## THREE Choirs TO SING

The high school choir won a third in the Christmas Parade. Notice the announcement of their concert.

The Choral Department of the Seminole Public Schools will present its Christmas concert Friday, December 15, in the High School Auditorium at 8:00 p. m. The concert is under the direction of Miss Karen Hausenfluke. Both sacred and secular music will be encompassed in the program with many new settings of the traditional carols.

Among the numbers the High School A Cappella Choir will perform are: Bach's "Jesu"; "Joy of Man's Desiring"; "Christmas Day"; "I Wonder As I Wander", featuring Skeet Doss, tenor soloist; "Carol of the Bells"; "Gesu Bambino", featuring Joe Coffman, baritone soloist,

Sunday evening during the regular worship hour the choirs of First Baptist Church will present this year's Christmas program in song. The Beginner and Primary choirs will participate with selections appropriate for the occasion. The choirs will be under the direction of Mrs. Doris Frizzell and Mrs. Pat Aryain.

The Junior, Youth, and Adult choirs will be combined to present the J. T. Adams Cantata, Glory to God. This 45 minute presentation will feature the following instrumentalists, Mr. Murry Vise, piano; Mrs. Jerry Hewett, organ; Mr. Donnie Brasher, Mr. Bobby Whippo, and

## Round Up

The M. S. Doss Youth Center and the Junior Study Club have joined in a project which they feel will be of help to good Saint Nicholas in making sure that he will have enough toys this year for his many stops here in Seminole. On Wednesday evening, December 20th, beginning about 8:30, the youth center will have its annual Christmas party. For this occasion it is hoped to have each and every one of the approximately four hundred members of the center present and in the building at the same time. The halls should certainly resound with the merriment of that many voices laughing and singing Christmas carols. Also it may take quite a supply of candy to satisfy that many sweet teeth, but the center will endeavor to have on hand a sufficiency thereof to fill all cavities, and perhaps start a few new ones.

**SOUTH PLAINS COTTON HARVEST 75 TO 80 PER CENT COMPLETE**

Ideal weather conditions this week enabled South Plains farmers to continue the cotton harvest and 75 to 80 per cent of the crop was out of the fields at mid-week according to W. K. Palmer, in charge of the Lubbock Cotton Classing Office of the USDA.

The three South Plains offices classed 260,000 samples during the week ending Wednesday, December 6th. The Lubbock office classed 223,000 of this total, the Brownfield office 26,000 and the Lamesa office 11,000.

Through Wednesday, December 6th the three offices had classed 766,000 samples of this year's crop and had 20,000 samples on hand. This brought the total classed and received by the three offices to 786,000.

At this date last year 1,062,000 samples of the 1966 crop had been classed.

Cotton prices, as reported by the Consumer and Marketing Service of the USDA, were higher for the better micronaire cotton last Monday and Tuesday and remained steady the remainder of the week. Prices for this cotton ranged from \$6.50 per bale over the loan for high grade, short staple cotton to \$75.00 per bale over the loan for high grade cotton having staple length of 1-3/32 and longer.

Demand continued strongest for cotton having micronaire of 3.3 and better, and this cotton was selling at a greater premium over the loan. Cotton in the lower micronaire categories was generally selling at \$5.00 to \$15.00 per bale over the loan.

Average prices paid for the most predominant qualities in the 3.5 to 4.9 micronaire range were: Middling 15/16 - 20.95, Middling 31/32 - 24.05, Middling 1-Inch - 26.60, Strict Low Middling 15/16 - 19.95, Strict Low Middling 31/32 - 22.35, Strict Low Middling 1-Inch - 24.60, Middling Light Spotted 15/16 - 20.10, Middling Light Spotted 31/32 - 22.60 and

**YOUTH CENTER WITH SANTA'S AID STAGE GIRL - BOY- AND TOY ROUND-UP**

A portion of the evening's entertainment will be provided by three Texas Tech students, Suzy Benton, Jo Ann Craig, and Ron Williams. Miss Benton played the role of Daisy Mae in the recent Tech production of "Lil' Abner." She and Miss Craig will present a delightful variety of popular vocal selections, accompanied on the piano by Mr. Williams.

But while they are enjoying this and other activities of the Christmas season the members of the center also want to be of some assistance to Saint Nicholas as he endeavors to remember all the children of the city with Christmas gifts. Thus each member is being asked to bring to the party and place under the Christmas tree at least one new or like new toy which Santa would be happy to present to some boy or girl age three through twelve. These toys will then be turned over to the Junior Study Club, whose members will serve as helpers of Santa Claus in seeing that the toys are delivered to the proper children.

In case any of you may know some boys or girls for whom these toys would make appropriate gifts, you too could be of great help by filling in the NOTE TO SANTA form and mailing it to the Junior Study Club, c/o Mrs. Kenneth Bass, 606 SW 16th. We all know that Santa does not wish to overlook a single boy or girl, but he does have so many to keep track of that he sometimes needs a bit of assistance to make certain he has on his list everyone that he should have. So he will certainly appreciate it if you can help him in this respect.

The Youth Center would, of course, welcome contributions of toys from the public. Those having toys that would like to contribute are invited to bring them by the center after school from 4 to 6 p.m., evenings from 7:30 to 10 p.m., or Saturday or Sunday afternoons from 2 until 5:30 p.m. The Center is closed Mondays and Sunday nights. If you prefer, just call the Center at 758-2779 during these hours and a Youth Center member will be happy to come by your home and pick up the toys.

Dear Santa,

I am a good boy,  
 Please bring me a game.  
 Thank you,  
 Steve Snelson

"I'm sorry, there'll be no Fairview News today. I've seen things and done things. I've seen more snow than I know what to do with. My phone won't ring and I don't feel like getting out and getting the news.

We were supposed to come back Sunday from El Paso but it snowed all day and it was ice all over the road --we couldn't drive I tell you. No water stood anywhere. We got home after dark.

I visited my two brothers in El Paso, but that's not news. Their names are Morris and Cecil Medlin, spelled M-e-d-l-i-n.

I'm at my daughters and say-- I wrote a letter to Mr. Reddell and the letter came back. The last time I heard from him he was in Senora, New Mexico, but the letter came back."

(This is news to the NEWS and will explain the absence of Mrs. Hughes column. It is also news to know she is home safe and sound.)

**the Editor**

Dear Editor:

The Tenth Annual Seminole Speech Tournament will be held Saturday, January 20. Invitations have been mailed and eighteen schools have returned cards revealing their desire and intention to attend the tournament.

Due to our school's facilities and my desire to have enough judges, I am limiting the tournament to twelve schools. Even this could mean some three hundred students.

Judges workshops will be held prior to the tournament and detailed instruction will be given to all judges.

I hope the people of Seminole will take this opportunity to spend one day helping their school make an imprint in aiding students interested in furthering their own experience and knowledge. Everyone who can yield their time can be used.

If you are interested, please contact Mr. Sharp, Seminole High School, 758-3662. Your effort will be appreciated and I guarantee an enjoyable day.

Thank you,  
Coy L. Sharp

## OUR FAVORITE CHRISTMAS STORY

In the Fall of 1916 we were living on a rented farm near Trent, Texas. Just before Christmas the farm sold and we had to move. At such a late time of year there were no farms for rent in that area, so we had to look farther west.

My husband came in one day and said, "Well, I hear a lot about Dawson County (in the Texas South Plains' down on the streets." He caught a train and went out there. In four days time he was back and announced he had bought a quarter section of land in cultivation and had leased half a section of grass land adjoining it.

Our children were young then. The oldest child was an eleven year old son, Wright. Then came Norma, who even to this day is the trusting one, and Mary, who has always done her thinking by reasoning. The two youngest girls, Dorothy and Florence, were almost babies, but not too young to comprehend something of the excitement of Christmas. We were expecting our youngest son, W. L., in March of 1917.

We immediately began our preparation to move "out west." We secured a box car, storing our household goods in one end and plow tools, a flock of chickens, and twelve cows in the other end.

For our own transportation, we rigged up two covered wagons. The first one had a rug on the floor and a small heater for warmth. The two mattresses were rolled up to sit on in the daytime and spread out to sleep on at night. The second wagon was loaded with feed for the stock and a chuck-wagon kit at back. Our eleven-year-old son was to ride a saddle horse so that he could drive twenty head of young mules we had gathered up through the past two years to sell and help pay for the farm. By December 23, we were ready to start out.

I had gone to Abilene a few days previously to Woolworth's Christmas shopping. That was the first year the store opened there and for \$5.00 you could buy as much as you can now for \$110.00.

( This Christmas story was written by the mother of W. L. Boyd of Seminole. The story will be continued in next week's NEWS)

*A Story About Your School*

A scene at the Seminole Schools today.

In 1931 Seminole had the one building that is presently the Junior High School Building, which has been added onto since then. The school was served by four busses which carried between 100 - 125 students. Eighty-five thousand dollars worth of bonds were voted and not nearly all of it was spent to build this building. One trustee said, "Seminole will never need to build another school building."

As the buildings grew, so have the busses and the bus routes. Today the school system owns twenty-five busses and runs fifteen routes. They drive between 1500-1600 miles a day or an average of about 100 miles per route. They travel approximately 275,000 miles per year. Six hundred and four students make up the passengers on the fifteen routes.

Of the twenty-five busses, two are 1957; three are 1967; the balance were bought in 1958, 1959, and 1960.

The Loop Volunteer Fire Department along with Seagraves Fire Department was called to the Gin Saturday to fight a fire that was in the cotton trailers and in some burrs at the back of the gin. The high winds hampered the control of the fire. There were ten trailers of cotton lost. Three of the trailers chasises were saved. At 1:30 a. m. Sunday the Loop Firemen were called back to put the fire in one trailer of cotton.

## THE FIRE DEPT.

Two trucks answered a fire alarm last Thursday 12 miles west, one south and one-half west on the A. A. Wuenche Farm. A fence row was being cleaned and burned off when the wind changed. The volunteer Fire Department arrived in time to prevent it from developing into a major fire.

12/8/67 at 7:51 p. m. at Crossland Gin. Fire in burr house.

Reported grass fire, 12/6/67 at 10:36 a. m. 19 miles west on Hobbs highway. Vernon Hogg ranch. (Firemen arrived--only trash burning.)

12/7/67 at 7:59 a. m. Rent house rear of 504 S.W. 7th Street. Mattress and bed fire.

Lost--one fence row, one stack of posts and wire, and at least two man hours for ten firemen or a total of 20 man hours.

Some fires you can do very little about. This trailer load of cotton was pulled off of the highway to the right-of-way. Firemen, Andy Lammons, Rex Long, Harlan Hitch and Jimmy Pierson are warming by it Sunday evening near Gaines County Park.

**AMERICAN CANCER SOCIETY FORMING IN GAINES COUNTY**

Plans to organize a Gaines County Unit of the American Cancer Society in Seminole are becoming reality, according to Jake Harrell who presided at the organizational meeting.

Since the first general meeting, November 27, a By-Laws Committee composed of Mrs. J. W. McLemore, Floyd Stark and M. L. Turner met to draw up a set of governing rules for the cancer unit.

Monday, Mrs. Harold D. Dow, Mary Baldwin, Mrs. Jake Harrell and Mrs. Horace I. Jones met to nominate a slate of officers and board members for the unit. The nominating committee will present these names at the next meeting, January 8. At that time an election will be held to finalize the composition of the board.

Mrs. Jones who served as acting secretary at the organizational meeting and on the nominating committee said that notices will be sent to those nominated to various positions prior to the next meeting. "Naturally there will be an opportunity to make nominations from the floor at the January 8 meeting," Mrs. Jones said. "This will insure that it is an entirely democratic election and will also enable us to obtain the best qualified according to majority rule."

The next meeting will be January 8, 7:30 p. m., in the Seminole Community Building. The public is invited.

## Outstanding YOUNG WOMEN OF AMERICA

Miss Ellen Webb Massengill

Mrs. Pat Rogers

Outstanding Young Women of America is an annual biographical compilation of 6,000 outstanding young women between the ages of 21 and 35. These young women have distinguished themselves in civic and professional activities.

This annual compilation is a project of the Outstanding Americans Foundation, a nonprofit foundation dedicated to recognizing and honoring outstanding Americans.

Selections for Outstanding Young Women of America are made by the Board of Advisory Editors. Mrs. Dexter Otis Arnold, honorary president of the General Federation of Women's Clubs, is chairman.

United States Senator Margaret Chase Smith, in her introductory message for last year's edition of Outstanding Young Women of America, said, "This book calls attention to the great capabilities of our young women and their ability to get things done."

Local women's clubs throughout the country submit nominations for the book each year. A different group of outstanding young women is included each year.

Guidelines for selection include unselfish service to others, charitable activities, community service, professional excellence, business advancement, and civic and professional recognition.

Shuler for two against Brownfield.

In Snyder, Snyder beat the Indians, 81-70. Spencer hit for 21, Cottrell, 16; Shuler, 11; Anderson, 9; Wall, 4; Upham, 1; Allen, 4.

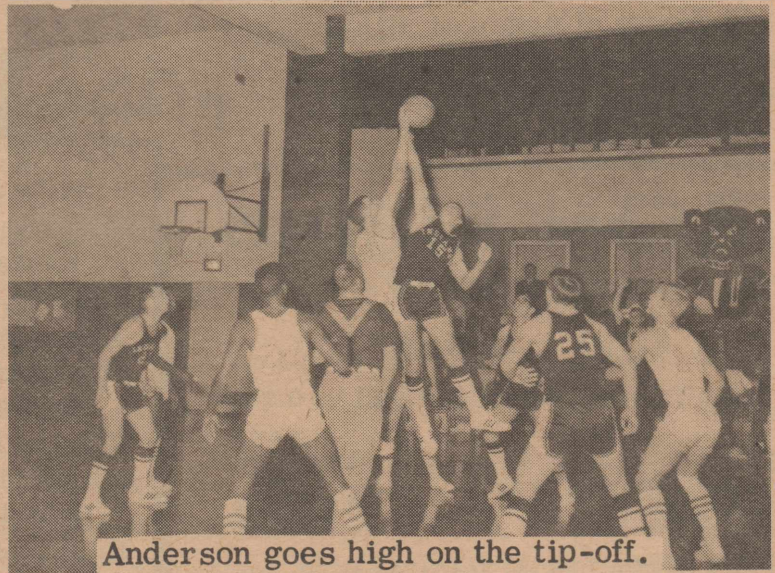

In the game against Big Spring, the Steers took the Indians 77-42. Wall led the Indians with 12. The Indians have missed Mickey Ray, Nelson and Wall. We hope they will soon be back at full strength.

Spencer goes up for two points as Shuler moves in.

Seminole returned to their winning ways by defeating Brownfield 53-45 Monday night in Brownfield. It was a seesaw battle with Brownfield holding the lead 11-8 in the first quarter and 35-33 in the third quarter. Seminole led at half-time 24-19 and 1 going away. The scoring was led by Bobby Spencer - 17; Cottrell - 11; Anderson - 7; Shuler - 6; Wall - 5; Upham - 4; and Nelson - 3.

In the game last Thursday night, Permian of Odessa put it on the Indians in a big way, 80-53. In this ball game, the Indians were led in their losing effort by Spencer and Cottrell with 18 and 12, respectively.

Anderson goes high on the tip-off.

Seminole looked like Seminole last night when they came back in an overtime and beat the Big Spring Steers 54-52. Seminole was back at full strength and Coach Caffey used them.

Spencer looked real good. Also, Nelson came in and gave us some added rebound strength. Seminole out scored Big Spring 1 point in the first quarter but fell behind 1 at the half. It was 40-39 at the end of the third and tied 48 all at the end of regulation. Spencer hit 2, Ray hit 2, and Spencer hit a jumper with 2 seconds left. Final score in overtime was 54-52.

Wall matched Spencer with 16 points to lead the Indians, followed by Anderson with 10 and Cottrell with 8.
