ISSUE  
NUMBER 49

## Capacity Crowd Seen For H. D. Rally Saturday

### TIMES SHOTS

Since the 25th anniversary of full-fledged Extension Service work in Texas is being observed this week, it is interesting to recall that Scurry County has had eight county agents through the years, as follows: F. I. Townsend, 1913-14; Z. D. Kemp, 1917-19; John F. Carmichael, 1925; C. C. Willis, 1927-28; W. O. Logan, 1928-31; W. R. Lacey, 1932-37; Luke L. Ballard, 1937-38; and X. B. Cox Jr., present agent.

A second blow was struck school consolidation plans in the south-southeastern part of the county Saturday. China Grove voted against consolidation with Dunn, 13-8. Sulphur voted for the change, 6-4, and Dunn approved, 24-0.

E. H. Lilly, Chamber of Commerce secretary, was the local Lions Club's delegate to the District 2-T convention at El Paso last week. He assisted Lamesa with a model luncheon program, putting on his stuttering act and his washboard accompaniment; and, incidentally, he helped keep A. G. Bearden of Lamesa in the spotlight as a candidate for district governor. Bearden was elected.

Remodeling work completed this week at the Palace Sandwich Shop, located one door north of the Palace Theatre, includes the addition of a new lunch counter and six counter chairs that add almost one-half to the seating capacity of the popular eating place. New lights have also been added by the operators, Mr. and Mrs. Jim Woody.

Morris Ashley, that outstanding Dunn athlete of the early thirties, is probably the best vaulter the county ever produced, and his record mark has stood the test of the years. Somehow or other his county record of 11 feet 4 inches was omitted from the recent Times line-up of "bests" in county inter-scholastic League records since 1936. He made that height in 1933, easily won the district, where he was high point man... and then remained at home during the state meet, at which he could probably have won the first slot.

Delegates to the meeting of District 6, Texas Home Demonstration Association, will find that they are in a county that has few equals in the quality and quantity of its home demonstration and girls' 4-H club work. The county has 25 clubs—12 for women, with a membership of 233, 13 for girls, with a membership of 274.

### Details of Local Colt Show May 20 Being Completed

Detailed plans are being worked out this week by the Chamber of Commerce and the county agent's office for Scurry County's first Spring Co. Show here Saturday, May 20.

Saddle colts, together with draft, horse and mule colts foaled since January 1, 1936, will be eligible for exhibit in the colt show that will carry ribbons for first, second, third and fourth placings.

Livestock owners who want to enter colts in the show are requested to leave their entries at the county agent's, the Times, or Chamber of Commerce office as soon as possible.

The Chamber of Commerce is joined by X. B. Cox Jr., county agent, in urging county livestock owners to put the Spring Co. Show, to be held at the Products Show grounds, across with at least 35 entries.

### Your Hospital

Members of Altrurian Daughters Club will be hostesses Friday at Snyder General Hospital for observance of National Hospital Day.

Open house will be held at the home-owned hospital from 9:00 a. m. to 5:00 p. m. Altrurian Club members will escort visitors through the hospital during those hours, with the business manager, staff of doctors and nurses to greet the guests.

A feature of tomorrow's National Hospital Day observance will be free examination of babies born in the local institution since its opening in 1935. Free examination hours are 2:00 to 4:00 o'clock.

### SURVEY WORK MOVING ALONG ON HIGHWAY 15

Crews Working East and West of Snyder; Commissioners See Early Construction

Ten men are working in two survey crews of the State Highway Department—the first major step since the road bond election in Scurry County last week, looking toward completion of Highway 15 as an all-weather route.

Sam Fowler is in charge of a crew east of Snyder. H. M. Dyer, formerly stationed here, is in charge of the crew that begins work this (Thursday) morning west of Snyder.

Supervisor of the work in Scurry County is E. E. Pittman, assistant district engineer. S. J. Treadaway, Abilene, district engineer, was in Snyder yesterday to confer with the Commissioners Court.

County Judge Sterling Williams, speaking for the Commissioners Court, said yesterday that every indication points toward letting of first contracts on the road by late summer, in view of the haste with which the State Highway Department is making plans for a permanent routing through the county.

The court announced, after results of last Tuesday's \$35,000 bond election had been checked, that the totals are substantially as given unofficially in The Times last week. Total figures are: For bonds, 1,158; against bonds, 191. This is slightly more than a six-to-one margin of victory.

The state has already allocated \$200,000 for Highway 15 county construction on the fiscal program that begins in July.

### School Financial Outlook Improves As Cash Arrives

The financial picture of Scurry County schools was brightened just more than \$9,000 this week, as State Department of Education funds began to arrive for taking care of per capita and transportation aid deficits.

The county superintendent's office received \$6,767 Monday as the first 50 per cent payment by the State Department of Education for transportation aid.

The transportation allocation was strengthened by the arrival of another \$1 per student on per capita apportionment, making \$12 per capita payments.

According to information received by the county superintendent Tuesday from State Department of Education officials, county schools should receive \$5,230 this week as a payment on the rural aid deficit incurred during the past school year.

### Pyron Closes With More Than 500 Out For All-Day Event

More than 500 folks turned out Friday for Pyron's closing event. It was an all-day affair, with dinner on the grounds, ball games, speaking and other activities. Principal speakers were Roy O. Irvin, county superintendent, and Dr. Frank L. Turner, president of McMurry College, Abilene.

The high school team won from the exes, 20-12, in an afternoon football game, and the local boys won from the Roscoe softball team, 15-11.

The senior trip came after the Friday closing events. Twenty-five persons, with Superintendent M. H. Greenwood and Pauline Coe, teacher, as chaperones, left Tuesday in a school bus for a trip that is to include Custer, Caverns, El Paso, Juniper and Elephant Butte Dam. They are scheduled to return today.

### Chapman Station Is Boasting New Neon

Improvements at the Texaco Service Station, located at the corner of Avenue Q and 26th Street, were completed this week with the installation of red and green neon bordering, together with moonlight blue rest room signs, by L. A. Chapman, operator.

A new Lincoln grease gun has just been added at Texaco Service Station to complete grease rack facilities. In addition to Texaco gasoline and oils, Chapman handles Willard batteries and Goodrich tubes and tires.

### "Home Towner"

Ernest Taylor Jr., above, will be Snyder's "My Home Town" speaker at the West Texas Chamber of Commerce convention in Abilene Monday through Wednesday of next week. Young Taylor, 17, is a junior in Snyder High School, and is business manager of the school annual this year. He is the son of Mr. and Mrs. Ernest Taylor, long-time citizens of Snyder.

### THE TIMES TABLE

E. B. McLEROY, who transferred to Houston County last week after serving several years as county agent and assistant in Borden and Scurry Counties, probably did more to help Borden County discover its tremendous resources than any man who has lived in the Gall-centered county in years. His accomplishments in handling soil, water and game conservation programs have few equals in Texas; probably no equals, considering the handicaps under which he worked. But his greatest accomplishment was to help bring Borden County folks—the kind of folks that make "the salt of the earth"—to realize that the friendliness and hospitality and neighborly spirit of the Old West still courses freely through the veins of many modern mortals.

HOSPITAL DAY reminds us that no Snyder institution has meant as much to Scurry County during the past few years as Snyder General Hospital. When you go out to "open house" Friday of this week (it's inspection and reception time), why not pay a spoken tribute to the men like N. M. Harpole and W. J. Ely, whose dreams and hard work made the home-financed institution possible; to the surgeons and doctors whose skill has saved many lives, restored many broken bodies; to the nurses whose patience and wisdom have made life pleasant for the convalescent and the discouraged in heart?

J. I. BURROUGHS of Dermott, who has been working for the Santa Fe a number of years, will be remembered for the nation-wide contest from which he earned several hundred dollars a few years ago. He enters The Times Table this week because he has written a poem of tribute to Mother, whose special day we observe Sunday. Space does not permit use of the entire poem, but the following lines from verses that contain a wealth of Mother sentiment may prove an inspiration to Times readers:

"Mother is the greatest word. Next to God, man ever heard; as Greater than father, sister, brother, Grandma, grandpa, or any other.

"Father works from sun to sun. But Mother's work is never done. She lives to work and works to live. That she may joy to others give.

"Our Mothers are too great by far. For me to paint them as they are. Hence I shall leave the task to you. Or others who can justice do."

### NEW OPERATOR.

Eileen Hammons, whose home is in Vernon, is the new beauty operator at the Polly Ann Beauty Shop. Miss Hammons came to Snyder recently from Seymour, where she has been doing beauty work.

SCHOOL BROADCAST. Sponsored by R. N. Sandlin of Abilene, deputy state superintendent, County Superintendent Roy O. Irvin will present Scurry County schools in a broadcast from Abilene's KRBC Station Wednesday afternoon, May 24, at 2:00 o'clock, as a part of the school administrators' program being given this month.

### COUNTY TAKES ACTIVE PART IN WTCC MEETING

Large Delegation From Scurry to Invade Abilene Convention Early Next Week

Six major parts and several minor parts will be taken by Scurry County in the annual West Texas Chamber of Commerce convention in Abilene next Monday, Tuesday and Wednesday. Summarized, the major roles are as follows:

1. Ruth Line, Scurry sponsor, will compete for the title of "Miss West Texas." Her escort will be Bob Moser.
2. Ernest Taylor Jr., "My Home Town" speaker.
3. Mrs. Earl Louder, with three spots on the convention program, including appearances Monday and Tuesday nights in the "Twilight Trail" Reuevs.
4. Tiger Band, directed by Johnny Hensley, "March of Conservation" parade Tuesday afternoon.
5. Several decorated cars in "March of Conservation" parade.

Snyder is also slated to have special spots on two radio and banquet programs.

The Snyder WTCC director urges that dozens of Scurry County people attend the convention as registered delegates. Full convention programs may be found in the Ft. Worth Star Telegram or the Abilene Reporter-News.

### Horse and Buggy Practice Recalled By Veteran M. D.

Memories of answering calls via the horse and buggy route are easily revived by Dr. W. H. Ward, veteran Scurry County physician, who has established an office at the Jones Drug Store on the square east side of Snyder.

Dr. Ward, who began buying automobiles in 1907, recalls having worn out 19 cars in the past 30 years. Besides his medical practice, the well known physician has a farm several miles east of Snyder, and raises cattle and hogs in addition to farming.

### FINE TEST REPORTED FOR WELL; NEW PIPELINE TO SHARON RIDGE

Flow tanks have been erected for the H. C. Wheeler No. 1 W. H. Sterling well. No. 1 attention getter in the new Sharon Ridge quarter this week. The northeast corner well, shot with 770 quarts of nitro from 2,250 to 2,450 feet will probably rate from 40 to 75 barrels daily, according to John Brock of Abilene, drilling contractor.

Coffield & Guthrie, Incorporated of Rockdale and Corsicana announced today (Thursday) that work will start the last of this week on the laying of a four-inch pipeline from the north end of the Westbrook pool to the new Sharon Ridge pool 16 miles southwest of Snyder.

The pipeline, to be laid from the Coltex Refining Company's tank farm in the Mitchell County field, will supplement a 15,000 barrel storage capacity tank farm to receive oil produced from the older Ira field and the new Sharon Ridge pool.

A two-inch gathering system will reach all wells in the field. Approximately 25 miles of pipeline will be laid, providing an outlet for the Sharon Pool that will greatly stimulate drilling activities in the southwest part of Scurry County.

New Well Looks Good. The H. C. Wheeler No. 1 W. H. Sterling well, located in the southwest one-fourth of Section 140, shot with 770 quarts of nitro Saturday, filled with oil within four hours after the shot. The No. 1 Sterling well gives indication of being a strong northeast outcrop producer. Cleaning out operations are expected to be completed this week-end.

Coffield & Guthrie's No. 1 First National Bank well, located in the southwest corner of the northwest

### New Pastor

Rev. C. H. Ward of Ballinger, above, recently called pastor of the First Presbyterian Church and to succeed Rev. James E. Spivey who moved to Denison. Rev. Ward will fill the local pulpit for Sunday's services.

### COUNTY SETS GRADE EVENT FOR IRA SOON

County-Wide Examinations Here Saturday; Commencement At Ira May 17

County-wide seventh grade examinations will be held at Snyder School study hall Saturday morning, beginning at 8:45 o'clock; it was announced Tuesday by the county superintendent's office.

Students desiring promotion to high school must take the seventh grade examinations Saturday, the superintendent's office reports.

A. A. (Pat) Bullock, former county superintendent, will be principal speaker at county-wide seventh grade commencement exercises, to be held at Ira School gymnasium Wednesday night, May 17, beginning at 8:00 o'clock.

Bullock was the first county superintendent to introduce county-wide seventh grade examinations to Scurry County and West Texas.

### Ennis Creek Plans To Organize Scouts

A meeting for the purpose of organizing a Boy Scout troop will be held at Ennis Creek School Tuesday night, beginning at 8:00 o'clock, community leaders announced Tuesday.

W. M. Smith, principal of Ennis Creek, has agreed to act as scoutmaster for the troop that will be organized at the Tuesday night meet. Snyder attendants will include Roy O. Irvin and W. J. Ely.

### Post Office Has Been Modernized In New Location

A completely modernized post office greeted package and letter customers Monday morning, as Uncle Sam made good his promise to make Snyder post office facilities second to none for any city its size in this area. The post office was moved several months ago to the east side of the square.

New hardwood equipment installed includes the latest in key boxes, plus stamp and parcel post, general delivery, registry and money order windows.

Postmaster Warren Dodson has moved his office to the front of the building. "We are in a position to handle any volume of postal business now," Dodson stated Tuesday.

E. G. Smith was the contractor in charge of installation work. The shiny hardwood equipment, made by Corbin Cabinet Lock Company of New Britain, Connecticut, is reported to be the latest available in post office fixtures.

### Wilkinson Remodels And Repaints Yard

Remodeling work being done at the O. L. Wilkinson Lumber Company just east of the square includes red paint on the entire east side of the lumber yard, and new aluminum paint for storage sheds. G. B. Clark Sr. and G. B. Clark Jr., lumber operators, state other paint work to be done in the near future will call for white trimming on some of the work being done. Appearance of the lumber yard is considerably enhanced by paint work already completed.

### IN KENTUCKY.

Mr. and Mrs. Herman Aweas of Salem, Illinois, have been at Louisville among the thousands of racing fans attending the Kentucky Derby, held annually at Churchill Downs. Mrs. Aweas, the former Maurine Cunningham, of Snyder, writes her mother, Mrs. R. W. Cunningham, and friends, of her first time at the Derby. "Fast horses, pretty women, lovely scenery and heaps of fun," she writes this week from the Downs.

### TWO WINNERS AT DUNN WILL GO TO COURSE

Four-H Club Show Features Hogs, Horses, Mules, Chickens; Long on Quality

Allen Oliver and Stanley Sheridan, who showed the grand champion and reserve champion hog, respectively, at Dunn's 4-H Project Show Friday, will receive free trips this summer to the annual A. & M. College Short Course at College Station.

Bulis Shifler, who copped first place honors as the best swine showman, was given a prize of \$1.

Project Show exhibits included 32 hogs, five horses and mules, five chickens, one lamb and one registered Jersey heifer.

Judging, which started at 10:00 o'clock, was done by Joe C. Williams, county agent of Mitchell County, assisted by J. Wiley Holmes, administrative assistant for Mitchell County.

Sponsored jointly by T. B. Hicks, Dunn vocational agriculture teacher, and X. B. Cox Jr., county agent, the Dunn show was said by attendants to be one of the most successful community 4-H Club shows held in recent years.

Besides grand champion exhibitors and best showman, other placings follow:

Pat barrow—Stanley Sheridan, Junior Ashley, second; Bulis Shifler, third; and Carl Ashley, fourth. Breeding gilts under 150 pounds—T. E. Grimes, first; Billy Black, second; Billy Brown, third; Irvin Martin, fourth; and Wayne Cotton, fifth.

Poland China sows—Allen Oliver, first; and Harold Denson, second. O. I. C. sows—Ben Greenfield, first; N. A. Billingsley, second; LaVerne Cotton, third; and Billy Brown, fourth.

Pigs—A. P. Smith, first; Dale Cotton, second; N. A. Billingsley, third; Frazier Damon, fourth; and J. C. Beeman, fifth.

Cary Whitfield placed first with cockerels and first with hens; Wayne Dawson second with cockerels and second and third with hens.

W. J. Fuller showed a fine wool fat lamb, Frazier Damon a registered Jersey heifer, Othel Ellis a saddle pony, and T. E. Grimes twin mare mule colts.

### MORE SCHOOL CLOSINGS SET

Final exercises at Turner and Bethel schools tomorrow (Friday) will bring the total of county schools that have ended their 1938-39 terms to eight.

Canyon, Crowder, Cotton Flat and Ira will compose a quartet of county schools slated to close Friday, May 19. The closing of German School May 26 will be followed by the ending of the school term at June 16 for ending of the present term.

### Poultry Raisers to Hear A. & M. Man

County poultry raisers interested in successful poultry raising methods are invited to hear George P. McCarthy, A. & M. College poultry husbandry specialist, lecture in the courthouse tomorrow (Friday) afternoon at 3:00 o'clock.

McCarthy, who is well known as an outstanding poultry specialist, will particularly emphasize successful poultry raising methods. His appearance is being sponsored by the county agent's office.

### County Athletes to Austin Track Meet

The two Scurry County athletes who took part in the state track meet at Austin last week made some good records, but they failed to make points for their schools.

Lynn Penton, star Snyder runner, ran first in his heat of 14 men, but the other heat of 12 men rated the first four places. On a time basis, Penton evidently ranked fifth in the state, according to Coach W. W. Hill, who accompanied Penton to Austin.

Rex Woodard, Plainview's rural pentathlon star who placed first in the district, was accompanied to Austin by his principal and coach, W. F. Cox. Also on the trip were J. P. Pittler, Reginald Evans, Fred Rosson.

### State Leader

Outstanding speaker on the district home demonstration program here Saturday is Miss Edwina Edwards, above, assistant state demonstration agent. She became a county home demonstration agent in 1919, a district agent in 1920, and went to her present place in 1924. Miss Edwards has consistently emphasized the need of a well rounded and complete diet for farm families through home production of food and food preservation practices.

### Food Specialist

Nora Ellen Elliott, specialist in food preparation, Extension Service, will be a visitor at the district home demonstration gathering here Saturday. She was agent in Stonewall and Young Counties before she went

### Anniversary

It is a coincidence that the real birthday of the Extension Service in Texas is being observed May 12—the week during which Scurry County is host to the district home demonstration rally.

In 1914 the Smith-Lever Act passed by Congress united the demonstration work of the U. S. Department of Agriculture with the land-grant colleges of the state, forming the Extension Service. Clarence Ouseley was the first director.

First demonstration work with women was begun in 1915.

County women who will have active parts in the meeting include: Mrs. Joe T. Johnston, secretary-treasurer; Mrs. H. C. Flournoy, vice president; Mrs. J. L. Carrell, one of the county's most ardent advocates of home demonstration work; Mrs. Jim Booth, who was a Scurry County 4-H club girl in 1916; Mrs. C. R. Roberson, county chairman of expansion.

Mrs. Flournoy, food arrangements chairman, says local cafes have agreed to give reduced prices on plate lunches for delegates to the meeting.

### Outline of Program.

Following is an outline of the program that opens at the First Methodist Church at 10:00 o'clock Saturday morning:

Group singing—Led by Mrs. E. L. Eikenberry, Mitchell County. Invocation—Rev. I. A. Smith. Welcome—Mrs. C. R. Roberson. Response—Mrs. Claude Alexander, Schleicher County.

Talk—Bess Edwards, assistant state home demonstration agent. Report of girls' district meeting at Eldorado—Schleicher County girl. Plans for girls' district meeting, Lamesa—Loy Dunn, Dawson County. Home demonstration activities—By each county delegate.

Presentation of candidates. Lunch.

Afternoon Session. Group singing.

Talk—Mrs. W. W. Mitchell, Norton, treasurer of Texas Home Demonstration Association.

Comments from the audience—Home food supply; what the women's clubs are doing for the 4-H girls' clubs; enrollment; encampments and rallies; whole farm and home demonstrations. All delegates are invited to take part in this portion of the program.

Remarks—Mrs. G. F. Thorp, district vice president, Dawson County.

The day's program will include the report of Scurry County work by Mrs. Mozell Roggenstein, official county delegate.

### DELEGATES TO COME FROM 16 W. T. COUNTIES

Scurry County Women Plan Entertainment as Well as Business For District Meeting

Advance notices indicate that Snyder may entertain far more than 300 home demonstration women from 16 West Texas counties Saturday morning and afternoon, declares Estella Rabel, Scurry County home demonstration agent.

Extensive plans are being made by county women, headed by Mrs. Guy Stoker, council chairman, to provide entertainment as well as a helpful program. All sessions will be held at the First Methodist Church.

A reception will be held in the basement of the church building immediately after the afternoon program. Miss Rabel will be hostess for an agents' luncheon at noon.

State Leaders Coming. Several state leaders in home demonstration work will be here during the District 6 meeting. They include: Bess Edwards, assistant state agent; Nora Ellen Elliott and LeLa Mae Chapman, state specialists; Mrs. G. F. Thorp, Dawson County district vice president; Mrs. W. W. Mitchell, Norton, treasurer of Texas Home Demonstration Association.

### Anniversary

It is a coincidence that the real birthday of the Extension Service in Texas is being observed May 12—the week during which Scurry County is host to the district home demonstration rally.

In 1914 the Smith-Lever Act passed by Congress united the demonstration work of the U. S. Department of Agriculture with the land-grant colleges of the state, forming the Extension Service. Clarence Ouseley was the first director.

First demonstration work with women was begun in 1915.

County women who will have active parts in the meeting include: Mrs. Joe T. Johnston, secretary-treasurer; Mrs. H. C. Flournoy, vice president; Mrs. J. L. Carrell, one of the county's most ardent advocates of home demonstration work; Mrs. Jim Booth, who was a Scurry County 4-H club girl in 1916; Mrs. C. R. Roberson, county chairman of expansion.

Mrs. Flournoy, food arrangements chairman, says local cafes have agreed to give reduced prices on plate lunches for delegates to the meeting.

Outline of Program. Following is an outline of the program that opens at the First Methodist Church at 10:00 o'clock Saturday morning:

Group singing—Led by Mrs. E. L. Eikenberry, Mitchell County. Invocation—Rev. I. A. Smith. Welcome—Mrs. C. R. Roberson. Response—Mrs. Claude Alexander, Schleicher County.

Talk—Bess Edwards, assistant state home demonstration agent. Report of girls' district meeting at Eldorado—Schleicher County girl. Plans for girls' district meeting, Lamesa—Loy Dunn, Dawson County. Home demonstration activities—By each county delegate.

Presentation of candidates. Lunch.

Afternoon Session. Group singing.

Talk—Mrs. W. W. Mitchell, Norton, treasurer of Texas Home Demonstration Association.

Comments from the audience—Home food supply; what the women's clubs are doing for the 4-H girls' clubs; enrollment; encampments and rallies; whole farm and home demonstrations. All delegates are invited to take part in this portion of the program.

Remarks—Mrs. G. F. Thorp, district vice president, Dawson County.

The day's program will include the report of Scurry County work by Mrs. Mozell Roggenstein, official county delegate.

### PESSIMISM PETE OPINES THAT:

You can always tell a city yokel—but you can't tell him much. Just consider, as collegiate-looking examples, the two young buttons who disregarded Snyder stop lights Wednesday evening, evidently on their first tour around the square. Now wouldn't Pete's face be red if he learned that the sweet young things originated in a town smaller (and certainly less mannerly) than Snyder?

# The WOMAN'S Page

## Mothers, Grandmothers Honored at Parties Held Here During Past Week

Highlights of the social season for Snyder mothers and grandmothers centers each year on the social affairs held in their honor on or near Mother's Day. Civic and church organizations each year pay tribute to pioneer motherhood at the traditional parties.

Many of the older group of mothers and grandmothers of the town never fill their social engagements all year, and pleasant memory of the annual Mother's Day compliments lingers with each of them from year to year. Party details and programs are arranged for the enjoyment of the honor guests.

Twentieth Century Club's 18th annual "Grandmothers Party" last week complimented 50 grandmothers. Organized in 1921, the club has held similar Mother's Day affairs each year, honoring the older women of the town. Althean Class of the First Baptist Church, few members of which can bring their own mothers, always have enjoyable Mother's Day parties. Each member invites from one to six "mothers."

Altrurian Daughters' annual Mother's Day observance will come a week after the day set aside for especially honoring mothers. To this party are invited members of the junior women's mother club, Altrurian Club, and their own mothers. Monday, May 22, is the date for the party; the place is the Joe Strayhorn residence with Dorothy Strayhorn acting hostess. Mrs. Harold Brown, fine arts chairman, will be in charge of arranging the program.

Probably other organizations have staged Mother's Day affairs, and The Times has not learned of them, but these have been reported.

**18th Annual Affair.**  
Twentieth Century Club honored mothers and grandmothers of the town at its 18th annual afternoon party Tuesday of last week at the home of Mrs. Joe Strayhorn, where the group gathers most every year. Entertaining rooms were decorated with garden flowers with a bowl of lovely Texas bluebonnets centering the dining table. The centerpiece was a compliment of Mrs. H. E. Rosser, a guest whose front yard boasts bluebonnets all over one side.

Mrs. H. J. Brice, a past president of Twentieth Century Club, was leader for the program. She welcomed the guests and presided for the roll call, to which the grandmothers responded with their birthplace and the date of their arrival in Scurry County. Mrs. J. E. LeMond gave the "Toast to Grandmothers," and the entire group joined in singing old songs, favorites of the honorees.

Special recognition was given the oldest grandmothers at the party. Mrs. J. H. McClinton, T. B. Faver and T. J. Thompson, all of whom are over 82 years of age, received old fashioned bouquets of Sweet Williams.

The hostess club served delicious angel's food cake and ice cream, with rosebuds as plate favors, to the following: Mmes. Wesley Norred, J. D. Isaacs, J. W. Woody, J. T. Hays, Ray Hardin, S. T. Elza, I. A. Smith, R. W. West, George W. Brown, J. T. Roper, D. F. Wilson,

## Mrs. H. Rosenberg Is Hostess to San Souci

Mrs. Henry Rosenberg invited members of the San Souci Club, at meetings of which she has often been guest, for a party at her home Tuesday evening. A spring flower theme was carried out in decorations, featuring roses.

High score prize went to Mrs. T. M. Howie, and the consolation prize to Peggy Elliott. The hostess passed a delightful fruit salad plate with cake and iced tea at the refreshment hour.

San Souci Club members present were: Hostess Gertrude Heru, Payne and Myrtle Harrell, Neoma Strayhorn, Peggy Elliott, and Edith Grantham. Mmes. Forest Sears, Glen W. Berry, Howie, James Ralph Hicks, Wayne Boren, Billy Boren, Paul Cates, Ed Hyman and Herman Darby.

Other guests included Mmes. Novis Rodgers, T. E. Major, H. C. Towle and John Blum and Hazel Lewis.

Next meeting will be held at the home of Myrtle Harrell, and Mrs. Darby will be assisting hostess.

D. N. Price, E. J. Thompson, J. W. Templeton, A. M. Curry, G. S. Conroy, Mary Pasmire, T. B. Faver, T. M. Maples, W. T. Baze, T. J. Thompson, Mmes. H. C. Fenton, Ora Page, L. B. Cope, C. C. Thrallkill, N. B. Moore, E. M. Stokes, Rhoda Hutchinson, Nettie Wasson, E. B. Baugh, J. H. Byrd, J. A. Woodfin, H. V. Williams, T. H. Crowder, E. A. Smoot, L. H. Horton, J. T. Hale, W. B. Stanfield, J. M. Doak, M. E. Bibe, T. S. Worley, Lela Ellis, Zack Taylor, H. E. Rosser, E. L. Darby, J. H. McClinton, George Eppley, E. F. Sears and C. M. Fish.

**Mrs. Woody Oldest.**  
Mrs. J. W. Woody, age 79 years, was presented a lovely bouquet of flowers by the Althean Class of the First Baptist Church at its third annual mother's party last Thursday afternoon. Mrs. Woody was the oldest mother present.

The Althean party was held at the home of Mrs. John Spears, with Mmes. Otto S. Williamson, Pierre Moffett and J. W. W. Patterson assisting hostesses. Eighteen members of the host class were present and 13 visitors. Lovely corsages were presented each of the visiting mothers.

Mrs. C. T. Glen presided for the program following the class song, and a prayer by Rev. Ira Harrison, Baptist pastor. Mrs. J. Nelson Dunn gave a beautiful devotional on "Jesus' Mother," and Mrs. W. R. Bell's subject was "Mother's Day," in which she told of the origin and practice of honoring mothers on one special day. Favorite hymns of the guests were sung with Mrs. Ira Harrison accompanying.

Angel's food cake and ice cream were passed to the members and the following guests: Mmes. G. S. Conroy, J. W. Templeton, J. W. Woody, A. M. Curry, R. W. West, J. H. Pinkerton, T. J. McDonnell, E. A. Smoot, T. H. Crowder, C. C. Thrallkill and J. A. Guinn. Rev. and Mrs. Harrison.

## Mrs. Blum Hostess At Bridge Party

Mrs. John Blum, a June bride of last year, entertained last week for the first time formally with a five-table bridge party at her home. Cut flowers in attractive containers decorated the rooms as a series of bridge games were enjoyed.

The high score prize was presented to Mrs. Melvin Blackard, and Mrs. T. M. Howie retained the traveling prize at the Wednesday evening party.

The hostess was assisted by her mother, Mrs. H. G. Towle, in passing a lovely refreshment plate to the following: Mmes. Howie, J. P. Strayhorn, Novis Rodgers, Arnot McFarland, Sam Joyce, R. C. Miller Jr., Herman Darby, Billie Lee Jr., R. E. Boyer and Blackard; Dorothy Strayhorn, Louise Wilsford, Helen Cauble, Bonnie Miller, Frances Boren, Margaret Deakins, Gwen Gray, Ruby Lee, Frances Chenault and Allene Curry.

## May Breakfast Is Held at Wilsford's

Vera Perlman and Margaret Dell Prin were hostesses to Altrurian Daughters Club Sunday morning at the club's annual May Breakfast at the Wilsford Coffee Shop. The group gathered for breakfast at 8:00 o'clock.

Only program number was the report of Mrs. Herman Doak, president, from the Seventh District convention at Pampa the first of last week. Mrs. Doak was delegate from her club, and the report of Altrurian Daughters was accorded honorable mention among other junior club reports at the three-day convention.

Lovely rosebuds formed the centerpieces for tables on which the two-course breakfast was served. Mrs. Herbert Bannister of Lubbock, formerly a member of the club, was the only guest for the affair.

Members attending were: Mmes. Harold Brown, Joe Caton, P. W. Cloud, Herman Darby, Doak, J. D. Scott, Forest Wade and R. E. Boyer, Edith Grantham and Gwen Gray, and the hostesses.

## Lynelle Martin Is Four Years Old

Lynelle Martin, four-year-old daughter of Mr. and Mrs. Buddy Martin, celebrated her birthday Friday afternoon, 3:30 to 5:00 o'clock with a party, to which her friends were invited. Outdoor games were played, kodak pictures were made, and the gifts were presented.

The pretty birthday cake was centering the dining table, and after Lynelle had blown out her candles, Mrs. Martin passed individual cakes topped with candles, sandwiches and punch. Party favors were vari-colored balloons.

The guest list included: Don Mullins, Mitchell Spencer, Carolyn Sears, Dawn Lee, Wendell Autry, Joann Martin, Jimmie Ann Autry, Jane Rogers, Franklene and LaVerne Arnett, Morton, Ervin and Patsy Pogue.

Mrs. Martin's sister, Mrs. Roy O. Irvin, assisted with the party, and other grown-ups present were: Mmes. Otto S. Williamson, Abe Rogers, G. L. Autry Jr., Horace Mullins and Leonard Ervin.

## FOUR REPORT DISTRICT CLUB MEET SUCCESS

Mrs. John R. Williams of Altrurian Club, Mrs. W. H. Cauble from Twentieth Century Club, Mrs. Herman Doak from Altrurian Daughters and Mrs. J. P. Nelson from Alpha Study Club returned last week from one of the most impressive annual conventions ever held by seventh district, Texas Federation of Women's Clubs. The three-day meeting was in Pampa.

Only award won by the local clubs was an honorable mention given Altrurian Daughters on its report, which was given by the club president, Mrs. Doak.

Address of Mrs. Joseph M. Perkins of Eastland, state president, president's evening, Monday, was an outstanding point of the convention. Her talk centered on the recent \$82,000 gift made by Mrs. Clara Driscoll to permanent headquarters building in Austin.

Other outstanding speakers at the convention were: Dr. F. A. Klein-schmidt of Texas Technological College, who spoke on "Social Aspects of Art;" Dr. Swaine, WTSTC, Canyon, who told "How to Give a Book Review;" Edna Graham of WTSTC, who gave a general survey of "South Africa and Her Neighbors;" and Judge Stokes of the Civil Court of Appeals, Amarillo, who told of "Crime Problems."

Entertainment features included the appearance of seven-year-old Eloise Wyatt of Pampa in a "Man on the Street;" broadcast at the Golden Jubilee dinner Tuesday, a tea Monday afternoon at the Pampa country club, and a luncheon given by the Berger women Tuesday centering on the "Western Plains" idea.

Outstanding in the musical programs was the Amarillo symphony orchestra, a 30-piece group, directed by Murray Meeker, who gave several selections Tuesday.

## Garden Flowers Setting for Party

Roses and other garden flowers formed a pretty setting for a party given for the Tuesday Afternoon Bridge Club and guests by Mrs. H. J. Brice this week. Bouquets of larkspur and sweet peas centered the tables at the tea hour, when she served dairy sandwiches, fresh strawberry ice cream and angel's food cake to those present.

Mrs. T. L. Lollar was awarded the high score prize, and Mrs. H. P. Brown received the low score award. Guests were Mmes. Hugh Boren and Ruth Hyden of Pt. Worth.

Members attending were Mmes. Lollar, Brown, W. H. Cauble, W. J. Ely, Sidney Johnson, A. C. Preutt, W. W. Hamilton, J. C. Dorward, Joe Strayhorn and E. M. Deakins. Mrs. Brown will be next hostess to the bridge club.

## Marriage Held In San Angelo

Marriage vows were said by Evelyn Epps of Snyder and John Wesley Norred of Midland, formerly of Snyder, in a simple service held Saturday night at the home of Rev. McGuire, pastor of the North Side Baptist Church in San Angelo. The impressive ring ceremony was read by Rev. McGuire.

The bride wore a navy blue and white polka dot ensemble with white accessories. Her corsage was of pink and white sweetpeas. Daughter of Mr. and Mrs. A. N. Epps of San Angelo, who were formerly residents of Snyder, Mrs. Norred is a graduate of the Colorado High School. She has been associated with Southwestern Bell Telephone Company here for the past year and a half, and she will continue to work until vacations are over.

Norred, son of Mrs. J. W. Norred of Snyder, is a graduate of the Snyder High School with the class of 1928. He worked for a number of years as a mechanic in local garages, and he has recently returned to Texas from several months in California. At present Norred is connected with the Vance Garage at Midland, where the couple will live later in the summer.

## Opening Lesson of Study Interesting

Opening lesson of the new mission study, "The Church Takes Root in India," came Monday afternoon for the Susanna Wesley Circle, which met at the Methodist Church at 2:30 o'clock. Subject for the lesson was "An Approach to India."

Mrs. M. W. Clark, study leader, was assisted in presenting the chapters by Mmes. A. C. Preutt, I. W. Boren, D. P. Strayhorn and Lida M. Hardy. Mrs. Hiram Roper presented the devotional.

The new study is interesting, say the members, and the group would welcome other women of the church to their weekly meetings. Twelve members were present Monday afternoon.

## Book Review Draws 150 Local People

Approximately 150 local people were in the Palace Theatre Monday afternoon to hear Mrs. Dale Morrison of McMurry College in her review of "Royal Regiment" by Gilbert Frankau, foremost English novelist. Mrs. Morrison's appearance was sponsored by the Methodist Missionary Society.

Society women wish to express appreciation to the public for its support of the review. Mrs. J. C. Dorward is president, and Mrs. J. O. Hicks, treasurer, was in charge of ticket sales. Mothers of senior girls were special guests.

Mrs. Morrison's style of review is unusual and interesting, and her presentation was described by many as "brilliant."

## MRS. RODGERS WILL PRESENT PIANO PUPILS

Piano pupils of Helen Boren Rodgers and Mrs. Empress Wolcott will be presented in spring recital Friday evening, 8:00 o'clock, at the First Christian Church. Parents of the children join the students and teachers in issuing a cordial invitation to the public to attend.

Program will be as follows: "Secret Wishes" by Hiller, Doris Glen Willis and Dorothy Rea; "Crickle on the Hearth" by Bennett; and "Pinch and Punch" by Kerr; Johnnie Jean LeFond; "A Walking" by Weybright and "Wee Folk March" by Sandra Jean Josephson; "Pirates Bold" by Blake and "The Big Bass Singer" by Rolfe, Marianne Randalls; "Long, Long Ago" by Bayly and "Dublin Town" by Williams, Patsy Jones; "Heads Up, Forward March" by Copeland, Doris Glen Willis;

"The Butterfly" by Wright, Marilyn Garner; "Under the Elms" by Hueter; Dorothy Jean Wilson; "Captain Hook and the Pirate Band" by Miles, Billy Joe Stinson; "An Evening Frolic" by Steinheimer, Ewel Wilson; "Dance Miniature" by Ewing; "Dorothy Rea;" "Sailor's Horn Pipe" by Jesse and "Sparks" by Thompson, John Jay Boren; "Blush Rose Reverie" by Fieldhouse and "Cheerfulness" by Rowe, Cornelia Wilson;

"The Bee" by Lindsay and "Way Down South" by Roach, June Jones; "Somersaults" by Blake, Frankie Jo Wilson; "Doll Dance" by Ponce, Jettie D. Elkins; "Air De Ballet" by Thompson, Ola Margaret Leath; "Twinkle Toes" by Kerr, Juanita Elkins; "Amariyllis" by Glys, Billie Lou Thompson; "Mists" by Garman, Virginia Preutt; "Belles and Beaux" by Kilman, Jettie D. and Juanita Elkins.

## E. W. Group in Meeting at Dodson's

E. W. Class of the First Christian Church met with Mrs. J. O. Dodson last week in the den of her beautiful new home at 3105 Avenue S. Strawberry pie with tea was served at the close of a delightful social hour.

Mrs. J. Monroe was the only guest for the meeting, and the following members attended: Mmes. C. J. Reid, Boss Baze, P. Benbenek, Hugh Boren, Tom A. Boren, A. J. Cody, Hugh Taylor, Gale Smith and Carl England.

"Shifting Winds," by Snyder's own Kathryn Cotter, is an ideal Mother's Day gift, 911 28th St. 1p

## Class Pays High Tribute to Parents

Fellowship Class of the First Presbyterian Church met last Wednesday afternoon in the home of Mrs. John Irwin. Topic for discussion was "Tribute to Parents" with Mrs. S. T. Elza as leader. Mmes. Elza, Horace Roe, E. H. Lilly, J. T. Hays and P. C. Chenault gave interesting talks.

Answering roll call with memories of parents were the following: Mmes. Chenault, Elza, Roe, J. W. Woody, John Abernombie, Hays, B. G. Johnson, Lilly, D. F. Wilson, C. E. Ferguson and the hostess, Mrs. J. T. McDonnell, was the only guest present.

## Alpha Study Hears Convention Report

Mrs. G. M. Heinzelmann was hostess to Alpha Study Club Tuesday afternoon for the Federation Day meeting, which featured the convention report and discussions. During the business session the club revised its constitution in keeping with Roberts Rules of Order, standard for parliamentary law locally, by making several minor changes.

Mrs. Wraymond Sims, program leader was assisted by Gertrude Heru in conducting a questionnaire on federation, which was instructive. Mrs. John E. Sental talked on "The Club Woman," a federation magazine, and several decided to subscribe. The convention report was given by Mmes. J. P. Nelson, president-elect, who was the club's delegate to Pampa last week.

Unusual arrangement of the white roots of cactus from South Texas featured room decoration along with out flowers, and the hostess passed a pretty plate of salad, cake, iced tea and mints to the 20 members who were present.

## Women Answer From 12 States

To date, Touring Reporters have visited the principal cities of 12 Southern states; have asked 1297 users their famous question: "Did GARDUI help you?"

Of those 1297 users, 1206 said they were definitely benefitted by GARDUI. That's 93 out of every 100. What a record! GARDUI is a good stimulant for lagging appetites, a real aid to digestion and assimilation. That's why its proper use enables so many women and girls to build up physical resistance, and thus helps them avoid the periodic pain of functional dysmenorrhea due to malnutrition.

## Buffett Supper Is Farewell Compliment

A buffet supper Friday evening was complimentary to Maurice Collier, who left during the week-end to take a new job in Midland. Host and hostess were Mr. and Mrs. Joe Brown, whose home was decorated with cut flowers for the occasion. A bowl of roses formed the dining table centerpiece.

Present for the evening besides the honoree were the following: Maxine Huckabee, Christine Biggers, Mayme Lee Gibson, Mr. and Mrs. Bill Minary, Mr. and Mrs. Buddy Martin, Mr. and Mrs. Dub Gandy, Garland Jacobs and the hosts.

## NAMESAKE.

Lucy Carole, new daughter of Mr. and Mrs. Ross H. Howard of Atlanta, Georgia, is a namesake of her grandmother, Mrs. D. P. Strayhorn of Snyder. The Lucy part of her name is that of Mrs. Strayhorn. The baby was born April 25, weighing almost nine pounds. Mrs. Howard, the former Mary Strayhorn, Howard, who is a member of a firm of architects in Atlanta, and two-year-old Ross Jr. are the other members of the Howard family besides the local Strayhorns. Lucy Carole's other grandparents are the G. H. Howards of Atlanta.

## YOUR ELECTRIC SERVICE IS MORE THAN THIS!

How many folks do you know who still call their ELECTRIC SERVICE BILL an "electric LIGHT bill"? And they are still using electricity for so many uses—besides lighting—in their homes!

Once, your electric service bill did cover only lighting. But today the average ELECTRIC SERVICE BILL for all uses of electricity in the home is about the same that was paid for lighting alone not so many years ago.

It has taken millions of dollars in additional investment, great outlays of money for maintenance, and hundreds of additional employees to provide you with the dependable electricity needed to meet your present demands.

Good Electric Service Doesn't Just Happen.

# TEXAS ELECTRIC SERVICE COMPANY

J. E. BLAKEY, Manager

### Ft. Worth Reports \$2,400,000 Spent In Tarrant County on Highway No. 15

More than \$800,000 has already been spent in Tarrant County eastward from Ft. Worth on Highway 15, and the State Highway Department plans immediately to spend \$1,600,000 on a new boulevard highway all the way to Weatherford.

That is the report of Charles G. Cotten, manager of the highway department of the Ft. Worth Chamber of Commerce, in a letter to The Times.

"The economic value of the route through its entire length across Texas from the Louisiana border to the New Mexico border cannot be estimated," continues Cotten, who has been one of the most ardent advocates of an airline East-West route.

### Palace Theatre

Thursday, May 11— "I'm From Missouri" starring Bob Burns, with Samson, the Missouri mule. Your "Arkansas Traveler" is back... more laughable, more lovable than ever.

Friday and Saturday, May 12-13— "Within the Law" with Ruth Hussey, Tom Neal, Paul Kelly, William Gargan and others.

Saturday Night Revue and Sunday, Monday, May 13-14— "St. Louis Blues" with Dorothy Lamour, Loyd Nolan, The Kings Men, Matty Malneck and his orchestra, Hall Johnson Choir.

Tuesday, May 16— "Mr. Moto's Last Warning" starring Peter Lorre with Ricardo Cortez, Moto avenges his own murder... after he's been identified as dead.

Wednesday and Thursday, May 17-18— "The Return of the Cisco Kid" starring Warner Baxter with Cesar Romero, Robert Barrer, Lynn Bari and others.

Thursday, May 11— "The Mysterious Miss X" with Michael Whalen, Mary Hart, Chick Chandler, Mabel Todd.

Friday and Saturday, May 12-13— "Texas Stampede" starring Charles Starrett and Sons of the Pioneers.

Sunday, Monday and Tuesday, May 14-15-16— "Orphans of the Street" with Robert Livingston, Tommy Ryan, June Storey and Ace the wonder dog.

Wednesday and Thursday, May 17-18— "Chasing Danger" with Preston Foster, Lynn Bari and others.

Do the truth you know and you will learn the truth you need to know.—George Macdonald.

has done and is doing all that it possibly can to speed construction along the route, and as you know, provision has already been made, I understand, for the entire route except for the short strip from Gall east to the Scurry County line, which, of course, is merely a matter of time.

Part of U. S. System. "Highway 15, which, as you know, has been recommended for incorporation into the U. S. Highway System, possibly as an alternate U. S. 69 or as 80-A all the way from Weatherford through Snyder and Carlsbad to El Paso, is nearly 60 miles shorter to Carlsbad Caverns from Ft. Worth than any other paved route, and when the highway user learns that he can go west out of Ft. Worth directly through the Caverns or east out of the Caverns across Scurry County to Ft. Worth and points east, rather than doing as many of them now do—turn north of Carlsbad over Highway 62 into Amarillo and points northeast—he will certainly use the route.

"Right here in Tarrant County, west of the City of Ft. Worth, the State Highway Department plans immediately to spend nearly \$1,600,000 on a new boulevard highway all the way to Weatherford. Survey maps are already in Austin waiting to be acted upon for purchase of right-of-way from North 28th Street to intersection of Highway 15 with Highways 1 and 10 west of the city.

"More than \$800,000 has already been spent in Tarrant County on Highway 15 in extending the route from North 28th Street east to the Tarman-Dallas County line, which route, from a connection with Highway 10 and 121 northeast of the city, will be boulevard (two-way pavement) all the way to Dallas."

Hundreds of citizens of Dawson and Gaines Counties, plus a number of other highway-minded visitors, gathered at Seminole Wednesday morning of last week to celebrate completion of the pavement on Highway 15 from Lamesa to Seminole.

In preparation for the event last week, the Dawson County Courier of Lamesa issued a 32-page special edition that contains a wealth of material concerning the years of fighting for Highway 15 completion in that area.

With opening of this stretch in Gaines and Dawson Counties, the strip from the Fisher County line westward, through Scurry County, into Gall, is the only improved stretch that remains through the state.

"Dream is Realized." "With the opening of the pavement from Lamesa to Seminole," the Courier relates, "a dream of many years is being realized. Pioneers of both counties have dreamed of the time when a hard-surfaced all-weather road would connect the county seat of Dawson and Gaines County, and the effort which has been put forth by leaders in both counties is indeed commendable.

"Efforts were first made to get state highway designation on this route many years ago and this has not secured until courses were made to Austin, literally thousands of letters written, telegrams sent, pressure brought to bear, until finally the State Highway Commission visited the proposed route. Then there was an endless amount of red tape to go through until the final OK was received."

"Only the Beginning." "This was only the beginning of the battle, however. The next step was to get the surveys made, secure the necessary right-of-way, and finally to get the Highway Commission to include the actual paving of the route in their appropriations. Even after this was secured the opening of the highway was still some distance away.

"First Dawson County secured her paving to the Gaines County line, and efforts on the part of Lamesa people were centered on the completion of the Gaines County section. This it will be seen that citizens of this city and county have a double interest in the completion of the Gaines County section.

### THE POCKETBOOK OF KNOWLEDGE BY TOPPS

### Who Looks Ahead Doesn't Behind

By T. C. RICHARDSON, Secretary Breeder-Feeder Association.

There is still plenty of time to plant silage crops and summer pastures, and if for any reason they are not planted at the earliest practicable date, a place for them should be reserved anyway.

First, the planting can't be done just after cotton planting, when the time can best be spared. If the sorghums are planted for silage it is usually better to follow cotton planting, as they grow off better after the soil is well warmed up.

Second, early silage will be ready to harvest before the "summer drought" that so often burns later crops in some sections of the South-west.

Third, early silage is off the ground in time to plant a crop of cowpeas to be grazed or turned under in the fall. If there is not enough moisture to plant peas the silage is out of the way for summer plowing to get the land ready for fall grain, alfalfa, or sweet clover.

Fourth, the sorghums will stand out and make a second-growth crop in the warmer parts of the South-west, if summer moisture is available. If the second growth is not needed for feed, or it is too short to be worth harvesting, it is well worth turning under "for the land's sake" and the next year's crop.

Fifth, early silage can be disposed of before cotton picking time and before dry corn and sorghum grains are ready for harvest, and which conflict to some extent with the cotton picking season.

A French proverb says "he who looks not before, finds himself behind," and I don't know any farm operation in which "looking before" counts in more ways than in getting the silage crop under way at the earliest favorable season. It distributes the labor to better advantage.

Do the truth you know and you will learn the truth you need to know.—George Macdonald.

### Texas Improves Road From State Line To El Paso

The part Texas has played in the construction of U. S. Highway No. 62 in Texas and New Mexico on the roadway via Carlsbad and Hobbs, New Mexico, is set forth in the article below.

U. S. Highway No. 62 connects with Highway 15 at the Texas-New Mexico boundary, and is another vital link in completing Highway 15 as a transcontinental route.

At present, there is under construction 12.5 miles of newly and scenic road, the completion of which is expected in July with blacktopping to follow shortly afterward.

Seven miles, blacktopped, next northeast, to the Texas-New Mexico boundary, was completed in the early fall of 1938.

This new construction in Texas, to the southwest, leaves distance between El Paso and Carlsbad practically unchanged, namely: 167 miles, and all of which is paved save 12.5 miles.

They Like This New Palestine Country After sailing from New York on March 11, and arriving April 1 at their new home in Haifa, Palestine, Mrs. A. D. Murphy and son, G. L., are firmly established there now.

Mrs. Murphy, daughter of the C. T. Glens, writes that Haifa is a beautiful place. Located on the side of Mt. Carmel the town itself is built from the top of the mountain down to the edge of the Mediterranean Sea.

The pastor's subject for Sunday morning: "Three Pictures." This is Mother's Day but just a simple sermon will be preached. Sunday night subject: "Christ Pre-Eminent in His Mission."

Sunday school meets at 9:45 on Sunday morning, with Roy Allen Baze in charge. At 6:45 in the evening Margy Brown will lead the Christian Endeavor meeting, and her subject will be "Mothers."

Practice in life whatever you pray for, and God will give it to you more abundantly.—Dr. Pusey.

IN SAN ANTONIO. Mrs. Carrie Lane, local relief supervisor, was in San Antonio last week attending a state welfare meeting.

### China Grove to Be Sunday BTU Host

Zone meeting of the county Baptist Training Union will be held at China Grove Sunday, 2:30 p. m., according to Effie McLeod, Snyder zone president.

Evangelistic speaker will be Rev. T. A. Patterson, pastor of the Colorado Baptist Church, Special music, a business session and other numbers are also on the program.

Miss McLeod said a BTU will probably be organized at China Grove Sunday. The church there and at Herleigh are the only ones in the county without a BTU organization, she said.

Milk is not a fattening food if it is used in the place of other solid food.

### ROAD TO FIELD IN GOOD SHAPE

The road to Sharon Ridge oil field is in good shape, Commissioner H. M. Blackard told several oil men and local business men who met with the Commissioners Court Wednesday afternoon.

He said all bridges have been strengthened to care for heavy oil field trucks. Two good routes go into the field, the northern-most route being good in almost any kind of weather. Caliche has been placed on much of the road.

The group discussed roads leading to the field from several directions, and the Precinct 3 commissioner said everything possible was being done, as far as county finances made it possible, to keep the Sharon Ridge outlets in good condition.

Speakers for the business men, about 15 in number, pledged their cooperation with the Commissioners Court in insuring assistance with oil operators.

Those new Betty Lou spoons of genuine Carlton silverplate have been received by The Times for readers who have clipped out the Quaker Oats ad coupon recently appearing in The Times, and who wish to take advantage of this offer before it expires May 20.

Readers who wish to take advantage of the Betty Lou spoon offer sponsored by Quaker Oats are requested to bring the coupon with one trade-mark from the large size Quaker Oats package, or two from the regular size packages, and get their spoon while the supply lasts. Coupons can be supplied at the Times office.

### Quaker Oats Betty Lou Spoons Arrive

Those new Betty Lou spoons of genuine Carlton silverplate have been received by The Times for readers who have clipped out the Quaker Oats ad coupon recently appearing in The Times, and who wish to take advantage of this offer before it expires May 20.

Readers who wish to take advantage of the Betty Lou spoon offer sponsored by Quaker Oats are requested to bring the coupon with one trade-mark from the large size Quaker Oats package, or two from the regular size packages, and get their spoon while the supply lasts. Coupons can be supplied at the Times office.

**SING IN NOLAN.**

The Nolan County Singing Convention meets Sunday, May 21, at the Highland High School building, beginning at 10:00 a. m. Highland, located eight miles south of Roscoe, is expecting quartets from Dallas, Abilene, Snyder, Lubbock and elsewhere, according to Mrs. L. G. Shepperd, secretary.

### Timely Hits Win First Home Game For Snyder Nine

Snyder made an auspicious debut before 300 home fans in their first appearance at Winston Field Sunday afternoon. Leuders, long a baseball power, was the victim of Foree's pitching and timely hitting by a half dozen locals. The score was 4-3.

The colorful pitching of big Carl Foree, released last week by Lake Charles, Louisiana, of the Evangeline League, was the highlight of the game. He issued five scattered hits, most of them of the scratch variety, and struck out 10 of the hard-hitting Leuderies.

Hitting honors went to Albert Carlton, fleet-footed left fielder for Snyder, who batted out two triples and two singles in five trips to the plate. His hit to left field in the eighth inning drove Foree home with the margin of victory.

The two teams will meet again at Leuders Sunday, May 14. The locals go to Sweetwater May 21, and Sweetwater will return the game May 28. Hamlin will be played at Hamlin June 4, and the return game with Hamlin will be here June 11.

The score by innings follows:

	R	H	E
Leuders	000	000	210-3 5 4
Snyder	000	102	01x-4 11 4

Here is the box score:

	AB	R	H	E
Snyder	33	4	11	4
Leuders	33	3	5	4

Leuders, rf, 2; Miller, lf, 4; McHill, 3b, 3; Patterson, cf, 4; Johnson, ss, 4; Baxter, c, 4; Caldwell, 2b, 4; Sylvester, 1b, 4; Helms, p, 4.

Totals 33 4 11 4

Leuders, rf, 2; Miller, lf, 4; McHill, 3b, 3; Patterson, cf, 4; Johnson, ss, 4; Baxter, c, 4; Caldwell, 2b, 4; Sylvester, 1b, 4; Helms, p, 4.

Totals 33 3 5 4

### First Methodist Church

Next Sunday is Mother's Day. If you want to please her, be at church Sunday at 11:00 a. m. and hear a sermon about mother.

Come at 9:45 for Sunday School and enjoy the class fellowship. We will be looking for you—I. A. Smith, pastor.

Judge: "You will not be permitted to drive a car for two years. You're a danger to pedestrians."

Defendant: "But, sir, my living depends on it."

Judge: "So does theirs."

### THE ADVENTURES OF OZZIE

### He Makes His Quota

### Drive Toward Rural Electrification In Wide Area Increases in Interest

Fifty-four interested citizens attended the mass REA meeting at Hermleigh Tuesday night presided over by E. J. Anderson, county REA coordinator.

Andy Jones of Rotan, manager of the Rotan-Camp Springs Midwest Electric Cooperative, and Joe Fender, attorney for the Rotan-Camp Springs REA project, were principal speakers. Representatives from Pyron and Inadale, as well as from communities surrounding Hermleigh, attended the meeting.

The entire REA program was explained in detail, with petitions for service put in the hands of Walter Moore, Warren Sturgeon, H. G. Gafford, Rufus Mize and Robert Shultz for the purpose of obtaining the names of those desiring rural electrification.

**Meter Deposits Soon.**

As soon as the names of individuals desiring REA facilities are received, statistics will be compiled preparatory to obtaining required meter deposits.

More than 100 subscribers for rural electrification have been obtained in the Pyron and Inadale communities, Anderson reports. Deposits from the Fluvanna, Dermott and communities west of Snyder are being rapidly turned in, with right-of-way contracts now being obtained in these sectors.

To insure the best possible electrical service, petitions being circulated at Hermleigh include the provision power shall be obtained from the local Hermleigh utility company. This arrangement will enable Midwest Electric Cooperative to serve a greater number of consumers more efficiently from the primary delivery point than elsewhere.

Andy Jones reported at the Tuesday night meeting that right-of-way for the Rotan-Camp Springs REA line is almost 100 per cent staked. Actual high line construction is slated to begin not later than June 1.

day night meeting that right-of-way for the Rotan-Camp Springs REA line is almost 100 per cent staked. Actual high line construction is slated to begin not later than June 1.

Jones gave an interesting report on a trip he made recently to inspect the Coleman REA project, one of the largest in Texas. The Coleman project, which was started with 113 miles of high line and 300 consumers, today has over 900 miles of REA line serving more than 2,500 consumers.

**ODESSA ARRIVAL.**

Mr. and Mrs. Andy Rhodes of Odessa are announcing the birth of a son, Andy Gene Rhodes, Wednesday morning at the home of the child's grandparents, Mr. and Mrs. Oscar Bowers of Dunn. Andy Gene, who weighed in at nine and a half pounds, has already developed a strong pair of lungs.

It is impossible to reason without arriving at a Supreme Being.—Washington.

The saints were the sinners who kept on trying.—Sir John Evelyn Wrench.

He who is most charitable in his judgment is generally most just.—Southey.

### SNYDER IS BUILDING

Completion last week of the native stone Mike Lewis home just east of Snyder School campus gives East Snyder one of its most modernistic small homes. Mr. and Mrs. Lewis moved into the new structure last week.

Containing three rooms and a bath, the Lewis home is probably the only one in Snyder constructed with a flat concrete roof. A wall of native stone around three sides of the lot blends in with native rock construction employed on the house. Built-in conveniences, even to a mail box, are noted throughout the little home. The Lewis place was built of rock and native stone gathered from a wide area.

Let your life be counted by milestones of achievement and not by timepieces of years.—Clara Barton.

Who riseth from prayer a better man, his prayer is answered.—George Meredith.

Duty makes us do things well, but love makes us do things beautifully.—Phillips Brooks.

Let our never-ceasing care be to better the love that we offer our fellows.—Maeterlinck.

What we love determines what we are.—Mary Baker Eddy.

### Undeclared Colored Baseball Team Will Untie Here Sunday

A slam-bang baseball game between two colored teams is slated to be played on Snyder's Winston Field Sunday afternoon at 3:00 o'clock, when Snyder's Black Tigers meet the Big Spring All Stars.

According to information given The Times by W. R. Williams, team manager, Sunday's defeat of the Big Spring team by the local nine, 9-6, marks the fifth straight game won by the local nine. No games have been lost by the colored team so far.

Other recent wins: Snyder 7, Slaton 4; Snyder 7, Colorado 4; Snyder 8, Ro'an 6; and Snyder 7, Ro'an 4.

The list of players on the local team follows:

Richard Lewis, p; Dick Jennings, c; J. L. Banks, c; A. D. Davis, 1b; N. L. Williams, 2b; Rufus Miller, 3b; W. R. Williams, ss; Nathaniel Davis, cf; Howard Hunter, lf; M. R. Davis, rf; J. W. Baker, lf; and F. L. Robertson, f.

Admission charges for the Snyder-Big Spring game will be 25 cents.

**STATED MEETING.**

A stated meeting of the local chapter of the Order of Eastern Star will be held Friday night, 7:30 o'clock, at the hall. Features for the evening will be election of new officers and the annual memorial service. Leaders are anxious that every member be present.

A quart of milk furnishes as much energy as nine eggs or three-fourths of a pound of beefsteak, or six and one-half oranges, or two pounds of potatoes.

"Well, O'd Man, congratulations on the addition to your family. I suppose you're going to pass out the cigars."

Father (of five): "No, I'm going to pass the hat."

The Times has a complete line of office supplies.

### WTCC Speaker

Dr. Walter M. W. Splawn, above, Washington, D. C., chairman of the Interstate Commerce Commission and former University of Texas president, will be principal speaker at the first general assembly of the 21st annual West Texas Chamber of Commerce convention in Abilene May 15-17. The program on which the widely known public official and educator will be heard is set for Tuesday morning, May 16. The WTCC's freight rate equality campaign, which has grown into a national movement, will be one of the principal topics discussed at the three-day session. A conference on the subject will be held Monday afternoon, May 15, and organization of the WTCC sponsored Freight Rate Equality Federation will be perfected.

### Spotted Rainfall in County Late Sunday

Spotted rains early Sunday evening gave Scurry County another installment of moisture that varied from one-fourth inch at Camp Springs and a light rain at Pyron to 1.25 inches rainfall in the Dermott community.

Some parts of the county report continued dryness, but farmers report sufficient moisture in most instances to bring up cotton and feed.

Although civilization has brought us many foods, there is not one that will take the place of milk in the diet.

COME IN—SEE A DEMONSTRATION NOW AT  
**KING & BROWN**

**Smart to See—Smarter to Buy!**

The model illustrated is the Buick Special, model 41 four-door touring sedan \$996 delivered at Flint, Mich.\*

**N**OBODY has to tell you, skimming along at that brisk Buick pace, that plenty of eyes are turning your direction!

It's a smart car to see, all right—what you're discovering there behind the wheel is how much more there is to this beauty than a look or two will uncover!

You're feeling the eager power that a straight-eight can pour—when it's a Dynaflex eight with a cyclone in each cylinder to give life, lift—and thrift—to every smooth-flowing mile!

You're finding out that bumps can be tamed, that car riding can be level as flying—when all four wheels, not just the front, ride on stout coiled springs of soft and cushiony steel!

You're discovering how pleasant it is to look out through windows enlarged as much as 412 square inches. And you're enjoying that very special Buick "feel," firm and taut and steady, nowhere any skittery looseness, or wind wander, or hunt!

In a word, you're beginning to realize that, smart as it is to see, this Buick's even smarter to buy.

Smarter for the extra contentment you'll get from owning it—smarter even if you had to pay a premium to get it.

But you don't have to pay a premium! Instead, this great-eight beauty is today priced lower than some sixes. Costs are below those of a year ago. Total outlay—counting included equipment you'd pay extra for elsewhere—is often less than for some cars with lower advertised prices.

So what to do? Easy! Simply turn around, head for the showroom, get down to the details of trade-in terms, monthly payments, all that!

Even there you'll find your Buick dealer ready, willing, eager to serve—just like the good and gallant car he sells!

**\$894 AND UP**  
delivered at Flint, Mich.  
\*Prices subject to change without notice. Transportation, state and local taxes (if any), optional equipment and accessories—extra.

### 104 MORE SOIL CHECKS COME

Wednesday's arrival of 104 soil conservation checks at the county agent's office was considerably bolstered up by the arrival of 238 more 1938 Triple A benefit checks this morning (Thursday), amounting to \$27,751.54.

The arrival of 104 more soil conservation checks at the county agent's office Wednesday morning, amounting to \$12,004.49, makes a total of \$141,583.43 Scurry County has received in 1,034 1938 farm and ranch Triple A benefit checks to date.

According to information received at the county agent's office, remainder of the soil and range program checks should be mailed out in the near future.

### FRANCES AND DAREN NAMED HONOR GRADS

Frances Head, daughter of Mrs. Pearl Head, leads the graduating class in scholarship with an all-A average for the past two years. She is a member of the National Honor Society, Press club, and Spanish club. She has done outstanding work in the school activities, especially in speech and press.

A close second to Frances is Daren Benbenek, son of Mr. and Mrs. P. Benbenek. In addition to outstanding work in scholarship Daren has represented the school in debate for two years, and has done excellent work on the school paper, the Tiger's Tale. Daren is also vice president of the National Honor Society.

Other students who have above 90 average are: Roy Allen Baze, Dorothy Winston, Dwain Kite, Lorraine Todd, Wolsey Barrett, Daurice Worley, Wilma Terry, Mildred Herod, Margry Brown, Zonell Burnett, Jack Stewart.

Dorothy Winston made the second highest grade among girls and Roy Allen Baze among the boys. The class is unusual in that a fifth of its membership has an A average in scholarship.—Tiger's Tale.

### J-Tac Editor

Jay Rogers, above, has been elected 1939-40 editor of the J-Tac, weekly newspaper of John Tarrant Agricultural College, Stephenville. Son of Mr. and Mrs. Abe Rogers of Snyder, Rogers was business manager of the local high school annual, in which he was pictured as best all-around boy, last year.

### What Others Say About Future of Highway No. 15

What do points picked at random along the route of Highway 15 think of this future transcontinental road? Following are a few expressions from prominent persons in the localities as indicated:

**HOBBS, N. M.**  
"To us it appears to be the most important route both east and west of Carlsbad Caverns for the use of the tourist. Last year the caverns drew over 207,000 persons. It is a transcontinental link, and the shortest route between Shreveport, Louisiana, and the caverns and El Paso and the south route to the west coast. The mileage saving is so great it cannot help drawing big patronage. It presents a 100-mile saving to the oil men between New Mexico and Ft. Worth. It is a big contributor to Carlsbad Caverns and most of the visitors arrive by this route. New Mexico's Quarto Centennial in 1940 means a still heavier traffic load."

**BRECKENRIDGE.**  
"The route is an airline through Texas. For that matter, it is an airline through the southern states to the Carlsbad Caverns, which is becoming more and more of a national scenic route. Completion of the highway would divert some of the traffic from the Bankhead, thereby relieving conditions on that road."

**ALBANY.**  
"Since Highway 15 is the straightest road across the state of Texas, reaching as it does from the Louisiana to the New Mexico line, and affording the most direct route... I consider it, without doubt, the second most important highway in the state, if not the first. I see no reason why the road should not receive as much consideration as others."

**MARSHALL.**  
"Highway 15 is one of the most important highways in the state, and, I believe, the most important which traverses Harrison County."

**ARTESIA, N. M.**  
"As soon as we can get all the highway improved, I think that truck travel will double in one year."

**MINERAL WELLS.**  
"There will be an enormous amount of traffic over the route to Carlsbad Caverns, El Paso and the west coast."

He who loves goodness, harbors Angels, reveres Reverence, and lives with God.—Emerson.

The infallible receipt for happiness is to do good.—Henry Drummond.

**DON'T SLEEP WHEN GAS PASSES HEART**  
If you can't eat or sleep because gas boists you up try Adlerika. One dose usually relieves stomach gas pressing on heart. Adlerika cleans out BOTH upper and lower bowels. For sale by Stinson Drug Company.

### To Hermleigh

Principal A. C. Bishop Jr. of Hermleigh High School was re-named to that position for another year. As boys' athletic coach, Bishop has given Hermleigh her most powerful place in county athletics, with emphasis on football and tennis.

Let us remember that justice must be observed even to the lowest.—Cicero.

### "My Home Town" Is Given by Speaker; Sponsor Is Visitor

Ernest Taylor Jr., Snyder's entrant in the "My Home Town" contest at the West Texas Chamber of Commerce convention in Abilene next week, was widely applauded when he gave his address at the Lions Club Tuesday.

Also guest at the club meeting was Ruth Line, Snyder sponsor, who hopes to win the title of "Miss West Texas" at the convention. J. C. Smyth, local W.T.C.C. director, introduced the visitors and outlined Snyder's varied participation in the convention.

Other guests of the club were Garland Mustian, member of the Snyder High School Student Council, and Buster Curtis, local business man.

E. H. Lilly, delegate to the recent Lions International, District 2-T convention at El Paso, will give his report at next week's meeting, announces President H. L. Wren.

However things may seem, no evil thing is success, and no good thing is failure.

**"Leto's" for the Gums**  
An astringent with antiseptic properties that must please the user or druggists return money if first bottle of "LETO'S" fails to satisfy. For sale by Stinson Drug Company. 3

### Chief Hostess

Estella Rabel, above, will be chief hostess to the District 6 meeting of home demonstration club women here Saturday. She has led Scurry County, since she became agent last year, to a high place in the state-wide ladder of home demonstration club work.

Check your office supplies. The Times has a complete line.

In addition to furnishing calcium for building bone and teeth, milk supplies protein for building tissues and aids in the proper functioning of the nerves and muscles.

Man: "Do you believe in luck?"  
Friend: "Well, I should say I do. See that fat woman in the big hat and the red dress. Well, I once asked her to be my wife!"

Minister: "Wouldn't you like to join us in the new missionary movement?"  
Betty Co-Ed: "Oh, sure I would. Is it anything like the Big Apple?"

When we climb to heaven 'tis on the rounds of love to men.—Whittier.  
The reward for a good deed is to have done it.—Elbert Hubbard.

### A Banker Must Know Farming . . .

But a farmer need know little about banking if he puts his affairs in our hands. For year after year, through good times and bad, this institution has given safe guidance, counsel and help to those who have called upon its facilities.

No problem—no account—is too little or too big to establish reliable contacts here.

### Snyder National Bank

Member Federal Deposit Insurance Corporation

### FLUVANNA FFA BUILDING SHOP

"We think our FFA boys should learn by doing," Browning stated Tuesday. "Our vocational agriculture building will be a home product when finished."

Doors and windows are being installed this week in the frame vocational agriculture building. The Fluvanna FFA boys plan to have the structure completed by May 15. Members of the Fluvanna FFA chapter, under the directorship of Buford Browning, vocational agriculture teacher, are constructing a two-room vocational agriculture building that will contain a work shop and lecture room.

### Local Business Man Talks on Life Choice

H. L. Wren, local business man, spoke to Mr. Stanfield's council group. His subject was "Choosing Your Vocation."

Some of the points expressed in his speech are as follows:

- (1) There is something everyone can do.
- (2) On choosing a vocation choose something that you like, and something you have a little talent for.
- (3) You should choose something that has a future.
- (4) Be sure it is an honest and respectable business.—Tiger's Tale.

**Mrs. Garrison, Midway Citizen, Buried Saturday**

Funeral services for Mrs. B. L. Garrison, 55-year-old Midway community resident who died last Thursday night, were held at her home east of Midway Saturday afternoon at 2:00 o'clock.  
 Rev. Huster Edwards, Midway pastor, assisted by Rev. L. L. Trott of Rotan, conducted funeral services. Mrs. Garrison formerly lived in the County Line community.  
 Survivors include her husband; three sons, Clay and Clyde, Camp Springs; Doyle of Arizona; and two daughters, Mrs. Dottie Grady, Dallas; Mrs. Cressie Hull, Camp Springs. A long-time member of the Baptist church, Mrs. Garrison was born February 6, 1884.  
 Pallbearers were John Akers, Clyde Brown, Bill Hudnall, E. G. Murphee, Oscar Gray and Jesse Edwards. Mmes. Clyde Brown, Walter Walls, Perry Allford and Georgia Davidson were in charge of floral offerings.  
 The O. D. Weathersbee Funeral Home of Rotan was in charge of funeral arrangements, with interment in Rotan's Bellview Cemetery.

**Goes After It**

A. G. Bearden, shown above, is Texas secretary of the East-West Highway Association. He is a long-time advocate of the transcendent route, and has made dozens of trips from his home at Lamesa in the interest of making Highway 15 the leading highway in the state.

**Good Eating Is Reward of Work On Frame Beds**

By ESTELLA RABEL.  
 (Editor's note: The following article on the success of frame gardens in Scurry County by Miss Rabel, county home demonstration agent, appeared in the February issue of Farm and Ranch).

Twenty frame gardens in Scurry County, Texas, have been built and planted by home demonstration club members. Due to its sandstorm winds, heat in the summer, cold in the winter and lack of water, frame gardens are growing more popular because they do produce fresh vegetables the year round.  
 Find a good location for your garden, convenient to the home, preferably not too near the house due to prevailing winds. Also good soil is needed, which should be well spaded. It is best to lay concrete tiles or the tin cans for sub-irrigation from 6 to 8 inches below the surface before the spading. Sub-irrigating means less water and less cultivating. Well rotted manure makes a good fertilizer.

**Demonstration Club Notes**

Estella Rabel, Agent

**Mrs. Belew Hostess.**

Mrs. J. J. Belew was hostess last Friday at an all-day meeting of the Flivanna Home Demonstration Club in her home. An enjoyable covered dish lunch was served at midday.  
 The 26 members present devoted the afternoon to working designs on Monk's Cloth scarfs. Estella Rabel, home demonstration agent, gave some timely pointers on embroidery designs.  
 Mrs. W. F. Mathis will entertain the club at its next meeting Friday afternoon, May 19, at 2:30 o'clock.

**War On Insects.**

Insects were discussed at a Wednesday afternoon club meeting in the home of Mrs. H. E. Greenfield. Miss Rabel, the demonstration agent, passed out pamphlets on insects. Mrs. Purman Kelly gave a council report. Ice cream and cookies were served at the close of the meeting to the following women: Bessie Perkins, Purman Kelly, M. A. Davis, L. N. Perriman, Melton Greenfield, Dick Brown, Ellen Stevens, Estel Rabel, Theron Riviner, H. E. Greenfield, Fannie Scrivner.

**Mrs. E. E. Glass Hostess.**

Mrs. E. E. Glass was hostess to the Pyron Home Demonstration Club last Thursday, May 4. The roll call was answered with "a place I would like to visit, and why." Mrs. M. H. Greenwood told of vacation spots in Texas. Mrs. Orval Hess gave an interesting talk on improving our conversation. The hostess served cream and cake to eight members—Mrs. E. N. Cummings, reporter.

**What we ought not to do.**

We should not even think of doing—Epictetus.

**Let every dawn of the morning be to you as the beginning of life.**

—Ruskin.

**The thing most important is what we do, not what we say.**

—Mary Baker Eddy.

**Whatever we send into the lives of others comes back unto our own.**

—Edwin Markham.

To build a frame garden—find some scrap lumber or 1x12 inch planks to build the side walls of the frame. The walls may be 12 to 18 inches high. These gardens have been built of different sizes, but the ones built four to five feet wide make the cultivation and harvesting of vegetables easier. The length of the garden depends on the size of the family but usually they are built 20 feet long.  
 Strips of wood may be nailed across the frame every four or five feet to support the cover. Too heavy a cloth keeps the sunlight from the vegetables. It is a good idea to leave the cover off early in the morning and late in the afternoons. The cloth needs to be tacked down one side of the frame and loops sewed on the other side of the material to fasten to the frame. Nails bent hold the loops of the material in place while the garden is covered.  
 The rows are planted eight to 12 inches apart and planted crosswise to make cultivation and harvesting easier. In February and March radishes, lettuce, greens, spinach, mustard, parsley, chinese cabbage, English peas, beets and carrots may be planted. In September onion sets were added and another planting was made in November of the same vegetables which had been planted in September.  
 Buying good seed is as important as the frame itself. Certain varieties are recommended for different sections of the country.  
 Jean Lambethan of Hermleigh Club used wire netting across her frame to keep out the chickens. Her mother says they had delicious greens all winter. They have especially enjoyed the lettuce for salads and sandwiches.  
 Irene and Robbie Jo Brown sisters, of the Dunn Club have had a most successful garden which has attracted many visitors from out of the county. They bought only the material for the cover so the cost was small. Canned greens produced in their garden were exhibited at the district club. Their mother says, "Another good thing about the garden, the vegetables are so much cleaner and require so much less washing than those grown in the open country." She planted vegetables in the open garden at the same time the girls planted theirs. Mrs. Brown's grew about one inch in the open garden by the time the girls' vegetables were as high as the frame.  
 If interested in a typewriter. See the Remington at Times office.

# SNYDER PLANS FINAL DAYS OF SCHOOL TERM

### Seniors to Present Own Program, Slated for Friday, May 26, At Baptist Church

School closing activities will take the spotlight in Snyder all during the month of May, with members of the high school and junior high graduating classes playing feature roles. Candidates for graduation include 54 seniors and 70 seventh graders.

Baccalaureate services for the Snyder High School senior class will be held at the First Methodist Church Sunday evening, May 21, at 8:00 o'clock. Rev. I. A. Smith, Methodist pastor, will preach the sermon. A. W. Yeats, who, with Miss Effie McLeod, sponsors the senior class, will be in charge of music. Professional and recreational will be by Mrs. A. C. Preuit, organist.

**Seniors Own Program.** Seniors, themselves, will present their commencement program Friday, May 26. Exercises will be held at the First Baptist Church. Yeats will again be in charge of music, and Mrs. Ira Harrison will be at the organ. Members of the senior class will give brief talks on their graduation theme, "Personality and Peace." Awards will be made at the close of the service, after seniors have been given their diplomas. Seventy seventh grade students are candidates for graduation in the junior high commencement services Thursday evening, May 25, at the First Presbyterian Church. Announces Principal Hadley Reeve Misses Mary Evelyn Pickle and Dorothy Strayhorn are sponsors of the group.

The program will open with the class song, and musical selections by a group of band students will be presented directed by Johnny Hensley, band director. Selections from the junior high choral club will be heard on the program, and a brief talk of farewell will be given by the leading student of the class.

**High School Graduates.** In the senior class are the following: Faye Best, Evelyn Blakely, Louise Bowers, Margry Brown, Zonell Burnett, June Clements, Billie Lou Hays, Frances Head, Gwen Golin Head, Mildred Herod, Oletha Huffman, Enid Irving, Jobb Jones, La Mae Lincum, Pearl Morton, Mildred Norred, Melba Ann Odom, Evelyn Pollard, Mildred Rainwater, Ruth Shipp, Wilma Terry, Loraine Todd, Adell Watkins, Dorothy Winston, Daurice Worley, Edna Hester, Lunell Pitner, Sidney Mae Webb; Lyle Alexander, Leon Andress, Wokey Barrett, Roy Allen Baze, Daren Bembenek, Walton Bentley, Olan Brown, James Gideon, Gerald Haney, Carl Harrover, Ensey Jenkins, Ervey Lee Keller, Dwain Kite, George Moore, James Patterson, J. R. Popejoy, E. J. Richardson, Prentice Riley, A. B. Sealy, Nathan Shepherd, Jack Stewart, J. C. Williamson, Lyman Yoder, Bill Mann.

## MESCAL IKE

# SCIENCE REVEALS Great Health Benefit\*

### Eat Delicious QUAKER OATS Rich in Vital Health Food\*Thiamin (VITAMIN B1)

SCIENCE now reveals that every-one, young and old, should have a daily supply of Thiamin, for this precious health food for nerves cannot be stored in the body. Yet it affects almost every bodily function so vitally that perfect health is impossible without it. How glorious then to know that in a daily Quaker Oats breakfast you give your family the richest thrifty source of Thiamin. Quaker Oats is so easily prepared, too. So digestible. Saves you time—saves you money. And famous for the health essentials it provides. Oatmeal is outstanding, you know, in proteins for muscle; excellent in valuable minerals and in strengthening food-energy. Find out immediately what benefits you can get in delicious Quaker Oats. Get a package at any grocer's now.

## J. E. Rogers of Snyder, Retired 10 Years, Dies

John Edward Rogers, 84, who retired from active farm work 10 years ago died at 3:30 o'clock Saturday afternoon, at the home of a son, H. P. Rogers, in East Snyder. A stroke of paralysis, which sent him to bed Monday, brought death.

Mr. Rogers came to Scurry County from Red River County 17 years ago. He first farmed north of Snyder, then northeast of Snyder for a year before his retirement. He was a member of the Baptist Church. Mrs. Rogers died in 1928.

Surviving are one brother, Thomas L. Rogers, Petersburg, Virginia; four sons, J. E. Hiram P. Daniel and Jessie W. Rogers, all of Snyder; two daughters, Mrs. J. A. Rhoades, Hugo, Oklahoma, and Mrs. A. L. Waldrum, Clarksville.

Final rites were held at Odom Funeral Home chapel Sunday afternoon, 3:30 o'clock. Rev. Ira Harrison, assisted by Rev. Cone Merritt, officiated. Burial was in Snyder Cemetery.

**Guests of Mr. and Mrs. H. T. Sefton from Wednesday until Friday of last week were Mrs. Sefton's parents, Mr. and Mrs. W. A. Griffith, and her sister, Mrs. Isla Davis, all of Plainview.**

**Mrs. H. T. Sefton left Tuesday and will return Friday from a visit with her daughter and son-in-law, the D. N. Pittmans, and small daughter, Nelda Lee, in San Angelo.**

**Mrs. Ruth Saunders spent the week-end in Abilene.**

**Mr. and Mrs. E. M. Deakins were week-end guests of the Bert Kings in Dallas.**

## BORDEN COUNTY FARM NEWS

By E. W. Medley, County Agent

**Possible AAA Benefits.** Farmers of Borden County are in a position to earn approximately \$22,000 in AAA benefit payments by participating to the fullest possible extent in the 1939 farm program.

**Soil Building Payments.** A part of the conservation payment is in the form of assistance for carrying out soil-building practices. Each practice is measured in units. For example, construction of 200 linear feet of terrace counts as one unit; seeding an acre of alfalfa qualifies as two units; and an acre of green manure or cover crops rates as one unit.

**Parity Payments.** In addition to the conservation payments, the 1939 program provides for price adjustment or "parity payments" of 1.6 cents a pound on cotton, and 11 cents a bushel on wheat.

**Conservation Payments.** The conservation payment is 2 cents a pound on cotton, 17 cents a bushel on wheat, and tentatively 60 cents an acre, adjusted up or down according to the farms production index on general crops.

**Snyder Novelist Is Preparing Another Book, "Ann Sibley"**

**Snyder General Hospital**

**VETERAN IS BACK.** G. M. D. Garner, Scurry County's sole surviving Civil War veteran who has been staying at Aransas Pass the past several months, returned to Snyder last week.

**GAS SAVINGS 15% TO 40%! MOST POWER IN ANY TRUCK**

## Ten County Youths Have Enrolled With CCC Camp Recently

Ten Scurry County youths have been enrolled in the Civilian Conservation Corps during the past three weeks. Mrs. Carrie Line, head of the Scurry County Welfare Board, stated Tuesday.

County youths enrolled during the recent enrollment drive are Alton Blakely, Lonnie D. Harrison, James W. Hanson, William Howard Walker, Mack Auldin Hill, Herbert Lee, Dan William Mallett, George Arthur Herd, Lonnie Jack Mize and Clyde Scott.

Some of the recent enrollees, originally assigned to the Lamesa CCC camp, have been transferred elsewhere. At present 123 Scurry County boys are enrolled in the CCC, with their beneficiaries receiving \$2,706 monthly.

**BANDSTERS PICNIC.** Band Parents Association sponsored a picnic for band students Friday afternoon. The 32 bandsters, eight mothers and Director Johnny Hensley left Snyder at 3:00 o'clock for the City park, Sweetwater, where they took in the amusement centers before supper. The supper included sandwiches, salad, deviled eggs, pickles, potato chips, ice tea and homemade cakes.

**TWO TENNIS ERRORS.** It was incorrectly stated in last week's Times that Doris Allen and Mary Jackson of Hermleigh were defeated in junior girls' tennis doubles at the Sweetwater Junior District 5 meet last Saturday. Robbie Nell Jones and Jean Longbotham were the Hermleigh junior girls defeated by Roby in tennis semi-finals. Winnie Mae Ayres, rather than Opal Jones, was ousted by Rachel McKee of R-Bar in tennis semi-finals singles.

## Mrs. Temple of Fluvanna, Early Resident, Passes

Death claimed 61-year-old Mrs. W. A. Temple of Fluvanna early Tuesday morning after a lingering illness at the Doll Williams residence in North Snyder.

A Scurry County resident for 25 years, Mrs. Temple was born Lottie May Barnhart near Graham in Young County January 20, 1878. Survivors include three daughters, Mrs. Elizabeth Woodard, Mrs. Mary Lee Winter and Mrs. Barnie Irene Allen, all of Hobbs, New Mexico; and one son, O. A. Temple of Guantimo, Cuba.

Rev. C. H. Ward, pastor, conducted final rites for Mrs. Temple Wednesday afternoon, 1:00 o'clock, at the First Presbyterian Church.

Mrs. Temple moved to Scurry County when six years old. From 1892 to 1900 she taught school at Union and in Kent County.

Bandsterners were Dale Warren, E. O. Wedgeworth, Ed Thompson, John Boren, Oris Bullock and L. A. Haynes. Misses Adean Dyess, Rossa Carmichael, Esma Carmichael, and Mrs. Johnnie Ruth Clark were in charge of floral offerings.

Maples Funeral Home was in charge of funeral arrangements with interment in Hillcrest Cemetery.

**DUNCAN HAS MOVED.** R. A. Duncan, who has been employed at Louder Motor Company the past three years, this week has leased the garage at the Teter place one block west of the square. "Bun" Duncan, who has been in the auto repair business 30 years, will specialize in auto service, washing and greasing. He invites new and old friends to stop in with him.

## School Newspapers

This is not an apologetic editorial. Indeed, it is veering toward the other extreme . . . for school newspapers, properly edited and properly sponsored, are assets in Scurry County.

This year, in Scurry County, school newspapers have been published by Snyder, Hermleigh, Pryn, Dunn and Fluvanna. Ira published a paper the previous year, but concentrated efforts on a school scrapbook this year.

Snyder, as the county seat town, is bearing well over 50 per cent of the total school newspaper cost. Is it worth the cost? That is the question asked by business men every time school-ad solicitors call on them. The answer is a many-sided "Yes."

School newspapers tie the consolidated school communities of the county onto Snyder. They enable the merchants to become acquainted with students and teachers who would otherwise be little known to them. They represent the cheapest means of giving a number of students a school-days expression of their writing and leadership qualities. They—and this is probably the most important answer to the question—link each community to its school as no other agency is able to do.

The Times is proud of the part it has played in making Scurry County known widely as the home of many school papers. At a school journalism meeting in Lubbock last year, a Texas Tech speaker declared he knew of no rural county in Texas that publishes as many school papers as Scurry. Immediately, his hearers put Scurry County down in their minds for what it is—the home of one of the most progressive school systems of any rural county in the state.

## Pete Bridgeman's Line

A wide area of West Texas, of which Snyder is the heart, regrets to learn that the transportation business founded by Pete Bridgeman has passed into other hands. Johnson Motor Lines, with routes through a large portion of Texas and parts of Oklahoma, has leased Snyder Transfer Company and is now operating the locally-centered business as a segment in its network.

The story of how lovable, friendly, typically-West Texas Pete Bridgeman built his business from a one-horse local dray wagon to a motor line that encompassed 400 miles of West Texas is a success tale worthy of an eminent novel.

Now that Pete (everybody called him Pete) has gone, it is only the trend of the twentieth century that Snyder Transfer Company should be absorbed by a larger line. Snyder and Scurry County hate to see this change, not only for financial reasons but because they feel a sentimental tug at heartstrings that remember what Pete meant to this community. Not many of us realized, when Snyder Transfer Company was in the hands of local people, what it meant to the community in cold cash. The payroll was tremendous, for a small business. It is probable that Snyder Transfer Company was Snyder's biggest business asset, judged from every angle.

Not that Mr. Johnson's purchase of the line will make such a big difference, except in a gradual change of the local office's routine and employees. This community will continue to reap many benefits because it is a link in a large transportation chain.

In fact, Mr. Johnson, Snyder welcomes you to a progressive community in the heart of West Texas. Your past successes—and the "grapevine" that always talks so freely—tell us that you are entirely worthy of following in the footsteps of our Pete.

## Let's Write a Poem

"The flowers that bloom in the spring, tra-la-lal!" Now that the hillsides of Scurry and adjoining counties are beginning to share their soil with brilliant red and yellow and orange flowers, we should invite our East Texas kinsmen out here . . . between now and the hottest part of the summer. We still maintain that not even Central Texas' fields of bluebonnets, not even East Texas' flower-scented piney woods, not even North Texas' petal-laden streams can hold a candle to a West Texas hillside when it is in colorful parade.

## United We Stand

Many people are still wondering why "the road bond issue carried last week by such a topheavy margin. They continue to wonder even when they learn of the tremendous amount of personal work that was done by folks from one end of the county to the other. The Times has two simple solutions: First, any people, when presented the facts about any issue, in the proper spirit, will respond in a reasonable manner; second, the new spirit of understanding between Snyder and other communities of the county is a thing of joy forever—and a thing of benefit to every nook of the county.

James Smith, who was captured and sentenced to die as a Confederate spy during the Civil War, escaped on the eve of execution, but was later wounded so badly at Gettysburg he was about to be buried in a mass funeral when he managed to move his hands around, and escaped mass internment. On the way to a base hospital the boat capsized, nearly drowning him. Last week, however, when death called, 101-year-old James Smith was found in bed, without his boots on.

## Current Comment

By LEON GUINN

The U. S. Department of Agriculture disclosed last week that various Texas agencies have used almost a million pounds of cotton in housing, highway construction, reforestation and in packaging wool as a practical approach to new uses for cotton in the South. The Triple A's marketing section, for instance, reported that since 1936 it has supplied the Texas Highway Department with the equivalent of 1,065 bales of raw cotton for concrete curing mats alone.

Pointing the way to new uses for the South's money crop, the Lufkin station of the U. S. Forest Service has made application for 6,000 square yards of cotton material for insulation purposes and for sidewall construction. The U. S. Bureau of Reclamation at El Paso is using cotton material for ditch linings in an attempt to prove that any approach to our chronic problem of surplus materials must be met with increased use of the surplus material in question.

Economists attached with the U. S. Department of Agriculture say emphatically our gigantic stock of surplus cotton must be disposed of via some long-range subsidy or export plan, but have not been successful to date in selling people on the idea that accumulated stocks of the fleecy staple will probably have to be disposed of at prices both home and foreign markets are willing to pay. Since the federal government has slightly over 11,000,000 bales of loan cotton stacked up in warehouses, any practical plan for disposal of cotton stocks is being warmly welcomed by Henry A. Wallace these economically turbulent days.

Assuming that people are tiring of plain bread as the proverbial staff of life, a northern manufacturer is introducing an apple flour, made of dehydrated surplus apples, that should make bread richer in mineral and vitamin content when mixed with regular flour. The new apple flour bread is also reported to contain less fattening starches than the plain product.

To people whose delicate tastes have sickened of plain foods, bread wrapped up in a lot of spices and dehydrated apples may have a strong appeal, but folks out here on the West Texas sandhills still get a lot of "stomich" satisfaction out of the plain product, especially when butter or home canned jelly is used to soften any stray bread crumbs that might tickle the gozelle bone.

Standard Oil Company of New Jersey will shortly release details of plans to construct a refining plant at Baytown, Texas, or Baton Rouge, Louisiana, for large-scale production of ethyl alcohol by a new process utilizing waste gas. Tidewater Oil and Seaboard of Delaware are experimenting with a new "recycling" process for extracting natural gasoline from wet gas that calls for pumping the gas back into the sand, extracting gasoline from it again, and so on.

Phillips is joining in the major company parade seeking to increase the quality and potential quantity of our gasoline supplies within the next few years, which means that the most conservative oil operator is becoming conservation minded these days, realizing that the petroleum industry is entirely too important to be ruined within the next 50 years by hog wild production methods. The Department of the Interior, through Harold Ickes, has been hammering away at stringent conservation measures since 1933, pointing out that the oil industry will survive several generations if wisely guided.

Although Lindbergh's "call" to active army duty is conceded by Washington observers to be an astute publicity move by Secretary of War Woodring, Lindbergh's main value in army duty will be to give the Air Corps prestige and publicity that should have a bearing on department requests for fat new appropriations. Lindbergh's knowledge of our air defense weakness is duplicated by information the War Department has had on hands for months, but sanction of defense needs by our one-time No. 1 air hero should carry a great deal of weight with new appropriation okeying foes.

Strawberry picking time in Louisiana has been anything but pleasant this year, as leaders of an opposing farm group and labor union have sought to take all the sweetness out of berry picking time by charging chain stores and independent merchants with everything short of mayhem in fixing selling prices on the ambrosia of the truck farm. Texas has been affected only indirectly by the Louisiana strawberry price war, but Rio Grande Valley producers fear strife in Texas strawberry fields will materialize if the Louisiana farm group is successful in a case brought to trial last week charging wholesale price cutting.

Drs. Lee T. Smith and H. V. Claborn reported last week the fermentation by them of whey (curdless skim milk) into lactic acid by utilizing the sugar element of whey. By a little laboratory hocus-pocus, the lactic acid was converted into a tough, rubbery substance that can be used as a valuable covering for balloon cloth, anti-war gas uniforms and sails on rowboats. And now that science has reached the point where cow rubber may be used in a pinch as a substitute for the real product, we're about ready to believe wool from milk will be the coming thing for next year's smartest dress creations.

## High Ranking to Snyder Girls at Galveston Rally

Local home making girls rated in the upper bracket among several thousand other high school entries in the state rally held in Galveston Wednesday, Thursday, Friday and Saturday of last week. Sponsored by the local home making instructor, Vera Periman, the girls' rating was well above others of this area.

Clothing costumes planned and made by one girl from each of the three classes of home making were modeled and graded. Method of grading was in four classes, highly superior, superior, excellent and good. The Snyder High School were fourth place in the state, receiving a \$5 cash prize.

Carolyn Dunn, first year representative, received an excellent rating on her wash dress, and her written test on "Friends with Children" from her child guidance unit was rated superior. Dorothy Winston, second year student, received a superior rate on her general wear sports costume, the highest grade made in the division.

Billy Lou Hays, third year, was the only local girl to receive a highly superior grade on her special occasion costume. The costumes were graded on color, appropriateness, accessories, posture, etc. The play entered by the local school was graded good, having been written by Dorothy Murphree. Dorothy Winston and Jerry Chapman, club representatives, took part in a choral contest, their division placing third.

Appearing early Saturday morning, first of four amateur performers, was Snyder's Billy Jean Wilford, tap dancer and rope twirler. Motion pictures in technicolor were made of the performance, which was her best on record to date.

Banquet, luncheons, beach parties, boat rides and other entertainment kept the local group busy, but they took time out to meet the W. C. Hollis family on the beach for a picnic supper, between Galveston and Port Arthur, present residence of the former Snyder teachers and their young daughter, Sue D.

## Trained Worker to Be at Local Church

Miss Ruby Lavender, trained religious worker and singer, became associated with the First Baptist Church Sunday morning. She was recently elected by the church to have charge of several phases of the church program.

Leader for song services at the local revival several months ago, and later visitor at the church, Miss Lavender became acquainted with a number of local people. She is making her home with Mrs. Ethel Eiland.

The special worker is a graduate of Couthach College, Arkadelphia, Arkansas, and has just completed her first year of work in the Southwestern Baptist Theological Seminary, Ft. Worth.

## FAIR COMMITTEE.

Meeting of the Scurry County Products Show Committees has been called by E. J. Anderson, chairman, for May 20. Members of these fair committees are urged to remember the date, Saturday, May 20, at 3:00 p. m. and meet Anderson in the county court room.

The character and lives of men determine the peace, prosperity, and life of nations.—Mary Baker Eddy.

## UNITING GROUP IS HARMONIOUS CROSLEY LINE AT NEW STORE

Rev. I. A. Smith, returning by train Saturday from the uniting conference of Methodism at Kansas City, declared the gathering was "the most inspirational, harmonious and uplifting meeting of this kind that I have ever attended."

He declared the Methodist Episcopal Church, Methodist Episcopal Church South and Protestant Methodist Church are uniting in a great way. The sessions were slated to close Wednesday night of this week.

D. P. Yoder, one of 700 regular delegates to the conference representing 8,000,000 Methodists, with Mrs. Yoder, are remaining for the entire sessions, and will probably return Friday. Rev. and Mrs. J. N. Tinkle of Fluvanna are also remaining for several days longer. They are visiting relatives en route.

Rev. Smith, back in his native birth Kansas, enjoyed two days with kinsmen prior to the conference.

## HOSPITAL MEETING.

Routine business was transacted by the Snyder General Hospital board of directors at their Tuesday night meeting in Odom Funeral Chapel.

Harrie Winston, board president, presided. Those present included Winston, A. C. Prentiss, W. J. Ely, G. B. Clark, N. M. Harpole, Frank Farmer and Ralph Odom.

Snyder's newest business house—Home Appliance Company—is featuring the Crosley line of electric and kerosene shelved refrigerators.

E. J. Anderson and W. D. Sims Jr. are owners and operators of the new business. They have leased the front portion of the building occupied by Yoder Garage, half block west of the square on 26th Street.

In addition to the Crosley refrigerators, which they now have on display, Anderson and Sims are agents for standard electric appliances, Crosley radios, air conditioning equipment and National sewing machines. They announce, too, that they will be agents for the new Crosley low-priced automobile, soon to be on display here.

## PARTY AT CANYON.

Mr. and Mrs. E. L. Goolsby were host and hostess last Friday night, at the Canyon teahouse, to several neighbors. It was a "refrigerator" party, with Stinson Drug Company, county dealers for Servel Electrolix, as sponsors. Attendees were: Messrs. and Mrs. L. F. Sterling, J. W. Layne, T. M. Pherigo, O. J. Martin, D. R. Carter, Clifford Burrow, Ed Taylor and R. E. Adams.

Mrs. E. J. Anderson left more than a week ago to spend several weeks with her daughter, Brentz, in Hollywood, California.

## DUNCAN HAS MOVED

## Pioneer Snyder Transfer Leased By Johnson Line

Pete Bridgeman's dray business that grew from a one-horse affair to a 400-mile motor transportation line has been leased recently by Johnson Motor Lines, with general offices in Ft. Worth.

Snyder Transfer Company, which has been operated by Mrs. Bridgeman since the pioneer transfer man's death three years ago, has been under the management of O. D. McGlaun, and the central office has been maintained in Snyder.

W. A. Johnson, owner of the purchasing company, and D. C. Armstrong, supervisor, who have been frequent visitors here, indicate that no immediate major changes will be made in the office routine and personnel. Johnson has made application for purchase of Snyder Transfer Company, but final approval has not been received from the Interstate Commerce Commission.

Snyder Transfer Company operated from Abilene to Lubbock, by way of Snyder; from Lubbock to Big Spring, by way of Lamesa; and from Snyder to the New Mexico line and Seagraves, by way of Lamesa and Seminole. The Johnson network operates north to Oklahoma City, northwest as far as Denison and Bonham, east as far as Dallas and Greenville, and west, in two main lines with subsidiaries, as far as San Angelo.

Snyder Transfer Company will be maintained as the local name of the company, although it has become a part of another line. Virtual consolidation of the two lines grew out of the close friendship of Pete Bridgeman and W. A. Johnson. Pete, as thousands of people in West Texas knew the pioneer transfer man, had dreams of a line into Ft. Worth, possibly farther. And he expressed the wish

## School Men Believe House Favors More Money for Schools

Roy O. Irvin, county superintendent, accompanied by C. Wedgworth, superintendent of the local school, and M. E. Stanfield, local faculty member, returned last Wednesday night from Austin after a Tuesday trip to the Capital City in support of present school legislation.

According to the trio of school men, a majority of legislators were against the proposed per capita cut to \$19.

The House passed and sent to the Senate this week a bill favoring a maximum figure of \$15 per capita appropriations in preference to the present \$22 level.

## PARTY IN MRZAY HOME.

A "refrigerator" party in the home of Mr. and Mrs. Ed Mrzay, east of Hermleigh, was sponsored last Thursday night by Stinson Drug Company, Electrolix dealers. Mr. and Mrs. Mrzay greeted these neighbors: Messrs. and Mrs. Bob Glasscock, Louie Brock, Bula Sturdivant, Slim Graves, Raymond Way and Wayne Rogers.

If Snyder Transfer Company were ever sold, that it go into the hands of his old friend.

## ODOM FUNERAL HOME

MAY 14  
Mother's Day

There are hundreds of things you can do to make Mother's Day a happy one for your Mother. You can give her a gift—it needn't be a big one—and Bryant-Link is prepared, as usual, to help you select just the gift she would like.

She'll be thrilled with the remembrance—especially if it's a practical, useful one from our Quality Store. Maybe this list of suggestions will give you a "tip!"—

- SILK, RAYON OR COTTON DRESS
- HAT FOR SUMMER
- SILK HOSIERY AND SHOES
- SLIPS AND UNDIES
- HANDKERCHIEFS
- SILK SCARFS
- SEWING ACCESSORIES, MATERIAL
- HOUSE SLIPPERS
- BATH TOWELS AND CLOTHS
- BED SPREADS, LINENS
- WINDOW CURTAINS
