**SPS Employees Watching Out For Kids**

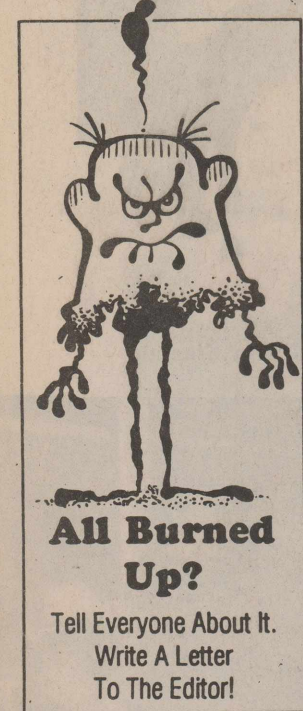

Southwestern Public Service Company is reminding children that the employees driving SPS trucks can find help for them if they are lost or feel threatened or in danger while outside playing this summer.

SPS's KidCare program was initiated five years ago with the cooperation of the International Brotherhood of Electrical Workers Local #602. The program formalized and publicized a service that has always been available. "our employees have always helped people who have needed help," said Eugene Griffin, SPS Stratford Manager. "KidCare simply lets the community clearly know that a marked SPS truck is a place where children can go to get help."

SPS employees serve only as a contact for help. They radio the dispatcher to notify the proper authorities, and they stay at the site with the child until help arrives.

"We want kids to be reminded of the KidCare program before summer when they are outside during the day," Griffin said.

Additional information can be obtained at the local SPS office.

**Timi's Tidbits**  
By Timmie Brown

Happy day to you Sherman County Old Timers, Friends and Readers this mild Monday morning May 23, 1994. There is a bank of clouds, in the east-south-east at 6 a.m.-the kind that the sun soon burns through-and the air SMELLS like Spring! Hopefully today will be a wonderful day for everyone. There was quite an electric shower over Stratford Sunday evening about church time. Attending services via local T.V. we jumped several times as flashes of lightning slither across the TV screen in front of Pastor Jimmy Steward as he spoke. We wonder if he was affected by them- anyway he didn't hesitate for a second.

As for Senior Citizens and community calendar Thursday, May 26 is regular Scot meeting day. We expect to be present and hope to see lots of friends there. Hosts for the day are Oline Caraway, Martha Mitts, the Jack Vincents, Bobbie Cummings, Millie Hacker, Lillie Galloway, Billie Lou Thompson, Ken & Bobbie Strong, Wanda Riffe. Saturday, May 28, 1994-4:00-11:00 p.m. is Fun time with 911 as hosts. We sure want to support them. The third date to note carefully is Sat. June 11, 1994 which is fundraiser time for Sherman Co. Depot Museum. This is an important occasion for every Sherman County resident and worthy of priority rating Date Sat. June 11, 1994 at 7 p.m. Sat., June 11, 1994, 7 p.m.!

Last Saturday evening in Pendleton Park with the Fireman's Auxiliary as Hosts was a wonderful family time-with lovely weather, musical theme, all ages from youngest family members to great-grand parents having a good time together. Your loss if you were absent. We know-"can't attend everything!" but-

Have you driven to Conlen on Hwy 54? Local travelers can do so thanks to Mr. Ed Crabtree who has had two sturdy cattle guards installed for the purpose of going around the body of water AND the thanks to the land owners allowing cars to go through the pasture. Lorelyn Powers and Timi drove out to the area to see the operation of pumping water uphill, dredging deep canals to more water etc. We were fortunate to see a long train creep across on the track with water up to the cross ties. It is amazing to view. SINCE this event was destined to occur, we are glad it happen in our lifetime AMEN!

Pat Donelson visited with folks at Brown's Meat Locker last week. Seems the Cone Donelsons plan to come "home" after the first of June.

Some time ago Oma (Whitey) Ellison had cataract surgery on his eyes. Over time his eyes gradually clouded and he faced blindness. His doctors told him there was a possible way to relieve the situation. He considered the odds and took the chance-which proved successful. It is easy to understand the gladness of Whitey and his

sister Opal Bryant when he called her and said "Opal, I can see!" Bless both of them!

Corde Pleyer's guests this weekend were her cousin, Ethel Alley, and friend Edith Stanfours, Niles, Ks. They visited Timmie Brown Wed. evening and Karen Watkins, Dumas on Thursday.

Mrs. Cross is visiting the Joe Taylors and attending school activities with grandsons Jordan and Eric.

In the Amarillo paper we read of the wedding of Shelly Suzannah Scarth and Eric Lee Hough. The bride is the great grand daughter of the late Willard and Lela Scarth; the grand daughter of the Jack Scarth all former Stratfordite. Pat Scarth, the brides father and his sister, Phyllis Perkins, grew up in Stratford. Congratulations to all Martha Stone, former Stratfordite, is living in Independence Village, Virginia St.

in Amarillo. Lorelyn Powers who has a client, Mrs. Stringer, in the same complex visited Martha on Monday. Martha is doing well.

Fern Gupton has had several busy day lately. included are visits from daughter Karen John, Phillip Luther (who also visited Dolly and Henry Luther). Granddaughter Christina Ritchold presented her a great grandson; The Max Stephenson accompanied her to Amarillo for therapy; Sunday she went with daughter, Judy Diamond, to Amarillo and Fritch (visiting). Not bad for a double amputee. Bless her helpers, as well!!

Shirley Armstrong is reported doing well. Mary Peach is busy with therapy treatments in Amarillo following knee placement. Doing well, special congratulations to Graduates.

Mr. Sladek reported over Methodist church "cares and joys" that Matt Powers says he is ready to go to work. Thank you, sir, for your faithful support. (Timi)

Bowling in the nine-pin no tap tournament Sunday were Pat and Bill Boren, Bill Gillenwaters, Marylou & Mike McDaniel. For those who may not know, if the bowler knocks down nine pins with the first ball, it counts as a strike. Bill B. bowled a 300 game with only two nine pin hits! Pat bowled a 278.

Donna and April Avent played in the Martha Harrison bell choir Sunday at First United Methodist Church.

Visiting briefly with Franny Taylor one day last week was Donna Baker of Colorado City, Co. She was here to attend the Boise City High School graduation of Chris Carson. Jay & Pam Carson are Donna's cousins.

Brenda Taylor will be spending Memorial Weekend with her mother, Franny Taylor.

Kerrick Community Center has a new triple deep sink. Can wash

barbecue pans with ease now!

Arriving May 19 from Naavato, Ca., were Sam & Virginia Young, cousins of Jo June McDaniel. They and Jo June attended Texhoma Alumni banquet Saturday night. Kayo went to Logan, N.M. and did some work on their trailer there.

Lonnie Eslinger and his fiancée, Susan Williams, arrived Saturday from Carlisle, Pa. They will be married in Stratford on June 4. Visiting Sunday were Florencia Eslinger's parents, Shorty & Louise Hudgens of Stinnett and her brother, Gary Hudgens of Wichita, Ks. Florencia is handicapped somewhat after stabbing her hand with a steak knife earlier in the week!

Kerrick neighbors of Damon & Jackie Groves gave them a double seat stroller. With a one year old and new-born, they need all the

help they can get!!

## Vows Exchanged

**Editors Note:** Description of Wedding, with Marla's comments in parenthesis, sent to her family in Stratford to be submitted for publication in The Star.

Marla Dianne Buckles and Kenneth James Schlosser were married on Saturday, February 26, 1994 in Izmir, Turkey. The bride is the daughter of the late R.M. (Dickie) and Helen Buckles of Stratford. The groom is the son of James A. and the late Ora Schlosser of Cresson, Pennsylvania. The civil ceremony, held at Fair Marriage House, Kultur Park, preceded the religious ceremony. While seated at a table in the front of the auditorium, vows were stated in Turkish by the local magistrate, first to the bride and then to the groom, with the respective responses of "evet." ("Yes" in Turkish). (Ken, however, first responded in Turkish with "maybe!" The Turks all laughed and the Americans had no idea what he said.) The Marriage Book (legal document of marriage) was then signed and witnessed. In American and Puerto Rican fashion, the bride and groom were showered with rice upon leaving the Marriage House.

The religious ceremony was held in Saint John the Evangelist (The Anglican Church) with The Venerable Geoffrey B. Evans, The Archdeacon of The Aegean and The Danube officiating. The church was decorated in the English tradition. Two pedestals of fresh flowers stood on either side of the altar rail and two vases of fresh flowers sat behind the altar. They consisted of pink and yellow carnations, white lilies, orange and pink gladioli, and pink and purple hyacinths trimmed with swags of pastel yellow, pink and white ribbons. The flowers had been purchased the day before by the bride and the florist at a local flower market. There were large white candles on the altar railing and the altar table, as well as candelabra on either side of the altar also adorned with swags of pastel ribbons.

Guests entered the church to the CD "Favorite Baroque Classics" performed by various artists. Father Evans wore his ceremonial vestments of blue and gold heavy silk brocade, accented with a crimson red stole, made from the hangings at the coronation of Queen Elizabeth in 1953 at Westminster Abbey. The crucifer was Adnan Guvenc; acolytes were Army Chief Warrant Officer Ellie Kline, a friend of the bride's, and Malia Scharff.

The bride, escorted by Lieutenant Colonel Ivan Covas-Maldonado, and followed by the bridal party, entered to "Wedding Fanfare" from the CD "Great Music from Great Occasions at Westminster Abbey" performed by Westminster Abbey and the London Brass. The piece was written by Arthur Bliss Novello and Company for the wedding of Princess Margaret on May 6, 1960.

After a traditional English double-ring ceremony and an exchange of communion by the couple, their names were entered and witnessed by the wedding party into the church registry that

dates back to the 1600s. The couple, followed by the wedding party, exited the church to Mendelssohn's "Wedding March" on CD performed by the London Symphony Orchestra.

Special music during the wedding ceremony included an a cappella duet performed by Mrs. Mary Dawson and Senior Aidman Bert Gillott, "All I Ask Of You" from Phantom of the Opera, and a solo of "The Lord's Prayer" by Mrs. Dawson. They wore a corsage and boutonniere of yellow silk roses and baby's breath.

The bride wore a designer gown from Odemet Moda Evi. It was a straight fitted ankle length gown of white silk satin. It had spaghetti straps, and a fitted bodice with pearls, lace and white rainbow sequins in a scalloped pattern over the top of the bodice with pearls, lace and white rainbow sequins in a scalloped pattern over the top of the bodice, and also had a small decorative pattern in the front of the dress near the waist. Pearl buttons adorned the length of the back bodice. The skirt of the dress was slit over the left leg to above the knee and the edges decorated in a scalloped pattern also with lace, pearls, and white rainbow sequins. A long-sleeved bolero jacket complimented the dress. It had scalloped edges around the front and was completely decorated with scrolls of round and teardrop pearls, lace and white rainbow sequins. Four pearl buttons adorned the inside of the pointed sleeves. A detachable white chiffon train was also decorated with the lace, pearls, and the sequin pattern where it attached to the back of the dress. The bride wore white leather shoes. The bride's hair was worn up with an arched hairpiece of white silk roses; white leaves and stephanotis.

The bride's bouquet was composed of white, pink, lemon, and apricot silk roses mixed with baby's breath and stephanotis, and backed with three layers of net and a white ribbon. The florist's gift to the bride was a small posy complementing the wedding flowers to be thrown in the traditional manner.

Matron of Honor was Lieutenant Colonel Patsy

### Student Council Presents Trophy Cases

The Stratford High School Student Council is proud to present the new trophy cases to the school district and the community. This trophy case project has been a goal of the student council for several years. A portion of their money making projects has gone towards this goal each year.

Fortunately, through a plea to the ex-students association, many dollars have been donated by ex-students living away from Stratford. The student council and Stratford ISD will be anxious for

ex-students to visit the school during their annual reunion to see their trophies and remember the good times in receiving those trophies.

Local ex-students have asked if they would be able to contribute to the trophy case project? The student council continues to accept donations toward the trophy case, and would encourage any local ex-student or teacher that is interested to send their donation to Sam Brite, Superintendent.

Jack Gilley, retired Principal to

many of the ex-students, is responsible for the construction of the trophy case. He was an employee of the school district when many of the trophies were earned by the students.

The oldest trophies on display are from the 1920 and 1930 era.

Delvin Howard, student council sponsor and the student council wishes to thank all who have donated toward the trophy cases. An invitation is extended to anyone interested in viewing the trophies.

**A Time To Remember**

Memorial Day. It is a time for remembrance. It can also be a time to turn losses in to victories.

By making an American Cancer Society Memorial donation, you will be helping fund the Society's fight against cancer. Your contribution will help fund a balanced program of research, education and patient services.

"We call them Living Memorials," said Mack Ray Hernandez, Texas Division income development chairman. "A gift today can help spare others tomorrow."

Contributions to the American Cancer Society fund programs and materials used in your community.

"The American Cancer Society is the community-based, voluntary organization dedicated to controlling cancer through research, education and service," Hernandez said. "Our programs and materials are managed by local volunteers. That's important for people to know when they contributed to this important cause."

Contributions should include the name of the deceased in whose name the memorial is being made, along with the name and address of the person who should receive acknowledgement of the contribution.

To make a Memorial contribution, contact your local American Cancer Society office, or call 1-800-ACS-2345.

**Public Notice**

On March 23, 1994, GTE and Contel ("The Companies") filed applications with the Public Utility Commission of Texas ("PUC") to restructure the Companies' Switched Transport rate category and reduce the Carrier Common Line (CCL) charge of its Switched Access Service. The tariff sheets in GTE and Contel's applications, if approved, will bring the Companies' state access tariffs into structural parity with their interstate tariffs for the Local Transport rate category, which became effective on December 30, 1993.

GTE and Contel propose to implement the new tariffs on a revenue neutral basis. The Local Transport category of GTE and Contel's Switched Access Service is primarily for interexchange carriers.

Persons who wish to intervene should file a motion for intervention with the PUC by June 17, 1994 with reference to Docket No. 12866 (GTE) and/or 12865 (Contel). Requests for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757, or call the Public Utility Commission Public Information Office at (512) 458-0223 or (512) 458-0227 or (512) 458-0221 teletypewriter for the deal.

**Depot Museum**

By Joyce Hart

It's almost here! Have you marked your calendar yet? The Depot Doin's will be Saturday, June 11th on the museum parking lot. We'll kick things off by touring the museum from 4:00 till 9:00 o'clock. Then the Liberal Star Promenaders will be here to square dance for you about 6:30. The caller will be a fellow from Amarillo, and folks tell us he's very good! Then at 7:00 will begin serving that great Gillenwater Bar-B-Que with all the trimmings. Be sure and come for that! Who wants to cook on Saturday nite? The prices are \$8.00 ahead of time and \$8.50 at the line with 12 and under \$3.00. That price includes the meal and choice of dance to follow-square or western! At 8:30 we'll have a short program honoring the Earl Riffe family as

our Pioneer Family of the year. Following that it's back to the dancing! The square dance will be on the street south of the hotel and the western dance will be across the street by the Annex. The Music Makers from Boise City will play there.

Now all of this, of course, is to make money for the museum. So we hope you'll come eat with us and enjoy an evening under the stars. (That reminds, in case of bad weather, we'll be at the county barn.) Now we'd really like for you to join our Engineers Club. That's a group of wonderful people that give us a \$100 donation! We like those! So mark your calendar in bright red and come enjoy yourself on Saturday June 11th at the Depot.

### Wedding Cont. from page 4

Stepherson, stationed in Izmir with the bride, and Maid of Honor was Captain Teresa Jones stationed at Upper Heyford Air Base, England. Best Men were Lieutenant Colonel Ivan Covas-Maldonado, Medical Director of the Izmir clinic, and Zafer Oymak of Izmir, Turkey, a friend of the bride and groom.

The bridal attendants wore a dusty rose silk blend suit with matching dusty rose and gold buttons. Accessories were pearls and black patent leather shoes. They carried posies of silk flowers in deep crimson, pale yellow, and dusty pink roses backed with cream frill.

The groom and his attendants wore personal black wool blend tuxedos designed by Rasim Basri Colak. They were of classic design with black tie, vest and cummerbund. Black patent leather shoes were worn. The tuxedos were accented with matching gold cufflinks designed and given as a gift by the groom. Boutonnieres consisted of white silks roses with an accent of greenery.

For something new the bride wore a freshwater pearl choker with large center pearl surrounded by diamonds on a medallion of gold with matching earrings given by the groom; for something borrowed a pearl bracelet from the maid of honor; for something blue a garter given by the sister of the bride; for something old a 100 Turkish Lira coin in her shoe.

Users were Leon Stepherson, Cuauncey Stepherson, and Kumar Covas-Maldonado. Guest book attendants were Mima Gonzales-Hernandez and Biera Covas-Alvarez.

The florist and church flower arranger, Mrs. Anne Framingham, was trained in England at Cheltenham and London. (This is a very big deal in the world of flower arranging, for those of us who know nothing about it!)

The wedding party was transported to the services and reception in horse-drawn carriages decorated with pink and white ribbons and bunches of yellow, orange, red and white carnations and mums. Guests were transported in dolmuslar (Turkish minibuses).

The reception was held at Ege Palas. In the Turkish tradition, a celenk, a large standing flower arrangement of yellow and red carnations, greenery, and a greeting ribbon across the front was sent by friends. It was located at the entrance to the hotel lobby.

In the Bella Vista room, the head table was decorated with a white tablecloth and pink gerbera and greenery trailing in a swag down the front of the table to the floor. The chairs were decoatively draped and tied with white cloths. Individual tables also had white tablecloths and held small arrangement of pink gerbera and greenery with dusty pink candles

in the center. About 100 guests dined to a five course meal of traditional Turkish appetizers, chicken crepe, Mimosa salad, beef fillet with pepper sauce, and chocolate mousse. They imbibed of the usual local drinks of Turkish beer, wine and Raki.

A traditional Turkish wedding cake was provided by the hotel and consisted of a large four layer white cake with whipped cream and banana filling, adorned with large red carnations. It was ceremoniously brought into the room with lit sparklers glowing from the top of the cake. Guests toasted the couple with Freixenet

champagne from Spain. Music for dining and dancing was provided by local DJ, Savas Sevinc.

The bride is currently the Charge Nurse of a United States Air Force clinic in Izmir, Turkey that is part of support services for NATO personnel. She now holds the rank of Captain. She is a graduate of The Hockaday School in Dallas, and received her bachelor's degree in microbiology from Texas Tech University, her bachelor's degree in nursing from Texas Christian University, and her master's in nursing from The University of Texas Arlington.

The groom, formerly of LaPlata, Maryland, graduated from Cresson Joint High School, Cresson, Pennsylvania. He is the previous proprietor of several enterprises in Maryland and Virginia. He has a grown son and daughter from a previous marriage and 3 grandchildren. He is currently enjoying his role as a "dependent military husband." (...his role as the Typical Turkish husband who drinks cay (Turkish tea) all day while the wives work in the fields!)

The bride and groom honeymooned in April on a tour to Israel headed by Father Evans.

Wedding guests included Colonel Michael D. Miller, commander, 741st Air Base Squadron, and his wife Judy; Chief Warrant Officer David Framingham of the Royal Air Force and his wife Anne; many American military, civilian and Turkish friends.

On the eve of the wedding, the groom hosted a rehearsal dinner for the immediate wedding party in the "Panorama Restaurant" at Ege Palas.

The bride was honored by her friends with a shower that included a male Turkish belly dancer. The groom was honored by his Turkish and American friends with a night on the town (and a black eye which he told everyone I gave to him!)

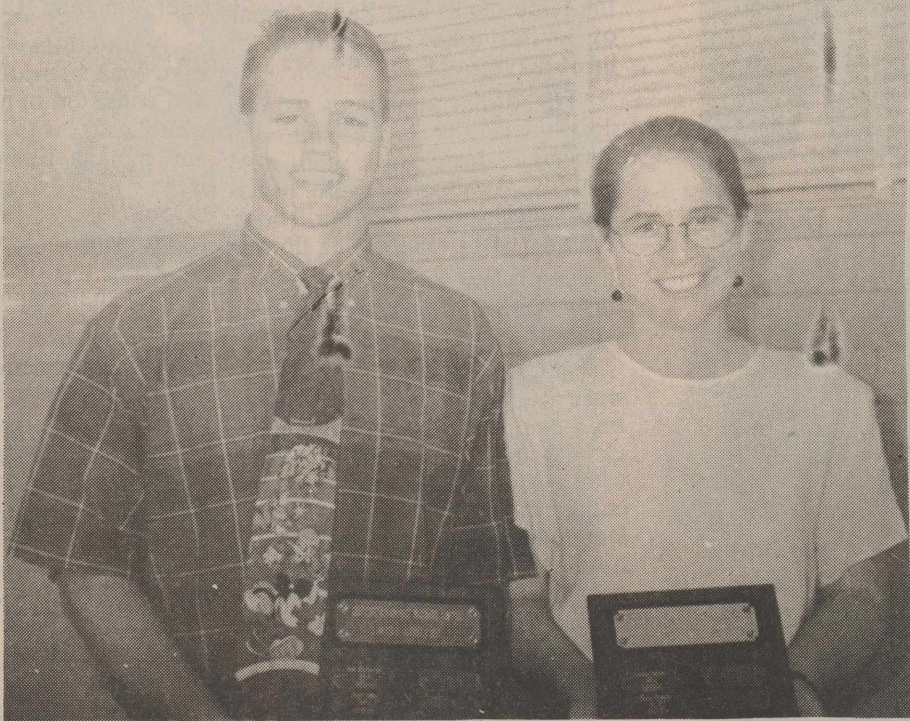

The couple expects to live in Turkey for the remainder of the year, with possible reassignment in the future, dependent upon the whims of the United States Air Force.

Cards of Thanks

Words can't express our gratitude for the prayers, flowers, food and cards during my stay and since I've returned home. Your visits have shortened otherwise long days. A special thank you to the men that took over and kept my farming operation going. You will always be remembered. A special thanks to the EMS people for their quick response and job well done. Wendell & Nelda Stacy

Being the Decorations Committee Chairman for the 1994 Jr. Sr. Prom was a lesson in working together, compromise & ingenuity. I thank Judy Griffith & Kay Mires, co-chairman, for their patience and help. Mr. Hembree, Mrs. Russell, Class Sponsors, you were a lot of help, & always encouraging. To the Committee members, and those who came and helped (because they like to), a special thank you for all your hours of painting, glittering, cutting, etc. To Debbi Vandiver, thank you for the rescue in the hallway. To the previous years Chairmen, thank you for putting up with me, as I called and hounded you for information. Whether you loaned us a spotlight, a statue, or a park bench, be assured it was just what we needed, and was appreciated. To the "gentlemen" who hung the ceiling, and then got to rehang it, thank you. And finally, to the Junior Class, thank you for showing up to decorate, and then to clean up. I hope your Mardi Gras Night was wonderful! Thank you for the experience. Leonda Fedric Prom Decorations Chairman

# 8th Grade Class Trip

The eighth graders and class sponsors, Mr. Dwayne Plunk, Mrs. Sonja Kendrick, and Mr. Jim Taliadro, arrived at the school around 6:30 a.m. and rode the Big Blue to Dumas. There we stopped for a breakfast of donuts. On the trip to canyon most of the students slept. In Canyon we took a short bus tour of WT Campus. All of the students unloaded and then took a tour of the museum for almost 1 1/2 hours. After the tour we stopped at Thompson Park for a picnic. The boys played football while the girls played frisbee in one large circle. Next we went on to play Putt-Putt golf. Each student and sponsor was able to play 36 holes. After 1 1/2 hours of Putt-Putt Golf we went on to the Discovery Center to watch a presentation on the Great Barrier Reef. The film we watched in the Planetarium was quite an experience because it gave you the sensation of being underwater. In addition to the presentation, there were educational displays set up. We enjoyed wandering around the Discovery Center and playing with the hands-on displays. Then we went to have supper at Copperfields, where we spent over 2 1/2 hours eating and playing video games. After supper we went to Wonderland to enjoy the rides and games. We arrived back in Stratford at 11:15 p.m. What a fun time we had!
