Meet The Candidates

Dirk Davis, President of Stratford High School Student Council introduced the Candidates, Wednesday, October 5, 1988 during the "Meet The Candidates", sponsored by the Stratford Chamber of Commerce and Student Council. Several were on hand to hear the candidates speak. General Election is Tuesday, November 8, 1988. VOTE.

Bentsen To Speak

Lan Bentsen, son of U.S. Senator Loyd Bentsen will speak in Stratford October 14 according to an announcement from Bentsen Senate campaign headquarters in Austin Saturday.

Bentsen, a 41 year old businessman from Houston, is campaigning throughout Texas on behalf of his father this fall. He will visit the Sherman Co. Courthouse in Stratford at 1:45 p.m. on Friday, October 14.

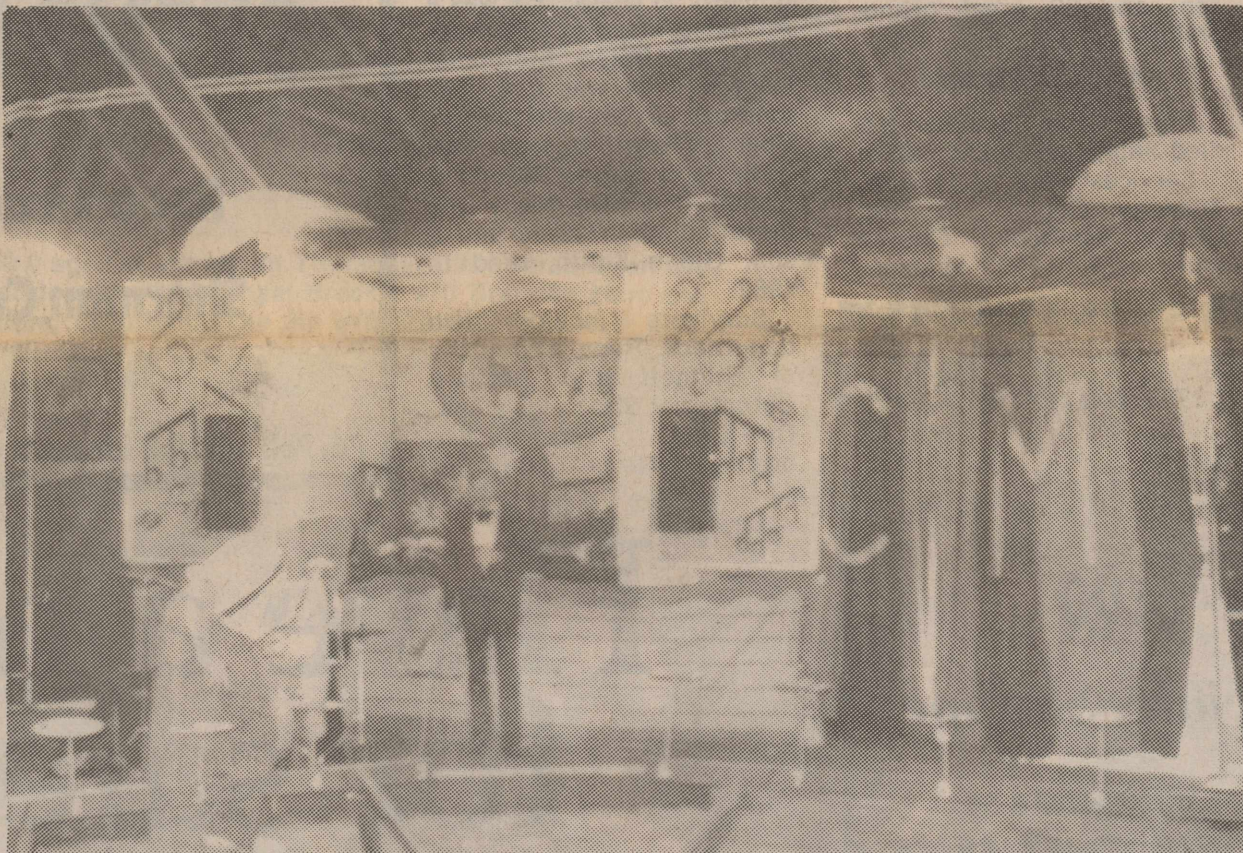

"I'll be speaking about the issues that concern my father and the people of Texas," Bentsen said.

"This election is important to the future of our state and our nation and I'm devoting a good deal of my time to the campaign."

"I've found in my travels around Texas that people are worried about our economy, about drug abuse and crime, about child care and education, about health care and about the future," Bentsen said.

"I look forward to being in Stratford and visiting with the people there," Lan Bentsen said.

Lan Bentsen will also be in Dalhart Friday Oct. 14 at 10:30 a.m. at a reception at the First National Bank in Dalhart and at 12 noon at the Cattleman's Livestock Auction.

The Clown at the Culpepper and Merrilweather Great Combined Circus, Tuesday, October 4, trying to spin all 15 plates at the same time, which he successfully did. There was a good crowd at both performances, despite the chilly weather.

Learn To Write Applications, Resumes

A class to learn techniques for applying for a job and completing applications and writing resumes will be given on Saturday, October 15, from 9:00 to 4:00 at Dalhart Junior High School. The class will meet in Room G2, located above the old gym, which is behind the main building of DJHS. 801 Oak, Dalhart.

Please enroll as soon as

possible with Valerie Snead at the Dalhart ISD Office, 315 Rock Island. Materials must be ordered for the class. The tuition is \$5.00 and it is recommended that students buy a kit which will cost \$4.60.

Please bring erasable pen and notebook to class. Portia Dees will be the teacher and there may be a guest speaker.

Crime Increase Down Some

The number of serious crimes reported in Texas during the first half of 1988 showed a slower rate of increase than experienced during the first six months of 1987, statistics compiled by the Department of Public Safety indicate.

From January 1 through June 30 of this year, a total of 635,894 major crimes - including murder, rape, robbery, aggravated assault, burglary, theft and motor vehicle theft - were reported in the state, compared with 627,433 crimes reported in the first half of 1987. That amounts to an increase of 1.3 per cent.

"We never like to see any increase in crime in Texas, but a 1.3 per cent increase is certainly better than the 6.3

per cent increase reported for the first six months of 1987," DPS Director Col. Joe Milner said.

The crime rate, which is the number of crimes reported per 100,000 population, increased even less - only by 0.7 per cent, Milner noted. During the first half of 1987, the crime rate jumped 4.4 per cent.

No category of crime declined during the 1988 six-month period, however. Violent crime increased overall by 4.9 per cent. Murder was up 1 per cent, rape was up 8.4 per cent, robbery 1.7 per cent and aggravated assault, 6.6 per cent.

The picture was much better in the property crime category, which increased

overall by only 1 per cent. Burglary, a perennial law enforcement problem, showed the smallest increase of all, only a half-per cent. Theft was up 1.3 per cent and motor vehicle theft was up by 1 per cent.

"Another bright spot in the crime statistics is that the clearance rate, the number of cases solved by arrest or other means, has held steady at 20 per cent," Milner said. "In murder and in motor vehicle theft, the clearance rate increased, from 73 to 75 percent for murder and from 16 to 17 per cent for motor vehicle theft."

Though the clearance rate for the seven major crime categories combined re-

Land Owners Soon To Receive Updated Applications

Land owners will soon receive new updated applications for agriculture valuation for tax purposes. Marilyn Albert, Chief Appraiser, stressed that applications MUST be completed and returned in order to qualify for agriculture (pro-

ductivity) value.

Albert said, "The lower value will result in a lower tax due, therefore, it is important to the taxpayer to complete the form". Anyone having questions is urged to contact the appraisal office at 396-5566.

Absentee Ballots Information

Requests for Absentee Ballots by mail started Sept. 24, 1988 and will continue until Nov. 1. Requests may be made by writing M.L. Albert Sherman County District and County Clerk, P.O. Box 270, Stratford, Tex.

79084. Final requests can be made on Nov. 1. This is for requests by mail only. **Editors Note: Last week we said the ballots could be picked up in the office of the clerk. That is incorrect, this is for by mail only.**

Smorgasbord Supper

Vicki Gore, Chairman of the annual Band Booster's Smorgasbord, announces the sale of tickets for the event. Tickets are \$3.50 each and may be purchased from any band member.

The supper will be held from 5-7 p.m. in the High School auditorium on Oct. 21 prior to the homecoming game.

Proceeds from the supper will go towards helping finance the band trip.

Some ancient people believed that their spirits would be reborn as flowers.

Holiday Bingo Treat

Following the Halloween children's costume contest and penny carnival, Sherman County Older Texans will host a Holiday Bingo Treat. Pie and coffee will be served.

Game players will pay a fee of 10 cents per card per game, with prizes awarded to winners. One slice of pie and a cup of coffee will cost \$1.00. Scot members will provide white elephants for prizes.

maintained the same, the total number of arrests made in Texas decreased by 3.4 per cent compared to the first half of 1987. Arrests for driving while intoxicated were down 14.2 per cent while drug offense arrests were down 1 per cent, Milner said.

"On a particularly sad note," the DPS Director continued, "law enforcement in Texas was not without a high price during the first half of the year. Five Texas peace officers were killed in the line of duty by criminal action and three others died in duty-related accidents, compared with only three officers killed and two fatally injured in accidents in the first six months of 1987."

The DPS statistics are based on reports submitted by 816 Texas law enforcement agencies.

LETTERS TO THE EDITOR

POLICY FOR PUBLICATION: All letters will be accepted, provided they are not anonymous and a bonafide address is given. We will not print statements that are obscene or libelous per se. This paper assumes no responsibility for content and all views are strictly the views of the writer.

Letter to the Editor:

Michael Dukakis brags about being "a card-carrying member of the American Civil Liberties Union."

The ACLU believed the words "under God" in the Pledge of Allegiance are unconstitutional. The ACLU believes the words violate the principle of separation of church and state.

The ACLU has a stated position that supports individuals convicted of murder and treason be given suspended sentences.

The ACLU believes that the display of a nativity scene on public property is unconstitutional, even if paid for with private funds.

In short, the ACLU is very liberal. Quite possibly, Michael Dukakis does not support every position of the ACLU or does not know exactly what they stand for. But, certainly, when he calls himself a "card-carrying member" of the ACLU, he is revealing his very liberal view of public policy.

Have a nose for safety.

If you have a nose and a normal sense of smell, you have all the equipment you need to detect odorized natural gas leaks.

Here are some simple, common sense steps to take if you ever smell gas:

- Don't use the phone, flip any electrical switches or strike a match.

- If you smell the odor of gas indoors, quickly check to see if a pilot light has gone out or if a burner valve is partially turned on. If you cannot readily locate the source of gas, leave the house immediately. Don't light a match

or switch anything on or off. Call us from a neighbor's telephone at once.

- If you happen to smell gas outdoors, keep your distance from the area, don't smoke, and don't start up your car.

It's simple: Just use your nose first. Then use your head. A safety message from the people at Southern Union Gas.

SCOT Notes

by Timmie Brown

Happy Day to you, Sherman County Older Texans, friends and neighbors at 7:30 a.m. this 19th day of Oct. 1988. Day is just breaking, the temperature is 43 degrees and there is very little breeze. We noticed the grain prices were in last week's Star. Seems a good day is forecast.

The October calendar has played a trick on SCOT activity calendar. Since Oct. 1 was on Saturday, Scot Birthday Party and Game night fall on consecutive evenings; namely Oct. 14 and 15. Let's be on hand Friday Oct. 14 to wish Happy Birthday to Geneva Bell, Baskin Brown, Oline Caraway, Evelyn Cooper, Juanita Donelson, Geneva Haile, Mildred James, Emma Naylor, Elsie Pickens, Lucille Phillips, Minnie Reeder, Beulah Bardwell, Martha Mitts, Bernice Christian, Mrs. Sneed, Earl Phelps, Maurie Plunk, Ione Reed, Woody Gay; then enjoy 42 or any game you choose. Fellowship is really first order of business.

On Sat. night Oct. 15 is Game night at 7 p.m. and the evening is always a time of fun and fellowship. Plan to get your good time! Scot Bus is scheduled to leave at 4:30 Thursday Oct. 13 with folks who are planning to attend the Dinner Theater in Amarillo. Note carefully the date Oct. 13, since the date has been changed.

On Oct. 24, Monday, at 7 p.m. is the date and time for Scot's Halloween Bingo Party, pie and coffee will be offered for sale. Vicki needs about 30 pies for the occasion. Let's surprise her by phoning Scot Hall that we will bring a pie! Call early so she will not have to call for help (pies). Remember! Pecans! Scot Hall! Pick them up soon after Oct. 10th. Make money for Organization!

Activities at Scot Hall, regular and extras - regular are going "great guns" according to Scot Circuit. On Friday p.m. Oct. 7 there was no parking space available around the Hall. One vacancy across the street. We found it. June Frizzell and Charlene Oquin are new members of the Ceramics Class.

Marie and Ed Hill joined the regulars for games at Scot Hall on Tues. Oct. 4. A game, Chicken Scratch Dominoes, was enjoyed. Any number of people can play. So an odd one makes no difference. Come on over!

Sat. Oct. 8 a group of ten bussed the circle to Red River, Taos. We had an ideal day weatherwise and a delightful group to make the trip. Two of the party had not visited Cimarron, Red River, Taos. The result was a wonderful time of seeing them enjoy the places along the route that brought happy remembrances to the others. One highlight of the trip was finding a note taped on the bus from Nola and Ernest Cummings, Sis and

Fritz Steinberger, and Wanda and Dick Woolsey. We did not see them. We were eating at some distance from where the bus was parked. Sorry to have missed you folks!

The group shopped, looked and ate at various places along the route just as folks usually do. On the way home we visited the DAV (Disabled American Veterans) Vietnam Veterans National Memorial near Angel Fire. It is a striking edifice. We are of the opinion that Rose Wells got the biggest thrill (?) of anyone on the trip when a snake, a sidewinder, slithered across the walk in front of her barely missing her foot! She did laugh, rather shrilly, tho. Two or three others following Rose were shaken a little, too. This happened while walking near the monument. Folks on this tour were Jack Gore, driver; Vicki, director, Rose Wells, Billie Lou Thompson, Gladys Arnold, Genevieve Wilson, Myrtle and Bernie Starker, Arthur Judd and Timmie Brown.

A report from the party who made the Ozark Tour with the Hughes Tour Group out of Guymon last week is that they visited the Will Rogers Memorial; the Harbor Village near Grove, Ok. Here the 110 listed notes of antique interest were offered ranging from the Mayor's Home through buildings housing fancy dresses and accessories to wagon and hacks; to a brick display showing bricks from 49 states and several countries. At Eureka Springs, Ark. they visited Thorncrown Chapel, a small Chapel built entirely of glass - a beautiful sight.

We mention DAV Monument and the Thorn crown Chapel to let readers know that Senior Citizens are interested in finer things in

life as well as laughter and dancing. Scotters offer many congratulations to persons mentioned in Star of Oct. 6 (ones we recognized) beginning with Cleva Garrison for the Yard of the Month Award. Drive by and enjoy the yard. Then to others, congratulations in their field of endeavor: Rev. Harker, Jim Allison, Lane Johnson, Dickie Hamilton Schriber, to our school young people and 4-Hers. The adults are our Now Generation and the youngsters are our Future World. Scotters, re-read the Star and see how many persons you can identify with.

LeRayne Donelson and Beulah Bardwell are improving in health; Curly Turner remains in the Veterans Hospital; the Cone Donelsons and Ken Kendrics are at home in Sun City.

Has anyone reported on the last letter from Mrs. Cline Gilbert written to Roscoe Dyess?

A laughing voice is stilled. Olive Davis Boston entered God's Great Beyond early Sat. a.m. Olive touched so many lives, she will be sorely missed. Lloyd Brannan, father of Willie D. Brannan; Mr. Smith, father of Mrs. Chumley; H. Wright and Joe Martin Burries, Jr. both of Texhoma were added to loved ones who crossed Jordan in the near past days.

What can one say to grieving ones? We extend Christian love and sympathy and we offer prayers for you. We all bow in humility and acceptance of Our Heavenly Father's will. Amen!

Scotters, let's face the days - today especially - with dignity and happy hearts remembering to scatter Scot shoulder pads and Luv U along our pathway!

You are to be commended if you go to your House of Worship every Sabbath day and listen carefully to the sermons. However, it is equally important for you to take those messages home with you and act on them the other six days of the week. There are many ways of doing this; for example, from those lessons you should have developed a kind and loving attitude which you manage to display even to strangers and which should help you overcome all the minor irritations of everyday life. In addition, to the best of your ability you should do something to help those less fortunate than you. In fact, it is quite likely that your House of Worship offers opportunities for service to others. The best way to show your appreciation of God's love is by passing it along; so do not leave the lessons of your faith behind, but carry them with you and make use of them every day of your life.

...by works a man is justified, and not by faith only."

Chamber Chatter

By J.A. Lasley

Busy times! Who could get bored? Or say "Nothing happens in Stratford, Tx." which brings to mind? How is your thinking? How to bury a good idea? By saying, "It will never work; We've never done it that way before; We're doing fine without it; we can't afford it; we're not ready for it; and it's not our Responsibility. When you find yourself using one of these phrases, or something similar, man, it's time to stop and think - do I really mean that, or am I merely looking for a convenient excuse to throw cold water on it. Guilty? We all need to be positive about ourselves, others, and especially about our town. It Will Work!

Not enough can be said to we Texans about Proposition 1, the Highway Amendment.

Good roads save lives and create jobs. That's just one of the many reasons we need to support this proposition. It wouldn't raise our taxes because all the money to fix our roads already comes out of the taxes we pay at the gas pump. Proposition One would just make certain these taxes go to highway construction and maintenance instead of some other government boondoggie. That makes sense to me, how about you? Election time is jooming closer - are you registered - time is gonna run out - there are registration cards here at the Chamber, courthouse, bank, or are you going to be out of town, state, or country the 8th of November - vote absentee - but darn it Vote - one free thing we as Americans have.

The program guide for the new channel out of Amarillo is in the library. This covers the month of October. If you do not have cable service perhaps you can get Channel 2 on your set. KACT-TV is a PBS station. They also offer credit courses for the Panhandle communities.

This week ends the time period for this set of talk-books. A new series will be in the library in another week beginning October

19th. Many of our patrons enjoy using the talking books when they travel to and from work.

New Book - The Making of an American Sports Legend, Bird, written by Lee Daniel Levine will be interesting reading for sports fans. Larry Bird, the basketball super star, is considered by many experts to be the best player in the history of the game.

Girl Scout News

Girl Scouting is going strong in Stratford this fall, and the girls are participating in the first of their moneymakers for projects. The annual Nut Sale is well underway. This year girls will be selling five kinds of nuts at a cost of \$3.00 per can.

The varieties of nuts are mixed, honey, toffee, dry

roasted, and dry roasted unsalted. Orders for nuts will continue through October 15 with delivery scheduled in about 4 weeks. If you would like nuts this year, and have not been visited by a Girl Scout, you may order by calling Mellonie York, Service Unit Manager, or Gary Graham, Publicity person.

Tips To Help You

SHORTCUT TO SUPPER

Ever-changing schedules of car pools, meetings and after-school practices make parents experts at juggling. Then it is so good to come home to a familiar food such as Hot Ham 'n Macaroni Melt, a treat that kids will especially love.

This no-fuss recipe combines Suddenly Salad creamy macaroni salad mix with ham, green pepper, green onion and shredded Cheddar cheese for a hearty supper. In less than thirty minutes, you can serve this recipe warm from the conventional oven or microwave. Kids can help, too, by preparing the stir-ins or setting the table.

Suddenly Salad pasta salad mix is a versatile answer to easy hot or cold suppers all year-around.

Hot Ham 'n Macaroni Melt

1 package Suddenly Salad creamy macaroni salad mix
1 cup cubed fully cooked smoked ham
1/2 cup chopped green

pepper
1 green onion (with top), chopped
3/4 to 1 cup shredded Cheddar cheese (3 to 4 ounces)

Prepare salad as directed on package except—decrease boiling time to 13 minutes; drain (do not rinse). Stir in ham, green pepper and onion. Mound onto ovenproof platter or into pie plate, 9x1 1/4 inches; sprinkle with cheese. Set oven control to broil. Broil salad with top about 4 inches from heat until cheese is melted, about 2 minutes; serve immediately. Refrigerate any remaining salad. 4 or 5 servings.

Microwave Directions: Prepare as directed above except—mound into microwavable dish or pie plate; sprinkle with cheese. Microwave uncovered on high (100%) until cheese is melted, 2 to 5 minutes.

High Altitude Directions (3500 to 6500 feet): Boil Pasta and Vegetables 18 minutes.

Running stocker calves on wheat pasture?

Now, more than ever, **IVOMEC** can build your profits.

At this year's beef prices, every pound you put on your calves is worth good money. And with IVOMEC (ivermectin) you can put on plenty of extra pounds.

Whenever you have cattle on pasture, you're bound to have parasites. And if your calves have been sold and resold before shipping, you can't know what parasites they've picked up. And parasites steal weight.

But one shot of IVOMEC kills 31 different kinds of parasites—more than twice as many as TRAMISOL and WARBEX combined.

IVOMEC kills mature and immature worms, so you don't have to use it again in a couple of weeks. And IVOMEC gets external parasites, too. It does it all with just one simple shot under the skin. No wrestling. No Mess. No stress.

So go with your best shot.
Get IVOMEC.

Letters To Editor
Cont. from Page 2

"Governor Dukakis lists Greek Orthodox as his religion in his bio (biography), claims to be a member in good standing, and is able to receive all the sacraments, according to a statement by the Dukakis press office. However, the conservative newspaper, Human Events, seeking a clarification of Dukakis' religious status, questioned 10 Orthodox bishops and priests. All the clerics said that Dukakis is not eligible to receive the sacraments because of his marriage to Kitty, a non-Christian, because of his decision not to have his two grown daughters baptized, and for his pro-abortion stands as Massachusetts governor.

On Bush "My denomination is Episcopalian. Family worship has been very personal and private. I accept Jesus Christ as my personal Savior. I'm no great biblical expert or theologian. I am a believer. I do believe strongly in the Lord and the hereafter, life after death."

There has been a great deal of "fun making" on the debate between Quayle and Bentson in Quayle's comment should he suddenly become president, what would be the 1st thing he would do - his answer "I would pray" - This, as far as I'm concerned, has been the most wholesome political comment made! As a nation, if the first thought we had, was to pray, we might be a more Christian Nation and our problems less.
