THE ORIGINAL HOWE

The World-Renowned Elias Howe Sewing Machines are the oldest established of any on the 27th of the same month, Franz List says:

"Pray tell Mr Steinway that his splendid been manufactured by the original inventor and under his own supervision, Elias Howe jr., since 1845."

For some years I have been actively engaged in increasing the facilities for manufacturing my Sewing Machines, and have succeeded in organizing a most complete system, combining perfection of workmanship with the largest productions at the smallest cost. In order to obtain these results, time, labor, money, and the EXPERIENCE OF MY

In order to obtain these results, time, labor, money, and the EXPERIENCE OF MY LIFE, as a practical mechanic, have been friely contributed, and I believe, with success. Further to facilitate the manufacture and sale of my Machines, The Howe Machines Co. has been organized, and the business will be carried on in the name of that Company, indice my supervision. The envisible reputation of my Machines has induced pervous to use my name in connection with Machines of an inferior description—and I have, therefore, to protect myself and the public, adopted, as an especial Trade Mark, a Medallion, having in the centre the profile of the Inventor surrounded by the legend, "Ellas Howe, Je., Inventor and Maker, New York, U. S. A." This medallion is embedded in each Machine, and none are the production of the Howe Machine Company orders they bear this distinguishing Trade Mark.

THE wirkmen are busily engaged in tar proving Houston 'street. They have torn the street up so that for the present, it is nearly impossible for vehicles to pass along it. When the work is fin ished, the street will be in fine traveling order. It can be said about all the streets in San Antonio that they are grad. with but little idea of drainage. Most of the streets are badly constructed for dramage purposes, when there is no city better lecated than this one for having them arranged to carry off the water effectively as fast as it falls.

RECORDER'S COURT .- One single, solitary case came up this merning in the Re. corder's court. It was a woman up on the charge of being drunk and disorderly at a public Fandango. There was none to say let him, that is without the similar wemanly medesty, and like many women the soul, however bad for the body, she plead guilty. A fine of seven dollars was laid by his Honor the Recorder, as an LADIES WHITE GOODS admenition to sin no more.

There are 500. 000 scandinavians settled in the northwestern States who are very much diseatisfied with that comptry and if they knew of the advantages of Texas and especially Western Texas would come this way. He advises that circulars be printed in their lauguage too.

Notwithstanding the salubrity of the climate of San Automis, its cure for consumption, its freedom, from miasm, yet when immigrate learn that San Antonio is not on a railroad, they pause before

It is to be hoped that the committee will form some plan by which the railroad interest of San Antonio will be advanced. Our people people seem to be asleep while the greatest interests are at stake. FOR THE CURE OF LIVER COMPLAINT, DYSPEPSIA AND SICK HEADACHE.

Symptoms of a Diseased Liver. DAIN in the right side, under the dedge of the ribs, increase on pressure; sometimes the pain is in the left side; the patient is rarely able to lie on the left side; sometimes the pain is felt under the shoulderblade, and it frequently extends to the top of the shoulder, and is sometimes misraken for a rheumatism in the arm. The stomach is affected with loss of appetite and sickness; the bowels in general are costive, sometimes alternative with lax; the head is troubled with pain, accompanied with a dell, heavy sensation in the back part. There is generally a considerable loss of memory, accompanied with a painful sensation of having left undone something which ought to have been done. A slight, dry cough is sometimes an attendant. The patient complains of weariness and debility; he is easily startled, his feet are cold or burning, and he complains of a prickly sensation of the skin; his spirits are low; and although he is satisfied that exercise would be beneficial to him, yet he can scarcely summon up fortitude enough to try it. In fact, he distrusts every remedy. Several of the above symptoms attend the disease, but cases have occurred where few of them existed, yet examination of the body, after death, has shown the LIVER to have been extensively de-

HALES VEGETABLE SICILIAN HAIR RENEWER

Every year increases the popularivaluable Hair Preparation; which is due to merit alone. We can assure our old patrons that it is kept fully up to its high standard; and it is the only reliable and perfected preparation for restoring GBAY OR FADED HATE to its youthful color, making it soft, lustrous, and silken. The scalp, by its use, becomes white and clean. It removes all eruptions and dandruff, and, by its tonic properties, prevents the hair from falling out, as it stimulates and nourishes the hair-glands. By its use, the hair grows thicker and stronger. In baldness, it restores the capillary glands to their normal vigor, and will create a new growth, except in extreme old age. It is the most economical HATE DRESSING ever used, as it requires fewer applications, and gives the hair a splendid, glossy appearance. A. A. Hayes, M.D., State Assayer of Massachusetts, says, "The constituents are pure, and carefully selected for excellent quality; and I consider it the Best Prepa-RATION for its intended purposes." Sold by all Druggists, and Dealers in Medicines. Price One Dollar.

Buckingham's Dye.

FOR THE WHISKERS. A Word of Advice to Travelers.

The Missouri, Kansas & Texas Railway has become se well known to the people of Texas, as one of the finest and most com-fortable Roads on the continent to travel on, that it seems almost unnecessary that we should say aught, in its praise. Yet we cannot ever get back from a trip over this tine without swying something in praise of the management, who always seem to be striving to make their patrons comfortable, while traveling over their road. The track is always in the best possible condition and resine are at all times rue at uniform speed.
Pullman's finest Drawing Room Sleeping Care accompany all through passenger frame, and if you are going morth or east, by making your wants known, you san go either via Hannibal or St. Louis. And for Kansac City, Denver, California, or any of the Northwestern States or Territories, it is much the best route we have from Texas. Their Dining Stations and Hours for Meals are all that a treveler could wish for and in fact there seems to be nothing last 100-

done to render a trip over this dise pleasant.
