## Accident claims life of Iraan youth

An Iraan youth died Monday in Crockett County following a one vehicle rollover on River Road. Clinton Alan Harris, a 17-year-old student at Iraan High School, and his two companions were thrown from a 1966 Ford pickup driven by Harris 9.4 miles southeast of Iraan in a 10:45 a.m. accident. Harris apparently lost control of the vehicle on the hilly road and went into a broadside skid before overturning.

The cab came loose from the frame of the vehicle, and none of the youths were wearing seatbelts according to the DPS report.

Casey Wayne Miller, 14, of Iraan, was treated in Iraan and taken to Medical Center Hospital in Odessa for treatment of internal injuries and a broken leg.

John Handley Kent, 15, also of Iraan, was treated at Iraan hospital and released.

Five other accidents were investigated in Crockett County during the

Jan. 13-Jan. 18 period. There were no injuries in these accidents.

On Jan. 13, Sue Grauke of Fredericksburg struck the guard rail 15 miles west of Ozona on I-10.

A 1986 Chevrolet driven by Grauke left the roadway. When the driver corrected, she apparently lost control of the vehicle.

Marty Scott was the driver of a 1981 Mack truck involved in a one vehicle accident Jan. 14 at 5:15 p.m. The truck, owned by Deene Holden, was pulling a water tank trailer at the time of the accident.

The report of the investigating officer indicates that Scott had pulled on to Hwy. 163 from Bob White Drive and was proceeding south at the time of the accident.

The driver pulled the vehicle onto the sloping shoulder of the road, causing the load of water to shift and overturn the truck into the ditch.

The accident was reported at 5:15 p.m.

Two accidents were investigated on Jan. 16. A 1979 Honda driven by Daniel Price of Huntington Beach, CA overturned one time and came back to rest on its wheels 26 miles west of Ozona on I-10. Price was eastbound at the time of the accident. He reported that the wind blew his vehicle off the road. According to the accident report, the driver overcorrected and went into a broadside skid before overturning.

Dora Perez, driver of a 1985 Buick, was in collision with a 1985 Chevrolet pickup driven by Ethel Young. The accident occurred when Perez was westbound on First Street and the Young vehicle was eastbound and attempting a left turn into a parking area on the west side of Ave. H.

Voth Prak of Mobile, Alabama was the driver of a 1979 Chevrolet which overturned on the overpass in Ozona Jan. 17. Prak's vehicle, which was pulling a trailer, overturned one time when the driver lost control after striking a patch of ice.

Two Louisiana men escaped injury Saturday when their vehicle overturned on the overpass in Ozona. Personal goods and a quantity of fish were thrown from a trailer being pulled by Voth Prak of Mobile, Alabama. Photo by Scotty Moore

## Water board elected, bids opened

Incumbents Dan Davidson, Harold Shaw and Gene Perry were re-elected to the board of directors of the Crockett County Water District Saturday. A total of 63 voters cast ballots to fill three places.

Shaw received 60 votes, Davidson 57, Perry 56 and Joe Moran, the fourth candidate, 12 votes.

Dennis Clark is also a member of the board. The board vacancy created by the death of J. W. Johnigan will be filled following completion of the wastewater treatment plant according to Dee Keilers,

district manager.

Bids were opened Jan. 13 for all phases of the wastewater treatment plant. Tentative selection of the low bidders will be held Jan. 21.

Following the bid selection, the district must sent a recap of bids, statement of adequacy of funds and a non-discriminatory statement to the State Water Development Fund.

After state approval, which should require about 30 days, Crockett County Water District will have the funds to begin construction. These funds will come from the sale of

water board bonds to the State Water Development Fund.

The final Environmental Protection Agency hurdle is also expected to be cleared in approximately 30 days, says Keilers.

Construction of the \$750,000 plant has been delayed by a suit filed by a landowner and by bond sales which could not begin until the national tax plan was worked out late in 1986. Proposed plant construction for the proposed facility was first outlined May 6, 1983 by the Texas Water Commission.

## Time capsule stored at ONB

### Sesquicentennial year officially ends with ceremony

Sesquicentennial events ended for Crockett County Jan. 13, 1987 with the placement of a "time capsule" in the vault at Ozona National Bank.

A Sesquicentennial project of the Ozona Woman's League, contents for the "capsule" were compiled by Becky Childress and Sandra Childress, both League and Sesquicentennial Committee members.

Among the items to be stored until the year 2036 were: past issues of *The Crockett County News* and Ozona Stockman covering Sesqui-

centennial events, a silver Sesquicentennial coin donated by Ozona National Bank, Ozona statistics from the Chamber of Commerce, Sesquicentennial place mat, bandana and a flag donated by Mrs. Roy Henderson, a picture of members of the Ozona Women's League and a copy of the League yearbook. Several issues of the Sesquicentennial Newsletter, a resolution signed by Judge A. O. Fields proclaiming Ozona an official Sesquicentennial community, a Texas Almanac, a Lion yearbook

and a copy of the book *A Day in the Life of America* donated by Shawn Mitchell.

Presenting the "capsule" for the League were Becky Childress, Sandra Childress and Camille Jones. Lou Whitley accepted on behalf of Ozona National Bank.

Others present for the ceremony were Geniece Childress, Sesquicentennial Committee chairman, and Lucile Harrell. The two expressed thanks on behalf of the Sesquicentennial Committee and Crockett County Museum.

Lou Whitley (l) accepted the Women's League time capsule for storage at Ozona National Bank. Showing some of the objects to be placed in the capsule as part of a Sesquicentennial project are Becky Childress, Sandra Childress and Camille Jones.

## Chamber banquet Jan. 29th

Ozona's 23rd annual Chamber of Commerce banquet is scheduled for January 29 at the Civic Center. Registration at the event will be held from 6:30 to 7 p.m. according to Beth Boyd, chamber manager.

Mike Morrow, guest speaker for the event, is billed as America's happiest speaker. The Kauffman native says "We have enough people who tell it like it is. I tell it like it could be."

Since 1974, Morrow has addressed groups of all sizes and interests from

national sales conferences to high school graduations. His humor has been quoted by such columnists as Earl Wilson of the New York Post, Dick Hitt of the Dallas Times Herald and Hugh Park of the Atlanta Journal.

Morrow holds undergraduate and master's degrees from East Texas State University. He is currently the executive director of the Association of Texas Professional Educators which represents approximately 43,000 members.

In addition to serving on numerous state boards and commissions, Morrow is also a member of the board of directors of the National Congress of Parents and Teachers. He is a former teacher, high school principal and chamber of commerce executive.

Tickets for the event may be obtained from Mrs. Boyd at the chamber office. The banquet menu will include steamship roast beef, smoked ham, green peas with mushrooms, scalloped potatoes, glazed carrots, tossed salad, rolls and cobbler.

## Trustees set election date

The Board of Trustees of the Crockett County Consolidated Common School District met in regular monthly session Tuesday, Jan. 13, with all members present. The meeting was called to order at 6:30 p.m. by President Jeffrey Sutton, and minutes of the Dec. 2 and Dec. 10 meetings were read and approved as well as the general fund and accounts payable.

During the meeting, the seven-member board voted to call a School Board Trustee Election for Saturday, April 4, and they approved the appointment of Mae Lay as election judge, Jean Conners as alternate

judge, and Debbi Puckett as absentee judge.

Incumbents whose term of office expires in April are Jeffrey Sutton and Henry Sellers.

The board also approved an extension of Superintendent Garland Davis' contract through the 1989-1990 school year, an appraisal instrument to be used in evaluating the high school counselor, and first-reading changes in the district's corporal punishment policy.

A board review of positions and personnel who will be considered in February for contracts was also held during the regular meeting.

## Sellers not to run

School trustee Henry Sellers has announced that he will not seek re-election to the board after six years of service.

"My term on the Crockett County School Board of Trustees is expiring and is subject to the regular election of trustees called by the board for the day of April 4, 1987," says Sellers.

"I wish to announce, for the purpose of public information, that I have decided not to run for re-

election to the board. "At the completion of my present term on May 1, 1987, I will have served for six years. The service has been an interesting and educational experience for me. Public education needs the participation of able, qualified citizens. I have found that there are many such people in Ozona and Crockett County. I would hope that this vacant position would be of interest to them," concluded Sellers.

## Chamber elects new officers

Ozona Chamber of Commerce officers for 1987 were elected at the January meeting.

Dan Pullen will serve the organization as president assisted by Drake McKinney, first vice-president; Bobby Aycock, second vice-president; Vince Huffman, third vice-president; Richard Berry, fourth vice-president; and Carol Hunnicutt, secretary. Beth Boyd is chamber manager.

New directors include Don Long, Richard Berry, Steve Williams, Jeff Stuart and Brian May.

Holdover directors are: Steve Sessom, Bobby Aycock, Jim Marks, Vince Huffman, Ken Harrison, Scotty Moore, Drake McKinney, Dan Pullen, Carol Hunnicutt and J. B. Miller.

Directors whose terms have expired are Sandra Childress, Garland

Davis, J. D. Brown, Fred Deaton and Brock Jones.

All will be recognized at the annual banquet Jan. 29 at the Civic Center.

# Life Among a Den of Lions

## Lions hopeful of playoff berth

By T. C. Tucker

The Ozona Lions basketball team moved one step closer to post-district play last week with wins over Rankin and McCamey. If all goes well for the Lions this week, they will have clinched a berth in the playoffs by winning the first half of district.

On Monday, Jan. 12, the Lions played host to Rankin and had little trouble in defeating them.

Rankin failed to ever get anything started as Ozona stifled them throughout the game. Domination

showed early when the Lions pounced out to a 31-12 lead. From there to the third quarter, Ozona added 20 points every quarter.

Hot shooters for the Lions popped the net all night with Will Seahorn leading with 23 points. Roger Flores and Scott Denman had 13 and 12 respectively.

The Lions controlled in all respects as Denman hauled in eight rebounds and Sam Hightower led with three steals.

By the time the final seconds

clicked off, Ozona had out-scored Rankin almost 2 to 1, winning 87-48.

The Lions faced their biggest competition all week in Friday's game against McCamey. However, controlling the tempo of the game rested in the Lions' hands.

Gaining a 10 point lead at the opening quarter's end, the Lions went on to hold that lead to halftime.

The third quarter proved once again to be the Lions' high point in the game. They held McCamey to only four points that quarter while adding 12 of their own. This rally aided in crushing any hopes for a fourth quarter McCamey comeback.

Scott Denman, who had 20 points in the first three quarters, went down with a sprained ankle in the second half. He returned in the fourth quarter, and no permanent damage resulted to the ankle.

In the fourth quarter, McCamey rallied somewhat, but the Lions had already covered too much ground and won 55-44.

This Friday, the Lions return home for the last of the first half play with a game against Eldorado. Next Tuesday, they will travel to Iraan. Both games begin at 8.

## Cubs place high in tourneys

By T. C. Tucker

Two squads traveled to different tournaments Jan. 10 for the 8th grade Cubs. The first squad, attending the Iraan event, defeated McCamey 30-21 for the championship.

Brad Bollier, Jason Vitela and Michael Ybarra led in scoring for the Cubs in their game with McCamey.

Ozona opened the game by jumping out to a first quarter 11-2 lead. McCamey fought back in the second and eventually came within two points by the end of the third quarter.

However, the Cubs would hold off the charge and beat McCamey by nine, 30-21.

The Cubs had little trouble in their first game of the tourney as they tore apart Iraan, 41-18.

The game remained close until the second half, especially the final quarter when the Cubs scored 15 points compared to Iraan's seven.

Jay Haire had nine points to lead Cub scoring. Ruben Borrego had four of the Cubs' eight assists. Mingo Perez and John Payne each had six rebounds. Lonnie Martinez had six steals.

In the second game against Sanderson, the Cubs again had little difficulty, marching out to a first quarter 16-2 lead.

From there, the Cubs continued to outpace Sanderson with the aid of Ybarra's 15 points. Ozona beat Sanderson by a fair margin, 29-20.

Ybarra had four rebounds while Vitela had six. Ruben Borrego had six steals and Perez had five.

The second squad, termed the "Hatchet" squad, partook in the Eldorado tourney where they won second place.

In their first game, the Cubs easily disposed of Irion County's "B" team, 35-15. Cody Morris and Gilbert Rico scored ten and eight points respectively.

The Cubs had tough going until the final quarter when Irion County failed to score any points while Ozona added 15.

Things turned around in the second game where Irion County's "A" team man-handled the Cubs by a score of 55-29.

Cody Morris led once again with 11 points. Carlos Robledo followed with five.

"We played very well with the amount of game experience they have," Coach Glenn Graham said. "We threw the ball away against the press, but they'll play better with more playing time. They gave 100 percent in hustle and desire."

## Cubs win first part of Stockton tourney

By T. C. Tucker

The Ozona 8th grade B team, the "Hatchet" squad, played a first round game in the Fort Stockton tournament last weekend. Weather conditions caused the remaining part

of the tourney to be scheduled on Jan. 31.

In their opening game with Pecos, Ozona played in complete control, leading through the entire game and winning 33-25.

Danny DeHoyos and Gilbert Rico

provided Cub scoring with 12 and six points respectively. Cody Morris and Rico ripped down seven and six rebounds each. Defensively, Lee Galan stole the ball four times.

The Hatchet squad wasted no time getting in front of the scoring as they gained an eight point lead by first quarter's end. Although complications did arise in the second quarter, the Cubs controlled the momentum and never looked back.

"I'm very proud of the guys," Coach Don Payne said. "They played under control and were very aggressive on defense."

## Lady Lions win second district game

By Allison Larisa Schoenhals

The Ozona Lady Lions achieved their second district win Monday, Jan. 12. The Ladies' determination to play as a team proved strong, and led them to a 30-point win over Rankin.

The game started off fairly slow in the first quarter. After the first eight minutes of play, the Lady Lions had a two-point lead over Rankin, 8-6.

The Ladies' offense started to pick up in the second and third quarters, gaining 31 points in the two periods combined. Rankin, on the other hand, had a very poor defense and offense. They only managed to score 19 points throughout the entire game and forfeited many a shot to Ozona.

The name of the game for the Lady Lions was their consistency, both offensively and defensively.

High scorers for the game were: Stacy Lay with 16, Adriane Wilson

and Vickie Reagor with 11 each and Lydia Pena with five points.

This win put the Lady Lions at 2-4 for the district season and 7-12 for their overall record.

## Ladies end half-season 2-5

By Alison Larisa Schoenhals

The Ozona Lady Lions ended the first half of the district season by being defeated by McCamey 42-51. The girls played with spirit and enthusiasm, but unfortunately it wasn't enough to overpower the Badgerettes.

Early in the first quarter the Lady Lions looked as if they just might win the game if their agility continued. However, McCamey realized that the Lady Lions were determined to play some basketball.

McCamey came back in the second quarter and rejuvenated their lead by five points, ending halftime at

17-22. After having time to collect their thoughts, the Lady Lions came out of the dressing room and started putting the Badgerettes to the test. Defensively, as well as offensively, the Ladies had some good moves. The game ended with McCamey the winner 51-47.

All of the girls did a good job at getting their hands on the ball. Yes, there were quite a few turnovers, but McCamey's mistakes were equal. Girls scoring for the Lady Lions were Kelly Williams 19, Stacy Lay 11, Vickie Reager seven, Lydia Pena four and Vickie Flores one.

## Winning streak ends for J.V. Lion Ladies

By Copie Davis

The Ozona J. V. Lady Lions traveled to McCamey Jan. 16 to try and win their third district game in a row. However, the Lady Badgers had their own ideas and ended the Ladies' winning streak 38-30.

Ozونا played steadily the entire game on offense, but could not get their defensive game to jell. McCamey took the lead early in the first period, and never looked back. The Lady Badgers scored 14 points in the first quarter and gave up eight to

Ozونا. With a six point lead to hold onto, the Lady Badgers increased their lead to nine points as they outscored Ozونا by three in the second period and took a 25-16 lead into the dressing room at the half.

The Ladies scored eight points in the third period, coincidentally for the third straight quarter, and managed to pick up a point on McCamey, closing the margin to eight.

The Lady Lions could only manage to keep up with McCamey in the final period, as both teams scored six points. The Lady Badgers took the game, and a share of the district race, 38-30.

Dottie Gonzalez, Ozona's leading Lady, scored six points to make her presence felt after a two game absence.

## J. V. Ladies slide by Rankin

By Copie Davis

The Ozona J.V. Lady Lions, coming off a district victory against Stanton, brought their show home Dec. 12 against the Rankin Lady Devils and made it two in a row by storming past Rankin 26-22.

The emphasis on this game was defense, as the Lady Lions held the Devils to a mere six points in the middle two quarters.

In the first quarter, Rankin held a one point lead as they scored seven quick points compared to six by Ozona. In the third period, the Lady Lions continued their consistent style of play by hitting for seven points and taking a four point lead as they

gave up two to the Devils. After intermission, Ozona slacked off a bit on offense, scoring only three points. Rankin scored only four points but picked up a point on the Lady Lions, cutting their lead to three.

In the final quarter, Ozona had their biggest point output of the night, hitting from 10. However, their defense suffered, and Rankins was able to score nine. This sum was not enough to overcome the Lady Lions, and Rankin succumbed by a four point margin, 26-22.

Leading the Ladies in scoring were point guard Polly Villarreal and Terel Seahorn with four and ten points respectively.

## J.V. Lions take control in McCamey game

By Copie Davis

The Ozona J. V. Lions took their show on the road last Friday against one of the current team's most bitter rivals, the McCamey Badgers. The Lions, sparked by resurgent forward Lalo Rodriguez' seven of seven shooting performance, outscored the Badgers by 11, 53-42.

The Lions outscored McCamey decisively in the first period, fast-breaking their way to an 11 point

lead. Ozona was good for 15 first quarter points on offense, while dusting off their once stagnant man-to-man defense to hold the Badgers to a measly four points.

The second period saw McCamey gain a bit of momentum as they hit for 10 points, only to see the Lions crank out six buckets and take a comfortable 14 point, 27-14, lead.

In the second half, the Lions played a more conservative, and sloppy basketball game. Although

Ozونا outscored the Badgers 12-9 in the third period, their helter-skelter style of play finally caught up with them in the fourth. With an overwhelming 16 point cushion to fall back on, the Lions gave up 19 points to the Badgers while scoring but 14 of their own. The game ended with the J.V. Lions on top 53-42.

Leading the Lions in scoring was Lalo Rodriguez who shot an astounding 100 percent from the field for 15 points. Also hitting in double figures was post Pete Ramirez with 10.

## J.V. Lions out-class Rankin with decisive victory

By Copie Davis

The Rankin Red Devils invaded Ozona Jan. 13 with a mission to seek out and destroy any hopes the J.V. Lions had of a district championship. However, Ozona rose to the occasion and flogged the struggling Devils 63-50. The Lions, paced by the performances of Lalo Rodriguez, Pete Ramirez and Oscar Galindo who combined for more than 50 percent of the Lions' points, now have a 2-1 district record.

The first quarter was Ozona's biggest of the game as they unloaded for 24 points in comparison to the Devils 13. The second period saw the Lions' offense turn to Jell-o as they

could only manage a sparse four buckets for eight points. Meanwhile, Rankin scored 10 points in the second quarter and closed the gap to only nine points at intermission, 32-29.

Ozونا rejuvenated their offense in the third quarter and reeled off 20 points, increasing their lead by 11, as the Devils could muster only nine points.

In the fourth and final period, Rankin made a run at the Lions but could only make up seven of the 21 points needed to win the game, and the Lions took it 63-50.

Ozونا was led in scoring by freshman Pete Ramirez with 14. Behind him were Lalo Rodriguez and Oscar Galindo, both with 10.

# The value of human life

By Charles Huffman, Pastor  
Faith Lutheran, Ozona  
Hope Lutheran, Sonora

The year was 1972; the place was Pennsylvania; and the occasion was a hearing to consider liberalization of the old abortion law. Gov. Shapp had been appointed a commission to take testimony from people of varying positions.

Testifying for abortion-on-demand were a Unitarian clergyman and his wife. He told of how excited he was when his wife informed him that a fourth child was on the way. But she convinced him that he was on a male ego trip while she, herself, wanted an abortion. Claiming to be democratic about the whole matter, she testified as to how they had gathered together their three grade school children, telling them that if this child were to be born, they would have to double up in their rooms.

The camping trip they had planned for the summer would most likely have to be cancelled, and surely the bikes they wanted for Christmas would be impossible. Then they were told they could vote! The mother, father and two boys voted for an abortion, while the little girl pleaded for the life of her unborn brother or sister. But majority ruled, and so the abortion was carried out.

One of the members of the Commission asked the mother how she could have denied the pleading of her daughter to spare the life of the unborn child, to which the mother shrugged her shoulders and said: 'Well, you can't give your children everything they want! Translation: It's better to be a bicycle than a baby - and a camping trip is of more value than human life!'

Another member of the Commission observed that this was probably not the last death caucus to be convened by the family, for the day would most likely come when the mother would need a place in the family - when their vacation plans would need to be revised if she were added to the family; when their budget would have to involve sacrifice in order to provide for her. But...they would have learned all too well the lesson they had been taught by the mother herself of how to deal with unwanted human beings. Elimination! And as our logic would tell us, the next steps in the growing disregard for human life are showing themselves today in infanticide and euthanasia!

How far we have come from the practice and teaching of the early Christian community which, without a specific scriptural command that stated the words: 'Thou Shalt Not Abort, totally rejected abortion in a culture where it was widely promoted. There were even those who said: 'But Every Child Should Be A Wanted Child', which roots the value of a human being in the affections of others. But those first Christians had been taught by Christ Himself and His disciples that the value of a human being is rooted in the creative act of God.

Surely we were not the children God wanted! He had planned perfect children, while we instead are handicapped by sin. He had planned obedient children, but we are rebellious and ungrateful, polluters of the quality of life He desired. Yet while we were unacceptable and undeserving, God made us His children by adoption as we read in Romans 8:15. But it cost Him dearly! When rightly and justly He could have terminated our lives, He went to the Cross of Calvary and gave His own life.

We're all familiar with the Biblical story about a man who went from Jerusalem to Jericho and fell among thieves who robbed him and

wounded him and left him half dead (Luke 10:30-35). There came that way a priest, a religious man, and when he saw him he thought, 'Well, I wouldn't rob a traveler myself, but I support the right of others to choose'. So he passed by on the other side. Then there passed that way a Levite, a law-abiding citizen, and when he saw him he thought, 'Well, every man should be wanted and obviously this one wasn't'. So he passed by on the other side.

They had all the facts, they saw all there was to see and they made a choice. Their value of man was rooted in the affections of another.

And then there came that way a Samaritan, one of different values and different beliefs, and when he saw him, Scripture says he had compassion on him and history has forever called him 'good'. But not until he had invested his time, his treasure, his talents. Not until he had set aside his plans, his schedule - for his was not compassion by proxy. God's love is always expressed through the giving of self, through sacrifice for others.

Today, many Christians are too embarrassed to publicly contradict anything, and instead of living as God's 'Chosen' people to give leadership in overcoming the devaluation of human life and in the preservation of human life, have become God's 'frozen' people afflicted with moral laryngitis. How many of us say: 'Yes, Lord, I will follow You...but about my cross...I don't want one like Yours. Make mine lightweight, collapsible, transferable, and with a money-back guarantee. That's for when it becomes inconvenient, unpopular and controversial!' But that's not what the cross is all about!

Christians cannot be neutral, for our Lord Himself said: 'You, My followers, are the salt of the earth' (Matthew 5:13). He said salt cannot be neutral, and if it is - it is good for nothing! We cannot say: 'Well, I wouldn't have an abortion myself, but I support the right of others to

choose'. That may sound so American, so democratic, so Christian until we apply that same philosophy to other areas of human rights. Would we think it very American if some were to say: 'I wouldn't enslave a black myself, but I support the right of others to choose', and there were some Americans who said that! Would we think it very democratic if some were to say: 'I wouldn't gas a Jew myself, but I support the right of others to choose', and there were some Germans who lived that! Would we defend someone as Christian who said: 'I wouldn't rape a woman myself, but I support the right of others to choose'. So we can see how morally and ethically bankrupt this is. Christians must come to see that we are responsible not only for what we do ourselves, but also for what we allow to be done. That is American, democratic and Christian!

Concerning the 5th Commandment, "Do Not Murder", Martin Luther explains in his large catechism: "In the second place this commandment is violated not only when the person actually does evil, but also when he fails to do good to his neighbor, or, though he has the opportunity, fails to prevent, protect and save him from suffering bodily harm or injury. If you send a person away naked when you could clothe him, you have let him freeze to death. If you see anyone suffer hunger and do not feed him, you have let him starve. Likewise, if you see anyone condemned to death (innocently) or in similar peril and do not save him although you know ways and means to do so, you have killed him. It will do you no good to plead that you did not contribute to his death by word or deed, for you have withheld your love from him and robbed him of the service by which his life might have been saved".

Likewise, God's Holy Word speaks to the same issue in Proverbs 24:11-12, where it is written: "Deliver those who are being taken to

## Heat Pumps Save Money In All Seasons Because They MOVE Heat!

The electric heat pump is the most efficient system for heating and cooling your home. The reason it is so efficient is because it MOVES heat rather than producing it.

There's heat in the air all the time... even in the winter! The electric heat pump pulls heat from the outside air in the winter months and pumps it into your home. In the summer months, it reverses the process and pulls the heat OUT of your home, so you get even comfort in all seasons.

You'll not only save money in home energy bills with a heat pump, but WTU will pay you a cash allowance for installing an energy-efficient electric heat pump in your home. (Your home must meet the E.S.P. requirements and be served electricity by WTU to qualify for the cash allowances.)

For more information on the electric heat pump and the E.S.P. Cash Allowance program, call your local WTU office or any factory-trained electric heat pump dealer today.

Remember REDDY supplies the energy but only YOU can use it wisely!

## Rachel's Reviews

by Rachel O. Hall

### Cholesterol - getting to the heart of the problem

Are you afraid of things that don't go thump, thump in the night? Like your heart, for example. Heart disease is the leading cause of death in the United States, but it's probably the most misunderstood disease around.

The biggest misconception surrounding this disease centers around the role of cholesterol. Many Americans have banished red meat from their diets because of cholesterol. If this is what you've done, take another look. The facts may pleasantly surprise you.

Coronary heart disease is caused by coronary atherosclerosis, an irregular thickening of the walls of the arteries that supply blood to the heart muscle. The primary cause or causes of atherosclerosis are not

known.

Statistics have shown that persons with elevated serum cholesterol levels are more likely to develop atherosclerosis than those with normal levels. Because of this link, some scientists believe that dietary control may reduce the risk of developing heart disease. Scientific experiments, however, have yet to prove this hypothesis.

Even when no cholesterol is consumed, the body manufactures between 800 to 1,500 milligrams daily anyway. Cholesterol is an essential part of body chemistry and the body will fight to keep it around. Many scientists believe that high blood cholesterol is probably a sign, rather than a cause, of atherosclerosis.

Even though scientists disagree on all the causes, individuals can take certain steps to minimize risk factors generally associated with atherosclerosis. Cigarette smoking, lack of exercise, obesity, stress and high blood pressure contribute to heart disease and most scientists agree that they should be controlled.

As for cutting down on dietary cholesterol, the debate rages, but most experts agree that it can't hurt. The American Heart Association recommends 100 grams of cholesterol per day. At 65 milligrams of cholesterol per three-ounce serving, broiled top loin fits well within AHA's recommendation. So enjoy. At that low level, your heart can safely go thump, thump in the night without your tummy going grrr, grrr.

### Lu Ingram exemplifies school nurse

This week has a special meaning for Mrs. Lu Ingram, school nurse for Ozona Public Schools.

In recognition of the important role that school nurses play in the lives of children across the nation, President Ronald Reagan has proclaimed the week of Jan. 19-23 as National School Nurse Awareness Week.

Mrs. Ingram functions as the heart of the school health program in Ozona, and her duties include keeping current immunization records on approximately 950 students in the local school system, administering first aid, taking sick

children home, and checking on children with communicable diseases.

She is also responsible for screening all children for vision and hearing difficulties, screening junior high students for scoliosis (abnormal curvature of the spine), and conducting spot dental checks for students in grades one, four and six.

"Nurse Lu", as she is commonly called by teachers and students, is married to Huey Ingram, and they have two grown sons, Don of Dallas and Drew of Midland.

For the past thirty-one years, Lu has lived in Ozona and has worked for various doctors, as well as the

Crockett County Hospital, as a Licensed Vocational Nurse. She has been Ozona's school nurse for six years, and her interests include travel, fishing and working with children.

Community service also claims Mrs. Ingram's time. She is an active member of the Crockett County Welfare Board and is a past president of the Ozona Women's Forum. Lu teaches an adult Sunday School class at First Baptist Church and in the past was honored by the Ozona Chamber of Commerce with its "Unsung Hero Award" for her many acts of unselfish love and caring throughout the community.

### Rifle team tryouts to determine competitors

Tryouts for the Crockett County 4-H Rifle Team will be held at 9 a.m. Saturday, Jan. 24, at the 4-H Barn. Any Crockett County youth from third grade through age 19, enrolled in 4-H, is eligible for a place on either the senior (14-19) or junior (under 14) team.

Those trying out for a place on the senior team will shoot from a prone, kneeling, and standing positions. Juniors will shoot prone and kneeling only. Rifles and ammunition will

be provided, but personal bolt action .22 rifles will be permitted. In each division there will be four team places, with two alternate places. Practice sessions will begin in February and continue until the final match in the spring.

Those selected for places on either team will be required to attend weekly practice sessions to prepare for shooting competition on the inter-county/district levels. Both junior and senior teams will repre-

sent Crockett County at matches with nearby counties. The senior team will compete at the 4-H District Rifle Match in Monahans on April 24 and possibly the State Match in May or June.

"4-H'ers completing a shooting project in the fall of 1986 can come by the Extension Office and pick up their completion certificates," says County Agent Billy Reagor. "Also, if you qualified for a patch (marksman, pro-marksman, etc.) it can be picked up at the office."

Wilena Holden and Jack Gillit make their way down to examine a wrecked Mack truck belonging to Deene Holden. The truck overturned Jan. 14 just north of

Ozona after its load of water shifted after a turn. Driver Marty Scott was not injured.
