THURSDAY, DECEMBER 21, 1972

NUMBER 16

Editor's Viewpoint

MONTE WILLIAMS

It's a known fact that everyone makes mistakes. Lucky for me that they do.

In last week's edition of the Informer/Star, your ol' editor really blew it. Unintentionally, of course, but never-the-less, it was a real boob.

We announced that First Savings and Loan of Burkburnett had passed assets of more than \$10,000 when actually the number should have read \$10,000,000.00.

First Savings and Loan President, Albert Dillard wasn't too upset. "It's not everyday that we get calls from all over the country congratulating us for pushing over the \$10,000 mark in only 12 years," he said. And he also told me that it's not just everyday that someone makes a \$9,990,000.00 mistake.

First Savings and Loan Association was founded in 1960 by a group of local businessmen and has enjoyed record growth since that date. Last week's announcement stated that the association's assets had passed the \$10,000,000.00 mark.

Hey kids, Moms and Dads, this Saturday is the day that Santa Claus, himself, is scheduled to be in downtown Burkburnett. He will be here all day passing out goodies to the youngsters along with a merry touch of good will. So be sure you get to town. He only visits once a year you know.

Also in downtown Burk between the hours of 4:30 and 6:30 P.M. numerous groups of carolers from the local churches and schools will be singing songs of Christmas for your enjoyment.

Our Community Christmas tree is now decorated and beautiful, located beside Henry's Bakery. The tree and the entire week of activities are being sponsored by the Retail Trades Committee of the Chamber of Commerce designed especially for your Christmas shopping enjoyment.

One other special Christmas Event will take place Saturday in Burk. And that's a free movie at the Palace Theatre in downtown Burkburnett. The movie is sponsored by a number of Burk merchants. All are listed inside this issue of the Informer/Star.

The Informer/Star would like to take this brief opportunity to express our sincere thanks to our many friends and customers over the past years. Without you, there would be no newspaper and for this reason we will strive for growth and improvement. We are at your service. Please call whenever we can assist you.

We wish each of you a very joyful Christmas and a prosperous new year.

This young fellow met Mr. Santa Claus face to face for the first time that he can remember last week at the city employees Christmas party in the Burk Community Center, and he wasn't real positive right away if he was in the hands of the right party or not. Now he knew that this guy looked like Santa Claus and acted like Santa Claus but he still wasn't convinced for sure until . . .

the goodies started pouring in. With his day brightened almost instantly, he probably re-thought some of the things he was thinking a few minutes ago. But it didn't take him long to realize "Yes sir, folks, No doubt, that's ol' Santa Claus, alright."

(INFORMER/STAR NEWS PHOTO)

Variety Of Crime Plagues Burk Police

Runaway juveniles, vandalism, attempted burglary, theft under \$50, and house burglary plagued Burkburnett citizens this week, according to Police Sgt. Scott Newton. The obvious upsurge in crimes is accredited to the season, which always brings an increase in offenses.

The runaway juveniles were apprehended, arrested, and released in custody of their parents, which accounted for a partial amount of the five arrests occurring in Burkburnett this week.

Harold's Television Store reports the theft of a TV Sylvania case containing TV tubes, the total value of which was placed at \$782. The Burkburnett Police Department has no suspects at this time in regard to the felonious theft. This however, was not the only theft in the city this week. One hundred eighty foot of two inch pipe was stolen from Gresham Road amounting to over \$50, while a Girl's Western Flyer

bicycle was also stolen from a different residence, and a theft under five dollars from still another residence.

Vandalism and burglaries also took their toll as an attempted burglary was reported at a private residence. The burglar was apparently scared away from the scene of the crime as the dwelling showed signs of the attempt. Another citizen's home was burglarized, Pat Nail's residence at 308 Kirk was broken into and entered but nothing was reported stolen. Another incident involving the destruction of Christmas lights is a sign that along with the joys and pleasures of the holiday season, there is also a surprising increase in malicious destruction and theft. The Police Department again emphasizes the need for citizens to be alert for their own safety and that of their neighbors, and to lock all houses and cars not in use, so that more people may have a Merry Christmas despite this crime upsurge.

Christmas Activities Underway In Burk

Christmas activities are now in full swing in the city of Burkburnett. These activities have been prepared and are being presented by various groups with the hope of making your Christmas season even more enjoyable.

Nearly all Burkburnett Merchants are now staying open until 8:00 P.M. for your shopping convenience and will continue staying open late until Saturday, December 23. To go along with late shopping and preparation for that special night, many groups are appearing from 4:30 P.M. to 6:30 P.M. at the community Christmas tree adjacent to Henry's Bakery, downtown. These groups of carolers are presenting songs of the season each evening through December 22.

Monday evening, carolers from the First Christian Church of Burkburnett sang many of the familiar carols of Christmas. Tuesday evening, the Burkburnett High School Chorus presented their program of Christmas music, followed by

the Burk Junior High School singers.

On Wednesday evening, carolers from the Church of the Nazarene sang songs of the season and were accompanied by a "live" manger scene produced by the Jan Lee Baptist Church.

Scheduled for tonight is the Adult Choir of the First Baptist Church, presenting the Christmas Cantata. The adult choir will be followed by the churches Young Peoples Choir with their Christmas song presentation.

Friday evening will feature carolers from the Central Baptist Church of Burk and Saturday evening carols will be sung by the Cashon Baptist Church carolers.

All in all, this promises to be one of the most festive Christmas seasons ever celebrated here in Burk. Every person, far and near, is invited to join the City of Burkburnett during this holiday season. Hustle, bustle, joy, laughter, bargains, free parking, and good ol' down to earth friendliness are here now in Burkburnett.

Told At City Council Meeting Revenue Sharing Funds Received

The Burkburnett City Council held their regular meeting Monday evening in the council chambers of city hall. During the meeting, city manager Gary Bean announced that the city of Burkburnett has received a sum of \$26,000.00 in funds from the Revenue Sharing Program.

This figure represents half of the total funds to be received this year as the program is retroactive to the beginning of 1972. According to Bean, the amount received was less than was originally estimated for this city. In fact, the receipt of these funds actually marked the 3rd change of the original estimate.

The first estimate was that Burkburnett would receive \$124,000.00 per year for four years, the length of time that the Revenue Sharing Bill is in effect. Later, the city received a revised report that the amount

would be \$66,000.00. However, the \$26,000.00 received represents half of the years funds which totals up to only \$52,000.00.

It was explained that funds from the Revenue Sharing program would be set up in a separate Trust Fund and that the entire amount would be accounted for to the Federal Government. These funds will be put to use for capital improvements in Burkburnett such as new equipment, drainage ditches, street repairs, etc.

Mayor Irv Smith and City Manager Gary Bean attended a meeting last Wednesday in Austin, Texas. There they received explanation of the guidelines and structure of the General Revenue Sharing Bill.

City Manager, Gary Bean, also brought the council up to date on the latest news from HUD concerning the city's request for matching funds for construction of a main water line to Wichita Falls. Bean told council members that apparently the city's request had not been accepted to date but still may be accepted in the future. "Up to this point we have been waiting for HUD because we feel that \$300,000.00 is definitely worth every effort on our part as well as the part of our engineer, Corlett Gray Probst of Wichita Falls. We haven't given up yet and we will still expend every effort to try for these funds. However, based on our recent telephone conversation, we will not

be asked by HUD to submit a primary application at this time. We have instructed our engineer to commence with plans and specifications for the water line to Wichita Falls."

It was stated that the city could not wait for an extended period of time on mere speculation. If matching funds cannot be arranged with HUD, the city will proceed on its own.

See COUNCIL, Pg. 2

The Youth Department of the Jan Lee Baptist Church is presenting this live nativity scene Monday, Tuesday and Wednesday of this week at the church. The group also presented their scene in downtown Burkburnett.

Meet the newest Boy Scout Troop in the city of Burkburnett. Troop 158, under the scout mastership of Roger Hargens. (L to R) Front Row, Mark Davis, Pat New, Ronnie Davis and Mike New. Back Row, Roger Hargens (scout master), Jamie Prince, William Applin, Mark Dawson and Bob Bowman (assistant scout master).

Merry Christmas

BUCK ABBOTT, Burk Burnett Chief of Police has served on the force for over nineteen years and filled his executive position since 1966.

Abbott Talks About Crime

by Sedelta Verble

"Nortex Regional Planning Commission has helped educate our officers here in Burk Burnett and as a result this is helping to decrease the rising crime rate," commented Buck Abbott, Chief of Police for the Burk Burnett Police Department, when asked about updated methods to stop the increase of crimes.

Abbott discussed his job and his beginnings here in Burk Burnett on the Police Department with the Informer/Star in a recent interview.

"I really didn't choose the profession of Policeman back in 1954, what actually happened was that some of the city people asked if I would help them out for a few days at the Department and I agreed. Somehow those days turned into years and I stayed in the Department. If you like to work for the betterment of the community and the progress of the City, then the job gets into your blood," he reflected.

Chief Abbott started his police career in November of 1954 as a Nightwatchman Policeman. From this time until 1956, he studied to become a Patrolman which was at the same time the Department got its first car. Abbott served as Patrolman for eight and 1/2 years at which time he was promoted to Assistant Police Chief. He served in this capacity until in 1966 he was given the post of Chief of Police which he holds today.

"Over the years crime has increased, but this is in accordance with the population growth which has risen from approximately 4,500 to the present level of over 10,000. Therefore, it is not unusual for the crime rate to double with this growth," he continued.

"Actually when I first came here the Department had no cars and today we have three. The staff has also grown considerably. Where the Department once consisted of three policemen, one on the day shift and the other two on night watch, there is now a ten man force including Patrolmen."

"The radio communications are also fairly new compared to the fifties when the main communication was by telephone. Offices have been added and the entire program here has undergone a drastic change."

"Our worst problem at this time is of course, burglaries and robberies but many of these can be attributed to the time of year. Crime rates are usually gaged by the time of year," Abbott said. "But we are also concerned with the drug problem which is much better because of the programs being set up to fight drugs and to council drug users. These problems are still high but luckily they are on the decrease."

Chief Abbott concluded the interview by again urging Burk residents to let the Police Department know about any suspicious behaviour or incidence. He stated that many times when residents called in and reported a suspicious incident or character that it led to the discovery of a crime or a way to prevent a crime in the process being committed. He further stated that all information of this sort is strictly confidential and would be revealed under no circumstances, therefore, Burk Burnett residents need not be afraid to report incidents.

LETTERS to the EDITOR

LETTER TO EDITOR

Dear Sir:
This was in a Minnesota newspaper. I thought the people of Burk Burnett would enjoy reading this.

It was mailed here by a friend.

In Texas, hamlets are big

TO THE EDITOR: In a wee, droll editorial concerning the possible oil-bearing football field of Burk Burnett, Texas (Nov. 24), you referred to said city as a "hamlet." (Hamlet: a small village, a little cluster of houses in the country.)

For shame! Burk Burnett is a thriving city of almost 10,000 people in the Wichita Falls metropolitan area. Barnsville. -Manley L. Miller.

LETTER TO EDITOR

Dear Raymond:
This note is to serve double duty. (See - I am saving taxpayers' money.)

First of all, best wishes as you become manager of the Burk Burnett Chamber of Commerce. As you know, I am very interested in working for an even finer future for Burk Burnett and I want to help in any way I can, so please call on me.

Secondly, congratulations on receiving the plaque honoring you for your contributions to agriculture and your interest in the rural families.

Best wishes to you, and if there is ever any way I can be of service please call on me. Sincerely, Dave Allred

How about that!

Mrs. Clifford Whitt

Council

Continued from page one

A dispute over Territorial Jurisdiction between Wichita Falls and Burk Burnett was sized up and taken care of during the meeting. Territorial Jurisdiction is city jurisdiction actually outside of the city limit line.

In this case, the Burk Burnett and Wichita Falls jurisdiction overlapped in one particular place. The council voted unanimously to allow Wichita Falls the jurisdiction on this territory. This particular problem had to be worked out in order to complete the water contract with Wichita.

Our jurisdiction will now cover to the city limit sign on the expressway located in the vicinity of Shallow Field Road. Mayor Irv Smith opened and submitted bids from area auto-

mobile dealers for a new police unit. The new unit will be purchased by the city from Wolfe Ford of Burk Burnett.

By unanimous council vote, the new park on the end of Ruby Drive will be named I.C. Evans Park. A formal dedication ceremony will be planned in the spring of 1973. The park taxes approximately 1 1/2 acres and at this time is only partially constructed.

The council discussed the possibilities of painting a large Bulldog on the South water tower when the tower is due another paint job. It was decided to first contact the school system for participation on the project before any definite decisions were made.

A MERRY CHRISTMAS TO ALL

The traditions that cluster around Christmas have significance only if they translate that which is in our heart. May each of us encompass and express faith and love for those around us at this glad Christmastime. . . . May yours be truly a happy Season. With these greetings, please accept our sincere thanks for your friendships.

D.P.S. Estimates 87 To Die

Colonel Wilson E. Speir, director of the Texas Department of Public Safety, today asked motorists and pedestrians to help prevent an estimated 87 traffic deaths in Texas through the Christmas and New Year holiday periods.

Speir said the DPS has estimated 46 traffic fatalities will occur during the Christmas period which runs from 6 p.m. Friday, December 22 to midnight Monday, December 25.

The estimate of New Year deaths is 41 between 6 p.m. Friday, December 29 and midnight Monday, January 1.

The DPS director noted that many serious accidents can be prevented if drivers and pedestrians will practice safety awareness during the holidays. He urged Texans to Drive Friendly by obeying all traffic laws and regulations, by avoiding drinking while driving, and by taking frequent rest stops

on holiday trips to prevent fatigue.

In an effort to keep expected heavy traffic flowing smoothly during both holiday weekends, the Department of Public Safety will place all available patrolmen on the highways. And Speir said they will be keeping a close watch for motorists who drive too fast for conditions and those under the influence of alcohol.

In addition to stepped up enforcement activities, the DPS, local law enforcement agencies and news media of Texas will again be cooperating in a special traffic education program known as "Operation Motorcade." The DPS director said

this program seeks to focus public attention on traffic safety through the timely reporting of fatal accidents and unusual conditions during major holiday periods.

Mr. Bob Lay, District Traffic Engineer for District 3, presented a program on the new international highway sign system, for the Evening Lions Club.

'New Life Signs' Film Presented To Lions Club

"New Life Signs" the film concerning the new international highway sign system and Mr. Bob Lay, District Traffic Engineer for District 3 (covering nine counties) provided a fascinating program for the Evening Lions Club meeting recently. Mr. Lay explained the system and discussed advantages and disadvantages of the new signs. His speech was both entertaining and informative.

Guests attending this program were Bill Brundle and Jeff Elliott.

Clyde Slusher, Board Member of the Burk Optimist Club, is in the process of flocking one of the many Christmas trees sold by the Optimists this year. All proceeds from this yearly Optimist project go to youth work here in Burkburnett.

Improvement To Kemp Boulevard Approved

The Texas Highway Department today approved reconstruction and improvement of a section of Kemp Boulevard in Wichita Falls to facilitate traffic movement and reduce hazards to motorist safety.

The proposed project involves the construction of three additional lanes parallel to the existing roadway from 500 feet north of Farm to Market Road 369, northward to near Midwestern Parkway, a distance of 0.7 mile.

The present three lanes will be converted to a one-way facility for southbound traffic. The new lanes, divided by a median from the present facility, will be one-way for northbound traffic. Estimated cost of the project is \$217 thousand, which will be financed under the Metropolitan Highway Program.

This action is subject to the acceptance by local officials of customary construction and maintenance responsibilities required of local governments by the Texas Highway Department and to the eligibility of the work for financing with Federal Metropolitan Funds.

19 Traffic Accidents Occur In Rural Wichita In November

The Texas Highway Patrol investigated 19 accidents on rural highways in Wichita Co. during the month of November, according to Sergeant D. S. Lawson, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and 11 persons injured.

The rural traffic summary for this county during the first eleven months of 1972 shows a total of 178 accidents resulting in four persons killed and 77 persons injured.

Records in Region 5 of the Texas Department of Public Safety show a total in November, 1972 of 584 accidents, resulting in 14 persons killed, and

265 persons injured as compared to the same month in 1971 with 576 accidents, resulting in 20 persons killed and 292 persons injured. This is eight more accidents, six less fatalities, and 27 less injured in 1972, compared to the same period of time last year.

The Highway Patrol supervisor reminds you that the signs and signals on the roads are put there for your safety and convenience. Drive Friendly, the Texas Way!

The 14 deaths for the month of November, 1972 occurred in the following counties: Floyd, five; Cochran, Crosby, Hockley, Lubbock, Terry, Wise, Castro, Dallam, and Moore, one each.

THE TWENTY-FIRST CENTURY SINGERS from the First Baptist Church presented a program of Christmas and folk music for the Night Lions Club Tuesday, Dec. 12th. MC for the group is Mark Petersen, and the director, Joel Graves.

Don't Be a Scrooge.

Drive Friendly.

Tire Industry Warns

Front Radial Tires Require Same In Rear

For many motorists, winter may be "just around the corner"; for others, it's already here. Whatever the situation, the Tire Industry Safety Council issues an important reminder: if you have radial tires on the front axle, be sure you have radial tires on the rear.

This means radial snow tires,

if you are going to put on snow tires at all, it was explained. Regular radials give considerable traction, but they do not meet the legal requirement for snow tires in many jurisdictions when "snow emergency" rules are in effect. In such areas, motorists who don't have snow tires, and block traffic, are given tickets. "Winter weather calls for great preparation on the part of all motorists," says Ross R. Ormsby, Chairman of the Council. "It's mandatory that a car's tires receive as much attention as any other segment of the automobile".

Why is it unsafe to have radials on the front and another type of tire on the rear? In a public advisory announcement, The U.S. Department of Transportation has explained it this way:

"In general, the hazard of mixing tire types relates to the erratic or dangerous vehicle performance which may

result. Under various driving conditions requiring dependable vehicle control, especially in cornering, "mixed-tire" performance has been compared to the effect of wearing a rubber soled shoe on one foot—or a pair of ice skates on which only one is newly sharpened."

A radial tire is built in such a way that when the front wheel are turned the tires immediately assume the new direction. If the snow tires on the rear are of a different type, the risk of slipping and causing a skid is more likely.

"Mixing" does not refer to the use of different brands, or different cord materials, nor to the number of sidewall plies (such as two, four or six ply) on the same vehicle.

The Council also recommends drivers give new snow tires a "breaking-in" period. Speed should be held to no more than 60 miles per hour for the first 50 miles of driving.

Midwestern Nears Semester End, Spring Term To Begin Jan. 9

Fall semester at Midwestern University is nearly over, and final examinations began Dec. 16 and continue through Dec. 22. Christmas holidays begin after that and continue until Jan. 9 when new student orientation begins for the spring semester. Midwestern staff personnel are scheduled to return to work Tuesday, Jan. 2. The last day to file application for admission by new students is Jan. 3.

The American College Test is being administered Jan. 2 in Clark Student Center ballroom at 8 a.m. All students must have an ACT or Scholastic Aptitude Test (SAT) on file prior to registration.

Student orientation for new and transfer students is Jan. 9-10, and registration begins at noon on Jan. 11 and continues Friday. Evening student orientation and registration is Friday evening. Late registration and change of schedule is Wednesday, Jan. 17 after semester classes begin on Monday.

Moffett Library is to be closed after 5 p.m. on Dec. 22 until Jan. 2 when it will be open between 8 a.m. and 5 p.m. through Jan. 5. It will be closed Jan. 6-7 and 13-14, and open 8 a.m. to 5 p.m. Jan. 8-12. The library returns to regular hours Jan. 15 at 7:45 a.m. to 11 p.m. Monday through Friday; 9 a.m. to 5 p.m. on Saturdays; and 2 to 11 p.m. on Sundays.

Highway Council Okays Construction At Call Field Road

The Texas Highway Commission today approved safety construction work on a section of Call Field Road (Midwestern Parkway) in Wichita Falls.

The project calls for the lane widening of Call Field Road between Fairway Boulevard and McNeil Avenue, a distance of approximately 0.8 mile.

City officials had requested the lane-widening as a safety measure because of an increased volume of traffic through that section.

Estimated cost of the project is \$77 thousand.

This action is subject to the acceptance of customary construction and maintenance responsibilities required of local governments by the Texas Highway Department. It is also subject to the eligibility of the proposed work for financing with Federal Metropolitan Highway program funds.

A Merry Christmas
and a
Happy New Year
to all!

Eighth Grade Basketball Team Stays Undefeated

by Sedelta Verble

The Burkburnett Basketball season is really underway this year as the eighth grade roundballers have thus far defeated every opponent that they have contested. Junior Cox, Darral Dickey, Richard Lamp, Bret Patty, and Scott Burk fill the starting line - up for the undefeated Bulldogs. Junior Cox has done an outstanding job in the high point division and Scott Burk has excelled in scoring and rebounding as have the entire team to accomplish their unblemished record. Coach Beard's team defeated Lawton MacArthur 39-31, Seymour 28-

10, Electra 36-29, and Quanah 36-26.

"We're learning quite a bit of Basketball this year. We started off a little slow this season, but I think we" were a successful year," were the views of Coach Mays who trains seventh grade cagers.

The seventh grade Bulldogs have defeated Seymour 21-14, and Electra 24-13 this year. David Nix averages 10 to 12 points per game and Bill Patty and Kevin Schroeder are shining rebounders, but again a full team effort spells victory for the Burk team.

The Bulldogs travel to Wichita Falls January 4th through the 6th, but will play at home against Iowa Park the 8th. Seventh, eighth and ninth grade teams will be playing, and a great match can be expected for home fans as these strong teams take on the Hawks.

CHRISTMAS IN SCANDINAVIA--Mrs. John Strayhorn, librarian at Burkburnett Library, places an object from the Egdorf collection into the display case.

Scandinavian Theme Highlights Holiday Display At Library

"Christmas in Scandinavia" is the theme of the holiday display at the Burkburnett Library, highlighted by art objects from the extensive collection of Dr. and Mrs. H.C. Egdorf of Wichita Falls.

Art classes in the Burkburnett Junior High School taught by Mrs. Mary Jackson prepared decorations for the two Christmas trees in the Library entrance.

One tree has been garlanded with small flags of Denmark and the other with ornaments characteristic of Sweden, including gaily decorated eggs and bright, shiny figures of Santa Claus.

For the second year, Mrs. Egdorf has loaned Madonnas from her collection for display at the Burkburnett Library. Included this year are two

in burnished silver from Sweden, a crystal intaglio of mother and child, and a tinted figurine within a crystal block.

Also shown from Scandinavia are delicate wood carvings and saucy birds in Royal Danish china.

A wide range of Madonnas are also exhibited, including a triptyc from Poland, and figures in ivory from India, mother of pearl from Bethlehem, copper from France and wood mounted on cork from Canada.

Garrison, McGraw, Williamson

Three Area Men Assigned To Sheppard

Airman Kenneth M. Garrison, son of Mr. and Mrs. Kenneth E. Garrison of 134 Hyland, has been assigned to Sheppard AFB, Texas, after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Sheppard for specialized training in the wire maintenance field.

Airman Garrison is a 1972 graduate of Burkburnett High School. His wife is the former Vicki J. Hackwell.

Airman David L. McGraw, son of Mr. and Mrs. Ray L.

McGraw of 1011 Sycamore, has been assigned to Sheppard AFB, Texas, after completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Texas, he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Sheppard, for specialized training as a medical services specialist.

Airman McGraw is a 1972 graduate of Burkburnett High School.

Airman Richard E. Williamson Jr., son of Mr. and Mrs. Richard E. Williamson of 1221 Bishop Road, has been assigned to Sheppard AFB, Texas, after

completing Air Force basic training.

During his six weeks at the Air Training Command's Lackland AFB, Tex., he studied the Air Force mission, organization and customs and received special instruction in human relations.

The airman has been assigned to the Technical Training Center at Sheppard for specialized training in the wire maintenance field.

Airman Williamson is a 1972 graduate of Burkburnett High School.

Burkburnett Clubs Hosts Parties

Baptist Friendship

The First Baptist Friendship Class had their annual Christmas Party in the home of Mrs. R.P. Thaxton last Thursday afternoon. Mrs. Ray Mills, president, presided. Mrs. M. B. Hayes led in prayer and Mrs. Charles Boyd read the minutes of the last meeting.

Mrs. Mills gave a report on her trip to the State Hospital in Vernon. Gifts of clothing, fruit, toilet articles, shoes and money were given to the blind girl in the hospital that the class has as their project.

Mrs. J.G. Cheney read the Christmas Story from the Bible found in the book of Luke. Mrs. Howard McCreary told the Christmas Story, "The Other Wise Men" by Van Dyke.

An exchange of gifts, which were placed around a beautiful Christmas tree were distributed to all present.

A salad plate was served to Mmes. H.S. Butts, Ray Mills, Wylie Browning, E.H. Logan,

C.W. Boyd, C.H. Usselton, C.L. Bowman, J.G. Cheney, M. B. Hays, R.P. Thaxton and four guests Mrs. Sam Weaver, Mrs. Howard McCreary and Misses Lois and Jewel Reed.

Methodist Bible

The Wesley Bible Class of the United Methodist Church met in the Church parlor on Dec. 8th for their Christmas Party with Mmes. Brady and Gilbow as hostesses.

Mrs. Roderick presided over the business session. The minutes of the last meeting were read and approved.

Mrs. Majors gave the devotional on Faith, and also led in prayer.

Jane Sewell presented the program entitled, "From Faith to Love".

New officers for the coming year were installed by Mrs. Reagan.

Gifts were exchanged and refreshments were served to Mmes. Brady, Gilbow, Bege-man, Majors, Caffee, Shrum, Cuthorn, Roderick, Rigby, Mitchell, Booktinder, Banstine, Brumley, Hamilton, Reagan and Jane Sewell.

Boomtowner Chapter

The annual Christmas dinner of the Boomtowner Chapter of N.C.H.A. was held in the Texas Electric Reddy Room with 30 members in attendance.

After a delicious meal, small gifts were exchanged. Slides of snow covered Colorado mountains, made by Art and Louise Robert while on a hunting trip, were enjoyed by the group.

A basket of groceries was prepared by the Boomtowners to be given to a needy family for Christmas.

The evening came to a close with some members playing "42".

Cooper Home Demo.

The Cooper Home Demonstration Club held their annual Christmas party and luncheon at Luby's Cafeteria December 14 with 16 members present.

The tables were covered with golden table cloths and centered with seasonal decorations and Christmas motifs.

Mrs. Frances George gave the invocation. After the buffet dinner, Mrs. Bee Bryant, club president, introduced the speaker, Mrs. John Rhea, who gave an inspiring book review on the life of Anita Bryant and her family. Mrs. John Rhea talked about Christmas and informed the club members that the first Christmas poem was "Twas the Night Before Christmas".

Gifts were exchanged with Mrs. James Creger and Mrs. Herbert Miller acting as Santa's helpers. Mrs. Sam Spencer won the door prize.

The club presented Mrs. John Rhea with a beautiful violet, given by Miss Amelia Spencer.

The next meeting will be January 8th at the home of Mrs. H.E. Clayton on Eastside Drive. Mrs. Rex Kolter will present the program on "How to Make Lamp Shades".

Special guests were Mrs. Ed Foster and Mrs. John Rhea.

Clara Fairview

The Clara-Fairview Organized Community held its regular meeting and annual Christmas party December 14 at the community building.

James Roderick reported for the nominating committee. Officers for the coming year are: President, E.J. Simon, vice-president, Jesse Bails; secretary, Mrs. Charles Goins; treasurer, Mrs. Julia Roderick; reporter, Norman Roberts and Commissioner of Agriculture, Charles Goins.

The group enjoyed sandwiches, chips, pickles, olives, tea, coffee, and pie, cake and cookies. Following the meal, everyone sang Christmas carols and played games. Gifts were exchanged and everyone enjoyed an evening of fun and fellowship.

Members attending were: Messrs. and Mesdames Frank Kelley, Charles Goins, Edgar Siber, E. J. Simon, Newton Crane and Mrs. Norman Roberts and Danny, Mrs. Julia Roderick, Mr. and Mrs. Elmer Klunkerman and Jan, Mr. and Mrs. James Roderick, Larry and Becky, and Mr. and Mrs. Raymond Schroeder, Mark and Lori.

The next meeting will be Jan. 11th.

Univ. Study Club

A Christmas Party for members of the Jr. University Study Club was held in the home of Mrs. B.H. Alexander, Jr. with Mrs. C.D. Landrum as co-hostess.

Mrs. Reid McCandless called the meeting to order with each member answering roll call by telling the story of their first Christmas after their marriage.

During the meeting the club heard reports on their Christmas projects. Members brought food for the annual Christmas basket.

Mrs. Irv Smith lead the group in Christmas games. Gifts were exchanged by the members.

The refreshment table was covered by a cut velvet cloth and punch was served from an antique cut glass punch bowl surrounded by a della robbia wreath. Other decorations in the home were in the traditional Christmas colors.

Mrs. Gene Robertson won the door prize.

Contemporary Study

The Contemporary Study Club met in the home of Mrs. Tom Smith for their annual Christmas party. Mrs. F.T. Felty, Jr. served as co-hostess.

Roll call was read and answered by naming "an old Mission in Texas".

Mrs. Edgar Fulcer, president, call a short business meeting at which time Mrs. Frank Miller reported that the project for the Day Care Center had been completed. The club voted to provide a basket and toys for a needy family.

Gifts brought for the state hospital were delivered by Mrs. Gad Garland. The Club's entry in the "Fashion for Fun" contest will be Mrs. Bill Pittard. She will model her outfit at the Spring convention in Seymour.

After the business meeting was adjourned, the Club sang Christmas carols with Miss Robin Wampler at the piano.

Mrs. Harry Elliott presented the program entitled "Beautiful Legends of Christmas". She told the story of the first Christmas tree and how the Poinsettia became the Christmas Flower, and many other traditions of Christmas.

Secret pals exchanged Christmas gifts and Mrs. Hugh Herrod won the door prize. The next meeting will be a covered dish dinner January 2, with Mrs. Joe Boucher.

Epsilon Sigma Alpha

Epsilon Sigma Alpha, Theta Epsilon Chapter held their Christmas social and meeting at the home of Kathleen Brammer.

During the meeting, Clodella Bridges gave a report on the First Pearl Award and how it can be earned by the new pledges. It was also announced that Theta Epsilon Chapter will receive the 100% award from National for membership.

The District Meet, which will be held in Burkburnett on Jan. 14 was discussed. Around 100 members from the surrounding area are expected. The theme will be "Winter Fantasy."

Mrs. Sandy Hubbard was accepted into the chapter and will be serving as a new Pledge for the next six months.

Mrs. Lou Glover took members on a trip to Florida for an education tour of the month. Refreshments were served and gifts exchanged.

MR. & MRS. EMIL SCHROEDER

Couple To Celebrate Anniversary Of Fifty Years On Christmas

The children and grandchildren of Mr. and Mrs. Emil Schroeder will host a reception on Christmas Day to honor them on their golden wedding anniversary.

Open house for friends and relatives will be held in the home of their daughter, Mrs. Lyle Eaton, 516 Dot Avenue, Burkburnett, between two and five o'clock in the afternoon.

Other hosts for the occasion will be Mr. and Mrs. Herbert Schroeder, Boys Ranch; Mr. and Mrs. D.J. Rogers and

Mr. and Mrs. Richard Schroeder, Iowa Park; Mr. and Mrs. Lloyd Finstad, Grapevine; Mr. and Mrs. Raymond Schroeder, Burkburnett and Mr. and Mrs. Arlyn Tonn, Haven, Kansas.

The honorees have 25 grandchildren and five great-grandchildren. Mrs. Schroeder is the former Willa Bell McCullough, Bellflower, Missouri. The couple were married Christmas Day 1922 in Pueblo, Colorado. They moved to Burkburnett in 1931. Schroeder is a retired farmer.

Boy Scout Pack 156 Meets In Regular Monthly Meeting

Pack 156 held their monthly meeting on December 14 at the Youth Center. The meeting was opened with the Pledge of Allegiance. A skit was presented by Den 3 pertaining to Christmas.

Roland Creekmore, Cub master, showed the group the award that the pack earned at the Boy Scout Round-Up. Pack 156 placed number 1 in Time Loc Roundup because of going 250% over their goal in recruiting.

Bobby Morrow and Dean Corsaut were presented Recruiter Badges. The Wolf Badge was presented to Alan Thomas. Stephan Clark won the Gold and Silver Arrow. Denner Bars went to Jeff Fuhrman, Delton Granger, Trey Duncan, and Tommy Crawford and Assistant Denner Bars went to Cody Harvey, Keith Stevenson, Larry Organ and Herbert Jentsch all of Dens 1, 2, 3, and 4 respectively. Bobby Morrow won the

Athlete and Showman award. Three boys in the pack earned an airplane ride, piloted by Roland Creekmore, Saturday. Raymond Wyatt won the most awards in a two month period and got to fly the airplane, and Clay Rickles and Herbert Jentsch won the ride for having the most Recruiter Badges.

JANET BEASLEY

Dance Clubs Set New Years Dance

Red River Valley Square and Round Dance Association's New Year's Eve Dance will be Saturday, December 30 at Square Dance Land in Wichita Falls.

Round dancing with Norman and Helen Teague begins at 7:30 p.m. and the Grand March follows at 8:30 p.m. Rex Coats, a nationally known caller, will be the featured caller for the evening.

At midnight the traditional cornbread and blackeyed peas will be enjoyed by all dancers.

Engagement Announced

Mr. and Mrs. Augdon Beasley of 805 Mimosa Street, announce the engagement of their daughter, Janet, to Robert Gill, son of Mr. and Mrs. John Gill, 301 S. Wigham.

Both are students at Burkburnett High School. No wedding date has been set.

News of Yesteryear
10 years ago

Sunday, Dec. 16 at 2:30 a special Christmas program will be presented by the Burk Burnett Ministerial Alliance at the First Baptist Church. The beautiful and inspiring Christmas Cantata "Love Transcending" by John W. Peterson will be presented by the coming church choirs of the First Methodist Church, First Baptist, Central Baptist, Cashion Baptist, Jan-Lee Baptist and Church of the Nazarene. Featured soloists in the Choir are Max Stanaland, baritone; Bob Sprague and Joe Moore, tenors; Mrs. Arnold Oliver and Mrs. J.L. Ragan, altos and Mrs. Jack Smith, soprano. Rev. Robert White, pastor of Cashion Baptist Church, will be the narrator. The choir will be under the direction of Roy Harris, minister of music and education at the First Baptist Church and will be accompanied by Mrs. Vernon Duke at the organ and Mrs. Vill Vincent at the piano.

Engel, son of Mr. and Mrs. Harold J. Engel of 126 Rose Ave, has completed recruit training at the Marine Corps Recruit Depot, San Diego, Calif.

Mr. Sloan Mills, the grand old gentleman, whom everybody known and loves, has moved from his home in Burk Burnett to the Marchman Hotel in Wichita Falls. He would greatly appreciate hearing from his friends any time.

Miss Phillis Keisling, an 8th grader, was presented a beautiful clock radio for selling the most magazine subscriptions in the recent money making project which the 8th grade sponsored. Mr. Carl Dixon, principal of the Jr. High School presented the gift.

The First National Bank will pay an aggregate total of approximately \$6,000 to members of the Christmas Savings Club, the last week in November.

Mrs. P.E. Wall, Mrs. Lorena Ifland, Mrs. Freeman Stallings and sons Phillip and Wade, all of Houston were recent guests in the home of Mrs. Marie Ifland of this city.

Notre Dame freshman, Joseph J. Davey of Burk Burnett has been named "Young Texan of the Month" for December by the over 200 Texas Optimist Clubs and the Troy V. Post Foundation. Davey, son of Dr. and Mrs. J.A. Davey, 601 Meadow Drive, is enrolled as a pre-medical student at Notre Dame University, having declined an appointment to West Point.

An official State Health Department citation was awarded this week to Donald Cantrell, operations specialist with the Burk Burnett Municipal Water Department for proficiency in the Water Plant Management.

When a garage man makes a mistake he adds it on your bill.

When a Preacher makes a mistake nobody knows the difference.

When a lawyer makes a mistake he tries the case all over again.

When a judge makes a mistake it becomes the law of the land.

When a doctor makes a mistake he buries it.

BUT when the Editor or a Correspondent makes a mistake - Well Good Night.

Major Louis M. Bourne, a Marine Corps pilot, was the first man to fly non-stop from the United States to Nicaragua. The flight was made from Miami and took thirteen hours.

Marine Private Robert L.

Are You A Good Driver ?

- A flashing red light means:
 - slow down.
 - stop.
 - yield right of way.
 - caution.
- The most frequent cause of head on collisions is:
 - improper passing.
 - tire blowouts.
 - steering control failure.
 - intoxication.
- Alcohol and the Automobile too often equal an Accident. What percentage of automobile fatalities result from accidents involving this deadly combination?
 - approximately 10 percent.
 - approximately 25 percent.
 - approximately 50 percent.
 - approximately 75 percent.
- At 40 miles per hour on a wet road how many car lengths should be kept between your car and the vehicle in front?
 - four.
 - six.
 - eight.
 - twelve.
- In any type of vehicle skid, the skidding wheel tends to:
 - move sideways.
 - lead.
 - trail.
 - none of the above.
- During a snowstorm, it is advisable to use low beams as snow reflects light and makes it difficult to see the road ahead.
 - true.
 - false.
- Stopping distance consists of:
 - reaction speed and braking distance.
 - perception and braking distance.
 - perception and reaction speed.
 - perception, reaction speed and braking distance.
- The average motorist makes how many driving decisions each mile?
 - two.
 - ten.
 - twenty.
 - fifty.
- In 1971 there were more than 10,000 pedestrian fatalities. The majority of these occurred during what time of day?
 - night.
 - mid day.
 - dusk.
 - sunrise.
- Driver error is responsible for what percentage of automobile accidents?
 - 25 percent.
 - 50 percent.
 - 75 percent.
 - 90 percent.
- A good indication that a parked car is about to pull out in front of you, can be:
 - wheels turned toward the road.
 - exhaust emission.
 - signal blinker.
 - all of the above.
- Average reaction time from gas pedal to brake pedal is:
 - 1/2 second.
 - 3/4 second.
 - one second.
 - 1 1/2 seconds.
- At night, when in the glare of approaching vehicle headlights, you should direct your vision:
 - to the left of the roadway.
 - directly ahead.
 - to the right edge of your traffic lane.
 - none of the above.

QUESTIONS AND ANSWERS Internal Revenue Service

- Is it true that landlords with only a few apartments are exempt from rent controls?
 - Yes, rental units are exempt when the owners and members of his family do not own or control, directly or indirectly, more than four units.
- Are social security recipients exempt from paying rent increases?
 - No. Although the Internal Revenue Service has launched a nationwide "rent watch" to make sure that social security recipients do not receive illegal rent increases, these individuals are not exempt from legally justifiable rent increases. The IRS has a special "Rent Watch" publication explaining to tenants how they can determine if their rent increase is legal. Write your Internal Revenue district office and ask for a free copy of IRS Publication S-3053, "Rent Watch" for Social Security Beneficiaries.
- May a hospital treat as an employee a physician who works on a contract basis and pay him a 5.5 percent increase in compensation under the terms of his contract?
 - No. For the purposes of Economic Stabilization regulations, hospital-based physicians on contractual arrangements who are not subject to the direction and control of the hospital as to the means and methods of accomplishing the results of their work are generally considered to be independent contractors. They are not employees and thus would be subject to the same restrictions as any non-institutional health provider. The increase to the physician on the contract may not exceed the 2 1/2 percent limitation and must be based on allowable costs.
- Are frozen seafood products exempt from price controls?
 - No. Although the first sale of raw, unprocessed seafood products is exempt from controls, the sale of frozen seafood products, whether the first or a subsequent sale, is subject to price controls. However, the first sale of fish which is "iced" by the fisherman for the purpose of preserving the catch until he returns to port is exempt.
- When the IRS published an Economic Stabilization ruling stating that a certain practice is not permitted under the regulations, does this mean that

the practice was permissible up to the date the ruling was published?

A. No. The practice was not permissible from the time of the effective date of the regulation. A published ruling represents the application of the existing laws as expressed in the regulations to the particular facts involved. Unless otherwise indicated, a published ruling is to be applied with retroactive effect. In appropriate circumstances, however, a ruling may indicate specifically that it is to be applied without this retroactive effect.

Q. I've heard the term "base rent." What does it mean?

A. Base rent is the highest monthly rent a landlord can charge for a residence before making any allowable increases. Generally, it is the approximate market level rent for a housing unit before the Freeze began on August 15, 1971. In figuring a rent increase, you always start with the base rent.

CHRISTMAS AT ITS BEST

Amid the excitement, the hurry and scurry of the flying hours, we pause to send you our very warmest thanks and appreciation for your friendship... and extend our heartfelt best wishes to you and all who gather with you around your Christmas tree.

ROUND THE TOWN

by Sylvia Lohoefer

Bobby Wilkinson of San Bernardino, Calif. is here visiting his mother, Mrs. Weida Wilkinson for a few days.

Mr. Claude Bowman who underwent surgery in the Wichita General Hospital Monday, is resting well.

Rev. and Mrs. Leon Turner of Gainesville visited friends

in Burk Monday. Rev. Turner is a former pastor of the United Methodist Church in this city.

Mrs. Bertha Majors visited her brother Fred Prinzing, who is ill in Fort Worth.

Among those relatives and close friends attending the funeral services of E. L. Neal Saturday were Mr. and Mrs.

Earl Neal of Alice; Mr. and Mrs. Marshall Neal of Byers; Mr. and Mrs. Bob Cook of Richardson; Mr. and Mrs. C.M. Hickman of Archer City; Mr. and Mrs. Carl Shaw of McKinney; Mr. and Mrs. Lon Allen of Arnette, Okla.; Mrs. S.B. Brackeen, Mrs. Jack Smelker and Mrs. Lila Jordan, all of Wills Point; Mr. and Mrs. Bill Allen of Holliday; Vera Fulfs

of Randlett; and Mr. and Mrs. Allen Neal, Mr. and Mrs. Clay Neal, Mrs. C.R. Neal and Mattie Chafin from Wichita Falls.

Mr. and Mrs. F. C. Roye returned home Sunday from a two week delightful trip to Arkansas Pass. Roye said the fishing was great. Among his big "catch" was an 8 pound flounder.

Mr. and Mrs. James McDonald and family of Casper, Wyoming arrived Monday to spend Christmas here with his mother, Mrs. Ben McDonald.

Mr. and Mrs. Jon Evans of Hurst, Tex. are elated over the arrival of a little son, Scot Daley, born Nov. 21st. Jon is the son of the late I.C. Evans and Mrs. Pauline Evans of this city.

Mr. and Mrs. J.W. Wade of Fort Walton Beach, Fla. are here to spend the holidays with their daughters and families, Mr. and Mrs. John Dodd and Cathy and Mr. and Mrs. Bill Brendel and little daughters.

Mr. Jack Carlsen of Tulsa is in Burk visiting his stepbrother and wife, Mr. and Mrs. Ted Randall.

Mr. Jay Bayne, a former resident of Burkburnett, died Fri. evening, Dec. 15, in an Irving Hospital of an apparent heart attack. Burial was in Irving, Texas. He is survived by his wife and son, Donald Bayne, of the home.

Ruth Beldon took her sister Bea; Mrs. Carl Miller, Mrs. Lena Hinkle and Mrs. Pearl Wington, a friend from Wichita Falls, to the First Presbyterian Church, Sunday, Dec. 18 for a musical presentation, "The Messiah". They really enjoyed the beautiful music.

D.R. (Cy) Mills, son of Mr. and Mrs. Don Mills, who recently enlisted in the Air Force and received his basic training at Lackland AFB is now stationed at Sheppard AFB in specialized training at the SAFB hospital.

Mrs. Gypsy Evans of Nocona, mother of the late I.C. Evans, of this city, died in a Gainesville hospital Tuesday after a long illness. Funeral services were held in Nocona Thursday. Among those from Burk attending the funeral were Mrs. Pauline Evans, Mrs. Jill Hensley, Jack Aaron, Raymond Smart, James Pearson, Mrs. Ava Buck and Jewel and Lois Reed.

Mrs. Artie Whitesides returned home late Sunday from attending the funeral services of her sister, Mrs. Annie Peterson, on Friday in Slaton, Tex. She also visited her brother, Charles Griffin, who resides in a rest home in Slaton and is quite ill. Artie had visited them both just last week. On her way enroute home she visited her nephew, Chester Griffin, in Lorenzo, Tex. who had only been home a few days from Lubbock where he underwent open heart surgery.

Misses Lois and Jewel Reed visited their aunt, Mrs. Fannie Martin, who lives in the Nocona Rest Home, and also attended the funeral Saturday of an old friend, Mr. Jack Taylor, in Nocona. Mrs. Pauline Evans also visited her father, Mr. Rush, who is also in the Nocona Rest Home.

On Friday, Dec. 15th, about 20 ladies from the Southwestern Bell Telephone Co. in Wichita Falls paid their annual Christmas visit to their ex-co-worker Mrs. Angie Randall, bringing in a bountiful supply of food for a luncheon. Esta Faye Hoffman, Jean Woodley and

Oneda Parker, supervised the party. Angie had the home and dining table attractively decorated. Gifts were exchanged. All thoroughly enjoyed the luncheon and get-together.

Due to the inclement weather in this area, it has been difficult for the farmers to get their cotton out of the fields. Cotton is now all picked by machines. According to Mr. A.G. Earp, the Farmers Co-Op Gin Manager, they have ginned 1,358 bales up to Sunday night and have 40 loads of cotton waiting in the yard to be ginned, and have 98 bales ready to be moved. Mr. Earp states that he expects 800 to 900 more bales will finish the season. It has been an average grade.

Mrs. J.C. Adams has been moved from the Wichita General Hospital to Medcenter in Wichita Falls. Mr. and Mrs. J. C. Adams and Melissa of Lewisville visited his mother Sunday. If all goes well they plan to take her to Lewisville for Christmas.

Mr. B.O. Gordon is a patient in Medcenter in Wichita Falls receiving treatment and special care.

Piano Students Present Recital

Mrs. Dale Mortland presented her piano students in a Christmas recital at her home Monday evening.

Appearing in recital were: Timmy Cornelius, Clay Rickles, Julie Eggen, Karla Cummings, Mark Rogers, Leah Rogers, Fred Anderson, Stephanie Anderson, Carl Hattaway, Kathryn Looney, Kathy Graves and Brenda Smith.

Also appearing in the recital were Mr. and Mrs. Gene Anderson, Joel Graves, and Mrs. Jean S. Looney, playing a duet with their daughters. Mrs. Mortland played duets with her other students.

Following the duets, each student returned to play individual Christmas selections. Immediately after the recital and the presentation of memory work awards, a reception was held for all the students and their families.

RANDLETT NEWS

By Mollie Elliott

Mrs. Robbie Best and Mrs. Gay Davis visited their sister, Mrs. Harry Griffin of Burkburnett Sunday afternoon.

Mr. and Mrs. W.E. Morrow of Devol visited his sister, Mrs. Mollie Elliott Sunday afternoon.

Mr. and Mrs. Willis Hendricks of Iowa Park visited her mother, Mrs. Zaida Bryant, Saturday.

Thomas Allen Campbell of Enid and his son, Allen Campbell of Lawton visited Mr. and Mrs. C.B. Ressel, Saturday.

Mrs. Flora Hatcher returned home Saturday after spending last week with her son, Mr. and Mrs. Ray Dean Hatcher and family of Burkburnett while Mrs. Hatcher remained at the hospital with their small daughter, Robbin, following major surgery Sunday night.

The Postelwaite pre-Christmas Dinner was held Sunday at the home of Mr. and Mrs. C.B. Ressel. Attending were Mr. and Mrs. Fay Postelwaite, Mrs. Zania Farris of Burkburnett, Mr. and Mrs. W. G. Harwell, Mr. and Mrs. Gaylord and Cora of Wichita Falls, Mr. and Mrs. Ralph Postelwaite, Mr. and Mrs. Lynn Postelwaite and Tory, Mr. and Mrs. W.T. Oliver and children, Mr. and Mrs. Joe Fender and son, Larry.

Mrs. T.E. Riddle fell on the ice Thursday of last week and suffered a broken arm. She is in the Waurika, Okla. hospital. Mr. and Mrs. Leonard Riddle of Eastern Okla. visited his mother Saturday and spent Saturday night with his brother Pete of Randlett.

Mr. and Mrs. Oliver Matthew of Lawton visited Mr. and Mrs. C.H. Thompson, Sunday.

Guests Sunday in the home of Mrs. R.C. Brown were Mr. and Mrs. Walter Lee Brown and Melissa of Ardmore, Mrs. Maurice Brown and children, Mr. and Mrs. Joe Allen Brown and sons of Burkburnett.

Mr. and Mrs. Neal Manley and daughter spent Saturday night with her father, Mr. Joe Roper of Bowie.

Robert Goodwill of Austin is visiting his grandparents, Mr. and Mrs. V.L. Bentley.

Mrs. J.C. Goode returned home Sunday of last week from a week's visit with her daughter, Mr. and Mrs. Otto Kemp and children of Duncan.

Kathy Castle of Macon, Ga. is visiting Mr. and Mrs. Lavoy Bentley.

Mr. and Mrs. Roger Henderson and two children of Jacksboro spent Sunday with her parents, Mr. and Mrs. L. V. Bentley.

Mr. and Mrs. Wayne Fowler and children of Wichita Falls visited his parents, Mr. and Mrs. Ted Fowler, Sunday. Wayne preached Sunday morning and Sunday night at the Church of Christ.

Wendle Morrow and Marilyn Kooler of Burkburnett were Sunday dinner guests of his aunt, Mollie Elliott.

Pre-Christmas dinner guests Sunday of Mr. and Mrs. A.S. Nason were Mr. and Mrs. Dale Killingsworth and daughter, Leslie of Canyon, and Phillip Barron of Amarillo, who also spent Saturday night; and Mr. and Mrs. E.L. Dae, Mrs. Jerry Gerstgen and children of Duncan, Mr. and Mrs. Wayne Boles, Mr. and Mrs. Randy Farris of Wichita Falls.

CHRISTMAS MEMORIES

Perhaps the warmest and most welcome part of Christmas is the album of Christmas Memories each of us carries in our heart. As the days slip past and Christmas approaches, we turn back the pages and once again enjoy the warm moments of other Yuletide Seasons.

It is our hope that the memories you save from this Christmas are especially bright and wonderful. May every single moment be one which you will treasure for many seasons to come.

Motor Vehicle Registration

Avoid Standing In Long Lines This Year-- Simply Register Your Vehicle By Mail

Do you hate waiting in long lines? Do you shudder to think of the upcoming license plate renewal season? Does the thought of nearly eight million vehicles being registered in Texas this year scare you?

Well, you can cheer up. The Motor Vehicle Division of the Texas Highway Department will be mailing out renewal applications for 1973 license plates shortly after Christmas.

Vehicle owners who wish to avoid the long lines can simply return the entire application by mail to the tax assessor-collector in their home counties with the registration fee and \$1 per vehicle for handling and mailing.

There are three things to remember:

1. Leave the handy three-part form intact. Don't separate the three parts.

2. Mail it to the county tax office in your home county. (Mailing to the Highway Department will only delay your getting your 1973 plates).

3. Be sure to include your registration fee plus an additional \$1 for each automobile to be registered by mail.

You may apply for your license plates by mail after January 1. However, county tax offices won't be sending the license plates until after February 1. You should allow at least 30 days from the time you apply for the license plates to be returned.

The 1973 plates must be displayed on your vehicle by April 1.

In-person registration will begin at county tax offices and, in some counties, special substations on February 1. Even though the automated registration application has speeded up the registration process, the waiting lines will grow progressively longer by the March 31 cutoff date.

Christmas Meeting

Federated Missionary Society Meets

The Federated Missionary Society met recently in the home of Mrs. W.W. Chambers with Mrs. Lela Mallett as co-hostess.

Mrs. Bunstine opened the meeting with prayer and the group sang "Count Your Blessings."

The minutes were read and approved.

Each officer will continue with their duties another year. Present officers are Mrs. Mallett, president; Mrs. Haley, vice-president; Mrs. Beldon, secretary, and Mrs. Begeman, treasurer.

After a short business meeting, Mrs. Mallett brought the devotional from Luke 2:15-20, remembering Christ's birthday. She told stories entitled "Memories of Long Ago",

"Snowbound" and "Christmas Bells".

Many gifts were brought to take to the State Hospital.

Linda Scruggs played Santa and gave each member a nice gift from under the tree.

Those enjoying refreshments were Mmes. Schrum, Gragg, Begeman, Ady, Hinkle, Turner, Miller, Bunstine, Beldon, Haley, Vandenburg, Ney, two visitors, Linda and Hazel Wagoner, and the hostesses.

SOUTHSIDE PTA BAZAAR--Mmes. D.L. Bryan, Bill Wood, and James McGrath prepare the candle display for the bazaar.

Southside PTA Hosts Bazaar For Air Conditioning Funds

Southside PTA held a bazaar downtown last week to raise money for air conditioning Southside Elementary School.

The PTA wishes to express their appreciation to all who stopped by and made purchases and to the Southside parents for the items donated and the

time spent toward making the event a success.

The Burk Burnett Study Club donated clothes from a recent rummage sale which were at the bazaar and the Jaycees sponsored a fund raising event

for Southside. The Jaycees presented a turkey to Mrs. J.H. Cummings, 902 Aztec and Mrs. John Painter, 605 Sycamore in connection with this event, and also presented Southside School a nice donation.

4 Medals Given In Ceremonies

SHEPPARD AFB, TEXAS--Four medals were presented during two ceremonies at Sheppard Air Force Base last Thursday morning.

At 3750th Air Base Group headquarters Captain Tyrone P. Whalen received the Bronze Star; Staff Sergeant Juris R. Rasums, the Joint Service Commendation Medal; and Technical Sergeant Dan W. Ward Jr.,

the second Oak Leaf Cluster to the Air Force Commendation Medal.

Colonel S. D. Berman, base commander, made the presentations.

In the office of the Chief of the Field Training Department of USAF School of Applied Aerospace Sciences, Sheppard, Master Sergeant John K. Mullooly received the Air Force Commendation Medal. This was presented by Colonel John D. Reitz, department chief.

NCO Wives Club Exchange Gifts

SHEPPARD AFB, TEXAS--The Noncommissioned Officers Wives Club at Sheppard Air Force Base will hold a gift exchange and luncheon Thursday at the NCO Club according to plans announced at the cards and workshop session Thursday at the club.

The gift exchange will be Thursday at 11:30 a.m. in the Velvet Room and the luncheon will follow at 12:30 p.m. in the Colonial Room. Reservations are to be made by Wednesday Colonial Room.

The coffee for this month has been cancelled.

Dunlap Named Evaluation Chief At Sheppard AFB

SHEPPARD AFB, TEXAS--Lieutenant Colonel Francis E. Dunlap assumed duties as chief of Training Evaluation Division of the School of Applied Aerospace Sciences Sheppard Dec. 1.

He came to Sheppard in August 1972 from Vance AFB, Oklahoma, where he was serving as chief of Primary Training Division which conducts T-41 flying training. He had been assistant Training Evaluation Division chief at Sheppard before assuming his current duties.

He entered the Air Force in the cadet program and received his commission as a second lieutenant and rating as navigator on completion of navigator training. He spent five years as navigator-bombardier with a B-47 crew at Little Rock AFB, Ark.

The colonel then went to pilot training at Vance AFB, and stayed there about four additional years as instructor pilot and academic instructor. After a year in Southeast Asia where he flew F-100 aircraft, he returned to Vance. In addition to serving as chief of Primary Training Division he was also chief of Check Section and a flight commander.

A native of Springfield, Mo., Colonel Dunlap finished high school there and attended Southeast Missouri State College before entering service. He received a degree from Oklahoma State University with major in air science in 1964.

His decorations include the Distinguished Flying Cross, Meritorious Service Medal, Air Medal with 11 Oak Leaf Clusters and Air Force Commendation Medals. He is a senior pilot.

Colonel Dunlap and his wife, Pat, have six children, Frankie, Susan, Stephen, Mike, Tommy and Robert. They reside at 4310 York Street in Wichita Falls.

His hobbies are redoing furniture and working with Boy Scouts.

Christmas At Sheppard December -- A Busy Month

SHEPPARD AFB, TEXAS--Various Girl Scout troops at Sheppard AFB participated in events last Wednesday, including a County Farm visit, a service unit meeting and a court of awards.

Girl Scout Junior Troop 46 visited residents of the County Farm, bringing gifts of Christmas cheer, including bedside trays they had made, fruit and hard candy.

Accompanying the troop were Mesdames Wayne Thomas, Richard Larsen and B.L. Grady.

Plans were initiated at the Girl Scouts' monthly service unit meeting for the annual father-daughter banquet to be held in March 1973.

Mrs. Dorwin Thomas was appointed party chairman for the event, which will have an

SHEPPARD AIR FORCE BASE

Awards Presented To Honor Airmen At AFB Pilot Training Graduation

SHEPPARD AFB, TEXAS--Second Lieutenant Robert C. Benner received the Air Training Trophy and an outstanding graduate letter Friday night in graduation ceremonies for Undergraduate Pilot Training class 73-04 in the Officers Club at Sheppard AFB.

Also receiving an outstanding graduate letter was Captain David B. Van Dyke, class commander. The awards were presented by Colonel Robert G. Liotta, commander of the 3630th Flying Training Wing at Sheppard which conducted the training for the 11 German Air Force and 11 U.S. Air Force pilots of the class.

Second Lieutenant Ronald E. Dutton received the academic trophy and Second Lieutenant William R. Burkhardt the flying trophy. These were presented by Major Kurt Kriegeskotten-Bartsch, acting commander of the 1st German Student Squadron of the wing. Second Lieutenant Okey Wagner received the outstanding lieutenant trophy.

Main speaker at the ceremonies was Colonel Alfred M. Miller, deputy commander of operations for the 12th Flying Training Wing at Randolph AFB, Tex.

Colonel Liotta also presented U.S. Air Force wings to all the graduates and Major Kriegeskotten-Bartsch presented German Air Force wings to the German students.

The German students will now attend F-104 training at Luke AFB, Ariz. They are First Lieutenant Dieter Erbe and Second Lieutenant Dieter Erbe and Second Lieutenant Dieter Erbe.

The American students will attend training in F-111s and F-4s of the Tactical Air Command; F-106s of the Aerospace Defense Command; C-130s of the Pacific Air Forces; T-38s and T-37s of the Air Training Command; KC-135s and B-52s of the Strategic Air Command; and C-141s of the Military Airlift Command.

The other American graduates are Second Lieutenants Jeffrey S. Barrus, Wingred J. Garst, Jr., Joseph P. Jamieson, Christopher L. Johnston, Paul F. Kolland, and William H. Mills.

Master Sergeant Ross Hunter, a teletype maintenance instructor supervisor in the Department of Communications and Missile Training of the school, told the men about the woman, her two children, and her financial situation, and the students decided to help out.

With the consent of their squadron commander, Captain David W. Coryell, the men took up a collection for food for the family and for toys for the boy, 11, and the little girl, 6.

The students will present the gifts this Christmas. Their action will not end there, though. They are planning to paint her house later this year.

Airmen Spread Spirit Of Sharing By Helping Neighbor

SHEPPARD AFB, TEXAS--Airmen Kenneth L. Battle and Gregory A. Emler of the 3753rd Student Squadron, School of Applied Aerospace Sciences at Sheppard, along with others of the squadron have formed their own Christmas project this year by helping a neighbor of one of their instructors.

Master Sergeant Ross Hunter, a teletype maintenance instructor supervisor in the Department of Communications and Missile Training of the school, told the men about the woman, her two children, and her financial situation, and the students decided to help out.

With the consent of their squadron commander, Captain David W. Coryell, the men took up a collection for food for the family and for toys for the boy, 11, and the little girl, 6.

The students will present the gifts this Christmas. Their action will not end there, though. They are planning to paint her house later this year.

Eleven SAFB Men Receive Diplomas In Welding Class

SHEPPARD AFB, TEXAS--Eleven Sheppard men graduated last Thursday afternoon from the Wichita Falls Independent School District Technical Center's welding course. This course was conducted in conjunction with Sheppard's Transition Program.

The objective of the Transition Program is to provide basic education and occupational training to servicemen without marketable civilian job skills during their last months in military service.

The Manpower Development Training Act (MDTA) and Transition have cooperated to provide training in occupations that have a shortage of workers.

Graduates of the course are Technical Sergeant A.C. Pitchford; Staff Sergeants William Brandon and William L. Reese; and Sergeants Loyd D. Arthur, Bill Dunn, Micky O. Evans, Jimmy R. Faulkner, Edward Goewert, Donald E. Jagger, David Leathers, and Michael A. Zimmerman.

Two Instructors Awarded Ratings

SHEPPARD AFB, TEXAS--Instructors at two of Sheppard's Field Training detachments have been awarded Air Training Command master instructor ratings.

They are Master Sergeants Gordon L. Colvin of FTD 201 at Langley AFB, Va., and Technical Sergeant Arthur L. Fitterer of FTD 202 at Pease AFB, N.H.

The sergeants are assigned to the Field Training Department of the USAF School of Applied Aerospace Sciences at Sheppard.

Officer Wives Group Hosts Idea Show

SHEPPARD AFB, TEXAS--A gingerbread house, nativity scene, Christmas wreaths, stocking stuffers, handmade trees, a Christmas tree skirt and candleholders were among the Christmas ideas featured at the Idea Show sponsored Friday morning by the Sheppard Officers Wives Garden Club.

The event was held by the club at the Sheppard Officers Club. Special guests were members of the Wichita Falls Garden Clubs.

Mrs. Garth Phillips, Garden Club president, greeted the guests. Presiding at the coffee table were Mesdames W. S. Daughtery and James Cassell.

All items in the show were entered by OWC members.

Tips to help you use electricity more efficiently for cooking.

You can get the most value from your electric range by following these tips.

- Use flat-bottomed pans**
The flatter the pan the better the contact with the electric unit. Also, be sure the pans have tight-fitting lids to reduce cooking time and moisture loss. And match pan size to unit size to avoid heat loss.
- Don't open the oven door unnecessarily**
Opening the oven door when the oven is hot can cause heat loss and extended cooking time. It also can result in undercooking.
- Use minimum amount of water**
The more water you use, the longer it takes to get it hot. Many foods can be cooked with little or no water. Once water starts to boil, use the lowest heat setting that will keep it boiling.
- Cook and freeze**
Bake two cakes or pies, or make double recipes of such foods as stews and spaghetti sauce. Then freeze one for future use. Also, when you're baking, prepare an oven meal at the same time so no surface cooking is necessary—simply choose foods that will cook at about the same temperature.
- Thaw before cooking**
Thawing meats before cooking reduces cooking time. Also, when recipes call for a preheated oven, don't turn it on too far in advance—usually 10 to 15 minutes will do.

Veterinarian Reports About Five Types Of Worms In Cats

by Raymond A. Minor, D.V.M.
It is an unusual--and lucky--cat that is not afflicted at some time during his life by worms. These potentially dangerous parasites come in five main varieties: Heartworms, Hook-

worms, Roundworms, Tapeworms and Whipworms. And they are particularly common in young kittens who contract them from their mother who has not been properly cleared of worms before

breeding. Signs of worms include vomiting and diarrhea, lack of appetite or voracious appetite, listlessness, increasing stretch of the jaw over the eyeball, potbelly and emaciation.

Roundworms may be noticed as flesh-colored waxy strings expelled with the feces; tapeworms as individual flesh-colored segments shed continually in the feces. The cat's bedding can disclose dried tapeworm

segments from time to time. But whatever signs seem apparent to you, the only way to be certain is to bring a stool sample to your veterinarian. He can then determine if your cat has worms as well as what

variety of worms it is. Based on what he finds, your veterinarian will be able to prescribe the proper medication for your pet.

Various worm remedies are available at pet stores complete with directions. These commercial remedies are compounded for specific types of worms and thus an accurate diagnosis is needed first.

It should be remembered, however, that worm medicine is strong stuff that must be administered in the correct dosage and at the proper time.

There are, however, a number of things you can do to help prevent your cat from getting worms. Cleanliness is the key.

A cat's quarters should be immaculate. Out of doors, he should be kept on dry runways, or washed surfaces, such as concrete, which are exposed to sunlight as much as possible.

Shaded, moist earthy areas provide a particularly favorable environment, especially in warmer weather, for parasite eggs. By eliminating these conditions, your cat's potential for infection can be reduced.

Bear in mind that one worming cannot end infestation for all time. Periodic examination of the feces by your veterinarian is strongly recommended.

And leave this part of the health program to your veterinarian. More cats die from careless worming than from worms.

Sports Afield

There's a hot old/new bass-catching tactic paying off with limit catches. It's currently called "ripping" and if you haven't tried it you had better believe you've missed bass you could have caught.

What it boils down to is a method of moving certain lures faster than the average fisherman moves them. This gives a bass something new to look at. In addition, when certain lures zip past a bass's nose, they trigger a reflex action that causes the bass to strike without thinking or giving these lures the usual appraisal.

Here's why we call it an "old/new" tactic. It is old because smarter bass fishermen were doing it back in the 1930s. It is new because thousands of today's bass anglers never heard of it. There are many ways it can be done. Homer Circle, Angling Editor of *Sports Afield*, describes some of them in the magazine's December issue.

Tom Mann, one of the nation's leading money-winners in professional fishing competition, is responsible for the latest kick and, as far as we know, coined the term "ripping."

Tom's tactic has been so effective that you won't find another pro who doesn't give it a go several times a day. These men play the odds, and when you see Mann lay limits on the scales, time after time, well, you're odd if you don't emulate him.

Tom's favorite ripping lure is one he makes himself, called Little George. It has a teardrop-shaped body of lead with a spinner on the tail and a treble

hook suspended from the belly of the lure.

Tom's tactic is to fire a long cast and let the lure sink until it rests on the bottom. He can tell it's there because his line goes suddenly slack. As he reels the slack out of his line, he lowers his rod tip upwards and reels at the same time. This causes the lure to jump off the bottom and rip through the water at an abnormally fast speed.

If a bass doesn't blast it, he lets the lure settle and repeats the maneuver until one does. Tom doesn't do this only in open water over clear bottoms where he won't get snagged. In fact, he hopes for snags because he knows that bigger bass are found in snaggy cover.

He gears himself for the job. His spinning rod is 7 1/2 feet long, very gutty, and is teamed with a standard-size saltwater spinning reel. The reel is filled to within 1/8 inch of the spool's edge with fresh 20-pound-test monofilament.

Thus geared, Tom is able to do these things: 1) retrieve almost 30 inches of line with each turn of the reel handle, 2) use his gutty rod and 20-pound monofilament to muscle his lure out of snags that would ensnare lighter rods and lines.

Before Tom loomed so tall on the tournament scene, the average competitor carried along upwards of a half-dozen castings rods equipped with free-spool, level-wind reels. Most still do, but they also have at least one oversize spinning rig like Tom's for ripping.

...the most sincere expression we know to convey our appreciation for your friendliness and patronage this past year.

Guidelines of Life

THE REWARD OF COMPELLING AND EXPECTANT FAITH
by Rev. M. Alsbrook, pastor, Church of the Nazarene

Luke 2:25-32 25. And, behold, there was a man in Jerusalem, whose name was Simeon; and the same man was just and devout, waiting for the consolation of Israel; and the Holy Ghost was upon him. 26. And it was revealed unto him by the Holy Ghost, that he should not see death, before he had seen the Lord's Christ. 27. And he came by the Spirit into the temple: and when the parents brought in the child Jesus, to do for him after the custom of the law, 28. Then took he him up in his arms, and blessed God, and said, 29. Lord, now lettest thou thy servant depart in peace, according to thy word: 30. For mine eyes have seen thy salvation, 31. Which thou hast prepared before the face of all people, 32. A light to lighten the Gentiles, and the glory of thy people Israel.

The story of Simeon at the presentation of the Christ child at the temple is ever a thrilling blessing as we see his faith and long desire satisfied by seeing his Lord's Christ. The hungering desire that God places in each of our hearts to know Reality is never satisfied by anything less. A personal experience with His Christ, whom to meet and know is life eternal, gives us that reality in the here and now and thereby satisfies that hunger that craving. He and He alone meets our emptiness with the fullness of His saving presence. We care not for the things of the old life because the new so supercedes the old as to make the old repugnant, distasteful, and hollow. Would you, like Simeon of old, seek the Lord's Christ? You, too, will find the abiding fullness of joy when you experience Him!

FARM REVIEW

Weekly Cotton Samples Fall Behind Five Year Average For Week-Season

The USDA Cotton Division Classing Office at Altus graded 20,800 samples for the week ending December 15, and the season total stood at 142,900 samples graded. Total samples graded this year have fallen behind the five-year average for both the week and the season, according to C.E. Cox, officer in charge at Altus. This is due to weather and adverse harvesting conditions, since harvest conditions, since the estimate of cotton to be harvested this year still stands at about 300,000 bales, compared with a 5-year average of 230,000 bales.

Total classed from North Texas counties this year stood at 21,200 samples, compared

with 519 samples last year at this date, and 23,800 two years ago.

Grades on North Texas cotton classed during the week were 49 percent White and 47 percent Light Spotted. Predominant grades were Strict Low Middling (41), Low Middling (51), and Strict Low Middling Light Spotted (42), these three grades accounting for 77 percent of the total.

Staples were predominantly 31, 32, and 33. Staple 31 accounted for 25 percent of the total, staple 32 was 34 percent, and staple 33 was 19 percent. Micronaire readings were in the 3.5 to 4.9 range on 48 percent of the samples. Thirty-two percent was 5.0 to 5.2, and 20 percent 5.3 and above.

Pressley readings showed fiber strength mostly in the range 75,000 to 94,000 pounds per square inch, with the average being 82 thousand pounds.

The Agricultural Marketing Service reported that the cotton market was more active during the week. Total volume of sales was about double the previous week, but was still not up to normal for this time of the year.

COUNTY AGENT NEWS

B.T. HAWS--Wichita County Agricultural Agent

Crop and livestock surveys are intended to provide an accurate picture of agriculture for each county and for Texas. In turn, producers can use the information to make more intelligent decisions. That's why it's so important that the surveys be completed accurately and rapidly and returned early.

A number of farmers and ranchers in Wichita County are among the 60,000 across the state to receive a questionnaire regarding their crop and livestock operations in 1972. The survey is conducted each year at this time by the Texas Crop and Livestock Reporting Service, a joint agency of the Texas Department of Agriculture and the U.S. Department of Agriculture Statistical Reporting Service.

Producers are selected on a sample basis from each size classification. The small producer sampled may represent many others of comparable size while larger producers may represent only themselves. Therefore, it's important that all farmers and ranchers receiving a questionnaire complete it as accurately as possible and return it promptly.

All individual reports will be kept confidential. Sound management decisions are based on accurate information, thus, each producer receiving a survey has an important responsibility to himself and his neighbor to supply the needed information.

It's not too late to save money on 1972 farm taxes. In general if the taxpayer's income is considerably larger this year than it will be in 1973, he may want to arrange to pay as many deductible items as possible in 1972. Several tax-cutting steps for taxpayers who want to claim as many deductions and exemptions as possible for 1972 are as follows:

1. Deductible items such as pledges to church and charity might be paid ahead of schedule, or larger contributions can be made before the end of the year, possibly cutting the amount for 1973.

2. Interest on debts sometimes can be paid early.

3. Persons planning to borrow money in 1973 may want to borrow it now and arrange to pay part of the interest before the end of the year.

4. The tax law provides that medical expenses can be deducted if they exceed three percent of the adjusted gross income.

5. Medicine and drugs are included in deductions if they exceed one percent of the adjusted gross income.

6. It may be advantageous to pay as many medical expenses as possible for the year to carry the total into the deductible range. For instance, the taxpayer may want to pay off all outstanding medical bills before the end of the year.

7. Purchases of needed glasses, dentures, drug supplies or other medical and health needs may be made before the end of the year to increase the deductible amount.

8. The dependency exemption is now \$750.

County HD Agent

Joyce Smith,
Wichita County Home
Demonstration Agent

The annual Home Demonstration Council Christmas Party was a big success.

Happiness is having a good self-picture, or knowing it's never too late to start one.

A crucial factor of what happens inside people and between people is the picture of individual worth each person carries around with him. Differences between people with good self-pictures and those with poor ones are: Integrity, honesty, responsibility, compassion and love all flow easily from the person whose self-picture is good. This person feels that he matters, that the world is a better place because he's here. He has faith in his own competence and he's able to ask others for help, but believes he can make his own decisions. Appreciating his own worth, he's ready to see and respect the worth of others. He accepts all of himself as human. On the other hand some people spend most of their lives with a poor self-picture. Because they feel they have little worth, they expect to be cheated, stepped on or de-

preacted by others. Expecting the worst, they usually get it. Self-worth is learned and the family is where it is learned. There are no genes to carry the feeling of worth to an individual. A person learns to feel self-worth or worthless in the family his parents create. Children are learning it in their families right now. An infant coming into the world has no past and no scale on which to judge his own worth. For the first five or six years, the child's self-worth is formed by the family almost exclusively. After he starts school, other influences come into play, but family importance continues. Outside forces tend to reinforce the feelings of worth or worthlessness that a person has learned at home. A maturing family atmosphere is essential in creating feelings of worth in its individual members.

One can start by listing what is good about himself and accepting these traits.

Merry Christmas from the Wichita County Extension Office.

Beware Of Special Savings Schemes... Invest Money In Savings Account

"During this time of year some financial institutions send out literature to prospective customers advertising their 'Christmas Club Savings Plan.' 'Don't get caught in this little scheme, because it really doesn't pay you anything,' Mrs. Doris Myers, home management specialist with the Texas Agricultural Extension Service, Texas A&M University, cautioned.

"There are only two advantages to this plan--your money is safe from theft and in a place where you can't get it out until the latter part of next year, usually early in December.

Suggestive alternatives, the specialist noted there are many ways to invest money to make money.

One, for example, would be opening a savings account.

"Most financial institutions offer pass book savings accounts for small investments. These pay interest at regular intervals throughout the year. 'Investors can add to their

Ft. Worth Rodeo Tickets On Sale

Tickets for the 1973 Southwestern Exposition and Fat Stock Show Rodeo went on sale at 9 a.m. Monday in the Rodeo Ticket Office at Will Rogers Memorial Coliseum.

On hand to make the first purchase was J.O. Allgood, a representative of the International Brotherhood of Teamsters. The labor group purchased over \$4,200 worth of tickets for the 20 performances of the "World's Original Indoor Rodeo."

W.R. Watt Jr., Stock Show general manager, said the ticket office will be open from 9 a.m. until 6 p.m. daily, including Sundays. The 77th edition of the Stock Show is scheduled Jan. 26 through Feb. 4.

Tickets are \$3.00 for a 10 a.m. Saturday, Jan. 27, rodeo performance and all 2 p.m. shows Monday through Friday, Jan. 29 through Feb. 2. Saturday and Sunday 2 p.m. matinees and all 8 p.m. shows are priced at \$3.50. Grounds admission is 50¢, with grounds admission included in the rodeo ticket.

accounts at regular times or at any time in any amount they wish. In a pinch they can even borrow their own money.

Comparing the two plans, Mrs. Myers noted that in one Christmas Club savings plan investors may deposit \$1 a week for 52 weeks, and at the end of the year have only \$52.

"However, if they put the same amount in a savings account at the same intervals they would have \$53.33 at the end of a year.

"That isn't much money, but it is better to have a small amount more than just what was deposited," she said, noting that in a savings account

"depositing more money means more overall interest earned." Mrs. Myers explained that most institutions counter the temptation for investors to withdraw their savings by offering "time deposits" that cannot be withdrawn without forfeiting the interest.

"Time deposits vary in length usually from six months to one or two years.

"Interest paid on this type account is usually higher, since the saving institution has the use of the investor's money for a longer period of time. Also, the initial amount invested is usually larger," she concluded.

NOEL

"Have a very MERRY CHRISTMAS and a YEAR of HAPPY DAYS!"

310 MORNING DRIVE 569-1314

You'll never know how big a paycheck your brood cows can deliver until you winter 'em on

New Purina Range Breeder II

New PURINA RANGE BREEDER II is a high-quality supplement for wintering brood cows. It contains all the high-quality proteins, processed grains, minerals and vitamins (A and D) you get in Purina's all-natural protein Range Breeder Checkers plus a low level of urea. Only two percent, but enough to lower your wintering costs without sacrificing brood cow performance in any way.

A 5-year study with 400 Hereford cows at Purina's Oklahoma beef research ranch proved that calves from cows wintered on Purina Range Breeder supplement outweighed control-group calves by 19 lbs. per head. At \$30 per hundred-weight, that's \$5.70 per calf.

A 3-year Purina research study shows that cows fed on new PURINA RANGE BREEDER II performed at the same high level (and sometimes even better) than cows fed Purina's all-natural protein Range Breeder supplements and at lower cost; \$1.00 per calf lower.

Let us show you how your brood cows can deliver a bigger paycheck (as much as \$6.70 per calf) with new PURINA RANGE BREEDER II.

THE LIGHTING OF HOLIDAY CANDLES

Perhaps the most universal symbol of the holiday season is the lighted candle. During the joyous December Jewish Festival of Hanukkah, which means the Feast of Lights, the father of the family lights candles in memory of the brave Maccabees who restored the sanctity of the Temple. The Christians light candles to commemorate the beginning of the Creation when God said "Let there be light". On Christmas Eve, candles blaze forth in the churches where Candlelight services are held.

It's an old American custom to trim our Christmas trees with burning candles, but today we use the gaily colored electric ones.

The original American candle was made of bayberry, and traditionally it brings good luck. When lighted on Christmas Eve its scent will carry from one separated lover to the other.

When it comes time to offer a holiday snack to your family and friends, serve this Candle Snack Tray—the burning candle a symbol of your Christmas joy and love for fellow men.

CANDLE SNACK TRAY

- 1/4 cup finely chopped walnuts or pecans
- 1 (3-ounce) package cream cheese
- 1 (6-ounce) container port wine cheese spread
- 1 1/2 cups finely grated Swiss cheese
- 1 1/2 cups finely grated Cheddar cheese
- 1 1/2 ounces Roquefort cheese, crumbled
- 2 tablespoons dairy sour cream
- 1/2 teaspoon cayenne
- Assorted NABISCO Snack Crackers

Have all ingredients at room temperature. Lightly grease a 1 1/2-quart bowl. Coat with 1/4 cup nuts. Blend next five ingredients in small bowl of electric mixer until smooth. Stir in sour cream, cayenne and remaining nuts. Grease a small juice glass. Place in center of bowl. Pack cheese mixture around it. Cover and refrigerate overnight. Allow to stand at room temperature 1 hour before serving. To unmold, run a knife around edge of bowl and glass. Pull out glass. Turn out on tray or board. Insert a tall candle in center of mold. Surround with Assorted NABISCO Snack Crackers. Makes about 3 cups spread.

* A 3-cup ring mold may be substituted for the 1 1/2-quart bowl.

Weekly Health Tip
from Joe Gillespie

Most anyone can benefit from the diet recommended for athletes, which includes the "basic four": four glasses of milk (skim for dieters); three or more servings of protein foods (meat, fish, poultry, eggs, cottage cheese); five or more servings of fruits and vegetables; four or more servings of whole-grain breads or cereals. Nothing is more important than a well-balanced diet for good health and resistance to disease.
