Cemetery Association Meeting Here Set For Next Friday Night

Mr. Muleshoe ...

By J. M. Forbes

Seen & Heard:

Heard by chance: While many neighboring counties have oil development, no well has been brought in here, but I understand all of the south part of the county is under lease.

Roy Bayless: If you don't want to buy this horse, how about a good gun-shy bird dog?

Smart Aleck in the cafe: My radio said it likely will snow or rain by tomorrow. But I have only a sheep radio set, maybe you better check with a larger instrument.

George Stotts: I bought some seed from a Muleshoe dealer who advertised 85 per cent germination. I tested and found it was 100 per cent. But if I tell him, he will likely want to charge me more for the seed.

Willis Branscum: The rodeo industry is policing itself. For a long time many felt that drinking, swearing, etc. had no place around a rodeo. In fact, caused many parents to keep their children away from this fine recreation and sport. We are eliminating the rough stuff around our rodeos, all over the country, as much as we can.

To ruminate upon evils, to make critical notes upon injuries, and to be too acute in their apprehension, is to add unto our own tortures, to feather the arrows of our enemies, and to resolve to sleep no more.

—Sir Thomas Browne.

The display of new spring bonnets regularly brings great crowds to church on Easter morn. This undoubtedly was what led the Biblical Recorder, North Carolina Baptist paper, to go poetic as early as 1901: "Attend your church," the parson cries, To church each fair one goes; The old go there to close their eyes. The young to eye their clothes. —From Baptist Press.

Note to Mr. Hugh Freeman, high sheriff: We never aimed to leave your report out of the paper last week. We just had so many stories of parties, little personal items, in other words MUST stuff, that we just got in a mess and had to do something. I personally like to read your report.

Note to Mrs. Halsey Lee Herrington, new president, officers and all members of the Muleshoe PTA: We attended a little grade school PTA meeting in Plainview that had 412 persons present. Madame President said: "They told us the way to get our fathers out was to put their children in a program. We did and it seems to work." However, the Muleshoe PTA has always had good programs. Maybe we need more publicity to let people know well in advance about the thing planned.

In the last few months to two years, remember what has happened in Muleshoe in the way of buildings: Cobb's extension, St. Clair's addition and improvement, Figgly Wiggly, Cashway, the Funeral Home, Church of Christ, Mill-sap & Robertson, Allen Gunn, King Elevator, Alfalfa Mill, Dyer's, Western NELA, Fry & Cox Bros., Roy Jordan's improvements (where Blondy Ray has his station, etc.), Masonic Hall, scores of residences. Where will it end?

I am telling you, right now, that the end is not yet. This department has a personal knowledge of nearly that many more developments to come in the next few months in Muleshoe. This newspaper man has never had time really to think about whether he is sold on Muleshoe and has suddenly realized what the town and territory is capable of doing. Look about you, Mr. Citizen, and realize what a situation you are living in: Sell yourself on Muleshoe and Muleshoe will never, never, never disappoint you.

VISIT IN SHAVER HOME

Mr. and Mrs. J. P. Wallace of Pratt, Kansas, were here last week visiting a sister, Mrs. Bub Shafer, and also a brother, Muri Stevenson. They were on their way to Davis, Okla., where they will visit Mr. Wallace's mother a few days, and will go on from there to continue work in North Dakota.

VISITS IN POST

Mrs. L. D. Taylor spent Saturday night and Sunday in Post, visiting her daughter, Mrs. Cecil Osborne, Jr., and Mr. Osborne.

A meeting of the Bailey County Cemetery Association will be held Friday evening of next week, April 22, in the district court room in Muleshoe at 8 o'clock.

In connection with the cemetery situation, a spokesman for the association said:

We feel that this is something that every person should be interested in; if all would help it would not be such a burden on the few that are trying to carry on the work.

If we had half as many helpers as we have knockers, we could do a lot to improve the cemetery's condition.

A number of interested people have donated for pipe to be laid in order to have a better system of watering the grass and shrubs, but still more is needed to do the things that must be done before the best results can be obtained. Any donations will be appreciated and may be sent to Elizabeth Harden, secretary of the association.

As most of you know there are dues to be paid on lots each year. \$10 for whole lots and \$7.50 for a half lot. From these dues we have been trying to pay the salary of the caretaker but lately it has been hard going. You know whether you have paid your 1949 dues, and if not we would appreciate your sending in your amount. It is hard to send statement after statement and still get no response.

Please think this matter over and see if you can't do something about it.

Let's all come to the meeting next Friday evening and see what is being done. If you have suggestions to make, do so at this meeting and see if it will not be better than the old way of knocking and not trying to do anything about it.

Officers of the association announced that Byron Gwyn, Bailey County farmer has given a fine pressure pump that was surplus to him to the association. This is the reason the drive for pipe is being conducted, for much pipe will have to be used to place water in all parts of the cemetery. Many local men already have donated a joint of pipe.

Both 1 1/2 and 2 inch pipe is needed. Bill McAdams told The Journal the price of a joint has been set at \$9.95 and a gift of one joint will be most welcome at this time.

Southedge Club To Present Play Here April 19th

The Southedge Home Demonstration Club, of Big Square community, will sponsor a three-act comedy drama at the Muleshoe high school auditorium April 19. All proceeds from the play will be used to build and improve a public park on 25 Mile Avenue.

The cast will be composed entirely of adult characters. Title of the play is "A Ready Made Family." Cast of characters: Agnes Martyn, a widow, Penelope Armstrong; Bob, her son, who has fits, Bill Keller; Marilee, her elder daughter, who talks baby talk, Jennie Barrett; Gracie, her eleven year old daughter who is a brat, Dorothy Chance; Miss Lydia, her sister-in-law, who is a neurotic, Earline Keller; Henry Turner, a widower who is Agnes Martyn's old sweetheart, Noble Armstrong; Sammie, his son, who goes mad, Paul Chance. Doris his daughter who harps on her operation, Rosadell; Begonia, the Martyn's darky cook, Henrietta Armstrong; Nododemus, the Martyn's colored handy man, Cecil Barrett.

An admission charge of 50 cents and 25 cents will be made.

Consumers Elect Officers, Directors

Dennis Williams and C. W. Weeks were elected to the board of directors when the Consumers Fuel & Supply Co. held their annual meeting recently at Fellowship Hall.

Old directors are Harry Engelking, T. L. Glascock, and Neal Warren. The directors have met and elected the following officers: President, Mr. Engelking; vice-president, Mr. Weeks; secretary, Mr. Glascock. The company paid 4 per cent interest this year on preferred stock.

—Trades Day Is Saturday—

Proposed Electric Co-op. Building

BAILEY COUNTY ELECTRIC COOPERATIVE ASSOCIATION, INC. HEADQUARTERS BUILDING, MULESHOE, TEXAS. ARCHITECT: WYATT C. HEDRICK, MULESHOE, TEXAS.

Above is pictured the architect's drawing of a proposed headquarters building for Bailey County Rural Electric Cooperative in Muleshoe. Preliminary plans for the building are approved and the cooperative is ready to go ahead with construction as soon as a suitable location is found. The lots now owned by the cooperative are not suitable to the REA as a site for this building.

Main St. Church Revival Set To Begin Sunday, 17th

The spring revival of the Main Street Missionary Baptist Church will begin Sunday, April 17, with Rev. J. H. Townley, State Missionary, conducting the services.

Rev. Townley has attended Jacksonville College and has had several years experience in the field. Everyone is cordially invited to attend the revival services which will begin at 8:00 o'clock each evening.

Muleshoe Cattle Win At Dairy Show

Muleshoe FFA boys did very well with their dairy heifers shown in the big regional dairy show at Plainview this week. Lee Christie, Voc. Ag. instructor reports.

Herbert Rammage won second place in the boys show with his junior yearling Jersey heifer; R. E. Williams' Jersey senior yearling heifer placed 7th and Billy Jack Chastain's Jersey junior calf was 8th in its class. Competing in the open classes, Herbert's heifer placed 8th in the stiffest kind of competition, Mr. Christie said.

These heifers are from stock purchased for the FFA boys under sponsorship of merchants of Muleshoe, which now form an important dairy cattle nucleus in this county.

The local dairy cattle judging team, composed of Bill Stinson, J. R. Henry, and Clifford Mardis placed 8th in the judging contest in the Jersey division. The dairy products team was composed of Dwayne Myers, Marvin Waggoner, and Teddy Harrison, and did not place in the first three. Mr. Christie says the Plainview show is one of the greatest dairy animal expositions in the country, surpassing Dallas, fair and Fort Worth exhibitions. Some 445 registered animals of the various breeds were on exhibit this year.

ATTEND SENIOR PLAY

Mr. and Mrs. H. A. Spradley of Slaton and Mrs. H. D. Jackson of Lubbock were in Muleshoe Monday night and attended the Senior play. Mr. and Mrs. Spradley, the Pierson's visited with a sister in Oklahoma City and with his father, J. D. Pierson in Norman.

BACK FROM OKLAHOMA

Mr. and Mrs. I. W. Haney and Mr. and Mrs. Finley Pierson have returned from a visit at several cities in Oklahoma. Mr. and Mrs. Haney visited in Wilson with her brother, Elijah Pruett, and family. The Pierson's visited with a sister in Oklahoma City and with his father, J. D. Pierson in Norman.

Farm-To-Market Roads To Be Completed In Bailey County Soon

Completion by May 15 of the last stretch of paved road being constructed under a bond issue voted by the people of three precincts of Bailey County is predicted by Tom Smith, county commissioner for Precinct 2, in which the new road is being made.

It is a stretch of 9 1/2 miles across the sandhills, running from the pavement to West Camp school to an intersection with an east-west road running from the Morton Highway.

This will give people living in that section a splendid outlet to market centers with their grain, cotton and other farm produce.

Mr. Smith said the caliche is now on the ground and will be spread shortly. A crew of men is finishing up the east-west road with hot top, and as soon as they are through there they will begin on the new north-south road.

Muleshoe Trades Day Draws Big Crowds; Premiums Total \$100.00

Another Muleshoe Trades Day will take place here the coming Saturday at 3 p. m. A large crowd attended last Saturday.

Lucky persons last Saturday were: 1st, Mrs. F. M. Jones, city; second, Mrs. W. L. Shafer, Star Rt. Sudan; third, W. R. Underdown, Star Rt. 2, Muleshoe; fourth, Mrs. W. A. Mathis, Muleshoe Star Rt. 2; fifth, Joyce Collins, Muleshoe; sixth, Marilyn Austin, Rt. 2, Muleshoe.

Merchants participating now include Muleshoe Elevator, Wiedebush & Childers, Magnolia Pet. Co., and Taylor Produce & Market. Omitted from the list last week by error was the name of Muleshoe Implement & Supply.

One hundred dollars is given each Saturday by the merchants, as follows: 1st, \$50; 2nd, \$25; 3rd, \$10; 4th, 5th and 6th, \$5 each.

It was "the life of Riley" expecting for one thing, Mr. Rockey says, and that one thing was the cost of living. They had quarters in a Detroit hotel whose rates were not exorbitant, but they found that meals which here would cost 80 cents or thereabouts would cost \$2 here; cokes were 15 cents each and other prices were in keeping. "People in that section have not heard that prices are coming down", Glenn says.

Karl Lovelady Will Open Law Office Here Soon

Karl L. Lovelady, attorney-at-law, will soon hang out his "shingle" in Muleshoe. A long time resident of Meridian, Bosque County, Mr. Lovelady is coming here from Lubbock where he has been doing legal work for the city the last few months in connection with rights of way for city extensions and improvements.

Mr. Lovelady is a former county judge of Bosque County and a former State Senator from the 21st Texas senatorial district. He is a graduate of the law department of Baylor University and has been practicing law since 1940. Mr. Lovelady is a member of the Masonic Lodge, of Scottish Rite bodies, and is a member of the Methodist church. He is 35.

During his four years in the Texas Senate, Mr. Lovelady was chairman of the Senate Committee on Education where he gained much experience in school matters. His office will be on the south side of the courthouse square, where an addition is being built to the building of the Bailey County Abstract Co.

Cotton Classing School Scheduled

A cotton classing school will be held at April 25 to May 6 in Lubbock, J. K. Adams, Bailey County farm agent announces. The school will be held at 1701 Ave. H by L. O. Buchanan of the cotton classing office.

All farmers who desire to attend should contact Mr. Adams or report directly to the school Monday morning, April 25. A certificate will be given all who attend as proof of attendance.

HERE FROM SHATTUCK

Mr. and Mrs. Loyd Sidders of Shattuck visited her brother, Buford Butts and family over the weekend. Mr. Butts' mother, Mrs. D. L. Butts returned home with them after spending several weeks here with her son.

ATTEND TRACK MEET

Mr. and Mrs. Weldon McCarty and Mr. and Mrs. Ron Fudge spent the weekend in Lubbock and attended the track meet there.

Joe K. Dillard Electrocuted Near Lariat; Funeral Held Here Tuesday

Dairy Meeting And Show To Be Tuesday

A dairy meeting and picture show will be given at the Jones Farm Store here next Tuesday night, April 19, at 8 o'clock. F. M. Jones, proprietor announced today.

The film to be shown will be on dairying and will take up particularly the care of dairy cows. This meeting is the first of a series planned during the year by the store, which is Purina dealer here.

Sam Merritt, district representative of the Ralston Purina Company, will be present. Mr. Jones said he is making an effort to see most of the known dairymen personally. Anyone who is interested in dairying is invited to attend, and Mr. Jones said if he fails to see some man personally he is still cordially invited.

Other meetings to be held at the store will take up various agricultural problems, Mr. Jones said.

Legion Home In Construction

A thing desired here since Armistice Day, 1918, has come to pass in Muleshoe. At long last, construction actually has begun on an American Legion home.

The building committee of Ben Richardson Post met Monday night, opened bids, and awarded contract for the Post's new building to Sylvan Robinson, local builder.

Contract was for labor only, and while exact figures were not totted up, Houston Hart, a member of the committee said it would run well over \$7,000.

The Post recently auctioned a lot, which brought in more than \$1,000 and brought the total in the building fund to around \$10,000. The Post has a commitment from the Rural Life Insurance Company for a loan of around \$10,000.

Worst feature of the matter, Hart said, was the lack of city water. A man living near the new home site has offered to let the workers cut in on his line to furnish water during the building. The city limits run to the east side of the Legion property.

Many people have supported the ex-service men and women in their campaign to raise a building fund. They will be glad to hear that construction of the building was started Tuesday and that it will be pushed to an early completion.

Cox Radio & Electric will do the wiring at actual cost; Charles Le-nau Lumber Co. and Willson-Sanders Lumber have agreed to furnish materials at cost. The contract given Mr. Robinson was for labor.

Senior Play Rated As Huge Success

It's hard to say just who stole the show in the senior play held throughout the entire time and laughs were in almost every line. Woody Jackson upheld his name as an outstanding actor and did a superb bit of acting. Joe Bob Horsley never once forgot that he commended for a very good bit of acting. Doris Bickel was perfectly fitted out to act her part and was ace high. Dorothy Waggoner and Charles Lewis made a very good brother and sister pair, as well as doing a good piece of acting.

Bette Guthrie and Frieda Moonham were very clever in providing humor for the play and received much favorable comment. Bobbie Roberts and Dorothy Murray did nice jobs of character acting and deserving of a good Gwyn very cleverly played every part, as well as adding attraction with their looks. Robert Berry proved to be a very good actor in his portrayal of the professor and produced a good bit of wonder with his snake. Mr. Owens proved to be a very interesting director in producing an outstanding play. The chorus girls added beauty and rhythm that was immensely enjoyed by everyone.

HERE FROM CALIFORNIA Mrs. From Hawkins from California is spending a few days here with her parents, Mr. and Mrs. P. D. Taylor and other relatives.

TO LUBBOCK

Mrs. Jim Cox and Mrs. Delma McCarty were in Lubbock Monday.

SHOPPED IN PLAINVIEW

Mrs. Eugene Morton and her daughter, Mary shopped in Plainview Saturday.

FARMERS INTERESTED IN MORE ROADS

Farmers of Texas are up in arms as a result of the crippling amendment tacked on to the McLellan rural road bill by House members on Monday when they voted to cut the tax rate from one cent per 1,000 cubic feet of gas to three-fourths of a cent, J. Walter Hammond, president of the Texas Farm Bureau Federation, declared today. Legislators who voted for this rate reduction are voting against the McLellan bill and against the farmers of this state, Hammond charged, because their action dilutes the bill and cuts down on the number of miles of road that can be built from the revenue derived from the natural gas tax levy.

Some of our legislators are favoring the out-of-state multi-million dollar industries instead of remaining loyal to the folks back home who sent them to the legislature, the Federation president further charged.

Hammond said opponents of the McLellan Bill, which is sponsored by the Texas Farm Bureau Federation, are saying they are not voting against the farmers when

they vote against the McLellan Bill, but contend that the rural roads have been taken care of in the Colson bill, which has already passed the House and Senate. Hammond declares that the Colson Bill is totally inadequate to take care of the rural road needs for the farmers of this state. The Colson bill is dependent upon appropriations from the general fund and will build only two miles more road per county each year than has been built in the past.

More than a thousand Farm Bureau members were in Austin on March 7 to see the committee on revenue and taxation vote out the McLellan bill favorably. It is necessary for the farmers to make another trip to Austin to let the legislators know their views, they can show up again in increasing numbers, Hammond concluded.

Price Of Grain Worrying Farmers

COLLEGE STATION, April 12—Nobody knows exactly what price wheat will bring Texas growers this season. But if they can get enough rain at the right time, they'll likely get a heavy crop. The outlook is about the same with grain sorghums, corn and other feed grains.

C. H. Bates, extension farm management specialist of Texas A.M. College, says there is one thing that looks pretty certain. That is, that the market prices at harvest time will be below the government support price level. How much below will depend on a couple of things. First, is the total production or prospective national crop, and the second, is the amount of storage facilities available for placing the grain under government loan.

Grain must be properly stored before the farmers will get the full benefit of the guaranteed price support loans. Late reports indicate that about two-thirds of all elevator capacity still holds last year's crops, Bates says. And it

doesn't look as though this grain will move into export channels very fast during the next few months.

It is a case of a pretty heavy carry-over of grains. Government storage facilities will probably not be able to handle more than average production, Bates says. So, farmers will have to take the storage business into their own hands on the farm.

Any grain storage building must be weather tight and strongly built to qualify for a crop loan. The type selected will depend on the farmer's needs, and the cost per bushel of storage will depend on the size of the building erected. W. S. Allen, extension agriculture building engineer of Texas A.M. College, says that a small 500-bushel bin costs around 50 to 60 cents per bushel of storage. Larger storage bins—the 40 thousand bushel size—may be built for 15 to 20 cents per bushel of storage.

Many farmers are building facilities that can be used for other things when not needed for the storage of grain, Allen points out. With a bumper crop this year, wheat producers might pay back a large amount of the first cost of granaries on the spread between the market price and the loan price this year. If the extra storage is needed, Bates says, it might be wise to build it in time to cash in on this extra dividend in 1949.

Looks like a case of being able to raise the price while raising the crop, he concludes.

CHRISTIAN SCIENCE SERVICES

"Doctrine of Atonement" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 17.

The Golden Text is: "John seeth Jesus coming unto him, and saith, Behold the Lamb of God, which taketh away the sin of the world" (John 1:29). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And Jesus came and spake unto them, saying, All power is given unto me in heaven and in earth" (Matthew 28:18).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "He taught his followers that his religion had a divine Principle, which would cast out error and heal both the sick and the sinning" (page 136).

NOTICE TO CONTRACTORS

Sealed proposals addressed to the Mayor, Muleshoe, Texas, for constructing an elevated water storage tank of 200,000 or 250,000 gallon capacity will be received at the office of the City Clerk, Muleshoe, Texas, until 10:00 A. M. April 29, 1949, and then publicly opened and read.

Bidders must submit a bond, cashiers or certified check for Three Thousand Dollars (\$3,000.00) as a guarantee that the bidder will enter into the contract under the conditions set forth within 10 days after notice of award of contract. The minimum wages which shall apply on this work are the established rates for this area as

GIVE THEM MORE THAN SYMPATHY

Buy Easter Seals

Easter Seal dollars last year provided more than 20,000 of Texas crippled children with medical care, equipment, rehabilitation, special education and transportation. As Easter day draws near, Texans are asked to buy and use the Easter Seals which they have received through the mail from the Texas Society for Crippled Children or their local Societies.

set forth in the specifications. Each bidder shall submit a statement of his experience, financial resources and equipment with the bid. The City reserves the right to waive all formalities and to reject any or all bids. Plans and specifications may be inspected at the office of the City Clerk, Muleshoe, Texas, Texas Contractors' Publication office or Hasie and Green Engineering office in Lubbock, Texas. Plans and specifications may be obtained at the office of Hasie and Green Engineering Company, P. O. Box 1139, Lubbock, upon a deposit of twenty five dollars (\$25.00) which will be refunded to each actual bidder upon return of the plans and specifications. Fifteen dollars (\$15.00) will be refunded to non-bidders upon return of the documents. Proposals are available without charge.

"Battle Royal" Is Carded For Bouts Saturday Night

On next Saturday nights card local fans will get to see a battle royal with five men participating in the bout which will actually be three bouts in one.

Wrestlers who are to appear in the battle royal are: Rod Fenton, another newcomer to the local gym, but well-known to many of the area fans; Buck Weaver, Alex Kasaboski, Hy Sharman and Jack

Pappenheim. All five men get into the ring at the beginning and the first man that loses a fall will be permanently eliminated. The next two men who are eliminated will be matched together in the last bout and the two men that are left remaining in the ring will continue the battle until one has scored two out of three falls or until the one-hour limit is up.

With this line-up of wrestlers on the card, plenty of excitement is in order for the fans.

VISITING PARENTS

Mrs. J. A. Wade, Fall Brook, California, is visiting here in the home of her parents, Mr. and Mrs. J. H. Engram and her sister, Mrs. G. O. Jennings.

COTTON PLANTING SEED NOW AVAILABLE

The NEW Paymaster "54" is now available for the 1949 planting season—ready for farmers who want more profit from Cotton. This quick-maturing, high-yielding, better-staple-producing planting seed answers the demand for a variety that is tested and proved for West Texas growers. It is the result of scientific selection and painstaking experiments to develop a seed that will produce more money per acre planted.

Here's why the NEW Paymaster "54" is a money-making Cotton . . .

EARLY MATURITY

Of 25 varieties tested recently . . . "54" was first in percentage of crop harvested in a four-month period.

HIGH YIELD

In this same test, "54" was third among all varieties in yield per acre.

BETTER STAPLE

"54" ran 15/16" to 1 inch throughout West Texas, assuring a better price.

TESTED FOR DRY LAND

"54" has been proved successful for dry land farming as well as for irrigated Plains areas.

Among those profit-minded farmers who demand a money-making Cotton planting seed—the NEW "54"; order your supply of the improved, state-registered "54" NOW.

IT PAYS TO PLANT PAYMASTER "54"

Sold through your planter, your seed dealer, all branches of the Western Cotton Oil Co., and at Lockview Farm, Plainview, Texas.

Muleshoe Nine To Travel To Earth For Opening Game In Capitol League Play

MHS Track Team Wins Third Place At District Meet

Even though the Muleshoe track squad was handicapped when they went to Lubbock for the district track meet by the loss of Bill Gaede from the track squad, the team managed to win third place. The Muleshoe boys took first place in only one event, winning the mile relay; second place in three events; third place in two events; and fourth place in four events.

120 high hurdles—Joe Cummings 2nd. place, Robert Lewallen, 4th place.

200 yd. low hurdles—Joe Cummings, 2nd. place.

440 relay—Odel Spivey, Ray Kersey, Bobby Goss and Weldon McCarty, 3rd place.

Discus—Robert Lewallen, 3rd, Rex Briscoe, 4th.

Broad Jump—Odel Spivey 2nd, Weldon McCarty, 4th.

Mile Relay—Ray Kersey, Joe Cummings, Ed Nickels and Gene Harvey 1st place.

Pole Vault—Woody Jackson, tied

Sunday afternoon, April 17, the Capitol Baseball League will officially open with the Muleshoe team on the road for their first league game.

Muleshoe will go to Earth where they will meet the Earth team in their first game of the season.

All the other teams in the league will also be playing games Sunday afternoon.

The starting lineup for the Muleshoe team is as follows:

A. White, pitcher; R. Rundell, catcher; B. Knight, first base; B. Howard, second base; B. Wallace, third base; J. Clement, short stop; L. Lambert, left field; F. L. Oliver, center field; S. Williams, right field.

Other squad members are: P. Freeman, pitcher; J. Bolden, first base; D. Howell, second base; C. Taylor, left field; Lefty Lambert, right field; and H. Smith, center field.

A large group of local fans are expected to be on hand in Earth Sunday afternoon to see how the local team looks and to see the first baseball game of the season for this territory.

In a practice game last week with Sudan at Sudan, the local boys trimmed the Sudan boys by a score of 8 to 1.

So far no further word has been received on the proposed new baseball field here and as far as is known the local team will use the old field which is in the Legion addition unless the other site is determined and the field built between now and the time the local team plays their first home game.

SPENT WEEKEND HERE
Mrs. Molly Husted, of Vernon, visited over the weekend with Mrs. Elizada Markwell in the home of the latter's parents, Mr. and Mrs. John Benson.

BROTHER IS ILL
Olen Jennings spent Sunday with his brother, Clarence Jennings who is in the hospital in Amarillo.

for 4th place.
Bill Gaede who has been consistently running the mile with better time than Melton O'Donnell who won the mile run at the meet, was advised a few days ago by his doctor not to run again and therefore he was compelled to leave the track squad.

O'Donnell won the class-A track meet with a total of 50½ points, Seagraves took second with 27½ points and Muleshoe won third with 19½ points, nosing out Leveland by one-half point for third place.

The Muleshoe track team will enter the Plains Relay which is to be held in Lubbock Saturday afternoon, April 16, with thirty-one class A and AA teams entered in the meet.

TRADES DAY, Muleshoe Saturday.

Read The Journal Want Ads.

Over 300 Witness Tag Team Match Here At Local Gym.

Buck Weaver and Jack Pappenheim won over Alex Kasaboski and Hy Sharman in the main event of the double-main event card.

The bout was awarded to Weaver and Pappenheim after Kasaboski had thrown the referee out of the ring twice disqualifying both men.

During the bout, which is termed as an Australian tag team match, Hy Sharman was thrown from the ring and one of the excited spectators (who evidently doesn't like Sharman) jumped on Sharman and started beating on him, but Sharman made a fast retreat back to the ring where he was again in safety with only a couple of opponents to worry about.

Nenhoff Wins Bout

Steff Nenoff won the first bout on the card over Billy Sandow, winning the first and third falls of the event.

Both of these fighters were making their first ring appearance at the local gym and the fans enjoyed their bout with much enthusiasm.

There were over three hundred people in attendance at the bouts last Saturday night and they all got to see plenty of action.

Slants From The Sidelines . . .

By W. E. Hill

The MHS track squad suffered a bad break just before the district track meet when they lost their mile man Bill Gaede.

Bill was advised for his own good, health and welfare to quit running by his physician which is no doubt a greater blow to him than to the track team. However this is only temporary and Bill will be ready to go again next season.

Bill Gaede had been running the mile in far less time consistently all season, than the time it was run by the boy from O'Donnell who took first place at the district meet in Lubbock.

However Coach Hedges track squad made a fine showing for themselves by winning third place in the meet beating out Leveland, Littlefield, Morton, Tahoka and Slaton. Seagraves took second place at the meet and O'Donnell took first.

The South Plains Relays will get under way in Lubbock, Friday afternoon and will continue through Saturday afternoon.

There are thirty-one teams entered in this meet with 450 boys scheduled to participate with a possibility that even more will enter before the deadline.

Baseball season will open for the Capitol League Sunday afternoon, but as this column is being written it was still not known who or where the local boys will play.

The Lazbuddy and Olton teams were left out in the cold by the Capitol League, so the teams that

will participate in the league are: Muleshoe, Dimmitt, Sudan, Springlake, Anton, Earth, Amherst, and Needmore.

Wrestling seems to be making a big hit in this area with more than three hundred fans attending every Saturday night at the bouts which are being sponsored here by the local Jr. Chamber of Commerce.

Many figured that there would only be enough enthusiasm created for a couple of weeks of these "big time" bouts in Muleshoe, but it seems that they were wrong and the fans are still crying for more . . . (course Gallup was wrong one time too . . . wasn't he Mr. Kaltenborn?)

HERE FROM SAN ANTONIO Major and Mrs. Herschel Alsa and little son, John Andrew, Fort Sam Houston, San Antonio are here for a visit with his parents, Mr. and Mrs. J. L. Alsop.

FOR SALE

WHEAT & COTTON FARMS
As good a land as you have in Bailey County for half the price you pay there for the same kind of land. Lots cheaper tax rate. Portales is the county seat and is the fastest growing farming town on the Plains of Texas or New Mexico. We have every good thing you have and some you don't have. Why buy that high priced land that you have let the other fellow beat you to, when it was cheap like ours? You can do the same thing here that they did there. Please go to J. A. McGEE Real Estate or FARLEY Real Estate in Muleshoe, Texas and let them bring you over here FREE of charge. They are working with me and have seen part of my land. I have wheat and cotton farms better on the Plains of Texas. I am located ten miles west of Goodland, Texas, at Causey, N. M.

TRADES DAY, Muleshoe Saturday.

Do you tell time by Baby?

At his feeding times, yes. He sounds off on the dot when a meal's due. But the rest of your day, you're wise to depend on electric clocks.

With a baby in the house, it's surprising how much you depend on electric service — to prepare and refrigerate his food, heat water for his bath and laundry, wash his clothes, and so on.

Of course, you depend on electricity to help take the work out of your housework too. Always ready, it lends a willing hand with heavy chores, provides comfort, ease and even entertainment. And best of all, you can depend on economy — for what other item in your budget does so much for so little?

Friends and neighbors in this company — under sound business management — continually using their technical skill and practical experience to keep electricity the biggest bargain in that budget of yours. You can depend on that tool.

HELEN HAYES stars in *The Electric Theatre!* Hear it every Sunday, CBS, 9 P.M., EST.

Contour Strip Cropping
Holds The Soil On The Slopes

Contour strip cropping—the planting of alternate strips of cultivated and close growing crops on the contour, holds fertile soil and increases crop yields.

To be most effective, some of the strips must be kept in close growing crops. A thick matting of grass filters the water, increases absorption and penetration, and slows down the movement of the runoff water. By keeping the soil and more and more of the water on the slope, crop production is benefitted.

Let's Do All We Can To Preserve Our Soil.

Sunshine Club Met In Dawkins Home

The Sunshine club met April 7, with Mrs. Dawkins. Seventeen members answered roll call by reading a verse from the Bible. There were five visitors: Mrs. Payne, Mrs. Nash, Mrs. Vay, Mrs. McPike, and Mrs. Heathington. Members present were Mesdames: Chambliss, Odom, Rowland, Wimberley, Barnhouse, J. O. Crawford, Stinson, Harris, Kolese, Hart, Simmons, R. L. Lewis, J. H. Gatlin, Colter, Lea, L. E. Ware and the hostess, Mrs. Dawkins. We are very glad to have two new members: Mrs. Pike and Mrs. Nash. The program was on Easter. Mrs. Simmons, Mrs. Colter and Mrs. Stinson gave readings on Easter. Mrs. Dawkins was honored with a birthday shower. The ladies also quilted a quilt for her. The next meeting will be with Mrs. Lea April 21. The Sequoia is the tallest tree on the Western Hemisphere.

Bridal Shower Honors Mrs. Byrd

On Thursday afternoon, April 7, the West Camp W.M.S. honored Mrs. Bob Byrd with a miscellaneous bridal shower in the home of Mrs. Roy Sheriff. The guests were received by Mrs. C. E. Roark and Mrs. W. W. Couch. Several amusing games were played, concluding with a contest to see how many words one could make from the word "husband", which the honoree won. A table was set up in front of her and her "prize" brought in and placed on it, below it and around her chair. The gifts were many and a large number also were sent by those who could not attend the shower. The bridal theme was carried out by bouquets of pastel sweet peas on tables and on the mantel. Refreshments of wonderfully delicious cake and citrus punch were served to: Mesdames Jess Hicks, Guy Austin, Loyd Stephens, Elton Vaughan, Elsie Farr, C. E. Roark, Buck Wheeler, Partin Austin, E. E. Hughes, J. D. Gray, Hubert Gammoms, T. P. Kittrell, Bert Barber, Robert Byrd, J. F. Akin, Roy Sheriff, W. W. Couch, W. C. Langham, Miss Willie Faye Akin, and the honoree, Mrs. Bob Byrd.

Engaged

Mr. and Mrs. Henry Hanover announce the engagement and approaching marriage of their granddaughter, Miss Pat Bennett, to Johnnie Glasscock. The wedding will take place June 13th, in the First Baptist Church of Muleshoe.

Enochs Club Met In Mrs. Cash' Home

The Enoch's H. D. Club met in the home of Mrs. Dutch Cash March 24. There were ten members and two visitors present. The meeting was opened with the reading of the creed. The committee on clothing reported 48 garments and three quilts had been made. The food committee reported 600 strawberry plants set out. Nearly every member reported that they had started gardens. Eighteen quarts of chicken have been canned by Mrs. C. G. Seagler. All members have also been working on their yards. The White Elephant Sale was enjoyed by all and the sum of \$3.00 was taken in at the sale. The club has made approximately \$10.00 by selling cards. The Enoch's club is happy to announce they are going to have the Commissioners' supper April 29, at the Bula School lunchroom. The Enoch's club members are looking forward to visiting the Muleshoe club on Thursday, April 14. A refreshment plate of cakes and cookies were enjoyed by all.

Barbara Fields Weds W. F. Bland

Miss Barbara Fields, daughter of Mrs. Opal Fields and W. F. Bland, son of Mr. and Mrs. R. F. Bland of El Paso, Texas were married Saturday, April 2, at 2:30 in Clovis, N. M. Mrs. Bland wore a navy blue suit with grey accessories. Her mother, Mrs. Fields, was present for the ceremony. Mr. Bland is a senior at the College of Mines in El Paso. Mrs. Bland is an old resident of Muleshoe and has spent her school days in Muleshoe schools and she is a senior here this year. The couple plan to reside in El Paso after graduation this Spring. The average cost of the U. S. weather service is about six cents per capita each year.

Wesleyan Service Guild In Meeting

The Wesleyan Service Guild met Monday night with Elizabeth Harden in her home. Mrs. Curtis Spivey, the new president, had charge of the meeting. Guild was opened with prayer by brother Craft. The devotional, an Easter Scripture, was given by Mrs. Jim Burkhead. Easter meditations of Immortality were given by Mrs. David Anderson. Mrs. Spivey appointed the following committee: Chairman, Enrichment of the spiritual life—Mrs. Delma McCarty, Missionary Education and Service—Mrs. Fred Johnson, Christian Social Relations and Local Church Activities—Mrs. Harold Wyer, Recreation and Supply Work—Mrs. Buford Butts and Jim Cox, and Membership—Mrs. Francis Gilbreath. It was voted to have a mother-daughter banquet for a future date. Mrs. James Case and Mrs. Morris Childress were appointed on the banquet committee. There will be a Guild Conference at Lubbock April 23, and 24. As many as possible should attend. Refreshments of angel food pie and coffee were served to the following members: Mesdames Harold Wyer, Morris Chiness, Homer Sanders Jr., T. G. Craft, H. A. Phipps, Buford Butts, Francis Gilbreath, Jim Burkhead, David Anderson, James Case, Curtis Spivey and the hostess, Elizabeth Harden. The next meeting will be with Mrs. Jim Cox, April 26.

LADIES AUXILIARY IN INITIATION MEETING

The Ladies Auxiliary Patriarch Militant met in regular session Friday night, April 8, with a good crowd present. Mrs. Oleta Chism, Mrs. Gail Nelson and Mrs. Ozeta Hembree, of Dimmitt, were initiated. After the regular business session a covered dish supper was served and a social hour was enjoyed by all. **GUESTS IN ROBERTS HOME** Weekend guests in the Bob Roberts home were Mr. and Mrs. Joe Alder of Willard, N. M., and Mr. and Mrs. Frank Thompson of Belen, N. M.

Surprise Birthday Dinner Is Given

A surprise birthday dinner was given Sunday, April 10, in the home of Mr. and Mrs. Virgil Webb, honoring Mrs. Webb, Mrs. Newt Burris, and Kelly Joe Barnett. Those present were: Mr. and Mrs. Allen Butler of Spur, Mr. and Mrs. Sam Pedden and son of Levelland, Mr. and Mrs. A. D. Farmer of Levelland, Mr. and Mrs. W. H. Long, Sherrell and Keith of Bovina, Mr. and Mrs. Dean Johnson of Portales, Mr. and Mrs. Pat Barnett and Billy Martin of Baileyboro, Mr. and Mrs. Homer Long, Agnes and Homer Ross of Needmore, Mr. and Mrs. Virgil Webb, Uncle Homer Long and Dad Long of Needmore.

Homemakers Class Met In Winn Home

The Homemakers Sunday School class met in the home of Mrs. Grace Winn for their business and social meeting. The devotion, taken from Matt. 28:1-10, was brought by Bessie Harlan. Mray Finley led the opening prayer. Alleen Dyer, president, had charge of business. Reports from each officer and one group captain, Vivian Morris, were given. Refreshments were served to Bessie Harlan, Alleen Dyer, Beulah Mothermal, Vivian Morris, Emily Snow, Louie Benson, one visitor, Charles Lynn Markwell, the hostess, Grace Winn. The next meeting will be with Minnie Redwine with Ellen Vaughn as co-hostess, May 10.

Hilltop News...

Mrs. C. L. Spivey and Jerry Wayne went to Lawton, Okla., April 1, as the body of Mrs. Spivey's brother was returned there for burial. Mr. and Mrs. J. A. Ware stayed last week with their parents. They moved to Amarillo Sunday. Herbert Woody Blair, Jr., had the measles last week and a bad cold. He has been feeling better. Hilltop kids and a few friends played baseball all Sunday afternoon, April 3. They enjoyed their game. **BAKE SALE SATURDAY** The Rainbow Girls will have a bake sale Saturday, April 16, at the Cashway Grocery and Dixie Lee Shop. There will be pies, cakes, and Easter Eggs for sale. **HAVE HOUSE GUESTS** Mr. and Mrs. Bob Herrington have as house guests their friends, Mr. and Mrs. H. O. Hummell, of Compton, Calif.

Pleasant Valley

Mr. and Mrs. E. H. Bickel were in Lubbock Saturday. Their son, Jim returned home with them for a weekend visit. Mr. and Mrs. Guy Watson, Hershell and Everett Smith of Plainview were visitors in the B. H. Bickel home Sunday afternoon. Mrs. Wylie Grizzle is back home after spending a few weeks in Roswell, N. M., receiving medical care. Mr. and Mrs. B. H. Bickel and children visited Mr. and Mrs. Millard Moore and daughter in Amarillo last week. Mr. and Mrs. O. W. Corley are visiting her parents in Taylor, Texas. Mr. and Mrs. Johnny Brooks of Morton spent the weekend in the home of Mr. and Mrs. Gene Lowe. R. L. Roubinek is in the hospital with pneumonia. We hope he will soon be able to be home. Mr. and Mrs. Oscar Allison, Mr. and Mrs. J. E. Dulin, Mr. and Mrs. Seaborn Moore, Mr. and Mrs. F. L. Shelby, Mr. and Mrs. Jerry Allison, Mr. and Mrs. Harold Allison, Mr. and Mrs. Jack Epps all had dinner at the La Vista in Clovis and went to a movie afterward one evening last week. Mesdames B. H. Bickel, J. E. Dulin, G. E. Lowe, E. K. Angeley, F. L. Shelby, Floyd Adress, Harold Allison, and Jack Epps went to Boy's Farm at Springlake to take them a quilt and some garden seed. Mrs. Jack Epps visited in Andrews a few days last week. Mrs. A. J. Moffitt visited in Lubbock Saturday afternoon. All of you Pleasant Valley folks that didn't go to the MHS senior play Monday night missed a treat of your lives. We have five sen-

iors taking active parts in the play. Three of them were Charlene Prather, Doris Bickel and Charles Lewis. Congratulations kids, you did swell and we are proud of you. Our other Senior who is outstanding is Alton Taylor. He is doing fine work in FFA and 4-H club work. Mr. and Mrs. Gene Lowe visited in the home of C. P. Calvert of Enochs, Sunday. Mrs. H. L. Allison and daughters, Vita and Carolyn spent the week in Hagerman, N. M. with her parents. Ivan, the son of Mr. and Mrs. H. E. Ruder has been ill with measles. A baseballbat will sustain three times as much weight as a steel rod of the same weight.

Grain Sorghum Supports To Be On Seventy Percent Basis

Announcing that 1949 grain sorghum price supports would be pegged at 70 per cent of parity this year, as compared with 77 per cent last year, the office of Production and Marketing Association released the conditions of the 1949 program this week.

"The support price, on which loans and agreements will be based, will be established by Commodity Credit Corporation at levels which will reflect to producers a weighted average rate equal to 70 per cent of the grain sorghums parity price as of April 15, 1949," said Faust Collier, PMA head.

Was \$2.31 Last Year
The support price for 1948 crop grain sorghums was \$2.31 per 100 pounds, as a national average which was based on 77 per cent of parity price as of April 15, 1948.

This downward adjustment in the support level for 1948 has been made in order to place grain sorghums in a better competitive position with other feed grains for both domestic and ex-

port utilization in view of the fact that supplies this year may exceed needs in the producing area, said Collier.

Official announcement of the new plan came with the U. S. Department of Agriculture's March 14, decision to support the price of the 1949 grain sorghum crop by loans and purchase agreements. This perpetuates the agriculture program that began with government loans in 1940. Purchase agreements were first allotted in 1947.

Loan Agreements

The loans and purchase agreements will be available from harvest time through Jan. 31, 1950. Loans will mature March 31, 1950 or earlier on demand, and holders of purchase agreements must declare in March, 1950 or earlier, if so declared by the CCC manager, their intentions to sell to them.

Any grower in the United States producing grain sorghums in 1949, including land owner, landlord, tenant or sharecropper, will be eligible for loans and purchase agreements. All grain sorghums produced in 1949 grading U. S. No. 4 or better are acceptable. Any other conditions of eligibility will be determined later by the CCC.

"This program is designed to provide adequate supplies for producers. It permits loan applicants to obtain funds immediately on grain sorghums held in storage and to market them at a later

Sheriff's Report . . .

(Delayed)

Hello everyone: Well we have finally found time to report again. Sorry to have missed an issue, but our work has been so just haven't had the time. With car tags selling, Court going on, reports to get in, rodeos and dances to see after, and a few other odds and ends to gather up. And even had the State Auditors, but boy o boy, did they make a bunch of old country boys feel good, just to tell the truth I think Bill Boothe is going to have to buy a new hat, for his head is too large for the one he has.

No that isn't so with Bill, but I certainly appreciate the splendid work he has done here, and I am sure as we get better acquainted with our work we can render better service.

Miss LaVerne Maddox came in to our force without any previous experience in a tax office, but she fell right in to the work, and is really helping Bill get along, even Buck has proven his self in the office as well as on the outside. We still get some criticism, it just doesn't seem we can satisfy everyone, but it doesn't keep us from trying, and it really makes us feel good when someone comes in and calls us back for a friendly talk and says stay right in there boys, you are doing good. We have to get on someone's toes in law enforcement, but let us say it isn't a personal feeling but only duty. Some times a fellow has to do things that he had rather take a good kicking for than to have to do it, but in this job a fellow has to put his personal feelings aside. And there is other things that a fellow would do without his meals just to do, such as catching a bootlegger.

Our latest catch was a white man that has just been going for about a week. We got him on the last day of March and somehow Judge Tate was a little out of snuff when he was tried for he fined him \$1,000 and cost of court. Boy, with that kind of cooperation from the Judge, maybe we can slow down the flow of liquor in date" said Collier.

Commenting on the program in the past, Collier pointed out that approximately 27,000,000 bushels of 1948 crop grain sorghums were placed under loan through Jan. 31, 1948. No purchase agreements were completed in 1947, but as of Jan. 31, 1948, such agreements had been made on 2,000,000 bushels of 1948 grain sorghums.

The Department is now working on conditions under which producers may make voluntary loan and purchase agreement deliveries of 1948-crop No. 2 yellow Milo grain sorghums to CCC beginning April 1, 1948. The CCC will accept such deliveries to help meet programs and clear storage facilities in early season preparation for the new crop. Farmers interested in making such deliveries should get in touch with their country agricultural conservation committee.

New Crop Blower

A new farm machine that saves the farmer time and labor by automatically blowing forage wherever he wants it has been placed on the market by the New Holland Machine company.

This new crop blower can swallow up to 20 tons of hay per hour and blow it anywhere the farmer wants to store it. Or, if the farmer is filling his silo, the blower handles up to 25 tons of chopped corn an hour.

Weighing 1,350 pounds, the blower has a 12-foot hopper for receiving crops from the field. A patented leveling device keeps the forage flowing evenly into a large throat which feeds a 42-inch flywheel.

Whirling at speeds up to 1,200 r. p. m., this huge "fan" blows crops through an eight-inch pipe wherever the farmer wants to "aim" it.

Bailey County. You folks voted it dry and we are trying to help keep it dry.

Last month we got four bootleggers and one negro just plumb out ran us, but we have a warrant for his arrest if he ever comes back to Muleshoe and we can borrow someone's roping horse to catch him on.

Say, our jail is almost deserted. We only have two prisoners at this time, both of them for bootlegging.

In this term of court we had gathered up ten for trials including the two Mr. Buchanan had held over for us. With the help of our fellow officers and with the cooperation of the public, we got the last one at large back in Muleshoe about 5 p. m. Sunday, March 20, before court began at 10:00 o'clock Monday the 21.

We had to make two trips to Kansas to do it though.

Out of the ten tried, there was eight convictions, six sentenced from two years to life in prison and two got suspended sentences.

Say, before I forget, let me thank every one for their splendid cooperation. It is greatly appreciated, and we especially want to thank the men that served on the jury. We know they were put to a lot of inconvenience, and we are not set up to where we can take care of them as though they were at home, but they were very good natured, and I really enjoyed being with them.

So long for this time and we will be out with you next week assessing taxes.

Until next report, I remain your sheriff,

Hugh Freeman.

"PERFORMANCE of my new 145-H.P. Ford F-7 BIG JOB equals trucks of twice the G.V.W. rating"

OVER ALL TYPES of roads, the performance of my new 145-horsepower Ford F-7 BIG JOB equals that of trucks with double the G.V.W. rating of the F-7," reports George F. Kidd who hauls for the Frozen Food Express of Dallas, Texas. "The economy of operation is more outstanding with an average of 7 miles to the gallon of gas. My Ford Truck has proven that it is really 'Bonus Built.'"

Mr. Kidd is but one of many Ford BIG JOB enthusiasts. Thousands of others are profiting from gas economy unusual in the big truck field . . . from an ability to carry gross loads of 50,000 lbs. and more on tandem-axle semi's . . . from power that makes the BIG JOB the king of the hills. Come in and get the facts on any one of over 139 Ford Bonus Built Truck models for '49, built extra strong to last longer.

- Ford Model F-7 BIG JOB shown has a Gross Combination Weight rating of 35,000 lbs. as a tractor; Gross Vehicle Weight rating of 19,000 lbs.
- ★ Brand New 145-Horsepower Ford V-8 Truck Engine
 - ★ New Super Quadax Single-Speed Axles; Two-Speed optional on F-8.
 - ★ Big Tires; up to 10.00-20 on F-8, up to 9.00-20 on F-7
 - ★ New Heavy Duty Five-Speed Transmissions
 - ★ Big Rear Brakes, Power Actuated, 16-in. by 5-in. on F-8
 - ★ Built and Warranted for the following ratings:
- | | Gross Vehicle Weight | Gross Train Weight |
|--------------|----------------------|--------------------|
| '49 FORD F-7 | 19,000 lbs. | 35,000 lbs. |
| '49 FORD F-8 | 21,500 lbs. | 39,000 lbs. |
- ★ Nationwide Service From Over 6,400 Ford Dealers

A Change is in Order...

Change to OIL-PLATING!

QUIET! . . . There's an added ingredient in husky Conoco Nth Motor Oil that fastens a shield of lubricant right to your engine's working parts . . . protects them from wear. So change to Nth motor oil . . . and an OIL-PLATED engine.

READY TO GO!
... because Conoco Nth's OIL-PLATING can't all drain down, even overnight. Cylinders are lubricated, ready to go, at the touch of the starter!

RUNS SMOOTH!
... because another exclusive additive in Conoco Nth combats combustion acids and power-robbing sludge and carbon due to wear.

CUT COSTS!
... because Conoco Nth is made from fine paraffin-base crude - has wonder-working additives to reduce wear. You'll save on repair bills!

Oil-Plate today at your Conoco Mileage Merchant's!

Traffic Deaths Drop 1 Percent

Traffic deaths dropped one percent in 1948, reaching a total of 32,200 as compared with 32,500 in 1947, but injuries increased eight percent, according to figures released today by The Travelers Insurance Companies.

The personal injury total, 1,471,000, was an all-time high. The 1947 figure was 1,365,000.

The data are contained in a book, entitled "The Human Race," which is an annual series of traffic safety publications issued by the companies.

In commenting on the title Jesse W. Randall, president of The Travelers, says: "America's miserable traffic accident record is, in a sense, the sum of all our trifling human frailties. Most of us know how to drive and walk with safety, but it is so human to let our absurd little personal foibles

botch our better judgement." Excessive speed headed the list of accident causes in 1948, as it has in most recent years. More than 10,000 deaths and more than 338,000 injuries were attributed to this single cause.

Youthful drivers, especially those in the 18 to 24 age group, caused more than their statistical share of both deaths and injuries, according to the figures.

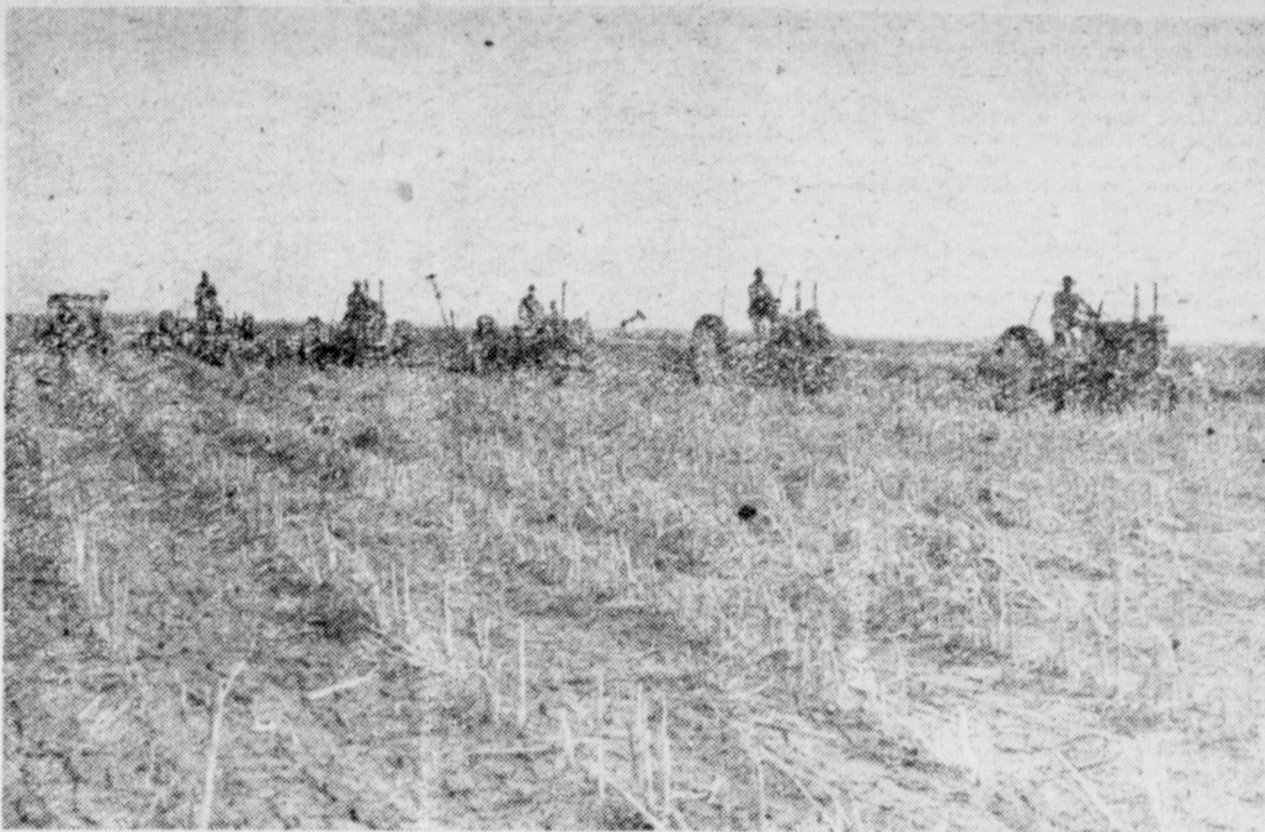

The report, based on official records from every state, compares figures for 1948 and 1947 on the basis of age, sex, road and weather conditions, type of vehicle, mechanical condition of vehicles, type of accident, and many other factors.

TO NORMAN INITIATION

Herb Covin, Earl Ladd and Frank Cummings went to Norman Oklahoma, yesterday to see Mr. Covin's son, Bill, take his first degree in Masonry. Bill is a student at Oklahoma U.

Birmingham, Ala., has a water way to the coastal port of Mobile.

Sons Give Dad Big Birthday Present

Sons of J. J. Redwine last week gathered and plowed their father's field in one day's work. Working nine hours with the rigs shown above, they plowed 160 acres.

It was Mr. Redwine's birthday gift from his sons. Mr. Redwine operates the Jesse Osborn farm located 8 miles northwest of Muleshoe.

Shown with their tractors here are, left to right: A. E. Redwine, J. O. Redwine, J. C. Redwine, J. L. Redwine, and D. L. Redwine, all farmers of this neighborhood.

At extreme left, standing by the car is J. J. Redwine. The latter has farmed in this vicinity for many years.

\$25 Offered To Biggest Flop In Farming In 1948

Any farmer or rancher in Bailey County who had hard luck last year has a chance to even the score a little.

Contending all the awards now are going to the successes, that failures are never recognized, the Taylor Times at Taylor, Texas, has announced an award for flops.

To the farmer or rancher who made the biggest flop in 1948, the Taylor paper will award \$25 in cash.

"No strings attached," the paper has announced. "All you have to do to enter is send us the facts about your flop. It needn't be a complete flop. That is, you might have had an all-around success last year, but flopped on one enterprise. The only rule is that you tried hard and flopped. Say you started out raising 100 baby chicks and wound up getting only 15 to broiler size. Or decided to feed out some pigs instead of selling your corn and wound up in the hole, not counting your labor which you throw in for nothing."

Whatever your flop was, so long as it's a farming or ranching flop, it's eligible, the paper said. The contest closes May 1.

Modern power resources and mechanical conveniences for the home offer each American family the equivalent of 40 slaves, but a survey of rural housing and home conveniences shows that farm homes do not have as large a share of this "slave labor" as city homes.

Racing camels can do 10 miles an hour all day long.

RAINFALL
can't do it all!

Building Permits Show Increase

AUSTIN, April 5.—Building permits in Texas rose 18 per cent from January to February, a level 22 per cent under the like month in 1948, the University of Texas Bureau of Business Research reported.

Following the seasonal trend, a number of cities tallied sizeable increases over the previous month. February permits were more than three times as high as the January level in Cleburne, Kenedy,

Sweetwater, Kerrville, Amarillo, Lamesa, Midland, Borger, Denison, Temple, Lubbock, and Wichita Falls.

On the other hand, permits in Corpus Christi to 80 per cent in Bryan below January.

FISH IN OLD MEXICO

Ray Griffiths, Roy Jordan, and W. M. Pool, accompanied by two Lubbock men, left this week for a fishing excursion to Sugar Lake, Mexico. They had heard the fish were biting freely south of the border, decided to try their luck. Meanwhile their neighbors are waiting to hear the tall, tall stories that will result.

Price of House Regulators is up 55%

Yet Natural Gas Service Remains At the Same Low Pre-War Prices

Regulators are but one item. Everything behind your natural gas service has increased in price.

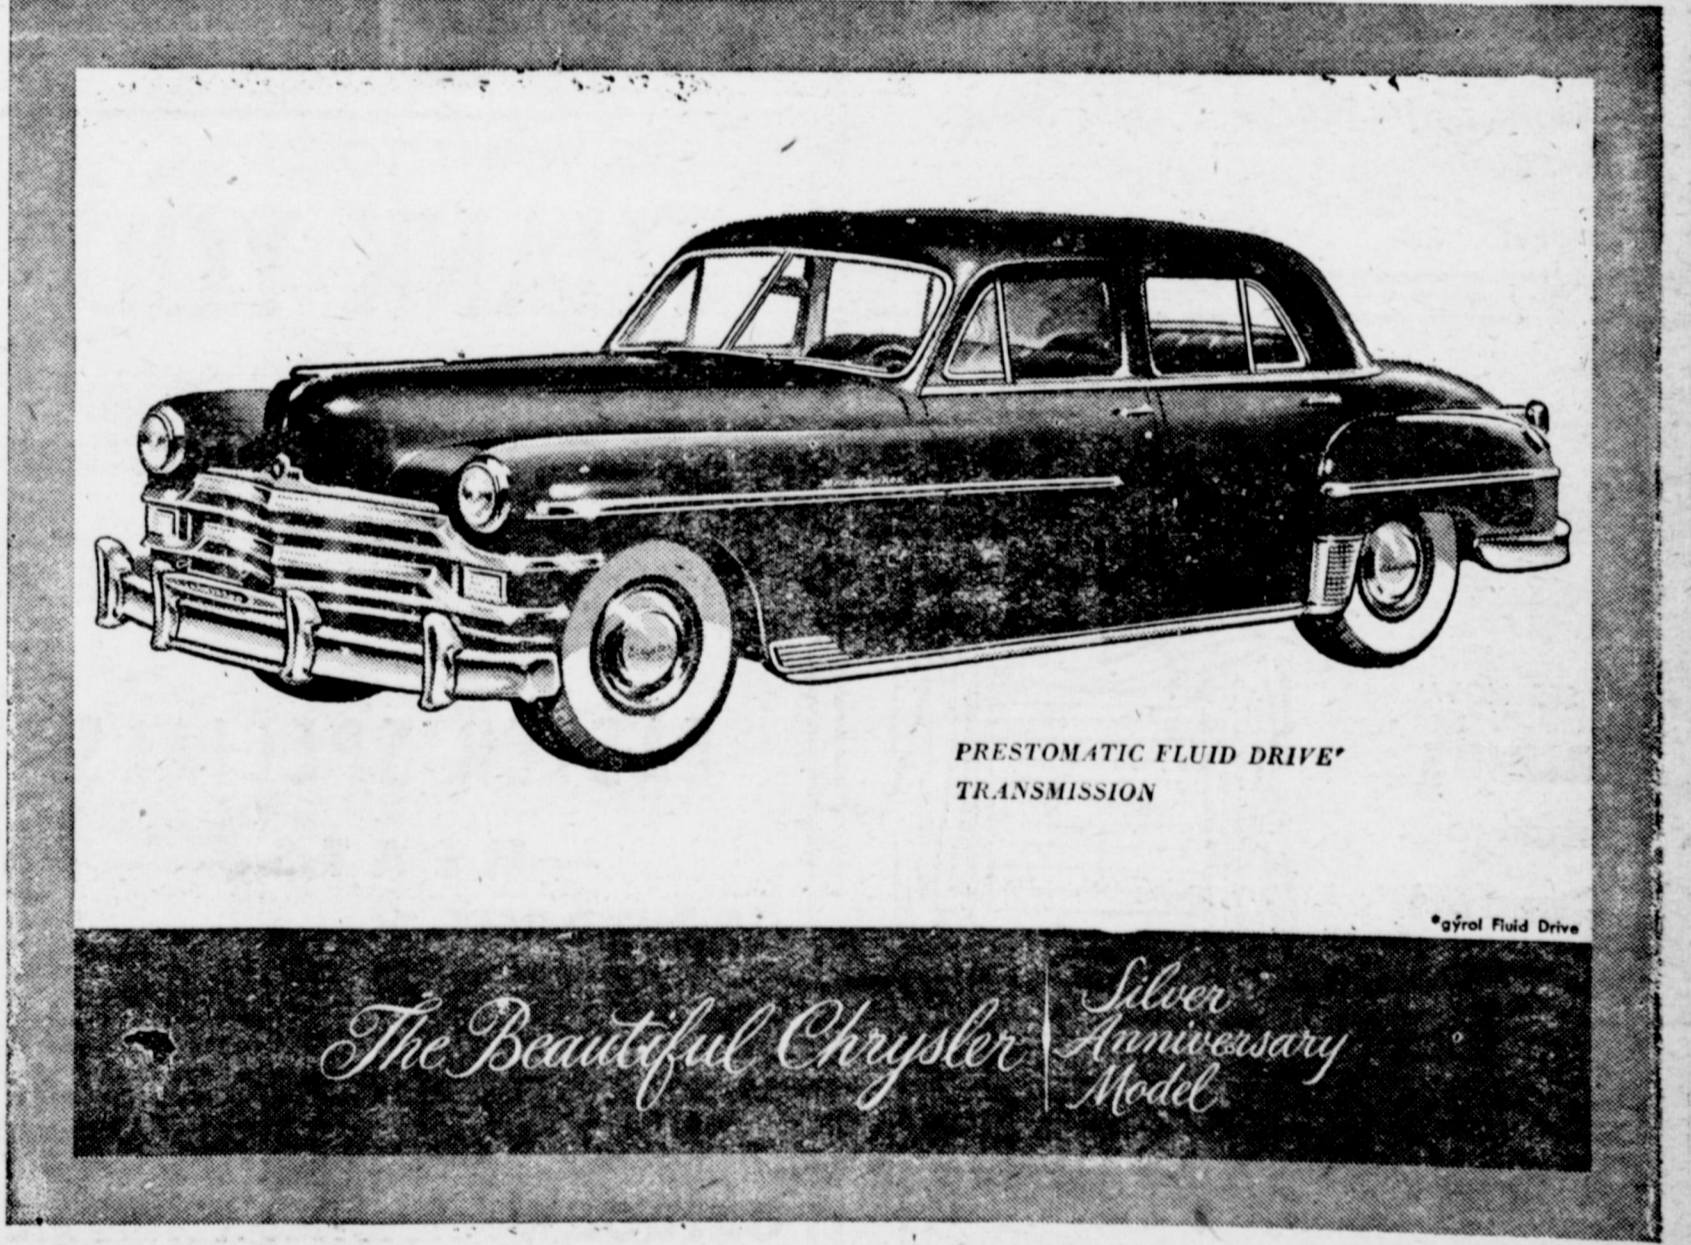

Like everything else, gas is more expensive to produce, more expensive to deliver to your home and business, but not one cent of this increased cost has been passed on to you.

The price of the meter, to which the house regulator is attached, is 105% higher than the meters purchased by West Texas Gas Company in 1940.

In face of the increased costs of regulators, meters, steel pipe, wages and other items... natural gas service for your home and business is still furnished you at 1940 prices!

West Texas Gas Company
HELPING BUILD WEST TEXAS SINCE 1927

CARD OF THANKS

We wish to express our thanks to our friends and neighbors for their kindness and sympathy during the illness and at the death of our mother, and for the beautiful flowers. May God bless each of you.

Thomson and Johnson Families.

Students Win Literary Honors

Again Muleshoe High has come to the front by coping several honors in the literary events of the District Interscholastic Meet held at Littlefield, Monday, April 11. Those winning ribbons were:

Boys Extemporaneous Speech—Bill Thomson, 1st. place.
Girls Extemporaneous Speech—Mary Jo White, 2nd. place.
Boys Declamation—Joe Frank Cummings, 2nd place, Woody Jackson 3rd place.
Girls Declamation—Joyce Blackburn, 1st place, Ellen Johnson, 3rd place.
Typing—Joyce Gwyn, 3rd place, Wanda Kimbrough, 9th place.

EMILY POST GOES TO A MULESHOE FIRE

She didn't but if she did, the famous authority on good manners and all phases of correct human conduct would not: Park her car in an alley behind the blazing house and thus prevent the firemen from using the nearest water plug; rush to the fire station ahead of regular members of the fire department, thus preventing the arrival of volunteer firemen working at various jobs over the town; get ahead of the fire truck; fail to take to the curb when the whistle blows; run over water hose; park within two blocks or 700 feet of the scene of the fire.

Muleshoe firemen appreciate your patriotic offer of services in an emergency but they prefer that you wait in some place that is out of the way until they call on you.

Muleshoe firemen note that this is the time when good citizens like to burn the trash and rubbish that has accumulated during the winter. They commend the citizens therefore, but urge that a careful eye be kept on all trash fires until they are completely burned out. We are all working for a cleaner, safer, better Muleshoe. Thanks for listening this long—

Muleshoe Volunteer Fire Department.

Mr. and Mrs. Fred Gallman on the birth of a son April 4.

DR. HOOTEN GOES WITH THE TEMPERANCE BOARD

Dr. Caradine R. Hooten, widely known Methodist minister, is going to Washington, D. C., to be associated there with the Methodist Temperance Board. Mrs. Finley Pierson, long time friend here informs The Journal.

Dr. Hooten held pastorate at Plainview and elsewhere in the Plains region. Last week he conducted revival services in Lubbock, attended by several Muleshoe people.

By some strange aberration, The Journal last week said local people attended Dr. Hooten funeral services, no doubt meaning revival services. Dr. Hooten is very much alike. In recent years he has been pastor of a large Dallas Methodist church.

Soil Conservation District News

Topographic surveys have been completed on farms owned by Mrs. W. H. Judd of Seattle, Washington, by Mrs. J. E. Walter of Lubbock, and by Lonnie Wilhite. Well locations have been made on farms owned by Wm. H. McGee and Roy L. Ritchie, Jr. Applications for soil conservation assistance have been received on 320 acres of land owned by Orbin Nowell of Lubbock (Raymond Green is the operator) and on 160 acres owned by W. L. Strickland.

Soil Conservation Service technicians rendered assistance last week in laying out ditches for watering row crop land on farms owned by D. C. Knoop, John Beran, L. W. Brooks, A. E. Moore, Mrs. J. E. Walter, B. L. Jeffcoat, G. V. Coker, and D. C. Burelsmith. Terraces which have been constructed on farms owned by M. L. Collins and Paul Brothers have been checked according to SCS and AAA specifications.

Complete plans of conservation operations have been worked out on farms owned by L. O. Norwood, by Albert Ramm, by Marvin Mays, and by Mr. and Mrs. W. H. Judd.

4-H Dress Revue Set For May 14

The Bailey County 4-H Dress Revue will be held in Fellowship Hall, Muleshoe Methodist Church, May 14, at 1:00 p. m. All 4-H girls in the county are eligible to enter one or more of the following garments which they have made: Mittens, Play Suit, School Dress, better dress of street length, and tailored or wool dress.

The purpose of the 4-H Dress Revue program is to achieve the following objectives:

1. To determine individual clothing needs in order to plan and limit purchases to those garments which are appropriate, serviceable, and adequate for purpose intended.
2. To acquire the skills and knowledge necessary to plan, select, construct, assemble and care for suitable costumes for work,

school and social occasions.

3. To learn to dress appropriately, becomingly, and healthfully, in keeping with a well-planned family budget.
4. To "know herself" in order to choose clothing which is most

becoming to her type and expressive of her personality.

5. To develop grace, poise, good posture, and the habits of good grooming.
