or small grains; water storage; wildlife food habitat plantings; trees or shrubs and cropland in protective summer fallow if county committee determines it is not practicable to establish cover. The diverted acres cannot be harvested or grazed in 1961.

Hutchison suggested that interested producers contact their local ASC office or county agent for program details. Educational meetings will be held in all feed grain-producing counties, he said. He urged producers to attend and participate in the discussions at these meetings.

Mr. Sherman Inman, chairman of the board of Soil Conservation District supervisors, presented the team trophies to the top three top teams and a plaque to the high individual.

In his presentation, Mr. Inman expressed the sentiments of all Soil Conservation District and Soil Conservation Service personnel in thinking the Production Credit Association for furnishing the mid-morning refreshments; Brown Supply Co., Texas Sesame, and Francis Im-

## Top Republican

**JOHN TOWER**, Wichita Falls, a Republican, led the voting in Texas' special election for U. S. Senator. Sen. Bill Blakeley, of Dallas, was the top Democrat and will oppose Mr. Tower in the run-off election in June.

Mr. Blakeley is the appointee of two Texas Governors, Allan Shivers and Price Daniel. He is currently serving as Gov. Daniel's appointee. The race was made necessary by the resignation of Lyndon B. Johnson to become vice-president.

Mr. Tower amassed a big vote total against Mr. Johnson, in the race for the Senate, the latter a candidate for Senator and vice-president.

Mr. Tower did not, however, have a majority, for the 65 or so Democrats combined had a greater total of votes in the special election than he had.

Things are sort of quiet along the political front in Texas just now, but with the coming of warm days in May, things will heat up and a hot campaign between Mr. Tower and Senator Blakeley is being predicted.

## Safety Program Given For Rotary

Sgt. Dempster of the Department of Public Safety, Lubbock, gave a talk and presented a film on safety before the Rotary Club Tuesday. The program was arranged by Vinco Lane.

Guests included Hershel Ward, new Muleshoe Cooperative Elevator manager; Gil Herndon, new manager for Perry's; and Mr. Lane's son, Joe.

## WEEK END IN MULESHOE

Mr. and Mrs. Roy Coffman of May Perle were guests for the week end in the home of Mr. and Mrs. Matt Dudley.

plement for jointly furnishing the noon luncheon and the First National Bank for providing soft drinks.

Muleshoe Young Farmers Association handled the responsibility of grading and compiling the respective individual and team scores.

Robert Alford, president, and Carroll Pouncey, manager of the Muleshoe Chamber of Commerce attended the presentation.

STENOGRAPHER Notebooks—50, size now at The Journal.

## UNCLE SAM'S BILL IS DUE

NEW YORK, MARCH 28 — If Government expectations are to be fulfilled, tax payments next month from residents of Bailey County will be numerous and weighty.

An examination of 1960 earnings locally, when compared with similar figures for 1959, point to the fact that the tax returns will be at least as large as they were last April.

At that time local taxpayers turned in an estimated \$1,627,000 by them with withholding taxes.

The figure, which is approximately, takes into account the \$2,059,000 in such returns received from the State of Texas, as reported by the Internal Revenue Service, as well as local data on total earnings and income groupings.

Residents of Bailey County, it appears, contributed 0.08 percent of the entire amount collected in the state.

This year, the Federal budget is geared for individual income tax receipts of \$47.8 billion, or about \$2.9 billion more than in 1960, based on an overall rise in earnings in the period.

## PREPARING FOR HEARINGS

## Sugar Beet Meeting Is Set Here Tuesday Night

Farmers and business men of the area who are interested in obtaining an allotment for sugar beet growing here, will gather in Muleshoe Tuesday night, April 18. They will meet at 8 o'clock in the community room of First National Bank.

Carl Bamert and James Glaze of Muleshoe will report on their recent trip to the national capital, where they talked with ad Congressmen about the beet sugar situation. They got the Senate Finance Committee to propose an amendment in the pending extension sugar beet quota extension bill; however the amendment was defeated in House-Senate conference. The beet growers did succeed in cutting the extension from 21 months to 15 months.

Mr. Bamert attended an area wide meeting held in Hereford Monday night.

More than 100 farmers and businessmen representing 40 sugar beet growers associations in the Texas Panhandle and Oklahoma Monday night at Hereford gave enthusiastic support

to requests for money to back the fight for a share of the Cuban sugar quota for producers in this area.

Representatives from Hollis, Okla., and 12 counties of the Texas Panhandle heard reports from Lee Benefield, president of the Texas Sugar Beet Growers Assn., and James W. Witherspoon, legal representative of the association, describing progress in the campaign for a sugar industry in this area.

The group voted to send a delegate or delegates to Washington to open hearings of the House Agriculture and Senate Finance Committees where terms of a new Sugar Act are expected to be worked out during May and June.

The Congress this month voted a 15 month extension of the present Sugar Act, allotting the former Cuban quota to other Latin American nations (not including the Dominican Republic). Though the extension gave no share of the Cuban quota to Southwestern producers, it represented a victory for the

Texas group in that the Senate cut the extension period from 21 months to 15 months and agreed to early hearings on a new act. Witherspoon, addressing the meeting, said:

"I think they (the Congressional Committees) are going to shoot for a 10 year law on this sugar act, and if we lose, we'll just sit here for another 10 years and watch other countries and other areas profit from the sugar business. If we all get in and strike hard, we'll get it our way."

Most of the group at Hereford wanted to strike hard and fast. Minutes after Witherspoon estimated an expense of \$30,000 for the current legislative campaign, more than \$5,000 had been subscribed, and more was being pledged as the meeting continued at a late hour.

Texas and Oklahoma growers hope to get one-third of the Cuban quota, which would be about a million tons of sugar beets — enough to support operation of 10 mills in this area.

## Registered Angus Sale Monday Apr. 17

Annual sale of registered Angus bulls and cows will be held at the fair grounds in Lubbock Monday, April 17. The Journal was told by Mrs. Douglas Bales.

The West Texas Angus Association is sponsoring this regular spring event. Judging will be at 9 a.m. and the sale will begin at 1 p.m. Several breeders across the High Plains, including the Bales, are members of the association.

## Sales Course Begins April 24

The Muleshoe Chamber of Commerce Education Committee, local sponsors, have announced that a special sales training course will be held in Muleshoe starting April 24, 1961. The program is designed to promote customer service thru energetic, vigorous and forceful selling.

This course, "Dynamics of selling," is made possible thru The University of Texas Distributive Education Department, and will be presented in four 2 1/2-hour sessions, Monday thru Thursday, starting at 7:30 p.m., Monday, April 24.

Meetings will be in the junior high school building. Mr. Francis A. Flynn, the instructor, has been conducting similar programs for the University for three years and was previously manager of his own retail business.

Groups or individuals that would like additional information should call the Chamber of Commerce at 2480.

## Local Teachers Invite Public To Hear Federal Aid Speech

### Mrs. Vineyard Died Here Wednesday

Mrs. Mary E. Vineyard, 91, died in West Plains Hospital here at 5:30 a.m. Wednesday, April 12. Mrs. Vineyard's home was in Quitaque, Motley County, where she had lived for 45 years.

She was the mother of Mrs. W. W. Clark of Maple and had been here one month when death came. Mrs. Vineyard was born in Kentucky November 30, 1879.

Funeral and burial will be in Quitaque cemetery with arrangements by Singleton Funeral Home. Five children besides Mrs. Clark survive: Mrs. W. H. Rogers, Matador; Mrs. R. L. Jones, Turkey; Mrs. D. H. Franks, El Paso; Mrs. Loyd Farley, Phoenix, Ariz.; and Gordon, Vineyard, Matador.

### GRANDFATHER DIES

Word was received at press time that W. L. Molyneux of Amarillo, 90 pioneer resident of the Panhandle, had passed away. Services will be held Saturday morning, April 15, at Boxwell Brothers Chapel in Amarillo.

He was a grandfather of Frank Ellis of Muleshoe.

Muleshoe Teachers Association, affiliated with the Texas State Teachers Association and the National Education Association is inviting the general public to a meeting to be held in Muleshoe high school auditorium at 3 p.m., Wednesday, April 19.

Speaker for the occasion will be James L. McCaskill of the NEA staff in Washington, who will discuss pending federal legislation.

Frank Ford, president of the Muleshoe group, said the purpose of the meeting is to acquaint teachers and lay citizens with the provisions of the Federal Assistance to Education Act of 1961, pending now before Congress.

Dr. McCaskill is well qualified for this speaking assignment; he is the assistant executive secretary of NEA in charge of Federal and State relations. A question and answer period will follow Dr. McCaskill's address.

"Regardless of one's opinion concerning federal aid to education, we feel that the meeting will help him to better understand this important legislation," Mr. Ford said.

## Orbiters Compete At Lubbock

**LUBBOCK BOUND** — Muleshoe representatives in the Lubbock Go-Kart races pose for The Journal photographer. The crew pit, standing 1 to r, B. Vinson, Jack Wilterding, Bill Vinson; drivers, seated on Karts, 1 to r, Aubrey Heathington (asleep); Jerrell Otwell, and K. Harmon.

Three Muleshoe Orbiters will compete in the Lubbock regional 65-mile endurance go-kart race Sunday.

Aubrey Heathington, K. Harmon, and Jerrell Otwell will attend the gruelling Sunday affair. Each of the Orbiters will be entered in different classes.

Participants must be on hand at the Lubbock Lions Club sponsored race by 10 a.m. Sunday. Spectators may see most of the activity if they show by 1 p.m.

The events are expected to end by 6 p.m.

Sponsors of this regional 65-mile endurance race expect over 200 go-karts to be competing for prizes Sunday. Entrants range from New Mexico to the west and off the caprock to the east.

Otwell believes that about 95 percent of the karts which enter the contest will not finish due to mechanical failure. This is indeed an endurance race.

## BAILEY AVERAGE 1921 LBS. PER ACRE

## Grain Sorghum Production Index For County Announced

### BAILEY PRODUCTIVITY INDEX ANNOUNCED

Figures on area counties were released at Lubbock Wednesday, based on data furnished by Dale Carter, Plainview, district ASC farmer-fieldman. For Bailey County the figures are:

Average yield, 1921 lbs. per acre; for first 20% of acreage taken out of production, \$18.20 per acre; for second 20% acreage, \$21.80 per acre.

Bailey County ASC office said individual data for all farmers probably will be ready by Tuesday of next week, May 1 is the tentative deadline for farmers' signifying their desire to comply with the new program.

College Station—Highlights of the new feed grain program as they apply to Texas are pointed out by Director John E. Hutchison, Agricultural Extension Service and an ex-officio member of the Texas Agricultural Stabilization and Conservation Committee.

Hutchison said, in general, the new program provides for payments to producers who divert corn or grain sorghum acreage to conserving uses. Only those corn and grain sorghum producers who participate will be eligible for support prices for 1961 on their normal production of these two crops. In addition, corn and grain sorghum producers, who participate, will be eligible for support on other feed grains, oats, barley and rye.

The announced support prices for corn are \$1.20 per bushel

average for all grades; grain sorghum, \$1.93 per hundred weight for grade No. 2 or better; barley, 93 cents per bushel for grade No. 2 or better; oats, 62 cents per bushel for grade No. 3, and rye, \$1.02 per bushel.

The payments will be in the form of negotiable certificates, for which producers may receive grain or a cash equivalent of grain. Cooperators who wish to receive the cash equivalent of grain at support price may ask the Commodity Credit Corporation to act as their agent in the marketing of the grain. As agent, CCC will advance the payment to the producer in the cash through the county ASC office and subsequently market the grain.

Half of the total estimated payment for a farm will be offered to the producer as soon as he signifies that he will cooperate in the program, Hutchison said.

Growers who participate in the program will reduce their corn or grain sorghum acreage to 20 percent of their base or 20 below their average acreages for the 1959-60 period.

For diverting acreages equal to 20 percent of their base or 20 acres, whichever is larger, producers will be eligible for a payment equal to 50 percent of their normal production on their diverted acres times the county support price. Actual payment computation will be based on a payment rate per acre for the county times the acreage diverted and a product-

ivity index for each farm, production.

There is also a provision, the director said, for further reductions at a higher payment rate. This additional reduction can be any amount up to 20 percent more. As an added incentive, the higher rate will be 60 percent of normal production. The payment will also be computed on the basis of an average county rate and a productivity index for the farm.

The acreage diverted from the production of corn and grain sorghum must be put to conservation uses. They will be in addition to the 1959-60 acreage on the farm devoted to soil-conserving uses. The conserving uses for the diverted acres under the feed grain program will vary by areas, but in general, will include permanent-type rotation cover of grasses and legumes; temporary cover of grasses, legumes or small grains; water storage; wildlife food habitat plantings; trees or shrubs and cropland in protective summer fallow if county committee determines it is not practicable to establish cover. The diverted acres cannot be harvested or grazed in 1961.

Hutchison suggested that interested producers contact their local ASC office or county agent for program details. Educational meetings will be held in all feed grain-producing counties, he said. He urged producers to attend and participate in the discussions at these meetings.

## Muleshoe Folks Greet Garden Week

BREAK OUT THE GARDEN UTENSILS: It's National Garden Week April 16 to 22. Alva Lee Peeler picked out her tomatoes, peppers, bushes, and trees Wednesday and prepared to put her husband to work in their little garden plot.

## Richland Hills P-TA Installs New Officers

The Richland Hills P-TA met on Monday, April 10, at 4:15 p.m. in the school cafeteria. Frank Ford gave the invocation. Mrs. Eugene Black presided during the business meeting.

Mrs. Bernard Phelps introduced the program entitled "Character Development — Any Progress?" The program consisted of a summing up of the progress of the organization since it was organized, September 19, 1960.

Mrs. Neal Dillman led the program and the following committee chairmen gave reports: Frank Ford and Mmes. Bernard Phelps, Roland McCormick, Oscar Allison, Owen Jones, Ray Daniel, Gerald Allison, Douglas Jones, Buster Evans, Bob Kimbrough, and Charles Lenau.

After the program, the new 1961-62 P-TA officers were installed by Mrs. J. M. Farmer, District Vice-President from Littlefield. Officers installed were Mrs. Ray Daniel, President; Mrs. Charles Lenau, first Vice-President; Mrs. Bob Kimbrough, second Vice-President; Mrs. Joe Harbin, secretary; Mrs. Myron Pool, II, treasurer; Mrs. Ed Nickels, historian, and Mrs. Bernard Phelps, parliamentarian.

The following committee chairmen were recognized during the installation: Education for Family Living, Mrs. Roland McCormick; Budget and Finance, Mrs. Eugene Black; Congress Publications, Mrs. Jack Morris; Hospitality, Mrs. Herb Griffiths; Membership, Mrs. J. A. Nickels; Publicity, Mrs. Jake Halter; Health and Safety, and Civil Defense, Mrs. Spud Thomas; Education Relations, Mrs. Gerald Allison; Room Representative, Mrs. Neal Dillman; Newsletter, Mrs. George Haskins, Jr.; and Mrs. Lindsay Murray, and Legislation, Frank Ford.

After the installation, Mr. Ford presented Mrs. Black, outgoing President, with a Parent-Teacher Association Past President's pin.

Mrs. Benfield's room won the attendance banner and the money.

Refreshments were served to approximately 50 persons.

## Hi-Lo Piano News

The Hi-Lo Piano Club will meet Tuesday, April 18, for the regular monthly meeting in Fellowship Hall at 7:30 p.m.

The special meeting which was scheduled for this time will be held at a later date in May.

Hostesses for this meeting will be the officers of the club, Mmes. L. J. Welch, John Gammon, James Glaze, and Laura McKinstry.

## Family Reunion For Perkins Clan

The children of Mrs. J. E. Perkins gathered in Muleshoe recently. They are (seated, left to right) J. B., Renah Lou, Mrs.

Perkins, Esther and Ona, Standing (left to right) Lester, Albert, Arthur, Cecil, Dewey, and Calvin.

All ten of the children of Mrs. J. E. Perkins were home recently for a family reunion. This is the first time since 1941 that all the children had gathered for a joyous occasion.

The children present were Calvin Perkins of Garland, Mr. and Mrs. Dewey Perkins and Mr. and Mrs. Lester Perkins of Dallas, Mrs. Esther Fenton of Jasper, Ala., J. E. Perkins of

## Frances Glass Is Hostess For The Bethany Class

Frances Glass was hostess for the regular meeting of the Bethany Class of the First Baptist Church Thursday, April 6, at 8 p.m. Wannie Loran was co-hostess.

After a short business meeting, lots of good fun and conversation followed.

Refreshments of chocolate cream roll cake, coffee and Cokes were served to the following:

Ruth Fowler, Colleen Callahan, Dollie Airhart, Cheryl Hoybook, Betty Bratcher, Janice Browning, Mary Moore, Frances Glass, and Wannie Loran.

## Lazbuddie Junior - Senior Banquet Is Held In Country Club April 10

The Lazbuddie Junior-Senior Banquet was held in the Muleshoe Country Club Monday, April 10. The room was beautifully decorated in blue and white using the theme, "Sailway To The Stars".

The program was opened with the invocation given by Cooper Yung. Mr. Starlighter, David Smith, was the Master of Ceremonies. Star Studded Salute was given by James Brown. Twinkling Star by Norman Brantley. Penny Grusendorf read the will to the Junior class.

Jolene Donaldson and Dorris Donaldson of Farwell sang "A Night To Remember", accompanied by Linda Nelson at the piano. Fred Johnson of Muleshoe gave an inspiring talk on "Stairways To The Stars". The benediction was given by Rep. Dale Summers.

The girls of the sophomore class who served were: Sandy Brown, Sharon Parham, Gale Robinson, Brenda Mason, Mary Faye Rigney, and Pat Peterson.

The menu consisted of ham, potatoes in the jacket, green beans, pink applesauce, hot rolls, butter blue iced moon-shaped cookies sprinkled with silver stars, ice cream, iced tea, and coffee.

Refreshments of orange coconut cake and spiced tea were served to eight members and one guest.

The girls will spend the night at the church, enjoy Coke time, snack time, programs, etc.

## Mrs. Jack Roberts, The Former Rosamond Sherley, Is Honored

Miss Rosamond Sherley, daughter of Mr. and Mrs. W. M. Sherley, presently of Anna, Texas, and Jack Roberts, son of Mr. and Mrs. J. W. Roberts of Friona, were married recently in the First Methodist Church of Littlefield. The Rev. Alby J. Cockrell, pastor, performed the double-ring ceremony. They will reside at the present in the Sherley home in Lazbuddie.

Honoree At Shower Mrs. Jack Roberts, the former Rosamond Sherley, was the guest of honor at a bridal shower, April 6, in the Fellowship Hall of the Lazbuddie Baptist Church. Decorations were in pink and white with arrangements of spring flowers throughout the hall. The honoree was assisted in opening the gifts by Mrs. Andy Fuqua and Mrs. Raymond Treider, Jr.

Guests registering in the bride's book were Mmes. E. V. Crain, H. L. Ivy, J. L. Ivy, E. L. Clark, Lena Menefee, F. W. Greene, Glenn Scott, J. B. Jennings, Bill Curry, Carrie Withrow, Wesley Barnes, Melvin Treider.

Opal Bewley, Leonard M. Smith, Hubert Elliott, Karen Scott, Beverly and Jack Finley Smith of Lazbuddie. Also Mrs. J. W. Roberts and Mrs. D. C. Herring of Friona and Mrs. G. D. Anderson, Jr., of Bovina, and the hostesses. Thirty-five

friends and relatives who were unable to attend, sent gifts.

The serving table was covered with a lace cloth over pink and fruit punch was served from the crystal punch bowl by Mrs. Raymond Treider, Jr. Assisting her in serving the sand tarts, toasted nuts and mints was Mrs. Frank Hinkson. Pictures were made for the bride by Mrs. Jack Smith.

Hostesses for the fete were Mmes. N. M. McCurdy, Ben Foster, Raymond Treider, Joe Frank Paul, Perry Barnes, Jack Smith, C. D. Gustin, Raymond Treider, Jr., Andy Fuqua, Mae Mahon, John L. Seaton, and Frank Hinkson.

## The Tom Woods Are Honored

A tea honoring Mr. and Mrs. Tom V. Wood of Sudan was given Sunday between the hours of 2 to 5 p.m., in the home of Mr. and Mrs. Pete Tarlton of Goodland. Mr. and Mrs. Wood were married February 14, in Stanton. Rev. Todd, a former pastor of the Methodist church in Sudan, performed the ceremony.

Mrs. Wood is the former Geraldine Lyles Lowe of this community.

The serving table was covered with a lace cloth over pink or orchid carnations and pink snapdragons. Crystal and silver appointments were used.

A pole lamp was presented to the couple from the couple's friends in Three Way.

The co-hostesses were Mmes. Buck Ragsdale, Tommy Galt, Cass Stegall, Neal Smith, Horace Hutton, C. J. Feagley, Cecil Cole, and Earl Bowers.

Mr. Wood is engaged in farming near Sudan.

Burriss and children, Paula, Verdean, Randy and Orvis, Mr. and Mrs. Arnis Morris and sons, James and Melvin, Mr. and Mrs. Dillard Morris and sons, Gary and Michael, and Mr. and Mrs. Boyd Magby and children, Boyd, Jr., Richard, Eugene, Starla Kay, and Belinda Gay.

Those attending from Muleshoe were Mr. and Mrs. E. L. Magby, Mr. and Mrs. Bobby

## Golf Tournament Winners Named

Muleshoe was well represented in the golf tournament played at Morton Wednesday, April 12, by members of the High Plains Ladies Golf Association. Members from Morton, Tulia, Littlefield, Levelland and Muleshoe participated.

The winners are as follows: Championship Flight: Lou Hardy of Tulia, low gross; Ruth Malone of Muleshoe, low net; Ruth Malone, low put.

First Flight: Melzine Elliott of Muleshoe, low gross; Mary Frances Holt of Muleshoe, low net; and Melzine Elliott, low put.

Second Flight: Blackie Reynolds of Morton, low net.

Third Flight: Mary Evans of Morton, low gross; Mary Evans low put.

Nine Hole Flight: Elizabeth Nesbit of Levelland, low gross; Jean Monroe of Morton, low net; Maurine Ramsey of Levelland, low put.

Lou Hardy of Tulia won low net of the field.

The ladies from Muleshoe participating in the event were Ruth Malone, Melzine Elliott, Janet Wagon, Lois Lenau, Tiny Forbes, Mary Sweetmon, Nona Blake Douglass, Marie White, Mildred Lambert, Mary Frances Holt, Mary Ferguson, and Jo Wood.

Lena Casey and Ruby Hart attended the luncheon.

## Rebekah News

Noble Grand Corp. Snyder presided at the regular meeting of the Muleshoe Rebekahs Tuesday night, April 11.

Kelly Smith gave a report on the Grand Lodge meeting that she attended in San Antonio March 17-22.

A report was given on the condition of Linda Haley. She is doing well.

## Special at COBB'S

**CORDLESS REMINGTON LEKTRONIC SHAVER**

Regular \$35.95

Now only \$24.95

**NEEDS NOTHING BUT WHISKERS No wires...no water...no sockets...no soap!**

Give yourself the wonderful convenience of cordless shaving...

Shave anywhere—free of wires or wash basins. Shave close as possible with Remington's man-sized head and comb-like rollers that lift whiskers into the shaving head.

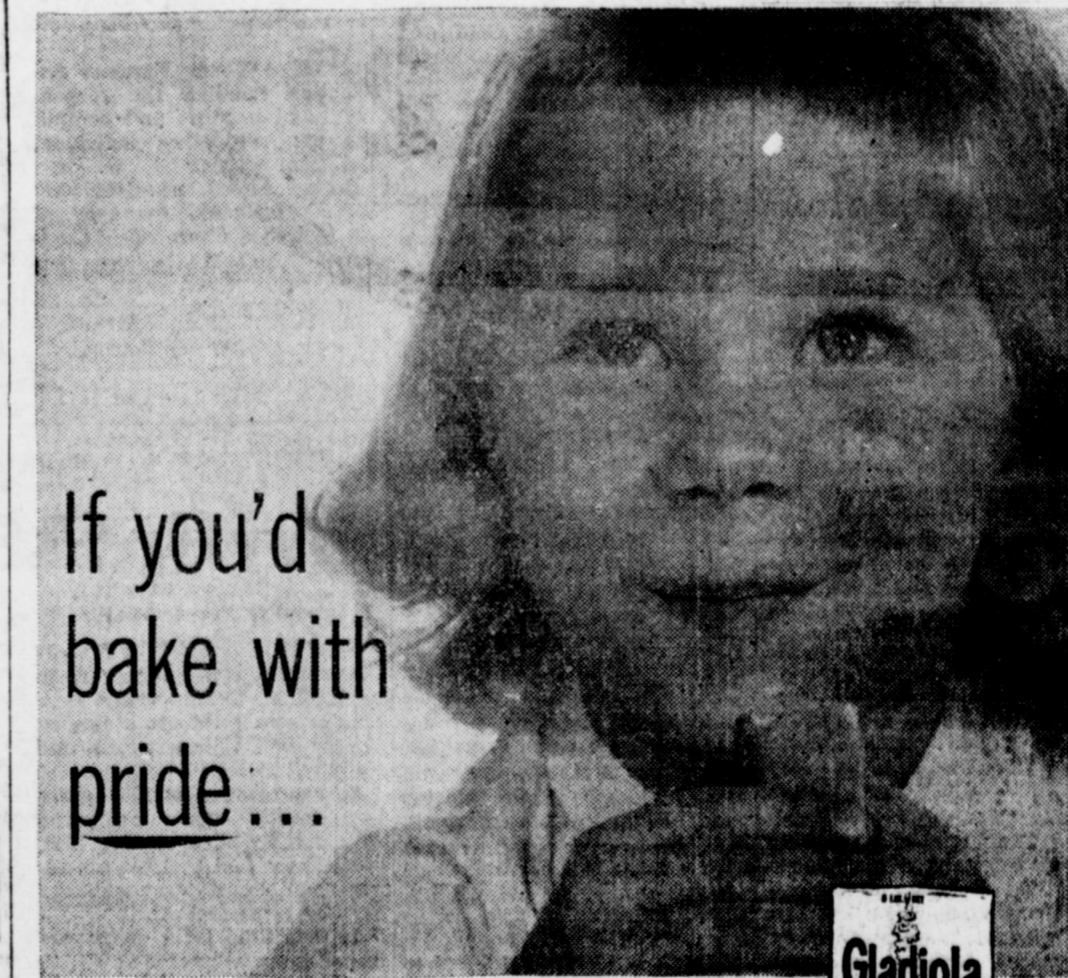

The Lektronic Shaver contains its own self-generating power supply so you never have to replace batteries. Come in for a free demonstration.

Lady Remington eliminates nicks and cuts. Softer! Removes unwanted hair like magic — pinches tender skin. So gentle, like magic — was a deodorant right after shaving. Meet Lady Remington — today! In white, blue or gold.

**COBB'S DEPT STORE**

Regular \$18.50 NOW \$13.95

If you'd bake with pride...

Isn't it satisfying to serve your family the kind of food they really enjoy... good, old-fashioned food like golden-rich cornbread made with GLADIOLA Corn Meal... corn meal milled from ripe kernels of the world's finest harvest, with all the natural flavor oils left in, to make your cornbread the most richly-flavorful you ever baked.

...bake with **Gladiola**

## FBLA Conducts An Employment Survey

In connection with a chapter project adopted at their organizational meeting last fall, the Future Business Leaders of America, Muleshoe High School Chapter, has this week dispatched a questionnaire designed to ascertain employment possibilities for the high school graduate in the Muleshoe area.

Carroll Pouncey, manager of the Chamber of Commerce, who is Advisory Committee Chairman of the FBLA, gave assistance to the chapter by including the questionnaire along with other information being sent to members of the Chamber of Commerce this week.

Sponsor of the chapter, Mrs. Fred White, expresses hope that the businessmen of Muleshoe will cooperate with these young people by answering and returning the questionnaire promptly. Mr. Pouncey stated that businessmen may leave the completed questionnaire at the Chamber of Commerce office and he will see that they are delivered to the group.

## COME TO BRIDGE PARTY

Everyone that plays bridge is invited to the Bridge Party that is being sponsored by the Ladies Golf Ass'n., Friday, April 21, at 8 p.m. in the Country Club. Admission price is \$1.00 per person.

Rainbo is always the homemaker's first choice for quality and flavor... a truly good bread containing important vitamins and minerals so essential to your health and the growth of your children.

**Best Bread Ever!**

**Mules In Second Place In Track**

Muleshoe's Mules came in second last Saturday at the District 2-AA Meet, held in Lubbock. The Mules finished behind Floydada Whirlwinds. Muleshoe, although capturing two first places, easily distanced Abernathy for second place and a chance at the regional title. The Mules tallied 15 5/6 points, while Floydada and up with 15 1/2 points. Abernathy finished a distant third with 87. The two top finishers of the district meet compete for regional honors, April 22-23 in Lubbock.

Rain and winds hampered the meet, especially in the morning preliminaries, reaching an estimated 25-30 miles per hour. Muleshoe's Curtis Walker ran 20-flat in the 180-yard low hurdles in the preliminaries, then followed it up with a 20.9 in the finals to beat out Teague by two steps and give the Mules one of their two first places.

**2-AA RESULTS**  
**High Hurdles:** 1, Teague, Floydada; 2, Tucker, Morton; 3rd, Patton, Muleshoe; 4, Creamer, Muleshoe; 5, Daryl Lindsey, Floydada; 6, Henson, Abernathy. TIME: 15.3.

**440 Yard Dash:** 1, Hutchins, Floydada; 2, Orman, Floydada; 3, Davis, Morton; 4, Jimmy Caspers, Muleshoe; 5, Billy Gilbreath, Muleshoe; 6, Kiker, Abernathy. TIME: 55.4.

**Low Hurdles:** 1, Walker, Muleshoe; 2, Teague, Floydada; 3, Tucker, Morton; 4, Creamer, Muleshoe; 5, Allen, Floydada; 6, Dryser, Morton. TIME: 20.9.

**80-Yard Run:** 1, Allen, Floydada; 2, Ritchey, Abernathy; 3, Houston, Morton; 4, Blackwood, Muleshoe; 5, Cates, Lockney; 6, Beseda, Morton. TIME: 2:02.9

**Pole Vault:** 1, Tucker, Morton; 2, Roberts, Muleshoe; 3, Bell, Muleshoe; 4, Tie among Steve Leigon, Muleshoe; Bob Pyburn, Morton, and Lawson, Olton. HEIGHT: 11-0.

**Shot Put:** 1, Manley, Abernathy; 2, Florence, Abernathy; 3, Baughman, Lockney; 4, Dunn, Floydada; 5, White, Muleshoe; 6, Morrison, Morton. DIST: 48-9 1/2.

**Broad Jump:** 1, Tie between Moore, Lockney, and O'Neal, Abernathy; 3, Morler, Floydada; 4, Teague, Floydada; 5, Patton, Muleshoe; 6, Bell, Muleshoe. DIST: 20-0.

**Discus:** 1, Manley, Abernathy; 2, Julian, Muleshoe; 3, Florence, Abernathy; Yoakum, Lockney; 5, Duncan, Olton; 6, Jerry Howard, Muleshoe. DISTANCE: 128-10 1/2.

Other Muleshoe placings were Blackwood, fourth in the high jump. Mike Cabrera, in the mile run, with a time of 5:04.4, and the Mules' rifle relay team came in second in that event, behind Floydada.

**Letters TO THE EDITOR**

Adjutorium in Nomine Domini American, April 1st edition reports: "Perhaps the strongest stand on the abolition of the death penalty was taken by the National Council of the Protestant Episcopal Church on March 9th with the release of a 31 page booklet which declared that agitation against capital punishment is a part of the mission of the Church.

The frank purpose of the booklet is to create a climate of opinion.

Catholic Christians defend the right of the state to extend the death penalty as punishment for grave crimes. But Catholic Christians may without compromise of principle work for the abolition of the exercise of this right in a particular commonwealth. They should do so if they believe that capital punishment fails to secure its purpose, or is a denial to the best humanitarian idealism of christianity." End of article.

We hope in time to hear from some other prominent authorities in civil and Canon Law and well-known Ecclesiastics on a 361 moral issue.

May the Divine Assistance remain always, Cordially and respectfully,

Clifton J. Coeran  
 The Reverend (Fr.) Clifton J. Coeran Catholic Vicar of Muleshoe Texas

**ATTENTION HOMEOWNERS**

## Region Science Fair April 14-15

LUBBOCK — Science-minded students from grade school through senior high will participate in the South Plains Region Science Fair April 14-15 on the Texas Tech campus.

Entries will be from schools in 31 counties. Sponsors of the fair are the South Plains Science and Mathematics Teachers Ass'n. and Tech.

The two top winners in the senior division will be given expense paid trips to the National Science Fair at Kansas City, Mo., May 10-13. There will be a top award given in each of the divisions of biology, physics, and math, and judges will select the top two. The third winner will be the alternate.

### VISIT IN AMARILLO

Mrs. Rita Richards, and mother Mrs. Mattie Griffen went to Amarillo Thursday evening and returned home Friday of last week.

### See It Now At— WESTERN DRUG

### New Shaving Invention!

## BULA NEWS BRIEFS

by Mrs. John Blackman

Coach Charles Seagler and boys traveled to Levelland Friday for the District 5-B track meet.

Bula won 4th place with a total of 68 points. Events and boys getting placed were:

880-yard run, Donnie McCall, 2nd; high hurdles, Gene Autry, 4th; 100-yard dash, Jerry Cox, 2nd; 440-yard dash, Curtis Archer, 5th and Bill Wright, 6th; 220-yard dash, Jerry Cox, 3rd, and Curtis Archer, 4th; Mile run, Jerry Cox, 1st; Pole Vault, Gene Autry, 2nd; High Jump, Danny Holt, 3rd; broad jump, Jerry Cox, 4th, and discuss, Mickie Rudd, 4th, and Danny Hall, 5th.

Coach Seagler has 14 boys out for baseball practice. Their first practice game for the season will be with Causey, Friday afternoon. Causey will return the game Saturday afternoon. First district game will be with Whitbarrel on Tuesday afternoon, April 18. All games will be played after school hours.

Grade school boys won second place in the District track meet at the Three Way school Thursday.

Lamar Pollard set a record in the high jump of 5-2½ inches. Charles Pool and Emanuel Salas were our best sprinters.

Menu for the school lunch room this week:

Monday, hot tamales, beans, vegetable salad, peaches, milk and cake; Tuesday, meat loaf chunk potatoes, apple and celery salad, and milk; Wednesday, chili, red beans, fruit cobbler, honey rolls, and milk; Thursday, steak, gravy, creamed potatoes, green beans, vegetable salad, and apricots; Friday, sandwiches, potato chips, pickles, jello, cookies, and milk.

Bula school board met Friday evening at 8 p.m. This being the first meeting for the new trustees, Buck Medlin and Donald Grusendorf. Officers for the year were elected. Chester Setliff will be the new president.

Supt. Gavin Casey presented to the board the requirements that are made by the state for improvement in the school mathematical and science programs. An OK was given by the board to go ahead with the program.

W. R. Archer of Cleburne underwent major surgery Thursday in a hospital there. Last word received that he was doing good, was up walking around. He lived here for several years and is the father of Arnold and Fred Archer, and Mrs. Cecil Cox of Bula. He is 76 years old. They are all in Cleburne, at the bedside of their father.

In observance of FHA Week, April 8-15 all members of the Bula Chapter attended the services Sunday morning at the East Side Church of Christ in Morton in a group. This was their first activity for the week.

Girls in attendance were Jo Ann Autry, Judy Cleverger, Georgia Bahlman, Sarah Jones, Thresa Hall, Donna Speer, Carol Bishop, Jackie Risinger, Linda Phillips, Wanda Hubbard, Kay Spence, Betty Holt, Bonnie Stroud, and sponsor, Mrs. Elwanda Duke.

### GUESTS FROM CALIFORNIA

Mrs. Billy Ellis and Laura Ann, 4 months, of San Mateo, Calif., visited last week with Mr. and Mrs. Willie Ellis, 1904 West Ave. E, and Mr. and Mrs. Richard Ellis, Rt. 3, Muleshoe. Laura Ann is the first great-grandchild for the Willie Ellis. Billy Ellis is employed as Assistant Sports Editor on the San Mateo Times.

## Sheriff's Report

Garland Freeman, deputy, returned subject from Oklahoma Tuesday, charge of removal of mortgaged property. Sheriff Clements left early Wednesday morning to take one subject to Colorado, they were accompanied by Judge Joe Vaughn. As soon as the Sheriff returns some one from his department will go to El Paso to return one Negro subject who is charged with forgery. It is hoped that El Paso will also have a white subject picked up that is charged with felony worthless check, who lives there in that city.

Deputy Freeman picked up one subject for Kansas for violation parole.

Those jailed the past week by the Sheriff's department were 3 for worthless and 2 for felony worthless. And the one for removal of mortgaged property. The Highway Patrol jailed 2 for minor consumption, 1 for no valid registration and 1 for no drivers license.

City Police this week arrested 5 o drunk, 1 vagrant, 1 for illegal possession, and 2 for carrying a pistol. They also had one sleeper.

## Birch Society Speech Gared

Robert Welch, founder and leader of the John Birch Society, will be in Amarillo, Saturday, April 15th, to speak at the Municipal Auditorium at 8:00 P. M. Admission will be \$1.00 and tickets will be sold at the door on a first come, first served basis. Tentatively, there will be no radio or television coverage.

The John Birch Society was founded in 1958 and has as its objectives, "less government, more individual responsibility a better world". Members are recruited from all portions of society interested in fighting for these objectives and the only requirements are interest and willingness to work.

No member is forced to participate in any of the Society's projects against his conscience but arguments about the Society's objectives will not be permitted as they would hamper its operations and destroy its effectiveness. Members are urged to read at least one recommended book a month, and to write letters on specific issues to their representatives and other persons.

The Society is not secret, but no membership list is published. It has tried to avoid publicity but since so much of an issue has been raised lately, Mr. Welch will be in Amarillo to give the true answers to questions and accusations.

His address will specifically concern the menace of the Communist conspiracy and how to fight it. All persons who wish to learn more about Communism and how to combat it are invited to attend.

### Bass To Report On Businessmen's Poll

Announcement of the appointment of Harvey L. Bass of Harvey Bass Appliance as chairman of the Muleshoe Chapter of the National Federation of Independent Business, was made today by C. Mollison, District manager for the Federation in this Congressional District.

Each business and professional member of the organization maintains a voting membership and is polled regularly by ballot on the bills and issues that affect independent business enterprise.

In an effort to do everything possible to maintain the American way of life, and protect our free competing system of business both business and professional men express their own personal opinions on the ballots each month and turn them over to Bass, who makes a tabulation of the total number and the manner in which they voted.

This tabulation is sent along with the signed ballots direct to the desks of Congressman George Mahon in Washington, D. C., and to State Senator Andy Rogers in Austin. Since this action takes place before Congressman Mahon and the

**TOOLS OF SURVIVAL** are checked over by Robert S. Ritz, new training officer for the Illinois Civil Defense Agency, who joined the staff under a new law permitting the States and the Federal Government to share equally the cost of additional civil defense staff employees. Purpose of the law is to build up undermanned State and local civil defense units to meet their responsibilities in preparing the public for survival from nuclear attack. One of Ritz's duties is to develop new training courses in cooperation with specialists in the various civil defense fields to indoctrinate CD workers and the public on survival measures. (OCDM Photo)

### Farm Bureau Elects Officers

Directors of Bailey County Farm Bureau met April 4, for their regular monthly meeting. This was the first meeting following the election of 9 new directors at the annual meeting and officers of the board were elected. The Board of Directors is comprised of 16 members from each community of the county.

Jack Schuster was re-elected as president, having served in this capacity for the past year. M. E. Little was elected as vice-president, and Eugene Black was elected secretary-treasurer. Three committees were appointed and each will select those to serve with him. They were Bill Millen, chairman of the Legislative Committee; Morris McKillip, chairman of the Membership Committee, and Lester Howard, chairman of the Public Relations Committee.

Jack Schuster and M. E. Little returned in time for the meeting from attending a special called Presidents Conference in Waco. They were instructed concerning several bills before the House of Representatives that especially concern farmers in this area.

Bailey County Farm Bureau wishes to express their appreciation for all the business firms and individuals that donated merchandise and free services as prizes for our annual meeting. All these helped make it our best annual meeting ever.

### Education Aid Meeting Set

The West Coast legislative consultant of the National Education Association's office of the Assistant Executive Secretary for State and Federal Relations, Roy A. Archibald of San Mateo, Calif. will discuss the School Assistance Act of 1961 before members of the local education association at a meeting open to the public at 3:15 p.m., Wednesday, April 19.

Frank D. Ford, president of the local association unit and principal of Richland Hills School, will introduce Mr. Archibald who is a city councilman and vice-mayor of San Mateo.

A former college teacher who specializes in political science, history and geography, Mr. Archibald, like President Kennedy, was a Navy PT boat skipper in the South Pacific for 19 months during World War II. Following his discussion of the federal aid to education legislation now pending before Congress, Mr. Archibald will answer questions from the audience.

April has been designa-that everyone should have ated as cancer control month in regular health check-up. Mrs. Texas by Governor Price Daniel,

### Monument To Mule Being Considered

The burning question, "Are there any mules in Muleshoe?" appeared to be solved once and for all today, when the Muleshoe Chamber of Commerce issued the following statement:

"There are two mules now working and making their home in the beautiful city of Muleshoe, Texas. These two outstanding specimens of the genus Equinus Missouriica, are known as Pete and Jack, and they are the proud possessions of one Dave Anders, who daily uses these noble animals in his work of landscaping and tree trimming."

The question as to the existence of mules in Muleshoe came to the fore when a movement was begun to erect a monument to the pioneer mules who helped build the great state of Texas.

Naturally the citizens of Muleshoe in Bailey County began a clamor that the only logical site for the proposed monument is Muleshoe.

Muleshoe is rich in western tradition, having taken its unique name from the cattle brand of a famous ranch, where steers were branded with an actual mule shoe plus a straight bar.

Dr. J. B. Barnett of Marlin, one of the instigators of the movement to erect a monument to the mule, has evidenced considerable interest in Muleshoe's claim to the monument site, and plans to fly to Muleshoe in the near future to confer with Chamber members on the project.

### Wesleyan Service Guild Elects New Officers

Virginia Gholson was elected president of the Wesleyan Service Guild at the regular meeting in the home of Mrs. S. D. Slemmons Monday night, April 10.

Other officers elected were Matilda Slemmons, vice-president; Dena LaRue, recording secretary; Barbara Burton, promotional secretary; Ruth McCarty, treasurer; Ruth Colbert, secretary of missionary education; and Evelyn Johnson, spiritual life chairman.

Anita Elrod, vice-president, was in charge of the program. Betty Burkhead brought the devotional.

Bonnie Leveridge gave a program on the duties of each officer. There were ten members and one guest present.

All kinds of job printing and Lithographing at The Journal.

### Rescue Demonstration

**RESCUE DEMONSTRATION** is put on by the Chicago Civil Defense Fire and Rescue Service for Robert S. Ritz (left), new Illinois Civil Defense Agency training officer, who is gathering material for a new civil defense rescue course. The demonstration shows how a man caught under a heavy object can be rescued. With Ritz is Charles J. Johnson, volunteer chief of the Fire and Rescue Service, which is on call 24 hours a day. The CD workers frequently go into action with the Chicago Fire Department. Ritz's salary is paid 50-50 by the Illinois and Federal governments under a new program to strengthen State and local civil defense for greater effectiveness. (OCDM Photo)

### C of C Achieves Three Major Projects of '61 In Three Months

Three of the major projects of the 1961 Muleshoe Chamber of Commerce program of work have been attained in the first three months of this year. Chamber President Robert Alford announced Monday night at the April meeting of the Chamber's directors.

Alford told the directors that the first quarter of the year has been a success, and urged directors and members to work harder to insure the success of the entire program of work.

The three projects attained are: Passage of the road bond issues last Tuesday; Adoption by the City of a sanitary garbage can ordinance; and the scheduling of a sales training course to begin April 24.

In making the quarterly report Alford pointed out that the success of the program thus far reflects the continuing interest of Muleshoe and Bailey County residents in improving their community. He urged all members to step up their interest in public affairs and efforts to continue Muleshoe's growth and prosperity.

### MR. COTTON FARMER:

**MAY WE MAKE THIS SUGGESTION?**

Before delinting, have your seed germinated on both at 78 and 65 temperature. We have both at no cost. 1960 seed have fair germination, but very low in vigor. We suggest saving your 1960 seed for a later planting if necessary. If your ginner can't furnish you with strong seed we have a few Lamesa grown Gregg that are very reasonable in price.

## H. D. CLUB Clatter

by Harriette K. Jackson  
County HD Agent

Have you wished for a recipe or a dessert that is very pretty, different, easy to make and delicious? Mrs. Louis Henderson recently mentioned to me that she had Prism Salad and asked me to put the recipe in the paper. Here it is and I believe you'll enjoy it.

### Prism Salad or Cake

1 package lemon flavored gelatin.

1 package lime flavored gelatin.

1 package orange flavored gelatin.

1 package cherry flavored gelatin.

1 pint whipping cream.

1 cup pineapple juice.

1/2 cup sugar.

1/2 teaspoon vanilla.

Prepare three flavors of gelatin separately in 1 1/2 cups hot water to each package (orange, lime, cherry). Put in 3 separate rays. Put in refrigerator to jell.

Dissolve 1 package lemon gelatin in 1 cup pineapple juice; add 1/2 cup sugar. Let stand until cooled and slightly thickened.

Whip 1 pint (2 cups) whipping cream; fold in the vanilla and fold into the pineapple mixture.

Cut the 3 trays of gelatin into 1/2-inch cubes and fold gently into the other mixture. (The

congealed cut squares of gelatin are not easily broken and can be quickly and easily removed with a spatula.)

Line the bottom of a 9-inch tube cake pan with graham cracker or vanilla wafer crumbs. Fill pan with the mixture and top with more crumbs. (Use the crumbs for the cake.

Omit them if you wish to use this for salad and mold in individual molds or in sheet, pan then cut in squares. This may be made a day ahead of time of serving.

I have noticed some very nice strawberries in the stores. Here is another recipe, using strawberries, that I think you will like:

### Strawberry Roll

3/4 cup flour.

1 teaspoon baking powder.

1/4 teaspoon salt.

4 egg whites.

3/4 cup sugar.

4 egg yolks.

1 teaspoon vanilla.

2 tablespoons powdered sugar.

1 1/2 cups whipped cream (whipped).

3 cups strawberries cut in halves.

Sift flour, measure, add baking powder and salt; sift again.

Beat egg whites until stiff but not dry; beat in one-half of the sugar, 2 tablespoons at a time.

Beat egg yolks until thick and lemon colored. Add remaining sugar, vanilla and water. Continue beating until very thick.

Gently fold in stiffly beaten egg whites. Fold in dry ingredients gradually, about 1/4 cup at a

time. Line a shallow pan, 10x15 inches, with waxed paper; pour batter into pan. Bake in moderate (375 degree) oven 15 to 20 minutes.

Remove cake from pan. Turn out on a clean cloth dusted with powdered sugar. Strip off waxed paper and roll up cake like a jelly roll, quickly. Wrap in a cloth and cool before serving.

Whip cream, gradually adding the powdered sugar. Unroll cake; fill with the whipped cream and a layer of strawberries. This should make about 10 servings.

### Let's Learn To Make Hats

The home demonstration women will learn to make hats in a workshop in the near future. This workshop will be open to women who are not members of the Home Demonstration Clubs. There will be no charge for the instructions. If you wish to participate in this workshop please call my office (Phone 3-9130) or drop me a card and enroll for the workshop. The workshop will take about 3 days and the dates will be announced soon.

### PROGRESS YOUTH WEEK

April 9th through the 16th is Youth Week at the First Baptist Church of Progress.

The Young people will fill each of five of the church.

All members of the church are urged to come out and support our young people in this effort. Everyone is welcome.

RADIOLOGICAL MONITORING is one of the principal courses stressed today by most civil defense organizations as a preparation for saving life from radioactive fallout which could follow a nuclear attack. A corps of citizen specialists is being trained to measure fallout and forewarn the public. New laws allowing the Federal Government to assume half the costs of hiring more State and local civil defense workers are now speeding this and other CD programs. In the top picture, Robert S. Ritz (far right in audience), new Illinois Civil Defense Agency training officer under the shared-cost program, sits in on a moulting course in Evanston taught by Mrs. Laura Nissen, the city's training, information and radiological defense officer. She also has recently become a paid employee, selected to devote full time to civil defense under the financial aid program. Ritz later worked the material obtained at Evanston into a similar course at the underground Du Page County Civil Defense control center near Wheaton, Ill. (bottom). (OCMD Photo)

## School Board Meeting

April 10, 1961

1. Canvassed election returns and declared Barry Lewis and Dr. B. R. Putman the winners.

2. Newly elected members signed oath of office.

3. The following officers were elected for the coming year: President, Dr. B. R. Putman; Vice-President, W. F. Bartley,

and Secretary, Barry Lewis.

4. Heard regular insurance report on school property by Ray Daniel.

Accepted an Office Burglary Policy for Administration building at a premium of \$21.00 per year. This will also cover damages to building as result of burglary.

This action was the result of a break-in to the Administration building last December, when over \$400 in damages were incurred, and the school had no insurance to cover such dam-

ages.

5. Approved athletic policy for 1961-62 school year.

6. Approved School Calendar for 1961-62 school year.

7. Accepted resignation of Mrs. Martha McCormick, 5th grade teacher at Richland Hills. She resigned because of personal reasons.

8. Tabled action on applications for position of Tax Assessor-Appraiser until next meeting.

9. Authorized the Chamber of Commerce the use of the Football field for their July 4th celebration activities.

10. Accepted low bid of \$5,476.60 for new band uniforms from Fruhauf Uniform Company thru the Cobb's Department Store of Muleshoe.

11. Approved payment of monthly bills.

12. Adjourned.

## Literary Events Winners Listed

Muleshoe high schools' team won third place in the Interscholastic League literary event held in Abernathy Friday, April 7. Local students placed as follows:

Girls poetry reading, LaNelle Boothe, 1st; senior boys' declamation, Dick Allison, 2nd; Senior girls declamation, Karen Jones, 3rd; girls debate, Shirley Henry and Juanita St. Clair, 1st;

Ready writing, Pat Thompson, 1st; shorthand, Norma Bruce and Sandra Broyles, 2nd; boys extemporaneous speaking, Frosty Jones, 2nd; girls extemporaneous speaking, Sylvia Pool 1st. Floydada placed first, Abernathy second.

**LEGAL NOTICE**

An Ordinance providing for the repair and/or reconstruction of defective sidewalks, curbs, or gutters, providing for notice thereof, providing for appeals from notice thereof, and declaring the existence of defective sidewalks, curbs, or gutters to be a public nuisance and declaring the maintenance of such public nuisance to be a punishable misdemeanor.

WHEREAS the existence of defective sidewalks, curbs, or gutters endangers the life and property of the citizens of Muleshoe. NOW THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF MULESHOE, TEXAS:

**SECTION 1.** Any sidewalk, parkway, driveway, or curb which has become defective, unsafe and hazardous is hereby declared to be a nuisance and it shall be the duty of the owner of any property abutting on any street, avenue, public alley, place, square, section or part thereof, along which sidewalks, curbs, or driveways are ordered to be reconstructed or repaired within thirty days from the receipt of notice as provided for in the following section, to reconstruct or repair such sidewalk, curb or driveway and the expense of such reconstruction or repair shall be borne by the abutting property owner. Any abutting owner who fails to reconstruct or repair sidewalks, curbs or driveways ordered to be reconstructed or repaired by the city manager shall be guilty of a misdemeanor.

**SECTION 2.** It shall be the duty of any property owner, or person enjoying the use of any abutting property, to reconstruct or repair any sidewalk, parkway, curb or driveway damaged or put in a defective condition by reason of any use being made of the property abutting such sidewalk, parkway, curb or driveway by tree roots, structures or any other things damaging or causing damage, whether such trees, structures or other things are situated upon such abutting property or within the area between the abutting property and the curb.

**SECTION 3.** Whenever the city manager receives information and proof of the existence of a defective sidewalk, curb or gutter situated on public property within the city, he shall issue a written notice and order requiring the repair or reconstruction of the same and notifying the owner of the abutting property or the agent thereof to have such defective sidewalk, driveway, curb or gutter so reconstructed and repaired within thirty days from the service of the written notice. He shall attach to such notice a copy of this section and the preceding section.

Such notice may be served by any police officer or other person that may be designated by the city council to serve the same, or it may be sent by registered letter in the United States mail.

**SECTION 4.** When any person coming within the provisions of this ordinance shall consider that the application of this ordinance is calculated to do manifest injury to the property involved or its use, due to peculiar structural conditions of the property or its improvements, such interested person may appeal to the city council, which council is here vested with jurisdiction to hear the same and council proper orders and directions to the city manager based upon its findings.

**SECTION 5.** The notice of appeal may be made in writing, by noting the same upon any instrument furnished by the city manager and signed by the person requesting the appeal. Upon such appeal having been made, the city manager shall notify the city council. Upon a date being set for the hearing, city manager shall notify the appellant city council of the time and place of such hearing.

**SECTION 6.** The burden of proof shall rest with the appellant to show that application of the terms of this ordinance, is calculated to do manifest injury to the property, or use of the property involved, due to peculiar structural conditions of or on such property. At the hearing, the appellant shall be entitled to an opportunity to discharge this burden of proof.

**Three Way News**

Attending the Ginners' Convention at Dallas this week are Mr. and Mrs. John Shepherd, Mr. and Mrs. Jack Furgeson, Mr. and Mrs. Doyle Davis, and Mr. and Mrs. Gene Kenley.

Buck Tyson was home recently for a visit with his parents, Mr. and Mrs. George Tyson. Buck is stationed in El Paso with the United States Army.

Mr. and Mrs. Louie Jordan and Linda visited Sunday at Levelland with Mr. and Mrs. Eune Martin and baby daughter.

Spending Sunday and Sunday night in the Frank Griffith home were Mrs. Kenneth Paul of Portales, N. M., and Cindy, Debbie, and Julie Batteas of Farwell.

Buck Ragsdale underwent surgery at the West Plains Hospital in Muleshoe Friday. He is expected to be released this week.

Guests in the Thurl Lemons home the past weekend were Mrs. Sue Harvey of Colorado City, Mrs. Herbert Moore of Levelland, and Mrs. Tommy Taylor and son of Weatherford. Mrs. Taylor is a niece to Mrs. Lemons. She plans to visit several days in the Lemons home.

A new wardrobe shower for the Elmer Batteas family was given Tuesday in the Gene Kenley home. Mr. and Mrs. Batteas lost their home in a fire recently.

Funeral services for E. B. Fleming were held Monday at 10 a.m. with Rev. U. F. Blaylock of Dimmitt conducting the services. Rev. Smeltzer, pastor of the Three Way Methodist Church assisted. Burial was in the Morton Cemetery.

Mr. Fleming died Friday morning following a lengthy illness. He is survived by his wife, seven sons, two daughters, and a number of grandchildren and great-grandchildren.

The sons are Howard of Niles, Mich., Robert and Roy of Yakama, Wash., Raymond of Lynnwood, Calif., Elvis of Ft. Worth, and Carol of Maple. The daughters are Mrs. Eula Clifford of Seattle, Wash., and Mrs. Lena Faye Blalock of Pleasant, Ky.

A stork shower honoring Mrs. Elbert Adams was given Wednesday from 3:45 to 5:45 p.m., in the home of Mrs. Archie Sims. Teachers of the Three Way school were co-hostess with Mrs. Sims. Refreshments of punch, coffee and cookies were served from a snack bar covered with a lace cloth and centered with a huge stork. Assisting in the hospitalities were Misses Nona Coffman, Linda Sims, Jeannie Tyson, Janice Shepherd and Shirley Cunningham.

Mrs. Adams was presented a white carnation corsage tied with pink ribbons, safety pins, cotton balls, and small swab sticks.

Visiting in the Cecil Cole home is Mrs. Pauline Walker, mother of Mrs. Cole. She arrived last week from Virginia City, Va., where she had been visiting a granddaughter. Mrs. Walker's home is in Wooden Hills, Calif.

**SECTION 7.** The city manager shall submit all pertinent instruments to the city council and appeals, together with such testimony as may be pertinent.

**SECTION 8.** When the issue has been determined by the city council, by a majority vote, such council is authorized and directed to make its findings and to direct the city manager to proceed in accordance therewith.

Adopted by majority vote of the City Council of the City of Muleshoe this 23rd day of March, 1967.

ATTEST:

HOUSTON HART, Mayor  
Billie Bayless,  
City Secretary

The Senior class of Three Way will present their annual class play, Friday night, April 14, at the Three Way High School gym. The time is set for 8:00 p.m. The title of this year's production is, "Plantation Follies", or "What You Will".

"Just what can you expect from this group — 10 boys and 1 girl? We might predict that even their sponsor, Mrs. Betty Alsop might be in for as much of a surprise as the audience. But we do know that you will have lots of fun and laughs as you join this class for their presentation of "Plantation Follies", at was reported.

Admission will be 75c for adults and 50c for students.

Try The Journal for all your office Supplies and Needs.

**LAZBUDDIE NEWS**

by Mrs. C. A. Watson

The Midway HD Club met April 4 in the home of Mrs. Lee Mason. The roll call was answered with an unusual flower grown in Farmer County. Mrs. Elsie Foerster gave the council report in the absence of Mrs. Francis King. She reported National Home Demonstration Week will be observed with a council-wide style show at the Oklahoma Lane community building.

After the business meeting, Mrs. Mildred Redwine and Mrs. Davis Guley gave a demonstration on cleaning rugs, upholstery and furniture.

New furnishings on the market were demonstrated. Refreshments of cake and whipped cream and pops were served by one visitor, Mrs. Jess Pendergrass and the members, Mrs. R. L. Foerster, J. B. Young, Luella White, Dee Brown, A. E. Redwine, Effie Splawn, Davis Guley, and the hostess, Mrs. Lee Mason.

Friday evening, April 7, the fourth, fifth, and sixth grades of Fredric Byers' music class presented an operetta in a one-act play in the school auditorium. The musical was "Stree-line Cinderella". A large crowd attended and enjoyed the program very much.

Visiting in Tulsa recently with

her daughter and family, the Tommie Stranges, was Mrs. W. C. Mick, her son, R. L. Porter, and a friend, Karan Shell from Farwell.

Mr. and Mrs. C. C. Strickland and family, Helen Ford, Mr. and Mrs. Harold McDonald, and Mr. and Mrs. W. H. McDonald from Clarendon, were Easter holiday guests in the Bob McDonald home at Clay's Corner.

The West Plains Garden Club at the Oklahoma Lane Commu-

ity Center at their last meeting to work on the landscaping at the Center. The Garden Club is sponsoring the landscaping this year. They have the ditches made for the trees. The next meeting will be in th home of Mrs. Alton Wyleys Friday, April 4. Mrs. Winburn Hardage will give a demonstration on herbs and mints at that time.

**CARD OF THANKS**

We would like to express our thanks and appreciation for all the flowers, food, and all other acts of kindness at the death of our beloved husband and father, J. E. Day.

Mrs. J. E. Day  
T. W. Day  
Mr. and Mrs. H. C. Dunn  
ad Family

**RETURNS TO BASE**  
Tony Harper, who is static at Homestead Air Force Base Florida, has just returned to base after spending several days in Muleshoe visiting his parents, Mr. and Mrs. L. Harper, and other relatives friends.

**MHS STUDENTS TO PRESENT PROGRAM 21st**  
The Student Council of M shoe high school will present variety program with the "That Wonderful Year, 1967". The event will be held in high school auditorium Wednesday, April 21, at 7:30. Admission will be 75c and 1p.

Call The Journal for prompt efficient job printing.

### Ministers Oppose Private Clubs

The Bailey County Ministerial Alliance at a meeting in the Pastor's study of First Methodist Church, Muleshoe, Monday morning of April 10, passed the following resolution:

**BE IT RESOLVED:**

1. We, the members of The Bailey County Ministerial Alliance go on record as opposing the existence of Private Clubs or other organizations that would tend to destroy or lower the morals of the Citizens of our County, either Adult or Youth.
2. We specifically oppose the existing facilities that are now in the process of opening as a Private Club for the purpose of providing facilities for housing, storage and consumption of alcoholic beverages for its members.
3. We further resolve to urge the Christian people of the community to use their influence against such clubs and organizations.
4. **BE IT FURTHER RESOLVED:** We offer our assistance and urge all law enforcement officers to be vigilant in their efforts to enforce the present laws.
5. We encourage all the citizens of our community to use their influence to help keep our community clean morally. Write your State officials to help pass laws that will eliminate present clubs and prohibit the establishment of future clubs. Your State Representative is Jesse Osborn. Write him in care of State Capitol, Austin, Texas.

Bailey County Ministerial Alliance  
M. Horace Brooks, Pres.  
Gene W. Welch, Secretary

Cessnas, and Twin Beech D-18. The pilot flying the large Beech commented repeatedly on the condition of the runways here, saying they were the smoothest sod runways he had ever landed on.

Flying Service personnel have spent four days recently blading and packing the runways and have them in top shape.

### News Of Men In Service

#### Marvin Lewis Serves Aboard USS Gregory

SAN DIEGO—Martino Lewis, electrician's mate third class, USN, son of Odie Lewis of 2269 Poplar St., Muleshoe, returned to San Diego, Calif., March 27, aboard the destroyer USS Gregory following a 5 month cruise in the Western Pacific.

The Gregory, a unit of Destroyer Division 21, conducted anti-submarine training exercises with the Seventh Fleet, and visited G u a m, Hawaii, Hong Kong, Japan, Okinawa and the Philippines.

#### Metcalf Completes Month Combat Course

CAMP PENDLETON—Marine Pvt. Luther J. Metcalf, son of Mr. and Mrs. L. P. Metcalf of Rt. 2, Friona, completed a four-week individual combat training course, March 31, with the Second Infantry Training Regiment, Marine Corps Base, Camp Pendleton, Calif.

Every new marine receives combat training upon completion of recruit training. The course includes instruction in the latest infantry tactics, scouting and patrolling, first aid, military explosives and defensive positions.

### Plainview Gets Jack Lescoulie

Jack Lescoulie, NBC television star, and three of his special friends will be in Plainview Friday, April 21, as special guests at their first All Sports banquet for that city.

Lescoulie, who is second in command to Dave Garroway on "Today" show, is bringing with him his wife, who for ten years has been pianist for the Sherman Hotel in Chicago; Col. Pat Young, Marine officer, holder of the Silver Star and current chief of information in New York City; and Jimmy Fletcher, former Plainview resident and close friend of Lescoulie's. Fletcher was the "Alaskan" who fooled three of four panelists on "To Tell the Truth" show last week.

Tickets are now available for the banquet, and may be obtained by sending a check to Bob Hilburn, P. O. Box 911, Plainview, Texas. Price is \$4 per plate. Some 200 high school players and their dates will be hosted by the sponsoring Bulldog Booster Club.

To hold the overflow crowd expected, the affair has been set for the Estacado Junior High gym, where an estimated 650 can be seated.

Lescoulie and his friends will arrive in Plainview about noon Friday via Marine Corps Reserve plane from Dallas.

Then men are all making the trip without pay. The Booster Club is providing their expenses. Saturday, April 22, at 10:30 a.m., a parade will honor the guests, with a number of area bands invited to participate.

Lescoulie has been a frequent booster of Plainview on the "Today" show, and Michaels almost nightly plays the Plain-

#### Veach Assigned To 1st Armored

FORT HOOD, TEXAS — Army Pvt. Virgil R. Veach, 19, son of Troy V. Veach, 518 W. Eighth St., Muleshoe, recently was assigned to the 1st Armored Division at Fort Hood.

A tank crewman in Company D, of the division's 1st Cavalry, Veach entered the Army in July 1960 and received basic training at Fort Ord, Calif.

He is a 1960 graduate of O'Donnell High School.

### Crow's Corner

by Arthur Crow

The City Council's first meeting after the election was rather eventful. The city purchased a new truck from Muleshoe Motor Co., on their low bid.

This truck will have a dump bed installed and will be used for street and alley purposes, as well as general hauling. In addition the completion of the fire truck improvement program was authorized when the Fire Department offered to overhaul the Dodge and transfer the pump and equipment from the Ford truck. The Ford, a 1939 model, will then be retired from service. In case you haven't heard, the Fire Department is saving Muleshoe citizens at least five thousand dollars by doing the work themselves; and if you don't think it's a professional job, just come down and take a look.

Orkin Exterminating Company will continue to inspect the streets and alleys, as well as the dump ground for rodent and vermin infestation and will take control measures for twenty dollars a month. Their old contract had expired and their new proposal was ten dollars a month less.

Those of you who know him will be glad to learn that Horace Blackburn was unanimously appointed Mayor Pro-tem by the council. Mr. Blackburn will serve in my absence as presiding officer of the council.

The equipment needs of the city were discussed at some length by the council. During the past year, the city has acquired a new garbage truck, three new pickups, a new fire truck chassis, two new Police cars (one ordered), and a street truck (ordered). At the present time the city is paying the county for use of their grader and operator for city work. This seems to be a satisfactory arrangement for all concerned.

and will be continued for the present. All of the councilmen continued to stress the need for good equipment.

Mr. March explained that George Washington had been hired to maintain the City Park this year. We are expecting good things from George.

I think the most important thing I learned from this first meeting is that Muleshoe has an interested and qualified group of men representing them. Earl Harris, Horace Blackburn, Irvin St. Clair, and Myron Pool, II are all working for the best interest of Muleshoe. We have our disagreements, certainly, but these disagreements are worked out in the council room, and once a policy is decided, all of these men will support it.

Registration will begin at 8:30 a.m., with the meeting beginning at 10 o'clock. The Most Reverend Bishop John L. Morokovsky of Amarillo will give the principle address.

Two delegates and as many other women a possible are requested to represent their parish at the meeting. Registration fee is 75c and luncheon \$1.50.

#### NEW BABY FOR THE INGLE GATEWOODS

Mr. and Mrs. Ingle Gatewood of Abilene are the proud parents of a new baby born Tuesday, April 11. He weighed 7 lbs., 8 ozs. They have a daughter, Jerri, who is 2 years of age.

The grandparents are Mr. and Mrs. L. A. Gatewood of Muleshoe and Fred Otte of Brady. Ingle is a former employee of The Muleshoe Journal. He is now employed with the newspaper in Abilene.

Attend Lutheran Church Convention

The 38th convention of the Texas District of the Lutheran Church—Missouri Synod closed with a devotional service Friday in the gymnasium of the denomination's Concordia College in Austin. Attending from the local area were Rev. A. R. Sanders of Lariat and Fred Ramm of Muleshoe.

Random Thoughts

Our businesses, our schools, our churches, our civic clubs, our study clubs, and our city organization are all working for a better city in which to rear for our children. They deserve our support.

### Off the Runways

#### FLIGHT TO TEXAS BY CALIFORNIANS

Mr. and Mrs. Alvin Allison had as their weekend guests, Mr. and Mrs. Bernie Allison from Madera, Calif., and their son, Keith, who is stationed at the Amarillo AFB.

The Allisons left Madera on their flight to Texas in their private plane, a Cessna 210, early Friday morning, stopped in El Paso for breakfast and arrived here at the airport that afternoon.

Muleshoe sophomore, Dick Allison, gained a multitude of flying experience on a short flight when he flew to Amarillo Saturday with his uncle to get Keith. They encountered bad weather consisting of a low ceiling and ground fog shortly after take off here and flew by instrument on to Amarillo. Pilot Allison circled the fog-shrouded Amarillo airport for 45 minutes, then flew back to Canyon to see if landing condi-

tions were better there. Upon finding the same weather there, they returned to Amarillo, contacted the tower by radio and made an instrument landing with officials at the tower talking them down.

They waited for the fog to lift and were 2:15 overdue when they returned to Muleshoe. Mrs. Alvin Allison said that although Bernie was an experienced pilot with many hours in the air in all kinds of weather, that she was quite happy when she saw them circling around Muleshoe again.

Mr. and Mrs. Bernie Allison left Sunday flying to Dallas where they are attending the Gimmers' Convention. Mr. Allison is associated with Anderson-Clayton Industries in Madera.

#### GLIDER STUDENTS TO COMPLETE TRAINING

Weather permitting, Thursday and Friday of his week some of the glider students will complete training and take flight tests for their ratings. FAA Examiner, Robert Wisener, will be here Friday to give the tests.

Students preparing to take the

tests are Fred Boyd, airport pilot; Bob Story, Plainview; Robert Allen, Clovis; Clyde Woodard, Friona; and Captain Stanford P. Kibbe, from Altus Air Force Base, Altus, Okla.

Captain Kibbe, training to be a glider instructor, will be an instructor for a Soaring Club which is being formed at Altus. The Flying Service Soaring School has shown a far reaching effect again this year. Letters of inquiry about the school have been received by Morgan Locker from different cities in several states, some from as far away as Louisiana and Alabama.

#### SUNDAY WAS TERRIFIC

The airport hummed with activity all day Sunday and was termed as a "terrific day" by the manager, Morgan Locker.

Flying Service planes were in the air from early until late on passenger hops, students training and local pilots pleasure riding. Many of the passengers took their first airplane ride Sunday.

Also during the weekend visitors and businessmen landed here in Tri-Pacers, Ercoupe,

### Small oil man from Texas...

Mr. Jack Thomas of Dallas, above, deals in oil... once every 4,000 miles! He owns a '61 Ford with new Full-Flow oil filtering that cleans all the oil so thoroughly, frequent changes are unnecessary. Deals in grease, too... also in a small way; Ford's new sealed-in lubrication lets him go 30,000 miles between chassis lubrications. Never deals in wax; Ford's Diamond Lustre Finish doesn't need it. Same for brake adjust-

ments... Ford brakes adjust, when it's required, automatically! Saves money on mufflers, too (Ford's is double-wrapped, aluminized, to last three times longer than ordinary ones). Doesn't worry about rust and corrosion—the body is specially treated to resist this kind of damage. Happy guy, Thomas! Likes being a small oil man. So will you!

## SANDHILLS PHILOSOPHER CLAIMS Government Not Making It Easy To Shirk Your Responsibilities

Editor's note: The Sandhills Philosopher on his Johnsongrass farmlets the world problems slide this week and discuss responsibilities, about which he wouldn't be classified as an expert.

A successful business man stepped by this Johnson grass farm out here the other day and his head and preped his foot looked the place over and shook on an old cultivator wheel grown up in weeds in the corner of a fence and without being asked by me said, Now I'll tell you, what you need out here is some serious planning. You get to plan your work to get a place like this organized and straightened out."

I thanked him and said I'd see what I could do about it, without adding that I was ahead of him and what I already saw was that I wasn't going to do anything about it.

I wouldn't say this place suits me exactly like it is, but on the other hand the amount of work it'd take to change it wouldn't suit me either. I figure if I'm going to be dissatisfied a little, I'd rather be dissatisfied comfortable than worn out.

As a matter of fact, I have done some serious planning, but I found out long ago if I did everything I planned to do, I never would have time to do the things I didn't plan, and frequently they're more fun. In this connection, I was reading a criticism of the government the other night and this man was saying the government

is trying to do too much for people. "The government," he said, "is making the shirking of responsibilities easy."

I'd just like to say this is one more case of unwarranted criticism of our government. I've got more faith in the individual, and anybody who has to rely on the government to help him shrink his responsibilities, just doesn't know the first thing about shirking. He's not half trying.

Why the ability to shirk your responsibilities hasn't got anything to do with the government. People were shirking their responsibilities back in the days when the government did practically nothing, when it didn't even build highways and it was every farmer's job to keep the road up in front of his house and people were always getting stuck in front of mine.

This idea that the government can make it easy for you to shirk your responsibilities is just another half-baked dream. Nobody can make it easy for you, it's hard, but if you have the strength of character, you can do it.

Yours faithfully,  
 J. A.

**COLE HAVE GUEST**  
 Kim Petty, young daughter of Mr. and Mrs. John Petty, is in the Cole home while her parents are away due to illness and the death of John's father. The elder Mr. Petty died Monday. Funeral services were held Wednesday at Midland. Mr. and Mrs. Cole attended.

Here's just ONE of 28 REASONS why...

## YOU SHOULD COOK ON a GOLD STAR GAS RANGE

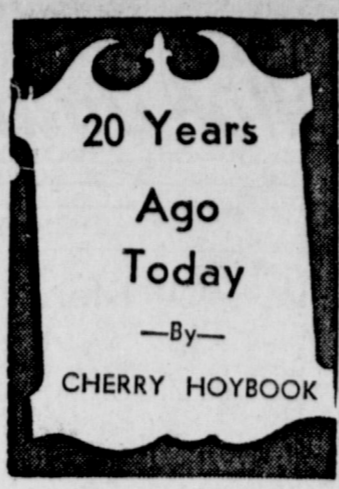

FLAME-FLAVORED, CLOSED-DOOR BROILING — Expert chefs agree that nothing brings out the juicy goodness of meats like a live flame. And the broiler door stays closed because Gas flames consume smoke! Twenty-seven other features, including automatic rotisserie and roasting controls, are your assurance of the finest range money can buy!

TRY THIS SIMPLE TEST Hold a lighted match an inch or so above the smoke from a cigarette and see how the smoke disappears. This is the principle of smokeless Gas broiling.

And remember FLAME-FAST GAS cooks at least five times cheaper than "coil-type" cooking

**Pioneer Natural Gas Company**

## Babson Discusses The New Peace Corps

Babson Park, Mass., April 13 — Our defense against World War III may not be nuclear missiles or atomic submarines but rather something far more revolutionary. I refer to the Peace Corps.

**Peace Corps Described**  
 President Kennedy has sent a message to Congress on his proposed Peace Corps suggesting that 1000 young and middle-aged people be ready to leave by the coming Christmas. Among projects in the exploratory stage are work for surveyors, engineers, and geologists. Expert farmers and those acquainted with the use of insecticides and fertilizers are needed. Also in demand are carpenters who will get neighbors together, as in the old days, to erect houses and barns for one another. The headquarters at Washington tell me it has 25,000 applications, although a majority of these cannot hope to meet the requirements.

**Certain Requirements Must Be Met**  
 The Plan will not be successful with non-paid volunteers. Whether or not these men and women are obtained by volunteering or by drafting, they must be under army discipline and subject to the same length of service as those entering the fighting ranks. They must be carefully "screened" as to loyalty, personality, and education. They naturally should fluently speak the language of the country to which they will be sent and be well-trained for the character of work in which they will be engaged. Surely, the Peace Corps Personnel are entitled to the pay of a Second-Lieutenant.

To make this new Peace Army successful, Congress must be prepared to spend as lavishly thereon as it would spend on the development of missiles or any nuclear weapons. This new Army should be taken very seriously and be placed under our U. S. Defense Dept., with President Kennedy as Commander in Chief. Every nation should be entitled to the aid of the Peace Corps, although its personnel should be sent into a nation only at the nation's request. Where they or not the Peace Corps should or should not be tied up with foreign aid is to be decided later.

**Would China Send Out Peace Corps?**  
 Studying this whole idea with its ramifications, it may result in doing more to bring the nations together than has even the United Nations. There are about one hundred separate nations now in the United Nations Organization. Imagine only a small proportion of these one hundred nations sending out Peace Corps. Furthermore, although Communist China is now being kept out of the United Nations, yet China would be free to send Peace Corps into the leading nations. One more thought, what if China should decide to send Peace Corps into the United States? Perhaps all the above may cause President Kennedy, or at least Congress, to pass the entire problem over to the United Nations

**BOOSTING TRAVEL IN TEXAS**—Governor Price Daniel accepts the first of a series of highway safety films from Ray H. Horton (left), vice president of Humble Oil & Refining Company. Colonel Homer Garrison, Jr. (right), appears briefly in each of the thirteen films, which were filmed on location throughout Texas. Called "Here's Texas!" the series deals with the pleasures of auto travel in the state and includes pointers on safe driving techniques. "Here's Texas!" will be circulated to television stations by officers of Colonel Garrison's department.

**Ragsdales Have Guests**  
 Guests in the Buck Ragsdale home Sunday were Mr. and Mrs. Mack Ragsdale and children of Hub. Mack and Buck are brothers.

### SAVE NOW FOR EMERGENCIES

**MULESHOE CREDIT UNION**

**Thanks To All . . .**  
 To the many friends who helped and supported me in the recent election, may I say thank you. To Houston Hart and his many friends who have pledged their support and co-operation to the administration, may I also thank you. I feel that Muleshoe can call on the leadership, advice, and hard work of each and every one of you both now and in the future.

ARTHUR CROW

## Today's Meditation

Read Isaiah 55:6; Psalm 24  
 Who shall ascend into the hill of the Lord? or who shall stand in his holy place? He that hath clean hands, and a pure heart; who hath not lifted up his soul unto vanity, nor sworn deceitfully. (Psalm 24: 3,4)

We soon become life our daily companions. Since our thoughts are our closest companion, the only way to live a clean life is to cultivate purity of mind and heart. As a man "thinketh in heart so is he." We read in Proverbs, "The thought of foolishness is sin." Isaiah holds out the hope to us that God will forgive the man who forsakes his sinful ways and his unrighteous thoughts.

An air conditioner can change the air in a room by drawing out stale air and bringing in fresh, pure air. Thus the atmosphere of the room is changed. Changing impure thoughts for pure thoughts can alter life. We can fill our minds with the teachings of Christ. Before we know it, our lives will be free from anxiety and worry. We know the peace which comes from inner confidence. We shall have the power that comes to those who are at peace with God, with man, and with themselves.

**PRAYER: Our Father, we pray that Thou wilt cleanse our thoughts of doubts, worries, and fears. Fill our minds with thoughts of Thee, that we may be pure in heart, clean in mind, and Christlike in our living. In Jesus' name, Amen.**

**THOUGHT FOR THE DAY**  
 Clean thoughts produce clean lives.

— Ada B. Hoelscher

## Driving Tips

I think city driving requires much more ability, skill, and watchfulness than highway driving. One reason it requires these "extras" is because of the rapid changing of the traffic scene. There are many, many things to think about when city driving. The first problem is getting the car into the street which is usually by means of backing. You must be extra careful not to hit children who are playing nearby, pedestrians, or cars already on the street. You must be able to pick a safe driving speed. This is usually a slow speed so the driver will be able to stop or avoid an accident. This slow speed is usually required because of blind corners, hidden traffic signs, careless drivers, and pedestrians. Intersections are a hazard if not used correctly and carefully. A person should look both ways to make sure intersections is clear on both sides.

Changing lanes can be very dangerous if not done correctly. All drivers should look in rear-view mirror, give signal, and check their blind spot, if all is clear they may change lanes. There are many more things a person should look for and watch for in city driving. I have just mentioned very few important ones. All safety factors in any kind of driving are very important.

# Area Farm News

## Farmer County Farm Bureau

seems necessary that we state the fact that Farm Bureau opposed every facet of administration feed grain Farm Bureau did not endorse any part of the bill. Farm Bureau was not responsible for limiting of production per acre for support payment in the 1961-62 season.

Farm Bureau proposed a feed grain program formulated by a membership and made every effort to get it passed, but it was unsuccessful, although several legislators presented the bill. The bill would have limited production of all feed grain, including wheat, to the percentage of acreage determined by the secretary of agriculture to be necessary for production of all feed grains.

There would have been no acreage allotment on any feed grain (nor production allotment) support prices would have been the average of the preceding three years, but not less than 5% of parity. The floor is the same as that under the administration program.

Farm Bureau has never advocated dropping the farm program government aid completely and suddenly. Farm Bureau has always, and still is, advocating working toward the end of orderly marketing programs that will enable farmers to operate with more freedom of choice in the management of their farms. This does not by any means mean that the million and one half and more Farm Bureau members want less income for farmers. They want more, and in sound dollars.

The Farm Bureau weed committee held their first meeting of the season the last Monday night of March and laid plans for this year's operation. Interest will grow, as usual when the noxious weeds get thicker. J. T. Jones serves as chairman of the committee.

**CONSIDER THIS:** There is a generation, whose teeth are as swords, and their jaw teeth as knives, to devour the poor from off the earth, and the needy from among men. Proverbs 30:14

## John Gammon Re-elected By Water District

LUBBOCK — Three area men were recently sworn in as members of the Board of Directors of the High Plains Underground Water Conservation District.

John Gammon of Lubbock, T. L. Sparkman, Jr., of Hereford, and Elmer Blankenship of Wilson received the oath of office from Robert Bean, Judge of the 140th District Court in Lubbock.

Each of the three men were re-elected to the Board by the voters in their respective areas for two-year terms of office.

The official ceremonies were part of a luncheon program attended by former board members of the High Plains Water District and guests. Reports on progress and problems in the field of water conservation were heard by those in attendance. John Gammon, President of the Board, presided at the meeting.

The underground water district consists of thirteen southern High Plains counties. Other members of the five-

## Lone Star Agriculture

### FARM GROCERY MARKET

There is a persistent conviction among many city dwellers that no farmer or his wife ever have any business in a grocery store except to buy coffee, salt, perhaps a little sugar and the like.

They still carry the vision of the farmer with his own vegetable garden, his own orchard, milking his own cows, gathering his own fresh eggs, and so forth and so on.

Bill Durham, the astute agricultural editor of the Houston Post, did something to dispel this concept not long ago when his columns elaborating on an article in Food Business, a publication for the food manufacturing, processing, and marketing business.

"Apparently," Durham commented, "these people still thought that every farm had a garden and a milk cow and that all purchases from the grocery store involved only coffee, flour and corn meal. Farm Journal magazine did a lot of work in getting information together on the importance of the farm market for food stores."

"Big Business Farmers and those who serve them have failed to get across the story that agriculture is big business and that today's farm must be one of the most shrewd and astute business men in the economy. You just can't find a commercial farmer in the Houston area who doesn't have a capital investment less than \$50,000. In most cases it amounts to more than that. You can find a lot of people in business in Houston who don't have to stand that kind of financing."

It was pointed out that, as a matter of fact, farm women buy more when they go to the store than do women who live in town. The reason is that they serve more food—a farm woman fixes three big meals a day. Feeding a bunch of men who are doing hard work in the field just naturally takes more groceries.

In 1960, it was figured that people living on farms consumed \$3.5 billion in food products, and these supplies were bought in retail stores. One of the points that may have been confusing to the food industry was the preference which farm women showed for convenience foods such as cake mixes, frozen foods and the other new items offered in the supermarkets.

One of the reasons for this, perhaps, is that today's farm housewife engages in almost the same activities as does her sister in the cities. She belongs to the P-Ta, has her church activities, and is often a leader in lyitics, and is often a leader in various women's clubs. Cultural activities also are a part of the rural scene these days.

Mr. Pouncey extended a hearty welcome to all of the team members on behalf of the merchants of Muleshoe.

A large turnout of teams was expected had it not been for threatening inclement weather. Muleshoe team members were Jerry Don Coult, Nelson Shipman, and Myke Murrah.

The man board of directors are Roy Hickman of Morton and J. R. Belt, Jr. of Lockney.

Other members of the five-

## PCA Held Its Annual Meeting

members, guests, and business men attended the 27th Annual Stockholders Meeting of Plainview Production Credit Association held at the Plainview High School auditorium on Saturday, April 8.

The meeting began with a barbecue luncheon served in the school cafeteria. As the guests assembled in the auditorium they were entertained with music provided by Mrs. Inez Ferrell, piano, Jo Ed Campbell, drums, and Riley Armstrong, vocalist.

L. R. Durham, president of the board of directors, presided. Routine business was carried for, and Don Garrison, of Silverton, and Henry Hayes, of Plainview, were re-elected as directors, each to serve three years terms.

Miss Dottie Wilterding has gone to Nebraska to visit her sister and family, Mr. and Mrs. F. A. Egger, who live in Spearman. She also plans on visiting her other relatives, who live around there.

Wednesday, April 4, Mrs. Bertha Lee Pyritz, from New Mexico, visited in the home of Miss Dottie Wilterding and Mrs. E. H. Buhman. Friends will remember her as Bertha Lee Boles.

Marshall Head went to Oklahoma Friday to get his daughter, Linda, who had been staying with her grandmother, Mrs.

by Mrs. D. C. Read

Those visiting in the James Daniel home over the weekend were Mr. and Mrs. Carl Jones and daughters from Lubbock, who are Mrs. Daniel's parents. Also Mr. and Mrs. Bill Walton and children of Olton.

Miss Dottie Wilterding has gone to Nebraska to visit her sister and family, Mr. and Mrs. F. A. Egger, who live in Spearman. She also plans on visiting her other relatives, who live around there.

Wednesday, April 4, Mrs. Bertha Lee Pyritz, from New Mexico, visited in the home of Miss Dottie Wilterding and Mrs. E. H. Buhman. Friends will remember her as Bertha Lee Boles.

Marshall Head went to Oklahoma Friday to get his daughter, Linda, who had been staying with her grandmother, Mrs.

Hattie May. He also visited Mrs. Head's uncle, Dotis May, on the way back.

Sunday guests in the Rev. D. C. Read home were Mr. and Mrs. Bill Parnell and Linda from Wellman. They also stayed for the services Sunday night.

The attendance was good Sunday for church school and worship. Sixty-eight for church school, and 80 for worship. There was a renewal of the vows of the Methodist church by all the members present. Also Sunday evening a film was shown on Latin American work entitled "They Too Need Christ". It showed the needs of Latin American people in our cities.

Owen Powell is staying in the home of Mr. and Mrs. W. T. Millen this week. He is improving all along.

The teachers attending the Vacation Church School Institute at Plainview were Mrs. Allen Haley, Church School supervisor, Mrs. James Daniel, Mrs. Bill Johnson, Mrs. Kirk Pitts, and Mrs. Keith Buhman.

Mrs. E. E. Frost of Lawton, Okla., is the house guest of her daughter and her family, the D. W. Lackey's. Other guests in the Lackey home Sunday were Mr. and Mrs. Perry Bowers and children, and Mr. and Mrs. H. E. Reeder and children, all of Muleshoe.

Mrs. Harold Allison, Mrs. Oscar Allison and Mrs. Sam McKinstry went to Lubbock Sunday to visit Mr. and Mrs. Joe Milsap, Jr., and other relatives.

Rev. and Mrs. Bud Moore and daughter, Lovorn, of Mena, Ark. were guests in the J. D. Bayless home Wednesday night. They and the Bayless' were neighbors in Arkansas back in the 30's.

Mr. and Mrs. Bill Autry of Dimmitt visited his mother and family, Mrs. T. W. Autry.

## PLEASANT VALLEY

The Pleasant Valley 4-H Club met April 5 at 5 p.m., in the Community Center. The meeting was called to order by Sheryl Stevens, the president. Roll call and the minutes were read by Brenda Bills, the secretary.

Twenty-five dollars was donated to the 4-H Club by the Farm Bureau to help pay for the use of the building. The 4-H Club members would like to say "Thank You" to the Farm Bureau for this money.

The meeting was adjourned and games were played. Refreshments were served by Kathryn West and Patsy Angeley to 19 members.

Mr. and Mrs. Roy Taylor have returned home from a trip of several days to San Antonio.

Mr. and Mrs. John St. Clair had as guests over the weekend their children and grandchildren, Mr. and Mrs. I. V. Pierce and Darlita of Spearman, Mr. and Mrs. Johnny St. Clair and children of Farwell.

Mrs. E. E. Frost of Lawton, Okla., is the house guest of her daughter and her family, the D. W. Lackey's. Other guests in the Lackey home Sunday were Mr. and Mrs. Perry Bowers and children, and Mr. and Mrs. H. E. Reeder and children, all of Muleshoe.

Mrs. Harold Allison, Mrs. Oscar Allison and Mrs. Sam McKinstry went to Lubbock Sunday to visit Mr. and Mrs. Joe Milsap, Jr., and other relatives.

Rev. and Mrs. Bud Moore and daughter, Lovorn, of Mena, Ark. were guests in the J. D. Bayless home Wednesday night. They and the Bayless' were neighbors in Arkansas back in the 30's.

Mr. and Mrs. Bill Autry of Dimmitt visited his mother and family, Mrs. T. W. Autry.

Mrs. L. G. Harris and Mrs. Jerome Cash spent from Monday until Wednesday in Amarillo. Mrs. Harris visited her daughter, Mrs. Elmer Riley, and Mrs. Cash visited her father, Mrs. C. E. Hinton and her sister, Mrs. C. H. Williams.

Mrs. E. E. Frost of Lawton, Okla., is the house guest of her daughter and her family, the D. W. Lackey's. Other guests in the Lackey home Sunday were Mr. and Mrs. Perry Bowers and children, and Mr. and Mrs. H. E. Reeder and children, all of Muleshoe.

## Thumb Is Greener

LANDSCAPING can make a small yard look large by having large open areas. A large yard can be made more livable by breaking up the open areas. —Journal Art

Landscaping around the home beautifies ones habitat and gives a greater satisfaction in the livability of the abode.

Evergreens are popular as classic pillars beside doorways or gateways and at corners of houses or corners of a lawn. Sometimes an array of evergreens near the corner of a lawn will provide much dignity and silent beauty.

Tall spiring gladiolas or roses make excellent fill-in flowers between cedars or between a sidewalk and the house. When just below a window these flowers are just as enjoyable from within as from without.

In the central areas of the lawn, it is popular to place a few varieties of fruit trees. They are not only beautiful in bloom, but also provide a feeling of lush fertility when heavy with fruit. They provide a more delicate shade than our regular shade trees.

Speaking of shade trees — there's a wide range of trees which provide deep foliage and cool rich shade. Usually planting these along the south edge and west edge of the lawn will provide the greatest beneficial shade in our north temperate zone of the earth.

As a final touch, the entire lawn should have a thick tufted mantle of interwoven green grass. This carpet of green can be achieved with the proper preparation of the upper 4 to 6 inches of soil. Make sure that the ground has sufficient humus (decaying leaves and other plant materials) to support healthy grass growth.

## Enochs News Events

by Mrs. Jerome Cash

Arnold Archer and his brother, Fred, and sister, Mrs. Cecil Cole of Bula left last Wednesday for Cleburne to be with their father, Mr. Archer, who underwent surgery Thursday morning. At last report he was doing fine.

M. and Mrs. Henry Hardaway and Jerri visited Thursday with her parents, Mr. and Mrs. Charley Byars.

## A PROFITABLE COMBINATION

# LIQUID FERTILIZER Applicator-Cultivator

GAUGE-WHEEL DRIVE UNIT—This is just one of the many types of Liquid Fertilizer Applicator-Cultivator units you'll find at your local Liquid Fertilizer Dealer. A highly versatile piece of equipment—with it you can fertilize before you plant, you can rig-up to fertilize and plant at the same time, side-dress and cultivate, and you can even apply insecticides as you cultivate and side-dress. See your local Liquid Fertilizer dealer and let him show you how easy it is to own a multiple use unit.

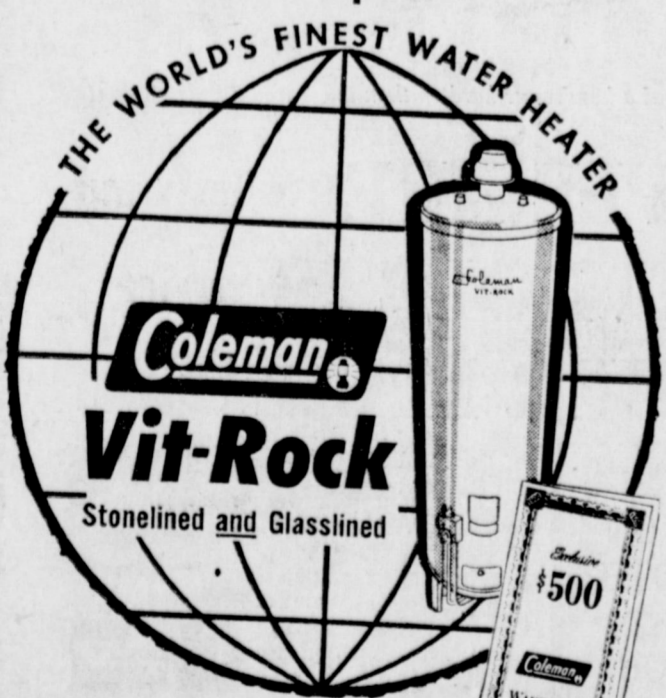

THE WORKHORSE—This tank takes the work out of fertilizing. It is loaded to the farmer to haul his fertilizer to the field. Mounted on the tank is a pump and gasoline motor. The nozzle, which weighs about fifteen pounds, on the end of the hose, is the heaviest thing the farmer has to lift when he is loading his liquid fertilizer applicator. Why be old fashioned in modern day farming... use Liquid Fertilizer and let pumps and motor do the work for you. Liquid Fertilizer is easier under pressure and it is not dangerous to handle.
