Community Thanksgiving Dinner Is Sunday Evening

The Ministerial Association of Tahoka is sponsoring a free Community Thanksgiving Dinner Sunday, Nov. 22 from 5:00-7:00 p.m. in the Tahoka School Cafeteria.

"This dinner is open to anyone in the community who wishes to come and eat," a spokesman for the Ministerial Association stated. "There will be no food served on a carry-out basis, so we encourage families to come to the cafeteria to eat with their friends and neighbors in the community. We hope that eating a Thanksgiving meal together will remind us that though we may have differences that divide us, there is much more that unites us."

Meals will be delivered earlier to shut-ins by prior arrangement. Although the dinner is free, donations of canned goods or dried beans or rice will be accepted for the local food bank which is administered by the Tahoka Church of Christ.

Woodwork... by Dalton

A NEWSPAPER editor once was looking over all the stories and advertisements scheduled for that day's issue when he saw a classified ad which someone had taken by telephone, which said: "For Sale—2,006 pigs. Call (phone number)."

He thought that was a bit unusual, so he called the number to be sure the man had that many pigs for sale. The man answered the phone, "Yeth?" So the editor just hung up and changed the ad to read "Two sows and six pigs."

When I was at the *Plainview Herald* we actually ran a classified ad which said, "For Sale—Palomino mare and two billy goats." The man who ran the ad called the day the ad appeared and demanded to know why the ad read like it did. That's when we learned he had told the girl on the phone, "Palomino mare and two filly colts."

Funny things happen in classified ads, as in other parts of the newspaper, and I can remember a couple which I can't list here because this is a family newspaper. Meanwhile, here are some amusing classified ads which someone sent to me last week:

- Illiterate? Write today for free help.
- Auto Repair Service. Free pick-up and delivery. Try us once, you'll never go anywhere again.
- Tired of cleaning yourself? Let me do it.
- Our experienced Mom will care for your child. Fenced yard, meals, and smacks included.
- Dog for sale: eats anything and is fond of children.
- Man wanted to work in dynamite factory. Must be willing to travel.
- Stock up and save. Limit: one.
- Semi-Annual after-Christmas Sale.
- 3-year old teacher needed for preschool. Experience preferred.
- Mixing bowl set designed to please a cook with round bottom for efficient beating.
- Girl wanted to assist magician in cutting-off-head illusion. Blue Cross and salary.
- Dinner Special — Turkey \$2.35; Chicken or Beef \$2.25; Children \$2.00
- For sale: antique desk suitable for lady with thick legs and large drawers
- Now is your chance to have your ears pierced and get an extra pair to take home, too.
- We do not tear your clothing with machinery. We do it carefully by hand.
- For sale. Three canaries of undermined sex. Great Dames for sale.
- Have several very old dresses from grandmother in beautiful condition.
- Vacation Special: have your home exterminated. Get rid of aunts. Zap does the job in 24 hours.
- Toaster: A gift that every member of the family appreciates. Automatically burns toast.
- For Rent: 6-room hated apartment.
- Man, honest. Will take anything.
- Used Cars: Why go elsewhere to be cheated? Come here first.
- Christmas tag-sale. Handmade gifts for the hard-to-find person.
- Wanted: Hair cutter. Excellent growth potential.
- Wanted. Man to take care of cow that does not smoke or drink.
- Our bikinis are exciting. They are simply the tops.
- Wanted. Widower with school age children requires person to assume general housekeeping duties. Must be capable of contributing to growth of family.
- We will oil your sewing machine and adjust tension in your home.

MEDICINE MAN — Dr. Bruce Fried will begin practice Dec. 1 as the third physician with offices at Lynn County Hospital. He is pictured here with his wife Betty (top) and 14-year-old daughter Lauren.

(LCN PHOTO)

RECEPTION SET AT HOSPITAL NOV. 29

New Doctor Interested In Medicine Even As Teen

By DALTON WOOD

Dr. Bruce Fried, who will begin practice Dec. 1 as the third physician with offices at Lynn County Hospital, wanted to become a doctor from the time he was a junior in high school in Oklahoma, although for a brief time before that he considered going into electrical engineering.

"My dad is a doctor, and I was interested in medicine, so by the time I finished high school I was ready to pursue courses leading to a degree in that field," he said.

Dr. Fried (pronounced "Freed") will meet the public at a reception for the newest doctor in Tahoka and Lynn County in Suite B at the Lynn County Hospital from 3-5 p.m. Sunday, Dec. 6. Hospital Administrator Louise Landers said the general public is invited to the reception which will be in Dr. Fried's new office, located between the offices of Dr. Griffith Thomas and Dr. Donald Freitag.

Dr. Fried's parents live in Mena, Ark., where his father, Dr. David Fried, last year was named Family Practitioner of the Year in the State of Arkansas.

He and his wife, Betty, and daughter, Lauren, 14, have been living in Lubbock, where Dr. Fried has been in family practice and Mrs. Fried has been busy with programs involv-

Early Deadline Set Next Week

News and advertisements for next week's edition of *The Lynn County News* should be received by 5 p.m. Monday, Nov. 23, due to an early deadline for the Thanksgiving holidays. The paper will go to press Tuesday afternoon, and will have a Wednesday dateline, so that subscribers may receive the newspaper before Thanksgiving Day.

The office will be closed Thursday and Friday for the Thanksgiving holidays.

ing the school their daughter attends and with church-related activities. The family is Baptist, and she has been a sponsor of Achteens, teen-age Baptist girls very active in mission work.

Dr. Fried, whose 52nd birthday was last Wednesday, earned a degree in biology at Oklahoma Baptist University in Shawnee, OK, and an MD. from the University of Oklahoma Medical School in Oklahoma City. He interned for a year at John Peter Smith Hospital in Fort Worth, later earned a master of business administration degree from Texas Tech, and has certification from the American Board of Family Practice.

He has practiced medicine at Reese Air Force Base, in Beaver, OK, in Saudi Arabia from 1984 to 1991, in Germany, and has taken part in medical missions at Baptist hospitals in India, Nigeria, Thailand and the Gaza Strip. His most recent stop in Germany was at Würzburg, a university city, for four or five months.

Lauren is a ninth grader at Mackenzie Junior High in Lubbock, and she will finish out this school year there. Her mother is president of the P-TA for the school, and "it's just about a full-time job," she said. Betty is a former elementary teacher and also was involved in child welfare work before she and Bruce Fried met at the First Baptist Church of Lubbock in 1972.

They were married in 1977 and Lauren was born in 1984. Betty no longer teaches in public school, but does teach classes on family relationships for the U.S. Army. Dr. Fried smiled as she recounted all her activities and remarked that "sometimes, I'm known only as Betty's husband."

Dr. Fried has been a licensed ham radio operator since 1959, and the family owns a horse ("It's mine," says Lauren). The horse is named J.P. Morgan, but, says Dr. Fried, "all he owns is a bale of hay and a bunch of medals." The 27-year-old Morgan horse has won many honors in the past, including a world championship in one category.

"I got interested in horses when we lived in Saudi," said Lauren. "The Arab horses were so neat... Out here (in the Southwestern United States) it may seem a little unusual to some that I don't ride a Western saddle. I ride an English saddle."

Lauren also is very interested in aquatic life and has attended aquatic camps at San Marcos and College Station. She says she would like to become an oceanographer.

Defense Objection Delays Hearing On Co. Attorney

by JUANELL JONES

It took only a couple of minutes for the hearing on County Attorney Jimmy Wright to skid to a halt, when the defense attorney objected to the assignment of a visiting judge on the case. The objection was sustained and the proceedings were over, before any opening statements or evidence was presented.

The delaying tactic means that the hearing will be rescheduled (the date was not yet known as of press time, but the prosecuting attorney told *The News* that he had requested either Monday or Tuesday of next week) and a new judge will be appointed to hear the case which seeks to remove the Lynn County Attorney from office on grounds of incompetency and official misconduct.

However, discussions are being held between the prosecution and the defense concerning the resignation of Wright, said District Attorney Ricky Smith, who is prosecuting the case. He told *The News* on Wednesday morning that Wright's resignation was a possibility.

The District Attorney is representing Lynn County Commissioners J.T. Miller, Don Morton, Sandy Cox-Kizer and Mike Braddock and County Judge J.F. Brandon, as petitioners. All were present for Tuesday's hearing.

The suit requests that Wright be temporarily suspended without pay; that the court appoint another person to perform the duties of that office; that the court impanel a jury to determine the truth of the allegations against Wright; and that upon final

trial of this matter Wright be removed permanently as County Attorney of Lynn County.

Wright was not present in the courtroom for the hearing, but was represented by attorney Dan Hurley of Lubbock.

The Honorable Judge Gene L. Delaney, senior judge of the 132nd District Court, was assigned to preside over Tuesday morning's hearing. Due to the objection, he will be removed from the case, and a new judge will be appointed by the regional administrative judge, according to District Clerk Sandra Laws.

"It makes no difference who the presiding judge was [on Tuesday morning]," explained Mrs. Laws to *The News*. "Either party has the right to make one objection to a visiting judge, and that's what happened. But that kind of objection can only happen once," she said.

District Atty. Smith explained that both the prosecution and the defense has the right to make one objection to a visiting judge, without stating any reason, before the hearing begins. He added, however, that it does not preclude either party from making other objections on another judge based on specific reasons.

The Honorable Judge George Hansard, the 106th Judicial District judge who normally presides over all other cases in district court in Lynn County, is automatically disqualified from hearing this case, says Mrs. Laws. Smith added that the law specifically prohibits a sitting judge from action involving the removal of a public official.

Larry Fuentes Indicted On Murder Charge

Larry Fuentes, former Tahoka resident arrested in North Dakota in October in connection with the 1995 death of his 18-month-old half-brother in Tahoka, was indicted last week by a 106th District Court grand jury on a charge of capital murder.

A review earlier this year of an autopsy on the baby resulted in charges filed against Fuentes, who was 18 years old at the time of the death of the boy, Pedro Fuentes, son of Jesse and Rachel Fuentes, who lived in Tahoka on 4th St. at that time. A forensic expert on child deaths has indicated that the child died as a result of a beating.

Seven other persons were named in indictments on various charges returned by the grand jury, including the following:

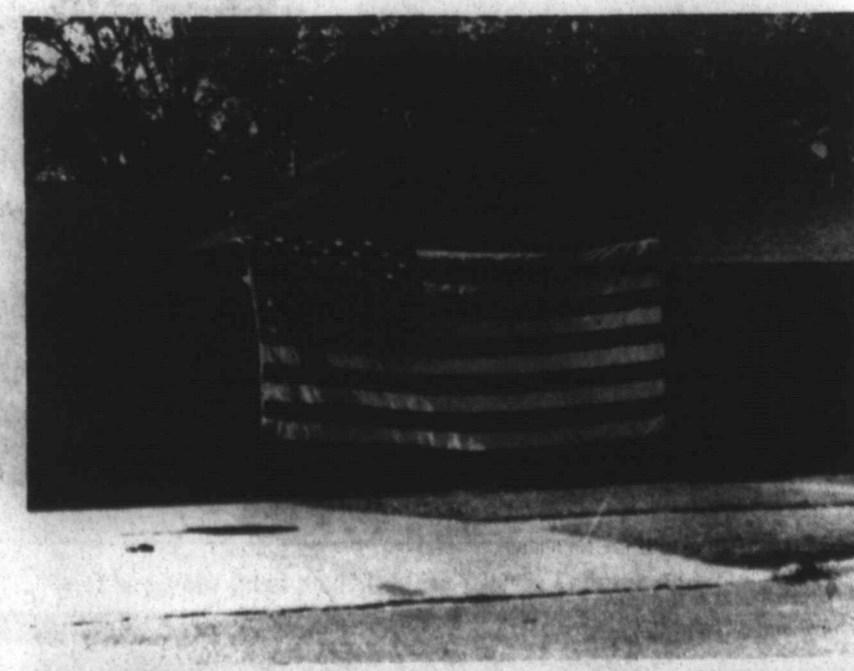

William C. Vick, 37, of Garland, criminal non-support.
José Zuniga, 42, of Lubbock,

manslaughter/intoxicated manslaughter.

Five persons were indicted for driving while intoxicated, third offense or more: Samuel Gonzales Wright, 47, of Lubbock; Gary Wayne Hill, 30, of Midland; Octavio Lujan Hernandez, 37, of Odessa; Deanna Jean Smith, 38, of Midland; and Richard Dale Summers, 29, of Tahoka.

During the last week, Tahoka Police Dept. investigated an alleged assault Sunday and arrested a Midland man for speeding who also had outstanding DPS warrants.

In jail during the week were two on applications to revoke probation, one on conviction for unlawfully carrying a weapon, the other on conviction for failing to identify to a peace officer. Also jailed were two persons for issuing bad checks, one of these also was charged with driving while license suspended.

Christmas Bazaar To Benefit Senior Citizens

The Lynn County Pioneers Second Annual Christmas Bazaar has been scheduled for Saturday, Nov. 21, with proceeds from booth rentals to benefit the local senior citizens center.

Beans and cornbread will be available for lunch.

Booth spaces are now available at a cost of \$12 per booth. Anyone interested in selling their crafts, baked goods, Christmas decorations, etc., may reserve a booth by calling Brenda Villegas at 998-4746 after 5:30 p.m., or Rebecca Ingle at Lynn County Pioneers, 998-5264 during the day.

The event will be held from 10 a.m. until 5 p.m. at The Center for Housing and Community Development, located just west of the Lynn County Pioneer center, at South 3rd and Ave. K in Tahoka.

The public is invited to attend.

Parent Complains To TISD Board About Son's Unexcused Absence

Tahoka Independent School District Board of Trustees met in lengthy session last Thursday, for routine business including the district's audit report and AEIS report, but some time was spent on hearing a parent grievance at the beginning of the 5-1/2 hour meeting.

Edna Milinowicz presented a complaint to the board requesting that they assign a tardy rather than an unexcused absence to her son, a high school student, for his delayed attendance to ag class on Oct. 23. Represented by attorney Roderique S. Hobson, Jr., Ms. Milinowicz contended that the administration's policy assigning unexcused absences for a specific class when students are more than 20 minutes late should not be applied because the policy was not in the student or teacher's handbook. She further contended that evidence proved that her son was not at least 20 minutes late to the class.

Superintendent David Hutton presented the administration's case, contending that the consistent application of the 20 minute rule established a binding precedent and the testimony of High School Principal Jimmy Parker and ag teacher Denny Belew established that the student was at least 20 minutes late to class without permission.

After rebuttals and closing statements, the board deliberated in open session, then voted 6-1 to uphold the administrative decision to assign an unexcused absence to the student for that class. Trustee Carmen Chapa voted against the motion, and trustees voting in favor were Leighton Knox Jr., Greg Henley, Joe Calvillo, Ginger Henry, Ty Askew and Brad Hammonds.

The board then moved on to routine business, approving monthly bills and discussing financial matters. The 1997-98 financial audit was approved as presented by Greg Gilbert, CPA. An amendment to correct a mistakenly omitted paragraph in the elementary student handbook was approved, and trustees also unanimously approved a motion to re-appoint Rex Rash as the TISD representative on the Lynn County Appraisal District Board.

A former motion for the purchase of a Suburban was amended, from \$30,054.84 to \$30,350.84, for the purchase of a 1999 Chevrolet 2WD 1500 Suburban with additional equipment from Al Griggs Auto Center.

Trustees will be seeking willing citizens to serve on a new advisory committee to assess facility needs in the district. Each of the seven board members will submit the names of three willing citizens to comprise the 21-member committee, and a chairman will be appointed. That committee chairman will then report their findings to the board at the February 1999 meeting.

Trustees retired to closed session to meet with the district's attorney, Cal Huffaker, and to discuss personnel, returning to open session after an hour and 20 minutes. No action was taken concerning personnel matters.

Plains Textile, Wilson Meat Market, and Hernandez Auto.

The Child Welfare Board, along with the Community Service Class supervised by Patti Rambo from Tahoka High School, helped with ticket sales at the Harvest Festival and ticket sales throughout the county. We wanted to thank the citizens of Lynn County for their efforts and support. It is great to see the community pull together to meet the needs of our children.

/s/ William S. Schoemann, President
Lynn County Child Welfare Board

Counselor Sherri McCord presented the recently received 1997-98 TEA Academic Excellence Indicator Report which showed average or above average student performance in all areas.

Principals reported on their campus activities, as did Athletic Director Troy Hinds, who noted that the 100 percent of student athletes were passing at the end of the first six weeks period.

Supt. Hutton presented an Energy Efficiency Report on district facilities prepared by Energy Systems Associates, Inc. of Austin that he said should be helpful to the new Facility Needs Assessment Advisory committee. Board President Greg Henley told *The News* that the report showed that the high school campus, buildings were 94 percent less energy efficient than other comparable high school facilities.

Supt. Hutton also reported plans for rebuilding the backstop at the baseball field.

The next meeting was scheduled for Dec. 15 at the Harvick Educational Center.

All seven trustees were present for the meeting, which adjourned at 1 a.m.

LETTER TO THE EDITOR

Recently, the Lynn County Child Welfare Board raffled a go-cart that was given away at the home game in O'Donnell on October 30th. Edward Nava, a 10-year-old boy from O'Donnell, was the winner and was present at the football game to claim his prize.

The Welfare Board took on this fund raising project to help defray the costs associated with keeping children in foster care, treatment centers, residential placement facilities, and other care facilities. Lynn County currently has 14 children in care facilities at this time.

With efforts of the following contributors and supporters, the Child Welfare Board was able to raise almost \$2,300 through ticket sales and contributions: Lynn County News, Woolam Gin, Organic Essentials, Wayland Tractor, Quality Machinery, O'Donnell Oil and Butane, Moore-Raines Insurance, Farmers Co-op Association, First National Bank of O'Donnell, Cotton Plus, Dayton Parker Pharmacy, First National Bank of Tahoka, Lynn County Abstract, Tahoka Drug, Taylor Tractor and Equipment, Tahoka Thriftway, Walker and Solomon Agency, Inc., Huffaker Farms, West Texas Insurance, Sandra Stringer Agency, Wilson State Bank, South

LYNN COUNTY Crime Line 998-4505

\$500 Reward

Crime Line is offering a \$500 reward for information leading to the arrest and conviction of persons responsible for setting fire to a semi-trailer parked at a location on a county road two miles east of New Home on FM 211 and about three-fourths of a mile northwest of that point. Wood gathered for a homecoming bonfire at New Home High School was set afire between 5 a.m. and 7:30 a.m. Sept. 24, and the semi-trailer parked nearby suffered damage estimated at \$5400 in the fire. The trailer had been used to transport the wood to the scene. The wood had been guarded all night by students who left at 5 a.m. to go home and get ready for school.

- Crime Line callers may remain anonymous -

OBITUARIES

Allie Pearson

Services for Allie Lee Pearson, 91, of Lamesa were held at 2 p.m. Sunday Nov. 15, in First Baptist Church in Lamesa with the Rev. Dennis Teeters, pastor, and Revs. Steve Adcock and Charles Thrasher officiating.

Burial was in Lamesa Memorial Park.

She died Friday, Nov. 13, 1998, in Medical Arts Hospital in Lamesa.

She was born Nov. 11, 1907, in Erath County. She married John Andrew Pearson on Dec. 25, 1926, in Lamesa. He died Aug. 20, 1990. She moved to Dawson County in 1925. She farmed in the O'Donnell community for many years. She was a member of First Baptist Church.

Survivors include four sons, Gene of Andrews, Kenneth W. of O'Donnell, Carroll Ray of Norwalk, Calif., and Richard of Cypress; three daughters, Louise "Lulu" Adcock and Joyce Oliver, both of Lamesa, and Shirley Stephens of Lubbock; a sister, Mary Lou Pearson of Lamesa; two brothers, Valton Haney of Lamesa and Olen Haney of Tatum; 18 grandchildren; 34 great-grandchildren; and two great-great-grandchildren.

Kenneth Harris

Services for Kenneth Harris, 68, of Tahoka were held at 4:30 p.m. Tuesday, Nov. 17, in Abbey Chapel of Resthaven Funeral Home in Lubbock with the Rev. Rob McFarland, associate pastor of Bethany Baptist Church, officiating.

Burial was in Resthaven Memorial Park.

He died Saturday, Nov. 14, 1998, at St. Mary Hospital.

He was born in Hillsboro and moved to Tahoka from Lubbock in 1994. He married Bernice Holloway on Dec. 22, 1951, in Lovington, N.M. and was a Korean War veteran of the U.S. Army.

He was a service station operator and a member of Bethany Baptist Church.

Survivors include his wife; one daughter, Debra Wells Wilborn of Lubbock; one son, Don of Tahoka; one brother, Bob of Lubbock; four grandchildren; one great-grandchild; and a host of nieces and nephews.

The family suggests memorials to Meals on Wheels.

Walter Harris

Graveside services for Walter Buster Harris, 86, of Lubbock were held at 3 p.m. Wednesday, Nov. 18, at Resthaven Memorial Park in Lubbock with the Rev. Dean Harris officiating.

He died Monday, Nov. 16, 1998, at his residence.

He was born Aug. 23, 1912, in Rising Star. He married Thelma Young on Nov. 22, 1931, in O'Donnell. He retired as a mechanic from Western Implement. He was a deacon at Central Baptist Church.

Survivors include his wife; a brother, Dick Harris of O'Donnell; and a sister, Bessie Mae Davis of Lubbock.

The family suggests memorials to Lubbock Meals on Wheels, 2304 34th St., Lubbock 79411.

Holiday Bazaar Set In O'Donnell

The O'Donnell Girl Scouts are hosting a Fall Fest Holiday Bazaar on Saturday, Nov. 21, in the O'Donnell Methodist Church Fellowship Hall from 10 a.m. until 2 p.m.

Local crafters will offer shoppers a variety of gift items including floral decor, clothing, candy, Watkins products, Let's Pretend dress-up clothing, ornaments, gift bags, and a variety of crafts.

A stew and cornbread lunch will be served by the United Methodist Women for \$2 per serving. The Girl Scouts will sell servings of dessert entries from their baking contest. The Girl Scouts are also selling \$1 chances on Princess, Erin, and Curly Beanie Babies to be raffled to raise money for Cadette member Senaida Rodriguez. Senaida will be traveling to Europe this summer with the Caprock Girl Scout Council.

Door prizes will be drawn for

during the day. No admission will be charged. Booths are still available for \$5 a table. For more information, contact Donna Forbis at 872-7121 or Jan Hughes 428-3755.

Student Survey Set At Tahoka Schools

Tahoka school superintendent David Hutton recently announced that, at the request of the Lynn County Juvenile Office, on Nov. 20, Tahoka ISD will participate in a county wide survey designed to identify problems that area students face. The two page survey will not request students to identify themselves by name and will be confined to Middle School and High School students.

For parents who wish to preview the survey, copies are available in Hutton's office. Hutton noted that any child whose parent objects to the survey will be excused from participating. Parents with questions should contact the superintendent at 998-4105.

WE HAZ JAZZ - Tahoka fourth and fifth grade students are shown here presenting a musical program called "We Haz Jazz" in the elementary gym on Tuesday. Vivian McAfee directed the production. (LCN PHOTO)

The New Home News

by Karon Durham • 924-7448

We completed another successful Red Ribbon Week at New Home schools. Special guests were Rusty Huddleston and his students from South Plains College and the New Home Baptist Church RA's. Mrs. Durham recognized those who volunteered supplies and their time for the project. Results of some of the contest and events are as follows.

Question:
Who Will Run The
WHP Program?

Answer:
The Texas Boll
Weevil Eradication
Foundation

Question:
How will this
Eradication Program
be paid for?

Answer:
Producer Assessments
& State/Federal funds.
(No assessments will be
collected without
State/Federal
cost-share)

Question:
How Much Will
The Program Cost?

Answer:
\$6/ Land Acre
Dryland
&
\$12/Land Acre
Irrigated

Question:
How Long Will
The Program Last?

Answer:
Eradication will be
achieved in 4 years.
Assessment collections
will last no more
than 10 years.

Question:
Can I Afford This
Assessment?

Answer:
YES, Just ONE boll per
foot of row lost to the
boll weevil equals
41 lbs. of lint/acre
or \$24.60/acre
at 60c cotton.

Question:
Why Is An Eradication
Program A Good
Investment?

Answer:
By providing season-long
protection for a fixed price
per acre a Boll Weevil
Eradication Program pays
for itself through
increased yields
and decreased
production costs.

Area Student Participates In Community Service Day

Over 400 Austin College students, including Krista Holder, a graduate of New Home High School and the daughter of Richard and Betty Holder, participated in the college's Great Day of Service earlier this fall on the campus.

This was the second year for the event which takes college students, faculty, and staff into the local community to volunteer at service agencies and other sites. The students' work included a bit of everything, from roadside cleanup to working with children, from painting to cleaning the large statue of President Eisenhower displayed at the Eisenhower Birthplace in Denison. The workday is coordinated by

Austin College's Service Station, a student-run organization that matches needs within the local community with the skills of students who have volunteered for service.

Christmas Opry Set In Slaton

A Christmas Opry is being organized for Sunday, Dec. 6 from 4 to 8 p.m. at the Texas Avenue Opry House, 161 Texas Avenue in Slaton.

A minimum donation of \$3 will be requested to benefit the Texas Avenue Opry House. A full concession will be available. The Texas Avenue Opry House is sponsored by the Slaton Chamber of Commerce. Oprys are normally held the fourth Saturday of the month January through October.

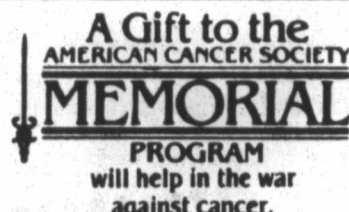

HEADSTART HALLOWEEN - The staff from "Building Bridges Head Start Program" expresses appreciation to all the parents who helped with the Halloween Party. The school, located at 916 E. Hill Street, serves children from 3 to 4 years old, shown here all dressed up for the Halloween party. Jessica Bright is the center director, Dellia Garza is lead teacher, Maria Castilleja is the cook, and Jessie DeLeon is site manager/disability aide.

Eagles To Play Wink At Odessa

The O'Donnell Eagles, runners-up in Dist. 5-A, will play Wink, winner of Dist. 7-A in area football playoffs at Ratliff Stadium in Odessa, starting at 7:30 p.m. Friday.

Coach Kevin Spiller's Eagles, with a sparkling 9-1 record, will play on the brilliant artificial turf of Ratliff

Stadium against the Wildcats, whose record is 7-3, with the winner advancing in the state playoffs to regional.

Texas Forest Service Sells Windbreak Trees, Offers Tips

A tree standing alone adds a certain aesthetic quality to rural living. But the systematic planting of trees and shrubs in a windbreak becomes a management tool that effects every aspect of a farm or ranch, says a Texas Forest Service official.

Now is the time for Lynn County landowners to order windbreak seedlings produced by the Texas Forest Service West Texas Nursery in Lubbock, before preferred stock is sold out, says Robert Fewin, Texas Forest Service forester.

Windbreaks protect the soil, increase land value and crop yields, and reduce livestock weight loss and death rate. But producing a high performance windbreak requires more than just planting a line of trees.

Prior to planting a windbreak, landowners should determine: the areas or structure in need of protection; tree species adaptable to the planting region; and the planting dimensions of the break, be it a home-stead, livestock, field or wildlife windbreak or a living snow fence.

A planting dimension, such as proper spacing, prevents crowding and reduces tree stress, which also decreases insect and disease susceptibility thus extending the life of the windbreak. Generally, each tree row should be planted 20 feet apart with 10- to 25-foot spacing between each

tree within that row.

When designing a windbreak, planting multiple rows of evergreens and deciduous trees and shrubs is recommended. The purpose of the windbreak dictates the number of rows required.

Each row within a multiple row windbreak serves as a backup in case one row is lost to pest damage or other casualties. Generally, insects and diseases are confined to a species.

Also, within the multiple row structure a deciduous tree row will provide early protection. Deciduous trees are faster growing than evergreens, which are the backbone of multiple row windbreaks.

Species diversity in a multiple row windbreak also enhances aesthetics with foliage that changes with the seasons (depending on the species).

A single row of trees may suffice for a period, but a multiple-row windbreak established with the recommended dimensions can serve for a lifetime.

To order windbreak seedlings this fall or for more information contact the Lynn County Soil and Water Conservation District, (806) 998-4507 or the Texas Forest Service, (806) 746-5801.

REQUESTS FOR BIDS ON TEXAS HIGHWAY CONSTRUCTION
 Sealed proposals for landscape and scenic enhancement on US 87 from FM 400 to South Loop 472 covered by CL 68-2-37 in Lynn County, will be received at the Texas Department of Transportation, 200 E. Riverside Drive, Austin, Texas, until 1:00 P.M., December 9, 1998, and then publicly opened and read. It is the bidder's responsibility to ensure that the sealed proposal arrives at the above location and is in the hands of the letting official, by the specified deadline regardless of the method chosen by the bidder for delivery.
 Plans and specifications, including minimum wage rates as provided by Law, are available for inspection at the office of Ted Moore, Area Engineer, Lubbock, Texas, and at the Texas Department of Transportation, Austin, Texas. Bidding proposals are to be requested from the Construction and Maintenance Division, 200 East Riverside Drive, Austin, Texas 78704-1205. Plans are available through commercial printers in Austin, Texas, at the expense of the bidder.
 The Texas Department of Transportation hereby notifies all bidders that it will insure that bidders will not be discriminated against on the ground of race, color, sex or national origin, in having full opportunity to submit bids in response to this invitation, and in consideration for an award.

Card of Thanks

What a glorious, memorable occasion was our 65th wedding anniversary reception. We are so blessed by God for such friends and family. To the grandchildren who planned and carried out the reception with, we are sure, some help and much advice from your parents, we thank each of you. To each one who attended the reception, for each telephone call, memorial given, each card and good wish extended, thank you. Most of all we value your friendship. Each of you has contributed to our happiness and enriched our lives. We wish for each of you such good friends and family as we have had all these years. Because we do not have adequate words to express all we feel, a great big thank you to one and all. God has truly blessed us, and much of our blessing has been through each of you.

Gus and Mary V. Sherrill

The Wilson News

Wilson Fire Department Tip of the Week: If there is a fire in the oven, leave the door shut and try to turn the oven off so that the fire will die out. If you have a pan fire, try to smother it with a pan lid or cookie sheet, or use a fire extinguisher or baking soda. Never use water on a pan fire.

The Wilson Lions Club will meet on Thursday (today) and will host a blood drive prior to the meeting. The mobile

unit is expected to be on the school parking lot from 4-7 p.m. All area residents who are able to donate blood are asked to come out and share "the gift of life". Every pint donated will benefit up to three people. Donors may be as young as 17 if they have their parents permission, so some Wilson students are eligible to donate.

The Lynn County EMS unit will be hosting an EMS training session in January. The course will include most of the skills needed to become an EMT. Wilson does not have an EMS unit and it can take anywhere from 15-20 minutes for an ambulance to get to Wilson from Tahoka. It would be very beneficial to the community and area if there were several people in the community who had these skills and who could be on hand to administer CPR and sometime just to hold the hand of the patient and keep them calm until the ambulance crew arrives. The course will be given in Tahoka and more information can be obtained from Jeanie Stone at the Lynn County Hospital at 998-4533.

The Wilson ISD has begun a campus visitor policy which will require visitors to the campuses to check-in with the building principals when they come to the schools. This change was made to better ensure the safety of the school students. Beginning with the third six weeks, anyone that wishes to visit with a student or observe a classroom must first sign in at the principals office. A visitors pass will be issued to the parent or person indicating that the office staff is aware of their presence in the building. Upon leaving, the pass must be returned to the office from where it was acquired.

The teaching staff has been advised that people without a valid visitor's pass should not be allowed access to either a student or classroom. If such a person is encountered, the staff will immediately notify the front office. Individuals that fail to check in at the office will be asked to leave the campus.

For more information on this policy, please contact a building administrator.

Wilson Coop Gin reports that they have ginned about 10,000 bales of the 1998 crop. Current information on the quality of the cotton wasn't available at this time.

City Secretary Suzann Follis has returned from a week long school in Austin concerning the assessing and collecting of property taxes. The state of Texas requires all those involved with the assessing and collecting of taxes to have several hours of schooling each year.

The Wilson Fire Department is still active and strong. Good luck has kept the

fire responses to a minimum with only a few recent alarms. They responded to a small structure fire in the northeast part of the county and an auto fire on Hwy. 87. They have also answered an alarm to the Wilson Coop Gin to help isolate and control a fire in several bales of mote cotton. The mote bales were moved to an isolated site and allowed to burn. Fire department members are still involved in training and upgrading of their equipment.

The Wilson junior high and varsity have played a couple of scrimmages and their first game will be Friday, Nov. 20 when the girls will host Plains. The first set of games will be Nov. 24 when the JV and varsity girls and boys travel to Cotton Center. The JV game is scheduled to start about 4 p.m. with the varsity girls playing at 6:30 and the boys at 8 p.m.

The Wilson FFA will be sending a team to Area II Leadership Contest in Big Spring on Thursday, Nov. 19.

Wilson Elementary recently named Physical Education Students for the second six weeks. NOTICE OF APPLICATION FOR A WASTE DISPOSAL PERMIT RENEWAL

City of Tahoka, P.O. Box 300, Tahoka, Texas 79373, has applied to the Texas Natural Resource Conservation Commission (TNRCC) for a renewal of Permit No. 10298-001, which authorizes the disposal of treated domestic wastewater at a daily average flow not to exceed 266,000 gallons per day via irrigation of 160 acres of land. No discharge of pollutants into water in the State is authorized by this permit.

The wastewater treatment facilities and disposal site are located approximately 0.75 mile south of the intersection of U.S. Highway 87 and U.S. Highway 380; approximately 0.25 mile east of U.S. Highway 87 in the City of Tahoka in Lynn County, Texas. The disposal site is located in the drainage area of Double Mountain Fork of the Brazos River in Segment No. 1241 of the Brazos River Basin.

The Executive Director of the TNRCC has prepared a draft permit which, if approved, would establish the parameters and limitations within which the facility must operate.

The Executive Director will issue the permit unless a written hearing request is filed within 30 days after newspaper publication of this notice. To request a hearing, you must submit the following: (1) your name (or for a group or association, an official representative), mailing address, daytime phone number, and fax number, if any; (2) the name of the applicant and the permit number; (3) the statement "I/we request a public hearing;" (4) a brief description of how you would be adversely affected by the granting of the application in a way not common to the general public; (5) the location of your property relative to the applicant's operations; and (6) your proposed adjustments to the application/permit which would satisfy your concerns and cause you to withdraw your request for hearing.

If a hearing request is filed, the Executive Director will not issue the permit and will forward the application and hearing request to the TNRCC Commissioners for their consideration at a scheduled Commission meeting. If a hearing is held, it will be a legal proceeding similar to civil trials in state district court.

Requests for hearing on this application must be submitted in writing during the 30-day notice period to the Chief Clerk's Office, Mail Code 105, TNRCC, P.O. Box 13087, Austin, TX 78711-3087. Written public comments may also be submitted to the Chief Clerk's Office during the notice period. For information concerning technical aspects of the permit, contact Phillip Bryan Urbany, R.S. at (512) 239-4542, Wastewater Permits Section, Mail Code 148, the same address. For information concerning hearing procedures or citizen participation, contact Blas Coy, Public Interest Counsel, Mail Code 103, the same address. Individual members of the public who wish to inquire about the information contained in this notice, or to inquire about other agency permit applications or permitting processes, should call the TNRCC Office of Public Assistance, Toll Free, at 1-800-687-4040.

Issued: Nov. 13, 1998. /s/ LaDonna Castañuela, Chief Clerk. Texas Natural Resource Conservation Commission 47-11c

Your HEALTH TIP

Medicare Now Covers Diabetic Supplies

As of July 1, 1998, non-insulin dependant diabetics on Medicare Part B or Medicare managed-care qualify for coverage of supplies such as blood glucose monitors, test strips, and lancets. Your physician must give you a written prescription for supplies. It must state the number of test strips to be dispensed, if the patient takes insulin, and how often the patient should test his or her blood. The usual co-payments or deductibles will apply.
