Hon. Thos. F. Bayard, C. S. Senator Washington:

Packard's dispatch yesterday to Senator Blaine, that in every parish outside of New Orleans except what he terms the five bull-dozed parishes, his government is recognized by all except a few Nicholls officials, is utterly untrue. The people of this parish and surrounding parishes spurn Packard's pretensions, and render a hearty allegiance to Governor Nicholts. The Republican police jury of this parish has adopted a formal resolution recognizing the Nicholls government.
