DEAR READERS:

The publisher of The Valley Tribune will attempt to express his appreciation to all the readers for their understanding and patience with us while I have been away in the hospital and while Lottie was with me. We sincerely appreciate good neighbor Cora Gragson helping our regular helper Rayna Purcell while we had to be out of the office. And a special thanks to Paulette Lipscomb who had agreed to help out in the Turkey office and became ill herself and had to call on Jamie Meacham. Our sincere thanks to those two.

We also want to say a special thanks to our good neighbors, the Domingo Castillo family, for coming to our rescue when things needed looking after following the storm and all the while we were away, looking after Snoopy and other chores. They have been good to us time after time, and we appreciate them.

We are grateful for the many flowers, the phone calls expressing concern and for the many cards received. Thanks for the visits since I've been home. Most of all the prayers said in my behalf (I could feel them) were most appreciated. Days and nights spent in a hospital are very trying times and the notes and wishes for a speedy recovery from friends everywhere helped more than words can tell. I loved and appreciated every one of

Again, thanks to all for your thoughtfulness in every way. It is most appreciated!

SCOUTS COLLECT DONATION FOR TORNADO VICTIMS

Following the tornado in Wichita Falls, the Northwest Council of Boy Scouts asked the Southwest Council, of which Turkey is a part, to send any supplies they might have to replenish scout packs destroyed by the storm. Turkey, being a young troop, did not have any extra supplies. The Boy Scouts and Cub Scouts wanted to do something to help their fellow scouts, so, with the combined efforts of the citizens in Turkey and Quitaque, Boy Scout Troop 272 and Cub Scout Pack 272 were able to raise \$414.50 for the Scouts in Wichita Falls.

As a result, a letter has recently come to the Turkey scouts from Lewis H. Schwoerke, Scout Executive for the Northwest Texas Council. It read:

"It is an excellent Scouting Good Turn that Scouts, leaders and parents of Pack 272 have done for their brother Scouts in the Northwest Texas Council. So much love, help and generosity has come from friends all across the state that we are beside ourselves with plain old humility.

"To me personally, I have been simply awed by what others have done. A Cub Pack in Turkey, Texas, sent us a check for \$414.50 when most of our packs, at their very best, do not have that kind of money in their trea-

"Truly, Scouting's program of Citizenship Training, Character Development and Physical Fitness is having a dynamic effect in Pack 272 and the leaders of the pack and all the citizens of Turkey can be very proud of their youth. When we can spread your kind of leadership all across America, we will be the kind of Christian Nation our forefathers dreamed about having one day.

"We have appointed a disaster committee to dispense those funds we have received and your check will be turned over to them to be used in those areas where it is most needed, and be sured that it will be well invested.

"Please convey to all those involved my personal thanks, the thanks of our Executive Board and those leaders and youth of the Northwest Texas Council. We extend our very best Scout Salute to all our friends in Turkey, Texas."

CARD OF THANKS

Tom and I wish to express our thanks to everyone for your concern during our stay in the hospital. A very special thanks to the ones who were there for the surgery, and all the prayers in our behalf. The visits, phone calls, and many beautiful cards all were deeply appreciated. Love,

Tom and Billie Pierce

CARD OF THANKS During my recent illness and stay in the hospital, I have been reminded once again of how fortunate I am to live among such good, thoughtful and kind people as we have here in Turkey.

Thank you from the bottom of my heart for the flowers, gifts, get-well cards, food, visits, and every act of concern for me.

I especially appreciate your prayers. There is nothing like God's Almighty Power and Love. Everything you have done has meant so very much to me. May God pour out His richest blessings upon you.

With our love, Buster and Gladys Hanna
