Stephen Ray Steps Down As State FFA Officer

Steven Ray, son of Dr. and Mrs. Phil Ray, retired from The Texas Association of the Future Farmers of America, on the morning of July 14, 1982, at the State FFA Convention. The convention began on July 13 at the Tarrant County Convention Center in Fort Worth and lasted through July 16.

Over 6,500 delegates and guests were present including Steven's parents and brother, Scott and his grandparents, Mr. and Mrs. Marion Ray from Newton, Kansas, and Mrs. Elma Hamilton from Marquette, Kansas. Attending from Robert Lee were Sid Long, Scot Long, Terry Joe Millican, Scott Stephens, Quint Anthony, Eddie Hood and Stan Ray.

Last year, Steven took office with nine other young men from across the state of Texas. Since then, he has had the opportunity to travel approximately 6,000 miles and present about 43 banquet speeches throughout the State. He represented the State Association at such major stock shows as Ft. Worth, San Antonio,

and Houston Livestock Show and Rodeo.

Besides presenting his parents with the Honorary State Farmer Award, Steven presented Mr. Long with a Certificate of Appreciation.

Steven wishes to thank the Robert Lee FFA Chapter and especially Mr. Long for their support and help during his year as a State Officer.

Cystic Fibrosis Chairman For Silver Is Named

The Lone Star Chapter of the Cystic Fibrosis Foundation announces the appointment of Mrs. Clifford Wilson as Chairman of its 1982 Campaign in Silver.

The Campaign will be held to provide the community with information about Cystic Fibrosis and to raise funds to support research, education and care programs for CF patients.

The number one genetic killer of children, Cystic Fibrosis is inherited and incurable - claiming three lives each day. An estimated one in 20 Americans is a symptomless carrier of the recessive CF gene. Currently, half of all children born with CF will die before reaching their 20th birthday.

Aug. 26 Date For Giving Blood

United Blood Services of San Angelo will be in Robert Lee on Thursday, Aug. 26, at 1 p.m. for a community blood drive. They will be set up in the West Coke County Hospital for this life-giving campaign. All those between 17 and 70, and in good health, are asked to contribute "the gift only you can give."

Wyniese Way of Bryan was a weekend guest in the home of Edna Havins. Miss Way's summer vacation from her teaching position at Texas A&M University is drawing to a close and she will resume her duties later this month.

Mt. Creek Golf Club News

It's a tradition that fishermen and golfers will brave anything to "do their thing" and some things never change. The temperature has ranged from 96 degrees to 104 degrees but the course has stayed busy.

Last Thursday, our weekly Club tournament drew 20 golfers for 9 holes and a watermelon feast. J.W. Caudle and Pam Walker fired a hot 32 for first place, followed by Clarence Tinkler and Bill Burns with 34. Also shooting a 34 were Calvin Sparks and Mickey Pierce for third.

On Sunday, Aug. 15, Ethicon Inc. of San Angelo held a tournament for their employees on our course. Sam Moya, Mark Horton, and Jerry Zak were first place winners with a -7. The Glen Rodriguez, Dale Bridges, Jimmie Gomez trio were -5 for second and third went to Darvin Stegall Larry Davila, and Manuel Luna Sr. with -3.

Sunday, Aug. 22, at 1:00 p.m. the scheduled ABC tourney will tee-off. Attendance has been very good this summer for our ABC's. The club is pleased with the re-newed local interest, too.

We golfers need to be making plans toward our annual 2-man Select Shot Tournament on Sept. 4 and 5. Club members should talk this up and find yourself a partner!

Local football fans have an opportunity to look over the 1982 Steers as the squad will travel to Sands for their first scrimmage on Friday at 6:00 p.m.

Coach Jerold Epperson reported that the Steers are faced with a tough schedule this year, with no easy games ahead, even down to scrimmages. Sands, and Roby the following Friday, are both strong opponents. Sands will return 9 first teamers, both offensive and defensive, with one move-in from Garden City to help them out. They have good size on the line but are a little light in the backfield. Sands battled the Steers to a 0-0 stand-off last year.

The Robert Lee Coaching Staff remains the same as last season. Heading up the group is Head Coach and Athletic Director Jerold Epperson who has charge of the backs and linebackers. Clyde Dukes directs the offensive backs and the secondary. Ed

Poehls is responsible for the interior line and defensive ends. Max Anthony coaches the outside offensive line and defensive tackles. Bobby Bolding works with the secondary and split ends.

Coach Epperson has had 35 football players out for the two-day drills and is "pleased with the group as a whole. They are looking better each work-out and everyone's attitude is good. The defense looks real good for so early and the offense is taking hold on some new looks in formations. We will continue to run the I but will add some T formations. They're picking it up real good because it's new to most of these boys. We have some depth in the offensive line but are shy in the backfield."

Epperson concluded "the one real thing lacking is strong team leadership." He would love to see some leaders emerge and take the initiative on a solid team effort rather than individual effort and every football player work for the good of the STEER team.

The Coaching Staff and the school urge everyone to back and support the team.

On Monday, Aug. 23, in the High School Film Room, at 7:00, there will be a meeting to try re-organization of a Steers Booster Club - LET'S BACK THE STEERS!

Monday Fire Destroys Local Residence

Volunteer fireman were called out about 3:30 a.m. on Monday to a residence fire at 512 West Chadbourne St. As firemen arrived, they found the 3-bedroom mobile home already engulfed in flames and could only contain it and prevent damage to neighbors property.

Mr. and Mrs. Leroy Brabant, owners of the property, were away on a trip at the time of the blaze. The house was a total loss. Speculation ran to a faulty water heater as probable cause of the fire.

Bill Allen, who lives across the street from the property, had wakened to the smell of smoke and on investigation discovered the fire. After calling nearby neighbors, the West Thomas', he called in the initial alarm.

RECEIVES MASTER'S DEGREE

Sherrill Ann Davis, was one of 84 students participating in the August, 1982 commencement exercises at Hardin-Simmons University in Abilene.

Miss Davis received a MEd degree with a major in Counseling & Human Development.

She is the daughter of Mr. and Mrs. Vaughan Davis of Robert Lee.

Annual County Fair To Be Held Sept. 17-19

It's Fair time again. The Annual Coke County Fair has been scheduled for Sept. 17-19, to be held in the Show and Recreation Center in Robert Lee.

The Fair Catalogs have been placed in several Bronte and Robert Lee businesses during the week. Copies may be picked up at the following locations:

In Bronte - Thrif-tee Grocery, The First National Bank and West Texas Utilities Co. Office.

In Robert Lee - The Coke County Extension Office, the Robert Lee City Hall, Roach's Dry Goods, West Texas Utilities, and Robert Lee State Bank.

The County Fair Committee encourages everyone to make plans to be a part of the 1982 County Fair.

Sheepmen Voting On Referendum

Sheep producers in the county will vote for or against a new agreement between the U.S. Department of Agriculture and the American Sheep Producers Council for advertising sales and promotion of unshorn lambs and wool.

J.E. Quisenberry Jr., County Executive Director, says the referendum will be conducted from the 16 through the 27 of August.

The agreement authorizes the Agriculture Department to withhold up to 4 cents per pound on 1982 shorn wool marketings and 20 cents per hundred-weight on unshorn lambs.

Quisenberry said the ballots and a copy of the agreement were mailed to wool producers on August 16. Ballots may be returned by mail or in person to the county ASCS office.

ETERNITY

Eternity Singing Group To Give Free Concert Here August 31

The Eternity group will give a free concert in Robert Lee, Aug. 31, which is a Tuesday at 8:00 p.m. in the Amphitheatre on Mountain Creek.

Various Robert Lee residents have volunteered their homes as sponsors for two nights for these young musicians.

Their work depends on donations and gifts during their travels and they have been supported and accepted throughout the world, usually as a community effort.

The group of 15 members originated in 1973 and have traveled over 70,000 miles each year across the states and to foreign countries. The young musicians desire is to serve the Lord with their talent by communicating to people the love of Jesus. The music they present is traditional and contemporary.

Rites Held For Miss Winston

Graveside services for Ella May Winston, 79, were held on Saturday, Aug. 14, at 3:00 p.m. in Miles Cemetery, under the direction of Shaffer Funeral Home. The Rev. Fred Cox, pastor of the First United Methodist Church in Robert Lee, officiated the rites.

Miss Winston, a retired lab technician, died at her home at 105 West 16th St. after a sudden illness on Thursday evening, Aug. 12.

She was born in Bardwell, Texas on Dec. 7, 1902. Graduating from Southwestern College in San Marcos as a lab technician, she worked first at Baylor Hospital in Dallas. She later worked at Randolph Air Force Base in San Antonio and Lowery Field in Denver, Colo. before beginning a long career at Latterman's General Hospital in San Francisco, Calif. She retired there after

35 years of service in 1975.

Miss Winston had made her home in Robert Lee about 3 years.

She was a member of the Methodist Church.

Survivors include two sisters, Loraine Martin of Freer and Bettie Page of Robert Lee; two brothers, Herbert Winston of Water Valley and Fred Winston of Alice; 3 nieces; and nine nephews.

HURLEYS VISIT HERE

Jerry Hurley and family of Pensacola, Fla., visited in Robert Lee and Sanco last week renewing acquaintances, as a side trip to see his father, Carl Hurley, of San Angelo.

Hurley, who retired from the United States Navy last year after 24 years service, is a former Robert Lee resident and graduated from R.L.H.S. Since his retirement, he has enrolled in a junior college in Pensacola and is between semesters.

Turner Services Held Tuesday

Marcus Douglas Turner, 77, of San Angelo died at 9:10 a.m. Aug. 15, 1982 in Shannon Hospital. Services were held at 10 a.m. Tuesday, Robert Massie Riverside Chapel. Burial followed in Lawhaven Memorial Gardens under the direction of Robert Massie Funeral Home.

Turner was born July 8, 1905 in Itasca, Tx. He was a gang pusher for Pool Well Service for 25 years and for the past year had been associated with Tucker Drilling. He served 3 years in World War II with the 9th Bomber Squadron in the 7th Bomb Group as a parachute rigger in the CBI War Zone. He married Robbie Bell of Robert Lee Dec. 18, 1926 in Ballinger. Turner was a 31 year resident of San Angelo.

Survivors include his wife Robbie Bell Turner of San Angelo; one brother, Ed Turner of Happy; three sisters, Mrs. Myrtle Lawler of Happy, Mrs. Lena Taylor of Amarillo, Mrs. Myarlee Vick of Houston and a host of nieces and nephews.

He was a brother-in-law of Mrs. A. J. Bilbo of Robert Lee.

Band Booster News Items

An ice cream supper was enjoyed by band members and their families on Thursday evening, Aug. 12, at the Band Hall in the school building.

Band Booster chairperson Kay Grim reminded everyone that a table will be set up at the first regular home football game for anyone who would like to join and support the band. Memberships are \$1.00 per person.

A regular Band Booster meeting has been scheduled for 7:30 p.m. on Monday, Aug. 23, at the Band Hall.

This pump runs rain or shine

This one runs only when it's dry.

Oil wells pump continuously, irrigation pumps are seasonal. The cooperative must forecast demand with a high degree of accuracy so there's adequate power for both.

Because the Public Utilities Commission requires cooperatives to base their rates on the cost of delivering electric services, sporadic high demand, especially during periods of peak usage, requires a higher rate. But it will never be a penny higher than it has to be. That's a promise we've kept for more than 40 years.

Mrs. Kerry Gartman

Frankie Walker, Kerry Gartman Married In R-Lee Baptist Church

The marriage of Frankie Ann Walker and Kerry Lynn Gartman was solemnized at 7:00 p.m. on Saturday, Aug. 7 in the Robert Lee Baptist Church. Officiating the double ring ceremony was the pastor of the church, the Rev. Roy Epperson.

The bride is the daughter of Mrs. Jackie Walker and the late Ralph Walker. Parents of the groom are Mr. and Mrs. Douglas Gartman.

The altar was decorated with sprigs of greenery and yellow roses. Heart-shaped candelabras entwined with yellow roses and greenery accented the setting.

The bride was escorted down the bridal aisle by the bridegroom. She wore a formal gown of white organza enhanced by a scoop neckline and sheer, full bishop sleeves. The full skirt, banded by wide lace, extended to form a chapel length train.

Carrying out bridal traditions, she wore her new wedding dress, and something old was her grandmother's gold bracelet. She borrowed her mother's pearls and wore a blue garter.

The bridal bouquet was a cascade of yellow and white roses atop a white pearl-seeded Bible used in her parent's wedding.

Attending the bride as maid of honor was Pam Walker. Bridesmaids were Loretta Bridges, Jana Gartman and Vicki Flowers. Cresta Humphrey was flower girl.

Dennis Gartman served as best man. Groomsmen were Walter Flowers, Clay Bloodworth and Randy Gartman. Ringbearers were Eric and Aaron Hood. Bill Hood and Roy Blair ushered wedding guests.

Vocalists Carla Walker and Mack Fox sang "The Wedding Song" and "The Bridal Prayer," accompanied by Mary Anne Lackey. Organist for the occasion was Bonita Copeland.

Following the ceremony, a reception was held in the Fellowship Hall. The serving table was centered with a silver candelabra accented by yellow roses. The white, four tier wedding cake was decorated with yellow roses.

Serving at the reception were Judy Blair, Rhonda Hood, Linda Gartman and Becky Ross.

Kenda Rasco and Dee Anna Key registered the guests. Rice bags were passed by Amanda Riley and Tracie Blair.

Members of the house party were Agnes Hardin, Edith Conger, Jerry Colburn, Doris Fox and Jennie Tinkler.

Following a short wedding trip to the Dallas-Fort Worth area, the couple will be at home in San Angelo where they will both attend Angelo State University this fall.

Mr. and Mrs. Douglas Gartman hosted the rehearsal dinner on Friday night at the Recreation Hall.

Directory Assistance Operators Now Asking For Numbers, Too

Directory assistance operators are still giving out numbers these days ... but now they're asking for numbers, too, according to E.O. Cambern, general manager - West Texas Division Operations for General Telephone.

Some customers are finding the operators' requests surprising, Cambern said, and are asking why. The reason, he explained, is a change effective August 1, 1982, which allows General Telephone to charge customers for calls to directory assistance.

There has been considerable media coverage of the new directory assistance charging, Cambern explained, but apparently it was not understood that the new charge would require operators to ask for the customer's telephone number.

The plan now in effect for General Telephone is the same plan Southwestern Bell had approved by the Texas Public Utilities Commission in June, 1977.

Camborn said, "Each call to directory assistance is recorded, and after ten calls from their number, charges will be made and will appear on their monthly bill. Calls are recorded during the billing period as reflected on customer statements.

Those calls that are recorded are calls placed from residences, businesses and mobil telephones. Businesses with PBX trunks are allowed ten calls per trunk. Customers may obtain two separate numbers each time directory assistance is required. Calls will also be recorded if the number requested is not listed or is a unpublished number.

Camborn urged customers to:

*First check their directories before calling directory assistance for numbers.

*Make a note of the number if a directory assistance call is required and record the number in their directory. This will help the caller avoid exceeding the 10-call per month allowance on directory assistance calls.

Charging for directory assistance will help to keep basic monthly rates lower than they would be without the charge, Camborn said. He added that studies show approximately 9 percent of the total directory assistance users make nearly one-half of all calls to directory assistance.

NOTICE

Theft of Cablevision Television service is illegal under Texas Penal Code Chapter 31, Section 31.04. Violators will be prosecuted. It is unlawful for any person to willfully or maliciously damage or cause to be damaged any wire, conduit, apparatus, or equipment of Cablevision, or to commit any act with intent to cause such damage, or to tap, tamper with or connect any wire or device to a wire, tamper with or connect any wire or device to a wire, cable, conduit, apparatus or equipment of Cablevision with intent to obtain a signal or impulse therefrom without authorization or compensation, or to obtain Cablevision Services with intent to cheat or defraud Cablevision. Any person violating any provision of the state of Texas Status 38, Chapter 31, pertaining to theft and theft of service shall be liable to a penalty as provided through legal proceedings instituted by County, District and Municipal Courts.

Camborn also said calls for which no charge would be assessed for calling directory assistance are those made from coin telephones, hospitals, by certified handicapped persons who cannot use a telephone directory and calls for long distance directory assistance in the customer's area code which are offset by a long distance call to a number within their area code. Long distance directory assistance for numbers outside the customer's area code are not subject to the charge.

Handicapped persons may be exempt by providing a certified statement of their handicap. The statement may be from a doctor, state agency or a service agency which deals with their handicap. The statement must be delivered to General Telephone's business office, and when received, the customer's records will be noted.

Jerry Lackey's Country Folk

Little showers scattered across many parts of West Texas last week helped much of the terrain -- at least to keep the grass alive -- but mostly they helped bring the temperatures down.

Comfort, Texas, has been on the outside of summer rains and for the most part was a drought pocket in the middle of the Hill Country. That is, until last week! County officials had enough of it, so they hired a rain dancer to bring rain. On the day of the big event, the dance was rained out!

This columnist traveled the Big Country last week. Home of the Hereford cattle, Albany, Texas, is in top shape for late summer. Tall grass waves in the wind.

I drove through Sweetwater and over to Sterling City and Barnhart to Big Lake. The Reagan County area is also in good shape.

Some upcoming events which you may want to place on the calendar by the icebox: Lamb and wool producers will have the opportunity to vote for the referendum Aug. 16-17; and Texas and Southwestern Cattle Raisers Association will sponsor a membership team roping and barrel racing at the Southwest Texas Junior College in Uvalde Aug. 14.

Also, Aug. 28 is the kickoff of the Cattlemen's Round-Up for Crippled Children for 1982. The barbecue supper at the Hoolihan Acres at Mertzon will be followed by a cattle sale in Abilene on Sept. 27 and special sheep and

goat sales in Junction and Coleman in October. The annual CRCC Horse Sale will also be a part of the round-up.

In Del Rio the other day, the bankers were discussing the "again devalued peso." Running out of dollars for the second time in six months, the Mexican government freed its weakening peso to float to a sharply devalued level in free trading.

Mexico's last major devaluation, in mid-February, brought the peso from 27 to the dollar to 45. Banking analysts expected the peso, pegged at 49 to the dollar last week, to plunge to around 80 to the dollar.

The devaluation will hurt U.S. businessmen near the border who depend heavily on retail purchases by Mexicans, whose pesos will buy fewer dollar-priced goods.

Following the sharp price last week, increases were realized for bread, tortillas and gasoline. It was expected to push Mexican inflation far above the current 60 percent a year rate.

Well, subject matter in this column has included a little bit of everything. As you read this, I am in Austin meeting with clients. No doubt I will return with more bits and pieces of information for next week. Visit with you then!

FREE EDUCATION AND THE UNDOCUMENTED WORKER

On June 15, 1982, The Supreme Court ruled, 5-4, that Texas and other states must provide free public education for the children of undocumented workers—people in this country illegally.

Our current Lt. Governor, Mr. Hobby, was happy with the decision, praising it as the "only rational decision" the court could have made.

On the contrary, I think it was a wrong decision that defied both law and logic.

One of the principal underpinnings of an orderly society is that one should not benefit from breaking the law. All around the world, thousands of people stand patiently in line at our embassies, waiting for legal entry into this country. By its recent ruling, the Supreme Court told these people that, if they are smart, they will ignore our immigration laws, find some other way to enter, and then there's a good likelihood all manner of taxpayer-supported benefits

will be open to them and their families.

We can all feel sympathy for people driven to emigrate by desperate economic conditions. And I believe we should be compassionate toward the children of undocumented workers who are here through no fault of their own. We have been told we must educate these children and we will: it is our duty.

But I am deeply concerned about the effect this will have on our school systems and the quality of education. We have only a certain amount of desks and dollars with which to address the problems of educating Texas' children.

The court was essentially establishing social policy under the guise of ruling on a constitutional question. The result was bad law and bad social policy. It should now be up to the Federal Government to help pay for the mess they have created by not properly policing our borders.

After the speed events were

finished a "boot scramble" was held. We mixed the 6 and under and 7-9 age groups, the 10-12 and 13-15 age groups. We took all of the first groups boots, put them in a bag and placed it in the middle of the arena. The kids were turned loose and were told to come back with a pair of boots on their feet. The boots didn't have to be theirs and they didn't have to match. But to win they had to cross the finish line wearing boots.

Winners of this fun event were:

6 & under - Jason Cooper.

7-9 - Kristi Cooper.

10-12 - Misti Taylor.

13-15 - Pam Glenn.

The next play day will be Saturday, Aug. 28. We will also be making up a play day that was missed earlier in the season.

So, be sure to come Aug. 28. We will start at 7:00 sharp and have two play days in one night. This will conclude the '82 season. We will have election of new officers.

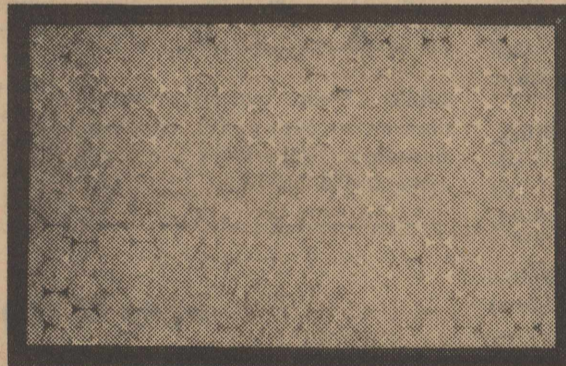

Sharen Naico Attends School

Sharen Naico, secretary for Coke-Sterling County Farm Bureau, attended the annual conference for office secretaries, Aug. 1-4, held in Waco.

She received instructions and heard guest lecturers. General sessions were held on state legislative affairs, TFB commodity programs, the Safemark program, and county newsletter.

Summer Fall Winter or Spring

your filter can get dirty, clogged, waste energy...

but a clean filter saves energy, money.

The purpose of a filter on your air conditioning or heating air blower is to help catch dust and dirt before it can enter your unit. In time, the filter will accumulate dust and dirt... if it gets clogged, it can't do the cleaning job it's supposed to and uses more electricity. To avoid damage to your unit and to save energy and money, be sure filters are clean. Permanent types can be cleaned according to the manufacturer's instruction. Non-permanent types should be replaced. It is wise to check filters every 30 days.

Vic Dodsons Attend Odessa Junior Rodeo

Mr. and Mrs. Vic Dodson, former Robert Lee residents, recently attended the Ector County Sheriff's Posse American Junior Rodeo Association (AJRA) rodeo in Odessa.

Dodson, a contestant in many rodeos himself, and his wife had a special interest in this year's event. It was announced that the honoree would be Walt Wilson, 70, of Odessa, who is Bonnie Dodson's grandfather.

Wilson was so honored because he is the oldest active member of the Sheriff's Posse and was a charter member.

His working career was spent in East Texas as a mule skinner for eighteen years. He has a collection of good "tales" he can tell.

He moved to Odessa in 1948 and because involved with his favorite hobby, the Sheriff's Posse. Wilson and his wife still ride on occasion and he rode in the Grand Entry during each of the rodeo performances in Odessa.

Cuba's cobalt may be wartime necessity for United States

COLLEGE STATION — In the event of a drawn-out, non-nuclear war, American strategists might have to take a covetous look at Cuban reserves of high-priced cobalt, a useful material in building military aircraft and electronic weapons, concludes a study by a Texas A&M University System think tank.

A diplomatic arrangement for gaining access to cobalt deposits on the Caribbean island would be preferable, but the mines might have to be secured in some way by force of arms, study coauthor Dr. Richard Thomas says in the Texas A&M magazine Quest: Research and Scholarship at Texas A&M University.

"We certainly are not suggesting an immediate invasion of Cuba," said Thomas, director of the Center for Strategic Technology, operated by the Texas Engineering Experiment Station.

"But in a war, it would be difficult to imagine the United States allowing a Soviet satellite to exist 90 miles away, especially one that contains such a large amount of this important wartime material."

Besides being a critical material in building airplanes and electronic weapons, cobalt is also useful in strengthening steel for tanks, ships, and other military hardware, Thomas said.

"Dieting is a system of starving yourself to death so that you can live a little longer."

Rites Held For Mrs. Denman

Funeral services were held for Mrs. Velma Etta Denman, 87, on Tuesday, Aug. 17, at 3 p.m. in the Robert Lee Baptist Church. Interment followed in Sanco Cemetery under the direction of Shaffer Funeral Home. The Rev. Roy Epperson was the officiant.

Mrs. Denman died in West Coke County Hospital at 5:05 p.m. Sunday, Aug. 15.

She was born in Pontotoc, Texas on June 7, 1895, and moved to Coke County in 1905. She was married to B.E. Byrne in Robert Lee in 1920 and he died in 1922.

She was married to Guy Denman in 1937. The couple retired from ranching in 1961. Mr. Denman died in 1968.

Mrs. Denman had been in ill health and a resident of West Coke County Nursing Home a number of years.

Survivors include one step-daughter, Estiline Denman Pate, Denver City; four step-sons, Aubrey Denman, Bronte; Orville Denman of Abilene; J.W. Denman, Stanton, and M.L. Denman of Corpus Christi; two brothers, Bryan Gartman of Sanco and Dewey Gartman of Colorado City; and a number of nieces, nephews, and step-grandchildren.

Pallbearers for the services were Weldon Fikes, Teddy Pitcock, Douglas Gartman, Marshall Millican, Bill Allen, all of Robert Lee; Walter Davis of Lovington; N. Mex.; Donald Mahler, Denver City; and Robert Ramage of Colorado City.

Social Security News Items

The Social Security Administration is responsible for insuring that payments due under the supplemental security income program are made timely and in the proper amount. Payments are made monthly based upon average income over each calendar quarter. In addition to income, many other factors must be considered in determining eligibility and payment amount. Some of these factors include resources, living arrangements and continuing disability. Persons receiving SSI payments are required to report immediately to their nearest Social Security office any changes in their eligibility status. Changes in status include any changes in the immediate family's earnings or other income, property or liquid resources, marital status and address or living arrangements. In addition, changes in alien status or residence can affect SSI eligibility. Social Security should also be notified if a beneficiary can't manage his or her own funds or if a beneficiary dies. Disabled or blind recipients must notify So-

cial Security immediately if they take a job or become self-employed or if their condition improves.

If an SSI recipient fails to report any changes within 30 days after the end of the quarter in which the change occurs, a penalty deduction of from \$25.00 to \$100.00 may be imposed against future SSI payments and may lead to referral for legal prosecution. Changes can be reported by mail or by coming to or calling the nearest Social Security Office.

Odoms To Be Honored On Anniversary

Thelma and Bob Odom will be honored at a reception on Sunday afternoon, Aug. 22, from 2-5 p.m. on the occasion of their Fiftieth Wedding Anniversary. Their children and grandsons will host the affair in the Riverside Center at the Holiday Inn in San Angelo.

All of their friends are invited to attend.

Mrs. Lillian Middleton has returned home from Houston after a 45 day stay with her oldest son, Wilfred Caraway of Katy. He was hospitalized for a lengthy period suffering from hepatitis and a serious heart ailment. Mrs. Middleton reports that he is somewhat improved.

EXTENSION EXTRAS

by Mary Anne Lackey

The Food and Drug Administration has asked more than 100 manufacturers and distributors of "starch blockers" to discontinue marketing them until scientific testing confirms the safety and efficacy of these weight management products.

Starch blockers are prepared from raw beans, such as kidney and northern beans, and possibly other unknown ingredients. The products have been advertised and sold nationwide with claims that they block or impede starch digestion and thus help in weight control and weight reduction by preventing absorption of carbohydrates.

Users of the products have complained to FDA of nausea, vomiting, diarrhea and stomach pains. Persons with diabetes should not depend on starch blockers in calculating their diets.

FDA has been refused specific information by manufacturers about the exact chemical composition of starch blockers. Information supporting claims of safety or effectiveness in weight control or weight reduction has not been provided to FDA. FDA is also concerned about the safety of long-term use of starch blockers, because of the lack of adequate safety testing data.

FDA, by letter, has asked the firms to discontinue marketing starch blockers and to provide the agency specific information about their manufacture and distribution. If the companies fail to comply within 10 days, FDA will then consider regulator actions against the products and companies.

"My kid saved more money than I did last year."

My oldest kid is very industrious. He works weekends and during summer vacation doing yard work and odd jobs.

Awhile back, I asked him what he was doing with the money he earned. He said he was buying U.S. Savings Bonds.

I told him I thought that was smart! Seemed like a good thing for a kid with a few dollars. I guess I was expecting he'd put away... oh, \$50 or \$100 or something like that. But I was shocked. He had saved more than I did last year.

I've worked hard all my life but the one thing I was never able to do was save money. I never seemed able to get started. Paint the house. Braces for the kids. It was always something. "In one hand and out the other."

Well, my kid convinced me that if I joined the Payroll Savings Plan and bought Savings Bonds on a regular basis, I could force myself to save. So I decided to give it a shot.

The way the plan works, you can choose the amount you want deducted. Large or small, it's up to you. It's all very easy, automatic, just about painless. Guaranteed interest and with tax benefits.

So now I'm buying Bonds and really saving for the first time in my life.

Who says you can't teach an old dog new tricks?

Miss Simpson Is Honored At Luncheon

Miss Carolyn Simpson was the honored guest on Saturday, Aug. 7, for a Rice Bag Luncheon held at the San Angelo Country Club. The hostesses for the occasion were Linda Arledge, San Angelo, Carol Fenton of Prairie Hill, Jerry Arledge, Jo Ella Leeper, and Annette Arledge, all of Robert Lee.

Other guests included Miss Simpson's houseguests for the weekend, Mrs. Fred Britton Ballard Sr. and Lu Ann Harrison, both of Mansfield and Betty White of Crowley.

The group were also dinner guests of Mrs. Bill Allen at the Bentwood Country Club in San Angelo on Saturday evening, to honor Miss Simpson with a pre-nuptial fete.

Attend Bar-B-Q

S.E. Adams and Add Davis attended the fifth annual Houston Oiler barbeque in Mertzon last Sunday evening. The invitation-only affair was held on Spring Creek at Hoolihan Acres and drew a huge crowd, who gathered from the area to honor the players and coaches.

The Oilers' summer camp in San Angelo will end next week as they return to Houston to prepare for their 1982-83 regular season play.

Capital Gain.

Time and again, you've heard it said, "To make money, you have to have money."

The truth is, you have to know how to save money before you can think about making more.

That's why more and more people are joining the Payroll Savings Plan to buy U.S. Savings Bonds. That way, a little is taken out of each paycheck automatically.

In no time, you'll have enough Bonds for a new car, your child's education, even a dream vacation.

Whatever you save for, Bonds are the safest, surest way to gain capital.

Take stock in America.

When you put part of your savings into U.S. Savings Bonds you're helping to build a brighter future for your country and for yourself.

50 YEARS AGO.

Henry Carwile and J.K. Martin will start to school next Monday. In Sanco, Miss Bennett will have the primary room, Mrs. Shelton will teach the large room, and Mrs. Ranson will have the middle room.

Jiggs favorite dish is corn beef and cabbage - our'n is back bone, and spare ribs, fresh from the hog. Take forenstance, the spare ribs, lay 'em across a log, take an ax, chop'em about 4 inches long, cut 2 ribs off at a time, each one about thick as a nigger's foot. Fry it kind 'o brown, streak of lean, streak of fat. Catch that aroma, your mouth begins to water, and your stomach goes into a fit of anticipation. Fit for the gods. Let the gravy run down your chin, half sole it with some yellow cornpone with cracklings, touched up with a couple of Coke County eggs. Doggone it, boy, it'll make an old man young.

Well, that's the kind of mess, we had for supper Saturday night after our friend Fern Havins killed hogs. He ground up about 300 pounds of sausage, beating the stuffin' out of old man depression, far as eats is concerned.

Then there's that backbone and potlicker for dinner Sunday, smothered in onions and boiled tender-like-gosh we just set there and ate until we had to make the second trial to get up. Thanks, boy, for a real feast.

Mr. and Mrs. I.C. Ray, Rolla and Bert Page visited their daughter and sister, Mrs. Cecil Sparks, in Tennyson one day last week.

Brother George Tubb of Silver tied the official knot last Saturday that made Zerald Phillips and Miss Effie Hamilton, both of Silver, man and wife.

VISIT IN CALIFORNIA

Mrs. Mary Prine and her brother, Melvin Adams, of Eastland recently flew to Rescue, Calif. for a visit with their sister, Mrs. Vera Blair, who has been quite ill. Meeting them there were Mrs. Blair's children, Mrs. Russell Stephens of Alva, Okla. and Mr. and Mrs. Larry Hervey of Placerville, Calif.

While in California they also visited their brother and wife, Mr. and Mrs. Leon Adams of Santa Ana, another brother, Jesse Adams, La Canada and their sister and husband, Mr. and Mrs. R.L. Jordan of Klamath.

The pair also saw their niece and family, Mr. and Mrs. John Adirance and children, before returning home.
