# City To Adopt Mobile Home Ordinance

#### \*\*\*\*\* **Correctional Services** Center Is Announced

AUSTIN--The creation of the Center for Correctional Services was announced today by the State Bar of Texas.

State Bar Executive Director, H.C. Pittman, said that, "The establishment of the Texas Center for Correctional Services which is funded by a grant from the Criminal Justice Division of the Governor's Office, permits the consolidation of several current Bar related projects with some additional projects under a single umbrella and provides for increased flexibility and ability to respond to the needs of the correctional system for Bar related services. The Center will be responsible for administration of programs to provide

### JV Boys, Girls Win Amherst Tournament

The Muleshoe Junior Varsity boys and girls each won first place in the Amherst J.V. tournament, held December 5-7. The Muleshoe girls played the New Deal girls J.V. on Thursday, December 5 and won by a score of 58-32. In this game, Beth Whitt scored 21 points, Laura Beene had 18 points and Tammy Bruns followed with 10 points with Jo Roming scoring nine points.

Friday night found the Muletopping Amherst's J.V. team by the score of 62-18. Scoring in this game was as follows: Tammy Bruns, 24 points, Beth Whitt, 18 points, Laura Beene 13 points and Jo Roming seven points. Muleshoe stopped Sudan in the finals Saturday night by the score of 56-35. Tammy Bruns scored 19 points during this game and was followed by Beth Whitt, 17 points, Laura Beene 16 points, and Jo Roming, two points.

The Muleshoe J.V. guards played very well throughout the tournament and held three opponents to an average of 28 points per game, while Muleshoe forwards averaged 59 Cont. on Page 3, col. 8

#### Corn Growers Plan Meet At Dimmitt

The Texas Corn Growers Association will meet at Dimmitt on December 19 at 10 a.m. It is sponsored by the Texas Corn Growers Association.

Included on the program is a barbeque luncheon at noon as well as a research program. Guest speaker for the event will be John Currie, president of the National Corn Growers Association from Boone, Iowa.

requied legal services to inmates and parolees of the Texas Department of Corrections and the Texas Youth Council; development and administration of programs for volunteers in corrections; and participation of programs for participation in training programs in corrections and correc-

W.C. LaRowe of the State Bar staff has been named as Director of the new Center.

Initially, the activities of the Center will include two projects which are already in operation, the State Junior Bar of Texas Volunteers in Parole project and the State Bar Counsel for Indigent Parolees project, and two new projects.

The State Junior Bar Volun-teers in Parole Project matches lawyer-volunteers with parolees on a one-to-one basis to provide Cont. on Page 3, Col. 7.

#### Nine From **Bailey County AttendConfab**

Bailey County Farm Bureau was represented by 9 delegates to the 42nd annual meeting of the Texas Farm Bureau Nov. 30-Dec. 3 at the Convention Center in San Antonio. Some 1,500 persons from all parts of Texas attended.

Policies to guide the state's largest farm organization next year were adopted by the more than 1000 voting delegates representing the majority of the 210 organized county units. Also approved were recommendations on national issues. These will be forwarded to the American Farm Bureau Federation annual meeting Jan. 4-8 in St.

Delegates registered Sunday, Nov. 30, before participating in the evening's activities which included a Vesper Service, Discussion Meet and Talent Find.

The Monday morning agenda included addresses by TFB President Carrol Chaloupka and Governor Dolph Briscoe. TFB secretary-treasurer Reed Lang presented the financial report. Featured at a luncheon for the ladies was the First Lady of Texas, Mrs. Janey Briscoe. Special conferences were held

Monday afternoon on the following subjects: Livestock and Animal Health, Community Services, Cotton, Poultry, Wheat and Feed Grains, Rice, and Farm Bureau services. Also discussed were: Field Crops, Research and Education, Farm Labor, Young Farmers and Ranchers, Natural Resources, and Dairy. In the state finals of the TFB Queen Contest that Cont. on Page 3, Col. 4.

# Wind Damage To School Estimated At \$7,500

Independent School District Board of Trustees heard a report on the recent wind damage to the Junior High School and Gymnasium. They learned that damages are estimated at approximately \$7,500. Most of the damage has already been repaired.

It was noted during the meeting Monday night that 67.03 of current school taxes have been collected. Taxes collected for 1975 total \$531.549.15 while at this same time last year, taxes collected amounted to \$480,760. 49, or 64.38 percent.

### **Criminal Cases** Scheduled For **January 12,13**

The following criminal cases have been scheduled to be heard in District Court on January 12, 1976, at 10 a.m. at which time they will be called

for trial in the order listed. Arraignment of all defendants not previously arraigned or who have not waived arraignment is set for Monday, January 12, 1976 immediately following the call of the cases for trial, at which time pre-trial shall also be available to all parties as well as preliminary matters of any kind, or the same shall be deemed to

have been waived. Defendants waiving jury trial will be tried on Monday, January 12, 1976 following pre-trials, and the jury panel will report on Tuesday, January 13, 1976 at 9:30 a.m.

Bailey County criminal jury Cont on Page 3, Col. 7.

band trip to Southwest Band Festival at Sea-Arama in Galveston on March 26-27, 1976. The average daily attendance report for the first 12 weeks of

479 in senior high school in 1975 while there were 508 in 1974, a difference of 29. In junior high school in 1974 there were 449 while 456 are enrolled this year, Cont. on Page 3, Col. 5.

FIRE DAMAGE MAGBY HOME . . . An electrical fire which started in the actic of the Body Magby home, 1904 W. Avenue G in Muleshoe, completely destroyed the roof of the house. There was extensive smoke and water damage to the rest of the house. The Magbys were out of town when the fire started. It was reported about 2:30 p.m. Saturday, December 6. The Muleshoe Volunteer Fire Department was

# Cook Appointed To SPHSA For Three Years

Marshall Cook, Administrator of West Plains Medical Center, has been appointed to a three year term as a member of the Board of Directors of the newlycreated South Plains Health Systems Agency. This agency was created pursuant to the enactment of the National Realth Planning and Resources Development Act of 1974, Public Law 93-641.

The South Plains Health Systems Agency incompasses the 15 county area served by the South Plains Association of Governments. The composition of the board follows rigid guidelines for representation based upon metropolitan and rural, ethnic, racial and linguistic mix, as well as consumers, and providers of health services. Health Systems Agencies are charged with the responsibility of preparing and implementing plans designed to improve the health of the residents of its health service area; to increase the accessibility, acceptability, continuity, and quality of health services in the area; to restrain increases in the cost of providing health services; and to prevent unnecessary duplication of health resources.

#### Mobile Home Owner A copy of a proposed ordinance was presented to each city councilman and much discus-

Need Input From

Muleshoe City Dads plan to adopt an ordinance providing minimum standards for mobile homes and mobile home parks for the city. The ordinance will establish requirements for mobile homes parked outside of mobile home parks; establish requirements for the design, construction, alternation, extension and maintenance of mobile home parks and related utilities and facilities. It will authorize the issuance of permits for construction, alteration and extension of mobile home parks; authorize the licensing of operators of mobile home parks; authorize the inspection of mobile home parks and fix penalties for violations, providing an effective date.

#### December Is Bad Month For Lazbuddie Man

Like the shoe that won't fit the wrong foot, the month of December started off wrong for Ronald Ivy of the Lazbuddie community. On December 1, he was involved in a car accident which left him with a broken leg and then just one week to the day, Monday, December 8, his home burned down.

The fire was caused by the hot water heater which apparently blew up, around 10:30 a.m. Monday. No one was home at the time and it wasn't until the Ivys were returning home, saw Cont. on Page 3, Col. 7.

## Jaycees Hold **Five-Minute** Shopping Spree

The Muleshoe Jaycees will sponsor a five-minute Shopping Spree in one of four local grocery stores (shopper's choice), Whites Cashway, Piggly Wiggly, or Pay 'N Save

The drawing will be held December 24 at 10:30 a.m. at the local radio station. The Shopping Spree will be held either December 29 or 30, at the shopper's convenience.

Tickets sell for \$1 each and you may purchase one from any Jaycee member or contact Gary Shipman, chairman at 272-4408. The winner will receive \$50 worth of meat before the Shopping Spree begins.

This is the Jaycees way of adding a little "Zing" to your Christmas Holiday and your participation in the contest will be appreciated.

# sion followed. Councilman Max King raised several objections

to the proposed ordinance be-

cause he felt it was too strict.

King said the way it read, it

appeared to him that the city

was trying to discourage the

placement of mobile homes in Muleshoe. This he felt was wrong expecially due to the severe housing shortage in the

Questions were raided be several of the other councilmen and City Manager Dave Marr tried to answer the questions. It was noted by King that the ordinance was stricter than the regulations that must be met by someone who planned to build a house and he questioned this. Marr pointed out that a mobile home and a permanent structure such as a house were entirely "two different breeds of

It was decided that the coucilmen would like some input from citizens conserning the ordiance, especially those who own Cont. on Page 3, Col. 1.

## Char-Swiss Screened For Red Carpet Sale

Members of the newly-formed West Texas Char-Swiss Breeders Association met Dec. 3, 1975 at the Jim Paul place at Seminole, Texas to screen cattle for the association's March "Red Carpet Sale" of Char-Swiss Cattle. Fourty-two head of Char-Swiss cattle from breeders in Oklahoma and Texas were selected for the upcoming sale to be held in Lubbock, Texas.

C.W. Dub Adams of Water Valley, Texas, founder of the Char-Swiss Breed in 1970 and president of the National Char-Swiss Association was present at the screening. Three head from Adams's herd will be sold in the March sale in Lubbock.

#### City Girls Place Second In Tourney

Both the Muleshoe Eighth and Ninth Grade Girls Basketball teams placed second in the basketball tournament held in Muleshoe this weekend.

In the Eighth Grade games Dimmitt beat Muleshoe for the championship 43-20.

Littlefield took third place with a win over Canyon, 30-29. For consolation, Morton came out on top when they beat

Friona 37-34. High point scorers for Muleshoe were Shelly Dunham with 18 points in the tournament and Jo Rhonda Rhodes with nine points.

Cont. on Page 3, col. 8

# Farm Bureau Slaps At Longshoremen's Union

SAN ANTONIO--(Spl)--Texas Farm Bureau retained its traditional stance in opposition to revision of the state constitution at its 42nd annual convention which ended here Wednesday (Dec. 3).

CAL BOX BOX BOX BOX BOX BOX BOX BOX

The some 1,159 voting delegates from 164 counties also took a slap at the Longshoremen's Union for its recent action impeding export shipment of grain sold for and went on record as opposing federal aid for "bailing out" state or local government units.

The total convention registration of more than 1,500 persons was a record attendance at a

#### JV Boys Beat Olton 45-26 The Muleshoe Junior Varsity

Boys Basketball team defeated Olton by a score of 45-26 Tuesday night. Leading scorers were Brad

Baker with 14 points, Marcus Beversdorf with nine and Billy Vinson with 8 points. This leaves the JV with a

record of 5-2. They will be participating in the Sudan Varsity Tournament Thursday, December 11. The JV plays their first game at 5:30 p.m. against Amherst.

AUSTIN - The debate goes on over whether the legislature will be faced with a billion dollar tax bill in 1977 - or none at all.

Comptroller Bob Bullock stated that if lawmakers continue their recent spending patterns they will have to pass a record tax measure.

But House Speaker Bill Clayton predicted the legislature will be "trying to maintain the status quo" and will avoid growth of the bureaucracy. In spite of Bullock's repeated warnings, Clayton said he is not convinced that a major tax bill will be required.

Gov. Dolph Briscoe at a governmental conference in San Antonio stated government at all levels must become more economical and efficient. He called specifically for "redirection" of spending for educa-

State Sen. Peyton McKnight of Tyler, speaking more harshly, said runaway spending in education may bankrupt the state if it isn't brought under control. He called for a lid on education spending.

Meanwhile, the new Joint Advisory Commission of Government Operations (Little Hoover Commission) held its second meeting and adopted a time-table for a year's inquiry into 250 state units of government. Lt. Gov. Bill Hobby warned members to keep their eyes on the big spending areas and avoid "rabbit hunts."

#### Postponed Again

The Senate for the third time postponed the impeachment trial of District Judge O. P. Carrillo.

By a 16-10 vote, senators delayed the trial until January 5 to await outcome of a Judicial Qualifications Commission hearing and federal court final action on Carrillo's income tax conviction.

Carrillo said he will never resign his post on the Duval-Starr-Jim Hogg counties bench, although he has been suspended since last August following House passage of articles of impeachment.

#### Court Race On

New Texas Supreme Court Associate Justice Ross E. Doughty of Uvalde decided he will not be a candidate to retain his job in 1976.

Two Court of Civil Appeals chief justices immediately indicated an interest in a race to succeed Doughty who was appointed only about two months ago when Associate Justice Ruel Walker retired.

The prospective candidates are Judge Charles W. Barrow of the Fourth Court of Civil Appeals in San Antonio and Martin Dies Jr. of the Ninth Court in Beaum-

Barrow says he is definitely going to run. Dies says he is "inclined to" but wants to check his bases of support again.

#### Courts Speak

Reversing itself, the State Supreme Court agreed to consider whether a landowner, to claim an agricultural tax exemption, must prove 51 per cent of his overall income is derived from farming or ranching.

Third Court of Civil Appeals threw out a State Board of Pharmacy appeal from a district court ruling

Texas Taxe\$

By BOB BULLOCK, State Comptroller

Austin-We get a surprising number of calls asking if residents of other countries

can make purchases in Texas without paying the Texas sales tax.

The answer, of course, is

Many of these calls come from merchants along the great border we share with Mexico and from cities where there are universities with large foreign student enrollments.

The only kind of sales tax exemption granted foreigners by Texas law covers staff members of foreign consulates housed in Texas. The only other type of sales tax exemption available

for foreigners shopping in

Texas covers merchandise bought here but shipped directly to the home address of the foreign purchaser.

If the foreign purchaser takes possession of the purchase in Texas, though, the state and city sales taxes must be paid.

There is considerable activity in foreign purchases of goods for tax-free shipment outside Texas. particularly along the Mexico border. There are several ways this can be accomplished.

-The retailer may deliver the goods to a forwarding agent or customs broker for shipment outside the state. The retailer must retain all shipping documents with a copy of the shippers export declaration which shows delivery to a foreign

destination. -The delivery must be made by the retailer to the forwarding agent or customs broker. The customer cannot legally make such a delivery."

-- Another method is for the retailer to deliver the goods to the foreign destination using his own mode of transportation. Again, the retailer must retain all records, the trip tickets, truck logs and other documentation to show the specific items and the foreign destination.

Muleshoe. City Manager Marr showed slides of mobile homes in Muleshoe which pointed out the need for an ordinance, illustrating how some mobile homes are situated on lots, extending almost to the right-of-way, causing traffic hazards, how some were placed too close to other structures so as to present a fire hazard and still others were placed so far back on a lot that only the alley could be utilized to get to the home and for parking.

There was also discussion concerning the fact that mobile homes should be tied down, and slides of the recent wind storm illustrated this when the mobile home located at the Ranch House Trailer Park was blown over on its top, crushing a parked car.

Mayor Alex Williams suggested the councilmen take the ordiance home with them, for study and that they mark questionable items listed in the ordinace since there seemed to be many objectionable clauses in the proposed ordinance. The ordiance will be brought up at the next city council meeting and it is hoped by the councilmen that they will have citizens present to offer their suggestions or objestions to portions of the ordinance.

It might be wise for mobile home owners to go by City Hall and look at a copy of the proposed ordinance so that the council could have their ideas on the proposal before they have to make their decision.

The subject of bad debts also came up for discussion and it was decided that a list of names of those persons whose bills are delinquent, reported to the Retail Merchasnts. It was noted during the discussion that persons moving to another city who have delinquent bills here would have difficulty obtaining credit elsewhere when their credit bills

rating was cjecled befpre Rating was checked before making a purchase on credit there. Many merchants will refuse credit to someone until their debt is paid.

The council approved an ordiance concerning the driving and or operation of self-propelled motor vehicles on City park land and the vandalism of such parks and providing a penalty.

A Resolution by the CityCouncil of the City of Muleshoe establishing the duties of the parks and recreation director and the scheduling of group activities with the parks and the recreation director, as recommended by the parks and recreation board, was approved.

Councilman Clarence Christian stated that he felt that the public should be made accountable as to how manpower funds are spent. The council agreed and will request SPAG to consider forming a consortium to administer the manpower funds.

It was noted during the meeting Tuesday morning that the new fire truck will be in Muleshoe on December 16, 1975. Senator Max Sherman will also be on hand and a meeting of all of the clubs has been arranged with the fire department to be in attendance. The meeting will be

held at noon at the Catholic Center.

City Manager Dave Marr stated that installation of the liner in the one million gallon ground storage reservoir was completed.

An ordinance adopting an **Emergency Operations Plan for** the City of Muleshoe and an ordinance by the City of Muleshoe describing the functions, duties and powers of shelter managers during national emergencies; providing a penalty and declaring an emergency were both approved Tuesday.

both approved Tuesday. The ordinance gives authority to shelter managers necessary for proper operation of shelters during an emergency.

Authorization was approved to seek bids on additional pagers and a mobile encoder for the Muleshoe fire department. The pagers and mobile encoder for which authorization was given were authorized in the budget and should cost approximately \$4,000. Frank Ellis of Singleton-Ellis Funeral Home has asked the city to include two pagers/ chargers for funeral home use. Ellis will reimburse the city for his pagers. The Fire Department will be receiving 10 pagers/chargers and one encoder which is to be installed in the Fire Chief's vehicle.

Since the new sanitation truck is working well, councilmen decided to advertise for bids on the old sanitation truck, a 1969 GMC truck. This is the oldest piece of equipment and the city will reserve the right to accept or reject any and all bids if they feel they are too low.

After some soul searching the councilmen decided to stop consideration on making application for the city to administer Section Eight Housing Funds. The council felt the program was too complex in terms of dollars they would receive in return and that they might be "getting in over their heads." The amount of dollars involved will not justify the administrative effort to comply with HUD red tape. It was also felt that the City of Muleshoe does not have an adequate supply of existing vacant standard housing which is a key feature in making the program work.

Discussion was held concerning the City-School tax office consolidation. Councilmen Ken Henry and Clarence Christian discussed problems that have risen concerning the proposal and it was decided that the City would write a letter to the School Board listing their complaints and problems they foresee and ask the School Roard to send them a letter listing theirs.

listing theirs. After both boards have a chance to review the other's fist then a joint meeting of the City Council and the Board of Trustees would be scheduled to see if the two groups could come to a meeting of the minds. The two city council men who were put on a committee with members of the School Board to come up with a working contract feel that the proposal is presently at a standstill, and until these problems

can be ironed out. The Council decided to reques SPAG to pursue a regiona Emergency Medical System implementation plan which could include Muleshoe in the

Paducah, outgoing longtime director of 14 years from District 3, and Bill Reed of Lamesa, District 7 director--both declined nomination in support of Chaloupka.

Four new directors were elected. They are S.M. True, Jr. of Plainview, Joe F. Fisher of McKinney, Marvin W. Phemister of Weinert, and Donald Hebert of Waller. Re-elected for two year terms were Jack Osborne of Pampa, W. Reed Lang of Rio Honda, T.L. Roberts of Wills Point, Doyle Condra of Talpa and Henry Burton of Lufkin.

Reid was subsequently reelected vice president and W. Reed Lang of Rio Hondo was renamed secretary-treasurer by the Board of Directors following conclusion of the convention.

Most controversial issue--other than a proposed by-law amendment--was the brucellosis eradication program which took some two hours of debate to resolve. When the air was cleared, the delegates had strengthened the organizations stand on eradication.

The approved resolution urges the Texas Animal Health Commission to "promulgate the necessary rules and regulations to achieve and maintain a certified bovine brucellosis free state as charged by the Legislature." Delegates said the present state constitution should be retained "since it is basically sound and can be amended at any time.'

Concerning the Longshoremen's action delaying grain shipments, delegates said that 'exporting of agriculture products should be subject only to pertinent existing laws and that appropriately severe penalties be imposed on those who arbitrarily delay such exports." They further declared that "the judicial route should be followed to force labor to fulfill its contracts with shipping suppliers in loading ships with export items," and that legislation should be passed making organized labor subject to the same antitrust laws as industry. In other action during the two-day business session the delegates passed resolutions

plans, with the aim of providing relief to Texas doctors. They said county commissioners courts should be given authority to regulate subdevelopments "due to the moving trend from metropolitan areas to rural areas."

calling for a legislative study of

the California plan or other state

A resolution was approved opposing legislation or regulation by federal or state government to control the withdrawal of under ground water for

irrigation. Voting delegates approved a resolution calling for the widening of farm-to-market roads "as funds become available," but voted down a resolution from the high plains calling for more comfort stations with restroom facilities along the state's high-

TFB also wants more emphasis on maintenance of the present farm-to-market road system rather that new construction.

Positions taken by the voting delegates on national issues are actually recommendations to the house of delegates of the American Farm Bureau Federation convention which will be held in January in St. Louis.

On government farm programs, TFB says the target price concept of the 1973 Farm Act should allow the escalator

#### LOUISA'S LETTER

Dear Louisa,

I have a problem and can't decide what to do about it. My husband was in an auto wreck about a year ago and there were two girls with him. Since this incident he has been seeing one of the girls off and on. About a month ago things started getting out of hand. I found her glasses in his car and she rides by the house and calls on the phone all the time. I know it sounds silly, but I still feel like I love him so much and don't want to loose him. I saw a lawyer and he 'suggests a legal separation. My husband feels that he doesn't know how he feels. Am I a fool to love him after all he has done or should I look for the next fish in the sea. (He won't

Repentance is quite out of date, and beside, if a woman really repents, she has to go to a bad dressmaker, otherwise no one believes in her. -Oscar Wilde.

agree to see a marriage counselor.) Please-I need advice and fast.

Desperate--Va. Answer:

There are many angles to a situation such as this. Have you been married just a short time or many years? Are there children? Is this the first time your husband has acted in this manner or is he a philanderer? Will you be happier without him or with him?

It might pay you to separate for a while until you can made up your mind and this may also let him know that he, too, has to make a

Louisa Address: Louisa, Box 532 Orangeburg, S.C.29115.

The seeds of repentance are sown in youth by pleasure, but the harvest is reaped in age by pain.

#### Cosmetic Safety Important

COLLEGE STATION--Cosmetics usually enhance attractiveness and self-confidence but "use with care" should be the watchword, Claudia Mitzel

"Occasionally severe allergic reactions to some products do occur. In other cases, consumers may misuse cosmetics and endanger their health," she

Miss Mitzel is a consumer education-clothing and textiles specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

To insure safe cosmetic use, she suggested some guidelines which may help consumers avoid contamination and injury. Read labels on the containers and packages and follow directions exactly.

If a reaction occurs, such as redness, itching, swelling, soreness, blisters, stop using all cosmetics that may be affecting that area.

If the reaction persists, see a doctor immediately. And take the suspect cosmetic along. Write a letter to the manufacturer of the product--whose address is on the packaging. Send a copy of the letter to the Food and Drug Administration. Division of Cosmetic Technology, 200 C Street, S.W. Washington, D.C. 20204. To determine possible allergy to a cosmetic, place a small

> Facts are better than dreams, if pleasant.

amount on the inside forearm and leave it for 24 hours. For hair products, choose an inconspicuous area on the back of your head and do a patch test following directions in the package. Check for signs of redness or itching before using the product for the entire area.

To prevent contamination, keep containers closed tightly when not in use and wash hands before applying any cosmetic since cosmetics are usually bacteria-free before they're opened.

Throw out old cosmetics because preservatives lose effectiveness over time.

Never borrow another person's cosmetics. They may be contam-

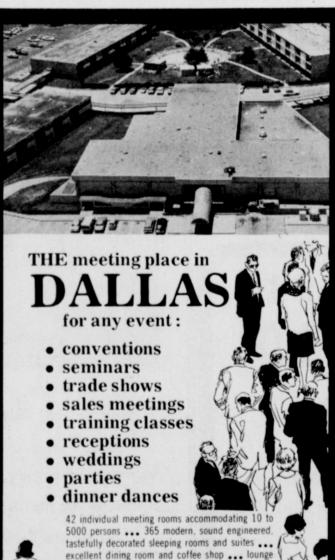

Use aerosols carefully to avoid inhaling the spray. Keep cosmetics in a place that children cannot reach.

#### Women's Club Held Party

Wesleyan Service Guild met Dec. 8 in the evening with Mrs. Earls Gross for their Christmas party. Mrs. Nonnie Howard was a guest, and she gave the Guild a run down on several families that needed help through the holidays.

Business was conducted by the president, Mrs. Earld Gross. The home was arrayed with a tree and Christmas decorations, throughout. The program was presented by Mrs. Evelyn Johnson with selections from Norman Vincent Peales, "Guideposts Christmas Treasury"

An exchange of gifts was followed by the singing of Christmas carols. Refreshments were served to eight members. Those attending were Mrs. Bess Edwards, Mrs. Betty McNeill, Mrs. Ruth Colbert, Mrs. Evelyn Johnson, Mrs. Hazel Gilbreatn, Miss Elizabeth Harden, a new member, Mrs. June Buhrman and the hostess, Mrs. Earld Gross.

The utmost tragedy in the world in the minds of small boys, is that the home team lost.

"Turkey Wings Fricassee" combines cut-up turkey piece simmered long and slow with spices, vegetables, and a bed o buttered noodles for a truly economical main course. Texa Department of Agriculture home economists suggest fo dessert cold cantaloupe with lime slices.

TURKEY WINGS FRICASSEE

4 young turkey wings (about 21/2 lbs.) 1/4 c. flour 4 T. butter or shortening 2 medium onions, chopped 2 tsp. salt

¼ tsp. white pepper

¾ tsp. paprika

1/2 c. celery, sliced 2 carrots, sliced 1 clove garlic, crushed 1 bay leaf 1/4 tsp. rosemary 1/4 c. cold water Wide egg noodles

4 c. chicken broth

Rinse wings and pat dry. Combine flour, salt, paprika, and pepper Roll turkey wings in flour mixture to coat. Reserve remaining flour. Melt butter in Dutch oven or large heavy pot. Brown turkey on all sides. Add onions, garlic, and saute' for 5 minutes. Add broth, carrots, celery, bay leaf, and rosemary. Cover and simmer for 2 to 2% hours or until turkey is tender. Transfer wings to heated platter. Remove bay leaf. Mix remaining flour with cold water to form a smooth paste; add slowly to hot liquid, stirring to keep smooth Cook over medium heat about 5 minutes, or until sauce has thickened slightly. Pour over turkey in serving platter, Garnish with parsley. Serve over cooked, buttered noodles, Makes 4 servings

#### Christmas Greetings Start At Front Door COLLEGE STATION -- A "If you're a nature-lover, let

special Christmas greeting starts at the front door decorated in holiday style.

With just a little extra time and a smidgen of imagination, even a simple doorway can pronounce a warm welcome with expressive creativity, says Denise Biegbeder, housing and home furnishings specialist.

"If the wreath is a family tradition, browse through decorating magazines for unusual ideas. Follow complete directions to the letter or use them as a springboard for original variations," she suggests.

Miss Biegbeder is with the Texas Agricultural Extension Service, The Texas A&M Uni-

versity System.

your wreath express this by using such items as pine cones, shells, sand dollars or cactus skeletons.

gourmet meals, accessories from the kitchen might be priate--if they are small in scale

"If your family is known for its

and cleverly arranged. Wooden spoons or small copper molds held together with copper wire will alert a visitor to the 'goodies' inside.

ldeas for buying a wreath and then decorating it yourself are really simple and fun, the specialist said.

Attach miniature God's Eyes (ojos de Dios) that you've made with toothpicks and metallic

Or wrap apples, oranges or other fruit in plastic and attach them with bright red ribbons. "Small wooden ornaments,

tiny mirrors, or other small items can spruce up any storebought wreath." Miss Biegbeder gives the fol-

lowing instructions for decorating a wreath with snowflakes, baskets or balls created with liquid solder. To make them just take a

breakable shape -- a small balloon, a hollow egg or an old grass ornament and sketch the design you want on the outside. Go over it with solder. When the solder has hardened, gently remove the base shape by breaking it gently.

Johnson, widow of the late President Lyndon B. Johnson, will participate in the dedication of the Ranching Heritage Center next July 2 at Texas Tech

Dr. Grover E. Murray, Texas Tech President, made the announcement.

The formal opening of the Center, July 2-5. 1976, is an official Bicentennial event. The 12-acre outdoor exhibit of authentic ranch structures depicts the history of ranching in the American West. Its completion date is set for July 1, but already more than 50,000 have visited the Center on Sunday afternoon tours and special

occasions.

Mrs. Johnson's dedicatory remarks will follow the arrival at the Center of a trail herd of Longhorns. The symbolic trail drive--probably the nation's last--is scheduled to start in San Antonio June 27, arriving at the Ranching Heritage Center July 2. Trail boss is Charlie Schriener III of the YO Ranch at Kerrville, and he is supplying the Long-

horns from his herd. Dale Robertson, of television and motion picture fame, will be master of ceremonies for the dedication. Robertson has had a

LUBBOCK--Mrs. Lady Bird continuing interest in the Center, and he is the narrator for a recent film depicting the Center's role in historic preser-

> Dr. Murray said that Mrs. Johnson visited the Center earlier this fall and expressed interest in its goal of interpreting the development of American ranching for future genera-

> President Johnson came from a ranching family and for many years the President and Mrs. Johnson operated the LBJ Ranch, raising Herefords, in Gillespie County.

> In addition to her knowledge of ranching, Mrs. Johnson is an avid reader of history and has shown a great appreciation for historic preservation. Her interest in higher education is illustrated by her membership on the Board of Regents of the University of Texas System.

At Muleshoe Junior High

**Convention Over** The Student Council Conven- was a lot of other good ideas to tion that was held at Austin during Nov. 20-22 is over. The students that attended the convention were Mike Northcutt. Mark Northcutt, Shelli Hawkins, and Becky Turner. The sponsors were Mr. Richardson,

and Mrs. Scoggin. The sponsors

and the students left at 6:30 a.m. and got to Austin at about The students thought that it was fun and interesting. They thought that is was a good chance to get other ideas. The convention is designed for each school or council to get ideas from other schools or councils.

They exchange ideas that have

been successful for them. They got a lot of good ideas. Like, to have teachers for Secret Pals and buy the teachers cards on special occasions and if they wanted to they could buy them gifts. Then they would have a meeting or party so the students could tell the teachers that they had been their Secret Pal. There

#### 'A' Team Girls Still Undefeated

The 'A' team's first game was played against Springlake-Earth. The score was 40 to 31 Muleshoe. The second game was played against Friona. The Mule-ettes also won that game by a score of 27 to 26. The leading scorer was Shelly Dunham with 12 points, JoRonda Rhodes-11, Becky Turner-2.

Kanetha Hysinger-2. On December 1st the 'A' team girls played Littlefield at Muleshoe. The Mule-ettes came out ahead with a score of 44 to 40. The high pointer was Shelly Dunham with 31 points, Jo-Ronda Rhodes-6, Becky Turner-5, Kanetha Hysinger-2. During all 3 games that we have played the guards have played very

game will be against Olton on over the 'B' team. December 8th at Muleshoe. The High pointer for the Mules

create a good school spirit.

They also entered their scrapbook in a contest and won third place on it. Mark Northcutt the Historian did the scrapbook. He got some good ideas how to make the scrapbook better. While in Austin, the students

toured the capital, the LBJ Library, the university campus, and Highland Mall. The students did enjoy it. They came home with a lot to talk about and many good ideas.

ALPHA ZETA Pl . . . "Christmas of 1876" created by the members of Alpha Zeta Pi won second place in the Christmas Parade Saturday, giving the real spirit of Christmas in "1876"

## 8th Grade Boys Season Is Good

have played two basketball games. The 8th grade boys 'A' team has won both of their games and hope to stay unde-

Last month, on November 24, the 8th grade 'A' team Mules played the Friona Chieftains here at the Jr. High Gym. The Mules won by a score of 39-34. High pointer was Alvaro Ontiveroz with 20 points. Next was Terry Burton with 8 points. Zeke Pecina scored 3 baskets and a free throw for 7 points. Robbie Barrett scored 2 and

Eighth'B'TeamBoys SplitGames

8th grade 'B' team boys played the Friona Chieftains. The Mules won by a score of 27-22. Each team played real well. High pointer of the game was Sam Whalin with 12 points. Next was Joel Bratcher with 9 points, and Tommy Wheeler with 6 points. These people all started the game and did a good job. The game ended and the score was 27-22.

Last Monday, December 1st, the 'B' team members played the Littlefield Wildcats. This day just wasn't the Mule's day. The 'A' team Mule-ettes next and Littlefield had a 26-18 edge

Mark Northcutt and Arthur Rojas tied with 1 free throw

The 2nd game was played Monday, Dec. 1st, against Littlefield at Littlefield. The 'A' team Mules beat the Wildcats by a score of 36-26.

High pointer of this game was Zeke Pecins with 14 points. Terry Burton finished off with 10 points. Terry Burton finished off with 10 points. Next on the list was Mike Northcutt with 8. Mark Northcutt finished the game with 4 points and the

points. There was a 4-way tie Last month, on the 24th, the

with 2 points. These people were Joel Bratcher, Tommy Wheeler, Kent Rempe, and Paul Hurtado. The Mules scored some points, but not enough and the game ended 26-18 in Littlefield's favor.

#### juice, and let cook for several Bear Soup minutes. Stir occasionally. Then

and pinch of soda to make a

alliance remains sound.

My mother-in-law, Mrs. George Precure, lived near Oklahoma City in the black jack oak timber country. She gave this recipe to me many years ago in the early 1920's. At first it was called tomato soup, then my first grandson, Allison Ray, started calling it "bear soup", and that's where the name stuck.

2 strips bacon 1/2 large onion 1/2 sweet pepper

1 large potato 2 cups water 1 cup tomato juice

Salt to taste Dice bacon, onion, pepper, and potato. Fry bacon. Brown vegetables in the bacon drippings. Pour water over browned vegetables, and cook until tender. Mash cooked vegetables with potato masher. Pour in tomato

# "I'd rather explain higher gas bills than why you don't have gas."

Your natural gas bill is higher. And, you have every right to know why.

One reason is lower temperatures brought on by winter. The main reason, however, is simply that you are paying more for natural gas. Because we are paying more. This chart shows how much: This increase hurts both you and Pioneer. It adds to your bill and to our cost . . . a cost for which Pioneer is not entirely compensated. It is passed through without mark-up or additional charges. Why does gas cost more? Competition . . . particularly from petrochemical and other industries. The competition for gas has never been so fierce. We will have to pay more for gas than in the past. But by working together, and without outside interference, you'll have the gas you need today and in the future. PIONEER NATURAL GAS COMPANY

# Agronomist Works With Peanuts, Oilseed Crops

COLLEGE STATION -- With continued expansion in the state's production of peanuts and various oilseed crops, the Texas Agricultural Extension Service is directing more resources to meet the educational needs of producers and processors of these crops.

To handle these educational two, Warren Addition No. two. efforts, the Extension Service Billy J. Dale etux to Glen has announced the appointment Watkins etux, Lot nine, Block of Dr. Leland D. Tripp, who for the past 14 years has been a crops specialist with the Oklahoma Cooperative Extension Service.

"Dr. Tripp has some 21 years of Extension Service experience in Oklahoma, and we feel that his wealth of experience and knowledge will be a tremendous asset to our educational programs," said State Extension Director Dr. John E. Hutchison. "Peanuts continue to be a major cash crop in Texas, and other oilseed crops are also coming to the forefront. So we believe that more educational efforts must be directed to these commodi-

Tripp will be planning and conducting educational programs by working with county Extension agents and county program building committees in those areas where peanuts and other oilseed crops are now being produced or have the potential for becoming important cash crops.

In addition to serving as a crops specialist, Tripp also spent two years as a radio and television specialist and three years as an assistant county agent with the Extension Service in Oklahoma.

A native of Grady, Okla., Tripp holds three degrees from Oklahoma State University. He was a student instructor in the agronomy department at OSU for a year prior to joining the Extension Service.

Tripp spent two years in the U.S. Army as a combat engineer.

He is a member of the American Peanut Research and Education Association, American Society of Agronomy and Crop Science Society of America. He and his wife, the former Bernadine A. Gehringer, have five children.

demand for U.S. grain. 'Another alternative for the

when they produce a bumper grain crop. They could break the agreement with the U.S. or boost their own exports by the same amount of their imports from the U.S. These alternatives would still leave unchanged the annual fluctuations in world

The agreement still leaves room

for instability in the world grain

market," points out Dr. Russell

"The big question is what the

Soviets will do during years

McDonald.

Soviet Union would be to expand storage facilities and build grain stocks during years of bumper crops. This would provide facilities and build grain stocks during years of bumper crops. This would provide the stability sought by the U.S.-U.S.S.R. agreement," notes the Texas A&M University System economist.

Based on history, the Soviets have experienced a poor grain corp every three or four years due mainly to weather conditions that afflict their key production areas. Furthermore, the institutional inefficiencies of collective production contribute to grain production shortfalls by dampening individual incentives.

"In addition to protecting themselves from a poor grain crop, the Soviets are also trying hard to improve their diets by increasing livestock numbers. Thus they will need increased supplies of grain to feed their herds. Currently, the Soviets consume only about half the meat consumed in the U.S. on a per capita basis," points out McDonald.

As far as the U.S. is concerned, there is a safeguard built into the agreement for livestock producers, consumers and other foreign countries. If the U.S. grain supply falls below 225 million tons, then sales to Russia may be reduced below the six million metric ton level.

House votes to abolish federal mine appeals board.

EMPLOYEE OF MONTH . . . Lois Davis, an employee of Lindsey Jewelry was named employee of the month for December by members of the FAC and Muleshoe Chamber of Commerce. Recognition was made by Royce Harris, BAC chairman, Monday afternoon. Shown are Truman Lindsey, the honoree, Mrs. Lindsey and Harris, left to right.

#### Changes Open Burning Laws

COLLEGE STATION--Agricultural producers, landowners, city officials and others directing outdoor burning operations must soon comply with new regulations set forth by the Texas Air Control Board.

The new outdoor burning regulations which become effective December 5 outline conditions under which burning can be acceptably practiced, points out Dr. John Sweeten, agricultural engineer in waste management for the Texas Agricultural Extension Service.

"Agricultural producers who in the past have burned crop residues and rangeland to en-

hance production will be particularly affected by the new regulations," says the Texas A&M University System engi-

"Outdoor burning in these instances will be allowed when no practical alternative exists. However, certain conditions must be met. The wind must be in a direction that will carry smoke away from urban areas, and wind speed must be between 6 and 23 miles per hour. Furthermore, open burning must take place at least 300 feet from residential, commercial or industrial areas. To allow maximum dispersions, burning

should only be conducted the agricultural engineer. "In between 9 a.m. and 5 p.m. insofar as is 'reasonably practical."

The new regulations make special reference to the burning of salt marsh grass along the Texas Gulf Coast. Such burning requires prior notification of the nearest regional office of the Texas Air Control Board.

"Several other key items in the new regulations deal with burning of municipal solid waste," notes Sweeten. "The population ceiling on cities and towns that can use outdoor burning to dispose of garbage and trash has been lowered to 3,000 people. And municipal solid waste disposal sites that are burned must be located at least 300 yards from a public road and one mile from a residential or commercial area. Limits are also placed on the hours during which municipal solid waste

may be burned.' The new regulations also authorize outdoor burning to dispose of diseased animals to prevent disease transmission. And, garbage and trash can also be burned at private residences when regular collection service is not provided.

"These regulations are designed to help solve most of the problems associated with outdoor burning while at the same time not imposing economic hardship on landowners," says

effect, they require both the landowner and Texas Air Control Board staff to make sure that atmospheric conditions for outdoor burning are suitable for

pollutant dispersal." Sweeten encourages anyone interested in studying a copy of the new outdoor burning regulations to contact his local county
