Altrurian Daughters Mother's Day Program Features Local Fine Arts

A fine arts program by local artists was heard at Altrurian Daughters' Mother's Day party last Thursday night at the home of Mr. and Mrs. Joe Stinson. Mmes. J. D. Scott and Forest Wade and Margaret Dell Prim were hostesses to club members and their mothers and members of Altrurian Club, which sponsored organization of the junior group several years ago.

Mattie Ross Cunningham was director for the fine arts program heard during the evening. "Tribute to Our Mothers" was given by Mrs. R. E. Gray, mother of Altrurian Daughters' president, Mrs. F. W. Cloud, and Owen Gray of the club. Margaret Williams, director of junior high school music, presented her mixed chorus in a number called "Little Cotton Dolly," and also accompanied LaVerne Hardin as she sang "Little Old Lady."

Ann Wedgeworth, small daughter of Superintendent C. Wedgeworth, who was escorted to the club affair by her father, presented a group of readings. The girls' quartet was directed by Margaret Dell Prim in a group of two numbers, "Rendezvous With a Dream" and "Mighty Lak a Rose." Charlene Wellborn, Doris Wellborn, Frances Wellborn and Bernice Birdwell compose the quartet. "It's Raining," by Grunn, was a piano solo by Patti Hicks, daughter of Dr. and Mrs. J. G. Hicks.

Dorothy Strayhorn and Mrs. Novis Rodgers were presented in a vocal duet, "The Little Damsel" by Ivor Novello, followed by a group of poems as tributes to mothers by Annie F. Sewell. Mrs. Rodgers, formerly a member of the Altrurian Daughters group, gave "Nocturne in C Minor" by Chopin as a piano solo, and accompanied Dorothy Winston as she sang two numbers, "Mother Machine" and "Indian Dawn."

Margaret Henderson, guest whistling artist, gave a medley of popular tunes, accompanied by Margaret Williams, and program closed with a vocal solo, "The Carnival," by Elizabeth McCarty, who was accompanied by Mrs. Rodgers.

The Stinson home was gorgeously decorated with cut flowers for the affair, for which pastel shades of rainbow colors formed the color note. Handpainted pionsies made lovely Mother's Day favors for the party when placed on the dainty refreshment plate.

Fifteen members of Altrurian Daughters were present, and the following of their mothers: Mmes. J. W. Scott, B. E. Gray, R. W. Cunningham, W. E. Doak, L. D. Green, Lora Miller, R. W. Webb, Joe Strayhorn and S. T. Elms. Other muses besides those on program were: Mmes. Wade Winston, J. G. Hicks, Allen Warren and A. W. Waddill of De Leon.

Altrurian Club members present were: Mmes. W. R. Bell, Hugh Borca, H. P. Brown, J. C. Dorward, R. D. English, R. L. Gray, W. W. Hamilton, W. P. King, J. W. Leftwich, A. C. Preuitt, Woodie Scarborough, Joe Stinson, Lee T. Stinson and H. G. Towle.

Home Economics Girls Take Prize.

Snyder High School home economics department received a \$5 check from the state department late last week for the fourth place received on future home making song and play at the state home-making rally in Fort Worth recently.

Miss Vera Periman, sponsor, who accompanied the four local representatives to the state rally, announced receipt of the money award last Thursday. The song, which was composed by Allie Ruth Jenkins, also took a second place among others at the state meet, and was grouped with a play by Ouida Jo Anderson to take the \$5 award.

Local home economics students competed with the largest high schools in the state at the rally.

Artists Delight Local Listeners.

A crowd composed of school students, teachers, members of the Musical Coterie and a number of other town people, was delighted with the voice program by Mrs. W. R. Martin and daughter, Gloria, of Loraine in the school auditorium Friday morning.

The soloists were presented by Musical Coterie as its contribution to the town's observance of National Music Week, and the program was the outstanding part of the week's study, according to attendants. Mrs. A. C. Preuitt, chairman of the local music club's music week committee, introduced the artists.

Mrs. Martin, a teacher of voice, piano, expression and dancing in Colorado and Loraine, is an outstanding musician in West Texas. Mrs. W. C. Hooks, Dunn, a member of both Snyder and Colorado music clubs, accompanied for Mrs. Martin's group of three solos and an encore number.

Gloria, 11-year-old school girl artist, was accompanied by her mother as she gave her part of the program. The pulse of the young voice artist, as well as the exquisite quality of her voice, was commented on by a number of people who attended. "Like mother, like daughter," they said of the charm and ability of the two.

A delightful informal luncheon given at the Manhattan Hotel by Musical Coterie, of which Mrs. John E. Bentell is president, honored the visiting artists.

Lucky 13 Club Has Dutch Picnic Supper.

Lucky 13 Sports Club members, sponsor and escorts enjoyed a Dutch picnic supper at the picnic grounds in Winston's pasture south of town last Wednesday night. An enjoyable scavenger hunt was entertainment for the group after supper.

Mattie Ross Cunningham, sponsor, and Hadley Reeve received a case of Soda Pop as the prize for the scavenger hunt. Instructions were handed out at the picnic grounds and the group returned to the Wade Winston home from the hunt.

The following were present: Jonnie Coggell, Milton Joyce, Hortense Ely, Virginia Egerton, Irene Taylor, Dorothy Winslow, Junete Burt, Dolie Clements, Doris Davis, Faynell Spears, Doris Wilson, Miss Cunningham and Ella Rne Ely of Anson; L. A. Crenshaw Weldon Kincaid, Jimmie Roberts, Corwin Patterson, Jack Smith, Victor Baze, W. F. Reed, Hadley Reeve and Austin Erwin.

Junior Study Club Hears Book Review.

Dorothy Winston presented an excellent review of Gene Stratton Porter's novel, "Daughter of the Land," at the last meeting of Twentieth Century Daughters, held at the home of Mary Helen Bollin last Wednesday afternoon.

Louise LeMond was leader for the program, on which Johnnie Greene pointed out highlights of the author's life, and Dorothy Pinkerton played a piano solo, "Gavotte in B Flat" by Handel.

Refreshments were served to three guests, Mrs. J. E. LeMond, Mrs. Bob Martin and Elizabeth Blakely, and the following club members: Irene Taylor, Milton Joyce, Dorothy Winston, Melba Ann Odum, Louise Bowers, Louise LeMond, Ernestine Morton, Wilma Terry, Joanna Strayhorn, Johnnie Greene, Elizabeth McCarty and Dorothy Pinkerton.

Former Resident Weds in California.

Gertrude Coppedge, who attended Snyder schools for several years, later graduating from the McKinney High School, was married recently to Dr. Harold Bentler of Los Angeles, California. Miss Coppedge had been living in Hollywood for several years.

Dr. Bentler is a graduate of the University of Southern California and practices in Los Angeles. The couple left following their marriage to spend their honeymoon on Mexican waters in their yacht, "The Honeymoon." They will make their home in Los Angeles.

Mrs. LaVerne Jones, sister of the bride, was hostess for the wedding dinner and shower at Sunset Arbor, a fashionable Hollywood restaurant, which many of their friends attended.

William Fullers Arrive.

Mr. and Mrs. William Fuller arrived here Friday, following a month's Caribbean cruise and a brief visit in Fort Worth. Mrs. Fuller is the former Miss Adelaide Polk of Fort Worth, who was presented to society there at the 1935 assembly ball. Mr. and Mrs. Fuller are dividing their time between Snyder and the Fuller ranch northwest of town until their new home, which will be built in West Snyder, is completed.

Morris Sturdivant of Odessa was a week-end visitor in Snyder.

W. R. Merrill and his son-in-law, Fred Williams, of Dallas, both former residents of Snyder, were week-end guests of Mr. and Mrs. Wesley Evans. Merrill is Mrs. Evans' father.

Don't put up with useless PAIN

Get rid of it. When functional pains of menstruation are severe, take CARDUL. If it doesn't benefit you, consult a physician. Don't neglect such pains. They depress the tone of the nerves, cause sleeplessness, loss of appetite, wear out your resistance.

Get a bottle of Cardul and see whether it will help you, as thousands of women have said it helped them.

Besides easing certain pains, Cardul aids in building up the whole system by helping women to get more strength from the food they eat.

Mrs. R. W. Cunningham was hostess to Woman's Culture Club Tuesday afternoon, and Mrs. E. E. Weatherbee directed the afternoon's program on "Music."

Sixteen members answered roll call with the name of a modern composer. Mrs. D. P. Strayhorn favored the group with a vocal solo, and program parts were given by Mmes. A. C. Alexander and H. L. Wren. Mrs. Alexander discussed "The Part Music Plays in Modern Life," and Mrs. Wren told "How Major Bowes Is Helping the Music World."

The hostess passed a dainty plate of iced punch, sandwiches and cookies to those present.

Piano pupils of Helen Boren Rodgers were presented in spring recital Saturday night at 8:00 o'clock at the First Christian Church before a nice crowd of listeners. The church was decorated with cut flowers and greenery for the program.

Pianists were assisted with their program with vocal numbers by two of Mrs. Rodgers' pupils, Melba Ann Odum and Dorothy Winston, voice pupils of Thomas Dawes, Colorado, and Elizabeth McCarty, a pupil of Mr. Dawes. Mrs. Rodgers played the accompaniments.

MORNING FETE COMPLIMENTS JUNIOR CLUBS

The home of Mrs. Lee T. Stinson was the scene of attractiveness and gaily Saturday morning when the Altrurian Club entertained members of the Art Guild and Altrurian Daughters, junior clubs organized and sponsored by the Altrurian Club, at breakfast.

Cut flowers and pot plants in profusion decorated entertaining rooms. Tables were laid with madiera linens and silver bud vases were centerpieces. Place cards carried out the program theme of "Safety."

After a prayer of thanks by Mrs. R. D. English, Mrs. Lee T. Stinson, Altrurian Club president, extended greetings to guests on behalf of her club. Mrs. P. W. Cloud, president of the Altrurian Daughters, responded.

A short program in observance of National Safety Week was rendered by Mmes. W. R. Bell, W. W. Hamilton, J. W. Leftwich and A. C. Preuitt. The subject was discussed from three angles—safety in the home, safety for pedestrians and safety on the highways.

Recent Bride

Little Miss Bobbie West Reynolds, above, four-year-old granddaughter of Mr. and Mrs. R. W. West of Snyder, was bride in a Tom Thumb wedding held recently in the First Methodist Church at Houston. The smiling little bride was all-serious during the performance, according to her mother, Mrs. C. S. Reynolds, the former Miss Lura B. West, who is a graduate of the local high school. Bobbie West, who has visited here with her grandparents, is a strikingly beautiful child, with the unusual combination of blonde curls and big brown eyes.

Irene Spears of Hardin-Simmons University spent the week-end at home.

PAN-AMERICAN MOTIF USED AT SCHOOL AFFAIR

Employing a Pan-American theme, which is so popular because of the coming exposition at Dallas, in decorations, appointments and program, Snyder High School's chapter of National Junior Honor Society held its annual banquet at the Wilford Coffee Shop Tuesday evening.

Tables were decorated with lovely cut flowers, and lighted multi-colored tapers furnished soft light when placed among the flowers on the tables. Place cards were hand-painted Mexican senors and senoritas, fashioned by Elizabeth McCarty, local amateur artist, and the programs were decorated with pencil sketches of Mexican dancing girls.

The cleverness of Dwan Kite, society president, who was toastmaster, was outstanding and commendable since it was his first public appearance. Miss Mattie Ross Cunningham, sponsor, said following the banquet. Members, the sponsor and several guests made up the group of attendants.

Rev. James E. Spivey, Presbyterian minister, gave the main address, following the three-course banquet meal, on the subject "A Good Name." Brief talks by Superintendent C. Wedgeworth on "Life Is Like a Garden," and High School Principal King Sides on "This and That" were heard.

Other parts on the program were: Daurice Worley and Pauline Rogers, vocal duet, accompanied by Louise LeMond; piano solo, Horace Leath; reading, Carolyn Dunn; solos, Dorothy Winston, accompanied by Mrs. King Sides; piano solo, Patti Hicks.

The program closed with a recording which issued an invitation to each one present to the Pan-American Exposition at Dallas this summer.

Twenty-four members of the junior honor group were present, and the following guests were there: Rev. James E. Spivey, Mr. and Mrs. King Sides, C. Wedgeworth, Lillian Abbey, Wanda Newman and Mattie Ross Cunningham.

Mrs. H. J. Brice Is Bridge Club Hostess.

Mrs. H. J. Brice was hostess to the Tuesday Afternoon Bridge Club this week. The house was decorated with lovely roses and other spring blossoms were used to center the tables at the refreshment hour.

Delicious strawberry shortcake was served to Mrs. Joe Strayhorn, who was awarded the high score prize; and the following other club members: Mmes. T. L. Lollar, W. J. Ely, H. P. Brown, W. W. Hamilton, J. C. Dorward, and E. M. Deakins.

Mrs. Brown will be next hostess to the club at 3:00 o'clock Tuesday afternoon, May 25.

Ingleside Club Has Annual Guest Day.

Last Tuesday afternoon was Ingleside Study Club's annual guest day, and the musical program heard was local talent. Mmes. H. L. Vann and R. L. Reschar were hostesses to club members and guests at the home of Mrs. W. W. McCarty, club president.

Musical current events were given in answer to roll call, and Mrs. Hal A. Lattimore gave an interesting paper on "Mexican Music." Later during the program Mrs. W. W. Smith gave an instructive discussion of "Texas Composers."

Numbers on the musical program included vocal solos by Melba Ann Odum and Elizabeth McCarty, with Mrs. Novis Rodgers accompanying, and piano solos by Horace Leath and Patti Hicks. Mrs. Earl Louder's contribution to the program was an accordion number.

Dainty refreshments of iced punch and sandwiches were passed by the hostesses to 16 club members, the guests on program and the following other guests: Mmes. W. C. Hollis, Ellis Wright, W. G. Williams, Sam Williams, E. E. Elbee, Warren Dodson, T. Egerton, H. P. Brown, C. F. Senterl, A. C. Preuitt, J. G. Hicks, Earl Sealy of Gall and Miss Mattie Mae Tomlinson.

Mrs. Snider of Abilene was a week-end guest of relatives in the county.

DUNN SENIOR CLASS FETED FRIDAY NIGHT

An airplane idea was cleverly employed in decorations, menu and program at the junior-senior banquet of the Dunn school held at the Methodist Church there Friday night. Souvenir programs also carried out the airplane theme.

C. B. Connally, junior class sponsor, and 11 members of the class were hosts to the 14 seniors and a number of guests at the affair. Cleo W. Tarter is sponsor of the graduating group and was a guest for the banquet. Malcolm Hanson, a member of the host class, was toastmaster for the evening.

The program follows: "Contact," Rev. C. D. Damon; music, Leeroy Brinkley; "The Take-Off," toastmaster; "A Radiogram," Laura Murphy; "Access—First Mate," Eiton Haynes; "Flying Higher," Cleo W. Stinsons, Dr. and Mrs. Grady Shyles and children, Mr. and Mrs. J. D. Scott and son met at the Joe Stinson home Sunday evening for an enjoyable supper, served buffet style.

Sheriff Arrests Local Man After Cottonseed Loss

Sheriff Clyde Thomas last Tuesday arrested Melvin Turnbow on a charge of having stolen 20 bushels of cottonseed from J. M. Edwards, who lives three miles north of Camp Springs. Turnbow made \$300 bond early this week.

Thomas, acting on a private tip, had Turnbow in jail when J. M. Edwards got to Snyder to prefer charges against him. Accompanied by local officers, Thomas had previously searched the Melvin Turnbow home on search warrant instructions. He found 100 pounds of sudan seed and some cottonseed, alleged to have belonged to W. T. Murphree, who lives two miles southeast of Snyder.

Edwards missed his cottonseed the morning after the alleged theft. He and his son, Buster Edwards, tracked the car to three miles west of Rotan, where it turned back toward Snyder. The Rotan constable, W. H. Huntsucker, accompanied the Edwards' to Snyder, cottonseed stealing having been widespread in Fisher County the last four weeks. The car was later tracked to the Turnbow home in East Snyder.

Questioned by local officers, Turnbow claimed to have had about the amount of seed in his car that Edwards missed, having transferred them to a trailer because the "weight was breaking" his car springs. Turnbow is alleged to have sold the seed at the local oil mill at an unusual hour under an assumed name.

Two men with Turnbow got away before Thomas arrested him on the Murphree charge.

Blond Trojan in Monahans Camp Is Snyder Grad

W. D. Sanders, graduate of Snyder High School in 1935, mayor of the local institution that year, promises to make good with the Monahans Trojans of the West Texas-New Mexico League. He is a brother of Mrs. A. C. Cargile of Polar, who, with Mr. Cargile, gave the big blond his "raising."

Says Johnny Smith, sports editor of the Monahans News, concerning the Polar product: "Wade Daniel decided he wanted to become a pro ball player, so one day in company with a buddy he departed his Scurry County home and set out to make his fortune—in the 'bushes' or in a loop of some what higher classification. But Wade Daniel was far too modest to even mention his dreams to anyone. He breezed into Monahans late one afternoon. It was then we first saw him.

"Next day the newcomer announced to the Trojan skipper that he was a first sacker. In the workout it was apparent, even to the railbirds, that the kid would require a lot of polishing before he could ever hope to play first base. In fact the odds looked almost hopeless.

"Wade Daniel worked faithfully at his training chores for the first two or three days. One afternoon he was in the outfield shagging long, lazy flies. Boss Trammell noticed that he lobbed them back to the home plate from deep in the center garden with little or no effort. The skipper also noticed that he was big and rangy and had the looks of a 'natural.' So Sanders forsook his first baseman's mitt for the pitcher's glove and has been showing plenty of stuff ever since. He has plenty of powder on the ball and a natural hop.

Mr. and Mrs. Elgin Hodge of Burnett are visiting in Scurry County this week. Mrs. Hodge the former Miss Maureen Wolf lived here with her parents, Mr. and Mrs. Joe Wolf, until last year, when they moved to Burnett.

Rope Twirler Is First in Band's 'Radio' Program

D. M. Cogdell, who throws larlat loops with either or both hands and with his mouth, to musical accompaniment, won first place in the Tiger Band's amateur "radio" program Friday night in the school auditorium.

Ranking second to young Cogdell was the harmonica duo, Lois Rodgers and Berry Lee Moreland. The two boys barely nosed out a junior high trio, the Mooney sisters, Jesse, Jean and Julia.

Cash prizes of \$5, \$3 and \$1 went to the winners, in order. The band parents' organization, sponsors of the program, reports that more than \$20 was cleared from the performance for the benefit of the band uniform fund.

Prior to the amateur event, the band played three numbers, with R. L. Rescher directing. W. W. Smith was master of ceremonies for the general program, J. C. Smyth serving as the "Major Bong" of the "radio" broadcast. A microphone was actually used for broadcasting most parts on the program, performers being interviewed in the radio manner of Major Bong.

All numbers were local with the exception of eight-year-old Peggy Mayfield of Sweetwater, pupil of Mrs. Earl Louder of Snyder, who gave an accordion solo. Group numbers included junior high choral club and junior high mixed chorus, both directed by Miss Margaret Williams, and the high school sextet, directed by Miss Mattie Mae Tomlinson.

Other numbers on the 20-part program were: La Verne Hardin, vocal solo; Beverly Johnson and Marjorie Arnett, vocal duet; Horence Leah, piano solo; Marjorie Reynolds, song and dance; Truman Barrett, vocal solo; Nell Verna Leifson, piano solo; Nell Carleton, vocal solo; Sides & Hargroves (Jim and Al), hick duo; Daren Benbenek, violin solo; Jewel Buchanan and Geraldine Chapman, vocal duet; Glynna Gurry Snyder, vocal solo; Daurice Worley and Margry Brown, vocal duet; Jimmie Robris, harmonica solo.

In the trial shot put, Parks threw the revolving sphere 39 feet and 6 inches, but failed to repeat in the finals, a throw of a little over 37 feet having won first place in the event.

J. M. Boothe, Nathan Shepherd and Roy Irwin accompanied Parks to Austin Friday. Reginald Evans going with the quartet as far as Mullin to visit a grandfather. On the return trip, Irwin and the boys stopped at Pecan Bayou near Goldthwaite to do a little spring fishing.

We are glad to announce a revival meeting beginning the second Sunday in June and continuing 15 days. George Tucker of Memphis, Tennessee, is to be the preacher. E. H. Martin, who for some time has traveled with Bro. Tucker, will be in charge of the song services and young people's work.

These men have accomplished much good in other places. We feel that they will make a great contribution to Snyder's spiritual life if we follow their leadership.

In connection with this announcement, we extend to all the people of Snyder and the communities nearby a cordial invitation to share the blessings of these services with us.

Let us make the most of our regular services between this time and the beginning of the meeting, that we may be better prepared for those important days.—H. C. Gordon, pastor.

NEW HOSPITAL WING STARTED

Stakes were driven yesterday to outline the new wing that will be added to Snyder General Hospital. Stockholders of the incorporated concern recently left it up to the board of directors to make their own decision concerning the addition, and the directors made rapid plans for the construction.

Plans call for a wing on the south of the structure, approximately 76x36 feet, to match the north wing. The new section will include a large room with several beds. A total of 18 beds will probably be added to the present capacity of 14 beds, making the hospital available at all times to 32 persons.

Mrs. B. E. Robinson and small daughter, Patricia Ann, of Fort Worth visited with relatives and friends here last week. The Robinsons were formerly residents of Snyder.

Mr. and Mrs. Hugh Birdwell spent Mother's Day in Lubbock with Mrs. Birdwell's mother, Mrs. M. Caton.

More Mileage to you— BREAD & BUTTER TO ME

My station is all on its own. My living's got to come mostly from just you people right here. I want your steady trade, so's to build a real growing business. And there's where it helps me a lot, I can tell you, to be selling Conoco Germ Processed oil. You see it makes customers and keeps them for me. It's patented—the only oil that can Oil-Plate your engine. Meaning that a definite part of this oil always fastens direct to every working part... forms a real Plating of oil, which can't run down. Other oils will "dry off" every time you park, but Oil-Plating can't, so you'll never make any hard, grinding starts. And that ends the worst wear of all. Or when you're hitting it up all day, you won't find this real Oil-Plating rubbing right off, like just some plain little drops of oil. Oil-Plating's not thinning out either, nor burning right up. Which gives you mighty solid reasons why Oil-Plating means more mileage from your engine and your Conoco Germ Processed oil. Besides making customers, I get a kick out of changing you to an oil I can believe in myself, right to the limit.

Two saxophone solos by Earl Brown Jr. of Abilene and a talk by W. T. Hanes of Hemphill on the recent 2-T Lions International convention at Big Spring featured the Lions Club program Tuesday at noon.

Hanes described various features of the convention, declaring that it was the most profitable affair of its kind, from all angles, that he ever attended. "I am a better man, a better teacher, a better civic worker for having attended," he declared.

President Frank Farmer, also a convention delegate, briefly stressed some highlights that were missed by Lion Hanes. H. E. Vann, member of the May program committee, introduced those taking part on the program.

Miss Wanda Fox was accompanist for Earl Brown Jr.

Mrs. Earl Brown Sr. was also a club guest.

Dr. J. G. Hicks, N. W. Autry and Jesse Jones were made members of a committee delegated to investigate the possibilities of organizing a softball league here this summer.

Hundreds Attend Bridgeman Rites At Local Church

Hundreds of friends, a number of them from outside Scurry County, paid final tribute at the First Baptist Church last Thursday afternoon to Pete Bridgeman, local drayage and transfer man since 1918, owner of the widespread Snyder Transfer Company.

Missing from the family group that stood beside the flower-laden casket for a final glimpse of the 49-year-old business man was Mrs. Ben Tefkin, only child, who was ill in a Lubbock hospital with pneumonia, the same disease that claimed the life of her father May 5. Her condition was reported yesterday to be slightly improved.

Rev. Lawrence Hays, pastor of the church, of which Mr. Bridgeman was a member, summarized the leading citizen's life by saying: "If anyone in Snyder needed anything, Pete would have helped him get it if he had a penny left in the world." Rev. H. C. Gordon assisted with the rites. Masons assisted at the graveside, Snyder cemetery, with burial rites, for which Odum Funeral Home was in general charge.

Out-of-town funeral attendants, in addition to members of the family and members of the Snyder Transfer Company staff, included: A. T. Beaden, C. E. Martin, Lamesa; R. P. Borden County Farm - Ranch News

By E. B. McLeroy, County Agent

A free moving picture show was sponsored by the county agent's office at Gall on April 29 for the purpose of creating interest in boys' 4-H Club work.

This was the first show of its kind ever given to Borden County folks, and the interest of the people in activities of this nature was clearly indicated by an attendance of 110 persons with only two days advance publicity.

The equipment for the moving pictures was furnished through the cooperation of the Dawson County 4-H Clubs, and the films were furnished by the United States Department of Agriculture. Joe Williams, county agent of Dawson County, and Joe Mathews, assistant, were actively in charge of the show, which was given in the courthouse at Gall.

The educational films included 4-H Club beef calf projects, and scenes of other activities among community 4-H Clubs. A two-reel picture on "Screw Worm Control" was of interest to visiting ranchmen as well as 4-H Club boys.

The final films shown included a short feature picture of the Northwest, and everyone apparently enjoyed the educational—and the feature pictures.

Most of Borden County's checks under the 1936 program have been received—about \$50,000. The remainder are expected within a short time.

Sign-up under the 1937 agricultural conservation program will end in Borden County May 15, as it does in other counties of this area, said

E. B. McLeroy, county agent, when he was in Snyder last week. Approximately 60 per cent of farmers in the county have already signed up under the program.

Ella Rhe Ely of Anson is a guest of the L. G. and W. J. Ely families.

Mrs. Ella Cooper of Midland and Mrs. Fritz R. Smith of Big Spring, both former residents of Snyder, were week-end visitors here.

Francys Northcutt, student at McMurry College, Abilene, was a week-end guest of her mother, Mrs. Alice Northcutt, and sister, Katherine.

Out-of-town Mother's Day guests of Mrs. Joe Strayhorn included Mrs. and Mrs. Walter W. Cork of San Angelo and Mr. and Mrs. Rob Strayhorn and sons of Rotan.

Mr. and Mrs. Robert H. Carnutte and son, Miller Bob, of San Angelo were Mother's Day guests of Mrs. J. A. Hood. Miller Bob spent all last week in Snyder.

What is the "Low-price Field"?

YOU hear a lot about "the low-price field" these days. A good many cars claim to be in it. So whenever the low-price field is mentioned, remember:

Until Ford came, no average American could own a car.

Today all Ford prices are still low — with the prices of the 60-horsepower Ford V-8 \$30 to \$60 lower than those of any other car of comparable size.

But with Ford, "low price" doesn't merely mean low figures on the price tag. It means much more than that. It means low prices and low costs all the car's long life. Low prices for service — for parts — and, above all, for operation.

Both Ford V-8 engine sizes are economical to operate. The 35 horsepower gives greater gasoline mileage this year than ever, and the "60" delivers the highest mileage in Ford history.

Private owners, cab companies, fleet operators all report that the "60" averages from 22 to 27 miles per gallon of gasoline.

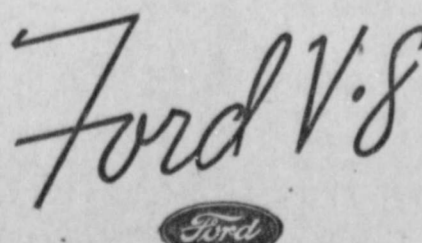

Check and see how much Ford saves you.

That Million Dollar Rain.

With that million dollar rain Scurry County received Sunday night and Monday morning, farmers and ranchers alike are wearing some million dollar smiles this week.

Perhaps the outstanding thing about that million dollar rain was the saving of Scurry County's 50,000-acre grain crop; for grain futures bode for West Texas the best price for wheat, barley and oats since 1935.

A few old timers in Scurry County say they have seen "it so dry here, you'd have to soak your hogs so they'd hold stop; an' hoeses so poor they wouldn't make a shadow."

Editorial of the Week.

REFORMING THE REFORMATORY.

Many Texans experienced an unpleasant shock this week when a special committee of the House of Representatives filed a report describing conditions in the boys' training school at Gatesville as a virtual disgrace.

The committee further declares: "The boys in this institution are subject to the same harsh and strenuous rules and regulations as you would expect to find in controlling the hardest criminals in the penitentiary."

These conditions are said to exist, let it be kept in mind, in a training school for boys. The more popular designation of the institution is that of reformatory—and a reformatory, one would think, is a place where efforts are made to bring about reform.

Pencil Pushing Papas.

Probably the average man's worst enemies, says a reader, "are those big officed pencil pushing papas; whose figures touch everybody's pocketbook."

A Magnificent Work.

The West Texas Historical Association, whose members are spending the best years of their life in recording the history of Scurry County and West Texas, is doing a magnificent work, whose true worth can only be appreciated by future generations.

Hindenburg Goes Down.

Doubtless the most serious setback to aviation occurred when the Hindenburg, queen of the skies, melted down in the twilight skies at Lakehurst, New Jersey.

Going by past records, however, one can say lighter-than-air ships are not the safest mode of transportation in the world, due doubtless to crew personnel, rather than material failure or aircraft controls.

The whole world expresses sympathy to Germany for loss of the skies' ruling aircraft queen; she may be limited, but not duplicated.

Current Comment.

By LEON GUINN.

As if the ways of men with maids were not intriguing enough, the Rev. Howard M. Wells, pastor of the First Presbyterian Church at Cleveland, Y. M. C. A.:

The Rev. Wells seems to be wandering far afield from the Y. M. C. A. creed, in that he thinks Y. M. C. A. forums should be turned into an advice column for the lovelorn.

When New York's License Commissioner Paul Moss yielded to the reform movement started by Protestant, Jew and Catholic alike to close New York's honky-tonk, hi-de-ho "strip tease" houses of burlesque, he set in motion forces which may yet echo from Maine to California.

Rambunctious Father Divine, America's ace "nigger" racketeer, has been having trouble in his Harlem "heavens" of late.

Police had to book three "angels" for felonious assault as an aftermath of casting the process server out of heaven, while blasphemy began to rock Divine's firmament in several sectors.

Final Tribute To Mrs. Beakley Is Paid Last Week

Many friends, including men and women with whom she and her husband had been associated for years in community and church enterprises, and in old-time West Texas neighborliness, paid tribute Thursday afternoon of last week, at the Dunn M. Holist Church, to Mrs. J. C. Beakley, 75, who died in a Colorado hospital the previous day.

Rev. C. D. Damron, pastor, was assisted in the services by Rev. H. C. Gordon of Snyder. Both preachers paid homage to Mrs. Beakley as an unassuming christian mother and wife, a remarkable influence for good over all with whom she came in contact.

Among tributes paid Mrs. Beakley is this by Rev. Cal G. Wright, former pastor at Snyder and at Colorado, now presiding elder of the Vernon district:

Resolutions of Respect

In Memory of Brother O. H. Holladay

Whereas, the Great Architect of the Universe, in His divine wisdom, has removed from our midst and from the walks of this life our beloved brother, and has made of him a living stone, a white stone, in that eternal building not made with hands;

Whereas, this lodge feels and deprecates its loss of a loyal, true and faithful member, and the loss to the community in which he lived, as a useful citizen;

Therefore be it resolved that the life he lived be an ever present reminder to the living of "That purity of heart and uprightness of conduct so essentially necessary to gaining admission to that celestial lodge above."

Sunday school will meet at 9:45 a. m. and Christian Endeavor at 6:45 p. m., as usual, but there will be no preaching service in the morning or evening due to the fact that the pastor preaches in Pluvanna on this Sunday.

Plans are being laid for children's day on June 6, and all of the children will want to be present every Sunday between now and that time so that they may be fully prepared for the special exercises.
