Publisher extremely talented, earning honors in academics, sports, UIL, and other extra curricular activities. There would be no way to include all of the honors earned in 2016 by these students.

The majority of this issue is realized that there was no dedicated to 2016. Current news possible way to include is included on pages 6 and 7. I sincerely want to thank our readers, contributors and advertisers for your support this last year.

Come Together! Citizens of Coke County continue to come together, both in the individual communities of Bronte and Robert Lee, and also as a undivided county. Residents of both communities stopped what they were doing to join Franklin Graham in prayer for his Texas stop during the Decision America Tour. First United Methodist Church in Robert Lee has made huge progress in their new multi-purpose building which will be available for the community's use as well. Bronte mail customers came through in a big way during the Mail Carrier's Food Drive. Salt of the Earth Food Pantry, located at First United Methodist Church in Bronte, feeds numerous families each month.

Last year began with a letter to the editor detailing the dire situation Coke County's two volunteer EMS services were facing. One challenge was the lack of younger trained EMS personnel. These photos highlight how citizens in our communities have joined these volunteer organizations, thereby helping all of us who live in this county.

This application was received by the TCEQ on December 1, 2015.

The purpose of a federal operating permit is to improve overall compliance with the rules governing air pollution control by clearly listing all applicable requirements, as defined in Title 30 Texas Administrative Code § 122.10 (30 TAC §122.10). The draft permit, if approved, will codify the conditions under which the area must operate. The permit will not authorize new construction. The executive director has completed the technical review of the application and has made a preliminary decision to prepare a draft permit for public comment and review. The executive director recommends issuance of this draft permit. The permit application, statement of basis, and draft permit will be available for viewing and copying at the TCEQ Central Office, 12100 Park 35 Circle, Building E, First Floor, Austin, Texas 78753; the TCEQ San Angelo Regional Office, 622 S. A person who may be affected by the emission of air pollutants from the permitted area may request a notice and comment hearing. The purpose of the notice and comment hearing is to provide an additional opportunity to submit comments on the draft permit. The permit may be changed based on comments pertaining to whether the permit provides for compliance with 30 TAC Chapter 122 (examples may include that the permit does not contain all applicable requirements or the public notice procedures were not satisfied). The TCEQ may grant a notice and comment hearing on the application if a written hearing request is received within 30 days after publication of the newspaper notice.
