Editorial — NEWS

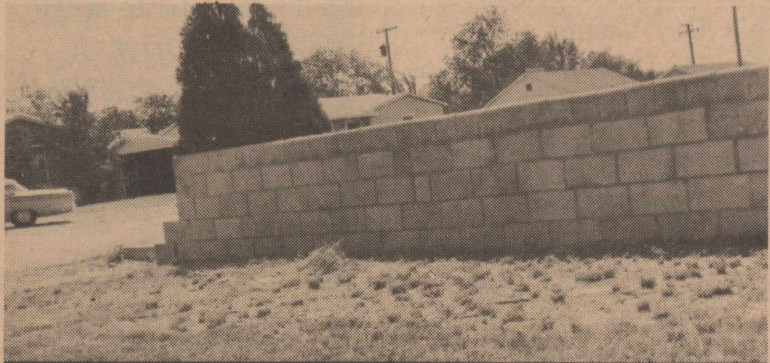

How long has it been since you started around a corner and had to stop suddenly because you could not see? Have you ever eased around a corner and found children playing in the street? We will call the corners blind for the sake of this editorial. I hope that the pictures will point out to the people of our town and it will have the same effect as the clean-up pictures (several people called in appreciation) in last weeks issue.

Would each of you ask yourself the following questions:

1. Do I have a fence running out to the intersection that drivers cannot see over?
2. Do I have hedges that are growing out to intersections that need trimming?
3. Do I have trees that need under-branches trimmed off on my corner?
4. Do I or a member of my family park our vehicles too close to the corner that makes it difficult for a driver to see approaching traffic?

These are not intended to embarrass anyone, but in hopes to avoid accidents and save someone's life.

TWO KILLED

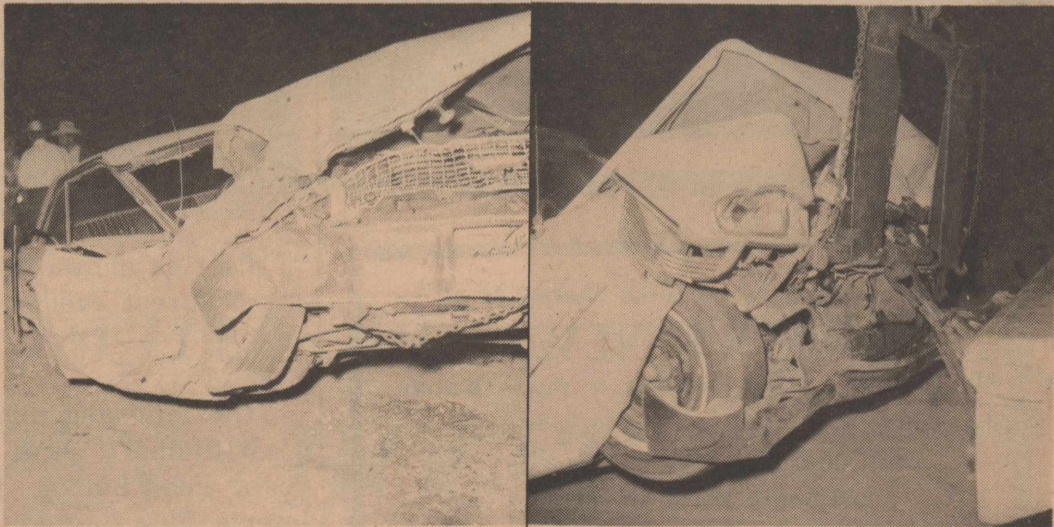

A two car collision, 19.1 miles on the Hobbs highway early Sunday morning, claimed two lives and injured five. Willie D. Holmes, 23, of Seminole and Lionel Conrad Cox, 61, 1316 North Houston, Hobbs, New Mexico, were both pronounced dead at the scene of the accident. Injured was Miss Laura Sue McCain, 19, who was driving Holmes' 1963 Ford. The second car involved, a 1962 Chrysler, was driven by Earnest Branam, 47, 2206 Breckon, Hobbs, New Mexico. Mr. Branam is listed in critical condition with head and facial injuries. Mr. Cox, principal of Highland High School, was in the car driven by Branam. Other occupants of the Chrysler were Mrs. Vera Branam, 41, who is listed in critical condition suffering from head and facial cuts, a concussion and a broken left leg. Roy Lee Wheeler, 18, of Monument, New Mexico, and his wife, Shirley Ann, 19, both suffered minor cuts and bruises but are considered in good condition. All of the injured were admitted to Lea General Hospital in Hobbs. Miss McCain has been taken off the critical list, but is still in serious condition. She is suffering from a crushed knee cap, head lacerations and broken ribs.

W. E. Cox, Jr., Seminole Justice of the Peace, who went to the scene, reported that the 1963 Ford veered into the West bound traffic in what seemed to be a blow-out. "We measured a distance of 112 feet where the car suddenly started for the North ditch, just like a person had had a blow out," said Cox.

At approximately 12:50 A. M., a 1963 Ford driven by Laura Sue McCain, suddenly veered into the approaching lane of West bound traffic and hit a 1962 Chrysler, driven by Earnest Branam. The front right half of both automobiles were demolished. There was such an impact that it dug the highway out into the cliche. Both passengers that were killed were sitting on the right hand front seat. **SEAT BELTS WERE IN EVIDENCE, BUT NOT IN USE.**

The accident happened 19.1 miles West of Seminole at the Livestock Feeders Grain Storage Co., Hobbs Highway.

Susie McCain said in the only time she has been coherent, "Mother, we had a blow out, I could not hold it and fell into the other lane."

Laura Sue McCain was the driver of the 1963 Ford in which Willie D. Holmes was killed.

Ernest Branam, a teacher from Hobbs, New Mexico, was the driver of the 1962 Chrysler in which Lionel Conrad Cox, also of Hobbs, was killed.

ART PAGE

Q & A

(Q) What is a wood cut?

(A) Wood cuts are used in Printmaking. Printmaking is a very old art. One of the earliest European wood cuts dated back to 1423. This carving was of St. Christopher. Other early ways of utilizing the wood cut medium included playing cards, block books, and before the invention of movable type, pattern prints.

Most of the earlier etchings were done on wood. In our modern times we use linoleum cut and the silk screen printing process. The method of screen printing was first widely used in the United States, especially in the field of industry, where it was an ideal printing technique for textiles.

Jimmy Dirks, son of Mr. and Mrs. Herman Dirks, left today for Texas Tech where he will be a Freshman.

GROUNDBREAKING CEREMONIES

Groundbreaking ceremonies for the new Assembly of God Church, which will be located at the corner of 2nd. and Ave. "G" S. W., were held Sunday, September 17, 1967, at 2:30 P. M. The Rev. H. H. Rogers, District Superintendent of The Assemblies of God, with headquarters in Lubbock, C. J. Earl and V. M. Briggs, Trustees, assisted Rev. L. A. Harper, Pastor. A large number of the church members and officials attended the ground breaking.

The new church will be of brick and Haydite block construction. Plans call for 4700 square feet of floor space. The sanctuary will seat approximately 235 people, with additional facilities to accommodate an overflow of 250.

The new complex will also consist of the Sunday School annex and a fellowship hall complete with kitchen. Footing was poured Tuesday, September 19th. The building will require 120 days to complete. John Martin, Denton, is the contractor.

COMMISSIONERS COURT APPROVE BUDGET for 1968
The Commissioners Court of Gaines County at their regular session, September 11, 1967 approved the budget for 1968. This budget calls for total expenditures for 1968 for the operation of the county (excluding debt retirement and interest) of \$1,146,754.06 as compared with \$1,197,702.82 for 1967. The reduction is made possible by several non-recurring expenditures in 1967, such as the purchase of land for water rights at the park, purchase of additional land for the cemeteries, reworking of the Sheriff's radio set-up and major repairs to the jail.

The 1968 budget provides for the expenditure of \$303,826.25 for interest and retiring principal of the debt of the county. This would retire \$154,000.00 indebtedness in 1968 which is not due until later years. This is possible because of the delaying of future paving projects, and will result in the annual saving of \$4,482.50 in interest on this \$154,000.00.

The practice in the past has been to set aside revenue from 30¢ of the tax levy for paving, and spending these funds each third or fourth year. In 1965-66 \$543,998.92 was pent for the construction of approximately 75 miles of paved roads. This policy will be reviewed by the Commissioners Court each year, and if, in their judgment, need for future pavement is not too great, the entire debt of the County can be retired by 1971.

As of January 1, 1968, the debt of the County will be as follows: Road Bonds issued in 1949 for various county roads, \$8,000.00; Road Bonds issued in 1951, principally for the Seminole Lovington Road \$252,000.00; Courthouse Bonds issued in 1955 \$440,000.00; Park Bonds issued in 1956 \$156,000.00; and Seminole Livestock Show Barn and Seagraves Library Bonds issued in 1961 \$30,000.00. Total paid on the principal of bonds in 1967 was \$126,000.00 with \$29,613.13 being paid on interest.

The Commissioners Court also approved the 1967 tax roll on September 11, 1967. Valuation, for County purposes, is \$71,657,845 as compared with the 1966 valuation of \$71,340,400.00. The county rate remains at 95¢ on all properties, with an additional 30¢ levy applying to all properties except homesteads.

Bridal Gift Shower Held

Miss Joyce Huey, bride-elect of Larry Cates, was honored with a bridal shower Monday, September 18, at 7:30 o'clock in the evening in the home of Mrs. W. M. Wicker, 609 S. W. 18th. Street.

Hostesses were: Mrs. Jim Savell, Mrs. Wardell Allen, Mrs. Bobby Wicker, Mrs. Walter Partain, Mrs. Marshall Somers, Mrs. Weldon Smith, Mrs. John Baker, Mrs. John McClead, Mrs. Jack Brown, Mrs. Ward Christian, Mrs. B. C. Norton, and Mrs. J. B. Dyess.

Special guests were: Mrs. James Huey, mother of the bride-elect, and the father bridegroom's mother, Mrs. J. N. Massie, both of Seminole, Mrs. Janell Thurman, Miss Charlotte Warren, and Miss Mary Ann Woosley of Tahoka.

The bride-elect's chosen colors of blue and yellow were used in decorations. The reception table was covered with a white lace cloth over blue with a centerpiece of blue and yellow flowers. The lovely centerpiece was oblong in design with a gold solitaire ring in the center banked with blue carnations, yellow dahlias and miniature fugi mums. Green foliage and blue ribbon puffs completed the centerpiece. White cake squares topped with yellow icing and a blue wedding bell, nuts, mints, and yellow punch with blue flowers and a floating ice ring were served to the guests. Miss Nila Norton served the cake and punch was poured by Mrs. Wardell Allen.

Miss Kay Huey, sister of the Bride-elect registered the guests.

Gifts for the honoree were displayed in the bedroom of the Wickers home. She was presented with an electric hand mixer, mixing bowls and a clothes basket by the hostesses.

The couple plan to marry on October 14 in the First Baptist Church of Seminole.

FHA TEA

A tea for the new FHA members was held at 4:00 Wednesday, September 13, in the living room of the homemaking lab. Refreshments were served.

Those present were Luann Locke, Beatrice Gonzales, Jodie Hill, Cheryl Buck, Kathryn Taylor, Kim Golden, Lana O'Neal, Toni Clark, Helen Morris, Carolyn Teston, Linda Warren, Jana Moore, Lois McCain, Lorretta Beavers, Lupita Cavazes, Mary Mejia, Mary Zuniga, Marlene Droigk, JoAnn Reed, hostess, Eva McCollister, Lynn Gray, Oralia Ramirez-hostess, Mrs. Forbis, Beverly Forbis, Brinda George, Pam Buck-hostess, Connie Young-hostess, and Miss Massengill.

THE BUSY BEE HOME DEMONSTRATION CLUB HOLD CANDLE MAKING DEMONSTRATION

The Busy Bee Home Demonstration Club met September 14, at the Gaines County Court House for a business meeting and to elect officers for the coming year.

The past years' work and programs were reported. The treasure report was read and approved. Gifts for the hospital in Big Springs were turned in Tuesday. The Club members decided to go on the Farm Tour in place of a regular meeting, September 28.

Officers for 1968 are: Mrs. W. L. Miller, president; Mrs. Raymond Pearce, vice-president; Mrs. Hubert Wallace, secretary-treasurer; Mrs. John Cummings, reporter; Janie Johnson, council delegate; and Mrs. Clyde Cornwell, flowers. The Scrapbook committee consists of Mrs. Dale Spence, Mrs. J. A. Lammons and Janie Johnson.

Mrs. Fullerton gave an interesting program on candle making. She gave demonstrations on cracked ice candles made in a mold or milk carton, how to mold candles and the difference in candle molds, plastic or tin. She gave a list of things we have in our homes that can be used as molds; cans, milk cartons, loaf pans and jello molds. Mrs. Fullerton explained how to get even color in your candles, fragrance in candles, whipped wax, smoothing out and decorating candles for all occasions. She had many beautiful candles and stands on display.

Mrs. John Cummings and Mrs. J. B. Thornbury were hostess. Those present were Mmes. Andy Cargal, T. W. Austin, D. Dove, Dale

FRESHMEN VICTORIOUS OVER BROWNFIELD IN 13-0 WIN

The Seminole Freshmen came to life in the shadows of rain and a weak cold front last Thursday night to down the Brownfield Freshmen 13-0 at Brownfield.

The Freshmen were sparked by a tough defense lead by Bill Hearne, Bobby Presley, Don Jay Coffman and Steve Nelson, which allowed only four first downs and a total of eighty-one yards.

Lavern Bennett provided the offensive spark with 90 yards rushing for the night and scoring on a run-pass play which covered 30 yards.

The first score of the night came late in the first quarter when Quarterback, Bill Hearne, passed to Kenneth Pearce on a run-pass play which covered forty yards. Lavern Bennett converted and the young Braves led, 7-0.

In the third quarter Bill Hearne again took to the air this time hitting Lavern Bennett on a 30 yard play which resulted in the final score of the evening and gave the Freshmen their first win, 13-0.

It was a well played game and Coach Hicks stated that he thought it was a great team effort with each boy taking real pride in his efforts.

Headhunter Awards were made to: Bill Hearne, Don Jay Coffman, Steve Nelson, Bobby Presley and Lavern Bennett.

THE STRANGEST THINGS HAPPEN

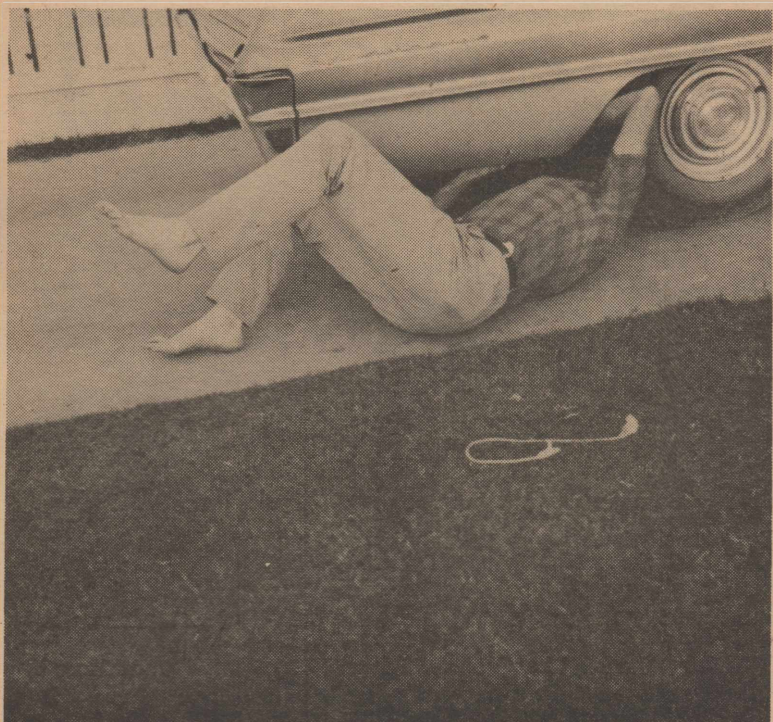

Mrs. Sue Holland received a telephone call from her daughter, Mrs. B. F. Coleman of Arkansas. Her grandson had swallowed a screwdriver two and one half inches long. They operated on Robert Keith Coleman last Friday and removed it. He is fine. (As our families grow and grow more and more things can happen.)

JUNIOR HIGH GOLD BAND

Janis Huggins and Polli Doss will serve as band majors for the Junior High Gold Band this year following tryouts last Thursday. Twirlers will be Gayla Blau, Debbie Carter, Kanna Farmer, and Kala Ward. Judge for the tryouts was Mickey Owens, Seagraves Band director.

The Gold Band will play this Thursday for the pep rally and then for the Seventh and eighth Grade football games with Lamesa here that night.

BY MRS. OPAL (R.M.E.) HUGHES

Our Fairview meeting started off with what I call love and prayer and trying to reach some of the members who have forgotten to come to church.

Our preacher or our evangelist's name is Bro. Leon Perry, who really preached the Bible. We have really enjoyed every message. He has several children and I know a good wife.

Bro. Leon Perry says the Fairview ladies are the most wonderful cooks. Mr. and Mrs. F. T. Goss came to church Sunday night with Mr. and Mrs. P. A. Mitcham, Jr. and son.

Mr. and Mrs. Donald Morton and children Laddonna and Ray Lynn, who live in Seminole, and they are new here. These

people are the best of friends to Mr. and Mrs. Leon Smith, the pastor of the Fairview Baptist Church.

Mr. Lee Gregory, a brother-in-law of Mrs. Josie Fox, died September 6th. This man and family lived at Cleburn, Texas.

Mrs. Nettie Gregory is a sister to Mrs. Josie Fox. This sister is going to stay with Mr. and Mrs. Noble Fox a month or two. The Fairview church sends their deepest sympathy to the dear neighbors.

Mr. and Mrs. Jim Cassell brought Mr. F. M. Morton to church Sunday morning.

Mr. and Mrs. Hugh Castleberry was at church and Sunday school. We hope they can continue to come regular.

Mr. and Mrs. A. D. Quillen and Barbara came to church Monday night and we were all in the big rain.

Coaches Inman and Wren say the Eighth grade is ready.

Seminole goes for a good gain.

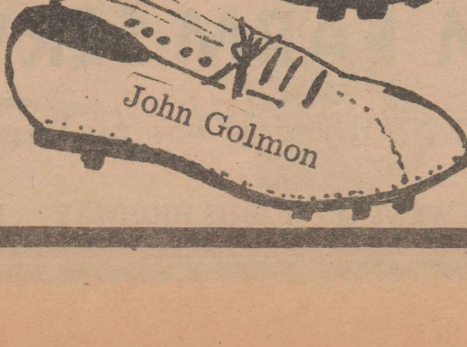

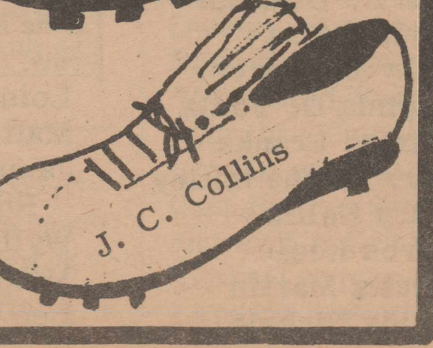

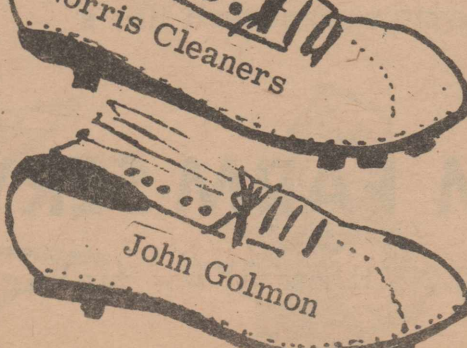

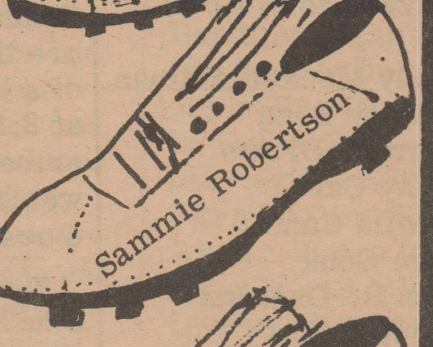

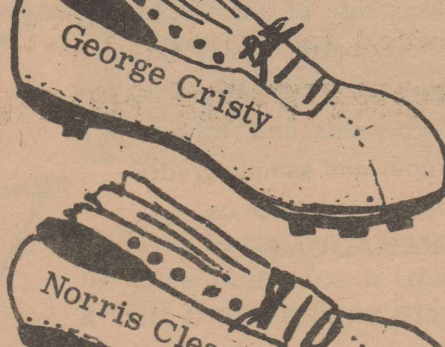

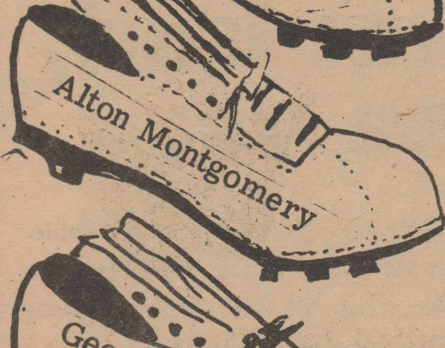

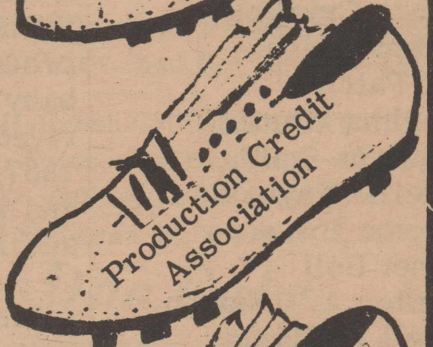

Frankie Calderon ran wild against Brownfield and scored 24 points for 200 yards gain and won the Head Hunter Award along with Wendell Miller, a big tough tackle. Even the third offensive team looked good and carried the ball to the ten yard line as the game ended. Gary Don Ray, Joe Flud, and Craig Pierson made good gains behind the good blocking of Roger Foote, Wendell Miller, Jim Livingston, Tony Williams, Richard Trevino, Terry Ivy, and David Barbee. Seminole gained 325 yards to Brownfield's 202. Calderon led with 12 defensive tackles followed by Tipping, Ray and Foote with 6 each. Thursday the Eighth grade will play hosts to Lamesa at 7:30 P. M. The Eighth Grade's record is 2-0.

EDITORIALS

In the September 17 issue of the "Denver City Press", a front page article called attention to the fact that some of the Seminole Indian students displayed a sign which read "Give 'em H ___ , Indians." No one enjoyed the victory over Denver City more than the Publishers, Editors and the employees of this paper. The above sign was in poor taste. We hope and trust that it will not happen again.

Mr. Bramlett, Superintendent of Seminole Public Schools said, "It was without the knowledge of school administrators. It was brought to my attention by Mr. J. W. Jones, Superintendent of Denver City Public Schools, who called on another matter. I was not aware of it and will advise the student body."

"Postal Services Day" September 22

Friday, September 22 has been designated by Postmaster Jewell F. Cobb as Postal Service Day in Seminole, and one special service provided by the post office is the delivery of ZIP-A-LIST kits to every household in the community. Letter carriers on this day start delivery of ZIP-A-LIST kits.

The postmaster urges all residents to use the postal cards contained in the kits to obtain the ZIP Codes needed for addresses in their mailing lists.

Each household will receive eight cards with spaces for the addresses to be "zipped" by the post office and for the return address. No postage is needed.

In addition to the kit, which is folded like a closed accordion, a separate card is being delivered to remind residents of the local "ZIP" Code number.

"ZIP" Code is necessary all year round to increase the efficiency of the postal service," Mrs. Cobb said, "but it is more important than ever around the holiday season. This year, the Post Office Department expects to handle well over nine billion pieces of mail during the Christmas rush. ZIP Code will be a great help in delivering that mail accurately and on time."

The postal official reminded ZIP-A-LIST users to print clearly and to include their return address so that the post office will know where to deliver the completed form.

Extra kits are available at the post office or just ask your letter carrier.

We want to give special recognition to the personnel of the Seminole Post Office.

Mrs. Gary Weaver visited her sister, Mr. and Mrs. Willy Burleson in Lubbock last Thursday.

C. V. Shelton, Chairman of the Seminole service unit of the Salvation Army, reports work has started on the Salvation Army Fund Drive.

Campaign Chairman, M. Charles Ray, reports people are responding to the call for help to raise money for the Salvation Army.

The Campaign quota is \$2,000.00 and the kick-off is scheduled to be September 20.

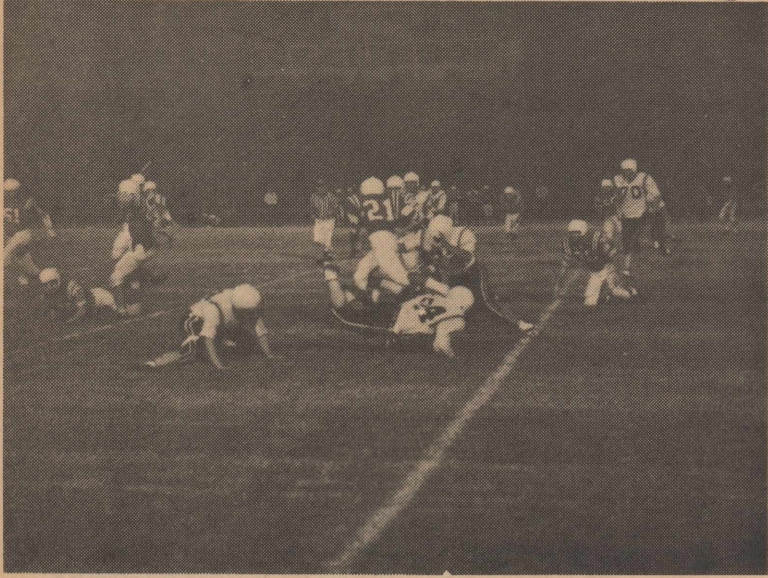

Bob R. Hickman, Service Unit Field Representative of the Salvation Army is in town to help with the campaign.

Mr. Shelton reminds us that one third of all money raised in the campaign stays in Seminole to be used by his service unit committee to help people help themselves.

The two thirds of the money that goes to division headquarters is used to provide state services of the Salvation Army. All of these services are available to the people of our area through the local service unit.

State services of the Salvation Army include:

- (1) Home and hospital care for unwed mothers,
- (2) A missing persons bureau,
- (3) Rehabilitation centers for persons with broken lives, and
- (4) Camp Hoblitzelle for underprivileged boys.

In the heat of battle.

Seminole jumped off to two quick touchdowns in the first quarter against Brownfield. The Seminole B Team showed a lot of spirit in their all out effort. Seminole held on for a 14-6 victory.

Official Memorandum
 By
 JOHN CONNALLY
 Governor of Texas

AUSTIN, TEXAS

GREETINGS:

The Young Homemakers of Texas is playing a distinct role in the strengthening of home and family living as basis for the preservation of the American way of life. Through their program of work, members develop their knowledge and skills for effective membership in the home, community, state and nation. Local, area and state projects and activities emphasize education, cooperative and community service, leadership, group recreation, inspiration and consumer knowledge.

The Young Homemakers of Texas is a state organization of young women under 36 years of age not enrolled in school and interested in home-making. As an integral part of the home economics education program, the organization contributes to the development of those qualities necessary in becoming worthy homemakers and citizens.

It is appropriate that a time be set aside for recognizing the contributions the Young Homemakers of Texas are making to the homes of our state and nation, and to encourage these young women to continue in their work.

THEREFORE, I, as Governor of Texas, do hereby designate the week of September 17-23, 1967, as

YOUNG HOMEMAKERS OF TEXAS WEEK

and urge all citizens to join in appropriate observance.

In official recognition whereof, I hereby affix my signature this 6th day of Sept., 1967

John Connally
 Governor of Texas

IMPRESSIONS OF JAPAN

By Dorothy Hargrove

My first impression of Japan was the classic natural beauty. Its country-side is a great green garden and from the air it seemed to be surrounded by mountains and they have many lakes and rivers and the water is a mysterious green.

As we landed at Tokyo International Airport our thought was "How and where do we go from here?" Two young teenagers introduced themselves as representatives of Pan American World Airways. This young boy and girl spoke fluent English and were very helpful piloting us through Customs, calling a red cap and guiding the way to a Taxi stand just outside through the gate of Customs. Soon we were at the Hotel Okura where we had reservations.

The following morning about five o'clock we were suddenly awakened by an earth quake which shook down town Tokyo. It was felt as a sharp window rattling jolt and we heard the steel roof of the Okura shake. It was a frightening experience tho it lasted only a few seconds. I would not like to live where there were earth tremors!

In the afternoon we found that we had only one reservation instead of two for our flight to Hachinohe where my daughter and her husband were to meet us. So we had to wait another day for the next flight.

Immediately we arranged to take a three hour tour of Toyko which included; The Imperial Palace, The Parliament, (Called the Diet) its two chambers, called the House of Representatives and the House of Councillors similar to our United States Congress; and last Yasukuni Shrine----one of the most sacred spots in the country. The Palace is never open to the public but you can see the Imperial Family twice a year when they appear on a balcony January 2nd and April 29th.

Tokyo is a some what mysterious place. The press reports are full of talks about the city's two faces, ancient and modern. Yes there were traffic jams, the hectic rush of business life, monorails, express highways, and super-express railway lines and they wonder how this kind of progress can be matched with the geisha parties, tea ceremonies, flower arranging classes for foreign ladies, and devotion to the classic theater-Kabuki. Tokyo is the largest city in the world having over 10,000,000 population and has been the capital only since 1868.

An excellent way to begin to enjoy Tokyo is to take a stroll down Ginza-(Fifth Avenue-New York). You find an ever-increasing flow of shoppers, students, and pretty girls strolling through the district. When darkness falls Ginza is transformed with the flashy neon lights, brighter than Times Square and you wonder "what on earth, do all those signs say?"

All along Ginza are the department stores, hundreds of bars, thousands of restaurants and hundreds of shops-----shopper's paradise!

.... and it did not rain for ten years. The Prophet after only three years of drought asked his servant to look out and see if he could see a cloud. There was only one cloud about the size of your hand. In Denver City last Friday night when the Indians covered the first of four fumbles and went in for their first score Seminole Fans saw a ray of hope 'about the size of your hand'. Ten years of drought had come to an end. It rained.

Anxiety turned into hope, hope turned into joy, joy turned into amazement, and amazement into a wonderful night for Indian players, Indian parents, school officials, and Indian fans. Every quarter was a joy as they scored other touchdowns. The Denver City Mustangs had not been beaten on their home field since 1957. The Indians were responsible for that defeat too.

Seminole started off with a bang, covering a Mustang fumble in the first quarter on the 26 yard line. Hernandez of Denver City fumbled on a beautiful tackle. It was recovered by Indian C. J. Danley.

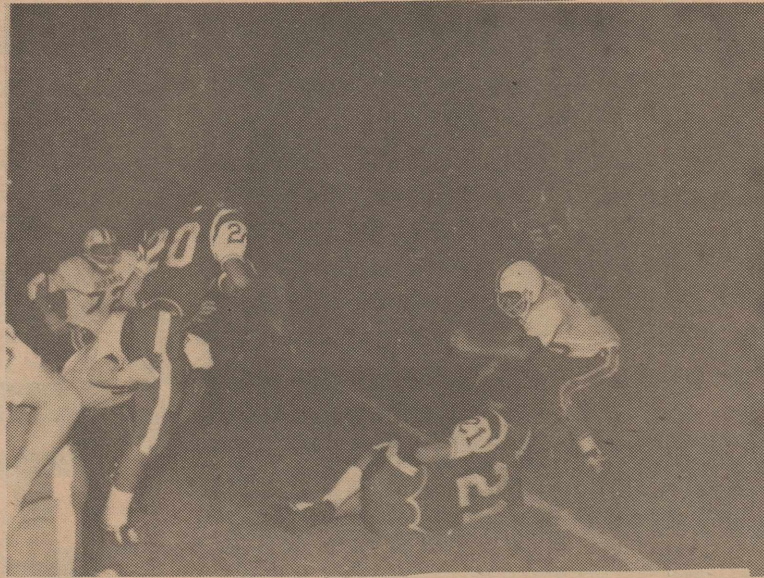

Indian Quarterback Ray was not only running well but he threw well to Larry Cottrell going to the eleven. Ray carried to the three. Bobby Spencer scored the first touchdown.

Seminole moved again on a fumble claimed by Franklin at the Denver City forty-one. Ray carried this one in on a beautiful pass-run play after he had passed to Terry Kuykendall that carried to the twelve.

Ray ran again for 20-25 yards in the third period after Danley covered another fumble. Seminole was hot. They were hitting with fierce momentum and then looking and claiming that loose ball. They ran well, they blocked well, they passed well. The score read Indians 18, Denver City 0. How Great!!!

Denver City then moved the ball well for a sustained drive of 65 yards for their only score of the night, making it 18-6 at the end of the third quarter.

The black and gold moved the length of the field in the fourth quarter to show real power, with the big one being a 16 yarder from Ray to end Terry Kuykendall. Anderson signed off the scoring with an extra point.

The defense stopped Denver City again. Time after time the Indian defense raised up to stop them and jar them loose from the ball.

This cotton was planted in April and had some open bowls.

This cotton was planted the 3rd. day of June. It had grown bowls on it, but no open cotton.

At approximately 5:00 P. M., Thursday afternoon, September 14, 1967, extensive hail damage was caused by a cloud traveling from Northwest to South-east. It first hit the Donald Ward farm, 6 miles west of Seagraves. It hailed again 12 miles north of Seminole, 4 miles east or 6 miles south of Seagraves. Extensive hail damage was caused on the following farms: Delmon Ellison, Woody McKenzie, Chuck White, Troy Martin, Dave Anderson, Denton Balcum, Jim Ward

The F. J. Young fourth grade is practicing for its game with the Seminole Elementary fourth grade this next Thursday. It is to be played between the games with Lamesa for the seventh and eighth grade teams.

SEMINOLE INDIAN BAND WILL MAKE FIRST HOME APPEARANCE ON FRIDAY

The Seminole Indian Band, 119 strong, will make its first home appearance of the year Friday night when the Indian footballers take on the Lamesa Golden Tornadoes at Wigwam Stadium. Such crowd-pleasers at "The Black Rroop", "March of the Young Romans", "French National Defile", "Joshua" and many others will be featured by the band. The band will also use several complicated drills not used before.

Also making their first home appearance will be Head Drum Major Charlotte Garner, Assistant Drum Major Linda Martin, and Twilers Penny Baker, Nancy Billups, and Vickie Ray.

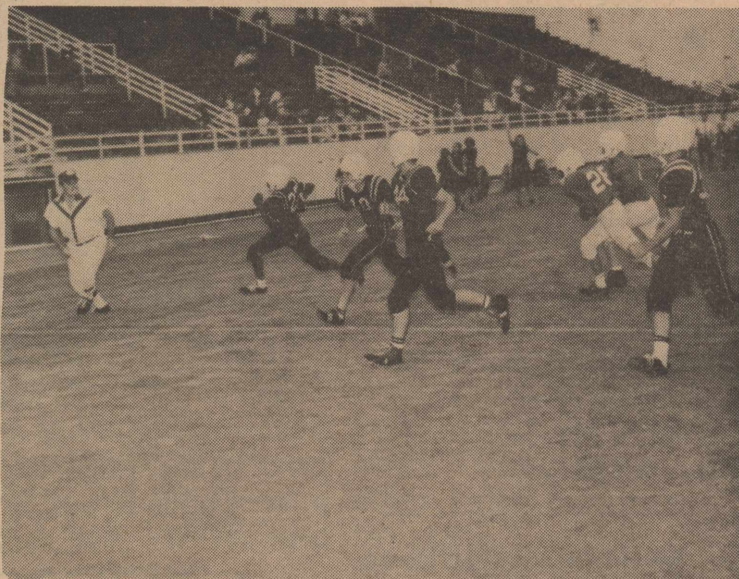

Pre-game ceremonies will be somewhat different than in past years as the band will play "Ceremony of Allegiance" prior to the raising of the flag, Charlotte Garner will read the Preamble to the Constitution and Nila Norton will lead the audience in the singing of "The Star-Spangled Banner".

Next public appearance of the band will be on Monday, September 25, when it, along with approximately fifty other area bands will march in the Panhandle-South Plains Fair Parade in Lubbock. Marching time is at approximately 9:30 a. m.

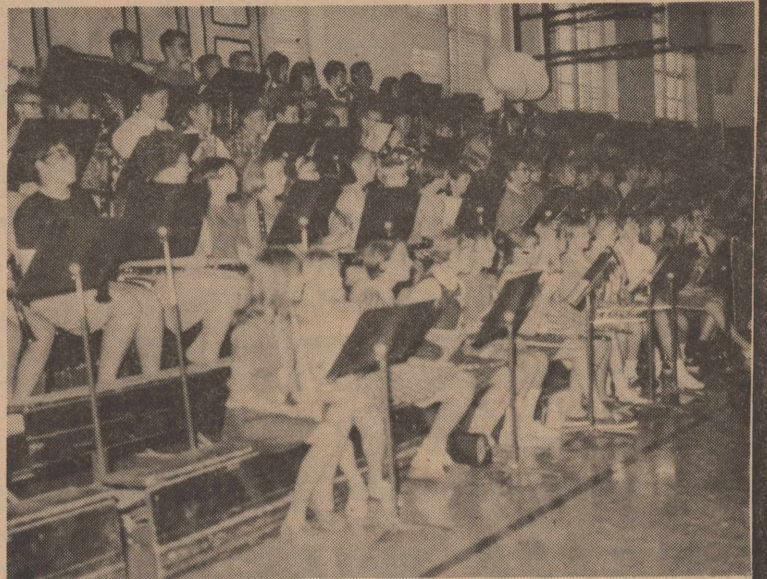

Mr. and Mrs. John Freyburger, Mrs. J. B. Dyess and Mrs. Rayford Bates were in Lubbock Sunday to attend the South Plains Design School. They report the new look in Bridal fashions will be in gold and silver threads, with accents on gold and silver accessories.

Melinda Melone left Saturday for the University of Texas where she is a Freshman.

Seventh Grade Seminole 12 Brownfield 0

The seventh grade defense played a rugged, head-cracking ball game and held the Brownfield team scoreless. The whole defensive unit looked great. Ron Bartley, Richard Mansell, Mel Nelson, Bert Bennett, Donald Roberts, Carl Brown, Mike Foster, and Glen Smith all did exceptional jobs on defense.

They had all worked hard the whole week to correct mistakes that showed up in their first game with Denver City. Hustle and desire were evident the whole week and throughout both games.

The seventh grade Headhunter Club consists of two players from each game who did exceptionally good jobs on offense or defense. In the Denver City game, Donald Roberts was chosen on offense and Mike Foster on defense. Mike Foster scored the only touchdown. In the Brownfield game, Bert Bennett was picked on offense and Mel Nelson was chosen on defense.

In the game with Brownfield, every player and showed great desire and hustle. The second offense looked good, but they lost the ball on a fumble. The third offensive line blocked well and Greg Fleming ran the ball well. Charles Norris looked good at Quarterback and will see some action at that spot against Lamesa.

If you cannot win, make the winner break the record.

Before the game the coach is telling the boys to get ready and they are assuring him that they are ready, which they went out and proved.

Mr. and Mrs. Lawrence Jones and sons, Steven and Rance of Lubbock visited their mothers and grandmothers, Mrs. R. L. Jones, Jr. and Mrs. Evelyn Wolffarth.

PROTEIN CAKE**

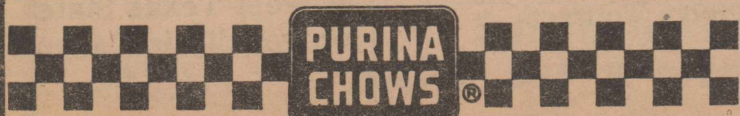

Many cows are fed a 41% protein cottonseed cake. Yet, a Purina Research test showed that cows daily fed 2½ pounds of Purina 20% Range Checkers averaged calves 19 pounds heavier at weaning than cows on 2½ pounds of 41% cottonseed cake.

Cows may not efficiently utilize 41% protein in their diet. It may be costing you extra money to give it to them. Purina Research has proved that a 20% protein ration blended properly with other ingredients can do a better job of helping cows produce strong calves.

Don't underestimate protein, but don't overestimate it either. Get the right balance with phosphorus fortified Purina Range Checkers at our store with the Checkerboard sign.
