Football Field Lighting Towers Being Erected

Four new 80-foot steel towers on which new lights for the football field are to be mounted were to be unloaded at Lions Stadium before this week is out and contractors promised the new lighting system will be installed and in operation in time for the first football game.

Hirschfield Steel Co. of San Angelo has constructed the towers in two sections and all four are expected to be delivered at the field by the end of this week.

Prater Electric Co. of Ozona has the contract for wiring and installing the lights and towers, plus the re-location of four of the wooden poles formerly in use, which will carry light brackets to augment the towers. Lilly Welding crews are assisting in the tower base work and welding.

The new four-legged towers are made of pipe and angle iron and are to be set in concrete. The towers are said to be strong enough to withstand a 300-mile an hour wind.

The new steel towers will be behind the stands on each side of the field, thus removing from in front of fans the wooden poles which to now held the lights for the field. Four of the wooden poles will be used, but in new locations, on each side of the field and at each end.

Pick-Off Attempt Costs Indians One

Ozona's Indians, with a long string of wins under their belts, took a heart-breaking 2-1 defeat at the hands of the San Angelo Oilers on the Powell Field diamond here Sunday.

The Indians got off to a head start in the first inning when Calano singled to drive in Rudy Martinez from third base. The visitors evened it up in the second and the second and the two teams banged away on even terms until the eighth. That's when the heartbreaker took place.

With two out and a man on first and third, the winning run scored when Ozona's pitcher attempted a pick-off at first base when the runner faked a steal attempt.

The Indians will be seeking a salve for their wounded pride next Sunday when they meet a strong team from Brady on the home diamond. Game time will be 2:30 p. m.

Pilfered Sign Makes Stadium 'Garden of Week'

Perhaps it was pardonable pride that prompted someone to pilfer the Ozona Garden's Club's "Garden of the Week" sign last week and install it at the Lions Stadium athletic field.

It caused some anxiety for Mrs. J. B. Miller and Mrs. Glenn Sutton when they were unable to locate the sign when time came to pick a new garden for this week. Someone remembered, however, seeing the sign at the football field and it was recovered, undamaged - and the football field had had its week of glory.

Award Contract For Construction School Projects

The BDK Construction Co. of San Angelo submitted the low bid of \$179,765 total cost for construction of buildings and additions contemplated in the Ozona Public School System expansion program called for in a \$320,000 bond issue approved by voters early in the year.

The contractor was allowed a total of 280 calendar days for construction of the project but expects to complete it in less time, barring unforeseen complications. Work is expected to get under way about September 1.

The contract is for construction of a library building and classroom on a lot between the school administration building and the HE cottage. Architecture and finish will match surrounding buildings and will provide room for the school library and a public reading room where the general public may make use of the library facilities. One classroom will be included in the building plan, the structure making available at least three more classrooms for high school use, the present library occupying what will be converted into two classrooms.

Another project in the program is construction of a new field house at the athletic stadium. The new building, about 32 by 58 feet, will be constructed at the south end of the practice field at the stadium and will provide rest rooms for visiting fans on the east side of the field.

Addition of two classrooms and rest rooms at the North Elementary and one classroom addition to the South Elementary will complete the project.

Other items provided for in the bond issue for school expansion were a new superintendent's home, which has been provided through purchase by the school board of Mrs. J. M. Baggett's home; lighting of the football field, now under way under contract previously awarded; and modernization of the rest rooms at the Junior High School building, also presently under way.

Architects on the construction projects are Dawsey, Joiner, Coburn and King of Houston and Wyatt C. Hedrick Engineers of Houston.

Other bidders on the construction job, all from San Angelo, were: J. D. Burke Construction Co. with \$207,360, second; Phillip and Stuart Templeton Co. with \$208,680 third; Templeton and Cannon Construction Co. with \$211,640, fourth; and Edwin O. Wanoreck with \$216,993, fifth.

AT CHRYSLER SHOW

Mr. and Mrs. Frank James of James Motor Co. local Chrysler-Dodge dealer, was in Dallas last week to look over the new 1966 Imperial, Chrysler and Plymouth cars in a special preview there last Friday. The new cars were unveiled in an original Broadway-type musical revue "1966 Swing Up," featuring a cast of 13 singers and dancers.

Breaking from the No. 4 post position, Cox and Talent Bar in front every step of the 400 yards. The first part of the race saw Talent Bar ahead as much as a length and a half on the muddy track. Vernon Pool's Little Bar Olene came up fast from the outside about 100 yards from the finish line, to finish second by half a length. Talent Bar's time was 20.4.

Before race time, the officials cut the purse to \$88,522, shy of the previously advertised \$150,000 by \$61,478. However, the victory was worth \$25,276 to owner, Perner and trainer, James Chapman.

Trials for the All American Futurity will be held August 28, in Ruidoso. The \$350,000 All American Futurity, the world's richest quarter horse race, will be run Labor Day at Ruidoso. A number of Ozonans are expected to be on hand, hoping once again to see Jockey Cox hustle Talent Bar over the finish line first.

Dual Completion Attempt Slated At Crockett Test

Final drillstem test in the Ellenburger between 9,858-10,010 feet recovered 300 feet of mud and 5,190 feet of sulphur water.

GREAT SOCIETY — IN L. A.

The Reverend Doctor Luther King has announced intention to go to Los Angeles to "seek the cause" of the bloody insurrection which took place in that city last week.

It doesn't appear to be any dark mystery about the cause of the uprising. When a people are made to understand that they are outside the law, that the ordinary laws under which all of us live do not apply to them, then trouble is brewing, especially, if they have the ever-ready Communist agitators to trigger off the mob element.

After reviewing the five-day uprising in L. A. and counting the score, it seems all the more amazing that a government which rushed federal troops into Mississippi a few years ago "to avoid violence" when one lone Negro youth sought admission to the University, could stand by for four full days of unbelievable horror, when wild animals shaped like men murdered, pillaged, burned and looted while local law enforcement agencies stood helplessly by.

Count the score: 32 dead; nearly 800 injured; 2,000 major incendiary fires destroying \$175 million dollars in property; 757 places of business shattered, plus an additional untold millions of dollars in losses at the hands of looters — and around 2,500 under arrest, almost all Negroes. All could be charged with any one of a dozen heinous crimes, from murder to destruction of private property, but the bitter prospect is that all of these and all the others responsible who have not been arrested, will be released without punishment.

If this is the Great Society

the present liberal administration and Congress has been promising us, may the Lord spare us from it.

Dear Editor:

Dear Mr. Editor:

Need I remind you of the negro revolution? It is now going on and has been for many, many months. The latest outbreak is the rioting of many thousands of negroes, robbing, pillaging, burning, assaulting white police, and causing the death of at least thirty-two people in Los Angeles.

Los Angeles, and indeed all California, has welcomed the negroes and made them special objects of all possible financial, social, and civic assistance. They have been welcomed into schools, colleges, and jobs, as well as into mixed marriages.

This situation in Los Angeles is not just spontaneous riot, but is a revolution, as it has been going on as I write for at least three days. The negroes have destroyed over a hundred million dollars worth of property. Only a few have been arrested, and the arresting policemen will likely be tried and "fired for police brutality". "Police brutality" is a favorite expression of the negroes, as if they expect the police to stand by while they are being kicked, stabbed, and even shot to death. The police are for the protection of the negroes, as well as for the whites, but this the negroes refuse to see.

This revolution must be stopped now, before it becomes a civil war, with millions of people killed and billions of dollars of property damage. The negroes have been pampered too much the last few years in New York and Chicago, as well as in

HIGHLIGHTS AND SIDELIGHTS

From Your State Capitol

Austin, Texas — Federal authorities have brought suit here to abolish the poll tax as a requirement for voting in Texas elections. Suit was filed under the new voting rights act.

If they are successful in getting an early hearing, a special session of the Legislature may be necessary to enact a valid voter registration statute.

Texas' poll tax is the only existing form of registration for state and local elections. However, there is a procedure for obtaining "free" poll taxes to vote in federal elections.

Observers feel near chaos would result at the polls next year if a final ruling is handed down in favor of the federal suit, without prior enactment of registration procedures.

Although the U. S. Attorney General maintains the tax is not used to raise revenue for the state, Comptroller Robert S. Calvert estimates over \$5,000,000 income for the next biennium from that source. That's \$5,000,000 the state treasury won't get if the poll tax is repealed. Reliable estimates so far see the biennium ending with government in the black by only \$1,300,000 to \$4,200,000 including income from all existing levies.

Atty. Gen. Waggoner Carr

Los Angeles. It is estimated that the city of New York spends one million dollars a day for welfare, with almost all going to negroes. The same is true in Chicago. They repay this by engaging in a communist-inspired revolution.

If we do not stop them now, we will be forced to use bullets and bayonets before long to protect ourselves. The leaders of this revolution, whose names are well known, if they do not like America, should go to some other place where trouble makers and ingrates will be welcome, if they can find such a place. The negroes have been pampered long enough. Just because they are negroes, they have been fed, furnished free medical services, and now are to be given rent.

Where will this revolution end, if it is not stopped now? Yours for the preservation of the American way of life

Draft in Texas — State Selective officials say Texas men born in 1946 and after are safe from the draft — with occasional exceptions — through October. But some of them may be called up for military service in November.

Married men who are not fathers are 1-A, but are in the fourth rank of selection. Most draftees come from the third rank.

However, the plight of persons deferred as students or because of their occupations is in the hands of local draft boards.

The News Reel

A re-run of "The Ozona Story" as gleaned from the files of The Ozona Stockman

From The Stockman August 20, 1936

A warning has been issued by Sheriff W. S. Willis to Ozona motorists against careless driving over stop signs and intersection "buttons" on downtown streets of Ozona.

Motorists are urged to come to a stop at the stop signs, to turn around the "buttons" and to avoid turning in the middle of blocks. Unless an improvement is made in the area embraced by the traffic markers, arrests will be necessary to enforce traffic rules, the sheriff said.

Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 11 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing loans to students at institutions of higher education; creating the Texas Opportunity Plan Fund and making provisions relating thereto.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new Section to read as follows:

"Section 50b. STUDENT LOANS. (a) The Legislature may provide that the Coordinating Board, Texas College and University System, or its successor or successors, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Eighty-Five Million Dollars (\$85,000,000). The bonds authorized herein shall be called 'Texas College Student Loan Bonds,' shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purposes of this Section.

(b) All moneys received from the sale of such bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Opportunity Plan Fund to be administered by the Coordinating Board, Texas College and University System, or its successor or successors, to make loans to students who have been admitted to attend any institution of higher education within the State of Texas, public or private, including Junior Colleges, which are recognized or accredited under terms and conditions prescribed by the Legislature, and to pay interest and principal on such bonds and provide a sinking fund therefor under such conditions as the Legislature may prescribe.

(c) While any of the bonds, or interest on said bonds authorized by this Section is outstanding and un-

paid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

(d) The Legislature may provide for the investment of moneys available in the Texas Opportunity Plan Fund, and the interest and sinking funds established for the payment of bonds issued by the Coordinating Board, Texas College and University System, or its successor or successors. **Willie B. Fielder
Funeral Services
Held Here Tuesday**

Funeral services were held at 4:30 Tuesday afternoon from Mt. Zion Baptist Church in Ozona for Willie B. (Peewee) Fielder, 48, long time resident of Ozona who died in a San Angelo hospital Friday after suffering what apparently was a stroke. He had been injured several days ago in an auto accident, suffering a broken arm, but it was not thought at the time that his injuries were more serious. An autopsy was performed to determine the exact cause of death.

Services were conducted by the Rev. Hampton Bowens, under the direction of Janes Funeral Home. Burial was in Ozona cemetery.

Born in Washington County, Texas, Oct. 31, 1917, Fielder was married to Edna Gibson in the same county in 1936. He was a profes-

sional cook, employed for a number of years in Ozona cafes.

Survivors include his wife, three sons, Donald Fielder of Edgewood, Maryland, Willie B. Fielder Jr., of Ozona and Johnny Mac Fielder, in the armed forces overseas; four daughters, Aloma Filder, Mrs. Annie Dimmery, Cherie Estella Fielder and Shirley Fielder, all of Ozona; two sisters, Mrs. Elzie Scurry and Mrs. Ozell Nicholson, both of Galveston; and two brothers, Ernest Fielder of Houston and Gus Fielder of Bakersfield, Calif.

Mrs. Joe Pierce, Jr., has returned from Bay City where she went to attend funeral services for her sister, Mrs. Phillips, 87, who died there after a prolonged illness.

Lee Patrick of Sonora, native Ozonan, business man and civic worker in Sonora for many years, was reported under treatment in a San Angelo hospital suffering from a heart attack.

**ASC Committee
To Be Elected To
Staggered Terms**

A change in regulations for electing county Agricultural Stabilization and Conservation Service committeemen is in effect this year, according to a letter mailed to ranchmen in the county by Cliff Elder, county office manager.

In this year's election, to be held late this month, the nominee receiving the highest number of votes will be elected for a three year term, the second highest for two

years and the next highest to a one year term. Fourth and fifth place runners will be first and second alternates.

Ballots will be mailed August 27 and the final date for return of ballots will be Sept. 8. The ballots will be tabulated and counted Sept. 13.

Nominations may be made by petition of not less than six eligible signers, or by the incumbent committee.

SENATE JOINT RESOLUTION NO. 7 proposing an Amendment to the Constitution of the State of Texas providing for the exemption from local ad valorem taxes of the property of certain charitable organizations, provided such organizations meet certain conditions and requirements and expend at least One and One-half Million Dollars (\$1,500,000.00) annually on free medical and hospital care for the indigent within the State of Texas; and

PREAMBLE
WHEREAS, The Legislature finds and declares that there is a need for the operation of hospitals by private charitable enterprises which will furnish free medical and/or hospital care for the indigent in Texas; and

WHEREAS, The operation of such hospitals and the furnishing of such free medical care and hospitalization for the indigent in Texas will add to the welfare and well-being of the State of Texas and its residents and citizens; and

WHEREAS, The need for the operation of such hospitals and the furnishing of such free medical care and hospitalization for the indigent is especially great in counties having a population in excess of one million two hundred forty thousand (1,240,000); and

WHEREAS, It is found and declared to be the Public Policy of the State to foster and encourage such operation of hospitals as aforesaid; now, therefore,

Section 1. The Constitution of the State of Texas is amended hereby, by the addition of a new Section to Article VIII thereof, to be numbered Section 2-A, and reading as follows:

"2-A. The properties of any charitable trust or organization, if such trust or organization is dedicated to, and operates a hospital, furnishing free hospital and/or medical care for the indigent within the State of Texas, shall be exempt from all ad valorem taxes levied by any taxing entity, except by the State of Texas itself, provided:

"(1) such trust or organization has expended for free hospital and/or medical care within the State of Texas, during the calendar year next preceding, a sum of not less than One and One-half Million Dollars (\$1,500,000.00); and, further provided,

"(2) after such exemption has been in force and effect for one full calendar year, the amount expended for free hospital and/or medical care, within the State of Texas, amounts to not less than One Million Eight Hundred Thousand Dollars (\$1,800,000.00) for the calendar year next preceding; and, further provided,

"(3) such trust or organization is exempt from United States income taxes;

"(4) such charitable trust or organization maintains its domicile and operates a hospital or hospitals in a county having a population of more than one million two hundred forty thousand (1,240,000) according to the last preceding Federal Census, and such exemption shall apply only to the properties of such charitable trust or organization located within the county of its domicile.

"Proof of compliance with all applicable conditions stated above, shall constitute a complete defense to any suit for ad valorem taxes levied or attempted to be levied by any taxing entity other than the State of Texas itself.

"This Amendment shall be self-enacting."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

AGAINST the Amendment exempting the property of certain charitable organizations from local ad valorem taxes provided any such organization meets certain conditions, and expends at least One and One-half Million Dollars (\$1,500,000.00) annually for free hospital and medical care for the indigent within the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and Laws of this State.

**THE CHURCH FOR ALL
ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Would you like to be as young as she is? Would you like to wake up tomorrow and find yourself standing in a field of Queen Anne's lace, with the summer breeze blowing and fleecy white clouds sailing overhead?

Would you *really* like to be as young as she is? If you've been measuring up to life, the answer should be no. Naturally, you can look at her with nostalgia. But think of the lessons she has yet to learn — lessons *you* learned long ago. Add up your experiences, both good and bad, which wouldn't be yours were you to revert to youth. The total should make you glad that you are exactly the age you are.

If you aren't — something's missing. Somewhere, you've gotten off the track. In this case, you don't need to return to childhood. You need, rather, a new approach to adulthood, a new grasp, a new understanding. Start finding it *now* . . . in the church of your choice.

Kitty's Korner

By Kitty Montgomery

Several Ozonans were in Ruidoso over the past weekend for the races, most of us going especially to see Talent Bar in the eleventh race Sunday afternoon. However, husband, Tom and father-in-law George, saw a total of 35 races in the 3-day period. George was so enthused that he has about decided to give up ranching and take up horse racing.

Mr. and Mrs. Frank McMullan, Sr., and Mr. and Mrs. Frank (Pancho) McMullan, Jr. along with Kay and Cliff, were on hand Saturday and Sunday. They seemed to have a good time in spite of the fact that their sleeping accommodations were a bit rustic. Lorillie was positive she had a board for a mattress, and Miss Marge looked a bit weary until the eleventh race, after that she was so perky I do believe she would have stayed another day except for having to be on the job Monday morning.

Coon Chandler and Carl Conklin were there, and I heard a rumor that they had decided to retire and stay in Ruidoso for the remainder of the summer. Guess it wasn't true though, since they passed us on the way home Sunday night.

The entire Perner clan arrived Saturday along with Pauline and Marshall Montgomery. They were in a jubilant mood after Talent Bar's victory.

Every last one of the Chapman family was on hand from baby Kelly to Estelle. James stayed with Talent Bar day and night, while Jo Lou and the children had other accommodations.

There were other things to enjoy besides the races and the cool mountain breezes. We enjoyed the shops, and almost every place had a band or floor show of sorts. Faron Young was at the Convention Center at the Chaparral and had a good show, even the band was passable.

We saw some beautiful country and really enjoyed the trip but it's nice to be back in Ozona.

Mrs. Larry Stephens and children of Austin, have been visiting in the Brooks Dozier home. Mrs. Stephens husband, Larry, plays for the Dallas Cowboys and is in fall training in Los Angeles.

The Cowboys play the Los Angeles Rams annually in a benefit game about this time of the year. However, this year the game has been postponed indefinitely because the Coliseum is located right in the heart of the riot area.

Mr. Stephens has been in training in Los Angeles, for several weeks. In a telephone call to Mrs. Stephens last week, he told her that the riots had been much worse than the National Press releases had indicated, and that there had been racial incidents all over Los Angeles and it is not by any means confined to one area.

Monday morning the members of the Junior Sunday School Class of the First Baptist Church were treated to a surprise come-as-you-are party. Mrs. Hartley Johnigan, teacher, and mothers of the girls were the only ones who knew about the party. The girls were completely in the dark, until they were led, sleepy eyed to the car clad in pajamas and robes, by their mothers.

By the time they arrived at Mrs. Johnigan's they were wide awake and had breakfast, visited and sang songs.

The party honored Susan Black who is moving to Colorado City. Others present were Gilda Graves, Nanda Dozier, Peggy Hayes, Jan Janes and Diana Morris.

Well, this is the time of the year when the things you volunteered for in the spring seem more than you bargained for in the fall.

With so many new faces in town, we should have inherited some good bridge players. The Ozona Duplicate Bridge Club meets every Tuesday night at 7:00 at the Country Club and everyone is welcome to participate. Just bring a partner and come along.

The advance man for the circus was in the office a few minutes ago. The firemen are sponsoring it October 8 at the fairgrounds. For a moment I was filled with nostalgia, reminiscing about the times the circus came to our town in the days of my youth. Kids just don't get the same kick out of the same things anymore. Guess I'm getting old.

Mrs. Pleas Childress and children, Pleas III and Lucille, along with granddaughter, Cynthia Berry, accompanied Mrs. Lowell Littleton and Mrs. R. E. Hardberger, mother of Mrs. Childress and Mrs. Littleton, to Norman, Oklahoma, for the wedding of R. E. Hardberger, III. They also visited in Mt. Vernon, Mo., for a week at their farm. On the return trip they visited in Dallas and left Cynthia for a visit with her other grandmother.

NUMBER EIGHT ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 57 proposing an Amendment to Section 1-a of Article V of the Constitution of the State of Texas, by adding to said Section as presently written, the following provisions: requiring automatic retirement of certain District and Appellate Judges at age seventy-five (75) or such earlier age, not under seventy (70), as may be provided by law; creating a State Judicial Qualifications Commission and providing for its composition and the qualifications, methods of selection and terms of office of its members; defining the functions and procedure of said Commission, including the duty to investigate, and hold hearings in respect of, disability and misconduct of District and Appellate Judges and to make recommendations to the Supreme Court of Texas for involuntary retirement or removal of such Judges; empowering the Supreme Court of Texas, in its discretion, to retire such Judges for disability and to remove them for misconduct, upon recommendation of the aforesaid Commission and consideration of the record made before it; defining misconduct for which said Judges may be so removed; providing that the proceedings of said Commission shall be confidential until filed in the Supreme Court with recommendation for retirement or removal; and providing that the removal provisions hereby established shall be alternative to and cumulative of those provided elsewhere in the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 1-a of Article V of the Constitution of the State of Texas be amended so that said Section shall hereafter read as follows:

"Section 1-a. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe; but, in the case of an incumbent whose term of office includes the effective date of this Amendment, this provision shall not prevent him from serving the remainder of said term nor be applicable to him before his period or periods of judicial service shall have reached a total of ten (10) years.

"(2) There is hereby created the State Judicial Qualifications Commission, to consist of nine (9) members, to wit: (i) two (2) Justices of Courts of Civil Appeals; (ii) two (2) District Judges; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iii) three (3) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership. Commissioners of classes (i) and (ii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, and those of class (iii) by appointment of the Governor with advice and consent of the Senate.

"(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

"(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

"(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of five (5) members. Proceedings shall be by majority vote of those present, except that recommendations for retirement or removal of Justices or Judges shall be by affirmative vote of at least five (5) members.

"(6) Any Justice or Judge within the scope of this Section 1-a may, subject to the other provisions hereof, be removed from office for willful or persistent conduct, which is clearly inconsistent with the proper performance of his said duties or casts public discredit upon the judiciary or administration of justice; or any such Justice or Judge may be involuntarily retired for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

"(7) The Commission shall keep itself informed as fully as may be of circumstances relating to misconduct or disability of particular Justices or Judges, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court.

"(8) The Commission may, after such investigation as it deems necessary, order a hearing to be held before it concerning the removal or retirement of a Justice or Judge, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Civil Appeals as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. If, after hearing, or after considering the record and report of a Master, the Commission finds good cause therefore, it shall recommend to the Supreme Court the removal or retirement, as the case may be, of the Justice or Judge in question and shall thereupon file with the Clerk of the Supreme Court the entire record before the Commission.

"(9) The Supreme Court shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence and shall order removal or retirement, as it finds just and proper, or wholly reject the recommendation. Upon an order for involuntary retirement for disability or an order for removal of the office in question shall become vacant. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

"(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, and the filing of papers with, and the giving of testimony before, the Commission, Master or the Supreme Court shall be privileged; provided that upon being filed in the Supreme Court the record loses its confidential character.

"(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters and the Supreme Court. Such rule shall afford to any judge against whom a proceeding is instituted to cause his retirement due process of law for the procedure before the Commission, Masters and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the judge in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice; counsel; hearing; confrontation of his accusers; and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

"(12) No Justice or Judge shall sit as a member of the Commission or Supreme Court in any proceeding involving his own retirement or removal.

"(13) This Section 1-a is alternative to, and cumulative of, the methods of removal of Justices and Judges provided elsewhere in this Constitution."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability.

"AGAINST the Constitutional Amendment providing for the automatic retirement of District and Appellate Judges for old age, creating the State Judicial Qualifications Commission, defining its functions; and empowering the Supreme Court upon recommendation of said Commission, to remove District and Appellate Judges for misconduct and to retire such judges in cases of disability."

Sec. 3. The Governor shall issue the necessary Proclamation for the election, and this Amendment shall be published as required by the Constitution and laws of this State.

Ozonan —

(Continued from Page One)

they begin meddling in their internal affairs. In fact, the Russians were so flagrant about this meddling that in December of 1962, the Russian Ambassador was asked to leave Guinea within 48 hours, charges against him being, he helped organize a strike against the government.

As a result, the Guinean Government is able to exert a tremendous influence on other African countries throughout the continent warning them to distrust trade and aid agreements with Communist countries. On the other hand, finding that the U. S. tied no such strings to their aid and kept a strict hands-off attitude about internal affairs, they have complete trust in the U. S. Government.

Some of the wholesale blunders the Russians made in their foreign program were amazing, as well as amusing, Harrell said. For instance, the Russians sent 500 snow plows to Guinea for grading and smoothing the roads.

It would have been a good idea, except for the fact that the snow scrapers lacked several inches of touching the roads, and the plows were constructed so that they wouldn't operate until the cab was closed. Closing the

cab doors automatically started the heating unit. With the relative humidity ranging from 85 to 95% on the coast in this tropical climate, you can imagine the result.

Another blunder was the building of a printing press, to flood the country with Communist propaganda. It was completely put out of commission by rust because the proper precautions were not taken in the humid climate.

The Russians also built a huge radio station in Conakry, shortly after the Guineans were granted their independence. Because of the large deposit of iron ore the city is situated on, there are parts of the city which cannot receive the radio signal, to say nothing of the surrounding countryside, he said.

Africa yields a vast part of the world's vital raw materials. It is for this reason, Mr. Harrell says, the free world must do all in its power to keep it from communist domination. He says the Chinese Communists are making inroads in Africa on an anti-white basis. In other words, they say "we, like you, are not white, we are your friends. Do not trust the Russians or Americans, they are white, they are not your friends". However, he says the average African diplomat is highly intelligent, and after working with both sides,

soon discovers whom we can trust.

Mr. Harrell will spend two months here visiting with his parents and will accept another assignment. He does not know at present where, but plans to continue selling the American way of life wherever he is assigned.

Serious Economic Implications In Uvalde Feedlot Scabies Outbreak

A current outbreak of sheep scabies, found in a feedlot near Uvalde, has serious economic implications for Texas sheepmen, warned Gaylor Hankins of Rock-springs, president of the Texas Sheep and Goat Raisers' Association.

"This could conceivably lead to a quarantine of our whole state," he said. He urged ranchmen to watch their own flocks for sign of the malady, caused by an infestation of the psoroptic mite. It causes itching and inflammation of the skin, which in turn results in the sheep biting or scratching and damaging the wool.

Hankins urged stockmen to cooperate with federal and state officials who are trying to determine the source of the outbreak by checking the origins of all sheep in the feedlot. The Texas Animal Health Commission has announced a quarantine of 93 premises known to have sold sheep which went into the feedlot. Continued trace-backs undoubtedly will reveal more such sources.

Dr. Bruce Walker, executive director of the Texas Animal Health Commission, told a group of sheepmen, including TS & GRA representatives, of the quarantine plans. One complication is that

ue and periodic inspections be made until then.

The most serious economic implication is the restrictions which certain other states place against Texas sheep so long as the scabies threat continues.

Hankins, just back from a meeting of the executive board of the National Wool

Growers Association in San Francisco, said however that representatives of the other principal sheep states indicated that when the federal government is satisfied that Texas has cleaned up its scabies problem, the states also will be satisfied.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Office and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund. Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and such terms, as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of any lands, or rights therein, purchased with such proceeds; the moneys received from the sale or resale of any lands, or rights therein, purchased with other moneys attributable to such bonds; the interest and penalties received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the

moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes here-in provided shall be a part of said Fund until there are sufficient moneys therein to retire fully all of the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund hereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violative of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, and under such rules and regulations as are now or may hereafter be provided by law to

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds heretofore issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law;"

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4, Article III, Constitution of the State of Texas be amended to read as follows:

"Section 4. The members of the House of Representatives shall be chosen by the qualified electors for the term of four years; but a new House of Representatives shall be chosen after every apportionment, and the members elected after each apportionment shall be divided by lot into two classes. The seats of the members of Class A shall be vacated at the expiration of the first two years of those of Class B at the expiration of four years, so that one-half of the members of the House of Representatives shall be chosen biennially thereafter. Representatives shall take office following their election, on the day set by law for the convening of the Regular Session of the Legislature, and shall serve thereafter for the full term of years to which elected and until their successors shall have been elected and qualified. Except in case of an election to fill a vacancy, and except in the first election following each re-apportionment, a person who has been elected to the House of Representatives shall not be eligible to be a candidate again for membership in the Legislature until the term for

which he was elected has less than one year remaining."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of the state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed on them the following:

Proposed CONSTITUTIONAL AMENDMENT
NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.
SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven Cents (7¢) on the One Hundred Dollars (\$100.00) valuation heretofore permitted to be levied by Section 51 of Article III, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two Cents (2¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article III, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article III, of the Constitution.

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Ten Cents (10¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings or other permanent improvements at the designated institutions of higher learning provided that none of the proceeds of this tax shall be used for auxiliary enterprises; and the governing board of each such institution of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as

hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed four per cent (4%) per annum and shall mature serially or otherwise in not more than ten (10) years; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30¢) on the One Hundred Dollars (\$100.00) valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"The following state institutions then in existence shall be eligible to receive funds raised from said Ten Cent (10¢) tax levy for the twelve-year period beginning January 1, 1966, and for the succeeding ten-year period:

- Arlington State College at Arlington
- Texas Technological College at Lubbock
- North Texas State University at Denton
- Lamar State College of Technology at Beaumont
- Texas College of Arts and Industries at Kingsville
- Texas Woman's University at Denton
- Texas Southern University at Houston
- Midwestern University at Wichita Falls
- University of Houston at Houston
- Pan American College at Edinburg

- Sam Houston State Teachers College at Huntsville
- Southwest Texas State College at San Marcos
- West Texas State University at Canyon

Stephen F. Austin State College at Nacogdoches

Angelo State College at San Angelo.

"Eighty-five per cent (85%) of such funds shall be allocated by the Comptroller of Public Accounts of the State of Texas on June 1, 1966, and fifteen per cent (15%) of such funds shall be allocated by said Comptroller on June 1, 1972, based on the following determinations:

(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.

(2) Ten per cent (10%) of the funds allocated on June 1, 1966 shall be allocated to certain of the eligible state institutions based on the number of additional square feet needed in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).

(3) All of the funds allocated on June 1, 1972, shall be allocated to certain of the eligible state institutions based on determinations used in the June 1, 1966, allocations except that the allocations of fifty per cent (50%) of the funds allocated on June 1, 1972, shall be based on projected enrollment increases for fall 1972 to fall 1978, and fifty per cent (50%) of such funds allocated on June 1, 1972, shall be based on the need for additional square feet of educational and general facilities.

"Not later than June first of the beginning year of each succeeding ten-year period the Comptroller of Public Accounts of the State of Texas shall reallocate eighty-five per cent (85%) of the funds to be derived from said Ten Cent (10¢) ad valorem tax for said ten-year period and not later than June first of the sixth year of each succeeding ten-year period said Comptroller shall reallocate fifteen per cent (15%) of such funds to the eligible state institutions then in existence based on determinations for the said ten-year period that are similar to the determinations used in allocating funds during the twelve-year period beginning January 1, 1966, except that enrollment projections for succeeding ten-year periods will be from the fall semester of the first year to the fall

semester of the tenth year. All such designated institutions of higher learning shall not thereafter receive any general revenue funds for the acquiring or constructing of buildings or other permanent improvements for which said Ten Cent (10¢) ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of any General Revenue Funds. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this Amendment, and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose. This Amendment shall become operative or effective upon its adoption so as to supersede and repeal the former provisions of this Section; provided further, that nothing herein shall be construed as impairing the obligation incurred by any outstanding notes or bonds heretofore issued by any state institution of higher learning under this Section prior to the adoption of this Amendment but such notes or bonds shall be paid, both as to principal and interest, from the fund as allocated to any such institution.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election to be held on the first Tuesday after the first Monday in November, A.D. 1965, at which election all ballots shall have printed thereon:

"FOR the Amendment to Article VII of the Constitution of the State of Texas by amending Section 17 thereof, providing a method of payment for the acquiring, constructing and equipping buildings and other permanent improvements at certain state institutions of higher learning."

"AGAINST the Amendment to Article VII of the Constitution of the State of Texas by amending Section 17 thereof, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.
