Human Relations Day Set In Muleshoe Teachers Will Hear Speakers On Monday

Neal B. Dillman announces that Monday, January 15 will be a holiday for students of the Muleshoe Schools but all the staff members will be involved in the In-Service Day which is designed to promote better understanding, unity and communication among all groups of people. Areas that will be discussed during the day's sessions are, namely, teacher

to teacher relationship, administrator to teacher relationship, student to teacher relationship, parent to teacher relationship, and community to school relationship.

Lee Hicks, Assistant Director of Human Relations for Texas State Teachers Association, Field Representative for Texas State Teachers Association, will be directing the In-Service Day.

Lee Hicks, Assistant Director for Human Relations for the Texas State Teachers Association, attended St. Phillip's Junior College in San Antonio. He later earned a bachelor's degree from Huston-Tillotson College in Austin, graduating with honors. He has done graduate work at Texas Southern University, University of Southern California, Howard University, and the University of Texas at Austin.

Hicks joined the staff of the Texas State Teachers Association in September of 1967 after having been a sixth grade teacher for 12 years, and an elementary school counselor for two years in the Austin Public Schools. He was chairman of the Austin Commission on Human Relations and has served as consultant and speaker on many programs pertaining to human relations.

Hicks has been a scoutmaster for 15 years in Austin, and is a life member of national and state professional organizations. He has served as a member of the Student Impact Advisory Committee of the Student National Education Association and is a member of the National Education Field Service Association.

He and his wife (Cora) have two sons in college—Gregory Alan, at Yale; and Eric Michael, at Oberlin Conservatory of Music.

Roger de los Santos, Field Representative for the Texas State Teachers Association, has served as a classroom teacher, both at the elementary and secondary levels.

Santos has been active in both local and district professional association work. He has had much experience in the field of bilingual education. As a coordinator-counselor for the Neighborhood Youth Corps, he worked with culturally disadvantaged young people.

Mr. de los Santos is one of three staff consultants to the Texas State Teachers Association Human Relations Committee. This committee works to improve inter-group education and to improve pupil and

SNOW, MUD OF FLOOD . . . No matter how dreary the weather, it seems that local people still make it in to shop in downtown Muleshoe. This crowd of people had their picture snapped as they

shopped at Cobb's during their big annual Clearance Sale Tuesday morning. Bad weather doesn't seem to keep a lady away from a sale.

Council Accepts City Park Bids

The Muleshoe City Council met Monday morning at 8:30 a.m. in the council chamber at city hall. Mayor pro-tem Alex Williams presided at the meeting in the absence of Mayor Irvin St. Clair. Councilmen present were Lyndal Murray and Clarence Christian. Also present was City Manager Albert Field.

The council accepted bids on playground equipment for the new City Park. Two bids were submitted. Rawley Company submitted a bid of \$9600 and the Playground Equipment Company of Amarillo submitted the low bid of \$8420 which was accepted by the council.

Bids on the construction of the tennis courts at the new City Park were also opened. The low bid was submitted by VibraWhirl Concrete with a bid

of \$22,335. The other bid of \$27,393.00 was submitted by Vickery Construction and Concrete. The bid will include asphalt, fence and lighting.

Sam Hunter from Southwestern Public Service and Jeff Peeler, the local manager, once again appeared in front of the city council to request a 15 percent rate increase on charges made on the city electrical power.

Hunter explained that Southwestern Public Service costs have increased over the years and at the present price charged the city, Southwestern Public Service is not recovering out of pocket cost and that municipal electrical costs are causing an undue burden on the other customers.

Police Report

The Muleshoe Police Department reports that in the last several days of inclement weather, there have been seven fender bender car accidents and one hit and run incident.

Weather Interrupts Area Cotton Harvest

Unfavorable weather interrupted all cotton harvest activities on the South Plains and cotton sample receipts declined to a few thousand daily at the four U.S.D.A. cotton classing offices, according to W. K. Palmer, in charge of the U.S.D.A. classing office in Lubbock.

However, ginning, sampling and classing continued due to accumulated backlogs of cotton harvested before the snow.

Samples from 1,252,000 bales had been classed at the Lubbock, Brownfield, Lamesa and Levelland offices through Friday, January 5th.

Personnel at the four offices tested and classed samples from 239,000 bales during the week ending the 5th.

Estimates indicate that approximately three-fourths of this season's crop is now out of the fields.

Grades were about the same as the previous week. Strict Low Middling (41) was the predominant grade at Lubbock during the week, making up nineteen percent of all cotton classed. Low Middling (51) made up 15 percent, Strict Low Middling Light Spotted (42) 16 percent and Strict Low Middling Spotted (43) 12 percent.

Average staple length also remained about the same. Staples continued to be predominantly 30 to 33. Twenty-two percent had a staple length of 30, 22 percent stapled 31, 25 percent

was 32 and 17 percent was 33.

Micronaire readings were steady from the previous week. Only fourteen percent of all cotton classed at Lubbock during the week had micronaire readings in the premium range of 3.5 through 4.9, 11 percent "miked" 3.3 through 3.4, 32 percent was 3.0 through 3.2, 32 percent 2.7 through 2.9 and 11 percent was 2.6 and below.

The Agricultural Marketing Service of the U.S.D.A. reported brisk trading on the Lubbock market. Demand continued strong for better grade, premium micronaire cotton.

Prices were \$2.50 to \$5.00 per bale higher on cotton with micronaire of 3.3 and better, steady on cotton with micronaire of 3.0 through 3.2 and lower on all cotton with micronaire of 2.9 and lower.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 premium micronaire range were: Strict Low Middling (41) staple 31-24.55 cents per pound, Strict Low Middling (41) staple 32-25.25, Low Middling (51) staple 31-22.50, Low Middling (51) staple 32-23.45, Strict Low Middling Light Spotted (42) staple 31-23.25 and Strict Low Middling Light Spotted (42) staple 32-23.45.

Cottonseed prices were steady and farmers received \$45 to \$56 per ton for their cottonseed at gins.

Littlefield Says No To Local Liquor Election

Residents of the City of Littlefield again Saturday voted against the sales of alcoholic beverages for off premises consumption.

The count was 1,027 against and 907 for—a 120 vote margin. The total includes of 246 absentee ballots.

In the November general election, the local option proposition for sale of alcoholic beverages including mixed drinks was defeated by only 33 votes, 1,134 to 1,101.

A citizens for Progress group headed by Charles Ary contributed \$850.50 to underwrite costs of the election. By law only the first local option election within a period of one year is funded by the

Cont. on Page 3, col. 2

Local banks received their bank calls this week for the period ending December 31, 1972. The calls at Muleshoe State Bank, First National Bank, and Tri-County Savings and Loan Association showed a combined increase of \$4,891,395.83 in assets; \$4,164,010.97 in deposits and savings accounts; and \$2,159,527.22 in loans.

The local increase over last year at this same time was attributed to good grain prices and a good and early grain crop this year, an early harvest of other crops, excellent cattle prices and the all-around economy of this area.

Area banks as well as local ones recorded some of the highest increases in deposits in many years.

The First National Bank in Muleshoe had a total of \$11,835,551.04 in total assets; \$10,755,127.72 in deposits; and \$4,795,566.50 in loans. The increase showed that assets were up \$1,536,850.20; deposits up \$1,493,081.49; and the loans were up \$190,306.50.

M.D. Gunstream, president of the First National Bank reported that the marked increase this year was due to good crops in this area this year and good prices on these crops.

The Muleshoe State Bank had total deposits of \$10,415,849.53 this year which represented an increase of \$1,684,731.44. Total assets of \$11,725,227.65 showed an increase of \$1,808,214.26 over last year. Loans totaled \$6,253,673.57 which was an increase of \$1,246,390.67. Bob Finney, cashier at the bank reported that the better the crops and the get-

Civil Court Set Monday In Muleshoe

Civil Court will be held in Muleshoe Monday, January 15, beginning at 10 a.m. in the Bailey County Courthouse.

Cases to be heard at that time include Ernest Martin et ux versus Matt Nix, Jr., Henry McLaughlin and Raymond D. Nix for collision, personal injuries and property damage; B. A. Dearing versus Wylie Oil Company, Inc., negligent servicing of truck; Lawrence Flugellen versus Texas Employers Insurance Association, workman's compensation; Antonio Vidales, et al, versus Five Area Telephone Company Inc., et al, personal injury.

Dillman described how the other members determined whether or not the buses would run on days of inclement weather.

Staff members are constantly checking weather reports, he stated, and on bad days they are at the bus barn at 5 a.m. checking out roads in order to determine with due respect to all safety factors, if the buses should run.

According to state law, students must attend school 180 days of the year.

He mentioned to Rotary members that any assistance they might have regarding weather conditions would be most welcome.

eral economy were responsible for the sizable increase.

At Tri-County Savings and Loan Association in Muleshoe, total savings accounts totaled \$6,572,799.54 which increased \$986,198.04 over the past year. Assets were listed as \$7,905,323.55 this year which showed an increase of \$1,546,331.38. Total loans were listed as \$6,903,300.00.

Cont. on Page 3, col. 1

Neal Dillman Speaks To Rotary Tuesday

The Muleshoe Rotary met at noon Tuesday in the XIT Steak House. Student guests were Perry Hall and Chuck Smith.

Gil Lamb was in charge of the program and presented Muleshoe Independent School District Superintendent Neal Dillman who reported on an annual mid-winter conference in Austin that he recently attended. He gave a talk on new things including accounting, quarter systems, taxing.

Dillman said that equal education did not necessarily mean equal quality; that quality depended on the teachers.

The superintendent discussed the various plans that were in the mill for taxation procedures that involved all ad valorem taxes being sent to the state for distribution.

He pointed out that the result of an increase in taxes would be a definite loss of local control as the school board would be required to follow additional state and federal guidelines.

Dillman described how the other members determined whether or not the buses would run on days of inclement weather.

Staff members are constantly checking weather reports, he stated, and on bad days they are at the bus barn at 5 a.m. checking out roads in order to determine with due respect to all safety factors, if the buses should run.

According to state law, students must attend school 180 days of the year.

He mentioned to Rotary members that any assistance they might have regarding weather conditions would be most welcome.

Baptist Church Will Sponsor Youth Revival

The Muleshoe Baptist Church will sponsor a Weekend Youth Revival on January 11, 12 and 13. Services will be held at 8 p.m. each evening. The Speakers will be Lonnie Hill and Roy Davis of Seminary, Mississippi, both converted drug addicts and pushers.

Mike Clark is pastor of the church.

THE ONLY WAY TO TRAVEL . . . With the Muleshoe area thrown into a deep freeze this week with snow accumulations up to four and five inches, this snowmobile seems to be the only way to travel. Roy Whit, front, and Alton Burton of Whit, Watts and Rempe are shown scooting around on this snowmobile Tuesday afternoon. The snowmobile is the perfect answer to gliding over snow and ice effortlessly. This is the first year in many years that the snowmobile would be a practical thing to own as Muleshoe has received more snow already this year than in many previous years. Snow has piled up in the Muleshoe area on streets and highways making traveling extremely treacherous. More snow is predicted to fall later this week and no thawing from the below freezing temperatures is expected this week.

ICED OVER . . . Even though most people in this area are already tired of ice and snow, this tree shows the wonder of Mother Nature in forming a beautiful flocked tree. All trees in the area were weighted down with the ice and snow and have continued that way for the past week. No thawing is expected in this area until next week. Temperatures have not risen above the low 20's all this week and snow has continued to fall each day. This severe winter storm is expected to move out of the area over the weekend, but another cold blast is expected to be here by Monday.

Farmcast

A Weekly Report Of Agri-Business News

Compiled From Sources
Of The Texas Department of Agriculture
John C. White, Commissioner

Hog Numbers Decline... Wheat Seeding Increases... Citrus Blackfly Survey Continues... March 1 Is Deadline...

Fewer hogs and pigs are reported in Texas compared to a year ago, the Texas Crop and Livestock Reporting Service notes.

In Texas, the number of hogs and pigs total 1,264,000. This is a decrease of 10 percent from a year earlier.

Reports based on farmers' intentions indicate that during the period now through May, 124,000 sows will farrow in Texas, four percent above a year earlier. The average value of all hogs in Texas is \$35 per head, giving a total inventory of \$44,240,000.

Nationwide, hogs and pigs total 61,500,000, two percent less than a year ago. Hogs and pigs kept for breeding are estimated at 9,000,000, an increase of six percent.

WINTER wheat seeding for harvest is estimated at 4,400,000 acres which is a nine percent increase over a year ago and is a fourth larger than 1971.

A crop of 70,400,000 bushels is now expected in Texas. This compared with 44,000,000 bushels produced in 1972.

Wheat seeding for all practical purposes is completed with bad weather causing some delays.

Nationwide, the 1973 prospective winter wheat crop is a record 1,278,000,000 bushels. This would be eight percent more than the 1972 crop and 12 percent more than in 1971.

Generally, condition of the crop is mostly good to excellent. Estimated yield is 29.9 bushels per acre, just slightly below the 1971 record yield per acre.

Indications are now that 88 percent of the seeded acreage will be harvested for grain. If realized, this would be the highest percentage since 1966 when 90.3 percent was harvested.

SURVEYS of the citrus blackfly continue in the Rio Grande Valley. A new infestation has been found in the San Benito and Harlingen areas. The blackfly can cause great economic damage in commercial citrus. Even infestations of short duration may reduce crop yields by as much as 50 percent.

Personnel of the Texas Department of Agriculture are cooperating with U. S. Department of Agriculture specialists in combating the fly. The survey will provide a specific picture of the extent of the problem.

Federal-state crews will survey the Valley once each month for six months, examining more than 100,000 points. Entomologists said the survey is sensitive enough to detect infestations as low as one infested tree in 33,000.

After the survey is complete, federal and state officials will decide on appropriate courses of action.

MARCH 1 is deadline for submitting your ideas on proposed changes in the Packers and Stockyards Act as it relates to bonding regulations.

Proposed changes would include recovery under bonds, bond equivalents, termination of bond, and separate coverage for selling and buying activities.

Anyone wishing to submit comments should write the Hearing Clerk, U. S. Department of Agriculture, Washington, D. C. 20250. Copies of the amendments may be obtained by writing Information Officer, Packers and Stockyards Administration, USDA, Washington, D. C. 20250.

Devaluation debate hits Italy's lira.

10 Years Ago... NORTH DAKOTA SEED POTATO CERTIFICATION TOOK A STEP FORWARD IN

SPECIALIZED GROWING

This program required growers to plant only seed potatoes eligible and entered for certification on their farms or farming operations. The seed produced under this regulation in conjunction with other requirements has put North Dakota certified seed potatoes out front. They are sought after by growers in all potato growing areas in the United States.

WHAT DOES THIS MEAN TO SEED POTATO GROWERS?

... it means that you will be buying seed that has been protected from potato plant diseases and is the best you can buy anywhere.

Oklahoma Lane Vows Unite Area Couple

MR. AND MRS. BOBBY DEAN REDWINE

Miss Debra Kay Garner of Lariat and Bobby Dean Redwine of Lazbuddie exchanged double rings vows at 4:30 p.m. on Saturday, December 30, in the Oklahoma Lane Baptist Church. Officiating was Rev. Bob Roberts, pastor of the church. Parents of the couple are Mr. and Mrs. R. J. Garner of Lariat and Mr. and Mrs. A. E. Redwine of Lazbuddie.

The altar was centered with a kneeling bench draped with bows and roping of shades of pink in front of an arrangement of flocked greenery entwined with pink ribbon. Candle trees decorated with greenery flanked the arrangement.

Mrs. J. B. Suddereth of Farwell was organist. Mr. and Mrs. Ted Trieder of Lazbuddie sang "There Is Love" and "The Wedding Prayer" was sung by Julia Smycox of Farwell.

Attending the bride as maid of honor was Karen Leslie of Wichita Falls, Susan Syncox of Farwell was bridesmaid. They were attired in formal length gowns of red velvet featuring short puff sleeves and carried colonial bouquets of pink roses.

Flower girls were Susan and Sharon Glover of Lazbuddie, nieces of the groom. They wore floor length red velvet skirts with candlelight satin blouses. They carried baskets of red and pink love knots.

David and Donnie Garner, brothers of the bride, were candlelighters.

Jerry Don Redwine of Houston served his cousin as best man. Groomsman was Gail Morris of Lazbuddie.

Ushers were David and Donnie Garner and Jerry Don Glover of Lazbuddie, brother-in-law of the groom.

Escorted to the altar by her father, the bride wore a candlelight peau de sole gown fashioned with an empire fitted bodice covered with re-embroidered lace and long tapered sleeves. The gown, accented with a ruffled V-neckline, was made by the bride's mother. She carried a colonial bouquet centered with red roses tied with pink ribbon which extended into streamers tied with white rosebuds and baby's breath.

A reception followed the ceremony in the basement of the church. The bride's table was draped in white, accented with red bows. A Bible sur-

rounded by red roses and greenery and the traditional wedding cake centered the table.

The groom's table was covered with a red cloth and decorated with white doves. The groom's cake, made by a friend depicted the theme, "This Is Your Life, Debra and Bobby" Presiding at the serving tables were Lois Smith, Donna Glover, Deborah Cole, Brenda Beshires, Nancy Blair and Cindy Carthel.

Following a wedding trip to Mexico City, the couple will reside at 4702 4th, Space 59, Lubbock.

The bride graduated from Farwell High School and is a secondary education major at Texas Tech University.

The groom, a Lazbuddie High School graduate, is majoring in animal science at Texas Tech. A rehearsal dinner was given by the groom's parents at the XIT Steak House in Muleshoe.

RECEIVES 10 YEAR PIN . . . Marshall Cook, administrator of the West Plains Memorial Hospital recently presented Lorena Stigaulde with a 10 year service pin. She is a Licensed Vocational Nurse and has been employed at the West Plains Hospital for ten years.

Roberts Sponsor Figuettes Banquet

Mr. and Mrs. Melvin Roberts have started a new business in Muleshoe, L & M Figuettes. Figuettes is a complete line of women's lin-

gerie and foundation garments. The business is located at their home at 1420 West Ave. B. The product, unavailable in retail stores, are personally, privately fitted.

The Roberts sponsored a get-acquainted banquet at the XIT Steak House on Saturday night, December 30, to introduce the product in Muleshoe and give interested persons an opportunity to look at the business.

Those attending from out-

of town were Mr. and Mrs. Geon Kingston, Mr. and Mrs. Odis Brooks, Mr. and Mrs. Jim Bates, Mr. and Mrs. Jerry Sparks, Mr. and Mrs. Ted Allen, Ann Merrill, Don McCall, Kyla Terry and Mr. and Mrs. Dale McTanes, all of Portales, N.M.; Howard and Sue McCall of Espinola, N.M.; Mr. and Mrs. J.W. Carmichael of Garrison, N.M.; Floyd and Alberta Wallick and Danny and Becky Geon of Clovis, New Mexico; and Mr. and Mrs. Gary Harrison of Row-

well, N.M. Those attending from Muleshoe were Mr. and Mrs. Carl White, Jerry Berry and Mrs. Melvin Roberts.

A Different Matter Said the visitor to the office manager. "That new clerk of yours seems a hard worker."

"Yes," sighed the manager. "That's why we're letting him go."

"What-for working hard?" "No-for seeming to."

Nursing Home News by Myrtle Guinn

A group of people came Sunday afternoon from the Church of Christ and sang songs, read Bible verses and gave talks on the verses that were read. We do appreciate their coming. They come every third Sunday afternoon, but since so many of us were visiting home folks Christmas, they came the following Sunday this month.

Mrs. Millie Epperly and Miss Anna Long are both patients in Methodist Hospital. We hope they are better and can come back soon.

Stanford Gilbreath was admitted to the Nursing Home Tuesday. We hope he will soon be feeling much better.

Mrs. Neva Lloyd left Monday for an extended visit with her daughter, who lives in New Orleans, La.

Mrs. Barton and Mrs. McCord of Earth visited Mrs. Whitford Saturday morning. Mrs. Whitford's son, O.B. of Earth, also visited her Saturday.

Mrs. Ailene Edwards of Littlefield visited Mrs. Emmanuel Friday. She is Mrs. Emmanuel's sister-in-law.

Mrs. Brown went to Lubbock to visit her brother on Thursday. Her daughter, Mrs. Paul Twaddel of Amarillo, took her to Lubbock.

Mr. and Mrs. Timms and Mrs. St. Clair all visited Mrs. Perry Saturday afternoon.

Mrs. Norwood's son and wife, Mr. and Mrs. Norwood, visited her on Sunday.

Mrs. Miller's daughter, Mrs. O'Hair of Bovina, came one day recently and brought her two new dresses, one red, the other navy blue.

Mrs. Timms is visiting her mother, Mrs. Perry, this afternoon, a snowy Tuesday.

Hap Bearden visited his sister, Mrs. Wilterding, and Mrs. Brown on Tuesday afternoon.

Mrs. Coppadge visited her

mother, Mrs. Hawkins, and Mrs. Emmanuel on Tuesday afternoon.

It is snowing and snowing and getting worse all the time. There seems to be no wind, so maybe it won't drift. It looks so white and beautiful, yet I know how cold it must be for those who have to be outside.

I recently read this quotation and it made such an impression on my mind that I wanted to share it with you, "May the light of your faith so shine that it will illuminate the heart of another". May we all live each day as though it will be our last by being kind one to another and showing kindness to all.

TV COMMENTARY

By John Smiley

THE MARY TYLER MOORE SHOW has been with CBS for three years and, like good wine, gets better and better with age. The nice, sometimes a wee bit naughty, Mary has the chemistry to provide viewers with a real pick-me-up situation comedy.

HOW MUCH television-watching is too much? This is a hard question to answer. A recent study reports that American men spend 25 per cent of their leisure time watching TV. Japanese men spend 42 per cent of leisure time in TV viewing. One wonders what will happen when Japanese men discover pro football; yea, even Sunday double-headers.

THE WALTONS strikes a cord of appreciation in the breast of many viewers. It warms the heart to see on American TV a low-key drama that projects a close, genuine love in family relationships and human understanding. It's a most welcomed contrast to many flippant family shows which are also available.

EVERY OTHER Tuesday on NBC the viewer can see "America," done for us yanks by the British. It takes a little dab of gall for Englishmen to instruct Americans about America. But the English, thank heaven, have it. It is a fascinating show.

RESIDE in the

Yellow Pages

America's hottest love affair...

Homes and electric heat. They were made for each other. Electric heat solves so many of the homeowner's problems. Convenient. Worry Free. If you're shopping for a new home see how much more you can get for your money with total electric. Or, if you own an older home it can be switched to electric heat in a matter of hours. Call us for a free estimate. It's a real eye-opener.

electric heating estimate

Real ELECTRIC Heating FOR SO MANY PEOPLE
