Reese's First Jet Students Due To Arrive Next Week

The first jet pilot training class is due to arrive September 4th. The class, consisting of 17 officers, 24 aviation cadets, and three cadets from Cuba, Pakistan, and Saudi Arabia, is scheduled to graduate sometime in January.

While at Reese, the students will receive 116 hours of flying, and 108 academic days of instruction. They will be the first class to use the newly acquired T-33 jet trainers in the Reese pilot training program.

Upon graduation from the program the officers will receive their pilot ratings and the aviation cadets their wings and second lieutenant commissions.

Air Force Aid Drive End; Totals Talled

The annual Air Force Society Fund drive ended last week with total contributions amounting to \$1,375.90, according to Lt. Bobby Hayes, project officer.

The drive this year saw the society get five lifetime members which totaled \$250 in contributions. A life membership represents a \$50 contribution per man.

The PTW squadron lead all contributing organizations followed by the '05th Maintenance, Hospital, Transportation, and Air Base Group. The drive was extended this year to cover two two pay periods.

The types of cases the Air Force Aid Society handles covers many areas; non-receipt of pay, non-receipt of quarters allowance, expenses incidental to emergency medical care not covered by medicare, assistance for funeral expenses, and emergency transportation of dependents for medical reasons.

The society offers these aides in the form of non-interest bearing loans, cash grants, and counseling in connection with budgetary and financial matters.

Steve Canyon, To Debut On NBC-TV; Dean Fredericks To Play Jet Ace

Steve Canyon, the hard-working Air Force light colonel of Milton Caniff's famous comic strip, will come to life in an exciting new television series which will make its premiere on the NBC TV network, Sept. 13 at 9:00 p.m., EST.

The new Steve Canyon TV program will emphasize realism, the important service of educating the American public on USAF airpower and the high entertainment values of excitement and adventure in the space age.

To keep a sense of realism in the TV series, Milton Caniff, Steve's "father", rejected many competent Hollywood actors be-

CHRISTMAS DREAMER — Little Steven Robertson, 10 month old son of Lt. and Mrs. Valdin Robertson of 3616 - 39th, Lubbock, dreams of Christmas and of owning the huge Teddy sitting in the next chair at BX's Toyland which officially opened Wednesday morning. Toyland offers a new and large selection of Christmas toys and officials suggest personnel shop early. (Photo by Santangelo.)

Six Military, Three Civilian First Aid Accidents Added To Base Totals

Six military and three civilian first aid accidents totaling \$68 were added to the Reese ground safety costs during the past week.

An airman received a one-inch laceration on his right hand when he slipped on a wet tile floor and hit his hand on a shelf. Another airman was bitten by his dog while playing with the pup.

An airman working on his auto smashed his finger when his wrench slipped. Three airmen received burns during a fire drill. Two of the men suffered

first degree burns while the other received second degree burns, all of which were on their hands.

With the Labor Day weekend starting tonight, prediction put out by the National Safety Council state a total of 480 Americans will die over the three-day period.

"We at Reese are hoping for another accident-free weekend as we had over the 4th of July," Joe Lopez, safety technician stated. "Several sports events scheduled around the base will help decrease our accident potential over this long weekend." Remember if you are driving, take a break, make it a coffee break.

Special Notice

All Reese personnel preparing for naturalization are invited to attend the Citizenship Training Classes now being held in the Recreation Room of the Citizens National Bank, 1300 Avenue K. Classes are conducted each Monday evening from 7:30 to 9:30 p.m. A new class begins September 1.

This free class is available to any persons (no age limit). Additional information may be secured by writing Miss Murvel Rankin, 1507 Avenue N, Lubbock, or calling her at PO 2-1885.

T/Sgt. Larry Cornelson, Jr., of the comptroller's office, has been re-assigned to Germany to serve with a special communications group.

Sixty-One Members Of Class 59-B To Receive Wings At Ceremonies

Sixty-one basic multi-engine pilot students of Class 59-B will receive their wings in graduation ceremonies to be conducted Wednesday morning in the Reese Air Force Base theater.

The class includes 32 student officers, 20 aviation cadets, and one officer, seven aviation cadets from Viet Nam, and one cadet

from Ecuador. The American cadets will be commissioned second lieutenants.

Distinguished graduates of the class are 1st Lt. Kenneth M. Patterson, and Aviation Cadets Kenneth A. Hathaway, Herman L. Byrd, Donald I. Jackson and Richard W. Nelson. The Commander's Trophy will be presented to Lt. Patterson and Cadet Hathaway by Col. Dross Ellis, Reese commander.

The graduating class will be honored with a parade and a B-25 flyover beginning at 9 a.m. The ceremonies, scheduled to begin at 10 a.m., will consist of an opening invocation, an address by Brig. Gen. George E. Keeler, Hq. Air Material Command, presentation of diplomas and wings, and administration of the oath of office to aviation cadets.

Class 59-B began training last March and has undergone 116 hours of flight instruction in the B-25 aircraft in addition to academic and military training. The pilots will be assigned to serve with various other commands, some to undergo further advanced training before assuming permanent duties.

A graduate of West Point, General Keeler had several Army assignments, including a tour of instruction duty at the military academy. Joining the 1st Fighter Command at Mitchell Field, N.Y. in 1943, he later served as Defense Officer in the 12th Air Force in the Mediterranean Theater of Operations.

General Keeler formally joined the Air Force following the war and his assignments include the Industrial College of the Armed Forces in Washington; the Joint American Military Advisory Group in London; Hq., and the European Command in Germany. Reassigned to the Air Material Command, Dayton, Ohio, he held several assignments in that headquarters, until being appointed Deputy Directory of Supply, his present position.

General Keeler's son, 2nd Lt. Harper B. Keeler, is one of Class 59-B's graduating students.

INSPECTION PRAISED

The recently held ATC inspection of Reese Air Force Base was considered very highly satisfactory, base officials announced this week. Very few areas on the base were criticized, many were complimented.

All personnel who were within the complimented area should feel great self-satisfaction for having made this possible.

Air Force Cameras Focus On Reese

A crew of Air Force motion picture photographers visited Reese last weekend to film sequences of Maj. Gen. Dean's visit and the speech he gave Friday night at the pilot training group dining-in affair.

The crew, consisting of 2nd Lt. J. D. Swanson, project officer, A/1C Richard Ferris, A/2C David Brand, and A/3C R. L. Rutledge, all highly trained in the motion picture field, shot hundreds of feet of film on both the flightline and at the Officers' Club. The sequences, when edited by their laboratories in Orlando, Florida, will be used in the Air Force News Review shown at the monthly commanders call.

Re-assigned to Germany are A/2C Ronald G. Smith, comptroller, and S/Sgt. Franklin Silva, ABG.

Three High School Courses Announced For Base Personnel

The Reese Education Office announced this week that three on-base high school courses will be offered to both military and civilian personnel starting September 22.

The courses and the meeting dates are: English, each Monday evening from 6:30 - 9:30; Arithmetic, each Tuesday, 6:30 - 9:30; and Algebra, Thursday, 6:30-9:30; The classes will meet once a week for twelve weeks. No fee is required. Registration for all courses can be accomplished at the Education office located in building T-421, (upstairs from the Library). Classes will be held in Bldg. 915.

Personnel having application for retraining into electronics or radar schools are especially urged to enroll.

A/1C Jerry D. McLuen of the 3505th Field Maintenance squadron has been re-assigned to France.

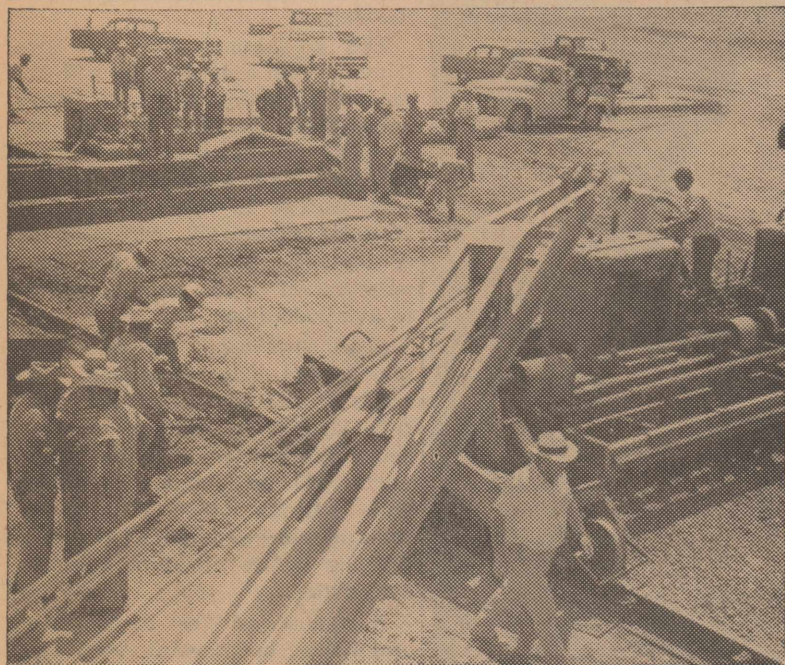

ATC Warns Of Holiday Dangers . .

Labor Day week-end will give us all one last chance to get out to the lake for a day or two of refreshing swimming or maybe boating. Unfortunately, the holiday will also give the Air Training Command's number two ground accident killer, drowning, an opportunity to claim its toll.

Why do people drown? According to the American Red Cross, people just don't know what to do when a crisis occurs in the water. Most boats, if overturned, remain afloat even when upside down and if you stay with the boat the chances are you will be rescued sooner.

If the boat should sink or you are unable to reach it, your clothes can be life preservers. First, learn how to get out of your clothes quickly in the water. Then knot the legs or arms of your garments, wave it around through the air to inflate it, hold the open end under the water and you can float with it.

An oar, an empty bucket held upside down, even two pop bottles can keep you afloat. Try these methods. Learn to spot objects around you which might be used as preservers in a pinch. It will help you keep your head in an emergency. Someday this may save your life.

PLENTY OF ACTION—Crews of the H. B. Zachary construction smooth out the first strip of concrete laid on the Reese runway construction project. The strip will add an additional 3,000 feet to the present runway.

Perseverance

by Chaplain (1st Lt.) Gerard M. Lougen

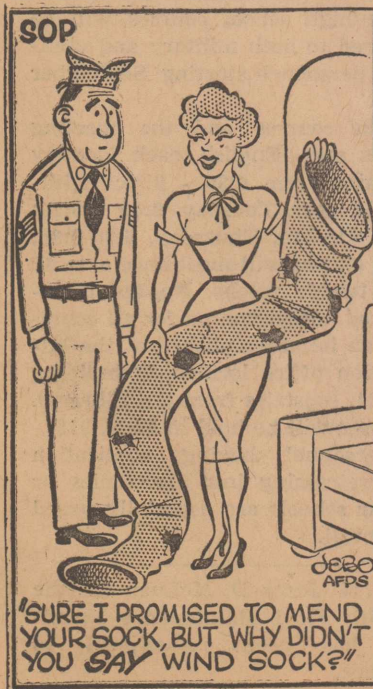

This rugged old world is so full of hard things that no worthwhile goal is ever reached without PERSEVERANCE; without throttling the temptation to give it all up; without an iron resolution that must go on like an endless chain. It is especially that way in our material world of today. In any honest success story the first dozen chapters are up-hill, and without benefit of elevator or escalator.

PERSEVERANCE itself is likely to be a vague, fuzzy Fifth Avenue sort of word for a commonplace, kitchen kind of idea: "Don't Quit!" True, it is easy to say, but not easy to do. As a matter of fact, that very word, "PERSEVERANCE" implies just the opposite. Originally it was a wedding of two Latin words: *per*, meaning through; and *severa*, meaning hard.

So perseverance literally means "through hard things" because that is when you need perseverance, when the weakling whimpers and the quitters quits, when the going gets rough. You don't persevere through a delicious dinner or a summer vacation. The only time that you can really talk about persevering is when the urge to quit is overwhelming . . . and you don't.

Granting that a person has talent, grant that he has industry, but behind both must lay the driving dynamo of perseverance. Perhaps there are others factors, like luck and influence.

Perhaps in the present jangling commercial world in which we live a great many doors to success are marked "PULL", and the right "PULL" will get you in. But we are not considering that. We are certain that the Gate of Heaven is marked only "PUSH", and only push, determination, and resolution will get you in. Nobody is the brother-in-law of God.

Reese Troops Sent To Overseas Station

T/Sgt. Joe Tomberlin of the wing inspector's office is going to France for duty in an air postal office.

A/1C Jimmy G. Chappell of base supply has been re-assigned to France.

A/3C Donald F. Lanning of '05th is going to England.

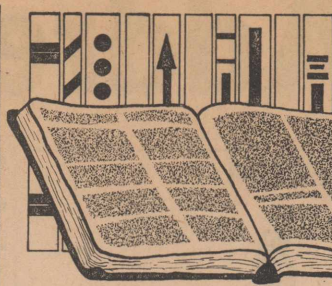

A/3C Frank D. Newman of '05th has been re-assigned to England.

A/3C James E. Chapman has been re-assigned to England.

A/3C Robert D. Glomski of the hospital is going to England.

A/3C Loyd L. Ritter of '05th is enroute to England.

A/3C Kenneth D. Poor of '05th has been sent to England.

"The books that help you the most are the books that make you think the most"
Theodore Baker

These new books have just been put on the shelves at base library:

THE TITANS by Andre Maurois. A three-generation biography of the Dumas family.

O GENESEE by Janet O'Daniel. Against the background of river valley is told a story of pioneers who settled with an eye to the future, locking horns with the trail blazers.

NEW ENGLAND STORY by Henry Beetle Hough. A young man of the twentieth century searches for the truth about the legendary whaling captain, Enoch Adams.

ONCE ROUND THE SUN by Ronald Fraser. Covering the International Geophysical Year in detail, the author discusses the 24-hour watch on the sun, the oceanographic program, the concentration of stations from pole to pole—the Arctic, Equatorial Belt and Antarctic—and presents timely information on the rocket and satellite programs.

NORTH FROM ROME by Helen (MacInnes) Highet. This suspense novel set in the hilltowns of Italy reveals a "story of Communist infiltration and an international narcotics ring.

PUZZLE - MATH by George Gamow. The authors present their mathematical puzzles, many of them based on the laws of prob-

ability, not merely as puzzles to be solved, but as stories of human situations in which a baffling problem is solved by mathematical or logical thinking.

BLONDER IN BLACK by Ben Benson. All of the action in this Wade Paris mystery takes place on a single night.

THEY CAME TO CORDURA by Glendon Ford Swarthout. The plot concerns itself with Major Thorn, who was ordered by General Pershing to escort five cavalymen across the barren state of Chihuahua to Cordura and safety.

News Brief . . .

NEW NAME — Lake Charles AFB, La., will be re-designated Chennault AFB in honor of the late Lt. Gen. Claire L. Chennault on November 1.

YEAR OLD — SAC's 93rd Air Refueling squadron, Castle AFB, Calif., has completed its first year of operations, accident-free.

CONSERVATION — Hunting, fishing, and trapping on military reservations will hereafter be permitted only in accordance with fish and game laws of states in which reservations are located.

RECRUITING — Responsibility for officer manning of the 3500th Recruiting wing will be assumed by ATC on September 1. This has been USAF responsibility.

SWAPS — Major overseas and global air commands have been given authority to interchange assignments between airmen rotating back to the United States. This gives the commands more flexibility in assigning airmen as close to base, state, or area of preference as military requirements permit.

Dr. Willis, Famous Child Book Author, Continuing Her Career While At Reese

Dr. Clarice Willis, 108 Yount Drive, Reese Village, is a contributing author to a new book just released by McGraw-Hill Publishing company. The volume, "Nursery - Kindergarten Education," is a symposium on early childhood education.

Mrs. Willis, twice United States representative to UNESCO conferences on education in Hamburg, Germany, contributed chapters on Pre-School Abroad, Guiding Play and Physical Activity,

Western Band Featured On NCO Club Program

The Horton Brothers Western band will play tonight from approximately 9:30 p.m. until 1 a.m. The band also will appear tomorrow night from 9 p.m. until 1 a.m., and all are invited to be present.

The Sunday special luncheon will consist of T-bone steaks with all the trimmings. Lunch will be served from 12 to 3 p.m. and kiddies' games will be held from 2 to 4 p.m. Lunch prices: adults 75 cents; children, 40 cents.

The package store will be closed all day Monday for Labor Day, and the 'Buddy Hour' will be held from 5:15 to 6:15 on Wednesday.

Bridge Club To Play In Phantasy Room

The Duplicate Bridge Club will begin its first night of play in the Officers' Club next Thursday, Mrs. Ron Kibler, tournament director, has announced.

Play will begin at 7:45 p.m. and all Officers' Club Members who like bridge are invited to attend. Entry fee is 75 cents and no previous experience in duplicate play is necessary, according to Mrs. Kibler.

The club recently received its sanction from the American Contract Bridge League and sessions will meet each Thursday night.

New Science Books Available At Library

SCIENCE IN EVERYDAY THINGS — by William Charles Vergara. The author answers nearly four hundred questions in terms of the scientific principles involved.

BEST FROM FANTASY AND SCIENCE FICTION — from the Magazine. Here are 15 of the latest and best science fiction stories.

SHARKS AND THE LITTLE FISH — by Wolfgang Ott. This sea novel of World War II depicts naval warfare from the German side. The central figure is a young man who is thrown at the age of seventeen into the horror and cruelty of modern war.

NARROW SEARCH — by Paul Winterton. To revenge his wife for leaving him, Arnold Hunter kidnapped their baby daughter. She enlists aid and criss-crosses England's canal system in a desperate attempt to find the child.

GALLSTONES AND GHOSTS — by Hubert Bagster. A British physician takes the reader to a small English country town, through some of the daily adventures of his 30 years practice.

and Readiness: Recognized or Developed?

Mrs. Willis, wife of Lt. Col. Wayne Willis, Reese comptroller, recently moved to Lubbock, following her husband's assignment in May. Previous to her present book, she co-authored with William Stegeman "Living in the Kindergarten" and "Living in the Primary Grades," nationally recognized texts in their fields.

Mrs. Willis has been on teaching staffs of San Jose State college, Calif., and Davis and Elkins college, West Virginia. She has taught special courses for San Diego State college, Calif., Mississippi Southern college, and the University of Maryland overseas program at Chaumont, France.

She expects to teach part-time in the education department of Texas Tech this fall.

Outstanding Instructors Honored

At last week's training group's dining-in affair eight instructors received letters of appreciation from the group commander, and cigarette lighters.

The outstanding instructor pilots for the past four months were: April, 1st Lt. Jack S. Robins, 1st Lt. Norman Reuter; May, 1st Lt. Billy J. Brown, 1st Lt. Jerry L. Hanson; June, 1st Lt. David R. Halsor, 1st Lt. Edward T.

Going To Turkey

T/Sgt. James Schubert of Supply is being sent to Turkey.

S/Sgt. Marshall F. Boone of the 3502nd Flight Line Maintenance squadron is going on mission duty in Saudi Arabia.

A/1C David G. Limbeck of the 3505th has been assigned to a MATS rescue unit in Japan.

T/Sgt. James G. Hammitt of the 3502nd has departed for new duty with a weather reconnaissance squadron at McClellan AFB, Calif.

Bucko; July, 1st Lt. William Parish, 2nd Lt. Jordan Kimball.

Lt. Col. Weaver presented the letters and added his personal congratulation.

New Type Hay Fever Shot Quite Effective

NEW YORK (UPD)—A New York scientist has come up with a new type of hay fever shot described as 98 per cent effective.

It differs from the conventional anti-hay fever injections in two ways. Only one shot a year is needed, in contrast to the from 15 to 70 annual injections of the old type shots. And it is made of mineral oil and ragweed extract. The shots now being used are made of a water base and extract.

Dr. Mary Loveless said the medication is not now generally available and it is still in the experimental stage. She added, however, it has been used with good effect on hundreds of patients in five university medical centers.

NEW NAME—On October 4 SAC's Cooke AFB, Calif., will be redesignated as Vandenberg AFB in honor of the late Gen. Hoyt S. Vandenberg.

Women's Chatter

By Mrs. Harry W. Williamson, Jr.

A water ballet, comic diving, and races were highlights of the Reese Officers' Wives' Club swimming party held Thursday morning at the swimming pool adjacent to the Officers' Club.

Spectators and participants also enjoyed refreshments at the event, which was directed by Mrs. John Erdmann.

The 12-member water ballet team performed many intricate designs, chief of which was a wagon wheel, star, and the figure eight, to the music of Strauss' "Blue Danube" waltz. Participants were Mes. Charles H. Hawthorne, Albert Oppe, Robert Rorabaugh, Warren P. Falk, John A. Marshall, John Stewart Pat Hollister, Kenneth A. Hartle, John E. Lawson, and Misses Pattie Carroll, Jane Stowers, and Marette Cohn. The ballet was planned by Mrs. John E. Lawson and Mrs. Norman Cole.

Comic divers Airman Clyde Brown, Cadet Tom Cody and Lt. George Brumstead, amused the viewers with demonstrations and antics off the high board.

Winning prizes in the races were Mrs. Philip Marsland (backstroke); Mrs. John A. Marshall (breaststroke); Mrs. Robert Rorabaugh (sidestroke); Mrs. John A. Marshall (crawl); and Mrs. Charles H. Hawthorne (freestyle).

Iced cokes, potato chips, sandwiches, and melon balls were

Re-assigned to duty in England are A1C Peter B. Schwichtenberg of the hospital; A/3C Jaime A. Gonzalez, '05th; A/3C James E. Pine, '05th; A/3C Mitchell E. Leggett, '05th; and A/2C Eugene L. Lochman, '05th.

enjoyed by approximately 100 people. Refreshment containers were green and white, as also was the cloth covering the picnic table.

The swimming party's hostesses were conspicuous in white blouses black capri pants, and white gondola hats with greet streamers. They were Mes. Richard Matzen, Russell Nelson, Harold Sherrick and Charles McLean.

Mrs. Ron Kibler entertained with a bridge luncheon honoring Mrs. Warren Wilson of Amarillo, formerly of Lubbock, serving a chicken salad plate. A team of four was played.

Capt. and Mrs. H. W. Williamson honored Lt. and Mrs. William Ritchie with a bridge party, Friday evening, August 22nd. A planter lamp held a bouquet of yellow zinnias for decoration. Ice cream pies in a decorative pastry shell were served to the guests. Lt. and Mrs. William Newhart won a prize for high score, Lt. and Mrs. Samuel Sadler won a prize for second, and Lt. and Mrs. Neale Schmidt received a prize for low score. A gift was presented to the Ritchies who will leave Reese early in September for a new assignment.

The tiny nation of Luxembourg (less than 1,000 square miles) has 130 castles, each with a charm all its own.

The constitution and government of the Philippines are patterned, in many ways, after those of the U.S.

WINGS--Mrs. Richard J. Condrick pins command pilot's wings, the Air Force's top aeronautical pilot rating, on her husband, Major Condrick, commander of Reese Air Force Base's 3501st Pilot Training Squadron. Major Condrick recently received the wings after fulfilling the required 15 years and 3,500 hours of flying time. A native of Brockton, Mass., Major Condrick has flown Air Force aircraft for over 16 years and has logged 4,160 hours. In World War II, he flew P-40, P-47 and P-51 aircraft in the Pacific, and logged 101 F-86-F missions during the Korean conflict.

Officers Club Weekend Program To Feature Paul Lovett Orchestra

Tonight, the Officers Club will sponsor the "Happy Hour" from 5 to 6:30 p.m. Free snacks and dips. Tomorrow night, Paul Lovett will play from 9 p.m. to 1 a.m. Lovett will again make his appearance Sunday night from 8 to 11 p.m., and the special dinner of roast beef will be served from 12 to 2.

Other events next week include Class 59-B's graduation dance Tuesday night. The reception will be at 8 with dinner at 9.

On Wednesday, the class will

have graduation coffee in the morning and on Thursday, the Wives' Club luncheon will start at 1:30 p.m., with the Toastmasters meeting at 8 p.m.

DINING-IN — Maj. Gen. William Dean (center) chats with Col. Dross Ellis and his son, 1st Lt. William Dean, Jr., at last week's training group dining-in affair. The general, guest speaker, told the group pilots that wars are fought with the weapons that are on hand. Air Force newsreel cameramen from Orlando Florida filmed sequences of the general's speech to be used in the monthly commander's call film. (Photo by Santangelo)

New Dependents Medical Assistance Program Set Up By Base Hospital

Effective 2 September 1958 the Dependent Outpatient Clinic which is held in the Hospital Dispensary, Building No. 1122, each afternoon Monday through Friday, will begin operating on an appointment basis. Dependents may obtain appointments by calling the Hospital Dispensary at extension 720.

Adoption of the appointment system will enable the hospital to provide higher type medical care to dependents with a minimum of delay. Emergencies will continue to be seen at any time; however, all persons whose case is not an emergency are urged to call the Dispensary and make an appointment prior to coming to the hospital.

Touch Football To Start September 10

To round out a well balanced intramural sports program the personnel services officer has planned a touch football league.

The league is slated to start Wednesday, September 10, and all team entries must be logged in to the base gym office before Friday noon, September 5. Each squadron will have just one representative team in the league. If a player is transferred to another organization during the season he must play with his new squadron.

A double elimination tournament will be held at the end of league play with all teams competing. National Federation Football rules will govern all play.

Trophies will be awarded to the league winner and runner-up and trophies for the tournament champion and runner-up will also be presented.

Janet Marie, to M/Sgt. and Mrs. Edward Houghton, Aug. 16.

USAF Driving Course Decreasing Accidents

In the slightly more than year since the Air Force began its compulsory 10 hour driver improvement course for airmen under 25, deaths and injuries from private automobile accidents for this group have decreased substantially.

Fatalities were reduced 14.09 per cent and there were 7.8 per cent fewer injuries in the first year's operation of the driver program, compared with 1956 fatalities and injuries. The number of airmen in the under 25 category also dropped off 4.6 per cent during the reporting period, but a comparison of the percentages still shows a healthy margin on the side of reduced death and injury.

Pinning Ceremonies Planned For Theater

Tentative plans have been made to have the pinning exercise for the Reading Club at the theatre on Saturday, September 13, at 10:00 a.m.

All members should be back from their vacations by that time and all should be able to attend, Mrs. Helen K. Fuller, sponsor, said. She urged members to be sure to write up every book read as "some surprises are planned."

STAKE YOUR CLAIM — M/Sgt. Leroy Hanes, departing 1st sergeant of the 3502nd, states his outfit has won an even dozen trophies since he took over the job in late 1956. The trophies represent '02nd triumphs in volleyball, bowling, touch football, basketball, and the latest for base champs in the intramural softball play. Hanes will leave Reese shortly for an Alaskan assignment. (Photo by Santangelo)

Reese Golfers To Flock To Base Greens For Two Weekend Tourneys

Clouds of dust could be seen for miles early this week as Reese golfers started warming up for the big weekend tourneys.

On tomorrow afternoon a Scotch foursome is on tap with teams being posted in the Clubhouse. Play will commence promptly at 1 p.m. The event will be an 18-hole medal tourney.

A low net and a low gross journey is on tap for Sunday and Monday, August 31 - September

1st. It will be a 36-hole affair with handicaps used in the low net affair.

At 6:00 p.m. Monday evening, Ken Shields of the base greens will conduct a golf clinic. He will demonstrate the proper form and swing needed in the various shots. Ken, a golf pro, will try to answer any question you have on golf. The clinic is not only open to men but to the lady golfers as well.

PTG Bowlers Win League Crown

As the dust cleared over the base alleys last week league officials saw the PTG bowlers still leading the summer league heap. The PTG team, entered by name only, consisted of four hospital personnel and one air base group NCO.

The members of the winning team included: Lt. Col. Edwin C. Myers, Capt. Edward Mikula, Capt. Jarvis Schmitzer, all of the dental clinic; Capt. Frederick Holmes, former base vet., and T/Sgt. Peter Florczyk of the com-

misary. The team ended the season with a 47-13 record. They also captured high individual team series for the season with an even 900 pin total.

High individual average and high individual series honors went to Rich Tafoya of the '02nd with 175 average and 238 high game.

The PTW five captured the season's high individual three game team series, toppling a total of 2,565 pins.

This is the way the 15 teams ended up in summer league play: PTG, '01st Maint., PTW, '05th "A", Spoilers, '02nd Maint., M&S group, AACS, Mobile Training Det., '02nd Clowns, Air Police, Communications, P T W Gutterballs, and Air Base Group.

Winter intramural league play is slated to start September 8th, all organizations not entered are encouraged to submit their team to T/Sgt. Don Parker at the base alleys any evening before then.

Amarillo Jets Defeat Reese Nine In District Softball Tourney

The Amarillo Jets scored the highest amount of runs in the eleven games of the ATC Northern District softball playoffs at Perrin as they crushed Reese AFB 9-3 to eliminate the Rattlers from the tourney.

Reese jumped off to a 3-0 lead in the top of the first, but were held scoreless for the rest of the ball game as reliefer Stan Lambright of Merced, Calif., turned in a brilliant piece of relief work.

Lambright replaced starter Don Beckam in the first after three runs had scored on five solid base smashes. He pitched seven complete frames without allowing one hit. Lambright permitted only two Rattlers to reach first base—Chuck Bragg, on an error in the fourth, and Ron Estes, who drew a walk in the sixth.

The AMJETS made the second their big inning as they pashed

Bob Snow, Norfolk, Va., with four hits that produced five counts. Smiley headed the Amarillo attack with a double and two singles; Frank Cappelli contributed two one-basers, while Bunny Mahood, Bumps Hadley, Smitty Crawford and Matt Matanis each hit safely.

Besides Snow, Saupo Tupua of Honolulu, and Forrest Morris, Kansas City, Kan., saw mound action for Reese.

Seeman Gray of Reese was chosen by the Sheppard Senators to play with their team in ATC competition played at Goodfellow AFB.

T/Sgt. William G. McPherson, assigned to the wing, has been re-assigned to Chanute AFB to enter a course for guidance system analysts. He will be given permanent station on graduation.

S/Sgt. Charlie K. Agee of the hospital is going to Okinawa.
