## Highway 83 Bid Opening Is Set for July 29

SANTA FE, (AP)—Bids will be opened July 29 at 2 p. m. on the Highway 83 project on high-way 83 west of Mayhill, the U. S. bureau of public roads said to-

The project calls for 6.3 miles of blacktop in Lincoln national highway. W. J. Keller, BPR district en-gineer, said recently right-of-way troubles might make it im-possible to put the job under contract. A spokesman said to-

## Young Democrats Make Bitterness, Take Unity Show

SANTA FE — (AP) — New Mex-ico Young Democrats today were in their home counties re-peating their rosters after an es-timated 30 per cent of their mem-ber had been purged with the ending of the age limit from 35 to 30.

Delegates to the annual two-day convention that ended in Santa Fe Sunday night estimated as high as 30 per cent of the membership will be eliminated. A Carlsbad delegate said "they voted us out of existence in Eddy county."

The sessions ended with an out-look show of unity but with some bitter feelings prevalent when the big Bernalillo-Los Alamos county delegations swept the elec-tions.

## More Scattered Showers Foreseen

By THE ASSOCIATED PRESS  
More scattered showers were re-forecast over the mountain areas of New Mexico today, but they aren't expected to bring any more moisture than those of yester-day and last night.

## Three Juveniles Held in Theft Of Automobile

Three juveniles who allegedly left a Lovington gas station without paying for the gas were await-ing action today by the FBI. The trio were caught by State Patrolman D. A. Bonine east of Artesia as they attempted to get away from law officers. They were riding in a car which Arkansas police said was stolen the night of July 9 from Camden, Ark.

## EARLY LUNCH FAIRMONT, Minn. — (AP) — A city employee took a hasty glance at the clock and blew the "noon" whistle. Workers all over town reached for their lunch buckets or started home for the noon hol-

## Urges Fair Play

ERNEST ANGELL, chairman of the American Civil Liberties union, is shown testifying before the Senate rules committee to urge adoption of a fair play code for all congressional probes. The ACLU said John Q. Citizen should have the same protection as Senator Joseph McCarthy (R), Wisconsin, or Army Secretary Robert Stevens before congressional investigators. (International)

## Churchill Urges Delay in Pressing China Into UN

LONDON — (AP) — Prime Minister Churchill said today his government does "not consider that this is the moment" to raise the matter of Communist China's admission to the United Nations.

The prime minister told the House of Commons that Britain's policy toward Red China remains the same—the favors seating Red China in the U. N. after the Pei-ping regime has proved it is willing to forswear aggression and abide by international agreements.

Churchill also said his Wash-ington conference with President Eisenhower was the most agree-able and fruitful in the experience. Churchill opened by saying that he went to Washington because he was "deeply concerned at the lack of information" Britain possessed about the hydrogen bomb. He concluded by saying that widespread acceptance of the idea of peaceful co-existence of Communist and non-Communist worlds might wit-

The passage of years solve prob-lems and "avert the mass destruc-tion of the human race."

The prime minister reminded France that the European Defense Community was a French idea. He said Britain and the United States were convinced this still remains the best plan for getting West Ger-many rearmament. In firm tones, he declared:

## Woman Almost Kidnapped By Geronimo Dies Sunday

ALBUQUERQUE — (AP) — A pioneer New Mexico woman who al-most was kidnapped by Geronimo as a child is dead.

Mrs. Marietta Wetherill, widow of the man who discovered the Mesa Verde Cliff Dwellings in Colorado, died at her home here yesterday at the age of 77. She had resided here for the past seven years.

Mrs. Wetherill first came to New Mexico in 1885 as a child with her parents, Mr. and Mrs. Sidney sal. Each member of the Palmer archaeological party from Kan-sas played a musical instru-ment, and they financed their archaeological trips through the Southwest by playing concerts along the way.

### Pretty Model Escapes Hurt In Juarez Bullfight Debut

JUAREZ, Mexico (AP) — In the language of the bull ring, former Broadway model and actress Bette Ford has much courage, bravery and beauty—but her ability is undetermined.

The 23-year-old, curvaceous Miss Ford headed back to Mexico City today for more training to correct a trait that led her under the horns and hoofs of a vicious Mexican bull yesterday and to four narrow escapes.

Bette, from McKeesport, Pa., made her formal bullfighting debut in the Juarez Plaza de Toros, just across the Rio Grande from El Paso, Texas.

### Flames Destroy Gymnasium at Melrose High

MELROSE (AP)—Fire of undetermined origin Sunday night gutted the Melrose High school gymnasium, leaving it a complete loss.

Estimate of the property and equipment losses run well over \$100,000, Ray Lofton, superintendent, said this morning.

Preliminary checks of insurance are being made today. Lofton estimated that the building was insured for around \$71,000.

Lofton turned in the fire alarm a few minutes before midnight Sunday. He was returning from Fort Sumner when he saw flames in the gym. The fire had evidently been smoldering for quite some time before discovery, he said.

The Melrose fire department was hampered by insufficient equipment to fight the blaze properly. Trucks were summoned from Clovis Air Force Base and Clovis.

For a time, the flames threatened to jump to nearby buildings housing the hot lunch program and music department. Approximately 400 persons gathered when the alarm sounded. They helped strip the buildings of all equipment.

The fire was not contained within the walls of the gymnasium until about 4 a. m. The gymnasium floor was still burning at mid-morning.

"We left the floors burning to make it easier to clean up afterwards," Lofton said, explaining the flooring was a complete loss because of its damaged condition.

The gymnasium, in addition to serving for basketball and physical education, was the school's only auditorium, and had eight additional rooms for dressing facilities, storage and stage equipment. The stage was considered one of the best equipped in this area among the smaller schools.

### Simms to Speak To Roswell Club

ALBUQUERQUE, (AP) — John Simms, Jr., Democratic candidate for governor, speaks before the Roswell Kiwanis club tomorrow.

### Simms to Speak To Roswell Club

ALBUQUERQUE, (AP) — John Simms, Jr., Democratic candidate for governor, speaks before the Roswell Kiwanis club tomorrow.

Simms, who returned to Albuquerque last night from Santa Fe where he attended the Santa Fe Fiesta and the Young Democrat convention, returns to Albuquerque after the Roswell talk.

NEW MEXICO DELEGATES to Boys' Nation in Washington, D. C., July 23-30 are Jim Shipp of Artesia (left), and Ray Cramer of Albuquerque. The two were elected by secret vote of their fellow citizens during the closing hours of the seventh annual New Mexico Boys' State held last month at New Mexico Institute of Mining and Technology, Socorro. Cramer served as secretary of state in the New Mexico citizenship school for boys, and Shipp was a councilman of the mythical "city of Mendoza." The two will fly to Washington in company with Robert Marr of Albuquerque, adjutant of the New Mexico Department of American Legion. Marr is secretary-treasurer of New Mexico Boys' State and a councilor of Boys' Nation.

### Labor Supply Is Adequate for Need, Foster Reports

The current supply of labor is adequate to meet local demands, Carl Foster, manager of the state employment service office here, announced this week-end.

Employment in general during June remained at a stable level compared with May, Foster said.

He estimated non-agricultural employment at 3,800.

Major construction jobs under-way, he pointed out, include a telephone building, Baptist church, and 10-room addition to Hermosa school.

Several residences are also being constructed.

Foster said 54.5 miles of road in the Artesia area are to be resurfaced and sealed, with work to start in the next 10 days.

There has been little change in oil production.

Currently 308 are registered as job seekers at the local office. Most are in unskilled, service, and semi-skilled groups.

Claims for unemployment compensation total 85, with 23 in the construction group, 21 in oil industry, and 41 in miscellaneous groups.

### Ball Park Theft Brings Change in Lock, Fewer Keys

After the latest in a series of theft of valuables in the Artesia NuMexer dressing room at Municipal Park, the lock has been ordered changed and the number of keys to it restricted, ball club Pres. Steve Lanning said last night.

### Little Chance Given Appeal By Carlsbad

Artesia Chamber of Commerce board of directors voted today to back the Eddy county land use committee in its decision to use money granted the county by the state legislature for purchase of right-of-way for an urban project in Artesia and for construction of a farm-to-market road in the Otis community south of Carlsbad.

The \$91,000, given the county by the state body in 1952, is money left over after payment of high-way debenture bonds which were retired in that year. The land use committee had decided to use the money for the above projects despite the Carlsbad C of C putting on pressure for construction of a road from Jal to Loving and then to Carlsbad.

The local body approved the committee's action in an unanimous resolution made after Chamber Mgr. Paul W. Scott presented the background of the situation.

While the Carlsbad Chamber of Commerce Sunday sent to the state highway commission a letter protesting action of the county land use committee, Santa Fe sources predicted the protest would do little good.

A source close to the state highway department said the department has not overruled the recommendation of county land use committees.

### Stockton Given Little Chance Of Catching Up

SANTA FE, (AP)—Louis A. Garcia, chairman of Santa Fe Young Democrats, Saturday night made John Simms' five children honor-ary members of the organiza-tion.

Simms' oldest boy, Jay, 12, was told as he accepted the membership:

"Even if John Simms' oppo-nent starts tonight, it'll take him 45 months to catch up."

Alvin Stockton, Simms' Re-publican opponent for govern-or, is a bachelor.

### Mystery Farm Is Identified as Dayton Reser's

Earl Boulden at 3:55 p. m. Friday was the first to identify the second in a series of Artesia Ad-vocate mystery farms as the Day-ton Reser farm in the Cottonwood area.

While two other readers called before Boulden, he was the first to correctly identify the farm.

Others who correctly identified the farm were, Mrs. J. A. Nelson, Lake Arthur; C. D. Eastham, Louise Bjermeland, Felipe Guerra, Gaynell Gray, James S. Spence, Mrs. Frank Cantrel, Blaine Haines, Louis Dagherty, Mrs. L. H. Card-er.

Also, Ray Zumwalt, Chas. Rans-barger, R. M. McDonald, Norman Prude, Mrs. A. W. Broocke, Jr., Dallas Golden, Larry McCaw, Bob Gates, Mrs. A. F. Smith, and M. L. Worley.

### Wildecat Walkout Halts Building On Big A-Plants

OAK RIDGE, Tenn. (AP) — A wildecat walkout by members of AFL Laborers' local B18 halted work today on two vast atomic plant construction projects.

More than 8,000 AFL construc-tion workers were idled by the walkout which union leaders de-scribed as illegal.

An atomic energy commission spokesman said the strike had no immediate effect on AFL and CIO production workers at the three atomic energy plants here.

The shutdown of the two con-struction projects was brought about by refusal of AFL building craftsmen to cross the laborers' picket lines.

W. H. Wardrop, business agent of Local B18, said "the pickets are unauthorized and use of the union's name on any picket signs is illegal."

The laborers tentatively had re-jected new wage proposals offered by the Knoxville chapter of Asso-ciated General Contractors. How-ever, Wardrop said a meeting was scheduled today "whether to ratify or disapprove the wage scale proposal."

Six other AFL unions affiliated with the Knoxville Building Trades Council reached agreement with ACC Saturday. They accepted increases reportedly ranging from 5 to 10 cents an hour.

Meanwhile, CIO chemical work-ers who struck three days last week to back up demands for a wage increase were reported back on the job in normal force.

### Rendon Is Mum On Guatemala Uprising Role

ALBUQUERQUE, (AP)—Joe Ren-don, New Mexico political figure who played a mysterious role in the recent Guatemalan revolution, returned quietly to Albuquerque last night.

"I don't want anybody to know I'm in town for awhile," he said in declining to see reporters.

Letters to friends had indicated Rendon went from here to Mexico City where he joined Gen. Federico Ponce, former provisional president of Guatemala and one of the leaders promoting the revolu-tion.

Rendon later went to Honduras, from where the successful revolu-tion was launched, and later to Cuba.

### Methodist High Council Slates Dallas Meeting

DALLAS (AP) — The "supreme court" of the Methodist church, its judicial council, will meet here July 19-21.

The council has met in Texas only once before, in San Antonio in 1951.

It alone can pass on the consti-tutionality of acts of the general conference, or give official inter-pretation to acts of the general conference that can be interpreted in different ways. Its decisions are final.

## Miss Duncan Becomes Bride Of Airman in Chapel Rites

Lighted by cathedral candles, the sanctuary of the Walker Air Force Base chapel, was the setting July 3 for the marriage of Virgie Charlotte Duncan, 19, daughter of Mr. and Mrs. Garland Duncan, pioneer residents of this area, to A-1C Robert Paul Livingston, 21, WAFB, son of Mr. and Mrs. Paul Livingston, pioneers of Athens, N. Y.

Two seven-point candelabra holding burning white tapers flanked a cross against the green satin backdrop trimmed in gold braid, formed the background for the ceremony. The impressive double ring ceremony was performed by Baptist Chaplain Patterson.

Preceding the ceremony the chapel organist, played a program of pre-nuptial music. The bridal chorus from Lohengrin by Wagner was the processional and Mendelssohn's Wedding March the recessional.

Given in marriage by her father, the bride wore a gown of white silk with silver metallic threads. The dress was designed with molded bodice with tiny rhinestone buttons down the front and a full skirt, ballerina length. The double bertha collar stood up slightly which was very becoming.

The young couple plan to take a honeymoon trip to New York when he gets his leave. They motored to Ruidoso and returned to the bride's parents home where a chicken supper was held in their honor.

# Artesia Downs Colts in Wright's First Pro Game

Excellent fielding by his team got rookie Tex Wright out of repeated trouble in his professional debut here Sunday as the Artesia NuMexers defeated San Angelo's Colts 4-2.

## AL Pitching Changes Hike National All-Star Hopes

By JOE REICHLER  
CLEVELAND, (AP)—Two 11th-hour changes in the American league pitching staff have caused the odds on the already favored National league to soar to 8.5 to 1 for tomorrow's annual All-Star Game.

Nobody here could recall when one league ruled such a prohibitive favorite over the other, even during the years when the power-packed American league captured four straight from 1946 through 1949.

Now, on the eve of the 21st clash, the shoe is on the other foot. Not only does the National own a four-game winning streak but it has most of the long-ball hitters.

Until New York's Allie Reynolds and Cleveland's Mike Garcia were declared physically unfit, it appeared the American league's seemingly superior pitching might give the National's numerous home run hitters.

Reynolds begged off because of a pulled groin muscle and Garcia was excused because of a ruptured blood vessel in a finger. In their places, Manager Casey Stengel chose Sandy Consuegra, crafty Chicago White Sox right-hander, and Irv Noren, currently hot Yankee outfielder. Noren probably will see action only as a pinch hitter.

Both managers—Stengel and rookie Walter Alston—were mum concerning their pitchers but the expected crowd of 65,000 in Cleveland's Municipal Stadium probably was due to see a battle of right-handers—at least during the first three innings.

Based on the starting lineups, which are predominantly right-handed, and by process of elimination, the field narrowed down to Robin Roberts of the Philadelphia Phillies and Bob Keegan of the Chicago White Sox as the opposing hurlers. Both will be well rested by Tuesday. Keegan has done no pitching since Friday, nor has Roberts except for a brief mopup job Sunday.

The only other well rested pitchers are the Yankees' Whitey Ford and the New York Giants' Johnny Antonelli.

## Artesia Batters Near Loop Top in Individual Records

Artesia's NuMexers continued their domination of Longhorn league team batting prowess over the past week, widening their first place lead from 4 percentage points to 6.

The NuMexers as a team were batting .317, compared to second place Roswell and Carlsbad's .311. The statistics are revealed in averages compiled by William J. Weiss of San Mateo, Calif., official league statistician.

The averages include games of Tuesday, July 6, except San Angelo at Sweetwater May 6, Odessa at Sweetwater May 8, Midland at Sweetwater May 19, Big Spring at Sweetwater May 22, Roswell at Odessa May 26, Big Spring at Carlsbad July 5-6, Midland at San Angelo July 6.

Other team batting strung under three top teams were Big Spring's .291, Odessa and Midland .290, San Angelo .289 and Sweetwater .277.

Artesia was second as a team in fielding, 9 percentage points under top place Roswell, which had .951. Artesia took second with .942, then came Big Spring .936, Midland .935, San Angelo .934, Carlsbad .932, Odessa .928, Sweetwater .915.

Joe Bauman of Roswell, continued to hold most of the league's individual batting records, but there were some Artesia boys who came close to his pace and held down positions at the top of the league.

John Goodell, for example, was four in runs, ranking below Bauman's 108, 99 for White of Roswell, 83 for Ike Jackson of Carlsbad and 81 for Goodell.

Only one man in the league has been credited with more at-bats

## Last-Minute, Seven-Run Sally Wins for Big Spring

BIG SPRING (AP)—Big Spring scored seven runs in the final two innings of play to come from far back and defeat the down-trodden Odessa Oilers here Sunday afternoon 10-9.

Wes Ortiz, starting Odessa hurler, weakened in the eighth inning just when it appeared he was easily on his way to his 11th win of the year.

He weathered a four-run Big Spring outburst in that round only to be tagged with his third loss of the year in the ninth.

Bob Martin, the third Bronco hurler of the afternoon, received credit for his first win of the year, although he pitched to only three batters.

Julio De La Torre tied the score in the ninth with his 24th four-master of the year, the boundary swat coming with Pinch-Runner Tito Arencibia aboard. Bob Martin kept the Big Spring rally alive with a single and Hank Gonzales came in to spell Ortiz on the mound.

Huck Doe dropped a double just in front of Centerfielder Bob Fabian and Medsell Lagrone ended the wretched battle by hitting a sacrifice fly to right field, permitting Martin to come in from third.

Glen Woodard started on the mound for Big Spring but was ineffective. He was succeeded in the fourth by Albert Hill, who labored until the ninth.

The Oilers touched the three Bronco hurlers for 16 assorted blows, including a triple, double and single by Bob Bauer.

Ortiz did have the satisfaction of clubbing a home run before he left. He touched Hill for the round tripper, a solo blast, in the eighth.

## Legion Nine Schedules Roswell Tilt

Artesia's American Legion junior baseball team travels to Roswell tomorrow night to take on the Roswell nine, leaders so far in district play.

The game to be played at the Fair Grounds park at 7:30 p. m. will be the third clash between the two teams. The Chaves county Legion team has been the winner in the two previous engagements, one played here and one in Roswell.

Commissioner Bert Bell said, in turn, that the first official who did not suitably reward such an heroic feat would find himself out of a job. Luckily for all concerned, it didn't happen before they could get out a new book which completely ignores the possibility of such a kick. Now it probably never will be done.

If the Yankees do fall short of their sixth straight, the one pitcher they probably will remember longest is Willard Nixon, the undisputed right-hander of the Boston Red Sox who just licked them for the third straight time. The scores have been 2-1, 3-1 and 6-1, with two Yank runs earned.

Nixon can't beat anybody else. He has lost four straight to Cleveland and two in a row to the Chicago White Sox, the Yanks' chief rivals. Against the rest of the league, his earned run average per game is 8.87. Against the champions it is a sensational 0.67. He has averaged seven strikeouts per Yankee killing.

Some of the older Yanks, such as coaches Bill Dickey and Frankie Crosetti, are beginning to feel that this is where they came in. They remember all too painfully what an unsung thrower named John Babich did to another Yankee club that was seeking its fifth straight

## Carlsbad Wins Over Spudder Squad By Error in Ninth

SWEETWATER (AP)—Charlie Tuttle's miff of Oliver Hardy's pop fly with the bases loaded in the top of the ninth allowed Elias Osorio to score the run that beat Sweetwater for Carlsbad, 10-9, here Sunday afternoon.

Osorio had walked, gone to second on Ike Jackson's single, and taken Goldy Gholson's walk.

Don Stephens, who relieved Starter Ollie Ortiz in the seventh, was credited with his third loss against no wins. Don Fornal, who took over for Tom Fornal in the sixth was the winner.

Hardy collected only two hits for Carlsbad but one was the biggest blow of the game, a three-run homer in the sixth.

Pedro Osorio and Raul Dieppa also smashed round-trippers for the Potashers.

Osorio's was a two run in the park swat in the first inning and Dieppa's was good for two more runs in the fifth.

Tuttle's solo homer in the eighth was the only round-tripper by a Spudder, but Ken Cluie rapped four hits in six trips, including a pair of triples and a double.

However, he was credited with only one run batted in.

Such was the case all afternoon with the Spudder hitters. With every man on the team hitting safely except Pitcher Stephens, the Spudders picked up 22 hits but these were neutralized by 14 stranded runners, at least one in every inning.

Chico Recio, Tuttle and Mgr. Red McCarty each got three hits apiece for the Spudders, with Recio and McCarty knocking a double apiece.

## New Football Guide Takes Care of Knotty Problems

By GAYLE TALBOT  
NEW YORK (AP)—The newly arrived National Football league guide takes care of a little problem which raised some heated arguments last season and caused several well known officials to threaten to ignore the rules if a certain thing ever happened to them.

It had to do with the possibility that a team, after it had incurred a safety and was putting the ball back in play by a free kick from its own 20-yard line should boot the ball 80 yards through its opponent's goal posts. All right, it doesn't sound probable, but what if there were a 60-mile wind blowing in the right direction?

Anyway, the former rule, for some reason never fully explained, said that such a feat would constitute a field goal and would be good for three points. Certain officials said they didn't care if it was in the books, it was crazy, and that any club which pulled it off in their would not get even one mangled point.

Commissioner Bert Bell said, in turn, that the first official who did not suitably reward such an heroic feat would find himself out of a job. Luckily for all concerned, it didn't happen before they could get out a new book which completely ignores the possibility of such a kick. Now it probably never will be done.

## Dallas Drops 9-8 Decision Despite Rally

By ROBERT E. FORD  
Associated Press Staff  
Home runs made the difference as both Shreveport and San Antonio, standing one and two in the Texas league, each swept double-headers Sunday night. Shreveport's homers broke ties, Shreveport's blows—each with one man on base—produced victories in the ninth innings.

San Antonio beat Beaumont 5-4 and 3-2, while Shreveport defeated Houston 6-5 and 3-1.

In other games, Fort Worth beat Oklahoma City 7-0 and Tulsa defeated Dallas 9-3.

Jim Pisoni's homer in the first San Antonio-Beaumont game gave blessed relief to a 12-inning marathon that had been scheduled for seven. He had tied it in the seventh with a triple and help from the winning homer in the second game in the seventh frame.

Shreveport took its two games from Houston in identical manner—a home run with one on base in the ninth inning. Manager Mel McGaha hit the first one as a pinch hitter. Don Spencer hit the winning homer in the nightcap in the second extra inning of a scheduled 7-inning tilt. The double-header was witnessed by 19,017.

Mike Lemish allowed six hits by Oklahoma City as he hurled a shutout. It was his 10th win of the season. The victory by the Cats cut Oklahoma City's margin over Fort Worth to only two games.

## Stengel Hopes Cleveland, Chicago Will Eat Each Other Bears Fruit, Yanks Win 7 to 3

By ED CORRIGAN  
AP Sports Writer  
New York Manager Casey Stengel doesn't have much to say about Cleveland and Chicago hoping they'd eat each other.

Right now, it appears that Stengel's hopes have been coming true. Last week, the Indians swept the Sox four straight games. Had they been able to do the same in the four-game set that just ended, they might have made a run-away of the race. But the Sox won all four, finishing operations with a 3-0, 8-2 double victory yesterday.

Cincinnati and Milwaukee split a double-header, the Redlegs taking the first 6-5 and the Braves winning the second by an identical 6-5 count. St. Louis nipped Chicago 4-3 in the other National league game.

Al Aber, who retired the first 17 Baltimore batters, needed help from Billy Hoelt and Steve Gromek to protect his victory after Jim Fridley hit a home run in the eighth. The winning margin was provided by rookie second baseman Reno Bertoia, who got his first major league hit—a home run—in the fourth.

## Largest Field In Trans-Miss History Begins

DENVER (AP)—The largest field in the 51-year history of the Trans-Mississippi golf tournament—225—starts 36 holes in qualifying play today over the par 72 Cherry Hills course in quest of 63 championship flight berths.

Joe Conrad, former North Texas State star, recently named to the 1954 Walker Cup team, drew a championship flight position to defend the title he won a year ago in Kansas City.

## Artesia Maintains Lead With Wins Over Odessa

Artesia's NuMexers grabbed a pair of wins over the hapless Odessa Oilers here Friday and Saturday night to maintain their Longhorn league-leading pace.

Friday night the NuMexers downed Odessa 20-6, Saturday night 8-2.

Five Odessa errors opened the way for the 8-2 win over the Oilers Saturday night.

Only two of Artesia's eight runs were earned. Oiler errors keyed the other six.

Artesia put over two in the first and two more in the fourth and were solidly ahead from then on.

## Publix Tourney Settle Down to Champ Business

DALLAS (AP)—The ponderous National Public Links golf tournament got down to championship business today with no outstanding favorite but with Texas a good bet through sheer weight of numbers.

This state has 20 contestants and an ex-Texan, Gus Moreland of Peoria, Ill., on which to pin its hopes. And among the Texas shot-makers eyed most in championship calculations is a big policeman, Andy Sword, Dallas.

Two former champions were in the 200-man field that will be thinned down 128 today with 72 matches and 56 vets. They are Andy Sewedko, Sharpshooter, Pa., who won in 1939, and Stan Bielak, Yorker, N. Y., who took the crown in 1950.

## Greer Paces Roswell 11-10 Midland Win

MIDLAND (AP)—Much maligned Greer answered the crowd's here Sunday night by collecting four hits, two of them doubles, driving home three mates to the Roswell Rockets to an 11-10 win over slumping Midland.

The game was started late because of a power failure.

Greer led the assault on Rocket ace Ralph Atkinson as Roswell drove the Midland left from hill in the seventh inning after Jim solidly from the fourth frame on.

Greer got both his doubles off in one, each driving in a run. However, the blow that ruined Art was Weldon Day's two-run homer in the fifth. He was never same thereafter.

## Clovis Loss Unaffected WT-NM Lead

By THE ASSOCIATED PRESS  
The league-leading Clovis Pioneers took a 12-6 pounding at the hands of lowly Berger in the West Texas-New Mexico league Sunday night, but the only thing it hurt was their pride.

Clovis maintained its 2-game margin over Pampa when the Oilers were treated even more unkindly by a second-division club. Fifth-place Abilene kicked them around 25-12.

In fact, it was the night to howl for all the second division clubs. Each of them posted wins. Lubbok stopped Plainview 4-1 and Albuquerque beat Amarillo 6-3.

Clovis took its licking in the afternoon, leaving Pampa a few moments to wonder about possibilities of climbing up a full game. But a 24-hit attack by Abilene and Pampa's eight errors quickly dispelled any hope they might close within the gap.

The front-running Pioneers had about the same luck. Berger was a little more merciful with Clovis than Abilene had been with Pampa. The Gassers were content with 16 hits off four Clovis pitchers. Included were 2-run homers by George Petrokovich and Jack Haley and a pair of triples by winning pitcher George Tomecek.

Amarillo matched the winning Dukes hit for hit, but could get only half as many runs out of them as the sixth-place Dukes pulled to within eight games of the top.

Harry Wise served up the best pitching performance. He held Plainview to six hits in running his string to 40 consecutive innings without allowing an earned run.

Orlando Torres allowed 18 hits in going the distance for the Abilene win. But shoddy Pampa defensive play and an 11-run fifth inning provided by his mates gave him little to worry about.

## That Coffee Racket

TWO THINGS have developed recently which have indicated that all of the so-called reason for the advance in the price of coffee was not all it was supposed to have been.

Congressional committees have learned there was a little manipulating of the coffee situation that helped to result in the increase in price—a price that climbed over a period of time from about 35 cents per pound to around \$1.30 per pound. That is a tremendous increase.

Yet we have had to accept that price, take it and like it whether we wanted to do that or not.

Reports indicate that the probes conducted are not going to help out much now. It was indicated it was too late to do much good. But maybe legislation can be adopted that will prevent this from occurring in the future or again.

There also has been a little concern voiced as to the amount of coffee that is going to be left in South America when the present crop is supposed to be gone. That certainly is too bad. We are sure that Americans are very sympathetic with those coffee producers to the south after they have had to pay unreasonable and unheard of prices for their favorite brew.

We have always felt that America and Americans were taken on a ride on this coffee situation. There was not only an effort made but an apparent successful effort made to almost "corner the market" and we have paid for that.

Many of our good old American firms, who have spent millions for advertising to develop Americans' taste for some product, have been able to reduce the price because of the increased consumption. This has not been true with coffee.

Seemingly we were permitted to develop our taste and an appetite for coffee and then we were given a good gouging on the price we pay for the product.

But those who have raised and handled the coffee have been able to increase the price of this product approximately 300 per cent over the last two or three years and they have been able to get away with it because we couldn't do a thing about it.

Other products have priced themselves right out of the market and although it is probably felt this can't be done with coffee we are of the opinion it can be done if the price continues to advance.

## Holiday of a Sort for Him, Too!

## HAGERMAN NEWS BRIEFS—

### Four Church Organizations Hold Meetings This Week

Missionary Aid of the Presbyterian church met Wednesday, July 7, at the home of Mrs. C. O. Holloway.

The lesson, "Christ Calls Us to Worship Through Medical Missions" was presented by Mrs. T. D. Devenport, who also led the lesson on "The Happy Family," taken from the Book of Acts which the group is studying.

A routine business meeting was conducted, and the summer offering was given for use in national missions.

Those present were members, Mrs. T. D. Devenport, Mrs. Walter Elliott, Mrs. M. D. Menoud and the hostess, Mrs. Holloway. One visitor, Mrs. Alma Nail, was also present.

The hostess, Mrs. Holloway, served delicious angel food cake and ice cream.

The two missionary circles of the Baptist church met jointly Wednesday, July 7, at the Baptist church for a Royal Service lesson.

The lesson, "Planting Seeds in the Philippines" was presented by Mrs. Julius Ables assisted by Mrs. W. R. Goodwin, Mrs. Bruce Giles, Mrs. Paul Jenkins, Mrs. Zan King, Mrs. Elton Lankford, Mrs. Harry Boggs, Mrs. Bill Jumper and Mrs. Bill Langenegger.

A vocal solo was presented by Mrs. Zan King, who sang "Jesus Whispers Peace" accompanied at the piano by Mrs. Bill Langenegger.

A business meeting was conducted with Mrs. Bill Jumper, president, presiding and secretary, Mrs. Langenegger, reading the minutes of the last meeting. A discussion of the youth camps now in session at Gloriaita was held.

Refreshments of cup cakes and iced lemonade was served at the close of the afternoon by the hostesses, Mrs. Bill Langenegger and Mrs. Julius Ables to those present.

Mr. and Mrs. Joe Nail and Joe Nail of Hagerman went to Albuquerque Tuesday to visit their father, Clint Nail, who is hospitalized at the Veterans' hospital there. They returned Thursday evening, and report that his condition remains unimproved.

Mrs. William Solomon was in Roswell Wednesday on business.

Mr. and Mrs. M. D. Menoud of Hagerman had as house guests over the week-end their daughter, Mr. and Mrs. Alfred Yingling and their son, Dayton of Cotulla, Texas. They arrived Thursday evening, and they all drove up to Ruidoso for the Fourth of July and enjoyed a picnic dinner and an outing. The Yinglings returned to their home Tuesday.

Mr. and Mrs. Harlan Brown and children, Becky, Arthur, and Beth of Las Vegas, Nev., who have been the house guests at the home of Mrs. Brown's parents, Mr. and Mrs. W. E. Utterback of Hagerman since Wednesday, returned to their home Friday morning. Mr. and Mrs. Utterback, who accompanied them, will go as far as Springerville, Ariz., to visit their son, Tom Utterback and family for a few days. On Thursday evening the Utterbacks were hosts to a picnic supper which was to have been held in their backyard, but they were rained out. Those enjoying the supper were their guests, Mr. and Mrs. Brown and children, Mr. and Mrs. Stanley Utterback and children and Mr. and Mrs. Bob Utterback and family.

Mr. and Mrs. Bobby Williamson left Friday afternoon, July 9, for Las Cruces upon receiving word that Mrs. Williamson's father was ill. Bobby will return home Sun-

day, but Mrs. Williamson plans to remain for a few days with her parents, Mr. and Mrs. Rex Berrier who reside there.

Belle Bennett circle of the First Methodist church of Hagerman met Wednesday at the home of Mrs. Bobby Williamson.

A routine business meeting was conducted, with Mrs. Lee Roy Rhodes, vice-president, presiding in the absence of the president, Mrs. Bob Coons. Donations for missions was discussed, and it was decided not to continue having a nursery at the church during the summer months.

Mrs. A. D. Menoud presented the lesson, entitled "The Sheep of His Hand."

At the close of the afternoon refreshments of angel food cake topped with ice cream and strawberries was served to the following members: Mrs. Howard Brown, Mrs. Horice Freeman, Mrs. Wayne Graham, Mrs. Barney Green, Mrs. A. D. Menoud, Mrs. Lee Roy Rhodes and the hostess, Mrs. Williamson; also two guests, Mrs. A. A. McClesky and Miss Pearl Herington.

WSCS of the First Methodist church of Hagerman met Wednesday in the undercroft of the church with Mrs. A. A. Bailey as hostess.

Mrs. Flora West, vice-president, presided in the absence of the president, Mrs. J. C. Ridgeley.

Mrs. J. W. Wiggins was the lesson leader and presented the lesson, "Sheep of His Hand," taken from the worship manual.

At the close of the afternoon refreshments of fruit jello, cookies, and punch were served to the following members: Mrs. A. A. Bailey, Mrs. Flora West, Mrs. C. W. Curry, Mrs. C. A. Marchbanks, Mrs. Earl Stine, Mrs. J. W. Wiggins, Mrs. J. K. McClure, and one guest, the Rev. A. A. McClesky.

## Brother of Mrs. Spurgeon Wiggins of Hagerman Dies Suddenly at Kelly Field

Of interest to Hagerman residents is the following clipping:  
A Clovis man who began a career in the Air Force in October, 1941, as a flying cadet and became base commander at Kelly Air Force Base, San Antonio, Texas some 12 years later, died unexpectedly Sunday of a heart attack at Kelly Field.

The man was Col. Laurence A. Growdon, 39, son of Mr. and Mrs. F. L. Growdon, of Grier, and brother of Mrs. Spurgeon Wiggins of Hagerman. His death was quite a shock to the family. Mrs. Growdon who survives her husband, was a visitor with relatives a short time ago and reported her husband in good health.

Military services for Growdon were conducted at Kelly Air Force Base in San Antonio and then his body was brought to Clovis for services at the Charles V. Steed Memorial chapel. Burial was in Clovis.

Mr. and Mrs. R. E. Growdon of Melrose and Spurgeon Wiggins of Hagerman were in charge of arrangements in San Antonio.

Growdon was born in the Grier community, near the present home of his parents, Dec. 22, 1914. After attending schools of this area, he entered the Army Air Force as a flying cadet Oct. 1, 1941. His primary training was obtained in San Diego, Calif., Gardner Field, Taft, Calif., and he received his wings at Williams Field, Chandler, Ariz., on April 24, 1942.

Growdon then served 15 months in Europe as squadron commander. His major engagements were the German campaign, the air combat of the Balkans, Northern France, Po Valley, Northern Apennines, Rome and Southern France.

He flew 266 combat hours as a B-24 pilot with the 465th Bomber Group in Italy. The awards he held included a presidential unit citation, one cluster; distinguished flying cross; air medal, four oak leaf clusters; European theater, seven battle stars, and commendation ribbon. After returning from Europe, Col. Growdon was located at Headquarters Air Training Command, Barksdale Field, Shreveport, La. In September, 1949, he was transferred to Scott Field, Ill., and one year later was sent to Guam, where he served for 21 months as commander of the 19th Air Base Bomber Group.

It was upon his return from Guam in 1952 that Growdon entered Air Command and Staff School at Maxwell Air Force Base, Montgomery, Ala. At the same time, he was promoted to full colonel. From Maxwell, he went to Kelly Field in January 1953, becoming base commander.

Growdon's unexpected death leaves surviving, his wife, Maurie Miller Growdon whom he married Jan. 16, 1942, and one son, Charles

week-end with his parents, Mr. and Mrs. J. J. Starkey.  
Mr. and Mrs. Paul Meade spent Monday, July 5, with his parents, Mr. and Mrs. J. J. Starkey.  
Mr. and Mrs. Walton last week returned their car when they wrecked from Carlsbad Tuesday night. They hit a calf.  
Miss Jimmie Walker is visiting her brother-in-law and sister, Mr. and Mrs. Bill Smith in Fort Worth, Texas, for a week.

Mrs. Robert Corbin spent the day, July 1, visiting Mr. and Mrs. O. C. Rogers.

Mr. and Mrs. O. C. Rogers' granddaughters, attended the game in Carlsbad on Thursday night.

Rev. and Mrs. C. A. Clark of Artesia were visitors in Loco Hills on Thursday.

The WMU of the First Baptist church had their monthly meeting at the church Thursday afternoon. The study was on the Phillips Island missions. Those present were Mrs. Gene Wells, Mrs. Helen, Mrs. Jack Phillips, Mrs. J. Starkey, Mrs. Forrest Blum, Earl Beane, Mrs. J. Thacker and Mrs. O. C. Rogers. Refreshments were served after the program.

## NEW HOPE in the battle against CANCER

THE FIGHT against man's cruellest enemy is far from won. If present research continues, 23 million living Americans will die of cancer—230,000 a year. And thousands of these will die needlessly—through cancer that could have been cured if true in time.

ALL THE SAME, there have been victories. Thousands who once were thought to have died are being saved—thanks in part, to your donations to the American Cancer Society.

AND, LAST YEAR, the Society was able to allocate \$5,000,000 of your contributions to research aimed at finding the ultimate cure for all cancers. The more money than ever before.

MUCH MORE, of course, remains to be done. So please make this year's a really generous one!

## Oil Industry Concerned Over Continued Depletion Attack

By CHARLES HASLET  
WASHINGTON — The oil and gas industry is assured of depletion allowance for another year, keeping its 27 1/2% tax de-

but one Washington representative of the industry says it has "little to be complacent about" in this respect.  
"It can be anticipated," said Russell Brown, general counsel of the Independent Producers Assn. of America, "that further aggressive efforts will be made by depletion's opponents to cut to a lower figure."  
Since both houses agreed to retain the present percentage, the Senate-House conference committee would not attempt to alter it.

Senate with the 27 1/2 per cent rate intact. The bill is now before a joint committee for adjustment of Senate-House differences. The House previously had voted to retain the existing depletion allowance, under which oil and gas operators can charge off, for tax purposes, 27 1/2 per cent of their income.  
Since both houses agreed to retain the present percentage, the Senate-House conference committee would not attempt to alter it.

"It is evident that the depletion provisions, as they now stand, have picked up some opposition since the last roll call vote in the Senate in 1951.  
"At least three senators who voted for the 27 1/2 per cent provision in 1951, indicated their opposition to it during debate this year. "Lacking a roll call vote, it is difficult to assess the precise degree of the various senators' opinions as to depletion. One thing is certain: the vote on the 1954 tax

bill offered no clear-cut rejection of efforts to reduce depletion. It can be anticipated that further aggressive efforts will be made by depletion's opponents to cut to a lower figure.  
"This, of course, would only be the prologue for an attempt to eliminate these provisions entirely."  
The Senate rejected amendments by voice or standing vote, without any record as to how individual senators voted.

### Submarines Given Little Color Touch

By WILLIAM J. WAUGH  
**PEARL HARBOR**—U. S. Navy submarines are going in these days for "free expression." The results in the interior of the submarines have been startling.  
Mess compartments are decorated with murals of glacial lakes and cooling snow scenes. Decks have such colors as red tile and walls are pink.  
There are sonal ask trays and individual bed lamps by each bunk, curtains and upholstered chairs.  
It started a year ago when Mrs. Alec Baird was asked by crewmen of the Sabalo to help spruce up the interior of the ship. Said Mrs. Baird:  
"Before redecoration the Sabalo's visual impact was exactly zero."  
The chief of naval operations gave his blessing to the project. Today at least 16 subs have a new "free expression" look.  
On the sub Tiru a huge mural in the wardroom depicts the crew as hairy apes. The profile of the Tiru's skipper is prominent among those pictured.

### Son of Former Artesians Dies

Doug Henderson, 25 months old, son of Mr. and Mrs. O. B. Henderson, Hobbs, formerly of Artesia, died Thursday, the victim of what doctors termed a complication while an open safety pin was being removed from his throat.

The little boy swallowed the pin Wednesday while playing in the living room of his parents' home at 311 N. Dalmont. He was taken to Lubock for removal of the pin from his lower throat in what normally would have been a minor operation.

The pin had been reached with surgical instruments when cardiac arrest—stoppage of the heart—occurred. Efforts to restore his life by massage of his heart failed.

Relatives attending funeral services from Artesia were Mr. and Mrs. J. D. Henderson, Mr. and Mrs. Hollis Glass, Mr. and Mrs. Vernon Dee Witt, Mrs. James H. Moyle, and Mr. and Mrs. Perry Henderson of Leoc Hills.

### Stockton Renews Pow-Wow With Navajo Leaders

GALLUP — (AP) — GOP gubernatorial candidate Alvin Stockton today resumed conference with tribal leaders and the general public on problems of the Indians.

Stockton yesterday told a gathering there is "no single cure-all or simple solution" to these problems. He spoke at the second of two meetings with GOP bigwigs and the general public.

Stockton, invited to Gallup to meet with the Navajos and talk over their problems, discussed the so-called checkerboard area off the reservation and water problems.

### Ball Park Theft—

(Continued from page one.)

at the NuMexer dressing room at the park followed a minor theft, one of several this summer, when the team was at Carlsbad Wednesday night. The team had changed into uniforms at Artesia, leaving street clothes in the dressing room.

Lanning pointed out there are a number of keys to the old lock in circulation. The number to the new lock will be reduced, he said.

He also said entrance to the dressing room has been gained fairly easily even without a key by working a knife blade between the door frame and the lock.

### Little Chance—

(Continued from Page One)

It was predicted state highway Engineer C. O. Erwin would uphold the committee when he returns to the state. He is to be on hand for a highway commission meeting July 23.

In its letter of protest the Carlsbad chamber argued the action of the Eddy county commission in approving the recommendations of the land use committee.

The Carlsbad chamber's officials said they plan to carry their protest to the state highway commission and the U.S. bureau of public roads.

They also attacked the county land use committee as not representing "a cross-section of interests in this county," according to the Carlsbad Current-Argus.

Their letter charges the county commission and the land use committee with being short-sighted for refusing use of surplus funds for a road "so badly needed."

The Carlsbad chamber letter says Lea county has placed a No. 1 priority on the Jal road. Since Eddy county has not, the Jal road cannot be completed so far as Eddy county is concerned.

E. O. Spurlin, chairman of the board of commissioners, said Thursday the commission will "attempt to make definite plans" to complete the road, although he did not know what means would be used for the completion.

### MISCELLANEOUS

**RED SCHOOL TROUBLES**  
HONG KONG, (AP)—The sons of the peasants and workers in Red China are no shining lights as scholars. The Peiping Ministry of Higher Education has put out a set of orders on how to cope with students whose "low cultural foundation" made them "unfamiliar with the ways and methods of study."

The Reds, in a forced enrollment, put more than 22,000 such children into middle schools in 1951-52 on a quick-course schedule to "develop technicians." Last fall the first 1,500 finished the short courses and were dumped on the colleges. A high percentage of them have proved deficient in "language and analytical geometry with rather poor knowledge of mathematics, physics and chemistry."

The teachers are told to "form special classes" to "improve teaching methods and strengthen after class coaching activity."

**A LONG WALK**  
MALTA, Mont. (AP)—Anita Little, 12, and her dog walked until they were lost in the rugged badlands along the Missouri River. They walked all night. Fifty men started searching in the morning and a plane spotted the girl. But she followed her dog out of the badlands to a highway and safety before rescuers reached her.

### Cars Collide With Cattle

Two cows belonging to ranchers east of Artesia were on the receiving end over the weekend as cars plowed into them and caused both to be killed.

A 1951 Kaiser tudor, driven by Mrs. Connie Fisk, San Diego, Calif., hit one of the animals 14 miles east of Artesia and received damage set at about \$100. The car had to be towed into the city Saturday night late.

A 1952 Buick, driven by James E. Campbell of Dexter, hit a big calf 22 miles east of Artesia and received about \$200 damage to the right fender and the radiator. The accident happened early Sunday morning.

No one was hurt in either of the accidents which were investigated by State Patrolman D. A. Bonine.

### State Traffic Toll Hits 177 Over Weekend

By the Associated Press

New Mexico's traffic death toll rose four more notches and still may climb as a result of three accidents over the weekend. It now stands at 177 for the year, compared with 190 at the same time last year.

Dead are Roy Chapman, Cameron, N. M., Willie Bea Adams, Artesia, and Gilbert and Pauline Garcia, Las Cruces. Listed in a critical condition in a Las Cruces hospital, is Alice Kurtz, Mrs. Garcia's sister.

Chapman, 62, and the Adams woman, 27, were killed in separate accidents yesterday. The Garcia couple of Las Cruces, died in a flaming car-truck accident on the outskirts of Las Cruces Saturday.

Chapman died early Sunday when his car crashed into the back of a parked truck about nine miles west of Albuquerque on U. S. 66, Bernalillo County sheriff's officers said.

An engineer, Chapman was driving alone when he smashed into the back of a truck that had parked to repair brake trouble. The truck had reflectors out, the sheriff's office said.

Survivors include a daughter, Anna Robertson of Portales, who was to be in Albuquerque today. Yesterday afternoon Willie Bea Adams died in an Artesia hospital of injuries received about an hour earlier in a one-car accident.

The Garcia couple died when their pickup truck swerved to miss a car that turned into a driveway in front of them. Their truck

regained the highway, flipped over and burst into flames.

Mrs. Garcia was trapped in the burning truck. Garcia and Miss Kurtz managed to climb from the truck, but both were badly burned.

### WOMAN BURNS

ALBUQUERQUE, (AP) — Mrs. Josefita Valeria, 65, was burned to death in her home yesterday when her bedclothes caught fire and ignited her clothing. Police said a neighbor, Jacoba Apodaca, pulled the woman out of the house and put out the flames with a garden hose. Cause of the fire has not been determined.

### FAVORS "BOOTING" RUSSIA

ALBUQUERQUE, (AP) — Rep. John J. Dempsey (D-NM) says he is in favor of "kicking" Russia out of the United Nations. Dempsey made the comment when asked what the United States should do if Red China is admitted to the United Nations. He said that question must be answered at the time.
