**Washington and the Duel.**

The late duel that was to be, but  
 was not, between Mosby and Payne,  
 has brought to notice an event  
 which took place between George  
 Washington and a Mr. Payne, an  
 ancestor of Col. Mosby's opponent:

The opponents of dueling find an  
 illustration most apropos in the con-  
 duct of Washington toward Mr.  
 Payne, an ancestor of one of the  
 gentlemen engaged in the prospect-  
 ive duel. In 1754, when Washington,  
 in command of the Virginia  
 Rangers, was awaiting, at Alexan-  
 dria, the arrival of Braddock's  
 forces, an exciting election contest  
 occurred between Mr. Fairfax and  
 Mr. Payne for the House of Bur-  
 gesses.

Washington supported Fairfax  
 with much zeal, and high words  
 passing between him and Payne in  
 the market square at Alexandria,  
 Payne struck Washington a blow  
 which brought him to the earth.  
 The troops rushed from their bar-  
 racks, and would have made short  
 work of Payne, had not Washington  
 pacified them, assuring them that  
 he knew the proper course to pur-  
 sue in these premises. Duels were  
 not then under the ban of public  
 opinion. All supposed that a fight  
 was imminent.

Next morning, however, Wash-  
 ington sent for Payne, and when  
 the latter entered the room he saw  
 on the table, not pistols, but a de-  
 canter and two glasses. "Mr.  
 Payne," said Mr. Washington, "to  
 err is human. I was wrong yester-  
 day, but if you have had sufficient  
 satisfaction, let us be friends."

Weems relates that from that  
 day Washington was Payne's ideal  
 of true manhood. The magnani-  
 mity of Washington, who was the  
 best shot in Virginia, will be better  
 appreciated when it will be recol-  
 lected that at the time there was a  
 cloud upon his military prowess, as  
 he had but a few months before  
 been compelled by the French to  
 capitulate at Fort Mifflin, and  
 has as yet done nothing to redeem  
 his fame.

MRS. J. B. WALKER, of New Or-  
 leans, has ready for publication a  
 volume in memory of Capt. Joseph  
 Fry, commander of the ill-starred  
 Virginian. The book is to be sold  
 for the benefit of his destitute wid-  
 ow and seven children.

**PRISONER CAUGHT.**—A few days  
 ago a prisoner from San Saba coun-  
 ty, who, with two others, was on his  
 way to the penitentiary, escaped from  
 the guard in Williamson county,  
 near Jollyville. Late reports say  
 that the prisoner has been re-  
 captured, and that he is now in jail  
 at Georgetown. He sawed off his  
 shackles while riding along the  
 road, and jumped from the vehicle  
 and ran.—Statesman.

**SCHENCK'S PULMONIC SYRUP, FOR THE  
 CURE OF CONSUMPTION, COUGHS AND  
 COLDS.**

The great virtue of this medicine is that  
 it ripens the matter and throws it out of  
 the system, purifies the blood, and thus ef-  
 fects a cure.

**SCHENCK'S SEA WEED TONIC, FOR THE  
 CURE OF DYSPEPSIA, INDIGESTION, &c.**  
 The Tonic produces a healthy action of  
 the stomach, creating an appetite, form-  
 ing chyle, and curing the most obstinate  
 cases of indigestion.

**SCHENCK'S MILDRAKE PILLS, FOR THE  
 CURE OF LIVER COMPLAINT, &c.**  
 These pills are alterative, and produce a  
 healthy action of the liver without the  
 least danger, as they are free from calomel,  
 and yet more efficacious in restoring a  
 healthy action of the liver.

These remedies are a certain cure for  
 Consumption, as the Pulmonic Syrup ri-  
 pens the matter and purifies the blood.  
 The Mandrake Pills act upon the liver,  
 create a healthy bile, and remove all dis-  
 eases of the liver, often a cause of Con-  
 sumption. The Sea Weed Tonic gives tone  
 and strength to the stomach, makes a good  
 digestion, and enables the organs to form  
 good blood; and thus creates a healthy  
 circulation of healthy blood. The com-  
 bined action of these medicines, as thus  
 explained, will cure every case of consump-  
 tion, if taken in time, and the use of the  
 medicines persevered in.

 cipal office, corner SIXTH and ARCH STS.,

OFFICIAL JOURNAL OF BEXAR COUNTY.

A. SIEMERING & CO., Publishers.

SATURDAY, SEPT. 12, 1874.

THE following gentlemen will act as our local agents at Brownsville, Cameron County, Texas:

Mr. Cruise Carson.  
Mr. E. H. Goodrich.

It affords us great pleasure to inform the public that everything connected with our publications, in that county, may be placed into their hands for transmittal to us.

FOR CONGRESS,

Sixth Congressional District,  
**Jeremiah Galvan,**  
FROM CAMERON COUNTY.

LEADING DEMOCRATS of this city, and the best men of the District, make no question of the election of Mr. Galvan over Mr. Schleicher. The latter has not a single honest, disinterested, free-hearted advocate in the whole District. Every man you meet is on the side of Galvan, and the whole District says hurrah for him. The vote will sustain what we now say.

THE CONVENTION, which closed its labors yesterday, was an exceedingly harmonious, fortunate, and successful one. It was held in San Antonio, the home of that tried statesman and patriot, Hon. Edward Degener. He had the nomination in his own hands. He would have been our candidate had he desired it. Convinced, however, that there was a greater chance of success under the leadership of Mr. Galvan, Mr. Degener voluntarily withdrew his name, previous to the meeting of the Convention, that there might be perfect harmony. We shall elect Hon. Jerry Galvan to Congress by an overwhelming majority, and that victory will be largely due to the unselfishness and patriotism of Hon. Edward Degener.

HON. JEREMIAH GALVAN, of Brownsville, the nominee of the Republican party of this District for Congress, is one of the most popular men in the State. He is a whole-souled gentleman in the broadest sense of the word. This is so well understood that no sensible man in this District entertains the idea of beating him. Mr. Schleicher stands no more chance in the coming race than "a huckleberry in a tar barrel." Jerry Galvan has a host of friends, and has not an enemy in the world. His nomination is received with joy by all classes. Federal and Confederate soldiers alike say he is the man to vote for in the coming election. All Western Texas is jubilant over his nomination. No class or party opposes him. The streets are full of his friends and advocates. We advise Mr. Schleicher to withdraw at once. Galvan is the nominee of Western Texas, and opposition to him is folly.

THEY CAPTURED. — About two o'clock, Monday morning, an old man who sells fruit and melons was pounced upon while asleep on a platform in the vicinity of the freight depot by two men, who rifled his pockets of two or three dollars. Soon after, Policeman Johnson came across the old man, and learning what had happened, followed the men up as far as the Avenue, where Policemen Metz and Peck joined him, and the three rapidly making their way up the Avenue, coming in sight of the rascals at the upper end of the Avenue, when the two men commenced to run, one of whom—Tom Johnston—was soon overtaken, while the other made his escape. Johnston had on his person a phial of chloroform, a lady's and child's gold bracelet, and a six-shooter which was stolen from Mat Woodley's saloon a few nights ago. Johnston is now in jail, and it is hoped the other man will yet be taken. A vigorous effort is being made to break up this night stealing business. Let our citizens report all suspicious persons to the authorities. — *Stateman.*

AN Irishman who was near-sighted, about to fight a duel, insisted that he should stand six paces nearer his antagonist than the latter did to him, and that they were both to fire at the same time.

## The Republican Convention.

Westmoreland, Jacob Goll, Fritz Rummel, J. H. Biggar, J. W. Moore, Sol. Brassfield, Wm. Reed, H. C. Smith, Wm. Junius, J. N. Fisk, W. H. Houston, J. M. Chavez, A. M. Locke, M. Michel, F. Guilbess, A. Krakauer, W. W. Gamble, C. C. Gillespie, J. F. Minter, Austin Thornton, P. Scheiner, M. Slocum, J. H. Kampmann, P. Ujhaez.

The Committee on Permanent Organization through its chairman, T. G. Anderson Esq., reported as follows: Col. C. C. Gillespie, President; C. Range and N. Mitchell, Vice-Presidents; H. McCormack and A. Dittmar, Secretaries; H. C. Smith, Serg't at Arms, and recommended the adoption of the majority rule in the decision of all questions before the Convention.

The report was unanimously adopted.

Col. Gillespie, on taking the chair said: "Gentlemen of the Convention, I return you my thanks for the honor you have conferred on me. While I propose to make no regular address, I feel it due to yourselves, your constituents and the situation to say a few words. Owing to various causes, among others mal-administration, division and selfishness in our own ranks, the Republican party has been ingloriously defeated, so that at last the tide of Democratic fraud and oppression has reached a barrier on which will be found inscribed the fiat of the long suffering people of Western Texas "here shall your proud waves be stayed." Amid the general gloom there is a gleam of light in this Western region. Our people understanding well their own interests, the needs of their ranches and of their frontier, raise now the banner of reform. The West has been shamefully neglected by the rest of the State. For twenty years I have lived in and worked for Texas as a whole, but my residence in this section has shown me cause to sympathize with the feeling entertained by many Democrats and Republicans that a division of the State has nearly become a necessity. I believe the people of Western Texas honor and love the Texas name, for whose prestige they have done so much, as truly as any people in the broad domain of the State. Yet they have no railroad, no share in the subsidies freely given to every other part of the State, and to-day our only hope of railroad assistance is endangered by a monopoly whose power is greater than most can understand who are not familiar with railroad management. Mr. Morgan and Gov. Coke have joined hands to crush the International Railroad Company on the fortunes of which the fate of the Pierce road depends. Gov. Coke's pretext for his hostility is that the International opposed the credit of the State. Why, the facts of the case alone destroyed the credit of the State. On the merits of the question, Gov. Coke could not sell a single bond to any disinterested American or European capitalist, and he has not sold one. His only sale has been made to Mr. Morgan, who sends his lieutenant to you for election, and Mr. Morgan is a man who never spends a dollar unless he sees two in return.

The nomination you make to-day will be Republican, but not partisan. We seek the interests of our District and intend that a man shall be named who will see that the Federal Government protects our frontier, and that our harbor bars are deepened, not to the draught of Morgan's ships, but to that of the commerce of the world. [Loud applause.]

The thanks of the Convention were unanimously voted to the retiring officers.

On motion of Mr. Siemering a Committee on Platform and Resolutions, composed of one delegate from each county, represented in the Convention was appointed by the chair, as follows: A. Siemering, Nat. Mitchell, B. Brucks, John K. Farrell, Mat. Usery.

On motion of Mr. Houston a committee of five for the nomination of an Executive Congressional Committee for the ensuing

two years was chosen as follows: W. H. Houston, C. Range, John F. Farrell, Mat. Usery and Cruise Carson.

Adjourned to 2 P. M.

## EVENING SESSION.

The Convention re-assembled at 2 p. m., when the following report was presented:

We, the Committee on platform and resolutions, appointed by the chairman of the Republican convention of the 6th Congressional District, hereby propose the following platform:

1st. We, the Republicans of the 6th Congressional District of the State of Texas, having regard to the necessities of Western Texas, declare that in our opinion of a candidate for the representation of the people of this District, in Congress, we place the protection, development and welfare of our country above all partisan considerations, and pledge our candidate to labor assiduously for the common good.

2nd. We hereby charge the administration of Gov. Coke with a neglect, willful or ignorant, of the interests and rights of our section, and we charge that the Goliad Convention, by its endorsement of Gov. Coke, forfeited all claim on the part of its candidate to the support of the patriots and well-wishers of Western Texas.

3rd. We demand from the Federal Government the fulfillment of its contracted treaty obligations for the defence of our frontier and pledge our candidate, if elected, to use every proper effort to give effect to our demand.

4th. Whereas past experience has taught us that Western Texas cannot obtain from the State Government the aid which is due to her, and necessary for the development of her natural resources, and believing that a division of the State will be beneficial to the promotion of her material interests, we declare in favor of a division of the State.

5th. We are in favor of harbor and river improvements of the State.

6th. We oppose the fostering of monopolies by the officers of this State and the members of Congress.

7th. We sustain the President of the United States in his opposition to and veto of the inflation bill, and favor a speedy return to specie payment.

A. SIEMERING,  
Chairman Committee.

Mr. Geo. Brackenridge enlivened the platform for its breadth and catholicity. He hoped that all local questions would be avoided, and the report of the committee adopted without change or addition.

Col. Gillespie agreed in all but one respect. He thought San Antonio should be the seat of a Federal Court. [Cheers.]

On motion of Mr. Carson the report was adopted.

Mr. McCormack offered a resolution favoring the creation of a Federal Court in Western Texas.

After considerable discussion in which Mr. Gamble, Mr. McCormack, Mr. Houston, Mr. Biggar, Mr. Carson and others took part, the resolution was amended and adopted as follows: That our nominee be requested to use his best efforts to secure the creation of an additional branch of the Federal Court at some convenient point in Western Texas, and to secure the prompt application of the appropriation made for the erection of a Military Depot in San Antonio, and the early construction of the frontier military telegraph.

On report of the committee through the chairman, W. H. Houston Esq., the following gentlemen were appointed an Executive Congressional Committee:

A. Siemering, chairman, Bexar.  
Cruise Carson, Cameron.  
Edward Downey, "

Geo. Haby, Medina.

On motion the chairman of the committee was authorized to fill all vacancies.

On motion nominations were declared in order.

The chairman, Col. Gillespie, called the attention of the Convention to the solemnity and importance of the duty before it, and expressed the hope that a man who could carry the flag to victory would be chosen—a man honest and capable.

Mr. Carson arose and said "Mr. President, I present with pleasure the name of Hon. Jerry Galvan, of Cameron county, for nomination as our candidate for Congress. [Loud cheers.] In doing so I will briefly state for the information of those who are unacquainted with him, that he is a gentleman of high standing and irreproachable character, whose familiarity with the wants and interests of this District will render his services valuable to the people in the Congress of the United States. Mr. Galvan is a moderate man. He is no mere partisan, and if nominated and elected, he will devote all his energies to represent the whole people, and to secure the improvement of our rivers and harbors, and

the development of the great resources of the West. With such a man at the helm I am confident that we shall safely anchor in the harbor of success."

Mr. Siemering presented in obedience to instructions received from his constituents the name of Hon. Edward Degener. [Loud cheers.] Mr. Geo. Brackenridge on behalf of Mr. Degener presented the following letter of declination:

SAN ANTONIO, Sept 9, 1874  
To the President of the Republican Convention of the Sixth District:

MR. PRESIDENT—Information has reached me that a conflict has arisen among the members of the Convention on the availability of myself and of another gentleman whose name is mentioned in connection with the nomination for candidate in this district.

Believing the victory of a party which opposed the combined influence of the State Administration, and as a great railroad and navigation monopoly, of greater importance to the welfare of this section, and especially of this city, than my individual success, I desire to withdraw my name as a candidate before the Convention, provided those delegates who would otherwise poll their votes for me are of opinion that such withdrawal can produce that harmony of action which is so essential to the welfare of Western Texas.

I have the honor, Mr. President, to sign myself very respectfully,

EDWARD DEGENER

The reading of the letter was greeted with great applause.

Mr. Brackenridge moved to make Mr. Galvan's nomination by acclamation. This motion was seconded by Mr. Goodrich and numerous other gentlemen, and was carried unanimously amid enthusiastic cheering. After giving three cheers for the nominee and for Mr. Degener the Convention adjourned *sine die*.

ACCIDENTALLY KILLED.—A yellow boy about fifteen years old, son of Alice Cleveland, was accidentally shot in the bowels by another colored boy, last Thursday, at Rogers' cotton gin, about eight miles from the city. Young Cleveland lingered till yesterday morning, when he died. People seem to take no warning by the frequent accidents of the aboriginal kind, but continue to play with deadly weapons as if they were harmless toys.—*Statesman.*

## DR. W. BILLE,

FROM NEW-ORLEANS,

A graduate from the University of Copenhagen, Denmark; Honorary M. D. from the University of Padova, Italy; for several years assistant Physician to the celebrated Prof. Ricord, Paris.

Having been for years a student at the large hospitals of Paris, London, Vienna and Copenhagen, and a thorough, large and varied practice during 15 years, has gained the most thorough knowledge of the nature of all chronic diseases; and the treatment thereof, and he has in his extensive practice had an unparalleled success, and very often effected a cure where every remedy had been tried and all hope of restoration of health had been despaired of.

Nobody who ever suffered of the tedious and life debilitating disease—DYSPEPSIA—has ever in vain called on Dr. Bille. In every case he has by his new method of treatment restored the functions of the stomach, and with it the health and vigor of the patient, and many a person does to-day, with gratitude, recall the moment he placed himself under Dr. Bille's care.

For his treatment of LADIES' DISEASES, Dr. Bille is deservedly renowned, and no lady suffering from AMENORRHEA, HYPERTERIA, PROLAPUS UTERI or any other disease peculiar to the female system should fail to call on Dr. Bille, as they will quickly be relieved of their suffering and ultimately restored to perfect health.

Diseases of a Private Nature

Dr. Bille has made a speciality, and this source of humanity, unsuccessfully treated by most practitioners, is easy and quickly overcome by his new treatment. Being a pupil of the most renowned Physician for syphilitic diseases in the world, Prof. Ricord, in Paris, Dr. Bille will always guarantee a cure in any case of syphilitic disease which may come under his treatment; and hundreds in this city and vicinity can testify that in cases of syphilitic nature, where other physicians have failed, Dr. Bille has always been successful.

NERVOUS DEBILITY, SEMINAL WEAKNESS, IMPOTENCY, either caused by age or abuse, quickly and permanently relieved, and full power restored.

No man is too old and no young man too debilitated that he can not be completely reinvigorated and rejuvenated by the treatment of Dr. W. Bille.

Dr. Bille wishes to call particular attention to his new discovery, by which he can, by the help of microscope and chemistry, discover if there is any syphilitic poison in the blood, which is of the greatest importance, as persons having had venereal diseases often believe themselves cured, and the poison still remains in the blood to break out sooner or later. Dr. Bille has resided in New Orleans for years, is endorsed by the best citizens there, and by his skill, knowledge and successful cures has obtained a great reputation as a specialist.

DR. BILLE

Has gone to WACO and is located at the

MC CLELLAN HOUSE,

Where he will be pleased to see those needing his services at once, as his stay will only be short.

A MURDER occurred 10 miles north of San Antonio, in the Lacey neighborhood, on Tuesday morning last. The murdered man's name was Alexander Lacey, aged 18 years, and was killed by T. M. Lacey, his uncle. An old grudge, jealousy, existed of twelve months standing on the part of T. M. Lacey against young Alexander Lacey, and a year ago T. M. Lacey had young Lacey thrashed for remarks about his wife. Young Lacey threatened to kill T. M. Lacey, and remarked two minutes before the killing that T. M. Lacey would not leave the country alive. As soon as he said it, T. M. Lacey standing 20 feet off picked up a Minnie rifle and shot him through the body without another word on part of either party, the ball ranging from one side to the other near the region of the heart, he dying immediately without saying a word. T. M. Lacey had just ten minutes before borrowed young Lacey's spurs, and seemed on friendly terms with him. T. M. Lacey, immediately after the killing, got the gun down, got on his horse rode on, and is now at large. T. M. Lacey, who did the killing, has a wife and two children. The killing was witnessed by two youths, aged 14 and 16, Frank Scott and Levi McDonald, McDonald being a nephew of the parties. Coroner Cugger held an inquest, and the jury rendered a verdict in harmony with facts.

**Pere Hyacinthe's Resignation.**

M. Loyson, better known, perhaps, as Pere Hyacinthe, has addressed the following letter to the Council d'Etat of Geneva: "Attached to the very depths of my heart to the church in which I was baptized, whose reform I wish for, but not its overthrow; convinced, besides, by experience now sufficiently lengthened, that the Liberal Catholicism of Geneva is neither liberal in politics nor catholic in religion, I have the honor to tender my resignation of my functions as Cure of this city."  
Pere Hyacinthe's resignation caused a certain sensation at Geneva, but took no one by surprise. It put an end to a state of things which, for many months past, was becoming more and more intolerable to M. Loyson. Invited to Geneva in the name of the Liberal Catholics, and elected to the position of Cure, he constantly and consistently advocated the reform of the Church of Rome, always insisting that he still belonged to that church, loved it, and by no means wanted to overthrow it. He soon discovered that a considerable section of the Liberal Catholics were supporting him as an instrument for the destruction of the church of which he still professes to be a member. In addition to this cause of his discontent, there was another equally strong. The constitution of Geneva gives to the secular power, as represented by the Council d'Etat, great power in regard to religious matters, and places all religious bodies in a singularly subservient and dependent position in regard to the State. The Minister of Public Instruction for the time being, has, indeed, considerably more power in Geneva, in matters religious, than the Archbishop of Canterbury has in the affairs of the Church of England, and pretty nearly as much power as the Pope claims over Catholics. More than once Pere Hyacinthe protested against being submitted to the infallibility of M. Antoine Carteret, the Minister of Public Instruction and a free-thinker, and declared he had even a stronger objection to it than to the infallibility of the Pope, from which he had fled. These two causes combined to render his position as Catholic Cure of Geneva intolerable to him, and, as they have been recently aggravated, and threaten to become still more so in the future, he solved the difficulty by resignation. This will be a severe blow to the religious movement with which he is identified. In short, there are numerous signs of dissolution of the sect which he has founded.

Sin is often the result of physical ill-health and feeble stomachs. During one third of our time the process of digestion continues. To be dyspeptic is to be miserable; dyspepsia is the foundation of fevers and all the diseases of the blood, liver, skin and kidneys. **Take Courage, Invalids.**  
Pain and weakness produce despondency, and the invalid who is laboring under bodily torture, debility and mental depression at the same time is indeed in a pitiable condition. But let all who are thus situated take heart. A balm is provided, both for their physical and mental infirmities. Among the commonest sources of pain, uneasiness and melancholy are the diseases which affect the stomach, the liver, the alimentary canal, the nerves and the muscles, such as dyspepsia, bilious disorders, constipation, headache, hysteria and rheumatism, all of which yield readily to the regulating, invigorating and purifying influence of this peerless vegetable tonic, stimulant and restorative.
