Editor's Viewpoint

MONTE WILLIAMS

A couple of weeks ago we headlined in the Informer/Star that the Park Bulldogs defeated the Iowa Park Eagles. Remember? I blame myself for the mistake, but actually Iowa Park is the home of the Hawks.

The Iowa Park newspaper stated that the editor of the Informer/Star must still be in a daze from taking over the position to make a mistake like that. It wasn't stated exactly like that but it was close. I'm sure they were only poking a little fun and I have only one thing to say, "Daze" is not exactly the word for it."

Adrian Nix said it much better than I could of when he quipped, "Eagles, Hawks, it doesn't really matter. They still got their tail feathers clipped."

If you are wondering about the hat, it was given to me by a friend. The hat was given with one condition--that being that I had to wear it. There it is right up at the top of this column. I did ask the man if he thought the hat would improve my appearance. It certainly didn't take him long to tell me that it couldn't hurt it any. I won't tell you the man's name but his initials are Cliff Dodson.

Many stories have been in the news in the past few weeks especially about "amnesty" for those who fled this country rather than go to war. Arguments, pro and con, have been aired and written with such logic and intelligence that you have to stop and think what would really be the right thing to do. Should we let deserters, conscientious objectors return to this country without punishment?

I think it would be an interesting question to ask our readers. Write your answers to the Informer/Star. "Yes" or "No" and tell us why you feel the way you do. No names will be mentioned. It could help enlighten the thoughts of many. Write today.

This coming Saturday is the one that the Junior Livestock & Project Show entrants have been waiting for. Over 450 dollars in prize money will be won by the lucky showman of 3 divisions to be judged. Show action will get underway at 1:00 p.m. The project show will be held in the morning hours of the same day. So why not make an entire day of the Burk Burnett Junior Livestock and Project Show this Saturday.

HUD FUNDS REFUSED

According to city manager, Gary Bean, Burk Burnett's application for \$300,000 in HUD funds for a main transmission water line between Wichita Falls and Burk Burnett has been turned down. Bean told the Informer/Star that every possible avenue was traveled by the city to receive the funds, including a letter to Senator John Tower, but to no avail.

Though Burk will not receive the funds, the city officials felt that it was definitely worth a try to acquire the funds for the project. This caused somewhat of a delay, but again, city officials felt a possible \$300,000

aid would be trying for. Now that official work has been received, plans are progressing as fast as possible for the main line with Burk Burnett footing the bill itself. Bean stated, "Plans and specifications should be ready to let for bids within the next 60 days." The project should be completed, unless complications arise, near the end of this summer or early fall. The main line will travel straight from Wichita Falls to Burk Burnett with outlets only at Roadside parks, which was agreed upon by both cities. No official word has been

received concerning the application for matching funds for Burks new Sewage Plant (water treatment plant). The application was filed approximately one month ago to the Texas Water Quality Board and Burk now must wait for an official word. The program will be tied up until some word is received. There is usually a minimum waiting period of one year.

Tidal Street is due a 6-inch water line face lift in the near future. Water line bids for the street will be let February 15th for that project.

Junior Livestock Show To Be Held Saturday

The Burk Burnett Junior Livestock and Project Show will be held this Saturday in the Vocational Agriculture Building. This year's show is divided into three divisions. Those divisions are Swine, Sheep, and

Beef. Five classes will be judged from the swine division, including four barrow classes and one gilt class. In the sheep division four classes will be judged and in the steer division two classes will be judged.

Entry fees for the show are \$1.00 for swine and sheep and \$2.00 for steers. Over \$400 in prize money will be awarded the winners of the show with each entrant taking home at least a \$2.00 consolation prize. Entries are handled by Burk Vo. Ag. Teachers.

Animals entered in the show must be at the show barn on the night before the show. Hogs and lambs should be on the grounds at around 6:00 or 6:30 p.m. and the steers at 9:00 p.m.

According to Burk Vo. Ag. teacher James Easter, Bob Jacobs, Vo. Ag. teacher from Harold, Texas will be the show judge.

During this Saturdays show, High School Vo. Ag. students will carry a large part of the load. Ag. teachers chose boys to act as Division supervisors. Vernon Smith will be the Swine Division supervisor with Graig Crumpler as his assistant. Mike Vegari will supervise the Sheep division with James Bentley as assistant and Rick Bradley will supervise the Beef Division.

Trophies, ribbons and plaques will be awarded the winners of the divisions and their respective classes to go along with the good sum of prize money.

Saturday morning, the project show will be judged. The show, which will be held in the building southeast of the Ag. Building, will offer \$50.00 in prize money to the outstanding projects being judged.

The concession stand will be running full force under the direction of the Burk girl Vo. Ag. students. Goodies will be available all day for the show.

Officers and directors of the Junior Livestock & Project Show will be on hand selling memberships to the association. Memberships cost \$5.00 each and the money received from these memberships is the sole financial backing of the Junior Livestock & Project Show Association and makes these shows possible. Association officers are James Roderick, President; Frank Morton, Vice-President; and Vernon Duncan, Secretary-Treasurer. Directors are William Morton, Norman Roberts, D.B. Clark, and Jack Aaron.

Everyone is welcome and invited to attend the Junior Livestock and Project Show this Saturday in the Vo. Ag. Building at Burk Burnett High School.

ALL Sports Banquet Tickets Now On Sale

Dale Lewis of the First National Bank announced today that tickets are now on sale for the All Sports Banquet which will be held in the Burk Community Center on March 2nd. Tickets may be purchased from the First National Bank, the Burk Burnett Bank, Cornelius Insurance Agency, or from Coach Bill Froman's office.

Everyone is invited to this year's banquet which honors athletes of Burk Burnett schools. This year's All Sports Banquet speaker will be Gene Stallings, defensive backfield coach of the Dallas Cowboys.

Postmaster Instructed On Vietnam Mail

The Department of Defense has requested that Postmaster W.T. Zimmerman announce the following policies which apply to personal mail addressed for delivery through military post offices in Vietnam. Note that these are policies of the Department of Defense and they apply to personal mail to Vietnam military post offices only. The Vietnam post office numbers are listed at the end of this notice.

Burk Burnett High School Coach Bill Froman accepts the "Man of the Year" Award from 1972 Chamber President, Reid McCandless. Mickey Cornelius looks on from the center.

Chamber of Commerce 1st Vice-President J.B. Riley, Jr. presents the "Woman of the Year" Award to Mrs. Minnie Benton, author of "Boomtown: A Portrait of Burk Burnett."

Reid McCandless, 1972 President of the Burk Chamber of Commerce, received the past president plaque from Lester Yates, Chamber President for 1973.

Chamber Banquet Greatest Ever

Last Saturday night's Burk Burnett Chamber of Commerce Banquet, without doubt, was the most successful ever and by far. Over 600 persons attended the banquet outscoring past Chamber Banquet attendance by over 200 people.

Apparently the new banquet format, presented by the Chamber of Commerce which featured local entertainment instead of the regular after-dinner speaker, was worth every effort. The completely full house at the Burk Civic Center is proof enough.

Many special guests were recognized during the banquet including State Representative Dave Allred of Wichita Falls and Maj. General Robert L. Pettit, commanding general at Sheppard Air Force Base.

Burk Burnett High School Football Coach Bill Froman was named "Man of the Year" for 1972. In presenting the award, 1972 Chamber President Reid McCandless stated, "Surely no other man in Burk Burnett brought so much recognition and publicity to Burk Burnett than did Coach Froman as he led his staff and the Bulldogs through an undefeated conference race and on to the state semifinal game."

"This award should go to the people of the town who stood behind us in the years before last season. They made this one possible," Coach Froman told the crowd, in accepting the award.

The "Woman of the Year

Award was presented to Mrs. Minnie M. Benton, of Burk Burnett, the author of "Boomtown: A Portrait of Burk Burnett."

Mrs. Benton, a retired Burk Burnett teacher, published the first history of Burk Burnett. The book, which made its appearance last fall, sold out of its first printing within a few months.

J.B. Riley, chamber vice-president, said in presenting the award, "Hundreds of persons have become better acquainted with Burk Burnett and its fascinating history through Mrs. Benton's book."

Mrs. Benton, a veteran of 27 years in Burk Burnett's history department, wrote the book as her thesis for a master's degree from North Texas State University.

The annual banquet marks the beginning of the new chamber year and new officers were installed. New president is Lester Yates. Riley becomes first vice-president; Dale Lewis, second vice-president; Dick Johnston, treasurer; and Mickey Cornelius, assistant treasurer. New directors are Clark Gresham, Bill Darland, Weldon Nix, Cornelius and Vernon Duncan.

Retiring as an officer was vice president Irv Smith. Dir. vice-president Irv Smith. Directors ending their terms included Dan Schaffner, Paul Avritt, Loise Bean, Johnston, Cornelius and ex-officio director Jerry McClure.

School Board Elects Principals

Members of the Burk Burnett School Board held their regular meeting last Monday night at 7:00 p.m. Several important items were on the agenda to be considered by the board.

The report of tax collections revealed that \$69,208.78 was collected during the month of January, bringing the total to \$232,204.32.

Employment of Mrs. Rochelle D. Carper, 7th grade science, and Mrs. Linda E. Rea, 2nd grade, Sheppard - Burk, was recommended and accepted. Termination of a one semester contract of Mrs. Donna Eggen, 7th grade science, was accepted by the board.

Item #9 on the agenda called for the election of personnel of school in Burk Burnett. Approved elections are as follows: Carl Dixon - 2 years, Burk Junior High; Walter Koller - 1 year, Assistant High School principal; Stanley Owen - 1 year, Principal, Sheppard-Burk; Overton Ray - 1 year, Hardin Grade School Principal; Bill Weathered - 2 years, Southside Elementary Prin-

incipal; Dan Schaffner - 2 years, Assistant Superintendent; Mike McDonald - 1 year, NYC Counselor; and Aubrey Ritter - 1 year, NYC Director.

The school board election date was set during the meeting for Saturday, April 7th. Two places will expire, Place 6, held by Thurman Allison, and Place 7, held by Bobby Littlejohn. Deadline for filing is March 7th with absentee balloting set for March 19-April 3rd.

Also during the meeting, the resignation of Mr. Cheryl E. Fuller was reviewed and accepted by the board. Mrs. Fuller was a Speech Therapist.

Near the close of the meeting, the board heard a request from Mr. Bob R. Carter. The Carter Agency was approved to be included in a list of agencies supplying insurance on school property. A committee was then appointed to study and recommend a school policy on the handling of insurance. Heading the committee was Mrs. Harris, Schroeder and Bankhead.

VISIT WITH LEGISLATORS--Wichita County Farm Bureau leaders met with their legislators during a visit to the State Capitol Jan. 29. Left to right: Rep. Charles Fennell, Loys D. Barbour, Senator Jack Hightower, Norman Roberts and J.W. Tole. The Wichita County farm leaders were in Austin to attend the Texas Farm Bureau Legislative Conference Jan. 30-31 at the Villa Capri Motor Hotel. The two-day conference was held to provide FB leaders information, techniques and contacts necessary to carry out the TFB's 1973 legislative program.

Chamber President Lester Yates presents a plaque to Mrs. Ina Gilbert for her 40th business anniversary in Burkburnett. Mrs. Gilbert celebrated her 40th year last Thursday with open house at the Elite Dress Shop.

MRS. WILMA SYKES

Ada's Fabric Shop Is Under New Ownership

Mr. and Mrs. D.L. Sykes of 820 Preston, Burkburnett, are the new proud owners of Ada's Fabric Shop in downtown Burkburnett. Mrs. Sykes told the Informer/Star that the name Ada's will remain at the store for a short while until everything is under control and rolling. The new owners took over the store on February 1.

The Sykes have lived in and around Burkburnett for the past 24 years. They have four children, 1 married, 1 at UT, and 2 still at home. All are active members of the JanLee Baptist Church.

Mr. Sykes is currently employed at Sheppard Air Force Base with the Civil Service and will continue his present job as Mrs. Sykes (Wilma) runs their new store.

Wilma was associated with Lippard's Furniture for 4 and one-half years until last June.

Mr. and Mrs. Sykes invite all their friends and all visitors to come by the store and see them. Everyone is welcome always.

Study Club Holds Valentine Dinner

The Contemporary Study Club met in the National Room for a Valentine Dinner and Fondue Party with husbands as special guests.

Hostesses for the evening were Mesdames Frank Miller, Tom Smith, E.C. Richter, Bill Pittard, Dan White, Jim Pettit, Cliff Wampler, Gad Garland, and Robert Norriss.

Tables were decorated in the Valentine motif and a huge valentine centerpiece was used on the buffet table.

Special guests for the evening were Davored Raels, a native of Tehran, Iran and Miss Medody Fritz, a native of Mesa, Arizona, both stationed at Sheppard Air Force Base. Mr. Raels spoke on his native country, Iran. He told of the customs, the country and the government.

A brief business meeting was conducted by Mrs. Edgar Fulcher. The Club voted to join the Hig Thicket Association and to make a donation. It was reported that over 300 letters have been written to congressmen and senators in an effort to save the "Big Thicket". Members also voted to collect in the residential section for the Heart Fund of Burkburnett in February.

in February.

Mrs. Bill Pittard revealed plans for a "Pop Art Aluminum Art Show" to be held March 24th in the Reddy Room. She stated that a prize of \$5.00 will be awarded in each division -- Sr. High, Jr. High and Elementary, and red, white and blue ribbons will be awarded in each division for the most original entries constructed out of aluminum products. Judges will be from out-of-town.

New officers for the year are Mrs. Frank Miller, president; Mrs. F.T. Felly, Jr., vice-president; Mrs. Bill Pittard, treasurer; Mrs. Tom Smith, recording secretary; Mrs. Dan White, corresponding secretary; Mrs. Cliff Wampler, parliamentarian; Mrs. Harry Elliott, historian; and Mrs. Robert Norriss, reporter.

Obituaries

Mrs. Iva S. Holt

Mrs. Iva S. Holt, 75, a former resident of Burkburnett, died Sunday in Edmond, Okla. following a long illness. She had lived in Edmond 20 years.

Services were at 2 p.m. Tuesday in the First United Methodist Church of Burkburnett. The Rev. James W. Rodgers of Oklahoma City officiated. Burial was in Burkburnett Cemetery.

A native of Lawton, Okla., Mrs. Holt had lived in Burkburnett for several years before moving to Edmond to make her home with her daughter, Mrs. C. Hubert Gragg.

Pallbearers were Robert Gragg of Wichita Falls, Tallie Sykes of Burkburnett and four grandsons, Charles Pfeiffer, Stephen Gragg, Phillip Gragg and Jonathan Gragg, all of Oklahoma City.

In addition to Mrs. Gragg, survivors include another daughter, Mrs. Jeff Stanley of Oklahoma City; four grandchildren and one great-grandchild.

At your service:

Electricity that helps keep your town running smoothly.

From one end of town to the other, electricity is hard at work for you. Directing traffic. Lighting streets. Purifying and pumping water. Electrically operated traffic lights control the orderly flow of traffic and help prevent accidents. Street lights provide safer conditions for both driving and walking at night. Electricity helps purify water and moves it to your home

for drinking, bathing and laundering. Electricity pumps water to hydrants for fire protection.

All over town, you'll find electricity plays an important role in just about every service that helps keep the town running smoothly. And the use of electricity for municipal services is expected to increase in the years ahead.

When additional power is needed, we'll be ready to provide it for municipal uses and for all our customers' needs.

But getting ready and staying ready is an increasingly

DOGS DOWN VERNON 71-50

All the famous Bulldogs were there to make the victory complete as the Burk Burnett round-balls overhauled the Vernon Lions 71-50. The first quarter really munched the entire four quarters as the Bulldogs never lagged and were always well in control. Danny Nix got the whole thing on the road as he made the first two baskets with only thirty seconds lapsed in the first quarter.

The second quarter only helped to tally the big pile of marbles the Bulldogs held and helped to build suspense for the crowning of a Basketball queen at half-time. Mike Millar just couldn't keep his hands to himself as he snatched the ball from enemy Lions and ran the court. Larry McMahon also did some grabbing and heavy scoring for the Bulldogs during the second quarter. Big "Red" Snowden kept Lions from their goals so that stars Skip Dean and Danny Nix could burn nets. The score stood 41-28 at half-time as Stephanie Muller, Stephanie Anderson and Susie Dennis were

escorted to the center of the court for Queen Crowning ceremonies. Susie Dennis, a junior, who was escorted by Danny Nix was elected by the Bulldog team to represent them as Queen. She is FHA secretary, a member of NHS and Jr. Class Vice-President. Also nominated was Stephanie Anderson, a senior, who was escorted by Mike Millar. She is a Varsity Cheerleader and attended Girls State. Stephanie Muller, a senior, who was escorted by Skip Dean is

a member of NHS, assistant editor of DERRICK, President of the BHS band and a recipient of WHO'S WHO. The game continued with help from Alex Koulovaotes, Zac Henderson, Mark Bailey, Mark Johnson, and Greg Mayes. Danny Nix was again first to get the water boiling as he dropped a two-pointer in. This quarter saw a lot of free throws for the Bulldogs as the Lions were fouling heavily. Skip Dean was hot as he helped burn the net and make the end of this quarter 54-36.

With an exchange of fouls and two tip-offs the Bulldogs still dominated the last quarter. Mike Millar would up for the night and came out hitting as high point man of a very fast game with 17 big ones. Larry McMahon's impatient hands earned him 16 points and 14 was taken by Danny Nix. Skip Dean piled up a total of 13 points. This was just another of the many district feats the Bulldogs have unwrapped this season, and the crowning of a pretty queen could only add glamor to the rugged job of protecting Bulldog fame. Friday night the Bulldogs will travel to Graham and take on the Steers.

7th, 8th, 9th Cage Season Ends Next Week

by Sedelta Verble
The basketball season for Burk Burnett teams has been outstanding for the seventh, eighth, and ninth grades as well as the star-studded Varsity. Coach Charles Seagler's ninth grade has displayed an exceptional defensive unit which has cut their big team counterparts well below scoring average each game. Though their season record is 8-7, their team effort is invaluable in the experience it has given each of the players. "We started off really well this year but we sort of sagged in the middle, but our last few games have been spirited once more," commented Coach Seagler.

season and this in itself is quite a feat. Randy Burke, Chris Berg, David Ray, Mike Landrum, and Mike Schamberger are just five of the outstanding ninth grade round-balls. The eighth grade basketball team coached by Wes Beard has a superior season sporting a 13-2 seasonal record. They won the Consolation Trophy at the Vernon Tournament in late January and as a result have had a very rewarding year. The teams only losses came from Reagan and Vernon teams. Coach Cox, Darral Dickey, Richard Lamp, Brett Patty, and Randy Berg have been prominent players. The seventh grade round-balls had perhaps one of their best games of the year when they defeated City View here 48-39 earlier this week. Jose

Thomas was high point man with 18 points followed by David Nix with 10 points, Bill Patty with 6 and Kevin Schroeder with 6. Another player who has been remarkable throughout the year is Darral Moore. The seventh grade record is 6-8. Again the experience and learning of one year cannot be represented only by a record. "The seventh grade showed during the City View game Monday that they are learning to work as a team and not as five individuals," stated Coach Mays, reflecting over the season. For these three teams the end of the season will be next week. The seventh and eighth grade take on City View there this Thursday night while the ninth grade will play Vernon along with the seventh and eighth next Monday there.

Robert Neal To Teach In Australia

Neal

Mr. Robert Neal of Wichita Falls, son-in-law of Mrs. H.C. Dodson of Burk Burnett, has been selected by the Australian government to go to Australia and teach at their expense for two full years. Prior to being selected, Mr. Neal was teaching in the Wichita Falls School System. Neal goes to Australia through the International Teaching Fellowship, a program which was introduced in 1971-1972 to commemorate the Centenary of State Education in Victoria.

performed and fully qualified teachers of either mathematics or a branch of science who have made a significant contribution to the teaching of their subject and who are worthy to represent their state or country in Victoria. The Fellows have been and are today a source of stimulation to teachers, pupils and the people of Victoria, and the contacts they have made will enable them to contribute greatly to education in their own country when they return.

The program proved so successful that it was repeated for 1972-1973.

At present 130 International Teaching Fellows are in Victoria providing an extremely valuable international influence in our schools.

From great success comes the International Teaching Fellowship Program-Third Series, of which Robert Neal is a part.

Officers were made to each state of the U.S.A., each province of Canada and many local education authorities in the United Kingdom to select one fellow to represent them in Victoria during the calendar years 1973 and 1974. Approximately 60 awards were made, 36 to the U.S.A., 12 to Canada, and 12 to the United Kingdom. The criteria for selection was that the Fellows be ex-

Brownwood 86, Bulldogs 74

So says, Bulldog coach Jim Phillips, Brownwood would have been a tough team for anyone to beat last Friday night as they outscored the Bulldogs by a score of 86-74. Anytime a team hits 72% of their shots from the field, they are going to be hard to beat. Not only that, but Brownwood hit bulls-eyes on the first 7 shots of the game and left the 'Dogs trailing 14-4 with the game scarcely started. Phillips said that "We tried but we just couldn't catch up."

also played a great game but were just outscored by the opponents. That's Basketball.

This loss makes a second half record of 3-1 for the Burk Bulldogs with three games to go. Without much doubt, these will be among the most exciting of the year. Now in a three way tie for first place of the second half, the Dogs must hold their record high. If they can tie the second half of play, no sweat because they will be the district champs. If another district beats their record during this half, it will force a playoff between the 'Dogs and the second half winners.

Anyway you look at it, the easiest way out for the 'Dogs is to win the remaining games.

Player of the Week

Bailey Bails Out Big Bulldogs

by Sedelta Verble
Mark Bailey is one of those stand-out kind of basketball players who has played the game since he was eleven. Though he doesn't know where his career ambitions lie, he does know that he wants to play basketball in college. Mark stands over six foot and weighs 155 pounds which gives advantage to his guard position. "Our offense is exceptional this year and of course the fast break that we employ allows us to outrace our opponent," he commented.

Mark's number 33 can be seen on the court twice a week and can also be seen in such activities as baseball, track, and the Debate team. The tall red-haired senior was surprised by the choice of him in the spotlight this week, but he need not have been. His obvious enthusiasm is a main ingredient to the Bulldog's spirit. He hopes to receive a letter jacket and possibly a sports scholarship to a small junior college.

Bulldog coach, Jim Phillips, instructs his winning team during 2nd quarter action Tuesday night at the Burk Gym. The dogs won the contest by a score of 71-50 against Vernon.

DAY CARE CENTER FUNDED BY HEW AND COMMUNITY

by Kathy Jinkins
Are you involved? Do you really know the facts? These two questions I put to you, the citizens of Burkburnett about your Child Day Care Center.

One basic misconception about the Day Care Center is that the program is just for black people. As it stands, two-thirds of the present participants are white.

Day Care Centers are 80% funded by the Department of Health, Education and Welfare and 20% by the community itself. These community funds are not necessarily in the form of cash donations. They may consist of volunteer time, building space, etc.

Burkburnett is funded to care for 30 children, ages 3 to 6, and the quota is full with the daily average attendance from 20 to 26 children.

For a child to be eligible for the day care program, the parents must be considered economically in the low income bracket as described in the guidelines of the Federal Government. These children are kept at absolutely no expense to the parent.

There are some borderline cases and there can be 10% of the children kept in a certain geographical area who are over the guidelines. Also neglected children can be offered the services of the Center. The majority of the children live with only one parent, who does the complete job of supporting. These are not cases of a parent not working, but that the parent is unskilled and just not able to earn enough.

The funds allocated for the project by the government pay for many, many things these children would otherwise go without, such as a complete medical examination every year and one well-balanced meal a day (at a cost of 50¢ allocated a day per child). The children also receive FREE immunizations from the County Health Unit.

There are three Centers involved in this area, one in Wichita Falls, one in Henrietta and ours in Burkburnett. A total of 105 children are presently being served by this program in the three Centers.

It needs to be understood that these children are not just

under baby-sitter care. They have a well-rounded course of activities each day. Mornings provide most of their planned activities so more children can be there to participate.

A day at the Center begins at 6:00 a.m. and for the early arrivals breakfast is served. Free play and a snack brings them up to about 9:00 and then all sorts of activities take place - painting, field trips, even some math concepts are taught, but in a fun way. The children are divided in two groups, 3 and 4 year olds and 5 and 6 year olds for their classes. They are taught basically the same thing, but on a different scale because of their age differences.

After a full morning of activities, lunch is served and then it's nap time. They awaken to receive another snack and many more interesting activities.

Their schedules are quite flexible and for very good reason. These children have really special friends who are always coming up with some extra "something" for them.

Different groups, organizations and individuals have made a point to show these children there are a lot of people who care about them.

One group in Burkburnett provides a birthday party for each child. And a holiday never goes by without the Children being given a party.

Many, many items have been donated to the Center by interested and involved persons. The children enjoy an aquarium and fish, have a piano, have clothing, classroom supplies, canned foods, and toys they otherwise might not ever have the opportunity to enjoy. Also many hours have been donated by volunteer workers.

The present staff at the Day Care Center is really one to be proud of. There are four who work eight hour shifts, Glada Oliver, Helen Locklin, Pearl Smith, and Arnee Smith and two who work four hour shifts, Susan Stewart and Pearl Brown.

These ladies aren't just your average baby-sitters. At present they are all taking two extension courses from the

Vernon Regional Junior College. Also they attend seminars and classes to keep them up with the latest information on child development and care.

The parents of these children do their part too. Parent participation is really encouraged by the Center. A parent meeting is held once a month with informative programs to keep the parents abreast of what is going on and what they can do to help their child more.

As far as the children are concerned, they look forward to the time they spend at the Day Care Center. It doesn't take long for a child to get over his shyness or fear at this place. Each child is made to feel he is really welcome and cared about but he is disciplined when necessary too.

Even though there are many in Burkburnett who already give of their time to these children, volunteers and help of any kind is always needed and very much appreciated. So citizens of Burkburnett, lets open our hearts and give a little to some "little ones" who really need our help and support.

No one has to tell these kids to eat, and this reporter certainly found out why. The food is really great!

The television seems to still hold some attention, but the camera lens was too much to turn away from.

SNOOZE TIME--Naps are taken daily by each child and there seems to be little resistance.

Phi Beta Kappa Selects Burk Girl For Membership

The University of Texas chapter of Phi Beta Kappa, leading national scholastic honorary society in the arts and sciences, has elected 171 new members. The new members are drawn from the May, August and December graduating classes, and from junior members in course. New officers for Phi Beta Kappa include Keith E. Morrison, William Stamps, Professor of Law, president, and Mrs. Dorothy Tate Lay, editor of official publications, vice president.

Dr. James A. Hitt, assistant professor of classics and associate dean for student academic affairs in the Division of General and Comparative Studies, was re-elected secretary-treasurer. Of the total new PBK members, 159 are from Texas, and

the remainder are from out of state. Pamela Fowler Clement, 1209 Shady Lane, Burkburnett, a December 1972 graduate, has been elected to Phi Beta Kappa.

Kenneth Mahaffey Degree Candidate

The University of Texas College of Engineering listed more than 180 students as candidates for bachelor's degrees at the close of the fall semester. The list of degree candidates, announced by Dean Ernest F. Gloyna, includes the following Burkburnett resident: Kenneth Ross Mahaffey, North Avenue C, Bachelor of Science in Chemical Engineering.

Girl Scouts Set Busy Schedule Of Activities

Monday afternoon was an important meeting for Girl Scout Troop #45. T/Sgt. Charles Smith from the Medical Services School at Sheppard Air Force Base, showed a film, "Pulse of Life" and demonstrated life-saving techniques with "resist-annie".

Troop 45 is planning a "Think Day Snack Supper" Feb. 22 with Troop 59 preparing food from seven countries.

Each year Girl Scout Troops are in the cast of the Easter pageant in the Wichita Mountains. This year Troops 45, 59 and 25 will be in the cast. Troop #45 will make this a weekend campout. Sgt. Smith will work with the girls on First-aid badges.

Burk Riding Club Events Reviewed

by Bobbie Klinkerman
Here I am back again. I want to let you in on a few things that are going on our way.

We really had a bad month (January). We had our regular playday scheduled and it snowed. We rescheduled it and it was icy, so we just had to skip our playdays for that month.

We really hope to get going this month. Our horses are really needing a good working. Our next playday is scheduled for February 13. Registration is at 1:00 and the ride at 2:00.

We are sorry that our president, Paul Holderness, was sent TDY to the Philippine Islands. He will be gone for 6 months duty. It's going to be real hard on Peggy and their three girls but we hope the time will pass fast for them all.

We are proud to announce that one of our club members, Miss Julie Spanable, daughter of Jack and Marcia Spanable, placed first in the barrels and third in the key hole at the Fat Stock Show in Ft. Worth. This is great. We are so proud of her.

Our club had its monthly meeting Feb. 3 at the Burkburnett Bank Community Room. Don Roy Klinkerman presided at the meeting in Paul's absence. The directors will have a meeting before the next club meeting to discuss the by-laws and to appoint a new vice-president to serve until Paul gets back.

The club members voted on the events to be run at the Association finals. The club voted to send two delegates to the convention and pay their registration fees.

The Burkburnett Club will have a special playday April 25 to practice new events announced in the riders roundup. If there aren't more than 6 at that time, there will be a jackpot barrel event at \$1.00 an entry. There will be classes for seniors 15 years of age by Jan. 1 and for Juniors 14 years of age and under. This includes boys and men also. They will all ride together.

Sharon Perkins and Jack Spanable were appointed to serve on the Telephone Committee.

Don gave a report of the district meeting and told of the up-coming fund raising project.

I guess this is all for this time. We hope to be working the old horse real good by this time next month. Bye bye.

Valentine Motif For Missionary Society Meeting

The Federated Missionary Society met Friday, February 2 in the home of Mrs. Helen Turner.

The meeting was opened by ladies singing, "Help Somebody Today". Mrs. Mintie Miller led in prayer.

Mrs. Myrick brought the devotional reading from the Living Bible. Her topic was "Constant Christian Living." She also read an item from the Guidepost.

Mrs. Lela Mallett, president, read a letter of appreciation from the Faith Mission. The letter told of the number of people that have been helped in various ways in the past year.

A card of thanks was read from the State Hospital for the Christmas gifts sent and other things taken just before Christmas.

Mrs. Mallett expressed her appreciation for the beautiful book given her for Christmas. Mrs. Fannie Baker was welcomed as a new member.

Minutes were read and the treasurer's report given. A number of business items were taken care of.

Ruth Beldon presented the program. Since this was the first meeting held in 1973, she read "A New Year's Meditation" by Florence Kelly Sullivan.

Mrs. Beldon also read a poem, "The Package of Seed." A Valentine game was played and Mrs. Myrick won.

Mrs. Beldon composed a song using the letters in the word Valentine. Everyone sang the chorus to the tune of "Revive Us Again."

She also presented everyone present with a Valentine book marker she had made.

Mrs. Mallett dismissed with prayer.

Valentine refreshments were served to two visitors, Mrs. Myrick and Miss Burrows; one new member, Fannie Baker, and twelve members.

The next meeting will be in March with Edna Begeman.

County Agent News

March 1 is drawing near as the deadline for farmers to file their 1972 income tax returns. To be considered a farmer, two-thirds of your gross income must come from the sale of agricultural products.

Although you may not pay income tax this year due to various reasons, you must still file a Schedule F if you had any income from farming. To pay any income tax a net farm profit must have been realized. If this was the case, the same exemptions and deductions that apply to any other individual can be used in determining income tax.

Married persons filing joint returns for 1972 will not have to pay any tax if their incomes were less than \$2,800. However they still need to file a Schedule F.

For Social Security purposes, farmers may need to file a self-employment return. This return can be filed on either the net or gross farm income if the net income was less than \$1,600.

Fifteen clinics on artificial insemination and pregnancy testing will be conducted for livestock producers in 1973.

Are you interested in learn-

ing how to prune fruit trees? If so you will want to attend a demonstration in the County Court Room in Wichita Falls on Thursday, Feb. 15 at 1:30 p.m. Virgil Woodfin, Iowa Park Experiment Station, will be in charge of the demonstration.

The second Livestock and Pasture Symposium meetings, sponsored by the County Agent's Office and the Wichita Falls Board of Commerce and Industry will be held at the Holiday Inn Downtown on February 13 beginning at 7:30 a.m. This is a breakfast meeting. The meeting should be completed by 8:30 a.m.

Another top speaker is planned for this meeting. Dr. Ed Uvacek, Livestock Specialist, Texas A&M University, will discuss "Beef Cattle Trends and Outlook."

Bob Hillery is in charge of the program. Please call the BCI for your reservations.

A rose pruning demonstration will be held Monday, February 12 in the County Court House, at 10 a.m. Curtis Smith will be in charge of the demonstration. There is no charge and the demonstration is open to anyone interested.

Appliance Sales Discontinued By Gas Company

William C. McCord, president of Lone Star Gas Company, announced that effective today the company will concentrate promotion of major gas appliances through local dealers and will discontinue company sales of most gas appliances.

In the future, sales of gas rangers, water heaters, clothes dryers, house heating equipment and incinerators will be handled exclusively through local appliance dealers around the state. In the past, local managers in Lone Star's service area have maintained display and sales outlets at local offices in Texas.

In making the announcement, McCord noted that the company will continue to display and sell "all year" air conditioning equipment, outdoor gas lights and grills through local managers.

He added that the company will fulfill all of its obligations under existing service agreements and warranties.

Guidelines of Life

by John B. White, Minister, First Christian Church

Running currently among over one hundred and fifty denominations in American is a special emphasis on evangelism called Key 73. It was launched around the weekend of January 6 and 7 in Wichita County and North America with an amazing goal of getting to every person in the North American Continent, knowledge of God's love for him as expressed through Jesus Christ. Winning people to faith in Christ has been with us a long time dating back to Pentecost when the Holy Spirit was visited upon the early Christians gathered together. Peter marked the occasion with a great sermon which had many conversions as a result.

1973 years later or close to that many years we again try to vitalize ourselves as those early members of the faith did. Paul was converted not too much later and began to take up the gauntlet from Peter and the other Apostles to spread the Word. Silas and Barnabas and Timothy were gathered in by Paul. Momentous things occurred as the Church became established across Asia Minor and eventually through Paul's efforts to Europe and then to America.

Christ gave to us all the job of witness or evangelist as he gave the Great Commission. It is strengthening to join with others of other faiths and carry out the responsibility that is upon all our shoulders.

The Christian life is different than the average run of the mill life that you run into on the street. There isn't that cut-throat approach to business, or that make a fast buck regardless if it's pornography, drugs, prostitution, alcohol or shoddy goods. The Christian life is different in its quality within the persons life. His goals are not for self alone. He shares in the feelings aspirations and concerns of others, here in Burkburnett, America, and ten thousand miles away of persons he'll never see. As Key 73 continues to the last days of 1973, the Holy Spirit in reality will not stop its work but keep propelling us forward for all the years we have left. What is the spirit leading you to do toward the lost right now though?

Officers Installed At Clara-Fairview Community Meeting

The Clara - Fairview Community held its regular monthly meeting Friday, Jan. 26 in the Community building. The regular meeting date of Jan. 14th had to be postponed due to bad weather.

Mrs. Newton Crane installed the newly elected officers for 1973. They are: President, E. J. Simon; vice - president, Jesse Hills; secretary, Mrs. Charles Goins; treasurer, Mrs. E.W. Roderick; reporter, Norman Roberts and Commissioner of Agriculture, Charles Goins.

Following the business meeting, refreshments of coffee, hot chocolate and doughnuts were served by Mrs. Simon and Mrs. Crane.

The next regular meeting will be February 8th.

County Extension Agent

JOYCE SMITH

Mrs. Hugh Lee, County THDA Chairman and Mrs. Clarence Payton, Home Demonstration Council Chairman, attended the district THDA training meeting in Graham, January 29.

Home Demonstration Council will meet February 13, 1:30 p.m. in the County Court House. A THDA meeting will be held to elect delegates to the District THDA Meeting to be held April 15 in Jayton, Texas. Each club is urged to bring a nominee to the council meeting.

This agent will attend training in Seymour, February 13 and Dallas February 15 and 16.

The County Food Show will be held February 17 in the Texas Electric Rddy Room.

The council yearbook committee met to plan the new yearbook. Mrs. Clarence Payton attended for Mrs. R.A. Gilbert who has been ill. Others assisting Mrs. Payton and Mrs. Bee Bryant were Mrs. Hugh Lee, Mrs. B.J. Gattis and Mrs. John George.

Used appliances are a definite risk. Shoppers should be selective and know what they're getting. Consider prices--often it's hard to decide value if the appliance's condition is not known. Do a little comparative shopping--service life of a secondhand appliance is usually half that of a new one.

Check warranties, because usually they don't cover second owners. Try to get a written guarantee.

Be sure of the dealer's reputation if you buy a damaged appliance or a demonstration model. Check to see if he will back up his claims. Shoppers who buy at garage sales or auctions have no dealer on which to rely.

Look for sound electrical connections and see that all safety features are operational. Also look for broken parts or marred finishes.

Turning to another kind of used appliance, 'reconditioned' and 'rebuilt' are terms used to describe secondhand items. A reconditioned item has been cleaned with parts replaced to make it work. A rebuilt item was overhauled more thoroughly and its workability depends on the dealer's know-how.

Feb. 13 Set For Southside PTA Meeting

Southside PTA will hold its regular meeting Feb. 13, at 2:45 p.m. The program will be presented by Mrs. Babinsky's First Grade Class. Nursery will be provided.

The basketball game between the Southside Fathers and High School Faculty was a good game with the final score Southside 54 and High School Faculty, 60.

Selling candy is the Feb. project for Southside's air-conditioning fund, which so far has been met with good success.

U.S. RODENT CONTROL SPECIALIST

LARRY KILLGO

LARRY KILLGO article-Farm
In previous articles we talked about man's enemy--the house rat and the house mouse--and their control using anti-coagulants and traps. This week we will discuss ratproofing as a preventive control once the bulk of the population has been destroyed.

Ratproofing means simply to build rats and mice out. Examine all buildings on your property very closely and locate all openings larger than one-quarter inch. These openings must be closed with a material rats cannot penetrate. Good ratproofing materials are cement, one-quarter inch hardware cloth and 26 gauge or heavier sheet metal.

Holes around metal pipes passing through a wooden wall may be closed by fitting a piece of sheet metal around the pipe and tacking it to the wall. Holes around pipes passing through a brick or concrete wall or foundation may be closed by filling in with cement. Any open vent allowing access to the house may be closed using one-quarter inch hardware cloth. Wooden sills and doors at ground level should be sheathed

in sheet metal to prevent being gnawed. If rats burrow beneath a foundation to enter a building, it would be well to install a curtain wall in the shape of an "L" two feet deep and one foot across the footing. This footing will prevent burrowing and thus keep rats out.

Rats require food, water and shelter to survive. The removal of these will deny a suitable habitat for them. A general cleanup on your property not only makes the place look better but removes many areas rats may live and breed. Any pile of junk, trash or lumber provides a perfect place for the rat to live. Garbage cans without lids may be a source of food for rats. Tall grass and other vegetation should be mowed around buildings. Garages which are allowed to "pile up" provide a place for rats to live.

In the home, any food stuff which may be eaten or contaminated by rats and mice should be placed in metal or glass containers with lids. Keeping the home and other buildings tidy and uncluttered makes inhabitation by rats and mice very difficult.

Five Spheres Program Begins Eighth Year

Midwestern University's Five Spheres of Science program began its eighth year with the Feb. 3 meeting, according to Dr. Arthur F. Beyer, chairman of the MU biology department and program director.

This program offered scientific lectures and demonstrations to a select group of local and area high school science students. Texas Electric Service Company sponsored lunch for the group on each of the five Saturday schedules in MU's Clark Student Center cafeteria.

The opening session at 9 a.m. Saturday included a welcome by Dr. Travis A. White, MU president and Eddie Watson, division manager of Texas Electric. The fields of biology and mathematics are to be explored.

About 35 students attended this science program. They were primarily juniors and seniors who were recommended by their school faculty and principals. Other scientific areas being explored included business administration, chemistry, geology, nursing and health sciences and physics. One session also toured the School of Health Care Services at Sheppard AFB.

Burkburnett students participating in the program included John Paul Fowler, Shelly M. Moore and Leah Rogers.

Chamber Leaders To Attend Workshop

ABILENE - Claude W. Brown, President of the West Texas Chamber of Commerce has announced that the organizations Annual Leaders Workshops will be held in three different cities on consecutive days, "to give Chamber leaders from throughout West Texas an opportunity to attend the one nearest them." The Workshops will be conducted at the Agriculture Building in Plainview on Tuesday, February 13, at the Midland Country Club on Wednesday, February 14, and in the Student Union Building at Tarleton State College on Thursday, February 15.

Chamber of Commerce leaders from Burkburnett who will attend the Workshop in Stephenville are: Lester Yates, president; J. B. Riley, 1st Vice-president and Raymond Greenwood, manager.

The program will begin in all three cities at 10:00 a.m. with registration at 9:00 a.m. The keynote speech at Stephenville will be given by Mr. J. C. Pace, President of the Fort Worth Chamber of Commerce.

Our Business Review would like to feature this week, Elliott Auto Supply. Harry Elliott, owner and manager, is a life-long resident of Burkburnett. Elliott has been in the automotive parts and service business since 1939, when he went to work for Casey Logan Motors. In 1964, Elliott purchased the business from Casey Logan and operated in that location for two years. The business then moved to its present location at 300 East 2nd, in 1966.

Harry prides himself on having anything needed for any kind of auto repair for any make and model American car and for most foreign cars. He is the franchised jobber for the American Parts System, which sells all popular brand parts. Elliott Auto Supply also features Dunlop tires, Briggs & Stratton engine parts and Snapper lawn mowers. "I have enjoyed the growth of business in Burkburnett and think it will continue to grow," stated Elliott. Also employed at Elliott Auto Supply are Kerry Elliott, Harry's son, as Parts Manager, and Mrs. Donald Elliott as secretary-bookkeeper. Harry would like to take this opportunity to welcome all friends and customers to come by the shop any time. Harry and his wife Marcella reside at 1004 Sheppard Road. Already mentioned is Harry's son Kerry, and he also has two daughters, Muranne Lawson and Susie Hill.
