## Nell's Notes

"Today we see before us,  
A page so bright and new,  
It's there to record each day,  
Of things we say and do,  
Let's hope that sixty seven,  
With faith; hope and cheer,  
Will bring to each of you,  
A very wonderful New Year"

The boys and girls are back in college, the children back in school and everything is back to normal again. So after cleaning house and catching up on your chores, take a walk in this brisk, sunshiny weather we're having. Visit your neighbors or just get outside. That will get you over this "After Holidays Slump"

The death of Jack Ruby should bring to a close the chain of events surrounding the death of our late President John F. Kennedy. Nothing can be changed and perhaps we will never know the true facts of all this. We should all accept it and learn a lesson from it and do our part to keep such as this from ever happening in our country again.

There are some little rag dolls that are kicking up a scare over the nation because they are fire hazards. Parents, if your little girls received a doll for Christmas, be sure she is safe because their little faces are inflammable. These dolls were made in England and Poland.

If you see a large bulldog that's a stranger in town, he belongs to Chuck Routon. He's got the reddest tongue you ever saw and don't be surprised if he sticks it out at you as you go by.

Sign on highway "Smile Your en Radar".

We would like to say "Congratulations" to the Newcastle EXs the Men's Basketball team on winning the Bryson tourney. They received a big trophy that is on display at Clayborn Station. Go in sometime and take a look. It's sure pretty. They also have a game in the Newcastle High School Gym Sat. Night with Aero Commander at 8 p.m.

There have been so many "derby and coats" left at Mary Lou's Cafe that she is thinking of starting a "lost and found" club.

Did any of you take the "Current Events Tests" on T. V. the other night with a tenth grade education you should have had twenty correct out of thirty - three questions.

## Light Snow Covers Area Friday; Weather Chilly

**BOBCAT FEM VARSITY** — Pictured above are members of the Newcastle Bobcat Girls Varsity Basketball Team. They are from left to right, back row, La Fonda Thompson, Bron-da Wilson, Ann Phillips, Anna Clayton, Janet

Sloan and La Vern Sloan, and front row, Deb Terrell, Charlotte Sherrill, Carol Mitchell, coach Charles Hibbitts, Lolita Clark, La Venne Sloan and Shelia Clark.

The first white stuff of this winter fell on the area Friday morning in the form of hominy snow. The snow covered the ground completely in a short time, but by noon had all but disappeared.

There was an official .03 inches of moisture measured from the fall, but this gave little relief to dry wheat fields and pastures. According to Freddy Page, local weather observer, the low temperature for the week was 14 recorded last Thursday morning while the high was 55 reported for Sunday and Monday of this week.

The snow began falling about 7 a.m. Friday and continued to fall, although not as heavily, until about 8:30 a.m. The difference between hominy snow and sleet, according to Page, is in the size of snow or ice ball.

Temperatures for the week by days include:

	High	Low
Wednesday	40	19
Thursday	45	14
Friday	37	27
Saturday	50	28
Sunday	55	27
Monday	55	36
Tuesday	52	22
Wednesday		26

## Olney Federal Reflects Large Savings Increase

Assets of Olney Federal Savings and Loan Association reached a record high of \$14,613,241.27 during 1966 according

to the institution's annual report issued Wednesday.

D. D. McClatchy, Olney Federal president, said that the

\$1,583,586.36 growth in assets during the 1966 represented about a 12 percent hike over corresponding figure a year ago.

"The past year has been one of 'tight money', inflation and fierce competition for savings", McClatchy stated, "and 1967 will probably bring along the same." He pointed out that Olney Federal will continue with their "forward look" during 1967.

"At this time there are indications of a strengthening in the local real estate market. This should mean increased activity in the mortgage lending field in our area," he continued.

McClatchy said that during 1966 net savings growth at Olney Federal amounted to \$1,601,471.55 as compared to \$1,822,058.58 in the previous year and brings the total savings balance to \$13,183,234.07.

## Water Corporation Re-Elects Officers

The annual membership meeting of the Ft. Belknap Water Sup. Corp. was held at the Fort on Jan. 3rd, 1967.

President A. G. Williamson presided with Jno. R. Bullock as Secy.

The purpose of the meeting was the general transaction of business and the election of three directors to succeed the directors whose terms of office expired on the above date. Messrs. A. G. Williamson, Jno. Bullock and Roy E. Veal were elected and are to serve for a term of three years.

At the close of the general meeting of the Corp. the new Board of Directors convened and selected its officers for the ensuing year. The officers elected were A. G. Williamson, President, Frank Atchison Vice president Jno. R. Bullock, Secy. Other directors are Roy E. Veal, Gerald Lyons, Harold McClain, J. W. Burgess, Kenneth Atwood and Chester Mills.

A favorable report was given covering the progress the Corporation was making in re-

## THE BIG INCH

The ruled box above is a one-inch ad. It measures one column wide by one inch deep. It costs advertisers 60c

It looks kinda lonesome by itself.

But look at it this way.

What you get when you buy a one inch ad in the Newcastle Register is not just a single inch of space in the paper, but one inch multiplied by 500 copies.

So you are really buying 500 inches, which at 75 inches a page would be more than 6½ pages of printed newsprint.

That's a mighty big chunk of space for a cost of only 60c.

And that price includes delivery to the reader's mail box. Just imagine the cost of reaching all those Register families by postcard. It would amount to \$20.00 just for the postage. But the Register does it for a mere 60c per insertion.

And . . . ask about our sliding scale? The more advertising you run, the less per inch it costs.

So you can see that a little one-inch ad is really a pretty BIG inch when it's advertising space in the Newcastle Register. And the figures show that it's the most effective and economical way possible to let people in this area, know that you have wares and services that they could use.

Call 4771 and let Janelle Moody show you how a little BIG inch can wake up sales for you.

# THE NEWCASTLE REGISTER

**FIRE DESTROYS HOME** — Fire completely destroyed the ranch home of Mr. and Mrs. Don Buckalew on the Portwood Ranch southwest of Megargal early Sunday morning. The blaze was reported about 1:20 a.m. Sunday and when firemen arrived, flames had engulfed the en-

tire home. According to reports, only a few personal items were saved from the home. The fire was blamed on an automobile which apparently caught fire in the garage, attached to the home.

# State Capitol News

AUSTIN, Tex. — Come Tuesday, Texas legislators will be back in session at the state capitol.

Pressing money matters and certain new taxes head the "worry list" confronting the lawmakers. But a board montage of other problems on the agenda promises an interesting, high-voltage session. It is sure to be one that will continue through the full 140-day period and may even go into extra innings.

Gov. John Connally in his "state of the state" message to the solons later this month will outline spending recommendations which will require more than \$100,000,000 in new taxation. Included will be his own \$911,500,000 budget.

Numerous tax proposals are expected to be offered. These include expansion on the sales tax, a one-cent-per-gallon boost in gasoline taxes, a franchise tax raise and many other proposals.

Growing cities, with finance problems of their own, will occupy much of the Legislature's attention. Mayors will plug for a one-per-cent local option city sales tax. (Governor Connally prefers a rebate of gasoline tax revenues for street purposes.)

While most legislators apparently are prepared to vote for new taxes, few indicate they will support a \$44,000,000 raise in state college tuitions.

Headline topics before lawmakers this year will include:

Teacher pay raise — teachers want raises ranging from \$61 to \$100 a month. This would cost the state some \$68,000,000 a year. A majority of lawmakers are committed to some form of increase. Connally is expected to recommend much less.

Constitutional revision — the government and the State Democratic Party advocate revision by convention. Lt. Gov. Preston Smith favors a more-cautious approach.

Legalized sale of mixed drinks and horse racing.

Annual legislative sessions.

A long-range plan for water pollution control.

A 20-per-cent pay raise for all state employees.

Driver safety legislation: increasing the minimum age for drivers to 16 and requiring periodic re-examination of all drivers.

Among other measures to be considered are: a minimum wage bill; an industrial safety act; increased workmen's compensation benefits; reconsideration of some provisions of the new code of criminal procedure; daylight saving time (should Texas accept it or pass a special act to retain standard time?); and a \$75,000,000 bond-financed, 12-year program advocated by the governor to acquire and develop new state parks.

**LIQUOR, SI; BETTING, NO** — An associated Press survey of Texas senators and representatives indicates that while horse-race betting again doesn't seem to have a chance in the 60th Legislature, legalized mixed drinks may.

In 1965 the Legislature let the horse-racing proposition die in a sub-committee. And the liquor-by-the-drink bill — which has been up in every session since World War II — was killed in committee.

Judging from its early answers to a questionnaire, AP concluded that mixed drinks have gained support, while betting seems to have lost some of its

appeal. Some legislators said they would not vote for either issue and expect neither to pass.

Both will again be hot issues.

On another section of the questionnaire, approximately three-fourths of the senators and representatives figured that new taxes will be in order for the 1967 session. But there was no unanimity as to what kind of taxes.

Only one Senator — Henry Grover, Houston Republican — said he would vote for few or no more taxes. No member of the House said he would vote against new taxes. However, several legislators did say they were undecided.

**GOVERNOR'S GARDEN** — A statewide campaign has been launched for funds to convert the grounds around the Governor's Mansion into a garden.

Mrs. Perry R. Bass of Fort Worth is chairman of the Mansion Subcommittee of the Texas Fine Arts Commission. She says plans call for a formal rose garden with colonial arbors, a gazebo, pools and fountains and surfaced with brick patios and retaining walls.

Mrs. John Connally assisted a Dallas firm in drafting plans for the garden. Project was approved by the Fine Arts Commission and members of the Texas garden clubs have pledged their held with the fund-raising. Contributions may be mailed to Mrs. Connally at the Mansion at Austin.

The Mansion has been the official residence of Texas Governors since 1856.

**OATHS TAKEN**—Atty. Gen. Crawford C. Martin and several members of the judicial branch of Texas government had to work Sunday — they took their oaths of office at the Supreme Court Building on the Capitol grounds.

Judges John F. Onion Jr., Wesley Dice and Ernest Belcher took their oaths as judges of the Court of Criminal Appeals. Dice and Belcher had served as commissioners to the court until a Constitutional amendment passed in November made the court a five-member body. Governor Connally is expected to name one of the five as chief justice this week.

Associate Justice John C. Phillips of the Third Court of Civil Appeals in Austin took the oath of Chief justice of that court.

**APPOINTMENTS** — Attorney General Martin has announced these heads of divisions within his office:

Enforcement — Bob Lattimore, Hidalgo County District Attorney.

Highways — Watson Arnold of Waco.

Bonds — John W. Fainter of Austin.

State and County Affairs — J. C. Davis (holdover).

Taxation — John Grace of Austin.

Insurance and Banking — Sam Kelly of Austin.

Oil and Gas — Houghton Brownlee Jr., of Austin.

Water Division — Roger Tyler of Austin.

Opinion Committee — Hawthorne Phillips of Harlington.

**STEVENSON HONOR DUE** — A Texas historical marker will be erected in Junction soon honoring former Gov. Coke R. Stevenson.

Marker is the third in the "modern Texas statesmen" series being erected by the Texas State Historical Survey Committee. Earlier markers commemorated public service of former Govs. William P. Hobby and Allen Shivers.

Stevenson, born March 20, 1888, was the first Texas governor to serve more than two terms (1941-47). He is a life-

time resident of Kimble County.

**WHITMAN'S INSURANCE** — Group Life and Health Insurance Company of Dallas has asked a district court to rule who should receive benefits of a \$10,000 life insurance policy on the late Kathleen L. Whitman.

She was the wife of Charles J. Whitman, the UT Tower Sniper.

Mrs. Whitman was stabbed to death by her husband before he began his shooting rampage on August 1. Numerous claims have been filed against Whitman's estate as a result of his shooting spree. He had been named beneficiary under his wife's policy.

Insurance company is ready to pay but wants the court to say — to whom.

**AIRPORT AID** — Increased responsibility for the development of Texas air-transportation systems will be placed on the state government, says Charles Murphy, director of the Texas Aeronautics Commission.

This because the federal government is reducing its aid.

Murphy made his statement after studying details of the federal aid program for 1967 as announced recently by the Federal Aviation Agency. Allocated was \$72,500,000 in matching funds for improvements at 431 civil airports. That's \$12,000,000 less than for 1966. Of that total, \$5,680,359 will be available to 29 cities and towns in Texas.

**BAYTOWN BANK ASKED** — An application for a charter for a proposed Bank of Baytown has been filed with the Texas Department of Banking. No date has been set for the hearing.

## PERSONALS

Mrs. M. E. De Long and Mr. and Mrs. James De Long and a family get together and Christmas dinner in the home of Mr. and Mrs. Delbert Grimes on Christmas day. They also attended the Christening service for Delbert Lynn Jr., in the Chapel of the First Methodist Church on Christmas night.

# Gilbreath-Dormier Wed In Ceremonies

Sharon Fay Gilbreath of Commerce became the bride of Johnnie A. Dormier of Megargel in an afternoon ceremony at the First Christian Church of Olney, Tuesday, Dec. 27.

Rev. Robert W. Fink, pastor, officiated.

The bride is the daughter of Mr. and Mrs. Clovis Gilbreath of Lubbock, while the groom is the son of Mr. and Mrs. John Dormier of Megargel.

Given in marriage by her father, the bride wore a two piece knit suit. The bodice of the suit was highlighted with numerous seed pearls. She carried a bouquet of white carnations on a white Bible.

Linda Lewis, of Lubbock, was maid of honor and wore a dress of blue lace. She carried a bouquet of white carnations.

Wedding music was provided by Carolyn Stevens.

Blue and white flowers were used to decorate the church.

Bill Sykora of Megargel was best man, and Kenneth and David Dormier, brothers of the groom, served as ushers.

Following the ceremony, a reception was held for the wedding guests. Attendants at the reception were Paula Peterson, Paula Mass and Brenda Palmer.

The couple will be at home

in Commerce, following a wedding trip to Dallas.

The bride is a 1965 graduate of Lubbock High School. Dormier is a graduate of Megargel High School and is a student at East Texas State University. He plans to receive his degree next summer.

DELLA KAYE LEWIS

## Engagement Told

Mr. and Mrs. S. M. Lewis of Olney announce the engagement of their daughter, Della Kay, to David Groves, son of Mr. and Mrs. Fred D. Groves of Wichita Falls.

A spring wedding date will be announced later.

## Bond Sales Fall Short In 1966

During the months of Nov. United States Savings Bond sales in Young county amounted \$4,971.00, according to a report received from Mr. C. E. Penix, Chairman of the Young County Savings Bonds Committee. To date, this county has purchased \$141,199.00 in Savings Bonds and this is 64 per cent of the 1966 goal of \$220,000.00.

During the first eleven months of 1966, Savings Bond sales in Texas amounted to \$139,381,146 which is 94 per cent of the state's goal of \$147.5 million. This is an increase of 5.2 per cent over the same period last year.

"Nationally, the sale of Series E and H savings Bonds during November amounted to \$368 million. These sales were the highest for any Nov. in 11 years; 9 per cent higher than a year ago. The Jan.-Nov. sales were \$4,488 million, 7 per cent over sales for the first 11 months a year ago and a 10-year record for any Jan. - Nov. sales since 1956," Chairman Penix stated.

Mr. and Mrs. Owen Livingston attended funeral services for Miss Berniece Groves last Saturday in Olney.

**Fox Graduates From Marine School**

SAN DIEGO, CALIF. (PH-TNC) Dec. 12 — Marine Private James C. Fox, son of Mrs. Alyce B. Fox of 920 Buebonnet Drive, Olney, Tex. was graduated from eight weeks of recruit training at the Marine Corps Recruit Depot here.

He will now undergo about three weeks of individual combat training and then after leave at home, will report to his first Marine Corps assignment.

The intensified Marine recruit training emphasizes rigid physical conditioning and survival techniques, both at sea and ashore, to develop self-confidence and endurance. Marksmanship with the M-14 and 45 - calibre pistol are equally stressed, and close order drill instills the traditions of Marine Corps teamwork.

A thorough study of basic military subjects: hygiene; first aid and sanitation; and the customs, history and mission of the Marine Corps serve to polish the new Marine's recruit education and prepare him to join Marine combat forces.

God called him away on that sad December day and he left us heavy hearted but he's gone

with him to stay.  
Oh that meeting and that greeting as he joins with all the blest in the Hallelujah praises and the songs that he loves best.

Never more to be ladened with earths sorrow and it's cares for he is there with the Gransomed and the Glory with them shares.

We will meet our dear loved one on that bright celestial day. We will never know any sorrow and all tears are wiped away.
