VOLUME IV NUMBER 20

RED CROSS NEEDS YOUR HELP

Reese Kids Eligible For 1953 Derby

Lubbock's sixth annual Soap Box Derby is scheduled to be held early in July. The winner of the event gets an all-expense paid trip to Akron where he will compete against champions from more than 150 other cities in the U. S., Canada, Alaska and the Occupied Zone of Germany for prizes worth more than \$15,000.

This contest offers various organizations at Reese the chance to sponsor an entry and get into some red-hot competition.

Lt. Col. Walter Kerbel, commanding officer 3500th M&S group, announced that the M&S group would sponsor a boy and his racer.

Each boy is limited to spending \$10 on materials for his racer, exclusive of the cost of his wheels and axles. Together with the steering gear assembly, these units will cost approximately \$16. Each boy may secure a sponsor — a base organization — to pay this cost.

A boy must do all of the actual work on his racer, although he may seek advice and counsel of his parents or his sponsor.

Each racer must conform to certain requirements as to workmanship, height, length, width, road clearance and weight. A Soap Box Derby racer and driver must not weigh more than 250 pounds.

The Derby is divided into classes; Class B boys, those between 11 and 13 years will race against each other, and Class A boys, those between 13 and 15 will compete in their own division.

AACS FINDER QUILTS, LEAVES REESE BLIND

By A-3C Roger J. Casl

The 1900-6 AACS Detachment has announced that its newest facility, VHF-DF is inoperative. The Direction Finding Set, as it is most commonly referred to, was placed on the inoperative status on 24 February 1953, with hopes of restoring it to normal operation within a short time.

However, the Detachment and the base are having difficulties obtaining the necessary part. This particular part is very scarce in Air Force Supply circles. The set has been placed on a suspended status and will be inoperative for an indefinite period of time.

A-2C Jim Sebenoler arrived at this station yesterday, from Keesler AFB, Biloxi, Mississippi. Airman Sebenoler has completed both the Control Tower Operators school and the Air Traffic Control Technician school at Keesler. He will be assigned duty here at Reese as a Control Tower Operator.

Steps are being taken to organize a Detachment softball team to compete in the Base league, which is soon to be formed.

PARTICIPANTS IN THE FIRST-LEVEL TRYOUTS, held at the Service Club 17 March, pose for a group picture after the winners had been announced. With the exception of two, all of the above will take the trip to Kirtland AFB, N. M., for the Western Zone Competitions. Standing, left to right, are A-2C Walter Stevenson, A-3C Ronald Rooks, A-2C Don Duken, A-3C Tom Hague, A-3C Al McCoy, A-3C Leroy Scurry, A-3C Bill Glover, A-3C Leonard Bakman, and A-3C Bill Tessier. Kneeling are A-1C Gus Mitchakes, A-2C James Beifuss, A-2C Keith Anderson and A-2C Peter Dopudja.

Photo by A-2C James Hoppenjan

Flyer Outduels Opponent...

Ex-Reese Pilot Bags MIG in Korea

A former Reese flyer, 1st Lt. William F. Loyd Jr., has been credited with blasting a Russian-built jet out of the sky during the first of March, in a duel between two Sabrejets and six MIGs over the Yalu river north of Seoul, Korea.

A description from the SAN MATEO TIMES, San Mateo, Calif., describes the duel as follows:

Lieutenant Loyd shot down his first Russian-built MIG-15 in an air battle near the Yalu river. His was the first of six Red warplanes knocked down during a blistering day of air combat.

"We sighted six MIGs heading east near Sakchu and my wingman and I pulled in behind them," Loyd said. "Four of the MIGs went back across the Yalu and the other two headed south. I fired from a long range the first time and missed. I closed and fired again.

My third burst hit him in the engine section.

The canopy came off and I fired again. This time the pilot bailed out."

Lieutenant Loyd was assigned to Class 52-C at Reese and graduated 10 May 1952.

Need Funds Urgently To Continue Services

The Red Cross drive for funds will cease here at Reese on this coming payday. Reports have indicated that collections to date are considerably under those of previous years.

Base officials urge every man on the base to give — to give as much as they can possibly afford. The Red Cross is a vital part of military life. It offers help to everyone when help is needed. It provides certain types of assistance that no other organization is set up to give.

Emergency Leaves

Through the Red Cross — and only the Red Cross — emergency leaves are granted. All airmen are instructed on this service while in basic. It is THE method of

getting home as soon as possible when the airmen's presence is required. This service takes money to operate. Donations keep it operating.

A-3C Alfonso F. DeMarco, Hq. Sq. Sec., 3500 PTW, recently received an urgent telegram from home that his father was critically ill. He took his problem to the Red Cross field director who quickly wired for the necessary verification for an emergency leave.

Since no military transportation was available from this base, Airman DeMarco was forced to travel by commercial airline. The \$100-plus fare would have prohibited the trip except for an \$80 loan by the Red Cross.

Often, through no fault of their own, men find themselves short of finances and must borrow some money to tide them over the emergency. Where do they go? The Red Cross, of course.

Cash When Needed

A-1C Reginald M. Franklin, 3500 Medical Group, needed cash and needed it quick. His wife had just given birth to a baby and there was no money to meet the added expenses. Airman Franklin appealed to the Red Cross for help. He reported that they were very cooperative and, with no red tape, loaned him the necessary cash.

M-Sgt. F. E. Peche, first sergeant of the Pre-Cadet Detachment, told of his experiences with the Red Cross when he landed in San Francisco from overseas, flat broke. His regular pay had been fouled up and only through the Red Cross was he able to get some emergency assistance.

R C Aids Filipinos

Sergeant Peche described how the Red Cross assist in the Philippines when the disastrous typhoons strike. With AF help, RC field agents fly into the stricken area and give much-needed aid, materially and financially. When a volcano, Hubuk - Hubuk, erupted and wiped out two communities at the base of the mountain, the Red Cross immediately took over and directed the evacuation. They set a completely new community for the 1,000 refugees.

Thousands and thousands of examples such as these could be given, but these are typical of the services performed. When a man needs money to meet an unexpected emergency, the Red Cross graciously loans him the cash. As any man who has borrowed can tell, there are no interest rates and no payments that will create a hardship. The loan is given to meet an emergency to ANYONE who needs help.

These services are costly. They are not government subsidized. They are paid for by the millions of peoples all over the world who realize the great work of the Red Cross. It might be compared to insurance, donations now and help returned when needed. The Red Cross needs your help now so that it will be able to help you later.

Base Story Contest Can Start Profitable Career As Writer

The magazine Galaxy and Simon & Schuster have combined to offer a \$650 cash prize for the best science fiction novel to be submitted on or before October 15, 1953. The winning manuscript will run first in serial form in Galaxy and be produced in book form by Simon & Schuster. Manuscripts should be addressed to Novel Contest, Galaxy Science Fiction Magazine, 14, N. Y.

While the SHORT STORY CONTEST award money is not comparable in size to the above prize money offered, it is worth working for. Have you tried doing a Science Fiction Short Story?

Remember the dead line date for submitting your story to BASE LIBRARY. IT MUST BE IN BY APRIL 15th.

Mrs. Emma B. Reeves is acting as Project Officer and she will be glad to confer with you at the base library about your story.

Arthur Murray Classes Start 7 April

LOOKEE FELLAS...

Airmen who are interested in learning or improving their ballroom dancing will have the opportunity starting 7 April. Two hour sessions will be held at the Service Club each Tuesday in April and the first one in May at 2000 hours.

The classes will be conducted by the Arthur Murray dance studios in Lubbock by Babbie and David Wilson, professional instructors. The cost will depend upon the number of participants. If an expected 40 men sign up, the cost will be \$5 apiece, which is exceedingly nominal when compared to usual civilian rates.

Seven popular ballroom dances, Fox Trot, Waltz, Rhumba, Samba, Tango, Swing, and Mambo will be taught. Enrollments for the dancing classes can be arranged at the Service Club.

TEACHER!!

THE ROUNDUP

The ROUNDUP is a civilian enterprise published every Friday in the interests of military and civilian personnel of Reese Air Force Base, Lubbock, Texas. Local news appearing here may be reprinted without obtaining specific clearance. News, features, photographic and art material are solicited from personnel of the Base but publication depends on availability of space and general news value as judged by the publisher. Every effort will be made to return rejected material but no responsibility can be assumed beyond the exercise of due care in expediting return. Opinions expressed herein are not necessarily those of the United States Air Force.

AFPS material appearing herein may not be reprinted without written permission of Armed Forces Press Service; 641 Washington St., New York 14, New York.

Getting married before or during the service — Courtship is an affair of the mind, not merely of the heart. Be careful that infatuation does not carry you away. Love can easily blind you to the necessary qualifications for a happy marriage. Marriage doesn't work any miracles in regard to dispositions. No one can hope for much happiness with a selfish wife. Unless marriage is built on sacrifice, it is not true love.

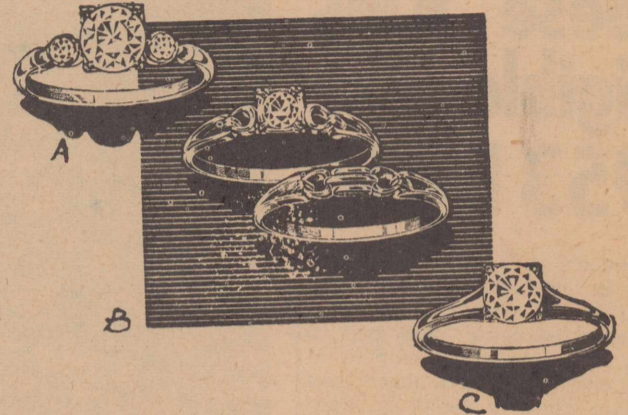

The breaking up of war-time marriages was well nigh disastrous to the welfare of our country. Acquire some common sense in this matter of love and marriage. So many war - time marriages "went to pot" because they were arranged in a hurry. The couples concerned did not take time out to find whether they had the same interests, similar family backgrounds and same religious convictions. They did not "look before they leaped." They let themselves be guided by feelings of the moment rather than by common sense. Take your time in getting acquainted with one whom you are asked to love and cherish until death do you part. By all means acquire some understanding of what this business of love is.

Our movies, books, radio and television usually describe love as something that hits you like measles. They try to make you believe that when you meet your mate, by some strange intuition you recognize her immediately and that once two people have found each other, the rest of life is nothing but a "bed of roses." Love, however, usually doesn't work that way. It is normally not one continuous thrill. Nor is marriage something which drifts along happily by itself. True and lasting love is a working together at making a go of marriage. This takes time and effort and sacrifice. Be assured that most marriages can be successful if both partners really want them to be such. "Married bliss" comes only that way. "Love and kisses are not enough."

Dear Mrs. Shea:

Do all written invitations have to be answered in writing?

Marion, an NCO wife
Yes, The etiquette books say teas and cocktail parties which are considered informal, acceptance or regrets may be phoned.

How long should a couple be engaged before the wedding?

Mayme, a Civil Service Instructor
"Marry in Haste. Repent at Leisure" is a true old adage! Take a year or at least six months out of your life instead of hurrying breathlessly to the altar. Enjoy each other's friendship and companionship; take time to learn what interests, hopes and amusements you share. It is good testing period. Your whole future is in the balance so take plenty of time because this is one of the most serious phases in your life, believe me. Do your best thinking and be sure it isn't just a romantic crush.

Glee Club Planned For Reese Singers

A Reese Glee Club will be organized at a meeting 2 April at 1930 in the Service Club.

The club will feature the lighter side in music with styling similar to Fred Waring. The first rehearsal is slated for 28 April at 1800 hours.

The selections will include "Deep River, You'll Never Walk Alone, In the Still of the Night, Cool Water, Lord's Prayer, Battle Hymn of the Republic, and Time to Hit the Road to Dreamland."

It is hoped that later trips and tours to other bases may be arranged.

The director will be A-3C Jack Mort. Before joining the AF he was a music major at Baltimore Junior college, University of Maryland, and Peabody Conservatory.

It's A...

18 March
Girl, Paula Jean, 5 lbs. 6 1/4 oz. to A-2C and Mrs. Paul Tincher.

19 March
Boy, Stephen Dewain, 8 lbs. 6 3/4 oz. to Capt. and Mrs. William Woodrum.

20 March
Boy, William C., 6 lbs. 7 1/2 oz. to S-Sgt. and Mrs. Elton Calhoun.

21 March
Boy, James G., 6 lbs. 6 3/4 oz. to T-Sgt. and Mrs. Gaylen Brooks.

23 March
Boy, Ronald J., 6 lbs. to A-2C and Mrs. Robert Gilbert.

Girl, Verna L., 6 lbs. 4 oz. to A-2C and Mrs. Lonnie James.

Boy, Ernest Z., 7 lbs. 11 3/4 oz. to A-2C and Mrs. Ernest Ackerman.

24 March
Boy, John L., 9 lbs. 7 oz. to T-Sgt. and Mrs. James Mercer.

If your fiance has an early date with the Service; let your conscience be your guide. You would both be wise to wait until after his discharge but I doubt if either of you will care for this suggestion.

What do you think of Dutch treat dates?

Jean, WAF A-2C
Fine, under certain conditions. "Boy Meets Girl" idea? Most men if interested prefer to host a date. See January issue of GOOD HOUSEKEEPING.

Nancy Shea

PERSONNEL SCHOOL GRADUATES — Pupils and instructors of Class 53-A are shown after completing the management course 16 March. Officers, airmen and civilians who hold supervisory positions are eligible for the course which deals with problems in organization, human engineering and personnel supervision. Seated left to right are T-Sgt. Morris K. George, Mr. Charlie G. Newsom, S-Sgt. Roy E. Edrington, T-Sgt. John K. Custer Jr., T-Sgt. Arvin D. Nelson, M-Sgt. Frank H. Meserole, T-Sgt. Wayne F. Abraham; center row, Mr. Joseph F. Carr, S-Sgt. Harold W. Phylar, Mr. William L. Roark, M-Sgt. Hosea H. Farrow, Mr. Chas. W. Walker, T-Sgt. Leroy Hanes; rear, Lt. E. E. Morrison, instructor, S-Sgt. John D. Murphy, T-Sgt. Robert P. Bizzack, T-Sgt. Ben T. Newell, M-Sgt. Silas M. Duncan, T-Sgt. Mack Striplin, and Mr. C. C. Galbraith, instructor.

MID-MANAGEMENT SEMINAR ENDS as members of Reese's first seminar were graduated 11 March. The course which consisted primarily of human relations techniques and communications, with secondary emphasis on organization, leadership, motivation, and related problems was attended by high ranking officers on the base. It is believed that Reese is one of the first Air Force installations to hold this type of course. Officers completing the course are, seated from left to right, Lt. Col. O. S. McAfee, Maj. A. B. Postlewait, Maj. F. C. Thomas, Mr. J. M. Ogle, Lt. Col. Walter Kerbel, Lt. Col. R. L. Boulware, Maj. R. C. Johnston, Maj. E. W. Kubin. Standing, left to right, Mr. C. C. Galbraith, instructor, Capt. H. J. Schulein, Capt. C. E. Taylor, Maj. F. A. Maloney, Maj. B. E. Sailors, Lt. Col. E. J. Culleton, Maj. W. B. Korona, Capt. J. E. Curran, Capt. W. W. McDannel, J. F. Reeves, C. E. Lunn, 1st Lt. E. E. Morrison, instructor and OIC management school, Capt. N. B. Jenson. Not pictured are Lt. Col. R. P. Haney, Lt. Col. R. L. Wright, Maj. R. R. Melton and C. L. Taylor.

Racing Thrills And Chills Promised In Sports Car Races At Bergstrom AFB

Bergstrom Air Force Base, the home of the 12th and 27th Strategic Fighter Wings, will become the temporary headquarters for approximately 100 low, sleek, high-priced foreign-made cars which will compete in the Lone Star National Sports Car Races April 12th.

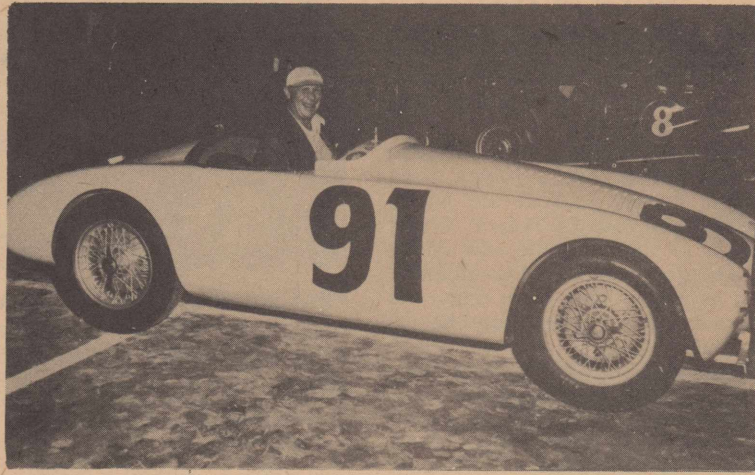

These races, the newest and fanciest sport in America, are being staged to provide funds to improve living conditions for Bergstrom's airmen. The Sports Car Club of America, a strictly amateur organization, will have approximately 100 of its member drivers on hand to provide thrills in this national event. Club officials predict speeds in excess of 150 miles per hour on the four and one-half mile closed track laid out on the runways of Bergstrom AFB.

These costly cars are causing much excitement among sports car devotees in the Southwest. Although this type of racing is new to this part of the country, it is rapidly becoming one of the greatest spectator sports in the nation. Bergstrom AFB officials are making arrangements to take care of some 100,000 fans at the all-day event.

Advance sale tickets are now available at \$2.00 each. Checks should be made payable to Lone Star National Sports Car Races, and mailed to The Lone Star National Sports Car Races, Bergstrom Air Force Base, Austin, Texas. Children under 12 years of age will be admitted free when accompanied by parents.

All roads lead to Austin, April 12th! Don't miss these heart-stopping, King-of-Speed events.

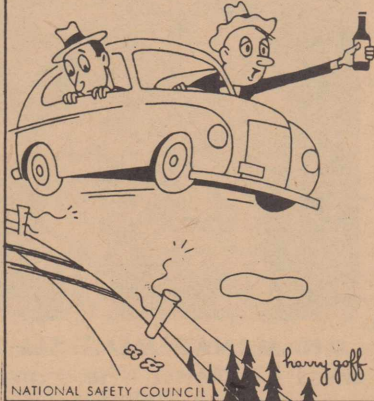

BASEBALL (AFPS)—The Atlantic Fleet baseball tournament will be held at Camp Lejeune, N.C., Aug. 24-Sept. 2. . . Led by ex-Yankee pitcher Tom Morgan, who pitched five scoreless innings, Ft. Ord recently defeated Fresno State 10-0. . . Two potential major league players, Alan Grancolis (Cardinals) and John Gebhard (Yankees), are bolstering the Camp Rucker nine. . . Don Newcombe, former Dodger fastball hurler, now throwing strikes for the Brooke Army Medical Center team.

JAMES SIMPSON, Jr. of Wadsworth, Ill., sports his famous OSCA racing car, built by the Italian Maserati factory. He'll drive it in the Lone Star National Sports Car Races, at Bergstrom Air Force Base, Austin, Texas, April 12th.

Committee Named to Study Code of Military Justice

Washington (AFPS)—A seven-man civilian committee has been appointed to study the progress made during the first two years' operation of the Uniform Code of Military Justice, the Defense Department has announced.

The committee will study the records of UCMJ proceedings and on the result of their findings recommend improvements to the Code.

UCMJ provides a single set of disciplinary laws applicable to all members of the Army, Navy, Marine Corps, Air Force and Coast Guard.

THRILLS AND CHILLS aplenty await spectators at the Lone Star

National Sports Car Races, April 12th, when members of the Sport Car Club of America compete on the above race course to be laid out on runways and taxiways at Bergstrom Air Force Base, Austin, Texas.

Husband (at breakfast): "For the last time I'm telling you—I was not out playing cards with the boys last night!"

Wife (logically, we think!): "No? Then how come you just shuffled the toast and dealt me five slices?"

She: "Women have more courage than men."

He: "No, they don't. A woman just has more chance to show her backbone."

HERE 'N THERE

WITH JACK

Conjecture over the fact that the newest thing in radio listening (KVSP-1460 kc) can or will not continue in its present form is to be loudly de-bunked. Wayne Allen, of said station, says. . . "we'll stay as is, regardless of what folks say we'll do. . ." Relax, people! That's the word from the horse's mouth (no reference to members of the staff.) It WILL last, this fine music — it will, it will, it will!

The new listen station, too, is now offering \$1 for all news tips sent in by listeners which they use. Best of the week (regardless of type) gets a fin (\$5, that is).

While we're tuned to 1:05 Sunday "Curtain Call" will have music from the movie, "I'll See You In My Dreams," starring Doris Day and Danny Thomas. More movie music will be forthcoming on the "Benny Goodman Festival of Music" at 2:05 — same day.

Latest word at this writing was that KDUB-TV's tower only needed the antenna and they would be casting from the 74th and College Ave. location. By now, they probably are.

KDUB's Sunday viewing log offers the most for the watching: "Private Secretary," starring Ann Sothern beams at 6:30 p. m. 'cept when Jack Benny takes the spot, every 4th week. From 7:00 to 8:00, Ed Sullivan's "Toast of the Town" offers everything from previews of movies to top name entertainers. By far, TV's best answer to 3-D. And at 8:00, you can BE at the Hamilton and Burr duel by catching the "You Are There" thirty of dramatized historical events.

KCBD offers afternoon stay-at-home dependents two new "soapers" Monday through Friday. "Just Plain Bill" at 4:00 and "Front Page Farrell" at 4:15.

By the way, KCBD's TV tower is on its way up at 64th and Ave. A. Hope is that they'll be screening come the latter part of April. Charlie Keyes has been added to the staff on weekends, but he's really just waiting for the TV-ing to begin. He's a well-known emcee in Okie City.

Kay Carter plays the NCO Saturday night. KFYO will broadcast the 11:30 to midnight segment for stay-at-homes.

Same station is now carrying a weekly report from Senator Lyndon Johnson from D. C. each Sunday evening at 6:30 p. m.

Bob Mitchell is the new night voice at KFYO. Arrived in these parts from KTAE in Taylor, Tex-

Apply for West Point Now

Washington (AFPS) — Applications from eligible personnel of the Regular Army, Air Force and their Reserve components are now being accepted for the preliminary examination in early July '53 for entrance to West Point in July '54.

This preliminary, or designation test, is used to determine the better qualified applicants. Men who get the higher scores on this test will be appointed candidates and will thereby become eligible to take the regular West Point entrance test in March '54. Applications for the July test must be made before June 15, 1953.

To be eligible, a Regular Army or Air Force enlisted man must have completed at least one full year of active enlisted service by July 6, '54.

In addition applicants must:

1. Be not less than 17 and not more than 22 years of age on July 1, 1954.

2. Be citizens of the U. S.
3. Be unmarried and never have been married.

4. Be a high school graduate or the equivalent.

5. Be of good moral character and possess a capacity for leadership.

as.

Tonight's 10 o'clock thirty on KSEL offers another original show by Gloria Gibson for the "Lubbock Air Theater." This local amateur group — which would like to have your talent in their forthcoming productions (they meet on Thursday nights at KSEL at 7:00) — presents "Ripples in The Pond" this week with cast credits to Dean Rhodes, Jean Winton, Dan Allen, Betty Rhodes, John Brooks and Beverly Aycock.

Saturday afternoons at KSEL offers western music lovers the "live" renditions of Tommy Hancock at 3:00 "Hill-Pop Parade" western songs ala pop artists, airs at 3:30. And at 4:30 the "Mac McGuire Show" sends out combo stylings you're sure to enjoy.

AF To Receive Modified B-47 For Recon Work

Production is under way at Boeing Airplane Company's Wichita Division on a reconnaissance version of the Boeing B-47 Stratojet bomber for the U. S. Air Force, it was revealed today with approval of the Department of Defense. Deliveries are scheduled to start later this year.

No details or production schedules were released. The new photographic - reconnaissance bomber is a sister-ship to the present production Stratojet medium bombers. It will be used for high-speed, high altitude reconnaissance of military objectives.

Production of the reconnaissance version will be concurrent with that of the standard B-47 medium bomber.

The six-jet B-47 is in the 600-miles-per-hour class. It has an operating altitude of more than 40,000 feet and carries a three-man crew.

Definitions:

Fireproof: The boss's son.

Hollywood: An induction center for Reno.

Waves: Sailors who go down to the sea in slips.

ship. 6. Have a strong desire for an officer's career in the Army or Air Force, and be eligible physically.

Former enlisted personnel who are now serving as temporary commissioned officers, warrant officers or aviation cadets may also apply if they meet the above requirements.

Applicants who qualify for selection in the designation examination and who are on active duty may be transferred to the West Point prep school to receive special preparation for the March 1954 entrance examinations.

Interested personnel should consult unit personnel officers.

Jewish Festival To Start 30 March

The Jewish Festival of Passover begins at sunset on 30 March and ends at sunset on 7 April. The first two days and the last two days of the Festival are observed by persons of Jewish Faith with special services in the home as well as those led by Rabbi Adolph Phillipborn at Congregation Shaareth Israel in Lubock.

Insofar as it is consistent with the requirements of the Training Mission persons of Jewish Faith will be permitted to attend the special Festival services.
