THE CHURCH FOR ALL • ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Naturally, you've wondered! Easter is a Christian festival, and chicks are barnyard fowl. How did they get together?

And eggs, for that matter — how do they And the lively bunny . . . what made him

part of it all? These are symbols of LIFE. And life is the

theme of Easter. Christ was dead! Christ lives! His resurrection promises life to men.

We would not expect a fact of such import to be remembered only in history. It has touched farm and home, community, nation, family . . .

It affects our lives—the humble and the mighty. Easter is God's call to worship and faith. A time to re-dedicate your life!
