Nell's Notes

With the warm weather we have been having everyone wants to get outside, whether it be just digging in the yard or heading for the nearest "fishin' hole". Everyone keeps casting an eye to the sky in search of that "little cloud that cried" to bring us that rain we need so much.

The boys and girls of Young County deserve everyone's praise for their work and effort in preparing their animals for the Stock Show in Graham this week. Some of them will be going to The Fat Stock Show in Fort Worth beginning Jan. 27. Some might even want to see "Festus" (Ken Curtis) star of T. V.'s "Gunsmoke."

The March of Dimes Tele-rama is to begin at 10:00 p.m. on Saturday January 28 over KAUZ — Bob Crani, star of Hogan's Heros, along with lots of local talent from towns in this area will provide the entertainment.

The mother's March of Dimes drive here was a real success. A special "thanks" goes out to everyone contributing to this worthy cause. Mrs. Glenda Wooldridge was chairman of the drive and her helpers were: Shirley Morgan, Catherine Bailey, Scooter Moody, Polly Reynolds, Louise Thompson, Edna Davis, and Alwanda Burch.

After attending the Fashion Show last Thursday, anyone could truthfully say we really have some pretty girls here. Sewing is something they will always be proud of learnin and will really come in handy in their future.

Two things we have to be proud of: one is the new caution signs near the school, which we have needed for so many years and have often wondered why they weren't there. The other is Caryl Hardin. He picks up the trash each month and does such a good job of it. If we had more people like him we would have a cleaner city.

Mrs. H. D. Raney had minor surgery in Olney, Tuesday morning. All our love and the love of our neighbors are with her at this time.

Had a note from Mrs. J. L. Webb telling about her mother, Mrs. Rob Weatherbee having eye surgery on both her eyes: We wish this good lady a speedy recovery, and hope she will be coming home soon.

Elected to serve with Veal

were Ted Clark of Newcastle as vice chairman and Dr. Kenneth Neighbors of Olney as secretary - treasurer.

The selling and designation of the 140 trees to start a landscaping program for the Fort Belknap site began this

week. A map of the proposed program is in the chamber office and persons wishing to purchase a tree can go by and select the site of the tree.

Support by Graham, Newcastle and Olney was given to the project earlier in a

meeting in Newcastle, and the advisory committee was named with representatives from the three towns.

Prices of the trees range from \$10 to \$20 plus \$7.50 for the granite marker to go at the base of each tree.

The committee expressed their appreciation to Mrs. Nell Strong of Graham for her counsel with the trees and to the Fort Belknap Electric Co-op for furnishing the men and machinery for digging the holes for the trees.

They reported an enjoyable as well as educational trip. State Representative Charles Finnell took them on a guided tour through the State Capitol, where they witnessed the Legislature in session. Mr. Finnell also accompanied them to the hearing where a permit was obtained. Mr. Myatt states that as soon as the City has final approval from the Federal Housing Administration they will advertise for bids for the construction of the lake.

Vote Registration Not Necessary For Those Over 60

Attorney General Crawford C. Martin said today that persons over 60 years old who live in a city of less than 10,000 inhabitants, or in a rural area in any county except Bexar County, will not have to register in order to vote in elections held during the year 1967, regardless of the outcome of the pending lawsuit on the constitutional amendment which would require all voters to register. Martin said that House Joint Resolution No. 13 which proposed the constitutional amendment, expressly fixes the effective date of the amendment as Feb. 1, 1968, and consequently it does not apply to elections held before that date.

A Travis County district court ruled last that the amendment, which appeared on the ballot as Amendment No. 7 at the general election last Nov. was not validly adopted because the proposition on the ballot did not give notice of the full contents of the amendment. The State is appealing from this decision.

Bloodmobile Due February 23

Four weeks from today, on Thursday, Feb. 23, the Red River Red Cross Regional Bloodmobile will make its first visit of the year to Olney.

As in the past, all visits of the Bloodmobile will be staged in the Olney Community Center.

Blood officials here often speak of the record - setting year of 1964, when Olney citizens never failed to give more than 90 pints at a single Bloodmobile visit.

On one visit in 1964, Olneyites set their all-time record of 122 pints in a single visit.

Until 1964, officials point out, the Red River Blood Center in Wichita Falls had rated Olney as a "border-line community."

Since 1964, Olney is considered a "solid community."

In other words, before 1964, other communities supplied blood for Olney's needs. Presently, Olney citizens provide blood for their own and are able to help other towns.

The Young County annual quota is 600 pints of blood. Graham citizens started the year off with a good collection of 91 pints, but Olney blood program officers point out that if area citizens donate generously, they can at least equal the 91 pints, and perhaps better it.

Mrs. Ray Thetford Host '17 Club

The '17 Club held its first meeting of the new year 1967 in the home of Mrs. Ray Thetford Jan. 20 at 12:30 p.m.

A delicious luncheon, carrying out the Valentine motif was served buffet style from the dinning table, laid with an ercu lace cloth over red. The table was centered with lovely valentine decorations. The individual tables were laid with red cloths, valentine place cards with heart shaped red satin boxes filled with mints were placed for each member.

The meal consisting of baked ham, candid yams, green beans, tossed green salad, hot rolls, cake and coffee were served.

Mrs. R. H. Helm, president, called the meeting to order. Eight members answered roll call with an ammendment to the constitution of the U.S.

The club voted to plant a tree at Fort Belknap as a memorial in the New Beautification program of the grounds.

Mrs. T. J. Gardner was director of the program, "The Road Ahead in the American Melting Pot." She gave many

details and changes which are being made in our population through the melting pot.

Many of our citizens are from foreign countries who call America their second home. Miss Faye De Long gave a most vivid description of "The Berlins, The Wall of Babed Wire Freedom". The heart breaks of the families who have been separated by the wall, this year the wall was not opened for visitors as had been in previous years. This was a terrible disappointment at Christmas time for all the people of Berlin.

Mrs. R. H. Helm told of many disturbing facts about "Communism and the Price of Freedom for Cuba." She cited the story of a reputable doctor and surgeon in Cuba who gave up a salary of \$70,000 and a far reaching practice and all his possessions there, for the Price of Freedom, he is now working as an intern in a hospital in the States for \$1-30 per hr., because his license in Cuba, will not permit him to practice medicine in the U. S. She told many such instances where people had left their homes and all their worldly possessions in Cuba for the Price of Freedom, while the U. S. has offered to them, this great freedom which so many people are giving up everything for and the people of the U. S. takes so for granted.

Mrs. V. J. Kennedy reporter.

Members present were, Mrs. T. J. Gardner, Miss Faye De-Long, Mrs. R. H. Helm, Mrs. V. J. Kennedy, Mrs. A. B. Larimore, Mrs. J. H. Watson and the hostess.
