## Tentative Schedule Set For July 4 Celebration

A tentative schedule for Burk Burnett Fourth of July Celebration events has been drawn up by the local Chamber of Commerce.

At 1 p.m. that day there will be various booths in operation in the park area. They will be sponsored by community clubs. At 6 p.m. the Chamber will begin serving the barbecue. Entertainment, consisting of bands, choirs, and country-western groups, will begin

### Youth Golf Clinics Set

Beginning July 8 and lasting through July 11 will be a girl's golf clinic at Hidden Valley Golf Course, as part of the Burk Burnett Summer Recreation Program.

A boy's clinic will be July 15-19 at the same course. Both clinics will be for youths ages 6-18 and are free of charge. All a person needs to bring is enthusiasm and interest, according to Bob Carpenter, coordinator.

Some type of Junior Golf Tournament will be held in late July as a follow-up to the clinics.

around 6:30 p.m.

A flag-burning ceremony will begin at 9 p.m. Citizens are urged to bring old, worn, and tattered American flags so they may be destroyed in the correct manner.

At 9:15 p.m., or immediately as the last note of taps is played for the flag-burning, there will be an hour-long fireworks display in a nearby area.

Tickets to the barbecue are \$2.50 each (children 5 and under free) and may be obtained from the following local merchants: Lone Star Gas Co., Darter Insurance Co., The Manhattan, Corner Drug, Lippard Furniture, The Burk Burnett Bank, First National Bank, First Savings & Loan, Texas Electric Service Co., KOA Kamp Grounds, American Legion Post, S&L Barber Shop, Beavers Furniture, The Galley, and T.M. Cornelius Ins. Co.

Committee chairmen have been named in most areas and many volunteers have offered their services. According to Chamber of Commerce Manager Jim Lemley, there is still a need for general help, and volunteers should call 569-3393 (Chamber office) if interested.

Committee chairmen include: Chamber of Commerce, overall

chairman; Joel Graves, entertainment; Joe Alvey, fireworks; Leon Smith, publicity; Irma Johnson, ticket chairman; and Bob Carpenter, parks cleanup.

### C-C Has Two Phone Numbers

There are now two phone numbers at the Chamber of Commerce office in Burk Burnett. The regular business number is 569-3393 and the number for the County Tax Office, Burk Burnett Sub Station is 569-1782.

**COMMEMORATIVE PLATES**--A limited number of commemorative plates for Burk Burnett Heritage Week, 1974, are being made to possibly become future antiques and family heirlooms. Tom Colley (right) of Boomtown Photo will order a minimum of 15 plates and a maximum of 30 depending on the number of orders for them. The plates will have a picture of the Burk Burnett oil boom and will be imprinted with: BOOMTOWN U.S.A.; HERITAGE WEEK, 1974; BURKBURNETT, TEXAS; No. ?. Each plate will be individually numbered. Colley stated, "It is hoped acceptance of these plates will warrant a new and different issue each year and in time they will become valuable." Pictured with him is Chamber Manager Jim Lemley, who is working on the promotion of orders for the plates.

## School Board Awards Classroom Contract

The Burk Burnett School Board met in a special session Thursday night, June 13, to open bids on proposed portable classrooms to be used during the 1974-75 school term.

After bids were opened and tabulated, bidders showed wall and floor samples to the board and architects to be sure specifications would be met.

The board then excused the bidders and discussed and compared costs. Trustees present finally agreed unanimously to award the contract to Noble Walker Construction Company of Austin for proposal number 5, which would consist of three single and one double

classroom units at the bid cost of \$44,987. The stipulation was added that negotiation of siding and carpeting would take place at a later date.

Other bidders included Industrial Laminates Corporation of Austin with a bid of \$49,823, and B&M Construction Co. of Burk Burnett.

Completion date for the structures was set by the bidder for August 10, 1974.

Portable single units will be placed at Hardin, Sheppard - Burk, and the Junior High. A double classroom unit will be situated at Southside.

Trustees not present for the meeting were Ira Schroeder and Norman Roberts.

## Work Begins On Westside United Recreation Hall

Workers have been scrubbing, cleaning, and doing general repairs on the Laying Hen House located at 600 W. 7th, Burk Burnett. The 81' x 31' former Army barracks which had been donated by Sheppard, housed over 1,000 chickens until a year ago when it became vacant. Due to requests by youths for a place to meet and hold recreational activities, the structure was turned over to them to be reworked and improved as a meeting place. It will be known as the Westside United Recreation Hall.

Community Action Corporation of the North Texas Area (CAC) is using the project as a means to provide Manpower participants with a variety of work habits and give participants counseling support which will enable them to either enter the labor force as productive workers or return to school. According to James M. Ayers, president of the Westside United Recreation Hall staff, work has progressed with the aid of the City of Burk Burnett and volunteer workers. He said that supplies will have to come from donations and that all donations will be greatly appreciated. He stated that the hall can be used by anyone in the community: black, white, brown or yellow; and that age doesn't matter either.

Annie Bell Harris, trustee for the recreation hall, said that paint, lumber, carpet pieces, nails, and other items which might be laying around the house are needed as donations to be used on the inside of the facility. Ayers stated that what Burk Burnett needs is intra-city communication. He concluded that this project is the first step to making the local community a model city in Texas.

To send donations contact Bonnie Locklin at 569-1785 or Annie Bell Harris at 569-1831 (Day Care Center). It is noted that plans are being made for a Fourth of July picnic at the hall and that restrooms are now available at Freeman Park, due to donations by Walter West.

Westside United Recreation Hall officers and staff include James M. Ayers, president; Michael Thomas, vice pres.; Patricia Bishop, secretary; Faye Locklin, Asst. secretary; Ricky Harris, treasurer; Ruth Longmiles, asst. treasurer; Freddie Loivollette, general manager; and Glen Locklin, asst. manager.

Those on the advisory board are Bobbie Ray Locklin, Cheryl Hicks, Lawrence Washington, Corona Roberts, Donald Brown, Vivian Hicks, Keith Stiene, Cleveland Harris, Ester Gacia, and Frank Reed. Field workers include Annie Bell Harris, Florence Locklin, Annie Pearl Smith, and Selinda Howard.

Anyone interested in joining the group should contact Annie Bell Harris.

Recreation supervisor is Kathy Riley, with James Williams trustee and Eugene Harris in charge of entertainment. Trustees are Annie Bell Harris, Helen Locklin, Cleveland Harris, and Howard Locklin.

Those on the advisory board are Bobbie Ray Locklin, Cheryl Hicks, Lawrence Washington, Corona Roberts, Donald Brown, Vivian Hicks, Keith Stiene, Cleveland Harris, Ester Gacia, and Frank Reed. Field workers include Annie Bell Harris, Florence Locklin, Annie Pearl Smith, and Selinda Howard.

**HARD AT WORK**--Pictured in larger photo are volunteers busy cleaning up the Laying Hen House located at 600 W. 7th, in an effort to convert it into the Westside United Recreation Hall. In the inset photo in the

upper right-hand corner is an outside view of the building. Donations are requested by supervisors of the project so that further improvements can be made. See related story. Staff Photos by Ricky Stevens

## POLICE REPORT

According to the Burk Burnett Police Report, there were three local businesses burglarized during the past week, including Bob's Amusement Center, United Super Market, and Jiffy Food Store. There was an attempted burglary at the KOA building and there were two bicycle thefts reported.

There was a theft reported of a demonstrator dealer's tag from an automobile parked at the dealer's residence, and criminal mischief was reported to have happened to an automobile parked in the carport of a private residence.

Police investigated the breaking and entering of a building at the High School where paint was splattered on walls and floor.

There were three minor traffic accidents, all involving one moving car and one parked car. One was on Maxwell Street, another on Sycamore, and one in the parking lot at Herb's Grocery.

There was a report that a filled butane tank at Harlin Mullins Butane Co., located 3/4 of a mile west of 369 on Springtown Road was shot with a high powered rifle.

## Senior Citizens Collect Eyeglasses For Needy

The Burk Burnett Senior Citizens Club met Thursday at noon for its regular luncheon. Special guests included Tom Lindsey (District Governor of the Lions Club) from Vernon, D.L. Ligon (International Lion Counselor from Wichita Falls), Frances Beaver (incoming president of the Noon Lions Club), and Jess Whatley (Evening Lions representative).

After recognition of guests,

Senior Citizens President James Foyce announced that the club had been collecting eyeglasses from everyone in town to be donated to the Lions Club, who will in turn furnish them to people all over the world.

District Governor Lindsey then told the group, "Thank you for the service you've done on collecting these glasses. They will be sent to Florida for reworking and then to Puerto Rico." He noted that over eight-thousand glasses from the area have been collected in the past and that Lions Clubs live up to their motto: "We Serve".

He told the Senior Citizens that people who build walls instead of bridges become lonely when they're older. He described the service of collecting glasses as a bridge. "You're building a bridge and making it easier to let people in," he concluded, thanking the group.

Counselor Ligon told the Senior Citizens, "This is great that you have such an organization. It is a wonderful thing. All of us like to be doing things, and you all are doing things."

When speaking of the proposed new club building the group plans to construct, Ligon said, "I hope more Burk citizens will work with you to help you get your project." He concluded by saying that Senior Citizens have mastered the art of serving people.

President Foyce announced that bank accounts have been started in the First National Bank, and The Burk Burnett Bank, known as the Senior Citizens' Building Fund. He said that money collected for this fund will be used solely for the building--nothing else, and that the City Council recently ruled that the building can begin construction as soon as enough money is raised to have the base and shell built.

The group then voted to use the "love offerings" as contributions to the building fund. It was reported that ten new members had joined the club since the last meeting.

**DONATE EYEGASSES**--The Burk Burnett Senior Citizens Club donated a table-full of eyeglasses to the Lions Club Thursday to be used for persons in Puerto Rico. Pictured with the glasses are (from left) Frances Beavers, incoming president of the Noon Lions Club; James B. Foyce, president of the Senior

Citizens Club; Tom Lindsey, District Governor of the Lions Club [from Vernon]; D.L. Ligon, International Counselor Lion from Wichita Falls; and Jess Whatley, Evening Lions Club representative. See related story.

**FIREMEN PURCHASE TICKETS**--The Burk Burnett Volunteer Fire Department purchased \$100 worth of 4th of July Barbecue Tickets from the Chamber of Commerce last week. Pictured is Fire Department secretary Louis Johnson as he buys the tickets from Irma Johnson, ticket chairman. Officers of the Fire Department include Billy Ray Mize, fire chief; Karry Elliott, president; Bill Kassinger, vice-president; and Louis Johnson, secretary.

Chamber Manager Jim Lemley said, "The Fire Department is sometimes taken for granted. Most citizens do not realize this is a volunteer organization. Many thanks go to these men." There are 25 men in the Burk Burnett Volunteer Fire Department.

TEXAS PRESS ASSOCIATION

AUSTIN, Tex. — Constitutional Convention delegates are entering the make-or-break last laps of their work.

Delegates last week completed first-draft approval of the proposed new state charter after final agreement on the delayed judicial article.

President Price Daniel Jr. said he hopes all articles will be pushed through the third-reading stage by the end of June.

After that, the document will go to the convention's "Submission and Transition Committee," which will wrap up all proposals in package form and return them to delegates.

At this stage, the document and related separate-submission items (like right-to-work) must be approved by a two-thirds majority (121 votes) to be submitted to voters.

The Submission and Transition Committee will serve as a kind of conference committee, seeking compromises which can rally approval of the necessary majority of delegates.

After months of stormy debate and close votes, the convention began to receive praise from many quarters for its efforts to improve the 1876 constitution.

Kind words were still being withheld by the governor, however. Aides to Gov. Dolph Briscoe said he would "find it very difficult" to support the revision in its present form, because recommended changes infringe on gubernatorial powers in areas of veto and

calling special legislative sessions.

TRADING STAMP LIMIT? — The State Finance Commission may ban use of trading stamps and other inducements by savings and loan associations to help attract deposits.

The panel's savings and loan section is scheduled to rule on the long-standing issue June 22.

Opponents argue the regulation would curtail advertising by savings and loan associations, would not benefit consumers and would be meaningless to federally-chartered institutions.

An earlier version of the proposed regulation included an exemption for associations competing with other financial institutions which offer stamps and other premiums.

Savings and loan associations are divided on the issue. Several consumer groups have indicated they will offer testimony in opposition to the proposal.

WASTE HEARINGS SET — Texas Water Quality Board has scheduled 12 public hearings over the state to explore problems concerning disposal of industrial solid wastes, a controversial issue.

The first hearing will be held July 11 in Fort Worth with the final one in Austin October 24.

Other hearings are slated for Dallas July 12, Port Arthur July 25, Beaumont July 26, Houston August 6-7, Corpus Christi August 22-23, Brownsville August 30, El Paso Sep-

tember 20, Midland September 26, Amarillo September 27 and Longview October 2.

Legislative committee probes of TWQB, with special attention to its procedures in processing applications for waste disposal sites are scheduled to begin after the Constitutional Convention adjourns.

COURTS SPEAK — A man who entered a Fort Worth hospital with a cut thumb, fainted, felloff the operating table and suffered a brain concussion and loss of two teeth is entitled to \$7,211 damages, the State Supreme Court ruled.

The high court held a Houston ironworker should get workmen's compensation benefits due to inhalation of lead and zinc fumes.

The Court of Criminal Appeals held that a policeman who sees a driver making a movement before stopping is not justified in searching the traffic offender's car.

The Court of Criminal Appeals ruled a common law husband is entitled to have a jury pass on whether he was justified in killing his wife's lover though he did not catch them in embrace.

AG OPINIONS — Atty. Gen. John Hill found the State Democratic Convention date is fixed at September 17 by state law, but said it could be recessed until a later date to avoid a conflict with the Jewish holy day, Rosh Hashana.

In other recent opinions, Hill concluded:

- The state's tuition equalization grant program is available to graduate and professional students who meet requirements.
- A real estate broker being investigated by Texas Real Estate Commission has a right to see the file on his case.
- Designation as the juvenile court under the Family Code is limited to courts possessing the jurisdiction over juvenile matters from a source other than the Family Code.
- A district court lacks

jurisdiction to appoint a county attorney or attorney pro tem to work with a grand jury if the district attorney is present and not otherwise disqualified.

A taxpayer is entitled to a refund of gas production taxes if the Federal Power Commission establishes a rate lower than the contract price and requires him to make a refund of the amount overcharged, even though he is permitted to satisfy his obligation through a gas exploration agreement with or without discount provision.

MEAT IMPORT CUT URGED — Agriculture Commissioner John C. White called for restrictions on beef imports into the U.S. immediately.

If the restriction is delayed until after the November election, White claimed beef prices will rise next spring and summer, and the domestic livestock industry will be damaged.

SHORT SNORTS

Texas wheat production is expected to drop 35.6 million bushels from 1973 totals due to failure of dryland wheat on the Texas High Plains.

Greater South Texas Cultural Basin Commission will meet in Elsa June 20.

State Board of Education paid tribute to outgoing Texas Education Commissioner Dr. J.W. Edgar at a special meeting this week. Dr. Marlin L. Brockette takes over the job July 1.

Proposed new textbook materials will be placed on display at 20 regional centers July 1.

A grant of \$1,050,518 went to Foster Grandparent programs at Abilene, Austin, Corpus Christi, Denton, Lubbock and Mexia state schools.

A Walt Disney movie "The Pond" is being filmed at Caddo Lake and other East Texas locations.

Texas business is standing upright in the inflationary winds, Bureau of Business Research at The University of Texas, Austin, reports.

**Obituaries**

**Peter G. Koehler**

Funeral services for Peter George Koehler, 21, of Burkburnett were Thursday, June 13, at 2 p.m. in Owens & Brumley Funeral Home with the Rev. Harry Fisher, pastor of St. Jude Catholic Church, officiating. Burial was in Burkburnett Cemetery.

Koehler, born May 4, 1953, at Orleans, France, was a resident of Burkburnett three years. He was employed by Kinney's Shoe Store.

Survivors include his mother, Mrs. Dorothy Jean Koehler of Burkburnett; a brother, Robert of Burkburnett; four sisters, Mrs. Linda Salui, and Ruth, Mary and Pamela Koehler, all of Burkburnett; and grandparents, Mrs. Elizabeth Koehler of Richmond, N.Y., and Mr. and Mrs. Robert Baney of Phillipsburg, Pa.

**Raymond Simmons**

Funeral services for Raymond Simmons, 51, of Burkburnett were at 2 p.m. Monday at the First Baptist Church with Rev. Lamoin Champ officiating. Simmons died Saturday afternoon while being taken to Wichita General Hospital following his collapsing at work on an oil lease west of Burkburnett.

Burial was in Burkburnett Cemetery under direction of Owens & Brumley Funeral Home, Burkburnett.

Simmons, who was born Jan. 22, 1923, in Comanche, Okla., was a World War II veteran. He lived in Burkburnett 18 years and was a member of the First Baptist Church and the Evening Lions Club.

Survivors include his wife, Joy; a daughter, Mrs. Raylette Newell of Burkburnett; two sons, Mickey and Jacky, both of Burkburnett; his mother, Mrs. Loyd Elms of Littlefield, Texas; two brothers, J.D. of Los Angeles, Calif., and Lawrence Robinson of Corpus Christi, Texas; four sisters, Mrs. Jessie Faye Cloninger of Littlefield, Mrs. Neva Reese of Abilene, Mrs. Jaretta Peel of Amherst, and Mrs. Janetta Duncan of Amarillo; and three grandchildren.

**Hours Equal Dollars**

With cynicism about political processes threatening public apathy in the 1974 elections, Mr. Gene Perrin, Public Affairs Manager for Dow Chemical, has an idea which deserves consideration by all company employees.

It's no secret that modern campaigns cost big money. But Mr. Perrin advances the common-sense theory that, since most money spent in a campaign goes to hire people to do things, "If you and I volunteered eight hours some Saturday to work at a campaign headquarters, it would be worth as much as a \$25 or \$50 campaign contribution."

If more Americans of modest means donated more dollars—and hours—to the candidates of our choice, Perrin says, the "special interest group" of our elected officials would be us—the people at large.

**Cub Scouts Hold Country Day Program**

The Northwest Texas Council, Boy Scouts of America, held the first of a series of five Cub Scout Country Day Programs last Saturday, June 15, at Perkins Scout Reservation near Burkburnett. Approximately two hundred Cub Scouts (ages 8, 9 and 10) and their leaders took part in the "Cub Scout Field Day".

The day's activities began at 9:30 a.m. and consisted of kite flying, glider contests, skills, crafts, games, and an afternoon swim in the Scout camp pool.

The remaining Cub Scout Country Days will be held on June 29 with the theme of Scouts of Tomorrow; July 13, Cub Scout Olympics; July 27, Cub Scout Team Games; and end with a family swim program on August 18.

Friends:

I wish to express my thanks to the number of new policyholders I have been able to help with Mutual of Omaha's benefits these last two months that I have been your Burkburnett agent.

For those with whom I have not yet visited, I ask you to answer these questions for yourself:

1) What happens if I get sick or hurt and cannot work anymore?  
 Answer: It can mean financial disaster unless you are protected by a Mutual of Omaha DISABILITY INCOME PLAN. Call me about this protection at 569-1849 or 723-1451.

2) Is my hospital plan non-deductible and does it pay enough to meet today's costly hospital and doctor calls.  
 Answer: If not, call me at 569-1849 or 723-1451 about a Mutual of Omaha Wide-Range Hospital plan.

3) Is my present life insurance enough for my family to live on if I am not here?  
 Answer: Be sure! Call me at 569-1849 or 723-1451 about the modern plans of life insurance protection available from Mutual of Omaha's life insurance affiliate, United of Omaha.

Sincerely,  
 Leonard Keen

LION MEETING—Lion Jess Whatley [center] of the Evening Lions Club sponsored Wayne Teal [left] as the newest member at the last meeting. He also introduced Kenneth Garrett [right] of the Department of Public Safety, who presented slides and explained new highway marker signs.

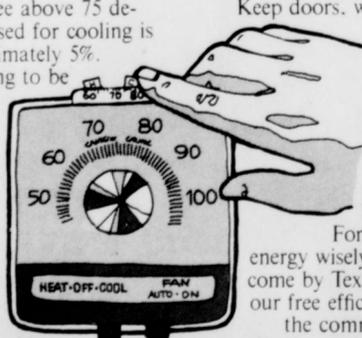

**The power to use energy efficiently this summer is in your hands.**

When it comes to home air conditioning, one of the best things to do for efficiency and economy is to set your thermostat at 78-80 degrees.

For each degree above 75 degrees, the energy used for cooling is reduced by approximately 5%.

If you are going to be away from home for several hours or longer, either raise your air conditioning thermostat several degrees to a warmer setting or turn it off.

Here are some other things you can do:

filters or clean permanent type filters as required. Clogged filters make the air conditioning unit work harder and use more electricity.

Keep doors, windows and fireplace dampers closed to keep cooled air in and hot air out.

Keep direct sunlight out as much as possible. Use awnings over windows, or close draperies and blinds, or pull shades.

For more ideas on using energy wisely around your home, come by Texas Electric or request our free efficiency tips booklet on the comment portion of your electric service bill.

## Bug Killer Can Be People Killer

Bug killers can turn into people killers if not properly handled, warns the Texas Safety Association.

The safety group reminds eager spring gardeners to take time to read the entire label before opening an insecticide container. Note warnings, precautions and antidotes. Never ignore label directions to use protective clothing or equipment.

Insecticides should be stored in the original container in a safe place where children and pets cannot accidentally come into contact with them.

Empty containers should be destroyed immediately. Some child fatalities have resulted from playing with empty containers.

## RECIPE FOR GROWTH

Someone said, "In this life man writes a line with the pen of action; God writes another with the pen of retribution, and the two exactly and awfully correspond." When God's creatures do evil they must remember there is a spiritual law of gravity. It is called retributive providence. As a man who jumps from a building must surely hit the ground, so must retribution be brought to bear on one who deliberately breaks God's other laws.

Wild oats sown in the field of one's life will not come up as wheat. "The wicked is snared in the works of his own hands" (Psalm 9:16). But one must always remember that God foresaw man's need and made plentiful provision for it in His love. For God is love!

## Duke Receives Appraiser Award

Charles V. Duke

Mr. Charles V. Duke, Jr., a native of Burk Burnett, Texas and presently residing in El Paso, Texas, has been awarded the M.A.I. (Member, Appraisal Institute) designation by the Governing Council of the American Institute of Real Estate Appraisers. This coveted professional designation is well known and widely respected by courts, mortgage lenders, investors, and all others who require a high level of professional valuation services.

Mr. Duke is a partner in The Browning Company of El Paso, Texas, a firm specializing in real estate appraisals, consultation, and investments. He is a graduate of the School of Business of The University of Texas at El Paso and has been active in the real estate appraisal business in El Paso since 1967. Mr. Duke and his wife, Janet, presently reside at 6511 Pine Real Dr. in El Paso.

The American Institute of Real Estate Appraisers is the oldest and largest organization in North America of appraisers qualified to evaluate all types of commercial and investment real estate. Membership in the Institute is limited exclusively to professionally designated appraisers. About 5,200 professional real estate appraisers have been awarded the M.A.I. designation since the Appraisal Institute was founded in 1932.

Except for certain salaried members employed by government agencies or financial or educational institutions, every member of the Appraisal Institute must also be a member of a local Realtor board of the National Assoc. of Realtors.

To receive the M.A.I. designation, a person must be over 28 years of age and have at least five years of appraising experience, including at least

three years of M.A.I. field variety experience. He must also submit demonstration appraisal reports to prove his thorough understanding of the appraisal process, and pass a number of technical examinations. In addition, he must have the favorable recommendation of other appraisers familiar with his work and professional integrity. All members of the Institute subscribe to a rigid Code of Ethics and Standards of Professional Practice.

Mr. Duke was born and reared in Burk Burnett. He was graduated from Burk Burnett High School and attended The University of Texas and Midwestern University prior to receiving his degree from UTEP. He was previously employed by El Paso National Bank as an appraiser and also served as a Claims Agent for Social Security Administration in Wichita Falls and Vernon, Texas. He is the son of Mr. and Mrs. Charles Vernon Duke, and the grandson of Mr. and Mrs. W.W. Browning of Burk Burnett, Texas.

## Library Corner

The Summer Reading Club is moving along. There is still time to join for any junior who can read twelve books before July 11. New books for juniors include how-to books, pet books, legends, and stories --choose your own "thing!"

The Burk Burnett Library has two copies of the book THINGS I REMEMBER, by Y.C. Paschall, former school superintendent at Fairview School. Mr. Paschall gave these books to this library. Favorite family recipes of Texas governors, senators, and other state officials are compiled in the CAPITOL COOK BOOK, by Sue Creighton.

Elizabeth Custer's letters are as simple and direct as her husband, General Custer's. They tell about the War Between the States, the perils of frontier life, and Custer's tragic end at the Little Big Horn River in Montana Territory. These and other incidents are recorded in THE CUSTER STORY, by Marguerite Merington.

In clear, up-to-the-minute prose, SPORTS GREATS PAST AND PRESENT, describes dramatic moments of triumph and courage in the sport's hero life and career. It's exciting reading!

The book REAL LACE, by Stephen Birmingham, is more than lively entertainment. It is the story of the American Irish - their ambitions, courage, and the ingredient known as Irish Charm. It is engrossing and often hilarious.

Ling Ling (meaning Cute Little girl) and Hsing Hsing (meaning Bright Star) have attracted millions of visitors to the Washington National Zoo. These gifts from the Peoples Republic of China and their story is told by Larry Collins, their head keeper.

WATERSHIP DOWN is the first novel of Richard Adams. It is the story of a warren of rabbits --each one with a real personality -- who moved from one homestead to another. The book has been compared to Tolkein's HOBBITS, and is for children-and all other humanity.

Other new fiction: THE LION TRIUMPHANT, by Philippa Carr (Victoria Holt); THE DRUMS OF WINTER, by Sandra Paret - a story of the American Revolution whose characters begin life in Hestia (Germany); TUESDAY THE RABBI SAW RED, by Harry Kelmman; TINKER, TAILOR, SOLDIER, SPY, by John Le Carré; and several mysteries and Science Fiction novels.

## Home Demonstration News

By Dee James  
County Extension Agent

Many cleaning products available today are basic ingredients that have been premixed, perfumed, and packaged in aerosol cans or attractive bottles.

Consumers can make dust-absorbing dustcloths at a fraction of the cost of store-bought ones.

There are four preparation methods. Pour two tablespoons of furniture polish or liquid wax into a one-quart jar or coffee can. Rotate jar or can to completely coat inside surfaces. Pour out excess liquid to avoid getting too much on the cloths.

Paste wax also can be used-by coating inside of the jar or can with a light film of wax.

Then place two or three dustcloths in the jar or can. Let them stand a day or two—they will absorb the liquid or wax evenly. Another method combines one-fourth cup lemon oil with one pint of boiling water.

Then add six to eight cloths and let them absorb as much liquid as possible. When the water cools, wring out each

cloth and hang it up to dry thoroughly.

For all dustcloths, use old, soft cotton cloths. Always store treated dustcloths in a covered glass jar or can to prevent a fire hazard.

When they become soiled from use, wash in warm suds and treat them again if necessary.

A third method calls for one tablespoon of kerosene mixed with one quart of hot water. Dip squares of soft clean cloth into this solution, wring out, dry and store in covered jar or can.

For the fourth method, mix one quart warm water, one tablespoon of mild soap or detergent powder, one tablespoon of household ammonia and two tablespoons of boiled linseed oil or a good furniture polish.

Mix well and dip soft cloths into the solution. After cloth is saturated with mixture, squeeze out, dry and store in covered jar or can.

Make this general household cleaner.

2 tablespoons ammonia  
2 tablespoons liquid detergent  
1 quart water

Mix and use for general household cleaning.

Try one of the following solutions to clean windows and mirrors: (a) Add 4 tablespoons household ammonia to 1 quart of warm water for heavy greasy soil. (b) Add 2 tablespoons vinegar to 1 quart of warm water for water spots.

(c) Use 1 tablespoon kerosene to 2 quarts of warm water for light greasy soil. (d) Use 1 tablespoon washing soda to 1 quart of warm water.

First remove surface soil with tissue or soft cloth. Then apply cleaning liquid with a soft cloth or sponge. Rub dry and polish with newspaper or cloth.

Avoid spilling ammonia on painted or varnished woodwork because it may injure the finish.

For other ideas for making home care products call your county extension office for a copy of "Cleaning on a Shoestring".

Agriculture and agribusiness are responsible for employing around 16 million people, one-fifth of the total U. S. labor force, said Agriculture Commissioner John C. White.

## Cooper H. D. Club Installs Officers

The Cooper Home Demonstration Club met at the L. & M. Restaurant in Wichita Falls on June 12 for the installation of Officers and to honor one of the members, wife of Rev. George of Thornberry Baptist Church, with a breakfast.

Mrs. Ralph Swinford, president, opened the meeting and gave a recitation entitled, "A Good Friend", in honor of Mrs. Frances George who has been selected as "Woman of the Year" of the Cooper H.D. Club. She was presented a gift.

Mrs. Dee James, County Extension Agent, installed the officers for the new year. New officers include Mrs. Ralph Swinford, president; Mrs. Lucille Miller, vice-president; Mrs. Frances George, treasurer; Mrs. Lucille Roger, secretary; Mrs. Laura Creger, reporter; and Mrs. Grace Bryant, THDA delegate. Mrs. James then instructed the new officers of their responsibilities and presented each with a flower made from cottonprinted fabric by Mrs. James and her mother. After installation the officers had a rap session.

There were eight guests present and 20 regular members. Guests included Mrs. Dee James, Mrs. Golda Stearn, Mrs. Mildred Stanbaugh, Miss Marilyn Barfield, Miss Holly Huddleston, Miss Yvonne

George, Miss Sandra Miller, Mrs. Jessie Nixon and Mrs. Reb Higgins.

Members present included Mmes. Myrtle Argabright, Loma Vollmer, Lucille Roger, Mattie Clayton, Laura Creger, Gertrude Barfield, Darice Owen, Francina Spencer, Ella Gill, Connie Lawson, Grace Bryant, Anna Mae Emmert, P.S. Swinford, Ralph Swinford, Ethel Bryan, Frances George, Rex Kolter, Lucille Miller, and Cecil Huddleston.

The next meeting will be held in the home of Mrs. Anna Mae Emmert, 1706 Ardath, Wichita Falls, on June 24.

## Bill Lucas Reports Extension Director Walters

County wheat producers have reported considerable infestations of Cheat and Wild oats in small grains this harvest season. Some dockage has occurred at the elevator from these infestations. Also they are competing with soil moisture and fertilizer.

To date no satisfactory herbicide has been developed to selectively take these two weeds out of wheat.

In cases of extreme infestations, it may be advisable to plow with a moldboard plow and

use late tillage before planting. In some cases it may require summer fallow for one growing season to control cheat.

The OSU Agronomy Department will establish chemical control plots in Cotton County to check effective chemical control for wild oats this fall.

Recently planted shade trees with bare trunks should be wrapped from the base to the first branch. If commercial tree wrap is not available, use aluminum foil from the kitchen. Leafy twig growth along the trunk will provide much the same protection a wrap will.

Summer pruning is a necessity for such tree species as the Fruitless Mulberry. During the first years of their growth, several permanent scaffold (lateral) branches must be selected. In summer pruning, simply cut back to slightly above a healthy leaf bud.

Leave all twig growth, but the most vigorous unwanted limbs.

## WEEKLY MARKET REPORT

Forequarter beef cuts take the economy "spotlight" this season, one expert says.

"These cuts are comparatively the best value now, although some stores will feature round cuts at lower prices," according to Mrs. Gwendolyn Clyatt, consumer marketing information specialist. Texas Agricultural Extension Service, The Texas A&M University System.

Pork values include smoked hams, picnics, shoulder roasts and steaks, end-cut loin roasts and chops, she added.

"Fryer chickens remain the money-stretcher in many meat departments, and grade A, large-size eggs generally are the economy-quality egg value. "Turkey, whole bird and parts, are plentiful and economical."

Turning to fresh fruits and vegetables, Mrs. Clyatt cited peaches, apricots, cherries, plums and nectarines as priced "on the high side."

"Cantaloupe, watermelons and honeydew melons have more attractive price tags as supplies increase, and pineapple, strawberries, apples and oranges are worth considering."

Vegetable items in largest supply at the most economical prices are cabbage, carrots, sweet corn, okra, green beans, dry yellow onions, radishes and green onions.

**Consumer Watchwords:** Cottage cheese is featured at dairy counters. One and a third cups of cottage cheese supplies about the same amount of calcium as one cup of milk.

## Dairy Statistics In Publication

AUSTIN—The number of milk cows that calved in Texas dropped by 10,000 between 1973 and 1974, but their value rose by \$7 million, according to figures in the 1973 Texas Dairy Statistics, recently published by the Texas Department of Agriculture.

In 1973, 360,000 milk cows calved for a value of \$126 million. In 1974 the

figure was 350,000 milk cows for a value of \$133 million.

The publication gives a variety of statistics compiled by the Texas Cattle and Livestock Reporting Service. They show, for example, that Texas was ninth in total milk production in 1973 with 3.3 million pounds and ninth in milk cows that calved.

The booklet also gives the value of monthly milk production, milk and cream marketings and prices on dairy feed.

For a free copy write to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

## Cowboy Art Exhibit Set

The Texas Cowboy Artists' Assn. convenes at the Scurry County Coliseum in Snyder, Texas, June 22-23 for its annual awards banquet and show and sale of art by members.

Along with awards and officer installation, an exhibit of

cowboy art will be open to the public in the Coliseum Sunday, June 23, from 2-5 p.m. There will be no admission charge.

For more information contact John Jefferson, P.O. Box 12013, Austin, Texas 78711; phone (512) 258-1834.

## Conserve Soil With Minimum Tillage Method

AUSTIN—Agriculture Commissioner John C. White recently suggested that farmers who are still planting crops employ minimum tillage practices to conserve soil and fuel.

The method combines tilling and planting into a once-over operation. Some farmers also supply fertilizer, herbicide and insecticide in a single trip across the field.

It can reduce soil loss from 40 to 90 percent and cut down on fuel use by 50 percent or more.

"With dry conditions in the High Plains, it is more necessary than ever to practice sound soil conservation measures," White said.

Recent reports indicate that cotton and sorghum planting are active on the High and Low Plains. Soybean planting has started on the Upper Gulf Coast, Northern High Plains and in East Texas.

## County Agent News

Four more clinics in artificial insemination and pregnancy testing have been scheduled for livestock producers in the coming months. The clinics will be conducted by the Texas Agricultural Extension Service and the Curtiss Breeding Service. Clinics are set for August 12-16 at San Angelo, September 9-13 at Mercedes, September 23-27 at Bryan, and November 11-15 at Midland. Thirteen similar clinics conducted by the Extension Service and the American Breeders Service were announced earlier in the year.

Farmers can save on income tax by paying their children for farm work this summer and by combining vacation and business trips. A farmer can deduct wages paid to his children and still claim them as dependents as long as he provides over half of their support. As long as the children earn less than \$2,050 they will not have to pay income or social security taxes. Business related expenses can be deducted from business-vacation trips as long as business is the main purpose of the trip.

With increased production and harvesting costs for hay this year, producers in Wichita County should do everything possible to make certain their hay is of high quality. Two main factors for producing high quality hay: high rates of fertilization and harvesting at an

early stage of growth. Fertilizer is a major cost for producing high quality hay. Due to increased costs and limited supplies of fertilizer, each producer should make a special effort to utilize fertilizer efficiently by harvesting hay at the correct stage of growth. As hay crops begin to mature, quality begins to decline. Most hay crops should be harvested before seed heads begin to form. Plants like Coastal bermudagrass, which produce no seed heads, should be harvested at 28-30 days of growth.

Costs for fuel, equipment, wire, twine and other inputs have also increased considerably during the past year, thus raising harvest expenses. In addition, many of these items are in limited supply. This makes it all the more important to harvest high quality hay.

Pets deserve special consideration with the approaching summer weather. A dog should have access to shade and plenty of clean drinking water. He should be fed early in the morning and again late in the evening. Continue to exercise your pet but not in the heat of the day. Adjust the food intake to the exercise and energy used. A dog should not overeat or eat when he is hot or exhausted. Cats should also have access to shade and fresh drinking water. Do not take pets on shopping trips or vacations.

## Thoughts

From The Living Bible And I will give power to prophesy 1,260 days clothed in sackcloth." These two prophets are the two olive trees, and two candlesticks standing before the God of all the earth. Anyone trying to harm them will be killed by bursts of fire shooting from their mouths. They have power to shut the skies so that no rain will fall during the three and a half years their prophesy, and to turn rivers and oceans to blood, and to send every kind of plague upon the earth as often as they wish. ### Fair Pavilion Will Be Walk Through Past

AUSTIN—"The Food and Fiber Pavilion at the State Fair this year will provide a nostalgic walk through the lives of early Texas farmers and ranchers," Agriculture Commissioner John C. White has announced.

A country store, complete with pot-bellied stove and barrel of crackers, will be built to reproduce the favorite gathering place for old-timers. Shelves will be lined with Texas agricultural products.

Each of 20 agricultural commodity organizations exhibiting will carry through the theme of western heritage with a piece of farm equipment and antiques from their fields such as churns, scales and early packaging. Exhibitors will be those who participate in the Texas Agricultural Products (TAP) promotional program.

"The western heritage theme is a natural for the Texas Department of Agriculture. The Food and Fiber Pavilion organizers are truly enjoying planning this year's exhibits and hope that the tour will be a memorable one for visitors," White said.

He added that TAP representatives are currently looking for old pieces to add to the exhibit. Persons interested in lending farm and ranch equipment may write to the Marketing Division, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711.

## School Text Materials To Be Considered

New text materials to be considered for use in Texas public schools beginning September 1, 1975, will be placed on public display at the state's 20 regional education service centers on July 1, 1974. Copies of the proposed textbooks will be sent to the centers by publishers submitting new materials for adoption by the State Board of Education.

Text exhibits at the regional education service centers throughout the state will include books for 11 elementary school and 11 high school subjects. The 15 teachers and administrators appointed to the 1974 State Textbook Committee and their advisors will examine each text this summer in preparation for their October 2 meeting to vote on the recommended materials. This list of books voted by the committee is then forwarded to the Texas commissioner of education. Final action will be taken by the State Board of Education at its November 9 meeting in Austin.

Parents and other citizens will be able to express their views during a series of public hearings at the Texas Education Agency in Austin beginning September 10, 1974.

The commissioner of education will hold hearings beginning at 10 a.m. on September 10-12. Later, the State Textbook Committee will hold a public hearing October 1 beginning at 8:30 a.m. The State Board of Education will hold a final public hearing November 8 beginning at 8:30 a.m.

The Region IX Education Service Center is located at 3014 Old Seymour Road, Wichita Falls, Texas 76709, with Dr. H.M. Fullerton heading the center.

## Farm Prices Drop 20-40 Percent

AUSTIN—Though prices of major farm commodities have dropped 20 to 40 percent since winter, consumers have felt no relief and farmers are bearing the increasing financial burden of continually rising farm costs.

According to Agriculture Commissioner John C. White, farm costs are up 16 percent over a year ago. Retail food prices, meanwhile, are expected to rise 12 percent this year.

"When farm costs go up,

they stay up," White said. "But prices of farm commodities go up and down and they have been coming down sharply in recent weeks."

Wheat flour cost bakers 16 cents a pound in February, but recently dropped to 10 cents a pound. Wholesale carcass beef selling to supermarkets for 87 cents a pound in February, is now 67 cents.

Soybeans, corn, eggs and broilers have all dropped in prices ranging from 43 to nine percent.

## Berkely-Hobbs Wed In Dodge City

Miss Nancy Jane Berkely of Dodge City, Kansas, and Wendell Earl Hobbs of Burkburnett were married in St. Cornelius Episcopal Church, Dodge City, Friday evening, June 14. The Rev. Rudolph W. Treder officiated.

Parents of the bride are Mr. and Mrs. Joseph G. Berkely of Dodge City and parents of the groom are Mr. and Mrs. E.W. Hobbs of Burkburnett.

The church was decorated with arrangements of altar vases with white stock and greenery, and hurricane lanterns adorned the church windows.

The bride wore an original gown of ivory Duchess satin and re-embroidered Alencon lace with a long train. An heirloom cap of pearls held her double-panel long veil and she carried white sweetheart roses, Sonja roses, and baby's breath.

## Gilchrist Makes OU Honor Roll

The University of Oklahoma at Norman announced this week that 6,341 students achieved 3.0 or better grade point averages for the 1974 spring semester. Of the total, more than 1,100 students had straight A (4.0) averages.

On the honor roll from Burkburnett was Susan Dawn Gilchrist.

In addition to the 3.0 minimum grade point average, a student must be enrolled in a minimum of 12 credit hours and must not have a "failing" or "unsatisfactory" mark in any course.

Matron of honor was Mrs. Frank Sullivan. Mrs. Mike Capps of Wichita Falls, sister of the groom, and Miss Sara Scagnelli of Paradise Valley, Arizona were bridesmaids. They were dressed in long gowns of ivory Myesta with high collars and tucked bodices. They carried Sonja roses and wore halos of baby's breath in their hair.

Best man was Dennis Hobbs of Houston, brother of the groom. Groomsman were Joel Wiedmont of Walbrick, N.J., and Frank Sullivan.

Miss Jayne Hobbs, sister of the groom, of Burkburnett lighted candles, and ushers were Tom Taylor and Doug Deardorff of Tulsa.

The couple plan a wedding trip to Grand Lake, Oklahoma, after which they will live in Wichita Falls where the groom is employed by W.P. Howell.

He is a graduate of Burkburnett High School and has attended Tarleton State College and Midwestern University.

The bride is a graduate of Dodge City High School and attended Colorado Women's University in Denver.

Following the ceremony a reception given by the bride's parents was held in the Dodge City Country Club.

A rehearsal dinner was held at the same place and was given by the parents of the bride and groom.

Mrs. Wendell Earl Hobbs

## Zimmerman Becomes Football Hostess

Pat Zimmerman, daughter of Postmaster and Mrs. W.T. Zimmerman of Burkburnett, is attending Texas Tech University at Lubbock and has been selected as hostess to the All-American Football Team which is arriving in Lubbock this week.

The game will be played in Jones Stadium next Saturday night and many activities have been planned for the occasion during this week.

Pat, who is a member of Alpha Chi Omega, is Social Chairman of the sorority. She will attend their National Convention at Atlanta, Georgia during the latter part of June and will serve as a Page there, having been selected as one of 12 Pages throughout the United States. She will also serve as a Panel member for one of the workshops.

Pat is a junior at Texas Tech and has maintained a 3.3 grade

point average during her two years of college. She has been a member of the Dean's List the past three semesters.

Pat Zimmerman

## Bloodworth Named To Honor Roll

Thomas Bloodworth, son of Mrs. Ferne Bloodworth, 806 Easy Street, has been named to the President's Honor Roll at Phillips University for the spring semester, according to Dr. Thomas E. Broce, president.

Only 61 students on the Phillips campus qualified for the President's list by maintaining a straight "A" overall average for the semester's studies. Another 105 were named to the Dean's Honor Roll by achieving at least a 3.6 grade point average for the semester.

Phillips University is a four-year liberal arts institution supported by the Christian Church (Disciples of Christ).

## Travel Series, Story No. 2

Abundant family entertainment for Texans stretches down the center of the state, an easy ride from the Fort Worth - Arlington complex to Austin and the Hill Country.

The distance from Tarrant County to the state capital: 193 miles. Some cars can drive it on a tank of gasoline, observing today's 55 mph speed limit.

It's not only a sound vacation idea, says J. Fike Godfrey of the West Texas Chamber of Commerce, but it's a fuel-saver that aids the Texas tourist industry.

The West Texas Chamber serves this area from its Abilene office, and Godfrey, WTCC executive vice president.

Gov. Dolph Briscoe notes that more than 600,000 Texans are employed in the state's \$2.2 billion tourist business.

The area to the north, from Gainesville near the Red River to Jacksboro, features the old Butterfield Trail Route. And a train for vacationers, the Firefly, crosses the sometimes rugged terrain between Bridgeport and Fort Richardson at Jacksboro.

The Fort Worth area has Six Flags over Texas, in its 13th Season; Seven Seas, in its third; Lion Country Safari, Texas Rangers baseball, and the newest sight worth seeing: the Dallas-Fort Worth Regional Airport, the world's largest.

Arts enrich Fort Worth through the Amon G. Carter Museum of Western Art.

Kimbell Art Museum and the Fort Worth Art Museum. For theater there's Casa Manna.

Eighty-seven miles south along Interstate 35 is Waco and Fort Fisher, home of Company F of the Texas Rangers. The fort is a replica of one established in 1837 and is the site of the Homer Garrison Memorial Texas Ranger Museum.

Austin, 106 miles farther, can be explored for its own beauty or serve as a jump-off for the Hill Country or the Highland Lakes, both to the west.

Scenery comes in many forms in Austin, much of it historical: the 46-acre capital grounds; French Legation, built in 1841; the home of writer "O. Henry", a resident from 1885-95; and the newest and most popular attraction, the Lyndon B. Johnson Library.

The LBJ Ranch and National Historic Site is just over an hour's drive west of Austin, near Stonewall. Horse-drawn vehicles are used for visitors.

Hill Country memories last longer after detours through the small towns, some of them German in origin, with their reputations for tasty, solid food.

This 200-mile, eastern fringe of West Texas is included in a new map published by the WTCC, the Wonderful West Texas Fun and Adventure Map. It and more than 200 brochures on individual cities of West Texas are available from: West Texas Chamber of Commerce, Box 1561, Abilene 79604.

## Wesley Bible Class Meets

The Wesley Bible Class met in the church parlor on June 13 for the class party.

After the singing of the hymn, "Blest Be The Tie", Mrs. Brady presided over a business session. The minutes and treasurer's report were read and approved.

Mrs. Penn brought the devotional, which concerned the

21st Chapter of Genesis. Mrs. Joy Hagstrom presented the program which consisted of the reading of several poems which were written by her and Mrs. Clark Gresham, her mother. The poems were previous first-place award winners. After the meeting, refreshments were served to two guests and seventeen members.

Mrs. Allen Dean Farris

## Sykes-Farris Wed In Burkburnett

Candlelight and soft wedding music provided the background for the double ring ceremony uniting Miss Verna Jean Sykes and Mr. Allen Dean Farris in marriage on Saturday, June 15, at 7 p.m., in the Janlee Baptist Church.

The Rev. Don Youngblood of Wichita Falls officiated.

The bride is the daughter of Mr. and Mrs. Dee L. Sykes of Burkburnett. The groom's parents are Mrs. Evelyn Farris of Burkburnett and Mr. Bryan A. Farris of Bridgeport.

Mrs. Alice Smith presented a program of prelude music at the organ. Soloist, Miss Lori Goddard, sang "Love", accompanied by Mark Bulla on the guitar, and "A Bridal Vow", accompanied by Mrs. Smith on the organ.

The couple spoke their vows before an altar banked with baskets of white pom pom mums and cathedral tapers in wrought iron candelabra. Ivy, ferns, and white satin bows marking the pews completed the setting.

The bride, given in marriage by her father, chose a formal gown of candlelight silk organza over bridal satin. The empire bodice featured a three-tiered jabot and light stand up neckline with pearl beaded Venice trim. The chosen lace accented the deep cuffed bishop sleeves and modified bell skirt that extended into a chapel length train. A cathedral length veil of silk bridal illusion featured a flowered headpiece of lace and pearls. She carried a teardrop bouquet of yellow sweetheart roses, daisy mums, and baby's breath on a Bible used by her sister at her wedding.

Matron of honor was Mrs. Richard Haley, sister of the bride. She wore a floor-length flowered gown of blue leno featuring an empire silhouette

and a full skirt accented by tie-back sashes and a wide flounce along the hem. She carried a nosegay of white daisies, blue feathered mums, and baby's breath.

Attired identically were Misses Deborah Hoffman of Dallas and Judy Skelton of Burkburnett, bridesmaids; and Miss Anita Sykes, sister of the bride, who was junior bridesmaid.

Misses Trina Haley, niece of the bride, and Kristin Barnett, cousin of the bride, served as flower girls.

Ken Youngblood of Burkburnett was best man and groomsmen were Larry Melton of Emory, and Charles Landrum of Lubbock. Junior groomsmen were Kevin Sykes, brother of the bride, who also served as candlelighter.

Ushers were Jimmy Owen of Hurst and Richard Haley of Tulsa.

Immediately following the ceremony, the bride's parents honored the couple with a reception in the church fellowship hall.

Registering guests was Mrs. Jimmy Owen, sister of the groom. The bride's table was covered with a white lace overskirt lined in blue. The table was decorated with a crystal candelabra and an arrangement of daisy mums and blue baby's breath. Serving cake and punch were Mmes. Jody Southerland, sister of the groom; Charles Goins, Max Brinkley, and W.L. Skelton. Also assisting were Mmes. Marian Bentley and Pam Westcott of Austin, and Miss Reba Randall, cousin of the bride, of Loveland, Okla.

The National Room was the scene of the rehearsal dinner hosted by the groom's mother, Mrs. Evelyn Farris, on Friday following the wedding rehearsal.

## Pierce Honored With Shower

The first of pre-nuptial parties planned for Aunee Pierce, bride-elect of Johnny Divine, was given recently. Mrs. Howard V. Pierce, aunt of the bride-to-be, hosted a patio party last week at her home, 1603 Norman, in Wichita Falls, assisted by Mrs. Oton Goff of Albany, Texas and Mrs. Gerald Hunt of Mustang, Oklahoma.

Baskets of flowers in spring colors were chosen by the future bride to be used as decorations in an outdoor setting for the miscellaneous shower.

Among the guests were Mrs. Carl L. Pierce and Mrs. John Divine, mothers of the couple, and Miss Marla Divine, sister of the future groom.

The wedding date has been set for July 3.

## Powers-Hardy Wed In Denton

Miss Kitty Lynn Powers, daughter of Mr. and Mrs. Robert S. Powers of 2305 Yorkshire, Denton, Texas, became the bride of Winfred Keith Hardy, son of Mr. and Mrs. Winfred D. Hardy of 1008 Beverly Loop, Burkburnett on Saturday, June 15, at 2 p.m. in Asborg United Methodist Church, Denton. The couple was wed exactly one year after engagement. The Rev. Richard Atkinson performed the ceremony.

The bride, given in marriage by her father, wore a hand-made dress of white whip cream material, which was designed by her mother. The yoke and sleeves were made of rose petal lace. She carried a cascade of white carnations with yellow roses in the center.

Maid of honor was Mrs. Nelson Hecardo (bride's sister) of Albuquerque, New Mexico. Bridesmaid was Miss Leilani Powers of Irving, Texas, also sister of the bride. They wore dresses of organza floral print with yellow backgrounds (also handmade), and yellow ribbon headpieces. They each carried a nosegay of yellow carnations and baby's breath.

Best man was Lloyd Brogan of California, and groomsmen were Nelson Mercado of Albuquerque (a brother-in-law). Ushers were John and Don Hardy of Burkburnett, brothers of the groom.

The church was decorated with two baskets of mixed flowers, four aisle bows, and greenery on the candle arrangements.

Following the ceremony a reception was given by the bride's parents in their home. Refreshments consisted of a three-tiered bridal cake, chocolate groom's cake, yellow and chocolate mints, nuts, punch and champagne.

The bride is a graduate of London Central High School and Midwestern University, where she is now employed. The groom is also a graduate of London Central High and is in the U.S. Air Force.

After a wedding trip to San Antonio, Texas, the couple will return June 25 to Aitua, Oklahoma to reside.

## Auxiliary Donates To Youngsters, Sr. Citizens

The American Legion Auxiliary held a regular business meeting Monday night, June 17, at 8 p.m., with Bobbie Cozby, president, opening the meeting.

Members decided to give the Senior Citizens \$100 toward their building fund, and to purchase 20 Fourth of July barbecue tickets to be donated to needy persons.

As a continuing welfare project the Day Care Center will receive \$300 in a checking account at Famous Dept. Store for needy children to buy necessary items.

It was noted that the Auxiliary members will have a lemonade stand at the park for the Fourth of July barbecue. Auxiliary members also decided to purchase an ice maker for the Legion Building from their Building Fund.

An Initiation Ceremony for all Auxiliary members who have not been initiated will be held August 5, at the Post home. Members are requested to bring a favorite salad.

Past Presidents Parlay Chairman Alex Missman reported that there is a paid membership of 13 members. Members were reminded that a cash drawing is held at each business meeting the third Monday of each month for paid members.

The new slate of officers for 1974-75 was selected as follows: Dorothy Hinote, president;

Vivian Umlah, 1st v.p.; Nona Lemley, 2nd v.p.; Sandy Hubbard, secretary; Sue Pulliam, treasurer; Dorothy Wilson, chaplain; Helen Fleming, historian; Joy Kimbell, Sgt. at arms; and Gail Carlyle, asst. Stg. at arms.

STEAK WITH AN ORIENTAL TOUCH—Chinese Pepper Steak uses strips of round steak, green pepper, tomato and onion soup for a simple but imaginative way to serve beef. During March and April the TAP (Texas Agricultural Products) program of the Texas Department of Agriculture is promoting Texas Grain-Fed Beef.

### CHINESE PEPPER STEAK

- 1 pound round steak in thin strips
- 2 1/2 Tbsp. shortening
- 1/2 tsp. salt
- 1/4 tsp. pepper
- 1 10-oz. can condensed onion soup
- 1/2 c. water
- 1/2 c. chopped canned tomatoes
- 2 tsp. soy sauce
- 1 large green pepper in strips
- 1 Tbsp. cornstarch
- 2 Tbsp. water

In skillet brown steak in shortening. Pour off fat. Sprinkle with pepper and salt. Add soup, water, tomatoes, soy sauce and green pepper. Cover. Cook over low heat 30 minutes or until tender. Stir now and then. Mix cornstarch with 2 Tbsp. water until smooth and gradually stir into sauce. Stir until thickened. Serve over rice. Serves 4.

For additional recipes write John C. White, Commissioner, Texas Department of Agriculture, P. O. Box 12847, Austin, Texas 78711.

## Jaycee Wives Hold First Meeting

The Boomtown Jaycees Wives held their first monthly meeting Tuesday, June 11, 1974, in the home of Mrs. William Le Blanc. Special guests were Mrs. Baxter Featherston and Mrs. Carl Winfrey of the Wichita Falls Jaycees.

They gave a short summary of the function of the organization, which was followed by a general question and answer session.

Officers were elected as follows: Mrs. Greg Williams, president; Mrs. William Le Blanc, vice-pres.; Mrs. Ken

Youngblood, sec.-treas.; and Mrs. Robert Conner, reporter-historian.

Regular monthly meetings will be held the first Tuesday of each month and all eligible Jaycee wives are invited to attend.

## TOPS Meets

Tops Tx 636 met at the Central Baptist Church June 18. Geraldine Cook was the Best Loser of the Week with Nora Williams runner-up. Ginger Smith was the winner of the Colorful Contest and Ginger Smith and Nora Williams were winners in the Surprise Envelope.

Sherry Bangs explained the new contest "An Inch in Time Saves Nine". The contest begins June 25 and will end July 29. Teams were chosen. Members are urged to keep a calorie chart and bring to the meetings.

At the June 10 meeting, Jimmie Dore was named Best Loser of the Week. Members wishing to participate drew names for a telephone pal.

## How To Place Weddings Engagements

To announce an engagement or have a wedding writup in the Burkburnett Informer/Star, forms are available at the news office. These information forms can simply be filled in or can be used as a guide for prewritten stories if desired.

One-column, or billfold-size photos are generally used for engagements; and two-column, or 5 x 7 size photos are used for weddings.

Wedding and engagement writups should be turned in no later than the Friday before publication (the Informer/Star is generally published on Thursdays, with a Tuesday deadline on emergency or late-happening news).

For more information call the Burkburnett Informer/Star, 569-2191.

**Weekly Health Tip**  
Persons who are overweight have to expend more effort to walk, stand, breathe, or even to sleep than slimmer persons. This "cost of living" for the obese shows up in higher blood pressure, faster heart rates and rapid breathing patterns, says a team of U. of Wisconsin medical researchers. Their tests with normal men weighing 165 lbs. and fat men of 300 lbs. riding a stationary bicycle showed that fat men had to work much harder to perform the same task. Excess weight not only threatens ones health and life span, but many of the pleasures of an active life are missed because the exertion is just too much to abide.

**Texas Wheat Production To Decrease**

AUSTIN--Texas wheat production is expected to decrease 29.3 million bushels from 1973 totals mainly due to the failure of the dryland wheat crop on the High Plains.

Growth of dryland wheat was very slow during the dry fall and winter. Agriculture Commissioner John C. White reported recently. "Though the recent rains were a blessing, they came too late to help much of the dryland acreage," he said.

Projections for the 1974 harvest were 78,400,000 bushels. However, drought conditions from January to April revised projections downward to 69,300,000 bushels, according to the Texas Crop and Livestock Reporting Service.

"This is more than a 9 million bushel decrease from the December projection, which was already significantly lower than 1973's total production," White said.

Texas produced a record 98,600,000 bushels in 1973 and farmers averaged 29 bushels an acre. The estimated yield per acre for 1974 is 21 bushels.

Nationally, the wheat picture is a little brighter. Estimated winter wheat production is more than 1.6 billion bushels - a 27 percent increase over last year.

**Sheppard Notes**

Young men and women from the Wichita-Sheppard area are participating in the Youth Employment Program again this year at Sheppard Air Force Base.

Summer jobs have been provided for 120 youths ages 16 through 21 who ordinarily would not have summer job opportunities. These young people will be employed as Summer Aids performing duties of a routine nature. Most of them have little or no work experience.

They are being provided the opportunity to work, earn the minimum wage, and learn good work habits. They will work 40 hours a week to the end of August or until their school starts.

The project officer for the program is Robert A. Sutton, the Equal Employment Opportunity Program Administrator, who is assisted by Mrs. Billie L. Hix and Miss Gwen J. Wherry.

Two people from Sheppard Air Force Base recently graduated with honors from the Air National Guard Noncommissioned Officer Academy at McGhee-Tyson Airport, Alcoa, Tenn.

The two, Master Sergeants Winston R. Etheredge and Eugene R. Wenzel are assigned to the School of Applied Aerospace Sciences at Sheppard.

Sergeant Wenzel, first sergeant of the 3757th Student Squadron, won the commandants award and Sergeant Etheredge, an NCO flight manager with the 3751st Field Training Squadron, won the military achievement award, the honor flight award, and was named honor graduate.

Sheppard Air Force Base's Recreation Center is assisting in the organization of a base chess club to be affiliated with the United States Chess Federation (USCF).

The purpose of the club as expressed by Master Sergeant Henry Beaufort of the Recreation Center, is to promote, develop and expand interest in leisure time activities.

In addition, the club will hold sanctioned and rated tournaments. Membership will be open to all military personnel and their dependents, and civilians assigned for duty at Sheppard.

Richard A. Brown, a career development course (CDC) writer in the Department of Aircraft Maintenance Training, received the "Annual Award for Professionalism in CDC Production" for fiscal year 1973 in a ceremony at the department Thursday.

The presentation was made by Colonel Robert R. Reid, Jr., chief of the department which is the largest organization of the School of Applied Aerospace Sciences at Sheppard.

Mr. Brown received the award for the greatest number of CDC chapters accepted for publication from the department by the Extension Course Institute at Air University at Maxwell AFB, Ala., without necessity for corrections or changes.

Of the 1,540 people in the Air Training Command (ATC) who took the instructor proficiency test, Technical Sergeant Don R. Johnston of the School of Health Care Sciences (SHCS) at Sheppard Air Force Base, was one of six to score 100 per cent.

The sergeant was one of 90 people at SHCS to take the test which is one of three given by the ATC Standards and Evaluation Directorate to measure instructor techniques, subject knowledge and management ability.

The instructor supervisor proficiency test and the instructor proficiency test were administered to selected supervisors and instructors. Course block tests, used to measure the instructors knowledge of his subject, were also given.

The average score for the 26 people who took the instructor supervisor test was 86 per cent; the instructor test, 85 per cent; and of the 78 taking the block test, 98.6 per cent.

Sergeant Johnston is an instructor in the medical material specialist course which trains young men and women to procure, store and issue all supplies and equipment used at an Air Force medical facility.

The sergeant said that the main job of an instructor is to be willing to set an example for the students and have the patience to explain the subject thoroughly as the subject is new to the student.

He also said that having supervisors that a person really wants to work for motivates an instructor.

**Riding Club Places First In Parade**

The Burkburnett Riding Club took first place in parade competition in the Wichita County Red River Rodeo last week making the fourth consecutive time the club has won first place this rodeo season. The parade was termed very colorful by many viewers, as it consisted of floats, riding clubs, Miss Rodeo Texas, queen contestants, and Maskat Clowns.

Staci Baber won the petite division of the Queen Contest. Contestants were judged on appearance, personality, and horsemanship. There were nine contestants in all three divisions. Staci is the five-year-old daughter of Mr. and Mrs. Terry Baber of Devol, Okla.

The club will compete in the Archer City Rodeo Parade Thursday, June 20.

**Little League Candy Sales Reported**

Ronnie Smyres, son of Mr. and Mrs. Ronald L. Smyres of Burkburnett, received a \$25 Savings Bond Monday night at Pee Wee Field for selling the most candy for the Little League. He is on the team which sold the most boxes also. The First National Bank team sold a total of 188 boxes and Ronnie sold 73.

Second place team was Corner Drug with 164 boxes and third place was Owens & Brumley with 141.

Second place boy was Mark McClurkan, son of Mr. and Mrs. Clem McClurkan, who sold 51 boxes for First National Bank. The third place boy was Roger Briggs, son of Mr. and Mrs. James O. Briggs, who sold 50 boxes for Owens & Brumley Team.

### Nine Rural Accidents Investigated

The Texas Highway Patrol investigated nine accidents on rural highways in Wichita County during the month of May, 1974, according to Sergeant D.S. Lawson, Highway Patrol supervisor of this area. These crashes resulted in no

persons killed and nine persons injured. The rural traffic accident summary for this county during the first five months of 1974 shows a total of 67 accidents resulting in four persons killed and 38 persons injured.

### 14 Localities Bitten By Dogs

Fourteen local citizens have been bitten by unrestrained dogs since school has been dismissed for the summer, according to Police Chief M.L. Abbott. He said that there have been reported as many as five cases a day, and this number will not decrease until people control their animals and abide by the city ordinance.

City Ordinance #250, Section 5, states that the owner of a dog or cat shall keep said animal under restraint at all times and shall not permit such dog or cat to be at large off the premises or property of the owner, unless on

leash and under the control of a competent person.

Abbott stated last week that no rabies cases have been reported yet locally, but there is always a chance of some innocent law-abiding citizen getting bitten by an infected animal. This danger is also available to loose pets that could later infect the owner.

The Police Chief added that more drastic measures will have to be taken to enforce the ordinance if pet owners decide to let their animals run wild and endanger local residents.

## Scout Camping Dates Slated

Scout camping in the 13-county Northwest Texas Council, Boy Scouts of America will include seven weeks of long-term camping at Perkins Scout Reservation and Horizon Wilderness Scout Ranch this summer according to Ed H. Barnett, council camping chairman.

Perkins Scout Reservation opened June 17 and will run for five weeks under the direction of Camp Director, Homer Lewis. The program director is Chuck Horning.

Three weeks are completely full but there are still openings for troops and individual boys the weeks of June 30 to July 6 and July 14-20. Information on how to sign up can be obtained by contacting the Boy Scout office in Wichita Falls", Barnett said. Only boys between 11 and 18 years of age may attend.

Three speciality programs will be conducted on a provisional unit basis at Horizon Wilderness Scout Ranch.

Two aquatics camps will be held. The first will be July 28 to August 3 and the second will be August 4-10. The aquatics program will feature swimming instruction, lifesaving training as well as instruction in rowing and canoeing.

A Conservation of Natural Resources Camp under the direction of the U.S. Department of Agriculture will be held at Horizon Wilderness Scout Ranch from August 4-10. It will feature instruction and practical application in subjects such as Ecology, Soil and Water Conservation, Wildlife management and Ranch Management.

A Troop Leaders Training Program will also be conducted the week of July 28 to August 3.

"Information and applications for all summer camping programs may be secured at the Northwest Texas Council Office, 1901 10th Street, Wichita Falls or by calling 817-723-8131," Barnett said.

### Kirchhoff Fund Dinner Scheduled

Senator John Tower of Texas will be the featured speaker at a kick-off fund raising dinner for State Senatorial Candidate Mary Kirchhoff of Plainview at 8 p.m., July 2, at the Plainview Country Club. Senator Tower, one of the strongest voices in Washington, is the senior Republican member of the Committee on Banking, Housing, and Urban Development. He also serves on the joint Committee on Defense Production, and is the second ranking Senator on the Armed Services Committee.

Mrs. Kirchhoff, a long-time political observer, has had a wide and varied career in service to the state. She served on the first board to establish what is now the Central Plains General Hospital and was the first woman elected to serve on the Executive Board, West Texas Chamber of Commerce. She was the only woman to testify on the 45 public forums concerning water importation to West Texas, and helped organize "The Small Towns Task Force", concerning survival of smaller communities.

Currently Mrs. Kirchhoff is serving as the 30th Senatorial District Committee Woman. Her husband, John J. and son John are farmer-stockmen and her daughter, Karen, is a junior at Texas Tech University. Raymond Arken and Dr. Joe Webb are in charge of ticket sales.

### Accident Reported

Melanie R. Manes, 15, of 121 Hyland Drive was injured in an automobile accident on Sunday, June 2 at approximately 1:30 p.m. at the corner of 3rd and Ave. D.

Melanie, who was a passenger in the two-car accident, received a fractured nose and cuts on both legs, requiring stitches. She underwent extensive surgery on her nose at Sheppard AFB Hospital on June 19.
