DISASTROUS FIRE AT GRAPELAND

Seventeen Business Houses Burn Tuesday Night—Fire Discovered at 11:30 O'clock—Two Blocks in Ashes.

Grapeland sustained a disastrous fire Tuesday night. The Courier got a report by mail Wednesday morning which was to the effect that the fire was discovered at 11:30 o'clock and that it originated in or near the Palace of Sweets. This place being near the center of the block the fire spread in both directions, consuming that entire front street block. Westwardly the flames crossed to the second street back and consumed that block in its entirety with the exception of the postoffice building which, being isolated from the other buildings, was saved.

The following business houses sustained heavy if not total losses: W. H. Lively, dry goods; D. N. Leaverton, drug store; a barber shop; the Palace of Sweets; M. L. Clewis, tailoring establishment; the Guaranty State bank, brick building; W. R. Wherry, merchant; Frank Tyer's shoe and saddle shop, and George E. Darsey's three brick stores.

On the second street back the following business houses sustained losses: Bush's pool hall, Wherry's restaurant, the market house, S. T. Anthony's produce and feed store and the Goodson hotel, leaving the postoffice standing alone. In all seventeen houses were consumed, or the whole of two blocks with the exception of one house.

It is impossible to tell at this time the amount of the losses sustained, but enough is known to say that

the loss will be heavy. W. H. Lively, D. N. Leaverton, W. R. Wherry, Guaranty State Bank, Gus Porter and George E. Darsey all had more or less insurance, and the Masonic hall, over Porter's drugstore, was insured.

Grapeland Items.

Luther Lively and Miss Zera Gainey were married at the Methodist parsonage at 2:30 o'clock Sunday evening by Rev. E. H. Craven. The wedding was quite a surprise to many, as only a few intimate friends knew of it in advance. These are two of Grapeland's most prominent young people and they enjoy a large circle of friends who wish them a life filled with happiness and prosperity.

Mrs. Adaline Lively, 86 years of age, died at her home, three miles east of Augusta. She came with her husband to Texas at quite an early day, having been here over sixty years. Several years ago she was preceded in death by her husband. She leaves a large number of relatives, as the Lively connection is said to be the largest in Houston county and constitutes a good citizenship. The head of this family was among the pioneers in Houston county. Correspondent.

George Washington Fete.

Mrs. Earl Adams Jr. entertained her guests of the Quid Nunc club Thursday, February 27, with a George Washington luncheon.

No red letter day on the calendar offers such rich material for the hostess to choose from as does the 22nd of February, and it would be a difficult matter to find the person who does not enjoy the mythical cherry and hatchet, and the continued observance of this anniversary does much to keep alive, develop and cultivate the patriotic spirit.

Decorations and accessories of Mrs. Adams' luncheon were all of a patriotic nature. Flags, hatchets and other significant emblems associated with the national holiday contributed to decoration. "Welcome" seemed floating in the air as the guests arrived, and Mrs. Adams was ready to give cordial greeting.

When the dining-room doors were thrown open, the guests were requested to find their places at the table.

After guests were seated George Washington caps were passed around and these continental hats proved quite coquettish and becoming. The place cards bearing the inscription "I cannot tell a lie" were little red hatchets decorated with ribbon and cherries.

Graceful streamers of red, white and blue tulle suspended from the electrolier were caught to the table, with sprays of cherries and the large cut-glass vase, on a mirrored base, held clusters of red, white and blue carnations.

The snowy linen, shining silver, sparkling cut-glass and burning tapers enhanced the beauty of the prettily appointed table and gave a lovely setting for the six-course luncheon that was so artistically served by Mesdames Harry Castleberg and Fisher Arledge.

The national colors were carried out in the menu, and as the last course was finished, Mrs. Adams gracefully arose and gave a lovely, affectionate toast to her Crockett friends and to one friend in particular whom she has known since she was a chubby little miss of seven summers. Mrs. Adams' growth and development from the beautiful little girl into the sweet, good and loveliest type of young womanhood has ever been a source of delight and pleasure to this friend whom she honored on this happy occasion. After the luncheon, the ever popular game of rook held the guests until a late hour. Mrs. Earl Adams, Sr., Mrs. Joe Adams and Miss Mildred McGill of Mineral Wells were honor guests.

Railroads and Other Roads.

Austin, Feb. 25, 1913.

Crockett Courier:
I believe we are going to be able to pass the Katy merger bill over the governor's veto, both in the house and in the senate. We also have a good chance to pass the Cotton Belt consolidation bill with Senator Townsend's rider attached, which rider provides for the construction and extension of the Eastern Texas railway from Kennard to Crockett. Sometime ago I joined with several members from East Texas in the introduction of a bill known as the "King's Highway" bill which if passed will recognize the

old San Antonio road from one border of Texas to the other. Congress has lately been appropriating money for the establishment and maintenance of these inland highways. Our idea in introducing this "King's Highway" bill was to get some recognition from the federal government and I feel sure if we can pass it that it means the ultimate macadamizing of this old San Antonio road from one end of the state to the other.

I have been at work on a good roads bill which is somewhat in line with Senator Terrell's bill in the senate. Under the present road laws of Texas we will never be able to have the good roads that we need. It is an evident fact that the future prosperity of our state depends more, or at least as much, on the construction and maintenance of good roads than any other one thing, and it is a known fact that these ends will never be accomplished until our road laws have been changed. Nat Patton.

WORDS FROM HOME.

Statements That May Be Investigated. Testimony of Crockett Citizens.

When a Crockett citizen comes to the front, telling his friends and neighbors of his experience, you can rely on his sincerity. The statements of people residing in far away places do not command your confidence. Home endorsement is the kind that backs Doan's Kidney Pills. Such testimony is convincing. Investigation proves it true. Below is a statement of a Crockett resident. No stronger proof of merit can be had.

Mrs. B. Tunstall, Bruner's Addition, Crockett, Texas, says: "I have used Doan's Kidney Pills, procured from Sweet's Drug Store, for back-ache, headaches and other symptoms of kidney complaint and have had good results. I feel justified in recommending Doan's Kidney Pills."

Mrs. Tunstall is only one of many Crockett people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you, don't simply ask for a kidney remedy—as distinctly for Doan's Kidney Pills, the same that Mrs. Tunstall had—the remedy backed by home testimony. 50c all stores. Special Election Notice.

Pursuant to an order issued by the Hon. Commissioners' Court of Houston County, on the 11th day of February, A. D. 1913, notice is hereby given that a Special Election will be held on Saturday, the fifth day of April, A. D. 1913, at the various voting precincts in said Houston County, Texas, for the following purpose, viz: To determine whether hogs, sheep and goats shall be permitted to run at large in said county. Said election will be held by the regularly appointed election managers of each election precinct and at the time named such officers will proceed to hold said election and make return thereof in the manner required by law.

Thence east 498 feet to corner on the Wootters Jordan line. Thence south with said line 80 feet to the corner of said Jordan and fair grounds. That plaintiff and those under and through whom he claims title to this land have had and held peaceable, continuous and adverse possession thereof, cultivating, using and enjoying the same for a period of more than 10 years next prior to the filing of this suit and plaintiff specifically pleads the 5 years and 10 years statutes of limitation.

Plaintiff would show that there

are no instruments or deeds of record in Houston county Texas showing title to the above described land out of the original grantee and into J. H. Kirchoffer, that there is no deed of record in said county showing title thereto out of J. H. Kirchoffer; that there is no deed of record in said county showing any title thereto into A. T. Chronic Stomach Trouble Cured.

There is nothing more discouraging than a chronic disorder of the stomach. Is it not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle? "About one year ago," says P. H. Beck of Wakelee, Mich., "I bought a package of Chamberlain's Tablets, and since using them I have felt perfectly well. I had previously used any number of different medicines, but none of them were of any lasting benefit." For sale by all dealers.—Adv.

1913 CATTLE SHOW GREATEST IN SOUTH

Will Be a History Making Exhibition For Southwest.

MEXICAN STEERS COMING

Prize List Largest in History—Seventeen Years Since Organization—Brilliant Array of Blue Blooded Stock Will Be Seen.

March 8th marks the opening of the Seventeenth annual exhibit of the National Feeders and Breeders Show, known to Texans as the "Fort Worth Fat Stock Show."

This show, the biggest of its nature south of the International Fat Stock Show of Chicago, opens earlier this year than usual and continues in session just one week to the day. Opening its doors on Saturday, the show will receive the public until the last act of the Horse Show the following Saturday afternoon.

Everything is to be offered to the lover of stock and there will be the greatest collection of domestic livestock gathered under the roof of the Coliseum ever brought together under one roof in the entire South. As soon as the 1912 show had finished its labors the management began at once to prepare for the 1913 exhibit and this year the promise has gone out to the exhibitor and customer that the National Feeders and Breeders Show for 1913 will eclipse all past efforts.

There is not a breeder in any of the States of the Southwest who amounts to anything that will not be represented in the show ring at Fort Worth. Besides these, the big stables of the Central States farther North, will contribute heavily. The Horse Division will be crowded with fancy stuff from Northern stables; the Cow lots will have an abundance of high-class stock from the feed pastures and feed lots of Iowa, Illinois, Kansas and Nebraska, and the sheep and hog pens will receive their share from outside exhibitors.

Mexican Cattle.
But the Fort Worth Fat Stock Show has become an international show as well as the far-famed Chicago affair. While the attraction for Canadian cattle is small, yet, just to the South of Texas lays the land of Tio Manuel, and from this sunny clime the Fort Worth packing houses have drawn thousands upon thousands of butchering stock. This year the little Mexican steer will be seen in the quarantine division and keen competition is expected from the South.

Scarcity of cattle on the Texas range and feed lots has made the Mexican steer a competitor on the Fort Worth market, and this year he has crowded into the big show ring never to be erased. His place at the Fort Worth Fat Stock Show will be exactly the same as that of the big steer from Toronto at the International at Chicago. No place outside of the show ring of the International will there be such a gathering of the purple strain of beef as will be the gathering in Fort Worth on March 8. The herdsmen of Texas, Oklahoma, Arkansas, Louisiana, New Mexico and even into Missouri, are straining a point to get a creditable representation before this show. The time has come when a blue ribbon from the National Feeders and Breeders Show means as much to the breeder as it would from any other show, and every effort is being put forth by the cattlemen of the Southwest to merit their winnings.

Great Sale Show.
Besides being one of the greatest fat stock exhibits the National Feeders and Breeders Show at Fort Worth has grown into a great sale show. Its reputation in this line has been made and during the last five years it has been surpassed by none in this respect. But its inducements the coming season in this respect are greater than ever before and a special effort has been made to secure the largest numbers of buyers to come together in several years. Many of the herdsmen of Old Mexico will stand at the block in order to secure suitable breeding stock to raise the standard of their herds.

This condition exists in all branches of the livestock industry. The sheep pens will be filled with salable stuff and the hog pens will have their share

of sire stock. The greatest horses on American soil will be sold from the block in the tan bark ring.

Assures Success.
President S. B. Burnett of the National Feeders and Breeders Show of Fort Worth, in a statement to the public, gives his promise and that of the board of directors that the 1913 show will be excelled by no exhibit of its kind in America during the year.

Greater care was never taken in the preparation of a show and the little things were never brought so neatly together as they have been this year. A perfect organization working night and day is endeavoring to give to Texas and the Southwest the most complete representation of the livestock industry possible.

There is a place for everybody at this big Southern exhibition and the man of cotton will be taken care of just the same as the man who raises fine stock. The Fort Worth Fat Stock Show has made the livestock industry of the Southwest. It has been the incentive for the production of the improved breeds down in the piney woods and hills of East Texas, Arkansas and Louisiana, just the same as it has been the one factor in bringing about the eradication of the longhorn steer from the prairies and plains of West Texas, Oklahoma and New Mexico.

This year a cosmopolitan crowd will gather under the roof of the Coliseum, the biggest building in Texas, to swap West Texas steers for East Texas hogs. Here the dog fancier will try their setters and hounds on the bench and the poultry fancier will chat chicken until his heart's content.

WILL PLAY PUSH BALL.

Horseback Games Will Be Attraction at Horse Show.

Football on horseback will be one of the attractions at the night Horse Show, which is held in connection with the National Feeders and Breeders' show each year in Fort Worth, when the night attraction is thrown open to the public on March 10, 1913.

The game to be played on horseback is not really football, but is known as push ball, and is one of the new games in American sport. The game was staged every night at the 1912 show between a team from Fort Bliss, Okla., and a team of Texas cowboys. This will be a feature of the 1913 show.

Besides the push ball games, the management will stage entirely new and novel stunts every night. The feature will not be announced, but sprung as a surprise. Some of the best feature and novelties acts obtainable have been secured insuring a lively bill for each night's performance.

RAILROAD RATES.

All Railroads Give Reduced Rates to Fort Worth Show.

The Texas Passenger Association announces reduced rates on all railroads for the Fort Worth Fat Stock Show, March 8 to 15, inclusive. The selling dates of the tickets will be made according to the distance and will be announced later.

Excursion rates will be given from every city and town in Texas and the trains will be run so that people living in the remotest places can reach Fort Worth in sufficient time to see all of the show. There are many fat stock exhibits in the South, but the railroads and business men consider none of them in comparison with the Fort Worth Show, and for this reason special rates have been granted.

The railroads of the South have spent vast sums of money in recent years in an effort to develop the resources of their respective states and the railroads of Texas have been the leaders in this respect. At the 1912 Fat Stock Show they conducted a land show which placed before the public the products and resources of the state in a most comprehensible form and this year they will make a strong effort to bring the people of the Southwest together so that they can study those things about them that go to make a prosperous commonwealth.

Railroad rates will be within the reach of all and will be extended over a time convenient to the purchaser.

As Los Angeles is famous on the Pacific coast for its hotels, so is Fort Worth becoming famous in Texas. Fort Worth has some of the best hotels in the South and during the year of 1912 has improved this service to a considerable extent. Several hotels have enlarged and are announcing that they will be in position to care for the big crowds to attend the Fat Stock Show, March 8 to 15, better than ever before.

AND LIQUIDATED AT PUBLIC SALE

Surplus Stock Must be Liquidated and Disposed of Before March 22

The greatest revolution in merchandising, the greatest and most sensational sale that the buying public has ever known. The mammoth \$35,000 stock of the widely known firm, Dan McLean, is to be liquidated at retail public sale commencing Wednesday, March 5, and continuing 16 days until Saturday, March 22. Think of it, our immense up-to-date stock thrown to the mercy of the trade regardless of cost of manufacture. Only 16 days to dispose of this enormous stock and it is clearly not a question of what the stock will bring—it's a question of how quick the stock can be sold. Read on and reflect. Can you, in justice to yourself, overlook this golden chance? Every article of this mammoth \$35,000 stock included, and will be sold at prices that will not let you restrain your enthusiasm.

TO THE PUBLIC

We intend to dispose of our entire \$35,000 stock within 16 days. We have advertised the stock for public sale at here quoted prices. Every statement and price here made being absolutely true and not exaggerated in the minimum, we shall expect a crowd numbering thousands of people every day of this sale to supply their wants. Proper preparations are being made to accommodate these masses, and to wait upon one and all with rapid dispatch. To get your share come early, for at these prices the stock will last but a short while.

Are you coming? March 5th to March 22nd.

NEWS OF VITAL IMPORTANCE

The stock will be marked in plain figures, our establishment closed until Wednesday, March 5, at 9 a. m., to enable us to mark and arrange the stock. We have recruited a force of efficient and trained sales-people to wait on the people with rapid and proper dispatch. Don't forget the date—Wednesday, March 5, at 9 a. m. sharp, the doors will be thrown open to the public. We do not wish to leave a few skeptical ones behind, and therefore what purchases you make, should you be dissatisfied in any way we will exchange, take back or refund your money immediately. We guarantee every price, every word and every statement here made and advise you to save and bring this with you, so you will get exactly the goods mentioned. Remember—no postponement. Come here expecting to find absolutely the best values you ever saw. You will not be disappointed—your expectations will be far exceeded in every instance. We guarantee you that the prices are lower and the values such as you could only picture in your most exalted moments of imagination. Were we to use the most emphatic language, we could not sufficiently impress upon you the importance of these bargains. Why, language is simply too faint to convey to you even an idea of the extraordinary values to be found. Bear in mind the following items are merely representative, and we can only give you a glimpse of what you can save by quoting prices on a small portion of this stock, for if we should dare to quote prices on all these goods it would require the space of a 24-page newspaper. And now, then, in offering these bargains we make no reservations, and include and place at your disposal every article contained in this stock. To fully realize and to properly appreciate the marvelous values to be found here you must visit the store yourself.

STOP AND CONSIDER

No man or woman can afford to miss this golden opportunity. The cleanest, choicest dry goods stock in Crockett to be sold at public sale at these quoted prices, at prices lower than one-half its values. To save dollars upon dollars read this advertisement carefully and remember no matter how ridiculously low the prices quoted, they are not exaggerated. They are true, and backed up by the fairest guarantee. Merchants wishing to buy portions of this stock at the same retail prices listed here will be waited on only between the hours of 8 and 9 every morning.

Are you coming? March 5 to March 22.

The Call of Spring

The Spirit of Spring is not visible to the mortal eye, but the dainty touch of her hand is apparent everywhere in the fresh green dress on field and hedge; the sweet lingering charm of the early flowers that peep out from the roadside and in the garden.

The Spirit of Spring now permeates our entire store. It has discarded the dull, somber garb of Winter and emerged in glad, bright, glorious Spring colors. Shipments of Spring goods are being received almost daily and never before have we presented such a beautiful assemblage of fashionable fabrics. Never before have we offered such a diversified assortment, and never has the superiority of our values been so forcibly demonstrated.

Our stock of dress goods is especially strong this season. We are now showing a beautiful line of Linen Crashes, Ratines, Voiles, Embroidered Batiste, genuine Belfast Linen in all the popular shades and white, and everything that's worth while in Gingham and Percales.

We also call your attention to our stock of Embroideries, Laces and Muslin Underwear—embodying many new and attractive things in stylish, dainty lingerie. In no other year that we remember have values been so exceptional as this year.

RE: COCA-COLA BUSINESS

Gentlemen:—

Our Mr. D'Arcy having just returned from a conference with the Coca-Cola Company, of Atlanta, with the plans for their advertising during the coming season finally adopted, we are glad to be able to send you the advance information that your good paper will again be on the list.

The Coca-Cola Company expressed themselves as having every reason to be gratified with the results obtained through the publicity engaged upon in your columns last year, and we have authority to promise a renewal of the business.

We are not yet in a position to give you the exact details of the schedule, but these will follow shortly, and we expect that the copy will begin to run some time towards the middle of April and continue through the season, as usual.

You will receive from us a formal order with complete schedule, in good time, and we trust that you will continue to give the same service that so satisfied our clients last year, and that results will be obtained that will be satisfactory to everybody concerned.

Yours very truly,

D'ARCY ADVERTISING COMPANY.

ANNOUNCEMENTS

For-City Marshal
J. D. Sexton

Mrs. Sweet's Dance and Rook Party.

Mr. and Mrs. I. W. Sweet threw open their pretty home on Public avenue Friday evening to the young people of this city for the enjoyment of a dance and rook party. Two tables of rook were run, at which four couples who did not care to dance were entertained, while the remaining fourteen couples engaged in the pleasurable pastime of dancing. Mrs. Sweet was assisted by Mrs. J. T. Harrison in looking after the comforts of her guests and right well were they looked after. In the dining room a large cut-glass punch-bowl was kept filled and to this all paths led. Large trays held chocolate bonbons and other dainties. In the library the game of rook was played. Converted into a ballroom were the reception hall, music room and parlor, and dancing was never better. The music was by an orchestra and the programs contained sixteen regular and four extra numbers. Besides the host and hostess the personnel of the party included: Misses Sue Denny, Gladys Walling of Houston, Helen Moore of Ohio, Virginia Chamberlain, Judith Arledge, Hazel Long of Ohio, Maud McConnell, Lucile Davis, Josie Ellis and Mary Head of Palestine, Susie Carlton, Nell Beasley, Hallie Ellis, Myrie Haring, Yola Kennedy, Gladys and Verna Harrison and Mrs. J. T. Harrison; Messrs. J. G. Arledge, C. S. Long, Morrill McMullen, W. W. Aiken, D. P. Craddock, Taylor Hall, Henry Ellis, Harvey Bayne, Benton Roberts, Oliver C. Aldrich, Henry J. Berry, Tom Aiken, Alfred Collins, W. C. Dupuy, J. C. Wootters, Downes Foster, G. Clark and Arch Baker.

A Day in Japan.

When invitations from Mrs. John Foster, Mrs. Dudley Woodson and Mrs. Hal Lacy were received by the Quid Nunc Club and other friends, all were in a state of expectancy, knowing that something unusual and beautiful was in store for them. Those who have enjoyed all of Mrs. Foster's and Mrs. Woodson's entertainments know what to expect, and, this year, having Mrs. Hal Lacy as an able assistant the pleasure was doubly assured.

About fifty guests found their way to this "Flowery Kingdom" and Crockett, long noted for its beautiful young ladies, had a fine representation in this "Land of Flowers." Dressed in lovely Japanese silken robes of all colors, they made a group of pictures well worth seeing and that would have repaid the effort of the visit had there been nothing else.

Mrs. Foster, gowned in a beautiful heliotrope robe, with heliotrope flowers in her hair, looked as young as her charming daughters, and as she walked around among her guests all commented on and admired her beauty.

The dining room was in Japanese attire and decoration. Suspended directly over a large center-table was a broad green lattice work and a Japanese lantern holding a lighted candle was given central place. From this lattice hung hundreds of beautiful chrysanthemums, and the

Japanese chimes touched and played upon by Japanese maidens gave forth melody and song. Streamers from this lattice work were carried to the four corners of the room and held in place under the cover of Japanese umbrellas.

The manner of serving was unique, pretty and original. As the first twelve guests entered they found saucy little Japanese maidens perched on the rim of the glasses, and these little maidens enabled the guests to soon find their places at these prettily decorated tables of pink chrysanthemums.

Three courses were served, after which the twelve guests progressed to the large center-table, and as they were seated the second twelve ladies from the drawing room came in to take the vacant places at the pink tables. This order of progression prevailed throughout the afternoon.

The decorations of the large table were altogether red, and the many beautiful flowers above, the soft music of the chimes and the little Jap maidens flitting here and there made it seem as if we were in truth in this wonderful land of beauty and sunshine.

Royal Japanese matrons and maidens, better known to us as Mesdames Norris and Ellis, Misses Farris, Maude McConnell, Alice and Virginia Mae Foster, stood behind the table and served "Shiruko," "Kamaboko," "Rori Mochio" and all sorts of Japanese edibles.

The luncheon began promptly at 2 p. m. and lasted the entire afternoon. With every course beautiful little favors were given.

There were many honor guests, from among Mrs. B. F. Frymier of Houston, having come for the occasion, was the especial guest of honor. Mrs. C. N. Corry.

Valuable Residence Burned.

The residence on what is known as the Terbell place, but later owned and occupied by John Bruton and family, burned Friday night. The Courier has been unable to learn the origin of the fire and we doubt if it is known. This was one of the best country homes in Houston county and the loss is considerable. The house was built and for several years occupied by Mr. E. D. Terbell, now a resident of New York.

Sales Becoming Popular.

Merchants' sales are becoming popular in Crockett. Most all of the drygoods firms have had on sales this year, with which the people are familiar from reading the advertisements of the different firms. The latest big sale to be inaugurated is by the firm of Dan McLean and a page-ad telling of the price reductions appears in this issue of the Courier. These advertisements furnish not only interesting reading, but can be made the source of money-saving as well. McLean's store has been packed and jammed this week with bargain seekers and the sale is to run another week. Economical buyers watch the newspapers and save money through reading the advertisements.
