## TWO COUNTIES INTERESTED IN COTTON PLAN

Vealmoor Community, Borden and  
Howard, Adopts One-Variety  
Cotton Seed Plan

In a two-county meeting of cotton producers at Vealmoor Monday, farmers of the Borden-Howard County line adopted "Texas Mammoth" cotton as the most desirable variety that could be grown in the community. This cotton is grown and bred by Von Roeder Seed Farms of Borden County.

A committee of Borden and Howard County farmers was selected by Vealmoor producers in a prior meeting conducted by County Agents E. B. McLeney and O. P. Griffin at a Vealmoor School on January 30. The committee was composed of the following producers: W. A. Jackson, Borden County; J. A. Iden, Howard County; E. V. Holsager, Borden County; E. E. Gill, Howard County; and J. I. Crass, Borden County.

**Full Investigation.**  
This group of farmers, together with the county agents of the two counties, made an investigation of all available sources relative to possible adapted varieties of cotton for the Vealmoor community.

Through the cooperation of Fred Keating of the Texas Agricultural Experiment Station at Big Spring, valuable information was obtained in connection with variety tests conducted each year at this experiment station.

After the committee had given consideration to other data on cottons adapted to West Texas conditions, and more especially to local conditions at Vealmoor, they reported their findings in a meeting of farmers Monday.

**Committee Selection.**  
The committee placed their selection of "Texas Mammoth" before the group, and it was adopted as the standard for cooperators by a majority of the 37 farmers present.

In making a choice of cotton for farmers of the community the Vealmoor committee considered possible advantages of the best cotton for their use in the one-variety plan fostered by the Texas Extension Service, and the state-wide cotton committee of Texas.

**One-Cotton Meeting**

A meeting of the Snyder Seed Company will be held at the courthouse Saturday, February 18, to perfect organization plans for farmers interested in a one-variety cotton seed for Scurry County. Dee Robinson is secretary of the farmer group seeking to interest cotton raisers in the proposition.

**Journey's End For Trio of Hitchhikers**

"Journey's end" was written last week for three Snyder girls, 10, 13 and 15 years, at Seagraves when officers picked the local trio up in the business district, and halted a proposed trek to other cities on the open road.

The youthful hitch-hikers slipped away from Snyder so quietly they were at Post before their parents knew their whereabouts. The girls, who were brought back from Seagraves Wednesday, admitted they were a "little young" to be getting so far away from home.

**WREN IMPROVES.**

H. L. Wren, local hardware man, is improving gradually from his recent operation, and will probably be brought home within a few days. The Times learned yesterday. He is in a Temple hospital.

**MRS. KELLER ARRIVES.**  
Mrs. George W. Keller arrived in Snyder early last week to join her husband, Snyder's newest dentist. Dr. Keller is associated with Dr. Sed A. Harris. Dr. and Mrs. Keller, who came here from Temple, are living at the John Keller home.

## HERMLEIGH TO DEDICATE GYM TONIGHT 7:30

A. C. C. Band and Vice President Included on Thursday Program in \$20,000 Building

A dedication program that will include music by the Abilene Christian College Band and an address by the A. C. C. vice president, Dr. Don Morris, is included for the new \$20,000 Hermleigh school gymnasium tonight (Thursday) at 7:30 o'clock.

Superintendent E. L. Parr, in a telephone conversation with The Times late Wednesday, said: "We are especially anxious to greet a number of friends from every school and every town in this trade territory."

Coronation of the carnival and football queen, selected last year, will be one of the beautiful features of the program tonight. Louise Rea is the young lady who will be crowned. Awards will also be made to the football boys of 1938.

Following is the full program over which Superintendent Parr will preside:

Opening concert—A. C. C. Band. Invocation—Rev. S. A. Sifford. Methodist pastor. Announcements—Superintendent Parr. Coronation of Louise Rea, carnival and football queen. Accordion solo—Mrs. Earl Louder. Presentation of football awards. Concert—A. C. C. Band. Introduction of Hermleigh school board members; recognition of visitors. Dedication address—Dr. Don Morris. Closing march—A. C. C. Band.

**T. E. Major Chief At Snyder Produce**

T. E. Major of Coleman assumed duties here Monday as manager of Snyder Produce Company, which is a unit of the Western Produce Company. Major moved his wife and son, Tommie Dick, to Snyder this week.

**Tax Collections Please City Dads At Regular Meet**

Cheering news was reported by the City Council at its Monday night meeting, in the form of \$11,714.15 in city taxes collected for January.

**Rural Road Essays Must Be Turned in By 6:00 Saturday**

"We want to remind students who have entered the county-wide contest for rural road betterment that 6:00 o'clock Saturday evening is the deadline for essays to be in the county superintendent's office," Roy O. Irvin, who is in charge of the contest, stated Tuesday.

**Civic Organization Lists New Members**

Eleven new members have already been added by the Scurry County Chamber of Commerce in the February membership drive, and a number of business and professional people have not been solicited, Secretary E. H. Lilly reported yesterday.

**Party Postponed.**

The benefit forty-two party that was slated by the American Legion and Auxiliary at the legion hut Friday night of this week has been postponed until Friday night, February 24. It was announced yesterday.

**BAPTIST CLINIC.**

Good attendance is featuring the five-night Sunday school clinic that began at the First Baptist Church, according to Rev. Ira Harrison, pastor. The clinic is being conducted by Rev. E. T. Smith, pastor of the Shamrock Baptist Church.

## Hermleigh's Proud of It!

This is a diagonal view of the two main buildings on the Hermleigh school campus. In the foreground is the new \$20,000 gymnasium, which has just been completed, and for which a formal dedication program

will be held Thursday night of this week, beginning at 7:30 o'clock. In the background is the main school building, which also, is quite an imposing structure, and one of which the whole community is proud.

## RECORD TAXES FOR FEBRUARY ARE REPORTED

First Set of 1939 Car Plates to Sheriff John Lynch; Can't Be Used This Month

The county tax assessor-collector's office has taken in a total of \$45,000.94 in current and delinquent state, county and school taxes since January, a check-up Tuesday revealed.

The only note of discord is sounded by one of those new Jefferson nickels—an overpayment in tax money made by some citizen which hasn't been accounted for.

If the assessor-collector's office can trace the overpaid nickel down through over \$45,000 taken in, an all-time record for collections from the first of the year to February 4 will be marked up.

Tax collections since January 1 for 1938 and previous years follow: County and common school districts \$30,867.74; independent school districts \$3,691.51; and state taxes—\$10,444.74.

Herman Darby, tax assessor-collector, states "collections since January 1 are encouraging. We feel leasing activities in Scurry County during recent weeks have aided tax payments considerably."

The first set of 1939 car license plates issued by the collector's office last week to John Lynch, sheriff. His car tag number is 907-431—just in case anyone wants the sheriff in a hurry, and would like to pick his car out by plate numbers.

The 1939 purple and gold license plates are moving rather slowly yet, although attaches at the assessor-collector's office believe the tags will move rapidly after March 1. Automobile and truck owners are reminded the car "tag" deadline is April 1.

## Service Club Hears Dunn Hillbilly Band At Tuesday Session

The "Farmers' Hillbilly Band" of the Dunn Four-H Club was presented in several numbers at the Lions Club meeting Tuesday at noon. King Sides, program chairman, presented Superintendent Cleo W. Tarter of Dunn, who introduced the seven members of the band and their numbers.

After the theme song, "Way Out Yonder," the boys played "Under the Double Eagle," "Gold Mine in the Skies," "Nobody's Sweetheart" and "Arkansas Traveler."

The musicians are: Arvil Martin, violin; Irvin Martin, guitar; Roy Varner Allen, guitar; Othel Ellis, mandolin; Leroy Brinkley, banjo; Lavell Brown, French harp; James Casey, French harp.

Other guests were: John Henry Perry, Lubbock; J. B. Darnell, Sweetwater.

It was announced that a Lions Club zone meeting will be in Anson Thursday (tonight), and several Lions said they planned to attend.

## County Group Goes To Insurance Meet

Frank Wilson, C. M. Wellborn, George Brumley, Perry Echols, Sam Cross and Edward S. Hyman composed a group that left this morning (Thursday) for Plainview to attend an all-day meeting of the Federal Crop Insurance Board.

Wilson is chairman of the county AAA committee; C. M. Wellborn, crop insurance supervisor; Brumley, Echols, and Cross members and alternates of the county committee; and Edward S. Hyman agricultural administrative assistant.

**STRAWN'S OPENED.**  
Strawn's Cafe, on the east side of the square has opened for business following a complete overhaul job on the building and equipment. Because the floors and a few other portions of the cafe have not been entirely completed, however, the formal opening of the modern eating place has been postponed for several days. Watch The Times for details next week.

## CITY HOST TO BASKET MEET

Swapping Prevails As Hundreds Here For First Monday

Pigs, horses, cows and turkeys were some of the principal barter and trade commodities that attracted almost 700 traders and buyers from Scurry, Fisher, Borden, and Nolan Counties to Snyder Monday.

February's "First Monday" turned out to be an ideal day, with pigs and feed, shorts holding the trading and selling spotlight. Around 50 head of pigs from six weeks to three months old were sold for prices ranging from \$2.75 to \$4 per head.

Trading in sheep and cows was light, with 15 head of work horses and mules being bought or "swapped." An active demand was noted for breeding turkeys.

Traders and spectators alike said the volume of trading and selling Monday "was encouraging for February." Pigs, implements, and the "Brown Mule" was evident, with only one First Monday ingredient lacking—the usual trading day peddler of shoe strings, pencils, and a bagful of other what nots.

## Several Greeted By Association; Oil People Lead

Among the several single persons and families greeted during December and January by the Welcome to Snyder Association, more than one-third were represented in some phase of oil activity. So reports Mrs. Roy Stokes, sponsor of the association.

With Coffield & Guthrie's drilling crew from Corsicana are Mr. and Mrs. A. L. Cole, Mr. and Mrs. K. B. Gandy, Bub Gandy, Robert Beeton, Sam Sykes, Frank Cantrell and Ray Leach. Also greeted in January were those men and their families: J. W. Stone, Stinson Camp, tank work; T. E. Majors, 2707 Avenue U, Snyder Produce; Dr. George W. Keller, dentist, 2905 Avenue S; Leo Mann, Moutri Products 2107 27th Street, Guy Garden, school building workman, 1500 26th Street and X. B. Cox, Jr., county farm agent, 2213 28th Street, were also welcomed last month.

These families were greeted in December: G. W. Bentley, 1109 28th Street, Browning Food Market; Horace Seely, 1812 20th Street, FSA supervisor; Mrs. Opal Roberts, 2501 28th Street; Miss Marie Pat, 3110 Avenue U, Marinello Beauty Shop; R. L. Carden, 1500 26th Street, school building architect.

## Schools Give More Than \$50 for Fund

A report late Tuesday from three more schools indicates Scurry County schools will contribute more than \$50 to the President's Birthday infantile paralysis fund. Contributions up to Tuesday night, together with contributions reported from nine schools last week, totaled \$46.17.

This week's school contributions follow: Fluvanna, \$12.70; Hermleigh, \$5.23; Canyon, \$2.25; and Turner, \$2.45. Reports from Dunn, Ira, Dermott and Whalley are expected the latter part of this week.

## Churches of Christ Guests of Fluvanna

The Fluvanna Church of Christ will be host Sunday afternoon, beginning at 2:30 o'clock, to a county-wide singing for Churches of Christ. Special numbers are expected from each Church of Christ in this area, according to members of the Fluvanna church.

Enlarging and redecoration of the Fluvanna church property has just been completed, and the Sunday afternoon program will be in the form of a dedicatory singing. Bro. Scott of Sweetwater will preach at 11:00 a. m., and all members and visitors will gather in the church basement at 12:30 p. m. for an old-fashioned dinner.

## DICK GOES TO TECH

Dick Sheehan, son of the J. R. Sheehans of Hermleigh, has entered Texas Tech for the second semester. After graduating from the Hermleigh school, Dick has become a familiar figure among local business people, having worked in several stores. Dick's older brother, John V., is student assistant in the Tech chemical engineering department.

## INDICTED MAN BACK

John Lynch, sheriff, and Ray Hardin, constable, who left Monday night for Karnes County, returned Tuesday afternoon with Tilman May, who was indicted in the November term of court here on a forgery charge. May, who was placed in the county jail, was taken to Bowie Tuesday night by Montague County officers who want him on an alleged forgery charge at Bowie.

## KEEN RIVALRY FORESEEN FOR ANNUAL EVENT

Boys' and Girls' Teams to Vie for County Titles in Local Gym Friday and Saturday

With basketball holding the interest of more fans than in any other recent season, the county tournament this week-end promises to break attendance records, according to C. B. Connolly of Dunn, county Interscholastic League athletic director.

Snyder school gymnasium will be the site Friday and Saturday for the two-day tourney, which starts Friday evening at 6:30 o'clock. A complete schedule of the three court sessions follows:

**Friday Night Round.**  
First round, Friday night—Pyron vs. Ira boys, 6:30 p. m.; Pyron vs. Ira girls, 7:30 p. m.; Dunn vs. Snyder boys, 8:30 p. m.; Fluvanna vs. Hermleigh boys, 9:30 p. m. Admission charges for this session will be 10 and 25 cents.

Second round, Saturday morning—Plainview vs. winners of the Pyron-Ira boys' game, 9:00 a. m.; Hermleigh vs. Fluvanna girls, 10:00 a. m.; winners of Dunn-Snyder and Hermleigh-Fluvanna boys' games play, 11:00 a. m.; Dunn girls play winners of the Pyron-Ira game at 12:00 o'clock noon. Admission charge for the Saturday morning session are 10 and 15 cents.

**Saturday Night Finals.**  
Plenty of excitement is promised for the final session, which starts Saturday night at 8:00 o'clock. County tournament winners will be announced at 9:30 o'clock. An unusually beautiful loving cup will go to each tourney winner. Ten and 25 cents are the admission prices.

The Plainview boys, recent winners of the rural basketball tournament, are reported to have one of the county's strongest rural teams in recent years. They offer a strong threat that may upset the traditional "dope sheet" data on probable winners.

## Dividend of 6.7 Closes Books on First State Bank

A final dividend of 6.7 per cent, or \$13,352.92, was distributed last week by the State Banking Department to depositors of the old First State Bank & Trust Company.

Last week's dividend is the fourth to be paid depositors since First State Bank & Trust Company failed to open September 17, 1931. It will be recalled the State Banking Department took over First State assets at a time when banks, over the country were failing at the rate of 14 to 20 per week.

Last week's final payment brings the total of dividends paid depositors to 38.7 per cent.

J. C. Reese of Abilene has purchased the remaining "paper" and assets that formerly belonged to First State Bank, thus closing a cheaper in county banking circles so far as the State Bank Examination Board is concerned.

## MRS. STREY IS HONOREE FOR GIFT SHOWER

Mrs. Pete Strey, a recent bride, was made honoree at a gift shower last Wednesday afternoon at the home of Mrs. I. A. Smith. Mrs. Strey is the former Elizabeth Blakey, daughter of the J. E. Blakeys, who is living at Dermott.

Assisting Mrs. Smith with hostess duties were Mrs. Jess Louder, C. R. Burk, Marvin Lemons and Homer Snyder.

The house was beautifully decorated with pot plants with red and white blooms. The Valentine motif was carried out in decorations and favors, using the colors, red and white, in all appointments.

Mrs. L. A. Chapman was presented in two piano solos, "I Love You Truly" and "The Rosary." Mrs. Snyder conducted a cleverly planned contest, entitled "Lover's Pie," in which all guests took part.

Nan Blakey, younger sister of the honoree, entered to present Valentines to each guest as a party favor, and young Willis Lemons brought in the huge Valentine filled with love-ly gifts for the honoree.

A salad plate following the red and white color note was passed to guests: The honoree, Mrs. J. E. Blakey, Jim Hart, Nathan Wada, Tom Boren, Lida M. Hardy, Allen Warren, H. B. Winston, T. J. DeShazo, Ed Thompson, H. T. Sefton, T. W. Pollard, R. H. Odum, R. W. West, A. M. Curry, L. A. Chapman, John Cole, Audie McElyea, J. C. Dornard and Miss Margaret Miller. Many others sent gifts but were unable to attend the party.

## Grace Holcomb Is Honored Thursday

Grace Holcomb, for the past 10 years an employee of the local telephone company, was presented a Southwestern Bell-Telephone Company pin for service by other local employees at a party given last Thursday by Miss Holcomb's mother, Mrs. D. A. Johnson.

Members of the Blue Bell Club were invited for the evening, and they came also bringing a gift for the honoree. Newly elected officers of the organization are: Mrs. F. L. Pierce, president; Lorraine Todd, secretary-reporter. By-laws and course of study for next year were discussed by the group.

Refreshments were passed to Mrs. Claude Ingram, F. D. Spain, Pierce, Miss Mary Davis, Holcomb, Eehel Mae Sturdivant and Todd.

## ATTENDED BY 14 MEMBERS.

Fourteen members attended the business session held by Susanna Wesley Circle members of the Methodist Missionary Society Monday afternoon at the church. Mrs. I. A. Smith has been named Spiritual Life Leader for the circle. Mrs. George W. Keller is a new member.

## First Christian Group in Meeting

Several quilt tops have been made this year by members of the Ernest Workers Class of the First Christian Church. Another was completed at the class meeting last Thursday at the home of Mrs. Pete Benbenek, teacher. These quilt tops have been sold, adding a nice sum to the class treasury.

A business meeting followed the social hour, during which Mrs. Benbenek served refreshments. New officers were elected as follows: Mrs. Carl England, president, succeeding Mrs. Hugh Taylor; Mrs. Tom Boren, vice president, to succeed Mrs. Hugh Boren; Mrs. A. J. Cody, reelected secretary-treasurer; Mrs. Benbenek, reelected teacher.

Members present were: Mmes. Cody, Tom Boren, Hugh Boren, A. B. Baze, Hugh Taylor, J. S. Davies, England, Gale Smith and the hostess. Next meeting will be March 2 with Mrs. Hugh Boren.

## Mrs. Cauble Leads, Mrs. LeMond Hostess

Mrs. W. H. Cauble directed the program for Twentieth Century Club meeting at the home of Mrs. J. E. LeMond Tuesday afternoon. The program centered on "American Folk Music," with members naming folk songs in answer to roll call, all of which was interesting.

General characteristics and how folk music is written was the subject discussed by the program director, with Mrs. B. M. West discussing the ballad and Mrs. Allan Warren telling of American folk music.

Delicious sherbet and cake were passed by the hostess to Mmes. W. McCarty and Alice Northcutt, guests, and the following club members: Mmes. H. M. Blackard, I. W. Boren, H. J. Brice, Cauble, P. C. Chenault, R. W. Cunningham, J. Nelson Dunn, Joe Strayhorn, W. H. Ware, Warren, West, E. H. Lilly and Bessie Perkins.

## Pyron's New 42 Club Meets Saturday

Members of the Pyron forty-two club, organized by people of the community recently, gathered at the home of Mr. and Mrs. P. A. Ammons Saturday night for a party.

Following several rounds of progressive games of forty-two and chess were played, the hostess served a delightful refreshment plate in a two-color scheme.

Mrs. Floyd Light is president of the group, elected the last meeting, and other officers were elected Saturday night, as follows: P. A. Ammons, vice president; Mrs. M. H. Greenwood, secretary-treasurer; Mrs. W. P. Tatum, reporter.

Present for the affair were: Messrs. and Mmes. John Rollins, E. N. Cummings, Boyd Moore, Dale Moseley, M. H. Greenwood, W. P. Tatum, Mark Glass, Marvin Farmer, Mrs. Clifton, Misses Merle Glass, Jane Glass, Mable Glass, Evalde Moseley, Sybil Cummings, Billie Jo Clifton and the host and hostess.

## El Feliz To Have Valentine Banquet

El Feliz Club members will compliment their husbands at a Valentine banquet to be held at the Wilford Coffee Shop the evening of St. Valentine's Day, February 14.

It was decided at the club meeting last week, Mmes. E. H. Lilly and J. E. LeMond will be hostesses. Mrs. G. H. Leath was hostess to the club at her home Friday afternoon.

After the forty-two games, lovely refreshments were served on linen-covered tables with centerpiece of sweet peas. Bouquets of roses were also used to decorate entertaining rooms.

The following members attended the party: Mmes. A. J. Cody, A. W. Waddill, W. E. Doak, J. E. LeMond, Lee T. Stinson, Joe Strayhorn, H. L. Vann, P. C. Chenault, H. T. Sefton, R. H. Odum, W. G. Williams, I. W. Boren and J. W. Scott. Mrs. R. H. Odum will be next hostess to El Feliz Club.

## Mrs. Forest Boss Honored at Shower

Mrs. O. W. Flippin was hostess at a bridal shower honoring Mrs. Forest Boss, the former Lorena Davis, last Tuesday afternoon.

Baby Janice Greenfield and Bobbie Reed, dressed as bride and bridegroom, were assisted by three-year-old Shirley Ruth Greenfield in presenting the gifts.

Present besides the bride and her mother, Mrs. M. A. Davis, were the following: Opal Claybrook, Ruby Thomas, Johnnie Maples, Maud Barkley, Mmes. Bessie Perkins, Albert Smith, W. E. Boss, Tommie Edmondson, Clint Reed, J. A. Caddel, Elmer Bradshaw, Theron Scrivner, H. E. Greenfield, F. P. Kelley, Ruth Greenfield, J. W. Flippin, Ruby Greenfield and the hostess.

Delicious cake and hot chocolate were served the guests late in the afternoon.

## Local Girls Guests At Sorority Formal

Five members of the local chapter of Beta Sigma Phi were guests at a formal dinner given by the Beta Beta chapter at the Bluebonnet Hotel in Sweetwater Tuesday evening.

Attending from Snyder were: Allene Curry, local president, who responded to greetings, Louise Wilford, Helen Caudle, Nell Carlton and Mayne Lee Gibson.

Theme for the formal was "Ski Cruise," with table decorations, place cards, favors and three-course menu following the idea. Snowy ski runs down the center of the table held reindeer and miniature skiers at places. A bowl of yellow roses, sorority flowers, was in the center of the speakers' table. Souvenir programs were in the form of the group emblem.

Elizabeth Hodges, Sweetwater president, was toastmaster for the program, on which were the following numbers: "Skiing Epidemic," dealing with history of Beta Sigma Phi, Earline Bennett; military tap dance and encore by Wanda Coffill of Abilene, accompanied by Mrs. Jack Armstrong; "Ski Horizons," dealing with plans, Aurelia Edwards; "Knotty Ski Books," cleverer take-off on members and guests telling of the ups and downs of the sorority, Pauline Graves.

## Class Meeting Is Held Wednesday

Lydia Class of the First Baptist Church met in regular monthly social and business session at the home of Mrs. H. E. Rosser last Wednesday afternoon.

Mrs. A. P. Morris presided over the business meeting, and Mrs. J. A. Woodfin presented a program centering on "The Jew."

Refreshments were passed the following: Mrs. Daniel, guest, Mmes. Morris, N. M. Harpole, J. D. Isaacs, Woodfin, J. H. Byrd, E. E. Bibbee Conroy, J. C. Wilsford, T. S. Worley, J. M. Doak and Miss Mabel Bryan, members.

## Monthly Social Is Held At L. Stinson's

Monthly social meeting of the Friendly Helpers Class of the First Methodist Church was held at the Lee T. Stinson home last Thursday afternoon. Mmes. Stinson, Ed Thompson and Jack Gorman were hostesses. At the close of the short business session, Mrs. M. W. Clark gave an impressive devotional, and Mrs. J. C. Dornard led the prayer.

Remainder of the afternoon was spent sewing and embroidering. The meeting was enthusiastic and profitable for the members present. Three new members, Mmes. George W. Keller, Roland Irving and Vern McMullen, have been added to the class the past month.

A plate of salad, pickles, toasted rolls and sand tarts with hot coffee was passed to the new members and the following others: Mrs. Clark, guest, Mmes. Joe Stinson, Dornard, W. W. Hamilton, Wayne Boren, J. G. Hicks, W. W. Smith, D. M. Cogdell, T. J. DeShazo, R. L. Gray, C. R. Burk, H. P. Brown, members.

Next meeting will be at the Dornard home with Mmes. P. D. Lambeth and Burk as hostesses.

## MEETING FRIDAY.

All members of the Woodman Circle of Snyder are requested to be present at a meeting Friday night, 7:30 o'clock, at the home of Mrs. C. L. Banks. The special meeting is being called to elect delegates to the state convention in San Antonio, which will be held soon.

**IT'S EASY TO HAVE PLENTY OF LIGHT—AND INEXPENSIVE, TOO!**

• You can enjoy plenty of light in your home at small cost. Bulbs, fixtures and portable lamps are cheaper than ever. Your electric rate is low, and the more electricity you use, the less becomes the unit cost.

*Give Your Eyes the Light They Need*

**FOR EASIER READING**  
Good light makes it easier to read and less tiring on your eyes. Use at least a 100-watt lamp for reading.

**FOR BETTER WORK**  
Put in higher wattage lamps in the home workshop, in the kitchen and in other rooms where work is done. You'll find that brighter light makes work easier and enables you to work faster. A 150-watt bulb costs only 20c and its brighter light costs only about 1/2 cent more an hour.

**FOR REAL RELAXATION**  
For real relaxation while reading, sit under a Better Light lamp. You'll find that you can see better and read longer without becoming tired. Good light isn't a luxury—it is one of the smallest items of household expense. A good reading lamp costs only about 1c more an hour.

### Mrs. A. J. Jones Dies Thursday at Age of 88 Years

Mrs. A. J. Jones, 88, died last Thursday at the home of her daughter, Mrs. Nina Jones of Northeast Snyder, with whom she had been living a number of years. She had been ill 12 days.

Born in South Carolina May 22, 1850, Mrs. Jones moved with her husband to Scurry County 42 years ago. Mr. Jones died in 1901 here. The aged woman had been a member of the Methodist Church for 70 years.

Surviving are one son, Tom Jones of Ira; four daughters, Mmes. Jones and George Arnold, Snyder; Mrs. J. C. Mauldin of Barstow; Mrs. May Harrington of Clovis, New Mexico; eight grandchildren and nine great-grandchildren.

Funeral services were held Friday afternoon at the residence, 3:30 o'clock, with Rev. I. A. Smith, local Methodist pastor, officiating. Odum Funeral Home was in charge of burial in the Snyder Cemetery.

Palbearers were: George McDowell, Sterling A. Taylor, Emmett Trevy, Rufe Sterling, Will Crowder and Tommy Sterling. Mmes. Elaine Crowder, Sterling Taylor, Will Crowder and Lillie Nolan were in charge of floral offerings.

### BORDEN COUNTY FARM NEWS

By E. B. McLeroy, County Agent

G. G. Caldwell, Four-H Club boy of the Vealmoor community, is taking an active part in several important projects in Borden County in 1939.

Aside from his numerous duties in assisting his father with regular farming work, this Four-H Club boy, has selected beef calf and lamb feeding projects in 1939.

Perhaps the most interesting project selected by this versatile club member is his "test block" for cotton. In the recent community organization under the "One Variety Cotton Improvement Plan, YOUNG CALDWELL WAS INCLUDED AMONG FOUR PERSONS SELECTED BY FARMERS OF THE AREA TO CONDUCT VARIETY TESTS OF COTTON as a part of the scientific and practical plan for obtaining data on common varieties of cotton grown under local conditions.

The selection of G. G. Caldwell as a Borden County Four-H Club boy, as one of these demonstrators is an indicator of the high esteem in which his Four-H activities have placed him in the minds of adults in the community. Three farmers, together with this progressive Four-H

### Excellent Report On County Water Saving Complete

A second report, giving soil and water utilization activities in Scurry County during 1938, was submitted last Friday to Edwin A. Spacek, West Texas Chamber of Commerce director of development at Abilene.

The report is the second one submitted in the WTCC Soil and Water Utilization contest for 1938. This report was one of the first submitted by any West Texas county covering conservation work during 1938. A previous report, showing conservation work done before 1938, was submitted to Spacek in late December.

This summary of 1938 soil and water conservation practices in the county was signed by Leon Guinn, reporting agent; K. B. Cox Jr., chairman of committee, and J. C. Smyth, secretary of the committee.

Report highlights include: Farmers built 1,090,438 linear feet of new terraces on cropland, and repaired, or enlarged, 1,350,000 linear feet of old terraces. Pasture land terraces run amounted to 53,857 linear feet. Prickly pear, mesquite, and other forms of underbrush were cleared from 2,515 acres of county land. An encouraging picture is contained in the fact 61,024 acres of land were contour farmed that had not been so farmed before 1938.

Three thousand acres were eradicated of gophers, kangaroo rats, and prairie dogs, with ranchers marking up 11,725 acres of range land on which deferred grazing was practiced.

Besides 71,563 cubic yards of earthen tanks built during the year just closed, the report shows 53,875 linear feet of spreader terraces constructed.

Mary Lou Goodwin of Abilene, an experienced writer of architect specifications, is in the office of Superintendent C. Wedgeworth of local schools for the next few weeks. Miss Goodwin is assisting with the specifications for equipment for the new building.

### HOME Demonstration CLUB NEWS

**Enjoy Valentine Party.**  
Members of the commission court and their wives will be guests of honor at a forty-two Valentine party in the National Guard Armory Saturday night, February 11. The party is being planned by the Home Demonstration Council.

Mrs. Guy Stoker and Mrs. Joe T. Johnson of Tri-Community, Mrs. C. R. Robertson of Plainview, Mrs. J. L. Carrell of Union and Mrs. Sam Williams of Round Top are the council members forming a committee that will have charge of the forty-two party.

**Will Attend Meeting.**  
Estella Rabel, home demonstration agent, and a number of county club women will attend an all-day educational meeting at Big Spring next Tuesday.

The Big Spring meeting is one in a series of 12 being sponsored by the Texas Agricultural Association. Home demonstration agents and club members from District 6 will attend the Big Spring meet, which will be followed by one at Plainview on Wednesday.

**Pyron Four-H Club Meets.**  
The Pyron Four-H Club met on January 19, 1939.

Miss Rabel gave our Four-H Club books to us. She also gave us a "check-up" sheet.

Miss Rabel asked that we learn our motto "To make the best better," our prayer "Help me, O Lord to live so that the world may be a little better; because Thou didst

make me." Amen," our pledge, "I pledge my head to clearer thinking, my hands to greater service; my heart to truer loyalty and finer sympathy; my health to efficient living in my home, my community and my God."

**Lloyd Mountain Club.**  
The Lloyd Mountain Home Demonstration Club met with Mrs. Clarence O'Brian Monday afternoon.

A course, consisting of jello, cake, and cocoa was served the following: Mmes. Jesse Koonsman, Mozell Roggenstein, E. H. Way, Luther Morrow, Vernon Way, Roy Hargrove, Jack Simpson and Miss Rabel.

After adjournment of the meeting the club women visited the Double Caves, five miles and a half north of Camp Springs.

**Union Home Club Meets.**  
"A primary thought in planning a bedroom should be built a round comfort and quietness, with purpose being secondary," Miss Rabel stated at a meeting of the Union Home Demonstration last Thursday afternoon.

Mrs. Morse served cake, cocoa and coffee to the following members: Mmes. J. L. Carrell, Della McPhereson, Della Wilson, M. L. Andrews, R. L. Jones, Virgil Jones, J. B. Adams, Ruth Morse; Misses Dorothy Lankford and Estella Rabel.

### Splendid Work for Colored School; All Busy With Studies

Snyder Colored School is doing splendid work this term under the supervision of our teacher, Miss King. Semester examinations are out of the way, and pupils are burning the night oil over their studies.

We want to thank C. Wedgeworth, superintendent, and school board trustees for use of the Snyder School gymnasium Friday, January 27. The colored boys' team of our school won both games played.

We are in hopes we'll be able to win at the West Texas Plains district tournament at Slaton March 4. We want some of our white friends to go if possible.

We appreciate the visits paid us occasionally by Hadley Reeve, junior high principal of Snyder Schools. We are also glad to learn A. C. Preuit is on the improvement. We invite our white friends to visit the school any time.—Dorothy Baker, reporter.

Mr. and Mrs. E. H. Lilly left Saturday morning for Dallas to visit Mrs. Lilly's mother, eighty-eight year-old Mrs. A. J. Gallie. They returned Sunday night.

The Times has a complete line of office supplies.

### Pyron Working for Electrical Project

"We have definite prospects that Pyron may receive electric lights in the near future," Fred Buford, Abilene architect, who is working on an electrification project for Pyron, stated Tuesday.

Buford, who did the architectural work for Pyron's new \$45,000 PWA school building, reported 15 prospective customers are ready to sign up for electrification. If 30 customers are obtained, Buford believes electric lights for Pyron are virtually assured.

### BORDEN GETS READY FOR ITS FEB. 25 EVENT

More Than \$50 in Prizes Offered Club Boys; Other Exhibits, Full Entertainment

Although its big event of the year is yet two weeks away, Borden County is rounding out plans for the February 25 (Saturday) boys' livestock show and all-day farm and ranch rally.

It will be far more than a club boys' show, one readily learns from a glance at the tentative program. Entertainment will hold the spotlight throughout the day, with an entertainment committee composed of Miss Maggie Williams, Judge C. C. Nunnally, Mrs. Ruby Covey and Warren Brazett. E. O. Wedgeworth, Fluvanna superintendent, will also assist in preparing and presenting entertainment numbers.

**Adult Exhibition.** Various classes of breeding animals—beef cattle, horses, hogs, sheep and poultry—will be exhibited by adults, with competition wide open in each division. Ribbons will go to winners.

Borden County people are planning to have a basket lunch that will set some sort of a record for this part of the country. Each farm and ranch family of that county is asked to bring a filled basket.

Coffee will be provided by the Administration district salesman, and other "extras" have already been provided for, reports County Agent E. B. McLeroy.

**Afternoon Softball.** Four-H boys from Borden, Scurry and Dawson Counties, and FFA boys from Fluvanna—these are the boys' units that will engage in the livestock show—will play several softball games in the afternoon, with a prize going to the winning team.

Among Borden County boys' exhibits will be: Two beef calves from 9-R Ranch, Clarence Simpson, Mesquite; beef calf from B. B. Street herd, Darrell Parker, Mesquite; beef calf from 9-R Ranch, Barney Odom, Mesquite; 10 lambs from Glasscock County, O. D. Jackson, Gall; fat lambs and breeding animals, Carlton Daugherty, Fluvanna; beef calf from Elmer Long herd, Bonnie Wilson, Gall; beef calf from Long herd, Billie Smith, Gall; fat barrow, Floyd Buchanan, Luther; beef calf from Miller Brothers Ranch, Gene Strey, Gall.

Complete list of club boys' awards will be given in The Times later.

**MORE AGED AIDED.** Old Age Assistance Commission officials at Austin announced Monday 114,661 Texas aged will receive old age assistance checks during February, which is 178 more than were on the rolls in January. During January 347 people become ineligible, with 1,015 deaths recorded among the aged for the month.

### Dunn Boys, Roscoe Girls Cart Off Major Prizes at Hermleigh Tourney

Dunn boys and Roscoe girls carted off major awards at Hermleigh's first invitation tournament after the final games Saturday night. And "carted off" is right, for 15 unique but highly appreciated carrying cases went to the two court squads.

It was Dunn all the way in the boys' final game, with Pyron's tall boys being downed 19-8. Dameron sunk four field goals to lead the scoring, with Cotton, also of Dunn, and Moseley of Pyron accounting for five tallies each. Miller, the other Pyron forward, put in one field goal; Moore, Dunn center, made two points; Arvil Martin, Dunn guard, shot two field tosses; and Hale, Pyron guard, put in a free toss.

Faulkenberry of Roscoe couldn't be stopped by the fast-passing Hermleigh girls. She made nine points to lead the scoring, closely followed by the capable Vernon of Hermleigh, with eight tallies. Witherspoon of Roscoe accounted for eight points, Voss of Hermleigh for five points. The final score was 17-13.

School officials report the tournament as highly successful from every standpoint. George Thomas of Snyder was referee, D. R. Layman was scorekeeper and Marcus Voss was timekeeper.

A total of \$55 in awards were made as follows: First boys' team, Dunn, seven carrying bags; first girls' team, Roscoe, eight carrying bags; second boys', Pyron, first aid kit; second girls', Hermleigh, laceless basketball; first consolation boys', Snyder B. stop watch; first consolation girls', Fluvanna A. ray lamp.

A carrying bag went to each member of the all-tournament teams: The boys' team follows: Dameron and Cotton of Dunn, forwards; Turner of Fluvanna, center; Stevenson of Hermleigh, guard; Pieper of Pyron, guard.

Here is the girls' team: Evans of Fluvanna, Faulkenberry of Roscoe, and Voss of Hermleigh, forwards; Maloney of Roscoe, Williams of Hermleigh and Young of Pyron, guards.

Mr. and Mrs. David Snyder and children of Sweetwater were Sunday guests of the Homer Snyder family here.

Miss Pauline Turlington, WPA social worker for this area, was a Snyder visitor Wednesday. She will be in Snyder every other Wednesday from now on.

Complete list of club boys' awards will be given in The Times later.

Southwestern Is \$5,777,727 Ahead On Assets Sheet

An increase in assets of \$5,777,727, the largest in its 36-year history, was made by Southwestern Life Insurance Company during 1938, according to C. F. O'Donnell, president. The company's annual financial statement has been received by Mrs. Maude DeBald, local representative who announced that total assets are now \$61,200,299. A comparison with last year's statement shows that the Southwestern invested heavily during 1938 in United States government bonds, and in bonds of Texas cities and counties. The increase in these items accounts for the greater part of the gain in assets. With more than \$29,000,000 now invested in bonds, Mrs. DeBald said that her company had continued its record of never having had a default of either interest or principal on any bond. "The company's bonds are worth at current market prices \$2,226,516 more than their book value," she said. During 1938 the company gained insurance of \$19,564,935, bringing the total of \$342,617,326. "Southwestern Life is now the second largest company in the South writing ordinary insurance only," said Mrs. DeBald. "Measured by amount of capital, it is fifth in size in the United States. The substantial growth of the home insurance companies of Texas is significant in the light of remarks recently made by Chairman William O. Douglas of the Securities and Exchange Commission during his recent visit to Texas. He advised Texas investors to put their money in home enterprises. 'There is no reason,' said Douglas, 'why the huge financial structure of the nation, now centering in the East, should not be decentralized, stopping the siphoning of income from producing regions of New York.' Texas life insurance companies are contributing to Texas' financial freedom."

Scene From "The Tuttle Tugger"

Bryant-Link Company, local John Deere dealer, is putting on another John Deere Day program Monday, beginning at 10:00 a. m., for farmers and their families of this and neighboring communities. "The Tuttle Tugger," an all-Hollywood picture, will be the main afternoon feature of the free entertainment and educational meeting. Packed with one heavy laugh after another, this rollicking all-talking picture promises to be a real treat, says E. E. Weathersbee, local Bryant-Link manager. The picture tells the story of a salesman and a saleslady who get their sample cases mixed up—and what a mix-up it causes! Four other all-talking pictures will be shown in addition to the feature presentation. They include: "Around the Farm Clock," "The Mark of the Genuine" and "Mr. Sheppard Looks Inside." In addition to the five talking pictures, the John Deere Day program will include several talks and demonstrations. The pictures will be shown at the Palace Theatre.

4,000 Foot Test in Southern Borden Will Be Spudded

Rig and equipment was moved in the first of this week for the 4,000 foot Continental No. 1 Mungler wildcat test nine miles south of Gail in Borden County. The Borden County test will be drilled by Ajax Drilling Company to 4,000 feet or pay. Exact location of the No. 1 Mungler test is 440 feet from the south and west lines of Section 38-31-4n, Texas & Pacific Railroad survey. This places the Borden County wildcat test in the center of three blocks running east and west across the county. Nearest abandoned test is two and a half miles northeast with another abandoned well located three and a half miles south. Four miles to the southwest another dry hole is marked up in the area.

Snyder One-Variety Seed Inc. of Scurry County, Texas

With the cooperation of the farmers who have been planting Union cotton seed, we have option on a sufficient amount of Union seed to form a one-variety gin, and are asking the cooperation of other farmers and other interested parties. If we get 3,500 bushels or more of these seed planted, we will have a one-variety gin at Snyder this season. This Union seed are well adapted to this territory, and are state registered, state certified, double culled, and treated with ceresin. Five-lock boll; average staple, good inch to inch and one-sixteenth; 38 to 43 per cent lint picked cotton, 30 to 33 per cent snapped cotton; strong, hard, uniform staple. Now we believe this is the only way we farmers can ever get paid for quality staple, and planting quality seed also helps keep seed pure, saves buying seed as often. We are inviting all farmers, business men, gin men, cotton buyers, agriculture club members, here and elsewhere, who may be interested in future plans and profits we expect to derive from one-variety, to meet with us Saturday, February 11, 2:30 p. m., in the district court room, Snyder. Speakers at the meeting will include X. B. Cox Jr., county agent, E. H. Lally, secretary of the Scurry County Chamber of Commerce, and C. C. Whisenhurst, district manager, Union Seed Growers Inc. of San Marcos. We also have been advised that we may expect visiting members of the agriculture club from Bronte. Like most others, they are deeply interested in one-variety ginning and planting. We, the sponsors and representatives of this Scurry County move, indeed are most grateful to the business men, gin men, cotton buyers for the cooperation they have extended us. May we have many more moves made like this as soon as possible. We assure you of our cooperation. For literature and prices, see Dee Robinson, Snyder, Texas, authorized agent. 1p

## Current Comment

By LEON GUINN

A field report last week on the medical insurance programs being carried out among FSA clients in Limestone, Hamilton and Falls Counties indicates there's going to be a great deal of weight behind House Bill No. 191, which is up before Texas lawmakers at the present for debate, and which authorizes hospitals to self hospitalization on a state-wide basis.

The selling of medical insurance to the 480 FSA clients in Limestone, Hamilton and Falls Counties last November was tried out purely as an experiment to see whether or not group hospitalization could be made to work. It was the first project of its kind attempted in Texas. A flat fee of \$8 per year, plus \$1 for each member of the family, was charged to see if a group hospitalization program could be worked out.

Besides Representative C. L. Harris and Senator Wilborne B. Collie, who are said to look with approval on House Bill No. 191, Twitty, superintendent of Baylor University Hospital, and the American Hospital Association look with favor upon a non-profit hospital care insurance plan that will give our day workers and laborers an invincible type of security when life's little days of illness roll around. Group hospitalization, we repeat, is the inevitable battleground upon which the issues at stake will sooner or later be settled.

Dr. C. Rufus Rorem of the American Hospital Association stated last week almost 1,500,000 new subscribers had been enrolled in 53 non-profit hospital service plans during 1938 alone. This move, which may sidetrack some of the more controversial subjects being dissected in the journal of the American Medical Association, is just now gaining its main impetus in the larger cities, and will be modified, of course, if inaugurated in smaller towns.

Although there were a few who said Walt Disney's "Snow White and the Seven Dwarfs" was a show that children only would be interested in, the Metropolitan Museum of Art in New York City last week accepted an original water color painting of two cultures by Disney as "a truly great work of art." Disney furthermore was described as "an outstanding historical figure in the development of American art." Even shows and stories for children have a fitness and sometimes a lasting quality of their very own that isn't duplicated by pictures for adults.

One of the latest suggestions to aid our increasing army of what the New Dealers call the "neglected needy" was originated recently by Carlisle Thorpe, manager of the California Walnut Growers Association, who suggests Congress go to issuing scrip to an estimated 12,500,000 families now on relief. When a county goes to issuing scrip for such purpose as feeding the indigent, it usually takes years and years for a county to get back on its financial feet, but if the New Deal okayed this slightly cracked proposal it evidently would be accepted with good grace.

SMALLTOWN LEARNING

From William Feather's "The Imperial Magazine":  
Where does a young man get the best business training? In a small or large town?

A salesman of type-making equipment, who has sold machines everywhere says that the resourcefulness and self-dependence of the worker in the small shop, in the small town, would seem incredible to the worker in the big shop, in the big city.

This salesman sold his equipment to the proprietor of a small-town newspaper. The machine is exceedingly complicated. In the city an apprentice usually works two years before he becomes a journeyman operator. In the small town, however, before he signed the order, the publisher said to the salesman: "Do you think that my sister's son, who is now driving a bakery wagon, could operate the machine?" "Oh, certainly," said the salesman, eager for a sale "we'll send an instructor here to teach him."

The instructor stayed with the young man four weeks and then had to leave to handle another installation. He was unable to get back to the plant for two months. He expected to find the equipment wrecked. Instead he found that it was operating smoothly.

The small-town youth had mastered his job in less than a twentieth of the time considered necessary in the city.

the dropping of 29 dailies and two semi-weeklies. This seems to indicate an absorption point has been reached in the daily field under present conditions. In fact, the Ayer directory points out, a newly founded with some room left in the weekly field of journalism, weekly has about 100 per cent more chance of survival than a new daily—unless in direct competition with another weekly newspaper in the same county.

Last week's issue of Science reported a new extractant beef blood extract has been found that stops bleeding quicker than any previously known preparation. Called Thrombin, the new blood coagulant is a condensed form of the coagulant found in normal blood, but which is found in insufficient quantities to stop severe cases of bleeding. Since sudden death is still lurking on our highways these days, the new blood coagulant known as Thrombin should come in handy in many cases.

Bonfield, Illinois, is reputedly a virtue-mad village. In this town of 116 people there are no dance halls, pool rooms, movies, or saloons. The game of rummy was ruled out last week after Bonfield housewives complained their husbands played the game for 10 cents a hand.

It seems to be an old Keynote law in Pennsylvania that all working painters in the state take two baths a week—which, by the way is the minimum under the law for painters and paper hangers in general. One Philadelphia concern is even paying its employees for time spent in taking a bath. That ought to put our proposed Texas transaction tax in the sink drain. Maybe it could be amended to be a tax on non-bathers!

## BISHOP TALKS OF METHODIST UNITING MOVE

Bishop Ivan Lee Holt of Dallas, presiding officer of the Northwest Texas Methodist conference, spoke to local people at the church Friday morning at 11:00 o'clock.

Later in the day he drove to Gall to officiate for the dedication of the new church, and Saturday attended a meeting—including dinner at the church—of Methodists from all nearby churches at Dunn.

Third Methodist bishop ever to speak in Snyder, Bishop Holt made a lasting impression on every listener. His Northern brogue and genial manner were interesting to people whom he met here. Bishop and Mrs. Holt came to Texas late last year after spending 20 years in St. Louis.

"This year promises to be one of the greatest years in history of the Methodist Church," Bishop Holt said, "as the three Methodist churches of the United States become one great body." The unification meeting will be held in Kansas City in April.

## Piano Pupils Are Presented in Recital

Piano pupils of Helen Boren Rodgers were joined by Dorothy Jean Wilson, pupil of Mrs. Empress Wolcott, in a studio recital given last Thursday evening at the home of Mr. and Mrs. Armor McFarland. Families of the pupils were invited to the performance.

Mrs. Rodgers students on program were: John Jay Boren, Billy Joe Stinson, June Jones, Marianne Randals, Sandra Jean Josephson, Billie Jean and Carolyn Henderson, Mary Sue Sentell, Virginia Preuit, Martha Ann Cogdell, Billie Lue Thompson, Ola Margaret Leath, Patti Hicks and Nell Verna LeMond.

At the close of the Friday morning service the following district and local leaders were presented along with Bishop Holt and Mrs. Holt to local people: Rev. C. R. Hooten, presiding elder of the Sweetwater district; Rev. C. A. Bickley, presiding elder of the Abilene District; Mrs. Bickley; Mrs. R. H. Odom, Sweetwater district secretary of women's work; Ruth Gillam of Big Spring, executive secretary of young people's work; Rev. I. A. Smith, local pastor, and Mrs. Smith.

## TO PLEASANT HILL

Rev. James E. Spivey will fill his regular appointment at the Pleasant Hill tabernacle Sunday afternoon at 3:00 o'clock. A cordial invitation is extended by the local Presbyterian minister for all to attend.

## Church of Christ

The church has just launched a program of constructive work that is resulting in much interest and has already shown results. May we appeal to every member of the church in Snyder and Scurry County to do your part in this effort to advance the cause of Christ in this territory. Only through a united and consecrated work can we hope to attain our goal.

May we see each of you at each service Sunday.—Your minister, O. D. Dial.

## TWO COUNTIES INTERESTED IN COTTON PLAN

Vealmoor Community, Borden and  
Howard, Adopts One-Variety  
Cotton Seed Plan

In a two-county meeting of cotton producers at Vealmoor Monday, farmers of the Borden-Howard County line adopted "Texas Mammoth" cotton as the most desirable variety that could be grown in the community. This cotton is grown and bred by Von Roeder Seed Farms of Borden County.

A committee of Borden and Howard County farmers was selected by Vealmoor producers in a prior meeting conducted by County Agents E. B. McLesney and O. P. Griffin at Vealmoor School on January 30. The committee was composed of the following producers: W. A. Jackson, Borden County; J. A. Iden, Howard County; E. V. Holsager, Borden County; E. E. Gill, Howard County; and J. I. Crass, Borden County.

### Full Investigation.

This group of farmers, together with the county agents of the two counties, made an investigation of all available sources relative to possible adapted varieties of cotton for the Vealmoor community.

Through the cooperation of Fred Keating of the Texas Agricultural Experiment Station at Big Spring, valuable information was obtained in connection with variety tests conducted each year at this experiment station.

After the committee had given consideration to other data on cottons adapted to West Texas conditions, and more especially to local conditions at Vealmoor, they reported their findings in a meeting of farmers Monday.

### Committee Selection.

The committee placed their selection of "Texas Mammoth" before the group, and it was adopted as the standard for cooperators by a majority of the 37 farmers present.

In making a choice of cotton for farmers of the community the Vealmoor committee considered possible advantages of the best cotton for their use in the one-variety plan fostered by the Texas Extension Service, and the state-wide cotton committee of Texas.

Producers taking part in this improvement plan believe that they have taken a definite step to gain much needed local improvement—and at the same time contribute to the national movement for cotton quality improvement.

## One-Cotton Meeting

A meeting of the Snyder Seed Company will be held at the courthouse Saturday, February 18, to perfect organization plans for farmers interested in a one-variety cotton seed for Scurry County. De Robinson is secretary of the farmer group seeking to interest cotton raisers in the proposition.

## Journey's End For Trio of Hitchhikers

"Journey's end" was written last week for three Snyder girls, 10, 13 and 15 years, at Seagraves when officers picked the local trio up in the business district, and halted a proposed trek to other cities on the open road.

The youthful hitch-hikers slipped away from Snyder so quietly they were at Post before their parents knew their whereabouts. The girls, who were brought back from Seagraves Wednesday, admitted they were a "little young to be getting so far away from home."

### WREN IMPROVES.

H. L. Wren, local hardware man, is improving gradually from his recent operation, and will probably be brought home within a few days. The Times learned yesterday. He is in a Temple hospital.

### MRS. KELLER ARRIVES.

Mrs. George W. Keller arrived in Snyder early last week to join her husband, Snyder's newest dentist. Dr. Keller is associated with Dr. Sed A. Harris. Dr. and Mrs. Keller, who came here from Temple, are living at the John Keller home.

## 29th Boy Scout Anniversary

This poster, showing how "Scouting Carries On American Ideals," theme of Boy Scout Week from February 8 to 14, marks the 29th anniversary of the incorporation of the Boy Scouts of America. Thirty-nine thousand, seven hundred and

fifty Boy Scout troops, Cub packs and Sea Scouts ships now include 1,233,950 boys and men, a membership gain of better than 13 per cent in the past year. Since the beginning of scouting in America, 8,400,000 boys and men have been identified with the movement.

## FIFTH OF INCH FOR FEBRUARY

A pelting rain from the northeast last Wednesday night gave Snyder 4.7 of inch recorded rainfall. This installment of moisture, coupled with 0.9 of an inch precipitation received Thursday night by a light snow that blanketed the county, gives promise of a wet February.

Mrs. B. G. Johnson, official recorder, states the 30 of an inch precipitation received February's first two days might indicate another February like 1938, when 3.51 inches rainfall was received.

### Fruit growers are on needles and pins, for if these "nippy" mornings continue through February, a part of a fruit crop is almost assured this year.

## 50 Girls, 23 Boys On Honor Roll at End of Semester

### 358 IN RED CROSS.

A membership of 358 was secured in the Red Cross roll call conducted in Scurry County the last two weeks of November, 1938, reveals an official report this week from Sam O. Nations, roll call chairman, and Mrs. Carrie Line, county chapter chairman.

## HERMLEIGH TO DEDICATE GYM TONIGHT 7:30

A. C. C. Band and Vice President  
Included on Thursday Program  
In \$20,000 Building

A dedication program that will include music by the Abilene Christian College Band and an address by the A. C. C. vice president, Dr. Don Morris, is included for the new \$20,000 Hermleigh School gymnasium tonight (Thursday) at 7:30 o'clock.

Superintendent E. L. Farr, in a telephone conversation with The Times late Wednesday, said: "We are especially anxious to greet a number of friends from every school and every town in this trade territory."

Coronation of the carnival and football queen, selected late last year, will be one of the beautiful features of the program tonight. Louise Rea is the young lady who will be crowned. Awards will also be made to the football boys of 1938. Following is the full program over which Superintendent Farr will preside: Opening concert—A. C. C. Band. Invocation—Rev. S. A. Sifford, Methodist pastor. Announcements—Superintendent Farr. Coronation of Louise Rea, carnival and football queen. Accordion solo—Mrs. Earl Louder. Presentation of football awards. Concert—A. C. C. Band. Introduction of Hermleigh school board members; recognition of visitors. Dedication address—Dr. Don Morris. Closing march—A. C. C. Band.

## T. E. Major Chief At Snyder Produce

T. E. Major of Coleman assumed duties here Monday as manager of Snyder Produce Company, which is a unit of the Western Produce Company. Major moved his wife and son, Tommie Dick, to Snyder this week.

Major accepted the local manager position after J. S. Davies, former Snyder produce manager, was transferred to Goldsmith. Major has been associated with Western Produce the past three years.

## Tax Collections Please City Dads At Regular Meet

Cheering news was reported by the City Council at its Monday night meeting, in the form of \$11,714.15 in city taxes collected for January.

Building permits for the month just closed amounted to \$5,825.00. Bills allowed at the Monday night meet totaled \$2,086.85. Water and sewer collections for January touched the \$1,650.49 figure. January fines collected were listed at \$40.40. J. S. Bradbury, city secretary, states "city tax collections for January are probably a little above figures for January, 1937."

The council voted to require a deposit of \$10 for use of the city tabernacle for any purpose. The deposit is to guarantee the safe return of the building, equipment and grounds in good condition. A scarfier for the city maintainer will be purchased if found to be in good condition.

## Civic Organization Lists New Members

Eleven new members have already been added by the Scurry County Chamber of Commerce in the February membership drive, and a number of business and professional people have not been solicited, Secretary E. H. Lilly reported yesterday.

Teams of workers are expected to complete their membership work this week-end, according to President Forest Sears.

The 11 new members are listed as follows: X. B. Cox Jr., Roy O. Irvin, T. A. Chapman, C. Wedenworth, N. M. Harpole, John Lynch, Sam Nations, Gay McGlaun, Mrs. Mollie Pinkerton, Rainbow Market Place, Mrs. Woodie Scarborough.

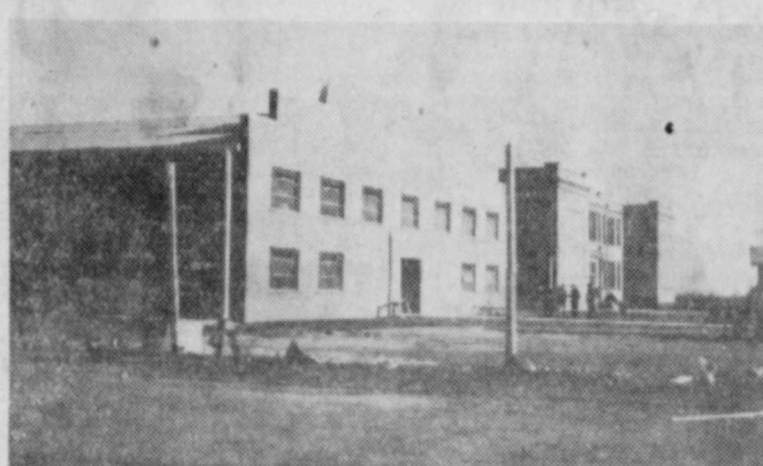

### PARTY POSTPONED.

The benefit forty-two party that was slated by the American Legion and Auxiliary at the legion hut Friday night of this week has been postponed until Friday night, February 24, it was announced yesterday.

### BAPTIST CLINIC.

Good attendance is featuring the five-night Sunday school clinic that began at the First Baptist Church, according to Rev. Ira Harrison, pastor. The clinic is being conducted by Rev. E. T. Smith, pastor of the Shamrock Baptist Church.

## Hermleigh's Proud of It!

This is a diagonal view of the two main buildings on the Hermleigh school campus. In the foreground is the new \$20,000 gymnasium, which has just been completed, and for which a formal dedication program

will be held Thursday night of this week, beginning at 7:30 o'clock. In the background is the main school building, which also, is quite an imposing structure, and one of which the whole community is proud.

## RECORD TAXES FOR FEBRUARY ARE REPORTED

First Set of 1939 Car Plates to  
Sheriff John Lynch; Can't Be  
Used This Month

The county tax assessor-collector's office has taken in a total of \$45,003.94 in current and delinquent state, county and school taxes since January, a check-up Tuesday revealed.

The only note of discord is sounded by one of those new Jefferson nickels—an overpayment in tax money made by some citizen which hasn't been accounted for.

If the assessor-collector's office can trace the overpaid nickel down through over \$45,000 taken in, an all-time record for collections from the first of the year to February 4 will be marked up.

Tax collections since January 1 for 1938 and previous years follow: County and common school districts, \$30,867.74; independent school districts—\$3,691.51; and state taxes—\$10,444.74.

Herman Darby, tax assessor-collector, states "collections since January 1 are encouraging. We feel leasing activities in Scurry County during recent weeks have aided tax payments considerably."

The first set of 1939 car license plates issued by the collector's office went to John Lynch, sheriff. His car tag number is 907-581—just in case anyone wants the sheriff in a hurry, and would like to pick his car out by plate numbers.

The 1939 purple and gold license plates are moving rather slowly yet, although attaches at the assessor-collector's office believe the tags will move rapidly after March 1. Automobile and truck owners are reminded the car "tag" deadline is April 1.

## Rural Road Essays Must Be Turned In By 6:00 Saturday

"We want to remind students who have entered the county-wide contest for rural road betterment that 6:00 o'clock Saturday evening is the deadline for essays to be in the county superintendent's office," Roy O. Irvin, who is in charge of the contest, stated Tuesday.

"A lively interest is being shown in the final week of the county-wide essay contest, and we hope to have some outstanding essays to judge," Irvin said. Irvin, who is county superintendent, reports the \$3.50 in awards for Division 1, and \$6 in awards for Division 2 is creating a great deal of interest in the contest.

The form of a letter addressed to Governor W. Lee O'Daniel, will be submitted directly to the governor, as will all the other essays, where a student's permission is given.

J. L. Greene, president of the Mitchell County local, and E. E. Smith of Colorado, president of the Rural Letter Carriers Association, state the Scurry County essay contest is one of the few of its type being sponsored in the state now.

## Hobbs Will Be Host To March Sing-Song

Hobbs will be host Saturday night before the second Sunday in March, and the day following, when the spring session of the Four County Singing Convention is held in Hobbs School auditorium. Dewey Niedeken, convention president, stated Tuesday around 1,200 singers will attend the Hobbs song fest.

Program specialties will include representatives from the Stamps, Harford and Vaughn Music Companies; the Snyder, Lorraine, Abilene and Lubbock quartets. The Big Spring Trio has accepted an invitation to attend as have a number of Abilene singers headed by Silas Clark and Wade Willis.

## CITY HOST TO BASKET MEET

Swapping Previews  
As Hundreds Here  
For First Monday

Pigs, horses, cows and turkeys were some of the principal barter and trade commodities that attracted almost 700 traders and buyers from Scurry, Fisher, Borden, and Nolan Counties to Snyder Monday. February's "First Monday" turned out to be an ideal day, with pigs and feeder shoats holding the trading and selling spotlight. Around 50 head of pigs from six weeks to three months old were sold for prices ranging from \$2.75 to \$4 per head.

Trading in sheep and cows was light, with 15 head of work horses and mules being bought or "swapped." An active demand was noted for breeding turkeys.

Traders and speculators alike said the volume of trading and selling Monday "was encouraging for February." Pigs, implements, and the "Brown Mule" was evident, with only one First Monday ingredient lacking—the usual trading day peddler of shoe strings, pencils, and a bagful of other what nots.

## Several Greeted By Association; Oil People Lead

Among the several single persons and families greeted during December and January by the Welcome to Snyder Association, more than one-third were represented in some phase of oil activity. So reports Mrs. Roy Stokes, sponsor of the association.

With Coffield & Guthrie's drilling crew from Corsicana are Mr. and Mrs. A. L. Cole, Mr. and Mrs. K. B. Gandy, Dub Gandy, Robert Beaton, Sam Sykes, Frank Cantrell and Ray Leach. Also greeted in January were those men and their families: J. W. Stone, Stinson Camp, tank work; T. E. Majors, 2707 Avenue U, Snyder Produce; Dr. George W. Keller, dentist, 2905 Avenue S; Leo Mann, Moutri Products 2107 27th Street, Guy Garden, school building workman, 1500 26th Street, and X. B. Cox Jr., county farm agent, 2213 29th Street, were also welcomed last month.

These families were greeted in December: G. W. Bentley, 1109 28th Street, Browning Food Market; Horace Seely, 1812 20th Street, FSA supervisor; Mrs. Opal Roberts, 2501 28th Street; Miss Marie Pate, 3110 Avenue U, Marinello Beauty Shop; R. L. Carden, 1500 26th Street, school building architect.

## Schools Give More Than \$50 for Fund

A report late Tuesday from three more schools indicates Scurry County schools will contribute more than \$50 to the President's Birthday in-fantile paralysis fund. Contributions up to Tuesday night, together with contributions reported from nine schools last week, totaled \$46.17.

This week's school contributions follow: Plevanna, \$12.70; Hermleigh, \$5.23; Canyon, \$2.25; and Turner, \$2.45. Reports from Dunn, Ira, Dermott and Whatley are expected the latter part of this week.

## Churches of Christ Guests of Fluvanna

The Fluvanna Church of Christ will be host Sunday afternoon, beginning at 2:30 o'clock, to a county-wide singing for Churches of Christ. Special numbers are expected from each Church of Christ in this area, according to members of the Fluvanna church.

Enlarging and redecoration of the Fluvanna church property has just been completed, and the Sunday afternoon program will be in the form of a dedicatory singing. Bro. Scott of Sweetwater will preach at 11:00 a. m., and all members and visitors will gather in the church basement at 12:30 p. m. for an old-fashioned dinner.

## BAND PARENTS.

Band Parents Association will hold a meeting Tuesday night, 7:15 to 8:00 o'clock, in the band room of the gymnasium. Leaders have announced. Full attendance of members and new members, particularly parents of new band members, are urged to attend.

## INDICTED MAN BACK.

John Lynch, sheriff, and Ray Hardin, constable, who left Monday night for Karnes City, returned Tuesday afternoon with Elman May, who was indicted in the November term of court here on a forgery charge. May, who was placed in the county jail, was taken to Bowie Tuesday night by Montague County officers who want him on an alleged forgery charge at Bowie.

## KEEN RIVALRY FORESEEN FOR ANNUAL EVENT

Boys' and Girls' Teams to Vie for  
County Titles in Local Gym  
Friday and Saturday

With basketball holding the interest of more fans than in any other recent season, the county tournament this week-end promises to break attendance records, according to C. E. Connolly of Dunn, county Interscholastic League athletic director.

Snyder School gymnasium will be the site Friday and Saturday for the two-day tourney, which starts Friday evening at 6:30 o'clock. A complete schedule of the three court sessions follows:

Friday Night Round.  
First round, Friday night—Pyrone vs. Ira boys, 6:30 p. m.; Pyrone vs. Ira girls, 7:30 p. m.; Dunn vs. Snyder boys, 8:30 p. m.; Fluvanna vs. Hermleigh boys, 9:30 p. m. Admission charges for this session will be 10 and 25 cents.

Second round, Saturday morning—Plainview vs. winners of the Pyrone-Ira boys' game, 9:00 a. m.; Hermleigh vs. Fluvanna girls, 10:00 a. m.; winners of Dunn-Snyder and Hermleigh-Fluvanna boys' games play, 11:00 a. m.; Dunn girls play winners of the Pyrone-Ira game at 12:00 o'clock noon. Admission charge for the Saturday morning session are 10 and 15 cents.

Saturday Night Finals.  
Plenty of excitement is promised for the final session, which starts Saturday night at 8:00 o'clock. County tournament winners will be announced at 9:30 o'clock. An unusually beautiful loving cup will go to each tourney winner. Ten and 25 cents are the admission prices.

The Plainview boys, recent winners of the rural basketball tournament, are reported to have one of the county's strongest rural teams in recent years. They offer a strong threat that may upset the traditional "dope sheet" data on probable winners.

## Dividend of 6.7 Closes Books on First State Bank

A final dividend of 6.7 per cent, or \$13,352.92, was distributed last week by the State Banking Department to depositors of the old First State Bank & Trust Company.

Last week's dividend is the fourth to be paid depositors since First State Bank & Trust Company failed to open September 17, 1931. It will be recalled the State Banking Department took over First State assets at a time when banks over the country were failing at the rate of 14 to 20 per week.

Last week's final payment brings the total of dividends paid depositors to 38.7 per cent.

J. C. Reese of Abilene has purchased the remaining "paper" and assets that formerly belonged to First State Bank, thus closing a chapter in county banking circles so far as the State Bank Examining Board is concerned.

### DICK GOES TO TECH.

Dick Sheehan, son of the J. R. Sheehans of Hermleigh, has entered Texas Tech for the second semester. After graduating from the Hermleigh school, Dick has become a familiar figure among local business people, having worked in several stores. Dick's older brother, John V., is student assistant in the Tech chemical engineering department.

## MRS. STREY IS HONOREE FOR GIFT SHOWER

Mrs. Pete Strey, a recent bride, was made honoree at a gift shower last Wednesday afternoon at the home of Mrs. I. A. Smith. Mrs. Strey is the former Elizabeth Blakey, daughter of the J. E. Blakeys, who is living at Dermott.

Assisting Mrs. Smith with hostess duties were Misses Jess Loader, C. R. Burk, Marvin Lemons and Homer Snyder.

The house was beautifully decorated with pot plants with red and white blooms. The Valentine motif was carried out in decorations and favors, using the colors, red and white, in all appointments. Guests registered in the bride's book, which was presided over by Verline Smith.

Mrs. L. A. Chapman was presented in two piano solos, "I Love You Truly" and "The Rosary." Mrs. Snyder conducted a cleverly planned contest, entitled "Lovers' Pie," in which all guests took part.

Nan Blakey, younger sister of the honoree, entered to present Valentines to each guest as a party favor, and young Willis Lemons brought in the huge Valentine filled with lovely gifts for the honoree.

A salad plate following the red and white color note was passed to guests. The honoree, Misses J. E. Blakey, Jim Hart, Nathan Wade, Tom Boren, Lida M. Hardy, Allen Warren, H. B. Winston, T. J. DeShazo, Ed Thompson, H. T. Sefton, T. W. Pollard, R. H. Odum, R. W. West, A. M. Curry, L. A. Chapman, John Cole, Audie McElroy, J. C. Dorward and Miss Margaret Miller. Many other sent gifts but were unable to attend the party.

## Grace Holcomb Is Honored Thursday

Grace Holcomb, for the past 10 years an employee of the local telephone company, was presented a Southwestern Bell-Telephone Company pin for service by other local employees at a party given last Thursday by Miss Holcomb's mother, Mrs. D. A. Johnson.

Members of the Blue Bell Club were invited for the evening, and they came also bringing a gift for the honoree. Newly elected officers of the organization are: Mrs. F. L. Pierce, president; Miss Holcomb, vice president; Loraine Todd, secretary-reporter. By-laws and course of study for next year were discussed by the group.

Refreshments were passed to Misses Claude Ingram, F. D. Spain, Pierce, Misses Mary Davis, Holcomb, Eebel Mae Sturdivant and Todd.

## ATTENDED BY 14 MEMBERS.

IT'S EASY TO HAVE PLENTY OF LIGHT— AND INEXPENSIVE, TOO!

You can enjoy plenty of light in your home at small cost. Bulbs, fixtures and portable lamps are cheaper than ever. Your electric rate is low, and the more electricity you use, the less becomes the unit cost.

## FOR EASIER READING

Good light makes it easier to read and less tiring on your eyes. Use at least a 100-watt lamp for reading.

## FOR BETTER WORK

Put in higher wattage lamps in the home workshop, in the kitchen and in other rooms where work is done. You'll find that brighter light makes work easier and enables you to work faster. A 150-watt bulb costs only 20c and its brighter light costs only about 1/2 cent more an hour.

## FOR REAL RELAXATION

For real relaxation while reading, sit under a Better Sight lamp. You'll find that you can see better and read longer without becoming tired. Good light isn't a luxury—it is one of the smallest items of household expense. A good reading lamp costs only about 1c more an hour.

Mrs. W. A. Graham of Van Nuys, California, left Friday, returning home after a several week visit in Snyder with her mother, Mrs. I. W. Boren, and other relatives and friends here.

Mr. and Mrs. Chas. B. Shell and little daughter, Mary Ruth of Colorado were Sunday guests of Shell's mother, Mrs. Mary B. Shell, his grandmother, Mrs. G. C. Buchanan, and other relatives.

Mr. and Mrs. J. P. Ward and daughter, Mary Jo, have moved to Ada, Oklahoma. Ward, formerly associated with Stinson Drug Number 2, sold interest in the local concern in December. Mary Jo was a freshman in the local high school.

Mr. and Mrs. W. T. Cook of Crosbyton left Monday morning for a brief visit in Lubbock before returning home. The Cooks, former Scurry County residents, were week-end guests of their daughter, Mrs. Maude C. DeBoid, who recently moved into her new home. Mr. and Mrs. Leslie Stevens and small son, Don Franklin, of Midland were also week-end visitors with Mrs. DeBoid.

### BORDEN COUNTY FARM NEWS

G. G. Caldwell, Four-H Club boy of the Vealnoor community, is taking an active part in several important projects in Borden County in 1939.

Aside from his numerous duties in assisting his father with regular farming work, this Four-H Club boy has selected beef calf and lamb feeding projects in 1939.

Perhaps the most interesting project selected by this versatile club member is his "test block" for cotton. In the recent community organization under the "One Variety Cotton Improvement Plan, YOUNG CALDWELL WAS INCLUDED AMONG FOUR PERSONS SELECTED BY FARMERS OF THE AREA TO CONDUCT VARIETY TESTS OF COTTON as a part of the scientific and practical plan for obtaining data on common varieties of cotton grown under local conditions.

The selection of G. G. Caldwell, a Borden County Four-H Club boy, as one of these demonstrators is an indicator of the high esteem in which his Four-H activities have placed him in the minds of adults in the community. Three farmers, together with this progressive Four-H Club boy, will conduct variety tests in 1939 for the benefit of all producers in the community.

Applications for emergency crop and feed loans in Borden County are being taken at the county agent's office in Gall on Tuesdays of each week, Ed F. Jay, FCA field supervisor of the Emergency Crop and Feed Loan section, stated while in Snyder this week.

E. B. McLeRoy, Borden County agent, says "our farmers are cooperating to such an extent we feel all crop loan applications can be handled here at the agent's office more efficiently and quickly than any other location in Gall."

Loan applications will be received for Borden County farmers, as in other counties, only for those whose cash requirements are small, and who cannot obtain credit from any other source. Farmers who can obtain credit from a bank, other government agencies (such as FSA), or a credit association, are not eligible for crop loans.

McLeRoy wants to remind Borden County farmers again that Tuesday is the only day each week emergency loan applications will be received.

### Splendid Work for Colored School; All Busy With Studies

Snyder Colored School is doing splendid work this term under the supervision of our teacher, Miss King. Semester examinations are out of the way, and pupils are burning the night oil over their studies.

We want to thank C. Wedgeworth, superintendent, and school board trustees for use of the Snyder School gymnasium Friday, January 27. The colored boys' team of our school won both games played.

We are in hopes we'll be able to win at the West Texas Plains district tournament at Staton March 4. We want some of our white friends to go if possible.

We appreciate the visits paid us occasionally by Hadley Reeve, junior high principal of Snyder Schools. We are also glad to learn A. C. Preuitt is on the improvement. We invite our white friends to visit the school any time.—Dorothy Baker, reporter.

Mr. and Mrs. E. H. Lilly left Saturday morning for Dallas to visit Mrs. Lilly's mother, eighty-eight year-old Mrs. A. J. Gallie. They returned Sunday night.

The Times has a complete line of office supplies.

### Excellent Report On County Water Saving Complete

A second report, giving soil and water utilization activities in Scurry County during 1938, was submitted last Friday to Edwin A. Spacek, West Texas Chamber of Commerce director of development at Abilene.

The report is the second one submitted in the WTCC Soil and Water Utilization contest for 1938. This report was one of the first submitted by any West Texas county covering conservation work during 1938. A previous report, showing conservation work done before 1938, was submitted to Spacek in late December.

This summary of 1938 soil and water conservation practices in the county was signed by Leon Quinn, reporting agent X. B. Cox Jr., chairman of committee, and J. C. Smyth, secretary of the committee.

Report highlights include these practices during 1938: Farmers built 1,090,438 linear feet of new terraces on cropland, and repaired or enlarged, 1,350,000 linear feet of old terraces. Pasture land terraces run amounted to 53,857 linear feet.

Prickly pear, mesquite, and other forms of underbrush were cleared from 2,515 acres of county land. An encouraging picture is contained in the fact 61,024 acres of land were contour farmed that had not been so farmed before 1938.

Three thousand acres were eradicated of gophers, kangaroo rats, and prairie dogs, with ranchers marking up 11,725 acres of range land on which deferred grazing was practiced.

Besides 71,565 cubic yards of earthen tanks built during the year just closed, the report shows 53,875 linear feet of spreader terraces constructed.

Mary Lou Goodwin of Abilene, an experienced writer of architect specifications, is in the office of Superintendent C. Wedgeworth of local schools for the next few weeks. Miss Goodwin is assisting with the specifications for equipment for the new building.

### Pyron Working for Electrical Project

"We have definite prospects that Pyron may receive electric lights in the near future," Fred Buford, Abilene architect, who is working on an electrification project for Pyron, stated Tuesday.

Buford, who did the architectural work for Pyron's new \$45,000 PWA school building, reported 15 prospective customers are ready to sign up for electrification. If 30 customers are obtained, Buford believes electric lights for Pyron are virtually assured.

Mary Lou Goodwin of Abilene, an experienced writer of architect specifications, is in the office of Superintendent C. Wedgeworth of local schools for the next few weeks. Miss Goodwin is assisting with the specifications for equipment for the new building.

### HOME Demonstration CLUB NEWS

**Enjoy Valentine Party.**

Members of the commissioners court and their wives will be guests of honor at a forty-two Valentine party in the National Guard Armory Saturday night, February 11. The party is being planned by the Home Demonstration Council.

Mrs. Guy Stoker and Mrs. Joe T. Johnston of Tri-Community, Mrs. C. R. Roberson of Plainview, Mrs. J. L. Carrell of Union and Mrs. Sam Williams of Round Top are the council members forming a committee that will have charge of the forty-two party.

**Will Attend Meeting.**

Estella Rabel, home demonstration agent, and a number of county club women will attend an all-day educational meeting at Big Spring next Tuesday.

The Big Spring meeting is one in a series of 12 being sponsored by the Texas Agricultural Association. Home demonstration agents and club members from District 6 will attend the Big Spring meet, which will be followed by one at Plainview on Wednesday.

## BORDEN GETS READY FOR ITS FEB. 25 EVENT

More Than \$50 in Prizes Offered Club Boys; Other Exhibits, Full Entertainment

Although its big event of the year is yet two weeks away, Borden County is rounding out plans for the February 25 (Saturday) boys' livestock show and all-day farm and ranch rally.

It will be far more than a club boys' show, one readily learns from a glance at the tentative program. Entertainment will hold the spotlight throughout the day, with an entertainment committee composed of Miss Maggie Williams, Judge C. C. Nunnally, Mrs. Ruby Covey and Warren Brazett. E. O. Wedgeworth, Fluvanna superintendent, will also assist in preparing and presenting entertainment numbers.

**Adult Exhibition.** Various classes of breeding animals—beef cattle, horses, hogs, sheep and poultry—will be exhibited by adults, with competition wide open in each division. Ribbons will go to winners.

Borden County people are planning to have a basket lunch that will set some sort of a record for this part of the country. Each farm and ranch family of that county is asked to bring a filled basket.

Coffee will be provided by the Admiration district salesman, and other "extras" have already been provided for, reports County Agent E. B. McLeroy.

**Afternoon Softball.** Four-H boys from Borden, Scurry and Dawson Counties, and PFA boys from Fluvanna—these are the boys' units that will engage in the livestock show—will play several softball games in the afternoon, with a prize going to the winning team.

Among Borden County boys' exhibits will be: Two beef calves from 9-R Ranch, Clarence Simpson, Mesquite; beef calf from B. E. Street herd, Darrell Parker, Mesquite; beef calf from 9-R Ranch, Barney Odum, Mesquite; 10 lambs from Glasgow County, O. D. Jackson, Gail; fat lambs and breeding animals, Carlton Daugherty, Fluvanna; beef calf from Elmer Long herd, Bonnie Wilson, Gail; beef calf from Long herd, Billie Smith, Gail; fat barrow, Floyd Buchanan, Luther; beef calf from Miller Brothers Ranch, Gene Strey, Gail.

Complete list of club boys' awards will be given in The Times later.

**MORE AGED AIDED.** Old Age Assistance Commission officials at Austin announced Monday 114,691 Texas aged will receive old age assistance checks during February, which is 178 more than were on the rolls in January. During January 347 people become ineligible, with 1,015 deaths recorded among the aged for the month.

## Dunn Boys, Roscoe Girls Cart Off Major Prizes at Hermleigh Tourney

Dunn boys and Roscoe girls carted off major awards at Hermleigh's first invitation tournament after the final games Saturday night. And "carted off" is right, for 15 unique but highly appreciated carrying cases went to the two court squads.

It was Dunn all the way in the boys' final game, with Pyron's tall boys being downed 19-8. Dameron sunk four field goals to lead the scoring, with Cotton, also of Dunn, and Moseley of Pyron accounting for five tallies each. Miller, the other Pyron forward, put in one field goal; Moore, Dunn center, made two points; Arvil Martin, Dunn guard, shot two field tosses; and Hale, Pyron guard, put in a free toss.

Faulkenberry of Roscoe couldn't be stopped by the fast-passing Hermleigh girls. She made nine points to lead the scoring, closely followed by the capable Vernon of Hermleigh, with eight tallies. Witherspoon of Roscoe accounted for eight points, Voss of Hermleigh for five points. The final score was 17-13.

School officials report the tournament as highly successful from every standpoint. George Thomas of Snyder was referee, D. R. Layman was scorekeeper and Marcus Voss was timekeeper.

A total of \$55 in awards were made as follows: First boys' team, Dunn, seven carrying bags; first girls' team, Roscoe, eight carrying bags; second boys', Pyron, first aid kit; second girls', Hermleigh, laceless basketball; first consolation boys', Snyder B. stop watch; first consolation girls', Fluvanna A. ray lamp.

A carrying bag went to each member of the all-tournament teams. The boys' team follows: Dameron and Cotton of Dunn, forwards; Turner of Fluvanna, center; Stevenson of Hermleigh, guard; Pieper of Pyron, guard.

Here is the girls' team: Evans of Fluvanna, Faulkenberry of Roscoe, and Voss of Hermleigh, forwards; Maloney of Roscoe, Williams of Hermleigh and Young of Pyron, guards.

Mr. and Mrs. David Snyder and children of Sweetwater were Sunday guests of the Homer Snyder family here.

Miss Pauline Turlington, WPA social worker for this area, was a Snyder visitor Wednesday. She will be in Snyder every other Wednesday from now on.

## Bronchial Coughs Need Creomulsion

Just a common cough, a chest cold, or a bronchial irritation of today may lead to serious trouble tomorrow. They may be relieved now with Creomulsion, an emulsified Creosote that is pleasant to take. Creomulsion is one preparation that goes to the very seat of the trouble to help loosen and expel germ-laden phlegm. When coughs, chest colds and bronchial troubles—due to common colds—hang on, get a bottle of Creomulsion from your druggist, use it as directed and if you are not satisfied with the relief obtained, the druggist is authorized to refund your money. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

## Southwestern Is \$5,777,727 Ahead On Assets Sheet

An increase in assets of \$5,777,727, the largest in its 36-year history, was made by Southwestern Life Insurance Company during 1938, according to C. F. O'Donnell, president. The company's annual financial statement has been received by Mrs. Maude DeBoid, local representative, who announced that total assets are now \$61,200,295.

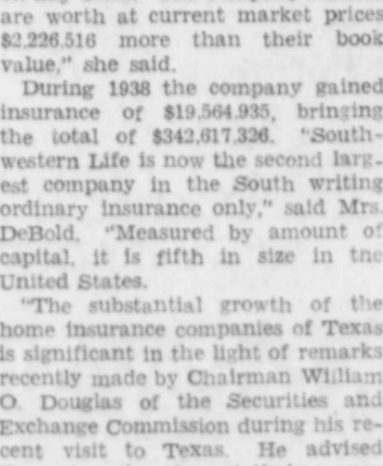

A comparison with last year's statement shows that the Southwestern invested heavily during 1938 in United States government bonds, and in bonds of Texas cities and counties. The increase in these items accounts for the greater part of the gain in assets.

With more than \$29,000,000 now invested in bonds, Mrs. DeBoid said that her company had continued its record of never having had a default of either interest or principal on any bond. "The company's bonds are worth at current market prices \$2,226,516 more than their book value," she said.

During 1938 the company gained insurance of \$19,564,935, bringing the total of \$342,617,326. "Southwestern Life is now the second largest company in the South writing ordinary insurance only," said Mrs. DeBoid. "Measured by amount of capital it is fifth in size in the United States."

"The substantial growth of the home insurance companies of Texas is significant in the light of remarks recently made by Chairman William O. Douglas of the Securities and Exchange Commission during his recent visit to Texas. He advised Texas investors to put their money in home enterprises. There is no reason," said Douglas, "why the huge financial structure of the nation, now centering in the East, should not be decentralized, stopping the siphoning of income from producing regions of New York." Texas life insurance companies are contributing to Texas' financial freedom."

## Scene From "The Tuttle Tugger"

Bryant-Link Company, local John Deere dealer, is putting on another John Deere Day program Monday, beginning at 10:30 a. m., for farmers and their families of this and neighboring communities.

"The Tuttle Tugger," an all-Hollywood picture, will be the main afternoon feature of the free entertainment and educational meeting. Packed with one hearty laugh after another, this rollicking all-talking picture promises to be a real treat, says E. E. Weathersbee, local Bryant-Link manager. The picture tells the story of a salesman and a saleslady who get their sample cases mixed up—and what a mix-up it causes!

Four other all-talking pictures will be shown in addition to the feature presentation. They include: "Around the Farm Clock," "The Mark of the Genuine," and "Mr. Sheppard Looks Inside." In addition to the five talking pictures, the John Deere Day program will include several talks and demonstrations. The pictures will be shown at the Palace Theatre.

## 4,000 Foot Test in Southern Borden Will Be Spudded

Rig and equipment was moved in the first of this week for the 4,000 foot Continental No. 1 Minger wildcat test nine miles south of Gail in Borden County. The Borden County test will be drilled by Ajax Drilling Company to 4,000 feet or pay.

Exact location of the No. 1 Minger test is 440 feet from the south and west lines of Section 38-31-40, Texas & Pacific Railroad survey.

This places the Borden County wildcat test in the center of three blocks running east and west across the county. Nearest abandoned test is two and a half miles northeast, with another abandoned well located three and a half miles south. Four miles to the southwest another dry hole is marked up in the area.

## Snyder One-Variety Seed Inc. of Scurry County, Texas

With the cooperation of the farmers who have been planting Union cotton seed, we have option on a sufficient amount of Union seed to form a one-variety gin, and are asking the cooperation of other farmers and other interested parties.

If we get 3,000 bushels or more of these seed planted, we will have a one-variety gin at Snyder this season.

These Union seed are well adapted to this territory, and are stable registered, state certified, double culled, and treated with ceresin. Five-lock boll; average staple, good inch to inch and one-sixteenth; 38 to 43 per cent lint picked cotton; 30 to 33 per cent snapped cotton; strong, hard, uniform staple.

Now we believe this is the only way we farmers can ever get paid for quality staple, and planting quality seed also helps keep seed pure, saves buying seed as often.

We are inviting all farmers, business men, gin men, cotton buyers, agriculture club members, here and elsewhere, who may be interested in future plans and profits we expect to derive from one-variety, to meet with us Saturday, February 11, 2:30 p. m., in the district court room, Snyder.

Speakers at the meeting will include X. B. Cox Jr., county agent, E. H. Lilly, secretary of the Scurry County Chamber of Commerce, and C. C. Whisenand, district manager, Union Seed Growers Inc. of San Marcos.

We also have been advised that we may expect visiting members of the agriculture club from Bronte. Like most others, they are deeply interested in one-variety ginning and planting.

We, the sponsors and representatives of this Scurry County move, indeed are most grateful to the business men, gin men, cotton buyers for the cooperation they have extended to us. May we have many more moves made like this as soon as possible. We assure you of our cooperation.

For literature and prices, see Dee Robison, Snyder, Texas, authorized agent. 1p

### Current Comment

By LEON GUINN

A field report last week on the medical insurance programs being carried out among FSA clients in Limestone, Hamilton and Falls Counties indicates there's going to be a great deal of weight behind House Bill No. 191, which is up before Texas lawmakers at the present for debate, and which authorizes hospitals to sell hospitalization on a state-wide basis.

The selling of medical insurance to the 460 FSA clients in Limestone, Hamilton and Falls Counties last November was tried out purely as an experiment to see whether or not group hospitalization could be made to work. It was the first project of its kind attempted in Texas. A flat fee of \$8 per year, plus \$1 for each member of the family, was charged to see if a group hospitalization program could be worked out.

Besides Representative C. L. Harris and Senator Wilborne B. Collier, who are said to look with approval on House Bill No. 191, Twitty, superintendent of Baylor University Hospital, and the American Hospital Association look with favor upon a non-profit hospital care insurance plan that will give our day workers and laborers an invincible type of security when life's little days of illness roll around. Group hospitalization, we repeat, is the inevitable battleground upon which the issues at stake will sooner or later be settled.

Dr. C. Rufus Rorem of the American Hospital Association stated last week almost 1,500,000 new subscribers had been enrolled in 53 non-profit hospital service plans during 1938 alone. This move, which may sidetrack some of the more controversial subjects being dissected in the journal of the American Medical Association, is just now gaining its main impetus in the larger cities, and will be modified, of course, if inaugurated in smaller towns.

Although there were a few who said Walt Disney's "Snow White and the Seven Dwarfs" was a show that children only would be interested in, the Metropolitan Museum of Art in New York City last week accepted an original water color painting of two vultures by Disney as "a truly great work of art." Disney furthermore was described as "an outstanding historical figure in the development of American art." Even shows and stories for children have a fineness and sometimes a lasting quality of their very own that isn't duplicated by pictures for adults.

One of the latest suggestions to aid our increasing army of what the New Dealers call the "neglected needy" was originated recently by Carlisle Thorpe, manager of the California Walnut Growers Association, who suggests Congress go to issuing scrip to an estimated 12,500,000 families now on relief. When a county goes to issuing scrip for such purpose as feeding the indigent, it usually takes years and years for a county to get back on its financial feet, but if the New Deal okayed this slightly cracked proposal it evidently would be accepted with good grace.

### Editorial of the Week

SMALLTOWN LEARNING

From William Feather's "The Imperial Magazine":  
Where does a young man get the best business training? In a small or large town?

A salesman of type-making equipment, who has sold machines everywhere says that the resourcefulness and self-dependence of the worker in the small shop, in the small town, would seem incredible to the worker in the big shop, in the big city.

This salesman sold his equipment to the proprietor of a small-town newspaper. The machine is exceedingly complicated. In the city an apprentice usually works two years before he becomes a journeyman operator. In the small town, however, before he signed the order, the publisher said to the salesman: "Do you think that my sister's son, who is now driving a bakery wagon, could operate the machine?" "Oh, certainly," said the salesman, eager for a sale "we'll send an instructor here to teach him."

The instructor stayed with the young man four weeks and then had to leave to handle another installation. He was unable to get back to the plant for two months. He expected to find the equipment wrecked. Instead he found that it was operating smoothly.

The small-town youth had mastered his job in less than a twentieth of the time considered necessary in the city.

the dropping of 29 dailies and two semi-weeklies. This seems to indicate an absorption point has been reached in the daily field under present conditions. In fact, the Ayer directory points out, a newly founded with some room left in the weekly field of journalism, weekly has about 100 per cent more chance of survival than a new daily—unless in direct competition with another weekly newspaper in the same county.

Last week's issue of Science reported a new extract of beef blood extract has been found that stops bleeding quicker than any previously known preparation. Called Thrombin, the new blood coagulant is a condensed form of the coagulant found in normal blood, but which is found in insufficient quantities to stop severe cases of bleeding. Since sudden death is still lurking on our highways these days, the new blood coagulant known as Thrombin should come in handy in many cases.

Bonfield, Illinois, is reputedly a virtue-mad village. In this town of 116 people there are no dance halls, pool rooms, movies, or saloons. The game of rummy was ruled out last week after Bonfield housewives complained their husbands played the game for 10 cents a hand.

It seems to be an old Keynote law in Pennsylvania that all working painters in the state take two baths a week—which, by the way is the minimum under the law for painters and paper hangers in general. One Philadelphia concern is even paying its employees for time spent in taking a bath. That ought to put our proposed Texas transaction tax in the sink drain. Maybe it could be amended to be a tax on non-bathers!

### BISHOP TALKS OF METHODIST UNITING MOVE

Bishop Ivan Lee Holt of Dallas, presiding officer of the Northwest Texas Methodist conference, spoke to local people at the church Friday morning at 11:00 o'clock.

Later in the day he drove to Gail to officiate for the dedication of the new church, and Saturday attended a meeting—including dinner at the church—of Methodists from all nearby churches at Dunn.

Third Methodist bishop ever to speak in Snyder, Bishop Holt made a lasting impression on every listener. His Northern brogue and genial manner were interesting to people whom he met here. Bishop and Mrs. Holt came to Texas late last year after spending 29 years in St. Louis.

"This year promises to be one of the greatest years in history of the Methodist Church," Bishop Holt said, "as the three Methodist churches of the United States become one great body." The unification meeting will be held in Kansas City in April.

### Piano Pupils Are Presented in Recital

Piano pupils of Helen Boren Rodgers were joined by Dorothy Jean Wilson, pupil of Mrs. Empress Wolcott, in a studio recital given last Thursday evening at the home of Mr. and Mrs. Armor McFarland. Families of the pupils were invited to the performance.

Mrs. Rodgers students on program were: John Jay Boren, Billy Joe Stinson, June Jones, Marianne Randalls, Sandra Jean Josephson, Billie Jean and Carolyn Henderson, Mary Sue Sentell, Virginia Preull, Martha Ann Cogdell, Billie Lee Thompson, Ola Margaret Leath, Patti Hicks and Nell Verna LeMond.

At the close of the Friday morning service the following district and local leaders were presented along with Bishop Holt and Mrs. Holt to local people: Rev. C. R. Hooten, presiding elder of the Sweetwater district; Rev. C. A. Bickley, presiding elder of the Abilene District; Mrs. Bickley; Mrs. R. H. Odum, Sweetwater district secretary of women's work; Ruth Gilliam of Big Spring, executive secretary of young people's work; Rev. I. A. Smith, local pastor, and Mrs. Smith.

**Church of Christ**  
The church has just launched a program of constructive work that is resulting in much interest and has already shown results. May we appeal to every member of the church in Snyder and Scurry County to do your part in this effort to advance the cause of Christ in this territory. Only through a united and consecrated work can we hope to attain our goal. May we see each of you at each service Sunday.—Your minister, O. D. Dial.
