Just one year ago, April 20, 1945, we bought the grocery, market and food lockers from Joe Bedwell and began operation of the City Grocery. We entered into the business with a few misgivings due to the shortage of merchandise, but hopeful that if we applied our very best efforts, and treated each transaction with courtesy and fairness we would meet with a measure of success. In appreciation of your generous patronage, we are celebrating our "first birthday" by offering you some real money saving values.
