VOLUME 66

BURKBURNETT, WICHITA COUNTY, TEXAS 76354

THURSDAY, AUGUST 15, 1974

NUMBER 50

Someone left a pasture gate down—and look what found its way back to Burkburnett, stated one of my finest friends as he noticed my coming back to Burkburnett. What in the world makes you come back to this town and back to the newspaper, says he.

Well, the truth is, folks, that my allergies just wouldn't let me stay down there in that hot dry country (I was allergic to WORK). Besides that, there's no place to bum coffee when you're sitting out on one of those machines twenty miles from town.

In one week's time I almost have the entire staff of the Informer/Star straightened out. When I came up last Friday they all informed me how smoothly things had been running around the newspaper. Also, they say, they were always getting the paper out on time without working to the wee hours of the morning.

Well, I'm here to tell you that all of that will probably stop with this edition. All of the new machinery will probably break down and we will get the paper to press at 6:00 a.m. Thursday morning instead of their usual 6:00 p.m. Wednesday night.

After all, things aren't supposed to run smoothly in a weekly newspaper—who ever heard of such anyway?

Everybody tells me how glad they are to see me back, but then they quickly add that since I can't find a house to live in I should just stay in Knox City! There were at least a dozen persons that offered to help me move out of Burk earlier this year, yet not one of them have offered to help me move back. As I said earlier I sure have a lot of close friends here.

Seriously though, it is good to get back up here, and I hope that I and this newspaper can be a great service to you and to Burkburnett.

Leon Smith, who has been serving as editor of the Informer/Star for the past year ended his newspaper duties for a while and decided to go back to college and get his degree in journalism.

Leon did a great job while here and I know all the employees and folks about town will miss him. He left the paper running smoothly, which no one could appreciate more than the one that follows him.

Thanks Leon, from all of us, for a job well done.

This has been a historic week in our nation with the resigning of President Nixon, as well as a sad one in many areas. As one put it the other day, at least we should be thankful that we live in a country where we can change heads of government in a peaceful manner.

If you will recall in the past few months, there have been several leaders that were ousted from their countries by a military coup. Some had to flee their own country for their lives to live in exile.

Tragic as it is for America to have such a sore to form that its leader has to step down from the highest office, I'm at least thankful that it happens in a peaceful manner and that we still have at least some control over the new leaders.

For those of you that listened to President Ford's message Monday night I hope you feel as I do that now maybe Congress will get to work and get something done. At least I hope there will be more cooperation between the two parties.

Give us a buzz at the Informer/Star if you know of something newsworthy. Chances are we may not get the

Local Jaycee Softball Tournament Begins Wed.

The first annual Boomtown Jaycees softball tournament will get underway Wednesday at 6:00 with some of the finest teams in the state competing. The five day tournament will be held at Hayes Field.

The Wichita Falls "A's" boasting a 89-15 record is one favorite picked to win the tourney. Also fielding strong teams are Johnson's Magnavox and the P.P.G. team. The Lamar Baptist team has just returned from the state church finals in Houston and is expected to be a strong contender for the number one trophy.

Local teams entered in the tournament include Western Auto and the Burk Stars. Also the Nelms Welding team which has just completed their 47th team tournament.

Wednesday and Thursday games will be played at 6:00; 7:15; 8:30 and 9:45 p.m. Friday will have two more games added to that schedule with games starting at 11:00 p.m. and 12:00 p.m.

Saturday there are 13 games on tap with the first starting at 8:00 a.m. Sunday's action will

begin at 12:45 p.m. with the finals of the tournament starting about 6:00 p.m.

All of the games are free to the public and local Jaycees are urging residents to come out and view some of the finest softball play that can be seen anywhere.

In a late news breaking announcement it was learned that the famed Burkburnett Merchants Team [sometimes referred to as the Gassers] will

be coming out of retirement in order to play in the Jaycee sponsored slowpitch softball tournament.

Famed players Randy Clement, Dale Lewis, Gary Owen and Jim Standlee as well as all the other regulars will be on hand for the event.

Their press agent reported that if fans wanted to see this famed team perform they had better come for the first two games—'cause odds are they will be their first and last!

Chamber Of Commerce Teacher Coffee Today

The Welcome-Back Coffee for all teachers of the Burkburnett School System will be held this morning at 8:00 a.m. in the high school cafeteria.

The annual event is sponsored by the Burkburnett

Chamber of Commerce. Mickey Cornelius, chairman of the event, will serve coffee, soft drinks and cookies and doughnuts.

All officers and directors of the local Chamber of Commerce are urged to attend the coffee.

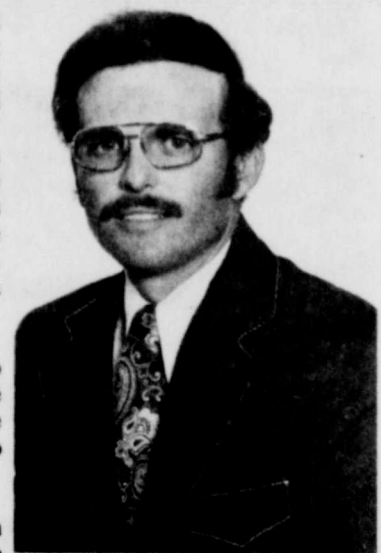

GIFT TO SCHOOL—The First National Bank, represented by Jerry McClure, Vice President and Dale Lewis, Vice President and Cashier presented three NCR bookkeeping machines to the Burkburnett High School Office Education Department and to the Business Department. Representing the school and accepting the gift were James Pearson, Superintendent, Bill Darland, High School principal, and Zell Schmidt, Office Education coordinator.

Bank employees will conduct a seminar at the school in the operation and possible uses of the machines in training students in the Office Education and Business departments. Through such cooperation, the classroom becomes more like the real business world.

Pictured in the photo from left are Jerry McClure, James Pearson, Zell Schmidt, Dale Lewis, and Bill Darland.

Greenwood Named Managing Editor Of Informer/Star

RAYMOND GREENWOOD

Raymond Greenwood has assumed the duties of Managing Editor of the Burkburnett Informer/Star, according to S.J. McBeath, publisher of the newspaper.

Greenwood is a former employee of the newspaper coming to Burkburnett in 1970 as editor and publisher of the Informer/Star, a position he held until 1973.

He served as manager of the Burkburnett Chamber of Commerce for over a year after leaving the newspaper field. For the past six months he has been working with his father-in-law in a land construction business in Haskell-Knox counties.

McBeath and Greenwood will be working together to provide Burkburnett with a quality newspaper. McBeath will continue his publisher's duties and will be working with the advertising clients while Greenwood will be in charge of

the editorial duties and in the production of the newspaper.

"It's good to get back to the place my family and I both call home, and to the newspaper work where I have spent most of my working life," stated Greenwood.

Greenwood, who began working in newspapers in 1963, has served as editor or publisher in newspapers in Graham and Mineral Wells.

While living in Burkburnett

before, he was active in the Burkburnett Chamber of Commerce, the West Texas Chamber of Commerce, Rotary Club, Bulldog Booster Club, Junior Livestock Assn. and the Library Board.

His wife Alana, and their two children Anissa and Andy will be joining him in Burkburnett as soon as housing is available.

The Greenwoods are members of the First Baptist Church.

Devol Alumni To Meet Saturday

The 42nd gathering of Devol Alumni, ex-students, and former teachers will be held in Furr's Cafeteria Saturday night at 7:00 p.m.

Although the school is now closed and the building torn down, this affair still has a large number getting together each year to talk over old times, renew old acquaintances, and bring one another up to date on family happenings. Alumni from all over the country are expected to attend this year's meeting.

Last year the event was attended by more than 55 ex-students and faculty members. Graduates were in attendance from classes 1921, 1922, and 1924 with a student from the class of 1918. Hack Stewart, a graduate and resident of Tribune, Kansas traveled the farthest to attend.

Although the exact figures have been lost, Devol High School had over 600 graduates from 1918 to 1953 when the high school was closed. At one time the school enrollment reached nearly 800 students and its football team played a game against Wichita Falls High.

Devol was the first school in the Big Pasture area to have a brick school house, completed in 1911. In 1958 the grade school was discontinued and the district consolidated with Randlett and Union Valley to form the Big Pasture School.

The Alumni Association was formed in 1932 through the efforts of Mary Houston and the Superintendent of Schools, E.T. Harned. The officers for this year are Dee Sykes of Burkburnett, President; and Melba Fincher of Belton, Texas, Secretary-Treasurer.

Anyone interested in the Devol Community is cordially invited to attend the gathering.

News Notes

Band Parents first meeting will be August 27, 7:30 p.m. at the High School Band Hall.

ENJOY WATERMELON FEED—A whole herd of hot hungry Bulldog football players enjoyed the cold watermelon furnished them by the Burkburnett Chamber of Commerce, but none more than little Amy, daughter of head football coach Pat Smiley. Shown with Amy is Mrs. Smiley and Gary Owen who worked on that Chamber Committee.

The feed, held Monday followed the first practice of the 74 season for the Bulldogs.

Big Pasture School Opens August 26

The 1974-75 Big Pasture School term will begin August 26. No pre-registration will be scheduled. All enrollments will be handled the first day of school.

School lunches will be served on August 26. Lunches will be 40 cents for all students, 50 cents for adults and 75 cents for visitors.

Parents should be reminded that Birth Certificates will be required for all Kindergarten children, and those in older grades who did not attend Big Pasture last year. Immunization records will be needed for the children entering school for the first time.

The school day will begin at 8:30 a.m. depending upon necessary schedule changes. Teachers will report at 9:00 a.m. for in-service workshop starting August 21.

Returning to the faculty will be Nita Sue Green, first grade; Bertie Walls, second grade; Elwanda Pagan, third grade; Lynn Barnes, Vocational Agri-

culture; Sharon Clem, Business Education; Carl James, Social Studies; Barbara James, Special Education; Sandra Jones, Speech Therapy, and Donna Williams, Home Economics.

New teachers added to the faculty include Joe Ferguson, Superintendent. Ferguson has previously taught Vocational Agriculture for twelve years including two years at Walters from 1963 to 1965.

James Mize will serve as high school principal, drivers education teacher, and 7th and 8th social studies. Mize has taught the past 6 years in the Fort Supply School System.

Bennie Bernard will serve as grade school principal and 5th and 6th grade teacher on a departmentalized basis. Bernard was a grade teacher at Walters the past two years.

Ronnie Ewing will serve as coach for the High School and Jr. High basketball teams in addition to teaching a class on the 7th and 8th grade level. See SCHOOL, Page 2

Letter To Parents

(Editor's Note: The following is a letter from the Burkburnett Independent Schools to the parents or guardians of school age children. Those interested in free lunches for their children should take special note of the instructions.)

Dear Parent or Guardian: The Burkburnett School serves nutritious meals every school day. Students may buy lunch for the following prices: Grades 1-3, 45 cents; Grades 4-6, 50 cents and Grades 7-12, 60 cents.

Children from families whose income is at or below those shown on the scale are eligible for free meals. If your income is greater than those shown but you have unusually high medical bills, shelter costs in excess of 30 percent of your income, special education expenses due to the mental or physical condition of a child, or disaster or casualty losses, your children may still be eligible.

To apply for free meals for your children, at anytime during the year, complete an application and return it to your school. The school will let you know whether or not your children are eligible within five (5) days of receiving your application. If you do not agree with the school's decision you have a right to a fair hearing. This can be done by calling or writing the Superintendent of Schools, at 408 Glendale, Burkburnett, Texas, phone 569-3326.

In certain cases foster children are also eligible for these benefits. If you have such children living with you and wish to apply for such meals for them, please notify us or indicate it on the application.

All children are treated the same regardless of ability to pay. In the operation of child feeding programs, no child will be discriminated against because of his race, sex, color, or national origin.

If we can be of any further assistance or if you income changes during the year, please contact us.

Sincerely,
James L. Pearson
Superintendent of Schools

The power to use energy efficiently this summer is in your hands.

When it comes to home air conditioning, one of the best things to do for efficiency and economy is to set your thermostat at 78-80 degrees.

For each degree above 75 degrees, the energy used for cooling is reduced by approximately 5%.

If you are going to be away from home for several hours or longer, either raise your air conditioning thermostat several degrees to a warmer setting or turn it off.

Here are some other things you can do:

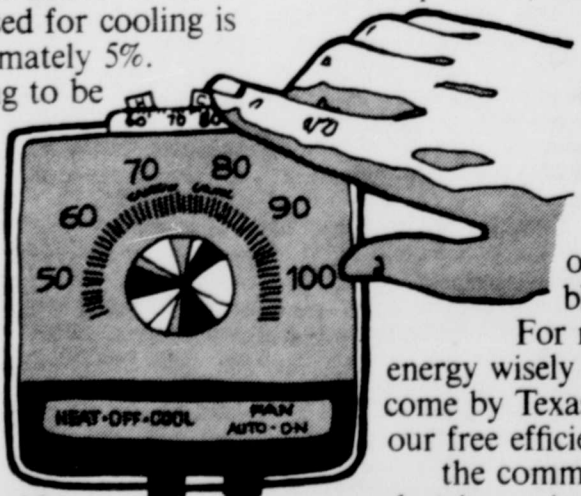

Replace disposable

filters or clean permanent type filters as required. Clogged filters make the air conditioning unit work harder and use more electricity.

Keep doors, windows and fireplace dampers closed to keep cooled air in and hot air out.

Keep direct sunlight out as much as possible. Use awnings over windows, or close draperies and blinds, or pull shades.

For more ideas on using energy wisely around your home, come by Texas Electric or request our free efficiency tips booklet on the comment portion of your electric service bill.

Ever Tried Dialing a Bug?

Farmers in at least one area of the country can keep up with insects' whereabouts via telephone. A unique service operated in California's big Kern Valley allows farmers to simply pick up their phones and Dial-A-Bug. A taped message—voiced by farm advisors rather than bugs—comes on the line with a current report on the county's agricultural pest situation.

THE MASTER CARPENTER

Once a Master Carpenter worked with divine tools creating gifts of love, joy and hope. His simple touch could mend a broken heart or repair a soul. For any who would ask, He carved an individual purpose in life and produced a deep inner peace at no cost. This Carpenter is still smoothing out personal frustrations for all who put faith in His work. To ask Him for help should be easy enough. The hard part is already over.

SEPTEMBER

The following events, selected by the Texas Tourist Development Agency, are but a few of the many excellent recreational opportunities offered by communities across the state. A more complete listing of Texas events may be obtained free of charge by writing TTDA, Box 12009, Austin 78711.

Sept. 2 Fifth Annual Kimble County Kow Kiek, Junction. A Labor Day celebration to remember. An old-time jubilee including a chili cook-off, arts and crafts fair, flea market, old fiddler's contest, horse shoe pitching and plenty of barbecue. For more information, write Kimble County Chamber of Commerce, 603 Main, Junction 76849.

Sept. 7 Annual Shrimp Boil & Auction, Brazosport. Called by area citizens "the eating event of the year," this Rotary Club sponsored festival sees tons of boiled shrimp and fried fish consumed in just a few hours' time. "All you can eat tickets" are \$3 for adults, and \$1.50 for children 12 and under. The auction features an array of new merchandise ranging from campers to ponies. Funds

raised by this event are used for community projects. The fun starts at 3 p.m. at Lake Park Pavilion. For more information, write Patsy Burris, Brazosport Chamber of Commerce, Box 2470, Brazosport 77541.

Sept. 12-15 Texas Folklife Festival, San Antonio. Texas' biggest "block party." The festival is a fun-filled celebra-

tion of the traditional ways Texans of all races and national origin have fun. The event brings to life historic foods, music, dances, games, contests, arts/crafts, in Texas' greatest ethnic reunion. Hours are 5-11 p.m. Thursday and Friday; 12 noon-9 p.m. Saturday and Sunday. Gate admission: \$2 adults, 50¢ children under 12. For a full schedule of events, contact O. T. Sheppard Notes

SHEPPARD AFB, TEXAS-- Students of the 3780th Student Squadron at Sheppard Air Force Base worked last Saturday to recondition more than 50 chairs for the Wichita Falls Vocational Education Center.

Mrs. Marla English, director of the center which helps train young handicapped people, contacted the squadron last week for help to sand and varnish the old chairs which are needed for the center's classrooms.

Members of the student squadron who volunteered to help were Airmen Basics Mike Jenkins, Mike Mikus, Paul Sandoval, Willie Tunson; Airmen Mike Mau, Dave Aristo, Chris Jarczewski; and Airmen First Class Ray Liverman, Leo Hickerson and Mike Murray.

After sanding and finishing the chairs, the airmen helped carry them to the appropriate rooms at the center.

SHEPPARD AFB, TEXAS-- Doctor John G. Barker, president elect of Midwestern University toured facilities at Sheppard Technical Training Center Tuesday morning.

The doctor met with Major General Robert L. Petit, the center commander, and toured the departments of the School of Applied Aerospace Sciences and the School of Health Care Sciences.

The purpose of the visit was to give Doctor Barker an orientation briefing on training facilities at Sheppard and on the cooperative program between Midwestern and the School of Health Care Sciences.

Presently, the two schools are entered into an affiliated program in the areas of radiology, dental hygiene and medical laboratory training.

Accompanying Doctor Barker on the visit were Doctors J. Robert Campbell, vice president for academic affairs; John W. Meux, Dean of the School of Science and Mathematics; Leo M. Sabota, chairman of the Department of Political Science; Ruth McFarland, associate professor and chairman of Nursing and Mr. Harold F. Layhee, Director of the Division of Health Sciences, all with the University.

Dr. Barker came to Midwestern from Huntington, W. Va., where he was president of Marshall University.

SHEPPARD AFB, TEXAS-- Mrs. Raymond Smith was named best loser of the week at the TOPS No. 410 (Take Off Pounds Sensibly) medals night meeting held Tuesday evening at Sheppard Air Force Base.

The top KOPS (Keep Off Pounds Sensibly) was Mrs. Claud Pustejowsky, and Mesdames Robert (Nel) Davis and Charles Potter received KOPS charms.

Mrs. Richard Lebock was named monthly queen for the group with a total loss of 7 3/4 pounds.

Those who returned from leave without a weight gain were given a charm. They were Mesdames Rodney Jones, Edward Ferrell, Charles Potter, Robert (Nancy) Davis, and Mrs. Grace Pettyjohn.

Phone pal charms were given to Mesdames George Jourdan, Charles Hunter and Richard Lebock who received two charms.

Charms were presented to Mesdames Robert (Nancy) Davis, William Pemberthy and Larry Spencer for six-weeks consecutive loss. Mrs. Charley Hammer and Mrs. Richard Ingles were presented charms on their departure from the group.

Weight loss charms were **Investment Survey Shows Corporate Spending Up 18%**

The energy crisis has resulted in U.S. businessmen stepping up their 1974 capital spending plans since last fall, according to a special check-up of 1974 investment plans carried out by McGraw-Hill Publications Company's Economics Department.

"Right now business as a whole plans to spend \$118.59 billion on new plants and equipment in the U.S. this year, an increase of more than 18 per cent over the latest estimate of 1973 capital expenditures," reported Douglas Greenwald, Chief Economist of the Publications Company. "This is nearly five percentage points higher than the 13.7 per cent rise business indicated they expected."

given to Mesdames George Jourdan, 10 pounds; Larry Spencer and Robert (Nancy) Davis, 20 pounds; and John Byrd, 40 pounds.

Mesdames Larry Spencer and William Pemberthy were presented KOPS IN Waiting (KIW) charms.

SHEPPARD AFB, TEXAS-- The Field Director of the American Red Cross announced that an adult beginner swimming class will be conducted from 10 to 11 a.m. August 19-30 at the Capehart Pool at Sheppard Air Force Base.

The classes are open to all, and anyone interested in attending this course should contact the Sheppard Red Cross at 851-2308.

ICEE BICYCLE winner last week is Susan Rushford of Burkburnett. Presenting the bike is Carolyn Magill, employee of Ed's Mini Mart.

752 Man Dorm In Final Stages Mulches For Your Garden

SHEPPARD AFB, TEXAS-- Construction of the 752-man dormitory complex at Sheppard Air Force Base entered the final phase when the first modular unit was set in place Thursday morning.

Construction of the building began in July 1973, and is expected to be completed in mid-November of this year.

Algernon Blair Incorporated, of Montgomery, Ala., has the contract for the project which amounted to approximately \$4,500,000. The units or modules were constructed in New Iberia, La., and brought by truck to Sheppard.

Each module weighs approximately 6,000 pounds and measures 12 by 24 feet and has a separate bath, heating and air conditioning. There are four different size buildings in the dormitory complex including

one 72-man dormitory with 10,400 square feet; two 80-man dormitories with 11,600 square feet each; four 86-man dormitories with 12,470 square feet each; and two 88-man dormitories with 12,470 square feet each.

Each building will have a recreation room with a 5 by 12 foot sundeck.

Included in the complex is a dining hall and an administration building. The dining hall has approximately 17,000 square feet and the administration building 10,000 square feet.

The complex is designed so that it can be relocated, however, officials said that moving the dormitories from Sheppard would be highly unlikely.

When completed, the complex will resemble a garden apartment or motel, complete

with landscaping and parking lots.

Springer notes that the Soil Conservation Service has published a pamphlet "MULCHES FOR YOUR GARDEN" which describes ways to utilize mulch material that is grown around the home. The publication gives step-by-step methods for how to make mulches and compost from leftover plant materials from your lawn and garden.

Free copies of "MULCHES FOR YOUR GARDEN" can be obtained from the local Soil Conservation Service Office in Iowa Park.

SMSGT. JOHN VERNON, who presented the special bicycle to Rusty Snyder, watches while Rusty takes the three-wheeler for a trail spin. His twin brother, Dusty, adds a slight push while the boy's mother, Mrs. Alice Sala, and stepfather, TSgt. Donald R. Sala, are in the background. [U.S. Air Force Photo]

Rusty Rides Again, Thanks To NCOAGA

HQ. MAC (MNS)-Rusty Snyder has a new bicycle. What makes Rusty's new bicycle different from others is

that it has three wheels to give it stability when he rides it.

Rusty, who now is 11, has been affected by cerebral palsy since birth and cannot ride an ordinary bicycle. But with three wheels, he can ride as well as his twin brother, Dusty.

When riding the bike in his Lebanon, Ill. neighborhood and he spots an Air Force sergeant, Rusty breaks out with a wide smile of appreciation because the bicycle is the gift from Chapter 17 of the NCO Academy Graduates Association at Scott.

Rusty, a pupil at Jefferson Elementary School, nearby Belleville, is the son of Mrs. Alice Sala and stepson of TSgt. Donald R. Sala of 420 Robyn Lane, Lebanon. Sergeant Sala is assigned to the 375th Consolidated Aircraft Maintenance Squadron.

Rusty and Dusty Snyder are the twin grandsons of Mr. and Mrs. Minaryd Nixon. Their mother is the former Alice Faye Nixon.

The boys father is Jack Snyder of Burkburnett.

The association is active in military and civilian youth projects and assists military personnel and their dependents with family services and loans.

36 Oil Companies Are Cooperating To Prevent Spills

Some three dozen major petroleum companies, producing 90 percent of the oil and gas in the Gulf of Mexico, are pooling resources to prevent and clean up offshore oil spills in the gulf and inland bays. The 36 companies have formed Clean Gulf Associates (CGA), dedicated to the prevention of spills.

Should they occur, the combined technology of CGA companies will enable containment and clean-up equipment to be on the scene within 12 hours from one of three coastal bases in Louisiana. The more than \$1 million worth of CGA equipment includes a \$775,000 apparatus mounted on a barge which resembles a giant sea monster with a huge appetite for spilled oil.

The petroleum industry's record in offshore Gulf operations over the past 26 years has been good, according to CGA Board member Phil Manning of Amoco. "Out of the more than 17,000 wells we've drilled out of sight of land, there have been only three cases which might be classified as major spills... none of these has resulted in permanent damage," he said.

CGA intends to maintain this record. The oil company group recently authorized purchase of \$100,000 of additional equipment for use off coastal Mississippi, Florida and Alabama when proposed sale of oil reserves there becomes official.

The energy crisis will accelerate petroleum production in the Gulf, but CGA officials say they are out to prove that in this instance, at least, Americans can have their energy and clean environment, too.

Cattle feeding in Texas should mushroom from 4.3 million head in 1972 to 7.3 million head by 1980, a 70 per cent increase predicts a livestock marketing specialist for the Texas Agricultural Extension Service. Demand for beef should continue to rise steadily due to a larger population and a substantial increase in per capita disposable income. The cattle feeding industry is also expected to grow throughout the nation, so that Texas' share of the national output will only increase from 17 per cent last year to 19 per cent in 1980.

Although demands for farm equipment have been strong this year, sales have generally leveled off due to a shortage of available equipment. For instance, unit tractor sales in the first quarter of 1974 fell slightly under the first quarter 1973 rate while sales of other lines of farm machinery declined more sharply. Farm equipment sales surged up during 1972 and 1973 due to increased crop production and record high farm incomes.

fairly quiet, the situation should change before too long. Mill stocks are dwindling and production estimates are declining due to dry conditions in Texas and some of the other cotton growing areas. So far mills stayed out of the market due to high cotton interest rates and a desire to hold the price line as long as possible.

Do agricultural production and income influence the price of Texas farm land? Despite the varied reasons for purchasing land, such as recreational use, inflation hedge, prestige and speculation, and an apparent discrepancy between land prices and productivity, agricultural income has tremendous impact upon the value of certain lands.

Prices of crop land, which has little aesthetic value, are more closely related to agricultural productivity than the more appealing wooded grazing lands. Productivity and profits are influenced by the soil type, crop hazards such as droughts, floods, insects, and diseases, the farm layout, location with respect to markets and roads, and other improvements. In addition to these physical factors of productivity, man-

agement strongly influences yields and profits.

However, productivity and management generate only part of gross farm income; price represents the remainder. In 1973 agricultural commodity prices began to rise, and the returns to land encouraged land purchases by full-time agricultural producers who wanted to expand. In addition, investors found their holding costs reduced, thus encouraging additional investments. The result was a substantial increase in land demand and prices.

Net income and net return to land are considered important in determining land value. Net income and net returns are dependent upon production costs, which include operating, fixed and management costs. Thus agricultural investors must know the costs for major crops within their area to aid investment decisions.

If you're planning a new farm building, one way to reduce costs is by proper selection of the site. First of all, be sure easements, codes, regulations and restrictions are known before final staking is done. Selection of a level, well-drained site will be a big aid in keeping costs at a minimum. This will reduce the need for such equipment as bulldozers, earth movers and backhoes as well as some foundation materials. If possible, do grading before construction. This allows equipment to proceed without hindrance and reduces costly labor that might otherwise be necessary for hard-to-reach areas.

★ TRUTH Slated For First Baptist ★

TRUTH is coming to Burk Burnett on Monday, August 19. This exciting touring music company of 18 members will be appearing at First Baptist Church, 4th and Avenue D under the sponsorship of W.A.C. Baptist Association. TRUTH is in the midst of its fourth tour which by June of 1975 will take the group to every major city in America, into Canada and throughout Europe. These musicians, from eleven

states, give a year or more to this evangelistic ministry. Their contemporary Christian sound has been heard by over a million people in live performances on major universities, at international conventions, statewide religious conferences, major denominational conventions and in churches from coast to coast. They've traveled over a quarter of a million miles sharing, through a bright and powerful sound, their witness for Christ,

through music. In fact, they are the only group in the church traveling constantly with their own big band.

With eight albums recorded, TRUTH is heard on radio and also seen on network television every day.

Make your plans now to see and hear TRUTH appearing at First Baptist Church on August 19, at 7:30 p.m. Admission is free. A love offering will be taken.

Danita Roberts Wins Farm Bureau Contest

Danita Roberts, 16, of Burk Burnett, will represent Wichita County Farm Bureau in District Competition tonight at 8 p.m. in the Iowa Park High School Auditorium.

Miss Roberts is the daughter of Mr. and Mrs. Norman Roberts of Burk Burnett. She won Thursday night over a field of six contestants. The blond-haired girl is a majorette with the high school band, a member of the student council and on the rodeo team. She was first runner-up in the Santa Rosa Roundup contest earlier in the year.

The seven contestants for the county queen's title were between the ages of 16 and 22 and were judged on appearance, poise and personality.

Sharla Stevenson, 17, of Iowa Park was named first runner-up and Carol Fowler, 16, of Electra was named second runner-up.

Warren Newberry, Exec. Director, Texas Farm Bureau, Waco, will be master of

ceremonies for the contest. Other county Farm Bureaus with district representatives are Wise and Wilbarger.

Wise County will be represented by Becky Cox of Chico. Her runner-up was Robbie Pipes of Decatur.

Vickie Richey, daughter of Mrs. Shirley Richey of Vernon, was the choice of Wilbarger County. Cyndy Walker was runner-up to Miss Richey. Susan Bellew of Vernon will compete in Talent Find.

Queen Lee Ann Childers of Iowa Park will crown the new queen.

The queen selected will enter state competition in Dallas, during the Texas Farm Bureau State Convention Dec. 1-4.

T.J. Richards, Paducah, is District III Director for Texas Farm Bureau. He will be assisted in making arrangements for the district contest by Mrs. Ruth Gard, Mrs. Norman Roberts, Mrs. Jack Pitcock and Mrs. Lois D. Barbour.

County 4-H Club To Hold County Day

Wichita County 4-H club members have planned their annual County Day Camp, to be held this year on August 16, at Camp Perkins.

Day Camp will begin at 8:00 a.m. with registration. Activities for the day will include

guest speakers, swimming, and a cook-out. An afternoon session of tie-dyeing will allow 4-Her's to design their own dye patterns.

In the evening, there will be a square dance. Mr. Joel Wilson of Abilene, will call the dance.

200 Scouts Expected

The Northwest Texas Council, Boy Scouts of America, will hold the last of a series of five Cub Scout Country Day Programs this Saturday at Perkins Scout Reservation near Burk Burnett. It is expected that over two hundred Cub Scout age boys (8, 9, 10) along with their leaders and parents will take

part in the Cub Family Swim Program.

Registration will be from 2:00 to 3:00 p.m., with the swimming pool activities starting at 3:00 p.m. Participants should provide their own evening meal which would be a great time for old-fashioned family picnics.

With the opening of school just around the corner the stores are full of shoppers selecting back to school fashions. For longer life check the construction of newly purchased garments.

Spend a few minutes initially with a new garment and you will have extra hours of confident wearing pleasure.

Children of school age want clothing they don't have to worry about; they need to be free to play and enter into activities without concern about getting dirty. Mothers like to keep their children neat and clean. Clothing to meet all of these demands should be durable, of strong construction, easy to wash, and require little or no ironing.

Some guides for checking new garments follow:

--If stitches are too loose in the hem or too visible on the right side, remove the stitches and re-hem, either with a suitable thread or by using a fusible.

--Thread dangling threads into a needle. Bring them inside the garment and fasten securely.

--Reinforce loose buttons, snaps and hooks and eyes before they become missing items.

--Prolong the life of a poorly constructed machine-made buttonhole by going over it with a buttonhole hand stitch or machine zig-zag.

--Reinforce sleeve and crotch seams with a second line of machine stitching 1/8 inch inside the seam allowance using a short stitch length, thread and needle appropriate for the fashion fabric. Narrow or crooked seams need this same treatment of a second line of stitching.

--Reinforce underarm seams of raglan and kimono sleeves with seam tape.

--Strengthen pockets, or plaquets with a few firm hand or machine stitches placed in prime areas of stress.

Iron-on patches or interfacing on the inside can reinforce areas of hard wear such as knees, elbows and seats of pants.

Permitting children to help select their own clothing gives them the opportunity to express themselves and to gain confidence when their ideas and choices are considered. Opportunities for self-expression in clothing is one way that children develop an awareness of themselves as a person.

Children at a very early age have a great deal of common sense about the clothing they like to wear. To allow preschool children to help in the buying of their clothing, mothers might select several articles of clothing that they find acceptable and let the children choose from them.

Girls in elementary school like to accompany their mothers when shopping for clothing and help in making decisions. Boys accompany their mothers more frequently when slacks rather than shirts are being purchased primarily because slacks, to look trim and be comfortable, have to fit accurately.

Good luck with your shopping.

The Wichita County Home Demonstration Day Camp will be Thursday, August 15, at the Burk Burnett Civic Center. Registration will be from 9:30 a.m. to 10:00 a.m. The theme for the day is "Roaring Twenties". Women from all over the county will be taking part in the activities.

Mrs. Ronald Ratcliff

Potts-Ratcliff United In Ceremony

Miss Emily Potts and Ronald David Ratcliff were united in marriage in the Broadway Church of Christ in Lubbock Saturday night.

The bride is the daughter of Mr. and Mrs. J.B. Potts of Post and the groom is the son of Mr. and Mrs. Curtis Ratcliff of Wylie.

The bride wore a princess style gown fashioned of English voile and Venice lace veiled over peau de soie. It featured a ring collar, long fitted sleeves with lace cuffs and a trumpet skirt with a deep ruffle flounce hem. Unpressed pleats swept to a wide chapel train.

Mrs. Tim Hadley of Lubbock was the matron of honor and Karen Potts, the bride's sister was the maid of honor.

Bridesmaids were Lisa Potts of Post, bride's sister, and Robin Ratcliff of Wylie, the groom's sister. The flower girl was Mary Jane Potts of Post, bride's sister. The ring bearer was Jay Bruce Evans of Lubbock.

The attendant's dresses were made of blue and white eyelet embroidery with contrasting grain sashes.

The groom's brother, Jack Ratcliff of Midland served as the best man while Criss Swaim, Steve Hodges and Don Elzie, all of Burkburnett and Mike Ratcliff of Dallas, brother of the groom, served as groomsmen. Ushers were Max Harper and George Harper of Lubbock.

Sue Gibson and Monette Cunningham of Burkburnett

served at the reception given by the bride's parents.

The bride graduated with a Bachelor of Science Degree in Education from Lubbock Christian College in 1972; graduated with a Master's Degree in Education from Texas Woman's University in 1973. While attending LCC, the bride was a member of Christliche Damen Social Club, Student Senate and the A Cappella Chorus, and was listed in Who's Who Among American Senior Colleges in 1972.

She will be teaching in the Burkburnett Independent School District this fall.

The groom is presently stationed at Sheppard Air Force Base where he is a sergeant in the 761st Air Force Band. He is also employed by the Burkburnett Church of Christ as Youth Minister.

He is a graduate of Abilene Christian College with a Bachelor of Music Education Degree in 1971. While attending ACC, the groom was a member of the Knights Men's Social Club, the Big Purple Band and the Chorales.

The Ratcliffs will make their home at 201 N. Avenue D in Burkburnett following a wedding trip to central Texas.

An hour of farm labor today produces eight times as much food and other crops as it did 50 years ago.

Senior Citizen Meeting Held

The Senior Citizens met August 9 at the Community Center.

President Jim Foyce gave a talk on obtaining a grant. Mrs. Johnson made a motion that each member bring a guest to the next meeting.

It was reported that C.T. Magill, Mrs. Stimpson, and Mrs. Claude Reed are in the hospital.

New members are Mr. and Mrs. Carswell, Mr. and Mrs. Hillis and Dink Lawson. Visiting at the last meeting was Mrs. Bentley's sister from Fort Sumner, New Mexico.

The Senior Citizens Club has 98 members of the club with their dues paid.

Day Care Center Re-enrollment Set For August 19

Day Care Center re-enrollment for children ages 3 to 6 will begin at 8:30 a.m. August 19 at the Burkburnett Child Development Center, 600 W. 7th Street.

Smith Family Holds Reunion

The Smith family reunion was held Saturday and Sunday in Tishomingo, Oklahoma. Those attending enjoyed camping and a big cook-out Saturday night at Pennington Park.

Attending from Burkburnett were Shirley and Lula Smith, Cecil and Kate Smith, Opal Porter, Chock Smith and grandchildren, David and Terry and Forrest and Cora Whitney. Others attending were Park, Pauline and Al Ward, their daughter Paula, her husband Charles and daughter Amy, of

Lawton, Okla.; Mike Smith of Medicine Park, Okla.; Cassie and Mary Smith of Oklahoma City; Bertie Odom and "Buttons" Smith of Norman, Okla.; Norene Smith and children of Ardmore, Okla.; Bessie Chapman, Eb and Gene Essary, Doug and Wanda Gray, Charles and Carolyn Brown, Mildred and Earl Edwards and children Jan and Tommy, all from Tishomingo; and Al and Grace Barwise of Silom Springs, Arkansas.

Fun and fellowship were enjoyed by all.

Sherry Bangs Best Loser

TOPS Tx 636 met August 12 for a business meeting at the Central Baptist Church.

Weekly Best Loser was Sherry Bangs with a 6 1/2 pound loss.

The date for TOPS Fun Night was set for August 26. All members were urged to make this a "Back to TOPS Night and to mark this date on their calendar. Members were reminded to bring white elephant items for game prizes.

The evening concluded with those present reading a diet hint for the week.

TOPS (Take Off Pounds Sensibly) is a non-profit organization with headquarters in Milwaukee, Wisconsin. The local chapter meets each

Monday at 6:30 p.m. at the Central Baptist Church. Anyone interested in joining may visit or call 569-2703 for additional information.

Weekly Health Tip

from JOE GILLESPIE
Light colored or reflective outer clothing should be worn at night by pedestrians and bicyclists. Visibility by an auto driver is more limited than most pedestrians realize. The headlight beam is aimed low - its range is short, especially in a fast moving car. At night an auto driver is often upon a dark-clothed pedestrian before he can swerve or stop. The auto lights may seem very bright to the pedestrian, yet he is unseen by the driver. Bicycles should have reflective tape and also be well lighted.

Field Crop Information Available

AUSTIN—A newcomer to the production of sugar cane, Texas still managed to rank fourth in the nation in 1973 with 929,000 tons of a crop substantially damaged by a late winter freeze, Agriculture Commissioner John C. White has announced.

White said information on cane and other field crops produced in Texas are available in a new Texas Department of Agriculture publication, "1973 Texas Field Crop Statistics."

The book gives statistics and a county-by-county breakdown on such crops as sorghum, rice, hay, corn, peanuts, soybeans and guar.

Statistics were compiled by the Texas Crop and Livestock Reporting Service. They show Texas first in sorghum, with 417 million bushels and second in peanuts with 471 million bushels.

Copies of the book are available by writing to Commissioner John C. White, Texas Department of Agriculture, P.O. Box 12847, Austin, Tex. 78711.

David Schroeder, President, Liz Greene, Vice President, Cherry Balis, Secretary and Susan Anderson, Treasurer recently attended the Texas Association of Student Councils (TASC) workshop July 7-12 held at Trinity University in San Antonio. This workshop was formulated to teach the officers of Student Councils what their duties are, how to perform their duties, and how to serve their schools to their best ability. Approximately 250 other officers attended the workshop. The Student Council Officers are looking forward to a great year in 74-75.

Fantastic Gains Claimed to Come From Gap Closing

Donald A. Gaudion, chairman, National Association of Manufacturers and chairman, Sybron Corp., Rochester, N.Y., told North Texas State University students recently that the nation's system generates change and "as one part of our culture gets out of adjustment with another and a 'gap' appears, a corrective catch-up process then begins to close the gap."

Mr. Gaudion said "it might be nice if we had a utopia where the whole society was in balance and there were no gaps. But in the meantime the process of closing these gaps has brought about the most fantastic material progress in the history of mankind. There is now evidence that we are recognizing and closing the gap between this material progress and our non-material social maladjustments. We are reappraising our values. We are learning more about 'the quality of life.'"

The NAM chairman discussed four problem areas: the population explosion, urban glut, domestic racial strife, and ecological problems.
He said there are no "easy answers" to these matters. "There is much pessimism around and I don't think we are going to ease the problems by either crawling into a hole and ignoring them or trying to stamp them out with repressive or frenzied tactics," Mr. Gaudion said.

Local Club To Hold Shoot Sunday

The Red River Rifle and Pistol Club will hold its monthly Metallic Silhouette Rifle Match Sunday, August 18, at the club's rifle range located Northwest of the city on FM Road 368.

The shoot will begin at 1:00 p.m. and will consist of 20 rounds being fired by each shooter with any ties being broken by a sudden death shootoff. Trophies will again be awarded to first, second and third place winners, with an additional trophy being donated by L&L Garage of Burkburnett. Competition for the additional trophy will be limited to persons who have not previously entered any of the club matches, with the trophy being awarded to the new shooter who compiles the highest score of the day.

Several minor changes will be made in the match procedures designed to expedite the match and make the afternoon more enjoyable for everyone.
Everyone is invited, so dust off that rifle and join in the fun.

Burk Girl Scouts Present Award To Pete Martin

Seventy four girls in Girl Scout sponsored Camp Running Fun climaxed a week of activities with a special presentation to Earl D. "Pete" Martin in Permian Park Friday afternoon. Mr. Martin, a long-time friend and supporter of the Girl Scouts was given a plaque in recognition of his "unending love, kindness and service to Burk Burnett Girl Scouts," and a giant card signed by all the girls and staff. The presentation was attended by Ms. Susie McRae portraying Juliette Gordon Low, the founder of Girl Scouting. Also on hand for the occasion

was the new Executive Director of the NorCenTex Girl Scout Council, Ms. Minnie Gilliland and Field Advisors Mickie Gaines and Barbara Brock. Camp activities included crafts, music, swimming and environmental study. On Friday each unit planned, cooked and served lunch for themselves and guests and entertained camp members and guests. Ms. Audry Dingmon and Miss Debra Barber's unit of first grade Brownies held a fashion parade and modeled long dresses and home made hats. The Fly Up unit composed of

girls entering third grade was led by Ms. Carolyn Barber and Kaye McCurdy and pantomimed Little House in the Woods and Gay Old Desperado. Three Junior units led by Ms. Jimmie Bariteau, Bobby Woodby, Karen Drake, Shirley Schmitt, Ann Baggett and Anita Smith presented puppet shows. The Cadettes led by Janis Smith and Phyllis Ilten wrote and presented a skit on First Aid. Camp staff members were Betty Holcomb and Roberta Crawford, Directors; Polly Brumfield, Business Manager;

Bonnie Minors, First Aider; Sally Ashton, Kitchen; Doris Gilbert and Pat Smith, Swimming; Joe Bariteau, Boys Unit Leader; Mary Brumfield and Stephanie Crawford, Pappoose Unit Leaders.

Bell Named Charter Member Of Association

A Burk Burnett, Texas man is among the 38 charter members of the newly formed North Texas Model A Ford Owners Association. This group is interested in the restoration and preservation of the remaining fleet of Model A Ford cars and trucks which were manufactured from 1928 to 1931.

Harold D. Bell is the local man involved in the Association. The Model A Association conducts a family dinner meeting and business session at 7:00 p.m. the last Monday evening of each month at Holiday Inn East in Wichita Falls.

The club officers, all Wichitans, are Bob Gutherie,

President; Harry Smith, Vice President; and Joe Tom White, Secretary/Treasurer.

'74 Wheat Projections Down Again

AUSTIN—Current USDA figures reveal that Texas wheat production is expected to decline 39.2 million bushels, down from a record 98.6 million bushels in 1973 to 59.4 million, Agriculture Commissioner John C. White has announced.

LETTERS to the EDITOR

Dear Sir: Please accept our sincere thanks for the publicity you have this church regarding Bishop McCreary's visit and our Patronal Festival in your issue of 1 August 1974. So far as I can recall this is the first special publicity St. John's has received in your paper since I became Vicar in June 1972, and I feel confident that it helped us to have the largest attendance last Sunday morning in the history of this church. Again thank you for your publicity. I am,

Sincerely yours,
David A. Jones, Vicar
