McCamey Badgers Eke 6-0 Win Over Surprising Lions

Inexperienced Locals Turn In Dazzling Performance

By Ernie Boyd

A fighting band of inexperienced Ozona Lions lost a 6 to 0 decision to the McCamey Badgers in McCamey Friday night to the surprise and delight of Ozona fans, who felt the Lions would be three to four touchdown underdogs.

The Lions, with a break or two at the right time, could have won the game. They carried the fight to McCamey much of the game with only a long run by McCamey's big John DeMaria marring an otherwise effective Ozona defense.

The Lions surprised everyone in the park on their first possession of the ball when Leroy Cooper hit Scott Mahon with a 37 yard pass of which Mahon made a spectacular catch to move the ball deep into Badger territory.

The Lions ripped and ranted through a quarter and a half in the Badger end of the field but faulty blocking for the passer cost the Lions a possible score, and two interceptions, during the contest, and the Lions could not get on the scoreboard.

The Badgers finally got out of the hole when the Lion backs committed a capital blunder and let a poorly covered punt roll 23 yards, deep into Ozona territory, when the kick should not have accounted for more than 27 or 28 yards at most.

Despite the blunder, the Lion defense staved off the Badgers with alert defensive play by Bob Amthor and Bryan Montgomery, blunting two scoring threats deep in Ozona territory.

The game's only marker came late in the third period when DeMaria broke over Ozona's left side and raced 55 yards for a score. Several Lions had shots at the big 200 pound fullback but missed and the issue was settled.

McCamey's try for extra point was not good and a few minutes later the Lions made a serious bid to either tie up the game or go ahead following a punt recovery by the Lions Pete Garza, one of the game's outstanding defensive stars. The Lion attack carried to the Badger 19 yard line but once again the Lions let too many Badgers drift in on the passer too quickly and the ball was popped up and intercepted to end the threat.

Recovers Oil Shows In N'west Crockett Test

Jake L. Hamon, Dallas, No. 1 Robbins, in 2-B-GC&SF, Crockett County Ellenburger wildcat, seven miles southeast of McCamey, recovered 32 feet of slightly oil cut mud, with one quart of free oil on the top, on a drillstem test in an unidentified formation.

Tool was open one hour on the test in an unidentified formation. Flowing pressure was zero; 45-minute final shut-in pressure was 450 pounds.

Drilling continued below 9,262 feet on an 8,400-foot contract.

Earlier a test between 6,612-70 feet recovered 236 feet of heavily oil and gas-cut mud, 25 to 30 per cent oil; and a subsequent test in the Devonian, between 6,670-690 feet, recovered salt water.

The Devonian was topped at 6,668 feet, minus datum point of 4,005 feet.

HERRINGS HAVE GIRL

Airman IC and Mrs. Wm. C. Herring of Hickam Field, Honolulu Hawaii, are the parents of a daughter born in Honolulu Sept. 2. The baby, named Cora Jan, weighed 9½ pounds at birth. She is the granddaughter of Mr. and Mrs. Walter Sparks of Ozona. The Herrings have one other daughter, Carol Ann, 2. Pete Herrings of Oklahoma City is the other grandparent.

Ford Punt, Pass, Kick Competition For Boys 8-11 Set For Oct. 12

Ozona area grade school boys from eight through 11 can pit their football skills against thousands of other boys throughout the nation in the third annual Punt, Pass & Kick Competition which will culminate with a trip to Washington, D. C., for a White House tour, then to Dearborn, Michigan, and then an appearance at the National Football League Championship game for the top eight winners.

Sponsored nationally by the Ford Division of Ford Motor Company and the National Football League, the Punt, Pass & Kick program — or PP&K — will be staged in Ozona by Woody Mason Motor Co. local Ford dealer.

Ozona youths will be tested for their ability to punt, pass and kick (using a kicking tee) footballs on the same day as thousands of other boys all over the country, with warm-up jackets, football helmets and autographed footballs to be given as first, second and third prizes for each age group, or four top Ozona winners in all. Scores throughout the state then will be compared to determine the four top Texas winners, and these scores compared to determine the most skillful eight-, nine-, ten- and eleven-year-old fledgling football stars in each of the areas covered by the telecasts of the 14 National Football League teams.

Woody Mason said entrants will be judged on the distance and accuracy of their punting, passing and kicking (using a kicking tee), with points awarded for each foot of distance the ball travels on the fly and subtracted for each foot the ball lands to the right or left of a center line. The Ozona competition will be held at the Football Field on Saturday, October 12.

Wm. Groesbeck Family Are Settled In Odessa

"Please discontinue our ad in your paper for the sale of our house. Thanks to your ad we sold the house."

Those words so dear to a newspaper man's heart were from Mr. and Mrs. William Groesbeck, formerly of Ozona now of Odessa. Mr. Groesbeck was with Continental Oil Co. local production office and was transferred to Odessa in the process of closing the local office.

"We wish very much to express our feelings for the town of Ozona, the school system, our many friends and co-workers that we have left there. We are proud of our years in Ozona and being a home owner there. We shall miss it all."

It was signed "The Wm. Groesbeck Family" and their new address is 4636 Locust, Odessa.

Mrs. Jack Jones To Attend Heart Meeting

The Texas Heart Association's 28th Annual Meeting and Scientific Session will be held in San Antonio on September 13-15. Leading medical authorities will lecture on various Heart and Circulatory problems prior to the Assembly Meeting of the Texas Heart Association.

Leaving Friday afternoon to attend this meeting, Mrs. Jack Jones will represent Crockett County as a delegate of the San Angelo Heart Association.

CROCKETT COUNTY HOSPITAL MEMORIAL FUND

List of donors to the Crockett County Hospital Memorial Fund since September 3rd:

Mr. and Mrs. Basil Dunlap in memory of Mrs. Coralie Meinecke, Mr. Jess Manley, Mr. George L. Russell, Jr., Mr. Paul Gibbs, Mrs. W. N. Hannah, Mrs. W. M. Johnson, Mrs. Paul Hallcomb, Mr. John Bailey, Mr. Fleet Coates and Mr. Fred Deaton.

Mr. and Mrs. W. R. Baggett, Sr., in memory of Mr. Fred Deaton.

Mrs. Max Word and son, Jon David, have returned to their home in Rifle, Colo., after a visit here with Dr. Word's parents, Mr. and Mrs. Taylor Word.

Rev. Wm. R. Fleming to San Antonio

Annual Carnival For P. T. A. Funds Set For Sept. 20

Only Money-Raising Event For P. T. A. In Planning

The annual Ozona P. T. A. Carnival will be held in the downtown city park Friday evening, Sept. 20, it was announced this week.

The carnival is the only money raising event sponsored by the P. T. A. during the school year. Proceeds are divided between PTA and the various school classes sponsoring booths and shows in the carnival.

P. T. A. sponsors the food booth and the tamale booth, the other concessions and stands being operated by various classes of the schools.

The cold drink stand, operated by the Seniors, will open at 3:36 immediately after closing of schools. All other booths will open at 5:30 p. m.

Anyone having food for food booth is asked to call Mrs. R. L. Bland. Those who will donate cakes for the cake auction, sponsored by the Junior class, are asked to call Mrs. James Childress or Mrs. A. Walters.

The Country Store is to be operated by the Sophomores and anyone having a white elephant, funny books or anything suitable for sale in the country store is asked to call Mrs. Bud Cox, Mrs. Pleas Childress, Mrs. Quebe Alford or Mrs. Woody Mason. The 7th grade, sponsoring a Crazy Hats booth, asks those who will give an old hat of any kind, to call Mrs. B. Brotherton, Mrs. H. B. Loudemy, Mrs. Jack Jones or Mrs. M. D. Lindsey. Tickets for the talent show, operated by the Freshmen, will be on sale at the show.

Other booths and their sponsors are Basketball, 8th grade; Jewelry Store, Mrs. Montgomery's 6th grade; Hoop La, Mrs. Owens' 6th grade; Bean Bag, Mrs. Stokes' 5th grade; Cane Rack, Mrs. Whitaker's 5th grade; Wishing Well, Mrs. Tabb's 4th grade; Fishing, Mrs. Baggett's 4th grade; Milk Bottles, Miss Billings' 3rd grade; Pony Rides, Miss Mikeska's 3rd grade; Shooting Gallery, Mrs. Barber's 2nd grade; Novelty Store, Mrs. Dozier's 2nd grade; Grab Bag, Mrs. Killingsworth's 1st grade; Dart Balloons, Mrs. Oehler's 1st grade; Popcorn, Kindergarten.

ASCS Committee Is Named In Election

George Bunger, Sr., was named chairman, Nat Read, vice chairman, and W. E. Friend, Jr., member, of the Crockett County ASCS County Committee for 1964 at an election held Wednesday.

Joe Tom Davidson was named first alternate and W. P. Seahorn, Jr., second alternate.

The county committee of ranchmen assist Office Manager Claude Russell in administration of the Agricultural Stabilization and Conservation Service in the county.

Methodists Get New Pastor In Sudden Shake-Up

Rev. Fleming To San Antonio Post; Rev. Garrett Coming Here

As the result of a shake-up in pastorates occasioned by the serious illness of an Austin pastor, Rev. William R. Fleming, pastor of the Ozona Methodist Church the past year and a half, has resigned from the local charge to accept appointment as pastor of Highland Terrace Methodist Church in San Antonio.

Appointed to succeed Rev. Fleming as pastor here is the Rev. Leonard Garrett, who is serving his eighth year as pastor of the First Methodist Church in Crystal City.

Rev. Fleming will be going to a larger church in San Antonio, the pastor serving there having recently reached retirement age. Mr. Fleming, who came to Ozona from Harlingen, was at one time pastor of the Junction Methodist Church.

Rev. Garrett served as pastor of Wesley Methodist Church in Corpus Christi before going to Crystal City and served for two years as director of the Wesley Foundation at Texas A & I in Kingsville.

The exchange of pastors will take place next week, Rev. Fleming to preach his farewell sermon to the local congregation Sunday.

Clara Couch Field Pay Area Extended By Gas-Distillate Flow

A ¾-mile southwest extension to Ciseo lime gas-distillate production was indicated in the Clara Couch multipay field of Crockett County with the flowing of gas at the estimated rate of 5,210,000 cubic feet daily and the recovery of 30 feet of 52.8 gravity condensate and 200 feet of water on a drillstem test at Humble Oil & Refining Co. No. 2-H J. W. Owens, in 8-GG-GC&SF, 22 miles southwest of Iraan.

On the 30-minute test between 5-849-5,935 feet, gas surfaced in three minutes flowing the above gauge plus a spray of water and condensate.

Flowing pressure was 740-1,257 pounds; one-hour initial and two-hour final shut-in pressures were 2,168 pounds.

The project was preparing to drill ahead on a 5,800-foot contract.

Ozona Women Flyers Enter Annual Derby

Mildred Goodson and Pat Barbee leave Friday for Midland where they will fly the Fourth Annual High Sky Derby. The race is an all-women proficiency race from Midland to Del Rio and return.

Presenting the awards will be the famous "Golden Hawks" a five piece demonstration team of the Royal Canadian Air Force. The Ozona women will be flying a Tri-Pacer and are sponsored by West Texas Flying Service, Lubbock, and Skyriders' Inc., Ozona.

Woman's League Meet Opens New Club Year

The Ozona Woman's League opened its new season with a meeting Tuesday in the home of Mrs. J. G. Hufstедler, with Mrs. Dick Kirby as assisting hostess.

Members answered roll call by recalling how they had spent leisure time during the summer. Mrs. Jim Dudley, president, welcomed old and new members. New members include Mrs. George Bunger, Jr., Mrs. Bill Black and Mrs. Hilary Iglehart. Mrs. Jerry Hayes exhibited the club scrapbook.

The club's program theme for the year is "This World of Ours". Mrs. W. O. Mills introduced the program, a colored documentary film of Astronaut Leroy Cooper's orbital flight in his "Faith Seven" space vehicle. The film was a thrilling account of Cooper's 22 orbits around the earth in outer space.

Ozona Indians Wind Up Baseball Season In Sonora Sun. Afternoon

The Ozona Indians baseball team will play their last game of the season Sunday against Sonora in Sonora. Game time is 3 p. m.

The Indians have had a successful season, holding their own on a home - and - home schedule with teams from San Angelo, Ballinger, Fort Stockton, Del Rio, Eden, Villa Acuna and other area towns.

Preciliano Gomez is team manager and Everardo Vargas is player captain.

As the season draws to a close, team members and managers expressed appreciation to Ozona business firms and individuals who supported the team with donations toward uniforms and equipment. Sponsors named were Cisneros Grocery, Hillcrest Motel, The Baggett Insurance Agency, Ozona Butane Co., White's Auto Store, Silver Spur Motel, Baker Jewelers, Knox Motor Co., Ranch Drug, Aguirre Merchandise Store, uSton's Chevron Station, Flying W Ranch, Reina's Recreation Hall, James Funeral Home, Ozona National Bank, Ozona Drug, Lock's, Smith Drug Co., Ramirez Grocery and Ozona Boot & Saddlery.

To pay off stray debts incurred during the season, the Indians will have a tamale sale Saturday, Sept. 14. Tamales will be delivered on order or will be available at the Presciliano Gomez home on Calle Piedra.

Bronte Longhorns Lions' Foes For First Home Game

Surprising Show Against McCamey Ups Lions Fan Hopes

By Ernie Boyd

The Ozona Lions will open their 1963 home season in Ozona Friday night when they entertain the strong Bronte Longhorns at Lion Stadium. The kickoff is slated for 8 p. m.

The Lions, who made an unexpectedly strong showing against McCamey last Friday, will face a stern test in the Longhorns who tied a highly respected Rankin Red Devil Crew 14 to 14 last week.

Bronte features a single wing attack which has been something of a problem for the Lions before, when the Longhorns downed the Lions in Bronte two years ago.

In the Rankin Contest the Longhorn air attack clicked for two touchdowns and the defense held a rather potent Rankin attack to two scores.

The Lions, who had some hope of being able to play some defense, proved that they could do just that, and also showed some signs of offense in the McCamey contest.

One of the chief problems the Lions encountered in their offense maneuvers last week, was the lack of protection given to the passer and doubtless the same lack of blocking contributed to the failure of the running game, even though at times lack of fleetness by the ball carrier was as much the trouble as anything.

The most encouraging thing about the team was its all around hustle, and the pursuit of the ball carrier. Not often did a Badger, who regained the line of scrimmage, go down with only one tackler in on the stop, a decisive factor in a good defense.

Pete Garza, Richard Vargas, Scott Mahon, Joel Huff, Leroy Cooper, and Bryan Montgomery came in for special notice for their fine play last week and the play of Joe Chapman and Bobby Amthor caught the spectator's eye.

Gas System Is Completed

The long awaited pay-off for landowners, for the county's tax coffers and for Northern Natural Gas Co. began pipeline completion of the 35-mile pipeline and 13-mile gathering system in the Hunt-Baggett gas field area of Crockett county, and the beginning of the flow of natural gas from the field to Northern's customers.

Northern Natural has begun drawing gas from the field and the first delivery from the new gathering system was received into Northern's mainline at the Eldorado station on August 24, the company announced.

The expansible system consists of 13 miles of gathering lines connecting wells and 35 miles of 12-inch line transporting the gas to Eldorado. R. H. Fulton Co. of Lubbock was the contractor. The facilities were estimated to cost approximately \$1,400,000.

Although the 12-inch line has a capacity of 50 million cubic feet a day, initial deliveries from seven wells are being made at the rate of about six million per day. More supplies are being acquired to raise the figure to 15 million a day in 1964, and more thereafter.

The field, 10 miles south of Ozona, is expected eventually to add some 125 billion cubic feet of gas to Northern's reserves.

The gas Northern Natural is taking from the Crockett County area and other Permian Basin fields, is transported to distributors in the North Plains states.

Devonian Try Set For Western Crockett By Midland Operators

Grover, MacCurdy & Hoffacker of Midland and I. W. Lovelace of Odessa No. 1 Skelly-University is scheduled as a 7,500-foot Devonian venture in southwest Crockett County, nine miles east of Sheffield.

The location is 1,980 feet from south and east lines of Section 2, Block 29, University Survey and is one-half mile southwest of Phillips Petroleum Co. No. 1-E University, recently completed Devonian gas-distillate producer which is in an undeveloped area between the Ingham and Lancaster Hill (Devonian) pools.

No. 1 Skelly-University originally was reported with Lovelace as the operator and was slated as a 7,300-foot Strawn operation. It is five-eighths mile south and slightly west of production from that horizon in the Lancaster Hill area.

Phillips No. 1-E University completed for a calculated, absolute open flow potential of 13 million cubic feet of gas daily, with a gas-petroleum liquid ratio of 78.-500-1. Gravity of the liquid was 58 degrees. The production is from perforations between 7,356 and 7,367 feet. It is 1,550 feet from north and 760 feet from west lines of Section 11, Block 29, University Survey.

CROCKETT HOSPITAL NEWS

Patients admitted to hospital since September 3rd:

Rafael Coronado, medical; Mrs. Albertino Rodriguez, Sheffield, medical; Jimmy Baggett, medical; Mrs. Lionel Tambunga, obstetrical; G. E. Armentrout, medical; Jack Bentley, Sheffield, medical.

Will The Senate Abdicate? —

It is incredible that the Senate of the United States, traditionally stiffnecked in its watchfulness over the Constitutional separation of the powers of the Executive, Legislative and Judicial branches of this Government, gives every indication of accepting the affront of the White House in handing it the Treaty of Moscow as an accomplished fact and demanding formal acquiescence.

Constitutionally, as every high-schooler knows, treaties are made "by and with the advice and consent of the Senate". Yet here, in this hastily made-in-Moscow document — "initialed on the ground by stooges of the President and the Butcher of Budapest and by a panic-stricken British Prime Minister, and signed precipitately by some eighty "heads of state" — is an instrument of appeasement that ranks with the infamous Munich Pact and on which the advice of the Senate had never been sought. The consent of that body is now expected as a matter of course.

There may be those besides Senator Barry Goldwater who will resist applying the rubber stamp, but the spirit of pious hope enunciated by Kentucky's Republican Senator John S. Cooper that "this first step will lead to other steps, such as an enforceable ban on unedground testing, and the removal of Soviet troops from Cuba and Berlin" seems contagious. Rather more realistic is Senator Goldwater's demand that Khrush withdraw from Cuba before the treaty is ratified.

Senator Cooper also expressed the belief that "breaches can be

managed" and Minority Leader Dirksen revealed that a meeting with Defense Secretary McNamara; the President's Moscow-messenger, Ave Harriman; Disarmament chief William C. Foster and Defense research head Harold Brown had flushed "a good many doubts" from his mind. What happened to the minds of four other Republican Senators — Leverett Saltonstall, Margaret Chase Smith, Karl Mundt and Bourke Hickenlooper — we do not know. But, in the absence of any ringing statements, we fear the worst.

The Senate Foreign Relations Committee, which voted 16 to 1 for ratification, has told fellow Senators that: "The balance of risks appears to favor the treaty." But since the treaty is what Russia wants, and all the risks are ours, it is hard to see where there can be any suggestion of "balance". Historically, the Soviets ignore treaties whenever they see no further advantage in them. The Joint Chiefs of Staff, whose grudging approval was given on political rather than military grounds, admit that the Russians will cheat. Other authorities, most notably Dr. Edward Teller, assure us that we need atmospheric testing to offset the nuclear lead achieved by Russian cheating in the lamented "voluntary moratorium"

Finally, the Senators are told it would be impolite to the multitude of signatory powers if that body were to attach even a reservation to assure us the use of our nuclear weapons in our own defense! The language of the treaty makes this privilege doubtful, ac-

ording to some experts. But even this, it seems, is a "risk" that even our military is prepared to accept with no more than a murmur.

Only one question remains. Will the requisite two-thirds of our Senators vote "Aye"? We think they will — unless tremendous numbers of constituents say them "Nay". And quickly!

NO PRIZE IN THIS PACKAGE

Now that everybody is home again after the decorous — if not downright coy—"March on Washington," the civil rights agitators have returned to business-as-usual in keeping the racial pot boiling.

What the "march" really served to demonstrate is that both Negroes and whites are being callously deceived by the administration. For, implicit and explicit among this vast convocation was the faith that passage of "The Civil Rights Act of 1963" would automatically and overnight erase all sources of friction between races, all prejudice and all discrimination.

Obviously, such a goal cannot be achieved by law. And it is even more important to realize that any degree of social change this legislation might bring about must be paid for at the price of every man's freedom — and that the payment will have been made whether race relations are bettered or worsened.

Under this Act (S.1731 and H. R. 7152) Congress would deny the traditional American right of jury trial to those charged with violation of its Title II, the "public accommodations" section. Overall, it would impose Federal control over every home, every school, every business, every bank, every citizen who votes or owns property and over the "sovereign" states.

The Act prescribes an intolerable grant of unprecedented power to the President — and to a new swarm of politically appointed Federal inspectors armed with authority to direct the hiring and firing, promotion and demotion of workers in every business; to foreclose or refuse loans; to exclude individuals and businesses from Federal programs, subsidies and benefits; to blacklist banks, contractors, schools, businesses and individuals.

Such legislation cannot protect the rights nor improve the job opportunities of "racial or religious minorities" as it pretends to do. It can only destroy existing rights and existing job opportunities for all Americans — of all colors and

creeds. And all Americans should tell both of their Senators to kill S.1731, and their Congressman to kill H. R. 7152.

"Progress" Went That-A-Way"

The price of gasoline in Cuba has been increased from 34 cents to 60 cents a gallon "in the interest of the national economy," according to a news dispatch from Havana. That 60-cent price is twice as high as the average United States gallon of gasoline including taxes, and three times the cost of a U. S. gallon before taxes.

Castro said the price hike provides a new avenue for Cubans to make a greater contribution to progress. According to reports from newsmen who have visited Cuba recently, a little more Castro-type "progress" may put the island out of business entirely.

The gasoline Cubans can buy is low in quality, and an estimated 30 percent of the island's automobiles have had to be junked for lack of spare parts. About 40 percent of the Cuban service station operators are reported to have abandoned their stations.

Castro is not importing any new automobiles. Instead, he is trying to convince his people that private transportation and freedom of personal movement are unnecessary capitalistic frills.

In the United States, by contrast, more than 92 million drivers operate 79 million motor vehicle, enjoying unprecedented freedom of movement. More than 200,000 service stations — 90 percent of them

Creating quite a bit of conversation recently at Union Stock Yards San Antonio were two loads of fat steers shipped in from Worth Evans & Son of Union Feed Yards, Blythe, California. The cattle were consigned to Alamo Livestock Commission Company for sale on the open market and sold to Roegelein Provision Company. They weighed 988 lbs. This makes about 250 fat cattle that Union Feed Yards has marketed through San Antonio channels in the last month.
 Shown above is Z. B. Jackson of Alamo Livestock Commission Company and Charles O. Maltzberger, head buyer for Roegelein Provision Company, as they move the cattle to the scales to be weighed.

Billy Mills
 Sheriff, Crockett County

operated by local independent business-men — competewith each other to supply motorists' needs and to add to their enjoyment of highway travel.

To most Cubans the high price of gasoline is a purely theoretical subject. But it is a significant indicator that progress in Cuba is going — not coming.

OZONA STUDENT AT SMA

San Marcos — William Ross Childress of Ozona is among the almost 600 students who registered this semester at San Marcos Baptist Academy.

An eight-grader in the Upper School, he is the son of Mr. and Mrs. W. A. Childress, of Ozona.

GLEANERS CIRCLE MEETS

The Gleaners Circle of the Methodist Women's Society of Christian Service met Wednesday morning in the home of Mrs. Evart White.

Mrs. Jimmy McMullan is chairman of the Circle. Mrs. Stephen Perner, program leader, presented the program from "We Are Christ Called."

The Circle will meet next week in the home of Mrs. Buddy Phillips.

Others present were Mmes. Dick Henderson, John W. Henderson, Floyd Henderson, Alvin Harrell, Hillery Phillips, Ruben Whitehead and L. B. Cox, Jr.

We Have But 3 Alternatives In Life

Lead Follow or Get out of the way

What Is Your Value?

A PLAIN BAR of iron is worth \$5. This same bar, when made into horse-shoes, is worth \$10.50. If made into needles, is worth \$4,285. If turned into balance wheels for watches, it becomes worth \$250,000. This is true of another kind of material — you. Your value is determined by what you make of yourself.

HIGHLIGHTS AND SIDELIGHTS From State Capitol

Austin, Texas — Now in effect is a new compulsory school attendance law which requires school children, ages seven to 16 to go to school 165 days out of each 175-day school year.

Before the 58th Legislature passed this law, the minimum attendance requirement was 120 days. This left a wide margin for truancy — especially by children of migrant farm workers who are on the move two to four months out of the year.

Screwworm Program Praised — Dr. E. F. Knipling — known as the "father of the screwworm eradication program" — addressed Southwest Animal Health Research Foundation trustees at their annual meeting in Austin, and praised the progress of their eradication campaign. But he cautioned them against complacency.

Knipling reported that in August, only 81 screwworm cases were reported in Texas, compared to 5,088 in August, 1962. But a large percentage of the 81 were in the Trans-Pecos area.

Animal health officials feel the Trans-Pecos problem is a direct result of screwworm flies migrating from Mexico. Mexico's northern border has been the target of sterile fly drops for several months now. But newly-gained knowledge that the fly can travel about 180 miles on his own volition is worrying the officials.

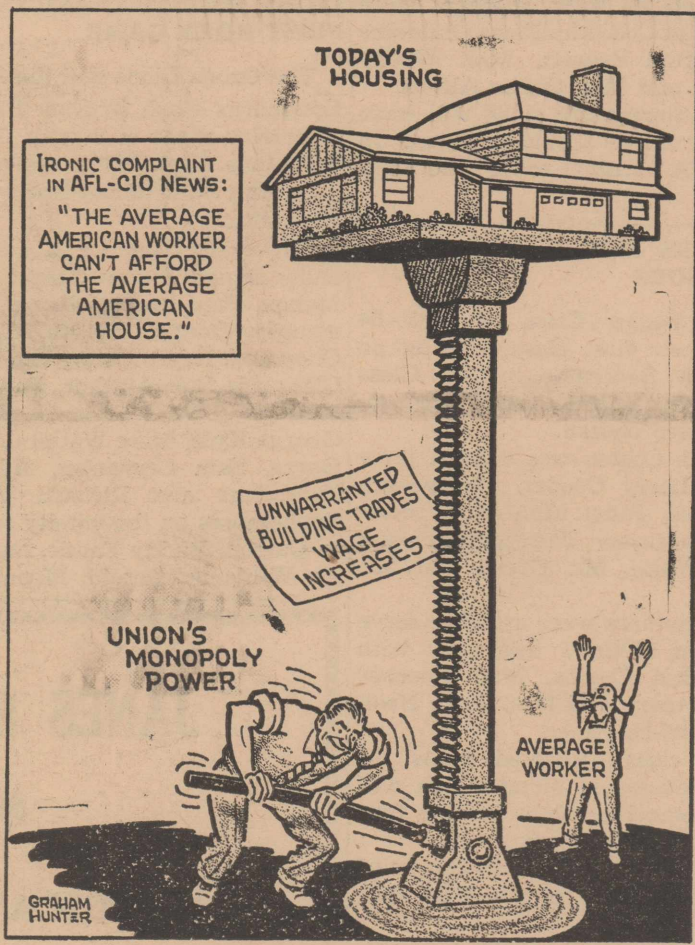

Knipling said, "We must intensify our survey efforts to find where fly drops will be most effective; then widen the barrier to prevent infestation."

Fall Rains May Pose Problem — Charlie Scruggs of Dallas, president of the Southwest Animal Health Research Foundation, said his group is beginning to worry about a growing rate of screwworm infestation when fall rains come.

Cool weather and dampness, usually associated with early fall, may couple with shearing and calving wounds to foster screwworms if livestock producers don't take precautions. Scruggs said an "information campaign" will be launched soon.

New Officers — Dolph Briscoe

WILL THE REAL PRICE-HIKER STAND UP?

of Uvalde is the new president of SWAHRF. The young rancher just completed a term as president of the Texas and Southwestern Cattle Raisers Association, before he took the animal health post.

New vice-president is Joe Lane of Alpine. T. J. Richards of Paducah is secretary-treasurer.

Educators Meeting Set — Texas Association of School Administrators and Texas Association of School Boards will hold a joint meeting in Austin on September 22 and 23 to hear talks on education in the Space Age. They will hold seminars on: School dropouts, the migrant pupil, religion and the schools, teaching Americanism - versus - communism, and textbook selection in Texas.

Pool Tax Repeal — Campaign for repeal of the poll tax as a requirement for voting was launched by the Texas League of Women Voters, with Gov. John Connally and Vice President Lyndon Johnson giving their support to the movement.

On November 9 Texans will vote

on a constitutional amendment to remove the 60-year-old requirement that you pay a poll tax to vote.

Gas — Natural gas continues to be one of the major cash crops of Texas.

Texas Railroad Commission reports that in June, 21,044 gas wells and 125,169 oil wells produced 573 trillion cubic feet of gas. The lion's share, 406 trillion, went into transmission lines.

Of all the gas produced, 39.83 per cent was exported to other states, and 30.99 per cent was carried by pipelines for use in Texas.

Mr. and Mrs. Leonard McCrary and children will move the end of this week to Odessa to make their future home. Mr. McCrary will be office manager of the new Continental Oil Co. district office in Odessa. The McCrarys will live at 1444 Tanglewood in Odessa.

WANTED — Training wheels for small bike. Call Ernie Boyd.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman, Sept. 13, 1934

Machinery for the buying of sheep and goats under the government drouth relief program was being set in motion here this week in preparation for starting the buying of animals in the county next week. The Crockett county quota is understood to be 600 head a day.

Outstanding quality of Crockett county bred sheep was demonstrated Tuesday when "Cactus", yearling Rambouillet ram from the flock of J. W. Owens and Sons of this county, topped the National Ram Sale at Salt Lake City. The ram sold for \$750.

Rev. Leon M. Gambrell, pastor of Immanuel Baptist Church at Oklahoma City, has accepted the call of the First Baptist Church of Ozona to its pastorate, vacated by the recent resignation of Rev. M. M. Fulmer.

Ray Boyd was elected president of the Senior Class of 1935 at an organizational meeting of the class Friday. Helen Adams was chosen vice president; Walter Dudley, secretary; Max Eppler, treasurer, and Eresntine Watts, reporter.

Misses Dixie Davidson and Pete Friend returned this week from a visit to the World's Fair in Chicago.

Miss Dorothy Henderson entertained with a supper and theater party Saturday evening. Enjoying the affair were Misses Vicky Pierce, Willie V. Coose, Esther Kate Pierce, Jeanetta Willis, Batts Friend, Jake Miller, Bill Seahorn, Joe Rape, Bill Childress, Miller Robison and John Henderson, Jr.

Sheriff W. S. Willis has been confined to his bed since Sunday suffering from an infection in his leg.

Pleas Childress, Jr., has gone to

Austin to take up his year's work in the University of Texas. Miss Louize Henderson will leave next week to resume her studies there.

Scott Peters attended the drouth relief conference in San Angelo Monday and Tuesday.

Mr. and Mrs. W. E. West returned from Long Beach, Calif. where they spent the summer.

Mr. and Mrs. W. E. Friend, Jr., have moved into the Ned Friend house.

FRIDAY BRIDGE CLUB

Mrs. Lovella Dudley entertained the Friday Bridge Club in her home last week.

High score prize went to Mrs. Joe Pierce, low to Mrs. Ewart White and cuts to Mrs. Hillery Phillips and Mrs. Jake Short. High guest prize was won by Mrs. Carl North.

Others attending were Mrs. O. D. West, Mrs. J. M. Baggett, Mrs. W. W. West, Mrs. Eldred Roach, Mrs. V. I. Pierce, Mrs. Stephen Perner, Mrs. J. W. Henderson, Jr., Mrs. Early Baggett and Mrs. J. S. Pierce, III.

Accurate and Complete

RANCH RECORDS

Are More Important
Today Than Ever

Government regulations and heavy tax programs are destined to be a part of the American way of doing business for a long time. For that reason, it is more important today that every business keep accurate records of its operations.

The ranch business is no exception. With the stiff federal taxes, you will want to take advantage of every saving item in your expense account and at the same time have clear and convincing records available for inspection by tax agents to prove up any item on your income tax return.

Start now to keep a complete record covering all operations in your business with the Stockman's RANCH RECORD BOOK. Your cancelled checks or your present records can be transcribed to this handy record book, together with your income and inventory records and you can have your entire record in a simplified form contained in one volume.

THE LION'S ROAR

PUBLISHED BY STUDENTS OF THE JOURNALISM DEPARTMENT — OZONA HIGH SCHOOL

Lions Roar Staff

Joel Huff, Jr., Editor
 Shirley Wagner, Sr.
 Richard Ross, Sr.
 Leroy Cooper, Sr.
 Scott Mahon, Sr.
 Keith Mitchell, Sr.
 Rodney Stewart, Sr.
 Johnnie Rae Johnigan, Jr.
 Linda Leath, Jr.
 Janice Walker, Jr.
 George Kyle, Jr.
 Rick Hagelstein, Jr.
 Donna Moore, Soph.
 Lucille Childress, Soph.
 Candy Griffin, Soph.

In contrast to previous years, the Lions' Roar Staff will be composed entirely of volunteer members. This is in view of the fact that there is no journalism department in OHS this year.

EDITORIAL- By Joel Huff

After what seemed to most of us a very short summer, we find ourselves at the beginning of a new school year, and in all probability, there are as many different attitudes toward this new year as there are students attending OHS. Attitudes play an important part in whether or not the school year is a success or failure. No matter how intelligent and gifted one is, his attitude toward school life will determine his grades, his success in extra curricular activities, and most important, his development as an individual.

Each year there are a few who enroll in OHS with the attitude that school is not only a drudgery, but a complete waste of time. These are the students who come to class only because they would have to work otherwise.

There are some who feel that the school year is nine months of parties, athletics and clubs, with an academic program for those who have time.

However, Ozona High School is extremely fortunate in having the great majority of its students being well-rounded individuals who regard school as an opportunity to better oneself and who are eager to take advantage of this opportunity. Few schools can boast of the school spirit and student participation displayed by OHS. It is this attitude of pride and willingness that makes our school a real success to each one of its students.

STUDENT COUNCIL MAKES PLANS FOR YEAR

The 1963 student council met for their first scheduled meeting last Monday, September 9.

During the meeting, plans were made for "Freshman Day" and the assembly period. Various projects were discussed for the school year.

This year's officers include Joel Huff, president; Scott Mahon, vice president; and Vicki Applewhite, secretary-treasurer. The class representatives are Seniors Janet McAlister and Dude Melton, Linda Leath and Moe Barbee; Juniors, Lynn Cox and Ronnie Mason are representatives; Sophomores, are Jill Applewhite and George Cox will represent the Freshmen class.

JUNIOR CLASS ELECTS OFFICERS

The Junior Class met Tuesday, September 3, to elect class officers, sponsors, and room mothers. Class officers for the 193-1964 school year are Rick Hagelstein, president; Mike Walters, vice president; and Vicki Applewhite, secretary-treasurer.

Sponsors selected were Mr. Hack Leath and Miss McKissack. The class asked that all mothers of the Jr. class be room mothers with Mrs. James Childress and Mrs. A. G. Walters serving as co-chairmen.

FISH HAVE SIDE SHOW

The Freshman class will sponsor the "Side Show" in this year's PTA Carnival. The carnival will be held September 20 in the Park.

The "Fish" invite everyone to attend one of their performances.

FRESHMEN CHOOSE OFFICERS

The Freshmen class met to elect class officers, sponsors, and room mothers Tuesday September 3.

Those elected as class officers were Randy Upham, president; Derold Maney, vice-president; Cynthia Mahon; secretary-treasurer.

Elected class sponsors were Mr. Brentz and Mr. Hoover.

The class elected Mrs. Gene Williams as chairman of the room mothers. Assisting Mrs. Williams are Mr. R. L. Bland, Mrs. Charles Applewhite and Mrs. Norman Upham.

JUNIORS HAVE CAKE AUCTION

The Junior Class will have change of the cake auction in this year's PTA Carnival. The carnival is to be held September 20 at the park.

All Junior mothers are asked to contribute one cake. Any other contributions would be deeply appreciated.

FIVE TWIRLERS START NEW YEAR

Twirlers for the Ozona High School Band during the 1963-64 school year are Ramona Powers, drum major and daughter of Mr. and Mrs. Raymond Powers; Mary Jane Dunlap, head twirler and daughter of Mr. and Mrs. Ernest Dunlap; Vicki Good, daughter of Mr. and Mrs. Homer Good; Jeanene Hester, daughter of Mr. and Mrs. George Hester; and Lana Kay Alford, daughter of Mr. and Mrs. Quebe Alford.

Mary Jane and Lana Kay attended the SMU Baton Twirling School this summer in Dallas, Texas. Ramona attended the twirling school at Cisco, Texas.

CHEERLEADERS LEAD PEP-RALLY

The 1963-1964 cheerleaders led the student body in the first pep rally last Friday afternoon.

Head cheerleader is Vicki Applewhite, daughter of Mr. and Mrs. Charles Applewhite.

Other cheerleaders are Carmen Childress, daughter of Mr. and Mrs. James Childress; Janie Gilliam, daughter of Mr. and Mrs. A. E. Gilliam; Vicki Montgomery, daughter of Mr. and Mrs. Beecher Montgomery; and Lynn Cox, daughter of Mr. and Mrs. Bud Cox III. Alternate cheerleader is Linda Leath daughter of Mr. and Mrs. Claud Leath.

These cheerleaders were chosen by popular vote of the student body last May.

SOPHOMORES CHOOSE LEADERS

The Sophomore Class met Tuesday, September 3, to elect class officers, sponsors, and room mothers.

Elected as officers were David Lewis, president; Ronnie Mason, vice-president; and Helen Hayes, secretary.

Miss Powers and Mr. Fife were elected as class sponsors.

Named as room mothers were Mrs. Bud Cox, Mrs. Pleas Childress, Mrs. Tom Everett, Mrs. Woody Mason, and Mrs. Quebe Alford.

The Sophomore class will have charge of the "Country Store," in the PTA carnival to be held Sept. 20.

SENIORS ELECT OFFICERS, SPONSORS

The Senior Class of 1963-64 held their first class meeting on Tuesday, September 3, 1963. Class officers, sponsors, and room mother were chosen.

Diana Coates was elected president; Leroy Cooper, vice president; and Janet McAlister, secretary-treasurer. The sponsors are Miss White, Mr. Green and Mr. Moody.

All mothers were asked to serve as room mothers this year with Mrs. Bud Coates, Mrs. Beecher Montgomery and Mrs. H. C. Noelke as tri-chairmen.

The class discussed plans for their concession stand which will open tomorrow night for the first home football game.

The Seniors will be in charge of the Coke Booth in the PTA carnival.

LIONS, BRONTE CLASH IN FIRST HOME GAME

The Ozona Lions and the Bronte Longhorns clash in Lion Stadium tomorrow night at 8 p. m. This is the Lions first home appearance following a 6-0 defeat last week in McCamey.

This year's varsity players include seniors Leroy Cooper, Scott Mahon, Paul Perner, Bryon Montgomery, Douglas Moore, and Joe Chapman. Representing the Junior Class are Bob Amthor, Pete Garza, Joel Huff, Rick Hagelstein, George Kyle, Mike Walters, Tomas Garza, Sam Cervantez, Alejos Tambunga and Richard Vargas.

Sophomores on the varsity are Billy Carson, Buddy Farris, and Larry Williams. Derold Maney and

Randy Upham are freshmen on the squad.

SENIORS TO OPEN CONCESSION STANDS

The Senior Class will be in charge of the concession stands, open Thursday and Friday nights during all home football games.

All mothers contributing food to these concession stands on Friday nights are asked to deliver the food by 6:00 p. m.

The Seniors class would like to take this opportunity to thank in advance anyone contributing to the concession stands.

Recently, in our service area . . .

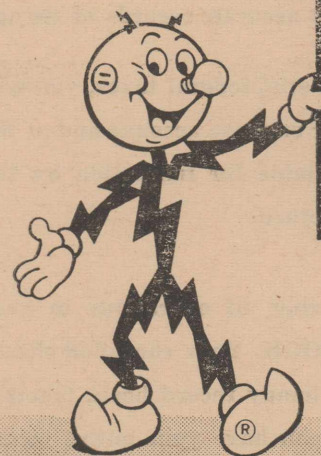

\$28,000,000 has been spent for industrial construction

\$27,000,000 has been spent for commercial construction

PLUS

\$34
MILLION

... which has been spent for civic improvements.

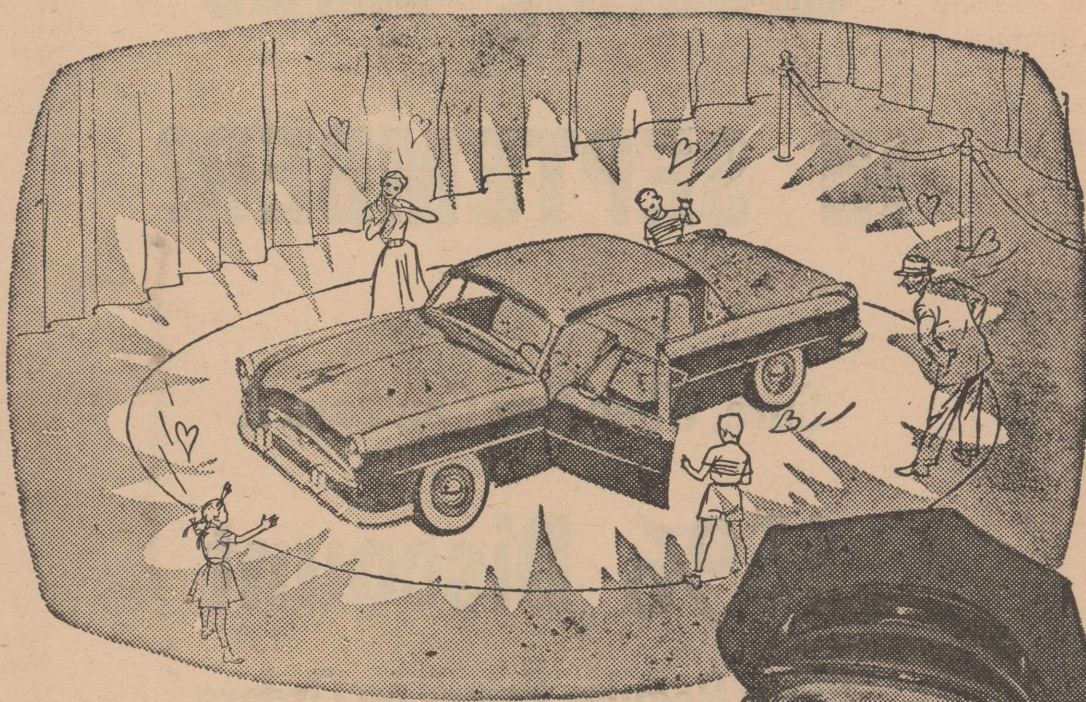

Previously published figures of industrial and commercial construction in our service area are now boosted by the addition of another huge sum. Recent civic improvement expenditures by cities and counties amount to \$34,000,000, exclusive of any State or Federal improvements.

This figure is more evidence of growth — big growth — in the area we serve. Moreover, when we say that this Center of the Southwest is in one of the Nation's fastest growing regions, the statement is backed by facts.

It is another reason why we are convinced that our service area — the Center of the Southwest — faces GROWTH UNLIMITED in the months and years ahead.

**THE CHURCH FOR ALL...
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

BIG DAY

It's an odd feeling when children start to school. As a parent, you are tremendously proud and excited. But you are also a little afraid.

For the first time, your Johnnie and Susie are going off on their own. Suddenly, they look smaller than they have since they were babies, and you have an irresistible impulse to run after them. But it's too late for that—so you let them go, with a smile on your lips and a fervent prayer in your heart.

Later, when the first rush of emotion passes and reason returns, you laugh at yourself. For the truth is that Johnnie and Susie are exactly where they've always been; in God's care, whether at home, in school, at play, or in church. And, grateful to the Church for this truth, you remind yourself that next Sunday you'll remember to thank God for that care . . . a little more than usual.

Woman's Forum Opens Season's Study With Breakfast & Program

The Woman's Forum held its first meeting of the year with a breakfast at the Ozona Country Club Sept. 7 with Mrs. James Childress, Mrs. Pleas Childress and Mr. Charles Williams, Jr., hostesses.

During the business meeting the club voted on the revision of the by-laws of the club and the year books were presented to the club by the yearbook chairman, Mrs. C. O. Walker.

Officers for the coming year will be, Mrs. W. R. Clegg, president; Mrs. C. O. Walker, 1st vice president; Mrs. Fred Hagelstein, 2nd vice president; Mrs. Brock Jones, Rec. Sec.; Mrs. W. T. Stokes treasurer, and Mrs. P. C. Perner, parliamentarian.

Mrs. Fred Hagelstein and the department chairmen compose the project committee; Mrs. Pleas Childress, Mrs. James Childress and Mrs. Charles Williams, Jr., entertainment; Mrs. Pete Jacoby, and Mrs. John Coates, membership; Mrs. Nip Blackstone, Mrs. Jack Williams, and Mrs. Oscar Kost, civic.

Mrs. Lloyd Sherrill, and Mrs. Ralph Jones are on the telephone committee and Mrs. Ralph Simon, Jr., courtesy. Music chairman is Mrs. Beecher Montgomery; press-book, Mrs. P. C. Perner; reporter, Mrs. T. J. Bailey, Federation Counselor, Mrs. J. B. Miller; safety, Mrs. Jack Baggett; historian, Mrs. Dempster Jones; Night Game Club, Mrs. Boyd Baker and reading circle, Mrs. John Coates.

The Finance committee includes Mrs. W. T. Stokes and Mrs. James Baggett.

The theme for the year's study is Heritage—built around our last will and testament, the thought for the first program: "It is our will and desire that this year's study will enable us to give our children a richer heritage."

Mrs. T. J. Bailey talked on the subject, "Why Women are Wig Happy" with a few rather unexpected demonstrations of the fact that Ozona women are included.

Twenty-four members were present at the morning meeting.

Mrs. Bob Coleman has returned to Ozona after having spent the summer working in a family-owned tourist court on Red River in the Mountains in New Mexico.

WILLING WORKERS CIRCLE

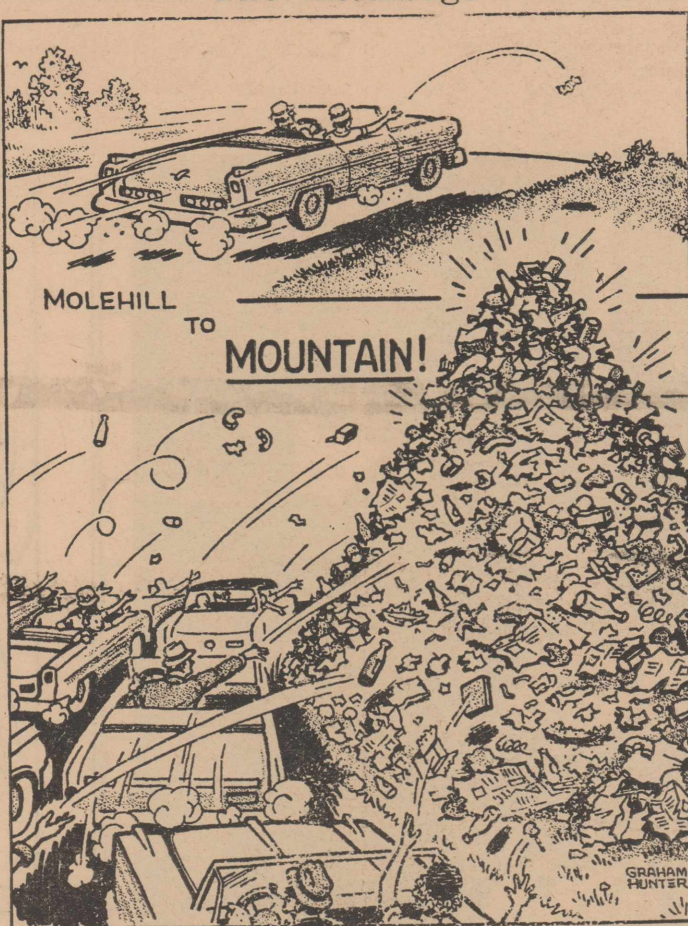

The Willing Worker's Circle of the Ozona Methodist Church met in the home of Mrs. J. S. Pierce, Jr., Wednesday morning, Mrs. W. O. Mills, Jr. Circle chairman, presiding. After opening prayer Psalm 51 was read.

Mrs. J. S. Pierce, Jr., led the study on "You are Christ Sent" by Dr. Lawrence L. Lacour. Mrs. Paul Perner, Mrs. L. B. Cox, III, Mrs. Dempster Jones, Mrs. J. A. Fussell and Mrs. Keith Mitchell participated with scripture reading and comments on the Roll of the Christian Woman pertinent to the study.

Others attending were Mrs. W. D. Cooper, Mrs. V. I. Pierce, Mrs. J. M. Baggett, Mrs. Hillery Iglehart, Mrs. L. D. Kirby, Mrs. L. D. Crane and Mrs. Joe Pierce, III.

Miss Diane Phillips, daughter of Mr. and Mrs. Arthur Phillips, is teaching a MacArthur High School in San Antonio this year.

The Litterbugs

Livestock Men Urged To Be On Lookout For Screwworm Outbreaks

Mission, Sept. — An increase in the screwworm population this fall must be prevented if early eradication of this livestock pest is to be realized, officials of the Southwest Screwworm Eradication Program emphasize.

Favorable weather conditions and shearing and other ranch operations usually result in a marked increase in screwworm infestations in both livestock and wildlife from early September through November.

Eradication machinery is poised to move quickly onto farms and ranches where screwworms are reported. Officials stress livestock men should watch closely for infested animal wounds; they should save samples of the larvae and immediately report the discovery to the county agent or veterinarian.

The 19-month-old program has already reduced the annual incidence of screwworm infestations by more than 95 percent. As fall operations approach, screwworm cases are at an all-time low for the season. For example, less than 75

cases were reported during August as compared to over 5,000 for the same month last year. Only two of those cases were reported in the area of South Texas where screwworms can survive during the winter. This area must be kept free if eradication is to be achieved, officials said.

Several other factors are considered favorable for early eradication: First, the capability for producing sexually sterile screwworm flies is at an all-time high; more than 135 million sterile flies per week can be released to mate with native flies and prevent reproduction. Next, inspection stations, to prevent the transportation of infested livestock into the eradication area, are operating along the western edge of the area. A barrier to prevent reinfestation from Mexico is in operation along the U. S.-Mexico border, and finally livestock inspectors are ready to deal with any emergency.

Eradication workers consider each new screwworm case an emergency situation. Increased numbers of sterile flies are released near areas where infestations are discovered. Livestock in the vicinity are sprayed and livestock inspection intensified in an effort

to find other infestations that may be located in the area. For all of these measures to be effective, however, full support and cooperation from livestock producers must be received, officials stress.

OZONAN'S GREAT GRANDSON

Mr. and Mrs. Charles M. Martin of Dallas are the parents of a son, named Charles Maillot Martin, III born Monday in Dallas hospital. The baby, who is a great grandson of Mrs. Vera Baker of Ozona, weighed 7 1/2 pounds. His mother is the former Joan Bower, daughter of Mr. and Mrs. Eddie Bower of Dallas. Other grandparents are Mr. and Mrs. Charles M. Martin, Sr., also of Dallas. Mrs. Baker plans to leave late this week to visit her new great grandson.

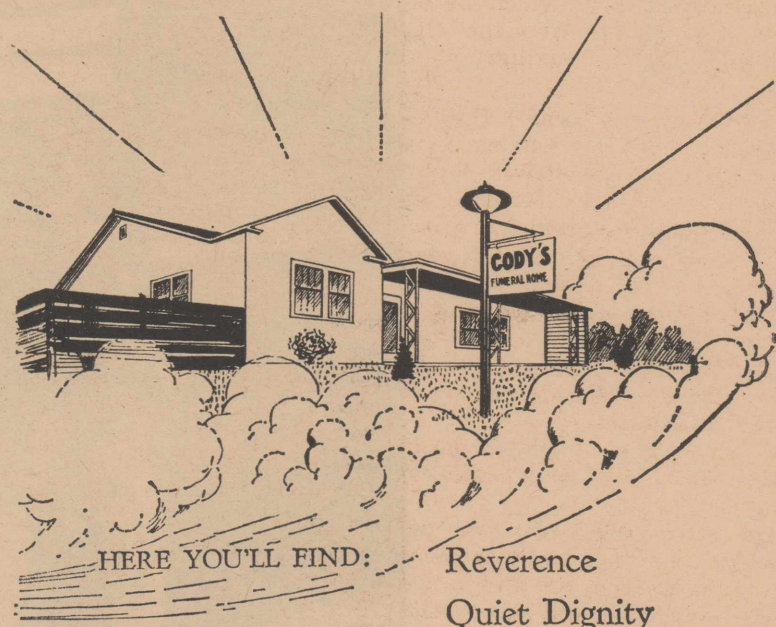

Mr. and Mrs. Jimmy Martinez and children formerly of Ozona and now with the U. S. Air Force, are visiting relatives in Ozona following a tour of duty in Spain.

Mr. and Mrs. Bill Hanks and son, Billy of San Angelo, Miss Judy Riddle of Abilene, Mrs. J. L. Nutt of San Angelo, and Richard Salmon of a San Angelo, were visitors in the Pleas Childress home Sunday. Billy Hanks spoke at the First Baptist Church Sunday night. Billy was one of the group of which Pleas Childress, Jr., was a member who went around the world visiting in 26 countries this summer.

Miss Ann Davidson, daughter of Mr. and Mrs. Joe Tom Davidson, has enrolled as a student at Arlington State College in Arlington, Texas. A sister, Miss Barbara Davidson, will attend Selwyn school in Denton the coming school year.

Wool-Mohair Program Features Meeting Of Pandale Study Club

Pandale, Texas — The Pandale Study Club observed Wool and Mohair Promotion month with the theme "The Friendliest Fabrics Alive."

The meeting was held in the Pandale school building.

Miss Nancy Friend, past Miss Mohair of America, was guest model, and she modeled 10 garments from her mohair and wool wardrobe.

James L. Powell of Fort McKavett, President of Texas Sheep and Goat Raisers Association, was the featured speaker. He outlined some of the legislation affecting ranchmen, and discussed some of the problems of the ranching industry.

Mrs. Alvie Cole of Sterling City, President of the Texas Sheep and Goat Raisers Auxiliary, talked of the woman's role in ranching, and displayed wool pelts which are being sold for the benefit of the scholarships which the auxiliary sponsors.

Mrs. Strick (Brownie) Harvick of Ozona, National Chairman of the "Make-it-yourself-With-Wool" contest, told of the increased interest in the contest which is growing by leaps and bounds each year. She said a short, catchy name is needed as a title for the contest.

Mrs. Elmo Arledge, Club President, welcomed the guests and Earl (Tooter) Malone acted as Master of Ceremonies.

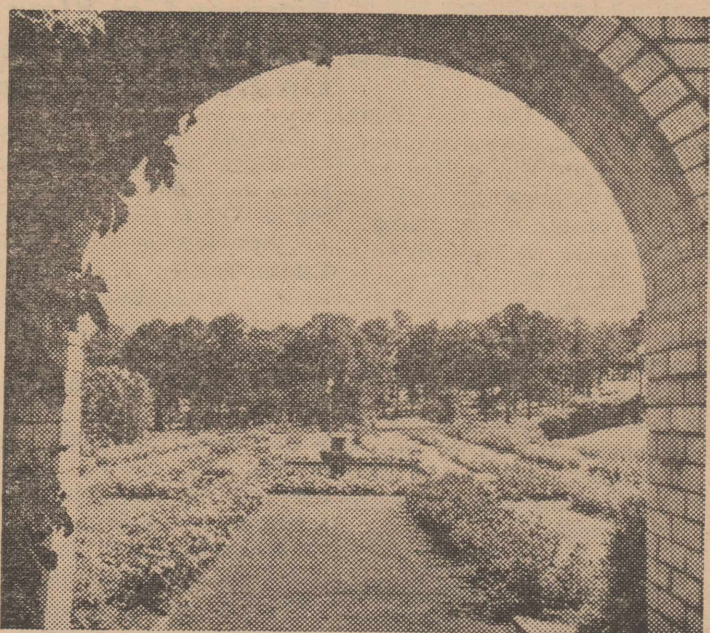

Mrs. Earl Malone played background music throughout the evening.

Mrs. Henry Mills, Jr., was decorations chairman and a western motif was carried out and native plants, wool sacks and sheep pelts were used throughout the rooms.

During the social hour, Mrs. Elmo Arledge poured punch and Mrs. W. O. Mills presided at the coffee table.

Miss Friend was presented a gold charm.

Guests included: Mr. and Mrs. James L. Powell, Fort McKavett, Mrs. Alvie Cole, Sterling City, Mr. and Mrs. Tuffy Whitehead, Comstock, Kenneth Wendland, Miles, Henry Mills III, Del Rio, Mr. and Mrs. Joe Bean, Mr. and Mrs. W. E. Friend, Jr., Mr. and Mrs. Lonye Cain, Deklyn and Cody, Mr. and Mrs. Bill Friend and Mitzie, Mrs. Strick Harvick, Mrs. V. I. Pierce, Mrs. W. H. Chandler, Mrs. Frank

ROSE CAPITAL — Municipal Rose Garden at Tyler is one of the finest in the nation with 26,000 bushes and 375 varieties which bloom from May until November. Upwards of 50,000 persons visit the garden each year. The 1963 Tyler Rose Festival will be held October 18, 19 and 20.

Work Of Missionaries W. M. U. Study Topic

Mrs. Donald Carr was leader of the missionary program, "Conquest Through New Ministries" when the Woman's Missionary Union of the First Baptist Church met in the fellowship hall of the church Wednesday morning.

Mrs. Max Brown discussed the work of the Southern Baptist missionaries in Venezuela. Mrs. Robert Lance discussed the work in Columbus; Mrs. Jim Carpenter, Ecuador, and Mrs. Doyle Perdue, Peru. Mrs. Jerry Perry led the calendar of prayer.

It was announced that the Associational meeting of WMU will be held Tuesday, Sept. 17, in McCamey. The round table book club will meet next Wednesday morning.

Others present were Meses. Bill Cavanaugh, W. C. Smith, J. T. Keeton, Quentin Brentz, Roy Thompson, Jess Sweeten, Joe Bean, Bill Greer, Myrtle Mitchell, Pleas Childress, Huey Ingram, Dick Webster, Dean Scott and Ralph Simon.

"Behind every successful man stands a woman who couldn't be more surprised." — Wellington (O.) Enterprise.

James, Mrs. Carl North all of Ozona, and Mart Cleghorn, and Moss Mills of Pandale. — Lela Bunger, reporter.

DUPLICATE BRIDGE CLUB

Tuesday night's Duplicate Bridge Club play produced the following winners: First, Mrs. Frank McMullan and Mrs. Ashby McMullan; second, Mr. and Mrs. Evert White; third, Mrs. Joe Pierce, Jr., and Mrs. J. M. Baggett.

Mr. and Mrs. Hubert Jones of Austin stopped off for a brief visit here last week with Mrs. Jones' brother, Madden Read and family, and with her's and Mr. Read's mother, Mrs. Nat B. Read, who has been visiting the Reads here while Mr. and Mrs. Jones were on a vacation tour of Alaska, Canada and the Northwest and California.

Herman Carrol, son of Mr. and Mrs. J. T. Carroll of Ozona, has entered the medical technology school at Shannon Hospital for study during the coming year as a medical technician. He attended Sul Ross College, the University of Texas and Texas Tech.

Mrs. John Horn and infant daughter arrived in Ozona Sunday to join her husband, John Horn, who is a teacher in Ozona Junior High. Mrs. Horn came to Ozona with her parents, Mr. and Mrs. R. H. McCasland of Commerce, who returned home Sunday.

Pam Jones has enrolled at Sul Ross State College in Alpine to continue her work and Robin Jones, her sister, a 1963 Ozona High School graduate, has enrolled as a student in Southwest Texas State College at San Marcos. Both are daughters of Mr. and Mrs. Dempster Jones.

Early Bird Bowling League Names Officers Start Season Sept. 17

The Early Bird League met Tuesday, September 10 at 9:30 a. m. at Miller Lanes. The newly elected officers for the 1963-1964 year are: President, Jackie Sessoms; Vice president, Pat Wood; Secy.-Treas., Terry Adams; Sergeant-at-arms, Carolyn Clayton and publicity chairman, Tommy Kay O'Bryant.

Trophy Committee Terry Adams, chairman, Peggy Wellman, Tommy Kay O'Bryant.

It was voted to figure the averages after the first three games and bowl four rounds with no positions. Substitutes will not pay for their bowling and trophies will be given for 1st, 2nd, and 3rd. place teams with 3 sponsor trophies and 5 individual.

The rule was made that there will be no substitutes allowed to bowl the last 3 weeks of the season.

The Early Bird League will start

SON TO ROBISONS

Mr. and Mrs. Tom Robison of Marfa are the parents of a son born Wednesday, Sept. 4. The newcomer is a great grandson of Mr. and Mrs. Max Schneemann of Ozona. Mr. and Mrs. Miller Robison of Marfa, former Ozonans, are grandparents.

Mrs. A. H. Studt and daughter, Jean, from Hartsdale, N. Y., who spent the summer here with her parents, Mr. and Mrs. George Montgomery returned to their home last week. They were accompanied by Mrs. Montgomery who will visit in the East for a few weeks.

FOR SALE — Cheap. Std. size steel secretary desk and chair. Left hand typewriter well. Inquire at Ratliff's 2tc

McCamey —

(Continued from Page One)

Ozons fans had hoped that the Lions would be able to play a fairly strong defense and in this respect the Lions more than fulfilled their follower's expectations. But the Lions also showed some shreds of offense which, with a little polish and improvement, might prove pretty effective against a little less rugged defense than that exhibited by the Badgers.

The Lions gained a net of 71 yards rushing which, without losses, some of which came on pass plays, would have been 108, with another 79 in the air.

Richard Vargas accounted for 48 yards rushing and Leroy Cooper who also was charged with 24 yards in losses while attempting to pass, picked up a net of 17.

In the air, the Lions came up with 5 completions out of 10 but in reality, of the passes thrown in a sense that they were not blocked, the Lions had 5 of 8 with both Badger interceptions coming as the result of the passers arm being hit before the ball could be thrown.

The Lions, on the defensive side of the contest, held the Badgers to a net of 156 rushing and only 7 yards passing, intercepting two of the Badgers air shots. 55 of the rushing yards came on the touch-down run.

In the matter of first downs, the Lions were about as close as the score would indicate, getting 7 to the Badgers 8.

Defensively, the Lions made some mistakes but hustle and determination kept them in the contest and completely halted any sustained attack the Badgers were able to launch during the contest.

Only twice during the game did the Badgers make two first downs in a row all four of those had to be measured.

Two year lettermen Pete Garza and Joel Huff, along with Richard Vargas, were tigers on defense but got big help from Bobby Amthor, Bryan Montgomery, Joe Chapman and Mike Walters along with Buddy Farris and Rick Hagelstein, all of whom had limited or no experience at the position to which they had been assigned.

Tomas Garza took over the kicking duties from Mahon and did a good job for the Lions in the second half as well as giving a good performance at end.

Letterman Scott Mahon caught passes with the skill of a pro and picked off a McCamey pass over his head in a manner that brought the Ozona stands to their feet. Leroy Cooper, who directed the Lions offense, intercepted the other McCamey shot and also discharged his defensive halfback duties with a great deal of vigor.

Coach Fred Hickman expressed a great deal of satisfaction with the effort the boys put out in the game and Coach Sonny Cleere was pleased with the way his big green linemen met the more experienced opposition and refused to quit during the contest.

The game would seem to indicate the Lions can be better than they were expected to be but how much will be decided by the team's desire to work and improve.

Bronte —

(Continued from Page One)

throughout the contest.

The Ozona squad, which is thin in reserve strength, got one new member this week when Alejos Tambunga, one of the best prospects the Lions had on the B team last year, checked into school Monday. Alejos reported for football 13 pounds heavier than last season but will likely lose some of that by the time he is ready to play.

On defense the Lions will likely begin Friday's contest with the following lineup: ends Bryan Montgomery and Tomas Garza; tackles, Joe Chapman and Rick Hagelstein; guards Mike Walters and Bobby Amthor. Richard Vargas and Pete Garza will back the line and Leroy Cooper, Scott Mahon and Joel Huff will be in the secondary.

On offense the Lions will have Tomas Garza and Mahon at ends, Amthor and Hagelstein at tackles, Pete Garza and Larry Williams at guards with Chapman at center. In

the backfield Leroy Cooper will be at quarter, Richard Vargas and Bryan Montgomery at halves and Joel Huff at fullback.

It is no secret that the Lions could use Huff at offensive guard, where he has already earned two letters, and it is hoped that Perner or someone of the other younger backs will come through so that the Lion forwards could profit from Huff's experience and sharp blocking.

Larry Williams, the hard hitting 133 pounder, now playing offensive guard, is doubtless going to be a comer for the Lions, as are such youngsters as Darrel Maney, and Randy Upham, both of whom have some speed.

Buddy Farris has trimmed off a great deal of weight and is now pushing into the lineup much of the time. He too is a soph, but the Lions need now for Tambunga and Perner to reach a point where they are able to compete on equal footing with several of the boys, if the Lions are to get some much needed depth.

Phone news to the Stockman

Simpson Gas Flow Is Encountered In Test On J.W. Henderson Est.

Flowing tests of the Simpson continued through upper perforations at 11,561 to 11,573 feet in Signal Oil & Gas Company's No. 1 Cities Service J. W. Henderson Estate, section 1, block SL, TC survey, a southwestern Crockett County gas prospect 20 miles southwest of Ozona.

Previously acidized with 12,000 gallons, the upper zone responded with a flow of 419,000 cubic feet of gas daily for four hours on 6-64-inch choke, 730,000 daily for four hours on 8-64-inch choke and 811,000 cubic feet daily the last four hours on 9-64-inch choke.

Dual completion through these perforations and a lower set at 11,870 to 11,875 feet is planned. Gas also flowed from the lower interval after injection of 6,600 gallons of acid.

Shell Oil Company's No. 1-21 Couch, section 21, block QR, WE- & WT survey, 1 3/4 miles north-west of Southwest Ozona gas-dis-

tillate production and eight miles southwest of Ozona, flowed 24 barrels of 55.6 gravity distillate and three barrels of water on latest 24-hour test through 13-64-inch choke and perforations between 6,284 and 6,860 feet. Gas volume was 1-291,000 cubic feet daily.

Testing continued in pay, previously washed with 3,000 gallons of mud acid and fractured with 50,000 gallons.

Humble Oil & Refining Company's No. 1 Roy Henderson, section 26, block ST, J. R. Talley survey, 2,900 feet northwest of the Southwest Ozona gas-distillate area and 13 miles southwest of Ozona, was being tested through upper perforations at 6,422 to 6,472 feet.

Earlier, it flowed gas, oil and water through these perforations and two other sets opposite the Canyon B and C zones at 6,503 to 6,523 feet and 6,549 to 6,593, after being fractured with 56,000 gallons.
