Fantasy on Parade

FANTASY—Making the unbelievable come true, is what Fred Story and Company have been doing for the past 20 years. The Story Variety Revue comes to you highly endorsed by teachers, civic clubs and parents.

The evening performance will feature many famous mysteries, one of which is the fabulous "HOUDINI TRUNK." This you have seen on television and in the movie, "The Great Houdini" and now you may see this fantastic illusion live and in person on the stage. Some of you will even be invited on stage to assist during this performance. You will not believe your eyes! Other featured mysteries you have seen on TV are the Vanishing Birds and a Boy from the Audience Beheaded!

"I do not know where the time went I was so excited," states one member of the audience. You, too, will find it hard to believe the many scenes that unfold on the stage of Valley Gym on October 30, 1976, at 7:30 p.m.

Jena Mullin, Turkey Lions Club Sweetheart, will be sawed in half. Jena is head cheerleader at Valley High and is involved in many other activities.

The Convention speakers included Manuel Scott, pastor of Calvary Baptist Church of Los Angeles, California; Actress Jeannette Cliff George, who portrayed Corrie Ten Boom in "The Hiding Place"; Grant Teaff, Baylor football coach; James L. Sullivan, president of the Southern Baptist Convention, and Jerry Dawson, president of East Texas Baptist College.

AN EDITORIAL

Next Tuesday Is Election Day

Next Tuesday, November 2, is General Election Day here in the United States of America and this editor is very disturbed by a lot of things that he hears.

To begin with, it seems to me that there has been more mud-slinging, more accusations, more pettiness shown by many of the candidates than any time in my memory. The biggest turn-off to me is mud-slinging. If a candidate cannot run on his own merits, present his own ideas of what should be done and how he thinks an office should be run, then he has no business seeking an office.

People who are making forecasts say they expect only about 46% of the eligible voters will go to the polls and vote next week. Many people who stay at home instead of going to vote say they are fed up with the way things are going and being done in government. Well, so is everyone else but staying at home will not change the way things are being done. It is time for everyone to get up on his hindlegs and let it be known that we are going to put a stop to the way things are being done. But, 46% of the people cannot do these things. Apathy will not cure anything. We heard a report just recently that in elections held in several countries in Europe 90% or more of the voters turned out to vote. Even in Israel more than 70% voted. And yet here in America, the birthplace of democracy, less than one-half of the people are concerned enough to take part in our elections. In 1972 only about 55% of the voters turned out to cast a ballot.

All of us will not see our favorites win but we will be better citizens for having tried, and for having taken a part in the elections. Let us not be called apathetic. Let us be called concerned citizens of what is still the greatest country on earth; it might not always be called that!

Let us not be called apathetic. Let us be called concerned citizens of what is still the greatest country on earth; it might not always be called that!

WHEN IT RAINS, IT POURS

Mr. and Mrs. Lon McKay think illness is making the rounds in their family. Mrs. Eldon Martin, a daughter, was in the hospital first, then this week, on Monday, Bud McKay of Amarillo, a son, had surgery on his esophagus in St. Mary's Hospital in Lubbock. Tuesday of this week, Melvin Justus, a son-in-law, had surgery in West Texas Hospital in Lubbock. He was injured on the job with the railroad Thursday of last week, according to reports, and surgery followed.

The McKays report both men are improving from surgery.

Mrs. Ina Lee Blackshear of Forestville, California has been visiting in the home of Mr. and Mrs. Doc Williams and with other friends since October 18. Beryl came to Turkey on the 21st and has visited in Turkey, Flomot and attended his 1940 class reunion in Matador. Ina Lee and Beryl, together with Lyda and Howard Castleberry, who have also been visiting relatives and friends in Turkey and live in Forestville, California, will return home by plane from Amarillo on Tuesday, the 26th of October.

Mr. and Mrs. Shorty Woods visited the Bernard Lyles in Turkey Tuesday.

The EMT's Busy In Quitauque

Sunday, October 17, the Quitauque EMT's were on the scene of a vehicle collision almost immediately after it happened. Warren Merrell and Jerry Maupin, both EMT's, summoned the ambulance. PeeWee Austin was driving a car and hit and pickup pulling a camper driven by Freddy Cooper of Lubbock who was enroute home with his family from visiting his father, Winfred Cooper, at Turkey, according to reports.

The Quitauque ambulance with EMT's Maupin, Merrell, Bobby Boyles, Rex Harmon and Arnold Castillo took PeeWee Austin to Memphis to the hospital. He was reported not seriously injured.

Thursday evening, October 21, emergency help was called for by the CB's, according to reports, to the home of Mr. and Mrs. A. B. Ramsey, and in minutes the EMT's and the entire town were there to help. The ambulance was there also immediately and EMT's Roger Brunson, Bobby Boyles and Mary Woods assisted by Rev. Sid Parsley took Bradley Chadwick, 14-month-old son of Mr. and Mrs. Johnny Chadwick of Amarillo, and grandson of Mr. and Mrs. Ramsey, to St. Anthony's Hospital in Amarillo where it was determined Bradley was suffering with an ear and throat infection.

Bradley had gone into convulsions, later determined to be caused by fever, according to report from his mother, and had completely lost his breath. She had given him mouth-to-mouth resuscitation and revived him before help arrived.

Bradley was released from the hospital and returned to the home of his grandparents Sunday, where he is recuperating satisfactorily, his mother reports.

The editors were on the scene to witness the response of the town on hearing the call for help on the CB and emergency telephone. Our town has been isolated from medical help, other than the help our funeral home gave, for so many years. Now we have almost immediate help with our EMT's. Mrs. Duke (Mary) Woods is the only lady who took the time and trouble to take the training and her help is and will be invaluable, along with the men, in the future. We need to commend this group and give them our vote of thanks and encouragement.

Class of 1940 Has Get-Together

Eleven members of the Class of 1940 of Turkey Schools met in the City Drug for a two-hour visit Saturday, October 23. The time was spent reminiscing about past experiences in good old THS and sharing pictures of children and grandchildren.

The following members were present: Lyda Coleman Castleberry, Forestville, California; Louise Johnson Barton, Matador; Vivienne Adamson Kisner, Levelland; Leon Barham, Tulsa; Floyd (Bud) Richardson, Purcell, Oklahoma; Charles (Chat) Johnson, Seagraves; Lucille Bashford Taylor, Preston Joutet, Billie Fyson, U. F. Coker, jr., and Dollie Farley Irby, all of Turkey. Also attending were Mrs. Char-

The Motley County Matadors took a 19-0 district win over the Valley Patriots at Matador last Friday night and erased any hopes for the Patriots in the district race. There was very little hope anyhow for it appears that Sudan just about has the title all wrapped up since they are undefeated in district play and have only a couple of games left to play. Valley is now 2-2 in district with two games left.

In the early going of the game at Matador things looked pretty good for Valley. The Matadors won the opening game toss of the coin and chose to receive, returning the kickoff to their own 39 yard line. Matador moved downfield to the Valley 25 yard line where the ball was fumbled and the Patriots recovered. Valley started a drive of its own from that point. The Patriots picked up a first down on a pass interference call, then Helms picked up another first down at the Motley

42 yard line; Valley then was penalized 15 yards for holding but on the next play Wheeler got it back with a 16 yard scamper. On the next play Wheeler almost broke for a score, going 30 yards before being hauled down on the 8 yard line. However, the Patriots managed to pick up only one yard and the ball went over to the Matadors on the 7 yard line. Motley ran one play and was penalized back to the 4 yard line, then fumbled the ball away to the Patriots on the 7 yard line. Two running plays yielded nothing, a pass was incomplete and another pass play was intercepted by the Matadors Grant Johnson who ran it 102 yards for a Motley touchdown. The point after was missed and Motley led 6-0 and that was the score at the end of the first quarter.

The Patriots could not move on their next possession and had to kick to the Matador 25. Two plays later Motley had a first down on the Valley 48 and on the next play the Matadors' Jerry Lee broke it 48 yards for another score and this time the kick was good and Motley led 13-0.

Saturday Night Is Recommended For Halloween

The Valley School is recommending and supporting Saturday night as Halloween. Since the holiday falls on Sunday and most people will be in church services, it has been recommended by the community that you little "spooks" make your rounds on Saturday night.

The school is also supporting "Fantasy on Parade" and the great Houdini at Valley Gym Saturday evening, October 30, beginning at 7:30 p.m. We hope all of you will make plans to attend the magician's show.

Senior Class To Have Salad Supper

The Valley Senior Class will sponsor a salad supper Friday, October 29, at the Valley School Cafeteria, preceding the football game between Valley and Nazareth. Tickets will be \$2.00. They may be purchased from any class member or may be purchased at the gate. Serving time will be from 5:30 until 7:00.

Mr. and Mrs. Loyd Fulkerson of Matador visited Mr. and Mrs. Buddy Morris Tuesday of last week and had lunch with them. They were enroute home from spending the weekend with their son and family, Mr. and Mrs. George Fulkerson, in Amarillo.

Mr. and Mrs. Shorty Woods were guests for lunch with Mr. and Mrs. Joe McWaters in Silverton Thursday of last week.

Word came Wednesday morning that Mrs. C. L. Smith of Wichita Falls fell Tuesday and suffered a broken hip. She is 97 years of age. She had suffered a broken arm in a fall about two weeks ago, her granddaughter, Mrs. Warren Payne, reported.

Mr. W. E. Wellman was taken to the Memphis hospital early Monday morning and was placed under oxygen.

les Johnson, Mrs. Bud Richardson, Mr. and Mrs. Lee Vardy, Mrs. John Adamson, Mr. and Mrs. George Colvin and Mr. Alga Turner. Tentative plans were made to have a class reunion in 1980.

Pee Wee Football Next Tuesday

The Valley Booster Club will sponsor the annual Valley Pee Wee Football game next Tuesday afternoon, November 2, when the Fifth and Sixth Grades will be divided into two teams and will play each other. These young Patriots look forward all fall to their game and in watching them play, you won't see anymore enthusiasm in the Super Bowl. The Booster Club urges everyone to come out and cheer these Patriots of the future on. Game time is 6:00 p.m. Admission will be \$1.00 for adults and 50c for students.

Guests for this week's meeting were Valley High Cheerleaders, Misses Jena Mullin, Sherice Price, Joanie Turner, Jill Eudy, Laura Fuston and Leslie Pigg. The Booster Club wishes to express to these young ladies and the Pep Squad a hearty thanks for the fine job they are doing this year in supporting the Patriot Football team. Supporting our young people is the purpose of our Booster Club and if we will follow the example of these young ladies as they support Valley School, then win or lose, Valley young people will have gained.

There being no business, President Jarrell Rice turned the program over to Coach Dill and Coach Phelps. Coach Dill reported on the Patriot-Motley County game, which the Matadors won 19-0. It was a great effort by the Patriots and a much better game than the score indicated. Coach Dill commented on this week's foe, the Nazareth Swifts. The Swifts are probably the most improved team in the district and will be out for their second win in a row as they defeated the Silverton Owls last week 21-7. Game time will be 7:30 p.m. at Valley Field. Come out and let's help push the Patriots to another win.

Guests in the home of Mrs. Lela Mae Hutcheson over the weekend were her children, Mr. and Mrs. Ronnie Hutcheson and children of Clovis, New Mexico, and Mr. and Mrs. Kenneth Vines of Dumas.

The Hutchesons also visited her parents, Mr. and Mrs. Jack Cheatham.

Mr. and Mrs. Shorty Woods met her brother and family, Mr. and Mrs. Howard McKay and children and Mrs. McKay's mother of Kermit at Lake Spence near Robert Lee. They enjoyed a weekend of fishing, boating and visiting. They report a very good time.

The Woods stopped by Snyder and visited the Rayburn Burgess family for about two hours. The Burgess' are former residents of Quitauque and they send regards to their friends here. The Roy Burgess were in Fort Worth visiting a daughter. They also visited with Mr. and Mrs. Jerry Dee McWilliams, son of Bess McWilliams, Briscoe County Clerk. He is in partnership in the Pharmacy with Rayburn. Mrs. Woods knew Mrs. McWilliams when she was a small girl at Silverton.

Mr. and Mrs. James May attend the new car show in the Civic Center in Amarillo Sunday. They report there are many beautiful models for the new year.

Cold war.

It was bad enough we had to fight the British for our freedom. But on top of that, we had to fight the weather, too.

Because winter at Valley Forge meant snow, ice, and freezing temperatures. All serious enemies to a makeshift army without proper clothing, not nearly enough food, and short on ammunition.

It was an army long on courage, but short on money.

EMT will be taught by James Albert, Amarillo fireman, who has taught or assisted in teaching the course in several other cities.

Cost of the course is \$10, plus textbooks and materials.

It's almost time again for that once-a-year ritual of falling back to keep up with what Uncle Sam is doing to your time.

Come 2:00 a.m. this Sunday, most Americans will set their clocks back one hour to signal the end of Daylight Saving Time. The exceptions are residents of Arizona, Hawaii and parts of Indiana, who are on standard time all year.

Can we afford four more years without effective leadership?

There is a critical decision to be made on November 2nd. It goes far beyond the question of which Presidential candidate can govern with integrity and honesty. We must determine which candidate has the ability and strength to lead our country out of economic chaos, and the vision to see that all Americans—not just the powerful and influential—have a better future.

During the past two years, the middle class has paid far too dear a price for a President lacking that ability.

Since Gerald Ford took office, the unemployment rate has risen 50%, from 5.5% or 5 million people, to 7.9% or 7-1/2 million jobless Americans.

Today's inflation rate of 6% is higher than it was at any time between the

Korean War and the inauguration of Richard Nixon.

The 1968 food dollar is now worth 57¢.

Mr. Ford's budget will account for the largest single deficit and more than 1/3 of the public debt incurred during our entire 200-year history.

Real GNP has actually declined during each of Gerald Ford's two years in office.

And who is most affected by these distressing statistics? Not the Washington establishment, or the economic elite courted by the Republicans. The burden falls on the person who can least afford it: the average American.

Jimmy Carter means to change all that. As President, he will make government responsive to your needs.

Tax Reform: "The average family in this country actually pays a higher proportion of their income in taxes than the average family that makes more than a million dollars a year. That's disgraceful. We need to move toward a truly progressive and simplified tax system, with reduced tax rates for the average American."

Economy: "We'll never have a balanced budget nor an end to the inflationary problems as long as we have 7-1/2 million people out of work. Employment needs to be the major thrust of the whole domestic policy of our government."

Efficiency in Government: "We now have in the

federal government the most bloated, confused, wasteful bureaucracy ever created. There's no way to get an answer out of Washington and no way to understand what's going on there. We need to reorganize completely the executive branch of government, making it fair, efficient, effective, and responsive to our people's needs."

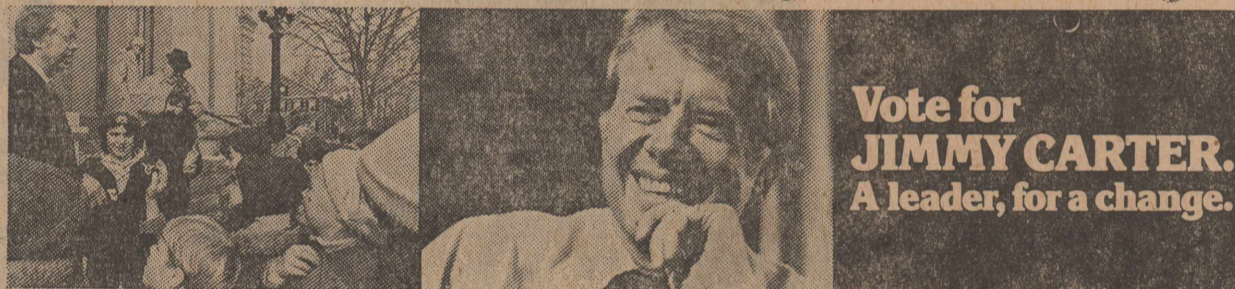

Housing: "No government that cared about our neighborhoods would stack the tax deck against them. A landlord can let a building run down and make a good living on tax breaks. But when a home owner spends a little hard-earned money fixing up his home, the assessor raises his taxes. And the FHA no longer

cares about families getting started in their own homes. I intend to restore the FHA to the time when, for a down payment, a family could get a mortgage which the government would insure."

Health Care: "We need a nationwide health care delivery system which will make adequate health care a right for all people."

Jimmy Carter has the strength to take charge of our government. If you are tired of paying the high price of Republican ineffectiveness, you have only one choice on November 2nd, and that choice is for change.

Mr. and Mrs. Lyn Payne of Quitaque are the proud parents of a baby daughter, Amy Michelle, born Friday, October 22, at 3:35 p.m. in Hall County Hospital in Memphis, Texas. She weighed 6 lbs. 4 ozs. and measured 21 inches. Paternal grandparents are Mr. and Mrs. Warren Payne of Quit-

aque and maternal grandparents are Mr. and Mrs. G. P. Driskill, jr., of Turkey. Great-grandmother is Mrs. G. P. Driskill, sr. of Turkey, and great-grandparents are Mr. and Mrs. E. R. Cruse of Turkey. Mrs. C. L. Smith of Wichita Falls is great-great-grandmother of the baby.

Mrs. White Enjoys Trip To West Coast

I left Quitaque Sunday, September 24 and drove to Amarillo where I left my car with Bo and Polly Graham. I flew from there to Fresno, California, arriving at 9:40 p.m. My son, Rayburn, and family met me at the airport.

I spent ten days with them. We toured the countryside and saw lots of beautiful country. Most of the fruit was already harvested. We found a few peaches. We saw English walnuts and almonds being harvested, which was fascinating. The oranges and lemons were still green.

The raisins were on the ground drying in trays between the rows of grapevines. A big rain of 1½ inches fell and destroyed 70% of the crop. The raisins just floated away. This was a big rain for the area for September. The average for the month was .07 and this was the most rain since the year 1914 for the month of September.

One weekend we drove to Shafter, California to visit Pearl McBride and her daughter, Helen, and husband, Bill Hildebrand, and their family. Mrs. McBride and family are former residents of Quitaque. We also visited Jim T. and Ruby Fay Witcher, who are also former residents. We had a nice visit and saw more beautiful country.

On October 4, I flew to Denver, Colorado, where I was met by my brother, W. L. Graham. My son, Wayne White of Fort Collins, Colorado, came for me that evening and I returned home with him to spend the next nine days. We went to the mountains. They were beautiful. The aspens were still green in the lower mountains but were already gone in the higher mountains.

We went to the Big Thompson Canyon where the flood waters drowned so many people in July. We were not permitted to go in because the roads were washed out. We saw how high the water had reached and the canyon is still a mess with several bodies still missing.

On Tuesday, October 12, my brother, W. L., and wife came for me. I stayed five days with them. We did a lot of shopping and looking in Denver.

On Friday, we drove to Copper Mountain, near Vail, Colorado, where W. L. has a condominium.

It is a beautiful place, high in the mountains with a stream of water running close by. The mountains were covered with snow. On Saturday we drove to Leadville, Colorado and toured the mountains near there.

On Sunday we drove to Vail, Colorado. It is a beautiful place nestled between two mountains. The town is made up of motels and condominiums mostly, but has many beautiful homes. We drove back to Denver that afternoon.

We drove through Eisenhower Tunnel. It is over a mile through it. It is a two-way tunnel at present but another tunnel is in the process of being built beside this one, and this one will be converted to one-way when the other is completed.

On Monday, October 18, I left

for home at 11:58 and arrived in Amarillo at 1:58. Bo and Polly Graham met me at the airport. I drove home that afternoon. I had a wonderful trip but there is no place like home. So good to be back among my friends. I was gone twenty-four days.

WALK BY THE SPIRIT

There are two basic ways of life. One is the way of human nature, what Paul calls "the flesh." This way of living is self-centered, not God-centered.

The results of life in "the flesh" are ugly because they are only for self. Paul's spine-chilling list of evil in Galatians 5 shows the depths to which man sinks when he lives without God.

But there is another way of life. Paul calls this conduct walking by the Spirit, being led by the Spirit, living by the Spirit. This also in Galatians 5.

What does it mean to "walk by the Spirit"? It means giving self fully to God. It is the opposite of life in "the flesh." It is life orbiting God and his ways. It involves following the Spirit's guidance in the Word of God. The Bible is Spirit-given. The Spirit-led life is governed by scripture. It includes keeping one's life open to the leading of God in daily events. (see Acts 16:6-10) God does not give us visions today but he still opens and shuts doors.

The results of walking by the Spirit are beautiful. The Spirit produces a crop of good qualities in our lives which is evidence that our life is Spirit-led.

The Bible teaches: "If we live by the Spirit, let us also walk by the Spirit." Galatians 5:25

All of Mr. and Mrs. Clark's children and grandchildren attended services at the First Baptist Church in Quitaque with their parents and grandparents Sunday morning.

At the reception, refreshments of the three-tiered wedding cake, gold colored punch chilled by an ice ring, nuts, and mints were served with crystal and silver appointments. The napkins more the traditional "50" and "Pete and Texie."

Mr. and Mrs. Clark would like to thank everyone for stopping by and for the beautiful assortment of gifts. They also want to thank the ladies and Johnny Butler for taking pictures.

Mr. and Mrs. Clark were delightfully surprised Monday morning when the Rev. Bob Beck and Reva Jean called from Fort Worth to congratulate them on fifty years of wedded bliss. Bro. Bob is a former pastor of the First Baptist Church in Quitaque.

Mrs. Gene Lynn and children of Anson spent the weekend in the home of her parents, Mr. and Mrs. L. D. Aplin.

Mr. and Mrs. Frank Yeary of Silverton visited friends in Quitaque Saturday.

Reddy's helpful tips for your Home Laundry

- ✱ Avoid wasting hot water while laundering. Use the cold and warm water settings as much as possible to cut down on the energy needed to heat water.
- ✱ Use the water level control on your washer. You should use less hot water for small loads.
- ✱ Follow detergent instructions carefully. Over-sudsing makes your washing machine motor work harder than it needs to.
- ✱ Clean the lint filter on your washer and dryer after each load to keep your machine running efficiently.
