"I was just tellin' my brother Fred this morning, Judge...there's never been a time in our lives when we got to live up to that old sayin' 'United we stand, divided we fall' more than we have to today.'

"I say there's a time and a place for everything, and this is no time or place to be doing any fightin' except the kind that's going to win the war."

Congregational and Choir singing begins in the auditorium at eight p. m., followed by the evening message. Sermon subject, "There Is A Way That Seemeth Right Unto A Man, But the End Thereof Are the Ways of Death." (Prov. 14:12). Does it make any difference what a man believes. There are too many people walking in the ways of death. Come and hear this message and see what the ways of death are.

After many bad Sundays which found our Sunday School and Church attendance off, last Sunday we started back to normal, with 110 in Sunday School and a house almost filled for the night service. You are invited to the Church that teaches and preaches the Bible, minus nothing and plus nothing in all of its services. The Church with the open Bible and open heart and arms welcomes you.

Will you give the Lord a chance to use you during this meeting? A. E. Harrison, Pastor.
