As the seniors finish their last week in OHS, there are many who are filled with happiness and joy, but others have tear-filled eyes as they remember they must leave behind the halls of OHS. for a new and different world. Left behind will be the many friends and memories they have made while in school. The Freshmen Day, slamming of lockers, the mad rush at dinner, and all the things that seem like everyday routines will be replaced by things quite different.

The one ocnsolation we have is that through the leadership and guidance our parents, teachers, and friends have given us we will be able to see a better future in college or any other fields of endeavor that one chooses to follow.

THE CHURCH FOR ALL ...

ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and

good citizenship. It is a storehouse of

spiritual values. Without a strong

Church, neither democracy nor civili-

zation can survive. There are four

sound reasons why every person should

attend services regularly and support the Church. They are: (1) For his

own sake. (2) For his children's sake.

(3) For the sake of his community

and nation. (4) For the sake of the Church itself, which needs his moral

and material support. Plan to go to

church regularly and read your Bible

daily.
