New Drought Relief Plan Under Study

WASHINGTON, (AP)—The agriculture department has begun negotiations with New Mexico for a hay program to help farmers in drought-stricken areas to feed their livestock.

Department officials said today they are conducting negotiations with Colorado, New Mexico, Texas, Wyoming, and that several other states have made inquiries about drought aid.

The department has about five million dollars on hand for a hay program this year. This is equal to the amount spent on last year's program.

The hay program calls for the government to foot part of the cost of bringing hay from points to help farmers maintain their basic livestock. The government pays up to \$10 a ton for freight charges.

Livestock feed program ended locally yesterday. Under it, government-owned stocks were available at reduced prices. The commodity credit corp. took inventory loss on the feed program of about 46 million dollars. In addition, the government paid freight charges in excess of 30 million. Only two states, Colorado and New Mexico, still were in the feed program when it ended. At one time, it included about 17 states.

Department officials said inquiries about drought aid have been received recently from Missouri, Arkansas and West Virginia.

Artesia Employees Honor 22 for Safe Driving

Twenty-two Artesia area employees of Southern Union Gas Co. have been honored for outstanding safety records. The awards were made in the company's recent annual safety meeting in Carlsbad.

Attendees were approximately 100 guests, including Southern Union employees and their families in throughout the gas company's southeastern New Mexico district.

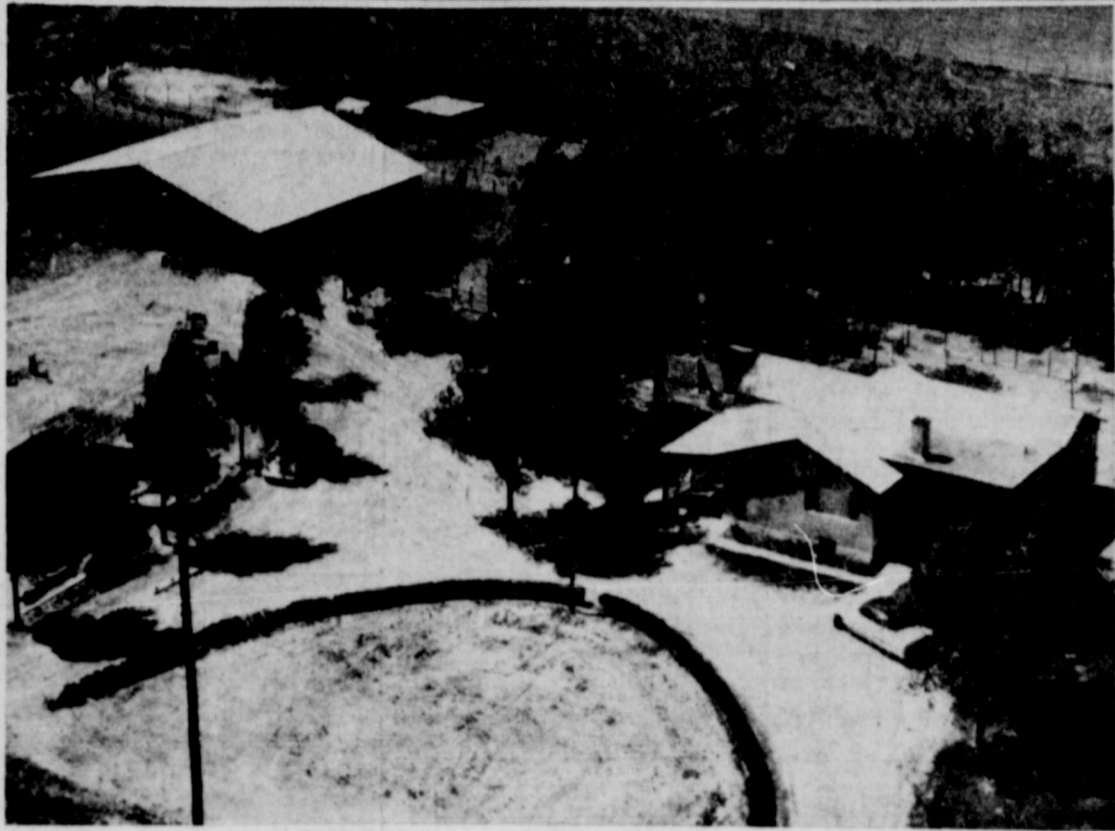

H. Zachry, Dallas, president of Southern Union, presented awards to 22 employees from the area, whose combined records driving company automobiles about accident represented a total of 296 years.

Speaker at the meeting were J. Cole III, vice president, Santa Fe; H. N. Oldham, vice president, El Paso; R. C. Harrison, insurance safety director, both of Dallas, Texas.

Artesia employees credited with outstanding safety records are: William Durbin, helper, 18 years; Clinton Gibson, serviceman, 18 years; Van Zandt, machine operator, 18 years. Seven-year awards were presented to Gilbert Allison, vice-man, and Roy Simpson, serviceman. F. M. "Bill" McGinty, new plant manager, and Juan Roark, fitter, were credited with six years of safe driving.

Howard Haynes, salesman, had four years of safe driving. James J. Coor, main line superintendent, had three years' credit, as did following employees: Louis Hill, construction superintendent; Lester Powell, fitter; Floyd Carroll, helper; Billy G. Shelton, helper; and Joe Sutherland, utilityman. Employees credited with two years of safe driving were: Ernest Burris, helper; Leonard Green, helper; Mace King, welder; Albert Roark, helper; E. T. Selman.

MYSTERY FARM of the week is the striking Artesia area property shown in this aerial photograph. The first person to identify the farm by calling the Artesia Advocate, phone 7, will receive a one-year subscription to the newspaper. The farmer will receive free the original glossy photograph.

Border Patrolmen Round Up Wetbacks

McALLEN, Texas (AP)—Hundreds of border patrolmen went about their work of rounding up illegal Mexican aliens today as Fletcher Rawls, area patrol chief, said, "the day of wetback labor in the Rio Grande Valley is over."

In the first day of the huge roundup yesterday, Rawls' men picked up some 4,000 wetbacks for deportation. One Hidalgo county collection point alone rounded up 2,000 of the aliens.

But many of the Mexicans, in Texas for the cotton harvest, left voluntarily. Whole families crowded across the international bridges up and down the lower valley.

The border patrol, with Chief Harlan B. Carter in personal charge, threw a gigantic net of planes, radio-equipped jeeps, cars and trucks into the drive to catch any Mexican nationals who did not want to return to their homeland.

Most of the aliens brought here were sent westward quickly by bus to El Paso. From there Mexican authorities were to send them into the interior of Mexico.

The lower Rio Grande Valley action is the border patrol's second large-scale, concentrated roundup of wetbacks. The first was put on last month in Southern California.

Jailed Mine-Mill Leaders Blast At Zinc Company

SILVER CITY (AP)—Six jailed union leaders today unleashed a bitter attack on the New Jersey Zinc Co. for taking what they said was "revenge" on them.

A statement signed by all six of the Mine-Mill union men charged the company "is taking revenge against workers and their elected representatives because they had the guts to fight for their just rights."

The six, headed by Clinton Jencks, the stormy petrel of New Mexico labor, are finishing out 30 days of a 90-day contempt of court sentence originally imposed 2½ years ago during the long and hard-fought Empire Zinc strike. Empire is a subsidiary of New Jersey Zinc.

Artesia Chamber Proclaims Defense Of Carlsbad Name

The Artesia Chamber of Commerce issued a statement this morning "in connection with the request of Carlsbad, Calif., that the New Mexico city of that name change to something else."

The official statement says: "The Artesia Chamber of Commerce stands ready to fight to the last man to retain the sovereign name of Carlsbad in the glorious state of New Mexico."

"The insidious suggestion of a smog-bound city in California to encroach on the grand tradition that has made the name of our sister-city famous throughout the world smacks of juvenile impertinence."

"We further issue a warning to the city of Artesia, Calif., that any similar attempt by them on ourselves will find the sister-cities of the beautiful Pecos Valley standing united."

LOSE O NRODEO FARMINGTON, (AP)—The Navajo Cowboys Assn., which had a rodeo here last week end, lost about \$400 in staging the event, rodeo director Jimmy Largo said.

The chairman said he and two other Eisenhower-appointed commission members became aware of this unopened mail after they took office.

This is the story Gilliland told the subcommittee:

"Until a little more than a year ago there was maintained in the Philippines an office. When that office was closed the materials on hand were shipped here to this office, where they received little scrutiny and were not taken into consideration in the budget estimate for fiscal 1955."

"Some time ago, three or four months ago, we became aware that we had these boxes of unopened mail in the office that had received no attention and we began to explore them and find out what we had. We put a team of people to work."

"I believe there were 100,000 pieces of mail in those boxes."

Charge 100,000 War Letters Are Ignored

WASHINGTON, (AP)—The head of the war claims commission says 100,000 letters from Filipino claimants were shipped here last year without being opened and received "no attention" until a few months ago.

Commission Chairman Whitney Gilliland told a House appropriations subcommittee this happened over a year ago when the commission closed its Manila office. It since has been reopened.

Gilliland's testimony was given behind closed doors on June 30. It was made public last night.

The commission chairman requested approval of transfer of \$400,000, part of it to pay for review of this correspondence and related material.

Gilliland said a sample survey indicated that "approximately 25-30,000 potential claims would result from a review of each individual piece of correspondence."

GOP Leaders Win Cancellation Of McCarthy Boston Red Probe

Couple Plead Innocence Of Murder

ROSWELL (AP)—A Roswell couple pleaded innocent late yesterday to a charge of murder in the abortion death of the woman's 19-year-old daughter.

Bond was set at \$5,000 each for Frank J. Koprian, 61, and his 48-year-old wife in the death of Marilyn Jane Seig July 1.

A coroner's jury ruled the girl died after an abortion "at the hands of persons unknown."

On court order, the girl's body was disinterred July 7. Mrs. Koprian had objected to the order.

At the coroner's request, Dist. Atty. Pat Hannegan drew an admission from Koprian that he was charged five years ago with contributing to the delinquency of a minor, that the charge involved rape, and that the stepdaughter was involved. Hannegan said the case was dropped when the mother refused to testify against Koprian.

Circumstances around the girl's death stand this testimony:

Mrs. Mae Ivy, a neighbor, said Mrs. Koprian told her and another neighbor, Mrs. D. E. Thomas, that "they've killed my little girl."

Mrs. Thomas said that on a visit to the Koprian home she saw Koprian reading a "large black book" identified by Hannegan as a medical volume.

Mrs. Thomas also said she heard of the death from her son, who had been told by Marilyn's stepbrother that "something bad had happened to Marilyn."

Another neighbor, M/Sgt. Casimir Miazala, said he heard screams on the night the girl died and "they sounded like the screams of a woman."

Seven NuMexers Get Local All-Star Vote

Seven Artesia NuMexer baseball players were recommended for the western division All-Star club by Artesia sportswriters and Mgr. Jimmy Adair yesterday.

The recommendations include two Artesia pitchers, two infielders, two outfielders, and a catcher.

The Artesians recommended catcher Floyd Economides, outfielders, Mickey Sullivan and Charlie Watts, second baseman Paul Dobkowski, utility infielder Reuben Smartt, and pitchers Wayne Goodell and Ken Foster.

Yesterday's meeting included Adair, Ed Boykin of the Advocate; Bill Keys, radio station KSPV sportscaster; and Ed Miller, Artesia Daily Press.

The four discussed possible nominations, then agreed on the 18 recommendations.

The 18 will thus receive Artesia's two ballots for the Western division all-star team. Adair as manager is allowed one full vote, the sportswriters and sportscaster one vote among them.

Others named include Bob Doe of Big Spring and Art Herring of Carlsbad, catchers; Duane White of Roswell and Pedro Osorio of Carlsbad, outfielders; Joe Bauman of Roswell, first base; Ossie Alvarez, Roswell, shortstop; Stubby Greer, Roswell, third base; Mike Rainey of Big Spring, Bob Weaver and Dick Fornall of Carlsbad, and Tom Sawyer of Roswell, pitchers.

Results of the Longhorn-league wide balloting will be announced Sunday through wire services.

The All-Star game is scheduled for next Thursday, July 22, at Carlsbad. It will be an evening game.

Foster and Goodell, the two Artesia pitcher nominations, are both rookies. Goodell, 19, today has a 10-5 record for 667 per cent. Foster, who is 22, has a 5-1 record for a healthy .833 percentage.

All the Artesia infield and outfield recommendations have outstanding batting averages, all above .300 well-past the midseason mark.

Charlie Watts has a .361. Economides .341, Sullivan .339, Dobkowski .330, and Smartt .322.

Artesia, Roswell, Carlsbad, and Big Spring will contribute players to the Western division: Sweetwater, Midland, San Angelo, and Odessa the Eastern division.

Senate Told Out-of-Town Trips Are Off

WASHINGTON (AP)—Sen. McCarthy (R-Wis.) today cancelled at the request of Senate Republican leaders his plans to open hearings in Boston Saturday on alleged Communist infiltration of defense plants.

Sen. Knowland (Calif.) disclosed this in the Senate when Sen. Flanders (R-Vt.) began a speech protesting McCarthy's plans.

Knowland interrupted and announced that McCarthy "has agreed to cooperate." He told Flanders "it will not be necessary to object."

Minutes later, Francis P. Carr, the McCarthy subcommittee's staff director, announced cancellation of the scheduled Boston hearing.

Carr said McCarthy had agreed, at Knowland's request, not to have any out of town sessions. He said McCarthy would have hearings here Monday and Tuesday to question some of the witnesses he had planned to interrogate in Boston, and that "ultimately we will have some hearings in Boston."

Knowland said in the Senate that he had called McCarthy, told him that the Senate plans to be in session all day Saturday and that McCarthy "agreed to cooperate and said he would hold no meeting outside of Washington Saturday."

Flanders said he was protesting McCarthy's plans because "I doubt if the committee has jurisdiction." He said it was a matter involving private industry instead of government operations.

A second reason for objecting, Flanders said, is that "the senator has a date with me on the floor of the Senate July 20" when Flanders plans to seek a test on his efforts to have McCarthy fired from committee chairmanships or censured.

Artesia, Roswell Battle on Sale Of Game Tickets

Artesia now is in a race with Roswell to see which city can sell the most tickets for the Longhorn league annual All-Star game at Carlsbad next week.

Pres. Steve Lanning said this morning 250 general admission tickets have been received from League Pres. Harry James of Roswell, along with a challenge to see which of the two cities can sell the most tickets.

Tickets for the game are priced at \$1. The game will be played in Carlsbad next Thursday evening between east and west teams of the Longhorn league.

The tickets will be sold in drug stores and at baseball headquarters.

Late Bulletins

WASHINGTON (AP)— Singling out civil defense, military and hospital construction and shipbuilding programs as special targets, the House appropriations committee today slashed 39 per cent from President Eisenhower's requests for \$1,959,958,267 in emergency appropriations.

If sustained by the house, the committee's action will represent the biggest percentage cut of 1954, and one of the largest in decades, in any presidential money requests. The House will consider the GOP-dominated committee recommendations early next week.

HOBBES (AP)— Jackie Jo Davis, 5-month-old kidnaping victim, was returned to her home near here today from a Seminole, Texas, hospital. Her father, Jack Davis, said she was "just fine."

GENEVA (AP)— French Premier Pierre Mendes-France raced the clock today in a quest to win an Indochina case-fire based on division of Viet Nam at the 18th parallel. But his efforts were set back by a four-hour session with Russia's stubborn V. M. Molotov.

PORTALES (AP)— The emergency drought feed program has ended at a time when the need was never greater, Eastern New Mexico ranchers here report.

CHESTERTOWN, Md. (AP)— An exploding fireworks and munitions plant shook Chestertown for 90 minutes today and nine bodies were removed from the flaming ruins.

CHICAGO (AP)— A series of blasts destroyed a small fireworks plant in Schiller Park, a western suburb of Chicago today. Police said three persons were killed and two injured.

Artesia C of C Officials Prepare For Dallas Trip

Cecil Waldrep, president of the Artesia Chamber of Commerce, and Paul W. Scott, manager, will leave Saturday for Dallas to attend the Southwest Chamber of Commerce Institute.

Waldrep will take part in the president's day discussions and then will go on to New York with Mrs. Waldrep. The president's program, which is scheduled for Monday, will include discussion on problems and points of interest from the president's view point.

The president of the U.S. Chamber will be present to lead some of the talks. The executive vice president will also take part.

Scott is set to teach a class in membership and finance in conjunction with John Barbyrd, manager of the Tulsa, Okla., Chamber office.

Classes at the institute are held one week out of each year with graduate students doing the instructing. After the three-year course is completed, chamber managers are graduated to the teaching status and are given a certificate attesting their completion of the course.

Juvenile Detention Home Plans Are Okayed By Panel

Plans for the fifth judicial district juvenile detention home to be built near Artesia were approved last night and members of the tri-county committee took copies of the layouts home to their respective counties to ask for estimate-bids on the proposed building.

The committee will meet again July 29 to study bids and determine what proportion of the necessary funds will need to be raised by the three counties to be served by the building—Eddy, Chaves and Lea.

The building, designed by Britelle-Ginner and Associates of Albuquerque, will be of the latest design in security arrangements, without showing it.

Those taking part in the meeting last night were John R. Brand, Hobbs; Harvey Yates, chairman of the committee; Walter G. Haut, Roswell; Neil Watson, Artesia attorney and Paul W. Scott, manager of the local C of C and secretary for the committee. Architect Arthur Gorrell, Carlsbad, represented the designing firm.

Survey of First Street for Urban Project Expected

The Artesia Chamber of Commerce announced today it had received word from the state highway department that a location crew now working at Hope, is planning to complete the First street survey in Artesia, possibly within the next six weeks.

The survey will be made in connection with the urban project planned for the city.

Weather

ARTESIA: Fair forenoon, partly cloudy afternoon today and Saturday. Very slight chance for afternoon thunderstorm. Little change in temperature. Low tonight 68, high Saturday 92. High yesterday 96, low last night 64.

NEW MEXICO: Partly cloudy today, tonight and Saturday. Widely scattered afternoon and evening thundershowers, mostly in west portion. Little change in temperature. High today 90-100. Low tonight 45-55 northern mountains, 60-70 elsewhere.

Big New Mexico Oil Boom Predicted

BY ROBERT A. BARNES
SANTA FE, (AP)—Spectacular growth of New Mexico's oil and gas industry in recent years is only a sample of what is to come, so engineers predicted today.

Their optimistic statements came as William B. Macey succeeded Richard R. Spurrier as secretary and director of the oil conservation commission and state geologist.

The OCC is charged with supervising the oil and gas business. It has handled 750 cases since 1935. Fifty per cent of those have come since June, 1952.

"The number of cases is a good indication of activity in the commission and in the industry," Spurrier said. "We have had as much in the last two years as in the 17 years before that."

Oil production has doubled from 100,000 barrels a day to 200,

000 a day—since Spurrier took over the OCC post in 1945. Revenue to the state has gone up five times, partly because of a rise in prices.

TO HANDLE the immensely increased work load, the commission has swelled to 35 employees now, compared with eight in 1945.

But both Spurrier and Macey believe the past development which has shot New Mexico into a prominent role nationally is fairly small compared with the future.

Sixty per cent of the state has geologic conditions which are considered favorable for oil and gas prospects, the two said. Only about 25 per cent of the state has been explored to a partial extent.

"The southwest and the northeast parts of the state are relatively unexplored," Macey said. "It is sorely needed in the northwest," Spurrier added. The state started gas prorationing in

heavy production is now, has a long way to go in developing its deep oil."

SPURRIER SAID he feels New Mexico's oil and gas production probably can be doubled from its present figure in the next few years.

Lea county has one of the greatest concentrations of oil-gas development in the United States, they said. The San Juan basin is one of the largest gas fields in the country, running third in area.

Gas prorationing, which started occupying the staff's time 18 months ago, has greatly boosted the work load in the commission, Spurrier said. The next step, he said, will be putting gas prorationing on a statewide basis.

"It is sorely needed in the northwest," Spurrier added. The state started gas prorationing in

southeast New Mexico last January. A larger commission staff will be needed when the statewide setup is put into operation, he said.

AN INNOVATION by Spurrier in the last six months has been investigations by the commission staff itself.

"For the first time in commission history, its own staff is putting on testimony in some cases," Spurrier said. "There is no doubt in my mind that we have the best oil commission we have ever had. Gov. Mechem and Johnny (Land Commissioner E. S.) Walker back the commission up without regard for politics."

"Politics is never a consideration with them in oil and gas matters," Macey added. "They don't always agree with the staff but (Continued on Page 8)

New Drought Relief Plan Under Study

WASHINGTON, (AP)—The agriculture department has begun negotiations with New Mexico for a hay program to help farmers in drought-stricken areas to feed their livestock.

Department officials said today they are conducting negotiations with Colorado, New Mexico, Texas, Wyoming, and that several states have made inquiries for drought aid.

The department has about five million dollars on hand for a hay program this year. This is equal to the amount spent on last year's program.

The hay program calls for the government to foot part of the cost of bringing hay from points to help farmers maintain their basic livestock. The government pays up to \$10 a ton in freight charges.

Livestock feed program ended last week. Under it, government-owned stocks were available at reduced prices. The commodity credit corp. took inventory loss on the feed program of about 46 million dollars in addition, the government paid charges in excess of 30 million. Only two states, Colorado and New Mexico, still were in the feed program when it ended. At one time, it included about 17 states.

Department officials said inquiries about drought aid have been received recently from Missouri, Arkansas and West Virginia.

Utility Honors 22 Artesia Employees for Safe Driving

Twenty-two Artesia area employees of Southern Union Gas Co. have been honored for outstanding safety records. The awards were presented at the company's recent safety meeting in Carlsbad.

Attending were approximately 100 guests, including Southern Union employees and their families throughout the gas company's southeastern New Mexico district.

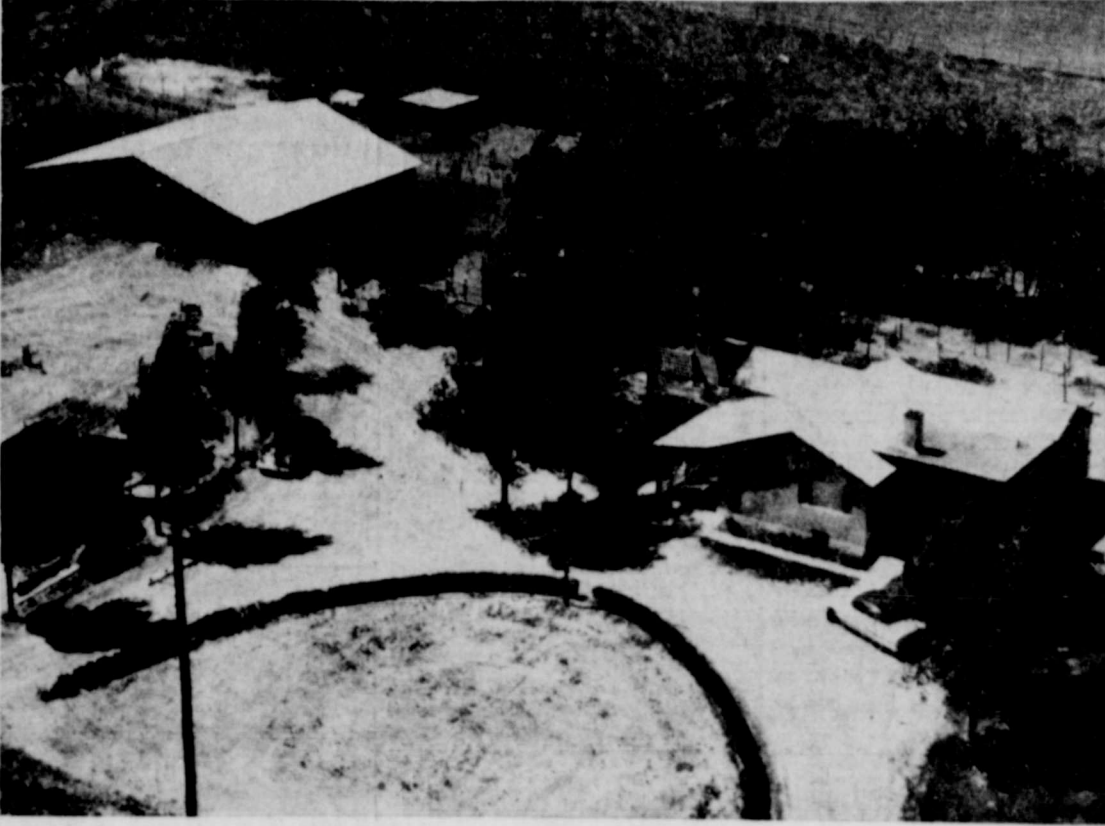

H. Zachry, Dallas, president of Southern Union, presented awards to 22 district employees, including the 22 employees from Artesia, whose combined records during company automobiles without accident represented a total of 296 years.

Speakers at the meeting were J. Cole III, vice president, Santa Fe; H. N. Oldham, vice president, Houston; R. C. Harrison, tax, insurance and safety director, both of Dallas, Texas.

Artesia employees credited with outstanding safety records are: Irvin Durbin, helper, 18 years; Anton Gibson, serviceman, and Van Zandt, machine operator, both years. Seven-year awards were presented to Gilbert Allison, serviceman, and Roy Simpson, serviceman. F. M. "Bill" McGinty, plant manager, and Juan R. Romero, fitter, were credited with six years of safe driving.

Howard Haynes, salesman, had three years of safe driving. James H. Coor, main line superintendent, had three years' credit, as did the following employees: Louis H. construction superintendent; Lester Powell, fitter; Floyd Carl, helper; Billy G. Shelton, helper; and Joe Sutherland, utilityman. Employees credited with two years of safe driving were: Ernest Burris, helper; Leonard Green, helper; Mace King, welder; Albert Roark, helper; E. T. Selman.

Border Patrolmen Round Up Wetbacks

McALLEN, Texas (AP)—Hundreds of border patrolmen went about their work of rounding up illegal Mexican aliens today as Fletcher Rawls, area patrol chief, said, "the day of wetback labor in the Rio Grande Valley is over."

In the first day of the huge roundup yesterday, Rawls' men picked up some 4,000 wetbacks for deportation. One Hidalgo county collection point alone rounded up 2,000 of the aliens.

But many of the Mexicans, in Texas for the cotton harvest, left voluntarily. Whole families crowded across the international bridges up and down the lower valley.

The border patrol, with Chief Harlan B. Carter in personal charge, threw a gigantic net of planes, radio-equipped jeeps, cars and trucks into the drive to catch any Mexican nationals who did not want to return to their homeland. Most of the aliens brought here were sent westward quickly by bus to El Paso. From there Mexican authorities were to send them into the interior of Mexico.

The lower Rio Grande Valley action is the border patrol's second large-scale, concentrated roundup of wetbacks. The first was put on last month in Southern California.

Jailed Mine-Mill Leaders Blast At Zinc Company

SILVER CITY (AP)—Six jailed union leaders today unleashed a bitter attack on the New Jersey Zinc Co. for taking what they said was "revenge" on them.

A statement signed by all six of the Mine-Mill union men charged the company "is taking revenge against workers and their elected representatives because they had the guts to fight for their just rights."

The six, headed by Clinton Jencks, the stormy petrel of New Mexico labor, are finishing out 30 days of a 90-day contempt of court sentence originally imposed 2½ years ago during the long and hard-fought Empire Zinc strike. Empire is a subsidiary of New Jersey Zinc.

Charge 100,000 War Letters Are Ignored

WASHINGTON, (AP)—The head of the war claims commission says 100,000 letters from Filipino claimants were shipped here last year without being opened and received "no attention" until a few months ago.

Commission Chairman Whitney Gilliland told a House appropriations subcommittee this happened over a year ago when the commission closed its Manila office. It since has been reopened.

Gilliland's testimony was given behind closed doors on June 30. It was made public last night.

The commission chairman requested approval of transfer of \$400,000, part of it to pay for review of this correspondence and related material.

Gilliland said a sample survey indicated that "approximately 25,000 potential claims would result from a review of each individual piece of correspondence."

Artesia Chamber Proclaims Defense Of Carlsbad Name

The Artesia Chamber of Commerce issued a statement this morning in connection with the request of Carlsbad, Calif., that the New Mexico city of that name change to something else.

The official statement says: "The Artesia Chamber of Commerce stands ready to fight to the last man to retain the sovereign name of Carlsbad in the glorious state of New Mexico."

"The insidious suggestion of a smog-bound city in California to encroach on the grand tradition that has made the name of our sister-city famous throughout the world smacks of juvenile impertinence."

"We further issue a warning to the city of Artesia, Calif., that any similar attempt by them on our selves will find the sister-cities of the beautiful Pecos Valley standing united."

LOSE O NRODEO FARMINGTON, (AP)—The Navajo Cowboys Assn., which had a rodeo here last week end, lost about \$400 in staging the event, rodeo director Jimmy Largo said.

Charge 100,000 War Letters Are Ignored

The chairman said he and two other Eisenhower-appointed commission members became aware of this unopened mail after they took office.

This is the story Gilliland told the subcommittee:

"Until a little more than a year ago there was maintained in the Philippines an office. When that office was closed the materials on hand were shipped here to this office, where they received little scrutiny and were not taken into consideration in the budget estimate for fiscal 1955.

GOP Leaders Win Cancellation Of McCarthy Boston Red Probe

Couple Plead Innocence Of Murder

ROSWELL (AP)—A Roswell couple pleaded innocent late yesterday to a charge of murder in the abortion death of the woman's 19-year-old daughter.

Bond was set at \$5,000 each for Frank J. Kopian, 61, and his 48-year-old wife in the death of Marilyn Jane Seig July 1.

A coroner's jury ruled the girl died after an abortion "at the hands of persons unknown."

On court order, the girl's body was disinterred July 7. Mrs. Kopian had objected to the order.

At the coroner's request, Dist. Atty. Pat Hannegan drew an admission from Kopian that he was charged five years ago with contributing to the delinquency of a minor, that the charge involved rape, and that the stepdaughter was involved. Hannegan said the case was dropped when the mother refused to testify against Kopian.

Circumstances around the girl's death drew this testimony:

Mrs. Mae Ivy, a neighbor, said Mrs. Kopian told her and another neighbor, Mrs. D. E. Thomas, that "they've killed my little girl."

Mrs. Thomas said that on a visit to the Kopian home she saw Kopian reading a "large black book" identified by Hannegan as a medical volume.

Mrs. Thomas also said she heard of the death from her son, who had been told by Marilyn's stepbrother that "something bad had happened to Marilyn."

Another neighbor, M/Sgt. Casimir Miazala, said he heard screams on the night the girl died and "they sounded like the screams of a woman."

Seven NuMexers Get Local All-Star Vote

Seven Artesia NuMexer baseball players were recommended for the western division All-Star club by Artesia sportswriters and Mgr. Jimmy Adair yesterday.

The recommendations include two Artesia pitchers, two infielders, two outfielders, and a catcher.

The Artesians recommended are catcher Floyd Economides, outfielders, Mickey Sullivan and Charlie Watts, second baseman Paul Dobkowski, utility infielder Reuben Smart, and pitchers Wayne Goodell and Ken Foster.

Yesterday's meeting included Adair, Ed Boykin of the Advocate; Bill Keys, radio station KSPV sportscaster; and Ed Miller, Artesia Daily Press.

The four discussed possible nominations, then agreed on the 18 recommendations.

The 18 will thus receive Artesia's two ballots for the Western division all-star team. Adair as manager is allowed one full vote, the sportswriters and sportscaster one vote among them.

Others named include Bob Doe of Big Spring and Art Herring of Carlsbad, catchers; Duane White of Roswell and Pedro Osorio of Carlsbad, outfielders; Joe Bauman of Roswell, first base; Ossie Alvarez, Roswell, shortstop; Stubby Greer, Roswell, third base; Mike Rainey of Big Spring, Bob Weaver and Dick Fornall of Carlsbad, and Tom Sawyer of Roswell, pitchers.

Results of the Longhorn-league wide balloting will be announced Sunday through wire services.

The All-Star game is scheduled for next Thursday, July 22, at Carlsbad. It will be an evening game.

Foster and Goodell, the two Artesia pitcher nominations, are both rookies. Goodell, 19, today has a 10-5 record for 667 per cent. Foster, who is 22, has a 5-1 record for a healthy .833 percentage.

All the Artesia infield and outfield recommendations have outstanding batting averages, all above .300 well-past the midseason mark.

Charlie Watts has a .361. Economides .341, Sullivan .339, Dobkowski .330, and Smart .322.

Artesia, Roswell, Carlsbad, and Big Spring will contribute players to the Western division: Sweetwater, Midland, San Angelo, and Odessa the Eastern division.

Senate Told Out-of-Town Trips Are Off

WASHINGTON (AP)—Sen. McCarthy (R-Wis.) today cancelled at the request of Senate Republican leaders his plans to open hearings in Boston Saturday on alleged Communist infiltration of defense plants.

Sen. Knowland (Calif.) disclosed this in the Senate when Sen. Flanders (R-Vt.) began a speech protesting McCarthy's plans.

Knowland interrupted and announced that McCarthy "has agreed to cooperate." He told Flanders "it will not be necessary to object."

Minutes later, Francis P. Carr, the McCarthy subcommittee's staff director, announced cancellation of the scheduled Boston hearing.

Carr said McCarthy had agreed, at Knowland's request, not to have any out of town sessions. He said McCarthy would have hearings here Monday and Tuesday to question some of the witnesses he had planned to interrogate in Boston, and that "ultimately we will have some hearings in Boston."

Knowland said in the Senate that he had called McCarthy, told him that the Senate plans to be in session all day Saturday and that McCarthy "agreed to cooperate and said he would hold no meeting outside of Washington Saturday."

Flanders said he was protesting McCarthy's plans because "I doubt if the committee has jurisdiction." He said it was a matter involving private industry instead of government operations.

A second reason for objecting, Flanders said, is that "the senator has a date with me on the floor of the Senate July 20" when Flanders plans to seek a test on his efforts to have McCarthy fired from committee chairmanships or censured.

Artesia, Roswell Battle on Sale Of Game Tickets

Artesia now is in a race with Roswell to see which city can sell the most tickets for the Longhorn league annual All-Star game at Carlsbad next week.

Pres. Steve Lanning said this morning 250 general admission tickets have been received from League Pres. Harry James of Roswell, along with a challenge to see which of the two cities can sell the most tickets.

Tickets for the game are priced at \$1. The game will be played in Carlsbad next Thursday evening between east and west teams of the Longhorn league.

The tickets will be sold in drug stores and at baseball headquarters.

Cecil Waldrep, president of the Artesia Chamber of Commerce, and Paul W. Scott, manager, will leave Saturday for Dallas to attend the Southwest Chamber of Commerce Institute.

Waldrep will take part in the president's day discussions and then will go on to New York with Mrs. Waldrep. The president's program, which is scheduled for Monday, will include discussion on problems and points of interest from the president's viewpoint.

The president of the U.S. Chamber will be present to lead some of the talks. The executive vice president will also take part.

Scott is set to teach a class in membership and finance in conjunction with John Barhydt, manager of the Tulsa, Okla., Chamber office.

Classes at the institute are held one week out of each year with graduate students doing the instructing. After the three-year course is completed, chamber managers are graduated to the teaching status and are given a certificate attesting their completion of the course.

Late Bulletins

WASHINGTON (AP)—Singing out civil defense, military and hospital construction and ship-building programs as special targets, the House appropriations committee today slashed 39 per cent from President Eisenhower's requests for \$1,959,958,267 in emergency appropriations.

If sustained by the house, the committee's action will represent the biggest percentage cut of 1954, and one of the largest in decades, in any presidential money requests. The House will consider the GOP-dominated committee recommendations early next week.

—
HOBBS (AP)—Jackie Jo Davis, 5-months-old kidnapping victim, was returned to her home near here today from a Seminole, Texas, hospital. Her father, Jack Davis, said she was "just fine."

—
GENEVA (AP)—French Premier Pierre Mendes-France raced the clock today in a quest to win an Indochina case-fire based on division of Viet Nam at the 18th parallel. But his efforts were set back by a four-hour session with Russia's stubborn N. S. Molotov.

—
PORTALES (AP)—The emergency drought feed program has ended at a time when the need was never greater, Eastern New Mexico ranchers here report.

—
CHESTERTOWN, Md. (AP)—An exploding fireworks and munitions plant shook Chestertown for 90 minutes today and nine bodies were removed from the flaming ruins.

—
CHICAGO (AP)—A series of blasts destroyed a small fireworks plant in Schiller Park, a western suburb of Chicago today. Police said three persons were killed and two injured.

Artesia C of C Officials Prepare For Dallas Trip

Cecil Waldrep, president of the Artesia Chamber of Commerce, and Paul W. Scott, manager, will leave Saturday for Dallas to attend the Southwest Chamber of Commerce Institute.

Waldrep will take part in the president's day discussions and then will go on to New York with Mrs. Waldrep. The president's program, which is scheduled for Monday, will include discussion on problems and points of interest from the president's viewpoint.

The president of the U.S. Chamber will be present to lead some of the talks. The executive vice president will also take part.

Scott is set to teach a class in membership and finance in conjunction with John Barhydt, manager of the Tulsa, Okla., Chamber office.

Classes at the institute are held one week out of each year with graduate students doing the instructing. After the three-year course is completed, chamber managers are graduated to the teaching status and are given a certificate attesting their completion of the course.

Survey of First Street for Urban Project Expected

The Artesia Chamber of Commerce announced today it had received word from the state highway department that a location crew now working at Hope, is planning to complete the First street survey in Artesia, possibly within the next six weeks.

The survey will be made in connection with the urban project planned for the city.

Little League Seeks Adult Fence Building Help

Adults who want to help Little League baseball grow in Artesia have their chance.

At 1 p. m. tomorrow adult volunteers under the direction of Chuck Brown, local contractor, will meet at the future Little League park at Artesia Municipal Park to erect the fence.

All materials have been furnished by local lumbermen and contractors. All that's needed now are the strong arms of men anxious to aid in helping the program.

Police Investigate Break-In at Bar

Police today were investigating a burglary at the Cantina Bar on W. Main which took place last night.

F. O. Ashton, operator of the bar, said \$15 in dimes was taken as was an undetermined amount from the jukebox in the establishment.

Police said entrance was gained through an air-conditioner at the back of the building. Ashton reported the burglary to the police at 12:40 last night.

Varied Programs Set Pace For Methodist Church Groups

Circles of the Woman's Society of Christian Service of the First Methodist church met at 9:30 on Thursday morning with Mrs. Hubert Burke as hostess to circle 1.

The worship service on the Biblical character, Deborah, was given by Mrs. J. R. Miller. Mrs. F. L. Bays, program leader, gave an interesting account of the work being done in India, by a missionary teacher, Isabel Mukambi. Mrs. Burke served punch and cake to six women.

Mrs. C. H. Johns led the meditation on "Love Thy Neighbor," when circle 2 met with Mrs. Ray Fagan. The program given by Mrs. Ted Maschek concerned the experiences of a native Indian girl in a mission school in India, and the work being done in Africa. Coffee, sweet rolls and cookies were served to seven members and one guest, Mrs. L. J. Lorang.

Circle 3 met in the home of Mrs. Jean Stone with 11 members present. Mrs. Verlan Davis, program leader, presented some information relative to the political situation with which Christian Woman

should be concerned. Group discussion followed. Mrs. Reese Smith gave a short meditation to close the program. Mrs. H. C. Allen presided over a short business meeting. Refreshments of iced tea and sweet rolls were served by the hostess.

Mrs. Roy Bell led group 4 in singing, "What A Friend We Have In Jesus," to open the meeting held in the home of Mrs. Roger Durand. Mrs. Robert Cole, program leader, read the scripture, then introduced Mrs. Lillie Craig of Warren, Ariz., who gave the program, "What These Stones Mean." Following a brief business meeting with Mrs. George Teel presiding, the group sang "Are Ye Able." Meetings will close with prayer by Mrs. Jane Jordan. Refreshments of lemonade and cookies were served to 12 women. Mrs. Lois Ratcliff is a new member.

Special announcement made at the meetings was that a Christmas party would be held in Fellowship Hall Thursday, July 29, at 9:30.

ARTESIA YOUNGSTERS are jumping into the city swimming pool near Senior high school with gay abandon these days of 100-plus temperatures. Pool Mgr. John Daugherty suggests parents might have as much fun as kids if they'd try it. (Advocate Photo)

Mrs. Nina McCarter Appointed Chaperone for Mexican Tour

Mrs. Nina McCarter, Artesia elementary school, will be official chaperone when members of Texas Christian university's fourth annual study tour of Mexico leave on Monday, July 19.

The summer school in Mexico includes work at Monterrey Tech, Mexico City college, and other points.

Traveling by cars, the group is due in Monterrey July 20 and will study there until Aug. 3.

Aug. 4-8 will be spent in San Luis Potosi and classes will be held in Mexico City, Aug. 11-21. Several other places will be visited before the tour ends on Aug. 27.

Dr. W. C. Nunn, professor of history at TCU, is director of the session and will teach American history with emphasis on Mexican-U. S. relations. Dr. Jerome A. Moore, dean of TCU's AddRan college of arts and sciences and professor of Spanish, will conduct courses in that language with the help of Mexican assistants.

The group will visit Saltillo and famed "Horsetail Falls" while in Monterrey. In Mexico City, visits to Taxco, Guernavaca, the Pyramids and Floating Gardens are planned.

Other stops will be made at Sabin Hidalgo, Ciudad Victoria, Guanajuato, Queretaro, Ixmiquilpan, Jacala. Final examinations will be held Aug. 2 at Monterrey Tech.

Mrs. C. E. Storm Leads Christian Church Program

Christian Women Fellowship of First Christian church met at 2:30 p. m. Thursday in the church hall with 18 members present.

Mrs. C. E. Storm was in charge of the program. Mrs. Al Sample had the worship service.

Refreshments of grape punch and cookies were served with group 3 as hostesses.

PAVEMENT PLATO— Few People Willing to Do Better

By HAL BOYLE
NEW YORK — "Too few people will take the risk of doing better," said Budd Schulberg.

"If you play safe too long you reach a line of mediocrity. And by being afraid to go higher you actually will wind up lower than the average."

Schulberg, author-son of a famous Hollywood producer, was talking about the problem of making better movies. But in a larger sense he also was pursuing a problem that has always held him as a writer—the theme of success.

Budd, who now is 40, raised a few eyebrows with his first novel, "What Makes Sammy Run," a merciless study of the how-to-get-ahead formula of a guy on the make in Hollywood.

HE DID THE same thing for the boxing industry in his second novel "The Harder They Fall." His third novel, "The Disenchanted," analyzed the decay of a Scott Fitzgerald-type writer under the pressure to turn-out-the-job-the-

CARLSBAD PROJECT PLANNED

WASHINGTON, (AP)—Sen. Chavez (D. NM) says a Navy spokesman has told him a Naval Reserve electronics project may be built at Carlsbad, N. M. Chavez said Asst. Secretary of the Navy R. H. Fogler told him the Navy is considering the project and will send representatives to Carlsbad to study the prospects.

STOCK SHIPMENTS UP

ALBUQUERQUE, (AP)—The Cattle Sanitary Board says 31,232 cattle were shipped from New Mexico last month, compared with 12,000 a year before. Most were shipped from Tucumcari, Farmington, Las Cruces, Clovis, Socorro and Vaughn.

SCHOLARSHIPS ADDED

LAS VEGAS, (AP)—Highlands university has added seven new scholarships to the number to be presented high school graduates. Each is worth \$150. A goal of 50 such scholarships has been set by the school.

28 POLIO VICTIMS

SANTA FE, (AP)—The state health department says nine cases of polio were reported in five counties last week, bringing the state total for the year to 28, one more than the average at this date over the past five years. The new cases included three in Lea county, two each in McKinley and Bernalillo and one each in San Juan and Torrance counties.

Over 100 Visitors See New Offices Of Local Chamber

Over 100 visitors looked over the new office of the Artesia Chamber of Commerce Wednesday and according to Paul W. Scott many favorable comments were heard.

Cake and coffee were served to all who looked over the office which was decorated with posters revealing the nature of the work done by the office and what services are available to local inhabitants.

Scott said two extra trays of cake were donated to patients in the General hospital.

In an announcement of special interest here, Scott said this morning that C. A. MacLeod, president of the New Mexico State Fire Prevention Assn., has okayed a survey by his group of possible fire hazards in the city.

The survey had been requested by the Chamber. However, MacLeod said that due to a busy schedule, inspectors would not be able to come to Artesia and make the store-to-store survey until a year from this fall.

The survey is a voluntary program. The inspectors look over the stores that volunteer for the preventive services and make recommendations as to possible hazards.

Mr. and Mrs. Meredith Jones and children returned home on Thursday from a vacation spent in Colorado. They visited in Denver, and Fort Morgan then came to Los Alamos where they visited his parents, Mr and Mrs. J. C. Jones, and brother, Stanley Jones and family. They fished at Pos Creto mountains.

Mr. and Mrs. Reed McCaw and son, have moved back to Artesia after living in California, Albuquerque and El Paso. Mr. McCaw has been away from Artesia 22 years. He is a cousin of Jack and Bob McCaw.

Rev. C. A. Clark went to Hobbs on Thursday to hold funeral services for Wade Hampton Frazier, 50 years old, who died of a heart attack. Mrs. Clark accompanied her husband.

Mrs. Marvin H. Sanders, 1016 W. Missouri and her sister-in-law, Mrs. C. D. Potts of Maljamar returned this week from Snyder, Okla., where they visited Mrs. Sanders' sister, Mrs. Verlan Jetters.

"IF THE ANCIENT Greeks were entertained by real tragedy and good writing—as the Elizabethans were by Shakespeare—there is no reason why we shouldn't be."

"The biggest mistake in Soviet Russian writing—which is subsidized—is that it is designed by those in authority to serve what they feel are the immediate literary needs of the people."

"That's where they have gone way off. Culture isn't for a moment. It is a matter of centuries."

COX MOTOR COMPANY • 301 SOUTH FIRST

QUEMADO RANCHER DIES
ALBUQUERQUE, (AP)—John T. Cox, pioneer New Mexico rancher whose friends knew him as "Salty John," died in Albuquerque Wednesday. He was born in 1878 on an Aqua Chiquita Creek ranch near the village of Weed. He owned the Cero Pomo Ranch west of Quemado in Catron County and retired 10 years ago. Among survivors is a son, Bert, Quemado rancher.

CASE OF MISSING METER
ALBANY, N. Y., (AP)—John J. Bylancik dropped a nickel into a parking meter. When he returned about 50 minutes later, he told the judge, the meter was gone and he had an overtime parking ticket. The judge learned that the meter had been defective. A patrolman noted that it registered red and ticketed the car. Then meter repair men took it away for an overhaul. The judge revoked the ticket.

GAS RATES ARGUED
WASHINGTON, (AP)—A proposal by El Paso Natural Gas Co. for a \$15,287,000 increase in natural gas rates for wholesale customers in Texas, Arizona, New Mexico and California will be orally argued here Sept. 23.

WALLIS PLEADS INNOCENT
TUCUMCARI, (AP)—W. L. Wallis, former Quay County clerk, pleaded innocent yesterday when arraigned before Dist. Judge E. T. Hensley on 37 counts of embezzlement. Wallis was arrested in Albuquerque by Sheriff Claude Moncus. He was given the privilege of a preliminary hearing within a week if he desires. Bond was set at \$2,500.

CHEKHOV MEMORIAL
MOSCOW, (AP)—The small Moscow house where Anton Chekhov lived with his family from 1886-90 is being made into a memorial museum to the writer. In the house, not far from the present American Embassy building, Tschaikevsky, the composer, frequently visited. There Chekhov wrote many of his works.

FT. BLISS GETS HIKE
WASHINGTON, (AP)—The House is expected to vote today on a compromise bill authorizing \$30,369,000 of military construction projects in all parts of the nation and overseas. The total was passed by the Senate yesterday. Under the bill sent to the House, Ft. Bliss, Tex., would receive \$10,994,000 instead of the \$7,877,000 originally voted.

STUDY ROSWELL FLOOD
WASHINGTON, (AP)—The Army has approved a bill to authorize a survey of the recent flood which struck Roswell, N. M. Sen. Chavez D-NM said today. Chavez said the Engineer Corps is to report a feasible project to Congress to control or avoid future floods in the area. On the report, he explained, hinge requests for funds for a more intensive study.

LESSON FOR TWO
PEORIA, Ill., (AP)—Police got a report that two boys were kidnapped by a man who grabbed them and locked them in the trunk of an automobile. The car was traced to Harold Walker who said the youngsters were his brothers. He searched for them when they failed to return home on time. To teach them a lesson he locked them in the trunk of the car while driving them home.

EMPLOYMENT UP
ALBUQUERQUE, (AP)—A slight gain in employment in New Mexico during April was reported by the Bureau of Business Research. The employment gain was primarily in the contract construction of the university bureau said.

2,164 LOSE LICENSES
SANTA FE, (AP)—A total of 2,164 drivers licenses were under revocation or suspension June 20, the Drivers License Division reports. Of these, 1,942 resulted from drunk driving convictions.

John Goodell's Homer Salvages Lost Game as NuMexers Down Broncs 4-3

From then on Artesia hit fairly freely but Baez came through in the clinches, backed up by stout Bronc fielding. DiMaggio settled down, struck out nine, walked three and allowed only one hit until de la Torre's homer in the ninth.

Economides led the Artesia hitting attack, getting four for four, including the triple that scored Gallardo in the second and put the NuMexer catcher in position to be readily knocked home by Smith's timely single.

There was no one on when Torre slammed his homer. Goodell started off shakily for the first two Big Spring games, letting in two Big Spring runs in three singles and an error in the first inning. Lou Bro, Pete Simone, and Bob Smith singled for the Broncs, and Simone scoring on the single.

In the second inning Frank Gallardo and Floyd Economides tripled, homing Gallardo. Dean Smith singled to score Economides, netting two for the Broncs. A Bronc double play threatened.

Milwaukee Writes Story Book Finish Coming From Behind 8-3 to Down Dodgers in Ninth

By THE ASSOCIATED PRESS
It was Milwaukee's last turn at bat. There were two outs. And the Brooklyn Dodgers were leading 8-3.

It looked like the end and Milwaukee's all time record crowd—43,633—was ready to go home satisfied at least with an even split, the Braves having won the first game 2-0.

Except for one detail—The bases were loaded.

Joe Adcock came to bat. Reliever Jim Hughes coked his arm and prepared to finish off the side. But Adcock connected. Two men came on in his single.

Brooklyn Manager Walt Alton, taking no chances at this point, rushed Erv Palica to the mound.

The crowd went wild.

Andy Pafko came up. Palica tried hard, but Pafko got his number and slammed out a double that brought in two more runs. It was now 8-7.

Then Johnny Logan came up. This was it. And he did—a single. In came the tying run. Logan took second on the throw to the plate.

By now the incredulous crowd was ready for the kill, and catcher Charlie White's single over second, bringing Logan in, was all the Braves needed.

The score was 9-8. Milwaukee had dealt Brooklyn its first double defeat since Sept. 6, 1952.

The two losses, combined with New York's 4-0 triumph over the St. Louis Cardinals, boosted the Giants' first-place National league margin over the Dodgers to 6½ games.

Cleveland's Indians retained their half-game edge over New York in the tight American league race, defeating the Philadelphia Athletics 4-0 as the Yankees edged the Baltimore Orioles 3-1.

Chicago's third-place White Sox fell four games off the pace, losing to Washington 3-2. Detroit and Boston divided a day-night doubleheader, the Tigers winning the nightcap 4-2 after the Red Sox had taken the opener 3-1.

Cincinnati's Redlegs climbed into a three-way tie for third place with Milwaukee and Philadelphia, sweeping both ends of a two-night twin bill from the Phillies 2-1 and 4-3 to spoil Terry Moore's managerial debut. Chicago's Cubs knocked off the last-place Pittsburgh Pirates twice in the afternoon 9-3 and 3-0. Hank Sauer and Ernie Banks homered in each game.

The Dodgers were limited to only three singles in the opening game by Milwaukee's Bob Buhl, who won his first game of the season after seven defeats.

Eddie Mathews slammed two homers, his 20th and 21st of the season for the Braves. His first came in the seventh of the opener with a mate aboard to break up a scoreless duel between Buhl and Brooklyn's Bob Millkin. His second also came with a man on base to furnish Milwaukee's first two runs.

Williams Chokes Roswell's Rally, Ashers Winners 11-9

By THE ASSOCIATED PRESS
Hank Williams choked off a desperate Roswell rally in the ninth inning as the Carlsbad Potashers whipped the Rockets 11-9 here tonight.

The loss spun the Rockets a game and half behind Artesia, 4-3 winner over Big Springs tonight.

Carlsbad was off to a running start, picking up a single run in the first on Oliver Hardy's RBI single and a pair in the second on Ralph Carpenter's line shot over the leftfield wall with Elias Osorio aboard.

Hardy was on the business end of a double steal in the fourth to make it 4-0.

Steve Nunez, Rocket starter and loser, charged the 1400 fans in the Rocket fourth with a grand slam homer to tie matters.

Carlsbad added a single run in the fifth and two in the sixth. The sixth inning runs came when starter and winner Dario Jimenez and Rau Dieppa slammed back to back three baggers and Dieppa crossed on Hardy's sacrifice fly.

Roswell added two in the seventh on hits by Weldon Day and Duane plus some shoddy Potasher fielding.

Goldie Gholson had led off the seventh with a 400-foot homer over the centerfield wall to excuse Nunez.

Jose Gallardo pitched the seventh and eighth and Ramon Laza the ninth.

Two Rocket errors accounted for Carlsbad's tally in the eighth. After Carlsbad scored twice more in the ninth Roswell came to life and loaded the bases quickly on Jimenez.

Acting Mgr. Williams sent Jimenez to the showers and took over the hill chores.

Pat Stasey scored one run with a sacrifice fly and Ossie Alvarez and Dee Wilson singled in one each.

Williams bore down and fanned Dixon Bell on three pitches but hit pinch hitter Rod Arco.

Weldon Day popped to second to end the game.

Carlsbad 121 012 112—11 16 3
Roswell 000 400 203—9 13 5
Jimenez, Williams (9) and Her-ring; Nunez, Gallardo (7), Laza (9) and Bell.

Trans-Miss Goes Into Third With Jackson Leading

DENVER, (AP)—The Trans-Mississippi golf tournament moved into the third round today with Jim Jackson of St. Louis, Mo., joining defending champion Joe Conrad and medalist Ernie Vossler as the gallery favorites.

Jackson, 26, Walker Cup player, turned in yesterday's finest performance in defeating Bob Vickers of Wichita, Kan., 2 up. Jackson was four under par and Vickers was two under par over the 6,558-yard, par-72 Cherry Hills course.

Jackson, a paper salesman, won with a putter that found the range from as far as 30 feet. He and Vickers shot every hole in par or better.

Conrad, a lieutenant at San Marcos, Tex., Air Force Base, was not

Buck Rutherford Rodeo Big Noise

SALINAS, Calif., (AP)—Buck Rutherford of Nowata, Okla., was the big noise the opening day of the 38th California rodeo here yesterday.

Buck took first in bull riding, bareback bronc riding and steer wrestling to top 246 of the nation's crack cowboys who started their four days of competition before 8,000 fans.

One of the top performances of the day was turned in by Harold Mattos of Newman, Calif., who won the calf roping in the fast time of 17.4 seconds.

Manakiki Tourney Develops Into Free-for-All

CLEVELAND, (AP)—The race for the \$5,000 top prize in the 25,000 Manakiki Open golf tournament was a wide-open free-for-all today.

Headed by veteran Denny Shute, who carved out a 31-35-66 in yesterday's opening round, 45 hotshots were massed in the par-or-

pressed in disposing of Floyd Addington of Dallas, 2 and 1. He was one over par through the 17 holes. Vossler, Fort Worth, Tex., plumber, was one over regulation figures in winning his match from Ron Moore of Denver, 2 and 1.

Joe Walser Jr., of Oklahoma City, captain of the Oklahoma A&M golf team this spring, was even par in defeating Bill Webb of Kansas City, 2 and 1. Walser plays Jackson in what shapes up as one of the best third-round matches.

Shute, a 49-year-old grandfather from Akron, Ohio, making one of his few tournament appearances, won the 1936 and 1937 PGA titles and the 1933 British Open.

The big casualty in the first round was Jimmy Clark, the ex-Marine from Huntington Beach, Calif., who was disqualified for posting a wrong score after deadlocking Shute for the lead with 32-34-66. One portion of the card, kept by former Dpen champion Julius Boros, showed Clark with a 4-4 score on two consecutive holes when he actually shot 5-3.

Open hearth furnaces produce about 90 per cent of American steel.

Odessa Jumps on San Angelo for 17 Hits, 7 to 4 Victory

ANGELO, (AP)—The Odessa jumped on three San Anglos for 17 hits and a 7-4 over the Colts here tonight as the hosts winning streak.

Barney Batson and Earl led the attack with four each, one of Batson's a long run over the right center in the ninth with the sacks.

Di Primo struck the fatal blow, a three-run homer in the fifth inning to give the Oil-5-4 lead which they maintained and increased.

Jim of the uprising was Russ touched for 10 hits in four games, being unable to get any out in the fifth when the visitors scored four times.

Odessa gave the Colts three gifts in the second inning, coming five errors, and Mike So-lowing two singles.

Except for a single, ground out, another single by Agne for a in the fourth, the Colts were out in the cold by Sotelo, who led only eight hits.

Well drove in two runs, becoming having a perfect night at the

is Layne got three hits for hits, including a double. The hitting Bob Hobbs was held by, hitting into two double and striking out once.

Ewen, 9-9, goes for the Colts at with either Jamie Fals or Ortiz going for the Oilers.

Publinox Stars Petty Officer, LA City Champ

DALLAS, (AP)—Bill Scarbrough, a giant chief petty officer who makes a golf club behave like a Navy rookie, and Los Angeles city champion Gene Andrews loomed as top favorites in the 29th National Public Links Tournament today.

Scarbrough, 30-year-old Jacksonville, Fla., naval petty officer, boomed his way into the semi-finals yesterday with an assortment of terrific chip shots and a torrid putter.

He squares off against Jack Zimmerman, 26-year-old Dayton, O., mechanical engineer, in one 36-hole semi-finals match today.

In the other is Andrews, oldest contender left at 40, and Joe Evans, 31, St. Louis, Mo., baker.

Scarbrough, veteran of 153 combat missions as a gunner and bombardier in World War II, easily knocked out Richard Preston of Detroit, 3 and 2, and Thomas Lambie, Phoenix, Ariz., 4 and 2 yesterday.

For the 81 holes of golf he has played in his first attempt at the Publinox title, Scarbrough is three under par.

He was one under par against Preston and two under against Lambie over Cedar Crest's par 71, 62,296-yard course.

Andrews, who lives at Pacific Palisades, Calif., defeated E. F. Shively, Dayton, O., 3 and 2, and then eliminated John Hatch of Dallas, 6 and 5.

Three-Time Champ Leads Tri-State Golf at Amarillo

AMARILLO, (AP)—A three-time champion and a man who'd like to hold that honor led the Tri-State senior golf tournament into its quarterfinal round here today.

Chick Trout, three-time former champion from Lubbock, Tex., and Frank Day of Plainview, Tex., who has won the title twice, both came through yesterday with victories.

Trout nipped medalist J. R. Brown of Amarillo, 1 up, and Day beat Ray LeCron of Tulsa, Okla., by the same score.

Today's play sends Day against Tom Davis of Petersburg and Trout against Beigh Black of Oklahoma City. Other quarterfinalists matched Red Covington of San Angelo vs. A. N. Ridings of Chillicothe and Roy Cooper of Lubbock, vs. O. F. Sandy of Blackwell, Okla.

Cards Cast Eye On Minor League Player Offerings

ST. LOUIS, (AP)—St. Louis Cardinal officials got together yesterday with their top farm club representatives to talk over next year's prospects.

Players in the International league, Texas league, and American Association were discussed.

Vice President Bill Walsingham said the players discussed were those who "might be helpful to the parent club in 1955."

Walsingham wouldn't talk about which players in the top minors were mentioned at the session.

under bracket. All of them, and some who were above the magic figure, were given a chance to win.

Some experts were pointing the "favorite" finger at Freddie Haas, the lanky club designer from New Orleans, who zoomed in with a 35-32-67 for second place. In last year's final round Haas scored a 62, giving him 129—or 15 under par—for his last two jaunts around this 6,651-yard layout.

Shute, a 49-year-old grandfather from Akron, Ohio, making one of his few tournament appearances, won the 1936 and 1937 PGA titles and the 1933 British Open.

The big casualty in the first round was Jimmy Clark, the ex-Marine from Huntington Beach, Calif., who was disqualified for posting a wrong score after deadlocking Shute for the lead with 32-34-66. One portion of the card, kept by former Dpen champion Julius Boros, showed Clark with a 4-4 score on two consecutive holes when he actually shot 5-3.

Open hearth furnaces produce about 90 per cent of American steel.

Has It Been Set Back?

WERE ARE THOSE who have argued that the failure of America and the British to reach an agreement concerning a Far Eastern policy has been a set-back for the United States. The fact that the British want one thing, we want another and they won't go along with us has been described by many as a loss insofar as we are concerned.

There probably are a good many Americans who question this. They have been feeling we should set our policy and let those we support back and accept our policy since we have learned from bitter experience that the British policy isn't right.

Few, if any, who were around when the Munich appeasement agreement was reached want any more of that kind of a foreign policy. It failed then—it will fail again.

Many of us have not been happy over permitting the Reds to enter Berlin during World War II after we had fought and won the war but we listened to our so-called Allies. We definitely have not forgotten the Korean war which we fought and paid for—and what have we gained?

Maybe we are learning as a nation and as a people. Now England, which we are told was responsible for the removal of General MacArthur, wants to still advise us what we should do. No one doubts but what they were wrong about MacArthur. Now they want John Foster Dulles, those in informed circles say. They want him because he does not agree with them so we should remove him and thereby remove his ideas on foreign policies and adopt one that the British like.

We removed MacArthur but there are few that think we will remove Secretary Dulles. That would amount to capitulation to the British and we have done that once too many times.

Have we checked into the reasons we can't agree with the British on the East Asia policy? It is simple. The British want to woo the Reds, cultivate them, make friends with them, get them into some sort of a pact, recognize and trade with them. In this way, so the British seem to believe, the Reds will lose their spirit of antagonism in a gradual sort of way. And as a result they will become more docile, less belligerent.

But America's answer to that is a loud "no." America is convinced they cannot be wooed with gentle words or by opening trade with them. We can't trust them and we know that lesson well. We might have trusted them before the Korean war but we know better now. We also recognize if they agree not to make war they can still infiltrate and plot inside countries and by political tactics or by civil war still accomplish their purpose.

Some argue that England and Francee seek peace because of the tremendous loss of manpower in last two wars. We suffered losses too and the heaviest losses in the Korean war. Some argue they are afraid because they are closer and the war could and would be fought on their territory again.

And yet—we have paid the price for all of them and other allies. We have taken our losses, foot the bill, been insulted, cussed and condemned all because we have tried to help.

Up to now the thinking of the British, the French and others has not been right. We have always enjoyed our independence. It appears we keep it now or sacrifice it forever. Many are convinced it is time to tell the British, French, and others no more appeasement programs. The frank truth is either we are right and our economic system and our way of life is right and worth fighting for or we are wrong and will lose regardless of what we do.

The bare truth is that if Communism is the better form of life and economic system there is nothing that can stop it from engulfing the world. And if it is wrong and those on the side of right fight and work together nothing can stop them from winning.

Backseat Driver

Coffee Talk Lights Out, Planes Fly Overhead—Veteran Dives

ALMOST AT THE same time power failed briefly in the city on Wednesday night an ex-GI heard airplanes—probably some of those big Walker Air Force base types—thundering over the city at high altitudes.

The reflexes ingrained years ago held true—without realizing it, he hurried off the street, his way lit only by car lights here and there as the rest of the city lay in darkness.

COMMENTED A MOTHER the other day, "all this Little League for boys is very fine, and we wouldn't want to take it away from them for a minute."

"But," she added, "do you realize there isn't a think like that here for little girls. There is no recreation other than a half hour a day in the swimming program which girls can enjoy."

MRS. FLOYD Springer says she had a letter from daughter Peggy the other day.

Peggy, who formerly worked at the state employment service office here, is now assistant golf pro at the Lubbock Country club.

"Peggy says its the only job she's had where you have a vacation six days a week," commented Mrs. Springer.

We were silly enough to ask what she did the seventh. "Why, her housework," came the reply.

THERE'S SOME folks that are getting mighty suspicious of this Fred Cole of Artesia.

His detractors point to a piece hailing him affectionately, printed in Sunday's *Carlsbad Current-Argus* under editor Jim Barber's

along Dallas, across Roselawn, without ever stopping—let alone even turn her head sideways to survey possible oncoming traffic.

The result was a screech of brakes. It's been a lucky situation Roselawn's pavement-level stop signs haven't taken a toll any more severe than burned rubber.

SINCE FOLKS like to jump on the city council feet-first when things get dull, we'd like to pass along this orchid:

While in cities across the United States the people's local government conducts its affairs behind closed doors without benefit of public discussion—call it controversy, if you will—Artesia's city business, the petty and the major alike, is conducted in the open.

Councilmen are more than willing, individually and collectively, to discuss city affairs with the press and with the general public.

In our opinion it has made for a much healthier city than would otherwise be possible.

WE UNDERSTAND the firemen are going to have another one of their jim-dandy feeds any week now. Chief Albert Richards isn't saying just when yet, but promises it's in the works.

Firemen's feeds are notorious for their informality, their mountains of good food and beverages, and the motley collection of interesting people they draw together—everyone from visiting firemen to even newspaper reporters.

Cloud Seeding Slated By Mines

SOCORRO — The research and development division of New Mexico Institute of Mining and Technology has entered into a contract with two Hawaiian concerns to participate in new cloud-seeding experiments.

Dr. E. J. Workman, mines president, said the experiments will be conducted this summer on the island of Maui.

Under the terms of the contract,

Artesia Tourist-Promoting Plan Spreads in Region

Evidence that the Artesia Chamber of Commerce tourist-of-the-week program is bringing favorable results for the city was beginning to show up this week as one group's hometown Chamber sent a thank you note to the local office and an Artesia couple on the road brought back news that former "victims" were doing some private lauding.

From the Grants Pass and Josephine county C of C in Oregon came the following letter with

packages of gladiolus bulbs to sever local businessmen who entertained Mr and Mrs. Dale Prow, tourists-of-the-week recently. The letters, addressed to the businessmen, read:

"Thought you might be interested in knowing how successful your 'Guest of the Week' program is in publicizing your area. Mr. and Mrs. Dale Prow came into our office with glowing accounts of your hospitality to them.

"We have a Greeters club which meets weekly, using a somewhat similar system although not carrying it nearly as far as you folks do. We have the police pick up an out-of-state car, bring it to our Greeters club which meets for coffee and donuts at 10 Wednesday mornings. Here they are interviewed,

Ben K. Seely of the institute's aerosol laboratory will spend approximately three months on Maui using techniques and equipment developed at NMIMT to trace water particles freed in the Hawaiian atmosphere.

presented with literature area, various gifts from merchants, a picture of the Cavenen, a small package of bulbs, and photographed.

"We use a Polaroid camera, the guest a picture and send their hometown newspaper. The cording is made of the interest and is broadcast that evening the local station.

"Our set-up is a little different from ours as our Greeters was organized originally to new businessmen coming into area."

The letter was signed by Hanson, manager of the community chamber. Included a picture of the Oregon Cavenen. The northern C of C claims the honor to be the "Domain of Oregon Cavenen."

When registering for a they said the clerk noticed were from Artesia and that Artesia and surrounding were getting some pretty good publicity.

Of the 85,000 kinds of insects the United States, 10,000 are useful to man.

The ice cap of Greenland is miles thick in some places.

Moore Charged With First Managerial Chore for A's

CINCINNATI — (AP) — "Amateur" Terry Moore had a major league ball club to manage today and the Philadelphia Phillies were hopeful the former center fielder of the St. Louis Cardinals' Gas House Gang can rejuvenate the Whiz Kids.

Moore was handed his very first managerial assignment yesterday in a surprise road-trip shift. "Gentleman" Terry took up where rough-hewed Steve O'Neill left off — directing the endeavors of a ball team in third place in the National league, 15 games behind the first-place New York Giants and a far piece from pre-season expectations.

General Manager Roy Hamey called sportswriters together and announced that Moore was being called up to replace O'Neill in hopes he might be able to instill in the cooled-off 190 National league pennant winners some of the "alert" type of play that characterized Moore's own tenure with the Cards.

Hamey said the selection of Moore was "a shot in the dark," decided on after only 48 hours of serious deliberation. O'Neill, veteran manager of long standing and one-time catcher with the Detroit Tigers, said the announcement that he was through came as a "bolt from the blue."

Moore had little to say. He pointed out he had seen the Phillies play only twice in the last two years. Moore, who also was a coach for the Cardinals following his 11th season as an active player, had planned—until tapped by Hamey—to retire and devote all his time starting next fall to a dance hall, bowling alley and cocktail lounge he owns near St. Louis.

He took over immediately after the press conference and his first day at the helm was marred with a double defeat at the hands of Cincinnati. The Redlegs won a two-night double-header 2-1 and 4-3. Moore was signed to a one-year contract, salary undisclosed, Hamey said, adding that one-year pacts would be a Phillies policy with managers from now on. O'Neill will receive the pay coming him for the balance of this year, the extent of his contract.

O'Neill packed and left the club last night with no apparent hard feelings. He wished his successor "better luck than I had. I hope you will be there for a long, long time."

Chevrolets Slip By Williams, Clem Wins 9-3

Guy Chevrolet slipped past Williams Furniture 9-8 yesterday and Clem Appliance took the measure of NuMex 9-3 as play in the Little League continued.

This afternoon the First National Bankers play CVE and the Elks meet Russell Appliance. These two games close out play this week. Starting off again Monday, the Bankers take on Williams and the Elks go against Clem.

As the young baseballers continue to play, plans for this modernization of their ball-park go on also. Saturday volunteers, coaches, officials of the league, and interested persons will meet at the park to start work on the fence which is to encircle the playing field. Chuck Brown, local contractor, will supervise the work which will use material donated by various local agencies and persons.

CVE Travelers Are Scheduled By A&M College

The Artesia CVE Travelers have been scheduled to appear in a game at New Mexico A&M college for the 1954-55 basketball season, Presley Askew, director of athletics and head football coach, has announced.

Borger Cassers Are Reported in Financial Straits

By THE ASSOCIATED PRESS

The Borger Cassers, floundering deep in the second division of the West Texas-New Mexico league, are just as deep in financial trouble.

The seventh-place Cassers had to sell shortstop Gil Valentin yesterday to get enough money to meet their payroll. Valentin was sold to the Albuquerque Dukes for \$2,000.

The deal had hardly been completed when the Cassers dropped their second straight decision to the Lubbock Hubbers, eighth place club, 8-6.

In the other games, Pampa cut Clovis' lead to two games by taming Amarillo 9-7 while the Pioneers were bowing 14-8 to Abilene. Plainview edged Albuquerque-6-5.

WEST TEXAS-NEW MEXICO

Albuquerque Host To Jaycee Meet

ALBUQUERQUE, (AP) — All 48 states will be represented in the annual Jaycee International junior golf tournament for the first time this year, officials said today.

The 72-hole medal play tournament is scheduled on the University of New Mexico course in Albuquerque Aug. 14-21. The first two days will be devoted to practice with the 36-hole qualifying play scheduled Aug. 16 and 17.

With the exception of New Hampshire, which will send one entrant, each state will send a four-man team picked in state qualifying play. A few state tournaments have been held, several are under way now and the rest will be held shortly.

Host Walker AFB Defeats Carswell

ROSWELL, (AP) — Host Walker Air Force Base nipped Carswell AFB of Fort Worth in the first final of the eighth air force tournament here 3-2 in a 10-inning thriller last night.

The loss shoved Carswell into the loser's bracket where it will meet Biggs AFB of Fort Worth tonight for the right to meet Walker again in the double elimination tourney.

Biggs ousted Altus AFB of Altus, Okla., 17-2. A single by Doug Kelly, another basehit and an outfield error enabled the host Bombers to wrap up the decision in the tenth.

A 2-2 deadlock had existed since the fifth inning. Chuck Oberdorf was the winner, going the route and fanning 17. Fred Werth also went the distance for Carswell, fanning eight and touched for just five hits.

Gallup Member Of National Softball Group

Stan Gallup of Artesia, business manager of the Artesia Advocate, has been named a member of the National Softball Congress executive committee.

The NSC is sponsoring the first in a nationwide series of district and state men's and women's softball tournaments, which will be played later in July.

GAME WINNER John Goodell is greeted by winning pitcher Bart DiMaggio as he crosses home plate after knocking ninth inning homer with one aboard to give Artesia a 4-3 win over Big Spring's Broncs last night. (Advocate Photo by Rooster Mills)

Baseball Players in Longhorn League Collect for Homers

AP Newsfeatures

When a baseball player in the Southwest's "hush leagues" hits a home run — or even a decisive single — he heads for the wire screen that separates the fans from the playing field. There he'll more than likely find a wad of bills pushed through the netting.

It is a custom peculiar to the sagebrush country — West Texas and New Mexico. No one knows the origin of the custom. Regardless, the "hush money" has kept happy some ball players who could have made the grade in higher company.

The class C West Texas-New Mexico and Longhorn Leagues are profitable to the long base hit boys. Home runs average \$40 or \$50 but sometimes get as high as \$175. But the biggest "take" was reaped from a single.

Midland was leading Vernon in the 1948 Longhorn playoffs, three games to two. In the sixth game, Vernon held a 2-1 edge in the ninth and Midland had two on with two out. Eddie Mellilo lashed a single to win the game. Jubilant, wealthy Midland rooters chipped in \$331.

First Baseman Jim Prince of Midland collected \$178 when a 400-foot home run won a game. Ponderous Joe Bauman of Roswell has hit better than 50 home runs in his two previous Longhorn seasons and he had more than 30 up to late June this year. Joe should be in good financial shape.

The hotter the game, the richer the reward. In playoffs the "hush money" often runs into hundreds of dollars. In 1951, a pitcher with Abilene of the West Texas-New Mexico League whose batting average was one of the lowest on the club, homered with the bases loaded. The hurler, Fred Schmidt, walked in \$240 thrust through the screens.

One night this year, Jim Matthews of Abilene poked two home runs against Amarillo. Matthews, playing his first home game of the year with a sixth-place club, collected \$43.

A Brooklyn first baseman, Bob Pascal, made his debut in West Texas this season and sent a booming drive over the fence. When he crossed home plate he headed for the dugout. But the fans started yelling: "Over here! Come here!" The embarrassed Pascal plucked \$17 from the wire netting. He never had seen play-

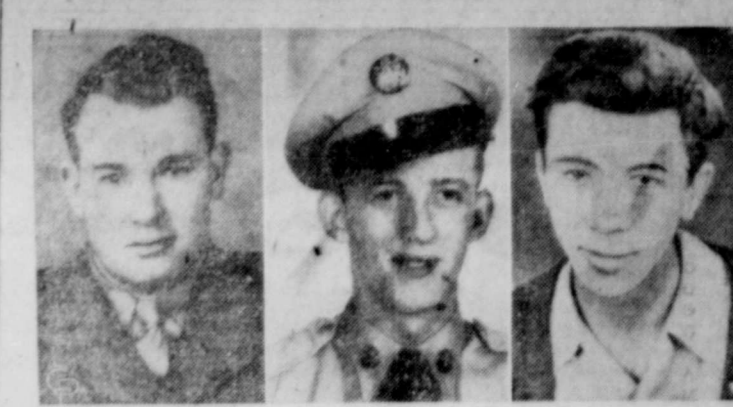

ers paid from the stands before. When Midland plays Odessa, any home run brings a big bonus. These two cities are located only 20 miles apart and the Longhorn League rivalry is intense.

But Bud Hull, Midland outfielder, once failed to collect a penny after his game-winning homer turned into a cloudburst and as Hull hit his homer 50-mile-an-hour winds lashed the park. When he reached home plate all the fans were huddled under the grandstand roof.

Th most powerful atom smashers are huge circular affairs, the largest having a diameter more than twice as great as the length of a football field.

July 4 is celebrated as Independence Day in the Philippines where formal independence was granted July 4, 1946.

SEIZED BY CZECH COMMUNISTS

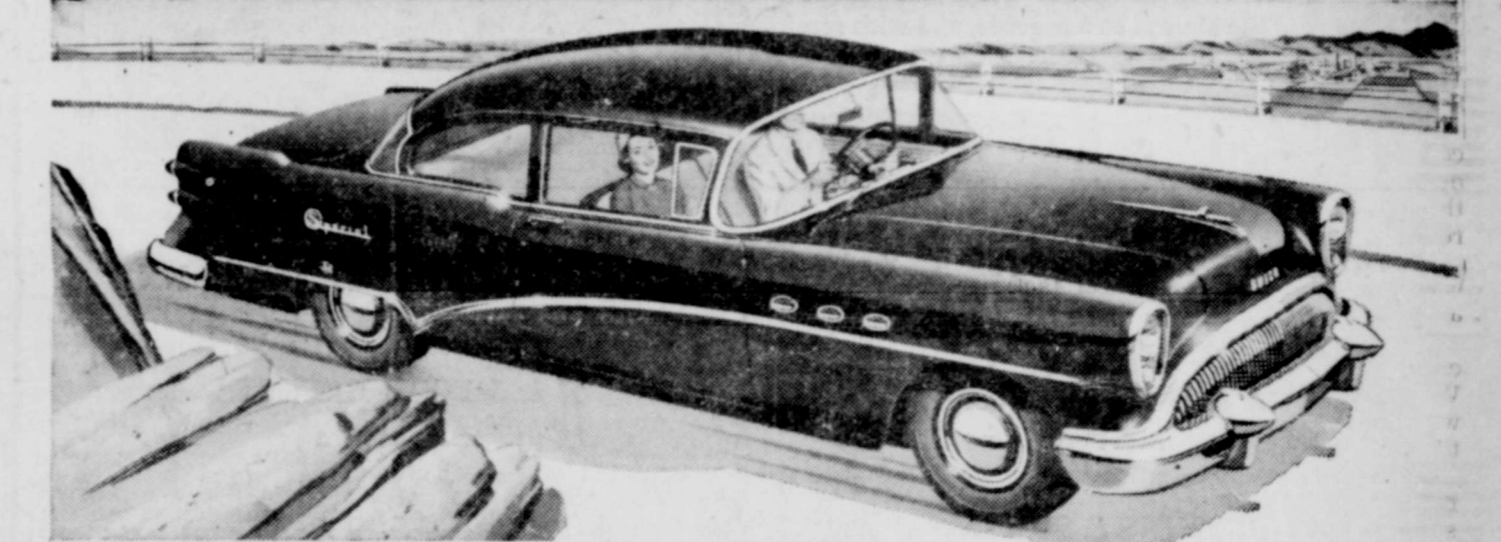

Capt. Jack Davis, Raytown, Mo. Pfc. Jerry Griffith, Springfield, O. Pfc. Leonard Tennis, Alliance, O. THREE OF SEVEN American soldiers seized on the Bavarian border by Communist Czechoslovakia police are shown above. The U. S. termed seizure abduction, demanded release of all. (International)

AVA AND HER BULL FIGHTER

FILM ACTRESS Ava Gardner, in Reno to establish residence preparatory to divorcing crooner Frank Sinatra, is shown nightclubbing with Spanish bull fighter Luis Miguel Dominguez. Gossip columnists have linked the pair romantically, but when questioned by newsmen Luis held up three fingers and said: "She marry three times. Too much!" Her husbands were actor Mickey Rooney, Artie Shaw and Sinatra.

Honey on Wheels

—and only \$2534^{97*} buys it!

HAVE you been thinking you can't afford a new Buick? Listen: If you can afford any new car, you can afford a Buick — and we boldly show our price here to prove it. Look again, and you'll see that this is the local delivered price of the new Buick SPECIAL 2-door, 6-passenger Sedan. Compare, and you'll learn that this price is just a few dollars away from those of the so-called "low-price three."

But — dig a little deeper if you want the real clincher. That's when you find that those few dollars more you pay for a Buick buy you a lot more automobile. They buy a whale of a lot more power — Buick V8 power — plus the new economy of Power-Head combustion. They buy a lot more luxury and comfort and solidity — more room, more glass area, more frame strength, more tread width, more ride steadiness — including the million dollar "feel" of all-coil springing and torque-tube stability. They buy, too, the most advanced styling of the times, and the great panoramic windshield, and the surety that such fresh-

And get this — That's the local delivered price of the New Buick Special V8 2-DOOR, 6-PASSENGER SEDAN Model 48D (limo.)

*Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice. Even the factory-installed extras you may want are bargains, such as heater & defroster... only \$81.70.

looking beauty will stay in the style parade for seasons to come. (That means a better deal for you come resale time.) Is it any wonder, then, that Buick now outsells all other cars in America except two of the so-called "low-price three"? Come in for a demonstration — this week, for sure. And learn, in the doing, what a big trade-in allowance our volume sales can bring you.

Decision!

...And how important! When the way is up the future holds hope. One secret in climbing is obedience. If you are willing and obedient you shall eat the good of the land (Isa. 1:19). But first there is "The Hour of Decision." By Faith she decided to climb. By Faith she is determined to travel upward to God. With the Bible and the church as our guide, and with resolute determination, every climb is crowned with victory.

SINGER HAS MEMORIES BLOOMFIELD, N. J.—(AP)—In the '20s Will Oakland was a famous singer...

After appearances on several recent TV shows Oakland said: "I tell you, when I heard that applause again a chill went up and down my spine."

"The world doesn't owe me a thing," the veteran showman says "I've got my health, my memories, what else could a man ask at my age?"

After appearances on several recent TV shows Oakland said: "I tell you, when I heard that applause again a chill went up and down my spine."

ELECTION SHOOTING! BEDFORD, Ind.—(AP)—Election posters, which usually rot on posts, are being taken down promptly...

Boys have been lining up the candidates' pictures for target practice.

After appearances on several recent TV shows Oakland said: "I tell you, when I heard that applause again a chill went up and down my spine."

Stockton Urges Non-Partisan Voter Signing

ALBUQUERQUE — Alvin Stockton, Republican candidate for governor, urges doing away with the requirement that a New Mexico voter must register as a member of a political party before voting in a primary.

Under the plan, outlined to the Rio Grande Kiwanis club, he said present registration lists would be discarded and all voters would register without naming political affiliation. When the voter appeared in a primary election, he would merely ask for a ballot of the party of his choice.

"I know my proposal is going to meet a lot of opposition," Stockton said, "but about a dozen states have that system now, and it works well. Some people will say it will end party responsibility. But party before 1938 and we had, if anything, more party responsibility than we have now."

Stockton also called for election of judges without party designation, for use of voting machines throughout the state and for abolition of straight-party circle on ballots.

Appliance Dealers To Report Sales To City Offices

Action to have people who put in gas ranges in the city report them to the city inspectors was taken yesterday afternoon at a meeting of appliance dealers in the city hall.

The appliance men decided to report to City Hall everytime a stove is sold so that inspectors will know who needs the inspection.

Heretofore, some ranges have been set, connected, and put into use without city inspection, required in the interests of safety.

Home installers have to buy an installing permit for \$1.50, thereby letting the city know that the range will be in need of inspection.

Burr Chen, plumbing inspector, was in charge of the meeting which was well attended by appliance men.

Scattered Rains Seen for State

By The Associated Press
More widely scattered thunderstorms, with most of the activity in the southwest, are forecast for New Mexico today.

There were a few in the state yesterday—as there have been almost every day this month—but while Farmington reported a moisture was almost negligible, Santa Fe reported .04 inch trace.

Temperatures remain relatively unchanged. Tucumcari again was the hottest place in the state with an even 100 degrees. Las Vegas was coolest with a maximum of 88. Grants reported an 89 while all other stations reported marimums in the 90s.

Robinson Hits Costs Charged In JP Courts

SANTA FE — Atty. Gen. Richard Robinson says if a defendant pleads guilty immediately, and the proceedings go no further, a fee of \$6.50 for costs in a justice court is illegal.

Robinson said some justices of the peace in New Mexico are charging flat fees of \$6.50, which is the maximum, when they're not entitled to it. The official said costs of that amount apply in cases involving several continuances and witnesses. He said that in a case consisting only of a hearing in which the defendant pleads guilty, the justice is entitled to no more than \$2.50.

Robinson said he plans to issue a statement in a few days on the proper amounts to be charged as court costs.

Oil Boom—

fitter, Hillard Watson, fitter, and Alex White, town plant manager at Hagerman. Norman Shands, pressurman, had one year of safe driving to his credit.

In addition to Artesia and Carlsbad, Southern Union's southeastern New Mexico district includes Dexter, Eunice, Hagerman, Lake Arthur, Loving, Lovington and Roswell.

Heat Wave Death Toll Soars to 190, Cool Seen

By THE ASSOCIATED PRESS
The death toll from heat and storm: rose to 190 today as cool northerly winds routed the season's severest heat wave in most parts of the country.

The cooler air extended from Kansas and Oklahoma eastward over Missouri, Illinois, Indiana, Kentucky and Ohio to the North Atlantic coastal states. Daytime temperatures in that area yesterday were 10 to 25 degrees cooler than on the preceding day.

Temperatures in the 90s and 100s still covered most of the southern half of the nation, with Little Rock, Ark., recording 107. Fort

Worth, Texas, and Springfield, Mo., reported 102.

But the temperature reached a high yesterday of only 92 in St. Louis compared with 113 the preceding day. More than a week of scorching heat was blamed for 46 deaths in St. Louis.

Kansas City fell from a high of 112 Wednesday to 93 yesterday and New York City airport from 99 to 84.

Missouri was hardest hit by the heat wave, counting 60 deaths. Oklahoma had 44; Kansas 34; Illinois, 11; Kentucky, 8; Pennsylvania, 5; Colorado, 4; West Virginia, 4; Ohio, 3; Arkansas, 3; New Hampshire, 2; Nebraska, 2; Massachusetts, 2; New York, Iowa, Indiana, Louisiana, Connecticut, Virginia, Tennessee, and Maryland, 1 each.

Six Small Fires Quickly Snuffed In Gila Forest

SILVER CITY — A small thundershower that slipped in over the Glenwood ranger district of the Gila National forest Wednesday touched off a series of six new fires, it was reported today by Joy Baldwin, fire chief of the Gila Forest.

All of the new fires were small, and quickly brought under control by ground crews.

Income of State Land Office Up Over \$7 Million

SANTA FE — The State Land Office has recorded an income increase of \$7,119,138 during the past 18 months over the preceding 18-month period.

Land Commissioner E. S. Walker said income from Jan. 1, 1953 jumped to \$32,122,729, compared with \$25,003,591 from July 1, 1951 to Dec. 31 1952.

"In spite of the increase of many millions of dollars in the land office income, the number of employees has been kept to a minimum," Walker said in his semi-annual report.

Walker said the list of regular employees has increased from 68 to 73 "in order to efficiently handle the increased work load of the department."

"This is still far fewer employees than were on the Land Office payroll when I assumed the obligations and duties of this office," he said.

He said during the fiscal year ended June 30, a total of \$275,104 was expended for salaries, "re-

Shrine Circus Ticket Sale To Open Monday

Tickets will go on sale Monday throughout the Artesia trade territory for the second annual Shrine Circus, slated Aug. 9 and 10 at Artesia Municipal Park.

Children will be admitted free to two matinee performances at 3:15 p. m. both days. Tickets are priced at \$1 for adults, 50 cents for reserved, and 50 cents for children attending evening performances.

Last year more than 6,200 children from throughout the Artesia trade territory—Cloudcroft to Maljamar, Hagerman to Lakewood—attended the matinees with tickets purchased for them by generous Artesia merchants.

Pipeline Factors Recommended as Defense Measures

WASHINGTON — The oil and gas industry has recommended three pipeline construction factors as defense measures for the industry in case of an atomic attack.

The National Petroleum Council and interior department advisers recommend decentralization, underground construction and hook-ups among various pipeline systems to assure a continuous flow.

In addition, the council urges industry and government to consider possible alternate sources of petroleum products to fill possible loss of major refining areas.

flecting a saving of \$12,895 of the \$288,000 budget for this item."

a 65¢ call...

was the difference between spending the night in the car —or a good night's sleep.

"Everything had gone just fine that day... till about 3 o'clock in the afternoon. We had covered 275 miles, and could easily reach the Black Hills by 5..."

"And then our first flat tire... and 15 minutes after that was fixed, a detour... we were now about an hour and a half behind schedule... all the hotels and motor courts would be filled up."

"So we stopped at a drug store, and I invested 65 cents in a long distance call that confirmed a reservation for the night."

When big emergencies occur, most people nowadays use "Long Distance" as a matter of course.

More and more people are learning, too, that many of the "little emergencies" which so often arise to complicate their existence, can be solved in no time, by a long distance telephone call.

NO PRICE CAN MEASURE ITS USEFULNESS

Long distance calls now cost you less because Federal Excise Taxes have been reduced.

New, bigger load space! New, lower loading height!

New Chevrolet Trucks... do more work per day... more work per dollar!

You save on operating costs. The "Thriftmaster 235" engine, the "Loadmaster 235," and the "Jobmaster 261" (optional on 2-ton models at extra cost), deliver greater horsepower plus increased operating economy.

You save extra trips. That's because of extra load space. New pickup bodies are deeper... new stake and platform bodies are wider and longer.

You save time on deliveries. New truck Hydra-Matic transmission saves time and effort at every stop. Optional at extra cost on 1/2-, 3/4- and 1-ton models.

You save with lower upkeep, too. There are heavier axle shafts in two-ton models, bigger clutches in light- and heavy-duty models, stronger frames in all models.

You save hours on the road. Thanks to new high-compression engine power, you can maintain faster schedules without driving at higher maximum road speeds.

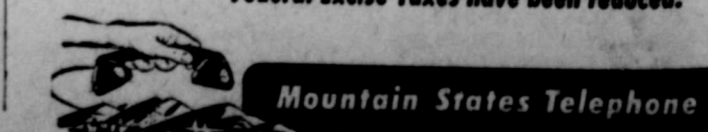

And your savings start the day you buy. Chevrolet, you know, is America's lowest-priced line of trucks.

Come in and see all the wonderful new things you get in America's number one truck.

Now's the time to buy! Get our BIG DEAL! Save with a New Chevrolet!
