Coach Jim Green resigns

Coaches and principals rehired

Contract extensions were granted to seven professional personnel during the Feb. 11 meeting of the Crockett County Consolidated Common School District Board of Trustees. Principals Walter Spiller, Sherry Scott, Jack Probst and Jim Payne were given contract extensions through the 1988-89 school year, as were Assistant Superintendent Ted Cotton, head boys' basketball coach John Curry and high school counselor Jim Williams.

from Rip Sewell, athletic director, for a reassignment from his athletic duties to a teaching position next year, and they renewed the contract of Rhonda Yarborough, head girls' basketball coach, for 1987-88. The resignation of Jim Green, head football coach, was also accepted during the meeting.

Cotton explained that the performance report is a document required by state law, and the purpose of the report is to give the school district the opportunity to present to the local community a comprehensive review of the district's activities for the 1985-1986 school year.

Assistant Superintendent Ted Cotton presented the Crockett County Consolidated Common School District Annual Performance Report for board review and consideration. Mr.

The 115 page 1985-1986 Annual Performance Report is divided into three parts. The district overview section provides information on: trends in student performance, curriculum, special programs, staff quality, facility adequacy, financial condition of the district, impact of 1984 legislation, and paperwork reduction efforts by the district.

The second part of the performance report consists of information which has been compiled by the Texas Education Agency, the state agency responsible for administering public elementary and secondary programs in the state. It is an agency-developed statistical performance summary of district and campus-level information which was previously sent to T.E.A. by the school district.

The third part of the report contains locally developed statistical information, and included in this section are: achievement test results, school dropout rates, school disciplinary activities, instructional costs per student and classroom size.

After approving the performance report, the trustees approved the appointments of Walter Spiller, Alfredo Enriquez, Randy Branch, Brian May, Tony Sanchez, Billy Tom Turland and Ortenica Rodriguez to the district's vocational advisory committee.

Informational reports concerning the district's special education program and participation in University Interscholastic League activities were also given by principals Walter Spiller, Sherry Scott, Jack Probst and Jim Payne during the meeting.

Tony Garza will soon retire from his job of raising and lowering the flags on the town square. A light has been ordered to shine on the flags at night so they may fly permanently.

Bits and Pieces in the NEWS

Chamber selling caps to promote community

Ozona Chamber of Commerce has received a shipment of caps to promote the community. The buff colored head gear has a map of Texas superimposed over a picture of the world. A star marks the location of Ozona, and the motto, "The biggest little town in the world" is written under the design. The caps, which sell for \$5.00, are a good way to help promote Ozona and boost the chamber's finances at the same time. Tightening the purse strings in

the community has caused some merchants to drop their memberships in the organization. Dues, which are \$10.00 per month for businesses, provide the income to operate the chamber, which works for the good of the entire community. Every expense that can be cut has according to Beth Boyd, chamber manager. What she may not tell you is that she has worked for the past seven months at considerably less than full pay to help keep the organization in the black.

Bloodmobile to visit

The Bloodmobile will be in Ozona Thursday, Feb. 19, from 3 until 8 p.m. Donors are asked to come by the Chamber of Commerce office

during these hours to help reach the February goal of 60 pints. Ozona is charged with 160 pints each year. In 1986, Ozona donors gave a total of 186 pints.

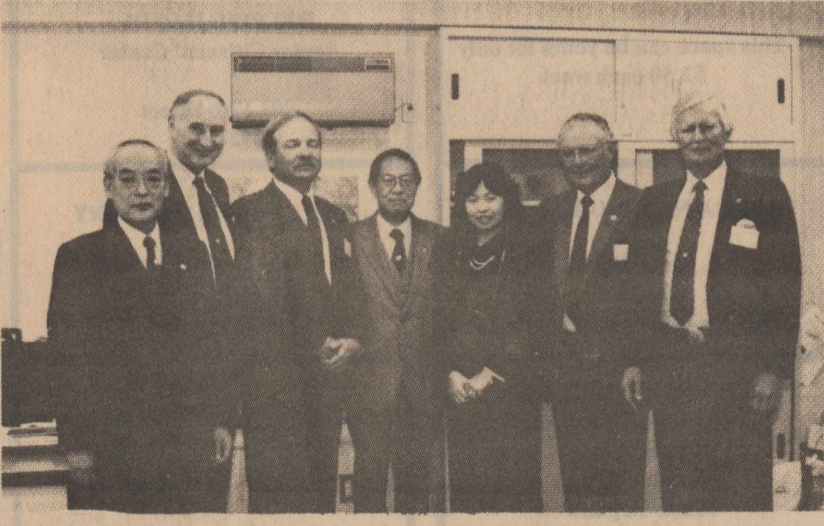

Childress attends opening of IMA's Tokyo office

Bob Childress, Crockett County rancher and current chairman of the International Mohair Association, has just returned from a one week trip to Japan. Childress, who is also a past president of the Mohair Council of America, was joined on the trip by Herman Moore of Brownwood and Perry Bushong of Mountain Home. Moore is a past president of the Mohair Council and Bushong is the current president of the council. The primary purpose of the trip was to attend the formal opening of the International Mohair Association's Tokyo office on Feb. 3. The opening was notable due to a large attendance by the Japanese Fashion Press and most major mohair users in Japan.

continues to be a desirable fiber with Japanese apparel manufacturers, retailers, and ultimately, consumers.

in Osaka, Kyoto and Nagoya. The group also visited several department and specialty stores. Survey results were that mohair products were prevalent and had good acceptance by consumers.

In addition to the IMA activities in Tokyo, the Mohair Council representatives visited 16 major mohair users

Among those attending the Feb. 3 opening of International Mohair Association's Tokyo office were: Hiroshi Hashimoto, general manager, IMA Tokyo office; Arthur C. Knight, director general, IMA London office; Bob Childress, chairman, International Mohair Association; S. Suzuki, IMA Tokyo advisor; Takako Saito, secretary, IMA Tokyo office; Perry Bushong, president, Mohair Council of America; Herman Moore, past president, Mohair Council of America.

Judge Davee attends seminar

Christine Davee, Justice of the Peace, has returned from a 40-hour training seminar in Austin. Pictured with Judge Davee [second from right] are: Belinda Arrendondo of Sanderson, Calvert Shortes of Andrews and Anna Hubbard of Crane.

Christine Davee was among 94 justices of the peace attending a 40-hour seminar Jan. 25-30 in Austin conducted by the Texas Justice Court Training Center headquartered at Southwest Texas State University in San Marcos. The seminars are held in compliance with Article 5972, Section B, of the Texas Revised Civil Statutes.

Topics covered include a review of the newly published revision of the Justice Court Deskbook, Civil Law, Code of Judicial Conduct, Attorney General's Opinions, the Texas Property Code, Disposition of Stolen Property, the Penal Code, Probable Cause, the new Criminal Rules of Evidence and Bond Setting.

Children to participate in dental survey

Ozona school children have been selected to participate in a national survey intended to gather information about the dental health of U. S. children.

No dental treatment will be given, and the examinations are not intended to replace regular dental checkups nor proper care of teeth at home. However, parents will be notified whether the child needs immediate care or should simply continue with his regular dental care.

The knowledge from the survey will be used to determine whether the oral health of U. S. school children has changed since the last survey in 1979-1980.

All information gained from the survey is confidential. Results will be published only as group summaries. No individual child will be identified.

Literature about the survey and parental consent forms were distributed last week to some classes throughout the school system. Eleven Ozona classes will participate, four high school, three junior high, and two from each elementary school.

Only selected classes chosen by computer will participate. Each child examined will represent one thousand other students as time and money makes the examination of every U. S. student prohibitive.

Participation is strictly voluntary. There is no penalty for not participating, but it is important to do so in order that accurate data can be obtained concerning the dental health of U. S. children.

Students receiving the consent forms should have them signed and return them as soon as possible.

The survey is being conducted by the U. S. Public Health Service through the National Institute of Dental research. Westat, a private research organization based in Washington, D.C., is actually carrying out the survey.

A licensed dentist will conduct dental examinations at each school. Each will take approximately 10 minutes.

Examinations in Ozona schools will begin Thursday afternoon, Feb. 19, and continue throughout the following week.

The dentists will use only mouth mirrors and simple dental explorers. No x-rays will be taken. Dentists will count the number of teeth, tap them to determine soundness and check for gum disease, cavities and soft tissue lesions.

Students in grades six through 12 will be asked a few questions as well.

Seahorn files for trustee

Pon Seahorn has filed for a place on the school trustee ballot. The 1966 Ozona High School graduate says, "I got a lot out of Ozona schools. Now it is time to start giving something back."

Seahorn holds a Bachelor of Science degree in agri-business from Southwest Texas State University at San Marcos.

He and his wife, Jill, are the parents of two teenagers, Will, age 16, and Terel, age 14.

"I am interested in youth and the high standards of education in Ozona public schools," said Seahorn. "If elected, I will represent the best

interests of students and teachers." Seahorn is a rancher and vice-president at Ozona National Bank. He has been involved in banking for 17 years.

Seahorn has been a member of the Crockett County Hospital Board, is currently a member of the Fair Association Board and works with the youth at his church, Ozona United Methodist.

Vehicle fires reported

Members of the Ozona Volunteer Fire Department responded to three fire calls during the Feb. 5-7 period. Two vehicle fires claimed their attention Feb. 5.
 A pickup belonging to Jackson Inspection Corporation of Eldorado was completely burned on the Dempster Jones Ranch.
 A call was received at 4:28 and six men went to the scene. Before returning at 5:50 p.m., the firemer used 600 gallons of water on the vehicle.
 A truck fire two miles west of Ozona on I-10 was out when firemer arrived. The vehicle, owned by C. H. Poyner Construction of Big Lake received little damage in the incident.
 A mobile home behind Skains Garage reported an electrical fire Feb. 7. The fire, which was at a water heater under the sink, charred the wall before power was cut off.
 Firemen received the call at 11:07 p.m.

Border Patrol Agent Roger E. Spencer received an outstanding service award for superior performance of official duties. Making the presentation is Bill Gibson, chief Patrol agent of the Del Rio sector.

Spencer receives service award

Roger E. Spencer, agent with the Ozona Border Patrol Station, received an award for outstanding performance Feb. 10. A certificate from the U. S. Department of Justice, Immigration and Natu-

ralization Service was presented "in appreciation and recognition of superior performance of official duties."
 The award is based on one year's performance, on quality and quantity

of work performed. Making the presentation at the Ozona Border Patrol office was Bill Gibson, Chief Patrol Agent of the Del Rio sector.

Local Scouts to join war on drugs

"Say no to drugs!" That's the message the Boy Scouts of America hopes to spread to youth and adults in every corner of the country in what the organization calls the largest anti-drug abuse education campaign in history.
 American teenagers use more drugs than those of any other developed nation. Statistics indicate that some 61 percent of high-school seniors have tried drugs; 26 percent smoke marijuana, and six percent use cocaine at least once a month. Today, one in six 13-year-olds has tried marijuana.
 "The country is in the midst of a serious epidemic," said the organization's top official, Ben H. Love, Chief Scout Executive. "Taking drugs is not just dangerous; it is

deadly." According to Joe Lee McManus, president of the Concho Valley Council, BSA, which includes Ozona, an 18-page, four color brochure titled **Drugs: A Deadly Game** will be distributed to all 5,000 youth and adult members of the local council. This includes Tiger Cubs, Cub Scouts, Boy Scouts, Varsity Scouts, Explores and adult leaders.
 This is part of a package of material which also includes a manual for leaders and parents, a teacher's discussion guide, and a 15-minute educational video tape which, McManus said, hopefully will be shown to all youth members.
 McManus noted that the youth brochure will be distributed at no cost to members of the BSA; schools,

churches, synagogues and other groups will be urged to purchase the material, including the teacher's guide and video tape.
 Scouting officials emphasized, in fact, that the program is specifically designed so that it may be used by all segments of the community, including educational and religious organizations, other youth agencies and civic groups. "We seek to reach all of America, not just those in Scouting," McManus said.
 Handbooks and other BSA literature, as they are reprinted, also will include strong anti-drug statements, said Love, who stressed that the drug education program will be ongoing throughout the coming years.

Del Rio literary meet yields wins

Nine Ozona High School students and three sponsors headed south to Del Rio Saturday, Feb. 7, where the students competed in the Sixth Del Rio High School Invitational Meet.
 The sacrifice of sleeping late Saturday morning paid off for some. T. C. Tucker placed second in newswriting and fourth in number sense while Summer Shacklette placed third in prose reading and Tammy Davee fourth.
 All three of Ozona's prose readers and the lone persuasive speaker advanced to the final round.
 Besides Shacklette and Davee, Amy Graham read prose while Larisa Schoenhals placed fifth in persuasive speaking.
 Neither of Ozona's poetry interpreters advanced beyond the preliminaries but read well according to sponsor Jill Crawford.
 Stacy Winkley and Doreen Proise were Ozona's poetry competitors.
 Tucker competed in editorial and feature writing as well as news. Copie Davis wrote headlines, news and editorials. Robby Tambunga wrote for all four journalism events. Winkley competed in headline writing as well as poetry.
 "It was a tough meet," journalism sponsor Jacquelyn Shacklette said. "The students wrote well, but the competition was evidently keen. Several of the competing schools were 5-A and 4-A."
 Speech sponsor David Porter also accompanied the group.
 Several Ozona U.I.L. competitors were unable to go because of the ACT, but expect to be on hand this weekend at Mason's U.I.L. meet.

STILL OUR BEST CHOICE!

WTU's new power station will soon be on line! The Oklaunion Power Station near Vernon, Texas, will be WTU's first coal-powered plant.

A coal-powered plant was our best option back in the 70's when WTU first began planning for a new power station. At that time a new federal law known as the Fuel Use Act prohibited the use of oil or gas as boiler fuel for new utility plants.

Coal is still our best choice, especially over the long haul. The unlimited supply of clean-burning coal means more stable fuel prices and a continued reliable supply of electric energy for WTU customers.

Life Among a Den of Lions

Lions add two more wins

By T. C. Tucker

The Ozona Lions won their third straight game Feb. 13 after opening the second half of district with three losses. Coach John Curry earned his 300th career win Tuesday in the game against McCamey.

Starting the week off well is what the Lions did Tuesday as they pounced eagerly on McCamey who gave the Lions a tough battle in the first round.

However, the Lions seem fired up and ready for the playoffs. By the end of the first half, the Lions held a 12 point lead. In the second half, they pushed on and stretched the margin to a 19 point win, 72-53, and Coach Curry's 300th mark.

"I'm proud of the achievement," Curry said. "But it's just another game and only shows that I've been coaching for awhile."

Scorers for the Lions in the McCamey game were Sam Hightower with 19 points, Scott Denman had 15, and Abel Lara put in 10. Denman led in rebounding with seven. Lara had three in both assists and steals.

Big Lake proved to be a top contender in the first round and gave Ozona one of the several tough games. The Lions have changed, though. After experiencing three straight losses in the second round,

their level of play seems to have increased in order to get back on track.

The strong point for the Lions all week had been their defense, and Friday night would be no different. Ozona stomped Big Lake's scoring and held them to only 13 points in the first half while tallying 31 of their own.

Will Seahorn and Scott Denman fronted the Lion offensive attack, scoring 17 and 16 points respectively. Again Denman controlled the boards as he pulled down 10 rebounds while Roger Flores had seven of the same.

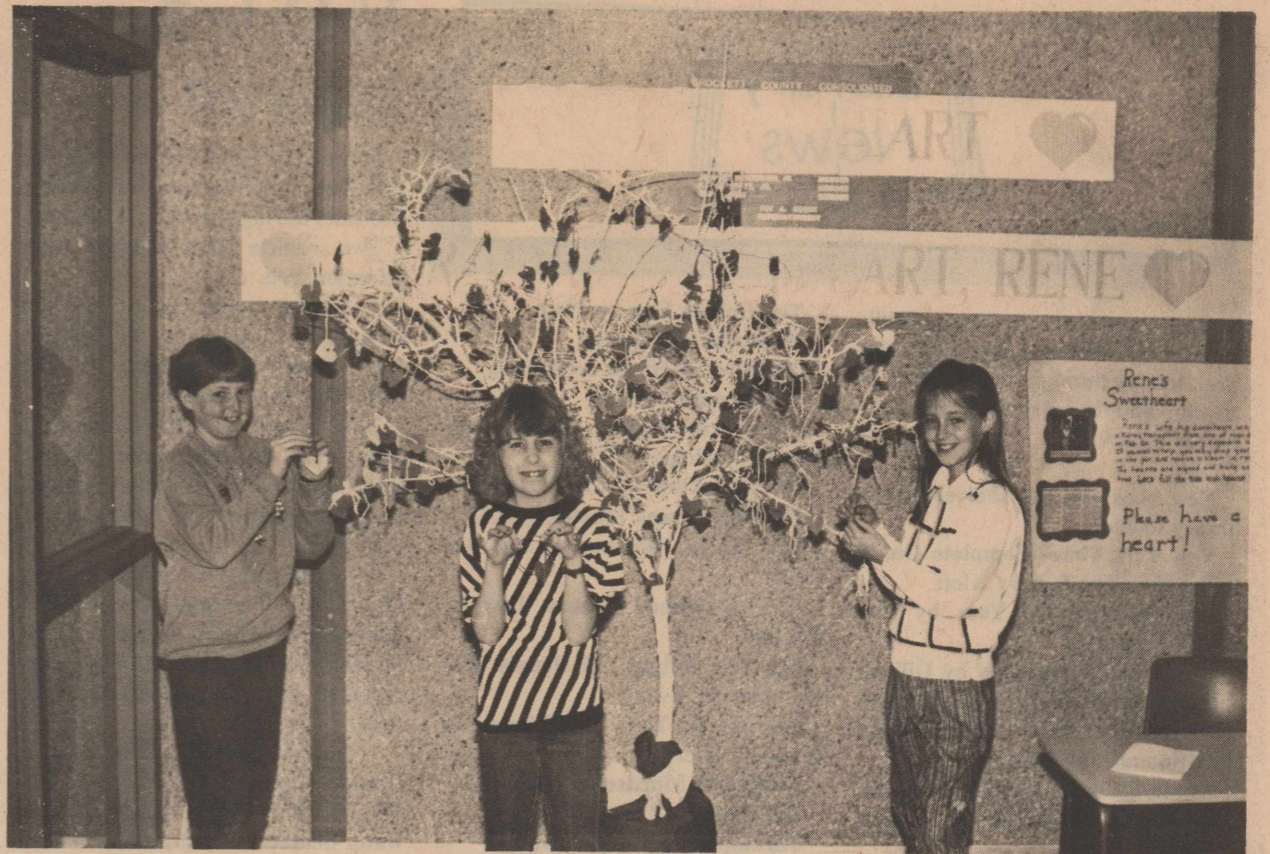

The third and fourth quarters followed the same pattern as Ozona ate Big Lake's lunch and more, eventually winning 61-35.

The Lions also controlled their

turnovers. All week total, the Lions turned the ball over only 21 times. On the other hand, they stole the ball almost twice that total. Lara led in the Big Lake game with seven steals while Danny Sanchez and Hightower each had five.

"We had a good week," Coach Curry said. "We are playing with more intensity, especially defensively."

As to the playoff picture, the Lions will have finished the regular season Tuesday, Feb. 17. The outcome between the win-lose records of both Stanton and Forsan, who are tied for first place in the second round at the moment. Whoever wins the second round will play the Lions to determine the district winner. If the Lions do win the title, it will be the first since 1963.

Have a Heart for our Sweetheart, Rene", tells of Ozona Intermediate's regard for the Renal Tambunga family. A sweetheart tree in the foyer is decked with hearts signifying donations to aid the family with expenses when Mrs. Tambunga has kidney transplant surgery Feb. 26. Terri Harms, Angelo Glasscock and Jennifer Evans join other students and faculty in welcoming donations.

Cubs end season with three wins

By T. C. Tucker

Two 8th grade and one 7th grade squads finished their 1986-87 basketball season with victories over Reagan County Monday, Feb. 9. The 7th grade completed the year with an 8-7 record, while the 8th grade lost only two games and won 13.

Adam Alba and Mark Ramirez led

the 7th grade in their final game. Alba popped in 10 points and helped control the boards as well as leading in steals. Ramirez had eight points and four steals.

"Adam Alba has been our leader all year," Coach Don Payne said. "Mark Ramirez, best defensive player, had his best game of the year."

Although close, the Cubs always seemed to have the edge. With the score tied at half, Reagan County went on to take a two point lead in the third quarter. However, the Cubs fought back and won, 25-23.

Other leaders for the Cubs included Adrian Vargas who had six rebounds.

The famed "Hatchet" squad from the 8th grade Cubs' team pulled off another close one in their game with Reagan County. Close throughout the first half, the Cubs pulled away by eight points in the third quarter to ensure them of a winning cushion, 27-21.

Danny DeHoyos and Daun O'Neal had eight and six points each to top the scoring for the Hatchet squad. DeHoyos had five of Ozona's 18 steals. Lee Galan had five rebounds and three of the Cubs' six assists.

"I'm proud of these guys," Coach Payne said. "They always played hard."

In the final game, the 8th grade

"A" team completely demolished Reagan County 62-32. Brad Bollier and Jason Vitela had a great game. Bollier led in scoring as he racked up 20 big ones. Vitela followed with 10 points.

Reagan County never seemed to have a chance as Ozona jumped way out to a 20-5 first quarter lead. The Cubs continued to extend this lead until the final score and a 30 point margin of victory.

"This was our best game of the year," Coach Payne said. "Everyone scored points."

Indeed so; besides Bollier and Vitela, Michael Ybarra, Mingo Perez and Oscar Gutierrez scored six points each.

Cody Morris led in rebounding along with Bollier with six each. Vitela and Ybarra had five rebounds each, also.

Ruben Borrego led in assists with four of the team's 11. Borrego had six steals followed by Morris who had five.

Cubettes finish season

By T. C. Tucker

The Ozona Junior High Cubettes traveled to Reagan County for their final basketball game of the season Monday, Feb. 9. Neither team proved able to pull off a win as they ended the season with two losses, but a good showing effort-wise.

Reagan County started things off right for themselves in the 7th grade game as they jumped out ahead 10-0 at the end of the first quarter.

The Cubettes finally revved up and put the ball through the hoop but were still down by six at half. By the end of the third quarter, Reagan County continued just out of reach 18-14.

The fourth quarter followed the same pattern as the Cubettes were outscored by only three points in the quarter scoring, but by this time Reagan County was too far out front, winning 28-21.

Kristi Porter led Cubette scoring with eight points. Patricia Hartnett followed with five while Veronica

Mendoza had four.

Although Coach Jerry Tucker said the girls played poorly in their final game, he also pointed out that they will come about in later years and learn to play hard every game, all game long.

Reagan County followed the same pattern in the 8th grade game by grabbing a big first quarter lead, 19-4. Continuing at a steady pace, Reagan County stretched that lead to a 32-14 score at halftime and things did not look good for the Cubettes.

"Reagan County got after us early," Coach Tucker said. "But I'm very proud of the girls in the second half. They showed their desire to be competitive, showed much hustle and spirit."

The second half proved to be all Cubettes as Ozona roared back in the third quarter to within six points, 30-36.

In the fourth quarter, the Cubettes outscored Reagan County 11-7, but the first half cushion could not be topped as the Cubettes faltered

41-43.

Ofie Rios led Cubette scoring with 11 points while Letty Dominquez had 10. Candace Williams and Paula Galan had four points each.

Coach Tucker expressed his enjoyment working with the young "Lady Lions" this season. "Thanks to Coach Yarborough," Tucker said, "and to all the moms and dads for your support."

J.V. Lions cruise by Reagan County

By Cople Davis

The Ozona J.V. Lions completed a successful two game domination of Davidson Gymnasium Friday, Feb. 13, with a solid 43-34 victory over the Owls of Reagan County. Ozona took advantage of dazzling outside shooting to ensure the victory.

The game was close from the onset as the Lions battled the Owls for a

slim four point lead in the first quarter, 18-14. The fast breaking first period was the prologue to a slow down game in which the Lions increased their lead to eight points with an 8-4 second period. Ozona led 16-18 at the half.

Although the third quarter was still a little boring, the Lions actually gained their largest lead in it, hitting five buckets for 10 points compared to Reagan County's mere two points.

Forward Lalo Rodriguez and guard Oscar Galindo supplied the Lions' offensive power as Rodriguez led all scorers with 12 while Galindo cranked out 10.

With a 16 point lead to overcome, Reagan County staged a rally in the final period which closed the gap to nine before time finally ran out on them. The win gives Ozona a 6-1 district record for the second half of the season.

J.V. Ladies end season with win

By Cople Davis

The Ozona Junior Varsity Lady Lions closed out their up and down 1987 basketball campaign Feb. 10 against the McCamey Lady Badgers. The Ozona Ladies ended the year in style with a 37-35 win.

The first period belonged to McCamey as the Lady Badgers clawed their way to a slim but respectable four point advantage

over the Lady Lions, who could manage only eight points. The second period was also all McCamey's as they increased their lead to five points, 18-13, at the end of the first half.

In the third period, Ozona made a move and seized the lead with a surprising 14 point offensive output. The Lady Lions also played well defensively, holding McCamey to only six points.

The fourth period was a fitting apex to the already heated contest. McCamey fought back to within one shot of Ozona before time expired. The Ladies came away with the victory even after allowing McCamey to score 11 points to Ozona's 10.

Sophomore forward/post Dottie Gonzalez was Ozona's leading scorer as she was good for 14 of the Ladies' points. Behind Gonzalez was junior guard Eileen Moran with eight.

Rachel's Reviews

by Rachel O. Hall

Coupon shopping

Coupons can offer a real bonus for grocery shoppers. They can also cause shoppers to waste their money and time.

Coupons entice some shoppers to purchase products that give more convenience than they need, products they don't ordinarily buy, products with less nutrition for the money spent, and more of a product that can be used in a reasonable time.

Remember that manufacturers use coupons to introduce new products and build brand loyalty, and grocers offer coupons to attract your business to their store. Coupons are a legitimate form of advertising. But, they are not always the best value.

Here are some tips for successful shopping with coupons:

Before you go to the store, do your homework. Study food advertisements and check your current

food supplies. Shopping wisely with coupons requires a high level of price-consciousness in order to determine whether a product is a good buy or not.

Make a shopping list of the things you need and select coupons for the products on your list.

Once you get to the store, don't buy a product simply because you have a coupon. Compare prices for the item, the item with a coupon, the store brand and the generic brand to determine which is the least expensive. Use the unit prices on the shelves to make this comparison.

Even with a cents-off coupon, a generic or store brand will often be less expensive, although you may want to purchase the national brand for special occasion dishes.

Eliminate "junk" foods if their only value is for redeeming coupons. Just as with every other food

purchase, read the nutritional label on coupon items.

To make the most of coupons for products you need, combine coupon with store specials for additional savings. Also, if the store offers double or triple coupons, you can usually save more by buying several small packages of the same item rather than one large package if you have more than one coupon.

Finally, watch for errors at the checkout counter, even with the electronic scanning systems. Make sure you are charged the advertised price rather than the regular price on sale items, and that your coupon savings are accurately deducted from your total.

Beef Cook-Off entry time - April 1 deadline

April 1 is the deadline for entering the Texas Beef Cook-Off.

Five finalists will be selected from among all the entries. These winners will receive an expense paid trip to the Texas Beef Cook-Off to be held April 13 and 14 in Austin.

All five finalists will receive an award. First place is \$500 cash and an expense paid trip to the national final in Sun Valley, Idaho in September.

Second place is a \$300 beef gift

certificate. Third place winner will receive a \$100 beef gift certificate and the two runners-up will each receive a \$50 beef gift certificate.

First prize at the national competition is \$5,000.

To enter, send a typed copy of your best beef recipe using any cut to Mrs. Albert Miller, Chairman, State Beef Cook-Off, Box 67, Valentine, Texas 79854.

You should include your name, address, phone number and a brief

statement about the origin of your recipe.

The recipe must contain a minimum of one pound of beef and not more than five pounds. Meat used must be exclusively beef, and preparation and cooking time cannot exceed four hours.

The recipe must be specific, with no use of brand names. It must state the number of servings and the approximate preparation time. In 1987 you will be able to submit a microwave recipe.

All entries become the property of the American National Cattle-Women, Inc. Beef dishes will be judged according to taste, ease of preparation and practicality, originality and appearance.

Mrs. Koerth hostess for sorority

Xi Sigma Omega chapter of Beta Sigma Phi met in the home of Mrs. Betty Koerth Feb. 9 with 10 members present. Mrs. Koerth presented the program for the evening.

Mrs. Pearletta Morris showed members different styles of arranging silk flowers. Mrs. Morris exhibited three different arrangements, one which was given to member Brenda Newton. The arrangement consisted of silk pastel flowers in an all around style.

Mrs. Morris was presented a small gift in appreciation and the regular meeting was held.

The meeting adjourned with the closing ritual and mizpah.

Members attending were: Donna Snyder, Marsha Cannon, Betty Koerth, Jeannie Wellman, Donna Sanders, Brenda Newton, Bobbie Fatout, Arlene Clayton, Debbie Phillips and Alice Sawyer.

Garden Club officers announced

Members of Myrtle Post Garden Club met Monday, Feb. 9, in the home of Mr. and Mrs. Joe Bean. Guests were charmed with the warmth and beauty of the home. Beautiful flower arrangements were displayed throughout. As Mrs. Bean welcomed guests, she gave each member a quick, easy game on flower arranging to be used during the program.

Marge Smith, president, called the meeting to order asking for roll call and a treasurer's report.

Officers for the year were told. They are: Marge Smith, president; Mozelle Houston, vice-president; Kathryn Mayfield, secretary; Betty Bullard, treasurer; Leta Powell, telephone and hospitality; Maridel Dudley, club photographer; Joycelyn Graves, scrapbook.

Committee chairmen are: Grace Williams, Jean Conners, Mary K.

Brewer, Sara Hignight and Joycelyn Graves.

Members were given several reports that concerned the club for the upcoming year. This month, members will plant crepe myrtles at the Emerald House in honor of Arbor Day. Members were reminded that they could give memorials to the club to plant living memorials.

Marge Smith closed the business meeting asking members to note a new article written for the club charter. This will be voted on during the next meeting. Mozelle Houston introduced Mrs. Marilyn Bean, member of the Ozona Garden Club, as guest speaker. "Creativity Means Communication", said Mrs. Bean as

she introduced her beautifully designed arrangements. Three main points of her program were: creativity, abstract and free form.

Following the program, members were treated to refreshments and were lively engaged in a "hot" plant auction.

Those present were: Grace Williams, Bettye Bullard, Marge Smith, Mary K. Brewer, Sara Hignight, Clara Freeman, Mozelle Houston, Joycelyn Graves and Marilyn Bean.

The next meeting will be March 9 at the Emerald House. Anyone interested in gardening is invited to attend. For information call Marge Smith at 392-3333.

Kim is the daughter of Mr. and Mrs. Jim Williams.

Students place fifth in Mason

Fourteen Ozona High School students put thoughts of the Valentine's Day dance out of their minds Saturday, Feb. 14 — at least temporarily.

The students traveled to Mason to compete in the 9th annual literary contest finishing fifth overall.

"It was the best that Ozona High School has done in years," high school speech teacher and speaking events sponsor David Porter said. All six of Ozona's speakers advanced from the preliminary rounds to the semi-finals with all except one going on to the final rounds.

All three Ozona sponsors attend-

ing the meet agreed the competition was stiff with more than thirty contestants in several events.

Entries were limited to 30 in most writing events, but the ready writing judge agreed to allow all who wished to write to do so in that event. Larisa Schoenhals, Ozona's only ready writer, placed third of the nearly 50

in that event as well as finishing sixth in persuasive speaking. Isabel Benitez placed second in spelling.

T. C. Tucker wrote to a second place medal in newswriting and fifth place in veteran number sense.

Stacie Winkley placed second in headline writing. Robbie Tambunga placed sixth in that event.

In veteran science, Bret Hood took fourth place.

Rita Rios finished in fourth place in informative speaking.

Tammy Davee placed third in prose interpretation.

Also competing were Copie Davis, Michael Glaze, Travis Burks, Doreen Prosis, Shannon Curry, Summer Shacklette and Chantelle Pesson.

Twenty-four schools competed in the meet.

Porter, speech co-sponsor Frances Curry, and journalism coach Jacquelyn Shacklette accompanied the students.

Coaches and Lions Club members square off

A real grudge battle is brewing between the Ozona school coaches and the Lions Club. Their charity basketball game will be held at Davidson Gym at 7:30 Monday, Feb. 23.

Some Lions Club members are expecting a lopsided victory. A couple of club members were

allegedly heard saying "those coaches could not win this game if the basket was ten foot in diameter and they used a tennis ball!"

The coaches expect to have no trouble winning the game this year either. "If the Lions Club has not paid off the officials again," the coaches allegedly said. "Those guys

are so bad we may have to let them play alone a quarter so they can get a point or two"

The game should be a lot of fun as always, said a Lions Club spokesman, and who knows, half time might be pretty interesting, too.

Proceeds will help the eye glass fund as well as other Lions' Club endeavors.

Sheriff's report

For the week ending 2-17-87

ARRESTS

2-11 A 22-year-old New York man was arrested for driving while intoxicated by THP. He was placed in county jail on \$500 bond. He was released 2-13 after posting bond.

2-11 A 23-year-old New York man was arrested by THP for public intoxication. He was fined \$75 and released after laying out the fine.

2-12 A 19-year-old Ozona man was placed in county jail to serve a 15-day sentence for assault. He is still in jail.

2-13 THP arrested a 24-year-old Florida man on Florida warrants charging grand theft. The man waived extradition and is awaiting the arrival of Florida officers to take him back to that state.

2-13 A 38-year-old Ozona man was arrested by sheriff's deputies on charges of "reckless conduct - discharging a firearm in a residential area". He is still in jail under a \$2000 bond.

2-14 A 21-year-old Boerne man was arrested by THP for driving while intoxicated. He was released the next day after posting a \$500 bond.

2-15 A 19-year-old Utah man and a 25-year-old Virginia woman were arrested by sheriff's deputies for public intoxication and as suspects in a reported armed robbery. Investigation showed there was no armed robbert and the subjects laid out their fines for public intoxication.

INCIDENTS

2-13 The Sheriff's Office received a report of someone firing a rifle on Monterrey Street at about 10 p.m. Sheriff's deputies investigated the incident and arrested a 38-year-old Ozona man on charges of reckless conduct. Bond was set at \$2000 in this case and the suspect is still in jail.

2-15 An Ozona citizen reported to sheriff's deputies that he had been robbed at gunpoint by a Utah man who took more than \$120 from the victim. Sheriff's deputies investigated the case and arrested the suspect for investigation of the robbery. Further investigation revealed that no gun was involved and no robbery actually occurred. It turned out to be a drunken argument. The case was unfounded and the suspects were released.

2-16 A 20-year-old Ozona man reported to sheriff's deputies that he had been hit in the head with a beer bottle while attending a party on Feb. 15. He reported the suspect by

a nickname only. Sheriff's deputies are investigating the case and trying to determine the identity of the attacker.

Money tree for Tambungas

Using Valentine's Day as a theme, the faculty and staff of Ozona Intermediate School are raising money to help the Renal Tambunga family with expenses in connection with Mrs. Tambunga's surgery.

Mrs. Chila Tambunga is scheduled for kidney transplant surgery on Feb. 26 in San Antonio. Her daughter, Shio, is donating one of her kidneys to her mother. Mrs. Tambunga's husband, Renal Tambunga, has been one of the custodians for the Ozona Public Schools for more than 30 years, and has been at Ozona Intermediate for many of those years. He is devoted to the students and faculty of that school.

Each time a donation is made to the jar, a paper heart with the donor's name is hung on a tree in the lobby. The aim is to cover the tree with hearts. The fund drive will continue through Wednesday, Feb. 25, and any who wish to contribute may do so by coming to the Ozona Intermediate School office.

As an extra effort to help the cause, Coach Martha Sims sponsored a basketball shoot-out last week. Each child was allowed five chances to sink a basket. For each basket made, money was donated by Coach Sims in that student's name. Many of the teachers also participated by pledging money for each

Lace and Valentine cards were used to decorate two large hearts in Monday morning's craft class. The finished hearts were displayed in the lobby for everyone to enjoy. Residents working together were: Nellie Harp, Moriama Perez, Tomasa Ramos, Juana Hernandez and Edna Wallace.

The monthly residents' birthday party was held Monday afternoon honoring Elzy Bishop and Charles Watson. Elzy was presented with a lovely corsage, and Charles received a handsome boutonniere, compliments of Maxine's Flowers. The delicious cake was made by Polly Mayes. Hostesses for the party were Virginia Bishop and Elvira Caldwell. Thank you, ladies.

A large group of volunteers assisted Tuesday morning's bingo. They were: Nancy Forehand, Sophie Kyle, Georgia Kirby, Mattie Cooper, Dorothy Doll and Melinda Hokit. Thank you, ladies. You make the games all the more enjoyable. Prize winners included: Jesus Hernandez, Juana Hernandez, Tomasa Ramos, Virginia Hoover, Nellie Harp, Maggie Crawford, Edna Wallace, Emma Taylor, Moriama Perez and Alice Ross.

Hands were clapping and toes were tapping Tuesday evening when the Bob Bell Band entertained residents with humorous antics and superb music. Band members responsible for the fine entertainment were: Bob Bell, John Babb, Randy Kilpatrick, George Hester, Jim Wilson and special guest singer and guitarist Jamie Knox. Clara Babb was persuaded to share her singing talents, also. Terry and Patty Racher surprised residents and band members with an unexpected appearance. The costume Terry was wearing was outrageously comical. We were delighted with the large number of visitors who shared the evening of fun with us. Thank you, Bob Bell Band. We thoroughly enjoyed your performance.

Volunteers for Wednesday morning's ceramic workshop were Jeanie Wellman, Ruth Hester and Mattie Cooper. Residents partici-

pating were: Theo Burns, Hazel McDaniel, Nellie Harp, Moriama Perez, Edna Wallace, Juana Hernandez and Tomasa Ramos.

Residents tried their skill at bowling Wednesday afternoon. Strikes were made by Juana Hernandez and Edna Wallace. Residents with their eyes on the head pins were: Lucia Rios, Tomasa Ramos, Doris Robnett, Virginia Hoover, Moriama Perez, and of course, Edna and Juana. Pin setter was volunteer Kathy Boortz.

Residents left the company of beauty shop volunteers Vivian Hughes, Lola Rios, Melinda Hokit, Joann Williamson and Clara Byrd with uplifted spirits Thursday morning. Their spirits were further uplifted after listening to Clara playing the piano and Clara B. Freeman playing the organ.

Charles Huffman of the Lutheran Church presented the mid-week Bible study. Ruby Olson played the piano and later treated the residents to homemade cookies.

An exceptionally large group of visitors attended the Spanish Hour of Praise Thursday afternoon. Mass was conducted by Father Albert Tijerina.

An elegant candy-filled heart was won by Emma Taylor in Friday morning's bingo. Moriama Perez won a loveable stuffed puppy, and Juana Hernandez was the lucky winner of a large inflated heart. Other bingo prize winners were: Tomasa Ramos, Theo Burns, Minnie Karr, Bertha Miller and Alice Ross. Helpful volunteers were Dorothy Doll, Lillian Tambunga and Ruth Hester.

This year's Valentine sweetheart, Theo Burns, was crowned during our annual Valentine's party Friday afternoon. Residents were served punch, homemade heart-shaped cookies and delicious cupcakes by Marie Pierson, Dorothy Doll, Kathy Boortz and Jonesy Williams. Thank you, ladies, for the delicious refreshments and a successful party.

Sunday worship service was presented by Carlos Venegas of the Templo Bautista Jerusalem.

Artist of the Month Joycelyn Graves

Artist of the Month at Crockett County Public Library, Joycelyn Graves, has a keen eye for arrangement, whether it be of plants or a design for a wall hanging. The imaginative Mrs. Graves has on exhibit at CCPL handwoven articles, some of which contain yarn she has spun and dyed herself.

Wall hangings and pillows comprise the major portion of woven items she has made.

"In the bi-centennial year of 1976, I taught myself to card and spin wool," said Mrs. Graves, "first on a drop spindle, then on an Ashford wheel. I then conquered the walking wheel, the one with which most people associate spinning."

"Then came the dyeing and weaving. The dyeing is my favorite because there is always the element of surprise. I am referring to dyeing with plant materials. Some local native plants which yield dye are agerita, Texas persimmon, greasewood, turpentine weed, prickly poppy and many others."

From garden plants, marigolds are one of the best sources of a strong yellow dye. The plants are boiled in a large kettle to extract the color, then the yarn is simmered in the solution.

"But that's another story," says Mrs. Graves.

"The same principles of design apply to weaving that apply to any other art; these are balance, color, dominance, proportion, rhythm and scale. We who are involved in floral design (flower arranging) use these same principles. It all depends on the medium in which the artist is working, whether it is plant material,

painting medium, fiber or clay."

In weaving, the artist decides on the design and techniques to be used; then the yarns and fibers are selected for color, size, texture. Some areas are built up to emphasize color, and toned down in other areas - a wide selection of yarns and/or fibers helps in depicting the design.

Looms can be homemade or purchased. A beginning loom can be made from a styrofoam meat tray, with slits cut in each end ¼ inch apart. The warp (vertical) threads are wound from end to end. The weft (horizontal) is the yarn in which the design is woven.

Another beginning loom can be made by driving small nails into each end of a one inch by 12 inch piece of lumber, ¼ inch apart, and the warp threads are strung end to end.

For needleweaving, such as the steer head wall hanging displayed, large yarn needles are used. These are available where yarn and sewing supplies are sold.

The basket weave is a very basic weave and is widely used; it consists of simply going over and under each warp thread on one row, and in the following row, reverse the weaving order by going under and over. The weft can be beaten down with a fork.

Experiment with different colors and sizes of yarn advises Mrs. Graves. Strips of fabric, grasses, twigs can also be used.

"Anyone can learn to weave through the use of books, as in my case," says the artisan. "I learned from studying a wide variety of books available from libraries, and a

Lions' 19 point output. With 34 points separating the teams, McCamey finally matched Ozona in the last period as both squads pocketed 11 points.

Leading Ozona in scoring were consistent point producers Chris Denman with 14 and Lalo Rodriguez with 12. Also in double figures was Javier "Casper" Martinez who came off the bench to supply 11 points.

J.V. thrashes McCamey

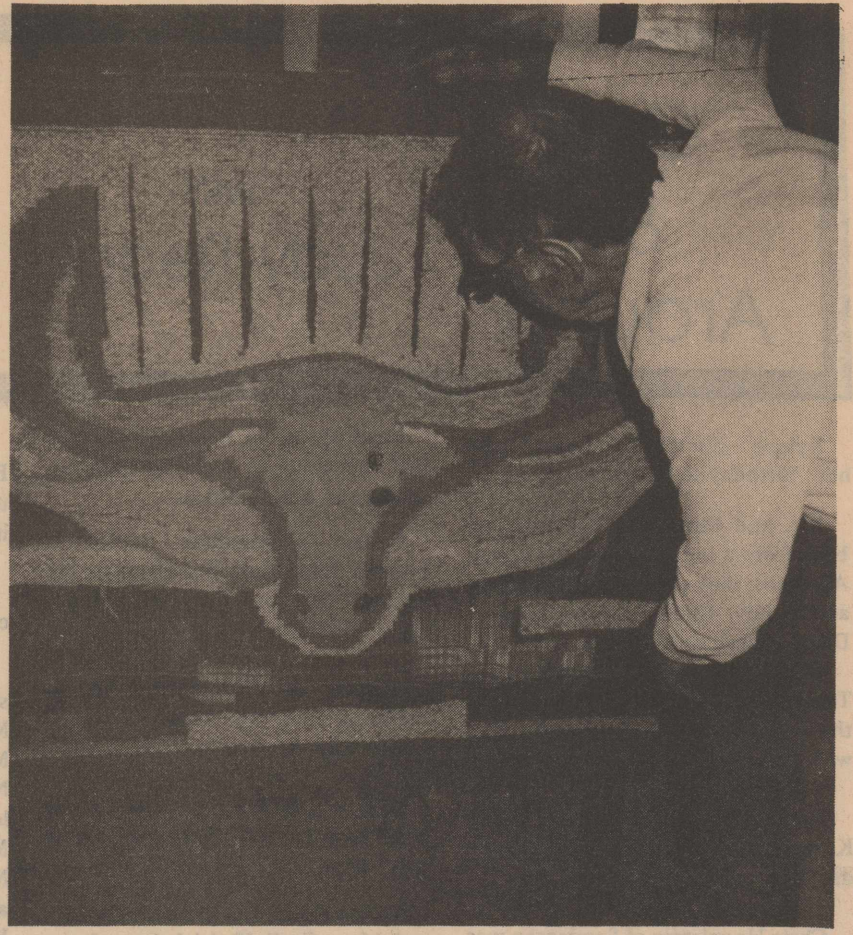

By Copie Davis

The Ozona Junior Varsity Lions began a two-game homestand Feb. 10 against the McCamey Badgers in typical Ozona fashion with a sound 67-44 win. The win propelled the Lions to 5-1 for second half district play.

Ozona quickly put McCamey out of the game as they did in the previous meeting between the two teams. The Lions began with a 22 point first quarter that opened a seven point gap which McCamey had to overcome.

The second quarter showcased Ozona's shooting ability as they canned 15 points off their slow down offense. McCamey was held to seven points and trailed by 15 at the half.

The third quarter was McCamey's downfall as they could manage a mere foul shot compared to the

personal collection of books and other publications. Study, practice, experiment are all required.

"Lee, my husband, is my greatest helper and critic. He has a natural talent for design and engineering. He is very encouraging and has made nearly all my looms, including the one displayed at the library. In watching me weave, he can easily see where improvements in the loom can be made, and makes them."

"In the designing of the steer head, he was the 'eye, ear and nose' expert."

"Incidentally, this is the first pictorial I have attempted, and it proved to be quite a challenge. The steer head is a likeness of a longhorn steer we own, and took about three weeks to complete. Most of the yarns in this weaving are commercial, except for the unspun tufts of agerita-dyed yellow; and the pecan-dyed very thick tan yarn, which was spun on a drop spindle, one of the earliest methods of spinning."

"If one would wish to interpret the colors used, perhaps the blue would represent our western skies, or perhaps a field of bluebonnets, and the

greens and browns would represent the earth. The woven slits remind me of windmill blades, with the wind blowing through. The viewer may have an entirely different interpretation, which is great."

In the weaving with the brown yarn and leather fringe, all of the yarn used was dyed and handspun except the brown, the small tufts of orange and the heavy white with the brown thread.

The yarn in the turquoise weaving is a heavy handspun from Mexico, and the raffia is commercial. "I felt the color and smooth texture of the native sotel added not only a sharp contrast, but a local interest," said Mrs. Graves.

Growing flowers, native plants and herbs at their Pandale ranch home also occupies Mrs. Graves. An artist with many interests, she received training in oil painting and pottery while associated with Texas Tech University in Lubbock.

During the 1976 opening of the Ranch Heritage Center at the university, Mrs. Graves was a decent at the Crockett County sotel and picket house from the Gary Medley ranch.

In observance of Hospitalized Veterans Week, Mauricio Hernandez [seated] and Marcial Rodriguez of Crockett County Care Center were presented bud-

vases holding red carnations. Making the presentation for the local VFW Women's Auxiliary were Mary Hillman [I] and Sue Spoonst.

Hospital board hears report on legislation

The Crockett County Hospital board met in regular session Feb. 5 at 7 p.m. in the Care Center dining room. Members present were Fred Deaton, Raymond Borrego, Alleane Jones and Jo Davidson. Others attending were Tom Cameron, Elvira Caldwell, Tina Moran, Dorothy Lane, Doug Meadows, Bill Boswell, Jacque King, Dr. Owensby and new board members Don Long and Betty Perry.

The meeting was called to order by the president, Fred Deaton. Minutes were read and approved. There were no reports from the ambulance service or committees.

The fire alarm system has been inspected by the state, and all deficiencies have been corrected. Some work needs to be redone.

Tom Cameron and Bill Boswell were in Austin Feb. 3 to testify before the senate committee hearing

on hospital district legislation. Boswell reported that the committee voted to place the bill on the docket as early as possible. Both Mr. Cameron and Mr. Boswell agreed that there could be no way for the bill to be signed in time for the April election.

The kick plates are being installed at the Care Center, and more than half of them are complete. The mobile breast cancer unit was here Feb. 2. Sixteen people were examined, and the unit will return in August.

Mr. Boswell and Dr. Jackson will go to Fort Worth to inspect a used G. E. x-ray machine later this month. A Dr. Sims called Mr. Boswell and would like to come to Ozona and talk to the board sometime this summer. Several residents are interested in locating here but will wait to see the outcome of our election.

Mrs. King reported that the total cash deposits for the hospital for the month of January were \$30,730.71, and the disbursements \$78,298.27. There were 223 visits this month to the emergency room. 193 were released, six transferred and 18 admitted. There were 322 laboratory procedures done and 64 x-rays. A total of 21 ambulance runs were recorded for the month.

The Care Center reported total revenues for the month of January were \$37,525.46 and total disbursements \$68,483.04. After reviewing the bills, a motion was made and passed to pay the January bills for the hospital and care center.

Elvira Caldwell reported that the Care Center received a superior rating from the state inspectors. Her request for need to have the washing machine tub repaired will be looked into.

Boswell reported that the Emergency Room physicians made a net profit of \$6,317.00 for 21 days in January. Hospital in-patients also were up for the month. Ambulance reports showed a net profit of \$1,000.

Don Long and Betty Perry have been appointed by the court as new board members.

The board voted to accept a \$5,000 bid from Price Waterhouse to review the financial statement rather than a complete audit.

Boswell stated that John L. Henderson had requested the ambulance personnel be put on the hospital health insurance policy. No action was taken.

A letter was read by Jo Davidson from Dr. Carlisle stating his backing of Mrs. Caldwell with decisions concerning Care Center personnel.

Hospital District legislation

Editor's Note:

This is the second of a series of articles from Crockett County Hospital pertaining to hospital districts.

Last week, we talked about how the creation of a hospital district would not drastically raise taxes, how the voters have control of setting the maximum tax rate, and, to some extent, the size of the district's budget. Now, let's talk briefly about the hospital district's board of directors.

The first seven district board members are appointed by the commissioners' court as soon as the hospital district law is passed by the legislature. The appointed board will serve until the first elected board takes office. The first elected district board would probably take office in April, 1988. The normal term of office is two (2) years.

A board member can file for re-election as many times as he/she desires and can serve as many terms as the voters approve. Hospital board members serve without pay. To qualify for a position on the ballot, a candidate must be at least 21 years old, a resident of the district, and a qualified voter. The candidate cannot be an employee of

the district, which includes the care center and the hospital. Candidates must file petitions signed by 10 qualified voters with the secretary of the district 31 days prior to the election. The candidate must specify which of the seven places on the board that he/she wishes to fill. All places on the board are filled by at-large candidates, which means the candidate does not have to live in a particular precinct. There will be seven board members who are elected at-large for two year terms. The board members receive no compensation except for reimbursement of expenses incurred in performing board business.

Now, let's discuss a little about the powers and duties of the hospital district board. The board appoints the hospital administrator, an assistant administrator, and the hospital district's legal attorney. The board can appoint or remove medical staff members from the active medical staff. The board may adopt rules governing the operation of the hospital and staff. The board can recruit physicians and provide scholarships for medical related training.

The district board may accept donations to the district to hold in trust for any purpose prescribed in writing by the donor. In addition, the board is responsible for good general management and accounting procedures. The board may sue and be sued on behalf of the district. The board is responsible for preparing an annual budget and holding a public budget hearing. The district may not levy a tax greater than 35 cents per hundred dollar valuation. The board may, if authorized by a local election, issue and sell bonds to purchase,

construct, repair, or remove buildings or equipment and to pay for improvements. The hospital district will assume title to all land, buildings, equipment and other assets used by the hospital and care center.

After the district is formed, the county can no longer levy taxes for hospital and care center support. This becomes the responsibility of the hospital district. The hospital district also assumes responsibility for providing medical care for the district's needy.

Guns and/or freedom

By Ron Beall

"Take away our guns, take away our freedom!" This short but powerful phrase is used in an advertisement by our local gunsmith. It conjures up visions of marching militia and makes some men swell with pride. Grab the guns and let's go get 'em! 'They' won't get our freedom!

Freedom is usually taken as liberty, independence, and unrestricted activity; however, not being under another's control is

really a 'pie in the sky' concept. Every activity that we are involved in affects every idea of freedom that we have ever had.

Take, for instance, this little newspaper column. Its contents can actually be presented to the editor of this paper, accepted, rejected or snubbed! All of this with no fear of reprisal or anxiety. This is freedom of the press which should be enjoyed by all. If you every let "them" take this freedom away from you, for any reason, don't give "them" your guns 'cause "they'll" sure as heck aim in your direction!

Debbie Phillips chosen 1987 Valentine Queen of Xi Sigma Omega

Xi Sigma Omega chapter of Beta Sigma Phi held the annual Valentine Ball on Feb. 13, 1987. President Donna Sanders and reigning 1986 Valentine Queen Arlene Clayton hosted the evening.

With 12 members and their husbands present, Mr. and Mrs. P-Nut Sanders took photos of each couple.

The Horse's Inn Lounge was the setting for the occasion. A large heart and red chair decorated the back of the lounge. Tables were placed in a horseshoe shape with centerpieces of hearts and flowers.

Members and their husbands were treated to a feast of seafood and cheesecake.

Following the meal, Mrs. Clayton read a beautiful poem. She then presented the 1987 queen and

duchesses. Duchesses are Mrs. Donna Sanders, Mrs. Marsha Cannon and Mrs. Jeannie Wellman. Mrs. Debbie Phillips was honored as the 1987 Xi Sigma Omega Valentine Queen.

Mike Clayton and Winston Koerth were winners of door prizes. Secret Sisters exchanged gifts, then members and their husbands enjoyed dancing and a party in the lounge.

Couples attending were: Mr. and Mrs. P-Nut Sanders, Mr. and Mrs. Mike Clayton, Mr. and Mrs. Laron Snyder, Mr. and Mrs. Winston Koerth, Mr. and Mrs. Steve Cannon, Mr. and Mrs. Jamie Sawyer, Mr. and Mrs. Jim Adams, Mr. and Mrs. Eddie Hale, Mr. and Mrs. Woody Phillips, Mr. and Mrs. Royce Newton, Mr. and Mrs. Jerry Fatout and Mr. and Mrs. Hank Wellman. Hamanaka competition in May

The 1987 Hamanaka mohair trophy competition is scheduled to be held in May.

Deadline for submission of entries is close of business Wednesday, April 1. This year the Texas Wool and Mohair Warehouse Association will host the competition.

Warehouses which had offered to serve as receiving points for entries

as of early February were: Wool Growers Central Storage of Ozona, Sanderson Wool Commission Company of Sanderson and Wool Growers Central Storage of San Angelo.

Competition will be held at the Sheraton Hotel in San Angelo during mid-to-late May. The date set once travel plans for Hamanaka Company representatives have been finalized.

Letters to the Editor

Dear Editor:

I along with my assistants, Manuel Munoz and Ben Ross, would like to say thank you to the fine people of Ozona. The Scouting For Food Program conducted Feb. 7 and 14 was a great success. The Boy Scouts alone collected some 1300 cans of food. I understand the Cub Scouts of Ozona did just as well in their collections. This food will be distributed in Ozona to the needy.

This food drive would not have been as successful without the help of several people who helped with advertising. The Ozona Stockman and The Crockett County News, along with KRCT and Circle Bar Cable Television, gave all the free advertising I needed without question. I greatly appreciate these local businesses for helping.

I hope Ozona will take pride in their Scout troop. Please thank the boys for all the work they have done and will do in the future for their community.

Thank you again for your support, Ozona. If the troop can assist anyone, please let me know. We are always willing to help this great town.

Ray Don Myers, Scoutmaster
Ozona Boy Scout Troop #153

Dear Editor,

The Boy Scouts, under the direction of Ray Don Myers, are to be commended for their efforts in the food drive. More than 1300 cans of food were donated to the Meals on Wheels and Helping Hands project.

To all Ozona we say thanks for your continued support of our program.

Helping Hands For The Elderly, Inc.

Dear Linda and Scotty,

The Crockett County 4-H Club members, leaders and I want to thank you for your donation to our recent livestock show. We really do appreciate your support of the 4-H feeding program in this county.

As you know, the goal of 4-H is to help youth learn practical skills and gain knowledge that will make them better citizens and leaders of tomorrow. Generous people like you help us to do this through our feeding program.

Thanks again for investing in our youth.

Sincerely,
Billy H. Reagor

Toll-free student financial aid hotline

Financial aid is available for needy students wishing to obtain post-secondary training and education. To help spread the word and to assist students with the application process, the Texas Association of Student Financial Aid Administrators (TASF AA) is sponsoring a financial aid hotline. Scheduled to operate between 10 a.m. and 6 p.m. on Saturday and Sunday, Feb. 21 and 22, the toll-free number for students to call is 1-800-253-8989. Professional financial aid administrators will be standing by to answer questions regarding aid eligibility,

the types of financial assistance available, and to assist families with the completion of the financial aid forms. "With the major changes in the definition of an independent student and the publicity surrounding the reauthorization of the Higher Education Act, many families may have gotten the idea that financial aid is not readily available," said Mike Novak, Director of Financial Aid at the University of Texas at Austin and chairman of the TASF AA Public Relations Committee. "The fact is that there is financial

aid available for the students who need it most. That is why TASF AA decided to sponsor the hotline this year," Novak continued. "We wanted to find a way to reach those families, answer their questions, and guide them through the application process." The toll-free financial aid hotline will cap a week of activities planned for Financial Aid Awareness Week, which is sponsored by Texas post-secondary schools.
