

U. S. Air Force — Aerospace Power for Peace

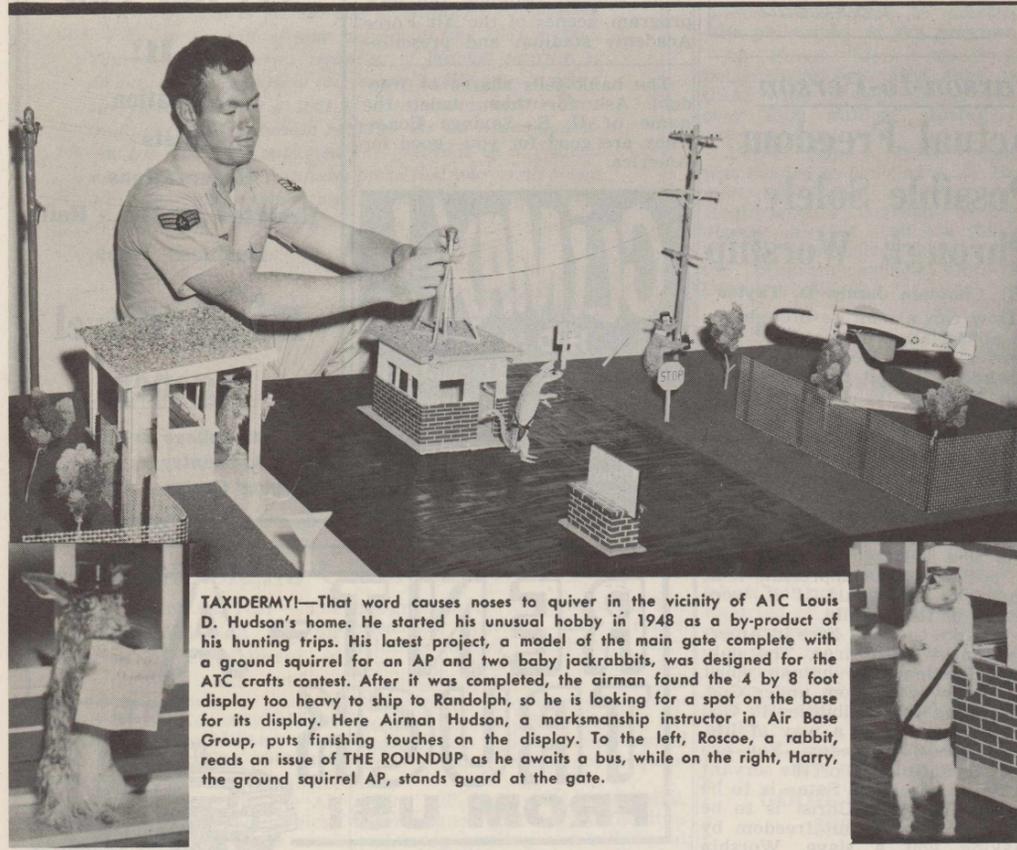

# THE ROUNDUP

The ROUNDUP is an unofficial newspaper published weekly in the interests of personnel at Reese Air Force Base of Air Training Command. It is published by Randall Abernethy, a private individual, who is in no way connected with the Department of the Air Force. Publisher's mailing address: 2832 66th St., Lubbock, Texas; Phone SW 9-8806. Opinions expressed by publishers and writers are their own and are not to be considered an official expression by the Department of the Air Force. The appearance of advertisements in this publication does not constitute an endorsement by the Department of the Air Force or the products or services advertised.

Lubbock, Texas, Friday, August 10, 1962

Number 38

**TAXIDERMY!**—That word causes noses to quiver in the vicinity of A1C Louis D. Hudson's home. He started his unusual hobby in 1948 as a by-product of his hunting trips. His latest project, a model of the main gate complete with a ground squirrel for an AP and two baby jackrabbits, was designed for the ATC crafts contest. After it was completed, the airman found the 4 by 8 foot display too heavy to ship to Randolph, so he is looking for a spot on the base for its display. Here Airman Hudson, a marksmanship instructor in Air Base Group, puts finishing touches on the display. To the left, Roscoe, a rabbit, reads an issue of THE ROUNDUP as he awaits a bus, while on the right, Harry, the ground squirrel AP, stands guard at the gate.

## OJT On Base Ranks Highest

For the third consecutive month Reese Air Force Base in July had the best on-the-job training program in Air Training Command. The monthly report received Tuesday by Col. James A. Gunn III, wing commander, gave Reese an excellent rating.

It showed Reese received 30 points for its upgrading, 23 points for OJT test results, 20 points for test participation and 19 points for non-progression. In each instance the points were the highest listed for any base in ATC. The command average was 29 for upgrading, 22 for test results, 20 for test participation and 16 for non-progression. Reese's 19 points means that only 2 per cent of those in OJT training are requiring an excess amount of training time.

For the year, Reese has an average of 89 points, while the command average is 80.

Reese was high base in May and also in June, with points for June the same as those listed for July.

## More Promotions Seen

WASHINGTON (AFNS)—Airmen promotion quotas for all major commands will be higher for October and December than those of a year ago, according to preliminary estimates made by Air Force personnel officials.

Although the actual figures are not available, the ratios of those who can be promoted from a lower grade to the next higher grade have increased for the coming promotion cycles.

While in 1962 only 9.6 per cent of A1C could look forward to an opportunity for promotion to staff sergeant, the ratio for the current fiscal year has jumped to 11.3 per cent for the October cycle.

A similar improvement has been noted in the ratio of promotion from A2C to A1C. In FY 62 the ratio was 33.6 per cent. This year it will be 38.5 per cent. USAF headquarters will relay the exact quotas for stripe increases to all major commands later this month.

Promotions of technical sergeants to master sergeants, which take place twice a year, will be due in December.

Opportunities in this bracket have increased from 6.7 for the last fiscal year to 11.7 per cent in 1963.

## Winners Announced In Beautification

Winners of the monthly family quarters improvement awards in the government housing area have been announced.

Winning \$10 for the most attractive area for officers was Capt. Horace Moss, while Capt. R. W. Vandiver won a like amount for the most improved area.

TSgt. Don Reynolds won \$10 for the most attractive area for airmen and MSgt. Mullins had the most improved airman lawn.

Honorable mentions went to Capt. John Shaw, Lt. Col. Charles Merritt, SSgt. R. L. Coffman and TSgt. John West.

## Airman High Of Students In Jet Study

A3C John A. Nydegger, assigned to the Maintenance and Supply Group, was honor graduate of the jet aircraft mechanic course which he attended at Amrillo AFB, Col. James A. Gunn III, Reese wing commander, has been notified.

He was selected for high scholarship, excellent efficiency, good conduct and not being required to repeat any of the course for academic reasons.

Colonel Gunn told Airman Nydegger that "Your achievement reflects a potential capability for the future as a truly professional technician in a rapidly expanding technological Air Force."

The airman, from Glen Rock, N. J., is a former student of New York Institute of Technology.

## Airmen Urged To Volunteer As Recruiters

An urgent request for NCO's to volunteer for recruiting duty was made this week in a USAF message.

"An immediate and continuing critical shortage of applicants qualified for assignment as recruiter salesmen exists within the USAF Recruiting Service," said the message to all bases.

"An increase of applications is urgently required to meet existing and impending losses and increased authorizations."

The message said that applications will be accepted from all qualified airmen, regardless of AFSC and FSSD. Waiver of base residency also will be granted to accepted applicants.

A critical shortage of recruiters is being felt in Chicago, New York, Detroit, Los Angeles and other metropolitan centers, but vacancies also exist in other smaller areas.

All interested personnel are being urged to visit the wing personnel office to "talk things over."

training in jumping and landing techniques. He said that student pilots have indicated they desire this type of training.

## Cadets Face Contrasting Weekends

Pleasure will come to part of the 200 AFOTC cadets in summer training and discomfort to others in weekend activities scheduled in the program.

A large number of the cadets will be taken on rides in T-33 jet training aircraft; about 100 will undergo survival training in a game reserve near Muleshoe in an all-night encounter with the dark and many hazards.

Training is aimed at making the cadets better young officers when they are called to active duty after completing college training. Aircraft rides are intended to show them part of what life will be like as pilots.

Survival training is a necessary part of Air Force indoctrination and those in charge of the trek to Muleshoe expect to make the trip as useful as possible.

The cadets will travel by truck to the wildlife area. They will be instructed on how to act and how to escape when hunted. The cadets will wade through swamps and seek to avoid searchlights which instructors will try to play on them throughout the night. They will seek to avert snakes, mosquitos and bugs.

If caught by "the enemy," they will undergo vigorous questioning aimed at trying to make them supply information they should not.

Sometime after daylight Sunday morning they will be permitted to return home.

100,000 dreams  
that came true  
[with HFC cash]

yours can, too!

OVER 100,000 SERVICEMEN have already filled their money needs at our 1200 handy Household Finance offices. Found near most military bases, HFC offices are staffed with specialists who understand a serviceman's kind of problems. So, whenever some extra cash can make an important wish come true, look for the HFC sign. It stands for fair, helpful money service from the company servicemen know best.

Compare our charges with what you would pay elsewhere—see what big savings you can make

Cash You Get	MONTHLY PAYMENT PLANS		
	12 Payments	24 Payments	36 Payments

said Major Weisman. "We are hopeful other units will join these three in reaching the goal."

Life memberships are acquired by donating at least \$50. Patron memberships cost \$500 or more. Life and patron memberships can be paid for in installments over the period of a year and these members will not be solicited in future campaigns.

"The Air Force Aid Society does a lot of good to dependent children wishing to attend college and in meeting emergencies which may occur in Air Force families. Support in this drive is support of the Air Force family, of which we are all members here."

All other units are progressing toward the desired goal. Detachment 11, 24th Weather Squadron, Capt. Edward M. Morris key worker has 80 per cent; 3500th Maintenance and Supply Group, 1st Lt. Hugh M. Ravatt, 75 per cent; 3501st Student Squadron, Capt. Robert M. Jones, 63 per cent; Air Base Group, CWO Henry A. Travinski, 46 per cent; Hospital, 1st Lt. Alfred I. Strentzsch, Jr., 38 per cent; and Civil Engineer Group, 2nd Lt. Richard C. Oyama, 34 per cent.

With \$849.46 collected, the overall base percentage is 61.

Units Awarded Cash For Safety Marks

The Hospital and Air Force Communications Service detachment have been awarded cash for best ground safety records of Reese units for the past quarter. The Hospital received \$100 for no accidents during the April-June period and AFCS was awarded \$25 for no accidents for tenant units. Presentation was at a meeting of the ground safety council.

## New Fitness Books Due

The mandatory 5BX physical fitness plan for Air Force personnel is expected to gain momentum at Reese before the end of the month with arrival of 3,000 more copies of the printed program.

Several hundred copies of the 5BX plan pamphlet reached here many weeks ago and have been used by persons participating on a voluntary basis.

The program was adopted after the Air Force searched for a means which could be practiced by more than 847,000 men and women in the service, a program which would fit the diversity of the Air Force missions as well as the variety of tasks which fill a day's work.

Adoption of the 5BX plan, first used by the Royal Canadian Air Force, brought at least a temporary halt to the long search.

In July, two USAF versions of the Canadian plan, one for men and another for women, were published under a copyright agreement with the Canadian government. This month 1.5 million copies of the 5BX plan for men and a million copies of the ver-

sion for women will reach major air commands and the 3,000 order for Reese is expected to be filled.

In addition, this base will receive 500 copies of the XBX plan set up for dependent women. It is the program used in the three-times-a-week Slim-nastic course at Mathis Service Club.

Two outstanding features of the physical fitness plan are that exercises take but 11 minutes a day and may be performed at home in spare time and at person's own rate of progress.

However, an annual physical fitness evaluation is in the program and everyone must pass the tests.

**Parson-to-Person Actual Freedom Possible Solely Through Worship**

By Chaplain James D. Taylor  
How can a man be brought to an appreciation of freedom? The answer is, take freedom away for a while. When it is restored, he will have a fresh enjoyment of liberty.

Suppose today orders were received to close all the doors of places to worship. What would be the people's reaction? There would be a clamor heard all over the world. This freedom of worship is a heritage we are proud of, but we do not appreciate it as much as we would if it were denied us for a while.

We like to think here in America that we are free. The only true freedom the human spirit can know is freedom under God. When the responsibilities to God are repudiated as a way of life, man loses his freedom. You are the servant of God or the servant of Satan. To serve Satan is to be bound. To serve Christ is to be free. Sin cancels out freedom by making you a slave. Worship God and be free.

**Former Amarillo Commander Speaks**

Major General Charles H. Pottinger, former commander of Amarillo AFB, made the principal address to the 183 members of the graduating class of the Academic Instructors Course Aug. 2 at Maxwell AFB. He presently is vice commander of Air University.

**Defense Warning Highlights Film**

A vital element of the nation's air defense posture, the Airborne Early Warning and Control, is spotlighted in the Air Force News Review being shown this month at Reese Commander's Calls.

Spotlighted are daily flights of men of seven squadrons on the east and west coasts who fly missions beyond the range of radar to report to the Air Defense System.

A second main feature of the film is the GAM 87 Skybolt which is carried at 7,000 miles per hour to be launched as a striking power against any enemy.

Also in the film are SAC's radar bomb scoring training, the 5BX program, scenes of the Air Force Academy stadium and presenta-

tion of trophies to many USAF units.

A second film being shown to Reese personnel is "Road to the Wall," a picture dealing with Communism. It depicts the rise of Communism in Russia and how it has brought violence to many lands. Jimmie Cagney, movie actor, narrates the film from Marx to the Berlin wall.

**Protection Needed**

With U. S. highways and automobiles improved every year, opportunity for travel more quickly and farther has come to virtually every car owner. But with the better means of travel also have come dangers — hazards which have traffic experts worried.

Death and injury on the roads of every state have brought developments of useful articles to protect driver and passenger. Padded dashboards, seat belts, and strong helmets for the thousands of persons who ride motorcycles and motor scooters are but three of the precautions available.

Every day drivers and passengers testify to value of seat belts which have saved them from serious injury or death in highway accidents.

Motorcycle and scooter riders also have praised for protective helmets they were wearing when hit by another motorist or when they rammed into something or left the road to turn over.

Installation of seat belts at Reese can be accomplished at low cost and everyone is encouraged to have his car equipped with the protection.

Protective helmets for motorcycle and scooter riders are required on the base and encouraged for off-base travel all the time. During recent weeks three Reese riders have been involved in off-base accidents. Two wore helmets and received only minor injury. The third, police report, was not wearing a helmet when he was in collision with an auto. He was badly hurt about the head.

Reese people have set many fine records over the years. No one wants a record of serious injury or death from accident. Seat belts and scooter helmets might prevent that sort of record.

**Air Force Aids Again**

The Air Force during the past month has announced signing of contracts with 53 industrial firms for work to cost more than 300 million dollars. Workers will perform necessary duties in 22 states.

Areas which sorely need the work and payrolls have been aided — in California, in New Mexico, Oklahoma, New Jersey, Wisconsin, Florida, New York, Massachusetts, Colorado and other states. Twenty-two surplus labor areas will benefit.

The Air Force not only is doing its part in protecting a free world, but it also is providing employment where needed by giving work to civilians where no jobs have been available.

**Club Activities**

Registration for membership in the Reese Youth Club will be held from 9 a.m. until noon on Saturday, Aug. 25 in Mathis Service Club. Registration forms for additional members of the Cub Scouts, Boy Scouts, Air Explorer Scouts, Brownies and Girl Scouts also may be filled out at the same time. The Youth Club will include all dependent children from the third grade through high school. College students also may be members.

loomcraft, basket weaving, jewelry making, singing, correct diction and other fields. Free typing lessons and books will be offered next summer.

A variety of classes and activities are planned for the Youth Club, starting in September.

Classes are planned in art, baton, sewing, knitting, embroidery, doll making, hat making and charm, followed by style shows. Charm includes modeling, hair styling, care of skin and nails, colors and dress designing. Classes are planned in etiquette, table setting, and flower arranging. Books on charm, flower arranging, table setting and etiquette will be given free to children.

Horseback riding and Bridge lessons are programmed.

The club is also is planning work in hula, square and folk dancing, can-can, Charleston, popular dances, food study, rock study, hospital bed making, leathercraft, pebble pictures, beadwork, plaster, carving, ceramics, tile, pottery, paper mache,

IN APPRECIATION for honorable service during Berlin crisis, 1961-62. Certificates, as above, signed by Air Force Secretary Eugene M. Zuckert and Gen. Curtis E. LeMay, Chief of Staff, are being presented to thousands of Air Reservists and Air Guardsmen upon their separation from active duty.

### President Signs Construction Bill

WASHINGTON (AFNS) — The more than \$1.5 billion bill for construction of Department of Defense facilities and on-base housing became law on July 27 when President Kennedy affixed his signature to the Military Construction Authorization measure. Provisions of the law authorize a total of \$743,379,000 to the Air Force for establishing or developing military installations in more than 80 areas in the continental United States, as well as at several overseas areas, and \$128,799,000 for the on-base housing

program here and overseas. The measure provides for surveys, administration, overhead, planning and supervision. It also authorizes acquisition of land and interests in land (including temporary use) by gift, purchase, exchange of government-owned land or other means of acquisition. The law authorizes operational, maintenance and supply facilities and troop housing and utilities at the various bases, as well as a total of 5,865 family housing units at CONUS bases and 930 units overseas.

### Money Tree Award Made

Air Training Command has been awarded an engraved plaque in recognition of its outstanding achievement as runner-up in the recently concluded project "Money Tree."

ATC, along with the Air Defense Command and the Alaskan Air Command, followed the Strategic Air Command in the overall standings.

"Money Tree" ended as an official Air Force project on July 1, but Air Force is encouraging all commands and bases to continue to practice the philosophy of the program.

Air Force "Money Tree" officials have estimated that the USAF-wide project saved "well over \$100 million" during its one-year tenure.

ATC's "Money Tree" project was headed by Lt. Col. A. R. Holman, director of the Plans and Requirements Division for the deputy chief of staff for Materiel. His outstanding leadership in the program earned him the Legion of Merit.

### Reading Club Work Will End Aug. 29

A deadline of Aug. 29 has been set for members of the Summer Reading Club to complete required reading, Helen K. Fuller, base librarian, has announced.

She said all boys and girls who have reported books read have had stars added to their flags and any books which have been finished, but not reported, should be reported at once so proper credit may be given.

A date for the annual pinning exercises is being set and book prizes will be awarded the boy and girl who have read the most books.

**Commander's Wife Feted At Wives Club Formal Tea**

Mrs. James A. Gunn III, wife of the wing commander, was honored by the Reese Air Force Base Officers Wives Club at a formal afternoon tea Tuesday in the Officers' Club. In the receiving line with Mrs. Gunn was Mrs. Charles Merritt, Officers Wives Club president.

A fountain sending up its cascades of white spray and created entirely of white stock and blue agapanthus was in the entrance of the lounge.

The tea table, covered by a white linen cloth overlaid with cut Belgium lace edged in blue, was set off by a similar fountain of blue and white flowers, cascading spray, and lighted tapers.

In charge of arrangements were Mrs. Robert Bowman, chairman, and Mmes. Harold Babb, Victor Correll, Roscoe Woodruff, John Slaughter, James Taylor, Martin Hooper, Charles Merritt, Dwain Rockie and Harry Hennigar.

The tea service was presided

over by Mmes. Babb, Rockie, Slaughter, Correll, Delmar Atchison, H. R. Wright, Bowman, John Christian, Francis Fleming, Hooper, Joseph Burdick and Harold Barber.

Members of the executive board who served at the punch table were Mmes. Ronald Tingley, Maurice Wachtel, Harold Faulkner, James Tanner, Edward Rider, Jon Lucas, Glenn Kirby, James Wetzel, Hennigar, Paul McClure and Robert Smith.

**Germany Feature Of OWC Brunch**

Continuing the "Around the World" theme used for their luncheons and brunches this year, members and guests of the Reese Officers Wives Club Thursday featured Germany at the August brunch.

Original decorating ideas were used by the hostesses, members of the Air Base Group. Mrs. Dwain Rockie was senior hostess with Mmes. Harold Barber, Joseph Enright, K. G. McGuire, Walter Malin, Roy Merritt, Albert Muller, Joe Setnor, Henry Travinski and Maurice Wachtel as junior hostesses.

Dolls dressed in native costumes of the various regions of Germany bedecked every table. A series of German dolls of varied size and costume graced the head table. Doll clothes were designed and made by the hostesses, who copied folk costumes of Germany.

On the walls were paintings, pictures, posters and clothing typical of Germany. Familiar phrases written in German and translated into English were in evidence.

Cabinets at each end of the lounge contained Hummel figurines, Bavarian china and other treasures brought back from Germany by Air Force women stationed there.

The hostesses in native costume mingled with the crowd to help everyone become a part of what Germans call "Gemutlichkeit," or fellowship.

German music played in the background and the meal was of German dishes.

**Woman's Chatter**

By Mrs. Harry L. McKee

Class 63-G held a picnic last Sunday in the back yard of Capt. and Mrs. Billy Rentz.

During July, Capt. and Mrs. F. L. Longwell entertained friends and relatives, including Mrs. Maude Longwell of Philadelphia, Pa., the captain's mother and associate editor of the Farm Journal, and Mrs. Bessie McElhane of Phoenix, Mrs. Longwell's mother. Also visiting were Capt. and Mrs. Robert Phinney of Dallas and Maj. and Mrs. Guy Frontier of El Paso.

The M&S Group honored 1st Lt. and Mrs. Robert Guinn and 1st Lt. and Mrs. Felton Thomas at a farewell picnic Aug. 4. Each

couple was presented with a set of four matching silver ash trays, with Col. Joseph Payne making the presentation. The Guinns plan to leave Aug. 17 for Canon City, Colo., where the lieutenant will be production supervisor of the Gypsum Mining and Building Materials, a division of fibre board paper production. Lieutenant Thomas leaves in October to attend school in San Angelo.

Mrs. Marshall Norris and Mrs. Joseph Burdick will hostess the monthly M&S luncheon Aug. 17 at the Officers' Club.

Colonel and Mrs. Joseph Payne and son, Larry, are on a three-weeks visit with relatives and friends in South Carolina.

Houseguests in the home of Maj. and Mrs. Glenn Kirby this week are Mr. and Mrs. Hugh Cochron and family of Odessa and Mr. and Mrs. R. F. Bird and family of Amarillo. Cochron is attending the coaching school at Texas Tech.

Captain and Mrs. James Keefe have returned from a two weeks leave in California.

Captain and Mrs. James K. Kuhns are on a two weeks leave in Colorado Springs.

Captain and Mrs. Richard Watson are back from a three weeks vacation in Maine and Connecticut.

Lieutenant Colonel and Mrs. James D. Taylor and son, Mike, plan to return this weekend from a visit to Randolph AFB, Tex.

Mr. and Mrs. Danny Fuchs of Baltimore have been houseguests in the home of 2nd Lt. and Mrs. Wolfram Wislicenus. The two couples went sightseeing to Carlsbad Caverns.

The Thrift Shop has many valuable items at bargain prices and will be open Friday, Aug. 17.

Flight 9 has planned a farewell party Aug. 18 at the Officers Club, honoring Capt. and Mrs. Alfred Miller, who leave Oct. 21 for Washington, D. C., to attend George Washington University.

The 3500th Pilot Training Squadron had a hail and farewell party July 28 at the Officers' Club, when Lt. Col. William Reese, to be squadron commander, and Mrs. Reese were welcomed.

Lieutenant Colonel and Mrs. Victor Correll and family plan to leave Aug. 13 for Washington for an orientation school before the colonel goes overseas. Mrs. Correll and children will live in Florence, S. C., until the colonel returns.

**About The Wives**

Numerous activities have filled the lives of airmen and their families at Reese.

SSgt. and Mrs. Herbert Hamilton and family have returned from Waco where they visited his parents before leaving Reese next week. The sergeant is being re-assigned to the Philippines. His mother, Mrs. H. M. Hamilton, has been helping them pack.

SSgt. and Mrs. James Skidmore and family have returned from a month's leave.

SSgt. and Mrs. Don Smith and family left Tuesday for California, where Mrs. Smith and children will live until they can join the sergeant in the Philippines.

A farewell coffee for Mrs. Smith was given by Mrs. Pat Smith last week.

SSgt. and Mrs. Duart Garret and children on their way from Alaska to Amarillo visited with TSgt. and Mrs. Henry Schmitt over the weekend.

A1C and Mrs. Robert E. Cole had a birthday party for their daughter, Darlynn.

SSgt. and Mrs. Robert Thompson and daughter have gone to New Mexico for a vacation.

SSgt. and Mrs. Harold Raines and children are on emergency leave in Maryland.

NCO Wives Club members with news are asked to call Betty Solters, Extension 323.

**Germany Bound Sergeant Celebrity**

WASHINGTON (AFNS) — An Army sergeant, SFC Robert Dean Wills of North Platte, Neb., on his way to a new assignment in Germany, signed in as the three millionth guest at the McGuire Hotel of the MATS installation at McGuire AFB, N. J., and found himself a celebrity. Accompanied by his wife and five children, he received a welcome from high ranking officials of the base and was presented with a plaque to commemorate the event.

## Shooter Gets Pistol Medal

Another medal was added to the collection of the Reese rifle and pistol teams as SSgt. Max Bollinger captured first place in the expert classification .45-calibre rapid fire pistol matches of the Desert Sands Rifle and Pistol Club in El Paso Sunday.

Competing were shooters from Holloman and Biggs AFB's, Fort Bliss, the Desert Sands Club and an El Paso police team.

The Reese pistol team, unable to be present because of conflicting engagements last weekend, will participate in a three-day match at El Paso on Labor Day weekend. Only MSgt. Joe King was able to compete with Sergeant Bollinger.

Shooting in the national matches at Camp Perry, Ohio, as members of the Air Training Command teams are SSgt. Delmar Callahan, on the ATC high-powered rifle team, and SSgt. Roger Manemann, member of the pistol team. It is the latter's second consecutive appearance at Camp Perry as an ATC representative.

## Father-Son Banquet Set

Reese Little League and Pony League players will be honored at the annual Father-Son banquet at 7 p.m. next Thursday in the NCO Club, Lt. Col. Joseph B. Burdick, Little League president, has announced.

All members of the base's boys' teams are asked to be present and to bring their fathers. Reservations at \$1 per person are to be made with team managers. Trophies will be awarded to winning teams and players.

## School Planning Pre-School Work For First Graders

A three-day pre-school program for those who will enter the first grade this fall will be held Aug. 20-22 at the Reese Elementary School, Joe Harper, principal, has announced. Children must be six years of age on or before Sept. 1 to be eligible to attend school in Texas.

Parents may register children for the pre-school work beginning at 8:30 a.m. Monday, Aug. 20. The program will be in charge of the regular first grade teachers of Reese Elementary School and efforts will be made to orient children on customs and activities of the first grade. Milk will be served the boys and girls each morning.

Registration for other grades will begin at 8:30 a.m. Tuesday, Sept. 4, in the school and a full-day of classes will be held that day.

Harper may be consulted on any part of the school program by telephoning 3141, Hurlwood.

Dignity is one thing that cannot be preserved in alcohol.

REPRESENT REESE—Nine Reese golfers are representing the base this week in Air Training Command competition at Randolph AFB. Above, the open division team includes 1st Lt. Jerry Daley and 1st Lt. Tom Tuttle, in the cart, and Maj. Joe Setson, Maj. R. A. Sofaly, Capt. L. A. Ferguson and 1st Lt. Jim Urbanski, standing left to right. Below, the senior team members line up on a shot. They are MSgt. Tony Lawrie, Lt. Col. James D. Taylor and CWO Roy Merritt.

## Part In Operation Big D Planned For Reese Personnel, Families

Plans for major participation of Reese military men in Operation Big D Oct. 6 in Dallas are being laid.

Project officer is Lt. Col. Charles W. Merritt, who is coordinating the program on the base. Project officers have been named for all Air Force installations within 300 miles of Dallas. "All plans and arrangements will be finalized shortly," the colonel said, "but in the meantime, I hope that all base personnel will mark Oct. 6 on their calendars and plan to attend Operation Big D."

The city of Dallas is making elaborate plans to host the U. S. Air Force Academy and Air Force personnel of the southwest in its second Operation Big D.

More than 1,000 Academy cadets will be entertained in Dallas homes and upward of 20,000 Air Force men and their families are expected for the weekend, which highlights the Academy-Southern Methodist University football game.

The two upper classes and the Academy band will take part in game activities. Dallas hotels and motels will offer special weekend rates to Air Force families and the USO is planning a special evening social function for airmen and their families. Some Air Force units are planning reunions in Dallas for the weekend. Some bases are chartering special buses.

Complete details are expected by Colonel Merritt soon.

## Try-Outs Scheduled For Youth Follies

The turn-out for the scheduled Reese Youth Follies has been "terrific," Aileen Gunn, youth director, has announced. She urged other competitors to become interested at once.

A professional teacher will be on hand at try-outs for drill teams and baton work and trampoline lessons will be given for the show.

The next rehearsal is scheduled for 3:45 p.m. Saturday in the base theater. Trampoline lessons are given in the gymnasium.

Professionals will direct most of the try-outs, Mrs. Gunn said, and comedy acts prepared by boys and girls are being sought.

Air Force Titan launch pads are protected during blast-off by spraying thousands of tons of cooling water on the launch area.

**WE PLAY BALL WITH SERVICEMEN FROM BEGINNING TO END!**

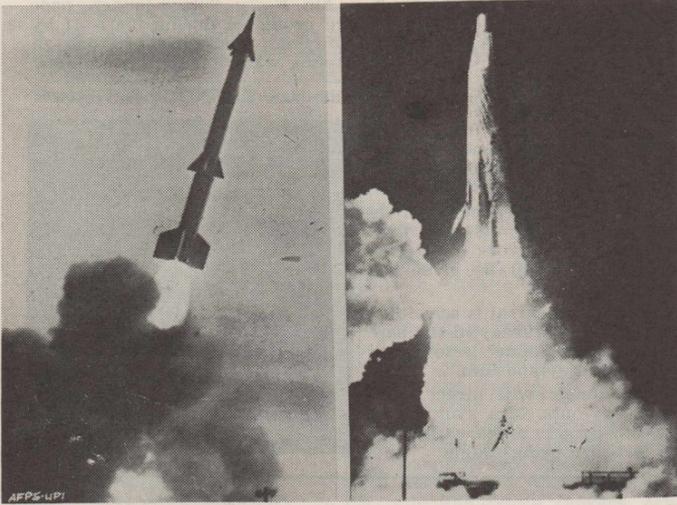

You'll like our friendly, matter-of-fact, handling of money problems

- We get right down to brass tacks.
- We make loans for every reason—to pay bills, to finance purchases, for furloughs and emergency trips.
- We even shuffle payment dates to suit your pocketbook.

Besides, it's smart to establish your credit with an organization that has offices from coast to coast; and in addition, maintains a World-Wide Loan Service especially designed for U.S. military personnel stationed overseas. The moment a G.A.C. Credit Certification Card is issued to you, your credit goes wherever you go.

Loans Up To \$1000

**WINNER, LOSER**—U. S. defenses against a ballistic missile attack took an encouraging step forward when a Nike-Zeus anti-missile missile, left, intercepted an Atlas ICBM nose cone high over the Pacific. The Nike-Zeus locked on its target with information supplied by ground-stationed tracking equipment. Neither missile carried an atomic warhead.

**Reese Dependent Licensed Pilot**

First Lieutenant and Mrs. Robert L. Horton can now share pilot duties. Janet Horton, the wife, has been issued a private pilot's license in Texas.

Mrs. Horton joined the Reese

Aero Club in May, 1961, and in July flew her first solo in a T-34 aircraft belonging to the club. She completed ground school last March and on Aug. 1 was awarded her license after scoring high on tests.

Her instructor was SSgt. Bobby Steele, member of the Aero Club.

**Monthly Breakfast Held By Sodality**

The Sodality of Our Lady held its monthly Communion Breakfast after the 9 a.m. Mass last Sunday. Newcomers Shirley Scott and Sue Pierce were introduced at the meeting in the NCO Club.

Chaplain Neil Daley thanked the women for their help in caring for the altar linens. He also announced business meetings will be resumed Sept. 27 and thereafter will be on the fourth Thursday of each month. The Rosary will be said at 7:45 p.m. in the Base Chapel preceding the meetings later in the Chapel Annex.

The Sodality has been helping the Catholic Welfare to collect clothes, furniture, cooking utensils and other items. Contributions should be left with Mrs. Joseph O'Connell, 204 McGuire.

**Cake, Cookie Sale Planned By Girls**

Senior girls of the Reese Youth Club will sell homemade cookies and cakes from 9 a.m. to 3 p.m. in the BX next Wednesday with all personnel urged to make purchases during coffee breaks and other times. Reese wives are donating the sweets. Proceeds will go to the Youth Club.

**Sky Shield Planned Again On Sept. 2**

WASHINGTON (AFNS) — Flights of civilian aircraft over or into Canada, the continental United States and Alaska will be restricted for a period of five and a half hours on Sept. 2 during exercise SKY SHIELD conducted by the North American Air Defense Command.

**Cold War Medal Eligibility Set**

WASHINGTON (AFNS) — Some members of the Air Force Reserve and the Air National Guard may receive the new Armed Forces Expeditionary Medal as the result of duty with United States forces serving in the Berlin area in the recent crisis there.

Spelling out the eligibility criteria, a Department of Defense spokesman indicated that Air Reservists and Air National Guardsmen can be awarded the medal provided they (1) served 30 consecutive days of active duty in Berlin; (2) were on active duty and served 60 non-consecutive days in the city or (3) participated as a regularly assigned air crew member in one or more official flights in or out of West Berlin in direct support of operations there.

The same criteria apply to the regular Air Force.
