State Guard Officers To Get Special Training

Commissioned officers and officer candidates from the units of the Texas State Guard have been assigned to Adjutant General Arthur Knickerbocker, for special training during one week in the Officers School at Dallas, near San Antonio. The school for Texas State Guard personnel will be conducted by specialists from the Service Command. Its commandant will be Col. Hobart Army cavalryman and officer at Fort Sam Houston.

Special courses will be provided for battalion commanders, company officers and officer candidates. The instructions will include two days of rigorous field training, in addition to prescribed instruction in martial law, emergency disaster relief plans, weapons, sanitation, scout-patrolling.

The school will begin Sunday, July 2, and continue through the Texas State Guards assigned to the school are: Capt. Phillip A. Carpenter, Capt. Cletus F. Johnson, Capt. Sam A. Weaver, Sgt. Cypert, Ivan J. Frieles.

Parsonage Has Improvements

Homebuilders class of the Methodist Church had the floor sanded and a new automobile put down. It is a new floor and made the more attractive. The Woman's Society of Christy service brought a real nice stove for the kitchen and installed this week. It is the best, pre-war model entirely modern. The old stove was installed in the church and one of the stoves there was traded in. The entire parsonage has been repainted, and the floors had some attention during the past three years, in addition to new furniture. It is a real improvement to the church and W. S. C. S. to have the parsonage in such excellent condition at all times.

Street Gets New Strip of Walk

New strip of sidewalk is being laid this week in front of business lots on Main Street. The A & P Tea Co. Store, Drug Store and the vacant lot face on this bit of improvement. The lots are owned by Majors, Mrs. Nora Griffin and Gus Heine respectively. The old broken paving was removed and forms built to raise the new paving to a level with the sidewalk on that street.

Joint Meeting of Cub Scout Packs Last Friday

Last Friday night a joint meeting of the Cub Scout Packs was held at the Methodist church. A basket lunch was served to the Cubs and some boy visitors, also some twenty parents. Bobcat, Wolf and Lion awards were made at the meeting. Plans were made for a trip to Camp Perkins at the next meeting night, July 28th. More interest is being shown by parents of the boys and much progress is being made in the work with these small fellows.

Ray Lawler of Burkburnett speaks each Sunday evening on the "Youth For Christ" program from Philadelphia, Pa. He may be heard over station KVWC, Vernon.

W.S.C.S. Has Full Program, Luncheon On Monday

Last Monday morning the W. S. C. S. began an all-day meeting with a worship service at 10:30 with Mrs. Henry Prinzing, Study Superintendent in charge. Mrs. H. W. Barton of Floral Heights and Mrs. Paul Powell of First Church, Wichita Falls were present and each brought an inspiring message to the group. Forty-eight members and friends joined in a covered dish dinner at noon and in the afternoon Mrs. B. M. Cropper, President, led in a discussion of the Conference Minutes. Following the afternoon session the officers met and made out the second quarterly report of the society. Mrs. Faye Gracey, Secretary, reported six boxes of supplies sent to the Rankin Chapel Community Center in Dallas, and a love gift to India. Mrs. Sam Cope reported for the Daily Vacation Bible School which was held during the quarter with a fine attendance and interest. Mrs. DeVore, Spiritual Life Leader, reported a Lenten Offering taken at the Good Friday Prayer retreat. One of the outstanding achievements of the quarter was the purchase and installation of a beautiful new, pre-war model stove for the parsonage kitchen. Several new members were received during the quarter, bringing the total to 102 to date this year.

Rotary Club Will Not Meet July Fourth

It was decided at the regular meeting this week not to hold any meetings on July 4th. Rev. Harold Bower was presented as the Junior Rotarian and succeeded Dallas Richardson who held that honor for the past week. Mrs. DeVore reviewed a Detective story of Sherlock Holmes which was well received and enjoyed by the club. Rev. DeVore, Secretary of the Club, presented a gift from the club to Mamie Browning the club sweetheart honoring her birthday. He also presented a past President's Plaque to Burn Alexander, retiring President and many expressions of appreciation went to him for his fine leadership of the club. Dr. H. C. Sullivan will be the Club President after July 1. Visiting Rotarians from Wichita Falls were: E. A. Denny, Lloyd Taylor, W. B. Hamilton, K. Paulk, Roy B. Jones, Roy Broadway, Leonard Albritton. George Byerly, former secretary of the Club, was present, and brought a word about his work in Indiana. The club voted to buy two series F. Bonds.

Community Prayer Service Has Good Attendance

Mrs. F. B. Hughes led the community prayer service at First Methodist Church last Tuesday night and Rev. Harold Bower led the singing. Attendance was somewhat increased over the past Tuesday night and a sincere spirit of worship prevailed throughout the service. Rev. Meador, Pastor of the Church of God, will have charge of the service next Tuesday night, at 8:30. This is a community project, sponsored by the Federated Missionary Society, and is held in behalf of those men in the Invasion. Many prayers are offered for them by their loved ones each day, but it is a fine thing for the community to come together for special prayer. Everyone is invited to attend.

CALENDAR

Council of the 11th District, Boy Scouts, meets the last Tuesday of each month at the City Hall.

Rotary Club meets each Tuesday noon, 12:15, at Town Hall.

Lions Club meets each Tuesday at 7:15, Town Hall.

The order of the Eastern Star will hold Drill Practice Friday night, June 30, at 8:00. All officers are urged to be present.

Mrs. O. J. Ensey, Gene Bankhead and Jim Ensey spent last week-end with relatives and friends in Graham, Texas.

Mr. and Mrs. H. D. Mabry and Mr. and Mrs. C. F. Johnson attended the 4th Division American Legion convention held in Temple last week-end. While they were in Temple they visited the McClosky Hospital, one of the largest in the United States for Veterans.

Rev. DeVore and Jack Grubbs made up Rotary Club attendance at Wichita Falls today.

S. S. Reger was able to attend the services at the church last Sunday. It was good to see him feeling so well and all are happy about his rapid improvement.

With The Boys In Service

T/Sgt. Donald F. Kaiser, son of Rev. and Mrs. Paul Kaiser of Clara, has just completed a 15-day furlough here with his parents. Donald is a recent graduate of the Marine Diving and Salvaging school at Ft. Screven, Ga. He relates the work very interesting, also very dangerous. He is with a crew of divers waiting to be sent for overseas duty.

Fort Oglethorpe, Ga., Private Grace L. A. Grady, daughter of Mrs. Homer L. Grady, 616 West Main St., Burkburnett, Texas, who has been stationed at the Training Center of the Women's Army Corps here, has been assigned to WAC Detachment, Waco AAF, Waco, Texas.

Raymond L. Hewell, son of Mr. and Mrs. M. R. Hewell of Burkburnett, was commissioned a 2nd Lieutenant at Camp Lee, Va., Friday, June 16th. Last week-end he was here for a visit with his parents, and has returned to Camp Lee to await further orders.

Roy L. Simpson, son of Mrs. R. A. Simpson, has recently been transferred from Venice, Calif., to Redonda Beach, Calif.

Pvt. Garland Johnston, son of Mr. and Mrs. R. R. Johnston is home on furlough visiting his parents. Pvt. Johnston is stationed at Camp Carson, Colorado. Seaman 2-C. Raymond Johnston is home on leave from Farragut, Idaho where he has just finished his boot training. He is also the son of Mr. and Mrs. R. R. Johnston and brother of Garland.

Word was received here last week that Capt. Roy A. Kelley, formerly of Burkburnett was commissioned in the Grade of Major, by direction of Governor Ed Thye, and the letter was signed by E. A. Walsh, adjutant general. Major Kelley served 26 months in World War No. 1, nine months of this overseas. He left Milaca March 3, 1941 with 115 men for Camp Claiborne, La. On December 13, 1942 he was assigned to Sheppard Field, Wichita Falls, Texas, as C. O. of the 33rd Tech school squadron. He attended advanced school at Miami Beach, Florida. Then he was assigned to assistant postmaster at Sheppard Field. After 9 months there he was sent to Lowery Field, Colorado. He spent several weeks in the Fitzsimmons Hospital at Denver, Colorado. He was then transferred to the reserves, subject to call to active duty at any time. Major Kelley and his son Pfc. Albert Kelley, now in the South Pacific, were the first father and son to leave Milaca to serve their country in World War No. 2.

Sgt. Richard H. Johnson writes a very interesting letter from New Guinea. He had been getting the news from Burk in an indirect way. His brother in North Africa gets the Star and clips part of it and sends it to New Guinea. Now Richard is on the list and should get the paper too. Richard is in the Military Police and says "Don't let any one tell you we don't see action. I have seen plenty of it. I met one fellow from home, Buford Lawson, and I nearly fainted when I saw him. He is with the Combat Engineers. We are fighting over here just as hard as we can to end this mess so we may return home and to our loved ones."

Patriotic Program At Burk Lodge Thurs., July 6th

A patriotic program is to be given at the Burkburnett Lodge next Thursday, July 6, beginning at 8:30 P. M. An interesting and appropriate program has been arranged, with Rev. Sanders, pastor of the South Side Baptist Church, Wichita Falls, scheduled to make the principal address. He will be introduced by Fred A. Fewin. The public is invited to attend this meeting. Refreshments will be served.

Dr. Sullivan Planning Big Year In Rotary

Following the District Assembly at Graham last Thursday, leaders in the Rotary Club of Burkburnett are making large plans for next year. Committees are being worked out on International Service, Community Service, Boys Work and Vocational Guidance.

Dr. Sullivan, President Elect will take office the first of July and was accompanied to the District Meeting by Rev. Boyd I. DeVore, Secretary, George McClarty Vice-President and Alvin Hill, Committee Leader. The information and inspiration of the day did much to encourage the local club and the splendid report for the year just closing, with Burn Alexander as President, predict great things for the club.

Mrs. Rolf A. Brickson is improving nicely at her home on Rose Lawn. She is happy to have her many friends call on her.

Mother Majors was able to attend the services of her church last Sunday morning. Everyone was happy to see her back with the children. Mother Majors is one of the two remaining charter members of the First Methodist church and has been Superintendent of the nursery since the founding of the church in 1908. It is good to see her back at service.

Mrs. Curtis Cook of Wichita Falls, formerly of Burkburnett, was visiting her parents and friends here this week.

Miss Wanda Simpson of Childress is visiting in the home of Mr. and Mrs. Wilbur Spray this week, also in the home of her grandmother, Mrs. R. A. Simpson.

Pvt. Claud Tonies, colored, who has been a patient in the Government Veterans Hospital in Waco for the past 2 years, died Sunday night. His wife Eva left to accompany the body to San Antonio for burial.

Pvt. J. D. Nixon is home on furlough visiting his parents. Pvt. Nixon is stationed at Camp Claiborne, Louisiana.

Willard Mills of the Navy R. O. T. C. is in Burk on a ten day furlough visiting his many friends here. Willard is stationed at the University of Colorado where he is going to school.

James Johnson, Ensign in the Maritime Service, son of Mr. and Mrs. Jimmie Johnson, is now in Argentina and sends a hello to all his friends here. He is getting along fine.

Joe Benny Knox Y/1c, son of Mr. and Mrs. R. W. Knox of Thrift, is somewhere in the Pacific area and the last letter from him stated he was well. He has been in the service more than two years and a half. Beginning this week the Star will go to him each week.

Political Speakers To Be In Burk Saturday Night

Irvin Vogel and Glenn Haynes, co-chairmen of the Wichita County and District political speaking tour, announce a group of candidates will be in Burkburnett for a number of short speeches Saturday night at 8 P. M. A musical program has been arranged to precede the speakers. To conserve transportation facilities, the candidates formed a pool and travel in a large group to the various parts of the county. A public address system travels with them and each candidate who wishes to do so is given an opportunity to speak. The public is invited to this gathering.

Federal Use Tax Stamps On Sale At Postoffice

All motor vehicles are supposed to have Federal Use Tax Stamps affixed to the windshield by July first. The old stamps expire June 30th. These new stamps, which cost \$5, may be purchased at the Postoffice. New stamps have a number on the back of them which should be copied and marked up on the wall or other conspicuous place in case the stamp should become lost.

Boy Scouts To Leave For Camp Tomorrow

The Boy Scouts of Burkburnett are availing themselves of the fine opportunity that is theirs in having Camp Perkins so close to them. Nearly thirty Scouts from the two troops of Burkburnett have signed up to go and are leaving Friday afternoon for a week. This is a wonderful experience and any parents who can should help take them out and then help bring them back next Friday. It is good for the boy, as well as for the parent, to see the camp and know how well the campers are supervised. John Brookman is working on the transportation for the boys and the Scout Masters have been planning with them for some time.

Orchids To Louis Todd

It should be easy to see why the Scouts of Troop 155 are so vitally interested in their work. Their Scout Master, Louis Todd, is taking his vacation just at this time so that he may go out and spend the week in camp with the boys. This is a noble thing and one which is highly commended. C. A. Gray has done a grand job with the boys in Troop 35 and they have a good many more boys planning to attend the camp than has troop 155. We wish it were possible for Mr. Gray to attend also. Encourage these boys.

Mrs. D. F. Douglas who underwent a major surgery at a Wichita Falls hospital several days ago, was returned to her home Sunday. Her recovery has been unusually satisfactory and she is expected to be up before long.

Rev. and Mrs. DeVore and family plan to leave Monday for ten days study and work at S. M. U. in Dallas. Mrs. DeVore and the children will visit with her brother and sisters, and Brother DeVore will teach one class and attend one in the Texas Pastors' School. Chaplain Boggs will supply the pulpit July 9th.

Mrs. Victor Spearman and Mrs. Dale Cropper spent last week-end in Burk in the home of their mother, Mrs. B. M. Cropper.

Total Bond Sales Expected to Reach \$200,000 Mark

Burkburnett citizens have rallied behind Geo. McClarty and Virgil Brookshear, co-chairmen of the drive and answered the call with a bond buying spree that has already exceeded the quota by some \$15,000.00. The quota given Burkburnett was the largest yet requested, \$165,000. Co-chairmen McClarty and Brookshear have spent a great deal of work on the drive and have had wonderful cooperation from committees working with them. This is the first time Burkburnett has completed its quota well in advance of the dead line. It shows careful planning and work on the part of the Committees and a loyalty on the part of the people of Burkburnett. When we completed our quota less than a dozen counties in the state had gone over the top and the nation as a whole had only completed about half of the entire quota. This is a good example of what can be done when adequate leadership is provided and when everyone works together. Everyone should continue to buy bonds to help build the total as high as possible. Words of commendation are in order to each one who had a part in this successful drive; it was a good piece of work well done. Those who attended the Palace Theatre Tuesday night for a showing of "See Here Private Hargrove", and to hear four overseas veterans interviewed from the stage, were informed the bond quota had been reached and since that time other bonds have been bought, and still others will be purchased before the campaign closes. Total sales of all Series Bonds in Burkburnett is expected to reach \$200,000 this next week. The chairmen urge that more E Series Bonds should be bought as the amount set aside for Burk has not been purchased. The quota for Series E Bonds was \$65,000. The fact that the overall quota has been met should not slow up the purchase of E Series.

WE SAY IT AGAIN

It cannot be said too often, the words of appeal to the American people to buy War Bonds that we may bring to a more speedy end this fight for freedom. With daily reports reaching us of the struggle to conquer and to hold of certain victories and positive deaths, we now know full well the forceful meaning of invasion. No step forward toward our goal but that it costs a life, brings back sorrow and depletes a nation's youth. Each boy who marches onward is giving more to the Fifth War Bond Drive than all of Burk Burnett put together with its bond purchases.

Remember that. You are investing in your country. So is he. You, with your money which will bring you interest, he with his life that will bring him—what? How much interest are YOU paying that boy who daily buys the price of a bond with his body?

DAY OF INDEPENDENCE

With the invasion succeeding, powerful units of men and equipment hurling themselves against the foe, the thunderbolts that will lead to victory are especially epochal this July 4. Holding more significance for use each year we fight to preserve the rights that thirteen small colonies held as certain truths, we think of the principles that were dedicated long years ago when this nation was engaged in another struggle to secure liberty and hereditary privileges of living as human beings in a fertile land, bright with prospects of a future of untold opportunity to every man who fought to maintain it. Back in 1776, the world in which we now live was a more simple place, the people living in that world a simpler folk. Today one hundred and thirty million of us are proposing, supposing, levying, paying, signing, compiling, representing, affirming, struggling and striving with complicated living to solve the intricate system and perhaps get back to that more simple life when an indivisible country was in the making. We can no longer live as in '76 when the rule for the world didn't seem to be such an all-round misunderstanding and suppression. Fortunately as back then, mankind on the whole, refuses to have his faith in justice, tolerance and goodness, destroyed. So must we remember that when Jefferson was picked to draw up the Declaration of Independence, the composition didn't find the unqualified approval of the whole committee or the lawyers of congress, as they worked on the material at hand and altered words and phrases for three days while Thomas Jefferson prayed, in waiting, that the force of his argument would not be lost, as it was not. His Words still remain as music, his phrases still stand as law. All day on July 4th Congress debated and by evening had reached a decision, all members present signing this doctrine, that those truths of equality, life, liberty and the pursuit of happiness should forever live. This alone is very simple, simply stated, lived simply and simply enough for us to die for.

Burkburnett . . . History

As revealed by the files of the Star 17 years ago.

The Burk Humble ball club defeated the Electra All-Stars Sunday, 3 to 1. Batteries for Humble, Ed Stevenson and Newell.

The mystery that has surrounded this identity of the car that struck little Claude Martin on East Main last Tuesday evening was solved when two small boys confessed to having struck the child when they were driving the family car without permission. The Martin boy suffered a compound fractured thigh, a broken arm, and head injuries.

The wheat crop is about one-third harvested. About 75 cars are expected to be marketed here.

C. P. Price, former high school principal here but now of Oklahoma, was in town Tuesday night to attend the Lions Club and acted as Master of Ceremonies.

Chief of Police Bill Garland left Wednesday night for Fort Worth where he will attend the State Convention of Policemen's Association.

Mr. and Mrs. H. W. Brown entertained members of the B. Y. P. U. at their home on Glendale Thursday.

Mrs. H. A. O'Neil of Wichita Falls was in town Monday greeting old friends.

WMC's Priority Referral Program Effective July 1

Worker-hungry war plants all over the United States are anxiously awaiting the results of the War Manpower Commission's Priority Referral Program which will go into effect in Wichita County at midnight June 30. This program will make it impossible for any employer in this county to hire a male worker except through the United States Employment Service.

R. E. Favre, local manager of the United States Employment Service, the WMC's "work horse" said today that every employer in the county, except agricultural, whether essential or not, and regardless of the number of employees, was included in the plan.

Favre said that community or geographical "exclusions" were not possible, but that in counties in which no local office of the USES was located certain arrangements would be made to alleviate undue hardships on both workless and employers. These arrangements, he said, would possibly allow workers to seek jobs within those county limits without clearance though the USES office located in a distant county.

No priority committee will be established in Wichita County, he said and for the time being no ceilings will be placed on employers. Such action will depend entirely upon the course of the war.

The whole purpose of the plan is to "expose" all male workers to the most important war jobs in the nation, he continued, and to keep war workers on their present jobs. Since men are required to seek jobs only through the USES they will be offered the most important jobs first. It is expected that this procedure will be the means of staffing certain critical war plants which are now behind schedule due to lack of manpower.

When asked whether arrangements would be made to allow certain employers, unions, private employment agencies, Civil Service Retirement Board, schools, etc. to continue to hire under established procedure, Favre said that under the terms of the plan it was possible to make such arrangements. He stated, however, that these arrangements would have to be spelled out, recorded, and approved by the local Area Management - Labor Committee.

At present no arrangements have been made in Wichita County. In the event such arrangements are made they will conform to WMC policy and program; they will be governed by the Employment Stabilization Plan and such agents will be required to maintain records of referrals and hires which will be subject to review and check by WMC at periodic intervals. If arrangements are made with hiring agencies, they will be made fully aware that any agreement may be remanded by the WMC when non-compliance occurs.

Favre said that when a male worker applies for work through the USES and they have no job and cannot develop one for him, arrangements will be made so that both the worker and the USES can continue to seek one. It was emphatically pointed out that the Employment Stabilization Plan regulations were still in effect and that any worker, male or female, now employed or employed during the preceding 60 day period in an essential industry could not be hired except upon referral by the United States Employment Service or upon presentation of a statement of availability regardless of where the job might be.

Favre appealed to all employers, workers, and the community leaders at large for cooperation in the operation of the program, and said "Under-Secretary of War, Patton, recently made the statement, 'the decision to inaugurate the program by the War Manpower Commission was unanimous. All of us in the Commission are well aware of the difficulties the extension of this program entails. We are well aware also that they can be made to work only if they receive general public support. We are asking earnestly for that support and are confident that we will get it.' I think this sums up on a national basis, the emphasis we must put on the problems on a local basis. We believe the plan will work if everybody cooperates."

5th War Loan

What can you say to a wounded soldier?

Never mind the sympathy—he doesn't want it! In his mind, he did his duty, and part of his duty was stopping an enemy bullet.

You have a duty, too, in this war. Part of your duty is to buy War Bonds with every dime and dollar you can.

So simply say "thanks" to a wounded soldier, by buy-

ing your full share of War Bonds in the Fifth War Loan. Don't expect credit—you can't match his sacrifice by merely lending your money. But don't be ashamed, either—if you've done your duty, you've shown your gratitude—the way he wants you to.

Say "thanks" to every American soldier—double the Bonds you bought before.

Hardin Club Meets With Mrs. Holloway

The Hardin Club met June 28 in the home of Mrs. Holloway at 2:30. The roll was called and the group sang "God Bless America." There was a report of the committee and as there was no old business, the club went directly into the business meeting. A motion made and seconded that Mrs. N. T. Crane go as a delegate to the Council for a representative to the State meeting. A talk was given by Mrs. Hill on the "Drying of Fruits and Vegetables." Mrs. Hewell and Mrs. Bunjes were elected to buy a wedding gift for Hilda Muller.

The program was presented by Mrs. Holloway. Mrs. Hewell won the contest after which an old-fashioned spelling match was held. The club adjourned and will meet next time with Mrs. J. C. Muller.

Delicious refreshments were served to the following: Mesdames F. W. Farley, J. H. Holloway, A. C. Houser, S. E. Askins, C. E. Martin, E. O'Bannon, J. O. Roberts, R. H. Hill, A. H. Bazell, Lislepy, Geo. Counter, J. H. Enderli, Edwin Michna, M. A. Cagle, H. L. Martin, L. E. Anderson, Clyde Peed, Fred Bunjes, M. R. Hewell, N. T. Crane, Hamilton, C. C. Johnson, visitor, and Miss Bessie McKnight.

Mr. and Mrs. C. B. Barton and children of Wichita, Kansas, and Mr. and Mrs. J. D. Barton and children of Tulsa, Okla., and Mrs. Walter Morris of Fort Worth are visiting in the home of Mr. and Mrs. Dot Buzbee this week.

"God" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, July 2.

The Golden Text is: "Who is God, save the Lord? and who is a rock, save our God? God is my strength and power; and he maketh my way perfect" (II Samuel 22: 32, 33.)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "In God is my salvation and my glory; the rock of my strength, and my refuge, is in God" (Psalms 62:7.)

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "There is no power apart from God. Omnipotence has all power, and to acknowledge any other power is to dishonor God" (page 228.)

Save Money—Yet Dress Smartly and Put Profits Into War Bonds

The age-old art of needlework gains new significance as an aid to win the war. By crocheting your own accessories, you can add new color to a last year's costume, and put the money thus saved into War Bonds. One of the season's smartest sets is this crocheted white cotton hat topped by a red feather, and scalloped pouch bag with a shoulder strap. Directions for crocheting this or a similar hat and bag set may be obtained at your local store. **Back the Attack—Buy More Than Before.**

Gleaners Class Has Social

The Gleaners Sunday School Class of the First Baptist Church met for its regular monthly business and social meeting Thursday evening at the home of the teacher Mrs. W. A. Minick. The affair was held on the lawn.

After a brief business session, Mrs. O. L. Clark brought a beautiful and inspirational devotional. A clever "Take it or Leave It," Bible quiz was presented by Mrs. Charles Naylor. Two accordion numbers were given by Natalie Brock, and a reading by Gloria Minick concluded the program.

Refreshments of ice-cream and cake were served to the following: Mesdames O. L. Clark, Harry Mayes, C. O. Hollingsworth, Fred Hunt, Charles Naylor, Cecil Whited, Eldon Morris, W. H. Fowler and Misses Natalie Brock, Charlotte Whited, Gloria Minick, Danny Fowler and the hostess Mrs. W. A. Minick.

Trinity Lutheran Church

Since the pastor will attend the district convention of the Lone Star Walther League, to be held at Dallas, July 2-4, both the morning and the evening service will be cancelled next Sunday.

The marriage of Miss Hilda Muller, of Clara, and Mr. Leonard Kunkel, of Olney, will be solemnized Sunday night, July 2, at seven o'clock, at the Clara church, with Chaplain Mel Wertman, of Sheppard Field, officiating.

The Ladies' Aid will meet Thursday afternoon, July 6, at the home of Mrs. Arnold Kiesel, in the Barwise community.

T/Sgt. Gilbert E. Kress and Mrs. Kress left for Atlanta, Georgia, where he is now stationed. Mrs. Kress is the former Winnette Buzbee.

Calvary Baptist Church News

Sunday School begins at 10 a. m. sharp, with all classes studying Exodus, chapter 37. This is another study on the Tabernacle. However, instead of just the instructions for the erection of the Tabernacle, the work is in progress. And men chosen and equipped of God are doing the work. All scriptures reveal Christ and our service to Him, so come sit in one of our classes and see Jesus.

Preaching at eleven o'clock. Sermon subject, "Sealed Marching Orders." Are you marching under sealed orders? You may be.

Evening services begin at 7:45 with the young people meeting for their regular devotional and Bible study. One of the young ladies who was saved last Sunday morning and baptised Sunday night, is to bring the lesson. She is Miss Betty Jean Banks. We don't claim to have the best young people in the country, but we will match ours with any anywhere. God is certainly working a revival in their midst. Two were baptised last Sunday, and one saved in a home Monday.

Remember, we are meeting on the lawn next to the church—out in the open air where it is cool and comfortable. Singing begins at 8:30, followed by an evangelistic message by the pastor. Subject of which will be: "The Home of God's Redeemed - Heaven". The song service will be built around that thought, with a special by the quartette entitled, "Heaven Holds All For Me."

You have a warm-hearted welcome to the Church that teaches and preaches the Bible as it is for people as they are. Come with us and we will do thee good.

COUSIN OF BOB INGERSOLL TO HOLD REVIVAL AT CALVARY BAPTIST

Rev. Fred Ingersoll, prison Chaplain and superintendent of a mission in Chicago, will begin a series of services at Calvary Baptist Church in the immediate future. Word is being awaited from Bro. Ingersoll as to the exact starting date, but we can say now that it will be in the next week or two. This for-warning is being given, because we know that you will not want to miss hearing this man who has a living, burning testimony for God. He is a cousin of the noted infidel, Bob Ingersoll, but unlike him inasmuch as he embraces Christ

as his personal Saviour, and certainly has faith in a living God. More definite information about the starting date, and subjects Bro. Ingersoll will use will be given next week in the Burk Star, so be on the lookout. And if you miss out on these services don't say we didn't warn you.

Elect P. W. Tucker to the office of Assessor-Collector

I want to thank the voters of Wichita County for the splendid support you gave me two years ago in the race for the office of Assessor-Collector. I have never held a public office but have handled real estate in Wichita County for twenty years and I do have the ambition and ability to serve in the capacity of Assessor and Collector.

Jim has had the office long enough say many of the Wichita County Voters, should you feel that way too, there will be a change in this office in 1944.

The present incumbent is asking for a continuation in the office on the basis of service rendered. The man whom he succeeded gave excellent service and the man who succeeds him will also give good service and with a chance always to improve in some departments. No one individual has a monopoly on service in this free country of ours.

The present Assessor and Collector is serving his tenth year in office and has drawn from the tax payers in Wichita County the sum of approximately \$50,000. This is an office of public trust and is not intended for any one man to perpetuate himself as a public officer.

I earnestly solicit your support in the coming election July 22nd.

P. W. TUCKER.

Black and white for summer, seeming fresh and new every year, are combined here in crisp plaid cotton. The bias cut ascot tie, sleeves and pocket slashes are fashion points worthy of note. In addition to the pleasure of creating your own clothes, there is another reason for sewing these days. It is patriotic, for by making your own you release manpower and machinery for the war effort, and you can buy more War Bonds with the money you save. THE FAMOUS
"Famous for its Values"

STATE OF TEXAS
 In a very impressive ceremony last Thursday night at Camp Perkins, Scouting bestowed its highest honor upon a local boy. Following the other awards Rev. Boyd I. DeVore was selected by D. L. Richardson to award the Eagle Scout badge and honor. Attention was called to the fact that D. L. was among friends and neighbors and that it was oftentimes easier to be at one's best among strangers. He was reminded that the younger boys were very much interested in his life and work; that many of them would copy his behavior and follow his work in Scouting. Rev. DeVore called Mr. and Mrs. D. L. Richardson Sr. into the circle and presented the award to them and they in turn pinned it upon their son.

D. L. is the second Scout in the history of the Burkburnett troops to receive this high award and is highly worthy of this fine honor. D. L. has been planning for a number of years, as he had the opportunity to spend three years in the Cubbing program in Mineral Wells, Texas, before becoming a Scout.

Hal Dean Mabry is Burkburnett's other Eagle Scout and is at Filmont carrying forward his work in Scouting at the present time. Hal Dean has done outstanding work in Local Scouting and received this trip as a signal honor. D. L. and Hal Dean are both members of Troop 155.

Rev. A. E. Harrison, L. J. Long and Scout Executive Jack Linn made the other awards to the Scouts in the Court of Honor. Before the Courts was held the Scouts of troops 35 and 155 met with their fathers for a most enjoyable swim in the Camp Perkins swimming pool. Many of the boys plan to attend the Scout Camp there next month.

Scouting is a real credit to Burkburnett and no time that is spent in helping these Cubs and Scouts is lost. These boys are making fine men.

D. L. Richardson Is Burkburnett's Second Eagle Scout

September of this year will mark the seventh anniversary of the opening of the Social Security Board field office in Wichita Falls for the purpose of rendering prompt service to people who wanted social security account cards or desired to file claims for old-age and survivors insurance.

Mr. R. L. Surles, Manager, advises that his office has issued social security account number cards to many people who would not ask for them in peacetime—high school boys and girls taking part-time jobs in laundries, stores or offices to help replace workers who have been called to the armed services; housewives who never had jobs before who feel they can do a patriotic duty and help with the war effort and older workers who had retired from the labor market because of age, but who want to do their part now.

"Our job of course is to issue social security account cards to all those taking jobs in industry and commerce," declared Mr. Surles. "But I wonder if they all realize that they are doing more than getting social security account cards—that they are in a sense taking a step toward their own and their family's future security. Getting a social security account number is really taking out an insurance policy with the Federal Government, not only for the worker, but for his family."

"Since January 1, 1940, monthly benefits have been paid not only to the retired worker over 65, but supplemental benefits have gone to the retired worker's wife if over 65 and survivors benefits to widows over 65 and younger widows with dependent children. Benefits have also been paid to dependent children and to aged dependent parents of deceased workers. More than half of the 750,000 beneficiaries in the United States receiving monthly old-age and survivors insurance are women and children."

The Social Security Board believes that all persons who work for a living should be covered under old-age and survivors insurance. The Board has recommended to Congress that coverage be extended to about 20 million workers who are now unprotected by social insurance, including some 6 or 7 million farm workers and domestic workers and more than 10 million self-employed persons. The board be-

lieves that "no important occupational group ranks lower in the scale of earnings than farm workers and household workers, even when allowance is made for what these workers receive in the form of food and shelter. For most in these groups employment is typically uncertain and broken." The Board also believes that the millions of self employed who are now denied the benefits of social insurance are mostly operators of small farms and stores, repair services and the like.

Mr. Surles will be glad to arrange for a speaker from his office to attend labor, business, and group meetings to explain the provisions of the social security program to them. Information booklets can also be had from his office upon request.

Memorial Services Held At Cashion For H. Lawrence

Last Sunday afternoon memorial services were held at the Cashion Baptist Church for H. Lawrence.

Sergeant Lawrence lived in Burkburnett and surrounding communities most of his life. He was born in 1910 and had served several years in the armed services. He was killed in action in Italy on May 31st.

Rev. Solsbee, the local pastor arranged the service and Rev. Boyd I. DeVore of the First Methodist Church here, preached the sermon.

Many beautiful flowers and other expressions of love showed the high esteem in which H was held by those who knew him. There were more than 200 in attendance.

H. Lawrence is the son of Mr. and Mrs. H. Lawrence of Lawrence St. in Wichita Falls.

I have been more and more convinced, the more I think of it, that, in general pride is at the bottom of all great mistakes.—Ruskin.

THEY'RE STILL GOOD... BUT COST MORE

Frankfurters, like almost everything else you buy, cost more now than before the war. Not so long ago, they sold for as little as 15 cents per pound, but today's price is substantially more.

Dependable United Gas Service still sells at prewar rates, and natural gas comes to you at the same standard of quality as before the war. It has not contributed to your increased cost of living!

The Bureau of Labor Statistics in Washington reports that living costs as of November 15, 1943, are up more than 24 per cent as compared with the average of the period 1935-39. Over the same period, your Gas Company has "held the line"—with prewar gas rates!

WEEKLY NEWS ANALYSIS

Yanks Advance on Two Fronts As German Resistance Stiffens; B-29s Blast Steel Mills in Japan

Released by Western Newspaper Union.

(EDITOR'S NOTE: When opinions are expressed in these columns, they are those of Western Newspaper Union's news analysts and not necessarily of this newspaper.)

Top American military leaders are pictured during their visit to the Normandy beachhead. Left to right: facing camera, Adm. Ernest J. King, commander in chief of the United States fleet; Gen. George C. Marshall, chief of staff of the army; Gen. Dwight D. Eisenhower, supreme Allied commander, and Rear Adm. Alan G. Kirk.

THE INVASION: Steady Progress

Supported by the greatest air fleets in battle history, Allied forces continued to expand their beachhead area in Normandy in the face of stiffening resistance on many fronts.

U. S. forces to the northeast of Cherbourg surged past Montebourg, which was still being contested, and captured Quineville on the east coast of the Cherbourg peninsula.

A communique from General Eisenhower's headquarters said that steady progress had been made west of Carentan across the base of the Cherbourg peninsula and between the Elle and Vire rivers toward St. Lo, key junction 15 miles southeast of Carentan.

Battle Westward

All along a 10-mile front, units of the American Fourth division and the 29th Air-Borne division were battling westward against strong resistance in a drive to pinch off the peninsula, and with it the prize port of Cherbourg.

Nazi Field Marshal Erwin Rommel had thrown approximately 700 tanks into the fighting on the eastern sector and appeared to be using far more infantry than the German command intended to use for the defense of one comparatively small section of the invasion coast.

Despite early successes on the invasion front, a word of warning came from Secretary of War Stimson who said that Allied troops in Normandy soon must face fiercer counter-blows "than any we have ever met."

While the troops on the Normandy coast were fighting off the German counter-attacks on land, residents of England itself were dealt a serious "anti-invasion blow" when a fantastic stream of pilotless Nazi bombers rained fire and explosives across the island.

CONVENTIONS: In Chicago

As the advance guard of the Republican party convention delegates began arriving in Chicago, political dopesters had all but awarded the Presidential nomination to Gov. Thomas E. Dewey of New York, but friends of Gov. John W. Bricker of Ohio would not let their candidate be counted out without a battle.

Bricker sources could not see a first-ballot victory for Dewey. However, the New York governor entered the convention with more delegates actually pledged to him than any other candidate, including Governor Bricker.

Officials in charge of arrangements for the Chicago meeting revealed that the candidate selected would probably make his acceptance speech from the convention floor on the day after his nomination.

Meanwhile the Democrats announced that Gov. Robert S. Kerr of Oklahoma would keynote their convention scheduled for July 19, also in Chicago.

PRICE CONTROL: Parity for Farmers

Under terms of the bill extending the price control machinery of OPA as passed by the House, processors who fail to pay a parity price for any farm commodity would be allowed to charge only 90 per cent of the OPA ceiling for the finished article.

(Parity is a price calculated to make farm purchasing power equal to that prevailing from 1909 to 1914.) Farm leaders had the support of the administration in putting through the measure in this form after the controversial cotton ceiling adjustment provision had been knocked out of the bill as passed by the senate.

This cotton provision and the parity issue were the main problems between the house and senate conferences. Once in the President's hands the bill still faced the threat of a veto because of amendment to it which would throw all OPA regulations open for legal tests in the regular federal district courts.

WOUNDED YANKS: Death Rate Cut

Of every 100 American soldiers wounded in battle, 97 are saved, according to Maj. Gen. Norman Kirk, surgeon-general of the U. S. army. The navy has an equally impressive record. In World War I the death rate of the wounded was 8 per cent. Now it is less than 3 per cent.

Abdominal injuries are among those most often fatal, resulting in death in 25 per cent of the cases. This, however, is a great improvement over 25 years ago, when 50 per cent died. Penetrating chest wounds are now fatal in less than 25 per cent of cases, while in the first World War more than half the men so wounded succumbed.

Umberto of Italy

Closet of Crown Prince Umberto of Italy taken after all Italian powers had been vested in him by his father, King Victor Emmanuel, who abdicated after the Allies had taken Rome.

PROGRESS: In Bond Drive

Treasury officials announced that in the first two days of the Fifth War Loan drive, individual buyers purchased almost a half-billion dollars worth of bonds. Goal for individual buying in this drive is six billion dollars.

At the same time the treasury translated bond purchases into equipment various sums would purchase for the army and navy. Bonds bought now will pay for more and better equipment than a year ago.

SECOND SCANDAL: At Pearl Harbor

A second Pearl Harbor scandal, revealing neglect and delay in the army's defense preparations prior to the Japanese attack on December 7, 1941, has been reported to congress by a house subcommittee on military affairs.

Responsibility was pinned directly upon Col. Theodore Wyman Jr., district army engineer at Honolulu. Hans Wilhelm Rohl, California contractor, who sought naturalization in 1941, 28 years after coming to the U. S. from Germany, was named as Colonel Wyman's collaborator.

The report stated that Wyman constantly discriminated in awarding \$125,000,000 in contracts to Rohl's firm. Rohl was to have built a permanent aircraft warning system. The contract was let on December 7, 1940. Rohl was to complete the job in six months. One year later the job was only partially completed.

The subcommittee reported that the approach of Japanese planes would have been detected if the system had been operating. Colonel Wyman and Rohl were frequently companions on wild drinking parties, the report stated.

HOUSEHOLD GOODS:

More than 12,000,000 families would like to buy alarm clocks, a survey conducted by the census bureau for the War Production board during April indicates. The study was made among 4,500 representative families to guide the WPB.

The survey covered demand for 56 household articles. It showed that the percentage of "satisfied buyer demand" ranged from 98 per cent for sewing thread down to 5 per cent for wash boilers and lawn mowers.

Behind-the-Scenes Stuff:

News-papermen's shop-talk includes the alleged reasons for the unpopularity of De Gaulle in certain high political circles. One statesman said: "He is arrogant, hard to get along with, stuffy." Another revealed that De Gaulle "likes to make an entrance" (especially in swanky hotel dining rooms; when a trumpeter too-tootles his approach with some ta-da, dee-da, dah, dee, da, dahing).

This got on the nerves of Allied bigshots. It is said Mr. Willkie will certify to the last item. De Gaulle is called "the bride" when Roosevelt discusses him with Churchill via trans-Atlantic phone. Once FDR asked the Prime Minister: "How's the bride?" "All right," Mr. C. is said to have answered, "but I am having trouble with the groom!" Meaning Giraud. Americans and others should not forget De Gaulle was the first to yell: "We Will Fight!"

The Squelch Proper: Radie Harris delays the one about the feud between Jane Cowl and Philip Merivale when they appeared in "The Road to Rome" hit. Their quarrel finally aroused director Lester Lonergan, who succinctly said: "I just want to remind you, Miss Cowl, that the billing on this play is Jane Cowl and Philip Merivale, not Jane Cowl vs. Philip Merivale."

Oop: Recently a Nazi prisoner of war escaped from the stockade at Camp Crowder. He learned the location of the camp's supply warehouse and got there without being detected. He broke in, shed his PW uniform, put on an American uniform that draped him perfectly. But then he made the boner resulting in his capture.

Hunting through a stack of hats he put one on that fit him. Then he stepped out across the camp grounds and was seized almost at once. He had on the hat of a WAC.

Ouch: It happened before Supreme Court Justice Aaron J. Levy. The man before him said: "I would like to change my name. It's been a source of great embarrassment to me."

"What is your name?" asked Hinzner. "Levy," said the fellow. "Rarely in the life of any jurist," was the caustic retort, "comes there a motion which he can grant with such pleasure."

Shawt-shawt: Returned bomber pilots have a favorite story not new to some of us on the papers. It deals with the U. S. bomber crew flying over Switzerland, which was hailed via radio by the ground crew of a Swiss anti-aircraft battery. "This is neutral territory. Get away or we'll open fire."

"Yes, we know," replied the Yanks, to which the guns ack-acked. "Hey," radioed the Americans, "your shells are exploding 1,000 yards below us." "Yes," was the reply, "we know."

Newspaperman Stuff: Editor and Publisher reports that Lowell Mellett (who recently quit his post as asst. to the President to do a syndicated column) has just been granted a \$5 raise by the St. Louis Post-Dispatch—a raise he requested 40 years ago.

At that time, Mellett asked his managing editor for the pay-hike and when turned down he quit. The P-D was among the first to buy his column. It pays him the wage he got when a reporter.

As a matter of principle, Mellett asked the present editor to pay \$5 extra. He got this reply: "Okay. Sorry you had to wait so long for it."

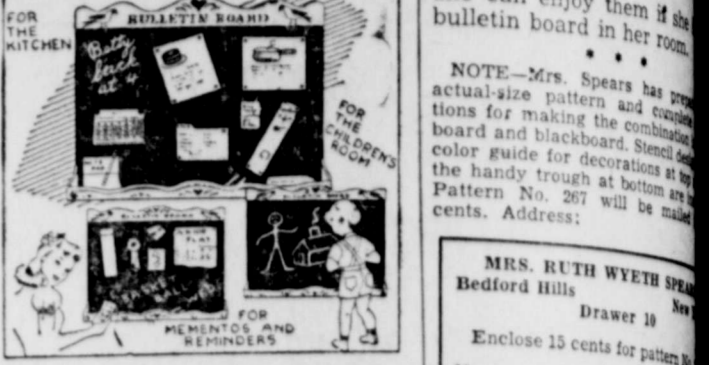

Merciless Truth: John Erskine recalls a college dean who used to say you couldn't teach a man mathematics if there was a girl in the room, or if you could, he wouldn't be worth teaching.

Heheheh: The editor of This Week convulsed the column with the one about the sentry who heard a noise and called out: "Who goes there?" A voice from the darkness answered: "Lieut. Jones. Let me through."

"I can't let you proceed, sir, without the password," said the sentry. "Oh, fergoodnessakes," said the officer, "you know me well enough. Let me through."

"No can do," was the retort, "gotta have the password, sir." Just then a nearby guardhouse yelled: "Oh, don't stand there arguing all night—shoot him."

Here is a message for men who expect to enter military service! Before you leave for the service, place your social security account card with your other valuables; and, above all, leave it in good hands. You will need it again when you return to civilian life. For information concerning account numbers or Old-Age and Survivors Insurance benefits, call or write the Wichita Falls Office of the Social Security Board located at 412 Post Office Building in Wichita Falls, Texas.

A 1939 Oldsmobile sedan belonging to Capt. Clyde E. Keller of Indianapolis, Ind., was stolen in Wichita Falls Monday, and was recovered here by Jobie Dunn the following day. Dunn became suspicious of the driver of the car since he was begging gas, and upon being questioned ran away leaving the car with Mr. Dunn. Nothing more has been heard of the driver.

Mr. and Mrs. Dick Hall and Lynda Beth were visiting parents and friends here over the week end. Mrs. Hall was happy to welcome her brothers, Raymond and Garland Johnston, home from the service on furlough.

Mr. and Mrs. E. Jeffers, formerly of Burk but now residing in Artesia, New Mexico, are visiting in Burk this week.

Mrs. O. E. Melton is to leave Sunday for two weeks in Fayetteville, Arkansas. She is attending the Leadership School of the Woman's Society of Christian Service, of which she is district secretary for the Wichita Falls district.

Where is your social security account card? Is it being worn threadbare in your pocket? Is it lying loose under a pile of worthless papers? You may need that card when you least expect it. Why not put it away carefully with other important documents? The Federal Government asks you to save paper, ink, printing time, and money by keeping your card in a safe place. For information concerning account numbers or Old-Age and Survivors Insurance benefits, call or write the Wichita Falls office of the Social Security Board located at 412 Post Office Building in Wichita Falls, Texas.
