More Workers Wanted In P.-T. A.-Star Subscription Contest

Few Active Workers Enrolled In Small List Of Contest Entrants

Will Be Easy For Some Wide-Awake P.-T. A. Member To Join Contest, And By Going After Business Win The Bed Room Suite

Although this contest was announced in last week's issue of the *Star*, very few of the ladies of the city have entered to date. Of those who have their names shown in the line-up today but a small number have sold any subscriptions.

What This Means
The beautiful bed room suite on display at the Collier Hardware store is to be given away regardless of the amount of cash subscribed. It means that someone who has the good fortune to win this contest will be able to have a beautiful bed room suite should he or she be the very first. Most contestants wait to see what other fellow will do; the way in is to pay no attention to anybody but dig right in at the start. Remember, you are given many credits for business turned in than later.

This contest is being sponsored by the Burk Burnett Parent-Teacher Association and a large per cent of the dollar turned in goes to the P. T. A. The money they receive from subscriptions will be used for privileged school boys and so you see you are helping worthy boy or girl, and some to win a beautiful bed room besides getting your home for the regular price.

Exchange Be Old November 5

and successful plant expected Monday, Nov. 5, at the City Hall, according to Mrs. J. M. Alexander, chairman of the exchange. The fall rains and plants to revive and beautify the city and person in and around the city is invited and urged to bring extra plants, cuttings, shrubs and roots to the City Hall that date and receive any amount they may want in exchange. People desiring flowers they have none to give, are invited to bring a real flower garden.

Police Department Arrests Two Negroes

The Burk Burnett police department last Friday arrested several persons and held them for investigation. Two negroes were included and they were held for an alleged theft of automobile accessories near Walter, Okla. They were later turned over to the Cotton county officers.

Manager City Grocery

Nathan Hicks is the new manager of the City Grocery store. Mr. Hicks assumed the duties Wednesday evening. He is the son of Mr. and Mrs. Hicks and arrived at the hospital in Wichita Tuesday evening. Mother and father are doing fine, and it is expected that Bud will probably be home to earth enough to wait on their customers.

Frank Clement In Serious Condition

Frank Clement, employe of the Burk Burnett Motors, was carried to the Wichita General hospital Wednesday suffering from a nose infection. His condition is quite serious and a blood transfusion was made about 6:30 yesterday afternoon, the blood being furnished by Guy Willis. According to the doctor another transfusion will be made today with Oscar Kemp furnishing the blood.

Entry List P.-T. A. Star Contest

Look over the names of entrants on this list and see if there is not plenty of room for you to start today and win. A few of these have started to work in earnest while others are getting ready to start the latter part of this week. This is an exceptional small list of workers especially when one takes into consideration what the prize will be and the worthy cause that the percent the P.-T. A. receives will go for.

4,000 WITNESS BURK RODEO

With a near record crowd of 4,000 the 40 rodeo entertainers presented an exciting program Saturday afternoon. The free rodeo promoted by the chamber of commerce and business men of the city drew an audience from the whole county and many visitors from Oklahoma. The spirited performance of the animals made the tasks of the riders difficult but added a real zest to the show for the crowd.

The winners of places were: Steer riding, Hoyt Heffner first, Buck Jones second, and Bill McBride third; calf roping, Buster Morgan first, Bill McBride second, and Hoyt Heffner third; bull roping, Buck Jones first, B. McBride second, and B. D. Evans third; bronc riding, B. T. Heffner first and Buck Jones second. In the humor feature of the afternoon, the business men's chair race, B. Harmon won a technical first place when Charley Grace, who came in first over rode his range to commit a foul.

According to the announcement of J. M. Alexander, chairman of the rodeo committee, the next entertainment will be given by the organization Nov. 10 in connection with the American Legion observance of Armistice day.

CHAMBER COMMERCE CALL MEETING TO ENCOURAGE PROPERTY OWNERS TO TAKE ADVANTAGE OF THE F. H. A.

Henry S. Grace, president of the local Chamber of Commerce, has issued a special call for a meeting of the board of directors to be held Monday night, October 29, at 7:15 p. m.

The meeting is being called to lay specific plans for the canvass of Burk Burnett property owners in an effort to encourage them to take advantage of the Federal Housing Act whereby money is being furnished to home and property owners to finance repairs and permanent additions to the homes.

According to W. A. Roberts, chairman of the local Housing Committee, there is about one-third of the unemployed of the nation directly or indirectly connected with the building industry or industries closely related or dependent on the building industry so it is an important thing for home owners to make repairs and put men to work. It is the object of the local committee to work out plans whereby a special canvass will be made of the home owners to call to their attention the need for such repairs and to urge and encourage them to make application for loans through the Housing Administration to finance the payment for such repairs.

I. E. Harwell Loses Sight Of Eye

Word was received here Thursday that I. E. Harwell, president of the First National Bank, and who is under the care of an eye specialist in Mineral Wells, has lost the sight of his left eye, caused by a tumor, but that his right eye is responded to treatment and the doctors have hopes of saving the sight of it.

The many friends of Mr. Harwell are grieved to learn of his misfortune but are hopeful that his other eye will respond to the treatment.

Banks Receive F. D. I. C. Signs

The Farmer's State Bank and the First National Bank received from the Federal Deposit Insurance Corporation at Washington the official signs which will hang at all receiving windows as visible evidence that the depositors of this institution are insured.

The Farmers State Bank and First National Bank are one of more than 14,000 licensed banks in the country which are receiving these signs. Insured banks are able to offer protection to their depositors up to \$5,000. Statistical studies have shown that this maximum fully protects more than 97 per cent of all the depositors in insured banks.

A statement by the Federal Deposit Insurance Corporation follows:

"The purpose of the signs is to let depositors know which banks are insured. Heretofore, although 90 per cent of the licensed banks are insured, depositors have had no easy means of identifying them.

"If, by any unforeseen circumstance, an insured bank should suspend, the Insurance Corporation would begin paying off the depositors just as soon as a receiver was appointed for the closed institution. The depositors would receive their money in a few days instead of waiting months or years as was the case in the former method of liquidation. This is not only a benefit to the depositors, but it saves the community from a terrific economic and social blow. When the depositors receive their insured accounts they assign their claims to the Insurance Corporation. Thereafter liquidation proceeds on a business-like basis with the maximum chance of the Corporation and other creditors being paid in full."

Carnival and Masquerade Ball At Weeth School

The Weeth Parent-Teachers Association is sponsoring a Halloween Carnival next Monday evening, October 29 for the benefit of the basketball boys. The entire community is working earnestly on side shows and everything else that goes to make a real carnival. The biggest event will be a Masquerade Ball to be held in the school gymnasium around 9:30. There will be good music, to be furnished by players from Wichita Falls. The admission is 25c a couple. The entire public is invited to come and join the merry-making.

building industry so it is an important thing for home owners to make repairs and put men to work. It is the object of the local committee to work out plans whereby a special canvass will be made of the home owners to call to their attention the need for such repairs and to urge and encourage them to make application for loans through the Housing Administration to finance the payment for such repairs.

The Chamber of Commerce and the Housing Committee will need the support and assistance of every civic club and citizen in order to put the campaign over. This organization and committee will surely appreciate the cooperation of the whole citizenship relative to the work in this connection.

Ray Ruffner Given Blood Transfusion

Ray Ruffner, 45, who has charge of the Quick Service Water Co. in the West Field, was given a blood transfusion Thursday evening at a hospital in Wichita Falls. Oscar Kemp, Jack Kelly, Frank Kelley, Henry Grace and R. D. Owens had a blood test made and Jack Kelly's blood matched with that of Mr. Ruffner's.

Mr. Ruffner suffered a hemorrhage of the stomach Monday evening while in the Unique Cafe. His condition is reported as very serious.

Legion Makes Plans For Armistice Day

The American Legion prepared for the celebration of Armistice day in a special called meeting at the legion hall Monday night. The memorial program will be held on Nov. 10-11. The organization was addressed by J. H. Minter on the subject "The Good of the Legion." Mrs. Henry Porter pledged the cooperation of the auxiliary during the celebration of the end of the world war. The chamber of commerce announced that the rodeo committee would prepare a special rodeo for the occasion, and that the business houses of the city would close for the hour from 11 to 12 o'clock on the first day of the services.

Miss Kirby Entertains Lions

Miss Norene Kirby, Spanish teacher in the Burk Burnett high school made a wonderful talk on Old Mexico and one that was enjoyed by every member of the Lions Club at their regular meeting in the Methodist church Tuesday evening. Miss Kirby attended the University in Mexico City last summer and visited many points of interest there. After hearing Miss Kirby, most of the Lions are planning to go to the Lion International Convention in Mexico City in July, 1935.

Miss Kathryn Exley, club sweetheart, played two Mexican numbers on the piano, one of them being the National hymn.

Rev. L. G. Hagar and K. C. Spell of Wichita Falls were guests of the club.

W. M. Lohman, who resides at Bridgetown, was carried to the Wichita Falls hospital Thursday afternoon in an Owens and Brumley ambulance.

Funeral Services For Mrs. Jennings Today

Mrs. J. R. Jennings, 75, died Thursday evening at 5 o'clock at the home of her daughter, Mrs. W. T. Shiver. Mrs. Jennings had been sick for about a week, suffering a stroke of paralysis on her right side last week and Wednesday night she suffered another stroke from which she never recovered.

Funeral services will be held at 3 o'clock from the First Baptist church with Rev. Miles B. Hays conducting the services. Interment in the Burk Burnett cemetery under the direction of the Owens and Brumley Funeral Home.

Mrs. Jennings was a native of Georgia, and has lived in Burk Burnett for the past eighteen years, all of which time she was an active worker in the Baptist church until ill health forced her to remain closer at home. Her husband died in 1930, since which time she has made her home with the daughter mentioned above.

She is survived by two sons, W. A. Jennings of Tyler, Texas and T. E. Jennings of Houston; two daughters, Mrs. H. B. Lanfair of Wichita Falls, and Mrs. W. T. Shiver of this city; four brothers, Sam, Tom, Henry and Joe Ford, all of Tyler, and two sisters, Mrs. Nannie Sitton of Tyler, Texas, and Mrs. Emmett Harvey of Tyler, Texas.

Pallbearers will be Willie Smith, J. M. Alexander, Hal Goodlett, S. A. M. Cooper, R. H. Henry and H. D. Smith.

Last Rites Monday For Guy McKnight Victim Auto Crash

Funeral services for Guy McKnight, 23, service station operator on the Burk Burnett road, were held at 3 o'clock Monday afternoon from the First Baptist church in Burk Burnett. The Rev. A. C. Mowrey, Springtown Baptist pastor, was assisted by Rev. Miles B. Hayes, pastor of the Burk church, in conducting the service. The Owens-Brumley Funeral home directed interment in the Burk Burnett cemetery.

Mr. McKnight was instantly killed at 10 o'clock Saturday night in an automobile collision three miles south of Burk Burnett on the Wichita road. He was thrown from his car by the impact which demolished the machine. John T. Carmichael was rushed to the Burk Burnett received a broken neck in the crash but is reported resting fairly well.

Mr. McKnight and Mr. Carmichael were rushed to the Burk Burnett clinic in an Owens and Brumley ambulance before being taken to the hospital in Wichita Falls.

Pallbearer for the McKnight service were Robert Chenaault, Clyde Mills, Lloyd Yandell, Wesley Mills, Lawrence Baumheart and Jimmie Goodman.

Survivors include the mother, Mrs. C. L. McKnight, who resides at the filling station-residence; a brother C. W. McKnight, Jr., 10; and two sisters, Mrs. E. S. Warren of Longview and Miss Leatha McKnight of Wichita Falls.

The Burk Burnett Bulldogs, seeking their sixth consecutive winner for the season, will meet the Olney Cubs, in a conference game at West-Field at 8:00 P. M. tonight, Friday, Oct. 26.

The local boys have played five games and, so far, have not been defeated and they declare that they will win this one Friday.

Theatres, Business Houses to Close

Jack Brumley and Raymond Wallace, two ardent football fans, circulated a petition Wednesday, asking cafes, drug stores and confectionery stores to close, and without an exception all signed the petition to close from 7:45 until 10:00 p. m. so that their employes might attend the game.

The following undersigned business men of Burk Burnett have agreed to close their places of business from 7:45 to 10:00 P. M. tonight in the interest of the Burk Burnett-Olney football game:

Palace Theatre, Unique Cafe, Oil City Pharmacy, Rexall Drug Store, Burk Athletic Club, Corner Drug Store, Heine's Drug Store, Magnolia Service Station, Gulf Service Station, Alexander Service Station, Milford Tire Co., Smith and Gambin Service Station, Brooks Robertson Service Station, Gene Landes Service Station, Harry Rudd's Cafe, Scrugg's Cafe, Jackson News Stand, Cannon Drug Store, Motor Service Station, LaSalle Service Station, Burk Recreation Club, Liberty Cafe, Arthur's Cafe, Star Cash Grocery, Burk Candy Co., Hamburger Inn, Orient Service Station, T. J. Watson, J. H. Cecil Service Station, W. M. Green Service Station, Bryant and Son, Pirtle's Service Station, Campbell's Filling Station, Mr. C. P. Logan, manager of the Palace and Tex Theatres was not contacted in regards to closing, but when informed that the stores were going to close, he gladly consented to close his theatres during the game. This progressive spirit shown by Mr. Logan is greatly appreciated by the committee.

Mr. Logan states that he will have a complete show at both theatres after the game.

Victory Would Be Sweet

Nothing would be sweeter to the Bulldogs than a victory of the powerful Olney team. For years the Olney team has been a particular thorn in the side of the local team.

The Olney team comes to Burk fresh from a conquest over Mineral Wells, a Class A team. However Throckmorton failed to score off Burk last week and the local team believes they can hold Olney to a small score and pile up enough touchdowns to win.

Each year Burk Burnett has gathered a team together with hopes of a championship, and each year they have watched Olney crush the hopes in a bitter battle. The Bulldogs are stubborn on their own field. Two years ago they held one of the strongest Cub teams to a 2 to 0 score. Last year at Olney the Cubs routed the Canines by several touchdowns.

HERE'S THE ANSWER

A reader asked us, "You have much optimism. Your paper glows with it. But doesn't good judgement dictate that you be more pessimistic?" Listen a moment. The world is coated with pessimism. It is like tuberculosis germs—everywhere. An individual must have a super-amount of optimism to be even near normal. There are so many gloom carriers, pessimism peddlers and the like that if an individual didn't glow a bit with the elements of hope and faith, he would find himself in the middle of a perpetually dark night. A whale of a lot of optimism is required merely to think normally. Don't worry. If there is any one thing the world needs today, it is optimism. The nation is suffering from a scarcity of enthusiasm.

**FREE ADVERTISING AND A FREE PRESS
FEDERAL EFFORTS TO CURB THEM**

Albert D. Lasker, formerly chairman of the United States Shipping Board and an outstanding figure in the business and advertising fields, in a recent speech discussed the subject of advertising in a very illuminating way.

He was speaking in Boston before the conference on retail distribution.

The efforts of the federal administration to curb advertising by arbitrary regulation and censorship were scored by Mr. Lasker, as calling into being further extensions of our already bloated bureaucracy and involving new additions to the appalling number of bureaucrats, which cloud the heavens and cumber the earth.

From the very nature of bureaucracy, no matter, in Mr. Lasker's opinion, how honest or high-minded, it finally "places the dead hand of government on private initiative."

But perhaps of greater interest than this part of his address was the relation he traced between free advertising and a free press.

There has been a great deal of insincere and intentionally misleading stuff printed about deceptive advertising and the need of protecting the public against it.

As a matter of fact, there is not a reputable publication in the country which does not supervise its advertisements and, in effect, apply to them a censorship as rigid and far more effective than any which a governmental department or bureaucrat would be able to maintain.

There is constant rejection of proffered advertisements which do not meet the publisher's standards of good faith to his readers and of loyalty to his publication and calling.

Mr. Lasker called attention to the debt which the press owes for its freedom to the freedom of advertising.

It is the revenue derived the free and independent organ of opinion it long has been.

This independence, as Mr. Lasker says, "would die in proportion as advertising would die." The first to go would be the country newspaper, which is the very backbone of our American democratic freedom. "And if these newspapers should not literally die," he continued, "the paucity of their advertising patronage would make them editorially subservient to the occasional patron."

This is undeniably true. In support of his assertion, Mr. Lasker referred to the many foreign countries in which advertising in the modern sense is still in its infancy and independent expression on the part of the press unknown.

Some day—and it is not far distant—we shall look back on the hostility to advertising displayed by the Department of Agriculture, its present secretary and his aide, Professor Tugwell, as among the puzzling vagaries of these confused times.—Atlanta Georgian.

Washington Snap-Shots Personal Liability For Fire
(Industrial News Service)

The manner in which the present Administration has gone about entrenching itself in power is one of the despairs of the opposition. Candidly those in control of Democratic headquarters admit that they know—or believe they do—how every county in the United States is going to vote in the November elections for Congress. They think they know where Administration candidates stand to win and where they might lose.

Washington political observers have seen or studied many political machines in action since Alexander Hamilton created the first, but there have been few to compare with the present set up fashioned by those who learned their politics in Tammany Hall.

Hopes of the Nation for an end of industrial warfare with the announcement of President Roosevelt that he intended to seek a truce during the emergency were quickly swallowed up in a statement of the American Federation of Labor that it would permit any discouragement of its right to strike. Since then no one has attempted to figure out how the industrial disputes that have been blocking recovery can be ended if strikes continue.

Many newspapers played up General Johnson's exhibition of "human qualities" in his farewell address to NRA employees as is some new trait in the retiring Administrator had come to the surface at that late date: Those who were surprised that the veteran cavalry officer "had a heart" certainly never had more than casual acquaintance with him. He could crack the whip—and make 'em like it—but he was as gentle as a kitten "off stage."

Some of the Administration's gleaners of statistics have assembled what is described as startling information. If these compilers of what's doing and why be correct, the old wheeze of how business is crushing little business is due for sharp revision. The very latest dope is that little business is nailing big business to the NRA cross.

Some of the states that have had PWA allotments for specific projects canceled recently are beginning to suspect that Administrator Ickes keeps up with election results closer than he indicates in public statements. One state where Democratic nomination is considered tantamount to election this year is about to lose a 19,000,000 project, but the full truth was not learned until after the primary election. This allotment will be made elsewhere. Of course, this probably is on a much higher plane than anything akin to practical politics. And the same may be true in the matter of speeding up corn and hog checks to farmers. They are going out now in million-dollar batches with election day one month away.

Hope for immediate and intensive activity in the nation's pools of greatest unemployment—the driblet goods industries—was kindled by the announcement that conservative industrial leaders expect the Federal Housing Administration's home modernization campaign to develop "well over \$2,000,000,000 worth of home repair work in the next 12 to 18 months."

Following a conference of Administrator James A. Moffett and a group of industrial leaders, announcement was made that representatives of the Government will be sent into communities throughout the country to lay the groundwork for local promotion of home modernizing. Intensive drives will be made in individual communities rather than a esingle campaign on a national scale, it was disclosed.

Personal Liability For Fire

The only personal liability for fire, as the National Board of Fire Underwriters points out, is a principle long established in Europe. In France, for example if it is proven that a person's carelessness was responsible for a fire, he is held financially responsible for all damage done to the property of others.

That principle has never been generally accepted in America, but there are one or two scattered instances where it has been applied. In 1926, in Cincinnati, a citizen was ordered to comply with certain fire-preventative ordinances. He failed to do so, and fire broke out on his property. It was put out by the fire department, which sent a bill for \$650 to cover the expense involved. The case went finally to court, and the city was awarded damages of \$500. A similar instance occurred in New York. A company was ordered to install fire sprinklers, did not do so, and sustained a major fire. Under a 50-year-old law, the city sued and received \$1,500 for extinguishing it.

Law or no law, fire is a matter of personal responsibility. Every individual owes his community a definite duty so far as eliminating hazards from his property is concerned. In most cases, it costs little in either time or money to make hazardous property safe.

Fire Prevention Week was recently observed—and all of us resolve to retain and use the information that was disseminated. Fire is the great destroyer—most of its destruction is unnecessary. Every citizen must become his own marshal, cooperating with the constituted authorities to see that his neighborhood and town are made safe.

Average Motorist Ought To Worry About Skidding

"There's been a lot of talk, recently, about the danger from blowouts in tires, but mighty little about a far greater danger—skidding," declared Jim Alexander, local dealer for the Goodyear Tire & Rubber Co.

"The big worry of the average motorist should be skidding—not blowouts," he continued. "Skidding causes five and one-half times as many accidents as blowouts—as has been proved by insurance records."

"A series of 8,400 tests recently conducted show that smooth tires skid 77 per cent farther than do new Goodyear G-3 All-Weathers, with their sharp, gripping diamond blocks in the center of the tread where they are most needed for a sudden stop. The same tests showed that other 19 per cent farther than Goodyear makes of new tires skid from 14 to G-3's."

"The slippery winter months will be here, soon, and motorists who have smooth tires would do well to buy new ones before long. The old statement that 'brakes stop your wheels, but tires must stop your car' is never so important as during the months when wet, icy, slippery streets are encountered. For maximum safety to himself and others the car owner should equip his machine with tires that grip."

"Another important thing is that tires bought now will give longer mileage, due to the fact that they will be broken-in on cool roads instead of the hot road surfaces found in the summer months. Heat is a natural enemy of tire life—so new tires now mean approximately 30 per cent more mileage," he concluded.

No Change In Grocery Codes

Editorial and news articles in certain newspapers and magazines throughout the country announce that the Administration has reversed its policy regarding price fixing and conveying the impression that the labor allowance granted in pursuance of the loss limitation provisions in codes of fair competition for food and grocery trade are no longer effective or are soon to be abandoned. Members of the trade should be promptly informed that there has been no change in the status or effectiveness of the markup provisions of our Codes nor is their enforceability impaired. Our Codes are in full force and effect and violations must not be condoned but must be dealt with as vigorously as heretofore.

The National Food and Grocery Code Authority holds that our extremely modest labor allowance is effective only to curb extreme loss leader selling and should not be construed as price fixing either in theory or practice. Its practical trial has proven that it in no wise restricts or retards free and wholesome competition within essential safeguards necessary to curb de-

structive loss leader selling practice is engaged in by benefits a relatively few and not the consumer. Grocery Distributors Code no provision injurious to fare or in disregard of interest, but to the contrary actively promote both.

Nothing has transpired that the markup provisions Codes are in danger of being gated. Your are further that at no time in the past either added or withdrawn provisions of Codes without consideration and public had there is nothing that would any reversal of this policy.

Study of Fine Arts And Travel Continued By Jr. U. Club

Members of the Junior University Study Club met Monday evening, October 15th., with Miss Bennie Lee Gates, as hostess.

A short business meeting was held preceding the program in which the president, Miss Pansy Mills presided.

Continuing their study of Fine Arts and Travel the following program was given on "Colorful Localities": "A Trip Through the Hawaiian Islands" was described very interestingly by Mrs. F. T. Felty; Mrs. John Foster read a paper prepared by Mrs. Carl Morrison on "Grasse, City of Exotic Scents" and Miss Ethyl Virginia Allen told of a trip through Porto Rico.

Miss Gates served the following members a delicious refreshment plate: Misses Ethyl Virginia Allen, Sara Majors, Norene Kirby, Pansy Mills, Alice Morgan, Margetta Purcell, Erna Schwieger, Alice and Gladys Westbrooks, Mesdames F. T. Felty, John Foster and Jack Everhart.

October Meeting of Fairview P-TA

Thursday evening, October 18, the Fairview Parent-Teacher Association met for the second time this year.

Following the reading of the minutes by the secretary and the repeating of the Lord's Prayer, the Fourth Grade presented a fire prevention program.

The stage was decorated as a school room during fire prevention week. The program was the results of a week's study of fire prevention in this Fourth Grade Class.

Mrs. D. D. Brown gave a talk on "Why the Home and School Should Co-operate in Character Training." During the business meeting, it was decided that the Parent-Teacher Association will give the Rotary Club of Burkburnett a banquet on November 6th. It was announced that the Association will meet on every third Monday night.

Morgan Circle

The Morgan Circle met Monday afternoon with Mrs. O. A. Nichols. Mrs. Hattie Gilbert offered the opening prayer.

Mrs. Will Teal, circle chairman, presided during a business session. Mrs. Hattie Buchanan dismissed six members and one visitor with prayer.

Mrs. Preston Urging Sponsors to Complete Membership Campaign

Mrs. Hugh Preston is urging her sponsors for the Burkburnett Parent-Teachers Association to finish their membership campaign and turn in their reports. The dues are sent to the State Department by Oct. 31. Mrs. Preston expects a large membership this year.

Those desiring to pay dues and not being able to see their sponsor, may pay them to Mrs. Fred Brookman at either her home or the Star Office.

Council Board To Plan Winter Welfare Work

Mrs. Luther Thrumond will be hostess to the Federated Federated Missionary Council Board Friday, Nov. 2. Welfare work for the winter will be planned at this board meeting. A committee will be appointed to serve at the plant exchange which is to be held at the city hall Nov. 5 and plans will be completed for the Quilt Show. This show, which will consist not only of quilts, but flowers and antiques also, will be held Saturday Nov. 10.

Join The Legion

The time is here to renew membership in the American Legion Auxiliary for another year. Consider for a moment what this membership means. It is among the most precious of possessions. The right to be an Auxiliary member has been won by the service of your husband, son, father or brother to his country in time of war. Auxiliary membership gives the privilege of going forward with the men of the family as they carry into peace time service they rendered during the war.

As the World War passes further into history the women of America are recognizing more and more the importance of their connection with that great struggle through the service of their relatives and through their own services. They are recognizing the desirability of preserving the significant things relating to this connection in an organization such as the American Legion Auxiliary. Every year a larger and larger number are discovering the inestimable value of being a member of the Auxiliary.

The women of America are recognizing, too, that the war left many national and world problems unsolved and that to aid in the solving of these problems is a duty and a privilege of those who had the most vital connection with the war. They understand the wider significance of the work which The American Legion is doing and value the privilege of aiding the Legion in this work which membership in the Auxiliary gives them.

The American Legion Auxiliary is now entering the period of its greatest power for service. You will not want to lose your share in the big things which are before the organization by permitting your membership to lapse. Make sure that you will be in the Auxiliary's ranks as it goes forward to the accomplishments of the coming year by sending in your 1935 dues today.

Mrs. Leach Will Speak Federated Missionary Meeting Monday

Mrs. Austin F. Leach of Wichita Falls will speak on "World Peace Through our Children" at the Federated Missionary meeting at the Methodist Church Monday afternoon at 2:30. Musical numbers will be given by Mrs. Gordon Thomas and Miss Maxine Melton. Mrs. L. G. Hagar will bring the devotional.

Ladies from all the churches in town and surrounding communities are cordially invited.

Mrs. Williamson Study Club Hostess

Mrs. W. R. Hill was leader for a program of opera at a meeting of the University Study Club in the home of Mrs. P. G. Williamson Wednesday afternoon. A fall motif was carried out in the floral decorations, and refreshment plates featured a Halloween theme.

Mrs. L. G. Hagar, a guest of the club, gave a sketch of "Madame Butterfly," which she had heard with a Japanese as the prima donna. Mrs. Henry Prinzing reviewed the life of Verdi, and Mrs. I. D. Russell sketched "Falstaff" by Verdi.

Refreshments were served by the hostess, Mrs. Williamson, to the following: Mesdames Hagar, Bostic, Reagan, Davis, Duncan, Hill, Kerr, Pogue, Prinzing, Russell, Utts and Westerfield.

Verna Jean Pogue Is Honored at Her Birthday Party

In observation of her fifth birthday Verna Jean Pogue was honored at a lovely birthday party Saturday afternoon at the home of her parents, Mr. and Mrs. J. M. Pogue on South Avenue D.

Each of the little guest came dressed in Halloween costume. Favours and decorations were in the Halloween motif.

Out-door games were played for the first hour and then the guests were called into the house where they viewed the many lovely gifts, presented the little honoree.

Refreshments were served by Mrs. Pogue to the honoree and Kay Kincaid, Marjorie Hill, Donna LaVerne Browning, Marjorie Brashear, Carol Lohoefer, Jane Barrow, Janice Caffee, Billy Jo Stacy, Joan Sandler, Joan Duncan, Ila Frances Prinzing, Roy Jackson, Jr., Ben Frank and Natalie Clifton. Those sending gifts but could not attend were Dorothy Ellen and Carolyn Rose Boyd, Mamie Browning, Billie and Carol Collins, David Kimbell, Maxine Foote, Ft. Worth; Kathryn Pogue, Dallas; Mrs. T. C. Garret and Patsy Ruth, Dallas; Mrs. Westmoreland and Bobbie Lee, Wichita Falls, Mrs. B. F. Taylor and Jimmie Guest.

Mr. Foreman and Verna Jean Honored at Dinner

Honoring her daughter, Verna Jean, and Gene Forman, Mrs. J. M. Pogue entertained the following at a dinner at her home on Avenue D. Sunday, October 21st: Misses Joy Kirsh, Ethyle Virginia Allen, and Juanita Ford, Mr. and Mrs. A. Wimbler, Messrs. James Guest, G. A. Reaves, Jr., J. M. Pogue and the guests of honor, Gene Forman and Verna Jean Pogue. The table was decorated in the Halloween motif and was centered by a large birthday cake with 25 candles on it. A Thanksgiving menu was served. Halloween decorations were used throughout the house.

Hardin Club Met Wednesday Afternoon

In the business session of the Hardin Home Demonstration Club Wednesday afternoon, plans were further discussed on "Achievement Day." This day is set aside each year for the individual clubs to celebrate their summer activities. Committees for achievement day were appointed as follows: Mesdames H. S. Preston and J. Miller, program; M. R. Hewell and F. O. Minick, correspondence; Hugh Jones and Edith Goodlett, refreshments.

Miss Bessie Lee Sikes, county agent, was present and gave an interesting report on the clubs market in Wichita Falls and urged each club in the county to take a part in the market.

Members present were Mesdames A. A. Evert, F. O. Minick, M. R. Hewell, F. R. Nauth, W. D. Bent, Artie Whitesides, H. O. Preston, J. Miller, James Johnson; visitors, W. M. Goins, Bertha Cropper and Ford of Snyder, Okla.

At the next regular meeting the election of officers will be held and each member is urged to attend.

Mrs. Ellis Hostess To Study Club

Mrs. A. H. Lohoefer was the leader of the program for the regular session of the Current Literature Club which met at the home of Mrs. Dudley Ellis Thursday afternoon.

The subject for the discussion of the afternoon was Canada. Mrs. B. F. Gilchrist read a selection of "Canadian Poetry"; Mrs. W. D. Bent read the story of "Jalna"; Mrs. J. H. Boling reviewed "White Oaks of Jolna" by Maza de la Roche.

A delicious refreshment plate was served to Mesdames W. D. Bent, J. H. Boling, J. L. Caffee, B. F. Gilchrist, A. L. Gregg, F. A. Jamieson, Geo. T. Kimbell, Rex Kolter, A. H. Lohoefer, Roy Magers, M. M. Majors, J. R. Prime, James Thomas, Neely Vaught, Jack Everhart, and two associate members, Lucille Kemp, and Jacqueline Kirsh and Miss Moore, a visitor.

NOTICE

There will be a meeting of the American Legion Auxiliary this afternoon at 2 p. m. at the Hall. Members please come and help make plans for Armistice Day celebration.

A Thomas ambulance carried Mrs. Barnes to a Wichita Falls hospital from her home west of Clara.

Salle Circle

The Salle Circle of the Baptist W. M. U. met at the home of Mrs. Artie Whitesides Monday. Mrs. Whitesides brought the devotional from Matthew and Mrs. J. G. Cheney led in the opening prayer.

Monday being industrial day, a tulip quilt was started to be finished next Tuesday in an all day meeting at the home of Mrs. C. B. Beldon. Seven members were present with Mrs. Ford of Snyder, Okla. and Mrs. Thompson of Donna as visitors.

Oil Workers and Auxiliary Hold Joint Meeting

The Ladies Auxiliary and oil Field Workers union met Tuesday evening at the Legion Hall to plan a joint festival for the two organizations. The union members of this community have perfected a stronger organization that the field has had since the discovery of oil here. This organization has planned a constructive program according to the announcement by officials Tuesday night.

Making The Home More Livable

Purposeful Lamps for Study and Reading

By Jean Prentice

COURSE no mother means to hurt her children's eyes or her Nor does Betty, away at college, hubbub of quizzes and rushing mean to injure hers. they do that very thing when fail to provide good lighting for study or sewing. And that, says, is one reason why 20% of our school children, and 40% of college students have defective eyes. comes a new lamp that obligates such responsibilities off to students' shoulders! will know you are actually protecting eyesight when you use it, but bears a tag of approval shows specifications of a national organization, the Illuminating Engineering Society, designed as an "I. E. S. Study and Lamp."

good light are keener and more progressive than those handicapped by poor lighting.

One of the nice things about the I. E. S. lamp, designs for which have been created by many leading manufacturers, is its variety of style.

Whether you live in a spacious home, college dormitory or modest cottage, appropriate ones to suit every purse are available for any decorative scheme beside chair, davenport, or on table or desk.

Several things make these lamps "kind to the eyes." The one in the large sketch at the right is scientifically the correct height for the table, 19 inches from base to bottom of shade. A glass bowl in each lamp shade directs light upward and at the same time sends well-diffused light downward, thus eliminating glare. Excellent results are attained by using a standard 100-watt bulb for which all have been designed.

A few of the many designs are indicated in the sketch at the left: a wall type fitting on a push pin, and others for floor and table. With lamps like these, Johnny and Betty have no excuse for low grades!

Personal Mention

Mr. and Mrs. T. L. Lindsay of Devol, Okla., have been visiting their son and family, Mr. and Mrs. K. S. Kirby, near Rosewell, N. M. They report a wonderful trip visiting in Clouderoft, and also the Gressit's ranch, which is about 25 miles from their homestead.

The infant daughter of Mr. and Mrs. Elmer Halley died Thursday morning and was buried Thursday evening in the Randlett cemetery. The child died at the home of his grandparents, Mr. and Mrs. D. S. Johnson. Owens and Brumley had charge of the funeral arrangements.

B. V. Yates of Long Beach, Cal. visited his parents, Mr. and Mrs. W. H. V. Yates, and sister, Mrs. O. C. Whitakes of this city the first of the week. He is enroute from the World's Fair to visit another sister, Mrs. G. C. Dunham in Big Springs, Texas.

Funeral Services For W. W. Humphrey Sun.

Funeral services for W. W. Humphrey, 73, prominent pioneer farmer of Wichita county, were held at 2 o'clock Sunday afternoon at the Cashion Baptist church with the Rev. A. C. Mowery, pastor, officiating. Burial was in the Iowa Park cemetery under direction of the Owens-Brumley Funeral home.

Mr. Humphrey, who came from Kentucky to Wichita county 50 years ago, died Friday afternoon after a six month's illness. He had been a leader among farmers of this section of Texas.

Survivors are the widow; two daughters, nine sons; 14 grandchildren; and one great-grandchild.

Pall bearers were D. S. Smith, J. W. Chapman, R. B. Rutledge, Ben L. Robertson, Monroe Garvis, A. L. Reid.

Two Special Services Calvary Baptist Church

Bible school 9:45. Mr. X. L. Minnich, superintendent. All classes study the thirteenth chapter of Luke, Verse 34 is the memory verse. Come and bring your Bible and study with us.

Motto: "We Take The Bible As It Is, For Men As They Are."

At eleven o'clock the pastor will speak. The subject will be "The Crooked Woman." This message will be logical, helpful and inspirational.

From 6:30 to 7:30 the young people will meet for an hour of Bible study. Miss Alma Garrett, is the leader of the senior class. Mrs. Spencer is the leader of the Intermediate class and Mrs. Cunningham is the leader of the Junior Class each Sunday evening.

Regular evening services begin at 7:30. Pastor will speak on the subject "A Short Bed and a Narrow Blanket." The unsaved are especially invited to hear this message. Come it will do you good.

Just come in your work clothes to any of our services and you will find a hearty welcome at the Tabernacle.

Wednesday night of next week the pastor will bring another message on the two ordinances of the church. This message will be in response to many requests.

Our tabernacle is comfortable and our services are helpful.

Mrs. A. Hutchinson Is Buried Monday

The funeral services of Mrs. Anna Hutchinson, 84, who died in a Wichita Falls hospital Sunday morning, were held from the Owens & Brumley Funeral home Monday afternoon at 4 o'clock. The Rev. Miles B. Hays, pastor of the First Baptist church, officiated, and the burial was in the Burkburnett cemetery. The pallbearers were Buster Morgan, Stacy Jenkins, Will Teal Herman Miller, Dave McNeal and Henry Grace.

The survivors are two sons, J. M. Hutchinson of Artesia Wells, and Tom Hutchinson of Hamilton, and two daughters, Mrs. J. F. Frenness of Glendale, Ariz., and Mrs. J. D. Parkson of Burkburnett.

A Burkburnett woman blushes at 20 when a man offers a compliment. At 30 she smiles, and at 40 she wonders what he wants.

The old-fashioned man used to be content to climb the ladder of success rung by rung. Now he has a son who insists on an elevator to take him up.

It's easy for a Burkburnett man to be a "liberal" if it's somebody else's stuff he is being liberal with.

This \$200 a month pension idea for people over 60 has one drawback. Most of us would be dead long before that worrying over how to pay the required taxes.

The honeymoon is over when he decides that she is getting to be less and less an eye-ful and more and more of an ear-ful.

Benefits May Extend To Other Local Lines

Home Owners' Interest In New Furniture, Furnishings and Appliances Is Foreseen

The movement now under way locally to encourage permanent property improvements may extend in many cases to individual purchases of household furnishings of household furnishings and conveniences outside of strictly building material lines, in the opinion of H. S. Grace, president of the Chamber of Commerce.

This is just a natural development he pointed out today, as a result of the attention that home owners are giving to new and needed home comforts.

"The immediate need, of course," Mr. Grace explained, "is to make the permanent improvements that will safeguard the home investment. This is the purpose of Title I of the National Housing Act. To prepare for making application for the loan, the home owner checks his property carefully to see what must be done and to estimate the cost of the improvements.

"In this study of home needs, it is quite probable he will find that furnishings and furniture and appliances have deteriorated or become obsolete, and it is more than likely that he will purchase many of these accessories as soon as family income will permit. It seems entirely probable that the variety of these needs will extend to furniture, draperies, linens, upholstery and furniture repair work, electrical appliances and other miscellaneous necessities and conveniences, even though financing for these items is not provided by the Housing Act.

"Our people, I am quite sure, will not over-buy on any home improvements or furnishings. Rather, they will be inclined to budget expenditures against needs, which will result in an increasingly steady series of purchases for the home from a variety of retail lines.

"The spread of this money thru the community will affect directly and immediately every line of business—a wholesome prospect for our entire business future."

Citation By Publication

THE STATE OF TEXAS TO THE SHERIFF OR ANY CONSTABLE OF WICHITA COUNTY, GREETING:

YOU ARE HEREBY COMMANDED to summon William Clark by making publication of this citation once each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, to appear at the next regular term of the County Court of Wichita County, At Law, Wichita County, Texas, to be held at the Court House thereof in Wichita Falls, on the 1st Monday in December, A. D. 1934 the same being the 3rd day of December, A. D. 1934. Then and there to answer a petition filed in said Court on the 5th day of January, A. D. 1934 in a suit, numbered on the docket of said Court No. 10558 wherein, J. W. Harrell and Joe Kingsbery, Jr. Co-Ancillary Receivers for C. C. Julian Oil & Royalties Company, who reside in Oklahoma City, Oklahoma, and Fort Worth, Tarrant County, Texas, respectively, are Plaintiffs and William Clark (residence unknown) is Defendant and said petition alleging, that this is a suit on account of part payment of a standard rig heretofore delivered to the defendant, William Clark, on or about October 1st, 1933, being a balance due thereon of \$75.00; and the further sum of \$130.00, incurred by the defendant and due and owing to these plaintiffs by reason of a certain contract made and entered into with the defendant William Clark, wherein the plaintiffs, acting by and through Joe Kingsbery, Jr., agreed to pump three wells on a certain oil and gas leasehold estate then owned by the defendant, William Clark, in Wichita County, Texas, for which the defendant agreed to pay these plaintiffs, for their services, the sum of \$65.00 per month; that in pursuance of this contract, the plaintiffs went upon said lease, performed the terms of their contract with the defendant, operated by pumping said wells, and there is now due and owing the plaintiffs under the terms of said contract the said sum of \$130.00, which is long past due and unpaid.

Plaintiffs further allege that by reason of the amount due and owing them by the defendant for the balance of the purchase price of said standard rig, of \$75.00, and the performance of their contract, in the pumping of said wells for a period of two months, at \$65.00 per month, being \$130.00, or a total now due these plaintiffs, from the defendant, the sum of \$205.00, with interest thereon at the rate of 6 per cent per annum from the due date of these items:

6 percent on \$75.00 from October 1st, 1933;

6 percent on \$65.00 from November 19, 1933;

6 per cent on \$65.00 from December 9, 1933;

which principal and interest is long past due and unpaid, and the defendant though often requested to pay same has failed and refused to pay the same, to the Plaintiff's damage in the sum of \$205.00.

WHEREFORE, YOU ARE COMMANDED TO SO SUMMON such defendant, and to serve this Citation by making publication of this citation once each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County.

HEREIN FAIL NOT, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

WITNESS, JULIAN A. McFALL, Clerk of the County Court of Wichita County, At Law, Wichita County, Texas.

GIVEN UNDER MY HAND AND SEAL OF SAID COURT IN WICHITA FALLS, WICHITA COUNTY, TEXAS, THIS 3rd day of October, A. D. 1934.

JULIAN McFALL, Clerk of the County Court of Wichita County At Law, Wichita County, Texas.

MARCH OF PROGRESS

ROOSEVELT ADVISES TIRED MEN

Men who are unwilling to change their old-fashioned methods just received a sharp word of reproof and advice from President Roosevelt. She thinks that emphasis on "rugged individualism" is a big shopworn, and she merits in their being either too timid to realize that they require new methods. In her monthly editorial department in the Woman's Home Journal, Mrs. Roosevelt says: "The country was started on an individualist basis, and we had no trouble which could be labor trouble until our ingenuity grew so large that we had them in an impersonal manner."

Bohn Aluminum and Brass Corporation of Detroit. This authority states that a real break is about due in not only the appearance but in the entire design and construction of the high-price car. He says: "We now have the material and the engineering knowledge available to build automobiles so far ahead of anything that is now on the road that in the light of present knowledge, cars on the road today are actually obsolete. I am referring particularly to the high-price car because it is in this field that the innovations I have in mind will first appear. The reason for this is that the materials are not now made in sufficiently large quantities to bring the prices down to the point where they can be utilized in the lower-priced units.

"As a matter of fact in engineering and design the low-price car today is further advanced than the high-price car and the difference in price between the lowest and the highest-price cars on the market is not matched by the difference in value as regards performance and durability, although admitting that luxury of appointment and prestige are material factors. Due to a superior power-weight ratio the lower-priced cars are able to leave the higher-priced units at a standstill at the traffic light signals and to actually outperform them in the hilly sections of the country." He adds, "buyers of high-priced cars will not tolerate this situation any longer than they have to."

"What will the new cars be like? They will be made of light materials, preferably aluminum, wherever it is possible to use them. Hundreds of pounds of dead weight will be eliminated while at the same time, through superior body design, far more roominess and comfort will be obtained. The engine will probably be in the rear and the interior of the car will be so designed that the passengers will have far more congeniality and comfort."

New deal in automotive engineering particularly as regards car, is foreseen by John, president of the

NUMBER

Home Economics Conference

Each teacher of Vocational Home Economics is required by the State Department of Education to attend one Home Economics Conference. Miss Michie attended one of these conferences in Wichita Falls last Friday. All teachers of home economics in this district and the district supervisor, Miss Mattie Trickey of Dallas, met in the Kemp Hotel at 9 o'clock. Methods of teaching home projects, lesson plans, and problems that were common to all the teachers present were discussed.

During the noon hour, all were guests at the cafeteria of the Wichita Falls Junior College. The cafeteria serves about 11,000 persons each school day. There was a variety of foods that were exceptionally good.

The teachers again went to the hotel and resumed their discussions. Mr. Fillers, superintendent of the Wichita Falls Schools, made a talk concerning the amendment that is to be voted on in the general election. The conference lasted until 5:30.

Miss Trickey examined three dresses that were made by Daise Matthews, Virgie Lee Skipworth and Jerry Wiggins in Home Economics III B. She had very little adverse criticism to make about them.

The Most Embarrassing Moment of Our Right Half-Back

(Note: This extract from the interesting and widely varied life of our half-back was found by one of our editors in a book which was checked out in the office. We thought perhaps it might interest you.)

I cannot think of any time in my life that I was so embarrassed as the time that I attended my first dance.

It so happened that at the time of this calamity, so it seemed to me, that I was living in Memphis, Tennessee. One night I had the pleasure of dating a very pretty young lady whom I had often admired but had never before had the courage to approach. It also happened that on this night they were having a big society dance. Of course she would be a member of this society, and naturally she wanted to go. I had never danced before, but I had no desire to tell her this, so I went for one of my friends—be, of course, being a very good dancer—thinking that he might help me along by dancing with my date most of the time. Sure enough he danced with her until she asked me why I wasn't dancing and I told her I had a headache and didn't feel like dancing. Just then that person who was supposed to be my friend insisted that I should dance and as there was no way out of it, I proceeded. I wasn't doing so good when, boy, just about that time is when it happened. We were in the center of the floor when by some chance my gum was caught in her hair. I began to gently pull it out, making it worse all the time. Finally it was necessary for us to stop dancing while in the center of the floor. By this time I was so embarrassed that it was necessary for my friend to take her upstairs and borrow some scissors to perform the hazardous feat of removing the gum from her hair without cutting it off.

(Moral to the boys of B. H. S.: Be careful where you chew gum and how you chew it!)

Bulldogs and Cubs To Clash

Smokey Shafer
The undefeated Burk Bulldogs will meet the powerful Olney Cubs in a battle to the finish Friday under the ares at 8 p. m. The Cubs have been beaten only by Class A teams and then by a small margin.

In 1932 the Burkburnett Olney game made class B football history and promises to fair even better this year if such a thing is possible. The game in '32 ended with a score of 2 to 0 when Olney made a safety in the last two minutes of play by blocking a Bulldog punt.

We urge every football fan in Burkburnett to be present and give his full support because that is what spurs the boys on to win. **THEY PLAY FOR THEIR SCHOOL AND YOU, NOT THEMSELVES. COME OUT, SUPPORT THEM AND THEY WILL WIN.**

Sophs Welcome New Members

The Sophomore class is very glad to welcome two new members into their midst. Melvin Bills, who is in Miss Michie's section; and Marshal Teal, who is in Miss Kirby's section. Marshal came to our school from Fairview and is playing on the Junior football team this year also.

Assembly

The student body assembled in the auditorium Monday morning at 9 o'clock. Mr. Westerfield expressed his confidence that the Bulldogs would win Friday night. He asked that the student body as a whole show their appreciation by backing the Bulldogs, and encouraging them.

We will also have Assembly Wednesday, Thursday, and Friday. Thursday the Pep Squad will be in charge. They will give a few snappy yells, and we will probably have a speaker. Come on Bulldogs, show them you can beat Olney!

Our Seniors

Sam Brashear
Sam Brashear (better known as Stormy) was born in Paducah, Texas, January 20, 1917. Stormy started to the Burkburnett School in the year of 1934.

He is now one of our great football players, playing left guard.

His most popular boy is Louis Sims and his most popular girl is Jerry Wiggins. His favorite teacher is Scott Williams; favorite gum, Double bubble; favorite subject, Mechanical drawing; favorite food, spinach; favorite past time is playing pool; his hobby, football.

Stormy believes John Baptiste is the best looking boy and Olena Cash the best looking girl. He has no favorite girl but his favorite boy is Tate Hall.

Sam tells us he thinks the class of '35 is the best class of the schools history.

Pauline Bowman
Pauline Bowman (small but mighty) was born in Snyder, Oklahoma, July 2, 1916. Although Pauline started to school at Fairview, Burkburnett is now fortunate enough to have her in high school.

Her most popular boy is Louis Sims, most popular girl, Olena; favorite teachers, Miss Morgan; favorite gum, Dentine; favorite subject, Spanish; favorite food cake; favorite past time, writing to a Spanish boy (Thomas Cortinas); hobby, fishing; best girl friend, Effie Mitchell, best boy friend, Robert Morris. Pauline believes the senior class is the best in school.

Try the Senior's Four Hundreds!

Guess Why?

Nineteen of the Freshmen, at Kathryn H's surprise party, played "Ring around the rosey"?

Judy Henson did not come, although many of us saw her in town, in party togs, just before the thing started?

Melba Clark was anxious to give Mr. Forman so much of her fudge?

Mr. Forman told almost everyone he saw Saturday how much he was to give Kathryn for her birthday, as his birthday was Sunday and he expected a lot?

So many of the Freshmen made S's, S's or U's when one would expect them to make G's.

Barbara C. made no attempt to help herself up when she fell down at the party?

Neil P. rushed so gallantly to her aid?

Lois Lee R., LaFern M., and a few others persist in chewing gum in their classes even though the teachers and many members of the class have shown their disapproval time and again.

Pauline Browning, Peggy Hopkins, Joyce minus the husbands. Nelda Reynolds—A two year old twelve years later. Margetta Owens—Queen Elizabeth minus the crown.

Fight Team Fight!!!

Freshman Flashes

The General Science classes had a test Wednesday in which almost everyone made a passing grade. Of course, as usual, there were several slips of the tongue and pencil. One of them put, "Matter exists in three states, namely, Tennessee, Alabama, and Kentucky." Mr. Forman got much amusement from this, and he generously shared it with his other class. After he had told the joke he asked a certain person what the answer was supposed to be. This person answered, "Matter exists in all forty-eight states."

Let's go Bulldogs!!!

While Kentucky is busy cracking political nuts other states are wondering what she will do with all her colonels.

Home Economics IIIB

The girls in third year clothing class have finished their special occasion dresses. At 2:30 P. M. on Wednesday, October 17 the girls modeled their dresses in the high school auditorium. We had five judges, Miss J. R. Chatham, R. C. Tevis, B. F. Gilchrist, Sherman Crissey, and Fred Flannagan to decide which girl would represent us at the State Homemaking Rally that is held in Corpus Christi some time in April or May. They had quite a time coming to a decision, but they finally awarded first place to Imogene Snoddy. Her dress is of green moss silk crepe with an ivory satin collar. The black satin dress with gold trimming of Virgie Lee Skipworth won second place. Ruby Louise Bishop was awarded third place. Her dress is of brown crepe with a gold trim.

All of the dresses made in this class are very good looking garments and they cost only a half or third as much as a ready-made dress would cost. We are especially proud of the dresses, since, we have spent only the class periods for four weeks in the actual construction of the garments.

We are all hoping that Imogene and her dress will win first place for Burkburnett Home Economics Department in the Home Economics IIIB contest at Homemaking Rally.

Come on Bulldogs, let's make 'em hustle!!!

Pep Squad News

The pep squad has been working very hard to have a good formation next Friday night.

They are expecting the game with Olney to be a tough one, but they are quite sure that by doing their best they can give the good old school yell in later games:

"Coca Cola, ginger ale—
"Burk Hi. Bulldogs never fail!!!
Let's Beat Olney!!!

Bulldogs Make Fifth Straight Win

Smokey Shafer
Coach Volney Hill's Bulldogs chalked up their fifth straight victory when they defeated Coach Smith's Greyhounds of Throckmorton.

The Bulldogs were off form and presented a weak offense with a very ragged defense. The Greyhounds surprised the fans with a strong defense, using a six-three-two formation. Throckmorton outplayed the Bulldogs with the exception of the first quarter and the closing three minutes of the game.

In the last plays of the first quarter came the first Bulldog score. Sims on two end runs placed the ball in scoring position and Shafer (116 lbs.) plunged the line for the counter. Sims' kick was good and the score was 7-0 Burk.

The second quarter was scoreless, marked by many fumbles on the part of the Bulldog backs. Throckmorton went thru the dogs line almost at will but lacked the punch to score.

When the second half opened Throckmorton fumbled on its own eight yard line and Burkburnett recovered. Shafer then carried the ball to the six inch line where the Greyhounds held for downs and kicked out of danger.

In the last three minutes of the game Sims, behind the first good blocking of the game in the part of the Bulldogs, returned a Greyhound punt eighty yards for a touchdown. His try for extra point failed. Very soon after Burk, having the ball on its own forty eight yard line, Sims raced over tackle and thru a broken field fifty-two yards for his second score. A line plunge was good for extra point. The game ended 20 to 0, Burkburnett.

Est 'em up Bulldogs!!!

Some people may not know everything but they always know what time the widower next door gets home in the morning.

Office News

To advertise the Olney game that is scheduled to be played tonight, the business men have "Beat Olney" banners in the show windows. There was the usual pep rally Thursday night, with the pep squad parading, and then there will be a parade in the business district tonight.

Practically all the teachers attended the meeting of the teachers of District 4 in Wichita Falls, Saturday, October 20.

The principal speakers were Dr. Aines, professor of curriculum in the University of Texas, and Dr. Sligler, head of the department of curriculum in Austin.

At the meeting of the teachers of this district, plans for the coming Interscholastic League were discussed. The meet will be at Electra. The following officers were elected: V. M. Dinsmore, Electra—athletic director; Randall Hanks, Clara, director of debate; Miss Margaret Tanner, Burkburnett, director of declamation; Miss Stiff, Iowa Park, director of extemporaneous speech; Mrs. Falls, Electra, director of spelling; Miss Lois Thompson, Fairview, director of essay writing.

The teachers general meeting will be held at 7:30 A. M. Thursday, October 25 in the high school building.

The total enrollment for the year to date is 304. Of this number, 12 have withdrawn, making the present enrollment 292. The attendance at present is unusually good. On Friday, October 19, there were 283 present.

Warner Rosco, deputy state superintendent visited the schools a short time ago. He inspected the equipment, met a number of the teachers, and visited classes.

Friday at noon Superintendent Westerfield and Mr. H. D. Smith, members of the county executive board, attended the luncheon of the regional Red Cross. It was announced that the annual roll call will be November 11. Mr. Westerfield expressed his hope that each of the home rooms will be able to have a part in this.

The news comes from the office that a pad for Othar Wheeler's broken ribs has been received, which will enable him to play in the Olney game. This was great news for the students.

Miss Kirby—"Jack what are you doing with your feet on that desk?"
Jack W.—"I am saving money, my eraser is used up; so I am now using my rubber heels."

English Class Picnic

The members of the fourth period 2-A English class went to Prescott at 4 o'clock last Thursday afternoon for a picnic.

Nelda Reynolds and Geneva Spivey were the managers of the two big league baseball teams. During the game three umpires were run off the field and called back, two fingers were "busted", various muscles were made sore, and many scores were piled up: 14 to 6 in favor of Geneva's team.

Even two tired baseball teams could not devour all the sandwiches, onions, pickles, fruit and cookies spread on the "table".

Too tired and too full to be too happy the gay picnickers started home at seven o'clock.

Those attending were Billy Ashlock, Marjorie Bowden, Etta Marie Choate, Ordette Cope, Stella Davis, Dorothy Haggard, Dorace Hagermann, Mary Lou Hothan, Pauline McGinnis, Mildred Milford, Juanita McKenzie, Fred McPherson, Lillian Roney, Nelda Reynolds, Juanita Shuffler, Kenneth Simmons, James Spearman, Geneva Spivey, Bert Walden, Billy Wheeler and the teacher, Miss Kirby.

Bulldogs, beat Olney! Fight 'em hard!!!

Madame Conchita

The Seniors have been very fortunate in securing the services of Madame Conchita. She will attend the Junior-Senior Hallowe'en dinner and tell the fortunes of the Juniors and Seniors.

The Madame has been made famous by locating the \$1,000,000 Astor-buit diamond. She is able to tell your past, present and future.

If any citizen of Burkburnett has any question of business or love that he wants answered, it may be possible that, through one of the Seniors, an appointment can be arranged.

Vocational Agriculture

The boys representing the from Burkburnett, Wilmer Ma John Garner and Hubert Gray the State Fair at Dallas represent nice time and enjoyed every minute of the trip. The transportation furnished by Mr. and Mrs. Hart, Mrs. Everhart stopped Decatur to see her uncle "Jim" other relatives.

The Agriculture building was first for the boys to visit. It is the most interesting and increases their knowledge box to a certain extent. Next in line was Poultry Livestock, which was full of exhibitions. The prettiest big large stallion, the largest Hampshire hog weighing 1,300 and would have made a nice animal. The ugliest thing I saw at the Fair was Mo-Tel Mac on the home town of Burkburnett.

The boys of Vocational Agriculture Class are now looking forward to a big time at the Fort Worth Stock Show.

Corinne—A moth leads a life.
Lowell F.—How come?
Corinne—He spends the night in a fur coat and the winter bathing suit.

Bob T.—I want to marry my daughter.
Father—Well, it isn't always for us to do what we want to do. I want to eat mince pie, pickles, lobster salad but they won't agree with me and I'd be very happy afterwards and that, afraid, would be your fix married my daughter.

Doctor—Do you have to sleep?
Mr. Hill—Yes, every morning my life. I have a wife, dog and alarm clock.

Miss Morgan—Miss Dunaway that you and Juanita F. had words.
Mr. Robinsin—I had some didn't get a chance to use.

Louis S.—Two years ago I here and couldn't pay my bill threw me into the street.
Manager—Indeed, Sir? I am sorry, sir.

Louis S.—Don't mention it afraid you'll have to do it up.

Teacher—What are the properties of heat and cold?
Loyd W.—Heat expands and contracts.

Teacher—Correct. Now give example.
Loyd W.—In summer, when hot, the days are long and in when it's cold the days are short.

Olena C.—I know it, I megaphone.
Mrs. Johnson—You're a downhearted old man; what are you thinking of?

Mr. Johnson—My future.
Mrs. Johnson—What makes future seem so hopeless?
Mr. Johnson—My past.

Waiter—Haven't you forgotten something?
Mr. Hill—Good heavens, yes wife told me to water the while she was away.

Bub—Did you ever go a-cold?
Nedra—Oh yes!
Bub—What did you say?
Nedra—I said: "Good morning Judge."

Senior Picnic Seniors Secure

The dignified Seniors—and dentally a few Juniors—journey to the farm of Frances Clark day night about 7:30 for a roast. A large bonfire was built the Seniors soon gathered with their weiners and marshmallows. After this they cast off dignity to play "Three Deep" according to "Oswald" Bentley. They herded around the fire to give some Senior yells. They turned to town with eyes from sprained ankles to knees 10:00—, tired but happy.

Pete S.—Bub spoke very respectfully of you last night you weren't fit to sleep with Hubert—What did you do?
Pete—Oh, I took the O told him you were.

Rabbit Creek

Obituary
Friday night Luther Bridges and children motored to Oklahoma to see their son who has been in the hospital for several months. Father and brothers and sisters at 9:30 a. m. Saturday at the hospital, the sad news that his son, Coit, had passed away at 3:30 a. m. Saturday. They were over six and a half late to see him. Bridges had his body taken to the hospital where it was late hour by an Owens & Ambulance, and was taken to the home where lives in the Rabbit Creek neighborhood. Coit was 23 years old, 6 months old. He was born April 27, 1911, and passed away Oct. 20, 1934, at the Oklahoma hospital. Behind his most bereaved wife, Bridges, one brother, and two sisters, Lorene and Edna, of Randlett, a step brother, Lawrence Pickens, and

a Mrs. Bridges and Mrs. Fred Bennett of Randlett and a little baby half brother and two little half sisters at home, Dalbert, Dean, Dorothy May and Wanda Fay; a step mother, Mrs. Luther Bridges one grand mother, who lives at Eddy, Texas, one great grandmother and three aunts, Mrs. Lee Bridges of Burkburnett; Mrs. Effie Jetton of Goree, Texas; Mrs. Ethel Hogue, of Fort Worth, Texas; Mrs. Ed Bridges and family; Mr. and Mrs. Bridges and family, Mr. and Mrs. J. W. Bridges and family, Mr. and Mrs. W. R. Bridges, Mr. and Mrs. L. E. Bridges and family and two uncles by marriage, Mr. Hogue of Fort Worth, Texas and Mr. Jetton of Goree, Texas and Grandpa Bridges of Randlett. All of the uncles were present but two. The losing of this fine young man from our midst was a shock to the whole of Rabbit Creek community as Coit Bridges was reared from a small boy to manhood in our neighborhood and was loved by all who knew him. Coit is from one of the most respected families that has ever lived in the Rabbit Creek neighborhood. Rev. Nichols, pastor of the Randlett

Baptist Church, officiated. A fine sermon was delivered over the remains. The first song that was requested, by the parents, to be sung was "When They Ring Those Golden Bells for You and Me"; the second, "Near My God to Thee". Rev. Nichols preached his sermon from the 8th chapter of Gen.; his text being the "Bow shall be seen in the cloud" and he repeated the poem, "Crossing the Bar", after which Mrs. W. R. Elkins played the funeral march while friends and the family bid Coit the last sad farewell. Owens & Brumley was in charge. The flowers were beautiful and were appreciated by the family. Coit was taken to Burkburnett where he was laid to rest by the side of his mother who preceded him in death seven years ago. There he will sleep until the judgement day when they all will meet again around the great white throne; where there will be no more sorrow and no more parting. The entire community extend their deepest sympathy to the sorrowing family and relatives. May God bless the ladies who so loyally came forward and helped the father and mother

through this sad hour.

We loved you, yes we loved you, But Jesus loved you more; And he has taken you to yonders shining shore
The Golden Gates were opened, a gentle voice said, "Come" and with farewells unspoken you Quietly entered home.

Well, again all of the Big Rabbit Creek Community attended the big rodeo at Burkburnett last Saturday. Every body came home at a late hour and all report having a fine time and seeing a number one fine free show.

Last Saturday, a week ago, while Mr. and Mrs. Henry Babers were in Burkburnett, their little son Shepherd went to a hamburger stand and purchased a hamburger and ate it. A few hours later little Shepherd became seriously ill and a doctor was called and pronounced the little fellow had ptomane poison by eating the hamburger. All of last week he was a very sick boy, but at this writing the writer has been advised that Shepherd was getting along fairly well. His host of friends wish him a speedy recovery.

Mrs. Chas. Offeth received a wire from Oklahoma City that Mrs. Offeth's sister, Emma, was dead and for her to come at once. A few minutes after getting the wire, they started by auto for Oklahoma City.

Mr. and Mrs. W. H. Martin and their little daughter, Winnie June, spent the week end visiting Mrs. Martin's sister who lives in Dallas.

Mr. Tobe Hardin and Mrs. Martha Nails spent all day Sunday visiting with Mrs. Lillie Borum over on the Deep Red. Mr. Hardin and Mrs. Nails report having a fine time and a fine visit.

Mr. and Mrs. Britton, who for the past week, has been visiting relatives over in Iowa Park, Texas arrived home Sunday.

The writer is proud to announce through this column of news that Mr. James Self brought his sister, Mrs. Doyle, home. She resides in Burkburnett and has been in the hospital in Dallas for some time and it is reported that she is getting along fine.

Will Linksey was transacting business in our county seat, Walters, Monday morning.

(LAST WEEK'S RABBIT CREEK NEWS)

A very large crowd was on the streets of Burkburnett Saturday although it did pour down rain for over two hours. Owing to such a hard rain the big rodeo was postponed until next Saturday, so the writer was advised before he left the city. There were hundreds of people from other towns and cities that came to Burk for the rodeo.

This part of Cotton County received a good rain Saturday, but not as much as fell over in Burkburnett. The rain which came Saturday in both States, North Texas and Southern Oklahoma, was greatly needed, as it was getting very dry over here in Oklahoma. It will almost insure a good Fall and Winter wheat and barley pasture.

Mr. Tobe Hardin and Mrs. Martha Nails and her son, Charlie, motored over to the Owens family resident Friday evening and visited with the family until a late hour. They brought the family two big water melons which were greatly appreciated. Say boy, those watermelons were sure fine. Come again, folks.

During the rain and electrical storm that came Saturday forenoon over on this side Saturday, Mr. Fletcher Babers, one of the Big Rabbit Creek prosperous farmers, had the misfortune of having one of his milk cows killed by lightning, so the writer was told while he was over in Burkburnett.

Mr. and Mrs. Britton Gibson motored over seven miles west of Burkburnett Saturday afternoon to visit Saturday night and Sunday with Mr. Gibson's uncle and family.

The writer was up to Mr. John Ashtons' new mansion, that Mr. Archie Wynn is building for him, last Friday afternoon. Believe me Mr. Wynn is sure doing a fine job laying brick. The writer kind'er felt sorry for poor old John, as it was a very warm afternoon and John was carrying mortar to Mr. Wynn and believe me he had poor John on the run all the time the writer was there, keeping Mr. Wynn in mortar. Poor John said to the writer: "If that guy don't quit laying them damn brick so fast, I am just going to play out." It will take Mr. Wynn four more months to complete the mansion. By that time poor John will be knocked out.

Since the nice rain fell Saturday, it will enable the farmers on this side to finish up their plowing so they can sow their fall oats. There will be a large amount of

acreage sowed down in oats this Fall and Spring and less cotton planted.

Mrs. Dave Jones has been real sick for the past week, but at this writing is much better, due to the fact that she was able to go to the city of Burkburnett Saturday. Her host of friends are pleased to know that she is improving and one and all hopes she will soon get well.

The average Burkburnett man is a funny animal. He can always see dust on the floor but he never sees his discarded newspaper, socks and underwear.

THE SECOND QUESTION A DOCTOR ASKS

Here is some information that has relieved whole families from Constipation

When anyone is "out of sorts" the doctor's first question is about the bowels. And the second, what is being taken to help them. Doctors use laxatives, and expect you to use them. But they prefer a liquid laxative. Do you know why?

Doctors and hospitals use liquid laxatives because they've seen the damage sometimes done by highly concentrated drugs in the form of pills or tablets! They know that a properly made liquid laxative containing senna (a natural laxative) does not do this harm. And they use liquid laxatives to relieve the bowels, because the dose can be easily regulated.

What to Use
There is a preparation of fine herbs, pure pepsin, cascara, and senna which does away with all need of harsh cathartics. The active sennain Dr. Caldwell's Syrup Pepsin is laxative enough for any adult, mild enough for any child. And there are other valuable ingredients in this delightful syrup.

Syrup Pepsin will usually relieve a case of constipation overnight. If a further dose is necessary, you give a smaller dose, each time less, until the bowels are moving regularly and thoroughly without any help at all!

If you have a youngster who doesn't eat, doesn't gain, gets upset and bilious no matter how careful you are about the diet—don't resort to strong cathartics which may only make matters worse.

Make this Test!
If you are "not yourself" because of a constipated condition, don't blame it on your blood condition, or your age. Try the help of Syrup Pepsin until you are relieved and nature restores your regularity.

When your bowels continue then to move regularly, comfortably, and completely every day—you'll know why most doctors favor a liquid laxative like Dr. Caldwell's Syrup Pepsin.

My husband, who is a druggist, first recommended Dr. Caldwell's Syrup Pepsin to me. It has always helped me and made me feel better. I have used it as a laxative for the entire family for 22 years.

Sport Flashes

The Fairview Polar Bears have not been successful so far in their attempts to defeat their opponents. The games so far have been: Clara vs. Fairview, the score were Clara 31 and Fairview 25, Mankins 17 and Fairview 11.

In the last game the boys improved greatly and did not feel as badly over the defeat by Mankins as they did the defeat by Clara.

The boys shall play King High Tuesday night at King High. Thursday night the boys and girls both play Harrold at Fairview.

The girls have been a little more successful, they defeated Clara however they were defeated by Mankins after three long drawn out games.

Success to both in the future!

Home Economics News

Last Friday the Home Economics III class went on a hike to Stringtown. There were only six girls in this class so 5 guests were invited: Miss Baird, Miss Gentry, Marion McClarney, Elva Stimpson and Ruby Jewell Williamson. Members of the class were Bennie Spencer, Anita Pharris, Maxine Vines, Marvadinne Vines, Ruth Miller, Evelyn Mills and Miss Armstrong. Everyone had a wonderful time and they enjoyed the supper. Everyone was weary but happy when they returned.

Senior Personalities

Clarence Bridges
 Young Clarence was born just on the other side of the old river, but his first remembrances are of Stringtown where he was moved when he was just a tiny tot of eighteen months. (He has lived at Springtown ever since.) He began school at the little Stringtown school and went there for three years. He started the fourth year of his education at good old F. H. S. and has attended there ever since. He hopes to receive his diploma there next spring (which signifies him a Senior.)

Clarence is tall (5 feet 11 inches) has brown hair, and brown eyes (tall, dark, and handsome, eh) It might be well to add that Clarence has that captivating smile and those pretty teeth. Pensive tooth paste? Mr. Bridges likes anything that's sport but just now he's particularly interested in that good basketball. Next spring it'll probably be track. Playing on the basket ball team and the track team, Clarence is one of the best athletes dear old F. H. S. possesses, and when we say one of the best we really mean it, too.

Unfortunate for the girls, Clarence has been leaving the opposite sex pretty much to themselves since school started. When asked what he thought about girls he replied: "Blondes are a pain in the neck and so are brunettes!" Sounds bad, very bad, eh, girls, but maybe he'll change his mind before he gets to making lots of money.

Clarke Gable is Clarence's favorite movie actor and Myrna Loy is his favorite actress. (What, no Mae West?)

His favorite piece of music is "May I" (he's crazy about Bing Crosby, too.)

Clarence's favorite hobby (every-

thing he does is a hobby, you know, just does it on the side when he can) is annoying English teachers and as there is only one English teacher in high school all his efforts are concentrated on her. Poor, poor woman! Typing is his favorite subject (he says he can make more noise and do less work in that subject.)

Like nearly all good seniors, Clarence likes Mrs. Watkins better than any other of his teachers (and she doesn't teach English).

Dark blue (this blue stuff must be getting to be a Senior habit) is Clarence's best liked color. The tulip (two lips) is Clarence's favorite of the flowers.

To Clarence—
 He haseth a body so talleth and neat,
 He haseth a face so taneth and sweet,
 He playeth the basketball so very well,

He runneth in track so very swell,
 And liketh all Seniors so very good-eth,
 He studyeth his lessons as he should-eth,
 P. S. Clarence said nothing about not liking "red-heads." We have several here in F. H. S., too!

Senior Snaps

We wonder why Elva didn't see Cab Calloway Sunday, was she sore? We wonder if Virginia was being truthful when she said she couldn't see Cab for laughing at Ada.

The Seniors are wondering why they are "catching it" from all of the teachers.

The senior puzzle is trying to figure out why Marian talks so much. Ruth was disappointed Sunday when she saw "no one." We wonder whom she was looking for.

The disappointments were in order Sunday. Some one said Virginia was disappointed also. (Fess up you Seniors.)

Ada was late to Biology class Monday, could it be that she was hunting?

Senior Pictures

The Senior class won the picture again last Thursday night. The Senior class urges more parents to attend the P-TA. The next meeting will be the second Monday in November.

They wish to thank the parents that were there last week.

Those attending were: Mr. and Mrs. I. F. Bogy, Mr. and Mrs. G. T. Roberts, Mrs. Ralph Weidner, Mrs. John Wells, and Mr. and Mrs. Lee Bridges.

Junior Scandal

If you've kept your eyes open and watched for the latest gossip you have found that:

Shorty Beavers was very, very ill Sunday night.

Bennie Spencer turned down two invitations Saturday night.

Marvadinne, Maxine and H. B. saw "Chained" Sunday afternoon.

Elbert Zink is always hunting someone.

Ruby Jewell and Mildred Morrison like "Double Bubble".

Lucille is still couring Clarence in English III class.

"Jaime" Sullivan washed his feet, I smell.

Charles has decided to be in the Junior Play.

Mr. Jones is planning to pay for all the Junior blacelets. Oh thank you, kind sir!

Anita is going to move to Grandfield and get her education there.

Ruth, the Circus Clown, is going to join Ringling Brothers.

Helen Parker doesn't see any sense in Geometry unless you are going to marry a man that doesn't know it.

Evelyn Mills is "courting" Eldon Thompson. If you don't already know it.

Those Sophs

The Sophomores met October 22, 1934 and elected Lenora Podbreger as the Sophomore member of the athletic council. They also decided what kind of booth they would have at the Hallowe'en carnival. They decided to have a bingo booth.

The Sophomore class is glad to have Mildred Seidlets back in school after being absent last week.

We Wonder

Who Margaret Lee was with Thursday night?

Who Lenora was with Saturday night?

What kind of grades the Sophomores made on their report cards.

Why some boys are so suborn and conceited on Saturday nights?

If the Sophomores find the answers it is assumed they will tell the Seniors, their sister class, so please lend your intelligence to the cause.

Freshman Fizzes

CAN YOU IMAGINE
 Lois Edwards not wanting to sit in a boy's lap?

Virginia Dare wanting her ring back from K.?

Carrie Ruth wearing an engagement ring?

Hazel going to church Sunday morning and Sunday night?

The Freshmen being Fish?

Jack Mills falling for a seventh grader?

Zella getting to church on time?

Leon Brown wanting to sit where he is in English Class?

Freshman Program

The Freshman class presented the Chapel program Thursday morning. The program started with a "fish" and a "bang" also. There were two short plays "Cora's Calling" with Mary Francis Goins, Naomi Banning, Henry Fuller, Woodrow Robinson, Fred Key and Virginia Bayne, and "Miss Betsy's Burglar" with Wilma Edwards and Douglas Roberts. There were several popular numbers sung by the Senior girls quartet; Elva Stimpson, Marian McClarney, Ruth Vogel, and Ada Marsh.

Sixth Grade

The Sixth grade has showed much progress during the first six weeks. They are all working together very nicely.

It is rumored that Juanita Harmon was not in town Saturday, that is news.

Did Troy Louise go to the show Saturday? That is what the sixth grade is trying to find out.

It is rumored that Pauline Miller wears a red ring (danger).

There is much gossip about Troy Louise some one said she was wearing Charles Watson's ring (now Charles, shame on you.)

Appreciation Gift Cards—Star

First Grade

The First Grade is very interested in Hallowe'en and the carnival which will be held at Fairview, Oct. 31. The children are decorating their room with owls, cats, goblins, Jack-o-lanterns, and witches. They are learning Hallowe'en songs and poems. They read "The Jack-o-lantern" and other stories. Many children brought pictures and books to the room for the other children to see.

They had three new pupils Monday. They are Eudora Bishop, Ira Bishop and Betty Joe Stewart.

Quinton C. Roberts is improving but has not returned to school.

Be Our Ghosts

Please come to the Hallowe'en carnival if you crave excitement on Hallowe'en night.

The main event of the evening is the basket ball game between King High and Fairview. King High won the Wichita Red River Valley conference last year and they have a very fast moving team again this year. All basket ball fans will enjoy this.

But the basket ball game is not all the excitement, there is the "House of Horrors" the shuffle board, the country store operated by Si and Ezra Senior, the bingo stand and chunking the teachers. In the meantime you can be eating pie, coney islands, pop corn and candy and if you get thirsty, there are cold drinks and coffee for you. So bring your nickles and dimes to Fairview October 31. We want you to know that all of the money collected will be put in the athletic fund to pay for the new suits. Are't those new suits pretty, and wouldn't you like to say you helped pay for them? We are sure you would, so help us and help yourself to a good time.

To The Voters Of Wichita County

I desire to call your attention to one of the proposed Constitutional Amendments to be voted on November 6th. This Constitutional Amendment will appear as No. 1 on the ballot. It was submitted to you by Senate Concurrent Resolution No. 16 of which I am the author.

The purpose of this amendment is to permit the Legislature to classify property so that hundreds of millions of dollars worth, and probably billions of dollars worth, of property now paying no taxes at all may be classified, and a rate placed upon the same that will not drive it into hiding. This will bring in hundreds of millions of dollars worth of property for taxation, and thereby take a part of the burden of taxes off of real property and other tangible property that it now over-taxed.

The purpose of this Amendment is for tax relief to the tax payers now overburdened, and to equalize the burden of taxation by giving the Legislature the authority to classify and fix rate on property now escaping taxation so that it will be brought to bear a share of the tax burden.

Desperate efforts are being made by those interests and individuals who own large amounts of this property that is now escaping taxation

to defeat this amendment and thereby to continue to avoid carrying their share of the governmental expenses. To scare the voters this organized group has put out all sorts of misrepresentations with reference to this amendment.

First, to scare the owners of small homesteads they say it will repeal the homestead exemption amendment. This matter was fully gone into by myself and the Attorney General's department before the amendment was introduced in the legislature. There is absolutely nothing to that contention. I supported and voted for the homestead amendment and would be the last man in Texas to try to disturb it.

Second, they tell people interested in small corporations that this will permit the legislature to levy all sorts of taxes on these corporations. There is no more truth in this than in the statement with reference to the homestead exemption. The proposed amendment gives the legislature no authority that it does not already have, except to classify property. Every tax that can be levied under this constitutional amendment can be levied now, except that the legislature can not classify intangible property such as mortgage notes, deed of trust notes, vendors lien notes, stocks, and bonds, etc, and thereby give them a lower tax rate than on tangible property.

It is a well known fact that you voters are fully aware that the property I have just mentioned now bears practically no part of taxation, although in many cases the vendors lien note or the deed of trust note, or the mortgage note is worth nearly as much as the land against which it has a lien, and the land bears its full burden of taxes.

Attorney General Allred is vigorously supporting the adoption of this amendment. He has given careful study to the subject, and emphatically states that the adoption of the amendment is necessary for reforming our tax system.

Mr. L. A. Woods, State Superintendent of Public Instruction is supporting this amendment. In a statement given out by him on October 23rd, he said:

"There is no cross purpose between the agencies condemning Amendment No 3 (tax limit) and the democratic nominee for governor,

James V. Allred, in his see that Amendment No. 1 (property) shall carry."
 "As for myself, I can see am for Amendment No. 1 being supported by Attorney Al Allred, and General All myself are working together efforts to defeat Amendment No. 3."

Personally, I am of the that the forces attempting amendment No. 1 (the class Amendment) are bending efforts towards imposing the people of Texas a high sales ready there has been announced the lowest price is \$540 per four-foot major new treatment of the body part broken cont the chassis away with sweeping cover, an sweeping a errier and th extend thro by panel, as a rt for rear ed by pro m, the back deeply recess

If the people want tax reform they should look this opportunity to the same. Vote for proposed ment No. 1 on the ballot, 6th.

let Adds Passenger Sedan Low Priced Line

For the first time since Chevrolet introduced the Standard six in 1933, a five-passenger sedan is included in its lower priced line. The new model is announced in the 1934 Standards, and the Motor Company declares it to be the lowest priced four-door sedan in the field of sixes and eights. The price is \$540, or \$100 under the price of the four-door sedan.

A major new feature in styling is the treatment of the rear end, where the body panels extend low and broken contour to cover the chassis. This construction is away with the rear cross-over, and provides a sweeping effect. The rear bumper and the rear bumper extend through openings in the panel, as does the gasoline filler-neck.

Provisions for rear seat passengers are provided by extra space in the back of the front seat, which is deeply recessed, giving plen-

ty of space for a built-in foot rest. Maximum elbow room is obtained by means of deep recesses in the sides of the body above large arm rests. A capacious pocket in the back of the front seat is an added convenience. Upholstery is of mohair material of a new shade and texture, set off by harmonizing head-lining.

Equipment features include an adjustable sun-shade at the driver's seat, button type latches for locking doors, dome light, and rear window curtain.

The front doors are equipped with no draft venti-panes, fitted with exterior rain shields.

First Choice In New York Auto Show Goes to Chevy

First choice of exhibit space at the 1935 New York automobile show, awarded annually to the motor car manufacturer with the largest dollar volume sales, again went to Chevrolet this year. The drawing for the 1935 automobile show represents the eighth consecutive year in which Chevrolet has won the coveted first choice of space at the Grand Central Palace.

The system of giving the pick of the show positions to the exhibitor having the largest sales was established when the shows were under the management of the N. A. C. C., now the Automobile Manufacturers Association. The management of the 1935 show, the first to be held under the direction of the Automobile Association of New York, continued the system as the fairest basis on which to allot spaces.

Any man is past middle-age if he looks on a public celebration as just another traffic jam.

If Everybody Were Just Like Him, Who Could Print A Paper

He was a prominent citizen of the community. He controlled quite a bit of property, and had financial power in the community, but he did not take his home paper. He either could not spare the small sum per year to pay for the paper, or was too big a man to fool with taking a paper like that. At any rate he did not take the home paper. If everyone in the community had been like him there could have been no home paper.

His wife gave a swell reception. The local paper gave a good account of the affair. He would have thought it awful if it had not been in the home paper. But everybody had been like him there could have been no home paper.

His daughter got married. It too was a swell affair, and the local paper gave a proper account of it. He felt that a man of his importance was deserving of such notice by the home paper. But if everybody had been like him there could

have been no home paper. He got seriously sick, and the home paper told all about it. His friends looked to the paper to know how he was getting along, and when his condition got worse, they all knew about it through the paper. But if everybody had been like him there could have been no home paper.

He died and was given an appropriate funeral. Care was taken to see that the home paper got full information regarding the important events of his life, so as to give him the final "write up" that a man of his standing deserved. But if everybody had been like him there could have been no home paper.

The family requested several copies of that issue of the paper, and sent in a card of thanks. But they acted as if seriously aggrieved when asked to pay for the card of thanks and the extra papers. Thought all this ought to be free too. And the minister who had charge of the funeral, a former resident of the place, but now living elsewhere, wanted the paper to send him a copy containing an account of the funeral—free, of course.

Sometimes the newspaper won-

ders how "prominent" a man can be when year after year he will fail to have his name on the list of the home paper, but expects that the home paper shall show him the same consideration as it does a patron.—Normangee Star.

Now Chevrolet adds the world's lowest-priced six-cylinder 4-door sedan to its line

This new and unusual value in an ideal family car brings 4-door Sedan ownership within reach of new thousands

CHEVROLET Chevrolet—builder of the world's lowest-priced line of Sixes—now adds to that line the world's lowest-priced six-cylinder 4-door Sedan. Thousands who have desired 4-door Sedan roominess and convenience need no longer hesitate because of price, for this new model brings 4-door Sedan ownership within reach of even the most modest incomes. In doing this, Chevrolet completes the remarkable line of Standard models which, with a base price of \$465, at Flint, today afford such unusual values to America.

"Bring 'Em In Dead"
Palace and Tex Soon

"Bring 'Em In Dead" is coming to both Palace and Tex Theatres for one day only, Wednesday, Oct. 31st.

Of interest to the show goers of Burkburnett and the surrounding territory will be the special feature picture which comes to the Palace and Tex Theatres soon.

The cast is headed by such well known players as Boris Karloff (of Frankenstein fame), Mary Carr who will be remembered in "Over The Hill", Tom Santschi, remembered from Rex Beach's famous story "The Spoilers". Others in the cast are Dorothy Sebastian and Walter Miller, who do some very fine work. This attraction is most unusual in that it carries as a FREE attraction, life-like wax figures of such notorious characters as Jesse James, The Dalton Gang, The Youngers, Dick Broadwell, Henry Starr, Billy The Kid, Pancho Villa and Wild—Bill Hickok. Nine wax figures in all. These wax figures will be on display free in the lobby of the theatres.

Also of interest will be the famous saddle of Pancho Villa. Old timers of this section will get a thrill viewing the famous collection of old time firearms which will be on display also during the showing of this picture and these will recall to many the old saying "The last to draw was the first to die".

The story deals with the love of a beautiful talented young girl for one of the outlaws and how, through her love she was able to get him to give up his life of outlawry.

Don't fail to see this attraction for it is the most unusual that has come to our town for a long time.

Also of interest to many will be the showing of the special subject "The Life Of Dillinger" from the cradle to the grave. This subject does not glorify Dillinger but shows that he was nothing but a fool and again recalls the old saying "Crime Never Pays". The picture takes you from the time he was a vicious sulen boy of ten up to and including his death in Chicago.

Another added attraction that many who care for rodeos, bucking horses, etc. will be the subject "Mankillers" which shows the four-footed outlaws of the range and many noted riders on famous outlaw horses. This is full of thrills, spills and danger for the riders. You will like it.

With George O'Brien in the featured role and a setting of gay, scintillating backgrounds, "Ever Since Eve," the new Fox production, comes to the Palace Theatre mid-night Hallowe'en.
Its bright, breezy, rippling love

story develops amid the high spots and the gay spots of Broadway. There is color — life — an overtone of frivolity and music as George O'Brien dons a dinner jacket and acquires the nonchalance of the man about town. It is a new George O'Brien who takes a fling at society and emerges with a flashing debutante as his bride!

"Stand Up And Cheer" Is Screen's Crowning Glory

One of the most spectacular musical productions ever to come from Hollywood makes its appearance on the screen of the Palace Theater Sunday and Monday. "Stand Up And Cheer!" Fox Film's latest release, abounds and brims over with so great an abundance of song, music and visual wonders, that the audience will be held spellbound to the very last turn of this musical masterpiece.

The film is produced on so stupendous a scale that it would be impossible to list all its multiple wonders here. Among the outstanding, however, are hundreds of dazzling girls, a vocal chorus of 500, 100 players, 335 scenes, 1,200 wild animals, five bands of music. Five breathtaking rhythmic revues were created from this host of music, girls and stars.

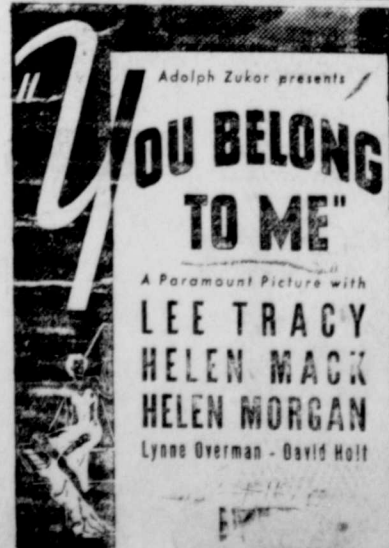

The large cast assembled for this mammoth show, includes such stellar screen stars as Warner Baxter, Marge Evans, James Dunn, John Boles, Nigel Bruce, Ralph Morgan, Shirley Temple, Arthur Bryon and Stepin Fetchit.

John Wayne In "The Trail Beyond"

James Oliver Curwood, that inimitable narrator of North Woods tales comes into his own in "The Trail Beyond" at the Tex Theatre Friday and Saturday. Probably one of Curwood's most vivid tales of the Canadian wilds, the story is brought to the screen with a wealth of color and detail, and is enacted by such capable performers as John Wayne, Lone Star Productions western star, Noah Beery, Noah Beery, Jr., Verna Hillie, Iris Lancaster and Robert Fraser.

A new departure for Wayne, in that he has never before appeared in a North Wood picture, the film manages to combine all of the action of the conventional western with the splendid dramatic tale of the Curwood original, while at the same time it offers the western star an opportunity to reach hitherto unplumbed dramatic heights.

"Bachelor Bait" Comedy Hit

Hollywood projects its seaching cameras into the matrimonial agency and evolves a new angle of satire on Dan Cupid's machinations in "Bachelor Bait," to laugh hit coming to the Tex Theatre Sunday and Monday, with an all-comedy featured cast, comprising Stuart Erwin, Rochelle Hudson, Pert Kelton, "Skeets" Gallagher and Berton Churchill.

Cupid shoots more arrows than ever from his bow, and enjoys a thriving business through the efforts of the drawling Erwin, who operates a nuptial bureau, with successful and mirthful results. "Bachelor Bait" is purveyed by Romance, Inc., which primes its prospects with a charm school, a psycho-analysis and etiquette instruction.

One of Cupid's arrows boomerangs on Erwin. A wealthy client desires Erwin's secretary. A degenerating gold digger desires the wealthy client. A big shot racketeer desires the establishment. The complications lead Romance, Inc., to a climactic point.

Did You Know That—

More than 25 of the best known personalities of screen, stage and radio appear in "Stand Up and Cheer!" the new Fox musical extravaganza.

Shirley Temple, the little four-year-old under contract to Fox Film, has an autograph book, and every time she meets a star she produces it and gets an autograph.

Horseback riding is the pet exercise of Hollywood's chorus girl crop—all now appearing in the Fox musical "Stand Up and Cheer."

Clara Lutheran Church Celebrates

The annual mission festival will be observed next Sunday with three special services. The morning service will be conducted in the German language, the Rev. Paul Holtzen, of Harrold, occupying the pulpit. This service begins at 10:30 a. m. Festival services will also be held in the afternoon, beginning at 2:30, at the high school auditorium the Rev. C. Napier, of Dallas, delivering the sermon. Another service will be held at night, beginning at 7:30, in which the Rev. Napier will again occupy the pulpit. This is always a big day for the Clara congregation and large audiences, with delegations from Wichita Falls and other neighboring congregations in attendance. The sermons will feature the missions of the church on its far-flung front and the offerings of the day are designated for this work. Special music will be rendered by the choir, men's chorus and choral club.

Campbell-Ewald Form New Agency

H. T. Ewald, president of Campbell-Ewald Company, announces the formation of a new advertising agency under the name of D. P. Brother & Company, with offices on the eighth floor of the General Motors Building, Detroit.

The new agency, according to Mr. Ewald, is entirely independent and self-contained from a creative and production standpoint. It has at its disposal Campbell-Ewald's nationwide facilities, such as branch offices in the principal cities, outdoor, radio and marketing research.

The principals of the new agency, Mr. Ewald stated, are D. P. Brother, who heads the new company; W. O. Floing, Frank G. Kane, A. J. Feinberg, R. K. Edmonds, Clarence Hatch, Jr., C. George, Jr., and a com-

All The Town Is For It

Burkburnett is backing the local football team to beat Olney Friday night. The town has never been so football-conscious as it is this year. The team is doing its part and the town is doing its part.

Likewise the citizens are cooperating to make the Hardin Municipal Light Plant as successful as it should be. Judging by the daily increase in customers, the Burkburnett citizen is realizing that a dollar spent at home is a dollar invested for his own profit.

John W.—Gee, one of my girl friends is here at the beach looking for her husband.
Kathryn D.—What's his name?
John—Oh, she doesn't know yet.

No sensible Burkburnett brag that he is "a man of convictions." The less one is stronger his convictions are.
