GRAND LODGE SESSION

STOR

THE FARMERS GIN CO. HOLDS ANNUAL MEET HERE LAST MONDAY

The annual stockholders meeting of the Farmers gin was held here Monday. In winding up the business of the year, which has been very successful, the directors and officers were elected to serve the organization for the ensuing year as follows: Directors—John Tweedy and W. E. Bondurant of Roswell, C. E. Martin, G. B. Dungan and Chas. Rogers, of Artesia. G. B. Dungan is a new addition to the board of directors, succeeding J. B. Cecill, who has removed from the community. Officers elected were: John Tweedy, president; W. E. Bondurant, secretary-treasurer; Chas. Rogers, vice-president.

LAKE ARTHUR WINS THE GIRLS H. S. BASKET BALL TOURNAMENT SATURDAY

Lake Arthur upset the dope to defeat Artesia in the annual Pecos valley high school girls tournament, held at Lake Arthur Saturday by a score of 29-23. Artesia did not lose a game during the regular schedule of games and was a favorite to win the tournament by odds. Dexter took third place over Lovington by a score of 34-31. Trophies were presented the champions and the best all-around player, Miss Ola Derrick, of Lake Arthur. The sportsmanship cup went to Lovington.

The all district team selected at the close of the tournament is as follows: Forwards, E. Cobble of Artesia and E. Derrick of Lake Arthur; center, Hnulik of Artesia; side center, Gage of Artesia; guards, Adams of Dexter and Derrick of Lake Arthur.

MANN ANNOUNCES FOR RE-ELECTION AS COMMISSIONER DIST. 2

We are authorized this week to announce the name of C. E. Mann of Artesia as candidate for re-election to the office of county commissioner, precinct No. 2, subject to the action of the democratic primary when the same shall be held.

Mr. Mann, a pioneer resident of this section, needs no introduction to the voters of this district. His previous experience in the office of commissioner has enabled him to render a distinct service to Eddy county.

CHARTER TO ARTESIA BOTTLING COMPANY

The Dr. Pepper Bottling Co., of Artesia has been chartered by the state corporation commission. The authorized capital stock is \$12,000 and all is to be actually issued. The company is to manufacture Dr. Pepper's beverage and other carbonated beverages. The incorporators are T. R. Pridaux, Frank Baker, W. B. Atkins, Lubbock, Texas; A. P. Malone, Artesia; Miss Alene West and Mrs. Mary B. Pridaux, Lubbock.—Santa Fe New Mexican.

GOAT RAISERS BEGIN THE SPRING CLIP

Goat raisers in the mountain district to the west have the annual spring wool clip operations well under way and a quantity of wool will be stored here this week. The Angora Goat Association of Pinon will store and market their spring clip here this year, according to an announcement made by E. B. Bullock. The warehouse of Mr. Bullock will be used in storing the clip. The clip of the association will amount to about 120,000 pounds and will be offered to the highest bidder at public auction, it is understood.

Tom Runyan was in town yesterday from his ranch on Lower Penasco.

GRAND JURY REPORTS TOTAL OF THREE TRUE BILLS--FOUR NO BILLS

Body Examines 25 Witnesses—Recommends Traveling Traffic Officer For Enforcement Of Traffic Laws In Eddy.

The regular March term of Eddy county district court was opened at Carlsbad Tuesday morning by District Judge G. A. Richardson, who was accompanied there from Roswell by District Attorney J. D. Osburn, and Henry F. Puckett, court stenographer.

The grand jury was empaneled on Tuesday afternoon. The members are F. R. Dickson, foreman, John G. McKenzie, W. D. Sterrett, J. H. Hinton, Joe Lusk, Carl Manda, William Linell, C. R. Barley, Merwin Campbell, Alvey Williams, George Blakeney and Jim Stamp.

The petit jury has been called for March 17.

The court docket was called Tuesday morning. The grand jury finished its labors yesterday, examining 25 witnesses and returning three true bills and four no bills. The jury took up the investigation of several cases in which there was insufficient evidence to warrant a report. The actual work of the jury was finished the first day.

Among the recommendations made by the jury in its report to the court was that the walls of the county jail, the surveyors office and the ladies cell in the jail be refinished. The jury further recommended more summer schools in the cotton districts for the benefit of the Mexican families, and that all trees on the court house square be white washed to a height of four feet and that the band stand should be removed from the court house square. A further recommendation was made that the county establish a traveling traffic officer to aid in enforcing the traffic in the towns and on the highways, giving special attention to cases effecting drivers operating cars while intoxicated. The report urged that the sheriff's department and the various officers, put forth more effort toward enforcing the traffic laws until such time as a traffic officer could be employed.

RESULTS OF DISTRICT BASKETBALL TOURNAMENT

The Pecos valley tournament held here on February 28th and March 1st was the first district tournament to be held in the state. Seven other district tournaments were held on March 7th and 8th with the following results: Albuquerque high defeated the Menaul Panthers 25-16 to win the championship of the Albuquerque district. Newton won over Grenville by a 32-16 count in the Raton district, Corona defeated Carrizo 22-20 at Alamogordo for the Championship of the Alamogordo district, Tucumcari defeated San Jon to win in the Tucumcari district, St. Michael's College defeated Santa Fe high 52-11 to win the regional championship in the Santa Fe district, Clovis won over Portales 54-28 in the finals of the Clovis district.

- State tournament winners since 1921:
- 1921, Albuquerque
 - 1922, Albuquerque
 - 1923, Hagerman
 - 1924, Hagerman
 - 1925, Albuquerque
 - 1926, Roswell
 - 1927, Roswell
 - 1928, Indians, (Albuquerque)
 - 1929, Raton.

OIL CONSERVATION COMMITTEE NAMED BY SECRETARY WILBUR

WASHINGTON, D. C. — As a further step toward carrying out the administration's policy of oil conservation, Secretary Wilbur Monday appointed five experts on petroleum matters to make a "complete and unprejudiced analysis of the status of petroleum demand."

Acting in his capacity as chairman of the federal oil conservation board Secretary Wilbur named a committee on petroleum economy. The committee included:

J. Elmer Thomas of Fort Worth, Texas; W. H. Lowrie, Jr., of Denver, Colorado. Mr. Thomas will serve as chairman.

PREPARATIONS BEING MADE TO STAGE CITY CLEAN UP CAMPAIGN

The Clean Up Campaign To Cover The Entire Town Which Will Be Divided Into Districts—Schools Will Aid.

The Artesia Chamber of Commerce was organized to develop the resources of our community with a due consideration of the welfare of the community. It will continue to pursue this policy and will make every effort to advance on all occasions the interests of our community. No program can become effective unless consideration is given to all interests and a balanced program of work followed.

Artesia possess natural advantages that will attract the attention of the tourist or visitor and the first impression made by our community will be lasting ones. They will go far in formulating the outsiders opinion of our community and citizenship. Certainly we can not remain inactive and permit an unfavorable reflection to exist.

Our city is well planned, it enjoys every public utility, convenience and improvement. Our citizenship is of the highest type and our facilities for development are unexcelled. However we are not presenting our condition in the true light. We must clean up.

The civic committee of the Chamber of Commerce will conduct a city wide clean up campaign, the date will be announced next week. Every yard in the city will be cleaned up and vacant property will be improved. In brief the plan is as follows: The city will be divided into sections with a committee in charge of each section. Committees will be appointed from among our business men to supervise the detail in each section.

Committees will be in charge of trucks that will call for all the refuse gathered up on that day. All matter that will burn should be placed in separate containers. These will be gathered up and concentrated at one central point where a committee will supervise immediate destruction by burning.

All articles of refuse that will not burn should be placed in separate containers and a special committee with trucks will gather them and arrange for their disposal.

Another committee will be appointed to clean up all vacant lots. First by gathering up all trash that will not burn and having it hauled away. Then the grass and combustible trash will be burned under proper supervision.

The business men of the town will be asked to loan trucks for the occasion and in addition we expect that each and every individual will do his share. We must clean up!

Every lot in the city must be cleaned up. It is the duty of our residents to see that all property is kept clean. Only grass and weeds grow on vacant lots. Tin cans, bottles, newspapers and such trash come from the homes inhabited by ourselves. We are responsible for the condition of our vacant lots and we must clean them up.

Every citizen owes an obligation to his or her community. If it is good enough for them to reside in, if it offers them a chance to make a living, it certainly is good enough for them to help. We must clean up!

No preference will be shown in assigning residents to committees. The big job is to clean up OUR TOWN. It is proposed that we declare a holiday for the occasion. We will ask the merchants to close for a period of two hours. In addition we have been promised the cooperation of the school authorities, who propose to grant a half holiday to every student who pledges himself or herself to help in the work. In addition our good friend Ray Bartlett, of the Majestic Theatre promises a treat for every school child who helps us out.

Citizens of Artesia, we must clean up. Think this over. Tonight as you read the Advocate just glance out of your front door. Then walk around your house and view the neighborhood. Are you proud of what you see? If you are just step over to neighbor John and ask him to do the same thing. If you see conditions that are not inviting ask John to help us out on clean up day. Prepare yourself for the big day and then help.

We must clean up. No one else will do it for us.

Ed Gage was in town from Pinon Tuesday. He was accompanied by Mr. Jernigan from Mexico.

DEMONSTRATION IS TO FEATURE ADDITIONS TO NEW FRIGIDAIRE

The Southwestern Public Service Co., has arranged a Frigidaire demonstration at their office on South First street, beginning March 13th and lasting through March 22nd. The demonstration will be given primarily to feature the recent improvements on the Frigidaire, including the hydrator and cold control. The demonstrations will be given daily from 8:00 a. m. to 5:00 p. m. The public is cordially invited to attend the demonstration. See the announcement of the Southwestern Public Service Co., appearing elsewhere in this issue for further details.

OFFICERS DIRECTORS OF P. V. GAS CO. ARE ELECTED AT MEETING

The annual stockholders meeting of the Pecos Valley Gas Co., was held in the company office yesterday afternoon. Election of officers and directors was the principal item of business transacted. The following directors were elected for the ensuing year: Albert T. Woods, of San Antonio, Texas, Frank McGhee of Dallas, Texas; Morris Brown, of San Antonio, Texas; H. L. Birney, of El Paso, Texas; Joe Burkett, of San Antonio, Texas; Mary Hester Burkett, of San Antonio, Texas. Officers elected were: Albert T. Woods, president; H. L. Birney, vice-president; Morris Brown, treasurer; C. H. Roe, secretary. Mr. Roe being a new member of the official family.

The board of directors voted to pay the annual seven per cent interest due on preferred stock to January 1, 1930 on stock of record. Another item of interest was the adoption of a resolution to have the company engineer check all properties of the company and make recommendation for improvements, with a view to giving better service to the public.

McCUTCHEON FOURTH CANDIDATE TO SEEK THE SHERIFF'S OFFICE

B. C. McCutcheon of Carlsbad, is the fourth candidate to announce for sheriff this week and adds considerable interest to one of the liveliest county contests, the outcome of which will be determined in the coming democratic primary. The Cavern City Chronicle says of Mr. McCutcheon's candidacy:

Mr. McCutcheon will make a formidable candidate. He is known all over the county through his work as a contractor, and because of his residence of several years in Carlsbad, where his daily life has commanded the respect of everybody.

He came to Carlsbad in 1916, and the following year entered the service of the government for the period of the world war, returned here shortly after his discharge and followed his trade steadily since that time.

He is in the prime of life, and in every way qualified to give efficient service as sheriff, while his personal record as a citizen and head of a family is such that character assurance is scarcely needed.

He has been a democrat all of his life, and has steadily supported the ticket nominated at all elections.

He will make just as complete a canvass of the county as possible before the primaries, and asks the consideration of those voters he is not able to meet personally, requesting that they refer his claims to those who have known him through the years.

ROAD OILING STARTED

Oiling operations have started on the seven mile strip of the highway north of Carlsbad and work is well underway, it was announced recently. Good progress is also being made on the new road connecting the Lake-wood-Carlsbad highway.

MRS. MANN'S BROTHER DEAD

Mrs. P. P. Mann, of Artesia received a telegram Monday conveying the news of the death of a brother, Lonzo Chandler of Hermleigh, Texas, which occurred Monday morning. Burial will be made at Paris, Texas. Mr. and Mrs. Mann returned from Hermleigh Friday and were unable to attend the funeral.

ENGINEER SURVEYING LINES

An engineer for the Mountain States Telephone Co., has been here for several days surveying new rural telephone lines. Nothing definite is known yet as to when work will start on the telephone building on Main street, it was said here Tuesday morning.

Primary Date To Be Set At Meet Here On Next Tuesday

Central Committee Fixes No Definite Date But Sets Limit Of May 24—Harkey Resolution May Cause Lively Scrap.

The date of the coming democratic primary was not definitely set at a meeting of the Eddy county democratic central committee yesterday afternoon at Carlsbad. It was agreed however, that the date of the coming primary should not be later than May 24th and at the suggestion of Dick Ballard of Roswell, chairman of the Chaves county central committee, it was also agreed that the primary for both Eddy and Chaves county, should be held on the same date. A motion was made and carried that G. U. McCrary, Eddy county chairman appoint a committee of two to meet with a like committee from Chaves county for the purpose of fixing a primary date. Each county chairman is an ex-officio member of the respective committees, which meet here on next Tuesday at the Artesia hotel. The committees will be the guest of the Rotary club while here. The Eddy county committee is composed of J. W. Stagner of Carlsbad and D. Harkey of Malaga.

A resolution introduced by D. Harkey of Malaga and passed by the committee may precipitate a lively scrap before the close of the primary. The substance of Mr. Harkey's resolution was that only the candidates who supported the democratic nominees in the last general election would be eligible to have their name placed on the ticket in the coming primary.

An important change was also made in the wording of the pledge given each voter. Under the new pledge each voter affirms that he or she is a democrat and will support the democratic nominee. The word "and" is substituted for the word "or" in the new pledge. Under the old pledge the voter affirmed that he or she was a democrat or would support the democratic nominee.

Among the Artesians attending the meeting at Carlsbad yesterday were: F. G. Hartell, G. U. McCrary, Dr. R. K. Hoover, Dr. J. J. Clarke, J. H. Jackson and Z. B. Moon.

Another important change made by the committee with a view to improving the primary voting system was that each ticket should bear a number. This change was made to facilitate a recount in case of a contest. Another ruling was adopted to the effect that if a candidate or any interested party wishes to institute a contest, that the contestant must make his or her application in writing.

SINKING POTASH SHAFT

Good time is being made on the potash shaft of the American Potash Co., in the southeastern portion of the county. According to a report the first of the week, the shaft was down 70 feet. Workmen expect to make better time from now on and will average about ten feet per day.

ATTEND INTER-CITY MASONIC MEETING

Twenty local Masons journeyed to Carlsbad Tuesday evening to attend an inter-city meeting of valley Masons held at the Carlsbad Masonic hall. Visitors and members witnessed the third degree conferred on one candidate. Refreshments were served at the conclusion of the lodge session. Representatives were also present from Roswell and Hope.

LAMBING SEASON STARTS SOON

Local sheepmen are making preparations to start the lambing season the last week in this month. Present indications point to the fact that sheep growers may expect about the ordinary crop this year with average weather prevailing.

BENTLEY CAR RECOVERED

A car belonging to J. L. Bentley, which was stolen here Thursday night, has been recovered near Glenrose, Texas, according to a report received by local officers Monday. The car was found abandoned near a creek bank. No arrests have yet been made.

TREE PLANTING

The tree planting campaign, which will be sponsored in Artesia by the various civic organizations is a very commendable move and one that represents very little outlay of cash and effort. We do not know of any other civic improvement which will yield a greater return in community attractiveness. Residents interested in the move should hold in mind that proper care of the trees after they are once planted is of equal importance to numbers. Don't plant any more trees than can be properly cared for.

The essential feature of the campaign at the present time is action. Trees must be planted soon before the opening of the growing season.

SPEEDING

There has been numerous complaints going the rounds recently with reference to reckless speeding on our main thoroughfares. Complaining, however, is about as much effort as the average citizen is willing to put forth toward aiding the enforcement of the city ordinance. They expect the newspaper to do the "hell raising" if there is and done and the officers to enforce the city speed laws, provided the offenders do not happen to be their kin folks or children.

The officer is not a mind reader, neither can he be everywhere at the same time. It is largely up to the citizenship to report the violations, if they expect to make it safe for human life in Artesia. If somebody is killed, we may have a period of safe and sane driving for a couple of weeks until we've had time to forget about the tragedy.

THE BOND ISSUE SEASON

The optimistic citizen is out urging bond issues as never before and the pessimistic taxpayer is holding up a warning hand. In displaying a "Stop-Look-Listen" sign, it is not the purpose of the Taxpayers' Association of New Mexico to discourage necessary bond issues, but to urge a careful consideration of all proposals for increasing public indebtedness beyond the taxpayers' ability.

To secure this or that improvement by borrowing seems easy with the time for payment away off in the future. But under present laws, payment must begin within three years and bond issues can run not to exceed twenty years, except public utility bonds which may run for not to exceed thirty years. There can be no shifting of the debt burden to the shoulders of the next generation. We must now pay the debts we incur ourselves.

In the Town of Gallup a tax committee has been organized to study budgets and bond proposals. It would be well for every county, municipality and school district to have such a committee—not to prevent necessary expenditures, but to investigate all matters involving taxation and public finances. With such a committee, a community could rest in greater assurance that their tax contributions would be economically and efficiently expended.

Bond issues mean increased tax levies. It would be unfortunate if expenditures should be increased in this manner at the time when every effort is being made to bring about a revision of assessments on a more equitable basis. If expenditures were kept level with the previous year, the increased valuations would result in lower tax rates. Heavier levies for interest and sinking funds, however, will nullify any decrease and make the equalization of assessments more and more difficult.

The bonded indebtedness of New Mexico and its subsidiaries has increased by leaps and bounds. If special improvement bonds and the burden of irrigation and drainage districts are disregarded, New Mexico property is still pledged for \$21,000,000 according to compilations made by the Taxpayers' Association of New Mexico—debts which the taxpayers of this generation must pay. With tax rates mounting to four, five, and six per cent of the assessment, it is clear that the addition of numerous apparently insignificant levies has already increased the load to staggering proportions. There is need for serious thinking in connection with several of the bond proposals about to be submitted.

According to reports the vagrants don't find much comfort in stopping in Roswell, the officers make it too warm for them.

Chairman Legge of the federal farm board thinks the cotton market has hit bottom. We hope so for we would hate to see the cotton and wheat market stage a diving contest to determine which would go the lowest.

THE SOVIET PARADISE

An editorial in the San Francisco Chronicle gives a vivid picture of economic conditions in Russia, the "Soviet Paradise."

The Chronicle says a large part of the peasant population, contrary to Soviet decree, is trekking to adjoining lands in search of food and sustenance. These refugees are of the class that would normally be prosperous, industrious and the mainstay of the country. But the policy of the government which confiscates all surplus products of their labor under the "cooperative plan," is driving them from their homes.

The Russian government has, for some years, been conducting "drives" on the Kulaks, or so-called wealthy farmers. A Kulak is anyone who, by dint of hard work and industry, manages to get possession of a cow or two or achieved a comparative degree of prosperity. The Soviet has branded him a menace to the state!

Of course, the startling part of all this is that Russia is the fair land where all were to be free and happy, with everyone working for the common weal. As a writer in an American radical magazine recently expressed it, Russia's aim has been to do away with the economic "lie" on which other nations are built—private property. It would seem, however, from the reports, that the "lie" is on the part of communism.

ANOTHER KIND OF FARM RELIEF

President Hoover has asked for an immediate appropriation of \$100,000 toward a revolving fund of \$500,000 authorized under the agricultural marketing act for farm relief. Independent oil operators and others believe there is another kind of farm relief, in the form of an oil tariff which applies particularly to the southwest and which represents no cash outlay to the United States treasury. There is little question but that a tariff on oil would have a stimulating and wholesome effect on the petroleum industry of the United States and would in time help solve the unemployment problem by providing work for several thousand men that are now idle.

An oil tariff would mean much to the laborers of the industry, much to the land owners and much to the state of New Mexico, in permitting us to supply, without foreign competition, the market we have created.

It is difficult for us to understand how the republican leaders, who are constantly talking and boosting a prosperity program, can reconcile an industry that is suffering from foreign competition with the policy of prosperity.

CALLING ON THE JONESES

With the multiplication of home duties, business engagements and things to do, the neighborly call, once such a happy bond between neighbors and friends, now seems to have joined the company of the forgotten arts. Seldom do visiting cards regularly find their way into city homes, much less serve as the beginnings of years of pleasant acquaintance. The excuse is, many people think they are entirely too busy to take an evening off to make informal calls upon friends, or to extend to strangers down the street the hearty welcome of their newly acquired neighbors.

The telephone call now seems to be the most popular brand of social hello. Generally it does not last as long as the other kind. It does not compel Dad to change his suit, nor require a trek across town to ring a door bell. Perhaps clubs, theatres, schools, all manner of organizations have tended so to socialize our lives and enlarge our interests that relatively few people today seek close personal associations and long friendly chats to occupy any leisure they may have.—The Rotarian.

"CURES" THAT DON'T CURE

The trouble with most crime cures is that they don't cure.

In the United States the chances are so small of a criminal being arrested and punished that reform is the farthest thing from the underworld mind.

Of the 510 men who left a certain reformatory during the years 1910-12, 80 per cent went on committing crimes after their discharge. "This," says Dr. Richard Cabot, "is a damning piece of evidence . . . against the reformatory system in general."

We have made a joke of the parole system by allowing the influence of professional reformers and subsidizers to reach the point where every year vicious criminals, with no more social sense than so many tigers, are liberated and allowed to go forth and prey again on society.

Adequate, certain and quick punishments—here are the only real crime cures. Once we have shown the underworld that society will exact quick retribution from offenders, crime won't seem such a desirable and profitable profession.

BUSINESS PRINCIPLES

The following business principles adopted by the United States Chamber of Commerce are commended to our readers:

The function of business is to provide for the material needs of mankind, and to increase the wealth of the world and the value and happiness of life. In order to perform its function it must offer a sufficient opportunity for gain to compensate individuals who assume its risks, but the motives which lead individuals to engage in business are not to be confused with the function of business itself. When business enterprise is successfully carried on with constant and efficient endeavor to reduce the cost of production and distribution, to improve the quality of its products, and to give fair treatment to customers, capital, management, and labor, it renders public service of the highest value.

We believe the expression of principles drawn from these fundamental truths will furnish practical guides for the conduct of business as a whole and for each individual enterprise.

EMPLOYMENT

A slight increase in employment began about the middle of January and there has been an upward tendency since that date, according to the federal reserve board's survey of business and financial conditions. The board's reports show that there has been an increase in contracts for public works, but this increase was offset by a further decline in the construction of residences. Six or seven years ago the country heard a great deal about the "housing shortage" in the United States, but evidently there are now plenty of houses for everyone who will use them.

HOW ONE WOMEN LOST 20 POUNDS OF FAT

Lost Her Double Chin
Lost Her Prominent Hips
Lost Her Sluggishness
Gained Physical Vigor
Gained in Vivaciousness.
Gained a Shapely Figure

If you're fat—first remove the cause!

KRUSCHEN SALTS contains the 6 mineral salts your body organs, glands and nerves must have to function properly.

When your vital organs fail to perform their work correctly—your bowels and kidneys can't throw off that waste material—before you realize it—you're growing hideously fat!

Try one half teaspoonful of KRUSCHEN SALTS in a glass of hot water every morning—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—your eyes sparkle with glorious health—you feel younger in body—keener in mind. KRUSCHEN will give any fat person a joyous surprise.

Get an 85c bottle of KRUSCHEN SALTS from McAdoo Drug Co., or any leading druggist anywhere in America. (lasts 4 weeks). If this bottle doesn't convince you this is the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned.

Took Soda For Stomach 20 Years

"For 20 years I took soda for indigestion and stomach gas. Then I tried Adlerika. One bottle brought complete relief."—Jno. B. Hardy.
Adlerika relieves GAS and sour stomach in TEN minutes! Acts on BOTH upper and lower bowel, removing poisons you never knew were there. Don't fool with medicine which cleans only PART of the bowels, but let Adlerika give stomach and bowels a REAL cleaning and see how good you feel.—Mann Drug Company.

HOOPER TALKS SCOUT IDEAS FOR ACTIVITIES

HOOPER, D. C.—Speaking of knowledge of parenthood, Hooper told the nation that the boy—with his most precious possessions—home and country—leisure time be embraced his interests to instead of destructive

Executive pointed to the element as one by which period of complex fight solve the problem leisure time of their speech, which he made even by the Boy Scouts inaugurating a five year program, was broadcast

Hooper referred to the one that had opened adventure for the boy, the joys of nature, discipline and of unity of the democracy of play.

LOCALS

Mr. and Mrs. E. A. Paton drove to Roswell Monday.

Mrs. A. H. Crandall was in from Maljamar Tuesday.

Mr. and Mrs. R. H. Bynum were in town from Hope Tuesday.

C. F. Fallen, of Santa Fe was attending to business matters here Monday.

The Neville Muncy and Alvin Payne families were Carlsbad visitors Saturday.

Mrs. Alice Coulter of Hagerman, was here Thursday visiting her sister Mrs. R. O. Cowan.

Dr. Hamlett of Bfird, Texas, has purchased the Russell farm a mile and a half north of Lake Arthur.

E. S. Shattuck, of Carlsbad, candidate for sheriff spent several hours in Artesia Tuesday interviewing the voters.

R. G. Knoedler left yesterday morning for Dallas, Texas, on a business trip for Joyce-Fruit hardware department.

Rev. Moore, of Roswell, presiding elder of the Roswell district, occupied the pulpit at the Methodist church Sunday morning.

Mrs. E. M. Phillips and daughters, Mrs. Jas. Clark and Miss Wyoma Phillips and Miss Alice Boyer, motored to Roswell Saturday.

Roger Durand and family spent Sunday with Mrs. Durand's sister and husband, Mr. and Mrs. Ralph Pearson, on the Cottonwood.

Mr. and Mrs. John Lanning and children were here from Roswell Sunday visiting Mrs. Lanning's parents, Mr. and Mrs. C. Bert Smith.

INSIDE INFORMATION

Corned meat kept over into the next summer should be watched closely in the spring, as the brine is likely to spoil. If the brine appears to be "ropy," remove the pieces of meat and scrub them thoroughly with a stiff brush and hot water. Then repack and cover with new brine. The brine should be kept in a cool place, as the sugar in it has a tendency to ferment.

Allow mud stains to dry and brush carefully before any other treatment. Sometimes nothing else is needed. Or, if the fabric is washable, use soap and water. On other fabrics, try sponging with wood alcohol, denatured alcohol, or plain water. Mud stains may be taken off black silks of firm weave by rubbing the spot with a cut potato. The thin film of starch left by the potato can be brushed off when dry. This treatment is not recommended for any other material. It leaves a spot on any except black fabrics.

For washing and rinsing utensils a clean safe water supply is absolutely necessary. Contaminated water may be a source of danger not only to persons living on the farm but also to those who use milk from the farm. Wells and springs should always be protected from surface drainage. The drainage from privies, hog pens, barnyards and other sources of contamination should always be away from the well, and both springs and wells should be walled in, curbed and tightly covered.

KONJOLA MAKES GOOD AFTER ALL ELSE FAILED

St. Louis Lady Glad to Relate Her Fine Experience With New and Different Medicine.

Konjola is a different medicine simply because it scores victory after victory in cases that have defied and resisted all medicines and treatments tried. This is not a boast. It is a fact established and proved in thousands of cases like that of Mrs. Dora Bauer, 3403 St. Vincent avenue, St. Louis. Read her grateful words:

MRS. DORA BAUER

"How I wish that every sufferer from neuritis could know what Konjola did for me. For ten years I endured agonies from this awful ailment. I had to keep my arms wrapped tightly to ease the pain. My digestion was bad, too, and this weakened me, making me still easier prey for neuritis. I can not remember how many medicines and treatments I tried, but found nothing to give relief, until I found Konjola. In just five weeks this remarkable medicine restored digestion, rid my system of poisons and impurities, and then the neuritis left as if by magic. What a boon Konjola proved to be to me. No wonder Konjola is known as the medicine with more than a million friends. It should have a billion."

Konjola is sold in Artesia at the Palace drug store, and by all the best druggists in all towns throughout this entire section.

Social Activities

EVENING FORTNIGHTLY BRIDGE CLUB

The Evening Fortnightly Bridge club was entertained at a lovely 3 course supper given by Mr. and Mrs. John Richards in the roof garden of the Artesia hotel, last Friday evening. The attractive green and white coloring of St. Patrick's day furnished the color scheme for the occasion. The members and guests all wore green caps and the gentlemen wore especially handsome in the green ties, which like the caps, were provided by the hosts. The green color also appeared in the candles, the tally cards, the St. Patrick's place cards and the shamrock adorned salad course. Small bouquets of lovely sweet peas were used as favors. In addition to members the only guests present were Mr. and Mrs. C. Bert Smith.

MISCELLANEOUS SHOWER

Two Lions, Messrs. V. D. Bolton and L. B. Feather, were given a miscellaneous shower by the local Lions club at the regular meeting Friday. The occasion commemorated the fact both of the gentlemen have recently become "papas." The gifts, which were many and varied were presented to the gentlemen with a formal ceremony.

During the business session of the club, it was voted to cooperate with the organization of a baseball club. A committee consisting of Howell, Gage, Clint Cole, and Landis Feather, was appointed to confer with any other interested organization to make preliminary plans for the coming season. Willis Morgan was appointed as a committee of one to represent the Lions club in the tree planting campaign.

P. E. O. ELECTS OFFICERS

The annual election of officers was held at the regular meeting of the Sisterhood at the home of Mrs. Chester Russell last Friday afternoon. Mrs. S. W. Gilbert was elected president, Mrs. R. L. Paris and Mrs. Chester Russell succeeded themselves as vice-president and corresponding secretary, respectively. Mrs. E. M. Phillips was elected recording secretary, Mrs. V. L. Gates, treasurer, Mrs. J. H. Jackson, chaplain and Mrs. Fred Cole, guard. Mrs. Gilbert and Mrs. Paris will represent the Sisterhood at the state convention which will be held in Roswell in April. Mrs. H. A. Stroup and Mrs. C. E. Mann were elected alternates.

AMERICAN LEGION AUXILIARY MEETING

Nearly forty members were present at the meeting, which was held at the home of Mrs. Dan Eipper on Monday afternoon. Mrs. M. A. Corbin was present and conducted a lesson in parliamentary law. It was voted to write our senators, Bratton and Cutting, endorsing Senator Bookhart's bill regulating the moving picture industry and asking their support of the measure. Mrs. Frank Linell, state chairman of the F. I. D. A. C., read an interesting account of the work of the organization in England. Mrs. Linell was appointed poppy chairman for Artesia by the president, Mrs. Seale and Mrs. Ray Williams, chairman for the oil field. The hostesses, Mrs. Dan Eipper and Mrs. Earl Darst, assisted by Mrs. Kinder and daughters, Zanna and Natalie, served delicious cake and coffee. The St. Patrick colors and symbolism were charmingly exemplified in the white cake, surmounted by a shamrock, and the green favors, typical of the season.

SECOND NIGHT BRIDGE CLUB

The club met on Monday night this week honoring its member, Mrs. E. J. Brooks, who was here from Dallas, Texas, for a few days. There was an extra table of guests: Frank Brooks, Miss Nelson, a nurse who accompanied Mrs. Brooks from Dallas, and Mr. and Mrs. Martin Yates. The meeting was at the home of Mr. and Mrs. F. G. Hartell and began with a fried spring chicken dinner in two courses, but served cafeteria style.

Social Calendar

TELEPHONE 217

THURSDAY (TO-DAY)

The Women's Missionary Society of the Presbyterian church will meet at the home of Mrs. S. W. Gilbert, Miss Emma Clark leader.

The Eastern Star will hold a special meeting this evening for initiation, the candidates being Mrs. Davis of Carlsbad and Mrs. Van Welch, Jr. A number of guests are expected from Carlsbad and refreshments will be served.

The "Chevie Six" Bridge club will meet with Mr. and Mrs. T. C. Bird at 7:00 p. m.

FRIDAY

The Young Mother's club will meet with Mrs. Louis Cole at 2:30 p. m.

TUESDAY

The Passtime club will meet with Mrs. Lapsley.

The Second Afternoon Bridge club will meet with Mrs. Aubrey Watson at one o'clock luncheon.

Fortnightly Bridge club with Mrs. W. C. Martin.

WEDNESDAY

Regular meeting of the Women's club. St. Patrick tea at the home of Mrs. R. D. Compton, corner Rose-lawn and Grand Avenue. All members are urged to be present.

THURSDAY (NEXT WEEK)

The Christian Ladies Association will meet with Mrs. J. W. Graham at 2:30 p. m.

Baptist W. M. U. will meet at the church for Bible study at 2:30 p. m.

Methodist Missionary Society postponed until Friday. The meeting will be with Mrs. Harold Scoggins.

FACULTY BREAKFAST

Miss Ruth Morgan's second year class in Home Economics entertained the high school faculty at breakfast yesterday morning at half past seven o'clock. The breakfast was in two courses and the two hostesses, Katherine Filbert and Ruth Wilde, baked part of the waffle course at the table. Very clever place cards were made by the girls for the occasion. They represented the sun rising beyond the mountains and were quite appropriate for this delightful early morning affair. The wives of faculty members were also entertained.

The cooks were: Ruth Graham, Mary Corbin, Beulah Beth Terry, Thelma Mitchell and Lilla Jackson.

"WHAT'S THE MATTER WITH SALLY?"

"What's the Matter With Sally?" an attractive operetta, was given by pupils of the Junior high school last Friday evening at the Central auditorium. The entertainment was directed by Miss Florence Oakes, assisted by Miss Neil Wilkinson, who was director of dancing. Special music was given by Harp's orchestra. An orphan asylum furnished the setting for the operetta and the chorus of orphans and the wooden shoe dance were very pleasing numbers. The members of the cast took their parts very well and the whole production was much appreciated by the audience.

OIL FIELD BRIDGE CLUB

The Oil Field Bridge club was recently organized and held a meeting at the home of Mr. and Mrs. Jim Haskins last Wednesday night. The membership of the club is composed of the following: Messrs. and Mesdames Haskins, Carl Joiner, E. L. Glossbrenner, and the Misses Ruby Jenkins and Mabel Vowell, of the field, Mr. and Mr. Raymond Blair of Lakewood and Mr. and Mrs. Hugh Kiddy, of Artesia.

Calling Cards, 100 for \$1.75, on best grade paneled or plain stock.—The Advocate.

MISSIONARY COUNCIL

Mesdames I. C. Dixon, Harold Scoggins and J. D. McCann left yesterday to attend the meeting of the Missionary Council of the Methodist Church, South, which is in session at Amarillo, Texas this week. The council is the highest organization in the women's missionary work of the church and distinguished missionary workers will be present from all over the southland and also from the mission fields. Mrs. J. H. Walker, of El Paso, Texas, and formerly of Artesia, who is now president of the New Mexico Missionary Conference will be one of the two representatives from the conference. This is only the second time that the council has met in the west in twenty years.

MARRIED

Mr. Pruit of the Lawrence ranch and Mrs. Lloyd Gould, of Electra, Texas, were married at the Bankhead hotel in Roswell, Saturday. Rev. Moon officiating. They will make their home on the Lawrence ranch.

CHRISTIAN LADIES' ASSN.

The Christian Ladies' Association had an all day meeting and covered dish luncheon at the home of Mrs. Alf Coll last Thursday afternoon. A missionary program was given with Mrs. Will Ballard as leader.

WEINER ROAST

Mrs. C. C. Pior's Nazarene Sunday school class of young people drove out on the prairie Tuesday evening and enjoyed a weiner roast and picnic around a bonfire. After the supper was over they spent the evening playing games.

SPECIAL MEETING OF EASTERN STAR TONIGHT

The Eastern Star will hold a special meeting this evening in the local hall to confer a degree on a candidate.

THE EASTERN STAR

The Eastern Star at its regular meeting on Tuesday evening has some thirty visitors from Hope and other nearby points.

THE IDLEWHILES BRIDGE CLUB

The Idlewhiles Bridge club met with Mrs. Sid Cox Tuesday for one o'clock luncheon, which was served in three courses. There were three substitutes, Mesdames S. E. Ferree, Arbe Green and Elzie Swift.

WOMEN'S CLUB PLAY

On Monday afternoon at three o'clock, at the Central school auditorium, the Artesia Women's club will present an entertaining little comedy, "That Blonde Person," in which there is a matrimonial mixup, including a jealous bride, a husband, a blonde person, violets and cats. Bring your friends and enjoy the afternoon's entertainment. The proceeds will be added to the club house fund for this year.

Mrs. Harold Dunn and Mrs. Clarence Conner, members of the Four Square bridge club motored to Carlsbad yesterday and were guests at a meeting at the home of Mrs. J. A. Clayton, a member now living in that place.

WOMEN'S CLUB PLAY

"That Blonde Person," a clever one act play will be given under the direction of Mrs. G. U. McCrary at the Central auditorium at 3:00 p. m. on Monday afternoon. There will be a number of interesting specialties and altogether an attractive entertainment is promised. Admission 25 cents. 13-1tc

EX-PRESIDENT TAFT DIES AT WASHINGTON HOME SATURDAY P. M.

William Howard Taft, former president and former chief justice, died at his home late Saturday afternoon. He passed peacefully from life, wrapped in a merciful unconsciousness after weeks of illness. A stroke from hardening of the arteries preceded death by a half hour. He was in his seventy-third year.

By his own request, he will rest in Arlington cemetery, the citadel of the nation's heroic dead. The funeral services will be held probably on Tuesday, at All Souls' Unitarian church, which he attended.

President Hoover was foremost among the many who went sorrowfully to the residence on Wyoming avenue where the only man in history to hold America's two highest offices slept in death.

The president announced a thirteen day period of official mourning.

At the point of death for many days, suffering hopelessly from a combination of ailments, Mr. Taft had surprised his physicians by the vitality of his last hours. But at 4:45 Saturday afternoon a sudden stroke, while he was alone except for his nurse, heralded the end.

Neither Dr. Francis Hagner nor Dr. Claytor were at his bedside when the end came.

Doctor Fuller, who was summoned by the nurses when they were unable immediately to reach the attending physicians, pronounced the former chief justice dead.

Dr. Claytor arrived approximately 15 minutes later.

When the end came unexpectedly, the activity which has surrounded the Taft residence since his return from Asheville, was absent. Only a few cars were in front of the home. Shortly thereafter taxicabs arriving with newspapermen gave notice of the death.

First word of the death was sent to the White House, which announced it to the press in the following bulletin:

"Former Chief Justice Taft died at 5:15 p. m. today."

Highlights In Taft's Career

These were the highlights in the life of William Howard Taft:

Born at Cincinnati, Ohio, September 15, 1857.

Graduated from Yale, June 27, 1878.

Appointed judge of superior court at Cincinnati, March 7, 1887.

Appointed solicitor general of the United States, February 4, 1890.

Named first civil governor of the Philippines, July 4, 1901.

Selected as secretary of war in President Roosevelt's cabinet, February 1, 1904.

Nominated for president by republican national convention, June 18, 1908.

Elected president, November 3, 1908.

Inaugurated, March 4, 1909.

On November 4, 1912, he was defeated for re-election by Woodrow Wilson.

Professor of law, Yale University, 1913 to 1921.

Appointed chief justice of the U. S. by President Harding, June 30, 1921.

Resigned chief justiceship February 3, 1930.

Died, March 8, 1930.

ANNOUNCEMENT

Dr. R. K. Hoover announces the opening of an office in the Haley building for the practice of medicine and surgery, in association with Doctors R. C. and L. E. Hoover of Carlsbad. 12-3tc

LAKE ARTHUR ITEMS

Mrs. Ned Hedges, Reporter

P. G. Peters, of Capitan, was the guest of Mr. and Mrs. J. H. Kingston Monday and Tuesday of this week.

Slick Derrick who was operated upon for appendicitis in Carlsbad last week returned home Wednesday.

J. Smith entered the old fiddler's contest at Dexter Friday night and brought home a number of the prizes.

Mrs. J. W. Harvey is very sick this week. Her children in other states have been notified of their mother's condition.

Mrs. J. H. Reeves has had for a guest, her sister, Mrs. M. E. Wedge, of Amarillo, Texas. Mrs. Wedge returned home Saturday.

Electricians were busy in Lake Arthur last week. Outside lights were installed on the school grounds. The Moots home was also wired.

Rev. Harold Dye assisted by Frank Frazier opened a series of meetings here Sunday. The meetings are fine, and everyone is invited to attend.

The county commissioners were down Monday and condemned the Pecos river bridge, and closed it to all further traffic until it is repaired.

The young people of the community charivariated Mr. and Mrs. Millard Derrick, at the home of the bride one night last week. This popular young couple sprung a surprise on their friends lately by announcing that they had been married at Carlsbad in October. Mrs. Derrick was Miss Ruby Parnell the daughter of Mr. and Mrs. Parnell, residing west of town and the groom is the oldest son of Mr. and Mrs. Tom Derrick. The congratulations and best wishes of a host of relatives and friends go with this young couple to their new home in Las Vegas.

James Clark, Louis Clark and Sam Spiker, who arrived here from Whittier, California recently, left Tuesday for the north, stopping in route for a short visit at Ft. Collins, Colorado, their old home, on their way to Montana, where they expect to locate. James Clark is a son-in-law of Mrs. E. M. Phillips, and his wife and baby will remain here with Mrs. Phillips until he has decided upon a permanent location.

STUDENTS AND FACULTY CLEAN UP GROUNDS

Superintendent W. E. Kerr, declared a half holiday at the high school Monday and the students and faculty cooperating spent several hours in beautifying the school campus. The trees on the ground were white washed and the fence painted. The students also showed a commendable spirit in assisting to obliterate a number of signs painted over town by ambitious class members. A number of class signs were painted in some rather conspicuous places several weeks ago and because of their unsightly appearance, it was decided to make a concerted effort for their removal.

Calling Caras, 100 for \$1.75, on best grade paneled or plain stock.—The Advocate.

F. NICHOLSON WILL EXPLORE THE FOUR CORNER COUNTRY SOON

Exploration of the "Four Corners" section, the only place in the country where the corners of four states come together, will be begun by Frank Nicholson when he has completed his work in Carlsbad cavern, he said Monday morning. Nicholson went to Santa Fe Sunday and conferred with Governor R. C. Dillon on his plans.

Nicholson said that large areas of this section are unknown to white men. He plans to spend three months there, and to take in this "back country" of the Navajos the first motion picture in which real, and not stage Indians will do all the acting. The picture will be what he described as a "feature epic" and will be titled "Navajo."

"I have had in my head for some time the idea of taking this picture in the Four Corners country," Nicholson said. "The picture should create a great deal of interest, and I still have many details to work out in preparation for it. It has not yet decided whether to begin work north of Gallup or northwest of Shiprock. It is a difficult country, but the governor knows quite a bit about it, and he made some valuable suggestions. In fact the governor was the only one we could find who knew of some of the features on which we have been doing considerable research work."

"The picture will be produced in conjunction with our cavern expedition picture."

Nicholson expects to complete his work in the cavern in six weeks to two months.

LAKE ARTHUR BRIDGE CLOSED FOR REPAIRS

The board of county commissioners at their regular meeting Monday closed temporarily the Lake Arthur bridge across the Pecos river because county engineers had classed this bridge as being unsafe for use.

Repairs are to be made immediately and the bridge is to be put back into condition where it may be used, it was said Tuesday.

Heavy hauling over the bridge during the past few months has made it temporarily unsafe, according to the announcement.

Aside from paying the current bills and transacting regular business matters the county commissioners did no other business Monday.—Roswell Record.

"TO THE FELLOW WHO'LL TAKE MY PLACE WHEN I AM GONE"

Here is a toast that I want to drink to a fellow I'll never know— To the fellow who's going to take my place when it's time for me to go. I've wondered what kind of a chap he'll be and I wished I could take his hand,

Just to whisper, "I wish you well, old man," in a way that he'd understand. I'd like to give him the cheering word that I've longed at times to hear; I'd like to give him the warm hand-clasp when never a friend seems near. I've learned my knowledge by sheer hard work, and I wish I could pass it on To the fellow who'll take my place some day when I am gone.

Will he see all the sad mistakes I've made and note all the battles lost?

Will he ever guess of the tears they caused or the heartaches which they cost?

Will he gaze through the failures and fruitless toil to the underlying plan, And catch a glimpse of the real intent of the vanquished man? I dare to hope he may pause some day as he toils as I have wrought And gains some strength for his weary task from the battles which I have fought.

But I've only the task itself to leave with the cares for him to face, And never a cheering word may speak to the fellow who'll take my place.

And my prayer today is that all the dreams may be realized by you. And we'll meet some day in the great unknown—out in the realm of space;

You'll know my clasp as I take your hand and gaze in your tired face. Then all failures will be success in the light of the new-found dawn, So I'm drinking your health, old chap, who'll take my place when I am gone.—Bindery Talk.

Student's note book covers embossed in school colors at The Advocate. Your name stamped free.

EMERSON TO SPEAK AT LOCAL CHURCH ON LAW ENFORCEMENT

Ralph Waldo Emerson, evangelist and lecturer, who has recently been called as pastor of the First Christian church in Artesia, is devoting next Sunday evening's service to a program in the interest of law enforcement.

Mr. Emerson will represent the Ten Million Prohibition club, largest national organization of its kind, for which he has been lecturing during the past year throughout the middle west.

This club, organized for the purpose of combating the organized "wet" forces, is putting over a national campaign for the strengthening and enforcement of the prohibition laws.

One important feature of the program is a petition to congress which will make for more effective enforcement.

The lecture which Mr. Emerson will give is most emphatically not a temperance lecture, but one which deals with an old problem in an entirely new and different manner.

The Ten Million Prohibition club is backed by men of national prominence in civic and religious affairs, and its program should be of interest to all dry citizens regardless of creed or church affiliation.

**PREFERENCE RIGHT
LEASES UNPOPULAR**

GALLUP—State Land Commission Austin D. Crile received bids for only nine of the 20 oil leases which are subject to preference rights at the monthly auction of leases at his office Monday afternoon.

There were bids for all but one of the 10 tracts not subject to preference rights.

Holders of the preference rights have the right, according to the supreme court's decision in the Malone case to meet the high bids made for the leases formerly held by themselves. The time within which they have to decide whether to exercise

these rights depends upon whether they were present at the sale, either in person or by attorney. Those who were not there will be notified by registered mail what steps they have to take if they wish to retain their tracts.

One day a very pretty young lady was riding on a street car. A poodle dog was in her lap. A blue nose lady sitting next to the girl addressed her: "My, what a nasty little dog. Don't you think it would look much nicer if you had a little baby in your lap?" "No," came the answer, "You see, I'm not married!"

BERRY HOBBS DEAD

Berry Hobbs, age about 40, of Lovington, county treasurer of Lea county, passed away Monday morning at his home in Lovington, following a seige of pneumonia. Mr. Hobbs had been a resident of Lea county for several years and was a popular county official.

A hurry call was sent for the pull-motor, property of the Artesia fire-department, Monday morning, but Mr. Hobbs' condition was such that it was decided not to try to use the instrument.

LEGAL ADVERTISEMENTS

IN THE DISTRICT COURT,
COUNTY OF EDDY,
NEW MEXICO

Herman C. Keiser,
Plaintiff,
vs.
Mike Reilly,
Defendant.
No. 4947.

NOTICE OF SUIT PENDING

The State of New Mexico to Mike Reilly, Defendant, Greeting: You will take notice that Herman C. Keiser, plaintiff herein, has filed a suit against you in the District Court of Eddy County, New Mexico, the object of which suit is to reform and correct a certain bill of sale, recorded in Book G, on Page 56, intended to convey a strip of land 45 feet by 125 feet, running easterly and westerly in Block 10, in Robert's Addition to the Town of Artesia, Eddy County, New Mexico, according to the recorded plat thereof, bounded by the north and east line of said block, and to have a commissioner appointed by said court to execute to plaintiff on behalf of said Mike Reilly, defendant, a warranty deed to said land.

You are further notified that unless you enter your appearance in said cause on or before the 23rd day of April, 1930, judgment by default will be rendered against you and the plaintiff will be granted the relief prayed for in his complaint in said cause.

The plaintiff's attorney is S. E. Ferree, and his post office and business address is Artesia, New Mexico.

Dated this 18th day of February, 1930.

(SEAL)
THELMA T. LUSK,
Clerk of District Court.

STATE OF NEW MEXICO
(GREAT SEAL OF THE
STATE OF NEW MEXICO)

Office of
THE SECRETARY OF STATE

CERTIFICATE

I, MRS. E. A. PERRAULT, Secretary of State of the State of New Mexico, do hereby certify, that there were filed in the Office of the Secretary of State, State of New Mexico, on this Sixth day of March, A. D., Nineteen Hundred and Thirty, the following documents regarding the changing of the Town of Artesia to the status of a City:

PROCLAMATION;
RESOLUTION NO. 1,
RESOLUTION NO. 2
MAYOR'S AFFIDAVIT;
AND MAP.

All of these documents testify to and comply with the legal requirements, and show that same have been complied with in reference to the change of the Town of Artesia to the status of a City. I FURTHER CERTIFY that the attached copy of the Proclamation is a true and correct copy of the original proclamation on file in my office.

Given under my hand and the Great Seal of the State of New Mexico, at the City of Santa Fe, the Capitol, on this Sixth day of March, A. D., 1930.

MRS. E. A. PERRAULT,
Secretary of State.
(SEAL)

PROCLAMATION
THE GOVERNOR OF THE
STATE OF NEW MEXICO

TO WHOM IT MAY CONCERN
GREETING:—

WHEREAS, the Board of Trustees of the Town of Artesia in the County of Eddy, State of New Mexico, have, by duly adopted resolution, expressed their desire that the Town of Artesia be changed from a town to a City, and,

WHEREAS, a statement sworn to by the Mayor and Chairman of the Board of Trustees of the said town, showing the population, the assessed valuation of the property, the corporate name, and the boundary lines thereof, together with a copy of the resolutions and a plat of the said proposed city have been submitted to me as prescribed by law; and,

WHEREAS, the incorporated Town of Artesia has more than two thousand population, to-wit: Two thousand and eighty bonafide inhabitants; that it has an assessed valuation of property of \$1,299,362.00; and that the boundary lines of the said proposed city are as follows: Commencing at the N. E. corner of Section 17, Township 17-S., Range 26 East; thence south 3960' to the N. E. corner of the SE $\frac{1}{4}$ SE $\frac{1}{4}$ of the said Section 17, Twp. 17-S., Range 26-E; thence north 89° 54' west along center Avenue 2640' to the N. W. corner of the SW $\frac{1}{4}$ of SE $\frac{1}{4}$ of said Section 17, Twp. 17-S., Range 26-E; thence north 0° 15' west along Heath Avenue 1320' to the center of the said section 17; thence north 89° 54' west 2644' to the west quarter corner of said Section 17; thence north 2478.3' to the center of intersection of Main street with the west line of the said Section 17; thence south 89° 54' east along Main Street 1320' to a point in the intersection of Main and Tenth Street; Thence north 2640' to the N. W. corner of the NE $\frac{1}{4}$ SW $\frac{1}{4}$ of Section 8, Twp. 17-S., Range 26-E; thence south 89° 54' east

ARTESIA AND OTIS
WIN IN BASKETBALL
TOURNEY HELD SAT.

Regarding the junior basketball tournament held at Carlsbad Saturday, the Current-Argus says:

In the opening game of the day the Carlsbad girls were put out of the tournament by the Otis girls, the score was 18-14.

In the second girls' game the Artesia girls disposed of the Loving girls, 12-9.

These two games brought the Otis and Artesia girls together in the final.

In the Otis-Carlsbad girls' game the local team put up a brave fight against the opposition, and did not go down until a three-minute overtime period had been played.

In the second game of the day, played at 10:00 o'clock in the time space between the Otis-Carlsbad and Artesia-Loving girls' games, Artesia boys won from Loving 11-7.

The fourth game of the day, played at one o'clock this afternoon, Carlsbad boys routed Otis 20-15.

The result in the Artesia-Loving and Carlsbad-Otis boys' games brought Carlsbad and Artesia together in the final.

The Artesia boys and the Otis girls won the Carlsbad-Loving-Otis Artesia junior high school tournament played in the Carlsbad high school gymnasium Saturday.

The Artesia boys won by defeating Carlsbad, 12-9 in the final. The score at the half was Artesia 12, Carlsbad 0.

The Otis girls won by defeating Artesia 12-10, in the final.

Cups will be presented to the victors.

TYPEWRITERS

New Woodstocks and Coronas, Rebuilds in all other makes at The Advocate.

1320' to a point in Easy Street; thence north along Easy Street 1320' to the N. W. corner of the SW $\frac{1}{4}$ NE $\frac{1}{4}$ of the said Section 8; thence south 89° 54' east 3962' to the N. E. corner of the SW $\frac{1}{4}$ NW $\frac{1}{4}$ of Sec. 9, Twp. 17-S., Range 26-E; thence south 3960' to the southeast corner SW $\frac{1}{4}$ SW $\frac{1}{4}$ of said section 9; thence north 89° 54' west 1322' to the place of beginning; And that the name of the proposed city is the "City of Artesia."

THEREFORE, and in view of the foregoing facts, I, R. C. Dillon, Governor of the State of New Mexico, do hereby make, issue and publish this proclamation to the effect that the Town of Artesia in the County of Eddy, State of New Mexico, desires to and is entitled to become a city; that this proclamation shall be published in one newspaper of general circulation in Eddy County; that a certified copy thereof shall be posted in a conspicuous place within the limits of said corporation; that at the end of five (5) days after the posting of this proclamation, the Board of Trustees of the said town, shall proceed to organize the same into a city by dividing it into wards of not less than four (4), and shall call an election for the election of Alderman from each ward and a Mayor from the city at large; and upon the election and qualification of such Alderman and Mayor the term of office of such officers of such town shall expire and thereafter such town shall be a city with all the powers, privileges, duties, and liabilities of cities in the State of New Mexico.

IN WITNESS WHEREOF, I have hereunto set my hand and have caused the Great Seal of the State of New Mexico to be affixed hereto, this Sixth day of March, 1930.

ATTEST:
MRS. E. A. PERRAULT,
Secretary of State 13-1t

IN THE PROBATE COURT
OF EDDY COUNTY,
NEW MEXICO

IN THE MATTER OF THE LAST
WILL AND TESTAMENT
OF
ELLA L. GARDINER, Deceased.
No. 633

NOTICE

TO WHOM IT MAY CONCERN:
Notice is hereby given that an instrument purporting to be the Last Will and Testament of Ella L. Gardiner, Deceased, has been filed for probate in the Probate Court of Eddy County, New Mexico, and that by order of said court, the 5th day of May, 1930, at the hour of 2:00 o'clock p. m., in the court room of said court, in the City of Carlsbad, New Mexico, is the day, time and place set for hearing proof on said Last Will and Testament.

Therefore, any person or persons, wishing to enter objections to the probating of said Last Will and Testament, are hereby notified to file their objections in the office with the County Clerk of Eddy County.

Given under my hand and seal of my office on this the 1st day of March, 1930.

(SEAL)
THELMA T. LUSK,
County Clerk. 12-3t

FAMOUS COLUMN

Well, folks, we live to learn for we have just learned from the governor's proclamation, changing the form of local government from a town to a city that Artesia has an Easy street. We have often heard of Easy street, but never had the privilege of living on it.

The other day "Pig" a darky stepped into a hardware store and asked for a bucket. "What do you want with a bucket?"

"Ah want to use it in washin' de windows of Mr. Chamber of Commerce's office."

Mark Corbin usually observes Lent by doing without spinach.

Chester Dexter says that if he does not get a good oil well or two, Lent with him is liable to last longer than forty days.

Even bankers get a hard fall every now and then, the other day J. E. Robertson was taking it easy in his swivel chair and leaning back a little too far popped a bolt in the chair.

PACKING AND MARKING
CAUSE COTTON LOSSES

The following paragraphs are quoted from a letter received by Nils A. Olsen, Chief of the Bureau of Agricultural Economics, from H. Robinson, secretary of the Manchester Cotton Association, Manchester, England.

"In relation to the damage caused by the ink used in marking the bales running into the cotton, in some instances the mark is on the actual cotton on account of torn canvas. Many complaints are made by the mills and this action is causing serious losses, and results in claims being made by the spinners on the local merchants who in turn claim upon their shipper. We believe that this careless marking is due entirely to the haphazard way in which those responsible for the marking of the bales carry out their work. The association therefore suggests that you will make representation to those responsible and urge that greater care should be taken in the marking of the bales and that preferably the marks should be made upon a patch of closely woven canvas, thereby minimizing the possibility of the ink running into the cotton.

The neatly packed bales received from every other cotton-growing country are in striking contrast to the American bale. The present untidy and partly covered American bale without question results in heavy losses, not only to the consumer but more especially to the producer, as buyers have to take into consideration the loss resulting from this inefficient covering of the bales and the growers suffer in the prices they obtain for their cotton in competition with other countries whose cotton is packed efficiently with no resultant loss.

NOTICE

To Gas Users

COLD WEATHER

is not over yet—don't disconnect your gas meters too soon—leave your meter on as long as you will need gas and avoid a reconnection charge on the next cold snap.

Pecos Valley
Gas Co.

IT WORKS BOTH WAYS
A long distance telephone call is a double source of pleasure—to you and to the friend you call. Station to station day rates were again reduced January 1. Evening and night rates not reduced.

Pompous: "You have asked for my daughter's hand in marriage! What, may I ask, are your financial prospects?"

Prospectus: "We have an income of about \$11,000 a year!"
Pompous: "Well, that's not so bad with my daughter's allowance of

\$10,000 annually. You are able to get along!"
Prospectus: "Yes, sir, indeed that!"

DOWNY LITTLE THINGS... not long out of their shells... how much they must depend on you for the things they need to live and get big. They need a feed filled with nourishment. A feed which will build bones quickly... building muscles strong... change fuzz to feathers in a hurry... all this they demand... and yet their little crops can handle only one tiny thimbleful of feed a day! What a job for feed!

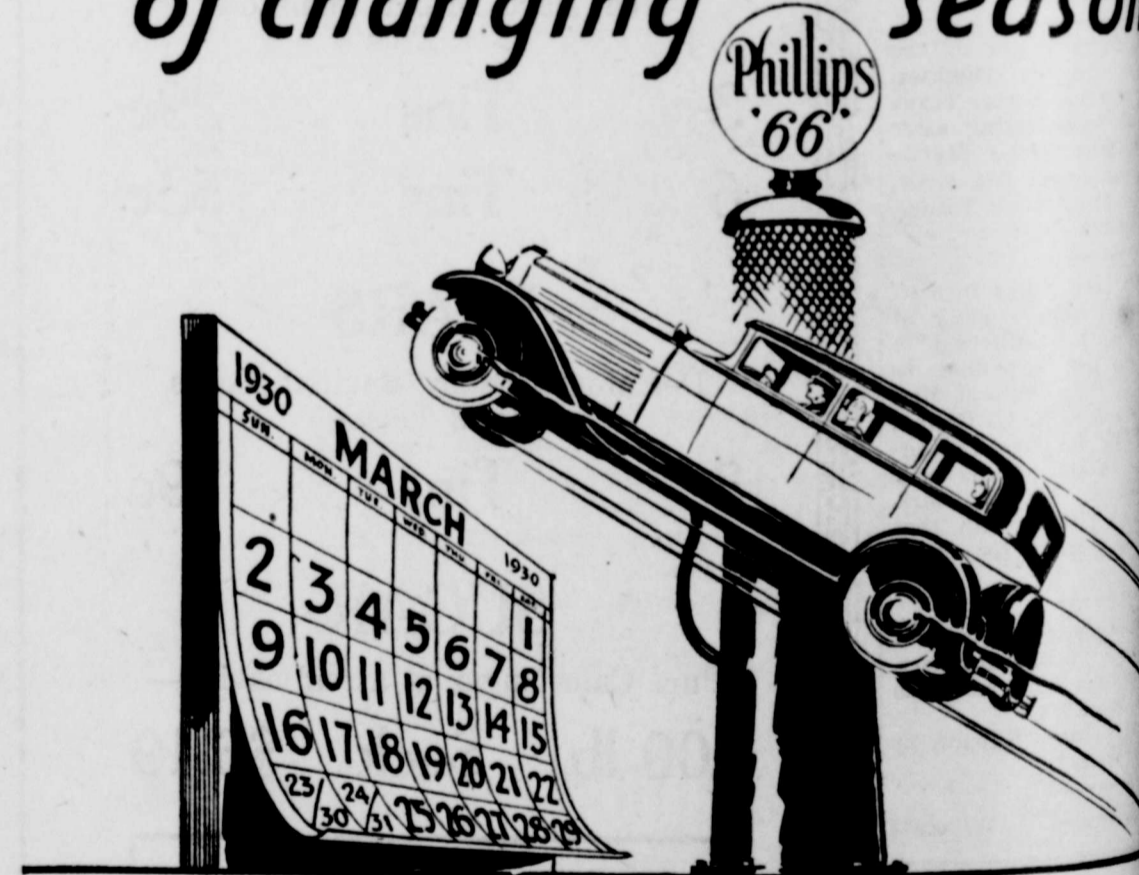

Consider Purina Chick Startena (mash) for this job! In every thimbleful are twelve ingredients! Cod-liver oil... dried buttermilk... alfalfa flour... granulated meat... these and eight others are there... each one with a real job to do. Purina Startena is mixed over and over again... 960 times just to be thorough! And you will find the same care taken with Baby Chick Chow (scratch)... to be fed with Startena.

Your chicks... what they do for themselves... what they do for you... is entirely in your hands. They eat so little... yet it counts so much... that you can afford to do only one thing... feed Purina Chick Startena!

**PROBLEMS OF CATTLE
 INDUSTRY WILL BE
 DISMISSED AT MEET**

The cattlemen attending the six-
 teenth annual convention of the New
 Mexico Cattle Growers' Association
 will not only have an opportunity to
 meet and talk with other cattlemen
 of the state but will also meet cat-
 tle buyers; commission men; men
 from all state departments with
 whom they have problems to be dis-
 cussed; and will be treated to one of
 the best and most varied programs
 ever given at a convention of live-
 stock men.

C. B. Denman, livestock member
 of the federal farm board will give
 out information which will be both
 interesting and beneficial to the cat-
 tle industry relative to the work of
 the federal farm board.

F. E. Mollins, secretary of the Amer-
 ican National Live Stock Associa-
 tion, a most ardent worker for the
 interests of the cattlemen, will talk
 on "The Tariff Fight and What it
 Teaches Us." Mr. Mollins has spent
 a great deal of his time in Washing-
 ton working for all legislation of in-
 terest to the livestock industry and
 will come with first hand informa-
 tion as to tariff legislation; etc.

Chas. E. Blaine, traffic counsel of
 the American National and the prin-
 cipal in the fight against increased
 freight rates between points in New
 Mexico, Arizona and Texas, will be
 at the convention ready to tell what
 has been accomplished in this one
 case which is of direct interest to
 the cattlemen of the state. His sub-
 ject will be, "Organization and its
 Benefits from a Traffic and Trans-
 portation Standpoint."

John Field, president of the Feder-
 al Intermediate Credit Bank of this
 district will talk on "Relation of the
 Federal Intermediate Credit Bank to
 the Livestock Industry."

Kenneth D. Oliver, field manager
 of the Pacific National Agricultural
 Corporation will talk on the old sub-
 ject but one ever present with the
 cattlemen—that of "Financing the
 Stockmen."

A. D. Crile, state land commis-
 sioner will talk on state land problems.
 O. M. Lee, chairman of the pub-
 lic land committee of the association
 will tell the convention as to the
 work already accomplished by the
 president's public land commission,
 and will also be able to tell the
 stand the association has taken on
 the transforming of the public lands
 to the states.

Dr. H. L. Kent, president of the
 New Mexico College of Agriculture
 and Mechanic Arts will talk on what
 assistance the agricultural college
 can be to the livestock industry of
 the state.

D. A. Shoemaker, assistant super-
 visor in charge of grazing on national
 forests will talk on the manage-
 ment of game and game ranges on
 national forests.

Motion pictures will be shown thru
 the courtesy of the department of
 agriculture and the bureau of animal
 husbandry. "The Ox Warble" and
 "Sir Loin of T-Bone Ranch."

Families of livestock men have
 a special invitation to attend this
 convention as there will be a dance
 the night of March 25 at the Fran-
 ciscan, given by the Chamber of
 Commerce and a tea given for all
 visiting ladies by Mrs. Lee Evans at
 the Franciscan hotel the afternoon
 of March 26.

**POSTMASTER HANNAH
 TALKS TO STUDENTS**

Of an interesting and instructive
 nature was a talk on the subject:
 "The Evolution of the Post Office,"
 given to the high school commercial
 students by Postmaster Hannah on
 Tuesday afternoon.

Tracing the postal system from its
 beginning up to the present time
 Postmaster Hannah stressed the point
 that postal employees, as a whole,
 are efficient. The necessity for a
 thorough preparation for one's work
 was one of the main thoughts left
 with the students.

The commercial department has
 made marked progress during the
 last six weeks in both accuracy and
 speed.
 The following students have won
 awards in typewriting:
 Wyoma Phillips, bronze medal and
 certificate; Margaret Frisch, certifi-
 cate; Charlie Hernandez, certificate;
 Shirley Hnulik, bronze medal, silver
 medal and three certificates; Harry
 Woodman, certificate; Mary Corbin,
 certificate; Alma Pearson, gold med-
 al and certificate; Mable Champion,
 silver medal, gold medal and two
 certificates; Edna Bullock, certificate;
 Byrl Blount, certificate; Leon Clay-
 ton, certificate; Leonard Howell, cer-
 tificate; Ferne McCaw, certificate.
 Mary Corbin, Charlie Hernandez
 and Leonard Howell's names have not
 been off the honor roll this term.
 Plans are now being made to enter
 the district elimination contest in
 typewriting which is to be held in
 Artesia, April 11th. Nine schools will
 probably compete in this contest.

COTTONWOOD ITEMS
 (Miss Alma Bradley, Reporter)

Mr. and Mrs. Will Waldrip and
 children motored to Dayton to visit
 friends Sunday.

Mr. and Mrs. Albert Watson of
 Roswell were visiting the W. A. Wat-
 son and R. M. Middleton homes Sun-
 day.

Mr. and Mrs. Whitley and children
 of Los Angeles, California, who lived
 here several years ago, arrived here
 last week and are planning to make
 their future home here.

The Cottonwood Woman's club met
 at the home of Mrs. J. I. Funk, on
 March 5. A short business session
 was held and then the social hour
 was enjoyed. Light refreshments
 were served. Two visitors were
 present, Mrs. Wilma Dillard and Mrs.
 Donley of Carlsbad.

J. J. Gist, teacher in Upper Cotton-
 wood schools entertained the pupils
 of the intermediate grades with a
 party at his home Thursday after-
 noon. Refreshments of cake and ice
 cream were served by Mrs. Gist, and

many games were played, and all
 of the pupils reported a wonderful
 time.

Before the state of New Mexico
 could be recognized by the U. S.
 government as a progressive state,
 we had to complete and file at least
 90 per cent of our births and deaths.
 Last year we just got over the line.
 Eddy County Health Department is
 asking the cooperation of everyone in
 this county to make our birth and
 death certificates 100 per cent and
 help us keep our state's per cent
 above the 90 per cent mark.

COUNCIL ELECTS OFFICERS

The Artesia Council of Churches
 met Wednesday of last week in the
 Methodist church study. Election of
 officers for the new year resulted in
 the following: President, Rev. W.
 A. Henry; Vice-President, Rev. John
 P. Sinclair; Secretary, Rev. R. W.
 Emerson.

It was decided to recommend to
 the various churches the holding of
 a simultaneous evangelistic campaign
 during the week preceding Easter
 Sunday.

FOR ARTESIA MERCHANTS ONLY
 Being one of a series of chats with Artesia businessmen in
 which they are told how they can increase their volume of sales.

Speeding Up Your Turnover

WHEN your merchandise turnover is
 sluggish and your revenue falls off
 it's time to look your business squarely
 in the eye.

Looking, you're likely to find two particu-
 larly disturbing factors. One is that some
 of your customers are shopping outside of
 Artesia. The other is that these same cus-
 tomers, and some others also, are buying
 from mail order houses.

Disturbing as these conditions are, advertis-
 ing is a way of getting around them. Adver-
 tising, that is, where it can do you the most
 good, advertising where your customers are
 certain to see it—advertising in your local,
 home newspaper.

Your own advertising is essential. There's
 no doubt of that. But if your merchandise
 turnover is to speed up and stay that way,
 the advertising support of the manufactur-
 ers whose commodities you handle is just
 as necessary.

And you can go a long way in enlisting the
 support of these manufacturers quite easily.
 When the salesmen of the manufacturers
 whose goods you stock call on you, impress
 them with this thought:

If you are to do any sizeable amount of busi-
 ness you must keep Artesia's folk coming
 to your stores and that advertising in your
 local, home newspaper—your own and that
 of the manufacturer—is therefore an abso-
 lute necessity.

Make this thought impressive enough and
 the salesmen are bound to convey it to their
 home offices where advertising moneys are
 decided upon and advertising media selected.

**You need the advertising aid of the manufacturers whose
 goods you stock—urge their salesmen to recommend your
 local home newspaper!**

The ARTESIA ADVOCATE

THIS newspaper has join-
 ed small town newspa-
 pers all over the country in
 a nation-wide campaign to
 convince national advertisers
 that they can best assist
 small town merchants by ad-
 vertising in the local, home
 town newspapers of the
 small town merchants.

THE CHURCHES

CHRISTIAN SCIENCE SOCIETY
613 W. Main Street

Sunday services at 11:00 a. m.
Wednesday services at 7:30 p. m.
Subject of the Bible lesson for Sunday, March 16, 1930 is: "Substance." In this lesson the following scriptural selection is found: "For where your treasure is there will your heart be also." (Luke 12:32).
Also the following citation from Science and Health with Key to the Scriptures, by Mary Baker Eddy, page 451. "Man walks in the direction towards which he looks, and where his treasure is there will his heart be also. If our hopes and affections are spiritual, they come from above, not from beneath, and they bear as of old the fruits of the spirit."
Visitors always welcome.

FIRST CHRISTIAN CHURCH
6th and Quay Streets
Ralph Waldo Emerson, Pastor

9:45 a. m. Bible school.
11:00 a. m. morning worship. Sermon subject: "Breaking Down the Barriers."
7:30 p. m., lecture: "Law Enforcement." A number of the churches are uniting for the evening service. The orchestra from the First Nazarene church will furnish special music for the occasion.
We are glad to welcome Mrs. Nell Crozier from the First Christian church of Patoka, Illinois, who placed her membership in the church here Sunday evening.
The church is making arrangements to hold a two week's revival meeting beginning Sunday, March 23. Evangelist Ralph Waldo Emerson, the new pastor will conduct the services, assisted by an experienced song leader from the Emerson evangelistic party of Kansas City, Missouri.

METHODIST EPISCOPAL CHURCH SOUTH
Rev. Harold G. Scoggins

"The large church with a warm welcome and a helpful gospel."
Last Sunday the high water mark was reached in Sunday school attendance and for more than twelve months. All departments and every class had an increase in attendance.
Plans are to increase the attendance every Sunday until every person who should be in Sunday school is in his or her place.
The Hornbaker Bible class for men is pressing forward in its campaign to double its membership before Easter. Mr. Hornbaker is a thorough student of the Bible and is an inspiring teacher and lecturer.
The program of evangelism that is being carried on under a new program is bearing fruit in increased congregations every Sunday, the church is following the leadership of the pastor. The financial situation in the church is very good and it is hoped that by Easter with the freewill offering on Easter morning that every obligation will be met for the first half of the year.
Sunday school at 9:45 a. m., every Sunday morning at 11:00 a. m. the pastor will preach on the theme, "Christ Within."
Epworth Junior and Senior Leagues at 6:30 p. m.
At 7:30 the pastor will preach upon the theme, "The Mourners' Bench."
Wednesday evening at 7:30 p. m. mid week worship.
At the second quarterly conference last Sunday afternoon the presiding elder reported that Artesia is in better condition than any church in the district and in better condition than it has been in his three years on the district.

FIRST BAPTIST CHURCH

We are glad to see the good interest manifested in the work last Lord's day. We had good attendance at all the services. As the spring comes on we are expecting the crowds to increase. We had one addition at the morning service. We must not forget the Sunday school and laymen's convention to be held at Roswell on the 25, 26 and 27 of this month. A splendid program is being prepared with a number of leading speakers of the south taking part. We are expecting a good delegation to attend from this church. It will be quite a treat for us and so near at hand. Let us make our plans to be there.
Next Sunday morning the pastor will speak on, "The Christian, A Temple of God." At the evening hour the subject will be, "What and Where is Heaven?" These are timely and interesting themes and we are sure you will enjoy them. Our choir will furnish us good music. You will find a warm welcome to our services. Do not forget the Sunday school at 9:45 a. m.
B. Y. P. U. s at 6:00 p. m.
We extend to you a hearty invitation to all our services.
R. PETERSON, Pastor.

CHURCH OF THE NAZARENE
W. A. Henry, Pastor.

Sunday school 10:00 a. m. Clarke Wilde, superintendent.
We had almost a record attendance last Sunday. Let's keep up the good work.
Morning worship 11:00 a. m. Sermon by the pastor. Communion ser-

vice.
There will be no evening service as we will unite with the Christian church Sunday evening at which time the Rev. Emerson, pastor of the Christian church will deliver a lecture on "Law Enforcement."
Let every dry citizen of Artesia turn out and hear this message.
Orchestra practice Tuesday evening 7:00 p. m.
Mid-week prayer service, Wednesday evening.
Cottage prayer service Friday evening. If you would like a prayer service in your home, please call the pastor.
Go to church Sunday, somewhere. We invite you to the Church of the Nazarene.
"We are progressing with progressive Artesia."

FIRST PRESBYTERIAN CHURCH
Fourth and Grand
Rev. John P. Sinclair, Pastor
Phone 249.

Sunday, March 16th, 1930.
9:45 a. m., Sabbath School.
The men's class taught by the pastor is seeking to increase its membership so as to be ahead of the Women's class. Subject of study next Sunday morning—"Parables of the Kingdom."
11:00 a. m. Morning worship. Sermon subject: "Days of Tribulation." This Sunday is set apart for prayer for the persecuted religious minorities in Russia. Has persecution been a blessing or a hindrance to the church? Is our religion too easy? Are we getting out of our religion all that it has to give? Is religion the "dope" that the Bolsheviks say that it is?
6:00 p. m. orchestra.
6:15 p. m. Christian Endeavor. Two groups.

7:00 p. m., popular peoples service. Music by church orchestra and anthem by Junior choir. Cornet solo by Edwin McCaw. Short sermon by pastor, subject: "Where Mightiest Strength and Tenderest Beauty Meet." Solomon's temple had pillars with lily work, symbolic of God's holy church and the best life. This service will be curtailed so as to allow all to attend the Christian church in time to hear the lecture by Rev. R. W. Emerson on "Law Enforcement," a message which all should hear.
Wednesday, 7:30 p. m., Praise, prayer and study of the Acts of the Apostles. The Presbyterian church members and adherents are now engaged in reading the Acts of the Apostles in commemoration of the 1900th anniversary of the Day of Pentecost. A number of other protestant churches are also engaged in

the same profitable manner.
The annual church supper and business meeting will be held Wednesday, March 26th. The Presbytery of the Pecos valley will meet with the Clovis Presbyterian church on Tuesday and Wednesday, April 1 and 2. Elder J. H. Jackson and the pastor will be the delegates. Elder S. W. Gilbert was appointed alternate elder commissioner.
Ladies' Aid annual election of officers last Thursday afternoon resulted in the following new officers being elected: Mrs. W. E. Kerr, president; Mrs. A. M. Tarbet, vice-president; Mrs. M. Bruning, secretary-treasurer.
The new officers of the Missionary Society recently elected are: Mrs. J. P. Sinclair, president; Mrs. S. W. Gilbert, vice-president; Mrs. G. R. Brainard, secretary; Mrs. R. G. Knoedler, treasurer.

The Christian Endeavors are planning to send at least two of their numbers as delegates to the New Mexico State Christian Endeavor convention which meets at Las Cruces April 4, 5 and 6.
Remember — A camel will drink enough water at one time to last him for many days. But it is not wise for Christian people to think that one good service of worship will last them indefinitely. The churches of Artesia provide you with an oasis in the middle of the week. Come next Wednesday evening to prayer service and DON'T BE A CAMEL.

WORLD WIDE PRAYER MEETING

A good representation of ladies from the various churches were present at the prayer meeting, which was held at the Baptist church last Friday afternoon. Mrs. Ralph Peterson presided at the meeting and Mrs. Frad Cole was in charge of the singing. Mesdames Gates and Wheatley favored the audience with a beautiful duet, Mrs. E. O. Jones accompanying. Excellent talks were made by Mesdames Sinclair, Bishop, Allinger, Emerson, Cowan, and Peterson.

THE CHURCH OF CHRIST
Corner 7th and Grand Ave.
One Block West of Central School

We are still gaining in membership in our Bible school. If the regular members would all come, there would be a full house. We have no regular minister on the ground to keep the membership reminded of their duty, and preach, but, say! Listen, we have a dandy good gospel sermon preached every Lord's day at 11:00 o'clock. When Christ gave to his apostles the Great Commission,

WE THANK YOU!

The following have renewed their subscription to The Advocate the past week:

- | | |

New Life for Old Vegetables

The life span of green vegetables, formerly only a few days in the kitchen of the average housewife, has been lengthened to many weeks since Frigidaire engineers produced the hydrator, moist air compartment for their electric refrigerator, which permits the preservation of celery, lettuce, and like vegetables for weeks in the most perfect condition, according to Mr. G. S. Deane, of the Southwestern Public Service company, Frigidaire dealers here.
Mr. Deane has just returned from Dallas, where he attended the regional convention of the corporation,

and where the hydrator was presented to the Texas field organization.

Tests with the new device have shown that celery can be preserved, fresh and crisp, for weeks at a time, and other vegetables can be preserved for similar lengths of time. Wilted vegetables may be restored by the new device, according to Mr. Deane. Celery, in the wilted condition shown above on the left, was placed in the hydrator and in the space of a few hours was restored to its original fresh-from-the-garden appearance as shown on the right.

Things
WORTH
KNOWING

A poultry house for sitting hens should be secluded, slightly darkened, and separated from the houses for layers and breeders. Place the nests so that the hens won't have to fly or jump into them.

Cowpeas for hay are better if grown with other crops than alone. The sorghums (sorghos and kafirs), Sudan grass, Johnson grass, soybeans, and millet are suitable. Sorghos or kafirs, when grown with cowpeas make a good hay or silage. This mixture cures more easily than cowpeas alone, makes a well-balanced ration, and is relished by all kinds of livestock.

If the dairyman buys all his feed, hires all his labor, and disposes of the milk at current wholesale prices he will make little if any money. If he buys all his feed and does all his own work he may make day wages. To make the greatest profit raise most or all the feed and market it through the dairy cow at a price at least equal to what the same feed would cost on the market.

Poultrymen always used to cool the eggs hatching in an incubator by taking them out for a short time each day. It has been found that this practice is unnecessary, says the U. S. Department of Agriculture, except when the temperature of the incubator has been running too high. To decide whether to cool eggs or not, notice the size of the air cell, which should gradually increase in size. If the development is too rapid, cool the eggs until they feel slightly cool to the touch.

It's a good idea to make a small outdoor seedbed, with specially prepared soil, in a corner of the farm garden, to start the plants. They will be more stocky if started here and later transplanted. A good soil mixture for the seedbed is one part of well rotted manure, two parts of good garden loam or rotted sods, and one part of sharp, fine sand. The addition of leaf mold or peat makes the soil better. Mix the materials well and sift the soil.

The farm horse is less likely to get sore shoulders if it gets special care in early spring until the muscles harden and the winter hair sheds. Clean the shoulders carefully after the day's work and before harnessing in the morning. After removing the harness, wash the shoulders with warm water and castile soap, and rinse with cold salt water. Keep this up for two or three weeks. It is worth while to spend a little time on the horse in the field. Rinse the collar and clean the sweat, dirt, and dead hair from the shoulders and collar. Whenever possible, lift the collar forward and let the horse's shoulders cool off.

The most profitable pig is the one that never stops growing till it goes to market. Pigs are less likely to be fed irregularly and to lose weight if they and the sows are fed in self-feeders where several days' or even a week's supply of feed may be stored. At the U. S. Department of Agriculture experiment farm in Maryland sows and pigs on self-feeders have proved more thrifty than those that were hand fed. In tests comparing the two methods of feeding, No. 2 yellow corn, commercial gray middlings of good quality, and 60 per cent tankage were the chief feeds. The pigs ate when they pleased and as much as they pleased. The outstanding results of the tests were that in the self-fed lots the feed cost per 100 pounds of gain was materially less and the sows and pigs were in better condition at weaning time.

Sambo: "Yes, suh, business ben fine. Mah wife done gib me \$10 an' ah bought a pig. Ah kept tradin' fo' everything under the sun, till finally ah gets a bicycle, an' ah sold it fo' \$10.
 Rastus: "But you-al doan' make no money."
 Sambo: "Co'ce not. But look at de business ah's been doin'!"

SAMBO'S PHILOSOPHY

"'Twouldn't be so bad—folkses toot in' day own hawn—often dey didn't play de same ol' chune so MUCH."

COTTON ACREAGE IN NEW MEXICO WILL BE INCREASED--REPORT

Prospect for a considerable increase in cotton acreage in New Mexico in 1930 is shown by replies to a questionnaire sent out by G. R. Quesberry of the New Mexico Agricultural College. This questionnaire was sent to all farmers handling their cotton cooperatively in Dona Ana, Luna, Sierra, Chaves and Eddy counties, New Mexico, and El Paso and Huds-peth counties, Texas.

A tabulation of the questionnaire shows that more decreases in acreages are among the farmers planting small acreages of cotton, the total of those under 50 acres showing an 8% to 10% decrease. On the other hand, farmers with large acreages show, as a whole, an inclination to increase.

The principal decreases, also, are on the areas where the smallest acre yields were received in 1929 and the increases are where the acre production was greatest. It appears that unless the intentions to plant are changed within the next 30 days, there will be a considerably larger production in these counties in 1930 than in 1929.

In view of the fact that some of the above counties showing proposed increases produce a greater number of pounds of lint cotton per acre than any other communities in the United State, it would appear that many farmers within this district are leaving the decreases to their neighbors. Also these indications include only the first large group of farmers who sent in replies to the questionnaire, it clearly indicates that they do not intend to make a decrease in acreage during the present season but are trusting that someone may befall the rest of the cotton growers of the south in the meantime. The preliminary outlook for cotton growers is not very bright if all growers are similarly inclined.

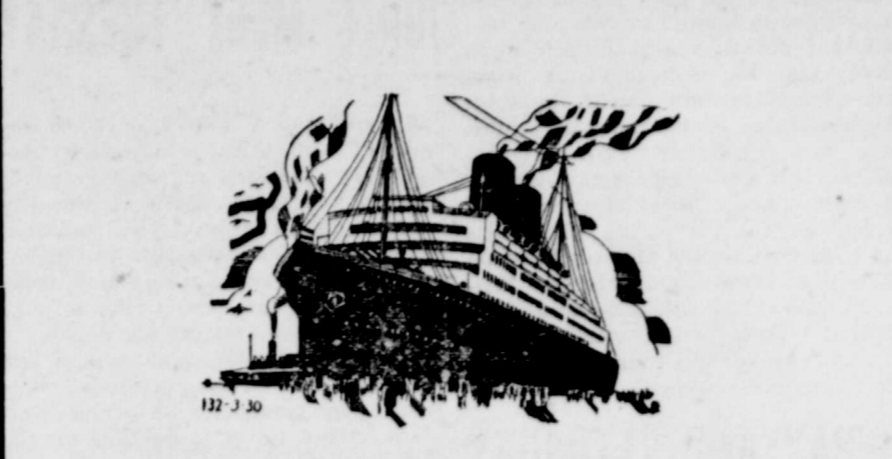

NEW MEXICO PLANS \$18,000,000 PUBLIC WORK

More than \$17,500,000 in public works, including highways and the Middle Rio Grande conservancy district, are planned in New Mexico, said Governor Dillon in a letter to Secretary of Commerce R. P. Lamont Friday.

December 18, the governor sent Secretary Lamont a report on building contemplated in this state to carry out President Hoover's plan to speed up building. Including roads he gave the total as \$6,639,312 at that time.

In Friday's letter the governor lists additional roads and works, bringing the figure up to \$7,761,312. The Middle Rio Grande conservancy district accounts for the remaining \$10,000,000.

WHEN WILL YOU BEGIN USING THIS NEW OIL?

It is being rumored (and truthfully) that no other American motor oil has been so speedily accepted by motorists. Conoco Germ-Processed Motor Oil has smashed all precedents by its amazing reception . . . And this oil is as unusual as its introduction. Its superiorities are so apparent, that even before its announcement was well under way, literally thousands of new users were appearing at Red Triangle stations.

CONOCO
GERM
PROCESSED
 PARAFFIN BASE
MOTOR OIL

Its name seems to intrigue motorists and much conversation has dwelt on the Germ Process, and the whys and wherefores . . . the story is this: Under exclusive Conoco-owned patent rights, a precious oily essence is added to a superbly fine paraffin base oil. This essence is lacking in all other oils, including the one you are now using. The Germ Process makes possible the metal-penetrating safety factor that we call "penetrative lubricity." And this oil, of all on the market, provides a safer, more positive motor protection, from the time you start the motor until you turn off the ignition. So . . . when will you begin using this new oil? . . . at the sign of the Red Triangle.

REGULAR MEETING OF CHAMBER OF COMMERCE LARGELY ATTENDED

One of the most enthusiastic Chamber of Commerce meetings held in sometime occurred in the roof garden of the Artesia hotel, Tuesday evening when some fifty or sixty members assembled to hear a discussion of some of the proposed plans of the organization under the new manager, Lawrence Kremer.

Dr. J. J. Clarke, who with Mr. Kremer represented Artesia at the annual banquet of the Carlsbad Chamber of Commerce, held at Carlsbad, Friday evening, made a report on their visit.

Members were asked to vote their preference on three proposed locations for the Chamber of Commerce office. The three locations which have been proposed are the present office, the old City Market building, and the ground floor of the Artesia hotel.

Methods were discussed for creating interest in increasing the cotton yield and a contest was talked of, involving a prize of \$1,000.00. In some parts of Texas, a cotton growing contest has been staged with gratifying results.

W. E. Ragsdale spoke briefly on the possibilities of securing a brick factory, now that we have natural gas. J. H. Jackson discussed briefly the features of the proposed Artesia Improvements Association.

BIRTHS

Born to Mr. and Mrs. Leroy Keizer Tuesday morning, a daughter. Born to Mr. and Mrs. Jim Jackson, Monday morning, a daughter.

Mrs. Jap Marable is reported dangerously ill at a hospital in Carlsbad.

FORTY TO TAKE PART IN FOUR BALL GOLF TOURNAMENT SOON

Local golfers are preparing to stage what is known as the four ball golf tournament, where the top notch player and the occasional or inexperienced player are paired together. The qualifying rounds may be played from now until the 24th of this month.

FRIDAY AND SATURDAY WILL BE HIGH SCHOOL DAY AT THE CAVERNS

Superintendent W. E. Kerr, announced Tuesday morning that one hundred and forty-five students and teachers from the high school were preparing to attend the "high school day" at the Carlsbad caverns Saturday of this week.

Referring to the "high school day" at the Caverns, the Current-Argus says:

An occasion unique in school and civic circles of New Mexico occurs on Friday night, Saturday and Sunday night in Carlsbad, in conjunction with "high school day" in Carlsbad Cavern.

City Superintendent W. G. Donley stated Monday morning that definite assurance had been given by fifteen schools that they would have representatives of their senior classes in the group which is expected to include five hundred. From those giving definite numbers, 205 had signed up, while numbers had not been received from Artesia, Roswell, Clovis and other towns which expect to send delegations.

Governor Dillon has sent invitations to not only the schools but has also announced that he has invited ten outstanding people of the state to be here for the occasion.

The distinguished guests will be Governor and Mrs. Dillon, Dr. Zimmerman, president of the state university and Mrs. Zimmerman, President Carroon of the New Mexico Normal University at Las Vegas.

An interesting musical program of unusual note is being prepared for the opening of the combination event, Friday evening at the high school auditorium. This will be given by the string quartette of the Normal University. This part of the program alone is an occasion of much interest.

NEW MEXICO BANKERS DISCUSS AGRICULTURE

Decided progress in the farming and livestock business in New Mexico was shown in reports presented to the agricultural division of New Mexico Bankers' Association, at their meetings in Las Cruces, February 24, by Arthur F. Jones, cashier of the First National Bank of Portales and chairman of the agricultural committee of the association.

Some of the important activities

ASSOCIATION MEMBERS AND ROTARIANS HAVE JOINT MEET TUESDAY

Approximately two hundred members of the Alfalfa Growers Association, Rotarians and visitors gathered in the roof garden of the Artesia hotel Tuesday, the occasion being the annual banquet for members of the association and their wives which was turned into a joint meeting of the two organizations.

W. R. Hornbaker, manager of the association, acted as master of ceremonies in presenting a short program. After the introduction of the Rotarians and visitors to members of the association, Rev. Scoggins, song leader, led the assembly in singing "America." After the banquet was served Fred Brainard, president of the Artesia Chamber of Commerce, gave a short talk on "Community Problems," making a plea for closer cooperation between townspeople and the farmers.

Other interesting information for farmers and stock raisers will be given by Prof. O. C. Cunningham, head of the dairy department; Prof. J. L. Lantow, head of the animal husbandry department; Dr. Fabian Garcia, director of the experiment station; George Quesenberry, extension agronomist; and W. L. Elser, director of the extension division.

The farm and home special will carry extensive livestock and crop exhibits together with exhibits which are being arranged by the home economics department of the extension service. The latter exhibits will include displays of 4-H club work and improved kitchen equipment and labor saving devices for the farm home.

The special train will be made up at Mesilla Park and the first stop will be made at La Tuna. A Spanish interpreter will be available at all times.

The train will stop at the following towns: La Tuna, Berino, Mesquite, Las Cruces, Dona Ana, Rincon, Deming, Hatch, San Antonio, Socorro, Belen, Los Lunas, Gallup, Bluewater, Laguna, Mountainair, Willard, Estancia, Encino, Ft. Sumner, Tolar, Melrose, Clovis, Loving, Otis, Carlsbad, Artesia, Lake Arthur, Hagerman, Dexter, Roswell, Elida, Portales, Texico, Albuquerque, Alameda, Bernillo, Santa Fe, Ribera, Las Vegas, Watrous, Shoemaker, Wagon Mound, Comor, Springer, French, Maxwell, Ute Park, Cimarron, Raton, Des Moines and Capulin.

The train will be in Artesia, Monday, April 7th, at 5:00 p. m.

The Silver City bank, in cooperation with the extension service, sponsored a tour to the Highland Hereford Breeding Association at Marfa, Texas, and in ten months following the results show that more than 500 head of good registered bulls and about 1,000 head of high grade registered cows and heifers replacing scrub and low quality stock. Marked progress is also reported in Union county as a result of cooperation of the key banker in financing livestock improvement.

Some of the important activities

T. FORT WELL KNOWN LAWYER OF ROSWELL DIES SUNDAY P. M.

Judge Thomlinson Fort, age 59, Roswell attorney and senior member of the firm of Fort and McGhee, died at 1:00 o'clock Sunday morning following an extended illness. Mr. Fort was among the best known attorneys of the Pecos valley and enjoyed a wide acquaintance locally.

Funeral services were held Monday afternoon. Burial was made at Roswell.

Surviving him are his wife and one son, Tomlinson, Jr., of New York City, who was at the bedside. He also had a young grandson, James Tomlinson Fort.

SANTA FE EXTENSION TRAIN TO STOP HERE APRIL 7TH AT 5 P. M.

"The Essentials of Successful Poultry Raising" is one of the important topics which will be discussed during the operation of the agricultural extension train—the farm and home special—which will be run over the Santa Fe lines in New Mexico during the first two weeks of April.

Prof. L. N. Berry, head of the poultry department of the New Mexico College of A. and M. A., will make the talks on poultry subjects. In his talks to farmers who visit the farm and home special, Professor Berry will stress the importance of rearing chicks scientifically, necessity of culling flocks and proper housing, the importance of balanced rations, and the value of accurate flock records.

The farm and home special will carry extensive livestock and crop exhibits together with exhibits which are being arranged by the home economics department of the extension service. The latter exhibits will include displays of 4-H club work and improved kitchen equipment and labor saving devices for the farm home.

The special train will be made up at Mesilla Park and the first stop will be made at La Tuna. A Spanish interpreter will be available at all times.

The train will stop at the following towns: La Tuna, Berino, Mesquite, Las Cruces, Dona Ana, Rincon, Deming, Hatch, San Antonio, Socorro, Belen, Los Lunas, Gallup, Bluewater, Laguna, Mountainair, Willard, Estancia, Encino, Ft. Sumner, Tolar, Melrose, Clovis, Loving, Otis, Carlsbad, Artesia, Lake Arthur, Hagerman, Dexter, Roswell, Elida, Portales, Texico, Albuquerque, Alameda, Bernillo, Santa Fe, Ribera, Las Vegas, Watrous, Shoemaker, Wagon Mound, Comor, Springer, French, Maxwell, Ute Park, Cimarron, Raton, Des Moines and Capulin.

The train will be in Artesia, Monday, April 7th, at 5:00 p. m.

Lasting Monuments

The most persistent of all monuments are made neither of steel nor stone, but of the fragile thoughts of men and a scrap of paper. Moreover, they are multiplied again and again, forever renewed and yet persistently the same. Every library cherishes them, and thereby the names of their makers are kept green. They are books and the things written therein, whose antiquity makes all ordinary memorials seem like the playthings of architects.—Philadelphia Ledger.

Loving-----Catherine Morrison Malaga----- Mrs. R. D. Bruce

Some people seem to have the idea that this is none of the sub-registrar's business. That is a mistaken idea. Each sub-registrar has full legal authority to enforce this law. Any one who refuses to give a sub-registrar information needed to complete a certificate or anyone who refuses to file a birth or death certificate when required by law to do so, or anyone who buries a dead body without first filing a death certificate and getting a burial permit from the health officer or sub-registrar, violates this law and should be prosecuted by the health officer or sub-registrar. The penalty for violation is a fine of five dollars to one hundred dollars, or five to ninety days in jail, or both fine and jail sentence.

Eddy county doctors, undertakers and citizens have been very cooperative in this matter. The health officer has not had any prosecutions along this line. We trust everyone will remain cooperative in this matter and help to make Eddy county one hundred per cent.

Calling Cards, 100 for \$1.75, on best grade paneled or plain stock.—The Advocate.

BOY SCOUT NOTES

Seven hundred Boy Scouts of Eastern New Mexico Council will gather in Roswell April 18th for the sixth annual jamboree. This will be the largest gathering of Boy Scouts ever held in New Mexico.

The afternoon will be filled with competitive events in first aid, knot tying, wall scaling, signaling, cooking, hatchet throwing, etc. The evening program will be held in the new Junior high school auditorium and will consist in demonstrations of scouting.

Governor Dillon has been invited to attend and award Eagle Scout badges. Local scouts and leaders are planning to attend and to take part in the various events.

LOCALS

Miss Hazel Belle Johnson visited with friends at Lubbock, Texas, over the week end.

Scott Meyer of Hannibal, Missouri has been spending a few days in the Cottonwood community looking after property interests.

Wink Hardin was in from his ranch west of Hope yesterday and was preparing to start shearing his goats for the spring clip.

Miss Ethel Bullock left this morning to attend the marriage of her sister, Miss Jessie Glenn Bullock to Mr. Daniel Claypool, which will take place in Ft. Worth, Texas, Saturday.

Mrs. Wallace Merchant returned Friday to her ranch home in the Capitans, after a few days visit here. Mr. Merchant came down on Monday and his daughter, Mrs. Ballard Spencer, accompanied him home Tuesday and will remain there until the end of the week.
