Kids from all around are wondering about that ol' Easter Bunny. When is he coming? Where will he hide all those eggs? Will I be lucky enough to find any? How many might I find?

Ask no more, little friends. We're here to tell you that that ol' hare is stopping by Saturday morning at 10:00 a.m. at Permian Park in Burk. What's more, he is going to hide better than 10,000 eggs for you to seek and find. More yet, some of the eggs will be plastic and will have special prizes for you inside.

Little burgers won't have to worry about getting run over by the bigger kids cause the terrain has been divided into three areas and the kids will be divided into three age groups. That way if someone runs over someone else, he is going to have to run over someone his own size. And with 10,000 eggs delivered to the grounds, it's almost a sure thing that everyone will find plenty of eggs.

So be sure and be there Saturday morning.

We understand Dale Lewis has been moving a little slow here the last couple of weeks. Seems Dale picked up a good case of the mumps. Someone asked just this week when old "Hog Jaws" was coming back to work. Lewis, absent from work for the last couple weeks, called and told everyone not to worry about him, he was doing just fine.

However, it will be four more weeks before he makes it back to the bank.

Jerry McClure is the guy to go fishing with. Just before he launches his boat he offers his partner a wet suit so he won't get wet. Now most inexperienced fishing partners would think that the suit was offered so you wouldn't get wet from water from the lake. . . . Not so. . . . McClure offers the wet suit so that the can split about 3 ounces of good, dark brown tobacco juice into the air, while traveling across the lake at 35 mph, and not offend you when it hits.

And then once you get to the right place, he is the only one to catch any fish. Yes sir. McClure is the guy to go with.

Easter is another one of those holidays that everyone enjoys so much. Usually a little time off with the family for fun and relaxation. But it's so easy for Easter to come and go without serious thought of what Easter really celebrates. This Easter we should all set aside a part of this time to think about the fact that Christ arose! He really did.

Thanks for reading the Informer/Star. If we can be of service to you, don't hesitate to call.

Bill Froman Resigns; Accepts At Corsicana

Burkburnett Athletic Director, Bill Froman, turned in his resignation last Tuesday morning, effective Thursday, April 19.

Froman and his family will be moving to Corsicana, Texas where he has accepted the position of Athletic Director and head football coach.

Froman stated, "We are looking forward to going to Corsicana. Right now everything looks real good for us. I feel it's a great opportunity for myself and my family."

Froman, as Athletic Director and Head Football Coach in Burkburnett, took the Bulldogs farther than they have ever gone before in football. Under Froman, the Bulldogs over-ran district 4-AAA for the district crown, fought a bloody battle

for the regional championship, and were then defeated in the semi-finals of the state playoffs.

Burkburnett's Athletic program as a whole has seen great improvement under the direction of Bill Froman including track, basketball, and many other phases. No doubt, Froman will be a great loss to the school system and to the city of Burkburnett.

"My family and I have been very pleased in Burkburnett. I am especially proud that the athletic program has seen great expansion and the facilities have been very much improved. The school is on a good solid foundation and I will always be most grateful to the people who have helped, down through the years, to get the job done."

Conference Plans Finalized For 13th District P.T.A.

Final plans are being made for the 43rd annual Conference of Texas Congress of Parents and Teachers of the 13th District to be held in the Civic Center in Burkburnett April 26 and 27.

The conference theme is "Communication". The main speaker for the banquet on April 26 at 7:00 p.m. will be State Senator Jack Hightower. The banquet will be honoring life members and school personnel.

Mrs. C. B. Smith, vice-chairman of the conference will have a special program for entertainment. Tickets for the banquet and luncheon can be obtained at both Southside and Hardin Schools or from Mrs. C. B. Smith at 569-2996. Mrs. H. P. Stratton, District President of Wichita Falls will be presiding over the Banquet and also the general meeting on April 27. Registration will begin April 27 at 8:00 a.m. with a coffee, courtesy of Sheppard-Burk P.T.A. Delbert David, P.T.A. president, will be in charge. James Pearson, Superintendent of Schools, will give the greeting and a welcome will be given by Raymond Greenwood, Manager of Burkburnett Chamber of Commerce.

The keynote address will be given by Mrs. William Tipping of El Paso, vice-president of Texas Congress of Parents and Teachers.

Mrs. J. B. McCray of Panchandle, State Cultural Arts Chairman, will also be speaker. Highlight of the afternoon session will be a program by students of Burkburnett High School on "Communication". Moderator will be Mrs. Fern Bloodworth, Drama teacher of Burkburnett High School.

A Board of Managers meeting will be held at the National Room of the First National Bank on April 26 at 2:00 p.m.

The conference is hosted jointly by Southside, Hardin and Sheppard-Burk P.T.A.'s.

Mrs. H.P. Stratton

At 4:00 p.m. a tea honoring the State Representatives, District Board of Managers, the Burkburnett Administrators faculty and School Board will be hosted by the Contemporary Study Club.

Local committees met in the Reddy Room with representatives from Southside, Sheppard-Burk and Hardin. Mrs. Robert Norriss, general chairman was in charge of the meeting. She was assisted by Mrs. C. B. Smith, vice-chairman. Each committee gave a report. Reports were heard from the various committees which included: Reservations and tickets, Mrs. C. B. Smith; Publicity, Monte Williams; Decorations, Mrs. Jimmy Baker and Mrs. Emilea Rooney; Banquet and Luncheon, Mrs. Bill Wood; Registration and credentials, Mrs. Don Forrest and Mrs. Bob Carter; Exhibits, Mrs. Richard Cerveny; Platform, Raymond Greenwood.

The conference is hosted jointly by Southside, Hardin and Sheppard-Burk P.T.A.'s.

"The Roar Of Boomtown" May 10, 11, 12

by Sedelta Verble
A gigantic production is underway at Burkburnett as THE ROAR OF BOOMTOWN, an original play based on Burkburnett's boom days, bursts into construction by the entire drama department. ROAR will be presented in the Civic Center on May 10, 11 and 12 at 8:00.

The splendid musical concerning the early portion of this century when Burkburnett was at its peak in oil boom was written by Mr. John Quisenberry and based historically on Mrs. Minnie Benton's current book, BURKBURNETT: PORTRAIT OF A BOOMTOWN. See BOOMTOWN, Page 2

Burkburnett's new mayor, T. M. Cornelius and mayor pro tem, F. R. McCandless

Cornelius Named Mayor Of Burk

A city budget of \$750,000 was approved by Burkburnett City Council Monday night after three new councilmen were sworn in and a new mayor and mayor pro tem were elected. T.M. Cornelius was elected as mayor and F.R. McCandless was named mayor pro tem. Earlier in the meeting, McCandless, A.H. Lohofener, and John Musick were sworn in as council members by city attorney Joe Janek following a canvass of ballots from the April 3 city election.

The meeting was also a public hearing on an ordinance authorizing an assessment of \$1.75 per front foot of property owners on Tidal for construction of curbing and guttering.

A new rate ordinance requested by Lone Star Gas Company which would include an automatic gas cost adjustment clause was tabled for the second time.

A tax rate of \$1.50 per hundred was set on the city's evaluation of about \$1 million.

The Burkburnett Bank was named city depository for 1973-74.

The budget passed by the council anticipates revenues of \$778,444 derived principally from water sales of \$235,000; taxes including a sales tax of \$229,000; sewer and garbage revenue of \$172,000; franchise tax of \$38,000; revenue sharing of \$52,000; and miscellaneous

income of \$52,044.

Department expenditures as set up in the budget total \$684,441, including general government, \$36,983; administrative account, \$31,175; tax department, \$17,501; city hall, \$4,335; fire department, \$15,316; community center, \$9,100; police department, \$106,195; library, \$19,365; street and inspection, \$108,595; parks and recreation, \$7,866; water well and distribution, \$144,195; water billing and collection, \$48,190; sanitation, \$61,949; sewer disposal and collection, \$48,190; sanitation, \$16,949; sewer disposal, \$37,500; revenue bonds, \$37,176; and miscellaneous, \$1,000.

Capital improvements of \$84,300 set up in the budget include \$14,500 for the water department; \$52,000 for the street department; \$5,000 for the sewer disposal account; \$2,000 for the fire department; \$1,000 for water billing; \$500 for city hall; \$300 for the tax department; and \$3,000 for parks and recreation.

Improvements recommended by city manager Gary Bean included a new jail in the rear of the police station, a new dump truck, a tree limb chipper, and a concrete drain on Avenue A.

May 21 was set as the dedication of the new I.C. Evans Park.

PACKING PRIZE EGGS FOR ANNUAL HUNT--Chamber of Commerce Secretary Irma Johnson is shown as she prepares a portion of the dozens and dozens of prize Easter Eggs for the annual Chamber Easter Egg Hunt Saturday. The plastic prize eggs will contain certificates for valuable prizes from Burkburnett merchants. The prize eggs will be scattered and some 10,000 eggs for the local youngsters to hunt.

Easter Egg Hunt To Be Held Saturday, 10:00 A.M.

Kiddo's from Burkburnett and surrounding area are in for a big treat this Saturday morning at 10:00 a.m. in Permian Park in Burk. The Special Affairs Committee of the Chamber of Commerce placed an order for over 10,000 Easter Eggs and ol' Peter Cottontail assured them that he would make delivery on time Saturday morning.

Jim Frye, chairman of the Special Affairs committee, stated that the ol' Easter Rabbit will distribute the eggs in 3 separate areas of the park so that the participating kids can be divided into three age brackets. The youngest bracket is from 1 to 3 years of age, the second bracket will be from 4 to 6 years of age and the oldest bracket will be from 7 to 10 years of age. This will make the hunt fair and square and keep some of the little ones from getting knocked down when the stampede starts.

In addition to the 10,000 regular Easter eggs, 5 or 6 dozen prize eggs will be hidden in the hunting areas. These plastic eggs will contain pieces of paper entitling the finder to prizes from various Burkburnett merchants. The particular merchant will be named in each egg and the paper must be taken to the store to claim the prize.

According to Frye, with better than 10,000 eggs on the ground, every child should find and retrieve plenty. But just in case a few of them don't, the ol' cottontail left an extra box or two so that not one child will go away disappointed.

Mom, Dad, bring the kids to Permian Park Saturday morning at 10:00 a.m. for the Big Easter Egg Hunt. Don't wait too long after 10:00 though because 10,000 eggs don't last near as long as most would think.

Industrial Directors To Acquire 20-Acre Site

The Burk Burnett Industrial Foundation directors, in a meeting last week, voted to acquire an approximately 20-acre industrial site near the present Industrial Park, according to A.R. Hill, president of the Foundation.

"The site, located on the south side of the intersection of Preston Road and Ciba Road, seems to be the site most favored by industrial prospects, that have visited Burk Burnett," stated Hill. "The site is easily accessible to both rail and to the expressway."

Burk Burnett lost its bid to acquire an attractive industry a few weeks ago to Paris, Texas. At present, however, the Foundation is working closely with the Industrial Team on another very favorable industrial prospect that visited Burk Burnett some two weeks ago.

Results of their combined efforts, hopefully will be known in a short period of time. In speaking of the site, Hill stated that the Industrial Foundation has had option on the property for several years, but the Foundation directors thought it would be wise to purchase the property at this time. "There's always the

possibility of that large tract of land being sold and along with it the 20-acre industrial site we have an option on. The new owners might not want to sell us the 20-acre site out of the large area, or at least ask a much higher price than what we will have to pay for the land at this time," stated Hill.

Preliminary plans to begin a membership and fund raising drive by the Foundation are being made at this time with kickoff of the drive set for mid-April.

It is estimated that it will take some \$20,000 to purchase the industrial site and pay for the various miscellaneous costs involved in the deal.

At a breakfast last Tuesday morning, pledge cards were passed out to members of Burk's Industrial Team, the Industrial Foundation, and directors of the Burk Chamber of Commerce. Members of these organizations will be contacting local businessmen and individuals for pledges.

SHERI GORHAM of the Burk Burnett Junior Red Cross Chapter is shown presenting a check for \$4.53 to Mr. Mark Wilson. This is a new record contribution from a Junior Red Cross Organization. The money will be used for Red Cross Youth Activities.

The next project will be registration for Red Cross summer volunteer activities. Mr. Terry Cost, sponsor of the Burk Burnett Chapter, predicted that if the youth were as generous with their time as with their money, the volunteer program would be an overwhelming success.

FUNNY MONEY is now available from Burk Merchants to be used in the upcoming city-wide auction, May 17. Shoppers in Burk Burnett will receive one dollar in FUNNY MONEY for each dollar spent in the stores. This money should be saved and used during the May 17 Auction. Just a few of the good items that will be auctioned off for Funny Money are hot wheel toys, 5-piece luggage set, replica of an 1850 cap and ball deringer, propane torch, auto dex telephone list finder, Max Factor and Revlon products, and near \$100 in groceries. So gather and save your Funny Money, it's valuable to you. Above, Joe Gillespie gives funny money to Mike Gaines after a transaction earlier this week. Gaines is the funny looking one on the right.

Six very fine tennis courts are available for use to the citizens of Burk Burnett and are lighted for night use. The courts were built by the Burk Burnett Independent School District and the City of Burk has finished the lighting, and pays the light bill. City Manager Gary Bean requests that each citizen make sure the lights are turned off when the courts are not in use. Each court is lighted separately and only the courts in use should have the lights operating.

Boomtown Chapter Holds Boss Night Banquet

Boomtown Chapter held their 10th annual Boss Night Banquet at the Burk Burnett Community Center, Saturday evening.

Mistress of Ceremonies for the evening was Mrs. Ollie Ruth Larson. Invocation was given by Laura Powell and Pledge of Allegiance led by Kathy Keene.

Highlight of the evening was when Mrs. Joanne Flynn, Distributor of Tupperware was crowned "Boss of the Year for 1973". Mrs. Flynn has started at the bottom and worked her way up in the tupperware line. One starts normally as a dealer, then manager, top manager in the area and then offered a

Distributorship. She and her husband Ron, are a husband and wife team called "Tempo Sales". They are originally from Denver, Colorado, residing now in Lawton, Oklahoma and have three children. She is the boss of Mrs. Pat Dunn, tupperware dealer in the Burk Burnett area. Mrs. Rita Hud-

son, vice-president made the presentation of the award, and at the same time Mrs. Dunn was presented a corsage as "Employee of the Year". Selection was determined by a panel of judges who reviewed many letters submitted by Boomtown members. Monte Williams read the winning letter submitted by Pat Dunn.

Chapter vice-president Rita Hudson welcomed members and their guests, and Carl Dixon, principal of the Burk Burnett Junior High School and 1972 Boss of the Year, gave the Boss's response.

Special recognition was given to Past Presidents, and Past Women of the Year by Ruth Larson, general chairman of the banquet.

Mrs. Hazel McCullough, teacher in the Burk Burnett School System gave the vocational talk. She told of her various duties and responsibilities of teaching and especially how rewarding her work is.

Mr. Doyle Anderson, Music Director for the Central Baptist Church sang several vocal numbers, accompanied by his

daughter.

Dr. Travis A. White, President of Midwestern University was guest speaker for the evening. His speech was entertaining and centered mainly on education, keeping with the theme of the Banquet "School Days".

The Aims and Purposes of ABWA was given by Mae King, Past Woman of the Year, and the ABWA Creed was read by Vera Colyer.

Members who gave much time and effort to the very successful banquet were, Banquet General Chairman, Ollie Ruth Larson, Banquet, Pat Dunn and Betty Pruitt; Decorations, Barbara Royden; Programs, Pauline Evans; Invitations, Betty Pruitt; Publicity, Kathy Keene; Scrapbook, Jane Hill; Bulletins, Joyce Fletcher; Door Prizes, Nila Braden; Table Arrangements, Pat Dunn; Hostesses, Laura Powell, Margaret Williams, Kathy Keene, Mae King and Laura Todd.

Door prizes were given to some lucky bosses and the benediction was given by Laura Todd, Past Woman of the Year.

The SMILING BLUEBIRDS, under the leadership of Mrs. Raymond L. Brown and Mrs. Don Forrest, presented a check to the Burk Burnett Library as one of their projects for the year. The money was raised through their candy sales. Mrs. John W. Strayhorn received the money for the library.

Pictured from left to right (back row): Mrs. John W. Strayhorn, Carrie Brown, Karen Carter, Leslie Smiley and Lea Froman. Front row: Deanna Hamilton, Trina Einhalls, DeeDee Wilkerson and Marty Forrest.

Mrs. Rita Hudson crowns Joanne Flynn as "1973 Boss of the Year" during banquet ceremonies last Saturday night at the Burk Burnett Civic Center. At left is Pat Dunn, Employee of the Year, and at right is Carl Dixon, 1972 Boss of the Year.

Mr. Patterson Presents Sr. Program

On Thursday, April 12 the Senior Citizens met at the Community Center with 65 members present.

Ray Stimpson called the meeting to order. President Al Lohofener gave the welcome address. Henry Hall, treasurer gave a report on finances and Mrs. Askins, secretary, read minutes of the last meeting.

Mr. and Mrs. Pat Patterson were special guests and Mr. Patterson presented the program. He played the guitar and sang. Other guests were Mrs. Gwen Metz, daughter of Mr. and Mrs. B.L. Turner, and Mr. and Mrs. Frank Kelley.

The Club has 6 life members: Mrs. Toinette Weaver, Mrs. Florence Trevena, Ora Stevens, James Foyce, Mrs. Powell and Mrs. Bryant.

Mrs. Trevena will take over birthday duties. She announced that a birthday celebration will be held each month for members having birthdays during that month.

May is Senior Citizens month all over the U.S.!

BURKBURNETT INFORMER STAR

P. O. Box 306 Burk Burnett, Tex. 76254

It is the time of year to get that lawn mower in shape. And what tragedies may befall us when the washing machine, dryer or even dishwasher quits on us.

Well, the citizens of Burk Burnett need not ever fear. Thornton's Repair Shop, owned and operated by Marion and Lois Thornton, can take care of those repairs. The repair shop has certainly become well established in the Burk Burnett business district.

Thornton started repairing lawn mowers and bicycles in 1953 while he was employed with Western Auto here in Burk Burnett. As the repair work business grew, Thornton decided to start his own repair shop in 1957. They located in a small building on Main Street, doing repair work on bicycles, lawn mowers and as a lock smith making keys.

Ten years ago, Thornton added washer, dryer and dishwasher repair on all makes to his professional skills. They also carry a good line of washer and dryer parts for all makes and models.

Thornton is also the authorized Maytag dealership for Burk Burnett. He carries the washers, dryers, dishwashers and garbage disposals produced by the company.

The Thornton's are the proud parents of three children: Ed, who is married and manager of Muehlberger's in Wichita Falls; Janet, a senior at Burk Burnett High School and Tommy, a fifth grader at Southside Elementary.

At this time, Marion and Lois would like to take this opportunity to welcome all friends and new customers to come by the Shop. Just see what we have to offer the public. We are here to serve.

Honored recently at the State 75th Anniversary of the Federated Clubs of Texas were these Pioneer Members (left to right): Mrs. Roy T. Magers, 43 years in the club; Mrs. J.L. Caffee, 43 years and Mrs. Al Lohoeferer.

Current Literature Club Celebrates 50th Anniversary With Party

The Current Literature Club celebrated its 50th anniversary Thursday evening with a party for members and special guests at the Burk Burnett Community Center.

Organized in 1923 for the study of literature, the club

soon became involved in civic improvement in Burk Burnett. It has supported such community programs as the Youth Center, the Burk Burnett Library, and the swim club and for 11 years has given a college scholarship each year.

Those on the program Thursday evening included Mrs. Clark Gresham, Texas poet laureate, Mrs. Marvin Tallafiero, member of the Story Tellers League, Mrs. A.H. Lohoeferer and Mrs. F.G. Jeffers, club members. A musical program was presented by Mrs. Bob Tisdale,

Mrs. H.D. Mabry, Jr., and Mrs. Frank Ballard, Jr., accompanied by Mrs. James Mason.

Officers of the club are Mrs. Ralph White, president; Mrs. F.G. Jeffers, vice-president; Mrs. Seth Brown, secretary; Mrs. E.W. Roderick, corresponding secretary; and Mrs. J.L. Caffee, treasurer.

Mrs. L.J. Foster sat at the registration table. Mrs. Roy Magers was chairman of table decorations and crafts display. Mmes. Carl Hardaway and H.R. Jeffers were chairmen of refreshments.

Cooper Home Demonstration Club Delivers Gift Easter Baskets

Cooper Home Demonstration Club held their regular meeting in the home of Mrs. Frances George.

Thirteen members and one guest, Miss Sandra Miller, were present.

The president, Mrs. Bee Bryant, opened the meeting with a poem entitled, "Just For Today." Mrs. James Creger held roll call and each member answered with "A Program I Would Like to Have Presented to the Club".

The Club project for April was to fix Easter Baskets for

a Convalescent Home in Burk Burnett.

Mrs. Ralph Swinford will be the club member to go to Time Auditorium for a program on "How to Beautify Your Bedroom". A workshop was held in Texas Electric Reddy Room April 18 and 19.

A program was presented by Mmes. Art O. Ackenbom and Frances George on the meaning of Easter. They told of customs and traditions of Easter. After the program, each member told what Easter meant to them.

For recreation, members made Easter bonnets using paper bags, flowers and ribbons. Mmes. Lena Vollmer and Mattie Clayton won first and Laura Creger the last prize for the best bonnets.

Refreshments were served by Mrs. George from a table covered with a large cloth with a center piece consisting of Easter motifs. Co-hostesses were Miss Sandra Miller.

The next meeting will be April 23 with Mrs. Cherry Kolter, 1713 Buchanan St. in Wichita Falls.

MRS. THOMAS DAWSON VAUGHN (Miss Shelia Lorraine Oglesby)

Vaughn-Oglesby Vows Exchanged In Dallas

Thomas Dawson Vaughn, son of Mr. and Mrs. Dyle R. Vaughn of Burk Burnett married Miss Shelia Lorraine Oglesby, daughter of Mr. and Mrs. O.E. Oglesby of Mesquite Saturday afternoon. The Rev. Louis Hodges, pastor of Liberty Baptist Church of Dallas officiated in the Park City Baptist Church in Dallas. Vocalist for the wedding was Keith Vaughn of Brownwood.

The bride wore a formal gown with lace bodice, full organza puff sleeves with lace trimmed cuffs, and an organza over satin skirt. She carried a spring bouquet with baby's breath.

Mrs. Keith Vaughn, of Brownwood, sister of the groom was matron of honor. Maid of honor was Miss Pamela Pilgreen of Dallas. Miss Kim Oglesby of Mesquite, sister of the bride, and Mrs. Kay Daniel of Houston were bridesmaids. They wore gowns of azalea colored organza and carried bouquets of spring flowers. Candelighters were David and Paul Oglesby, brothers of the bride.

Volunteers For MS Drive Urgently Needed For March

Miss Gail Cullison, Chairman of the Burk Burnett Student Council, of Burk Burnett High School has sent out an urgent plea for volunteers to march in its 1973 MS Hope Chest fund drive scheduled for Monday, May 14. The Student Council is sponsoring the house-to-house fund drive for the National Multiple Sclerosis Society.

Volunteers in Burk Burnett will make a house-to-house canvass to seek full community support for Chapter-sponsored services to the many MS patients in the Wichita Falls area," said Miss Cullison. "Though some of the funds each year are apportioned for our National Society's national and international research pro-

gram, the bulk of Wichita Falls Area contributions provide many patient services for the patients here in our community."

"If we are to enhance and extend our local programs, we need at least 180 volunteers," she said. "Each new volunteer means more hope and more help to our friends, our neighbors and our loved ones here in our community. Each new volunteer means more research to hasten victory over MS."

Volunteers willing to participate in the campaign should contact Miss Cullison or any member of the Student Council. Mrs. Donna Perkins is Counselor for the Student Council.

Multiple Sclerosis is called the great crippler of young adults. With related diseases, MS afflicts an estimated 500,000 Americans, most of them in the years between 20 and 40 which should be the most vital, most productive to families, community and nation. A progressive, disabling disease of the brain and spinal column, MS destroys the protective coating around nerve fibers. Messages controlling functions of seeing, speaking, walking and balance may be distorted, sometimes blocked. MS can bring total disability. Cause, cure and prevention remain unknown.

Mrs. Fulcher Presents Awards To Children For Participation

Mrs. Edgar Fulcher, president of the Contemporary Study Club presented a group of members' children an awards certificate for participating in one of the clubs wild life protection projects "Save The American Eagle."

Through the cooperation of the Hunt-Wesson Food Company and the U.S. Forest Service the first National Children's Eagle Nesting Area has been established. For each food label saved, 15 square feet of private land was purchased in a child's name next to the Chippewa National Forest in Minnesota. Each child's name will be placed in a vault near

a marker in the forest. At present there are two pairs of nesting bald eagles in the forest. After all available land is purchased, the remaining money will be used for eagle study so more can be learned about how eagles live and how to help them survive.

Pictured are (back row, left to right): Mrs. Edgar Fulcher, Denise Fulcher, Rufuss Norriss, Cathy Pittard. Front Row: Liz Richter, Clarissa Norriss, Melba Pittard, and Billy Pittard.

Not present for the picture were Michael Richter, Robin Wampler, David and Mark Miller.

Lone Star Gas Submits Gas Costs Adjustment Clause To Burk Burnett

Lone Star Gas Company has submitted a request to the Burk Burnett City Council for a gas cost adjustment clause in their ordinance. The approval of this request would permit the company to pass a portion of the company's increased cost of gas to the consumer.

Lone Star was authorized by the Texas Railroad Commission last year to increase its charge for gas delivered to the distribution system in each city by 6% of average increase in the company's cost of purchased gas, based upon semi-annual reports filed with the Commission. The company, however, must also receive permission from each city council to include these increased costs in the consumers rates.

For example, Mr. Lester Yates, Manager, Burk Burnett Lone Star Gas Company stated that the company weighted cost of gas purchased increased 1.9¢ per thousand cubic feet during 1972, increasing the authorized charge to the distribution system by 1.2¢ per thousand cubic feet. The effect of the passage of the ordinance at this time will be to increase each step of the present rates by 1.2¢ per thousand cubic feet. This represents less than ten (10)

cents per month per customer, based on our system average consumption for residential and commercial customers.

Mr. Yates said that "Lone Star Gas Company has a commitment to its customers to vigorously compete for natural gas supplies to keep its reserves in a favorable position. While other sections of the country are experiencing some shortage of natural gas, Lone Star has maintained favorable supplies."

Theta Epsilon Elects New Officers For The Coming Year

Theta Epsilon Chapter of Burk Burnett held their previous meeting in the home of Mrs. Kathleen Brammer. Mrs. Helen Eaton, president, opened the meeting with a summary of the District VI meeting that was held in Ft. Worth April 8 with 4 Burk Burnett members attending.

Mrs. Helen Eaton mentioned also that the Club will have a new World Center Foundation Building in Loveland, Colo.

The next District VI meeting will be in Iowa Park on July 8.

The Pledge Test was given to Mrs. Louise Newton. It was given in the game form of "Hollywood Squares", which involved all members and in

which members even stumped their teacher on one point.

The election of officers for the coming year was held. They are: President, Mrs. Nona Lenley; vice-president, Mrs. Romona Vaughan; recording secretary, Mrs. Lou Glover; corresponding secretary, Mrs. Clodella Bridges; treasurer, Mrs. Shirley Spinks; and Educational director, Mrs. Frankie McCurran. The committee chairmen will be announced at a later date.

The next meeting will be the Jewel Pin Ceremony with Mrs. Louise Newton receiving her pin, and will be held in the home of Mrs. Sandy Hubbard.

Mrs. Betty Kidd, accompanied by Mrs. Lou Jane Park, presented the program for the Evening Lions Club recently. She sang "Both Sides", "If", "Pollution", "His Eye Is On The Sparrow", and "This Is My Country".

Mrs. Brookman Gives Study Club Program

The Contemporary Study Club met at the Oil Patch Park and made a tour of the grounds and the depot museum before going to the National Room for their regular business and social meeting. Mrs. Frank Miller was hostess with Mrs. Cliff Wampler as co-hostess. Mrs. Edgar Fulcher presided over the business meeting. Roll call was answered with "A Texas Train Line".

During the business meeting, the club heard a report from the Community Service Council by Mrs. Bill Pittard. The club also voted to participate in the Welfare Fund and make a donation. Plans were made for the tea that the club is hosting for the 13th district annual P.T.A. Conference.

Mrs. Fulcher displayed an award received by the club from Hunt-Wesson Foods in cooperation with the U.S. Forest Service for its participation in building the First National Children's Eagle Nesting Area.

Favors for Easter had been made and will be filled with candy to take to the Evergreen Nursing Home as a project of the club.

Mrs. Don Brookman gave the program entitled, "Station Closed". She told the story of some famous old depots and how they had been closed. She also said that some had been converted into cafe's, antique shop, nursery's, and even a post office. She showed pictures of different types of depots and gave a brief history of the Burk Burnett Depot.

Mrs. Dan White won the door prize. The next meeting will be April 30 with Mrs. Robert Norriss as hostess.

Sgt. Drake Takes Part In Home With Honors Day

WRIGHTSTOWN, N.J., -- U.S. Air Force Technical Sergeant Bennie G. Drake, son of Mr. and Mrs. Glen Drake, Sr., Rt. 1, Burk Burnett, Texas, participated in "Home With Honor Day" activities recently in New York City.

Sergeant Drake was among 1,000 Southeast Asia veterans who led the massive parade up Broadway and received the salute of the nation on behalf of all those who wore the uniform of the United States during the war in Vietnam.

Following the parade, the 1,000 service men and women--all volunteers from the five branches of the Armed Forces--were guests of honor at a \$10 per plate banquet in New York's Commodore Hotel.

Sergeant Drake is an aircraft loadmaster at McGuire AFB, N.J. with a unit of the Military Airlift Command which provides global airlift for U.S. military forces.

The sergeant is a 1957 graduate of Wichita Falls, Texas Senior High School. His wife, Joan, is the daughter of Mr. and Mrs. Elmer Heise of Bancroft, Nebraska.

Gentlemen:
On behalf of the NorCenTex Girl Scout Council, please accept our thanks and appreciation for your help in promoting the Girl Scout cookie sale, March 2nd through 17th.
We are happy to report that the sale was a tremendous success with the girls selling 30,000 boxes of cookies, and we feel this would have been impossible without the cooperation of the news media.
Again, our sincere thanks for your continued support and for your personal attention to news stories for the NorCenTex Girl Scout Council.

Curry Wins Championship Of Derby Cub Scout Pack

Perry Curry, son of Mr. and Mrs. Charlie Curry, was the grand champion winner of the Pinewood Derby Cub Pack 155 held in March. Curry will compete along with second place winner Billy Behne, son of Mr. and Mrs. Zane Behne; third place winner Glen Sutton, son of Mr. and Mrs. Glenn Sutton; fourth place winner, Mike Holdbrook, son of Mr. and Mrs. Don Stubblefield. The boys competed with 23 other boys of Cub Pack 155. The four winners will go to Scout-O-Rama May 5 and race against other boys from the Wichita District.

In order to race the boys had to build a car from a kit, which consisted of a pinewood block, four plastic wheels and four nails. There were many different styles and designs. The winners of workmanship were: best car of show, Ronnie Smyres; best design, Brock Utter; best workmanship, Donald Disney; most original, Mike Holdbrook.

The judges of the race were Courtney La Rue, Robert A. Guffre and Iastiah Reeves from Sheppard Air Force Base.

Mr. Edward Utter was introduced as the new awardsman and did a tremendous job presenting the boys their achievement badges at the Pack Meeting.

Boys receiving badges were David Lawrence, Mike Holdbrook, and Kevin Keen for Bear, Gold Arrow, Robbie Hogan, Mickey Padron, Kevin Keene, Denner Ropes, Marty Milam, James Reed, and Brock Utter; Assistant Denners, Stephen

Clark, Kevin Kerr, and Roy Baker.

Boys in the Webelos den receiving awards were Wesley Hutchinson, aquanaut, athlete, citizen, engineer and sportsman; Charles Rooney, engineer and traveler; Perry Thomas, sportsman.

Donald Disney received the recruiter badge for recruiting boys into the Pack.

Robert Thompson was sworn in by Cubmaster Lonnie Padron as a new Bobcat. Robert is the son of Mr. and Mrs. Robert W. Thompson.

Mr. Bob Wright and son Zane, Mr. and Mrs. Roy Baker and son, Roy L. and Mrs. Genevieve Tahquechi and son Gordon were introduced as new pack members.

Cub Pack 155 along with other Cub Packs and Boy Scout Troops in Burkburnett are selling tickets for the Scout-O-Rama which is to be held in the old Fed Mart Building in Wichita Falls May 4 and 5. The price of the tickets are \$1.00. Two children under the age of 12 are admitted on one ticket. Pack 155 urges each and every one to come out and support the Scout-O-Rama. You will see different types of camping equipment, different types of cooking and all types of handcraft.

In the spring a young man's fancy lightly turns to thoughts of new wheels and I've already got the car picked out. I've got a steady job and am not making payments on anything else right now. Do I qualify for a low cost bank auto loan?

You probably do qualify. Stop in at First National Bank and they will be glad to help you arrange the financing.

Davis Fans 13 As 'Dogs Down Lawton 4-3

by Sedelta Verble
The Burk Burnett Bulldog Baseball Team downed Lawton MacArthur 4-3 at Bulldog Field recently. Lawton picked up two runs in the first inning on a walk and two singles. The Bulldogs came back in the first when Benny Wilkinson walked and Jimmy Koulovatoes hit a ground rule double over the fence that scored Benny. Lawton picked up another run in the second inning on a walk and a single. In the third inning Benny walked again and later scored on an error. In the fourth inning Benny walked again and later scored on an error. In the fourth inning again, the Bulldogs tied up on

a single by Gary Dilbeck and Donald Guinn had a double. Dilbeck then went home with the catch lobbed ball. The last of six scored winning runs while Mike LaBrie singled and sacrificed to second by Donald Guinn, then LaBrie scored on a pass ball. Bambo Davis was the winning pitcher as he struck out 13. Zac Henderson had two doubles while Jimmy Koulovatoes had one double along with Donald Guinn who also hit one double. These were the leading hitters in the winning game the Bulldogs played against Lawton MacArthur in a non-district clash.

Three Junior BHS Boys Named To Boys State

by Sedelta Verble
Ken Schroeder, Paul Deutsch, and Chris Strayhorn were recently chosen to represent Burk Burnett High School at the Boy's State meeting in Austin. These juniors are chosen by the school faculty and the trip is sponsored by the American Legion. Ken is active in the band for three years playing the bass trombone. He is a member of the stage band and was class president his sophomore year and is currently president during his junior year. He has been a member of Student Council for three years and National Honor Society for two years. He is a debater and recently won both District and Regional in Informative Speaking. Paul Deutsch has been a

member of National Honor Society for two years. He achieved an academic letter his freshman year and won an English and Spanish award. He placed third in UIL Spelling Contest and was in the upper ten in eighth grade. Chris Strayhorn is in National Honor Society, as a sophomore he was voted All School Favorite, and Most Likely To Succeed. He has achieved an academic letter for two years and is a member of the stage band. Chris was vice-president his sophomore year and president his junior year. These boys will travel to Austin for Boy's State soon after the school year is over and were chosen from among numerous outstanding junior boys at BHS.

Softball Team Elects Officers

The Girls Softball League held its first meeting Thursday, April 12 at the Youth Center. Mrs. Sammie Smith, president, led the business meeting. New officers for the following year were elected and are: President, Mrs. Fred Slayden; vice-president, Peggy Martin; 2nd vice-president, James Collyett; secretary, Barbara Hamilton; treasurer, Shirley Miller; player agent, Fran Benson; ways and means chairman, Carolyn Martin; official scorekeeper, Sammie Smith and publicity chairman, Peggy Cozby. New team managers were also elected and are listed with the team sponsors as follows: The Burk Burnett Bank (not known at this time); First National Bank, Roy Smith; First Savings and Loan, Glen Drake; Mills Construction, Dean Egan; Lions Club, Martha Fleming and American Legion Auxiliary, Shirley Goode. The next meeting will be Thursday, April 26 at 8:00 in the Youth Center. All parents are urged to attend.

Aaron, Moore Chosen For Girls State

Kris Aaron and Shelly Moore have been chosen to represent Burk Burnett High School at Seguin for Girls State June 8-15. The all-expense paid trip is provided by the American Legion to Seguin where 450 girls from around Texas gather for Girls State. Kris Aaron is the daughter of Mr. and Mrs. Jack Aaron. This is her junior year and she is a member of the DERRICK Staff, Student Council

and National Honor Society. Kris is also a member of Future Homemakers of America, Pep Club, and the BHS Band. Shelly is the daughter of Mr. and Mrs. Tom Moore and is a member of DERRICK Staff, Student Council and is National Honor Society secretary. Shelly is a member of the BHS "Driving Team" and is currently participating in the television program, "Live and Learn".

She has won numerous teacher's awards, is a Thespians initiate, and was voted Most Likely To Succeed.

Sedelta Verble

Burk Burnett continues on the competition leading up to state with Ken Schroeder winning first in Informative Speaking and the Girls Track Team advancing to Regional contest soon. It seems that Burk Burnett has come a long way with this sudden upsurge of talent from BHS rating among the best in Texas in so many areas. It started with the magnificent Bulldog football team that opened the door to recognition for BHS students winning Regional Honors and advancing to the tough semi-finals in State competition. The versatile Bulldog basketball team then scooped up District honors and for the first time in 23 years went on to Regional contest. Not many schools around the State can boast of a district team in two major sports such as Football and Basketball and who knows, maybe even baseball. But I think most important of all is the versatility of Burk Burnett High School. Not only has the student body seen fit to excel in sports but also in academic endeavors. This can be seen in one instance by Ken Schroeder's excellence in Informative Speaking at the Regional level and Robbye Pemberton, who is only a sophomore, emerging as an outstanding competitor.

the Bulldog, not only in sports but all around good school spirit and academic events. This might be accredited to many people besides the entire school--only a full school effort could achieve such achievements--but also this is the second year of Mr. Darland's principalship at Burk Burnett and from what I hear other students say, he has been a definite influence on the magical way that things have been happening lately.

Schroeder Wins Regional Meet, Goes To State

by Sedelta Verble
Ken Schroeder will travel to Austin for State competition May 4 after conquering the 3-A Regional Informative Speaking contest. Robbye Pemberton won second place honors in Persuasive Speaking. Six BHS students advanced from the District level to Denton's North Texas State University for regionals.

Teri Garland represented BHS for Ready Writing and Sedelta Verble in Feature Writing. Morgan Moore placed third in Slide Rule competition. Zac Henderson ranked sixth in Broad Jump competition. Robbye is only a sophomore this year and Ken is a junior. It is rare for students who haven't competed for several years at this level to win or place and both Robbye and Ken have achieved these honors. This district as a whole fared well with several winners coming from this area. Iowa Park, Hirsch, Wichita Falls, and Burk Burnett had first place winners in regional who will compete in the State competition.

IN THE SPOTLIGHT

Player of the Week
Benny Wilkinson

Benny Wilkinson has excelled in Bulldog Baseball as a leading hitter in the recent non-district clashes. Benny was one of the chief elements in the Bulldog victory against Lawton recently. He has played baseball for 10 years now and although he is planning an accounting career he hopes for a baseball scholarship to some college. As shortstop, Benny, number 11, must have a strong arm and a fast approach. He assumes much responsibility for the team as one of the captains. Benny said that he felt the team had improved much since last year and he said that he feels the team is in a building

stage with quite a few returning lettermen. He plays football and practices baseball at all opportunities for instance by playing summer baseball. Benny gives the overall impression of a good sportsman who must practice his sport to an excess for perfection. He combines this athletic outlet with an honest enjoyment of the sport.

SHEPPARD AIR FORCE BASE

Lt. Dave Schafer Named New Protocol Officer

SHEPPARD AFB, TEXAS--Second Lieutenant Dave Schafer is protocol officer for Sheppard Training Center, succeeding Second Lieutenant Lannis J. Larson who is being reassigned to a recruiting position in New Jersey.

Lieutenant Schafer was assigned to the USAF School of Applied Aerospace Sciences, Sheppard when he came here in August 1973. He served in Training Research Applications and Training Evaluations Divisions of the School and was also unit information officer for that

organization as additional duty. A native of Topeka, Kan., Lieutenant Schafer received 2 degrees from Kansas State University in Manhattan, Kan. One was a bachelor degree in technical journalism, and the other was a master degree in mass communication.

He received his commission in the Air Force through the Reserve Officer Training Corps at Kansas State.

Lieutenant Schafer and his wife, Sherry, reside at 4502 Spanish Trace in Wichita Falls.

SHEPPARD AFB, TEXAS--CONSULTANT ON DEATH--Dr. Elizabeth Kubler-Ross, center, known consultant on the care of dying patients and their families, speaks with Major Michael J. Freedman, right, of Sheppard's U.S. Air Force Regional Hospital during Dr. Ross's conference on death and dying at Sheppard April 12-13. Looking on is Chaplain (Colonel) Richard Trapp, base chaplain. Ground Breaking Christens New Sheppard Exchange

SHEPPARD AFB, TEXAS--Ground was broken last Wednesday for a new Main Exchange shopping complex at Sheppard AFB.

Wielding a three-handled shovel at the ceremonies were Major General Robert L. Pettit, commander of Sheppard Technical Training Center, Jack Ricks, contractor representative, and Harold A. Epting, general manager of the Shep-

pard Exchange.

The new center will provide a one-stop shopping area for Sheppard. Included in the mall will be a main store and outdoor living and sports store as well as an optical shop, portrait studio, watch repair shop, laundry, flower shop, and beauty and barber shops. Along with this will be a drive-up snack bar with patio and dining room facilities.

The new center will be located between 2nd and 3rd Streets and G and F Avenues--the present location of the base nursery and old Ice House. The exterior of the building will be attractively landscaped with grass, trees and shrubs, all of which will be maintained by an elaborate, underground sprinkling system.

For the convenience of shoppers there will be 415 parking spaces and 12 check-out stands. Approximately 75 additional employees will be necessary to handle the increased business.

Expected completion date is January 1974. The \$2,000,000 project, funded by the Army and Air Force Exchange Services, will be built by Thaton Brothers Construction Company of Childress, Texas.

Surplus Property To Be Auctioned

SHEPPARD AFB, TEXAS--Surplus government property located at Sheppard AFB will be sold to the public by a sealed bid sale April 26.

The equipment consists of lawn mowers; office equipment; bedding; bedsteads; bedsprings; laboratory instruments and equipment; and trainers.

The property may be inspected from now through April 25, excluding Saturdays and Sundays, between 8:30 a.m. and 3 p.m. by calling James Crossland, Sheppard redistribution and marketing officer, at 851-2712.

Air Force Barbecue, Air Show

SHEPPARD AFB, TEXAS--The Wichita Falls Chapter of the Air Force Association will sponsor their third annual barbecue and air show May 9 featuring food by the renowned Wichita Falls Mavericks.

The barbecue will start at 5:30 p.m. at Tom Danaher's Lake Wichita airport and run until about 8:30 p.m. with the air show underway at about 6:30 p.m.

Tickets are on sale at Sheppard from the Central Ticket Agency, the Noncommissioned Officers Club and the Officers Club. Downtown, tickets may be purchased at the Board of Commerce and Industry offices. All tickets are \$4.

In addition to the airshow, entertainment will include the Sheppard band combo, a static display of antique planes and a demonstration of radio-controlled aircraft.

Also, Miss Armed Forces will be crowned during the barbecue with free refreshments

Mrs. Klopp Named Best TOPS Loser

SHEPPARD AFB, TEXAS--Mrs. Robert Klopp was named Best Loser of the Week at the TOPS (Take Off Pounds Sensibly) Chapter 410 meeting Tuesday night at Sheppard.

Mrs. Lonnie Wilkerson was named KOPS (Keep Off Pounds Sensibly) in Waiting for meeting the weight goal set by her physician.

Mrs. Charles Dixon of the Wichita Falls YWCA will give a program on aerobic dancing at the April 24 meeting.

People interested in joining TOPS are invited to call Mrs. John Cook at 855-5114 for more information.

In & Around Temple

Temple Lions received a pleasant financial surprise during Monday night's meeting when Lloyd White, representative of Modern Woodmen of America, an insurance company, presented the club with a \$20 check from his company and a personal donation of \$5. To help finance the Lion sponsored Easter Egg hunt slated for April 22 at the club's park.

Besides the cash gifts three Easter rabbits plus registration forms were supplied by the company. The club will use the rabbits for prizes in the two younger children's classes who find lucky eggs entitling the finders to prizes.

As in the past Lions will hide eggs in marked areas west of the city's lake prior to the hunt which is slated to start at 2:30 p.m.

This year, eggs will be hid for groups of hunters. The youngest age group will be classed as toddlers through 3 years of age. The second age includes children four through kindergarten age, then first and second grade students. Third and fourth grade children will make up the fourth division and the fifth division will be fifth and sixth grade students.

Eggs known as prize eggs will be hidden in each age group entitling finders to different gifts for their streak of luck.

Temple's Wholesale Food Store is aiding the club by furnishing eggs at the store's cost.

The annual broom sale date is May 3, and the club plans an all-out effort to offer every home owner an opportunity to buy kitchen and household items at two sources—the truck parked near the center of the business district, and house to house canvassing.

A nominating committee composed of Jack Rylant, chairman, Dee Ricketts and Buddy Knox will present a list of eligible members to be voted on at the next meeting to fill president and vice-president positions for the ensuing year. Eddie Laxson will continue as secretary-treasurer.

CLARK AND RUBY GRESHAM were honored as special guests at the Evening Lions Club meeting. Lion Revis Wooten, left, spoke in behalf of the club and praised them for their service to Burk Burnett.

CATHY AND MICHELLE NIXON entertained the Evening Lions Club Tuesday night at the regular meeting with several songs. Bobby Littlejohn and Minard Nixon were introduced as guests.

**Airmen's Club
Named Best
For Second Year**

SHEPPARD AFB, TEXAS--The Sheppard Airman's Club has been named the best airman's club in the Air Training Command for the second year in a row.

The award, Operation Happy Member, was received by Master Sergeant Walter Kitson, club custodian for improvements and quality in facilities and better service for 1972.

Operation Happy Member is designed to raise the standards of open mess operations and advance its capability to provide social and recreational activities for the military community.

News From RANDLETT

by Mollie Elliott

Mr. T.A. Banning underwent surgery for removal of a kidney last Thursday in the Wichita General Hospital. He is resting as well as can be expected at this early date. His daughter, Mrs. Vincent (Naoma) Duvall of New Orleans came to be with her parents for a few days.

Among those out-of-town attending the funeral services of Carlos Baker here Thursday were his wife, Elizabeth of San Antonio, his two sons, Mr. and Mrs. Phillip Baker of Dallas, Mr. and Mrs. Dan Baker of San Antonio; a daughter, Mrs. Becky Ballinger of Harlingen, Texas; his step-son, James Herrington of San Antonio; his step-daughters, Mrs. C. Lippard of Burk Burnett, and Mrs. Jean Imel of Jacksonville, Fla.; his sister, Mrs. Marjorie Christman of

Taft, Texas. There are also eight grandchildren. Other out-of-town relatives and friends attending were Mr. and Mrs. Herbert Knauth of Overton, Texas; Mrs. Minnie Nutt of San Angelo; Mrs. Bob Feen, Mrs. Thomas; Mr. and Mrs. J.W. Akins, Mr. and Mrs. Charles Morrison and T.C. Anthony, all of Wichita Falls, and Stella Gibson and Mrs. Dellashaw of Electra, Texas. Carlos and Elizabeth lived in San Antonio when he passed away with a heart attack on Sunday, April 8th. Funeral services were held in San Antonio Wednesday. Another service was held in the Owens & Brumley Funeral Home Chapel in Burk Burnett Thursday with burial in the Burk Burnett Cemetery.

Mrs. Cleo Askins, who had

major surgery in the Bethania Hospital several days ago, returned to her home the latter part of the week and is doing nicely.

Miss Linda Landers, a student at Texas Tech, Lubbock is spending the Easter holidays with her parents, Mr. and Mrs. Ken Hervey.

Mrs. S.E. Askins and Mrs. Opal Gamblin of this city visited their children, Billy and Sidney Askins and sons in Lubbock last weekend.

Mrs. G.C. Gay, Mrs. B. L. Turner and Mrs. Bertie Smith attended the All Day session of the District Order of the Eastern Star in Wichita Falls Tuesday.

Mrs. Joe (Audrey) Nichols, of Wichita Falls, who is now retired, spent some time in Burk last week visiting her son Darrell and family and also called on Mrs. J.C. Adams and other former acquaintances.

Mrs. Lewis (Irma) Brocker returned home Sunday from a couple of days in the Wichita Falls General Hospital where she had surgery on her right hand. She is doing fine.

Mrs. Bertie Smith had as her visitors last week her daughter, Mrs. Charlotte Low and her two daughters, Julie and Leslie, from Brownfield, Tex. Both girls, belonging to the Rainbow Organization wanted to attend the United Methodist Church Sunday while here, as five generations of their grandmothers had worshipped in this church. It is a rule of the Rainbow Order for members to attend church when possible.

Mrs. Ray Sorenbenetz and little son, Raymond arrived Sunday from Kalamazoo, Michigan to visit her mother, Mrs. Catherine Clack.

Al Lohofener entered the Wichita General Hospital Tuesday p.m. where he will undergo tests and treatment.

Mr. and Mrs. R.H. Henry attended the funeral services Friday of Mr. Cecil Bentley, at Temple, Okla. Mr. Bentley died suddenly with a heart attack. He was a funeral director in Temple for several years, retiring recently. They lived on a farm adjoining Temple. He was the son of Tom and Eula Lasley of this city. The Lasleys plan to move to this farm in the very near future or as soon as their new house they are having built is completed.

Mr. and Mrs. Dyle Vaughn attended the beautiful wedding of their son, Dawson to Miss Shelia Lorraine Oglesby, in Dallas Saturday afternoon. Those from this city who also attended the wedding were Joe and Nancy Fowler, Kirk and Angie; Lawrence and Goldie Gilbert; Bill and Jan Bruendl; and Lillie Tyler.

Mrs. Ora Mabry and Mrs. Essie Cullens returned home Saturday from a most enjoyable three week trip to the West Coast. They spent the first night in Amarillo with Mrs. Cullens sister, Mrs. Mannen, a former resident of Burk. They then flew to San Francisco and Los Angeles. Mrs. Cullens visited her son, Ray Cullen and family in Los Angeles where he is connected with the NBC News. Mrs. Mabry visited her sister, Mrs. Victor (Helen) Badeaux and family in San Francisco. They visited the main points of interest and "went a lot". They flew both ways and report that is the only way to travel as it is not only a time saver but so restful. Ora says "Oh what a grand time we had!"

Mr. and Mrs. B.D. Boyd of West 3rd had as their visitors last week their son, Mr. and Mrs. C.R. (Peanut) Boyd and family from Red Oak, Texas and Mr. and Mrs. Barney Dale Boyd and family in Borger, Texas.

Mr. and Mrs. Dyle Vaughn have the grandchildren, Lisa,

9, and Brandon, 3, from Brownwood, Texas, here during the Easter Holidays. Their parents, Mr. and Mrs. Keith Vaughn will spend the weekend here with his parents and return the children home with them.

Mr. Larry Short and Miss Jean Marie Kling, both students of Texas University, Austin, spent their spring break with his parents, Mr. and Mrs. Don Short in Wichita Falls. They also spent Friday with Larry's grandparents, Mr. and Mrs. S.M. Butts in Burk.

Mrs. H.D. Maney, who has spent the past six weeks at the in Odessa, returned to her home here Monday. Eldon, who was shot twice by a hi-jacker and robbed in his store is still in the hospital with attendants on 8-hour shifts. The two bullets are still in his head. He has had surgery to remove some blood clots but further surgery is undetermined. All of the four assailants have been apprehended.

May 1 Marks Last Certification Date

by Scotty H. Odum
County Executive Director
Wichita County ASCS
CERTIFICATION--"May 1" is the last day to certify your wheat and barley acreage. Avoid the rush and come in now to report the number of acres you have in wheat and barley. MEASUREMENT SERVICE--Are you sure of the number of acres you have in wheat and barley? Is your set-aside acreage at least equal productivity to other cropland on your farm? If you are in doubt about one of the questions, come in and make an application for measurement service to avoid a reduction in payment. Remember a mistake in certifying can cost you program payments.

1972 COTON PRODUCTION--Producers who have finished their cotton harvest should go by the gin and have the ginner complete the production card right away.

GRAZING AND/OR HAYING OF SET-ASIDE AFTER MAY

14--Set-aside may be grazed after May 14 and also hay cut from this acreage during the program year with a reduction in payment. You can graze and/or hay part or the or the full amount of set-aside acreage. REMEMBER TO COME BY THE COUNTY OFFICE AND MAKE APPLICATION BEFORE YOU HAY OR GRAZE YOUR SET-ASIDE.

VETERANS' BENEFITS--A new pamphlet prepared by the Veterans Administration entitled "Summary of Benefits for Veterans with Military Service Before February 1, 1955, and Their Dependents" (VA Pamphlet 20-72-2) has been received in the ASCS office. The Veterans Administration is issuing this pamphlet to make sure that all veterans and their families who are entitled to benefits are informed of them and when, where, and how to apply for them. If you are interested, please drop by the ASCS office for a copy.

County Agent News

President Nixon's decision to freeze the retail prices of beef, pork, and lamb may have long-reaching effects on future production plans of farmers and ranchers. Since production costs of farmers and ranchers are continuing to increase, producers may decide to slow their expansion efforts. The result would be less meat to satisfy consumer demand.

With farm costs continuing to spiral upward, cost control will be a critical factor during 1973. Unless farm prices keep pace with increases in production costs, farmers will be struggling to make ends meet. The three major cost items for farmers--seed, feed and livestock--increased by 10 per cent in 1972. Nationwide, farm production costs rose 7 per cent last year.

Trees need special care to protect them from diseases. Proper watering and fertilization are especially critical. Care should be used to prevent construction injury and caution is needed when using weedkillers and pesticides near trees.

The cotton picture looks good going into the 1973 season. Overall, prices should be good due to a strong demand, especially with allotments cut by 13 per cent across the nation. However, reduced government payments and increased production costs will lower net income. Nationwide, production is expected to be down a million bales; in Texas the drop should be about 400,000 bales.

Are you interested in learning how to bud and graft pecan trees? If you are there are five meetings scheduled over the county that you may pick from:

- April 16--Senior Citizens Center, Wichita Falls, 10:30 a.m.
- April 16--Texas Electric Auditorium, Burkburnett, 1:30 p.m.
- April 16--County Court House, Wichita Falls, 7:30 p.m.

April 18--Iowa Park Experiment Station, 10 a.m.
April 18--Chamber of Commerce, Electra, 1:30 p.m.

Anyone interested may attend the demonstration which is most convenient for them. There is no charge for the demonstration.

Careful and competent operation, use of protective equipment and proper maintenance could prevent many tractor accidents that result in 800 to 1,000 deaths and thousands of disabling injuries annually. With the spring planting season in full swing, tractor safety is critical.

Over half of the fatalities, many severe injuries and heavy property damage occur when the tractor turns over, either sideways or backwards. Overturns result from driving too fast for conditions, striking objects such as rocks, holes, or stumps, going into ditches, working on steep slopes, hitching loads too high and improper operation of front-end loaders.

Falling from the tractor is another common and serious accident that can best be avoided by strictly following a "No Riders" policy.

Most meat departments offer consumers a variety of ground beef at varying prices and qualities. Before choosing, consumers should consider ground beef differences and uses. The difference in ground beef ranges from hamburger to chopped sirloin.

Hamburger generally combines lean beef from lower grades of meat with trimmings, or fat cuts, from higher grades. Although it usually contains the most fat and sells for the least price, hamburger makes good spaghetti, chili, meat loaf and casseroles. Ground chuck on the other hand has less fat, more lean meat and shrinks less during cooking. It creates excellent beef burgers and Salisbury steaks.

Since the fat is trimmed more closely for ground round, it is especially good for weight watchers. Also, it is more expensive than either hamburger or ground chuck and with its low fat content, ground round may be less tender and juicy than other kinds.

Ground or chopped sirloin is the most expensive of four ground beef types offered. Noted for excellent flavor, it's often featured in special recipes and deluxe burgers. Generally though, many consumers find chopped sirloin very similar to ground chuck.

Shoppers should consider how they plan to prepare and serve ground beef. In many cases, a less expensive type is just as suitable as a more expensive one.

Handle and store ground beef carefully to insure best cooking and eating results. Select ground beef, and all meat, just before checking out at the grocery store. Refrigerate it as

EXPO SPOTLIGHTS FARMER PROBLEMS, AND SOLUTIONS

by Kathleen Jinkins
Last Friday and Saturday, it was my privilege to attend the 1973 North Texas Farm Expo in Wichita Falls, held at the 4-H Barn. This was the third annual showing and for the first time, it was held on a weekend.

In talking with this year's Expo Chairman, Gad Garland, he stated, "The benefit of the Expo is to show the general public the investment a farmer has to produce for the nation." All of the latest innovations in farming supplies and equipment were on display by top producers and dealers. Forty-seven exhibitors participated this year, the largest number yet.

The Expo is under the sponsorship of the Agriculture Action Group of VCI. Our own County Agent, B.T. Haws, is the Agriculture Action Group Chairman.

VCI furnished several door prizes and a number of drawings were held with prizes being contributed by the local businesses.

Garland stated that "All markets were reached at this Expo; farming, recreation, and estate care."

An estimated crowd of 4,000 to 5,000 were on hand to take advantage of the chance provided to see new improvements in

farming equipment and management on display. Much to my surprise, was the number of women in the crowd. And for the most part, they weren't there just as "tag-alongs". They were interested in what was going on and many were doing their own trying-out of the equipment.

Farming and farmers seem to have been in the spotlight recently, but seemingly not a favorable one. Concerning the prices of meat and produce the farmer is unjustly placed with the blame. The truth of the matter is that the farmer is the only businessman who sells his product on the wholesale market, but must buy his equipment and other needs on the retail market.

While attending the Expo, I had the opportunity to talk with both the farmers and dealers. Even though the equipment prices are on the rise (as is everything else), the product is well built and quite suited to the growing needs of the modern farmer. With the farmer always in contention with the elements, he must have absolutely the best and most dependable and convenient equipment.

"One-man system's in farm-

ing equipment are really becoming the in-thing for economic reasons for the farmer. If a man can cut, condition and windrow with one machine, then follow up and stack, load, move and unload stacks by himself without adding the extra expense of hired labor his reduction in expense will soon be evident to the consumer. By the use of these newer time-saving methods of equipment, the farmer can also increase the amount of acreage he is trying to farm.

Comfort finally has been introduced into farming equipment. Many a day, the farmer is on his tractor from dawn to dusk, but now he can at least be comfortable. The cabed tractors come complete with air conditioning, radio, and comfortable posture seats that adjust accordingly to the person's height and weight. Seat-side consoles provide complete hydraulic implement control and the power steering and brakes really take the effort out of tractor driving.

New ways of producing a product for the consumer is always a primary interest. I happened in on an exhibit which

seemed to be generating quite a bit of interest and excitement among the farmers. As I read through the brochures and compared the products on display, I was really impressed. One farmer came in and made the quite frank statement that something has to be done about the farming in this area, we have to have new and better methods to produce the needed amount and quality of produce.

Agriculture and environment are the big topics today. Fertilizers seem to bring up the biggest problems. Animal wastes, soil erosion and pesticides also constitute problems as potential contributors to environmental pollution. "The dilemma of the agricultural situation is that many of the activities blamed for the contamination of the environment are those most needed to meet the demands of world food requirements and those that contribute most to greater agricultural efficiency."

Today's farmer has much to contend with and should be greatly admired for his stamina to stick with his farming in these troubling and depressing times.

Notice the ladders to be found in the crowd at last weekend's North Texas Farm Expo held in Wichita Falls at the 4-H Barn.

DONNIE WOOD, one of our farmers from across the River, chats with the Hesston salesman, Sam, at last weekend's North Texas Farm Expo.

BENT HOOKS, MISSED SHOTS, AND OTHER TALES

by Jim Alexander

The best way to enjoy a good book is to start at the very beginning and read every page, and by doing this, you get the full benefit of what the author is trying to convey to you. Now this doesn't have a great deal to do with the outdoors, but what we are trying to say to you is that we will be writing and expressing our opinions on what we see and what we think.

In this outdoor column, for which the boss has so graciously given up his coveted space, we will be bringing you fishing reports and hunting reports... some truths, and several outright lies. We will try and keep you abreast of all the upcoming events, and all of the past events, plus a few actual experiences. The game and fish laws are always changing, and we want you to be the very first to know what those changes are, and how they will affect you and your family. All of this may sound like a lot of hogwash, so this is why we have decided to call it, "Bent Hooks, Missed Shots, and Other Tales."

The first Bent Hook story comes from my good friend, Johnny Cobb, "The Singing Postman" of Wichita Falls. Johnny claims (and notice we say claims) that three trips to Lake Arrowhead netted him one hundred and four pounds of black bass, and after putting the pen to the total weight, that's almost three and a half pound average. Reports like that have been very uncommon on a new lake like Arrowhead, but Johnny insists that the stringer would have been much heavier, but four got away. At least, they bent his hook out of shape. A word to the fishermen that would like to know where, when and how, here's the poop... they were caught on the south and east side of Lake Arrowhead in two to five feet of water and were caught on a black jig with a black four inch eel for the tasty bait. Johnny always fishes out of an inner tube float-er, smokes mariel cigars, and drags alot!

The Farm Expo has come and gone, and plans for next year are already being formulated. The show was a great success with many attractive displays and exhibits for public viewing. The big disappointment was the Northwest Texas

Field & Stream Booth. There was no work or thought put into the project and it showed. Any nine year old kid could arrange the three tables that were brought in and put the trophies (two of them) on the tables and call it a display. This was a great opportunity for the Club to really display what they have to offer all of it's present members, and to make a lasting impression on prospective members. I know that the club is capable of doing much better than what was displayed. Maybe next year will bring more interest.

Looking at the fishing around the area, and after checking with some well known fishermen, we find that Walkie Howe at the Minnow Ranch reports that crappie fishing at Lake Diversion in the cattails in about two feet of water has been simply fantastic. The method being used is a cane pole, a small pencil float and good lively minnows. The Lake has been too rough for much trolling, but some catches have been taken.

Lake Kickapoo is simply too muddy for much activity, with just a few nice crappie caught. Big Ed Neal is the man to talk with as to where these fish were caught.

Buffalo Lake at Iowa Park should be one of the top crappie producers this year. The Lake has crappie bigger than barn doors, and the only problem is to just find them.

Jumping from fishing to hunting for just a moment, and a check with some of the veteran quail hunters in the area shows that the quail are beginning to pair off. For a delightful sound to the bird lovers, listen for the mating whistle they emit. The habitat is excellent for this time of year, and if we can just keep getting those small rain showers, a bumper crop is expected. No prediction at this time, just wishful thinking.

The Field & Stream's annual Imitational Bass Fishing Tournament is scheduled for May 5 and 6 at Lake Hubbard near Breckenridge. Top prize will be a \$25 check for the biggest bass weighed in each day, plus other money and prizes in merchandise. Each contestant will be eligible for the grand prize drawing of a super motor guide to be given away. It costs only six dollars a day to enter, so bass fishermen... show your colors!

If your club or organization has a sporting event coming up that you would like for other sportsmen to know about, drop us a line in care of the paper.

In closing we would like to encourage every reader to let us hear from you about your trips, regardless of whether they are hunting, fishing or camping, so we may pass them along to others. The only advice for today is to keep your hook bent, your gun on safety, and your senses intact.

440 RELAY TEAM---DISTRICT CHAMPS

Eight Advance On To Regionals

by Sedelta Verble

The consistently triumphant Girls Track Team of Burkburnett has qualified two relay teams and eight individuals for the regional meet after taking second place team honors at the District Meet in Henrietta. The district meet was won by Henrietta with 113 points, but the victorious Burkburnett girls weren't far behind with 93 points.

The 440-yard relay that has already accumulated numerous trophies and medals qualified with a first place win at Henrietta. Cheryl Hicks, Paula Crumpler, Marilyn Koller, and JoAnn Masters ran away with the District honors for this relay in the strong competition.

Progressive Woman's

Club Held Meeting

At Gregory Home

The Progressive Woman's Club met April 9, in the home of Mrs. Walter Gregory, with this month's theme being "Happiness is turning April Showers into May flowers".

A regular business meeting was held, and the election of new officers for the 1973-74 year. Elected were: President, Mrs. Clyde Slusher; vice-president, Mrs. Phillip Cozby; recording secretary, Mrs. Jim Goff; treasurer, Mrs. Jim Greene; corresponding secretary, Mrs. Walter Gregory; reporter, Mrs. Huey Long; historian, Mrs. John Griffith, and parliamentarian, Mrs. Lonnie Dolan.

Mrs. Cliff Wampler was the guest speaker for the evening. She spoke on "Spring planting cures spring fever". The members brought pot plants which were shown and discussed, and then exchanged with other members.

The door prize was won by Mrs. Clyde Slusher. Refreshments were then served, and the meeting adjourned.

Reality Therapy Shows Success

"Reality Therapy" sounds formidable. However, it is a simple technique for teaching older and regressed patients at the Wichita Falls State Hospital to become alert once again. Volunteers are now teaching in the geriatric wards at the hospital and doing so successfully. One patient who had not spoken for years now smiles and says "Good morning". More classes are needed. If enough volunteers are interested, according to Mrs. Adrienne Hand, Volunteer Coordinator, the Staff

Development department will begin a new series of instruction. Mrs. Mary Johnson, Staff Development Department, and Mrs. Sylvia Rost, Volunteer Coordinator, will conduct the classes.

Reality Therapy encourages elderly patients to begin functioning again, instead of living with themselves or in the past. The volunteer works with a group of five or six of the same patients each week. The group studies a calendar, the date and year, and the time of year. The volunteer teacher says her name. Each patient repeats his own name and that of his fellow classmates and teacher. They learn to greet each other. It is a simple therapy, but very effective with elderly patients. Volunteers with patience and compassion who can give an hour interaction with five or six patients for about 6 weeks are needed. Dedicated, informed and knowledgeable as the staff is, the one thing they do not have is time. It takes time to re-motivate the elderly, regardless of how simple the technique.

So if you are interested in volunteering in Reality Therapy, call the Volunteer Services Dept., Ph. 692-7010, or 692-1220, Exts. 346, 418, or 238.

Weekly Health Tip
from JOE GILLESPIE

Sunshine is essential to all life on earth, however repeated sunburn of human skin can cause skin cancer. Skin exposed to sunlight should always be protected with suntan lotions containing a sunscreen to filter out the most harmful rays. And don't forget to coat your lower lip! Don't be fooled by an invisible sun - the ultraviolet rays can penetrate clouds and bounce off concrete, beach sand and water to give a severe sunburn.
