## THIS WEEK

- 2 Shopping at home makes sense this holiday season.
- 4 Bob Watson looks at what local merchants have to offer.
- 5 Hedley students perform in a play recently.
- 6-7 Unleash your potential at Clarendon College during winter or fall sessions.
- 9 And local Cub Scouts race homemade boats.

All this and much more as *The Enterprise* reports in this week's amazing edition!

## Enterprise to close Thursday and Friday

The Clarendon Enterprise will be closed Thursday and Friday, November 22 and 23, in order to give thanks for our many blessings with our friends and families. We thank you, our readers and advertisers for your continued support and invite you to join us this Friday and Saturday as we support our local merchants with their Black Friday and Small Business Saturday.

## Community meal to be held Thursday

The annual free Community Thanksgiving Feast will be held this Thursday, November 22, at the Clarendon School Cafeteria from 11 a.m. to 1 p.m.

All are welcome and carry-out plates will be available.

For more information, call 874-2573.

## Girl Scouts to light tree this Sunday

Clarendon Girl Scouts will gather to light the Christmas Tree at the Courthouse this Sunday, November 25, at 6 p.m.

The community is invited, and refreshments will be served afterwards at the First Christian Church.

## Extension to offer pesticide training

WICHITA FALLS – Two days of training and testing for Texas Department of Agriculture pesticide applicator licenses, whether commercial, non-commercial or private, will be offered November 27-28.

The training will be held from 8:30 a.m. to 3:30 p.m. November 27 in the county's AgriLife Extension office, 600 Scott in Wichita Falls.

The training will focus on four tests offered by the Texas Department of Agriculture: laws and regulations and the general test, plus either the ornamental and turf test or the right-of-way pest control test. The program includes the study guides for each test, lunch and the training for \$125.

Persons seeking a private pesticide applicator's license can attend a training beginning at 8 a.m. Nov. 28, with testing immediately following, he said. Cost for the training and study materials is \$50.

The deadline to enroll for both training sessions is noon Nov. 21. To register or for more information, call 940-716-8610.

## Recycling center sets winter hours

The City of Clarendon Recycling Center on Front Street is open from 11:30 a.m. till 5:30 p.m. Monday through Friday and 8:30 till 5:30 on Saturday. We will resume Sunday afternoon hours with the advent of spring.

Remember that the City accepts all kinds of recyclable materials – especially cardboard and metals. We also will accept yard waste and tree trimmings.

## Local stores rolling out savings this week

Shopping small can have a big impact this weekend as Clarendon merchants mark down prices and roll out the savings for Black Friday and Small Business Saturday.

While the big city may lure some people to forego their sleep and start shopping way before the crack of dawn on Friday, local stores are encouraging people to shop at home and enjoy the benefits of wide selections, no traffic, no hassles, and no crowds.

"Black Friday" – the day after Thanksgiving – is traditionally the busiest shopping day of the year in the US and gets its name because so many businesses see it as the chance to get their books "in the black." But many Clarendon stores are view-

ing it as a great day to provide customers with their usual outstanding customer service as well as great savings.

Sales and promotions will continue on Saturday as part of the second annual "Small Business Saturday," which is being promoted nationwide by American Express as a day to support the driving force of our local economies.

Small Business Saturday began in 2010 when American Express founded it to help small businesses get more exposure during one of the biggest shopping weekends of the year. Last year, more 100 million people came out nationwide to shop at independen-

owned small businesses on the day. Now, in its third year, Small Business Saturday will be even bigger.

According to small business advocates, every \$100 spent in

locally-owned stores returns \$68 to the local community through taxes, payrolls, and other expenditures. That same money spent in another town returns nothing to your local community.

This year, several Clarendon merchants have teamed together for a marketing campaign to attract people from around the area to skip the hectic atmosphere in the city and shop here in Clarendon. Television ads on KAMR Channel 4 in Amarillo began airing this week and are enticing buyers to "Don't let Black Friday be a shopping nightmare, come to Clarendon and take it easy."

Another effort to tout the benefits of shopping at home can be found in the special section appearing in last week's and this week's issue of *The Enterprise*. There you'll find deals, tips, and tricks for shopping at home this holiday season. The deals in the section are all good for Friday and Saturday, November 25-26, and the section also includes the second annual *Enterprise* coloring contest for the kiddoes with the chance to win \$50 cash.

Shop at your favorite local stores in Clarendon this Black Friday and Small Business Saturday and help fuel the economy. Support the merchants who support our community by shopping at home this holiday season.

## Cuttin' up

Clarendon Kindergarteners Savanna Wright and Benjamin Estlack carve their own Mayflower ships out of ivory soap prior to the class' friendship stew Tuesday afternoon. Kindergarten students dressed as Pilgrims and Indians for their Thanksgiving activities.

## City okays 5 percent trash hike

Garbage rates will soon be going up after the Clarendon Board of Aldermen approved Ordinance 420 during last week's city meeting on November 13.

City Administrator Lambert Little said the rate hike will be a five percent increase on all accounts and will generate about \$10,000 per year for the city.

Little said the sanitation services ought to be a net revenue stream for the city but should at least break even. Maintenance costs are rising in the sanitation department, he said, due to aging equipment that is breaking down at the same time.

"We cannot maintain our equipment right now," Little said. "Last year we bought and re-built a used truck with grant money. We desperately need two more trucks, but they cost about \$200,000 each and have life spans of about 10 years."

Little had sought a 30 percent increase in sanitation fees last year, and the administrator still says Clarendon could help its sanitation department by recycling more, which brings in some revenue to the city.

The new rates are detailed in a public notice in this week's *Enterprise*. Commercial customers with a shared 1½-yard Dumpster will see their rates increase by 95¢ per month, a shared three-yard Dumpster fee will increase \$1.90, and a shared residential Dumpster will go up 83¢.

In other city business last week, aldermen approved an application for a solid waste grant that, if awarded, would pay for 36 three-yard Dumpsters for recycling. Little says if the city were to get those new Dumpsters, the best of the retired recycling Dumpsters would be repurposed for trash service.

The board approved a resolution authorizing the Clarendon Economic Development Corporation to submit a grant application to the Texas Department of Transportation for funds to pay for the Phase Two interior rehabilitation of the Mulkey Theatre for use as a movie theatre and visitor center. The CEDC would be responsible for coming up with a 20 percent match for the grant.

## TxDOT offers Thanksgiving travel tips to stay safe

AUSTIN – Heading to grandma's house this Thanksgiving? Results of a reader survey from Texas Highways – the state's official travel magazine – show 48 percent of Texans said, "yes." Among those, 92 percent said they will be traveling by car on Texas roadways, which is why the Texas Department of Transportation wants to remind drivers to obey all traffic laws when driving.

"Historically, the busiest travel days are the day before and the

Sunday following Thanksgiving," said John Barton, TxDOT deputy executive director. "Thanksgiving is a time to be spent with family and friends, so we want to make sure Texans get to where they need to be safely."

In 2011, there were 848 serious injuries and 26 deaths from traffic crashes that occurred during the Thanksgiving holiday reporting period. In an effort to reduce the number of traffic fatalities this year,

TxDOT is asking drivers to follow a few simple rules of the road: Pay attention, Buckle seatbelts, Put phone away, Left lane for passing only, Never drink and drive, and Obey all traffic laws.

Hazardous weather can also cause problems for drivers. Motorists can reduce their risk by knowing some winter weather driving tips and practicing a few road safety habits, such as planning ahead, and being aware of alerts and advisories in

your area. Winter road preparedness includes the following:

Ensure your vehicle is properly maintained. Stay tuned to local news, road closures, changing conditions and weather alerts. Check online highway conditions information at DriveTexas (www.DriveTexas.org).

DriveTexas is mobile friendly and a great tool that offers real-time road conditions, traffic and weather feeds. Travelers can also call TxDOT's highway conditions line at

(800) 452-9292 for routing and trip-planning information.

And if grandma's not sure she wants to host the family dinner this year, TxDOT encourages travelers to pick up the latest edition of Texas Highways magazine where you can always find your next destination. Visit [www.texashighways.com](http://www.texashighways.com) for more information.

For more information, contact the Texas Department of Transportation at (512) 463-8700.

# Take time to visit our merchants

In what has become a tradition, our family has again set the goal of getting as much of our Christmas shopping done right here at home this Friday and Saturday.

Now certainly, there may be an item or two that we just can't get here or we order online, but our intention is to make 90 percent or more of our purchases from local merchants – the men and women who support our community and our newspaper.

The Enterprise has always supported the "shop at home" theme and encourages people to "be loyal and buy local" whenever it is possible. And likewise, our local merchants have always gone out of their way to try to make shopping Clarendon attractive and fun.

In the past, we've seen Late Night Shopping and Christmas Cash as vehicles to promote our local businesses, but this year, the merchants are playing off the national trend of promoting Black Friday and Small Business Saturday and have prepared some really nice sales and promotions for this weekend.

Why spend the money on gas, the time on the road, and the Tylenol on the big city headaches when you can come to downtown Clarendon this weekend and park right in front of your favorite store, be greeted by the business man or woman who knows your first name, and find great gifts for great prices? Stay home and be pleasantly surprised by the selections, the savings, and the service that you can get right here in Clarendon.

This year, an ad from Courtney Newhouse Monroe at Country Bloomers Flowers & Gifts encourages everyone to shop not necessarily at her store but at all local stores. "Buy Local, or 'Bye, Bye' Local" is the theme of her ad, which lays out statistics and logical reasons why shopping close to home is better for our quality of life and our economy. And it also sums up the reality of the situation – if we don't support our local business, we won't have any local businesses.

Your local merchants are the ones who pay taxes here to support your city, county, college, school, and ambulance service. They are the ones who pony up every time a kid comes in raising money for the third or fourth "worthy cause" this week, and then when they go to the grocery store, they will dig into their pocket and find money for the cookies or pies at the bake sale of the week.

The money we spend in Amarillo pretty much stays in Amarillo. It doesn't come home, it doesn't keep the lights on in our school, and it doesn't keep our senior citizens centers running.

This is not to say it's bad to shop in Amarillo, but rather it is to say that we need to think about our purchases. It makes a difference when you shop at home. It is simple economics, and it is common sense. The more you spend in Donley County, the more our local businesses can put right back into the local economy.

We all win when we shop at home.

## With our heartfelt thanks...

We would like to take this time to thank those of you who make this newspaper possible and therefore keep food on my table and shoes on my kids. (The kids are eating more and going through clothes faster, so we're perhaps more thankful for you all as time goes by.)

My wife, Ashlee, deserves a huge thanks for all she does to keep me going and for all the behind the scenes things she does for this newspaper. She's a part-time writer, part-time editor, part-time photographer, part-time ad salesman and designer, and full-time thinker and sounding board. Then in her free time she works full time at the college and does a great job as the mother of two wonderful kids.

Our staff deserves special recognition also. Tara Hogan and Morgan Wheatly keep things humming while juggling their busy college schedules, and our honorary staff member – Fred Gray – fills in whenever needed, keeps us laughing, and does a great job of keeping the Enterprise the talk of the town... and sometimes other towns. Every

Our contributors – Sandy Anderberg, Kari Lindsey, Matt Martinez, Peggy Cockerham, Kathy Spier, and Bob Watson – are our extra hands and help us cover a whole range of subjects that we couldn't get done without them. We thank each of them for their parts in making this a paper that does its best to cover all of Donley County.

And of course we have a host of volunteers who provide us occasional photos and articles. We can't mention them all here because we would surely leave one out, but Suzanne Taylor, Alice Cobb, and Melody Hysinger are examples of friends and readers who help us cover the news when we can't be there. It is these folks who truly put the "community" in our community newspaper.

And last but certainly not least, we salute our readers and advertisers. Without them, there is no Enterprise, and from the bottom of our hearts we thank them for their continued trust, faith, and support. We will continue to do everything we can to be deserving of all of you who have made it possible for this paper to deliver the news as it has for more than 134 years.

Thank you all very much. We are proud to serve Donley County, and we hope that you continue to enjoy our weekly endeavors.

# Here we go again with secessionists

Well, the re-election President has, once again, resulted in another secessionist's movement. Actually, it's more like 40 of 'em. That's all we need, another confederacy of dunces. Jeez.

Doesn't anyone listen to Sam Houston anymore? Back in the day, when the Texans were in a stupid mood, with more testosterone than brains, they fell under the spell of the less-than-astute minds of Mississippi, Alabama, South Carolina, et al, and made a very bad decision. Those very same Texans then ignored the counsel of General Sam, and paid a dear price for their ignorance.

Try as he might, through deceit and all the political tricks he could muster, Sam failed to keep Texas from joining the Confederate States of America, a dysfunctional group of idiots, miscreants, and wild-eyed dreamers who were willing to trample on the Constitution of the United States of America, and destroy democracy in the process, all for their own selfish gain. As Sam prophesied, the C.S.A. got their butts handed to them, and then had their noses rubbed in their own excrement throughout period of Reconstruction that followed.

My point is that it is a very serious thing to speak of leaving the union, even in jest or to make a political point. Bad things tend to happen when people and states attempt to secede from countries, including the United States of America. As I recall, things didn't work out too well for the South during and after the Civil War. Things didn't work out much better for the North, either. The big losers of that war were the American people, at least in the short term. The big winner was democracy, won at an enormous cost in lives and misery.

Now, just because we have elected a president that 80% of the land area of the United States, and a huge majority of countries throughout the land, didn't support, everyone wants permission to secede. Think about it, if all the states

that didn't support the president seceded from the Union, America would look like an archipelago. It would no longer look as magnificent as it now does on the globe.

There is a site at the White House, *We the People*, where visitors can submit petitions on a range of important issues facing the country, and the White House promises to comment on them when they reach a certain threshold. I'm sure this promise will not be forthcoming in a timely manner, especially regarding Texas.

Anyway, most of the petitions bear the title, "Peacefully grant the [state's name inserted here] to withdraw from the United States of America and create its own NEW government."

Texas' petition reads: "The US continues to suffer economic difficulties stemming from the federal government's neglect to reform domestic and foreign spending. The citizens of the US suffer from blatant abuses of their rights, such as the NDAA, the TSA, etc. Given that the state of Texas maintains a balanced budget and is the 15th largest economy in the world, it is practically feasible for Texas to withdraw from the union, and to do so would protect it's [sic] citizens' standard of living and re-secure their rights and liberties in accordance with the original ideas and beliefs of our founding fathers which are no longer being reflected by the federal government."

Well, silly me, I'm fairly certain that the White House will not allow our less than intelligent governor, or anyone else in Texas, have the satisfaction of a serious reply. There is, however, a group

of anti-secessionists who suggest that the United States ought give these Texans their wish, designate them illegal aliens, and deport them to distant lands, preferably Antarctica. Then the Democrats could move more people into Texas, reclaim the two Republican seats and the House members, and reclaim control of the House of Representatives. So, the secessionists need to carefully consider all the consequences of such a hasty decision.

So far, the states with the most signatures (in order of number of petitions) are: Texas, Louisiana, Florida, Georgia, and Alabama. If more people in Mississippi could read and had better internet access, I'm sure they would be better represented.

The 36 states for which petitions have been submitted are: Alabama, Alaska, Arizona, Arkansas, California, Colorado, Delaware, Florida, Georgia, Indiana, Kansas, Kentucky, Louisiana, Michigan, Mississippi, Missouri, Montana, Nebraska, Nevada, New Jersey, New York, North Carolina, North Dakota, Ohio, Oklahoma, Oregon, Pennsylvania, Rhode Island, South Carolina, South Dakota, Tennessee, Texas, Utah, Virginia, West Virginia, Wisconsin, Wyoming.

There is an easier way to get our point across. It's called the power of the vote. Rather than going through all the trouble of seceding from the Union, why not organize a grass roots movement and vote the scoundrels who don't put their constituents first out of office. Now, there is a novel idea. Imagine that. We the People don't have to ask the White House or anyone else for permission to do something, no matter how radical. If our Congressmen and Senators (both state and federal) don't do what we want, prove to be liars (which they all are), and whore themselves out to the people with the most money, we can deport them back to their home districts.

OMAHA WORLD HERALD  
KOEERBA

# Taking the time for giving thanks

As we prepare to celebrate Thanksgiving with our loved ones in the coming days, I am again reminded of the reasons I love Texas and her people, and why I am so proud to call the Lone Star State home.

During the past few weeks, Texans across the state have come together to find ways they can assist the many residents of the Northeast who were displaced by Hurricane Sandy. From Houston, Elena Davis, founder of the I Am Waters Foundation, and her team of volunteers directed 76,000 bottles of water to victims on the East Coast. Davis and her husband Gregg traveled to New York to oversee the distribution.

Bud Royers, owner of Royers Round Top Café, in Round Top, Texas, and a friend will soon be driving to the Jersey Shore, Staten Island and the Rockaways, to deliver more than 650 of his handmade pies to relief kitchens in hopes of providing comfort food to hurricane victims on Thanksgiving. The Dallas Market Center is financing Royers' trip, and he will also deliver gift

cards donated by other generous Texans.

From the Texas Panhandle, Red Cross volunteer Nick Rocha traveled with three other volunteers to the East Coast to help victims recover in the aftermath of Hurricane Sandy. Rocha, who was named 2010 Volunteer of the Year by the Red Cross' Texas Panhandle chapter, told the Amarillo Globe-News he has helped victims in previous natural disasters such as tornadoes and fires, but had never witnessed anything as devastating as the scenes he encountered when he arrived in New York. One highlight of his trip was the opportunity to boost the morale of children at a relief shelter when he built a snowman, which he topped with a cowboy hat and named "Little Texan."

On November 2, a group of 60

volunteers from Texas Baptist Men in Dallas drove three giant trailers to New York that were fully equipped with showers, kitchens and laundry facilities to provide hot showers, warm meals and clean laundry to hurricane victims. Volunteer Stan Knight told NBC 5 KXAS, "It's a Hilton on wheels. We have three showers in this room, three over here. We'll have three washers, four dryers. They're large capacity so we can do a lot of laundry." He added, "It's unbelievable what clean clothes and a shower will do on your overall outlook on things."

These are only a few stories of Texans who have risen to the occasion in the past few weeks to show their fellow Americans in need the Texas spirit of generosity and kindness. Across the state, many other individual Texans and Texas businesses have donated their time, resources and supplies to a wide variety of relief organizations. For this I am deeply thankful this Thanksgiving.

May God bless you and yours this holiday season, and may He continue to bless the great state of Texas.

### Helping caregivers, the unsung heroes of cancer care

By Dr. Vance Esler, Texas Oncology—Amarillo  
Help Wanted:

Rewarding, demanding opportunity in strategic healthcare support, including medical technology, complex medicine administration, and general nursing care; household maintenance; meal preparation; lawn care; financial management; chauffeuring; counseling. Part-time (i.e., position often is additional to full-time employment) with potential for long-term engagement.

Skills needed: ability to manage multiple competing urgent priorities; deftness in understanding and communicating medical concepts; steadiness amid crisis including life and death situations; ability to function with little sleep, amid high stress, and for extended periods of time without time off; wisdom of Solomon, patience of Job.

If this job description sounds familiar, you likely are one of the more than half a million Texans who served as a caregiver for an elderly or ailing loved one this year, including the 110,000 Texans diagnosed with cancer in 2012.

If this position is not familiar, but strikes you as overwhelmingly challenging, then I ask you to think of your friends or relatives who hold this job and consider how you can help them.

In our community-based practice, I frequently meet the unsung heroes who assume the "always on" positions alongside their loved ones who are cancer patients. My colleagues and I are deeply moved by their unlimited compassion. We thank them for all their sacrifices and support.

Every cancer "case" is a story about real people – the patient and their supporting cast of loved ones. For example, when Texas Oncology patient Barbara Warf was diagnosed with lymphoma, friend Violet Parsons and her husband accepted the job without hesitation – attending appointments, daily calls, and so much more. The Parsons even scheduled a family vacation so that they could support Barbara during chemotherapy.

Barbara's reaction: "Violet is my angel."

Caregivers indeed are angels. But they are angels who need angels.

Researchers have confirmed that the emotional, physical, and financial toll caregivers pay is significant, and that they need support, encouragement, and respite in order to stay effective in this demanding role. Caregivers, like cancer patients, are at high risk for depression and anxiety, stress-related health problems, and loss of income due to missed work.

Thank a caregiver – every little bit helps

During November, National Family Caregiver month, I urge you to take time to express your thanks for these critically important partners in the cancer fight. Many caregivers who could use help the most are least likely to ask for it.

Your support can take many forms. Even a simple acknowledgment can make a big difference. The Texas Oncology team encourages you to devote at least one hour this month to helping a caregiver. Here are a few suggestions:

- Give a caregiver day off – guilt free
- Drop off supplies for a favorite hobby (such as knitting yarn or a new book)
- Invite the caregiver's children for a play date
- Ask for a list and run errands
- Organize and schedule other friends to provide dinner
- Mow the lawn
- Donate house cleaning services
- Stay in touch and be a good listener

Caregiving is extraordinarily difficult, but meaningful and rewarding. For the job of supporting caregivers during this season of gratitude and giving, I hope you agree with me that we all are hired.

For more information about thanking and supporting caregivers, please visit [www.TexasOncology.com/GivingThanks](http://www.TexasOncology.com/GivingThanks).

Dr. Vance Esler is a hematologist at Texas Oncology—Amarillo, 1000 S. Coulter in Amarillo, Texas.

### Safety Awarded at TxDOT

The Texas Department of Transportation (TxDOT) held their annual Safety Awards Banquet on November 9, 2012 at the Childress Fair Park Auditorium in Childress. This banquet is held to recognize employees outstanding efforts in the operation of TxDOT vehicles and equipment and for having no work related injuries. The Donley County Maintenance employees were recognized for combined totals of 96 years as safe operators and 81 years of no injury. Members of the Donley County Maintenance Section receiving awards are: Harold Armstrong, Refugio Benavidez, Roy Bertrand, Clay Christopher, Randy Crump, Scott Martin, Brian Miller, Mike Ritchie and Wesley Williams. For more information, contact Barbara Seal at [Barbara.Seal@txdot.gov](mailto:Barbara.Seal@txdot.gov) or (940) 937-7288.

Three Donley County 4H members came home with medals from the District Food Show held in Bushland on Saturday, November 17. Chardy Craft won 1st place with homemade ravioli in the Ground Meat Category. Also in the Intermediate age group, winning 3rd place in the Fresh Fruit category was Emily Johnson. In the Junior age group, Izzy Craft won 1st place in the Filled Egg category with her Pesto Deviled Eggs. Other participants were Shelby O'Keefe, Zoe Adams, Brooke Duncan, Jodee Pigg and Joslyn Burton. Each presenter was also given a box of brownie mix and a package of Sweet Potato pancake mix furnished by Arrowhead Mills. Pictured are Joslyn Burton, Zoe Adams, Chardy Craft, Izzy Craft and Shelby O'Keefe.

### Clarendon Church of Christ WHAT ARE YOU THANKFUL FOR?

I am so thankful for many things. Without God, I would have none of them nor could I be happy. I would like to share with you things or people that I am thankful for. If we all looked at our lives, we would realize we have more blessings than troubles.

I am thankful to be a Christian. Jesus died for you and me, yet He gave us the option to live His commanded way. My mother and grandmother began taking me to church when I was a baby. I was blessed to never remember my first time in the worship assembly. I would wager that those of us who are church – goers have fond memories of those who began taking us and our teachers.

I am thankful for a wonderful and Godly spouse. She always takes care of me and my children, even when she is sick herself. I never have to worry about her doing anything to bring shame to my family and know she will be by my side when I leave this earth.

I'm blessed with good kids. They make good grades and stay out of trouble. I don't get phone calls after midnight about trouble they are in. They are both Christians and that is the most important achievement that my wife and I can point to concerning our babies.

The church here at Clarendon is a fine group of people. They help others in this community and are involved in several children's homes. They support several missionaries on the Navajo reservation and often travel many hours out west to help our Indian brothers in Christ try to spread the gospel.

I am thankful for this town. Folks always point to the bad, whether in their families, schools, church, or whatever. It is usually a small portion that they point to concerning the negative when the positive far outweighs the good. The folks here in Clarendon are good, God-fearing people for the most part. Many have come to my aid during certain trials and I am very grateful for that.

I could go on and on for things to be thankful for but I'm about to wear out the i button on my computer. The point of this piece is to raise awareness in all of us about all the great things in our lives that we can be thankful for. Ephesians 1 tells us that all good things come from above. We should be thankful for our blessings but more thankful to the One above who is responsible for them. I pray that you have a Happy Thanksgiving holiday. Enjoy your family and meal together, but remember to give thanks for the important things. They are always there even when we don't acknowledge it.

**AIRSEP**

At less than 2 lbs. (0.8 kg), Focus by AirSep, is the world's smallest and lightest portable oxygen concentrator (POC) available anywhere. This ultra lightweight POC is easy to use and never needs refilling. Simply plug it into an AC or DC power outlet, or operate it on battery for unlimited oxygen. Vacations, trips, and other special events are now possible — whether just around the corner or around the world. Up to eight hours of battery travel time. The search for an oxygen portable that is not too heavy ends with Focus. One can regain confidence and independence today and feel the difference a lighter, wearable portable O<sub>2</sub> system can make for ambulation.

**Buy Local or Bye Bye Local**

Just some facts to keep you safe when you are shopping out of town. Ladies don't carry a lot of money. Carry a small purse, preferably one with a shoulder strap that you can carry under your jacket. Remember the door buster specials are great, however many chains raise other prices during Black Friday. Watch what you buy.

Remember the crowds, muggers, purse snatchers and thieves are bad this time of year. So why put up with the entire problems that go with Black Friday shopping in Amarillo? Shop at home where you will find bargains and not have to spend gas money to get there and back.

Hey, shopping in Clarendon can be fun and very profitable. Did you look at the Holiday Gift Guide in this week's paper? Let's run a fun Black Friday shopping in Clarendon. You can get up enjoy coffee and a leisurely breakfast. Have your shopping friends over and plan your day. No rush, most stores will be open by 10. Drive 287 to the east edge of Clarendon and start back.

1. First stop will be 3H All Natural Cattle Company. Their meat is so good. Try it, you will like it.

2. Cornell's Country Store. Western clothing, boots and other gifts. Free gift wrap.

3. J&W Lumber. Useful gifts you'll love. Very good specials.

4. WootWicks. Your NAPA Auto, Truck Equipment and Parts.

5. Floyd's Automotive Supply. Great Gifts for Dad. It's a guy kind of place.

6. 287 Tire & Tube. Located in Floyd's Automotive. Buy him a new set of tires.

7. Country Bloomers Flowers & Gifts. Fresh flowers for the holidays are always great, lots of specialty gifts. Great selection of Pocket knives for men.

9. The Outpost. A great place to shop for gift items and more.

Now let's start on the north end of downtown Clarendon. First is

The Clarendon Enterprise. Take a moment to think, "What if we lost the Enterprise?" Dorthy and I lived in Claude many years ago. A small town with a great little newspaper. As stores closed, because the people started shopping in Amarillo, the paper lost advertisers and suffered. No more keeping up with local news and local happenings.

Then take a minute and look at the improvements on the Mulkey Theatre. It is coming along great. Support the Mulkey restoration.

10. Owens Boot Shop. A great small business. He can fix your shoes or sell you leather belts and work boots.

11. Straight Off The Ranch. Not open on Black Friday but will be open for Small Business Saturday. If you haven't been in the store, you are missing a great new business in Clarendon. A store featuring hand-made creations by local artists. From baskets made from rope by an artist who lives on the JA, handmade jewelry, beautiful pictures and saddles. Spurs, bits, Western Hats, pottery made from leather and many other items. (Not the junk from China)

This is what we need to revitalize our downtown. A young woman who outgrew her attic where she had her shop, and took a chance. She has obtained a building, remodeled it and made it into one you need to see. Along with our other downtown stores this is a great first step in becoming The Fredericksburg of the North. We have 287 and they have to work to get people to come.

South of the light (watch out for red light running trucks) we find: 12. Every Nook and Cranny. 25-50% Off Black Friday & Small Business Saturday, Unique Gifts, Christmas Décor and Western Ornaments, along with much more. People come a long ways to shop at "the Nook."

13. Saye's Clothing. Stop in for good buys on all types of clothing. What's that you say, you can get it cheaper in Amarillo? "Wrong" when you add in the expense of gas.

14. Stavenhagen Video. Great electronics, Flat screen TVs, Kindle readers, X-box 360's, and Sony PS-3s. Also the Radio Shack with many other products.

15. Henson's. Toys, Jewelry, Clothing, Hardware, and many other gift items.

16. Ronna's Creations. Another new store featuring 20% off store wide November 23&24. Many great shopping items for Christmas.

17. Osburn's Appliances. Buy yourself a new large appliance for Christmas.

18. Hair Connections Thrift Store. Maybe something that could be donated to help someone who needs a coat.

I left out Lowe's and Dollar General that are not locally owned. Good stores just not local owned.

This list is not all inclusive but given to outline a way to think local, buy local and be a part of our community on Black Friday and Small Business Saturday. We have many other locally owned business, gas stations, beauty shops, barber shop, auto repair shops, used cars, antique stores, attorneys, wrecker services and several local restaurants.

Why do we need to trade with our friends and neighbors? Read Country Bloomers' ad in The Clarendon Enterprise's 2012 holiday gift guide last week for the top 10 reasons.

Stay safe out there and shop at home.

**Take time to be thankful this Thanksgiving**

I watched the first part of Ken Burns' "The Dust Bowl" Sunday night on PBS and wondered how those people celebrated Thanksgiving because of the dust. No crops, banks foreclosing, family members sick, and the insidious, relentless wind and dust. I realized the ones that stayed, like my family, were very optimistic, always knowing next year would be better. That attitude is what makes the Texas Panhandle such a great place to live, and we inherited it from those survivors.

What do you have to be thankful for this year? I know my answer to that question as I begin preparing food for a bountiful dinner. My improved health, a good husband, loving children and family, all given to me by my Lord, Jesus Christ. These are the same things Dust Bowl survivors gave thanks for, material

things can be replaced but we must nourish the love of family and friends. As your table groans under all the food and you eat turkey and dressing, pumpkin pie and the trimmings stop and give thanks for all your blessings. Remember the troops, they are still keeping us safe.

Well Buffy the Wonder Dog is having so much fun, her cousin, Bilbo another Yorkie, is visiting. They love playing together, running, wrestling, playing keep-away, sleeping together, and exploring. If one Yorkie gets into trouble, multiply that by two or more. Work-

ing together Buffy and Bilbo had a Grand Adventure that could have had grave consequences; they dug a hole under the fence and made their escape. I was home alone, our neighbor came in with both dogs and told their story. The neighbor had seen them but they ran from her and disappeared down the road. Driving the Jeep she caught up with the two and even though they would not get in the car, like the Pied Piper they followed her home, she opened the gate and in they came. We identified the likely escape route, Ole Jim filled those holes but we are careful when we let them outside, you never know when another Grand Adventure will take place.

Our condolences to the Bobby Dodson family who died November 15. He will be missed by all who knew him. Please pray for the family.

**Hedley Senior Citizens to hold dinner Dec. 2**

Hedley Senior Citizens will hold a "Steak & Gravy" dinner, Sunday, December 2, at noon, and it will be \$8 a plate. We sure hope to see you there and we wish everyone a Happy Thanksgiving.

I want to take this opportunity to thank the Adamson-Lane, Post 287 Legion members. On Veteran's day at the Rowe Cemetery celebration they presented me with a special award for helping them with bulletins, etc. I just want them to know

that is an honor for me to help our Veterans in any way. There are many members of my family that are Veterans and without our wonderful Veterans we would not be free today. Again, my thanks are to each and every member. I also

**Unique, interactive faith experience coming to Pampa**

First Christian Church of Pampa invites the public to The Tabernacle Experience, an educational, spiritual and interactive journey through Moses' Tabernacle of the Wilderness, Nov. 17-25.

A full-scale replica of the Tabernacle of Moses will be open to the public in the large lot next to First Christian Church, 1633 N. Nelson. This interactive exhibit has seven stations that lead visitors through an Old Testament journey that is formative as well as informative. Visitors are welcome beginning Saturday, Nov. 17, through Sunday, Nov. 25. On Mondays through Saturdays, the exhibit will be open from 10 a.m. to 6 p.m. On Sunday, Nov. 18, and

Sunday, Nov. 25, the exhibit will be open from 12 noon until 6 p.m. Contributions are \$5 per person, or \$20 for families of four or more.

This replica of the portable sanctuary remains true to the precise size and layout of the original Tabernacle constructed by Moses. Visitors will take a self-guided, narrated tour, learning at each station about the tent that housed the Ark of the Covenant more than 3,000 years ago, as described in the biblical book of Exodus.

The Tabernacle Experience is tangible, multi-sensory encounter that promises to stir the emotions and faith in Jesus Christ, event organizers say.

Volunteers are needed to assist with the Tabernacle set up and take down on Nov. 15 and Nov. 26. Volunteers are also needed to assist visitors each day of the Tabernacle is in Pampa. Volunteer shifts are four hours each. Positions include Shift Supervisor, Welcome Attendants, Reading Canopy Attendants, Audio Assistants, and Courtyard, Lamp stand, and Altar of Incense attendants. Volunteers will receive a training video and be able to experience the Tabernacle prior to beginning their shift.

For more information on Tabernacle volunteer opportunities or tours and prices for student groups, contact First Christian Church, 806-669-3225.

**CHS is involved in Service Learning**

By Missy Reynolds, FCS teacher

The Family Community Service class in Clarendon High School is learning to make a difference in their community and in the local area. This class has been very busy this semester developing meaningful projects, that can make a difference in the world they live in.

The students' first project was a fundraiser they did together. This project provided the students with an example how to identify a need or target area, develop a goal, and then plan the project out. At the end of the project, the students evaluate the project and discuss changes that would need to be made and/or the overall success of the event. The first project the students held was a fundraiser for the Donley County Senior Citizen Center. The students held a bake sale at Lowes and reached their projected goal. Next, the students began partnering with classmates and developing their own service learning projects, using the FCCLA project planning worksheet. The students present their progress on the projects every three weeks to the class.

Other projects have included: Fundraiser for Haleigh's Haven, community service for Paula's Daycare, Beautification project for Clarendon High School, Recycling program for Clarendon College, Nutrition and Health program for the 2nd grade, Blood Drive, Veterans meal and program, and Coat Drive for Faith City Mission and CPS.

Projects that the students are still working on include making hats for cancer patients and blankets for the CPS children. The rest of the semester the students will focus on Family Service projects and looking into career options where they can spend community service hours learning about specific careers that could help them with their future plans.

The following students are taking advantage of this opportunity: Trajen Johnson, Lydia Howard, Sarah Bryant, McKayla King, Savannah Topper, Camra Smith, McKayla Cartwright, Jacy Hill, Anna Cenicerros, Robert Green, Lorá Thornton, and Marissa Torres. These students have impacted their community and their own personal lives.

**CHS students honor Veterans**

The Clarendon High School Family Community Service class showed appreciation to our Veterans by providing a short program and meal on Monday, November 12. Students planned out the meal by researching recipes, dividing the preparation responsibilities, and all helped out with the after program responsibilities. These students learned how to plan out a large event and the importance of a detailed plan. The students also planned a short program that included the Howard family singing to the veterans. The students strived to make this a special event for the Veterans and felt their lives were touched by the appreciation the veterans expressed. The following students were involved in this special event: Savannah Topper, Camra Smith, McKayla King, Sarah Bryant, and Lydia Howard. Other students who assisted included: Trajen Johnson and Brandon Thomas, Hospitality and Tourism class, Lifetime Nutrition and Wellness class, and the Interpersonal Studies class.

COURTESY PHOTO

**FCS Class holds coat drive**

The FCS class would like to thank everyone who donated coats for our coat drive. They received about 50 coats for adults and around 30 coats for children. Lowe's, the Clarendon College, and the Clarendon school offices for allowed them to set up boxes to collect the coats. It was very successful and they appreciate everyone's help. Coats were donated to Faith City Mission and CPS.

**Johnston wins low gross last week**

By Sandy Anderberg

Redell Johnston was the low gross winner of the weekly men's game on Wednesday at the Clarendon Country Club. Johnston turned in a 76 for the 18-hole contest. George Leathers and Kevin Wood tied for second low gross with a 79. Todd Curry and Tom Stauder tied for low net with a 69. There was no women's game on Thursday.

The CCC will be open through the winter weather permitting.

Seventh grader, Mackenzie Hinton showcases her talent in the "An Evening with the Owls".

# WINTER 2012 PROPOSED SCHEDULE OF CLASSES

### IMPORTANT DATES

Registration begins for Winter '12/Spring '13.....Monday, Nov. 19  
 Winter Classes Begin.....Monday, Dec. 17  
 Winter Final Exams.....Wednesday, Jan. 9  
 Spring Classes Begin.....Tuesday, Jan. 15

### ADMISSIONS & REGISTRATION POLICIES

Clarendon College maintains an open admissions policy. To begin the admissions process the student should:

- Complete and return to the Office of Admissions the following forms and/or documents. (Forms are available from the Clarendon College website or the Office of Admissions.)
  - A completed Application for Admission.
  - A completed Student Data Form.
  - A completed Certificate of Residence.
  - Official transcripts from all institutions attended.
  - Request official test scores be sent to Clarendon College (THEA, ACT, SAT, CLEP).
- Depending on the student's status, additional forms and/or documents may be necessary. Applicants should complete and submit appropriate documents. If you have questions concerning the correct forms or documents call the Office of Admissions.
  - A residence hall application and deposit (\$150).
  - A completed residence hall exemption, if applicable.
  - International Students should contact the office of Admissions for the correct forms and documents.
  - Workforce education programs have additional applications and requirements for admission, students interested should contact the appropriate workforce program director for more information. (Workforce programs are: Computer Technology, Office Technology, Ranch and Feedlot Operations, Vocational Nursing, and Equine Industry)

## Colts slam San Jacinto Patriots

Both Clarendon Colt teams took control of their games and handed the San Jacinto Patriot teams a loss. The seventh grade team won 35-20 and the eighth grade cruised to a 63-24 win.

After a slow offensive opening quarter for both teams, things turned around and both teams began to make progress on the scoreboard. But the third quarter proved to be the game winner for the Colts as they outscored their opponent by 12 points while taking a big lead. The Colts stifled the Patriots with their good defense and held them to only eight points the entire second half of play. Colt Wood led his team with 12 points, and Justin Christopher added nine. Nathan Shadle put in eight, Payton Havens helped with four, and Raylyn Shelton put in two. Also playing for the Colts is Josh Cobb, who recorded several assists, and Zack Caison who gave a good defensive effort.

"I thought the seventh grade played well in the second half after we talked about what we needed to do," coach Steve Reynolds said. "This is the first time they have all played together in this type of defense so at times it was confusing for them. Colt Wood, Justin Christopher, Josh Cobb, and Nathan Shadle played well on defense."

The eighth grade Colts started their game in a big way and opened an 18-point lead in the first quarter. The Patriots were unable to get around the Colt defense and only had

13 points at the break. Offensively, the Colts were unstoppable with three players finishing in double figures to lead their team to the win. Chance Lockhart turned in 23 points, Taylon Knorpp added 15, and Clay Koetting helped with 11. Riley Shadle did a good job of handling the ball and added six points from his position, while Marshal Johnson connected on four. Clint Franks had three, and Jack Moore made good on a free throw for one point. Justus Burton, Ethan Ballard, and Seth Greer also played a good game for the Colts.

"The eighth grade game was a little more rusty at the beginning of the game, but quickly picked up where they left off last year, especially on defense," Reynolds said. "Chance Lockhart, Clay Koetting, Riley Shadle, and Taylon Knorpp played well on offense. As a team, I felt it was a great start to the season. Marshal Johnson, Justus Burton, and Seth Greer played well on defense."

After the Thanksgiving break, the Colts will play Claude at home on November 26 at 5:00 p.m. and travel to Vega December 3.

### Lady Colts fall in OT

The eighth grade Lady Colts fought hard in their season opener with San Jacinto at home Thursday night. After an additional three minutes after a tie in regulation, the Lady Colts came up short and lost 33-34.

The Lady Patriots fought back

in regulation to tie the game at 29 all to send it to overtime. Both teams fought to the end with good play on both ends of the court. Jensen Hatley led her team on the scoreboard with 12 points, and Sarah Williams added nine. Hannah Howard and Berkeley Alexander had four, and MaRae Hall and Zaryia Smith each added two. Brooke Smith also plays for the Lady Colts.

The seventh grade Lady Colts battled hard in their game, but lost 24-35. With limited players, the ladies fought to the end, but could not get the upper hand on San Jacinto. They trailed by six points at the break, but staged a comeback in the second quarter of play to only trail by three points. A slow shooting fourth quarter cost the ladies the game as they were outscored by six points.

"I was proud of the effort of our girls," coach Shanna Shelton said. "You could tell it was our first game and that we still have a lot to work on, but I think we have the potential to be a really good team."

Hannah Hommel finished big with 18 points and Whitney Laroe added six. Kendra Weatheron, Trinity Stribling, Jazmine Mellado, and Aubryanna Powell also play for the Lady Colts.

Both Lady Colt teams will be in action Monday, November 26 at home against Claude beginning at 5:00 p.m. They will also play Vega at home December 3.

## Lady Bronco JV storms past the Tulia Hornets

The Lady Bronco junior varsity kept its winning streak alive for head coach Kasey Bell as they flew past the Tulia Lady Hornets, 78-45. Great defense was key in the game and the ladies' offensive explosion in the second quarter sealed the win.

The Lady Broncos started the game off right to build up a commanding lead. The Lady Hornets tried to come back at times, but the Lady Broncos squelched all attempts and turned up their defense. They were equally as confident on the offensive end of the court and frustrated their opponent the entire game. Three Lady Broncos finished in double figures in the game. Haley Ferguson racked up 18 points, Skyler White added 14, and Phara Berry put in 12.

Also scoring: Elizabeth O'Rear 6, Abby Durham 6, Tessa Buckhaults 6, Kendra Davis 5, Gail Mata 5, Damara Brown 3, Sterling King 2, and Amelia Weatheron 1.

On Saturday the Lady Broncos traveled to Miami and easily defeated them 49-21. A huge second half offense enabled the ladies to open a big lead to get the win. They also shot five for ten from the free-throw line. "The third quarter was big for us," coach Kasey Bell said. "We were a little slow in the first half but the third quarter gave us the momentum we needed."

Scoring: Berry 10, Brown 10, Ferguson 8, Durham 5, Davis 2, Mata 2, and King 2.

The ladies will travel to Quannah November 27 at 4:00 p.m. and play in the River Road Tournament December 6.

## Lady Broncos rally to no avail

By Sandy Anderberg

The Lady Broncos hosted the Tulia Lady Hornets last Tuesday night and came from behind to tie the game in the middle of the final quarter, but could not pull out a win before the buzzer sounded. They fell to Tulia 59-61.

After a fairly even first half, the Lady Hornets turned up the heat in the third quarter of play. The Lady Broncos were plagued by cold-shooting and costly turnovers. Tulia was able to run up the score in the third and make it difficult for the Lady Broncos to come back. But Clarendon's offense kicked in to put points on the board in the middle of the final quarter of play and they turned up their defense to close the

gap and tie the game at 56 all. The contest went down to the wire, and the Lady Broncos had the opportunity to win the game on free throws, but failed to convert.

Jentry Shadle and McKayla Cartwright led the Lady Broncos on the scoreboard with 15 each, and Ryann Starnes also finished in double figures with 11. Deborah Howard put up six, and Lydia Howard helped with four points. Taylor Gaines also added four, and Anna Cenicerros and Audrey Shelton each finished with two.

The Lady Broncos redeemed their loss to Tulia by stomping Miami on Saturday 57-43. Big shots early in the game set the tempo for the Lady Broncos as they held their

opponent to only two first quarter points. Three players finished in double figures and they shot six for ten from the bonus line. Shadle hit three three-pointers in her 15-point total, and Smith added two three-pointers. Weathered felt her team played a little better against Miami.

"We played harder in this game and hit some shots early," she said. "We were able to jump out and get on them early."

Scoring: Shadle 15, Cartwright 11, Howard 10, Gaines 9, Smith 6, Maci White 2, Cenicerros 2, and Starnes 2.

The Lady Broncos will play Quannah November 27 at 6:30 pm and participate in the River Road Tournament November 29.

**Drugs in the News**  
**New Drug Approved for Rheumatoid Arthritis**  
 News releases and information from the US Food and Drug Administration indicate that earlier this month a new prescription medicine was approved for the treatment of mild to moderate rheumatoid arthritis (RA). The medication, Xeljanz (tofacitinib), is intended for adults with RA who have not responded to other medicines or the person with RA who does not tolerate methotrexate, a medicine sometimes given to such individuals. It is the first pain reliever approved for RA in a new class of drugs referred to as JAK inhibitors. The new medicine was tested in seven different clinical trials and in every trial those who took it showed improvement in clinical responses and physical functioning. Because it has the potential to cause a number of undesirable side effects, the FDA is requiring the manufacturer to conduct more tests on two different doses of the drug.  
 RA is a chronic condition in which the body's immune system mistakenly attacks healthy tissue, which results in joint pain and inflammation. The condition reportedly affects 1.5 million Americans.

### Cub Scouts participate in regatta

Clarendon Cub Scout Pack 437 had a fun-filled day with a Rain Gutter Regatta and Thanksgiving meal on Saturday, November 17, at the First Christian Church.

More than 15 boys participated in the regatta, in which boys blow homemade model sailboats through ten-foot rain gutters in a double elimination tournament. Wolf Cub Brandon Hatfield won first place in his den and also won first place overall for the pack. Steven Mills won first place in the Tiger Cubs, Matthew Powell was first in Bear Cubs, and Trent Smith was first in the Webelos Den.

During secret balloting prior to the race, Webelos Scout Wesley Powell was selected as the winner of the Best of Show division for his beautifully finished boat.

Following a wonderful Thanksgiving meal enjoyed by about 60 Scouts, leaders, and family mem-

bers, several boys were recognized with the Bobcat badge, which is the first step in Cub Scouting. In Cub Scout tradition, the badge was pinned upside down on the boys' shirts with instructions to parents that the badge only be turned right side up after the Cub had performed a good deed.

Those receiving Bobcat badges were Damien Jaramillo, Steven Mills, Jmaury Davis, Justin Couture, Brandon Hatfield, Lyric Smith, Jaxan McAnear, Jacquaviyon Brown, Harrison Howard, and Nathan Estlack.

Also receiving awards was Wesley Patton, who received Webelos achievement awards for Communicating, Geology, Weather, and Outdoor Activities. If you know of a boy in the first through fifth grades who might be interested in Cub Scouting, please contact Mandy Jaramillo at 677-8709 or Cubmaster Roger Estlack at 874-2259.

Cub Scouts receiving their Bobcat badges Saturday are Damien Jaramillo, Steven Mills, Jmaury Davis, Justin Couture, Brandon Hatfield, Lyric Smith, Jaxan McAnear, Jacquaviyon Brown, Harrison Howard, and Nathan Estlack.

### Miss American Angus Contestants

These young ladies competed for the title of 2013 Miss American Angus during the 2012 North American International Livestock Exposition (NAILE) Super Point Roll of Victory (ROV) Angus Show, Nov. 12 in Louisville, Ky. They earned the right to compete by winning the American Angus Auxiliary's scholarship competition that was announced at the National Junior Angus Show, earlier this year. Pictured from left includes Kendra Merriman, Lowell, Mich.; Kayla Widerman, Good Hope, Ill.; Tylee Williams, Clarendon, Texas; 2012 Miss American Angus Brooke Harward, Richfield, N.C.; Emily Velisek, Gaithersburg, Md.; and Esther McCabe, Elk City, Kan. The five competed via a written quiz, an interview and a prepared speech before a panel of three judges. McCabe was announced as the 2013 Miss American Angus just prior to the selection of grand champion bull.

### CHS take tour of new Donley County Pregnancy Center

The Family Service Class visited the Donley County Pregnancy Center to explore service learning opportunities. This is a new Family Service Program in our local area that offers support to individuals who is experiencing an unplanned pregnancy.

The FCS students' challenge is to help this local agency spread the word about these services through word of mouth, technology, and publicity.

Several students have expressed interest in partnering with this program and using their special talents in helping spread awareness about this new agency and their mission.

### The Clarendon ISD Board of Trustees met November 15.

The board approved a resolution authorizing the submission of 2013 Regional Solid Waste Grant Application to be known as the Clarendon ISD School Recycling Project as presented.

Tammi Lewis, Anna Ceniceris, and Sam Sanderson presented a program on Shattered Dreams Program/Experience. The council asked for the board's permission to participate in the program. Trustees voted to allow the CHS STUCO to participate in the Shattered Dreams Program.

The board voted to accept the bid from Israel Barrantes and Emilia Villegas on tax delinquent property at Lots 162-163, Cherokee, for \$4,183.

Debbie Thompson, school nurse, reported over the Fall 2012 SHAC Meeting. She also did a review of the Clarendon CISD Food Allergy Management Plan.

Superintendent Monty Hysinger discussed disposal of surplus property with the board.

Administrative reports were given by Hysinger, elementary principal Mike Word, CJH Principal John Taylor, and Councilor Ken Baxter.

Clarendon's FCS students plan to help the Donley County Pregnancy Center spread the word about their services.

## CC Regents eye future campus improvements

The Clarendon College Board of Regents discussed future campus improvements when they met in regular session last Thursday, November 15.

CC President Phil Shirley said he presented three phases of renovations to the board focused on the Livestock & Equine Center, the baseball and softball fields, and the administration building.

Improving the LEC is the college's top priority, Shirley said, and plans there call for the construction of classroom space, a permanent announcer's booth, concession stand, and men's and women's bathroom facilities.

The work on the LEC would cost an estimated \$270,000, but the president said over the last several years CC has spent about \$35,000 on portable toilets for events held at the Livestock & Equine Center.

"We just really don't want to keep flushing money away," Shirley said.

The next priority is bathroom facilities for athletes and spectators at the college softball and baseball fields, which is expected to cost about \$150,000, and the third priority would be a cosmetic update to the 1968 administration building. Shirley said he wants to see the unused planter boxes removed from the foyers and see wall, ceiling, flooring, and lighting improvements made to the foyers and hallways.

The three priorities along with other desired campus improvements would likely cost a total of \$1.3 million, and Shirley said CC must still find the funding for these projects.

## Obituaries

### Burcham

Mary Elizabeth Burcham, 75, died Tuesday, November 13, 2012, in Amarillo, Texas.

Memorial services were held Saturday, November 17, 2012, in the First United Methodist Church in Shamrock with Rev. Gene Weinette and Rev. and Jarrod Neal, officiating.

Burcham

Cremation & arrangements are under the direction of Robertson Funeral Directors of Shamrock.

Mary was born April 26, 1937 in Cordell, Oklahoma to Thomas Young and Agnes Fern Lane. She married William Robert "Bill" Burcham on August 26, 1956 in Cordell. Mary had been a school teacher prior to her retirement where she taught at White Deer, Samnorwood, Kelton, Shamrock, and Claude. She had been a longtime resident of Shamrock and Claude. She enjoyed sewing, embroidery, reading, jewelry beading, and collecting different rocks. She also played the organ. She was a member of the First United Methodist Church in Claude where she was

involved in the United Methodist Women and also served as the choir director and the director of the Hand Bells.

She was preceded in death by her parents; her husband on July 9, 2006; and a brother, Tommy Lane.

She is survived by 2 daughters, Dee Reeder and husband Robby of Shamrock, and Elizabeth Burcham of Amarillo; 2 grandchildren, Brad Reeder and wife Ashley and Reiss Reeder all of Shamrock; 2 great grandchildren, Deshya and Kyleigh Reeder; 4 nieces and nephews; several great nieces and nephews; and special friends, Gene and Brandi Weinette and their children Tristan and Caleb Weinette all of Wellington.

The family request memorials be sent to the Texas Scottish Rite Children's Hospital or a favorite charity.

### Hastey

Henry Mathew "Sonny Boy" Hastey, Jr., 86, died Saturday, November 17, 2012, in Amarillo, Texas.

Graveside services were held Monday, November 19, at the Flomont Cemetery in Flomont with Rev. Bryan Knowles, officiating.

Arrangements are under the direction of Robertson Funeral Directors of Clarendon.

Henry was born April 6, 1926, in Flomont, Texas to Henry and Letha Emerson Hastey, Sr. He then married Nadine Stone on September 15, 1950 in Turkey, Texas. Before moving to Clarendon in 1966, Henry had lived in Plainview. Henry was a dedicated farmer and rancher, and was known for his watermelons, cantaloupes, and cotton.

He was a very generous man, a dedicated father, and a dedicated husband to Nadine for 62 years. He was an Army veteran of World War II. He was a member of the Clarendon Masonic Lodge #700 AF&AM. Henry was a member of the Community Fellowship Church in Clarendon.

He was preceded in death by his parents; 2 brothers, James and Gerald Hastey; and a sister Ava Young.

He is survived by his wife, Nadine of Clarendon; 2 sons Ronnie Mathew Hastey and wife Jeannie of Elkhart, Kansas, Barry Hastey and wife Tammy of Weatherford, Oklahoma; 2 daughters, Ava Hastey of Austin, Texas, Pat Allen and husband Steve of Amarillo; a brother, Maurice Hastey of Plainview; 7 grandchildren; and 8 great grandchildren.

The family request memorials be sent to Cal Farley's Boys Ranch & Girls Town or to Olivia's Angels at BSA Hospice in Amarillo.

**Celebrate Christmas in Pioneer Town**

CANYON – Experience the holidays as a pioneer at the Panhandle-Plains Historical Museum's 36th annual Christmas Open House on Friday, December 7, from 6:00-9:00 p.m. and Saturday, December 8, from 2:00-6:00 p.m.

With the new Pioneer Town open, visitors can step in and step back to Christmas time in the Panhandle between 1890 and 1910. The town will be bustling with role players in period costume who will have hands-on activities for adults and children alike.

Suggested admission is one can of food per person to benefit the High Plains Food Bank.

Last year PPHM's Christmas Open House was the area's largest food drive; visitors donated 2,241 pounds of food.

Of course, other activities will abound museum-wide. Santa and Mrs. Claus will be at Christmas Open House ready to take requests from children who visit them in their sleigh in the snowy woods of Hazlewood Lecture Hall. In the basement, children can make ornaments, picture frames and reindeer antlers in the craft corner. On the Derrick Room balcony adults and kids can decorate their own holiday cookie to eat.

In the Petroleum Theater, storytellers will weave Christmas stories in a cozy living room setting with a crackling fire while songs by children's choirs fill the rest of the museum from the Derrick Room.

**Good Sams met at Lakeview Grill**

The Chaparral Sams Chapter of Good Sams met Saturday, November 10, at the Lakeview Grill in Lakeview. Buddy and Beverly Logsdon hosted the luncheon.

This unique restaurant at one time served the city of Lakeview as a church. After the closing of the church, the building was renovated to a restaurant. Antiques and collectibles are featured through the dining area. The dining tables were centered with harvest décor and at each place setting.

During the business meeting Tom Etheredge, president, called the meeting to order with Cary Don Neeley giving the opening prayer. Officers presented their reports including Virginia Etheredge, treasurer; JoAnn Meyer, secretary, Kenneth Ellis, wagonmaster, Pam Neeley, Sunshine Lady and Vickie Porter, historian.

Attending were a guest, Bobby Hayes, and members Margaret Vines, Ruth Caldwell, Ida Hartman, Joe and Peggy Stewart, Kenneth and Yvonne Ellis, Tom and Virginia Etheredge, Edwin and JoAnn Meyer, Jay and Verna Teague, Larry and Eva Reich, Bill and Ruth Hudson, Ken and Doris Eden, Dan and Shirley Henard, Rudie and Karon Tate, Cary Don and Pam Neeley, and George and Vickie Porter.

**Perry: Texas will not implement state insurance exchange**

AUSTIN – Gov. Rick Perry today, in a follow-up letter to U.S. Health and Human Services Secretary Kathleen Sebelius, reiterated Texas' decision not to implement a state insurance exchange as part of Obamacare. The deadline to inform the federal government of a state's intention regarding a state exchange is November 16.

"As long as the federal government has the ability to force unknown mandates and costs upon our citizens, while retaining the sole power in approving what an exchange looks like, the notion of a state exchange is merely an illusion," Gov. Perry's letter said.

"It would not be fiscally responsible to put hard-working Texans on the financial hook for an unknown amount of money to operate a system under rules that have not even been written."

Any state exchange must be approved by the Obama Administration and operate under specific federally mandated rules, many of which have yet to be disclosed. Gov. Perry previously made clear Texas' intention not to implement a state exchange or expand Medicaid under Obamacare in a letter to Secretary Sebelius in July.

**Buck shot**

Zoey Massengill, age 12, shot her first buck November 17. She went hunting with her dad, Dennis Massengill of Hedley, and her step-dad, Derek Ketterlin of Amarillo. The buck was shot on private land southwest of Hedley and was an eight-point.
