GRASS FIRE - A Tahoka fireman heads for a small outcropping of a grass fire with a shovel to help finish putting out the fire on about 10 acres of land adjacent to Hwy. 380, 8 miles west of Tahoka. Fourteen members of the Tahoka Volunteer Fire Dept. responded to the call at 1 p.m. Tuesday, quickly dousing the grass fire despite strong winds and dry conditions. Cause of the fire is unknown at this time. (LCN PHOTO)

Tahoka Beats Ralls, Awaits Tough Post

Tahoka rolled past Ralls 43-0 last Friday to go up 2-0 in District 4-AA (4-3 for the season), and this week will host a really tough Post football team in a crucial district battle.

Tahoka, Post and unbeaten Idalou are all tied for the district lead, and Post raised some eyebrows last Friday with a 49-7 walloping of Sundown, which earlier this season lost to Idalou in overtime.

Coach Bryan Gerlich has his Bulldogs on a roll, with good work by both offensive and defensive players, including the front linemen.

Tahoka scored 33 points in the first quarter against Ralls, and then coasted, with the Bulldog defense limiting Ralls to minus 43 total yards.

The Jackrabbits had no first downs.

The Bulldogs did lose 120 yards on 14 penalties, and had seven fumbles in the game, but lost only one of those.

Quarterback Brandon McCord completed 4 of 13 passes for 95 yards, including two touchdowns, and running back Stephen Solorzano scored twice on 7-yard runs. Solorzano gained 124 yards on just nine carries. And Odilon Granados kicked 5 extra points and had field goals of 35 and 17 yards, for a total of 11 points.

Solorzano opened the scoring in the first quarter, and just after that Adrian Moore scored on a 4-yard pass from McCord. Tahoka's next

score was the longest play of the night, 66 yards on a pass from McCord to Josh Thompson.

Still in the first period, Derrick Barrientez raced 11 yards for a Tahoka touchdown, the defense got a safety, and Granados kicked a 35-yard field goal. Granados' field goal in the second quarter and Solorzano's run of 7 in the fourth closed out the scoring.

Missing Defendant Gets Prison Sentence

Lynn County Sheriff's Dept. has impounded his car, Dept. of Public Service has seized his 180 pounds of marijuana, two persons who went on his \$50,000 bond could lose thousands of dollars, and Jorge Heribert Martinez-Garcia will have to serve a prison term.

If they can find him. A 106th District jury last week found Martinez-Garcia guilty of possession of a controlled substance with intent to deliver and Judge Vann Culp assessed an 8-year prison term after the defendant failed to show up for his trial, but was tried anyway.

Martinez-Garcia, 20, driving a car with Kansas license plates, was stopped by the DPS in April for speeding in the Tahoka construction zone. A search of the vehicle turned up more than 180 pounds of marijuana in packages. A fugitive warrant has been issued for Martinez-Garcia, who originally may have come from Mexico. A 33-year-old Tahoka man was

arrested and charged with misdemeanor theft after a Tahoka Police officer saw the man leaving Higginbotham-Bartlett Co. with a cordless drill in a case. The officer watched the man place the item in some weeds near the building. The man left, and when he returned, the officer questioned him and the lumber company manager, then made the arrest. The drill was valued at \$322.

A 21-year-old Tahoka man was arrested for alleged aggravated assault on a 19-year-old Lubbock woman.

Seven persons were added to the jail population last week, three for first offense driving while intoxicated, with one of those also charged with driving while license suspended and no liability insurance, subsequent offense. Charges against the others were assault on a family member, possession of marijuana, driving while license suspended and theft over \$50 and under \$500.

A brief explanatory statement of the proposed Constitutional Amendments ran in the Sept. 13 and 20 issues of *The Lynn County News*. Rep. David Counts is urging voters to vote yes on Proposition 19 in an advertisement in this issue. Proposition 19 authorizes general obligation bonds to provide loans for water-related projects.

Fines Raised For Littering On County Roads

Littering on county roads will bring a fine of \$500, Lynn County Commissioners decided at Monday morning's regular meeting. In a unanimous decision, the fine was raised from \$200 to \$500, in an effort to prevent littering on county roads.

In other business, commissioners approved monthly bills with the exception of three bills submitted for visiting district judges presiding in district court. County Judge J.F. Brandon presented to commissioners a report on a Joint Interim Agriculture Policy or House Bill 2 as an interim report to the 77th Legislature.

County officials were notified by the Federal Communications Commission of violations regarding an antenna tower 1.4 miles northeast of the intersection of U.S. 87 and FM 400 near Tahoka. The violations apparently involved incorrect geographical coordinates stating the location of the tower, an incorrectly displayed registration number, and faded paint on the structure. Commissioners said corrective measures would be taken.

County Residents Send \$8,000+ To Aid Sept. 11 Disaster Victims

When terrorists murdered innocent victims in the Sept. 11 attacks on the United States, Americans across the country responded with disbelief and outrage, followed by compassion for the victims and emergency workers. Lynn County was no exception, and fund-raisers have been held throughout the county to raise money for the disaster relief efforts. As of this week, at least \$8,300 has been sent to the American Red Cross and New York Fire Department Disaster Relief Fund - all from fundraisers in Lynn County.

Of that amount, \$5,735.41 was sent to the American Red Cross from collections throughout the county, and last Saturday's Disaster Relief Benefit Cookout sponsored by Lynn County emergency service departments raised \$2,567.67 which has been sent to the NYFD Disaster Relief Fund.

The Red Cross donations were collected from various fundraisers in the county, which were ultimately collected together by the Lynn County Victim Assistance Office which then sent the funds to the Red Cross. In Wilson, several churches collected donations, including Blessed Sacrament Catholic Church, St. John Lutheran Church, First Baptist Church and Faith Chapel Community Church. Wilson businesses collected donations from the surrounding community and the school set up donation bottles around the school. Several Tahoka businesses also had collection boxes and the school had activities and competitions to raise money for this fund. New Home I.S.D. Student Council challenged students to contribute and collected donations. Several collection boxes were placed throughout O'Donnell, as well as having school activities and donation bottles placed within the school system. All of these efforts of citizens throughout the county raised a total of \$5,735.41 for the American Red Cross.

In addition, several school organizations and classes have conducted their own fund raisers for disaster relief, and have sent those funds directly to the American Red Cross or other relief funds. O'Donnell Junior High has already sent in \$1,087.55 to the Red Cross, and the elementary is still collecting. Tahoka High School sophomore class raised \$660 for the Red Cross. Other classes and organizations in the county may have had other fund-raisers, and those totals are unknown and have not been included in this count.

Last Saturday's Benefit Cookout was termed a great success with overwhelming response from Lynn County citizens, raising \$2,567.67 for the NYFD Relief Fund. Lynn County emergency service departments, including fire and police departments, DPS and sheriff's department, and EMS services, sponsored the event. Byron Norwood, Patti Cloe and Clarence Nieman provided entertainment for the evening.

THE ASSOCIATED PRESS says the television networks are struggling with a big problem related to their soap operas - fewer people are watching them, and if they don't have enough viewers, they can't sell the advertising.

I never did watch soap operas, even when they were so popular a decade or so ago that mechanics and office workers would watch "As the World Turns" or "Days of Our Lives" or "The Guiding Light" during their lunch hours, not to mention those housewives who stayed home (barefoot, in the kitchen, etc.).

Nowadays most of those housewives in the 20-60 age group are working every day, so their families can eat, or so they can all enjoy a better life style. And some of the older viewers of soap operas have died out, or retired happily someplace and learned to play dominoes.

The first soap opera I ever heard of was on radio. It was "Stella Dallas - A true-to-life story of mother love and sacrifice." That was pretty awful, but the TV soaps got a lot worse. (Does anybody out there remember Stella Dallas, or somebody called "Ma Perkins"?)

The story by the AP said ratings have declined - "28 per cent for the most popular soap, 'The Young and the Restless' - since 1994."

Of course, one reason the soaps have lost viewers may be because real-life dramas are more horrible and therefore more interesting. The AP story said the industry hasn't recovered from the O.J. Simpson trials during the mid-90s, when the trials preempted soaps for months (it seemed like years), and many viewers either lost interest or became hooked on real-life dramas. I don't know why they call them "soap operas." But anyway, few people are washing...uh, watching, them any more.

IT'S HARD TO BELIEVE, but I'm getting dumber every day. I rolled down the driver's side window to order a sandwich, went back to the office and locked the car before going inside. Later I discovered the window was still open.

A reception followed the ceremony in the reception hall of the church.

The bride's table was covered with a white pleated tablecloth and featured a portrait of the bride. Three layers of the four tiered cake were adorned with white filigreed icing accents intertwined with English ivy, and topped with white roses, royal blue tulle and eucalyptus sprigs. The top layer of the cake was adorned with white roses and lace that embellished a glass heart.

PROTECT OUR WATER!
VOTE YES ON PROPOSITION 19!
In the November 6th constitutional amendment election, we have an opportunity to continue protecting our most vital natural resource -- our water -- and help guarantee future access to adequate water supplies by voting YES on Proposition 19.
Proposition 19 authorizes the issuance of general obligation bonds to enable the Texas Water Development Board to provide loans to communities across Texas for much needed water-related projects like new water towers and wells, as well as water and wastewater treatment facilities.
Consider the following:
● Texas' population is expected to double to almost 40 million by 2050;
● Projected demand for water is expected to increase 18 percent over the next 50 years; an increase of more than 900 billion gallons of water;
● Over the next 50 years, we will need \$108.6 billion to improve Texas' water-related infrastructure.
"If our children and our children's children are to enjoy the same access to clean water that we enjoy today, we must plan ahead now."

Tahoka Band Rated Excellent At Contest

The Tahoka 3-D Band competed at the regional UIL marching contest Saturday, Oct. 20 at Plainview Stadium. All three judges rated the band "Excellent," however a "Superior" rating was required to advance to area and possibly state competition.

According to band director Carroll Rhodes, the contest was one of the hardest he has seen in a very long time. "Most years, Region 16, which is composed of several very strong band programs, sends between six to eight bands to the area competition. Of the 14 2A bands competing this year, only three earned the right to advance to area. Even perennial state finalist, Plains High School, earned a 2."

"I am very proud of our young people and thought they performed well and worthy of a 1," said Rhodes. They were much improved over the previous week's competition at the Plainview Marching Festival on Oct. 13, where they received unanimous 1s.

Rhodes stated, "I greatly appreciate the large number of band par-

Wilson Hanged By Ropes 76-26

Despite two long touchdown runs on kickoff returns by Jamie Cavender and a couple more Wilson touchdowns, Coach Larry Mantle's Mustangs were unable to keep pace with the rampaging Ropes six-man football team at Wilson last Friday, and Ropes won 76-26.

The game was called with 3:22 left in the fourth period because of the 45-point rule.

Cavender's long runs were for 70 and 75 yards, and he also threw a 45-yard touchdown pass to David Yowell. In the second half, Brian Arellano ran 10 yards for a Wilson score. He also recovered a fumble, blocked an extra point kick, and had 13 tackles on defense, as did Aaron Bednarz.

Cavender completed 8 of 18 passes for 132 yards.

Graduation Date Changed To May 24 For Wilson ISD

Graduation date, for Wilson Independent School District Class of 2002 has been changed to Friday, May 24, following action by the Wilson ISD Board of Trustees at their regular monthly meeting on Oct. 11.

Originally scheduled for May 25 because the 24th was the final day of school for students, a school holiday that had been scheduled for Feb. 22 has been moved to May 24, which would allow students to be dismissed from school at noon May 23, giving time for preparations for the commencement exercises now scheduled for the 24th. Supt. Mike Jones told The Lynn County News.

In other business, trustees selected Pate, Downs, and Waide to conduct the 2000-2001 school audit; reviewed drawings for a possible cafeteria expansion; tabled adoption of policy updates for further review; and set a daily

rate to be deducted for employee use of local leave. The board took no action on repairing or replacing a school bus, but directed the superintendent to gather parental input on consolidating the current two bus routes into one.

No action was taken on replacing the gymnasium sound system as Supt. Jones told trustees he felt that better prices and sound systems could be found than were submitted. Stipends for class sponsors, student council sponsor, and UIL coordinator duties were approved, and an amendment to school policy DC (LOCAL) implementing on-going criminal history checks of all employees and volunteers was approved.

Supt. Jones discussed the upcoming English as a Second Language (ESL) program review by the Texas Education Agency scheduled in November. Although Wilson's ESL pro-

gram is highly rated this is a cyclical visit that should take place every 3-5 years and is overdue, the superintendent said.

Repairs to various facilities were discussed as well as the favorable review and status rating the school district received for the Texas Workmen's Compensation Commission.

The Board recognized students and employee of the month during the meeting. Keviah Timmons, daughter of Phil and Debra Timmons, was selected as the Elementary Student of the Month. Trella Rex, daughter of Jack and Twilla Rex, was chosen the Middle School Student of the Month. Jamie Cavender, son of Mark and Carla Cavender, was chosen as the Secondary Student of the Month. Mrs. Shelly Livingston was the WISD Employee of the Month.

The Board met in closed session to discuss a personnel matter. In open session no action was taken and the meeting adjourned.

The next regular meeting is scheduled on Nov. 8 at 7:00 p.m.

Let's all celebrate the return to Standard Time by joining with the youth of Wilson's First Baptist Church in a "Mexican Stack" meal this Sunday right after Sunday morning services. Plans call for the meal to be served from "right after noon" until about 1:30 p.m. The meal will be served in the church fellowship hall and the cost will be a freewill donation.

Election day is just around the corner, Nov. 6 to be exact. This is a State amendments election with about two dozen various amendments the only thing on the ballot. Lynn county ballot boxes have been combined, with voters being able to vote in any of the four municipal boxes. Thus, Wilson area voters, including the Southland area's Hackberry box coming to Wilson. The polls will be open from 7 a.m. to 7 p.m. at the Wilson Mercantile, so see you then.

Picture retakes for Wilson students are scheduled for Tuesday, Oct. 30 as are team and individual basketball pictures. Arrangements for individual retakes should be made through the student's building office.

The Wilson Mustang junior high will host their counterparts from Southland in a game with kick-off scheduled for 5:30 p.m. and then the varsity will travel to Southland for a varsity game on Friday night. Kick-off is scheduled for 7:30 p.m.

Several Wilson are locations have seen outbreaks of the Brown Recluse spider in recent days. One Wilson residence has even been classed as have an infestation of these dangerous spiders. Please be careful as you are cleaning up brush piles or getting fireplace wood into your home, as well as checking winter clothing as it comes out of the closet. The bite of this spider is very dangerous so if you have the possibility of having been bit, you need to get to the doctor as soon as possible so that treatment can be started.

Leopards Roll On, Rip Southland 75-31

by Catie Dalton, New Home High School Journalism Student

The New Home Leopards hosted a game last Friday against the Southland Eagles that looked as though it could have been a shutout. New Home led 37-0 at the end of the first quarter.

However, the game was played until time ran out because the New Home coaches wanted to let the JV have some varsity game experience. The final score had New Home winning 75-31.

New Home scored six times in the first quarter — two of those touchdowns came in the first minute. Shaun Wied scored twice on runs of 23 and 51 yards. Chris McAllister caught a 4-yard pass from Wied for a touchdown.

Jason Reyes, returning to action after being out a few weeks with a shoulder injury, caught a 36-yard pass from Dylan Feaster. Feaster also threw a 38-yard pass to Wied for the fifth touchdown. The last score of the quarter was a safety kicked out of bounds by an Eagle.

Senior Citizens Halloween Party Planned Oct. 31

Lynn County Senior Citizens are invited to attend a Senior Citizens Halloween Party at the Lynn County Pioneers Senior Citizens Center at 1600 S. 3rd in Tahoka, beginning at 6 p.m. Wednesday, Oct. 31. The event will feature games and activities for seniors, and is a fund-raiser for the center, with admission set at \$1 per person. Donations for the center will also be accepted.

"We want all senior citizens to come and support our center, have

Coach Shane Moore's team scored only once in the second quarter. Senior Keaton Askew ran 3 yards for his first career touchdown as a Leopard. Southland also managed to score a touchdown in the quarter.

Two touchdowns were marked on the scoreboard in favor of the Leopards during the third quarter. Wied and Angel Silva scored on runs of 53 and 38 yards, respectively. Southland managed three touchdowns during those ten minutes.

Only three touchdowns were made in the fourth quarter, two of which were made by the Leopards. Askew, still on an emotional high from his first half score, made his second touchdown with a 21-yard run. The last points were when Feaster threw a 1-yard pass to Wied.

New Home ended up with 10 first downs, 222 yards rushing, 213 yards passing, for a total of 435 yards.

The Leopards are now 6-1 and 2-0 in district. Up next, the Leopards will travel to face the Dawson Dragons.

some refreshments and participate in Spinner, dominoes or other games," said Ruby Grogan, one of the organizers of the Halloween event. "Come dressed in your Halloween costume if you have one, but if you don't, just come anyway for games and visiting," she added.

Memorials and donations made to the **Lynn County Pioneers** 1600 S. 3rd • P.O. Box 223 Tahoka, Tx 79373 will benefit our local senior citizens center.
