Church Rites Unite Popular Young Couple

Exchanging vows in a candle-light ceremony performed Tuesday evening at 8:30 o'clock at the Baptist church at Flomot, Miss Jimmie Lee Speer became the bride of Wayne H. Hunter of Turkey. Rev. J. E. Eldridge of Sonora, read the impressive double ring ceremony in the presence of relatives and friends.

The church was attractively decorated with many white tapers and white flowers. The aisle from the door to the altar was bordered with the lighted tapers in tall candelabra, and baskets of white flowers and candles were arranged before the altar.

Preceding the ceremony the ushers, Walter Speer and Bruce Price lighted the candles as Mrs. George D. Pepper played "Till the End of Time." Miss Joy Tanner sang "I Love You Truly," accompanied by Mrs. Pepper who also played the traditional wedding marches.

Entering with her father, the bride wore a navy linen with white accessories. Her hat was a flower trimmed off-the-face model. She carried a bouquet of white gardenias, sweet peas and fern.

She was attended by her sister, Miss Melva Jo Speer, who wore powder blue linen, with pink and white accessories and corsage of gardenias.

R. D. Jones of Quitaque was best man.

Following the ceremony a reception was held at the home of the bride's parents. The newlyweds cut the first slice from the three-tiered wedding cake, which was then served by the bridesmaid, Miss Melva Jo Speer.

The refreshment table was centered with an arrangement of pink and white gardenias. Mrs. Pepper presided at the punch bowl and Miss Tanner was in charge of the bride's book. Music at the reception was presented by R. D. Jones with his electric guitar and Earl Morrison of Quitaque at the piano.

The couple left for a honeymoon in Colorado springs. They will both attend college this fall at Denton.

The bride is a daughter of Mr. and Mrs. Joe L. Speer of Flomot, and graduated from the Flomot schools. She is a junior student at Texas State College for Women at Denton, where she is a speech major and takes an active part in college events.

The bridegroom is the son of Mr. and Mrs. Horace Hunter of Turkey. He is a graduate of the Turkey schools. He enlisted in the army in January, 1943, and served with the 389th AAA artillery battalion in the Pacific theatre. He received his discharge from military service at El Paso in January of this year.

JACOBS-NOBLES VOWS EXCHANGED AT CLOVIS

In a ceremony performed Saturday, June 29, at Clovis, N. M., Miss Christine Jacobs, daughter of Mr. and Mrs. A. E. Jacobs of Turkey became the bride of A. G. Nobles of Clovis.

Mrs. Nobles worked the past several months at the Quick Stop Cafe at Quitaque. Mr. Nobles is a well driller and they are making their home at the Neatherlin apartments at Quitaque.

BALL GAME SUNDAY

Quitaque and Turkey played a jerked up ball game Sunday afternoon at Turkey which Quitaque won 11 to 6. The two teams will meet in Quitaque next Sunday afternoon for a game, and Turkey says "we are going to beat those boys this time." The game is expected to start about 2:30.

Mr. and Mrs. Ted Elzey were here last week end visiting her mother and sister, Mrs. J. H. Simons and Miss Mary. They are moving to California from their home at Midland. Miss Ruth Simons of Midland accompanied them here to visit her mother and sister.

Mr. and Mrs. George Lay returned Saturday night from a visit with their daughter Mrs. Hayden and family and other relatives in California. They had a pleasant trip but the climate was not favorable for Mr. Lay's asthma.

Quitaque Girl Suffers Broken Neck In Crash

Miss Betty Rea Adkins, who was seriously injured in a car crash which occurred about 9:30 Saturday night, was reported showing some improvement this (Thursday) morning. Four other occupants of the car were only slightly injured.

The young people were enroute to Turkey in a 1942 Chevrolet coach belonging to Charles Burgess which he was driving. He lost control of the machine about a mile west of Turkey and it left the pavement onto the graveled shoulder of the highway, hit a telephone pole breaking it in two, and then turned over. The car was badly damaged.

The party had passed Mrs. C. A. Russell and son Charles, also enroute to Turkey, shortly before the accident, and they stopped and rendered aid. The three girls, Misses Adkins, Barbara Jo Persons and Billye Tibbetts were taken to the hospital at Matador where Miss Tibbetts was dismissed when her injuries were found to be slight. Miss Persons was severely cut and bruised on both legs and received other bruises and she remained in the hospital overnight. The boys, C. E. Anderson, Jr., and Burgess, were not injured.

Examination disclosed that Betty Rae had received a broken neck and had barely escaped being fatally injured. The fracture is being pulled back into place with traction and her mother, Mrs. Lee Driver, reported that the doctor hoped in about nine days, if the patient continued to improve, the weights could be removed and replaced with a brace until the bone knitted.

SALEM OPENING GREETED BY LARGE CROWD

Turkey saw one of its biggest crowds in town last Friday since the days of the drustore cowboy rodeos here, when Tom Salem held the grand reopening of the Salem Dry Goods.

One reason so many people came to town so early in the morning was because Tom advertised nylons, sheets and towels for sale. And everybody wanted some of them. And another reason was that it just so happened that the Salem Dry Goods store opened shortly after the OPA had gone out of style and most people figured to get as many critical items now—before the manufacturers had a chance to advance prices.

To the first 119 women who entered went slips of paper entitling them to buy nylons, and those slips were soon gone. So were the sheets, the stock of which Salem thought was sufficient to last for some time.

Following the close of business Saturday, which was also a busy day for the new store, Salem said: "My wife and I are very grateful to the people of Turkey and this trade territory for their patronage. We hated to leave here shortly after the war started, and we are now happy to be back again. Our hope is that we will merit your faithfulness in the years to come, and our plan is to serve you better in the future than we have in the past."

INTERMEDIATE GIRL SCOUTS TO MEET ON SATURDAYS

The intermediate Girl Scout groups have changed their meeting day from Wednesday to Saturday afternoon and they will meet Saturday afternoon, July 13, at 4 o'clock at the school house. All the girls are urged to be present so that work and fun can be planned.

Twenty girls of this group met last Friday afternoon at the City Park for an hour of fun. Games were directed by Mrs. W. R. Scott, assisted by Mrs. J. C. Rhoderick, Jr. and Miss Jane Hamilton.

The girls brought a picnic lunch which was topped off with fruit punch and cookies.

Ray Persons has been under treatment the past week at the hospital at Matador. He returned home Tuesday evening, accompanied by Mrs. Persons who had been there with him. He is improved but still not feeling up to par. His illness was caused from an infected throat and general run down condition.

EVERYDAY RELIGION

LIVING AT EVEN-KEEL

By E. B. Thompson

In his letter to the church at Philippi, Paul makes a statement that sounds like so much boasting. He says, "I can do anything in Him who strengthens me—." If one lifts that sentence out of its setting and tries to read it alone, it is as if Paul were showing us his spiritual muscle and saying "Just look at me, I can do anything!"

However when the verse is allowed to remain in the company of its context and interpreted from the vantage of an understanding of the spirit of its writer, it takes on a very different color, for the chapter is one of humility and thankfulness. Paul has just said, "I know how to be abased, and I know how to abound; in any and all circumstances I have learned the secret of facing plenty and hunger, abundance and want." Hence he is saying that he has at long last learned to live at even-keel.

Now, we too, need to cultivate this ability to meet life with a steady carriage of soul. We go off on too many tangents, and give way to extreme attitudes. We need to know how to TAKE IT, so to speak. Two things at least are musts. First and always we must be right—right with God and man, if we are to live steadily. "Be sure you are right, then go ahead," is more than a nice sounding slogan, it is the main spring of courageous living. People who are right walk steadily forward unafraid—those whose souls are burdened with guilt are fearful and undone! Then, we need to feel that we have done our best with the tasks of life. Even in failure, this inner knowledge will soothe and bless, for one who has done his best has not failed because doing our best is success.

Let us learn Paul's secret of living the even-keel life, and with him we can shout, "I can do anything in Him who strengthens me."

Paving On Gasoline Road In Near Future

Mr. Potts of Lubbock, assistant state highway engineer, was here recently and told Commissioner R. B. Persons that in the very near future the department would survey the farm to market road from the Gasoline community and map the right of way. As soon as the right of way is secured, bids will be submitted for paving the strip. The paving will begin from Highway 86 to the community building at Gasoline.

GUEST SPEAKER NEXT SUNDAY AT THE METHODIST CHURCH

Next Sunday morning Carroll Edgar of Turkey will be the guest speaker at the Methodist church, in the absence of the pastor.

Mr. Edgar is a layman and a fine speaker. Rev. Thompson sees all the church members and others who wish to hear him Sunday morning.

FOURTH OF JULY REUNION

Mr. and Mrs. H. G. Gardiner returned Monday from a visit in Fort Worth with their son Lt. Henry Gardiner and family. Mr. and Mrs. Barney Bogan of Stillwater, Okla., met them there for a week end family reunion. They came by Denton as they returned home and Paul Hamilton accompanied them, going back to Denton Wednesday on the train.

A son was born Thursday, July 4 at Matador to Mr. and Mrs. Jim T. Witcher. The boy weighed 6 pounds and 12 ounces and was named Jerry Dean. He and his mother came home Tuesday. Mrs. Tracy Drake going over with Mr. Witcher to hold the baby on the way home.

RAIN WEDNESDAY OVER WIDE AREA

Splendid rains fell over the area again late Wednesday evening and early night, ranging from a sprinkle to nearly an inch.

Quitaque received .32 of an inch, Turkey .78 and Silvertown .80.

James Brunson reported at least a half inch in his community as the middles were all filled with water. W. V. Chandler reported a half inch or better in Kent community.

Reports said the fall around Parnell was extremely heavy and caused considerable washing and damage.

HALL MOTOR CO. MECHANIC

Mr. and Mrs. Earl C. Klein have moved to Quitaque from Fort Worth and Mr. Klein is employed as mechanic at Hall Motor Co. He is an expert and experienced mechanic with special factory training for GMC trucks and General Motors machinery.

Mr. Klein and wife have an apartment for the present at the hospital but they have several children school age and will bring their family here as soon as they can find a suitable residence.

Clarence Wise was returned to Plainview hospital for further treatment last week. When she proves enough to stand the trip, she will go to Temple for treatment. She was resting fairly well the first of the week, according to reports.

Mrs. P. P. Rumph returned Thursday in Turkey where she spent a week with her daughter Mrs. Solon while Mr. Owens was recovering from an operation performed last week in a Wichita Falls hospital.

Construction Begun On Building For Church

Forms have been laid this week for the foundation, and construction has begun on the erection of a new building by the First Baptist Church. The building is located just north of the church basement, facing west. The structure, 32 feet by 40 feet, will be brick veneer, and built for a residence.

Two plans are still under discussion as to how the building will be used. Either it will be used for the parsonage and the present parsonage converted into the Sunday school annex, or the new building will be used as the annex, whichever seems the more feasible when the building is completed.

Most of the material for the building was secured by the church several years ago when they bought the old Fairmont school house. Brick in the school building matched almost exactly with the brick used in the basement which was built a number of years ago and is now serving as the church auditorium, etc., and which is too small to adequately serve the needs of the growing church.

When the hopes and plans of the church materialize and building materials and labor are available, a building adequate to serve the church will be erected above the basement. The building now under construction will be made as attractive as possible with materials available.

The church building committee is composed of Ray Persons, Orlin Stark and Charlie Gowin. Marvin Wise has the contract for construction.

Other improvements on the same block with the church building will aid in making that one of the prettiest blocks in town. The old James home on the north corner across from the school building has been torn down and Rudell James is building a new stucco home for his parents. The lots east of the church building, facing south have been sold to Mr. and Mrs. W. Q. Jacks and they plan to build an attractive residence there as soon as material is available.

SOFT BALL BOYS MARKING UP RECORD OF VICTORIES

The Quitaque Soft Ball boys are marking up a nice record of victories, adding two more to their score this week. In a game played on the lighted field at Silvertown last Friday night they defeated Haylake 18 to 9. Tuesday night on the same field they met the previously undefeated (for six games) Phillips 66 team from Silvertown and whipped them down to the score of 11 and 4.

The boys will play on the Silvertown field again tonight (Thursday) their opponents being the team from the Francis community.

The lineup for last Friday was Ray Payne pitcher; Warren Payne, catcher; Earl Morrison, 1b; Travis Morrison, 2nd b; Hubert Gilbert ss; Meyers 3rd b; Billy Joe Sachse cf; Esda Paul Mixon rf; Rudell James, rover; Edgar Morrison lf.

Tuesday night the lineup was about the same, the Payne boys, pitching and catching; T. Morrison 1st b; Meyers, 3rd b; Billy Joe cf; Esda Paul Mixon, 2nd b; Glynn Morrison, lf; and Glynn Grundy, rf.

BIRTH AT THE PARK

JoAnn Adleton celebrated her fourth birthday Saturday with a party at the City Park, about twenty-five friends enjoying the occasion.

The main attraction of entertainment turned out to be a frog in the pond which put a show for the youngsters and kept them amused most of the afternoon. They stood watching the frog long enough to play a game or two.

Cakes and refreshments were served, each one bearing one card so everybody could blow out and have one, ice cream and favors of candy suckers.

Gifts in the name of Mr. and Mrs. Dick Hooks are his brothers and Sig Hooks and their families who arrived Wednesday their homes in California.

Marine Sgt. Bass Weds Connecticut Miss

Sgt. Carmon Bass of the Marine Corps, and his bride, the former Miss Clara Castle of New Haven, Conn., arrived last week for a visit with his parents Mr. and Mrs. E. M. Bass, Sr., The couple were married June 24, at Baltimore, Md., the Rev. Mr. Maine reading the ceremony in his home.

Mrs. Bass is a graduate of the New Haven schools and until her marriage was employed there.

Carmon, who graduated from the Quitaque schools in 1941, was attending Texas Tech when the war began and he enlisted in the Marine corps. He has an outstanding and distinguished service record, and returned home last year from the Pacific theatre where he saw much combat duty. He attended officers candidate school at Yale university until recurrent attacks of malaria interrupted his studies. Carmon is now on 90-day leave and will report for duty at New London, Conn., where the couple will make their home.

A family reunion was enjoyed over the week end in the home of his parents, all of the children being present except the youngest son Jackie, who is serving in the Navy, and stationed at New Orleans, La.

A delicious dinner was served buffet style Sunday and in the afternoon refreshments of ice cream and cake were served to the thirty relatives and friends gathered at the Bass home.

Present for the noon meal were Mr. and Mrs. E. M. Bass, Jr., and children of Post, Raymond Bass and family of Fort Worth, Mr. and Mrs. Bert Grundy and children, Mr. and Mrs. Carmon Bass and Mr. and Mrs. E. M. Bass, Sr.

THE P. C. HAMILTONS ARE MOVING TO SOUTH DAKOTA

Mr. and Mrs. Philip Hamilton returned Saturday after a two weeks vacation which they spent touring the States to the north of Texas and particularly the Dakotas. They lost their heart to South Dakota, bought a ranch and will move there as soon as they dispose of their property here.

The S. Dakota property is in Haakon county, 65 miles from the state capital Pierre, on the Cheyenne river. They will make their home in Pierre, Mr. Hamilton stated, and he will continue his ranching operations much the same as he has in Texas, except that his land is more concentrated instead of being scattered over a wide territory.

The Hamiltons have lived in Quitaque many years, Philip coming with his parents and family from New Mexico 37 years ago, when he was just a youngster. Mrs. Hamilton has also lived here a long time, teaching in the schools before she and Philip were married.

The family will be greatly missed in church and civic circles here. Philip served for several years as superintendent of the Sunday school at the Methodist church and Mrs. Hamilton has a class in the young people's division. Both are very active laymen. Philip is a member of the school board, and he and Mrs. Hamilton have devoted their wide talents to community improvements. Miss Jane Hamilton is a young lady of great charm and the boys Tipps and Tim Scott are livewires, and citizens of great promise. Their leaving here is regretted exceedingly but our best wishes and hope for their success goes with them in their new venture.

Capt and Mrs. Jack Hall of El Paso and Mrs. Gid Adkison and small son of Abernathy visited over the week end with their parents and Mrs. Victor H. Saturday afternoon Capt. and Mrs. Wayne Hall and son's daughter Anita Lynn came in for a visit from Abilene where Capt. Hall is recruiting officer for the army air corps. He left this week to take a training course in Georgia, leaving Mrs. Hall and the baby with his parents.

Mr. and Mrs. S. A. Neill of Memphis were here last week visiting their son Perry Neill and family and other relatives and friends.

We Now Have the New 1946

DELUXE FOUR-DOOR PLYMOUTH SEDAN

To Be Given Away Saturday, August 24 At Quitaque, Texas

Items Of Interest From Cap Rock SC District

Supervisors: Earl L. Cantwell, chairman; Louie Kitchens, Obra Watson, Pierce White, Bray Cook.

Bray Cook, a cooperater in the northeast part of the Cap Rock Soil Conservation District, is constructing seven miles of terraces on land seeded to wheat on his farm this week. Terraces are being constructed by a disc type terracer which is attached to a regular farm tractor. Lines and terrace designs lay-outs were made by Soil Conservation Engineers assisting the Board of Supervisors of the Cap Rock Soil Conservation District.

The Crass Conservation Group has purchased an all steel land leveler. The land leveler is mounted on rubber tires, which are used mostly for transport purposes, and is equipped with an automatic steel blade which is capable of carrying 2-3 of a cubic yard of dirt from high to low places. This piece of equipment is especially valuable in leveling one-way ridges, center furrows, and for general floating operations. The leveler is 12 feet in width and 20 feet long and can be

operated by the average size farm tractor. This land leveler and float were purchased by Earl Cantwell, T. J. Crass, Alvin Redin, Carl Wimberly, Jack Jowell and Edwin Crass.

Louis Francis, a cooperater in the Francis Conservation Group, requested assistance of local Soil Conservation Engineers in laying out an elevated ditch across a lake area on his farm this week. This elevated ditch will enable Mr. Francis to irrigate approximately 120 acres of additional land from his present irrigation well.

GASOLINE NEWS

BUSY BEE CLUB

The Busy Bee Club met Friday, July 5 in the home of Mrs. W. E. Morrison. The time was spent working on quilt pieces, and a few games were played.

Guests were present from several other clubs: Mrs. Scott Bolton and Mrs. Joe Woodruff from the Kent Homemakers club; Mrs. Ike Reed and Mrs. J. F. Buckelew from Motley County; Mrs. Edgar Morrison and Mrs. Marvin Tracy from Quitaque; and Misses Ina Ruth and Lela Faye Morrison.

Delicious refreshments were

served of ice cream sandwiches and cherry sauce.

Mrs. Marvin Tracy will be hostess to the group at the next meeting on July 19.

Ordis Chandler and family of Amarillo were here from Thursday until Sunday visiting his parents Mr. and Mrs. Gene Chandler and other relatives.

Other visitors in the Gene Chandler home Sunday were her father H. A. Jones of Munday, and her sister Mrs. Jim Ebbs and children of Gilroy, Cal.

A birthday dinner honoring Boone McCracken was given Sunday at the home of his mother, Mrs. Mattie McCracken. Present were Boone and family, Mr. and Mrs. Leon McCracken, Mrs. E. D. Richmond and boys, Henrietta Finney, Mrs. McCracken and Miss Mary Ellen.

T. J. Broxson who received his discharge about three weeks ago from naval service has been here visiting relatives. He has been visiting relatives at Fort Worth and in Leaview, N. M., since being released from military service in which he spent 17 months.

CROWELL-NALL RITES

In a quiet ceremony Wednesday evening, July 3, at 9 o'clock nuptial vows were exchanged between Bonnie Ruth Crowell, daughter of Mr. and Mrs. L. Crowell of Flomot, and W. L. Nall, Jr., son of Mr. and Mrs. W. L. Nall of Turkey.

(Re-Election)
E. A. PUCKETT

THANKS

For the Hearty Welcome You Gave Us

To all our friends and customers who so warmly welcomed us back to Turkey on our opening days last Friday and Saturday, we extend our deepest, heartfelt thanks. It was a grand feeling to know that our store was desired by the wonderful people of this trade territory, and our hope is that we will be able to serve you in a much better capacity as critical materials become more readily available.

We welcome you to continue to patronize our store, and we sincerely believe we will be able to fill your needs as quickly as stores in the larger towns and cities.

Our stock of merchandise is being completed with daily receipts of goods. Some of the items which you so generously bought on our opening days are temporarily missing from our stock, but more of these needed materials are arriving daily, or will arrive in the near future.

Thanks again to each and everyone of you. May we serve you in the future as "your favorite store."

Salem Dry Goods

"Where Most People Trade"

Tom Salem

Turkey, Texas

rillo read the ceremony in his home, in the presence of the bride's father, Miss Marjorie Gilmore and Miss Helen Pecker of Flomot.

The bride is a graduate of the Flomot schools. Mr. Nall recently received his discharge after four years service in the Navy.

Methodist WS of CS

Mrs. E. B. Thompson was hostess Tuesday evening to the Methodist Women Society of Christian Service. Mrs. Anna Hughes was in charge of the program and she told of the Christian work in the Philippines and described the need of the island peoples for assistance in the way of clothing and food.

Mrs. A. L. Patterson was also a guest speaker and she gave more interesting data on the Philippines.

Everyone who wishes to help in getting a box of clothing ready to ship to the islands is asked to do so. The women plan to ship a box as soon as possible. Used clothing is acceptable if it is clean, and Mrs. Hughes said that she would do the mending necessary and sew on buttons. New clothing will be gladly welcomed. Garments to fit any size person from infant to adult can be used. Take or send your contributions to the church as soon as possible.

Mrs. Hughes read a letter to the group that was received in 1930, thanking the society for the contribution of clothing that year, and expressing deep appreciation

of the kindness of their neighbors in the United States. The hostess served a delicious refreshment plate, to the members and three guests.

IF IT IS HARDWARE, FURNITURE, OR JOHN DEERE MACHINERY & PARTS THAT YOU NEED—

we have them if they can be had. New merchandise arriving daily.

We appreciate the large amount of business you have given us for the past five months (the length of our business life in Turkey) and hope to better serve your needs in the future.

We have a good stock—come to see us.

Mrs. Brodie

BALANCES the Budget!

"You have to be a trained seal to balance a budget these days!" complains Mrs. Brodie.

"Everything costs so much! Take clothing—when you can get it," says Mrs. Brodie, "and look at the price tags! And food—that's simply skyrocketed! House furnishings—if you can find a house to furnish—are way up!"

"But not electricity!" says Mrs. Brodie. "No, indeed!" says Mrs. Brodie.

"Electricity has been coming down steadily for years!"

"Electricity," says Mrs. Brodie, "is just about the easiest thing in my budget to balance!"

If you have a budget to balance—and who hasn't?—you'll appreciate that the low cost of electricity is no accident. It took plenty of practical planning and experience on the part of the folks in this company who—like Mrs. Brodie—have budgets to balance, too.

FLOMOT NEWS

Bonnie Turner and Mr. and Mrs. W. J. Richards of Amarillo spent the week end in the home of their mother Mrs. T. W. Turner.

Pvt. Carl Marler arrived Friday night, June 29, at the home of his parents Mr. and Mrs. Roy Marler. He is on an 11-day delay enroute from Fort Bliss, El Paso, where he has completed training. He will report July 13 to Camp Kilmor, N. J., where he will remain until he is sent overseas.

Mrs. A.D. Walls and daughter spent an enjoyable Fourth of July evening with her sister Mrs. Roy Marler and family in their home.

Miss Barbara Barker, daughter of Mr. and Mrs. George J. Barker of Canyon was a guest recently in the home of her friend Miss Ineatha Marler.

Mr. and Mrs. A. B. Jones of Portales, N. M., are visiting in the home of her parents Mr. and Mrs. Dick Washington.

Miss Trula Dell Gilbert underwent an appendix operation at a Paducah hospital July 9th.

Coy Dunn of near Los Angeles, Cal., is visiting in the home of his sister-in-law Mrs. Dalph Moseley, in the White Star community.

Mrs. Molly Parsons of Oklahoma City and Mrs. Ann Parsons of Anadarko, Okla., are visiting their brother George Montgomery who is seriously ill.

Mr. and Mrs. Gordie Washington are the proud parents of a fine eight pound son who was born July 1. At this writing no name had been decided upon.

Mrs. J. A. Bynum is visiting her children at Morton.

Mr. and Mrs. Robert Marler have

Allan Shivers Cites Platform

Senator Allan Shivers' platform for lieutenant governor briefly includes: Real assistance to Texas war veterans, increased salaries for teachers, a first-class university for the colored, better highways and farm-to-market roads, redistricting, full payment of old-age pensions, reorganization of the legislature with 60-day sessions each year, an expanded public health program, reorganization of the parole and pardon system, equal responsibility from both labor and management, economy in state government.

returned to Amarillo, accompanied by Mr. and Mrs. Raymond Gunn who will try to find work there.

Odis Crowell of Torrance, Cal., visited his parents Mr. and Mrs. Leonard Crowell over the week end.

Mr. and Mrs. Bud Morris are here from Bell, Calif., visiting relatives. Gene Childers and Mrs. Billie
