Ozona missed a great stunt promotion this week and it's all because Evel Knievel didn't make it over Snake River Sunday.

Cecil Hubbard vowed last week that if Knievel made it, he would take a big swig of Aloe Vera and attempt to jump Johnson's Draw on his bicycle.

Cecil was in the office Monday and seemed a little relieved that he didn't have to go through with it.

Paper and paper products have gone out of sight in price, along with everything else needed by the consumer.

We can't estimate a printing job anymore unless we have the stock on hand. Office supplies go up everytime we order.

We are determined, however, to keep the paper at the present 10¢ per issue. We don't see much point in going up to 15¢ and having to hire an extra bookkeeper to figure the sales tax.

As an afterthought, lets just say for the time being we are determined. I may have to eat those words.

I'm always having to eat words---like "I'll never pay a dollar a pound for steak," or "50¢ for half gallon of milk, never." Etc.

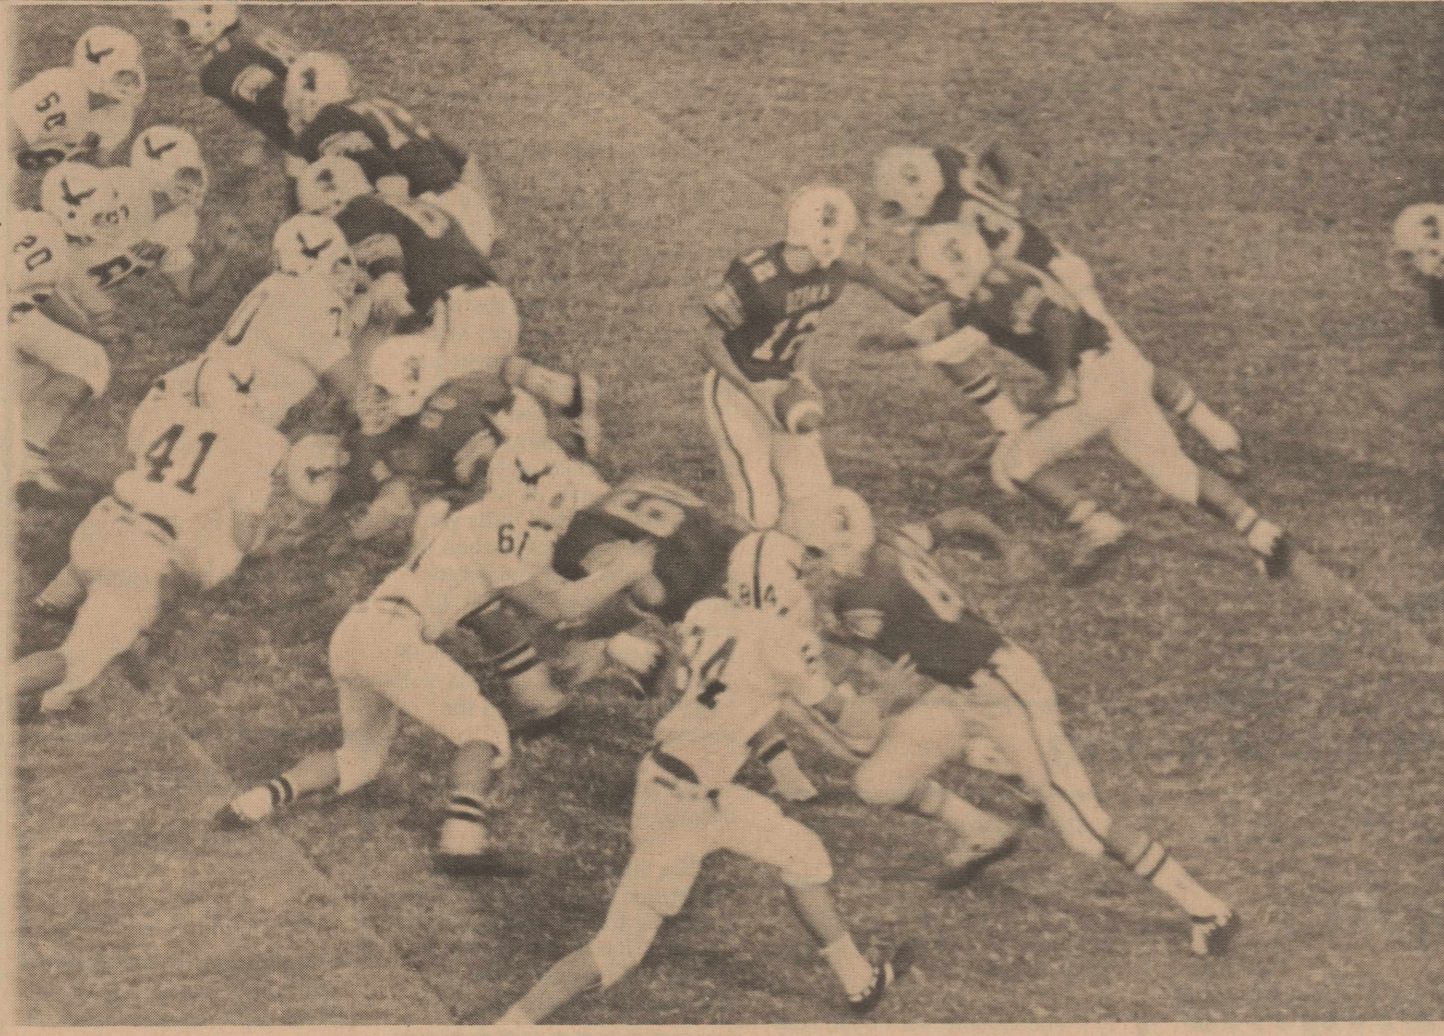

Monica Delgado Fourth For 4-H Award

The winners of the 1974 J. T. Rutherford 4-H Achievement Award for 4-H members in extension district-6 were announced jointly by J. T. Rutherford of Washington, D. C. and district extension agents Roberta Johnson and Ray Sigmund of Fort Stockton. This is an annual award and is based upon the outstanding 4-H records of the entries.

Fourth place went to Monica Delgado of Ozona in Crockett County. Monica is an eight year member of 4-H and she has carried projects in foods, clothing, dog care, health, safety, citizenship, conservation, child care, yard beautification and leadership. She has served in a number of club offices.

FFA SWEETHEART for this year is Miss Debra Clayton. She was elected by the local chapter at their meeting last week and will compete at the district level in San Angelo in December. She is a senior at Ozona High School, a cheerleader, an accomplished cowgirl, plays basketball and is the daughter of Mr. and Mrs. Mike Clayton.

LIONS' LINE KEEPS OPPONENTS OCCUPIED while the backfield moves the ball down the field in a successful touchdown effort Friday night in the opening game against Junction. The young Lions showed great promise in the opening game, downing a

heavier Junction team 26-0 here Friday night. Here quarterback Greg Thompson gives the call to Romaldo Cervantez. The Lions will play the Eldorado Eagles on the home field tomorrow, Friday, night. (Tony Hoover Photo)

Ozona Lions Devastate Junction 26-0, Eldorado Eagles Are Next

Ozona's Lions got the football season off to a good beginning Friday night by crushing the Junction Eagles, 26-0. Another set of Eagles will come to town tomorrow night, those of Eldorado. The Eldorado team took a 41 to 0 beating by Rankin to begin their season Friday night. So it would seem the Lions have nothing to worry about, except for over-confidence, and as Coach Rip Sewell says, "this element can lead to an upset."

The Lions had a tremendous opening night and dominated the game in every category. They rushed for 304 yards and passed for 118 for a total yardage of 422, while holding the Junction team to -10 on the ground and only 27 in the air, for a 17 yard total gain.

Seasoned tailback Romaldo Cervantez was the leading

rusher for the Lions with 131 yards on 26 carries and three touchdowns. He also intercepted 2 Junction passes, and all in all had an outstanding night.

On Ozona's first possession, the Lions capped a 70-yard drive with Cervantez dashing across the goal line on a 20-yard run. The drive involved 12 plays. John Galvan kicked the point after.

Early in the second quarter Cervantez scored again on a five-yard run in the Lions' second possession of the period. The play went 64 yards in 11 plays. Galvan's point after try was blocked.

In the third period, Cervantez scored from two yards out, following a 77 yard drive in 13 plays. Galvan added the PAT.

A 93-yard sustained drive by the Lions in the fourth period saw Henry Fay getting the touchdown on a one-yard hop.

Again Galvan's kick was blocked.

Coach Sewell said the Lions put forth one of the best team efforts he had seen in some time, citing the long drives and good team play, along with 5 interceptions. He said if the team had any problem, it was problems with penalties. The Lions were penalized 10 times for 103 yards, one of which cost them a touchdown.

Junior quarterback Greg Thompson had a fantastic night in his first game directing the varsity squad. He completed 6 of 8 passes for 118 yards. Richard Sanchez was the leading receiver, catching three passes for 73 yards.

Orlando DeHoyos was the second leading rusher with 73 yards on 13 carries. Dan Crowder punted one time for 30 yards.

The Lions had 22 first downs to Junction's 5.

Screwworm Cases Up In Crockett County

Forty-five screwworm cases were reported in Crockett County during the month of August, and abatement seems unlikely. A steady increase in screwworm cases until sometime in October is foreseen by officials of the U. S. Department of Agriculture (USDA) Screwworm Eradication Program.

Dr. J. E. Novy, director of field operations for the program, says increasing numbers of cases can be expected, particularly in far west Texas. "With the amount of rain that area has received, it may be an overwhelming increase," comments Novy.

Of Texas' 437 August cases, 37.5 percent were in sheep, mostly in Crockett, Terrell and Val Verde counties. Goats, too, experienced trouble in the hill country and west Texas. Edwards joined Crockett and Val Verde counties in reporting most of the infestations in goats.

The 437 cases reported in Texas during August brought the year's total to 2,483. This compares to 1,013 for the same month of 1973 and 1,647 for that year through August. In 1972 August registered 28,341 cases, totaling 54,769 for the year by month's end. USDA's Animal and Plant

Health Inspection Service (APHIS) releases sterile, but sexually active, screwworm flies in areas of known populations to mate with wild flies.

Open Meeting For Planners Of Bicentennial

Further planning for Crockett County's observance of the nation's Bicentennial celebration in 1976 will get under way Sunday afternoon, September 22, at 3:30 p.m., in the courtroom of the courthouse.

Official guidelines for city and community observances have been received from the Executive Director of the American Revolution Bicentennial, Mr. Gene Brownrigg of Arlington, and they will be discussed at the meeting.

Mrs. R. A. Harrell, chairman of the steering committee, urges all official representatives of all organizations in Ozona and every interested individual citizen to mark this date on their calendars and make a special effort to be present and help plan how Ozona can become an official Bicentennial community.

Funeral Service Monday For George Glynn

Funeral services for George E. Glynn, 49, were held Monday at 2 p.m. in Ozona First Baptist Church with burial in Cedar Hill Cemetery under the direction of Janes Funeral Home.

Mr. Glynn died early Sunday morning in Crockett County Hospital after suffering a heart attack.

He was born February 7, 1925 in India and had been a resident of Ozona for 17 years. He was married to Audrey Baker May 18, 1947 in Uvalde.

Mr. Glynn was a deacon in the First Baptist Church, he was a member and past president of the Ozona Lions Club, a member of the Ozona Chamber of Commerce, and a charter member of the Salvation Army, Crockett County Unit.

Survivors include his wife; two daughters, Ginger Glynn and Ann Glynn; his father, Johnny B. Glynn of Rocksprings, and several aunts and uncles. Pallbearers were deacons of the First Baptist Church.

County Commissioners In Routine Monthly Court Meeting Here Monday

Crockett County Commissioners Court met Monday in regular session hearing routine reports during the morning and approving the budget and setting the tax rate following lunch.

Garland Young reported attendance at the youth center for the month of August numbered 1,993. He also told the court that the board had decided to remove the juke box and replace it with taped music. Reason for the removal was cited as poor service, and

Savings Assns. Want Branches In Ozona

Applications by two San Angelo state savings and loan associations for branch offices in Ozona have been set for hearing by the Texas Savings and Loan Department at 9:30 a.m. Nov. 11 at the department's office, 1010 Lavaca in Austin.

The First Savings and Loan Association has requested a branch at 900 11th St., and San Angelo Savings Association has requested a branch at the public square in Ozona.

Savings and Loan Commissioner W. Sale Lewis says written notice of intention to protest the application should be received by his office by Nov. 1.

Dr. Carlisle Applies For Hospital Staff

In its regular monthly meeting Thursday night at the hospital, the Crockett County Hospital Board took under consideration the application of Dr. Don Carlisle for staff membership at the hospital.

Dr. Carlisle, who practices in an office out of his home here, submitted a letter to Sonny Kirklen, hospital administrator; Mrs. Tom Mitchell, president of the board; and Dr. David Blanton, chief of staff, asking that his application be considered.

The application will be processed through regular channels and action will be taken at the board meeting next month.

the fact that the box was out of order the biggest part of the time. Tapes for the tape sound system will be purchased at the rate of 2 per month and youngsters may also use their own tapes for a variety of music.

John Chiles Allen reported on the nursing home. Projected completion of the wing is March or April, but the construction is behind schedule, constantly plagued with a shortage of material. Bids will be advertised on furniture for the new wing. Sealed bids will be opened at the next court meeting which will be October 14.

County Road Superintendent Jack Gillit reported that work would begin this week on paving the new school parking lot across from the high school where the old Barton home used to be. The house was removed several weeks ago and school maintenance men have saved the trees and grass on the front part of the lot to make

a more attractive spot. Some time was spent discussing the paving of roads in Country Estates. Paving will begin, it was decided, when all sewer and water lines are laid across the designated streets.

A lengthy report from hospital administrator Sonny Kirklen revealed the fact that Dr. R. M. Owensby, who is presently practicing in California, will come to Ozona and set up practice adjacent to the hospital on or around February 1, 1975 and join the hospital staff.

The county budget for the coming fiscal year was read and approved. The total operating budget figure is \$1,410,084, which is an increase over last year's budget of \$1,401,282. The tax rate dropped 5¢ due to the phasing out of the state tax, which dropped from 22¢ to 17¢. County tax rate is \$1.25 per \$100 value, school tax is \$1.56, and state, 17¢ making a total of \$2.98.

Enthusiastic Crowd Greet Sen. Tower

A small but enthusiastic crowd was on hand at the Civic Center Saturday for a barbecue luncheon honoring U. S. Senator John Tower and Doug Harlan, Republican nominee for U. S. Representative, 21st District.

The men and their aides were met at the airport about 11:45 and transported to the Civic Center where they visited with Ozonans until dinner was served at noon.

Joe Couch, who headed up the Friends for Tower committee during the Senator's successful campaign for re-election in 1972, introduced the senator, naming him the first and only U. S. Senator to visit in Ozona. Senator Tower was a visitor to Ozona and honored with a dinner in January of 1972.

The senator spoke briefly on the importance of keeping conservatism alive in the Congress, before introducing Mr. Harlan, whom he is backing in the race for Rep. O. C. Fisher's old seat in the 21st District.

Harlan made a brief but down to earth talk which covered his views on inflation,

the dangers of big government and government intervention in the marketplace and pledged if elected to actively fight passage of the "land use" bill which was barely defeated last year. His political philosophy apparently pleased the crowd, as he was given a standing ovation.

Harlan is opposed in the November election by Democratic hopeful Bob Krueger, who has also visited Ozona on numerous occasions.

Apologizing for their tight schedule, the entourage left promptly at 1:00 o'clock for a flight to Fort Stockton and another barbecue dinner.

Little Damage In Hotel Fire

A potentially dangerous fire was brought under control Sunday night by Ozona Firemen on the third floor of the Ozona Hotel.

The alarm came in about 8:25 and firemen found two separate fires of suspicious origin on the third floor. The flames were doused before a great deal of damage occurred

U. S. SENATOR JOHN TOWER, center right, and Congressional hopeful Doug Harlan, to the Senator's right, are met at the airport Saturday morning by a group of friends before going to the Civic Center for a visit and barbecue dinner. Around 40

people were on hand to greet the two at the Civic Center. Senator has the distinction of being the only U. S. Senator to visit Ozona in the town's history. It can't be the votes in the sparsely populated county, it must be the barbecue.

NOT MUCH TO CELEBRATE

Thirty years ago - from August 21 to October 7, 1944 - the foundations of an international organization to become known as the "United Nations" were laid at the Dumbarton Oaks Conference...

Born with high hopes that the UN would serve as an effective instrument for the maintenance of world peace and justice, the passage of three decades has brought disappointment and disillusionment.

And, should the curious take the time to obtain a copy, the words of the Charter are found to have no connection whatsoever with reality. For example, the Preamble of the UN Charter declares that one of the purposes is "to reaffirm faith in fundamental human rights..."

Chapter II of the UN Charter declares that "Membership in the United Nations is open to all other peace-loving states which accept the obligations contained in the present charter..."

In a book just published "United Nations Journal" by William F. Buckley, Jr., who served for one year as a member of the United States delegation to the United Nations General Assembly, Mr. Buckley states: "The United Nations is the most concentrated assault on moral reality in the history of free institutions..."

NATIONAL POLICE FORCE UNNECESSARY

Crime has reached such proportions in this country that if the trend is not reversed we may be forced to operate under a national police force.

This awesome statement was uttered recently by Attorney General William B. Saxbe in a speech to police chiefs from the country's largest cities.

Warning that we are losing the war against crime, Saxbe said: "The options are very limited as we face the future. If we go on as we are, there is every possibility that crime will inundate us. The nation then would be faced with the prospect of falling apart or devising a national police force in one final effort to restore domestic order."

And, as he put it, a national police force would lead to "total control over our lives."

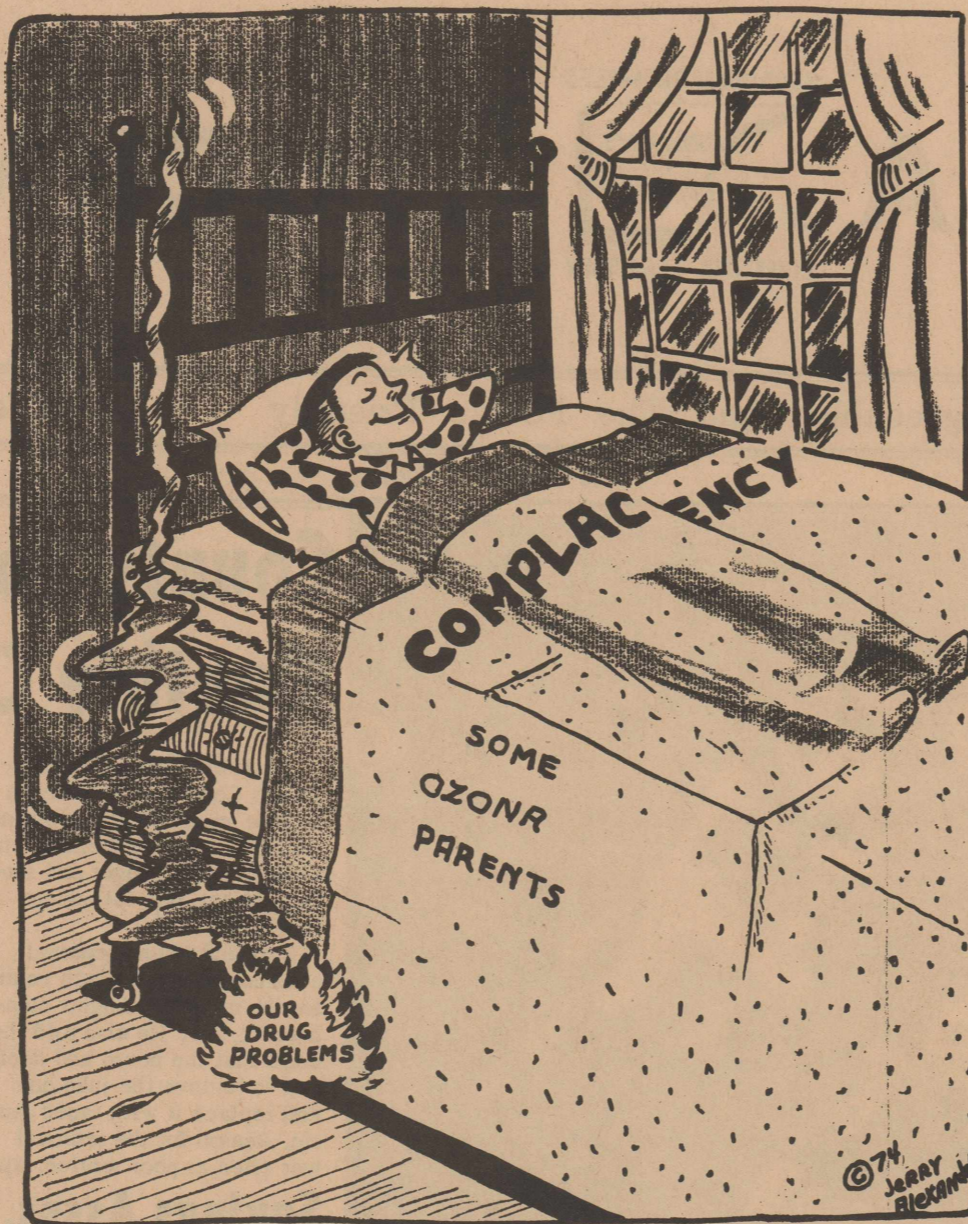

In other words, if we can't control crime in this country under our Constitutional form of government, we must start down the road to a totalitarian form of government.

Certainly this is not necessary. This increase in crime is undoubtedly due to the permissive age in which we are living. Punishment is reduced or eliminated entirely. Trials are delayed - sometimes indefinitely. Less and less bond is required for those charged with crimes.

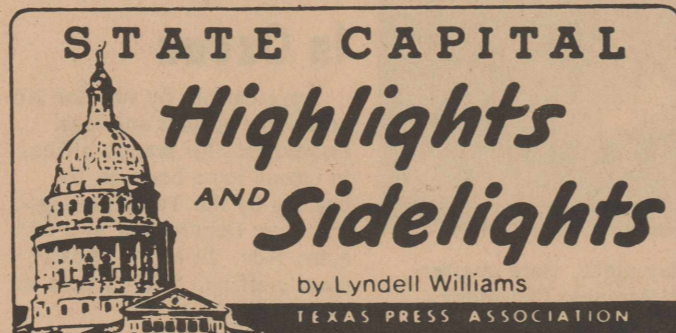

Now is the time for a turnaround. Not to a national police force but to a respect for law and order beginning in the home. Parents must demand obedience. Enforcement officials and the judiciary must strengthen their reaction to crime beginning with even the smallest infractions.

The honest upright citizens in the country must give the police full cooperation and back those legislators who fight for integrity in the offices they hold.

The fight against crime is your war. We must fight it to secure our freedom.

WILL WE WAKE UP TOO LATE?

by Lyndell Williams TEXAS PRESS ASSOCIATION

AUSTIN—Rep. Bill Clayton, moving fast to round up votes over the Labor Day weekend, staked claim last week to more than 100 votes in the House Speaker's race. With 76 the minimum needed to win, Clayton, a 45-year-old farmer and rancher from Springlake (population about 300) in Lamb County, indeed, appeared to have the speaker's job raked up.

Rep. Fred Head of Athens set the stage for Clayton's apparent victory by withdrawing from the contest and throwing 15 votes to the West Texas.

While Parker was still checking the pledge cards, Rep. Jim Nugent of Kerrville also withdrew and announced - along with 14 others - he would back Clayton.

Then, Rep. David Finney of Fort Worth released his five remaining backers to do as they pleased. Parker claimed the Clayton coalition - which includes staunch conservatives, staunch liberals and down-the-middle moderates - is hastily and insecurely glued together.

He said he still hopes to shake it apart by emphasizing to liberals his own voting record, particularly on House reform, minority, labor, consumer and ecology legislation.

Most legislators appeared to agree with Clayton that: "For all intents and purposes, the ballgame is over."

THE JUNE-JULY CONSTITUTIONAL CONVENTION, with the legislature sitting as delegates, ended in failure. CRC recommended a revision draft to the convention which has drawn wide praise as a sound document.

The blue ribbon commission, which conducted a 10-months' study in 1973, is now officially disbanded and must make the trip to Austin at members own expense. Many have proposed that the legislature take the CRC revision draft and other recommendations and try next year to come up with a document which can be submitted to voters.

TWC OVERHAUL ORDERED—U. S. District Judge William Wayne Justice in a 200-page opinion issued in Sherman ordered massive changes in operations of the state agency dealing with youth offenders.

Justice directed that Gatesville State School for Boys and Mountain View maximum security unit near

Gatesville must be "phased out" as quickly as possible. He cited records of cruelty to youthful inmates there. Texas Youth Council members voted to appeal the order because it did not "take into account improvements (during) the past year."

TAX CUT TALKED—Both Governor Dolph Briscoe and Lieutenant Governor Bill Hobby have suggested sales tax rate cuts next year. Briscoe called for elimination of the four per cent tax on utility bills.

Hobby, in a speech here, said he thinks the projected \$1.5 billion general revenue surplus will lead legislators to consider "very seriously" lowering the state sales levy in 1975.

Briscoe's proposal would take an \$80 million annual load off utility bills.

AG OPINIONS—A law prohibiting membership by licensed vocational nurses in labor unions with the right to strike is unconstitutional, Atty. Gen. John Hill held.

In other recent opinions, Hill concluded: "A justice of the peace may not delegate to any employee exercise of his constitutional or statutory judicial powers."

Records of State Bar Grievance Committee proceedings are not subject to mandatory public disclosure under the open records act.

The Workmen's Compensation Second Injury Fund may be deposited in an interest-bearing account.

Wages must be paid at least semi-monthly and within 16 days after the day earned. Certain medical records of county hospitals may be protected from forced disclosure.

BOOK HEARINGS ON—More than a dozen individuals and groups this week presented 484 objections to public school textbooks submitted for state adoption in 1975.

The three-day September hearings—airing objections and answers of publishers—are the first step in the annual adoption process. The State Board of Education will have the final say when it votes on the books November 9. The board will also hold a special public hearing here November 8 to hear objections to specific books and any claims of misconduct or procedural irregularities.

POPULATION BOOMING—Texas population is growing by 30,000 a year due to migrations from other states, and nearly 250,000 new baby Texans are born annually.

But the most important factor in growth and decline of cities, according to a new

STATE JOBS TO INCREASE—State employment will increase substantially during the next half dozen years, according to Texas Research League.

The League, a privately-supported research group, predicted non-educational employees will increase from 58,700 to between 78,000 and 95,000 by the fiscal year 1980. The average cost per employee is estimated by TRL to increase from \$9,174 (a 1972 figure) to more than \$12,000.

Washington News Letter by Congressman O. C. Fisher

An un-sponsored population control conference, which has attracted 130 nations, did little more than talk about the problem as the 3,000 delegates just met in Bucharest.

It is virtually certain, warned UN Secretary General Kurt Waldheim, that the world's population will double over the next generation, if present growth rate continues. Casper Weinberger, Secretary of HEW, reminded the assembly that the world's food reserves have been cut to "about one month's supply."

The U. S. spokesman urged all countries to aim for an average replacement level of two children per family by the year 2000, to avoid disaster. But the delegates were split on the issue. African and Latin American nations oppose family planning. So does Red China, with the Soviets tending more toward the status quo, shying away from worldwide control plans. West Germany supported the U. S. stand, as did Japan and India.

World population is today around four billion, with 6.4 billion projected for the year 2000, and 11 billion by 2050, if current trends continue.

Red China informed the Bucharest conference that since 1949 its population has grown by almost 60% - from about 500 million to 800 million at present. Prior to this announcement it had been assumed China's total was on the order of 700 million.

The United States, as well as most European countries, has made remarkable progress in birth control in recent years. The U. S. baby boom dropped by 33% between 1970 and 1973. Last year the number of babies per 1000 women of childbearing age (15-44) was 69.3. In 1957, at the peak, it was 122.9 per 1000. At present rate the U. S. is due to achieve zero growth by the turn of the century. But this will require constant education and planning.

Tips For Gardeners

From the Ozona Garden Club by Mrs. Bailey Post

Since the most welcome moisture of the last few weeks, gardening should be easier and outdoor living will be more enjoyable as the fall months approach. Usually we have pleasant weather, beautiful flowers and colorful foliage throughout our area.

September is the month to start your compost heap. If you haven't provided a space for one, use a method that would be easiest and with the least expense. It can be underground 3 feet deep and wide by 5 or 6 feet long or any size you may need. Save the good top soil to mix in with the leaves, etc., used. If above ground a board construction or sheet iron sides to hold the compost material will be easy in adding to and stirring all together.

Plants of tender perennials or annuals that are to be carried over for the winter, either for growing into larger specimens or to provide cuttings later, should be potted now.

Impatiens (sultana) should produce a beautiful display of flowers at any season. However, after a long period of blooming the plant may become straggly and have less blooms. If this happens, cut the plant back or report in fresh soil and water lightly until new growth is well started. New cuttings produce better blooming plants than retaining old plants. For winter blooming take cuttings now and for summer blooming take cuttings in February. They are easily rooted in water, then pot in light, rich soil and keep quite moist but not waterlogged. Proper light is a must for Sultanas. As spring progresses, they need more and more shade. In the fall, the reverse is true. When brought indoors they should be gradually adjusted to full light to bloom properly.

You may need to rearrange, add new plants and prune hanging baskets if you plan to keep them displayed indoors. Remember they need water more frequently than usual because they dry out quickly. Apply enough water each time for some to drain through. Good drainage is essential. If soil remains waterlogged, the plants will die. Feed plants as needed with liquid fertilizer by directions on product about every two weeks. To keep plants looking well groomed, pinch back new growth frequently to encourage branching and thickening growth. Remove spent flowers and dead foliage at least once a week. Control insect and disease of plants when necessary.

Weeds are beginning to mar the beauty of our city, so make an effort to help clean in front of places of businesses, alleys, and vacant lots. Too, these weeds will later cause many to have hay fever. Please do your part.

Crockett County Unit Meets For Reports

The Crockett County Unit Board of the American Cancer Society met at the Methodist Church Monday evening, with Mrs. Charles Williams presiding.

Members present were Mrs. Huey Ingram, Mrs. Glenn Sutton, Mrs. Troy Williams, Mrs. Charlie Black, Ted Cotton, Dr. W. B. Robertson and Mrs. M. E. Nicholas. New members welcomed to the board were Mrs. Tony Allen, Mrs. Bill Black, Mrs. Ance Reed and Benjamin Bohmfalk; Jim Clark, ACS Field Representative of San Angelo was also in attendance.

During the business meeting George Harrison of San Angelo presented the unit with a certificate authorizing it to operate for the coming year having met the requirements of the Texas Division of the ACS in Education, Service and Crusade.

Mrs. Sutton tendered her resignation as secretary and Dr. Robertson agreed to take this office. Mrs. Sutton has served

Grandson Of Ozona Couple Wed In El Paso

Miss Nancy Hart Gorman of El Paso became the bride of Mr. Charles Hudson Wilson of Roswell in a ceremony late last month at St. Patrick's Cathedral in El Paso.

Parents of the couple are Mr. and Mrs. Frank Gorman of El Paso and Mr. and Mrs. Max M. Wilson of Roswell.

Mr. and Mrs. Hudson Mayes of Ozona are the bridegroom's grandparents. They were on hand for the wedding. Also attending from Ozona were Mrs. Eddie Arnold and Mrs. Pat Wood. They were accompanied by Mrs. Louise Murchison of Fort Stockton.

in this capacity for the past two years. It was stressed at the meeting that board members should serve on one of the local committees.

A new ACS film was reviewed, entitled, "Breast Cancer, Where We Are," which is available for use in clubs. Ted Cotton, education chairman, should be contacted for ordering any of the many films which are available.

Mrs. Nicholas reported a total of \$7,275 raised in the past year, in Crockett County. It was announced at the meeting that the Tom Green unit, in cooperation with several San Angelo physicians, is conducting a "Quit Clinic" for those who wish to quit smoking.

This will be held in November for a period of four weeks with twice weekly meetings--dates to be announced later. It will be run along the lines of group therapy. Anyone interested in attending, forming a carpool, should contact a member of the county board for more details.

DAUGHTER TO ROLLWITZ
Mr. and Mrs. Curtis Rollwitz are the parents of a daughter born Thursday, September 5, at 1:40 p.m. in Crockett County Hospital. The baby weighed 7 pounds and 2 ounces and has been named Beverly Ann.

Grandparents are Mrs. Clyde Nichols of Seminole and Mrs. Raymond Rollwitz of Roswell, N.M.

Mrs. Joe Tom Davidson returned Monday from Dallas where she visited her daughters and their families, Anne Davidson and Mrs. Giles Madray.

BREAKFAST IDEAS:
In order to fulfill the body's nutritional requirements, the morning meal should supply 1/4 to 1/3 of its daily nutrients. Food from the fruit-vegetable, bread-cereal, and milk groups should be included each morning. Meat and/or eggs can be added for variety.

If the foods you like for breakfast are nutritious, don't worry if it doesn't fit the conventional breakfast image. Eating something nourishing in the morning is the important thing.

Our body cells never sleep. They need nourishment at regular intervals and it's a long time between supper and lunch. Children who eat breakfast are alert and do better in school. Try these breakfast ideas.

BREAKFAST BARS
1 cup butter
1/2 cup firmly packed brown sugar
2 teas. baking powder
1 1/2 cups rolled oats
1 cup coarsely chopped pecans

1/2 cup dark molasses
4 eggs
2 cups flour
1/2 teas. salt
1 cup raisins
Cream butter until fluffy. Beat in molasses and sugar. Stir in eggs. Stir in remaining ingredients. Spread mixture evenly into a greased 13x9x2 inch pan. Bake in a preheated moderate (350 degree) oven 30 minutes. Cool in pan and then cut into 1x2 inch bars.

APRICOT-RAISIN BREAD
1 1/2-oz. can apricot nectar
1 1/2 cups dark seedless raisins
1/3 cup chopped dried apricots (about 12 halves)
1 tbs. grated orange peel
2 1/2 cups enriched flour
1 cup sugar
1/2 cup walnuts, finely chopped
1/2 cup milk
1 egg
2 tbs. shortening

2 tbs baking soda
1 teas. salt
Preheat oven to 350 degrees. Grease two 9x5 inch loaf pans. In small saucepan, over medium heat, cook apricot nectar, raisins and apricots 5 minutes; add orange peel and remove from heat.

Into large bowl, measure remaining ingredients. With mixer at low speed, add apricot-raisin mixture. Beat at medium speed 3 minutes, occasionally scraping bowl. Pour batter into pans and bake 50 to 60 minutes or until bread pulls away from sides of pan. Remove from pans and cool on wire rack. Makes 2 small loaves. (Freezes well.)

BREAKFAST IN A GLASS
(Approximately 250 calories)
1 egg
1 cup skim milk
1/2 cup fresh strawberries or peaches
Put all ingredients into blender and process until well blended. Chill before serving.

COUNTRY CLUB BRIDGE
The monthly luncheon was held before bridge play Thursday at the country club. Mrs. John R. Hunnicutt was hostess.

When man's aspirations are filled with religious faith and a sense of spiritual mission, he rises to heights of unselfish dedication. But when he keeps his sights lowered to greedy goals, he often becomes entangled in his own materialistic web.

Bring your family to church. That's where we learn with confidence to lift our eyes to the realities that are above the worldly.

As we train a youngster to look to God, we are unlocking the potential of a soul.

Reddy's consumer tips on ... lighting
Edison's light bulb has come a long way since it first lit up the night in 1879; today, lighting is such a natural part of our lives we hardly give it a thought. But the fact is, the more choice we have in how we can use light, the more attention we should pay to how we buy and use light bulbs and lighting fixtures. Put a little more light in your life by following Reddy's money-saving, energy-conserving lighting tips:

CARE FOR LIGHTING EQUIPMENT
Dust and dirt alone cause substantial losses in the amount of light produced. Systematic cleaning is important. Clean lamp bulbs (when they are cool) with a damp cloth.
Check frequently for defective cords or plugs. Replace or repair them immediately if they are faulty.

LESS IS MORE
Generally, you'll get more light for your money if you use the least amount of bulbs that give the light you need. For instance, one 100-watt bulb gives more light than three 40-watt bulbs—and costs about one-third less to buy and replace.

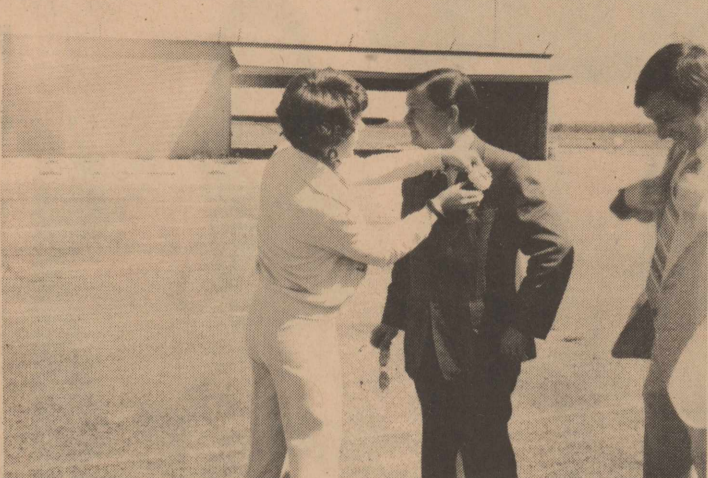

READ THE LABEL
Speaking of "lumens," you'll find that all light bulbs have three ratings on their packaging. Lumens tell you what the light output or performance of the bulb is. "Watts" tell you how much electricity is needed to produce that light, and "bulb life" is the estimated length of time it will take the filament inside the bulb to burn out. When brightness is more important than bulb life—for reading, studying or working—choose the "standard" life bulb that gives you the most lumens for its wattage.

Remember, Reddy supplies the energy, but only you can use it wisely!

Much Entertainment On Tap For State Fair

Dallas--The local entertainment forecast for October promises cowboys in the Coliseum, Mustangs in the Cotton Bowl and Debbie Reynolds on stage at the Music Hall.
Fair and fun is the prediction when the gates of the 1974 State Fair of Texas swing open coral-style for a 17 day "Exposition of the West," October 4-20, at Fair Park in Dallas.
Bronc-busters and bull-riders break from the chute October 5, in the first of nine State Fair Rodeo performances in the Coliseum. Top cowboys from the national rodeo circuit will compete for individual championships and more than \$50,000 in prize money.
Colorful college football headlines Cotton Bowl events during this year's Fair. SMU-Oregon State, Prairie View-Grambling, Texas-Oklahoma and SMU-Virginia Tech. are scheduled for the 72,000 seat stadium.
A sparkling production of the recent Broadway hit, "Irene" starring Debbie Reynolds and Patsy Kelly, marks the second anniversary of the new Music Hall in Fair Park. Bright songs, dazzling choreography and a charming Cinderella story highlight this musical revival.
The popular Pan-American Livestock Exposition will offer fair-goers a look at prime rib on the hoof as champion beef cattle parade past the judges' stand. Horses, swine, sheep, goats, rabbits and poultry combine for a barnyard symposium attracting breeders, buyers and curious spectators of all ages.
Free outdoor entertainment includes marching bands, high-wire acts, versatile musical groups, parades and fireworks. Booths, shops, displays and demonstrations will garner attention in six mammoth exhibit halls. Multiple performances of an old fashioned three-ring circus are scheduled daily.
The matchless Midway, alive with State Fair tradition and excitement, will glisten with new lighting, paving improvements, re-designed game stands and attractive landscaping features from Big Tex Circle to the Cotton Bowl Plaza.
The carnival atmosphere, carefree attitudes, Indian Summer weather, contests and exhibitions, outdoor picnic opportunities and toe-tapping music for three million people add up to a one-of-kind October extravaganza... the 1974 State Fair of Texas.

Woman's Forum Opens Club Year With Luncheon

The Ozona Woman's Forum met in the home of Mrs. C. O. Walker on Saturday, Sept. 7, for a luncheon and the opening meeting of the 74-75 club year. Hostesses were Mrs. Walker, Mrs. Brock Jones, Mrs. Charles Black and Mrs. Larry Arledge.
The theme for the year, "Metric Steps Toward Unity," was set at the meeting and each member's height was measured in centimeters and each one had to answer the roll call with her metric height. Mrs. Walker presented the yearbooks and each member was given a hand painted stone, emphasizing "let her without sin cast the first stone," as a plate favor with the suggestion that the stone be placed near the telephone as a reminder of the principles of the Club Collect.
Mrs. Carl Appel gave a brief talk on the accomplishments of the Texas Federation of Woman's Clubs during the past 77 years.
Members present were Mrs. Kirby Moore, Mrs. T. J. Bailey, Mrs. Carl Appel, Mrs. Larry Arledge, Mrs. Charles Black, Mrs. J. D. Brown, Mrs. George Bunker, Mrs. P. L. Childress, Mrs. W. R. Family History Workshop Scheduled In Odessa

Family history, America's fastest growing hobby, will be explored in depth at a series of genealogy workshops in Odessa, Texas. These workshops, sponsored by the Permian Basin Genealogical Society, will be held at the First Christian Church, 601 North Lee Street (across from the Ector County Library), Odessa, Texas on September 20 and 21, 1974. The Friday evening session runs from 7 p.m. to 10 p.m. Saturday sessions from 10 a.m. to 4:30 p.m.
American Migrational Patterns is the topic for Friday evening. This workshop will discuss how an understanding of migrational patterns can help locate places of origin even when sources themselves do not disclose them. Saturday sessions include discussions of the evidence contained in land and tax records which prove family relationship and how to trace an immigrant ancestor.
Each workshop session will be preceded by an hour of free consultation on individual pedigree problems. Participants will also have the opportunity to browse among informative displays on family and local history and to see the newest research aids and publications in the field. A special display of teaching materials and visual aids will be featured.
The workshop instruction will be provided by an outstanding seminar team from the Genealogical Institute of Salt Lake City. Heading this team is Mrs. Arlene Eakle, co-author of Family History for Fun and Profit. Mrs. Eakle is completing her PhD in British History at the University of Utah. She is an expert in tracing American, Canadian and British pedigrees.
Joining Mrs. Eakle will be Miss Nancy Poolman, a graduate of UCLA in languages and former European analyst for the Brigham Young University Genealogical Research Center. Miss Poolman, who speaks 9 languages, is completing her MA in French History. She has just returned from France where she spent the summer microfilming French records in local and provincial archives.
Everyone interested in tracing their family history is invited to attend this special event. Materials have been planned to provide interest for all levels of genealogical expertise--beginner, advanced, amateur and professional. Why not bring a friend with you or form a car pool to share what could be an important breakthrough in your search for ancestry or an introduction to a fascinating hobby.
Reservations and further information can be obtained by calling Shirley Linder Rad, Seminar Chairman, at (915) 694-3796.

Hunting And Fishing License On Sale Now

With this year's hunting and fishing licenses now available across most of Texas, the Parks and Wildlife Department reminds sportsmen that only the \$4.25 fishing license will be valid one year from the date of purchase.
Previously, the fishing license expired Aug. 31 along with hunting licenses.
Now, if a fisherman buys a license in May, for instance, it will be valid until May of the following year.
Not so with the \$5.25 resident hunting or \$8.75 resident hunting and fishing combination licenses. They will continue to be valid from Sept. 1 of each year to Aug. 31 of the next year.
You pay your money and you take your choice.

Brownie Troop 224 Meets

Troop 224 met Thursday, Sept. 5 at the home of Mrs. Jess Marley. They elected officers: president, Jill Thomas; vice-president, Stacy Chapman; secretary, Kim Sinclair; treasurer, Tammy Adams. They discussed the plans for the year.
Also present were Jonna Jo Richey, Cathy Weant, Jeanette Hill, Molly Womack, Jennifer Marley, and the leader, Mrs. Jess Marley.

PANDALE STUDY CLUB

Members of the Pandale Study Club met Sept. 5 at the Community Center. Mrs. Herbert Kunkel and Mrs. Terry Gries were hostesses.
Mrs. Gries brought the program on the history of "Herb Gardening and Herbs." Mrs. Kunkel presented each member with her yearbook for the coming year.
Val Verde American Legion Aux. Unit 23 expressed appreciation for lap robes received from the club.

OHS BAND NEWS

The '74-'75 Lion Marching Band, 112 strong, elected this year's president and reporter last week. Band president is Peter Zapata and reporter is Bobbie Jones.
Due to a rainy practice week, the Junction band didn't march last Friday night, but the Lion band covered the field during half-time with pomp and pageantry. The stage band performed during the third quarter.
Each week an award will be given for extra enthusiasm, determination and spirit which is typical of the Ozona Lion Band. This week it was awarded to Jack Crites and Bobbie Jones.

Pattern Shotgun For Better Bird Shooting

Most bird hunters would have to admit that they know little if anything about what comes out of their shotgun when the trigger is pulled.

But it only takes a few minutes to learn exactly what kind of pattern a shotgun tosses and it could mean the difference in the number of clean kills scored this hunting season.

With dove season now going on, hunters are advised by the Texas Parks and Wildlife Department that patterning can be accomplished anywhere that shooting is permissible. All that's needed is a roll of wrapping paper or several sheets of newspaper. Draw a 30-inch circle and pin the paper target to a frame or suitable stand; never shoot at a tree or anything else which could be damaged by a load of birdshot.

Since most doves are taken at a range of about 40 yards, pace off 40 steps for the first shot at the circle. Be sure to use the exact loads you will be shooting during open season. The number of pellet holes within the 30-inch circle shows the effective pattern you can expect on a well-placed shot

at a flying target.

Around 50 percent of the shot will be within the circle. Surprised? Most gunners are. The percentage varies with the choke and can range from almost 75 percent on full choke to only 40 percent with cylinder bore (no choke).

To determine percentage, divide the circled holes by the shot pellets contained in the load you shoot. For example, a 12-gauge shell with 1-1/8 ounces of No. 7 1/2 shot contains some 395 pellets (consult a chart in a good gunning book). If the circle has 229 holes, the percentage is 58.

Missionaries To Speak At First Baptist

Mr. and Mrs. Bynum Akin, missionaries to Taiwan, will be in Ozona Tuesday, Sept. 17, at the First Baptist Church. The public is cordially invited to attend the program which will begin at 7:00 p.m.

Mr. and Mrs. Bynum are currently making speaking engagements at different Southern Baptist Churches in our area.

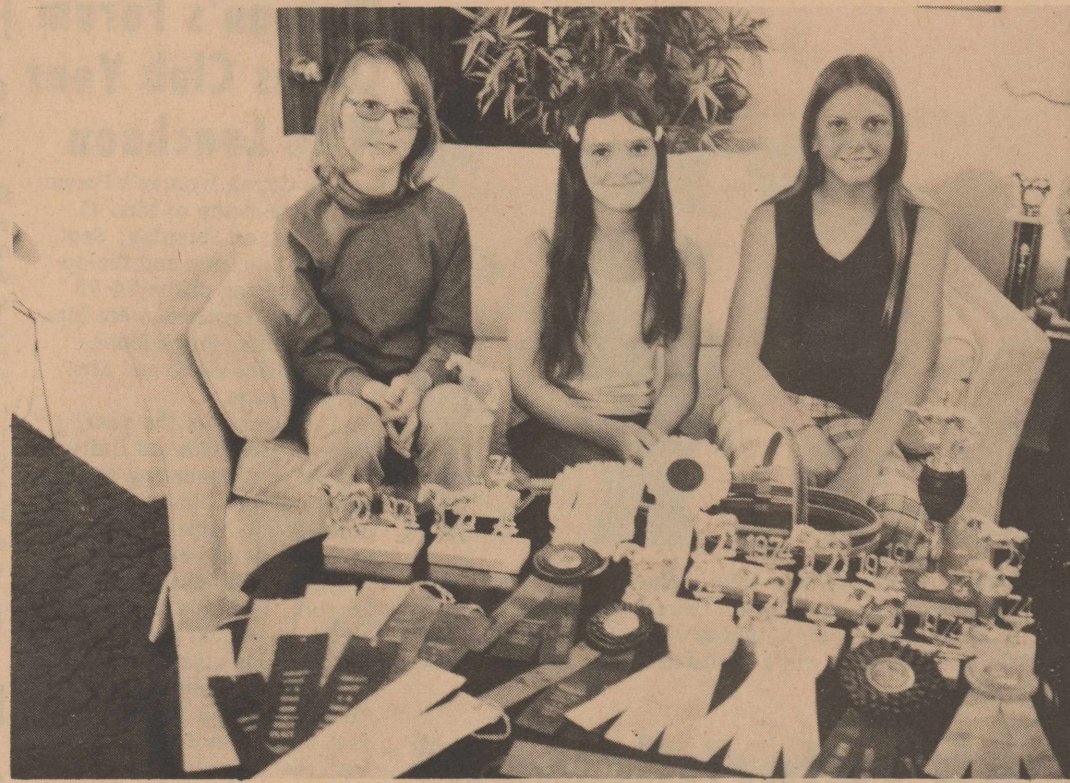

Taiwan is the country where our own Miss Lola Mae Daniel served for several years. She is now retired and is back in the United States.

Winter Library Hours Are Told

The library at the high school is now open to the public on the fall and winter schedule.

The library is open daily Monday through Friday from 8:00 a.m. until 3:30 p.m. and on Monday evenings from 5:30 until 7:30.

Mrs. Earline Jones, librarian, reminded summer readers that they need to look on bookshelves and return books checked out for summer reading. Quite a few are past due.

A SUMMER FULL OF 4-H HORSE SHOWS have netted this large collection of ribbons, equipment and trophies for these three Horse Club members. From left to right the girls are Tereca Carlisle, Oneita Carlisle and Lori Clayton.

Pee Wee Football

Coach Rip Sewell reminded boys in first grade through fifth grade that Pee Wee football will start Saturday morning at 10 o'clock.

All interested boys should be at the football field at 10 with headgear and shoulder pads.

The entire coaching staff will be working with the youngsters in the Pee Wee program.

Busy Summer For 3 4-H Horse Clubbers

At least three 4-H Horse Club members have had a busy summer both in and out of Ozona. Tereca and Oneita Carlisle and Lori Clayton have netted many trophies and ribbons in the various shows throughout the state.

Lori Clayton entered hunter hack at the National Youth Horse Congress Show in Dallas back in the summer and won seventh in state.

At the Gardendale-Ector Co. show Tereca Carlisle won first for her grade mare, Lori won a third in registered mare, fifth in English pleasure and seventh in western pleasure.

At Grandfalls last week Lori racked up several placings,

including second in barrels, first in flags, second for grade mare, third for registered mare and sixth in western pleasure.

In the Ector County show in Odessa, Oneita Carlisle placed sixth in grade gelding and Tereca placed second in grade mare. Lori placed second in junior showmanship, third in

grade mare, third in barrels, fifth in horsemanship and sixth in reining.

Lori will be back in Dallas in two weeks for a two-day Dressage Clinic in English riding. The instructor will be Karl Mikolka from the Waseem Arabian Farm. He has 15 years experience at the Spanish Riding School in Vienna, Austria.
