Construction In Two Years

12 Acres Are Donated To Burk Independent School Dist.

For New Jr. High

A DEED TO SCHOLASTIC FUTURE... Developers Flynn Stewart and Dave Rhone donated a deed to the Burk Burnett Independent School District for a new junior high, Friday.

After this ceremony, all met at the school site for an added action of ground-breaking (see inset photo). Those present were the persons mentioned above and Jack Aaron, Charles Harper, Gary Bean, and Raymond Greenwood.

The deed to 12 acres of land for a new junior high school off Missile Road near Sheppard AFB was presented to Gene Bankhead (President of the Burk Burnett School Board) Friday as a donation by developers Dave Rhone and Flynn Stewart of Wichita Falls.

Sheppard - Burk Elementary School, which is operated by the Burk Burnett Independent School District, is only a few blocks from where the new junior high will be located.

The future junior high school will be included in the Burk Burnett Independent School District with construction approximately two years away.

After the presentation of the deed, ceremonies were continued at the site of the new junior high where school board president Bankhead, superintendent Pearson, and developers Stewart and Rhone resumed with ground-breaking formalities.

Plans for the new school have not yet been programmed, but architect Charles Harper of Wichita Falls and school board president Gene Bankhead anticipate a 400 to 500 student capacity in a building costing roughly \$500,000.

Those present were board members Thurman Allison, Norman Roberts, Ted Harris, Ira Schroeder, and Gene Bankhead (other board members are John Gill and Frank Morton); tax assessor-collector Raymond Smart; Burk City Manager Gary Bean; school superintendent James Pearson; Burk Chamber of Commerce manager Raymond Greenwood; architect Charles Harper; developers Dave Rhone and Flynn Stewart; and Jack Aaron.

D & G Construction Is Awarded Sewer Contract

The Burk Burnett City Council awarded D&G Construction of Burk Burnett the contract to install 2,786 feet of eight-inch sewer line Wednesday morning, Oct. 17.

The contract was approved at the bid price of \$10,288.50 subject to tabulation by the city engineer and allowing 45 days for completion of the project.

The Burk Burnett City Council awarded D&G Construction of Burk Burnett the contract to install 2,786 feet of eight-inch sewer line Wednesday morning, Oct. 17.

The council received only one more bid which was \$10,918.00

Run--no one injured. Oct. 22, 1973--Party who fled Oct. 21 accident turned himself in.

Girl Scout Fund Drive Complete

Burkburnett Girl Scouts completed their annual fund-raising drive Saturday, trying to collect more money than the year before.

Mrs. Robert Norriss said Monday, "The amount is being tabulated. All the totals aren't in yet, but so far we are well over last year's amount. I'll have the exact amount ready for publication next week."

The Informer/Star will publish the total next week, along with a more complete story concerning the success of the Drive.

Spook House Opens Saturday

Burkburnett Chapter No. 655, OES, will sponsor a "Spook House" opening this Saturday, Oct. 27, and continuing through next Wednesday. There will be lots of fun, thrills, and chills for all who attend.

The big yellow house is located at 124 Avenue B, which is on the corner of First Street and Avenue B. Six rooms of horror will be filled with witches, spooks, goblins, and haunted spirits.

There will be a special Matinee from 2:30 to 4:40 p.m. on Saturday, Oct. 27; and Saturday evening starting at 6:30. The "Spook House" will be open again Monday, Oct. 29, through Wednesday, Oct. 31 at 6:30 each evening.

Everyone is invited--adults, kids, friends--to come out and join in the fun; however, it is not recommended for small tots.

All proceeds go to Welfare and Benevolent purposes.

Burk Chamber Sponsors Halloween Contests

The Burk Burnett Chamber of Commerce will sponsor a Halloween costume parade Wednesday, October 31, at 4:15 p.m. The parade will begin at the old Ice House at North Avenue E and East Third Street.

Out-of-town judges will select a group of finalists from which three winners will be chosen. First prize is \$10, second \$5 and third \$3. The Chamber will also sponsor a Halloween poster contest which is open to youngsters in grades 1-6. They will be divided into three groups: grades 1 and 2, 3 and 4, and 5 and 6.

Local banks in Burk Burnett showed a \$3,292,260.57 increase in deposits as a total compared with that of Oct. 10, 1972.

The First National Bank of Burk Burnett had a total deposit of \$13,215,015.67 on Oct. 10, 1972 and a deposit total of \$14,540,978.45 in October, 1973; thus they are up \$1,325,962.78 from last year's total.

The Burk Burnett Bank had a total deposit of \$5,030,847.96 on Oct. 10, 1972 and a total deposit of \$6,997,145.75 in Oct. 1973; upping their total \$1,966,297.79 during the past year.

Wichita County Reports 17 Sept. Traffic Accidents

Seventeen Accidents were investigated on rural highways in Wichita County during the month of September by the Texas Highway Patrol, according to Sergeant D.S. Lawson, Highway Patrol supervisor of this area.

Of these crashes, no persons were killed and six persons were injured.

The rural traffic accident summary for this county during the first nine months of 1973 shows a total of 153 accidents resulting in three persons killed and 59 injured.

The rural traffic accident summary for the 80 counties of the Lubbock Department of Public Safety Region for Sept., 1973 shows a total of 601 accidents resulting in 24 persons killed and 364 injuries as compared to Sept., 1972 with 561 accidents resulting in 21 persons killed and 335 persons injured. This was 40 more accidents, three more fatalities, and 29 more injured in 1973 at the same period of time.

Fun Day At Sheppard

SHEPPARD AFB, TEXAS--October Family Fun Day is planned by the Sheppard Elementary School for Oct. 27 from 12 noon to 6 p.m.

Activities include games, movies, white elephant sale, hospital, make-up artist, fortune teller, sweet shop and haunted house.

Food will be served. It includes hot dogs, chili, pies and both hot and cold drinks. This is a fund-raising project to benefit the Sheppard Elementary school.

They Play 'Tough' Football

Bulldogs To Face 'Jackets Friday

The Burk Burnett Bulldogs will try to make it two in a row Friday night when they play the Stephenville Yellowjackets in a District 4-AAA game at Bulldog Stadium in Burk Burnett.

Coming off a big win at Vernon last week, the Bulldogs will have their work cut out for them. Although Stephenville has only won two games, Head Coach Pat Smiley warns that "they're always playing tough."

After scouting the opposing club, Coach Smiley said that

which could be termed as 'very tough'. He also said there could be quite a bit of scoring done.

Last week against Vernon, there were no scores in the first half of the game, but in the third quarter the Dogs scored after a 23 yard return on a kickoff and 10 plays. The Bulldogs scored a second time in the third period when Zac Henderson intercepted a Lion pass setting up a first and ten at the Lion 29 yard line. From there the Dogs scored their 2nd TD, coming into the fourth quarter with a 14-0 lead.

In the final period a Vernon offensive pass interference penalty on a faked punt resulted in another Bulldog TD. The final score was 20-0.

The games top rusher was Dan Wilkinson of the Bulldogs who carried 72 yards in 13 carries.

Burkburnett is now 5-1 on the year and 2-1 in district play. Friday's game will be at the local stadium. It will be one in which the Bulldogs need to remain in district contention.

Fire Prevention Contest Winners Are Announced

SHEPPARD AFB, TEXAS--Trophies were presented to winners in each of the grades at both Sheppard Elementary School and the Sheppard-Burkburnett Elementary School Thursday in the Fire Prevention poster contest.

Irvin R. Brown, fire chief at Sheppard Air Force Base, made the presentations. The contest was sponsored by the Base Fire Department at Sheppard.

Winners in the Sheppard Elementary School were Lora Patterson, First Grade; Tim Kahn, Second Grade; Barbara Sparlin, Third Grade; Denise Gonzalez, Fourth Grade; Bradley Aldridge, Fifth Grade; and Lisa Searis, Sixth Grade.

Winners in the Sheppard-Burkburnett School were Dawn Apple, First Grade; Richard Link, Second Grade; Julie Reid, Third Grade; Kim O'Neill, Fourth Grade; Donna Adachio, Fifth Grade; and Steve Satterfield, Sixth Grade.

Lions Club Broom Sale Is Success

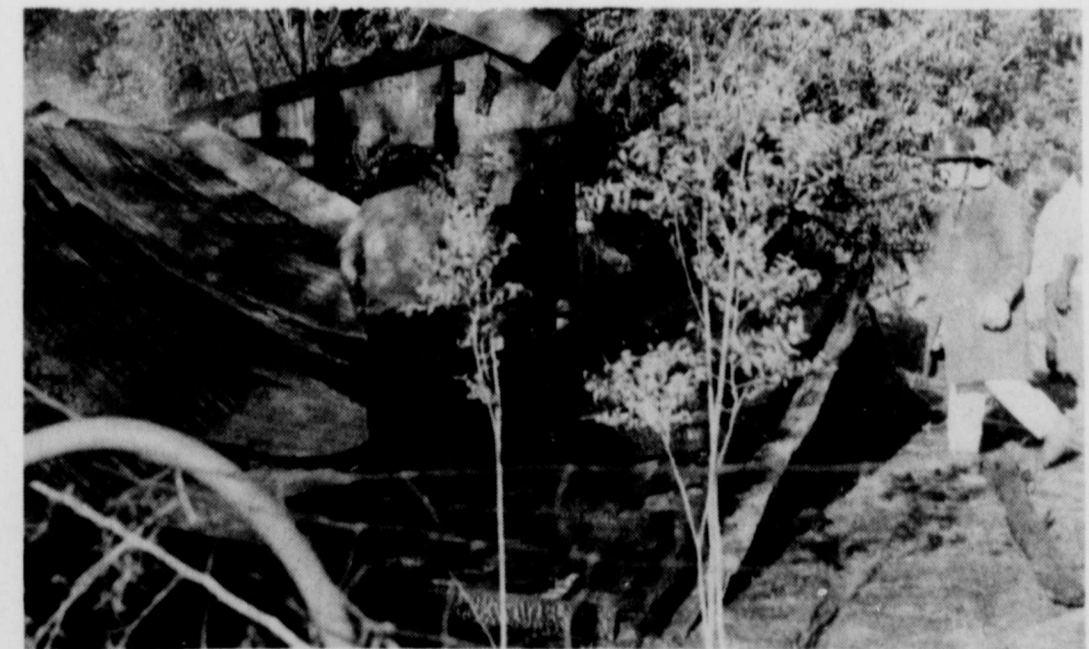

The Boomtown Lions Club had their annual Broom Sale Saturday from 7:30 a.m. until 1:30 p.m. Furnishing the goods to be sold was Caravan Sales for the Blind, which manufactures Blind Made Products.

The articles are manufactured by blind workers in the Lighthouse for the Blind which are located throughout the state of Texas.

The Lion Club's earnings from this sale will be used

for eyeglasses for needy children in Burk Burnett. Lion members were organized to supply friends and neighbors with quality merchandise delivered right to their homes. Every household cleaning aid item sold helped some blind person to help himself.

Sale Chairman Bob Carter said after the sale, "The sale was termed a success. We would like to thank all people who participated."

OCTOBER FIRE... Firemen from the Burk Burnett Fire Department put out a fire of a storage shed on Avenue E Monday. The shed was totally destroyed as pictured. Earlier in the day the firemen went to the call of a trailer house fire in Randlett. Fire Chief Billy Mize wishes to remind citizens that October is Fire Prevention Month and the time of year when many fires occur. Said Chief Mize, "People should check heating units, loose gas connections, should clean storage closets, and do a general clean-up of their homes to help eliminate fire hazards." The local fire department consists of 27 members with four units. They have sponsored programs for elementary school children lately, reminding them to be careful not to cause fires and showing them the fire equipment. Fire Chief Mize also wishes to thank the local police department for their traffic control when there is a fire. "The Police Dept. did a great job with the traffic Monday. Our trucks could move in right to the fire without any trouble."

LIONS BROOM SALE--The Boomtown Lions Club Broom Sale Saturday was termed a success. Pictured are several Lions just before the sale. They are (from left) Dale Lewis, Mickey Cornelius, Randy Clement, Bob Carter (sale chairman), Coy Martin, and C.J. Lippard.

How long do you think it takes to plan and build a power plant like this?

- 2 years 4 years 8 years

Give yourself an A if you said eight years.

The planning and construction of a lignite-fueled power plant like the one pictured here takes just about that long.

That's at least eight years to locate and purchase the right site, order equipment, plan and build the plant, obtain approvals from all regulatory agencies, and then test the plant's operation carefully.

The point is, we can't wait until the day you and your neighbors need more electricity. If we did, you simply wouldn't have it.

That's why we're always looking ahead. We have to. For instance, we've known for some

time that the primary fuels we use to generate electricity — natural gas and oil — would be in short supply and thus more expensive.

Anticipating this, we and two other electric utility companies now have in operation a power plant near Fairfield which uses lignite coal for fuel. And two other lignite plants are currently under construction.

We know that by the early 1980's, we will need still another dependable fuel source — nuclear energy. Plans are under way to have a nuclear-fueled power plant near Glen Rose operational by 1980.

Diversifying to these new fuel sources will help decrease our dependence on natural gas and oil.

Unfortunately, plants designed to use lignite cost about two times as much as gas-fired plants. Nuclear plants cost more than three times as much. But we must make commitments now to be ready for the future.

We're working to supply the electricity you need, but it's costing more to make it all the time.

UNICEF

First Methodist Youths To March For UNICEF

First United Methodist Church youths will march door to door for UNICEF Sunday evening, October 28. The march usually held on Halloween night is an annual one for this group.

The United Nations Children's Fund (UNICEF) exists because over one billion children who live in the developing countries of the world suffer from hunger, disease, poverty, and lack of education.

Political differences do not deter UNICEF from assisting children in need. It assists all countries who ask for aid to build services for their children. These countries also contribute from their own resources on a matching basis.

The youth of First Methodist ask the people of Burkburnett to help support this worthwhile project.

Cattle lice cause heaviest damage to livestock in Wichita County during winter and spring but populations of these lice begin to build up during the fall months.

To delay and minimize the build up of lice populations, producers should inspect and treat cattle during the fall.

After control measures have been applied, newly purchased cattle should be treated for lice before being introduced into the herd. Cattle lice will spread rapidly from infested animals especially when cattle bunch up due to cold weather conditions or when the cattle are penned for an extended period of time.

Cattle should be inspected periodically throughout the winter and spring and control measures should be applied when the lice populations become excessive.

Heaviest lice infestations usually are present on cattle during the late winter and early spring. Heavily infested animals may be weakened by blood losses to the point they are more susceptible to disease and some may die. Lice also keep cattle from making maximum weight gains and reduce milk production.

For control of lice on cattle various insecticides can be used as a spray dust or dip. Information on these insecticides is contained in MF-691, "Suggestions for Controlling Ex-

County Agent News

Another serious problem in southern counties that is directly related to the screwworm infestation is the high number of Gulf Coast ticks. The ticks feed on the ears of the livestock and provide a prime target for female screwworm flies to lay their eggs. Ranchers have reported that 30 percent of the animals with ticks have become infested with screwworms.

Screwworm cases in September in Texas totaled 1,785. More than 87 percent of these occurred in the counties of Brooks, Jim Hogg, Kenedy, Starr and Hidalgo.

Screwworm activity will slow down with cooler weather, but that may still be weeks away. So checking animals and treating all wounds is still of utmost importance. Both Korlan and CoRan sprays are approved by the USDA for treating wounds and provide protection from screwworms for about two weeks.

Worms found in any wounds should be sent to the Screw-worm Lab, Box 969, Mission, Texas 78572, for positive identification. Mailing kits are available at the County Extension Office.

Leader Training To Give Program

by Joyce Smith, County Extension Agent, Wichita County.

Leader training will be given on a program entitled "How to Organize Your Bills and Receipts" on October 29 at 10:00 a.m. at Lone Star Gas Company, 910 Lamar in Wichita Falls and October 31 at 1:30 p.m. at 1520 Trout Street, building #3 (center of Antioch Garden Apartments), Wichita Falls.

Leader training is a method of teaching of the Texas Agriculture Extension Service whereby organizations can send a representative to the training and then present the program to her own club. The training is open to all organizations regardless of the race, color or national origin of the membership.

Roberts Re-elected Farm Bureau President

Members of the Wichita County Farm Bureau re-elected Norman Roberts of Burk Burnett as president during the annual county convention Oct. 16.

Named to serve with Roberts were J.W. Tole, vice president and T.J. Pace, Sr., Iowa Park, secretary - treasurer. Mrs. Ruth Gard is office secretary.

Reports made at the meeting showed membership for the coming year at 930, with the campaign for new members to continue through Oct. 31. Last year's membership was 925 for the year.

New directors were elected during the meeting held at the A.S.C. Building. They included: Precinct No. 1--C.W. Brock, J.W. Tole, L.B. Slaughter and Fred Dwyer.

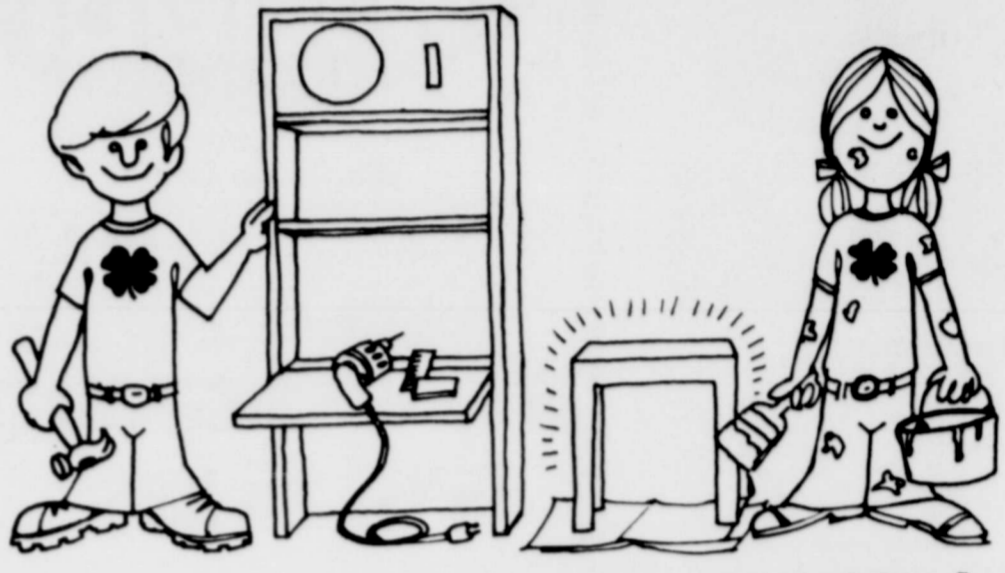

Precinct No. 2 -- William Morton.

Precinct No. 3--Robert Wilcox, Rex Wells, Loys D. Barbour and Milton McWhorter.

Thru Home Environment Program It's Fun to Create Your Own Space, Say 4-H'ers

Young people are discovering how much fun it is to make their homes nicer places in which to live. And they are doing it in the national 4-H home environment program.

Supervised by the Cooperative Extension Service and sponsored by The S&H Foundation, Inc., the program stresses development of skills necessary to enhance the interior and exterior of their homes.

The young decorators are encouraged to plan their home surroundings such as wood, fabrics and other materials in their creative pursuits.

Linda Ansell, Lakewood, Colo., says her proudest accomplishment in the 4-H home environment program was the restoration of a living room chair. She stripped the wood, restained it and reupholstered the chair.

Wesley Massey, Fort Valley, Ga., likes to make a variety of room accessories--

COLLEGE STATION-- With meat prices about in line with other commodities, expect them to remain around current levels, one authority said this week.

Mrs. Gwendolyn Clyatt, consumer marketing information specialist, Texas Agriculture Extension Service, Texas A&M University System, cited consumer resistance to high prices as one factor causing the current lower prices.

"Watch for more beef features this week at markets," she advised. "Consider chuck roasts and steaks, round steak, ground beef and beef liver."

"Pork supplies have increased with attractive prices usually found on Boston butt roasts, shoulder steaks, quarter-loins sliced into chops, ham portions, smoked picnics, canned hams and sausage."

"However, keep in mind that cuts in most demand will cost more. For example, a center-cut loin roast is more expensive than rib or loin-end roasts although both have the same inviting flavor and preparation simplicity."

Also exotic cattle and cattle working equipment will be on display. A registration fee of \$5.00 will take care of the luncheon and materials. The registration fee should be paid in advance to the OSU Extension Center.

For cool season pasture rotation grazing, use three or four pastures. This lets you concentrate enough cattle on one smaller pasture to force uniform use of forage and reduce trampling. Rotation also gives plants in a previously grazed pasture a chance to recover and resume growth. Plants grazed once and trying to regrow are the most tender and palatable in a pasture.

Animals tend to go back to those more palatable plants and graze them repeatedly. Once they start this spot grazing, they usually continue as long as any plants regrow. The time cattle stay on any one pasture in a rotation grazing plan will depend on the number of cattle.

If forage has accumulated during the fall, concentrating cattle on a portion of the small grain forage or tall fescue forage will let the remaining pastures continue to accumulate growth as weather conditions permit. To further save forage, reduce the size of pasture being grazed at any time by using electric fences. This could become quite a chore. You must balance the effort you want to put into it with the benefit you expect to get. Limited grazing can be used with stocker animals, dry pregnant

Sheppard AFB Notes

SHEPPARD AFB, TEXAS-- Two Sheppard AFB Noncommissioned Officers and a civilian employee recently proved the adage--The Air Force takes care of its own.

Master Sergeant R.C. Cline, Chief of Student Aids, and Technical Sergeant Ron Galloway, a student aid with the 3776th Student Squadron, both with the School of Applied Aerospace Sciences, learned that an elderly retired Air Force Officer needed help in moving from Wichita Falls to Iowa Park.

Bob Forney, manager of the Sheppard Federal Credit Union, and a friend of many years of the 74-year-old semi-invalid, knew the man would be unable to make the move himself. His solution--call on friends from the base.

The sergeants took time from their busy schedules and, using their own vehicles, took four-and-a-half hours to complete the move.

Captain Eugene Gonzales, an instructor with Health Services Administration, School of Health Care Sciences, has recently been chosen to participate in the Air Force Institute of Technology (AFIT) program for advanced degrees.

Quality salary increases were awarded to two civilians and sustained superior performance awards to two others recently at Sheppard Air Force Base.

They were made through the Air Force Incentive Awards Program. Recipients of the quality salary increases were Joe N. Kauffman, computer aid, 3750th Air Base Group and Helen C. Winn, a Licensed Vocational Nurse with the USAF Regional Hospital.

The sustained superior performance cash awards went to Rose E. Choate, a dental assistant and to Irving W. Grice, a food service worker, both with the USAF Regional Hospital.

Safe Driver Awards were presented to three Air Force civilian employees Oct. 17, at Sheppard AFB, in recognition of a total of 43-years of safe driving.

They were Marvin D. Glover -- 20 years; Arthur Brown--12 years; and Elvin S. Roberts--11 years.

The Safe Driver Award program recognizes those drivers, military or civilian, who have sustained high standards of performance in the safe operation of Air Force owned or operated vehicles. It also provides an incentive for continued high performance by furthering the prestige of the drivers.

The USAF Regional Hospital at Sheppard AFB received a plaque for first place in the Fire Prevention Week Base Display contest.

The hospital received the plaque for the outside display depicting Old Faithful as someone smoking in bed.

Second place went to the 80th Flying Training Wing for its indoor display also showing the hazards of smoking in bed.

School of Health Care Sciences came in third with the poster slogan saying "Stop fires before they start."

Five civilian employees retired from government service at Sheppard AFB in September. The retirees were Ivey J. Blankenship, Joseph T. Rogers, Sammy Hayes, Jose C. Salinal and Earl M. Young.

Bulldogs Tame Lions 20-0 In District Game

The Burk Burnett Bulldogs racked up number two in district victories Friday night by beating the Vernon Lions 20-0.

The Bulldogs the ball on the home's 35. From there QB Wilkinson and the fellows that make him what he is, the rest of the offense, took over and Wilkinson (with several good blocks by the linemen) went in for six more.

and Curtis Williams ran the ball up to the Lion 46. A few minutes later, Q.B. Wilkinson carried the ball over into the land of six.

Burk's rushing game ended with 209 yards, Wilkinson picking up 72 of those.

Zac Henderson had a real good third quarter by first picking off a pass and then on the offensive game of that interception, scoring a T.D.

A call against Vernon set up the third Bulldog score. It was an offensive interference call on a fake punt that gave

Junior High

The Burk Burnett Junior High A team defeated City View 30-6 here Tuesday. Scoring touchdowns for Burk were Charles Lewis, who scored two TD's, Joe Horn, and David Kinnett. Outstanding players for Burk Burnett were Jose Thomas, James Giles, Scott Tucker, Jerry Long, Herbert Wall, Jeff McWilliams, and Steve Stewart.

points failed. By the end of the first half, the score was tied 6-6.

The third quarter was the big one for Burk, since it scored 16 points in that period. Kinnett scored on a 5 yard run and Lewis on a 10 yard run. Extra points were good (they were run by Lewis and Horn). In the final period, Lewis capped the score with a 15 yard run and Horn ran the extra two points to end the game 30-6.

Junior Varsity

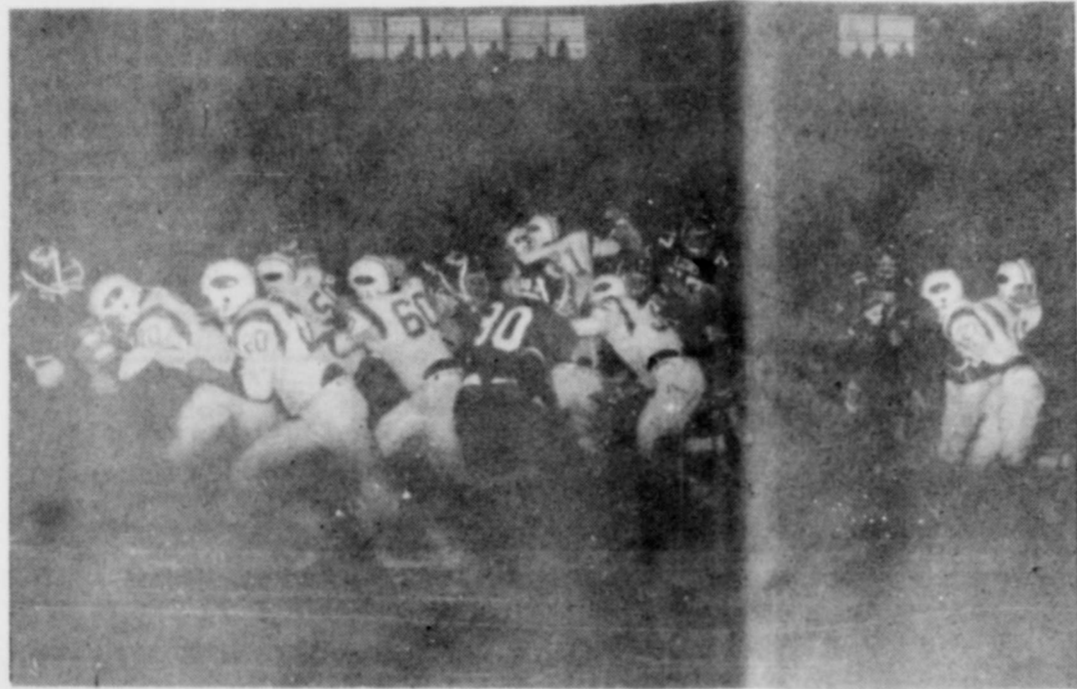

The Wichita Falls High School Rowdies slipped by the Burk Burnett Junior Varsity Saturday 14-6 in a fourth quarter spurt at Memorial Stadium.

the lead on a 35 yarder. This left the score at 6-0 until the last quarter when Dan Ingram for the Rowdies rallied for a 14 yard TD run and later a 25 yard run. Points were good making the final score 14-6.

Freshman

The Wichita Falls High School Pups squeezed by the Burk Burnett Freshmen 30-8 Thursday in Memorial Stadium.

They added another 6 in the third quarter and topped it off with 16 more in the fourth. Burk's only score came from a 60 yard pass play in the last period. The final score was 30-8.

Zac Henderson (23) takes handoff from Ben Wilkinson (11) as line blocks fiercely for him. Blocking are (20) Tom Rushing, (35) Lynn Hammond, (60) Robert Chaney, (71) Rusty Barrett, (50) Larry Martin and (70) Phil January.

**BENT HOOKS,
MISSED SHOTS
and OTHER TALES**

by Jim Alexander

This is the time of the year that I like best. This period of the calendar year seems to agree with me more than any other time. It's not so hot, and it's not so cold. To me the fall of the year is "Bird Dog" time. I love to take my dogs to the field and hunt for hours on end.

The old saying "Ten per cent of the fishermen catch ninety per cent of the fish" may just be true. The statement, "The fish are in only ten per cent of the lake" may also be true. The way to be a successful fisherman is to find the ten per cent. I have a feeling that not too many fishermen do that. A fishing trip can be successful without putting a fish on the stringer.

The outing, the fun, the trip, and especially if it's with friends is what really matters. To some fishermen a fishing trip doesn't count if something isn't caught and put on the stringer. I believe that you should go fishing every chance you get, good days, or bad days. I intend to fish until December 1, and then I plan to run two bird dogs right into the ground.

Crossing Red River into Oklahoma for a weekend of camping were members of Boomtowners NCHA.

Four miles north of Fort Cobb, on SH9, is Fort Cobb Recreational Area with 495 acres of land and 4,070 acre Fort Cobb Reservoir. Available were picnic shelters, tables, grills, drinking water, playground, restrooms, elec-

trical hookups, boat launching ramps, rental boats, marina, water skiing, and a nine hole golf course. Adjoining the recreational area is a 4,500 acre public hunting area.

Camp fires were the center of interest each night as the group gathered to enjoy the warmth and fellowship. A bean and cornbread supper was served Saturday night and a pot

luck lunch on Sunday. The Sunday morning devotional service was conducted by J.R. Wooten.

Enjoying the beautiful fall weather during the campout were: Bo & Patsy Montgomery, Nelson & Estelline Boyle, Bill & Ruth Halsey, S.T. Corder, Ed & Mary Bankhead, Joe & Lorene Wooten, Herman & Leona Miller, Clarence & Clodella Bridges and guests Henry B. Romona & Michael Vaughan.

Library Corner

New "How-to" books are plentiful at the library; Geoffrey Fletcher offers help to the artist who has to work without supervision in his book **SKETCHING IN COLOR**. **PAINTING OUTDOORS**, by Ralph Fabri, is for people who love nature and the things man has added to nature. **TRAPUNTO**, sometimes called Italian quilting, is a form of quilting in which you raise only a specially chosen design. Jo Ippolito Christensen tells you how to use it on a purchased article or one you make yourself. It is possible to produce an authentic looking crackle finish artificially on many types of finishes. **LACQUER & CRACKLE**, by Hanny Nussbaumer tells you how.

to their charges; James Herriot, countryside animal doctor, wrote **ALL CREATURES GREAT AND SMALL**. The locale is rural, and the book shines with humor, pathos, and a richly justified love of life; David Halberstam's book of America in the last decade, **THE BEST AND THE BRIGHTEST**, is the story of what happened when the best and brightest men in the country came to Washington, D.C. to serve the Kennedy and Johnson administrations; Jim McKay, a sportscaster for ABC's Wide World of Sports, has an exciting twelve years. **IN MY WIDE WORLD** he covers the recent summer of 1972 with flash-backs of other memorable moments.

Other non-fiction new on our shelves: **AND PERHAPS** - the story of Ruth Dayan; **RICHIE** - the tragedy between one man and the son he loved, by Thomas Thompson; Gerald Durrell's **A BEVY OF BEASTS**, is special - it is about some of the most interesting beasts in the animal kingdom and their keepers whose lives have become linked

Fiction: **A PALM FOR MRS. POLLIFAX**, by Dorothy Gillman; **MOONRACKER'S BRIDE**, by Madeline Brent; **PRISONER OF THE QUEEN**, by Alison McCleod; **THE RAINBIRD PATERN**, by Victor Canning; and **BEST SCIENCE FICTION FOR 1972**, edited by Harry Harrison and Brian W. Aldiss.

Final plans are being made by the Southside P.T.A. for the annual Halloween "Fun Night" to be held this Saturday, Oct. 27th from 6:00 to 9:00 p.m. Class rooms will be turned into carnival booths, spook houses, sweet and pastry shops. There's something for everyone.

For those wanting to eat, the refreshment stand will be open at 5:00 p.m. Parents and teachers have worked hard to make this another successful year. Proceeds will be used to finish paying for air-conditioning and school equipment. Everyone is urged to come and join in the fun.

Guidelines of Life

by Ray C. Morrow, pastor, Calvary Baptist Church

"THE ULTIMATE PURPOSE OF CHRIST'S SECOND COMING IS---THE PERFECTION OF ALL CREATION," REVELATION, CHAPTERS TWENTY ONE AND TWENTY TWO; also II PETER 3:2-14.

PROVERBS 4:18 says, "The path of the just is as the shining light, that shineth more and more unto that perfect day".

The "GOOD OLD DAYS" are not yesterday--the perfect day is GOD'S TOMMORROW.

The mechanical light of man's world grows dim, and is flickering out. The light of God's purpose and plan in Christ is growing brighter toward that perfect day.

Our SOULS are made perfect in REGENERATION, when we trust Christ as Saviour, JOHN 3:16-18; I PETER 1:18-23; COLLOSSIANS 1:28; 2:10; I JOHN 3:9.

Our BODIES will be perfected, like unto His glorious body, at the RESURRECTION--when Christ meets His Saints in the air, I THESS. 4:13-18; I COR. 15:35-57; PHIL. 3:20-21; I JOHN 3:1-3.

"ONE WORLD" of all nations will be perfected when Christ reigns on His father David's throne in Jerusalem, ISAIAH 9:6-7; LUKE 1:32-33; HABAKKUK 2:14; ISAIAH 2:4; MATT. 25:31-34.

But the ultimate in perfection is when Christ makes all things new: --- new heaven, new earth, and new City, REVELATION 21:1-8. The fulness of the glory of Christ shall so dominate that final handiwork of God's re-creation, that nothing good shall be lacking, and nothing bad can ever enter to mar or destroy--no sin, no death, no sorrow, no pain, no curse and no night. Beauty and joy forever will utterly fill God's wonderful City, and "THE LAMB IS THE LIGHT THEREOF".

This present world system is distressed and troubled because they "KNOWETH NOT HOW TO GO TO THAT CITY". The ingenuity of man cannot attain this ideal perfection, ECCLES. 10:15; ROMANS 3:7.

"HOW CAN WE KNOW THE WAY?" Jesus said, "I AM THE WAY, THE TRUTH, AND THE LIFE, NO MAN COMETH UNTO THE FATHER, BUT BY ME", John 14:6.

This is that perfect place that Abraham by faith looked for, HEBREWS 11:10.

We also "LOOK FOR NEW HEAVENS AND A NEW EARTH, WHEREIN DWELLETH RIGHTEOUSNESS", II PETER 3:13.

Achievement Tour Planned

by Dee James
County Extension Agent
Wichita County

Would you like to visit the homes of others and get ideas for making improvements in your home? You may want to be a part of the Wichita County Extension Achievement Tour. This tour will be Tuesday, Oct. 29, starting at 9:30 a.m. in the home of Mrs. A.H. Skidmore. Others to be visited will be: Mrs. Gene Gowen, Mrs. Lee Turner, Mrs. Bill Neeley, Mrs. H.E. Clayton and Mrs. Leroy Barfield.

The tour promises a day of fun in viewing the results of these remodeling demonstrations. A picnic lunch will be held in the yard of Mrs. Lee Turner (bring your own sack and transportation says Dee James).

The home improvements include everything from remodeling to building. Furniture refinishing and selection. Numerous decorating ideas can be found in each home on the tour. The first home on the tour

is that of Mrs. Skidmore, 401 West Wharton, in Electra. Mr. and Mrs. A.H. Skidmore moved into town from their farm 10 years ago and completely remodeled their home. Their most recent addition is the outdoor living area. A patio was poured, awning added and the setting accented with a beautiful fountain and numerous plants. A "poodle room" was also added off the garage for Mrs. Skidmore's hobby of poodle grooming.

Mr. and Mrs. Gene Gowen's home has to be seen to be believed. What was once the Punkin Center Community Building has been remodeled into a spacious home, which includes four large bedrooms and three full baths. What was once the stage is now a bedroom for their daughter. The large family kitchen has forty feet of counter space and room for a large round table in the center. The Gowens are still in the process of remodeling the community center and will soon be converting remaining

rooms into a family room and double garage.

An older house made into a modern, convenient home will be the third home on the tour. Mr. and Mrs. Lee Turner completely remodeled their Iowa Park home. A wall was used to divide what was once the kitchen into a back entrance hall and a smaller, more convenient kitchen. Color was added to the kitchen by the use of bright yellow counter tops and appliances, and the cabinets were stained a warm blue. Also included in Mrs. Turner's project were new carpeting, attractive window treatments throughout the house, and furniture restoration.

After lunch in the yard of Mrs. Lee Turner, the tour will continue to the home of Mrs. Bill Neeley. Mr. and Mrs. Neeley have made a large master bedroom from what was once their garage. They left the brick wall on one side and have attractively used it as a backdrop for the bed. The bedroom also contains a business center and laundry area effectively hidden behind folding doors. The ceiling has been covered with burlap and tile pictures added for interest. Mr. and Mrs. H.E. Clayton have redecorated their master

bedroom for better use of space and a more attractive setting. Bedroom furniture and accessories have been antiqued green, including the trunk that once belonged to Mrs. Clayton's grandmother. Furniture has been rearranged to allow one end of the room to be used for TV viewing. Family history is recorded through interesting wall arrangements in the room.

Mr. and Mrs. Leroy Barfield's home is the final stop for this year's tour. They have added a new living room to their home. Included in the room is a beautiful red brick fireplace with a solid oak mantel. The project took two years to complete, but was well worth the time, since all of the work was done by the Barfields. A front entry closet has been lined with bright flowers, a pleasing greeting to any visitor.

The Wichita County Extension Tour is sponsored by the Wichita County Housing Subcommittee. Hostesses for the event are the Expansion, Exhibit, and Education Committee of the Wichita County Home Demonstration Council and local home demonstration clubs. The public is invited to take part in the tour.

Chamber Manager

Just a reminder of things to come in the column this week. Don't forget the Chamber Halloween Costume Parade and poster contest next week.

The parade will be at 4:15 p.m. Wednesday, October 31. Finalists in the poster contest will be judged on Thursday, Oct. 25. Full details of these events can be found elsewhere in this edition of the paper.

Mail or bring in your ballots for the directors election. They must be in by 10:00 a.m. Tues-

day.

The Chamber is sponsoring the Bill Mack Show which will be held November 3. You can save 50¢ by buying advance tickets, so don't delay. Tickets are on sale at the Chamber office, Corner Drug Store, First National Bank, Burk Burnett Bank, First Savings & Loan, Informer/Star and from several Chamber directors.

It will be a good show from the country & western famed Bill Mack. As an added feature a portion of the Country Jam-boree will also be given.

The Bill Mack show will be recorded for use on a record soon to be released by Mack. Make plans to come out and then months from now when you buy the record you can say, "Listen to those hands clapping way over there in the corner--that's me!"

Advance tickets are \$2.00 for adults and 75¢ for children. Tickets at the door will be \$2.50 and 75¢.

There are always scores of Aggie jokes floating around and it's hard to believe that someone doesn't devote his full time coming up with them. But this incident actually happened.

My brother-in-law and a fellow student traveled to A&M a few weeks ago to visit the campus on A&M's Student Day. As most prospective students, he brought back an array of materials bearing the Aggie emblem.

The baggy T-shirt he gave to my little daughter, she wore with pride. Then he pulls out a baby bottle with the A&M emblem stamped on the side and presented it to our month old boy.

Hours later after the bottle was filled with formula, feeding time rolled around. He put a suction on the bottle as the little cuss always does, only to stop in a short time and spit the bottle out of his mouth. Then he rested a few minutes, looked around--and then threw up.

Guess that's enough said about that!

Make special plans to attend the November 5 chamber luncheon. We have a very special program scheduled that I'm sure you won't want to miss.

Mr. & Mrs. C. A. (Buster) Morgan

Golden Anniversary

by Sylvia Lohoefer
Mr. and Mrs. C.A. (Buster) Morgan of Ridgeway, Colo., formerly of Ouray, Colo. and of Burk Burnett, were honored on their Fiftieth Wedding Anniversary Thursday, Oct. 11th.

They have two daughters, Mrs. Joella Gragg of Edmond, Okla., and Mrs. Patricia Streit of Vernon, both of whom were unable to attend the reception.

Approximately twenty-five relatives and friends attending were Mr. and Mrs. James King of Wichita Falls, Tex., Robert L. King of Austin, Tex., Mr. and Mrs. J.M. Gots of Burk Burnett; Pete Jamison of Ft. Worth; Herman and Tim Johnson of Dallas, Texas; John Gullett of Edmond, Okla.; Ed Easton of Oklahoma City, J.C. Ainsworth of Oklahoma City, and Mr. and Mrs. M.H. Smith, Mr. and Mrs. Bob Williams, Mr. and Mrs. Paul Boslaugh, Dorothy Marsh, all of Ouray, Colo.; and Mrs. Milton Mitchell, Esther Lewis, Lorain Hamey and Marie Scott, all of Ridgeway, Colo.

The music consisted of 'It's a Small World', under the direction of Mrs. Richardson, music teacher, and Mr. Dunn, president, announced that the fall workshop will be held in Alford, Texas, Oct. 26.

The music consisted of 'It's a Small World', by Sherman and Sherman; Wonderful Copenhagen, by Loesser; The German Band, a German folk song; Kum Ba Yah, an African folk song; Don Gato, a Mexican folk song; Hawaiian Rainbows, a Hawaiian folk song; Sakura, a Japanese folk song; Happiness, by Gesner; Dear Hearts and Gentle People, by Hilliard and Fain; I'd Like to Teach the World to Sing (by Backer, Davis, Cook, and Greenwood); and Goodnight, by Welk.

The music teacher was Mrs. Alma Grace Richardson. Attendance awards were presented to Mrs. Mullins, Special Education; Mrs. Stewart, Primary; and Mrs. Smart, Hardin.

The PTA wishes to express its gratitude to the merchants, friends, and neighbors, who donated the many articles; and especially to the parents and teachers who worked hard to make Fun Night a big success.

Mrs. Morgan's corsage was of delicately beautiful sweetheart roses and Mr. Morgan's boutonniere was a gold carnation. Mrs. Paul Boslaugh registered guests. Mrs. Morgan, the former Mabel Williams and "Buster" were both from Wichita Falls. He is formerly a native of Burk Burnett. The couple established a farm home northwest of Burk, where they lived for many years, later moving into this city.

Alexander Wins Paid Trip To Las Vegas

Jack L. Alexander, a local Mobil dealer for 33 years, has won an all-expense paid trip to the Mobil Dealer Convention in Las Vegas. Alexander will also be eligible to win a 1974 Lincoln Continental Mark IV, and his wife a 1974 Mercury Cougar XR-7, in a drawing to be held during the convention. Alexander won the trip in a drawing from several hundred eligible Mobil dealers in North

and East Texas. Mobil sent questionnaires at random to its credit card holders asking them to rate their next visit to a Mobil station. Questions pertained to such items as quick and courteous acknowledgement, checking the oil, cleaning the windshield, and clean restrooms. Those dealers receiving high ratings by their customers were entered in a drawing for the free trip.
